At-Large Election Ordered For S'craft

Circuit Judge Roland Olzark late Friday ordered at-large election of trustees of Schoolcraft College on Sept. 13, emphasizing it was only a temporary measure until the Michigan Legislature can write "one-man, one-vote" reapportionment.

Olzark, however, rejected the Schoolcraft board's proposal for a nine-man board and instead ordered an eight-man board, the same as at present.

Although they had promised to do so, no one from the new Democratic Coalition of Livonia appeared to argue in favor of a "ward" or single-member district plan.

State Rep. Marvin Stempien (D-Livonia), who has drafted a bill requiring single-member districts, failed in a plea to have the judge order the college board to draw up such a plan.

Trustees John LaRue, George Martin and Robert Geake, who are already elected atlarge, will be allowed to remain in office. Voters on Sept. 13 will elect five trustees.

PLYMOUTH COMMUNITY SCHOOL DISTRICT Plymouth, Michigan **BOARD OF EDUCATION MINUTES**

A special meeting of the Board of Education of the Plymouth Community School District, Wayne ad Washtenaw Counties, Michigan, was held on Wednesday evening, May 5, 1971, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, beginning at 8:02 p.m. The meeting was called to order at 8:02 p.m. by President Hulsing. Present: Members Gilmore, Hanskat, Hulsing, Lawton, Scott, Stirton and

Administrators present: Superintendent Rossman, Assistant Superintendents Hoben and Gibson, Director of Personnel Kee, Principal Taylor of

Others present: Mrs. Kenneth Kuhn, Kris Kuhn, Mr. and Mrs. A. Menendez, Edwin Cavell, Sandra Hebron, Bill Heath, Arthur Frederick and Fred DeLano of the Plymouth Mail and Observer.

President Halsing introduced the Board Members to Mr. Fisher and Mr. Arthur Frederick of the Michigan Education Association. Mr. Fisher spoke on his own behalf, explaining his disadvantages and weaknesses, referring to a letter written to the Board stating he would be

taking an English course this summer to improve his weakness in the teaching of English. Mr. Edwin Cavell, Instructor at Central Junior High School, and Mrs. Sandra Hebron, Tenure Coach for Mr. Fisher, were called on by Mr. Fisher and they stated that he was a competent teacher with an ability to communicate with students, having no discipline problems, with an impressive appearance and behavior. Mrs. Hebron also stated that Mr.

Fisher needed to work on improving his abilities to teach English. Mr. Fisher asked, "Do you evaluate me as being a capable teacher?" Mrs. Hebron answered, "Yes." Mr. Fisher asked, "Would you recommend me for a third year of probation if I complete the required English course this summer?" Mrs. Hebron

answered "Ves" Mr. Fisher questioned Carl Taylor, Principal at East Middle School. He asked, "Would you want to have me teach in your building next year?" Principal Taylor replied, "Yes, if the required English course was taken

Mr. Fisher called on Bill Heath, his tenure coach from the previous year, 1969-70. Mr. Heath made reference to his evaluation of last year, stating he had not worked with Mr. Fisher during the 1970-71 school year and, therefore, could not evaluate him for this year. Member Tripp asked Mr. Fisher whether or not he had been accepted a of this date at a University to take the required English course, if he had

applied before he heard of the Board's decision not to extend his probationary period and if he had a commitment about taking the course last Mr. Fisher offered no excuses for failing to follow up on the request by the Administration that he take a course in English for improvement. He

summarized his case and asked the Board to reconsider its decision for missing him and grant him a third year of probation. Principal Taylor explained his evaluation of Mr. Fisher, stating that personality was not involved, that Mr. Fisher had been repeatedly notified of his weakness by Administrators and the tenure coach and to date there

is no evidence of his complying with these requests. Mr. Kenneth Kuhn, parent of a student in Mr. Fisher's class, presented a letter to the Board of Education which was publicly read by Secretary

Scott, with Mr. Fisher's permission, requesting the Board of Education not to rehire Mr. Fisher Discussion followed with Mrs. Kuhn and Mr. A. Menendez requesting that Mr. Fisher not be rehired.

It was concurred by Principal Taylor and Director of Personnel Kee that there had been nothing stated to alter their recommendation to change their decision that Mr. Fisher not be given a third year of probation.

Superintendent Rossman reviewed the records, noting that the building principal's, tenure coach's and the superintendent's requests that the course be taken to strengthen his weakness in English were disregarded. that Mr. Fisher took courses of his own choice and Superintendent Rossman joined in the recommendation for Mr. Fisher's dismissal.

President Hulsing asked if the Board of Education Members wished to change their minds on the previous recommendation that Mr. Fisher not Mr. Arthur Frederick of the MEA corrected this question, stating, "Mr. Fisher was not asking for tenure but the granting of a third year of proba-

President Hulsing then asked, "Will you consider a third year of probation for Mr. Fisher, or will you stand by your decision for dismissal?" The hearing was dismissed at 9:07 p.m.

The Board recessed for an Executive Session for the private hearing requested by Mr. Leroy Lane. The special meeting was reconvened at 10:23 p.m. A motion was made by Member Hanskat and seconded by Member Stirton to make public notice that the contract of Leroy Lane was not renewed due to budgetary reasons, but if an opening was found for a full-time

THESE NEXT THREE WEEKS bode well to add elected at the last general an interesting chapter to that never-ending saga known as the fun and games big people play in the paranoic political life of peaceful, placid Plymouth.

For one thing, that's all the time our seven Board of Education candidates have for selling you on their individual merits, as it will be on Monday, June 14 that you elect three of them to help rule your most expensive chunk of local government.

For another, no sooner have we passed the final hour for filing school nominating petitions than we The new board of directors are face to face with a second deadline, this being the one for entering the race for City Commission. Because Plymouth has switched its municipal election from spring to autumn, that petition deadline falis on Tuesday, June 15.

Four of the seven seats on the commission will be up for grabs in the general election Nov. 2, and if nine or more candidates get into the scrap there will be a host their opponents at a primary on Aug. 3. This is one observer who hopes brand new gridiron facility in that is exactly what happens, for the bigger the field the better the chance of eliminating the panjandrums.

THERE LIKELY will be still more who put petitions in circulation, but it must be remembered that no one becomes a candidate per se until those documents are filed with, and certified by, City Clerk Gene Slider. As mentioned, the last day this can be done will be June 15.

Meanwhile, don't forget that Commissioner James Jabara already has submitted his resignation, effective May 31. Under the terms of the citycharter, the remaining six members of the commission must appoint a successor, to serve until Novem-

Acting in the capacity accorded me editorially by the Plymouth Educator, namely that of "spokesman for the Almighty," I would like to caution Mayor James McKeon and his shipmates about the pitfalls pointed to the Michigan into which they could stumble by improper timing.

First, they would be defiling their own political astuteness if they handed the appointment to anyone who plans to become a candidate for a full term in November. Hand-picking someone and bestowing upon him (or her) the built-in advantage of incumbency would be an ill-fitting approach to governmental responsibility.

Best of all, they either will make sure that such is not the intent of their appointee if selected before June 15, or they will simply wait until after that filing date and then eliminate all of the full fledged candidates from consideration for the interim seat. Our Leaders would be hard put to justify any other approach.

A special meeting of the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held on Saturday. April 10, 1971, in the Board Room of the Administration Building. 1024 South Mill Street, Plymouth, Michigan, beginning at 8:00 a.m. The meeting was called to order by President Hulsing at 8:00 a.m. Present: Members Hanskat, Hulsing, Lawton, Scott, Stirton and Tripp. Absent: Member Gilmore.

Administrators present: Superintendent Rossman. Assistant Superintendent Hoben and Director of Personnel Kee.

Visitors present: Dallas Goss, William Heath and John Ryder. Member Stirton stated that at a time when teachers' salaries were low teacher tenure was granted to provide additional security. A pattern has also been established to grant annual increments. No other segment of society has tenure and increments. Collective bargaining has changed salary status and supply of teachers is sufficient; therefore, any borderline teacher should be denied tenure.

Discussion was held regarding 16 teachers that had been listed with recommendations from Director of Personnel Kee.

It was moved by Member Stirton and seconded by Member Scott not to offer contracts to teachers 1-16 inclusive on the list of teachers dated April
