Report Cards To Be Altered

Plymouth elementary schools will get a new report card system this year that reflects changes in the trend of education.

Classroom teachers in Plymouth are stressing education of individuals by letting the students move along at their own speed.

So, in order to report to parents on the child's progress, report cards will not have the letter grades used in the past that have the effect of comparing a child to his peers.

By changing the grading-system, the teachers hope to do away with some of the inequities in the current system.

For example, a student who works hard but gets half of the work wrong, is rated as average or below average when compared with his peers. This is often disillusioning and discouraging.

The student with a lot of potential is encouraged to be lazy when he gets a high grade without any effort, simply because his work is done correctly.

"THE DIRECTION instruction is taking today is the child moving ahead at his own speed," Carrol Nichols, principal of Bird Elementary School, told the Plymouth Board of Education. "The A,B,C, grade does not really fit the child in terms of this direction."

Mary Fritz, general chairman of the report card committee, stressed that letter grades are often very subjective and what one teacher might consider average work might be lower or higher to another teacher. "What we were trying to

accomplish was first, what is the best way to report to parents and, second, find a fairly uniform way of reporting in all Plymouth (elementary) schools," she said.

"The consensus of the committee was that probably the A,B,C, grade was not the best way to do this."

Anticipating initial difficulties with parent understanding of the new reporting method, the committee plans to have an orientation for parents in the fall.

The major factor parents will need to remember when viewing the cards is that they are not based on rewards and punishment.

Instead, they measure the child's learning comparing him only to himself.

Ideally, the teachers would like to see more conference time with parents and possibly move into a system where the first three grades would not have report cards but just parent-teacher conferences.

But in the meantime, the board approved the new reporting system for a year's trial and a committee will be appointed to evaluate response to the cards and make changes when they are needed.

Yell Teams From PHS Score Big

Cheerleaders from Plymouth High School have brought new acclaim to the community with one of the most outstanding performances among 44 schools competing in the clinic of the Midwest International Cheerleading Foundation.

The PHS varsity team placed second, while the girls on the junior varsity unit tied for fifth place in the competition at Eastern Michigan University.

Participants included cheerleading teams from schools in Michigan, Illinois, Indiana, Ohio, Wisconsin and Canada.

Plymouth's varsity team includes Cindy Green, captain; Carol Cavender, Bridgett Buie, Donna Glover, Gale Witt, Susan Dybas, LuAnn Fulton and Amy Kenyon.

The junior varsity girls are Stevie Flora, captain; Pam Adams, Pat Riley, Leslie Thornbladh, Nancy Simonetti, Shelley Wilson, Ellen Macocha and Mary Egan.

Swimming cheerleaders Cheryl Hayes, Sue Baumgartner and Karen Davies also attended the clinic.

The competition was based on 10 categories, and the comment of the clinic leader was that, "Plymouth cheerleaders have as much pep, enthusiasm and crowd appeal of any I have come in contact with in the clinics in the midwest."

Pep, enthusiasm, skill and knowledge of cheers were among the categories on which the girls were judged.

Code Of Conduct For High School Takes New Line

By KATHY MORAN

The "American Constitution" of Plymouth High School has been written and is on the verge of acceptance by the Board of Education.

The "Constitution" is in the form of a student conduct code authored by 20 students, teachers, administrators, community residents, and chaired by board member John Hanskat.

It didn't take a revolution for the conduct code to come about, but the ultimate effect of the code could be revolutionary.

A quote from Goethe was the guiding philosophy behind drawing up the code:

"If you treat an individual as he is, he will stay as he is, but if you treat him as if he were what he ought to be, he will become what he ought to be and could be."

After studying codes adopted by other school systems, Hanskat said the committee decided that "all the others (codes) just treat the symptoms."

"We wanted to find (some way) of treating the problem," he said.

ONE OF THE first things built into the code by the committee was a Student Conduct Committee (SCC) made up of students, teachers, a counselor and the principal, which is authorized to investigate the "origins of discontent and communication failures in the school."

The committee is not

authorized to draw up policies but it can make recommendations to the school administration and it will have a direct pipeline to the board of education since it will report to the board twice a semester on its activities.

"This is the one unique thing we've got," Hanskat said of the SCC. "It doesn't let us get stuck with a code that doesn't work."

Though committee members have not been elected yet, they already have their work cut out.

They will be asked to come up with recommendations for making information in the student files available to students and their parents.

Also, when the legal age of majority is officially lowered to 18, the SCC will have to come up with a code that will be acceptable to 18-year-olds in the school who will have legal rights different than those of the younger students.

ANOTHER "revolutionary" change that will be initiated with the code regards suspension policies.

"We have eliminated suspension as a means of discipline," Hanskat said. "We are charging the counselors and social workers with taking care of the problems."

Hanskat visualized the situation as when a student is booted out of school for a few days because he has been skipping school or classes.

"It's ridiculous—who won?" he asked. "This accomplishes nothing."

Instead of suspending a student, teachers and counselors are charged with the

responsibility of conferring with the student and his parent "to arrive at an educationally-oriented solution."

As an example, Hanskat said the conference may indicate that the student would work best on his own and he might be instructed to do library research and be graded on the research rather than be "disciplined" by suspension.

A district-wide set of rules governing suspension and expulsion is being drawn up for review of the board at Tuesday's meeting.

THE HIGH SCHOOL code spells out the responsibilities of all persons involved with the school, including parents, and the rights and responsibilities regarding freedom of expression, speech, and assembly, the freedom to publish, and search and seizure.

The high school code was combed over by board members and administrators for nearly two hours at a special meeting Tuesday and is expected to be formally adopted Tuesday, July 27.

A code of conduct for the elementary schools was adopted by the board and action was delayed on the code for the middle schools.

But the high school code shows the most improvement and represents more than 500 man-hours of work.

And, just as the framers of the American Constitution must have said, Hanskat added, "I hope it works."

Firemen In For Drenching

The parking lot of the new Plymouth High School at Joy and Canton Center Roads is due for a real hosing Sunday when fire fighters from 18 communities settle the western Wayne County water ball championship.

The fire department of Canton Township will be defending its 1970 title, rain or shine, in competition beginning at 1 p.m., and the public is welcome to attend without charge.

Rules require four men to a team, handling a hose with 90

pounds of nozzle pressure. Two teams face each other at a time on a 110-foot strip, the object being to drive a 15-inch steel ball suspended from a cable toward the opposite goal through the force of the water from the hose.

Each heat lasts three minutes.

Confirming that the competition will be held even if it rains, a spokesman for Canton's defending champs said, "Why not? We're going to get wet anyway."

The fire departments which

have been invited to send teams include Canton, Plymouth, Superior, Ypsilanti, Van Buren, Redford and Brownstown Townships, the cities of Plymouth, Livonia, Wayne, Romulus, Westland, Inkster, Garden City, Dearborn Heights, Northville and Dearborn, plus the county fire unit stationed at Metropolitan Airport.

It is expected that it will take at least two hours to conduct the round-robin that will lead to determination of a champion.

HUNDREDS OF PLYMOUTH area residents enjoyed the appearance Thursday of Ernest A. Jones (left) as guest conductor of the Community Band in its weekly concert in Kellogg Park. Attendance this summer for the band

series has been the biggest in history. The band's next performance will be the night of Friday, July 30 in conjunction with the annual "sidewalk sales" by merchants. (Observer photos by Bob Woodring)

PLYMOUTH'S NEW downtown "tot lot" will open on a full scale Monday under supervision of the recreation department. The area has been supplied with play equipment and is for the convenience of mothers during shopping trips. (Observer photo by Bob Woodring)

'Tot Lot' Set To Open

PLYMOUTH Plymouth's new "vest pocket" playground for young children will be supervised by recreation department personnel for six days each week beginning Monday, July 26. The lot is located next to the Bonnie Lo drug store on Ann Arbor Trail, east of Harvey, and according to a statement from Recreation Director Stanley Stenek "is for shopping mothers who wish to leave children in a supervised park for a period of no longer than two hours."

The park will be closed Sundays, and also is subject to closing during inclement weather. Normal hours will be 9:30 a.m. to 6 p.m. Stenek said these rules have been established:

- All children are to be between the ages of three and eight.
- Mothers will be allowed to leave their children in the park for no longer than two hours.
- All mothers must sign an hourly registration form for each child when leaving them in the park.
- Children are to use the equipment properly, for safety purposes.
- Inexpensive equipment for crafts will be provided without family cost, but there will be a small fee for craft kits.

Charles Wells Ends 5 Weeks In Music Camp

PLYMOUTH Charles R. Wells, of 9477 Southworth Rd., Plymouth, will complete five weeks at the Midwestern Music and Art Camp at Lawrence, Kansas, on Sunday, July 25, when the symphony orchestra performs its final concert.

He holds third chair in the string bass section of the symphony, which is the more advanced of the two symphony-sized orchestras at the camp.

Guest conductors of the symphony this year have included Carmen Dragon, of the Hollywood Bowl Symphony, and Victor Alessandro, of the San Antonio Symphony, who will conduct the final concert.

Wells is attending camp on a scholarship, granted by the camp, which pays half his tuition and fees. He attended the camp last year, also on a scholarship. He will be senior at Plymouth High School this year and is a member of the orchestra.

He also plays with the Scandinavian Symphony in Detroit and with the Michigan Youth Symphony, sponsored by the University of Michigan.

He attended the All-State orchestra camp at Interlochen the past three years, twice on scholarships provided by the Plymouth Symphony League. He is a pupil of Lawrence P. Hurst, of the University of Michigan School of Music.

The Midwestern Music and Art Camp, conducted by the University of Kansas at its main campus in Lawrence, attracts students from the entire midwest. There are three complete concert bands, two choirs, and the two symphony orchestras.

Garage Sale Benefits Kids

PLYMOUTH Proceeds from a garage sale being conducted until 5 p.m. today (Saturday) at the James M. Randall home, 1364 Maple, will be turned over to Youth, Inc. for help in converting the Mail & Observer Building, 271 S. Main, into an area activity center for young people. The Randall family decided upon the sale because of an impending move from Plymouth to Africa.

Bike Auction Rescheduled

PLYMOUTH The bicycle auction sale to be conducted by the Plymouth police department will be held at 10 a.m. Saturday, July 31 instead of on Friday, as originally announced. Boys' and girls' bicycles which have been recovered by police but never reclaimed will be up for sale on an individual cash basis. The auction will be held at the garage where the bikes are stored, behind the historical museum at Church and Main. Sgt. Rod Cannon will serve as auctioneer.

The Stroller... Problems For 'Adults'

By W. W. EDGAR

Now that the 18-year-olds have been legislated into adulthood, they're going to find that their new status is not all peaches and cream. Sure, they have been given the right to vote and hold office. They also have the privilege of entering into contracts and even walking into the neighborhood bar and ordering a drink. They have moved into a new world of freedom. But there is another side to the coin—and this could bring some disillusionment to many of the new adults.

This twist came to light at the luncheon table the other day when one of city's bright, young real estate brokers turned to the auto dealer and asked—

"Would you sell one of your high priced cars—or even a medium priced job—to one of the 18-year-olds?"

Without a moment's hesitation the auto man responded with an emphatic "no."

"Even if the young fellow had a nice down payment—you wouldn't gamble with him for the rest of the money?"

"No."

"Why not? You've sold some cars to these young people in the past."

"That's true," the auto dealer countered, "but in making deals with them we always had an adult signature. Their parents stood behind them in most cases."

"It's different now. They're on their own."

THE YOUNG real estate broker smiled at hearing the answers.

"I have much the same feeling," he said, "and I doubt if I would make a deal with an 18-year-old for the purchase of a home—even if he had a 50 per cent down payment."

These attitudes on the part of the city's businessmen intrigued The Stroller and he couldn't resist the opportunity "Why?"

Then, the other side of the coin came to light.

First, at the ripe old age of 18, these new "adults" have not yet learned the value of money. Few of them have had to toil for their keep.

Second, in many cases, they have just left school—in fact, may still be students—and have not yet settled into a way of life, and the future still is uncertain.

Third, they have not yet established a credit rating and would be too much of a risk in today's business world.

Fourth—and most important—many of them are newlyweds and have a tendency to want to start out where their parents are now. This causes them to overspend. As the old saying goes, "Their eyes are bigger than their stomachs."

THE STROLLER pointed out that the same is true of those who have reached the former majority of 21 years. "Don't you have the same problems now with them?"

Both businessmen agreed—with this one difference. In most cases the young men and

women have launched out on a career—they no longer are in school—and they've had three extra years in which to become acquainted with the realities of life.

But 18-year-olds? They'll have to wait a while.

Jones Will Join District Court Probation Staff

PLYMOUTH Peter Jones, an instructor at Milan Federal Correctional Prison, has been appointed to serve Judge Dunbar Davis as chief probation officer for Plymouth and Canton Townships.

He will serve under direction of Dennis Dildy, the court's probation director, in a newly created position. In doing so he joins a staff that includes David Busch, the probation officer for the city of Plymouth; Al Wistert, who is in charge of the Northville area, and more than 70 volunteer citizen probation helpers.

The court currently has more than 200 probationers in the Plymouth, Northville and Canton districts which it serves and Jones already was working as one of the volunteers in this area.

He was chosen from 32 applicants through a competitive examination conducted by a panel which included Dildy, Busch, Wistert, Mrs. Jane Moshle, president of the Schoolcraft College board; Kenneth Kirkwood, Livonia probation director, and Plymouth Youth Officer Carl Berry.

"WE HAD numerous well-qualified persons apply," said Dildy, "and the second and third place candidates in-

Amusements Stevie Wonder Stars At Meadow Brook

The sixth week of the 1971 Meadow Brook Music Festival begins Wednesday, July 28, with rock star Stevie Wonder highlighting this season's fifth

folk-rock concert. Stevie, once the reigning child prodigy of pop music, is now a full-fledged mature artist with an entirely new following.

On Thursday, July 29, world-famed cellist, Leonard Rose, will appear as guest artist with the Detroit Symphony Orchestra under Sixten Ehrling. Rose will perform the Elgar Concerto for Cello and Orchestra.

Jazz buffs will have a special treat on Friday, July 30, when the new Dave Brubeck Trio appears at the Baldwin Pavilion with jazz giant Gerry Mulligan as guest artist on the baritone saxophone.

Pianist Rosalyn Tureck, that peerless interpreter of J.S. Bach, will perform as soloist Saturday, with the Detroit Symphony Orchestra, playing the Bach Clavier Concertos, No. 7 in G minor and No. 1 in D minor.

Flamenco guitarist, Carlos Montoya, will perform with the Detroit Symphony, under its associate conductor, Pierre Hétu, in Sunday evening's pops concert. Mr. Montoya will play his own acclaimed Suite Flamenca.

Area Artists Represented

ANN ARBOR
Artists from nearly 40 Michigan communities are represented in the 19th annual Michigan Invitational Exhibition on display through July 30 at the Rackham Galleries, University of Michigan.

They include Mrs. John Cosgrove, Jerrine Habsburg and Marilyn Jenks of Farmington; Mrs. Eugene Crosby of Plymouth; and Aviva Robinson of Southfield.

Lyric Soprano Will Be Soloist July 27

Lyric soprano Rosemary Jackson of Livonia and cellist Mario DiFiore will be featured in the third and last Court Concert of Schoolcraft College's Summer Music Festival Tuesday evening, July 27, at 8:30.

They'll be heard in the Waterman Campus center of the college, located on Haggerty Rd., between Six and Seven Mile, Livonia. Visitors are urged to use the Seven Mile approach because of road construction on Haggerty. Admission is \$2 for adults and \$1 for children.

MRS. JACKSON will sing "Knoxville, Summer of 1915," by Samuel Barber. The music is for soprano and chamber orchestra.

DiFiore will open the program with Caprice and Elegy for Violoncello and Chamber Orchestra by Delfius.

In the second part of the program, the Court Orchestra, made up of instructors at the Schoolcraft Summer Music School, most of whom are also members of the Detroit Symphony, will be heard in "The White Peacock," by Griffes and Symphony No. 3 "Camp Meeting," by Ives.

THEY'LL CLOSE with the rousing "Thunderer" march by Sousa. Wayne Dunlap, director of the summer school, will conduct the orchestra.

Next week's festival program includes a student concert Monday evening, at

8:30 p.m. Student soloists will be featured, and the public is invited to attend. There is no charge. The festival closes Friday, July 30, with a program by the Summer School Orchestra.

Christmas Cantata by Pinkham.

In the ensemble were Richard Dobkowski, Raymond Yager, David Theisen, Herbert Schroeder, Brian Moon, Robert Auld, Peter Makar, Steven Smith, Barry Holdren and Glenn Moon.

Another highlight of the chorale's performance was a selection of American folk songs, featuring Mary Dempsey, alto, in "Shenandoah." Charles Brown and Conwell Carrington were also soloists. Eric Freudigman, associate conductor, led the chorale.

American music is the theme of this year's festival.

Festival Schedule

July 26 -- Summer School concerto competition soloists.

July 27 -- Mario DiFiore, cellist, and Rosemary Jackson, soprano, with the Court Orchestra.

July 30 -- Summer School Orchestra.

DANCING WILL BE the highlight of this week's Sunday Special at Orchard Ridge Campus of Oakland Community College, 27055 Orchard Lake Rd., Farmington. Shown are three members of the Festival Dancers of the Jewish Community Center in a contemporary dance entitled "Chichester Psalms." The Harbinger Dance Company of the Detroit Community Music School will also perform. Family tickets are \$4 for this outdoor performance beginning at 8 p.m., July 25, in the amphitheatre.

McCoy's Head Art Department

BLOOMFIELD HILLS

A husband and wife team, Michael D. and Katherine J. McCoy, has been appointed to head the Cranbrook Academy of Art design department.

The McCoy's appointment is effective Sept. 13, the beginning of the fall semester.

In the unstructured design studio, the McCoy's, both working designers, plan to work toward "creating an experimental information environment." They believe they have a responsibility to make available to design students all available conceptual tools and techniques to effectively function as designers.

The McCoy's also will be responsible for the graphic publications of the academy. PLAZA SUITE—Another movie derived from a Neil Simon play. Walter Matthau is the central character in each of three segments. (GP, A-3).

SUMMER OF '42—A nostalgic recollection by a grown man of the summer he was 15. Gary Grimes, Jerry Houser and Oliver Conant play boyhood pals at the Cape. (R, A-4).

LOVE STORY—Ali MacGraw and Ryan O'Neal star in a sad story of young love, based on Erich Segal's best-seller. A real tear-jerker. (GP, A-3).

CARNAL KNOWLEDGE—A Jules Feiffer-Mike Nichols movie about two men's lives and feelings about women. With Jack Nicholson and Candice Bergen. (R, none).

THE ANDERSON TAPES—Sean Connery leads a group of would-be spies, but various agencies of the government have the group under electronic surveillance. (GP, A-4).

THE LIGHT AT THE EDGE OF THE WORLD—Kirk Douglas and Yul Brynner star in this adventure tale, which has too much violence for most kids and some adults. (GP, none).

PINOCCHIO—A Walt Disney re-release...with a moral. One which adults might enjoy seeing again. (G, none).

KLUTE—An adult mystery, with Donald Sutherland as a detective, and Jane Fonda as a call girl. (R, none).

I NEVER SANG FOR MY FATHER—Melvyn Douglas plays the father whose son never quite measured up to his expectations. A sensitive look at the older generation gap. (GP, A-3).

THE LAST RUN—George C. Scott plays an aging getaway cardriver in a wild chase through Europe. (GP, A-3).

WILLARD—A horror-film starring Bruce Davison as a psychotic who sets out to avenge wrongs done to his family with the help of his friends...rats named Ben, Socrates and so on. (GP, A-2).

LITTLE MURDERERS—Alan Arkins directs and Elliott Gould stars in this serio-comic comment on human and family relationships. (R, A-4).

Donald Conover Is Wed In Columbia

The historic church of San Juan in Giron, Columbia, was the setting for the June 18 wedding of Nhora Rojas Arias and Donald A. Conover, son of Mr. and Mrs. George W. Conover of Farmington, formerly of Plymouth.

Many townspeople attended the wedding in the colonial village that has been designated by the South American country's government as a historical site not to be changed.

The bride is the daughter of Mr. and Mrs. Justo R. Rojas of Bucaramanga, Columbia. The marriage ceremony was performed by her uncle, Father Andelfo Arias, parish priest of the San Juan church.

THE BRIDE'S attendants were her sisters, Margarita and Julieta Rojas Arias, her cousin, Nubia Gomez, and the bridegroom's sister, Nancy E. Conover.

A reception dinner and dance in the Professional Club in Bucaramanga followed the

rites, and the couple honeymooned at Cartagena and Santa Marta, Columbia.

Attending the wedding with Mr. and Mrs. Conover and their daughter, was Deborah Dickman of Plymouth, Miss Conover's roommate at Northern Michigan University.

THE BRIDE earned a bachelor of arts degree in Columbia and taught high school in Bucaramanga. She now is completing a master's degree in applied linguistics at the University of Kansas.

Her husband, a graduate of Plymouth High School, has degrees from the University of Michigan, the University of Illinois and Yale University, and is completing his doctorate in sociology at Yale.

They will live in Kansas and New Haven for the next year, and then will spend two years in Columbia while the new Mrs. Conover fulfills her scholarship obligations by teaching in a Columbian University.

Couple Is Wed In Guitar Mass

In a guitar mass at St. Valentine's Catholic Church, Mari-jo Wickens, daughter of Mr. and Mrs. Joseph W. Wickens of Redford Township, became the bride of Robert Paul Eddy, son of Paul Eddy of Detroit and Mrs. Mary Sherrill.

A white satin pillow trimmed in blue and white lace on which the ring bearer carried the wedding rings had been made by the bride's grandmother.

During the wedding ceremony, the bridegroom's sister, Carol, made her first communion.

GIVEN IN MARRIAGE by her father, the bride wore an old-fashioned gown of white organza featuring a high neckline. The lace trimming on her pinfore-styled gown matched the lace trimming the mantilla veil and chapel train. She carried a bouquet of blue stephanotis with blue lace streamers.

The bridesmaids all wore light blue voile dresses with a flower print in shades of blue. They carried blue colonial bouquets.

The matron of honor was Mrs. Evelyn Schroeder and the bridesmaids were Mrs.

Sharmon Wickens, sister-in-law of the bride; Laurie Eddy, the bridegroom's sister; and Deloris White.

brother; and Tim Sartori. They wore Edwardian tuxedos.

The mother of the bride wore a light blue dress and the bridegroom's mother was dressed in lime green.

A reception followed the ceremony at the Holiday Inn. The couple honeymooned on Mackinac Island and will make their home in Southfield.

THE BROTHER and sister of the bridegroom, Jerry and Paula, were the ringbearer and the flower girl.

Tony Leger was best man. Groomsman included: Jon Wickens, the bride's brother; Bill Eddy, the bridegroom's

St. Paul Church Scene Of Nuptials

Christina Lynn Savage became the bride of Kit Kyle Baker in a June 26 ceremony in St. Paul Presbyterian Church in Livonia.

The bride is the daughter of Mr. and Mrs. Melvin E. Savage of Redford Township, and the bridegroom is the son of Mrs. Kenneth Baker of Ionia.

The Rev. William McGaughy officiated for the double-ring ceremony, and the bride's father gave her in marriage.

THE BRIDE'S candlelight gown of sheer fabric over taffeta was made by her mother. It featured lace trim on the sheer, fitted sleeves and a lace border on the full-length train.

A matching headpiece held the bride's veil, and she carried a cascade of white carnations, mums and baby's breath.

Peggy Moore of Livonia, maid of honor, wore a pink printed chiffon dress with long, full sleeves.

The bridesmaids, Martha Hawthorne of Tecumseh and Kathy Baker, sister of the bridegroom, wore similar gowns in blue. All wore picture hats and carried pink and blue carnations and button mums.

The best man was Rick German of Colon. Roger Fenner, also of Colon, and

MRS. KIT KYLE BAKER
(Christina Lynn Savage)

Douglas Savage, brother of the bride, were ushers.

BOTH MOTHERS and grandmothers of the bridal pair were in shades of blue. The two mothers wore corsages of pink sweetheart roses, and the grandmothers had pink carnations.

A reception for 150 guests at the bride's home followed the ceremony.

The newlyweds drove to Tucson, Ariz., where they will live while the bridegroom is stationed at Davis - Monthan Air Force Base.

Livonians Wed

At a ceremony July 3 in St. Michael's Catholic Church, Livonia, Kathleen Sue Brown became the bride of Kevin Tomas Kelly, son of Mrs. Patricia Kelly of Livonia and Robert Kelly of Lansing.

Memorial, Renewal Are Goals

A memorial tribute to early Quakers in Farmington will be coupled with an invitation to form a new Quaker group in this area in a meeting Saturday, July 31.

Also planned for the gathering in the First Church of Christ (Scientist), 3385 Grand River, Farmington, at 3:30 p.m. on the final day of the 1971 Farmington Founder's Festival will be a forum on modern Quakerism.

Nathan Power and Robert Glasier, early members of the Farmington Friends Meeting, first one in Michigan, will be given the memorial tribute.

Nathan Power was a member of the pioneer family from which Philip H. Power, publisher of The Observer Newspapers, Inc., is descended.

power and women's rights movements.

Also planned is an 8 p.m. worship meeting that will conclude with an evangelical "thrashing meeting" known as a "quake."

"Friends worship is unique in that it is based upon shared silence," said Carl Davidson, a member of the Detroit Friends Meeting and a student of early Quaker history.

"The Quake is an evangelical meeting with scripture reading, prophesying, spiritual singing, hand-clapping, testimonial and baptism of the Holy Spirit taking place in a free, unprogrammed manner.

"This will be a rare opportunity for area Christians of all denominations to share in the 'liberating joy' of worship as known among black people and evangelical Friends."

DAVIDSON ADDED that Quakers received their nickname because of "their emphasis upon obedience to the leading of the Holy Spirit in worship."

"Their obedience to the simple commands of the Gospel has cost Friends much suffering," he said.

"They have consistently

worked for peace, economic justice, human rights and similar concerns for 200 years in America, often when other churches were paralyzed by division or were officially opposed to many socially progressive causes such as women's rights, abolition of slavery and labor unions."

"The old Farmington Meeting was a nucleus for much reform and temperance activity in early Michigan."

He said it is hoped that the July 31 meeting will lead to forming a new Farmington meeting, and invited those interested to attend the gathering or contact the social concerns Committee of the Detroit Friends Meeting, 9640 Sorrento, Detroit, 48247.

NATHAN POWER, a schoolmaster, helped to found the original Meeting in 1831 after emigrating to Oakland County in 1823.

In 1832, an epidemic of cholera claimed the lives of his wife and infant daughter, and they were the first persons to be buried in the Quakertown cemetery on Gill Road south of Grand River in Farmington.

After his tragic loss, Nathan Power devoted much time to the concerns of the Society of

Friends - temperance, land reform, women's rights, abolition of slavery, capital punishment, prison reform and care of the mentally ill.

Power helped organize and served as vice president of the convention of the American Antislavery Society in 1838.

During the 1840s, he courted and married Patience Comstock of Adrian, and they worked together in Quaker causes as well as opening their home to fugitive slaves.

AFTER THE CIVIL WAR, it was disclosed that Nathan Power had been Oakland County superintendent of the Underground Railroad. At that time, he and his wife continued to work to aid ex-slaves.

Patience Power died in 1872 and Nathan two years later. After his death the Far-

ington Meeting was closed, and it is the move to begin it again that is one of the aims of the scheduled meeting.

Rev. Swift Installed

The Rev. William E. Swift is the new assistant minister of Christ Church Cranbrook, succeeding the Rev. Rollin B. Norris.

He was ordained July 7 by the Right Rev. Archie H. Crowley, suffragan bishop of Michigan in the Episcopal church that serves 1,500 families.

Rev. Swift is a graduate of Dartmouth College, Episcopal Theological School and Andover Newton Theological School.

Kenwood VBS Set Aug. 2-6

"The Christian Family" is the theme for a Vacation Bible School scheduled from 9 to 11:30 a.m. Monday, Aug. 2, through Friday, Aug. 6, in the Kenwood Church of Christ, 20200 Merriman, Livonia.

Prospective students are invited to attend a rally-registration day in the church on Sunday, Aug. 1, or telephone the church office.

Classes for children from two years of age through ninth grade will stress the theme of building and maintaining a Christian home. Instruction, crafts, worship and recreation will be included in the program.

The Rev. Lee Baltzer is minister of the church.

'Talking With God' Is Theme For VBS

St. Peter Lutheran Church, 1343 Penniman, Plymouth, will use the theme "Talking with God" in its vacation Bible School beginning Aug. 2 and continuing Monday through Friday for two weeks.

Classes for children aged four to 14 will be conducted from 9 to 11:45 a.m., with registration beginning on Aug. 2 at 8:45 a.m.

Each session will be divided into two segments, the first for Bible stories and lessons relating to the theme and the

second to handicraft projects, recreational activities, and refreshments.

A closing program at 7:30 p.m. Friday, Aug. 13, will be followed by a social hour for parents and friends. Teachers and staff members will be present then and there will be a display of handicraft projects.

No fee or tuition charge will be required, but envelopes will be sent home with all students to enable parents to send a free will offering to cover the cost of materials used.

Area Student Is REACH Leader

A Farmington resident, Emily Frontczak, is among 12 youth leaders from the Detroit area who are taking part in a summer program for nine to 15 year old youngsters in four suburban Detroit and suburban Detroit communities.

The high school seniors and young college students are using music, art, writing, recreation and drama over a 10-week period to make contact with neighborhood children in their own settings.

THEIR PROGRAM, REACH, is designed to give the young adults a vehicle to direct their enthusiasm about younger children and their interests and allows the young leaders to explore their own Christian faith through action.

In the first of the innovative programs, they danced, played and sang in the neighborhood surrounding Trinity Evangelical Church, 9301 W. Fort St., on Mondays through Fridays for two weeks.

They were supported by some 55 volunteers from Grosse Ile United Presbyterian Church, with housewives opening their homes to teach cooking and other hosting barbecues and boat rides.

Additional REACH programs are scheduled for neighborhoods around Peace United Presbyterian Church, Fraser, through July 23; Immanuel United Church of Christ, 4600 Livernois, July 26 to Aug. 13; and Southwest Community United Presbyterian Church, 340 W. Grand Blvd.

Facilities of All Saints Roman Catholic parish have been opened to the program in addition to Trinity Church.

THE 12 YOUNG leaders expect to challenge the children into life-long interests, hobbies and even

Lutheran Women Plan 7 Leadership Schools

MINNEAPOLIS The most comprehensive educational and inspirational program in the history of the American Lutheran Church Women (ALCW), an official auxiliary of the American Lutheran Church (ALC), will be undertaken in mid-July and will continue through the rest of this year.

Involved will be more than 300,000 members of local ALCW organizations, their conference, district and national officers as well as staff, and advisors from the national offices of the ALC.

THE FIRST STAGE of the training program is seven area leadership schools for 1,200 district and conference officers. Sites are St. Olaf College, Northfield, Minn.; Whitworth College, Spokane, Wash.; Augustana College, Sioux Falls, S.D.; California Lutheran College, Thousand Oaks, Calif.; Texas Lutheran College, Seguin, Texas; Carthage College, Kenosha, Wis.; and Capital University, Columbus, Ohio. The schools open at Northfield July 22 and close at Columbus Aug. 17.

The schools are designed to acquaint the membership with the 1972 educational and stewardship materials of the ALCW; to offer leadership education including parliamentary procedure, decision making and group dynamics; to give special assistance to each officer in relation to her role and responsibilities; to view the state of the church and the changing role of women in it; and to gain a greater understanding of the overall mission of the church and its financing.

The women will participate in a money management seminar led by the Rev. Melton Bulgerin, assistant director of stewardship for the ALC. The Rev. Dr. C. Richard Evensen, director of parish education for the ALC, and other members of his staff will discuss the new concept of confirmation and first communion.

The second stage will be workshops for 30,000 local officers in the 172 conferences. The final phase will involve up to 5,000 workshops in congregations of the church.

THE ACTIVITIES of the 5,000 local ALCW units are divided into five major categories: a program of Bible study; study of the mission of the church; support for the national budget of the ALC; support for local congregations; and service projects.

Women of the ALCW contribute more than \$1 million to the national ALC budget annually through worship offerings; more than \$600,000 through special "thankofferings," \$100,000 each from triennial district and national convention offerings.

Locally women serve as volunteers in institutions

including homes for the aged and for disadvantaged children, teach in the congregation's parish education program, serve as members of choirs, boards and committees, and work through altar guilds where women make arrangements for communion and care for the altar.

Local units contribute hundreds of garments annually for local needs, institutions, and overseas projects.

The ALCW was formed in 1961. This year's leadership training is the most intensive since the founding.

New Version Of Bible Called 'Paraphrase'

"His master praised him for good work. "You have been faithful in handling this small amount," he told him, "so now I will give you more responsibilities. Begin the joyful tasks I have assigned to you."

This excerpt from the well-known Parable of the Talents comes from "The Living Bible," a new translation described as an up-to-date paraphrase of Scripture, that will be published Aug. 1 by Tyndale House and Doubleday & Co.

The new translation has been described as the world's most readable Bible, and is largely the work of one man, Dr. Kenneth N. Taylor.

IN 1955, Dr. Taylor began paraphrasing some of Paul's epistles, modernizing the archaisms of the King James Version so that his 10 children might better understand the great spiritual truths of the letters without stumbling over the outmoded language.

In 1962, after seven rewrites, he offered his manuscript to various publishers, all of whom rejected it.

Feeling that there was indeed a market for a readable paraphrase of the letters (and eventually the whole Bible), Taylor converted his home into a mail-order center from which he filled orders for "The Living Letters." He called his enterprise Tyndale House, after William Tyndale, the first man to publish the Bible in English.

INITIAL SALES were a disappointment until 1963, when the Billy Graham organization used a special edition of "The Living Letters" in a TV promotion.

"Now - nine years later - Tyndale House covers some 12,000 square-feet in Wheaton, Ill., and has sold seven-million copies of the various books of the series.

This series has been published in five languages, and is scheduled for translation into 36 more.

DR. TAYLOR shortened the long, heavily punctuated sentences of the King James Version; replaced colons and semi-colons with periods; and substituted plainer words for those no longer in use.

Whenever there was a question of the correctness of a substitution, Dr. Taylor consulted biblical scholars for their opinions, but in his own words "word by word doesn't mean as much today, but the original thought must be accurate and that's our whole purpose in paraphrasing."

Dr. Taylor plans a complete revision of the wording every five years to insure that the language remains truly contemporary.

He has waived all royalty rights from the various editions of the series, preferring instead to direct all profits back into the publishing project, so that this Bible may reach an even wider audience.

"The Living Bible" has 1,400 pages and will retail for \$9.95.

Church

A STEEL TOWER that is bound to become a landmark in Farmington was lifted into place atop the frame of the new University Hills Church at Farmington Road and the I-696 Freeway last week. The tower weighs 6 1/2 tons and will rise 165 feet into the air. It was assembled on the ground before the huge crane gently lowered it to the peak of the triangular-shaped church building. The church, being constructed by C.H. Haberkorn & Co., Orchard Lake general contractor, is due for completion in mid-October.

ECUMENICAL REFLECTIONS

(Ecumenical Reflections is a column in which Observerland clergymen and lay leaders are invited to present their ideas on church and religious topics of general interest. Anyone interested is invited to participate. Contributions should be one to two pages of double-spaced typing and may be mailed to the Church Editor, Observer Newspapers, 271 S. Main, Plymouth, 48170.

THE REV. JAMES W. SCHAEFER
Pilgrim United Church
of Christ, Livonia

There used to be a rather neat arrangement which divided everything on the basis of "sacred" and "secular." It was presumed that what was of concern to God could be called sacred. Things that did not involve or interest God could be called secular. It was a clean arrangement.

And it was convenient. Seemingly, God was concerned with the events that occurred in the church and there only. Seemingly, what happened elsewhere was outside of God's vision and of no concern to Him. Thus the Christian away from the church could feel a certain latitude in his life permitting things he would not dare do within the church walls.

FOR SOME TIME, I have been feeling opposition to the division of life into sacred and secular. I just don't find that kind of simple solution to life's problems in the Bible. Nor do I believe that God is only concerned with the activities of people within church buildings, although some churches seem to think that God doesn't care what kinds of

things happen there, such as card parties, lotteries and so-called bazaars.

There are many illustrations of this division of sacred and secular in the world. Courts of law still label any disaster or calamity "an act of God." The City of Livonia (and all others, I suspect) defines a church in its planning and zoning as a "place of worship." There are persons who keep saying that ministers should get back in their churches and leave social problems alone—as if God didn't care about persons. This same misconception exists within the church.

The same fallacious division of sacred and secular leads some persons to say that the churches should not be concerned with the welfare problem in this country. Surely, concern for the poor, the handicapped, the old, and children is a valid Christian concern. To urge the government toward welfare reform is an obvious ministry to those in need.

LET ME DISPEL some of the myths about welfare recipients. It is said, wrongly, that most persons on welfare are black. Ignoring the racist implications of the false charge (as if blacks are not deserving of welfare), the

facts are as published by the U.S. Dept. of HEW, 85 per cent of all welfare recipients are white, 30 per cent are black and six per cent are American Indians and others.

Part of the false myth claims that southern blacks moved to northern cities to get higher welfare payments. Wrong. The purpose for immigration to the city is to find jobs. Since World War II, 20 million have migrated to the cities, of which, only one-third were black. And during the peak black migration (1960 through 1966), welfare increased only 17 per cent. The big increase came between 1960 and 1968 when welfare rose 108 per cent.

And briefly—how large are welfare families? HEW reports the average welfare family has three children. Is that above the national average?

The facts indicate that about 30 per cent of ADC children are "illegitimately" born. HEW reports that one-third of all first-born American children, born between 1961 and 1966, were conceived out of wedlock, yet by the time these children were born, 68 per cent of the mothers had married.

It is a terrible myth to say that all welfare recipients are black, have large families and the children are all "illegitimate."

We need welfare reform right now. It is a valid Christian ministry to work for reform.

REV. ED LOUTON

Missionary To Africa Is Speaker

A missionary who has served in Africa for 13 years will tell of his experiences at 7 p.m. Sunday, July 25, in the Plymouth Assembly of God, 4202 E. Ann Arbor Trail.

The Rev. Ed Louton also will show slides of the activities in which he and his family have been engaged.

Rev. Louton and his wife, Barbara, have in their last assignment served as missionaries in South Africa. They have been active in literature distribution, evangelism, establishing churches and promotion of youth work throughout the national church.

THE CLERGYMAN served as superintendent of the Northern Transvaal District of the Assemblies of God and as director of the National Christ's Ambassadors Department, the Assemblies of God youth program.

Previous missionary activity involved the Loutons in work among the mulatto people of Cape Town and the Basuto people in the little African republic of Lesotho. Two of the couple's three children were born in South Africa.

Rev. Louton, a missionary since 1958, is a graduate of the South African Bible Institute in Johannesburg and he and his wife both studied at Central Bible College in Springfield, Mo.

The Rev. Warren Tyler, pastor of Plymouth Assembly of God, invites the public to hear the illustrated talk.

"Are you really a Clergyman?" Asks a full page ad recently placed in selected New York periodicals by a new organization entitled United Clergyman's International, Incorporated (UCI).

"One of the greatest affronts a clergyman can suffer," explains this ad, "is to be identified with the many self-appointed clergymen and 'pseudo-clergymen' created by mail-order, ordination-fee organizations."

"THE SOLUTION to this 'great affront,'" Membership in UCI, Inc. identifies you as a bona fide clergyman, or ordained or licensed religious leader. That identification is an "Open, Sesame!" to a whole new world of major discounts and other preferential treatment.

If you and your family travel in public carriers or rented cars, use overnight accommodations, dine out, or attend amusement centers, discounts of 10 per cent can be yours merely by presenting your UCI, clergy card ... over 30,000 businesses are participating members and the number is increasing daily!

Legitimate clergy have usually felt no more "affronted" or threatened by ordination mill products than are university professors by the perennial diploma mills.

A growing number of clergymen are affronted, however, by the whole system of clergy discounts in lieu of professional-level salaries—particularly when this is capitalized upon by a lay huckster.

FOR THE PRESIDENT of UCI Inc. is Californian James W. Smith, who recently closed his own ad agency in Encino following a harvest of more than \$50,000 in \$15 clergy memberships in UCI. Just one mailing of 15,000 in February, he says, provided a 25 per cent response in memberships.

Smith has now retained a Manhattan promotional firm named (appropriately) Frantz and Pray to open an East Coast office in addition to his home base in southern California.

UCI membership costs have just been jacked up to \$25

to get involved in the dangerous thicket of trying to determine which religions and clergy are valid, how can UCI, Inc? The criterion seems simple:

"No clergyman is entitled to belong unless he is involved in full time religious work—with no income from any other source," explained Healey.

He subsequently admitted that the late Father Divine (who claimed he was God) would have qualified—although "I think we'd have to make a judgment," regarding the Reverend Doctor Kirby Hensley. (Hensley, an illiterate, works full time in his Universal Life Church which has provided ordination certificates and doctrinal degrees to an estimated 700,000 people plus a number of cocker spaniels and Siamese cats.)

How about a clergyman who implements his income by part-time work such as commercial fishing or manufacturing such products as tents?

HEALEY was not immediately aware that he had summarily disqualified both St. Peter and St. Paul.

But Madalyn Murray O'Hair would, according to Healey, be eligible for UCI membership because the is a full time "Cardinal" in "Poor Richard's Universal Life (atheistic) Church." So would Anton LaVey, San Francisco's full time chief devil of the First Satanist Church.

And when the Mormon bishops discover that they, by contrast, do not qualify for UCI, Inc's "bona fide minister" recognition, (although ethical culture society leaders do, according to Healey) the reaction should be interesting indeed—particularly regarding the Utah and Idaho branches of such UCI business cooperators as Avis and Travelodge.

Southfield-Lathrup Stars Pass 1st Pony Meet Test

There's no better way to start any tournament than to win, even when it's a two-defeat-and-out competition.

It's much easier to take command early instead of having to fight back.

All of which explains the joy in the camp of the Southfield-Lathrup Pony League All Stars.

THE SOUTHFIELD stars turned in an impressive performance Wednesday in routing Franklin, 10-0, to boom away to a flying start in the District 2 playoffs being held in Franklin.

As a result, Southfield advanced to Saturday's second round confident of sweeping the four-team tournament -

the other two teams represent Garden City and Birmingham - which is slated to end Sunday.

The champion moves on to the state tournament in Mt. Pleasant...and from there the stakes get bigger with a shot at the national championship looming on the horizon.

Rocky Davis fired the goose-eggs at Franklin, which is managed by ex-Tiger pitcher Hank Aguirre. Davis fanned 13, walked four and allowed only three hits. He got stronger as the game progressed.

Meantime, Ted Fox, Mike Kemper, and Robin Richards each lashed out a pair of hits for the winners. Fox had a

double and a homer and scored three runs and also batted in three.

IT WAS Richards who got Southfield off on the right start. The handsome, lanky Southfield centerfielder led off and dropped a perfect bunt along the third base line. It was so perfect no play was made on him.

Richards then stole second and moved to third on a sacrifice by Steve Leowy. Then Mike Kemper was hit by a pitch, putting runners on third and first with one out.

On an attempted double steal, Kemper was nailed at second, but Richard raced home with the first run - and what actually was the only run

Southfield needed the way Davis was pitching.

Southfield picked up two more runs in the second on hits by Dick Savage, a walk, a fielder's choice and an error. In the third, Southfield collected three more runs with a single by Kemper and a double by Fox leading the uprising.

Fox's homer came after Kemper had singled in the fourth and in the sixth Richards again singled to

start a rally which was climaxed with a two-run double by Ken Silberstein.

IN FRIDAY'S GAME, Southfield-Lathrup met Birmingham which downed Garden City, 5-3, in Thursday's first-round game.

Tom Foell's two-run homer in the seventh broke a 3-3 tie and decided the game.

Garden City scored all its runs in the fourth inning on a walk, two errors and a single by Tod Kleinbrook.

Pontiac Hosts Area Stars

The stars will shine Saturday night in Pontiac and again on Aug. 5 in Tiger Stadium.

They'll be the stars of the 18th District American Legion baseball league which includes Farmington and Southfield, plus six other teams in Oakland County.

The cream of the crop of the league's players have been selected - two teams, plus some extra pitchers - to face the best of the Detroit Legion program in a pair of All-Star Games.

THE SATURDAY game is booked for the Pontiac Jaycee Stadium at 8 p.m. and the standouts of the Southfield and Farmington teams will be very much in evidence. So will coach Fred Goldberg of Southfield who has been named to lead the 18th District Stars.

Goldberg was picked because at the time the selections were made his Southfield team was No. 1 in the standing, battling defending champion Waterford in a neck and neck race for the pennant which likely will be settled Sunday when the two teams meet in a doubleheader at Waterford.

Other coaches and managers joined with Goldberg in selecting the 18th District Stars.

They named two teams and

Goldberg said each would play 4½ innings in Saturday night's games.

But because of Sunday's big games, he'll go easy on at least two of the pitchers - Southfield's Bob Brown and Bill Poe of Waterford. They'll work only two innings each for the Stars, since both likely will come right back on Sunday and face one another when Southfield and Waterford oppose.

Brown and Poe were named the first-team pitchers.

TWO OTHER Southfield players also were selected to the first team - second baseman Dennis O'Rourke and outfielder John Solberg. Outfielder Paul Kupferschmidt of Farmington will start in the outfield with Will Stroschein of Auburn Heights the third flycatcher.

Les Hunt of Waterford will be at first base, Rick Tuma of Berkley at shortstop and Ed Mapes of Troy at third with Kirk Passmore of Waterford the catcher.

The second team selections include infielders Dan Delling of Farmington and Gary Mazza of Southfield, and outfielder Dan Damiani of Southfield.

Goldberg has selected third coaches to help him with the Stars. One is Wally Christensen of Farmington. The others are Shuffer Burns of Waterford and Russ Ellison

Any doubt to the claim that Metropolitan Detroit is the nation's major center of women's bowling was erased this week with the announcement that the Detroit Woman's Bowling Association established a national record for membership during the 1970-71 season.

While the list doesn't close until July 31, the membership has passed the 99,000 mark and still counting.

"We still have some tournaments to hear from," Mrs. Lillian Jacob, president of the DWBA, stated, "but we have passed the 99,000 goal by 155 bowlers and are far ahead of any other city according to WIBC records."

For years Detroit and Chicago fought a keen battle

for membership honors. Then, several years ago, Detroit drew away and now it is just a matter of how high Detroit will boost the mark.

Winning the membership title again is a fitting tribute to Mrs. Jacob as she retires from office at the end of the month.

Whatever honors are available for such a record will be bestowed upon her at a testimonial dinner at the Latin Quarter on Thursday, Aug. 19.

IF COMING events cast their shadows before them, the senior citizens leagues will establish new marks when the fall season opens.

The first inking came this week when Livonia Lanes where the senior competition got its start, announced that the league had grown to a

point where two meetings now are necessary to accommodate the growing numbers.

The league will bowl on Thursday and Friday, starting Sept. 9-10. Anyone interested in joining in the fun is asked to call Helen Dyke, league secretary, at the lanes.

LIFE TAKES some funny twists.

Years ago Lee Jougard, holder of the ABC singles record, and Pete Carter were teammates on the champion Stroh combination.

After leaving the team they went west - in different paths. Lee went straight to the coast and Pete stopped off in Arizona.

Now, they're together again. Lee has taken over the management of the lanes at Camp Pendleton and Pete is manager of the pro shop.

RE-CONDITIONED lanes didn't stop the women from posting high scores at Westland.

In the Wednesday morning doubles Maureen Powell established a summer high of 540 with a 244 game. One pin behind for single game honors came Jane Martin with a 243.

ERV WATSON, former manager of Bel-Aire Lanes, hasn't lost his touch on the "home" lanes.

Bowling in the Kings and Queens League he put together games of 269, 221 and 204 for a 694-highest score of the summer season.

Other high scores in the loop included George Montgomery 613, Buzz Probst 591, Gordie Huston 586 and Bob Lademan had a 221 single.

Mort Friedman paced the four-game classic loop with an 856 gained on games of 243, 215, 266 and 190. Two other 800 series were posted when Steve Killian fired an 818 to beat his son, Tom, by 15 pins.

The Killians did double duty, too, by pacing the "Family Affair" circuit. Steve again showed the way with a 221 in 549 and Tom had a 213 in 508.

Helen Simpson paced the girls with a 236 in 530 and Jackie Dix had a 519.

In the other leagues Jane Martin showed the way in the Monday Ladies with a 243 and in the Wednesday doubles Maureen Powell had a 244 in 540.

CHAR ROOD'S unpredictable team lived up to its name in the Toast and Coffee League at Merri-Bowl.

In the tightest finish of any of the summer circuits the Unpredictables won by the title by a mere two points in the final position round.

Jane Norback, one of the younger members, posted a 215 on the final day and Mary Lueck posted a 575 to cap the season.

Redford Survives Pony Play

Redford Township's Pony League team still was battling for district honors Friday at Southgate after breaking even in a pair of games Thursday.

Redford lost to Southgate, 3-4, and then bounced back to down Hamtramck, 6-1.

Ken McLean socked a two run homer for Redford against Southgate, but the big blow of the game turned out to be a grand slam homer by Rick Sewitz.

In the Hamtramck victory, Redford's Tim Kacvinsky went the route and allowed three hits. He also helped his own cause with a homer.

Duane Dybka, Greg Woods and McLean each had two hits for Redford in the victory.

Southgate's No. 1 and 2 teams were to meet Friday and the loser was to face Redford later in the day, with the loser bowing out from further competition.

The title was to be decided Saturday with the champion advancing to the state tournament at Mt. Pleasant.

observing sports

Speaking of umpires - and who was?

To set many straight on how long an umpire can wait when a game is halted because of the weather elements, the answer is indefinitely...an hour, two hours... three hours.

And, sometimes, only a minute or two.

Once a game starts, the senior umpire is in complete charge should the elements force a halt in the proceedings.

Judgment becomes uppermost.

What kind of condition is the field in?

What about the crowd?

What about scheduling problems?

When, and where, will the games be made up?

An umpire can't be impatient. Most aren't. After all, if they wait around for 90 minutes while it rains, it just makes their day longer...and they aren't paid time and a half or doubletime for overtime.

The ump just as easily can call it off and go home, or wherever he has to go.

Remember something else...no umpire who is worth anything cares who's ahead or what the score of the game is.

The last thing an ump wants anybody to tell him is: "You want that team to win and us to lose."

Those are fighting words, believe me!

TALK ABOUT CALLING off a game, it doesn't necessarily have to rain or snow...or be too cold.

I remember once stopping a game because the sun was shining too brightly. The batters couldn't see the ball.

It was in the day before batting helmets became mandatory.

The sun came over the top of a school and smack into the batters' eyes. The catchers were having troubles...so was the umpire.

After the batters ducked for an inning or two, both managers besieged me.

"We can't go on like this," they pleaded, "somebody is going to get killed."

One suggested we do something about moving the sun, or something. Now, that, of course was impossible.

So, we waited a few minutes. Things didn't get any better. If anything, worse.

Another huddle with the managers. What to do? After all, the umpire really couldn't call the game off in bright sun light.

The managers thought it was too risky to continue. The ump agreed.

The result: The game was called off with the temperature in the 80's, the sun bright as anything and a perfect day for baseball...except for the way the sun came over the school.

BY PROFESSION, Fred Goldberg is a school counselor in Southfield High.

He has proved he's a pretty good baseball coach, too.

Goldberg was selected to handle this year's Southfield American Legion baseball team which comes down to Sunday's final regularly scheduled game in the 18th District neck and neck with defending champion Waterford.

That in itself is quite an honor for a rookie coach. But Goldberg's job has earned him still another honor. He has been named to direct the 18th District Legion All Stars, who also included players from Farmington, against the Detroit League All Stars in a pair of games...one this Saturday night in Pontiac, the second at Tiger Stadium on Aug. 5.

Goldberg says he's surprised that the league has thought so highly of him.

Veteran manager Will Oliver of Southfield Legion teams says differently.

"We've known right along that Goldberg deserves only the highest honor that can come his way. He has done a terrific job with the boys," Oliver declared.

"It's amazing how he handles young men. And how the boys like him."

Goldberg is 37 and rightfully rates another distinction: "Coach of the Year" in the 18th District.

S. Farmington Gets Scare In Tourney

South Farmington came through with a roaring finish Wednesday to get off on the right foot in the District 3 Colt League baseball playoffs at Allison Field in Redford Township.

Trailing, 2-0, in the seventh inning, South Farmington pushed across three runs in its final turn at bat to top Redford Township, 3-2, and move on to Friday's second round against Birmingham.

TERRY SMITH and Gary Peeling delivered the decisive hits in the seventh inning for South Farmington.

Steve King had walked and Paul Simons singled to get South Farmington going. Then Smith connected to drive in King and when the throw from the outfield was wild, Simons raced home with the tying runs and Smith wheeled around to third.

Peeling, who pitched the distance for South Farmington and gave up only two hits while fanning 10, singled to score Smith and win the game.

Peeling got off to a bad start. He served up a single to Ron Campbell and then a homer to Guadalupe Bravo in the first inning. But Peeling was in complete charge the rest of the way to best Tom Nippa.

The tourney was to continue Saturday and is slated to end on Sunday.

IN THE COLT tournament at Southgate, Garden City won and lost Thursday.

St. Clair Shores nipped Garden City, 3-2, behind the one-hit pitching of Bob Kauffman. The loser was Terry Dobbs, who allowed six hits.

Garden City rebounded to stay alive by blasting Southgate 8-0 as Jerry Herbst allowed only two hits and fanned three.

Mike Whaley led the Garden City assault with two homers and a single and batted in five runs. Keith Anletner helped out with a double and knocked in two runs.

Sportsmen Get Chance For Swaps

Wonderland Center will host a Sportsmen's Swap Day on Saturday, July 24, from noon until 6 p.m.

Returning to the long ago days of barter, and good old-fashioned person-to-person contact, a large area will be roped off in the center of the mall in which those wishing to swap, sell, or buy used sporting equipment can display their wares and shop the seller's market.

Anything in the line of sporting equipment is fair game - including a mid-summer's day selection of ice skates and skis.

Wonderland Center urges those who wish to display used sporting items to bring comfortable chairs and a card table on which to exhibit their wares. There is no charge for participation in the swap day.

Southfield Legion Nears Title Showdown

The showdown is at hand for Southfield and Waterford in the 18th American Legion baseball battle.

Just about everything, meaning the championship, figures to ride on the double header the two teams play Sunday at Waterford.

All season they've been fighting a nip-and-tuck battle for the top slot.

There's almost nothing to choose between the two going into Sunday's twin bill.

SOUTHFIELD by downing Berkley, 7-2, Wednesday retained a slight edge over Waterford with a record of 16 wins, two defeats and three ties.

A split Sunday could be enough for Southfield to win the title and gain the right to advance into the state regional later in the month.

Bob Brown, the young pitcher from Brother Rice whom the Tigers thought so highly of and drafted him, turned back Berkley on three hits. He fanned seven and walked only two batters.

He lost his shutout in the seventh inning when

Bill Flynn homered with one aboard. But, by that time, Southfield was rolling along with a cozy lead.

SOUTHFIELD TOOK a 2-0 lead in the first when John Solberg crashed a homer with one mate aboard. Another Southfield run came in the third on a hit batsman and fielder's choice.

In the fifth, Brown's double and a single by Dennis O'Rourke added another run to the Southfield total. Then in the sixth Gary Martin's hit followed an error to make it 5-0 for Southfield.

The winners used two errors, a walk and a fielder's choice to register twice more in the seventh and sew up the victory.

Southfield was to play at Troy Friday before making the trip to Waterford Sunday where the action will start at 2 p.m. Waterford is the defending district champion.

The two front runners played 10 days ago and the game ended in a tie when darkness forced the proceedings to be halted without a decision either way.

Redford Has Its Own Vida Blue

Talk about Vida Blue who's on the brink of winning 20 games this season for the Oakland A's.

How's about Randy Ferguson of Redford Township.

He's just 17, pitches high school and sandlot baseball and he was going for his 20th win of the season Saturday when Warholak Tires (Redford Union) met a team from Cincinnati in a special instructional game at Cranbrook.

Ferguson won 14 while losing only three for Redford Union High this past spring. He was named on the All-Observer team.

WITH WARHOLAK in the Greater Livonia Connie Mack League, he's 5-0 in summer play and, according to coach Bob Atkins, he probably would be 7-0 or 8-0 if Atkins didn't use the other pitchers on his staff.

"In the Mack program we try to develop future Redford

Union players as well as use some of the boys who have just graduated," said Atkins.

"Thus, we haven't pitched Randy as much as we probably would have...or maybe a pitcher of his ability should work."

But with Warholak, champs of the National Division of the Mack League, bound for a city title series and then the state Mack meet, it's a cinch Ferguson will be used more often now.

There is a possibility he could wind up a 25-game winner, which would be amazing, considering that school and sandlot teams play a lot fewer games than they do in the majors.

FERGUSON ALLOWED only three hits in shutting out Tom's Service, 4-0, in his latest Mack start. He walked only one batter.

R.J. LeRoux scored the first Warholak run without the

benefit of a hit and singles by Kurt Fritz and Mark Durance led to the second tally.

Then Ferguson walked, Steve Friedman singled, Bob Brown beat out a bunt to score Ferguson and Friedman came in on a double steal.

The three-hit pitching of Gary Gaspas meantime enabled Farmington Harrison to down Livonia Hubert, 5-2. Gary Mooney doubled in one run for the winners while he laid down a perfect squeeze to admit Tom Young with a second

marker for the Harrison team.

Little Caesars of Farmington won a 2-0 decision from Plymouth's Red Holman, 2-0, as Phil Millman scattered only two hits.

Farmington scored in the first inning on a single by Ray Ponke, a walk and a single by Bruce Economeau. In the sixth, Dan McGrath's double and Ponke's single brought in the winners' second tally.

REDFORD TOOLING went eight innings to down Plymouth Elks, 7-5, with a walk, error, sacrifice and a single by Keith Armstrong leading to the two runs in the eighth.

Redford had rallied for two runs to go ahead, 5-4, in the seventh, only to see Plymouth tie the game up again at 5-5.

Bill Duncan was the pitching and batting hero as Crowe Royals downed North Farmington, 3-1.

Duncan, from Bentley High, allowed five hits and struck out five and broke a 1-1 tie in the fourth inning when he socked a homer with one mate aboard.

Two errors, a hit batsman and fielder's choice netted Crowe its first run in the first inning. North Farmington counted in the first on a walk, fielder's choice and error.

National Pride (Churchill High), the American Division champs, added Livonia Optimists to its list of victims, 2-0, behind the pitching of Ken Woods who allowed only one hit to best Bill Couch.

Mark DeRoche doubled in Ernie Comini with the first National run in the first inning. The other one came home in the fifth on singles by Bob Blaies, Comini and DeRoche.

VIDA BLUE of Redford is Pitcher Randy Ferguson, of the Warholak Tire team, who will be bidding for his 20th victory Saturday in a game against an Ohio All-Star team from Cincinnati. Randy won 14 games for Redford Union, five for Warholak and there is a chance he could record as many as 25 before the end of the summer. Vida Blue, the American League sensation from Oakland, will be after No. 20 Sunday when he faces the Tigers.

Green's 5-Hitter Beats Farmington

A five-hit pitching effort by Jim Green enabled Westland Cleaners to roll past North Farmington, 9-3, in an Adray League baseball game.

Green struck out six and walked two. The loss was tagged on John Combs who yielded nine runs and six hits in four innings.

A four-run, third inning, settled the game. After two walks, Brad Lyons singled in two runs. Then walks led to the next two runs.

The victory was the third without a loss for Westland in the third round of play in the league.

OFF TO WASHINGTON to compete in a national bowling tournament for 20 \$1,000 scholarships are Michigan's three qualifying representatives, all from the metropolitan Detroit area. From left: Brent Begnoche, Lathrup Village; Gail Griwicki, Detroit; and Geno Muzzin, Lincoln Park. Gail and Brent are winners of the Detroit Junior Classics; Geno, the Lincoln Park Kiwanis.

Mack Teams Await Tournament Drawings

The regular season history...now it's on to the playoffs for teams in the Greater Livonia Connie Mack League.

The three divisional champs--Warholak Tire (Redford Union), Thurston and National Pride (Churchill) are waiting for the start of the state district Mack tournaments.

Each will be assigned to a different district, it has been announced.

Since the districts won't begin for another week, plans are underway to have the

three square off in their own series to settle the Greater Livonia Mack title.

It would probably be a one game and out tourney. This means one team would draw a bye into the final.

The other teams in the Livonia Mack program which finished with 500 records or over will engage in their own playoff to decide which team qualifies for the Michigan Recreation and the Inter-Cities Class D tournaments.

Thus, of the 21 teams which began originally in the Mack League, five will earn spots in

post-season tournament play against other communities.

Chapman Wins New Golf Honors

More honors have come to Bob Chapman, the 6-foot, 4-inch basketball and golf star from Farmington High.

Chapman, an all-star cager last winter, took individual honors and will lead seven

Michigan representatives to the United States Golf Association's Junior Amateur tournament at Rockville, Md., Aug. 3-7.

He shot a 38-35-73 to top a field of 87 teenagers who participated in the state qualifying trials held on the tough Red Run course in Royal Oak.

Kip Byrne of Birmingham was second with a 74. Among the alternates is John Marker, Jr. of Southfield who shot a 42-37-79.

This marks the second time that Chapman has won a spot in the national. He played in the tournament two years ago.

Plymouth's Ex-City Manager Plans To Leave Albion Post

(Editor's Note: Former Plymouth City Manager Albert Glassford, who left in 1964 after 15 years on the job to take a similar post in Albion, is about to retire from the official life of that city. His plans for the future are told in the following article which is reprinted from the July 14 edition of the Albion Evening Recorder.)

City Manager Albert Glassford, 60, will resign his post here Oct. 15 after almost seven years as the chief administrative officer of the city.

Glassford is expected to formally announce his resignation at the July 26 council meeting. Councilmen were told informally of his decision several days ago.

Mayor Victor Burstein today said that "I regret that Mr. Glassford is leaving. As city manager he has worked effectively and conscientiously for the welfare of the city."

Glassford will resign to become assessor at the City of Springfield, where he will work under and with Wilfred (Bud) Taylor, its city manager and one time assessor for Albion.

The Springfield city council has informally agreed to hire Glassford as the nine-month assessor at about a little less than half of Glassford's present salary which is about \$18,900 annually.

Glassford said he expects to work as assessor and to aid Taylor in his city manager duties for nine months of the year and spend two to three months traveling. This winter he and his wife, Lola, are

planning to spend in Mexico, learning the language and customs of those people.

Glassford owns a trailer on the Thornapple River, near Hastings, and expects to commute to Springfield, some 25 miles away, while he is working there.

Advertisements telling of the opening for a city manager in Albion are expected to be placed next week in the Michigan Municipal League newsletter and in publications of the International Assn. of City Managers plus other media.

Glassford came to Albion Nov. 17, 1964, after serving 15 years as city manager of

Plymouth, Mich. He was assessor and deputy city clerk in Plymouth a year before that. Previously he was in private employment with manufacturing concerns and with the Federal Reserve Bank in Chicago and at its Detroit branch.

The seven years since Glassford became manager have been marked by both achievements and several controversies in which he figured prominently. The first, shortly after his arrival, was the forced resignation of Police Officer Larry Bearman, which brought the wrath of many friends of the veteran police officer on the heads of both the council and the manager.

The more recent controversy ended in some members of the Albion Professional Fire Fighters Assn. backing a 1970 referendum which proposed the abolition of the city manager form of government, which would have had the effect of firing Glassford.

The election was held last Nov. 3 and the final vote was the overwhelming 1,086-900 vote to keep the city manager form of government.

Glassford also fought parity pay for police and firemen with the result that Albion policemen for several years have been higher paid than firemen. The fire fighters, however, have just concluded binding arbitration with the city administration and a final decision is expected to be made by the Michigan Department of Labor's mediation service, perhaps

some time in late September. Glassford was born in Cleveland to Scotch-German parents and earned his education the hard way, by attending night school and correspondence courses. He was awarded a political science degree in 1963 from Wayne State University.

Since coming to Albion, Glassford was a catalytic factor in the creation of the Albion Ambulance Service, the volunteer organization formed in December 1966 when the two local funeral homes went out of the ambulance business. He is still a volunteer of the service and is a member of its board of directors, and board secretary.

He was named in November 1965 to the Albion College's Community Advisory Board, and since 1969 has been a member of the advisory committee of the Calhoun County Economic Development Commission. He is a member of the Albion Rotary Club, has worked on the United Fund and for other charities.

Glassford is also the civil defense director of Albion and designed a "fan out alert" system in cases of man made or natural disasters. The system is still in use.

The city manager form of government was re-instituted in Albion by a 669-387 vote in September 1964 following a 36 year period of a mayor-council government. Albion early had a city manager from 1916 to 1928 but it was abandoned in the fall of 1927 by a 33-vote margin at a special election following a hot political battle.

Remus Points Out Water Savings

Dear Mr. Delano:

I have read with considerable interest the article entitled, "Detroit Water to Flow Soon; Rates To Go Up", in the July 10 issue of the Plymouth Mail and Observer. The article raises several excellent suggestions for conserving water and thereby reducing water bills.

Another important point is that even though Plymouth must raise rates the "real" cost to consumer is less than well-water for the following reasons:

1. With home softeners they are paying four to five times the wholesale cost of water from Detroit.

2. Without softeners, they are paying up to \$40 per year for deterioration of plumbing fixtures, ruined laundry, etc.

In suburban areas where customers have existing softeners, they are phased out rapidly after Detroit water becomes available. Out of 390,000 accounts within the City of Detroit, the number of known softeners is virtually zero.

You and your paper are to be commended for publicizing freely both sides of this water issue.

Gerald Remus
General Manager
Detroit Metro Water-Dept.

Stenek Praised By New Yorker

EDITOR:

Ossining's loss is Plymouth's gain. In Stan Stenek, who left here to become your recreation director May 1, we here lost a fine superintendent of of recreation.

Ossining's recreation and parks department, under the guiding hand and watchful eye of Stenek, expanded the range of its sports programs and made adaptations in its normal offerings in order to meet the needs of special groups.

Neighborhood playground and recreation center programs form the core of municipal recreation service in Ossining. In addition to sports and games, childrens groups are organized for creative dramatics, arts and story telling.

The department's indoor and outdoor facilities serve large numbers of men and women, and night lighting increases their use by adults. The Senior Citizens Club, with a total membership of 160, meets weekly in the recreation center. Activities include dinners, excursions

and other social functions. Ongoing rates well above average in its provision of swimming facilities including the local pool, which makes possible an aquatic program including swimming meets, playground water shows, and learn-to-swim and water-safety classes. The latter is in conjunction with the Red Cross.

Activities for pre-schoolers include movies, cartoons and Walt Disney features.

In addition, 20 local youngsters are enrolled in a program for the mentally retarded.

A teen club is sponsored, youth volunteers are trained in recreation skills and leadership techniques, and teenagers are encouraged through workshops and service projects to study their community and to share in its leadership. In addition, college students fulfill field work requirements at playgrounds and at the center.

The contribution of games and sports to the well-being of our youth is widely recognized here, and the importance of giving all children and youth an opportunity to engage in them was repeatedly emphasized at sessions of the National Recreation and Parks Association.

Women are encouraged to participate in the sports program through special instruction and group organization, and the setting aside of facilities for their exclusive use during specified periods.

Furthermore, the tremendous success of the "Stenek System" has stimulated other New York communities to follow its example.

Thank Jaycees

EDITOR:

Our family would like to express our thanks to all of the hard working members of the Plymouth Jaycees who staged the 4th of July parade and fireworks. We are particularly grateful in that we were fortunate enough to win the color TV.

It is hard to tell which we will enjoy more - the TV or the very happy memories of the parade, the carnival and the fireworks. Again, our heartfelt thanks to all who worked so hard to make the holiday festivities a success.

Class Of 1961 Plans Reunion

PLYMOUTH
Plymouth High School's graduating class of 1961 is planning to hold its 10th reunion dinner at 7:30 p.m. on Saturday, Aug. 14 at Lofy's. Mrs. John M. (Sue) Harper, 400 N. Evergreen, is in charge of reservations.

TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES-REGULAR MEETING JULY 13, 1971

The meeting was called to order by Mr. Breen, Supervisor. All members were present except Helen Richardson, who is on vacation. **READING, CORRECTING AND APPROVAL OF MINUTES** - Regular Meeting, June 8, 1971. Mr. Millington requested that the minutes of the June 8, 1971 meeting be amended to include under Item No. III, being 1 (c) Plymouth Hills Mobile Homes, Inc., Application No. 148, pertaining to the rezoning from A-G to R-M, the understanding of the Board that Mr. Ruggieri would allow any adjoining property owner to connect into the water system that would be going through his property. Mrs. Holmes then moved that the minutes be accepted as corrected. Seconded by Mr. Ash and carried unanimously.

Executive and Special Meeting - June 29, 1971 - Mrs. Holmes moved that the minutes of the meeting of June 29, 1971, be approved as submitted. Seconded by Mr. Ash. The motion carried (Mr. Overholt not having attended said meeting obtained from voting).

Joint Special Meeting, Township Planning Commission, June 30, 1971. Mr. Millington advised that the minutes be amended to include his request at said meeting that the committee working on the sign ordinance meet with the business committee and those involved in the erection of signs. Mr. Burke moved that the minutes of this joint special meeting including the amendment by Mr. Millington be approved. Seconded by Mr. Ash. The motion carried. (Mrs. Holmes & Mr. Overholt not being present at this meeting obtained from voting.)

READING, CORRECTING AND APPROVAL OF BILLS - Following a short discussion on the bills presented, and there being no additions or corrections, Mr. Ash moved that the List of Bills dated July 13, 1971, in the Grand Total amount of \$82,094.31 be paid. Seconded by Mr. Overholt and carried unanimously.

OPENING OF BIDS FOR STATION WAGON. At 8:30 P.M. Mrs. Holmes moved that the bids be closed. Seconded by Mr. Burke and carried unanimously. The following bids were opened by the Deputy Clerk and read by the Supervisor: LaDiche Chevrolet, Inc., Unable to bid; G. E. Miller Sales & Service, 1971 Dodge, \$187.00, 1971 Dodge, \$189.00; Leo Calhoun Ford, Inc., 1971 Ford, \$229.62. Following the reading of the specifications included with these bids for a station wagon vehicle, and discussion by the Board, Mr. Ash moved that the Board reject all bids submitted. Seconded by Mr. Overholt. The following roll call vote was taken: Yeas: Holmes, Overholt, Ash, Millington, Burke, Noyes: Breen. The motion carried.

COMMUNICATIONS - C. R. Charest, attorney for Fire Fighters Association. Re: Notification that the firefighters desire to enter into binding arbitration relative to the employment agreement. A communication from Mr. Charest, Attorney, dated July 6, 1971, on behalf of Local 1486, Firefighters, was read by the Deputy Clerk, in which Mr. Charest advised that his local desired to enter into binding arbitration relative to the employment agreement of May 1, 1971, with Plymouth Township, and also desired a meeting within ten days. Following discussion, Mr. Ash moved that Mr. Donald Morgan, Township Attorney, be requested to serve as the Board's representative in response to the communication. Seconded by Mr. Overholt and carried unanimously.

OLD BUSINESS - Parklane Homes, Inc. Re: Request for reduction of Bond for Parklane Meadows Subdivision No. 1. Following a short discussion, Mr. Burke moved that the Board accept Mr. Bid's recommendation and reduce the bond for Parklane Meadows Subdivision to \$2000. Seconded by Mr. Ash and carried unanimously.

Joseph Gates, Re: Request to extend water main and the use thereof for 9375 McClempa. In his communication, Mr. Gates stated that a critical water problem existed at his home, stating that his 397 foot well did not deliver sufficient for their basic need, thus his request as stated above. Also, Mrs. Heroyan advised the Board that another communication had been received with four signatures requesting the extension of water to McClempa Road. In the discussion that followed, Mr. Hamill gave the status of the present Township water program being studied, stating that the plans had been completed but specifications had not been written. Mrs. Holmes then moved that the Board instruct the engineer to include the extension of water to McClempa Road in his present study for submitted to the Board. Seconded by Mr. Overholt and carried unanimously.

Larry Gault, Re: Extension of Sanitary Sewer west on Territorial Road to Methodist Church property. Following discussion, Mr. Ash moved that the Board request the Township engineer's attempt to obtain the right-of-way for the extension of the sanitary sewer on Territorial Road to the Methodist Church property and prepare plans and specifications for the bid. Seconded by Mr. Overholt and carried unanimously.

Brewster-Hamill and Associates, Inc. Re: Inspection fees increased from \$75 to \$85.00. This matter having come before the Board previously, and the determination having been made that the entire fee structure for the engineer be revised, nevertheless, Mr. Breen suggested that this proposed increase could be acted upon by the Board and any action taken could be incorporated into the contract. Thereupon, Mr. Ash moved that the Board approve an increase from \$75 to \$85 per claim, inspections by the Township Engineer. Seconded by Mr. Overholt and carried unanimously.

Donald Morgan & Ralph Attorney, Re: Amendment to Building Code, relative to fees. Mr. Morgan spoke briefly on this proposed amendment to Ordinance VI and stated that a typographical error on the 4th page, Item (d) which should read: "Temporary permit for parking of trailer catch or camper, fee." Mr. Millington then moved that the Board approve the proposed for amending Ordinance No. VI as submitted with the correction as noted. Seconded by Mrs. Holmes and carried unanimously.

Ordinance XXV known as the swimming pool ordinance. Seconded by Mr. Ash and carried unanimously. **Re: Amendment to Zoning Ordinance No. 27 with regard to fences**. Mrs. Holmes moved that the Board adopt the amendment to Ordinance Number 27, Section 4.12, as submitted by the Township Attorney, and entitled "D." Seconded by Mr. Millington and carried unanimously.

NEW BUSINESS - Mrs. D. B. Beyer, 9216 Tavistock, Re: Residents of Tavistock Rd., requesting relief from traffic. In her communication, Mrs. Beyer recommended the following remedial measures for traffic control on Tavistock: (1) Lowering the speed limit from 25 m.p.h. to 15 m.p.h. (2) Erecting traffic breakers, and (3) The paving of Eckles Road. Mr. James Cuthbert, 8237 Tavistock Dr., came before the Board, stating that he had been delegated to speak to the Board on behalf of the residents of Tavistock Drive. Following a lengthy discussion, he asked the Board's cooperation in getting Eckles Road paved, reduction of the speed limit and installation of breakers. Mr. Breen advised that he had talked to Mr. Harrison of the Road Commission, and had been told that the Road Commission definitely would not install breakers, but availing to install "no left turn signs" on Ann Arbor Road and Tavistock, for westbound traffic, and on Joy Road into Tavistock for eastbound traffic, between the hours of 3 and 6 o'clock. Mr. Cuthbert then quoted from the Board minutes of March 10, 1970, which stated "that the Wayne County Road Commission's budget had been in effect since December 1, 1969, that the project of making Eckles Road a Class A Road was considered by the Board Commission to be less important than a number of projects elsewhere in the county." He asked that the Board help in changing this thinking of the Road Commission, inasmuch as there are 283 children living on Tavistock between Ann Arbor Road and Joy Road. In the discussion, Mrs. Holmes stated that she had met with the Road Commission last year in an effort to get Eckles Road paved, but that the problem seemed to be a matter of priorities as far as the budget, and she would suggest that Mr. Breen, and possibly Mr. Hamill, meet with the Road Commission again, and reiterate the need for the paving, prior to the Road Commission budget hearings and the budget going into effect in December 1971. In concluding this subject matter, Mrs. Holmes moved that the Board forward a request to the Wayne County Road Commission to be placed on their agenda at an early meeting for the purpose of discussing the improving of Eckles Road. Seconded by Mr. Burke and carried unanimously.

David E. Green, Re: Request for additional stop signs in certain locations in Cambridge. In his communication, Mr. Green asked that stop signs be erected at six different locations in their subdivisions. Then, with the use of the map he designated the locations, and stated that the residents of the area would appreciate this and feel their children were better protected. Mr. Ash moved that the request submitted by Mr. Green, representing the Cambridge Homeowners Association, be transmitted to the Wayne County Road Commission. Seconded by Mr. Overholt and carried unanimously.

Frank Millington, Re: Approval to waive special meeting fees for Madeline Holmes. Following Mr. Millington's explanation of this request, Mrs. Holmes moved that the Board approve the special meeting fee for Madeline Holmes before the Board of Appeals, in this case only. Seconded by Mr. Ash and carried unanimously.

James Gignac, Re: Certification to full-time rank of Fire Chief. Mr. Ash moved that Mr. Gignac be certified as full-time rank Fire Chief, having served the six-month probationary period. Seconded by Mrs. Holmes and carried unanimously.

Margene Strubba, 1011 Vaughn, Ann Arbor, Mich. Re: Use of Home on Recreational Property. Following the reading of a communication from Mrs. Strubba, Mr. Burke moved that the Board deny this request and that Mrs. Strubba be so notified. Seconded by Mr. Millington and carried unanimously.

Donald Landi, 622-Duncan, Ann Arbor, Mich. Re: Obtaining House at 6044 Ann Arbor Trail for relocation to another site. (Recreational farm house). There being no objection, it was understood that Mr. Landi could make an offer.

Brewster-Hamill and Associates, Re: Water main approved on E-Mart Shopping Center. Mr. Hamill came before the Board and with the use of maps indicated the area under discussion. He stated that the planning was satisfactory to the fire chief, following which, Mr. Overholt moved that the Board concur in the recommendation of the engineer and approve the plan for water main to serve the E-Mart Shopping Center. Seconded by Mr. Ash and carried unanimously.

Helen Richardson, Re: Authority to transfer assets from contingency account to Board of Review Account to cover salaries of Board of Review Members. Mr. Millington moved that the Board authorize the transfer of monies as requested above. Seconded by Mr. Overholt and carried unanimously.

RESOLUTION - Lagan Control Commission, Re: Request for transfer of ownership from Samuel M. Madoux to Lofy's Arter L.L.B., Inc. Mr. Madoux appeared before the Board, stating that there would be no change in the management of the business, it would continue to be run by him, and in response to a question, he stated that the name Lofy would continue to be used, as it was a well-known name having been used for twenty years, and one that had been purchased at the time the business was purchased. Mr. Holmes then moved that the Plymouth Township Board approve the transfer of ownership from Samuel M. Madoux to Lofy's Arter L.L.B., Inc. Seconded by Mr. Ash and carried unanimously.

Mr. Overholt moved to adjourn the meeting. Seconded by Mr. Millington. Supervisor Breen adjourned the meeting at 11:00 P.M.

Respectfully submitted,
MARY ELLEN KENYON

DON'T MISS IT! — A FABULOUS OBSERVER TOUR

Nine Fun-Filled Days In The Golden West

Saturday — 1st Day
Arrival/Disneyland/Get-Together Cocktail Party:
 The Golden West unfolds to you as you board your scheduled jet flight to Los Angeles, California. High above the Americas your friendly stewardess serves a delicious meal while you gaze out at the wonders below. As we approach Los Angeles we get a panoramic view of this truly magnificent city unfolding beneath us. Upon your arrival you will be met by your California escort, and will be transferred to your hotel near wonderful Disneyland. This evening you will enjoy your first taste of California hospitality at your own champagne cocktail party. Also you will be offered an optional NIGHT CLUB TOUR of some of the favorite Los Angeles night spots.

Sunday — 2nd Day
Disneyland, All Day:
 The wonderful world of the Magic Kingdom of Disneyland is at your footsteps. Here you will enjoy walking along Main Street U.S.A., riding the MONORAIL, GAY 90'S HORSE CARS, and dozens of other rides and exhibits. Your entrance admission is included, plus rides on your choice of thrilling and delightful features in FANTASYLAND, ADVENTURELAND, TOMORROWLAND, FRONTIERLAND, etc. while we are here. Your day here will be an experience you will long remember and cherish.

Monday — 3rd Day
Calico Ghost Town/Las Vegas Here We Come:
 Along with your escort you leave the beautiful coastlines of California as you ride through forests of weird Joshua Trees, desert

cactus and sage to the Old West Ghost Town of CALICO in the foothills of Death Valley. This will be a "fun" stop for shutterbugs and Wild West fans alike, with its reminders of GOLD RUSH days on every side, from false-front saloon to one-room school to wooden sidewalks to hitching posts for prospectors' "jennys." Continuing on, we crest the surrounding mountain range to catch our first glimpse of the breathtaking view of Las Vegas with high-rise hotels, glittering signs and great green golf courses strung along the fabulous "STRIP." A billion candlepower in electricity turn night into day as fun-seekers from all over the world play at casinos that never close and are entertained by extravagant revues and shows featuring the best-known names in show business.

Tuesday and Wednesday — 4th & 5th Days
Las Vegas at Leisure (optional PLAYTIME):

Enjoy the 24-hour city of Las Vegas . . . the Entertainment Capital of the World! The action at the casinos goes 'round the clock, and the lounges and showrooms offer spectacular extravaganzas from Paris, London, New York and Hollywood far into the wee hours every night. Excitement and fun are in the air . . . top talent entertains in the luxurious surroundings everywhere you turn in Fabulous Las Vegas! Daytime offers an endless variety of activities: golfing, riding, swimming, sunning in the warm desert air . . . or just loafing, if you choose. (Optional PLAYTIME tours to night clubs, BOULDER DAM, and the GRAND CANYON are available, too.)

Thursday — 6th Day
Fly to Los Angeles/At Leisure (optional) and Ports O'Call Village:

Today with your escort we begin "FUN" city. Together we fly to Los Angeles, and our splendid hotel. You may relax and enjoy sunning by the pool, or you may wish to take the optional trip to Marineland of the Pacific, the world's largest oceanarium with the largest collection of sea animals. Ports O'Call Village is a shoppers' paradise with bargains galore from the Seven Seas. The Ports O'Call Village combines the grace, charm and warm-hearted hospitality of Early California and Mediterranean seaports.

Friday — 7th Day
Universal Studio Tour and Beverly Hills Tour:
 This morning we board our sightseeing bus to see stars and stuntmen, sets and soundstages as we tour huge Universal Stu-

dios where we ride about the lot in comfortable tram cars watching movies and television shows being made before our very eyes. Costumed celebrities, fascinating excursion into the world of Hollywood make-believe . . . be sure to have plenty of film in your camera. Afterwards we see famous HOLLYWOOD & VINE, GRAUMAN'S CHINESE THEATER where we may match footprints with stars of yesterday and today in the forecourt, and then to FARMERS MARKET, where we will pause and have an opportunity to browse among the colorful stalls and enchanting shops of this popular attraction. From here we will take a "HOMES OF THE STARS" tour through swank BEVERLY HILLS.

Saturday — 8th Day
Leisure — Old Mexico Option:

This is your vacation, and loafing by the pool is perfectly permissible. Today you may wish to sleep late, go anywhere you wish . . . or for those who wish to make the most of their time in the West, we will offer an optional ALL DAY TOUR TO OLD MEXICO visiting lively TIJUANA and CALIENTE RACE TRACK south of the border.

Sunday — 9th Day
Depart for Home:

This morning your escort bids you goodbye as you leave the famous and fabulous GOLDEN WEST, arriving home in plenty of time to relax, and share your adventures with envious friends and neighbors before the day ends . . . and to begin making plans for your next vacation with us. Experience and service are our trademark.
