18-Year-Olds Get Local Vote

The passage of a U.S. constitutional amendment that would lower the voting age in all elections to 18, and thus allow them to vote in local elections.

The amendment became the 26th added to the U.S. constitution after it was ratified this week by the 36th state, Michigan, and from the 37th state, Illinois, to 40.

Under the new State constitution, the Division of the Secretary of State will be responsible for the implementation of the amendment. It is expected that the amendment will be implemented in the fall of 1971.

This is where the amendment would affect the election.

At least 18-year-olds are eligible to vote in the fall.

Some 18-year-olds will have a chance to vote in the fall. The amendment would allow them to vote in the fall. The amendment would allow them to vote in the fall.

Fireworks Display Set Loses 3 Fingers To Bomb

Thousands of Plymouth area residents are expected to be on hand Sunday night to witness the annual Fourth of July fireworks show.

The spectacle will begin as darkness arrives, approximately at 9 p.m., with professionals from the American Fireworks Co. in charge of shooting off a myriad of multi-colored aerial bombs at the baseball fields on

Plymouth Road, adjacent to Riverside Cemetery.

Spectators will not be permitted on the south side of Plymouth Road, but will have ideal viewing conditions from the Burroughs Corp. parking lot on the north side of the thoroughfare.

Anticipating a heavy crush of traffic on Plymouth and Haggerty Roads, the sponsoring Jaycees suggest an early arrival to avoid un-

necessary automobile congestion. Jaycee chairman of the spectacle is John Harper.

City of Plymouth firemen will be on hand to handle any emergency situations.

The display is made possible through donations from merchants and industrial firms of the community and except for Monday's final day of activity at the carnival set up on the grounds of East

Middle School this event will conclude the Independence Week celebration.

President James Herter of the Jaycees joined with Harper in announcing Friday that in case Sunday night's weather is so bad that it makes the fireworks show impractical there will be a 24-hour postponement, with the display rescheduled for Monday night.

A 14-year-old Plymouth boy lies in Detroit's Ford Hospital unaware that he has become a safety symbol against homemade explosives.

Young Bill Neighbors, of 15063 Thornridge, also is unaware that when the bandages are taken off his left hand for the first time since last Sunday afternoon, he will see that three fingers are gone.

However, no matter how well the upcoming 10th grader at Plymouth High School is prepped mentally by doctors, nurses and his own parents, Mr. and Mrs. Thomas Neighbors, for the first sight of that hand, he is in for a shock.

WHAT HE doesn't realize yet is that the physical damage from the explosion of a pipe bomb "firecracker" he was making on the patio of his Lake Pointe home hasn't cost him a single finger.

To the contrary, youths of the Thornridge neighborhood, where Bill has lived five years, have gone about collecting loose change to buy something they think will please their mechanical-minded pal the most.

The \$125 they gathered has gone into the purchase of a motor for Bill's mini-bike, which—like the details about the fingers—is something else no one has yet told him in the hospital. It's to be the climax of a welcome home party when he is released in another two or three weeks.

"I JUST WISH there was some way we could thank everyone," said his mother. In the 90-plus heat of last Sunday her son had stuffed

literally hundreds of paper book matches into an 18-inch length of pipe tubing. Sheriff's deputies say that he then began tamping it all with a chisel and hammer, possibly to make room for more. That's when Bill's teenage world exploded.

"It's too bad for a boy to learn such a lesson this way," commented a Sheriff's Youth Bureau officer.

"All the kids heard the explosion and they saw what had happened," recalled his mother. "I only hope they have learned by it."

Sheriff's officers plan to make the remnants of Bill's pipe bomb part of their traveling exhibit for safety lectures to young citizens.

They hope it will save fingers that not even plastic surgery has been able to do for Bill Neighbors, who does have one consolation. It could have been his life that was lost.

Lightning Believed Responsible For Fire That Guts Auto Shop

The worst fire to hit the Plymouth business community in 3 1/2 years gutted the facilities Wednesday evening of the A&E Auto Trim and Glass Co. at S. Main and Hartough after apparently being set off by a bolt of lightning.

Every piece of fire fighting apparatus that the city owns, and 19 firemen, responded to the call at 7:13 p.m. and although they had the blaze under control within 45 minutes the damage ran into an estimated figure well upwards of \$30,000.

John Seaton, owner of the firm, said that there will be no interruption in business,

however, as he immediately made arrangements for temporary quarters at 1405 Goldsmith and will open there with his six employees Tuesday morning.

THE COMPANY specializes in automotive soft trim and glass replacements and five customer-owned automobiles were in the back shop which was hardest hit by the fire. Three of the five are total losses.

Plymouth Fire Lt. Charles Groth, who is acting chief during the vacation of Chief George Schoeneman, said that from the pattern of the

fire it appeared that lightning struck electrical equipment at the rear of the building at 1094 S. Main. No one was in the building at the time, employees having left for the day about an hour earlier.

"The fire came in on the wiring at the back and ignited materials close by," said Groth, referring to upholstery fabrics and plastics.

THE FIRE was kept from spreading into the front office area, and there was no damage to neighboring buildings.

One fireman Dan Fowler,

suffered minor hand burns during the struggle to bring the fire under control but was released after medical treatment.

Seaton has been in business here for 10 years and leases the Main Street building from Alvin Collins, the owner. It is a cement block structure with a steel frame roof and Seaton said that reconstruction is planned to permit his early reopening at the same site.

It was Plymouth's most devastating destruction by fire of a business house since the then-vacant P&A theater was destroyed early in January 1968.

MASKED PLYMOUTH FIREFIGHTERS such as Fred Robinson (left) fought Wednesday to conquer the blaze which gutted the building of the A&E Auto Trim and Glass Co., 1094 S. Main. The interior (center) was left a shambles, with stacks of automobile windshields among the losses. The

shell of the structure and front offices were protected (right) by firemen who manned hoses outside. (Observer photos by Bob Woodring, Harry Mauthe and Ken Garner)

School Head's Mother Dies

Mrs. Gladys W. Rossman, mother of Supt. James H. Rossman of the Plymouth school system, was buried at Kalkaska early this week following her death, which had been preceded only last January by that of her husband, Henry.

Mrs. Rossman, a native of Northville, was 80 at the time of her death and funeral services were conducted on what would have been the 60th

wedding anniversary of the couple.

Surviving, besides the Plymouth superintendent, are a daughter, Mrs. Irene Belcher, of Kalkaska; a sister, Mrs. Irene McKinney, of Livonia; four grandsons and four great grandchildren. The elder Rossmans moved to Kalkaska in 1961 after living for many years in the Metamora area.

Plymouth Pair Study At Camp

Linda and Carole Surratt of Plymouth, are attending the Stephen Collins Foster Music Camp at Eastern Kentucky University through Saturday, July 10.

The camp provides a concentrated musical experience

to high school musicians consisting of private instruction and large and small ensemble practice. Classroom training is given to broaden the musical knowledge and understanding of participants.

Winning Days For Frayers

There'll be no collision during the regular season, at least, between the Frayer Brothers — Roger, the coach, and Rick, the player. Both are deeply involved in the Greater Livonia Connie Mack League program.

The Court Jester

By BILL CAMERON

I shed a few tears last week when I read that Pancho Gonzalez, the greatest 43-year-old tennis player in the world, was defeated in the second round at Wimbledon in a five set match.

The handwriting was on the wall when it was reported that he won a lengthy five setter the previous day. You have to be over 40 to appreciate the tremendous amount of energy expended in a five-set match. Most of us have enough problems with three sets.

Speaking of conditioning, I had the opportunity of playing with Judge Dunbar Davis and State Senator Carl Pursell last week. They play a darn good game. Judge Davis has taken good care of himself over the years and if the Senator lost 10 pounds it would improve his game even more.

Jim Thomas, Consumer Power Co. plant manager picked up a racket for the first time in 20 years and after taking a lesson from a well known tennis pro, managed to keep the ball on the court for the better part of an hour in Cadillac. It helps to be a natural athlete.

There will be a "doubles scramble" event at Stevenson H.S. on Monday, July 5, for those tennis players staying home over the holiday.

Interested players are asked to report at the courts at 11 a.m. draw names for partners, play till 2:30, swim at the Y at 3 p.m. and bring your own food and refreshments for a barbecue at the Court Jesters at 5:30 p.m. 2683 Greenland, Livonia. Should be a relaxing day.

Roger, who coaches at Churchill High now has virtually his entire team playing intact for him under the banner of Livonia National Pride in the Mack's American League.

Rick, who played at Franklin High last spring, has remained with his teammates to play on the Livonia Patriots team in the International League of the Mack program.

UNLESS THERE'S a playoff involving the teams, they won't clash head-on during the summer, which suits Coach Roger.

During the spring, Churchill High met Franklin in baseball

and Roger's team won against Rick, the pitcher.

The victory upset Roger, because he hated to see his younger brother lose, especially when some unearned runs figured in the outcome of the game.

Both Frayers enjoyed a happy day Tuesday.

The Patriots, with Rick pitching, turned back Novi, 15-3, while National Pride whipped the Livonia Optimists, 5-2, for its fourth win in five starts.

Rick fanned three and walked two and never was in much trouble. The Patriots scored their first eight runs without the benefit of a hit.

John Grills, Ken Yuhasz and

Dave Hollandsworth each knocked in two runs for the winners.

KEN WOOD'S brilliant relief pitching helped as the National Pride team downed the Optimists.

Wood worked the final six innings and fanned 12 while allowing one run.

Steve Chilenko tripled with three on for the big hit of the game for National Pride. Roy Henriksson went two for four and knocked in one run while Bob Blaze doubled in the sixth run for the winners.

Bob Crouch, the losing pitcher, also fanned 12 and collected the big blow for his team — a homer.

Gaelic Football Makes Hit With Stevenson High

A handful of Livonia youngsters are involved in a rugged but little known sport — little known except to true Irishmen.

The sport is Gaelic Football, a rough and tumble contact sport much like soccer, beloved in Ireland.

Livonia boasts four teams — one senior, one juvenile and two minor teams.

THE SENIOR TEAM, known as the Michigan Gaels, is composed mostly of former Stevenson High School football players. They recently went to Chicago and tied a tough team from the area.

The teams are coached by Nick O'Shea, chairman of the American Gaelic Athletic Association, Mike Clark, and Jack Gabel, a Stevenson coach, all of Livonia.

Members of the senior team include: Curt Ball, Marc Hulet, Bernie O'Keefe, Gary Bucklin, Tom Wiltse, Russ Isaacs, Ron Hoekstra, Tim Muldoon, Hal Masters, Pat Violante, Jon Lewis, Bud Daniels, Bob Hood, Pat and Mike Swift, Ben Pawlowski and Steve Westberg.

Gabel got the group started last year after his son began playing the game in the neighborhood.

In the game a round soccer-like ball is used on regular American football fields. Points are scored when the ball is kicked or punched — three for under the goal posts, one for over the goal posts.

A player can run with the ball four steps, play it off his foot, "fist" or punch it to move

the ball down field. The defensive squad can intercept and block.

As the team members play the ball contact is allowed. Only one referee must keep track of the ball, 15 players on each team and the scoring. No football pads are used.

"THE KIDS LIKE IT," Gabel said. "And it helps keep them in shape. It's for the kid who likes contact."

This summer Gabel has a minor team, made up of youths from the north end of Livonia. O'Shea has a similar group in the south end.

Wins National Fencing Title

Steve Danosi, who was graduated from Southfield High School with honors several weeks ago, has taken on a new title.

The 17-year-old son of Wayne State's fencing coach brushed aside all opposition in a recent meet at Berkeley, Calif., to win the National under-19 sabre championship of the Amateur Fencers League of America.

And he did it the hard way. Down, 4 to 0, to Peter Brand, of New York, in the second match of the finals young Steve came on to win 5 to 4.

"That gave me the kick I needed to go on," the champion explained. The title was

a perfect Father's Day gift for his Dad who accompanied him to the title meet.

Steve has been fencing seriously in sabre competition for only a year.

He qualified for the world junior championships in Madrid, Spain, in August.

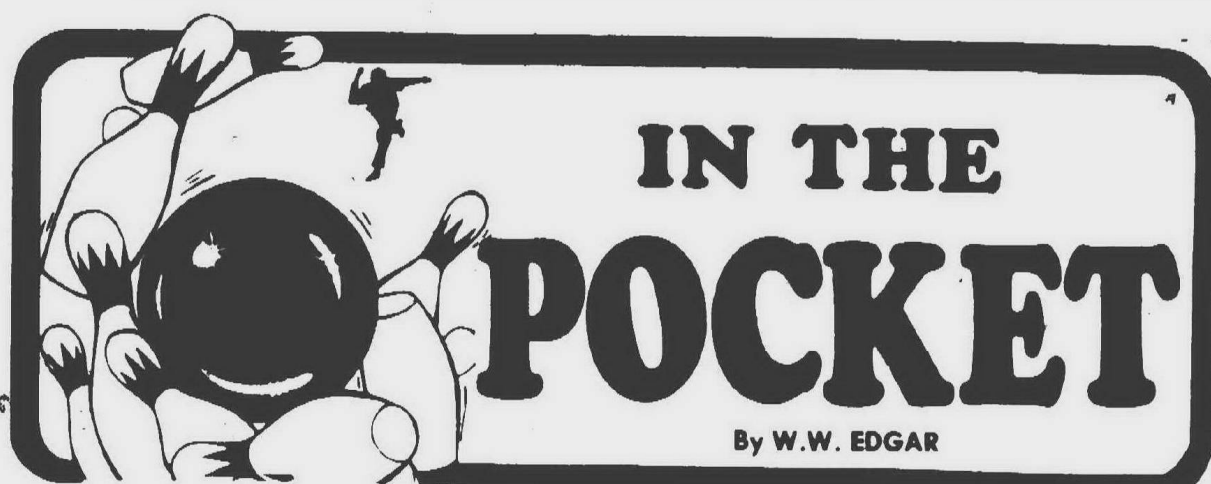

Bill Goering, of Southfield, was second in the senior sabre competition, and reportedly, qualified for the Pan-American games in Columbia, this summer.

Feminine Golfer Gets Hole-In-One

Mrs. Thelma Blackney, of Livonia, is the newest member of the hole-in-one club at Brooklane Golf Course in Northville Twp.

She became the sixth golfer to hole out in one stroke when she used a driver to ace the 150-yard No. 9 hole. Mrs. Blackney hit a perfect shot...one bounce on the green and into the cup.

She was playing with Myron Baade.

"If anyone had told me something like this could happen I wouldn't have believed them."

These words were spoken by George Bashara, owner of Wonderland Lanes, during a lull in the hot spell when most everyone's thoughts were on the 'ol swimmin' hole.

"Would you believe it," he asked, "I haven't got a men's league on our summer schedule — nothing but women and girls."

"I didn't even have a request for time from any of the men's leagues we had during the winter," he added, "and that never has happened before."

George couldn't help smiling when he talked for it

wasn't too many years ago when women's league bowling was frowned upon and men's circuits always were given preference in time.

"Without the women — and the girls — I don't know what we'd do this summer, go fishin' or to the races, I guess."

Many of the other establishments in Observerland are experiencing much the same condition — where the women and girls are forming the base of summer operations.

This is the outgrowth of the junior leagues where the mothers took their youngsters to the Saturday morning leagues and they became "pals" on the lanes.

Now, it is carrying over to save the summer business. Ask George Bashara. He knows.

THE DETROIT Louis D. Brandeis B'nai B'rith league did something unusual to mark the close of one season and the start of another.

Instead of the time honored banquet for the awarding of trophies and prizes the members of the league and their wives spent a weekend at the Elmwood in Windsor — and a great time was had by all.

Looking ahead to the new season — its 27th — it was agreed to start firing at the pins on Sept. 2 at Southfield Bowl and to conduct another tournament with the B'nai B'rith leagues in Toronto, Canada.

There still are some openings in the league and any eligible team wanting competition should call Harry Cohen, Secretary, at 548-3712.

Turf Tips, Quips

By Doc Minard

There won't be any bombs bursting in air at the Detroit Race Course Saturday but the Firecracker Handicap, first of two rich stakes slated for the holiday weekend, could produce an explosion that will have the expected crowd of more than 20,000 standing in the aisles.

There were nine names in the box when Racing Secretary Norris Guinn opened it for the draw for positions. The list includes two entries and thus seven betting interests.

But it is one of the best fields since the Michigan Mile and includes the Carlin Stable entry of Alhambra Boy and Alhambra Girl which could take it all.

Alhambra Boy won the feature a week ago in a quick 1:09 for six furlongs, just beating Abreast to the wire by a long neck. They'll clash again this time and, if the track is hard and fast, Abreast and the others may have trouble keeping up with Alhambra Boy.

There are others who could make things interesting. For instance, Coup Landing shipped in from Woodbine Park in Toronto and the Canadian horses have a pesky habit of winning the big races when sent in for a stake.

Then there's Fleet Wing, fresh from successes in Chicagoland, who has to be considered as a definite threat.

DAVE ZAKOOR, the youthful trainer who seems to always have something ready come stake time, has the entry of Metric Mile and Second Louie. Fans are still talking about the way Metric Mile shot into the lead in the Michigan Mile and was still there with a half-mile to go when he faded out of contention. This time it is over a distance of six furlongs instead of a mile and an eighth and that could make quite a difference.

The remaining starters are: Big Gyre, and Trusty Pro, neither figures to press the top contenders.

Then come Monday, with a post of 2:20 p.m. same as on Saturday, a field of 11 is expected to go postward.

Knight Counter, who raced in this year's Kentucky Derby and has looked like anything but a Derby entrant since, could upset the favorites this time. The colt has shown improvement in his most recent starts and one has to consider that this isn't a Derby field.

Then there's Toolin Around, a Derby eligible, who flopped in a test a week before the big event and was hauled back to Detroit. Toolin Around hasn't been a ball of fire in his recent starts at the DRC.

OTHERS slated to go are: Amberee, shipped in from Cleveland for this race: Sing Gold, La Song, Mr. Gibraltar, Bo Hatch, Knight In Paris, Comedy Hour and Good Balance.

IT WAS a long time coming but two of the happiest persons at Northville Downs Thursday night were Stewart Oldford and Norm Ruehr, two

of the younger members of Plymouth's business colony.

They bought three-year-old filly, Speedy Baroness, during the winter and saw her pace without success through seven races. But No. 8 was something else since the filly sped to the front and stayed there for the entire mile to give the pair their first appearance in the winner's circle.

The Baroness went off at 9-5 odds and paid \$5.80.

THOSE WHO follow the pacers and trotters closely are conjecturing whether Northville Downs will see its first mile in better than 2:00 during the current 35-night meeting which ends on Aug. 3.

The reason is that Breadman George, the speedy four-year-old from the stable of Bill Longe of Farmington, has been flirting with the magic figure most of the spring and early summer. If pressed, the experts believe, The Breadman could become the first to circle the track twice in less than 2:00.

It was just last Saturday that the four-year-old sped from fifth and last at the halfway point to zip past the leading Blaze Pick and hit the wire a half length in front in 2:00.4.

That time equaled the track record first set in 1969 by the great Vicki's Jet, one of the fastest of all Michiganbreds, and then tie last year by Blaze Pick.

All of which means that only three times in 28 years have pacers or trotters hit the finish line in less than 2:01.

LONGE purchased Breadman George a year ago as a three year old and soon realized that he had a good one...something that an astute trainer and owner like Bill must have known at the time he made the buy.

But it wasn't until this spring, first in Chicago and then at Hazel Park, that the horse began to live up to expectations.

He went postward as the odds-on favorite in last Saturday's Invitational and for a while it seemed like the bettors had made a mistake. Blaze Pick, co-holder of the track record and one of the top performers from Canada, quickly moved to the front and was still there at the end of the first lap.

That's when Driver Mike Novick decided to take the wraps off the Breadman who started to move on the outside at the half-mile point and never stopped.

George finally took the lead at the start of the final turn, paced the final quarter in :29.1 and the last half in 1:00 for the victory.

It was the manner in which he gradually worked up speed that drew the attention of the rail birds. Seldom have they seen a pacer come from so far back to win.

THE BREADMAN takes on the fastest and best on the grounds in Saturday's \$6,000 Invitational and if conditions are right this could be the night for Northville first sub-2:00 mile.

KATHY PROBST, a housewife who does her bowling at Bel-Aire Lanes, deserves a special award for her performances in the summer leagues during the past two weeks.

Bowling with the "Bermuda Shorts" she knocked over the 4-7-9-10 a week ago and was busy accepting congratulations until she appeared this week for her regular session.

And would you believe it — she knocked over the same split.

HIGH SCORES appeared to be in order all around at Bel-Aire.

Phil Horowitz paced the men's classic with a four game total of 875 that included games of 267 and 228.

Next in line came Mike Friedman who had games of 255 and 227 in an 859 and Ron Watson posted a 279 in the middle of an 833 count.

Meanwhile Bertha Simonsen paced the ladies for the week with games of 255, 199 and 173 for 577.

In the men's circuits, Joe Wickens was high with a 576 that included a 258 middle game and Chris Stevenson had a 200 in a 522 count.

With a 209 game in a 513 series Shirley Walker walked off with top honors at Country Lanes. Both counts were "highs" for the summer season.

STUDENTS CONTINUED their heavy firing at Merri-Bowl.

In the regular students league, Doug De Marois came through with a 260 game in a 653 series to top the "A" division.

Jim Donohue paced the "B" section with a 253 single and Dianne Dettler had high game for the women with a 217.

HERE ARE a few names to remember.

Alexa Kassil, Barbara Firavich, Helen Kuznar and Barbara Wixson are compiling fine marks in the Wonderland women's circuit where they are averaging about 180.

They're fine prospects for the major leagues.

MANY OF THE establishments in the area are taking the month of July to renovate lanes and get ready for an early start about mid-August. As usual, the regular all-star competition will open with the Gavi Sweepstakes at Fairlanes on August 24; the All-Star Classic opens the following night.

GC East Star Signs Tender With Broncs

Rick Palmer, 6'5", 250-pound defensive end for Garden City East graders last fall, has signed a national letter of intent to attend Western Michigan University. East compiled a 21-4-2 record during the three seasons Palmer was a starter. He also was a member of the basketball team which lost out in the regional finals. He will be working as a tackle for the Broncs.

Derith Lane Is Married

Mr. and Mrs. Richard Paul Garrison are living in Ann Arbor following their marriage May 29 in St. Mary's Catholic Chapel on the University of Michigan campus.

Mrs. Garrison is the former Derith Ann Lane, daughter of Mr. and Mrs. John G. Lane of Wentworth Street, Livonia, and her husband is the son of Mr. and Mrs. Harry Garrison of Kalamazoo.

The Rev. Charles Irvin and Pastor Donald Zill officiated at the double ring ceremony.

THE BRIDE wore a gown of white silk organza with flowers and featuring a rolled collar over a white sheath. She designed it herself. Her veil and train were also of white organza with satin trim. Her headpiece was of white seed pearls and her bouquet was of rubrum lilies and yellow roses.

Susan Marie Lane, the bride's younger sister, as maid of honor, wore a gown of aqua crepe with long full sleeves and lace trim at the empire waist and wrist. She carried a nosegay of baby roses, chrysanthemums and baby's breath, dyed to match her gown.

Similarly dressed were the bridesmaids, Alice Landon of Scottsville, Mich. and Valerie Cyburt, in purple; Mrs. Shawn DuFault of Pueblo, Colo., in aqua; and Mary Garrison, the bridegroom's sister, and Candice Christman of Tecumseh, Mich., in pink.

Jim Garrison, the bridegroom's brother, and Geoff Lane, the bride's brother, attended the bridegroom.

THE USHERS were Dana Houston, Bill Williams, Dennis Riedel of South Bend, Ind., and Richard Potchynok of Royal Oak.

The bride's mother wore a long-sleeved ice blue lace blouse with a satin skirt. The bridegroom's mother wore a pink silk sheath with matching accessories.

A reception and buffet dinner were held for 213 guests at the Holiday Inn.

The couple are planning a wedding trip to Colorado in late August. The bridegroom is working on a master's degree in gas dynamics and air pollution control at the U-M. The bride is a nurse at University Hospital. Garrison is a member of the Phi Kappa Phi honorary society and Tau Kappa Epsilon and Mrs. Garrison is affiliated with Alpha Omicron Pi.

MRS. RICHARD GARRISON
(Derith Lane)

Vows Are Spoken

Elizabeth Lou Birney and David Ernst Ott were united in marriage in a recent high noon ceremony in St. Fabian Catholic Church, Farmington.

Parents of the couple are Mr. and Mrs. Joseph P. Birney of Old Forge Lane, Farmington, and Mr. and Mrs. Ernst Ott of Ann Arbor.

A dinner reception for 200 guests in the home of the bride's parents followed the ceremony.

Escorted to the altar by her father, the bride wore a Victorian gown of peau de soie with lace embroidered in crystal and seed pearls fashioning the bodice and encircling the train. A lace headpiece held her long veil and she carried white roses, sweet William and lace flowers.

JANIE BIRNEY, youngest sister of the bride, was maid of honor and wore an apricot peau de soie dress over flowered polished cotton. She carried a basket of orange daisies, candytuft and ivy.

The bridesmaids were Mrs. Dames A. Dinnirno of Grosse Pointe Woods, another sister, Mrs. Susan Atkins of Ann Arbor, sister of the bridegroom, and Margaret Birney of Evanston, Ill., cousin of the bride. They wore apricot peau de soie over crepe and carried baskets of daisies, candytuft and ivy.

Missy Dinnirno, niece of the bride, and Jennifer Atkins,

MRS. DAVID ERNST OTT
(Elizabeth Lou Birney)

niece of the bridegroom, wore dresses of white nylon dotted swiss over apricot peau de soie for their duties as flower girls. The ring bearer was James Patrick Dinnirno, nephew of the bride. He wore a white linen Edwardian suit with an apricot ascot.

RICHARD OTT of Westland, was best man for his brother, and the guests were seated by Capt. James A. Dinnirno, brother-in-law of the bride, and Don Yauk of Farmington.

Mrs. Birney's gown was apricot silk chiffon and Mrs. Ott wore lime green silk chiffon.

The newlyweds honeymooned in the Virgin Islands and will live in Farmington. The new Mrs. Ott has a degree in nursing from Mercy College of Detroit and is employed by Sinai Hospital in Detroit. Her husband recently graduated from Eastern Michigan University with a degree in marketing.

THE BRIDE created her ankle-length gown of white polyester satin in a Shakespearean style. It featured long, full sleeves caught in three large puffs. Her short veil of white chiffon was held by a seed pearl cap which belonged to her mother. Her shoes were white Scottish dancing slippers laced up the ankle with white satin ribbon and her bridal bouquet was a cascade of stephanotis and baby's breath.

The gowns of her three attendants were also ankle-length in varying shades of lavender with long sleeves caught in one puff and held with white and lavender trim. Their white ballet slippers were laced with lavender satin ribbons and they carried old-fashioned nosegays of lavender chrysanthemums and baby's breath. On their heads were Juliet caps in shades matching their gowns.

Indian Evangelist Will Speak At Bethany July 9

A Mohawk Indian evangelist, the Rev. H. Thomas Claus of Phoenix, Ariz., will be the speaker at Bethany Baptist Church, 34541 Five Mile, Livonia, on Friday, July 9, at 7:30 p.m.

The parents of Rev. Claus live on the Grand River Indian Reservation near Brantford, Ont., where the Six Nations Indian Tribes originated. The Six Nations was known as the Iroquois Confederacy and was formed centuries ago.

Rev. Claus's parents heard of the Christian faith through a religious radio program. Soon after their conversion, the family formed a singing team which for 25 years participated in church services, Bible conferences, youth rallies, missionary conventions and evangelistic crusades throughout the U.S. and three foreign countries.

THE CLAUS INDIAN Family, as they were called, was associated with pastors and international evangelists including Dr. Billy Graham, Dr. Torrey Johnson, Dr. Merv Rosell, the Rev. Jack

Wyrzten, Dr. Oswald J. Smith and others.

In 1945, Rev. Claus dedicated his life to the ministry as an evangelist among the 15 million Indian people who live in the U.S., Canada and Mexico. He studied under Dr. Johnson.

He was ordained to the gospel ministry at the Midwest Bible Church, Chicago, Ill., in 1951. The next year, he founded the American Indian Crusade which now serves as one of the largest interdenominational mission boards to Indians. He has spoken in more than 300 missions to 150 tribes of Indians from the Eskimo villages of Alaska to the Aztec villages in Mexico.

In 1954, he married Alfreda Tsoodle, a registered nurse

from the Kiowa tribe in Oklahoma. They have three children, Huron Brainerd, who is 15, Cynthia, 12 and Sharolyn Ruth, 11. They often join him in his services throughout the summer months and make up the musical team for his reservation crusades.

FOR THREE years, the Clauses served as resident missionaries among the Sioux Indians on the Rosebud reservation in South Dakota.

Now they are giving their full time to evangelism, missionary radio and Christian Indian literature.

In 1966 Rev. Claus was invited by Dr. Graham to be the North American Indian delegate to the historic World Congress on Evangelism in Berlin, Germany.

Baptist Teens Join Pack Trip

Church Plans Summer Hours

During July and August, morning worship services will be held at 10 a.m., instead of 10:45 a.m., in Evangelical Covenant Church, 2433 W. Eight Mile near Telegraph, Detroit.

The evening services will continue at 7 p.m.

During the morning worship hour, the Sunday school will be in session for children up to the sixth grade.

Two Livonia youths from the Grand River Baptist Church will join a continental Divide Pack Trip sponsored by the American Baptist Churches this month.

They are Gregg Vorbeck, 14830 Flamingo, 10th grader at Bentley High School, and Jeff Myers, 34412 Wood Drive, in the 11th grade at Stevenson High School.

They will leave July 9 with the Rev. John H. Pipe, director of Christian Education for the Detroit Association of the American Baptist Church, who is in charge of the two-week hike.

Rev. Pipe will pick up other hikers at Moline, Ill., and North Platte, Neb., before heading for the Elk River Recreation Area in Clark, Colo.

From there the group of 15 hikers will go by horseback to a remote mountain area and take one-day hikes from their base camp.

"This experience of Christian camping is a valuable part of the spiritual lives of these teens," said the Rev. Errol Bosley, pastor of Grand River Baptist, located on W. Six Mile west of Farmington Road.

By Farmington Minister Africa Seen First Hand

By MARGARET MILLER
Church Editor

Africa—a continent struggling to achieve nationhood out of tribalism—will be presented from a first-hand view when the Rev. Hugh C. White teaches a course at Adrian College July 12 to 18.

Rev. White, minister of the First United Methodist Church of Farmington, traveled to Ghana this spring to prepare for teaching the course, "New Generation in Africa" for the School of Mission for the United Methodist Church's Detroit Conference.

"I realized I would be relying mainly on bibliographical material," he said, "but I felt a visit would make my reading more meaningful."

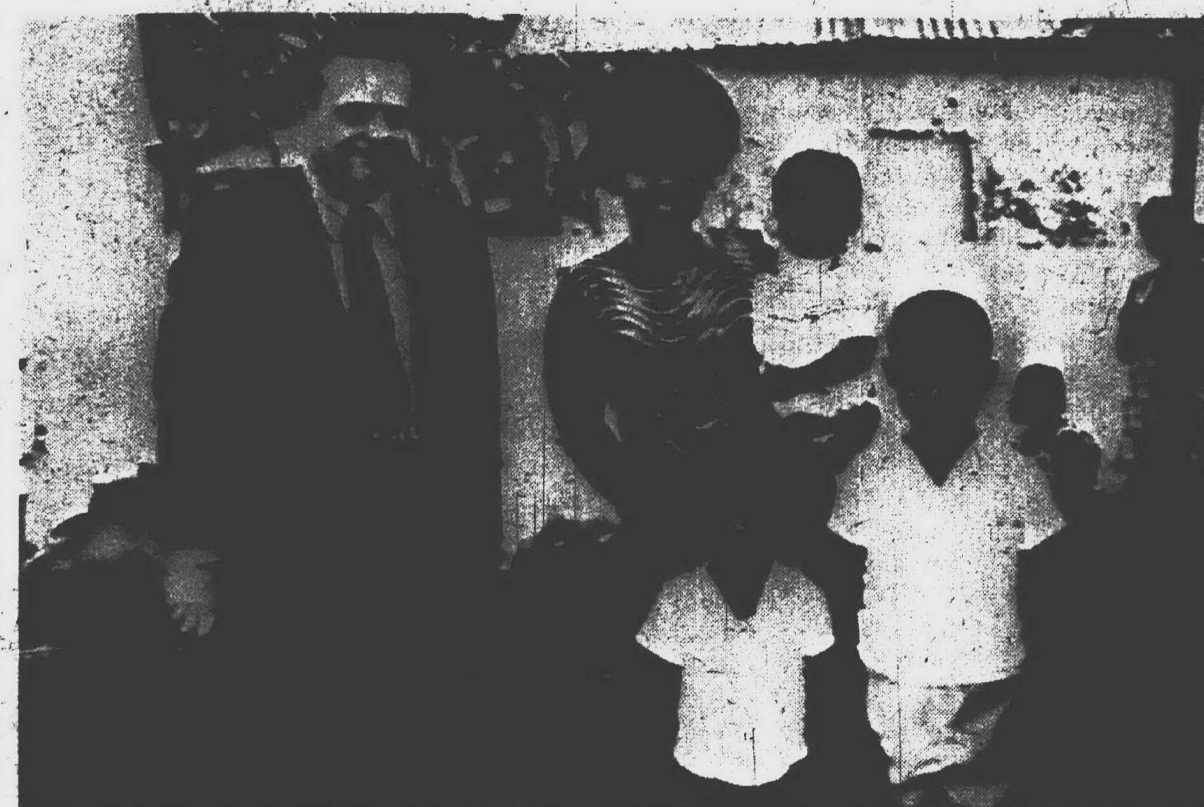

REV. WHITE said he had planned to make his May 11 to June 4 visit as a private citizen and "not under the umbrella" of the United Methodist Church.

But he added that a chance meeting in Washington put him "right back in the lap of the church" and made the trip more profitable.

The meeting was with a Ghanaian named Henry Bruce-Thompson, who was in his country's Washington embassy when the local clergyman went to apply for a visa.

"He asked me to deliver a letter to his brother, F. N. Bruce-Thompson, in Accra, the capital of Ghana," Rev. White said, "so when I reached Accra I made it my first order of business."

THE BROTHER, he learned

THE REV. HUGH C. WHITE visited in Accra with Mrs. Henry Bruce-Thompson, whose husband works in the Ghana embassy in Washington, and her children.

upon delivering the letter, was a top governmental clerk in Ghana who had served under four governments there, the British, the government of the colorful Swame Nkrumah, the coup group that replaced him and the present civilian government of Dr. Busia, prime minister.

F. N. Bruce-Thompson, Rev. White added, also is a devoted Methodist layman active in the Methodist Cathedral of Accra, a church that began as part of the British Methodist Church and now is autonomous.

"Through these church connections," he said, "I was invited to preach in Calvary Church in Accra, which, like the Methodist Cathedral, has 2,000 worshippers every Sunday, and I also preached in the church at Korifuda in Ghana and helped officiate at two

funerals." The churchmen, he said, also paved the way to his visiting historic castles when slave trade began in that part of Africa, talking to British liaison personnel and chances to meet many individuals for discussion of the problems of Africa and Ghana.

REV. WHITE said he also had hoped to visit Nigeria, but gave up attempts to obtain a visa for that country because it became evident "Nigeria isn't interested in having any tourists visit." The opposite is true in Ghana, he said.

One of the interesting visits his hosts arranged for him was to the Akosombo power project that dams the Volta River.

The largest man-made lake in the world in terms of area, it covers four per cent of the

land area of Ghana and required relocation of 80,000 people in 700 different villages, Rev. White said.

He added that the country is especially proud of the fact that it is manned entirely by Ghanians.

THE PRESENT GOVERNMENT of Ghana, Rev. White said, has inherited problems that started with colonialism, when geographical boundaries were fixed without regard to tribal territories, and the policies of the fondly-remembered Nkrumah, who built roads, harbors, dry docks and hospitals—and left the young country deep in debt.

"This government," he said, "is faced with the unglamorous task of establishing fiscal responsibility and deciding which programs must be kept up and which ones dropped."

One seeming contradiction he noted was the fact that black people, going to Ghana perhaps with the idea of going "home," find they are treated exactly as any other tourist.

"This works to heighten the tragedy of black people here," he said, "and make them people without a country."

He also expressed the opinion that the future holds some move on the part of the black nations against the apartheid policies of the Union of South Africa and Rhodesia.

"It's going to come," he said, "the only question is when."

Rev. Klump Assumes New Duties

The congregation of First United Methodist Church, Plymouth, welcomed its new associate minister, the Rev. Deal Alan Klump, at services June 20.

Both he and his wife were honored at a fellowship period following the regular morning service.

Rev. and Mrs. Klump have taken up residence in the church's Adams Street parsonage.

His appointment to the Plymouth church was made on the opening day of the Detroit Annual Conference at Adrian College by Bishop Dwight Loder.

Rev. Klump was raised in Blissfield, graduated from Taylor University, and this spring received his Master of Divinity degree from Evangelical Theological Seminary in Naperville, Ill.

For the past two years, he helped direct youth work at the 2,400-member First United Methodist Church in Downer's Grove, Ill.

Rev. Smith Appointed To Livonia

The new associate minister of St. Matthew United Methodist Church, Livonia, has now taken up residence in the Kimberly North Apartments, 15075 Hubbard, Livonia. He is the Rev. Jerry Smith, who was appointed to the Livonia post by Bishop Dwight Loder at the Detroit Annual Conference held at Adrian College in June.

Rev. Smith lived in Mio, Mich., before going to college at Central Michigan University. He graduated from CMU in 1968 with a degree in English and history and went from there to Garrett Theological Seminary, Evanston, Ill., graduating this year.

He was ordained deacon in the Detroit Conference in 1969. His mother and step-father are now living in Flint.

Friends To 'Quake' For Founders' Day

A "threshing meeting" or "quake," the kind of religious service held by some early Quaker settlers of this area, will be part of the Farmington Founder's Festival this year.

The Evangelical Friends Association also will sponsor traditional silent meetings and a historical lecture during the July 28-31 festival days in Farmington, a community first settled by groups of Quakers.

in the Quaker Acres Meetinghouse in Livonia.

Ministers and others interested in working with the association to develop a Christian witness at the Farmington Festival or later at the Plymouth Fall Festival are invited to contact the Evangelical Friends association, 11118 E. Jefferson, Detroit, 48214.

The "quake" involves testifying, ecstatic utterance, prophesying, song, testimony, scripture and handclapping, and is oriented toward young people, according to Carl Davidson of the Evangelical Friends Association.

He pointed out that the fire-baptized George Fox, who organized the first Society of Friends in the 17th century, had preached that "any man who proclaimed Truth would cause the earth to shake for 10 miles around."

DAVIDSON ADDED: "It is becoming increasingly evident that one of the strongest antidotes to the drug experience is a pentecostal experience of God's saving power and joy."

"The 'Jesus Movement' spreading across campuses, stressing peace, righteousness and joy in the Holy Spirit, is analogous to the original Quaker movement."

Davidson said the Evangelical Friends association, which is made up of interested persons throughout the Detroit metropolitan area, helped to get sponsorship from Farmington churches for its Festival plans.

"While many civic and political organizations maintain some activity or booth at the Festival, we have noted that no religious themes underscored brotherhood and peace through encounter with the living Christ have been stressed by any churches during the events," Davidson said.

"Quakers hope that a booth for distribution of Christian literature can be established and tracts can be distributed."

WANDA NORTHEN

Farmington Artist Wins First Prize

A member of the Farmington Artists Club, Wanda Northen, recently won first prize at the first annual Michigan Art Festival, in the Oakland Mall.

A blue ribbon and cash award of \$250 were presented to Mrs. Northen for her oil painting entitled "The Room at the End of the Hall." Judges of the 1,000 paintings entered in the contest were Kingsley Caulkins, head of the art department at Eastern Michigan University; and Michael Church, director of cultural activities at the University of Michigan.

Mrs. Northen, who is also a member of the Palette and Brush Club of Detroit, has been teaching oil painting and adult education classes at Farmington High School since 1968.

Her paintings have been accepted in many juried art competitions, and one of them, entitled "Distortions," was selected to tour Michigan colleges and art centers last year.

Timothy Jenkins, son of Mrs. Rosemary Jenkins of Redford Township, has the leading role of Axel Mage, the diplomat.

It will be performed July 2, 3, 4, 9, 10 and 11, at 8 p.m. in the Barn Theatre, Hall Rd. (M-50) at Garfield, west of the Utica exit off I-44. Reservations may be made by calling the theatre.

Schoolcraft College's Summer Music Festival will feature F. Gerard Errante, a clarinetist, and Althea Waites, pianist, in its first chamber music concert. This will be an event of Monday, July 19.

The Tipton Trio will be starred in the second chamber music concert. The trio consists of Albert Tipton, former principal flutist of the Detroit Symphony, Mary Norris, pianist, and Mario DiFiore, cellist with the Detroit Symphony and a member of the college's summer music school faculty. They'll be heard Friday, July 23.

The duo of Errante and Waites comes from Norfolk State College, Norfolk, Va. They will perform music written within the past decade, some with tape and electronic sounds. Their recital will conclude with Sidney Hodkinson's "The Dissolution of the Serial," described as a theatre event not to be missed.

The Tipton Trio will include on its varied program the lovely Trio for Flute, Cello and Piano by Ned Rorem. This work was recorded by the trio on Westminster Records.

composers, the theme for this year's festival.

THE COURT ORCHESTRA Series, under the baton of Wayne Dunlap, conductor of the Plymouth Symphony and director of the summer music school and festival, will consist of two concerts.

The first, Tuesday, July 13, will have two outstanding features.

James Tocco will be heard in Edward MacDowell's lushly romantic Second Piano Concerto.

The complete ballet music, in its original scoring for 13 instruments, to Aaron Copland's "Appalachian Spring" will be presented by the orchestra.

On Tuesday, July 20, the Kenneth Jewell Chorale, will sing music ranging from William Billings and the Moravians to Stephen Foster, Negro spirituals and American folksongs. They will conclude their program with Daniel Pinkham's "Christmas

Cantata" for choir and two bass ensembles.

The closing festival event, on Tuesday, July 27, will include Charles Ives' Third Symphony. Cellist DiFiore will be heard in a work by Frederic Delius, and Rosemary Jackson, noted Livonia soprano, will sing the "Knoxville, Summer of 1915" by Samuel Barber.

Admission for the festival events is \$2 for adults and \$1 for students, with tickets on sale at the door.

ALL CONCERTS, except the chamber recitals, will be in the Waterman Campus Center, beginning at 8:30 p.m. The chamber recitals will be given in the theater of the Liberal Arts Bldg.

The faculty for the summer music school is drawn largely from the Detroit Symphony, and it is this group of highly skilled musicians which makes up the nucleus of the court orchestra.

The 90 talented young musicians enrolled in the month-long school will also give four concerts during July. There is no admission charge for these and the public is invited.

These concerts will be given Friday, July 16, Monday, July 26, and Friday, July 30, with a special chamber ensemble.

Children's Parade Set

Plans are now complete for the first children's parade to be sponsored by the Detroit Historical Museum Sunday, July 4, beginning at 1 p.m.

Starting time will depend upon the number of children participating. Some 3,000 are anticipated. All boys and girls in the Detroit metropolitan area are invited to dress up in their favorite historical costumes and take part. It is estimated that the parade will take from 45 minutes to one hour.

An informal band concert will be held on a portable stage located on the museum's lawn at Woodward and Kirby while the children assemble.

After the parade, there will be distribution of refreshments, souvenir flags and balloons at the museum. Each child participating is asked to wear a sign identifying the person he represents, as "I'm Ben Franklin," etc.

Home-made musical instruments such as oatmeal carton drums, cymbals, bells or anything that makes a musical sound will be welcome.

Guide Details Farm, Ranch Holiday Spots

NEW YORK
City dwellers interested in a farm or ranch vacation may get information on possible locations from the Farm and Ranch Vacations, Inc., 26 East 57th St., New York, N.Y. 10022

Now in its 23rd year of serving vacationers and rural hosts, the guidebook is sending an estimated million dollars of holiday business into farming areas annually.

Bill Cosby To Appear In Children's Workshop

Comedian Bill Cosby and Academy Award winner Rita Moreno are among the seven actors and actresses who will be seen in a new television series. They will appear in a Children's Television Workshop in a second experiment in educational TV, a series to be called "The Electric Company."

It will teach basic reading skills to second, third and fourth grade students, and will be shown on Channel 56 in Detroit beginning Oct. 25.

The half-hour reading show will be seen daily for 26 weeks.

THE TITLE refers to a repertory company of players assembled by the workshop to dramatize its daily lessons.

The new series, which has been more than a year and a half in preparation will join the workshop's other TV series, "Sesame Street," which begins its third experimental season in education later in the fall.

Joan Ganz Cooney, president of the workshop, said the new project was undertaken in response to a request by the Nixon administration, which has designated the 1970s as the "Right to Read" decade with universal literacy as a national goal.

"One recent study says that perhaps as many as half of all U.S. adults can't read well enough to advance in their jobs, to fill out a driver's license application or read a newspaper," Mrs. Cooney commented.

Reading difficulties, she noted, are not problems of the poor or any minority group alone, but affect children in all socio-economic levels.

"The new reading series, which will combine entertainment and education just as its predecessor 'Sesame Street' does, will be aimed at children between the ages of seven and 10," Mrs. Cooney said, because "these are the years when reading is learned or not learned. In addition, we will be watching carefully to determine the effect of the program on children younger than the target group."

THE SERIES is composed in a "magazine" format (short, varied segments with a liberal use of music, color, animated cartoons and electronic effects) and each show hews closely to a predetermined curriculum.

The series will probably employ more modern electronic devices than any other program on the air. "It is truly a program designed for the medium," observed David Connel, executive producer.

A number of punning characters to be featured in the series, the names of which hint at the show's somewhat zany approach to education are: Fargo North, Decoder (a word detective), Julia Grownup (a TV chef), Easy Reader (a hip-talker who is obsessed with the written word, including the printing on matchbooks and clothes labels), among others. A rock group, named the "Short Circus" will also be featured on the show.

A separate independent study of the teaching effect of the series will be conducted during and after the broadcast season. The curriculum for the series was developed by the workshop with the help of more than 100 consultants and advisors, including a number of leading authorities and educational researchers.

PATTON—Tells the story of Gen. George S. Patton in North Africa in 1943. George C. Scott is great as Patton. (GP, A-3).

ESCAPE FROM THE PLANET OF THE APES—Like Tarzan, these apes might go on forever, but this is a little more fun than its predecessor "Beneath the Planet of the Apes." (G, A-1).

BANANAS—Woody Allen becomes involved with a revolution, as a result of a mix-up with his girlfriend. (GP, C).

SUMMER OF '42—A nostalgic recollection by a grown man of the summer he was 15. Gary Grimes, Jerry Houser and Oliver Conant play boyhood pals at the Cape. (R, A-4).

PLAZA SUITE—Another movie derived from a Neil Simon play. Walter Matthau is the central character in each of three segments. (GP, A-3).

WILLY WONKA AND THE CHOCOLATE FACTORY—Little Charlie (Peter Ostrum) wins a golden pass to a chocolate factory and learns that greed can be its own reward. (G, A-1).

LE MANS—Shot on location in Europe and starring Steve McQueen, it's a thrilling account of automobile racing. (G, none).

GET CARTER—A British gangster picture, starring Michael Caine, Britt Ekland and Geraldine Moffatt. Lots of "modern touches." (GP, none).

LOVE STORY—Ali MacGraw and Ryan O'Neal star in a sad story of young love, based on Erich Segal's best-seller. A real tear-jerker. (GP, A-3).

SONG OF NORWAY—Is the story of the life of composer Edward Grieg. Filmed in Norway, the photography is stunning. Southfield singer Frank Porretta plays Grieg's friend. (G, A-1).

DICK BENSEK

You are following through effectively when you cook by up-to-date methods that keep delicate vitamins and minerals from being lost. And you can round out a family nutrition program by making mealtime interesting and food associations pleasant. Make a collection of nutritious recipes that the whole family enjoys and use them reasonably often. When re-using one of these favorites, vary the other foods that make up the meal. If an inexpensive dish seems dull, vary flavor with seasonings, or combine it with other foods in different ways. Use contrast in food colors, flavors, textures. Some bright-colored food can heighten the eye appeal of a meal!

Eye Appeal . . . Taste Appeal . . . Smell Appeal . . . That's what makes dining at **DANISH INN**, 32306 Grand River Ave., 476-5320 a pleasant occasion. Pleasant too, is the piano music of Pat Flowers playing memorable jazz, boogie and classical music, just as he did at Bakers Keyboard Lounge. Enjoy his music from 8:30 p.m. to closing Tues. thru Sat.

HELPFUL HINT: Give children small helpings; remember that big amounts may be discouraging.

P.O. BOX Drugs

Addiction By Blood Donor?

Questions should be sent to the Community Commission on Drug Abuse, P.O. Box 40151, Livonia, Mich. 48151.

Q. In a recent column you mentioned that hepatitis could be gotten sometimes from blood transfusions and that blood from heroin addicts was part of the problem. Could someone become addicted to heroin from such blood transfusions?

M.B., Livonia

A. Fortunately, the answer is "No." Not even if someone requires many transfusions over a long period of time.

Q. Isn't the bombardment of the American consumer with advertising programs to cure every problem by taking some capsule, pill or syrup contributing to the drug taking and drug abusing by both young and old...?

T.M., Westland

Q. Can't they do something to stop all the drug advertisements on television? My husband and I saw a brief public service commercial on television warning of the dangers of drug abuse. Would you believe that it was followed by three almost consecutive commercials: one for curing insomnia, another for jittery nerves and finally one proposing to cure "tired" blood. It struck us as being illogical.

(Mrs.) J.M., Redford

A. We are getting more and more questions of this nature, especially in the past few months. The problem is being looked into, but only very tentatively so far. A Senate subcommittee headed by Sen. Gaylord Nelson was recently told:

1) That the advertisement of "patented" or "over-the-counter" medicines is out of control and has become a major public health problem.

2) That such advertising is often erroneous, exaggerates claims and even tries to convince people that they have non-existent diseases.

3) That this advertising contributes substantially to the "drug orientation" of our culture and that something should be done about it.

This is certainly an area in which the consumer can voice valid complaints. Such complaints are very much needed now.

Q. Isn't it strange that you hear so much about outlawing drugs because they can be dangerous and because some people have been killed? Automobiles are dangerous too, but you never hear anything about outlawing them.

J.T., Livonia

A. This concept has been expressed in similar terms before. There are so many ways that it could be answered that it's hard to choose the best approach. But here's a thought for now:

Have you ever heard of a street dealer calling back his product because of its being defective or dangerous?

Already facing a budget deficit, Wayne County's Board of Commissioners has been given a \$3.8 million price tag for jail improvements proposed as immediate steps to meet the ruling of a three-judge Circuit Court panel.

The commissioners were given the cost estimate by the County Board of Auditors while meeting as the Ways and Means Committee June 24.

The proposed jail improvements were referred to the commissioners' Law Enforcement and Public Safety Committee for analysis and recommendations.

THE THREE-JUDGE panel, in the ruling issued May 18, ordered that plans for a number of improvements be submitted to them within 30 days.

The proposals bearing the \$3.8 million cost estimate were prepared by Sheriff William Lucas and Buildings Supt. Edward J. Bresnahan to meet that stipulation.

However, Robert E. Fitzpatrick, chairman of the Board of Commissioners, met with the three judges prior to the Ways and Means Committee meeting and explained that the board had not had time to consider the proposed improvements.

The judges extended their deadline to July 26. The panel consists of Judges Victor J.

Baum, Richard M. Maher and John D. O'Hair.

THE LUCAS proposal calls for the addition of 70 employees and building renovations to expand the medical, psychiatric and drug treatment programs and to increase the force of deputies at the jail.

In line with the court directive that recreation facilities be provided, Bresnahan submitted a plan for construction of a recreation area over the present parking area at the jail.

The auditors estimated the cost of the Lucas package at \$1,414,000 and the Bresnahan plan at \$2,444,500 for a total cost of \$3,858,500. They expressed "reservations" about the number of positions requested by Lucas.

IT WAS POINTED out at the Ways and Means meeting that the county commissioners took steps to improve jail conditions before the court judgment was handed down. They have ordered a \$1.5 million renovation of the plumbing, electrical system and ventilation; requested plans for a 500-prisoner jail annex; and increased the jail operating budget from \$3.2 million to \$4.2 million within the last two years.

The board has also asked

county lawyers to draft a ballot proposal for millage for a county building program, with construction of a new jail getting top priority.

In addition, the board has leased two barracks at the Detroit House of Correction and 150 jail prisoners will be

moved there after preparations are completed about Aug. 1.

Efforts to ease overcrowding have already reduced the jail population to about 1,100, the lowest level in recent years and well below the 1,240 level that the judges

set to be achieved within 90 days. The judges want the population reduced to 813 within nine months.

THE BOARD of Commissioners is confronted with the jail problem within the context of a potential budget

deficit of \$10-\$15 million by the end of the fiscal year Nov. 30.

As a first step toward minimizing the deficit, the Ways and Means Committee approved a freeze on the filling of any vacant jobs in county departments.

from eight national action groups
in conservation and ecology

We want you to meet eight of the most dedicated fighting teams in America.

We have joined together to present to you, for the first time, the action side of conservation, preservation, anti-pollution, ecology.

Our presentation is called The National Panorama of Conservation Action. It takes the form of a panaplex of giant color illuminations, produced to show you all sides of the ecology crisis as nothing else could.

The Panorama is not only educational. It is not only an impressive visual experience. It has been created to transmit and generate enthusiasm. Because only your enthusiasm for the work being done today in conservation can help us preserve and create a livable world for your future.

By means of this striking Panorama, you and millions of Americans are given the opportunity to compare the action programs of leading national organizations. It presents an opportunity to become involved--to ally yourself with the group that best reflects your own concern and outlook.

We are all in the fight together--and it is the most urgent fight in history. The mission is to save the habitat of man and his fellow travelers on Spaceship Earth.

We know what must be done. We are doing what can be done. We intend to keep doing more.

And we invite your co-participation.

Redford Blanks Westland, 3-0, On One-Hitter

Champs of the first round, Redford's defending Adray League baseball champions are off and running again in round two of their 1971 schedule.

Redford swept through the first round with a record of five wins and a tie. (Deadlocks are not played off).

To begin the second round, Redford received a stellar pitching effort from Kirk Taylor who blanked Westland, 3-0.

Taylor, who played this past spring at the University of Detroit after starting in high school at

Redford Union, struck out 10, walked one and allowed only one hit — in the sixth inning.

At one stretch he retired 17 batters in a row as he mastered Westland's Bob Briggs who gave up five hits.

Tim Fox' second homer of the season with Taylor aboard accounted for the first two Redford runs in the second inning. In the third inning John Renko was safe on an error and scored on Jeff Washington's double.

HUBERT REALTY, meantime, rallied with five runs in the fourth inning to beat Plymouth Bidwell, 7-4.

Bidwell scored four times in the second inning when Wayne Williams walked, Gary Croskey singled, Dennis Becker doubled, Pat Cunningham was hit by a pitch, Rob Mandle singled, Randy Van Gasse walked and John Stout singled.

The first two Hubert runs came across when Rob Hollandsworth, who went on to become the winning pitcher in relief, doubled in Tim Rose and Jim Erwin.

Then in the fifth, Mike Perino, Rose and Jim Erwin walked to load the bases. Hollandsworth singled in two runs and another scored on an error.

Don Opland followed with another run-producing single and he, too, eventually scored on an error.

KEN MORRISON of Northville Reef mastered Tom Young, of North Farmington, 1-0, in one of the best pitched games of the season.

Morrison yielded only three hits, struck out 12 and walked one. Young allowed only three hits in his finest pitching effort. He fanned four and walked three.

Reef's only run came in the third inning when Dick Boehm walked, was sacrificed to second and scored on a double by Bill LaRue.

In both the second and third innings, North Farmington put a man on second with none out, but wasn't able to score.

The loss was North Farmington's fifth without a victory.

Fleming Wins Pitching Duel, Beats Southfield

Two of the masters of the recent high school baseball season came to grips Wednesday.

Opposing were John Fleming from Farmington High and Bob Brown of Brother Rice, each had led his respective team to a highly successful prep season.

Fleming's achievements earned him All-Observer honors while Brown made headlines by being drafted by the Tigers.

NOW FLEMING is pitching for Farmington's American

Legion team while Brown is toiling for Southfield's Legion team in the 18th district league.

In their first confrontation, Fleming mastered Brown and Southfield, 4-0.

It was only the third win of the season for the Farmington Legion team while the loss was Southfield's second in 11 games.

Both pitchers gave up four hits. Fleming fanned three and walked one. Brown struck out six and walked two.

Two errors led to a four-run fourth inning for Farmington.

Ray Ponke was safe on the first miscue to get the inning going and then John Holappa was safe on another miscue. Dan Dellinger followed by beating out a bunt to load the bases.

Brown then walked Rich Stringer to force in the first run of the inning.

Paul Kupferschmidt followed with a double that scored two runs, but when Stringer was cut down at the plate, Kupferschmidt continued all the way to third.

A pitch later, Kupferschmidt broke for the plate and stole

home to make the score 4-0.

The four Southfield hits were well scattered. Brown, Rich Stabile, John Solberg and Bill Casai each had one.

Dan McGrath and Fleming accounted for the other two Farmington hits.

Farmington takes on Troy in a doubleheader Sunday while Southfield tries to get back on the winning road by meeting Auburn Heights twice.

Southfield now has fallen a game back of leading Waterford.

ALL-OBSERVER STAR John Fleming, of Farmington High, is continuing his sensational pitching in the Oakland County Legion play. He clashed with Brother Rice's Bob Brown last week and came out with a four-hit, 4-0 shutout.

Little Caesar Topples Holman In Mack Action

What happens to former area high school stars?

Some, like Tom Webster, come back to coach in their old communities.

Over a four year span, Webster was a three sport star at Our Lady of Sorrows High. He played football, basketball, and baseball.

He's in college now, but with the classes closed for the summer, Webster returned to Farmington to boss the Little Caesar team in the Connie Mack League.

HE HAS PLAYERS from Sorrows and Farmington High and it took Little Caesar four games before finally registering its first victory — a 6-5 decision over Red Holman Pontiac.

Phil Millman went the route for the winners who rallied to win when Pat Loidas homered with Vic Forester and Ray Ponke on base after singles, in the fifth inning.

Jim Hartle had doubled in Ponke with the first Caesar run while two more came across on hits by Forester, Ponke, Hartle and Loidas in the third.

Steve Crowther struck the big bat for Holman, collecting a double, single and homer and driving in four runs. Gary Close singled in the other run for the Holman team of Plymouth.

REDFORD WARHOLAK made it 5-0 for the season by crushing Tom's Service, 22-1. Dave Martin continued his

heavy hitting for Warholak by slugging a pair of homers to bring his season's total to five in five games. He drove in three runs, walked on his three other appearances at the plate and scored five runs.

Kirk Fritz rapped a homer and two singled and drove in seven runs as Warholak piled up a 12 run lead in the first three innings.

Tom Miller hurled the first four innings to gain the victory. Steve Friedman finished.

Crowe Royals turned back North Farmington, 7-2, in a game which matched Livonia Bentley (Royals) against players from North Farmington High.

Al Hernandez knocked in two runs for Crowe with a homer and single while Pat Perino, Bob Sitkauskas and Paul Sevonty each collected two hits.

Tom Cook went four innings for Crowe with Brian Dinsmore finishing up on the mound.

John Haine knocked in the first North Farmington run while Rick Garneau tripled and Dave Nauman singled for the other as Doug Moore and Harvey Sell handled the pitching for the losers.

NELSON CADY turned in a five-hit pitching effort and fanned seven as Hubert Realty of Livonia downed Farmington Harrison, 6-2, for its fourth win.

Tim Rose had two hits to lead Hubert, which scored three times in the fourth inning. Mark Reasler drove in two runs with a single.

The Plymouth Elks rolled along to their fifth win by beating Redford Tooling, 4-1, thanks to some nifty relief pitching by Brad Trux who worked the final three innings and struck out nine batters after taking over from Steve Robb.

The Elks, now 5-1, scored three times in the first inning when Gary Croskey drilled a homer with Stan Britton and Dan Hees aboard.

In the seventh, Hees and Ken Rocco singled for the final Elks' run.

Top Quintets On U-M Card

Michigan's basketball team will meet most of the top college teams in the state next season. The Wolverines have the University of Detroit in the Michigan Invitational tournament, play Western Michigan and Eastern Michigan once and meet Michigan State twice.

Top Drivers Clash In Stock Car Races

Promoter Pete Magrie will celebrate the Fourth of July weekend with two of the biggest stock car programs he has ever offered at the Mt. Clemens Race Track.

He will stage a big championship program for sportsmen's-class pilots on Saturday, July 3.

Time trials will begin at 7 p.m., with the first heat race each evening at 8:30 p.m. The program promises a return engagement between Art Sommers and Marv Parenteau, who turned in a memorable duel on Decoration Day. Old rivals and top drivers, they fought for the lead over the first 46 laps. Sommers drove in front

with Parenteau right behind, trying his best to pass.

Then, Sommers blew his engine on the 74th lap and failed to finish. Even Parenteau felt a little bad about that. "Art is a great driver," he said. "We all have that kind of racing luck once in a while, but a bad break like that never stops Art. He just comes right back the next time, tougher than ever."

Among those who are conceded a real chance, besides Sommers and Parenteau, are Ray Nece, Erv Baumgarten, Jack Goodwin, Ralph Young, Mike Diviney, Norm Nieman and Larry LeMay.
