#### Read It First

Read the instructions on Plymouth parking meters before depositing a coin — that's the advice from police headquarters. New rates are in effect on 60 of the downtown meters, but their penny slot is meaningless. Acting Chief Loren Johnson tells the details.

## Diploma Time

It will be graduation time Friday in one area of Plymouth School system operations. But unlike the high school commencement next month, this ceremony will be closed to the public. The occasion will be presentation of diplomas at the Detroit House of Correction.

#### Not Farewell

One of Plymouth's best-known ministers has announced he's retiring, but not leaving the area. Read about him in our Church Section. Page 7A

# Symphony Week

May 15 to 22 is Plymouth Symphony week. Families are being invited to join the 25-yearold symphony. The symphony society will hold its annual meeting and scholarships will be awarded.

The reports on the Storm Sewer Study, both Phase No. 1 and 2 were discussed, and the Committee recommended a "no pay back" policy for developers. Mr. Overholt moved that the Township Board approve the recommendation of the Committee for the Township to continue their past practices of requiring developers to satisfy the Engineer's requirements. Supported by Mr. Burke and

ITEM NO. III-BRENDER-HAMILL & Associates, Inc. Re: Current status of Township Storm and Sanitary Sewer and Water and recommendations for extension of the system. Discussion was held on storm sewer priorities. The following projects were presented: 1. Tonquish Creek sion. 3. George H. Roginson Subdivision. 4. Sheldon Industrial Park. 5. Joy Road Extension, west of Sheldon Road. It was moved by Mr. Millington, supported by Mr. Ash, that Plymouth Gardens Subdivision and George H. on Subdivision be given priority because the sanitary and storm sewers are combined, and because of the pollution factor, those people presently living in these areas should be given first consideration on future projects. It was further stated that the Tonquish Creek Basin should be the second project, and the Sheldon Industrial Park and the Joy Road Extension should be held in abeyance. The motion carried unanimously. Mr. Hamill and Mr. Brender presented agrical views and maps covering Sanitary Sewer and Water projects for the Township, showing water going along N. Territorial Road and from Beck Road to Ridge Road and along Ridge Road to the House of Correction before the expressway is built. Mr. ion stated that Mr. Ruggirello had agreed to take it from Territorial Road to the Trailer Court at his expense. Mr. Hamill gave an estimated cost of \$134,000 for this water project. The proposed water project on Back Road from Powell Road to Ann Arbor Trail and Ann Arbor Trail westerly to Ann Arbor Road and westerly to the Pino Property was discussed at length and agreed that this project should be in the town-ahip's first consideration. It was moved by Mr. Overholt, supported by Mr. Ash, that the Engineer proceed with the plans and advertise for bids at an estimated cost of \$100,000, to be paid from the Water Bond Issue. Carried

Mr. Overholt moved to adjourn the meeting, supported by Mrs. Holmes. Supervisor Breen adjourned the meeting at 11:00 P.M.

President Dianne Conrad, and with her committee of Sue Harper, Linda Quinn, and Kathie Dalgard was cast his eyes on it and after calendar and program for the monthly visits.

THE MONTHLY programs consisted mainly of craft-type activities which the girls were able to complete in one evening. Through these visits, the Jaycettes were able to fulfill at least partially two being the need for contact with people outside the institution and a need to do things that they as young girls are interested in but unable to do because of a lack of funds.

The challenge to the auxiliary through this project was formidable, to say the least. For many of the auxiliary members this was their first experience with institutions such as the center.

In the beginning, they admit, the girls were suspicious of them, and tension was obvious in both groups initially. However, the auxiliary members were able to convey a feeling of genuine interest in the girls and a mutual trust resulted.

Auxiliary members who participated in the project included Gayle Aldredge. Polly Allen. Pam Boden. Sharon Buell, Polly Carrico, Kay Cumming, Kathy Diesel, Judy Forbing, Sue Gansler, Bonnie Graham, Mary Sue Arbour, Karen Herter, Sandy Hill. Jo Ellen Hincker, Mary Olson, Jan Ruggiero, Carol Smith, Gretchen Stock, Diane Swinton, Judy Turck, Linda West. Chris Wagner, and Carol Wickard.

The project concluded on May 12, and is scheduled to be continued next year.

# Missionary Conference 2 Communities Start FISHing

Between 50 and 60 people representing 17 Farmington and Southfield churches of assorted denomination, met Wednesday evening to begin plans for a FISH organization in the two communities.

The organization, described simply as a means of helping those in need on a one-to-one basis, already has working groups in the Livonia and Redford Township areas.

Those who attended the meeting from Southfield and Farmington came in response to letters sent out from North Congregational Church, 26275 Northwestern, Southfield, North Church hosted the session.

A FILM documentary of the help program was shown, Monday through Friday and leaders who have helped there will be meetings at 10 plan other FISH programs spoke to the group.

> FISH, which takes its name from the ancient symbol of the Christian church, is a voluntary, non-professional, non-profit organization.

Its functions, in other communities, include emergency services like baby-. housework for the sick, housing and clothing. companionship for the homebound, referral service and Farmington began Farmington.
