Dynasty

Three generations of one family in the ministry is unusual these days. One such family is represented in Observerland and the story is in our Church Section.

Action For All

Although the big emphasis is on football, this isn't the only sport getting the attention of Plymouth High School students this fall. Girls' tennis and swimming teams, and boys' cross country and golf squads also will open their schedules this month.

Walk Report Due

Where sidewalks are most needed for the safety of school children in Plymouth Township, and how to pay for them, will be the subject of a report Tuesday at a trustees meeting. A view of the long-standing problem is provided in Bifocals.

Musical Commuter

Wayne Dunlap soon will be leaving Plymouth for a new home near Grand Rapids, but the Plymouth Symphony conductor still will wield the baton for local concerts. Elinor Graham writes of the commuting plans.

Speaking of Bussing

An Observerland minister has some thoughts on the bussing controversy that is tearing at Michigan communities. They're worth reading, and you find them in the Ecumenical Reflections column in our Church Section.

(If you don't happen to have a fifty cent piece and a dime — try two quarters and a couple of nickels, the results will be the same.)

FALL FESTIVAL SPIRIT will come to its climax this weekend and one of the highlights (left) will be Children's Theatre performances Sunday in Central School auditorium. Seen in a skit from "The White Rabbit" are Richard Laible as the dead rabbit, viewed by Pat Cooper, Mary Ellen

James and Liz Crowther. Typifying the festival's feasting aspect is three-year-old Mark Peterson, while Gail Moseley and Loretta McGhee from the NBD office show off their gowns prior to Saturday afternoon's turn-of-the-century costume judging contest. (Observer photos by Bob Woodring)

Booth Tiff Adds Spark To Festival

By FRED DELANO

Plymouth's 16th annual Fall Festival opened Thursday to the biggest first-night throng of all time, but the thousands who were present were blissfully unaware that they had missed a ludicrous sideshow which by itself merited top billing in the entertainment arena.

Before Thursday's first spoonful of sauerkraut had even been served, a summit meeting of the leading lights of the city convened in Kellogg Park to weigh the heart-rending protests from the ladies of the garden club who didn't like the location of the

15 concession booths as they were strung along Main Street.

In their innocence, festival officials had approved a booth plan calling for the stalls to be arrayed on the park's brick perimeter, which just happens to be dotted with name plates designating those public spirited citizens whose contributions of \$100 each had helped make park beautification possible.

The shock suffered by the garden club, which had fostered that beautification, in discovering that the booths conceal those hallowed names caused City Hall to tremble, but the stout-hearted males

who have a majority voice in controlling the festival's destiny held their ground.

Festival President Joe West, Festival Manager Tony Flum, Mayor James McKeon and City Manager Norman Gaffney stood united in their 10 a.m. confrontation at the park with a dozen of the female protestors, led by Mrs. Myrilla Schrader, and true to tradition ruled that the show must go on. The booths stayed as put.

IDEAL WEATHER Thursday night helped bring out the massive crowd which DPW Director Kenneth Vogras said exceeded any other gathering of first-

nighters since Kellogg Park became the festival's focal point years ago.

The Business and Professional Women's Club experienced a virtual sellout of their knackwurst and sauerkraut supplies, and the seating area in front of the bandshell was crammed throughout the evening for a variety of entertainment acts.

Today and Sunday bid fare to see more records smashed as the festival comes to its climax.

On the food front, today's features include the annual pancake feast in the Masonic Temple, sponsored by the Kiwanis Club, followed by the beef rib barbecue in the park

which is put on by the Jaycees.

Sunday the gastric attraction will be the Rotary Club's chicken barbecue, opening at noon.

THE FESTIVAL gained an added lure Friday with the opening of the Antique Mart, which gives 21 dealers display space in Grange Hall and the Community Building, both of them located on Union Street.

At noon today, the arts and crafts show sponsored by the Community Arts Council will get under way in Central Junior High School across from City Hall. It includes the works of more than 40 artisans from throughout Michigan, as well as exhibits by Plymouth students.

Today's pet show is an attraction that seemed likely to bring most of the community's dogs, cats and children into the downtown area, while the judging to determine the best Gay '90s costumes will be conducted at 5 p.m. today at the bandshell.

The Saturday program of free entertainment will run from 2 to 9 p.m. and on Sunday it will be continuous from 1 to 5:30 p.m. Included in the latter segment will be the Banjo Pals, Community Band, American Legion Zouaves from Jackson, Livonia Civic Chorus and the Plymouth High School Band.

Youth Auditions Begin Monday

Auditions for prospective new members of the Plymouth Youth Symphony Orchestra will be held Monday through Thursday this coming week in the music room of Plymouth High School. Former members who will be returning also are expected to audition for chair placement.

Audition sessions under Conductor H. Michael Endres will open at 3:15 p.m. each day on this schedule: Monday, violins and woodwinds; Tuesday, violins and brass; Wednesday, violas and percussion; Thursday, cellos, bass and any others.

Selection will be based upon performance of a prepared solo, etude or technical study, sight reading and major

scales. Results will be posted in all schools prior to the date of the first rehearsal, which is set for Sept. 24.

This is the third concert season for the youth orchestra and Dr. Joseph Jender, who is president of the sponsoring Plymouth Youth Symphony Association, said at least four public concerts will be scheduled. Registration fee for membership is \$10.

Several trips to attend concerts by noted musicians in Hill Auditorium at Ann Arbor will be sponsored by the association for orchestra members. Plans also are being formulated to award at least 12 scholarships to members.

Metropolitan Gov't Not Likely

Mel Ravitz, president of the Detroit Common Council and head of the Southeastern Michigan Council of Governments, has taken a long, hard look into the future and fails to see anything like metropolitan government in the next 50 years.

Speaking at the Community Forum, sponsored by the Plymouth Chamber of Commerce, he stated that he expects the population of the metropolitan region to double its five million people in the next five decades.

"That means," he said, "that we will have to try to do in these five decades what it has taken us more than 200 years to accomplish right now."

"But with all the changes that are sure to happen, there is no chance of metropolitan government — at least from my point of view."

The scholarly official explained that people in the suburbs don't want to move into Detroit and, strange as it may seem, the blacks in Detroit are satisfied to remain in the inner city.

According to Ravitz, blacks envision the time, not too distant, when they will elect a mayor and take a hold on the reins of government with the result that they want no part of the suburbs.

Answering those seers who claim that southeastern Michigan would do well to copy the regional government program now in effect in Toronto, Ontario, Canada, Ravitz said:

"These people overlook the fact that Toronto is in another country that has a much different political philosophy than we do here in America. "If we ever had a prime

minister who would call and tell us that we were in a metropolitan government and make it stick, there'd be a revolution and, perhaps, a real war in Lansing."

As he sees things in the next five decades, Ravitz says that the brightness of our future will depend on our willingness to work together.

"SEMGOG IS NOT a governing body," he stated emphatically. "It is a body set up to help all governmental units in southeastern Michigan — and there are 375 of them — solve their problems."

"We must all join together, along with Canada, to lick environmental pollution. Then there's air pollution, which is not the problem of any one unit, to say nothing of mass transportation."

"These are problems that cannot be solved by any single

MEL RAVITZ

unit. But working together, we can make heavy inroads to all the barriers that now are holding us back."

In conclusion he repeated: "We are going to see many changes in the next 50 years — but metropolitan government will not be one of them."

TRI-CAPTAINS WILL LEAD Plymouth High School's football troops through a nine-game schedule which will open Friday night when the Rocks invade Bloomfield Hills Andover to try and break the latter's 19-game winning streak. Sharing the captaincy are Mike Henry (51), Gary

Close (56) and Carl Herter, shown with head coach Tom Moshimer. The coaching staff includes (left to right) Wayne Sparkman, Jim Muneio, Dick Schryer, Fred Crissey, Paul Cummings and Moshimer. Plymouth's first home game will be Oct. 1. (Observer photos by Doug Johnson)

THROUGH BIFOCALS
By FRED DELANO / Editor: Mail & Observer

PLYMOUTH TOWNSHIP trustees will come to grips Tuesday night in their first formal meeting of September with an issue that has plagued them for several years, and which is becoming increasingly worse as more and more subdivisions keep popping up. The problem is all in one word: Sidewalks.

Countryfolk don't ordinarily consider sidewalks a necessity, and never have been known to hanker for them as ornamental benefits. But when considered strictly for safety reasons in providing young children a chance to walk to their schools free from traffic hazards, then sidewalks take on new rural meaning.

We have several terrible situations in the township where the lives of children are endangered every day as they walk the shoulders of highly traveled speedways to their schools, and, although Our Leaders have been aware of the problem, they have been stumped until now in how to solve it.

Finally, after parents had shouted long enough to bring about some action, we will see a report presented Tuesday by a special committee of three which may now and forevermore provide sidewalks when needed in the township. If it does happen to be voted down, then watch for it to become a major issue in next year's township political campaign.

CLERK HELEN RICHARDSON, Trustee **Gerald Burke** and **Clinton Stroebe** as representatives of

concerned citizens have worked many hours to pull a satisfactory plan together, after a township board of four years ago had found the sidewalk issue too tough to handle.

They are going to propose specific adoption of a sidewalk ordinance, the language of which they sweated over for weeks, and they also are going to suggest geographic priorities where they think sidewalks are needed the most.

You have to understand, of course, that although this whole crisis relates directly to schools, the board of education has no authority to build sidewalks across someone else's property at the board's own expense or yours. However, our city and township governments do have that authority.

In this case, the committee is going to recommend that the financing be solved by a millage levy against every property owner in the township, not just those immediately involved through the accident of their location.

THE HOLLERING AGAINST that will be long and loud, but the general safety and welfare of the populace as a whole dictates this as being a plan preferable to special assessments.

When the cost is spread across all township property, the share each landholder will bear will be a small one, perhaps no more than a quarter of a mill.

The chances are pretty good that Township Hall will be jammed wall to wall Tuesday with those intent upon getting this thing solved. In turn, this would at long last take the school board off the hook in having to provide extra bussing for the little tots who live close enough to their schools to walk - but who can't be permitted that risk.

The word has gone out that opposition to the financing scheme will originate here within the family of trustees, which is unfortunate yet to be expected as typical. The oratory from both sides will be well worth the price of admission.

8th New '71 Home Scheduled

PLYMOUTH garages and one for a single family home.

Thirteen permits for projects worth \$34,910 were issued by the city building department in the month of August, bringing the total construction authorized in Plymouth for the first eight months of the year to \$2.1 million.

August saw the issuance of nine permits for additions or alterations, three for new

The latter kept the 1971 pace exactly at an average of one new home permit a month, the total standing at eight for a combined valuation of \$152,000. No commercial or industrial permits were taken out during the month, but the 10 issued earlier carry value of \$885,000.

Dunlap Farewell Party Stirs Many Memories

BY ELINOR GRAHAM
PLYMOUTH

Reminiscing seemed to be in order last Saturday evening when Jane and Jack Moeble entertained at a dinner party honoring Plymouth Symphony Conductor Wayne Dunlap and his wife, Lenore.

The Dunlaps are leaving Plymouth this month to live near Grand Rapids, where he will head the music department at Grand Valley College.

The outdoor summer concerts at Dr. Pino's farm were recalled, as well as the attic sale at David and Dorothy Wood's farm on Warren Rd. that was held to raise funds for the orchestra.

When discussing the first symphony cookbook, Eleanor Warren said, "I was so busy working on the cookbook, I couldn't find time to cook for my family for two weeks."

Dunlap fostered the string instrument program in the Plymouth school system and many a fledgling musician under his tutelage went on to Interlochen and the senior symphony orchestra.

ONE GUEST told of her daughter's refusal to play one more note on her clarinet when he heard Dunlap was leaving the Plymouth schools to go to Schoolcraft College as director of fine arts.

"Mr. Dunlap was very understanding when I squeaked, he never laughed at me," was the explanation.

Dunlap will continue to conduct the Plymouth orchestra and the question was asked, "How are you going to commute?"

The regular first Wednesday of the month symphony society meetings will be changed to Friday evenings preceding concerts. With a

Saturday rehearsal or a pre-concert Sunday rehearsal, the maestro will be able to cover all three on the one weekend.

MONDAY EVENING rehearsals immediately following concerts will be discontinued. For other

Monday rehearsals both Mr. and Mrs. Dunlap will be in town; she is teaching a ballet class on that evening.

The opening concert of the 1971-72 season is planned for Oct. 17. For the inaugural concert in the new high school auditorium, Schoolcraft composer-in-residence Robert Jones has written a special composition for the occasion. Beethoven's fifth symphony also will be on the program.

CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY ORDINANCE NO. 5

AN ORDINANCE PROVIDING FOR THE ACQUISITION, CONSTRUCTION AND EQUIPPING OF A BUILDING AND IMPROVEMENT OF THE SITE THEREOF, TOGETHER WITH APPURTENANT FACILITIES, BY THE CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY FOR THE USE OF THE CITY OF PLYMOUTH; PROVIDING FOR THE ISSUANCE OF REVENUE BONDS TO DEFRAY THE COST THEREOF; AND PROVIDING FOR OTHER MATTERS RELATIVE TO SAID IMPROVEMENTS AND THE SAID BONDS.

PREAMBLE

WHEREAS, the City of Plymouth Municipal Building Authority (hereinafter referred to as the "Authority"), has been duly incorporated by the City of Plymouth, a public corporation of the State of Michigan, pursuant to the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, for the purpose of acquiring, furnishing, equipping, owning, improving, enlarging, operating and maintaining a building or buildings, or additions to buildings, automobile parking lots and structures, recreational facilities, and the necessary site or sites thereof, together with appurtenant properties and facilities necessary or convenient for the effective use thereof for any legitimate public purpose, of the City of Plymouth; and

WHEREAS, the Authority, pursuant to Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, and its Articles of Incorporation, proposes to acquire, construct and equip a building and acquire and improve the site thereof, together with appurtenant facilities and properties necessary or convenient for the use by the City of Plymouth as a cultural center including a skating rink, meeting rooms and recreation offices, said building to be located on the site described and set forth in the Exhibit A of the hereinafter described lease; and

WHEREAS, the total cost of acquiring, constructing and equipping said building and improving the site thereof is estimated to be the sum of One Million Five Hundred Thousand (\$1,500,000.00) Dollars; and

WHEREAS, the Authority proposes, in accordance with the authorization contained in Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, to provide at this time for the issuance of revenue bonds in the aggregate principal sum of One Million Five Hundred Thousand (\$1,500,000.00) Dollars to finance the cost of acquiring, constructing, equipping and improving said facility as specified in the lease hereinafter described; and

WHEREAS, said Authority and the City of Plymouth have entered into a written lease of said facility and the site thereof, which said lease was approved by the City Commission of the City of Plymouth on August 25th, 1971, is dated August 25th, 1971, and provides for the payment of rentals to the City of Plymouth fully sufficient to pay the principal and interest on the bonds authorized by this Ordinance;

NOW, THEREFORE, THE CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY ORDAINS:

DEFINITIONS

Section 1. Wherever used in this Ordinance or in the preambles hereto or the bonds to be issued hereunder, except where otherwise indicated by the context:

(a) The term "Authority" shall be construed to mean the City of Plymouth Municipal Building Authority organized pursuant to the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended.

(b) The term "City" shall be construed to mean the City of Plymouth, Michigan.

(c) The term "Commission" shall be construed to mean the Commission of the Authority, the legislative and governing body of the Authority.

(d) The term "project" shall be construed to mean the building and the acquisition, construction and equipment thereof and improvement of the site thereof, together with appurtenant facilities and properties as described in the preamble hereto, pursuant to the provisions of this Ordinance and the lease.

(e) The term "lease" shall be construed to mean the lease heretofore made and executed between the Authority and the City, as described in the preamble hereto.

(f) The term "rentals" as used herein shall be construed to mean the fixed annual rentals as provided in the lease to be paid to the Authority by the City. Said term shall be considered to have the same meaning and purport as the term "net revenues" as specified in Section 3 of Act 94, Public Acts of Michigan, 1933, as amended.

DETERMINATION OF NECESSITY

Section 2. It is hereby determined to be necessary and advisable for the Authority to acquire and construct the project, as provided and specified in the lease.

ESTIMATED COST.

PERIOD OF USEFULNESS

Section 3. The total cost of acquiring and constructing said project, which estimated cost is One Million Five Hundred Thousand (\$1,500,000.00) Dollars, is hereby approved and confirmed and the estimated period of usefulness of the project is determined to be not less than forty (40) years.

ISSUANCE OF REVENUE BONDS

Section 4. For the purpose of paying the cost of the project including the payment of architect's fees, legal and financing expenses, and other expenses incidental to the financing, there be borrowed on the credit of the rentals of the project, the sum of One Million Five Hundred Thousand (\$1,500,000.00) Dollars, and that in evidence thereof there be issued the negotiable revenue bonds of the Authority in the principal amount of One Million Five Hundred Thousand (\$1,500,000.00) Dollars, which bonds are sometimes referred to in this Ordinance as the "bonds."

BOND TERMS

Section 5. Said bonds shall be designated CULTURAL CENTER REVENUE BONDS and shall be payable solely out of the rentals to be paid by the City to the Authority pursuant to the provisions of the lease, and shall consist of three hundred (300) bonds of the denomination of \$5,000.00 each, dated as of October 1, 1971, numbered consecutively in direct order of maturity from 1 to 300 and payable serially as follows:

\$50,000.00 October 1st of each of the years from 1972 to 1973, inclusive;

\$40,000.00 October 1st of each of the years 1976, 1977 and 1978;

\$50,000.00 October 1st of each of the years 1979 and 1980;

\$60,000.00 October 1st of each of the years 1981 and 1982;

\$70,000.00 October 1st of each of the years 1983 and 1984;

\$80,000.00 October 1st of each of the years 1985 and 1986;

\$90,000.00 October 1st of each of the years 1987 and 1988;

\$100,000.00 October 1, 1989;

\$110,000.00 October 1st of each of the years 1990 and 1991;

\$120,000.00 October 1st of each of the years 1992 and 1993.

Said bonds shall bear interest at a rate or rates not exceeding eight per cent (8%) per annum, payable on April 1, 1972, and semi-annually thereafter on October 1st and April 1st of each year, both principal and interest to be payable in lawful money of the United States of America at a bank or trust company qualified to act as paying agent, to be designated by the manager of the account purchasing the bonds, who may also designate a co-paying agent having like qualifications.

Bonds maturing in the years 1972 to 1986, inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1986 to 1993, inclusive, shall be subject to redemption prior to maturity, at the option of the Authority, on any interest payment date on or after October 1, 1986, in inverse numerical order, at par and accrued interest to the date fixed for redemption, plus a premium as follows:

3% of the par value of each bond redeemed prior to October 1, 1989;

2% of the par value of each bond redeemed on or after October 1, 1989, but prior to October 1, 1991;

1% of the par value of each bond redeemed on or after October 1, 1991, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notice of sale of

municipal bonds, and in case of registered bonds, thirty days notice shall be given by mail to the registered holder at the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption. Provided funds are on hand with the paying agent to redeem said bonds.

REGISTRATION

Section 6. Said bonds may be registered in the names of the respective holders thereof on books to be kept by the paying agent, as to principal only, such registration being noted by the paying agent on any bond so registered in the registration book printed on the back thereof. After which no transfer shall be valid unless made on said books at the request of the registered holder thereof or attorney duly authorized, and similarly noted in said registration book, but any bond so registered may be discharged from registration by being transferred on said books to bearer, after which it shall be transferable by delivery, and it may be again registered as above. The registration of any such bonds as to principal alone shall not restrain the negotiability of the coupons by delivery merely.

EXECUTION OF BONDS

Section 7. The Chairman, and Secretary of the Commission are hereby authorized and directed to execute said bonds when issued and sold for and on behalf of the Authority, the seal of the Authority shall be affixed thereto by the Secretary of the Commission and the Chairman of the Commission is hereby authorized and directed to execute the interest coupons to be attached to said bonds by causing his facsimile signature to be affixed thereto. Upon the execution of said bonds and the attached coupons, the same shall be delivered to the Treasurer of the Commission or such other officer as shall be designated by the Commission, who is hereby authorized and directed to deliver said bonds and attached coupons to the purchaser thereof as hereinafter determined by the Commission, upon receipt of the purchase price thereof.

SECURITY FOR BONDS

Section 8. The bonds are issued in anticipation of the payment of the rentals which are contractual obligations of the City pursuant to the lease. Said bonds and the attached coupons shall not be a general obligation or indebtedness of the Authority, but shall be payable solely from the rentals received by the Authority pursuant to the lease. To secure such payment, all of such rentals are hereby pledged solely and only for the payment of the bonds, and a statutory first lien is established against such rentals for such purpose.

REMEDIES OF BONDHOLDERS

Section 9. The holder or holders of said bonds or coupons representing in the aggregate not less than twenty per cent (20%) of the entire issue then outstanding may, either at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce the lien upon the rentals of the project, and may, by suit, action, mandamus or other proceedings, enforce and compel performance of all duties of the Authority, or its officers, including the collection of rentals, the proper segregation and application thereof as required by this Ordinance, and all other duties required to be performed by the Authority pursuant to the lease and this Ordinance.

If there be any default in the payment of the principal or of interest upon any of said bonds, any court having jurisdiction in any proper action may appoint a receiver to administer and operate said project on behalf of the Authority, and under the direction of said court, and by and with the approval of said court, to perform all of the duties of the Authority and its officers more particularly set forth in the lease, this Ordinance and in Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, and in Act 94, Public Acts of Michigan, 1933, as amended.

OPERATION OF PROJECT

Section 10. Pursuant to the terms of the lease the operation, maintenance and management of the project shall be the obligation of the City.

OPERATING YEARS

Section 11. The project shall be operated on the basis of a fiscal year commencing July 1st of each year and ending on June 30th of each year.

RATES

Section 12. The rentals provided by the lease are hereby established and fixed as the rates to be charged to the City for the use of the project. Such rentals are estimated to be sufficient to provide for the payment of the interest upon and the principal of all the bonds as and when the same become due and payable. Such rentals shall not be reduced, except as provided in the lease, until such time as all bonds and the interest thereon are paid in full, or sufficient funds for their payment in full have been accumulated. Such rentals shall be increased by the Authority, as provided in the lease, if necessary to meet its obligations on the bonds.

ACCOUNTS

Section 13. The rentals paid to the Authority shall be deposited, as received, into a separate depository account to be kept with a bank, insured by the Federal Deposit Insurance Corporation, located in or having a branch in the County of Wayne, Michigan, to be designated by resolution of the Authority, said account to be designated CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY CULTURAL CENTER REVENUE BONDS RECEIVING FUND (hereinafter referred to as the "Receiving Fund"). The moneys from time to time in the Receiving Fund shall be transferred periodically in the manner herein provided.

(A) **BOND AND INTEREST REDEMPTION FUND**
There shall be established and maintained a separate depository account designated BOND AND INTEREST REDEMPTION FUND, the moneys on deposit therein to be used solely and only for the purpose of paying the principal of and interest on the bonds hereby authorized. The moneys in said Bond and Interest Redemption Fund shall be kept on hand with the bank or trust company where the principal of and interest on the bonds herein authorized are currently payable.

There shall be set aside into said fund, from moneys in the Receiving Fund, on or prior to March 15th, 1972, and on or prior to March 15th of each year thereafter sums fully sufficient to pay interest on the bonds due the next succeeding April 1st, and on or prior to September 15th, 1972, and on or prior to September 15th of each year thereafter sums fully sufficient to pay the principal and interest on the bonds due the next succeeding October 1st.

(B) **DEBT SERVICE RESERVE ACCOUNT**
Any moneys remaining in the Receiving Fund at the end of any fiscal year after meeting the current principal and interest requirements on the bonds for such year as provided in subparagraph (A) of this section, shall be allocated and set aside on the books and records of the Authority as a DEBT SERVICE RESERVE ACCOUNT, the moneys from time to time in said account to be applied and used for the payment of the principal of and interest on the bonds as to which there would otherwise be default. From and after October 1, 1985, any moneys in said account may, at the option of the Authority, be used and applied to redeem bonds prior to maturity, or purchase prior to maturity at not less than the highest call price then permitted and cancel such repurchased bonds. Moneys remaining in said account shall finally be applied to the payment of the principal of and interest on the bonds last maturing.

REVENUE BOND ACT

Section 14. It is the intent and purpose of the Authority, pursuant to the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, to authorize and issue the bonds subject to the provisions of Act 94, Public Acts of Michigan, 1933, as amended, or such of the provisions of that Act as can be applied to the type of issue here involved. The lease provides that the total collection of the City, as lessee, and thus the rentals provided in the lease are not to the Authority and pledged solely for debt retirement represented by this bond issue. Thus no Authority operation and maintenance fund is established, as there would be no revenues allocable thereto. The Authority therefore determines that the plan and procedure herein followed complies with all substantive provisions of Act 94, Public Acts of Michigan, 1933, as amended, in that operation and maintenance of the project is fully contracted for, and maximum security for the bonds is provided by a pledge of all of the rentals established in the lease.

Section 15. The proceeds of sale of the bonds herein authorized, except for accrued interest and premium, if any, shall be deposited in an account with a bank, insured by the Federal Deposit Insurance Corporation, located in or having a branch in the County of Wayne, Michigan, to be designated by resolution of the Authority, said account to be designated CULTURAL CENTER BUILDING CONSTRUCTION FUND (hereinafter referred to as the "Construction Fund"). Accrued interest and premium, if any, received upon delivery of

the bonds shall be deposited into the Bond and Interest Redemption Fund. The moneys in the Construction Fund shall be used solely and only to pay costs of acquisition of the project including architect's fees and any legal, financial or other expenses incident thereto, in accordance with the provisions of the lease. If any moneys remain in said fund after payment of all of such costs, such moneys shall be used as provided in Section 17 of this Ordinance.

INVESTMENT OF FUNDS.

Section 16. Moneys in the funds and accounts established by this Ordinance may be invested in the United States government obligations, subject to the provisions of Act 94, Public Acts of Michigan, 1933, as amended. In the event of such investments made, the securities representing the same shall be kept on deposit with the depository or depositories of the fund or funds from which such investments were made. Income or profits from investments, or interest received on bank deposits, shall remain a part of the funds from which the investments or deposits were made.

SURPLUS BOND SALE PROCEEDS

Section 17. Any unexpended balance of the proceeds of sale of the bonds remaining in the Construction Fund after completion of the project, may, at the option of the Authority and the City, expressed by appropriate resolution of their respective governing bodies, and to the extent of not exceeding fifteen per cent (15%) of the principal amount of bonds issued pursuant to this Ordinance, be used for additions and improvements to the project, provided that at the time of such expenditures, such use be also approved by the Municipal Finance Commission. Any remaining balance after such expenditure, or, if expenditure for such purpose is not made, the entire balance shall be paid into the Bond and Interest Redemption Fund and shall be used for the redemption of callable bonds, or prior to the first call date only, purchasing bonds of this issue on the open market at not more than the first call price thereof. Any bonds so acquired by redemption or purchase shall be cancelled and shall not be re-issued.

COVENANTS OF AUTHORITY

Section 18. The Authority covenants and agrees with the successive holders of the bonds and coupons that so long as any of the bonds remain outstanding and unpaid as to either principal or interest—

(a) The Authority shall punctually perform all of its obligations and duties under this Ordinance and the lease herein set forth, and will collect, segregate and apply the rentals and payments in the manner required under this Ordinance and the lease.

(b) The Authority will maintain and keep proper books of record and account relating to the operation of the project and the rentals and payments received therefrom pursuant to the lease. Not later than three (3) months after the close of each operating year, the Commission will cause to be prepared a statement, in reasonable detail, sworn to by its chief accounting officer, showing the cash receipts and disbursements during such operating year, the assets and liabilities of the project at the beginning and close of the operating year, and such other information as may be necessary to enable any taxpayer or any holder or owner of the bonds, or anyone acting in their behalf, to be fully informed as to all matters pertaining to the financial operation of the project during such year. A certified copy of said statement shall be filed with the City Clerk of the City and the Municipal Finance Commission, and a copy shall also be sent to the manager or managers of the account purchasing the bonds. The Commission shall also cause an annual audit of such books of record and account for the preceding operating year to be made by a recognized independent certified public accountant, and shall mail such audit to the manager of the syndicate or account purchasing the bonds. At the option of the Authority the aforesaid audit may be submitted in place of the aforesaid report required above.

(c) The Authority will not sell or otherwise dispose of the project until all of the bonds have been paid in full, both as to principal and interest, and will not do or suffer to be done any act which would affect the project in such a way as to impair or affect unfavorably the security of the bonds.

ADDITIONAL PROJECTS

Section 19. Nothing contained in this Ordinance shall be construed to prevent the Authority from issuing revenue bonds to finance the construction of additions to the project or any new buildings or projects within the scope of its corporate powers, but said bonds shall be payable out of, and have a first lien only on, the net revenues or annual rentals for space in such new projects or buildings and shall in no way have any lien on or be payable out of any of the rentals pledged to the payment of the bonds of this authorized issue, or any additional bonds issued to complete the project pursuant to the authorization provided in the lease and this Ordinance.

ADDITIONAL BONDS

Section 20. The right is reserved in the Authority to issue additional bonds on a parity with the bonds of this authorized issue for the completion of the project in the event the funds realized from the sale of the bonds herein authorized are insufficient therefor, but such additional bonds shall be authorized or issued only upon compliance with the following conditions:

(a) A certificate is executed by the architect in charge of construction, evidencing the fact that additional funds are needed to complete the project in accordance with the plans and specifications, and specifying the amount of money needed therefor. Said certificate shall be filed with the Secretary of the Commission and a copy thereof shall be filed with the City Clerk.

(b) A supplement or amendment to the lease is entered into between the Authority and the City providing for the payment by the City of sufficient additional fixed annual rentals to meet the annual principal and interest requirements on the bonds then to be issued.

CONTRACT WITH BONDHOLDERS

Section 21. The provisions of this Ordinance, together with the lease herein referred to, shall constitute a contract between the Authority and the holder or holders of the bonds from time to time, and after the issuance of any of such bonds, no change, variation or alteration of the provisions of this Ordinance or the lease may be made which would lessen the security for the bonds. The provisions of this Ordinance and the lease shall be enforceable by appropriate proceedings taken by such holder or holders, either at law or in equity.

BOND FORM

Section 22. Said bonds and coupons shall be in substantially the following form:

UNITED STATES OF AMERICA

STATE OF MICHIGAN

COUNTY OF WAYNE

CITY OF PLYMOUTH

MUNICIPAL BUILDING AUTHORITY

CULTURAL CENTER REVENUE BOND

No. _____ \$5,000.00

KNOW ALL MEN BY THESE PRESENTS THAT CITY OF PLYMOUTH MUNICIPAL BUILDING AUTHORITY, a public corporation of the State of Michigan, for value received, hereby promises to pay the bearer hereof, or if registered, to the registered holder, the sum of

FIVE THOUSAND DOLLARS

on the first day of October, A.D. 19____, with interest thereon from the date hereof until paid at the rate of _____ per cent (____%) per annum, payable on April 1, 1972, and semi-annually thereafter on the first day of October and April of each year, upon presentation and surrender of the proper interest coupons hereto annexed as they severally become due. Both principal of and interest on this bond are payable in lawful money of the United States of America at _____, or, at the option of the holder, at _____.

The bonds of this issue are payable solely from the proceeds of rentals to be paid by the City of Plymouth, Michigan, pursuant to a certain lease dated _____ 1971, between said governmental unit and the City of Plymouth Municipal Building Authority, whereby said City has leased a building and the site therefor and appurtenant properties and facilities to be acquired, constructed and equipped by said Authority in the City of Plymouth, Michigan, in accordance with the provisions of Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended. The City of Plymouth Municipal Building Authority has irrevocably pledged to the payment of the bonds the rentals chargeable to the City, as set forth in said lease; the total of said rentals being sufficient in amount to pay promptly, when due, the principal of and interest on the bonds of this issue.

This bond is one of a total authorized issue of three hundred (300) bonds of even date and like tenor, except

as to rate of interest and date of maturity, aggregating the principal sum of \$1,500,000.00, and being consecutively in direct order of maturity from 1 to 300, inclusive, issued under and in full compliance with the Constitution and statutes of the State of Michigan, including specifically Act 31, Public Acts of Michigan, 1948 (First Extra Session), as amended, and pursuant to Ordinance No. _____ duly adopted by the Commission of the City of Plymouth Municipal Building Authority on _____ 1971, for the purpose of

paying the cost of acquiring, constructing and equipping a building and improving the site thereof, together with appurtenant facilities and properties necessary or convenient for use as a cultural center including a skating rink, meeting rooms and recreation offices for the use of the City of Plymouth. For a complete statement of the revenues from which and the conditions under which this bond is payable, and the general covenants and provisions pursuant to which this bond is issued, reference is made to the above-described Ordinance.

Bonds maturing in the years 1972 to 1986, inclusive, shall not be subject to redemption prior to maturity.

Bonds maturing in the years 1986 to 1993, inclusive, shall be subject to redemption prior to maturity, at the option of the Authority, on any interest payment date on or after October 1, 1986, in inverse numerical order, at par and accrued interest to the date fixed for redemption, plus a premium as follows:

3% of the par value of each bond redeemed prior to October 1, 1989;

2% of the par value of each bond redeemed on or after October 1, 1989, but prior to October 1, 1991;

1% of the par value of each bond redeemed on or after October 1, 1991, but prior to maturity.

Thirty days notice of the call of any bonds for redemption shall be given by publication in a newspaper or publication circulated in the State of Michigan which carries, as part of its regular service, notice of sale of municipal bonds, and in case of registered bonds, thirty days notice shall be given by mail to the registered holder at the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

This bond is a self-liquidating bond and it is not a general obligation of the City of Plymouth Municipal Building Authority, and does not constitute an indebtedness of said Authority within any constitutional or statutory limitation, but is payable, both as to principal and interest, solely from the rentals required to be paid by the City of Plymouth, to the Authority, in accordance with the terms of the lease herein mentioned. The principal of and interest on this bond are secured by the irrevocable pledge of all said rentals and a statutory first lien thereon has been created by the bond-authorizing Ordinance.

The City of Plymouth Municipal Building Authority covenants and agrees to fix and maintain at all times while any of said bonds are outstanding, such rentals to the City, in accordance with the terms of the lease, as shall be sufficient to provide for payment of the interest upon the principal of all such bonds, as and when the same become due and payable.

This bond may be registered as to principal only in the name of the holder on the books of the paying agent, and such registration noted on the back hereof by said paying agent, after which no transfer shall be valid unless made on the books and noted hereon in like manner, but transferability by delivery may be restored by registration to bearer. Such registration shall not affect the negotiability of the interest coupons.

IT IS HEREBY CERTIFIED AND RECITED, that all acts, conditions and things required by law precedent to and in the issuance of this bond and the series of bonds of which this is one have been done and performed in regular and due time and form as required by law.

IN WITNESS WHEREOF, the City of Plymouth Municipal Building Authority by its Commission, has caused this bond to be signed in its name by the Chairman and Secretary of said Commission and its corporate seal to be hereunto affixed and has caused the annexed interest coupons to be executed by the facsimile signature of the Chairman of said Commission, all as of the first day of October, A.D. 1971.

500-Home Subdivision Plan OK'd

CANTON TOWNSHIP
Canton Township planners have recommended approval of Windsor Park No. 2 to the township board after learning that the developer followed the suggestions about a park relocation.

Located in the Warren-Sheldon Rds. area, the second phase of the development will

offer 500 new single family homes.

But before okaying the plans, the commission through its planner, Michael Manore, requested the developer to move the park to closer proximity to the residents who will be using it, as well as paying for it.

The park site will provide

passive recreation space for proposed subdivisions four and five, augmenting a similar site for the three previously built subdivisions that will have clubhouse and swimming pool facilities. A nearby school playground will offer space for more active sports, it was disclosed at the planning commission meeting.

The Stroller... Festival Helps Charity

If someone should walk up to you Sunday afternoon in Kellogg Park while you are enjoying your barbecued chicken, pat you on the back, and say, "Thanks for helping to teach the youngsters in the community that milk comes from cows and not cardboard containers," don't cast a skeptical eye at him.

Or, if the same chap says, "I'm glad to see that you are helping to beautify the city," he won't simply mean that your personal beauty is adding to the picture.

You see, both of these things are facts and help to make of the annual Fall Festival one of the outstanding charity events in the area.

Well, what has this got to do with cows and milk and cardboard cartons?

It all came about when the Plymouth School District purchased the old farm and the acreage at Joy Road and

Canton Center, feeling that the operation of the farm could be a great thing for the students and could well be made part of their education.

At the time Supt. James Rossman, who was an enthusiastic booster of the farm plan, remarked, "I'm not sure that all of our students know milk comes from cows - and this would be a good time to show them."

HIS REMARK didn't fall on deaf ears. It came to the attention of the Plymouth Rotary Club and it wasn't long before the Rotarians agreed to underwrite the operations of the farm for five years.

"We had been looking for some good project for a long time," Kal Jabara, a member of the Rotary board, explained, "and this looked like something worthwhile. And we can use the profits from the chicken barbecue."

So, while you are feasting on the chicken and the succulent corn with the butter dripping from your chin, you'll be helping to operate the school farm, a novel education program in the city schools.

And adding to the beauty of the city?

This had its inception on the part of the Rotary Club several years ago when it donated the fountain as the picturesque centerpiece in Kellogg Park.

These are just two of the many examples of charity that are offshoots of the Fall Festival.

toward scholarships. And the Jaycees have aided the area's youth.

And so, as down the line. Every activity at the Fall Festival is pointed toward some charitable venture.

OF COURSE, they never lose of the fact that Kellogg Park needs help, too.

So, on the theory that some of the profits should be returned to its source, these same groups and the Garden Club combine their efforts to make Kellogg Park an asset of which any city could be proud.

This is what makes the Plymouth Fall Festival an affair with a real meaning - and purpose.

There's nothing else like it in the state.

PLYMOUTH COMMUNITY SCHOOL DISTRICT Plymouth, Michigan BOARD OF EDUCATION MINUTES

A regular meeting of the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held on Monday evening, August 9, 1971, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, Michigan, beginning at 8:00 p.m.

The meeting was called to order by President Husing at 8:04 p.m. Present: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Absent: None.

Administrators present: Asst. Supt. Blunk, Gibson and Hoben; Personnel Director Koe, Asst. Dir. Strubbe; Principals Brown and Butenna; and Asst. Principal Fitzpatrick. Others present: James Spence, Ken Wright, Milton Neal - Plumbing & Heating Contractors; R. E. Jacques, Eastern Michigan University; Raymond & Shirley Kenyon; Ray Tuer, O'Dell, Hewlett & Luckenbach, Inc.; and Kathy Moran, Plymouth Mail & Observer.

President Husing announced the opening of bids for the Air Cooling of Plymouth High School and for the F.M. Radio Tower. Secretary Sick opened and publicly read the bids received. (See attached bid summary). President Husing referred all bids to the Architect, O'Dell, Hewlett & Luckenbach, Inc., for analysis and announced a special meeting of the Board to be held on Thursday evening, August 12, 1971, at 8:00 p.m. for the purpose of awarding the contract for Plymouth High School Air Cooling and F.M. Radio Tower. A request was made to contractors to state more specifically a date for completion of the job.

It was moved by Member Lawton and seconded by Member Graves that the minutes of the regular meetings held July 12 and July 27, 1971, and the special meeting held July 29 and July 31, 1971, be approved with the following changes in the minutes of July 27, 1971:

Page 1, last paragraph: change "sampling" to "selection."
Page 2, second paragraph: change "sampling" to "selection."
Page 3, last paragraph: change "May 14, 1971" to "January 26, 1971."

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

A letter was presented from Eastern Michigan University, Richard E. Jacques, Program Director for F.M. Station WEMU, requesting cooperation of the Board in expanding the operating of WEMU to all southeastern Michigan areas. Mr. Jacques was present to explain the complexities of such a change and that it would involve a change in frequency of the new Plymouth station. He expressed the opinion that an application to modify frequency could be made over a two-year period, with operation on the assigned channel up to that time.

President Husing requested that a ruling be obtained from consultant John X. Browne on whether the information in the report was correct and that the University of Michigan be contacted to determine whether the change would interfere with their 10-watt educational station. The matter was deferred to the special meeting scheduled for August 12, 1971, at which time a decision could be made.

The Superintendent's Report to the Board of Education was received. It was the consensus that no action be taken on a suggestion to rewrite Policy No. 1500, Addendum No. 1. The Superintendent also reported a meeting with Plymouth Township Trustee Gerald Burke regarding sidewalks, etc., to provide a safe path for children to walk to and from school. The Board felt that it should function in any way possible to help with playing routes, etc., but make no commitment on sharing costs at the present time.

It was moved by Member Lawton and seconded by Member Husing that any decisions to be made in the transportation program stay in the Business Division of the School District.

Ayes: Members Graves, Husing, Lawton, Ohno and Penar. Nays: Member Sick. The motion was carried.

It was suggested by Member Lawton that the proposed Procedure No. 1502.4 "Superintendent - Policy and Procedure Distribution" be referred to the Policy and Procedures Committee for review and the procedure then be considered at the August 31 meeting of the Board.

The Superintendent also reported in writing on the matter of federal funding under the National Science Foundation possibly becoming available for about fifteen secondary teachers to work with Michigan State University for in-service education in the field of environmental and conservation education. It was felt that such consideration should be deferred to a time when an application has been submitted.

It was moved by Member Lawton and seconded by Member Graves to table the matter of federal funding under the National Science Foundation.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

Assistant Superintendent Hoben presented copies of a report from the Michigan Educational Assessment Program which was given to all 8th and 7th grade students throughout the State. Individual norms will be given to all building principals and an effort made to meet the individual needs of each school as shown by the testing results. He reported that the testing program will be extended to the 10th grade during the next school year. Member Graves requested a copy of the detailed reports for further study.

Assistant Superintendent Hoben reported on the survey of parents made to determine feelings about the Plymouth High School Band Trip to Mississippi: 77 returns, 75 for the trip, 2 against the trip; 9 no responses - for an 87% approval by parents.

It was moved by Member Lawton and seconded by Member Ohno that the Board approve the band trip with the stipulation that in the future more emphasis be placed on all parents returning the surveys so that at least 90% approval can be attained.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

A proposed plan for parking permit fee was presented by Assistant Superintendent Hoben. High School Administrators Brown, Butenna and Fitzpatrick were in attendance to answer questions of the Board. The proposal would institute two plans which students who desire to drive to school could choose: (1) Annual parking, \$12 per school year; or (2) Temporary parking, \$2.00 plus 10 cents per day.

It was moved by Member Husing and seconded by Member Graves that the proposal and form for student parking application be approved as presented.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

Mr. Hoben presented a proposal changing the starting time at Plymouth High School to 7:30 a.m., with dismissal at 2:34 p.m. and teachers committed to 2:54 p.m. The modular scheduling program makes the change necessary.

It was moved by Member Penar and seconded by Member Ohno to change the starting time for Plymouth High School to 7:30 a.m.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: Member Husing. The motion was carried.

Mr. Hoben explained a plan for Orientation Days for 10th, 11th and 12th grade students to be held on September 1, 2 and 3. Identification cards and schedules would be distributed. He requested permission to schedule a shuttle bus from downtown Plymouth, with publicity in the newspaper as to time and place. Attendance would be on a voluntary basis. Member Graves suggested that in future years a plan of student registration days such as at colleges could be established.

It was moved by Member Husing and seconded by Member Graves that Orientation Days on September 1, 2 and 3 be set up as proposed.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

A plan to modify the grading periods for the high school to four grading periods per year, instead of six, was submitted by Assistant Supt. Hoben. Hoben suggested that the plan be made to provide for any deficient students and all teachers would then record all grades at 10-week periods.

Operating Fund (Bills for Payment):	Vouchers 14128 to 14238, incl.	\$34,753.95
Operating Bills (Prepaid):	Vouchers 14125, 14126, 14127, 14239 to 14246, incl.	21,948.36
Revolving Fund (Bills for Payment):	Vouchers 2274 to 2305, incl.	3,189.57
Revolving Fund (Prepaid Bills):	Vouchers 2241 to 2272, incl., and 2274	8,913.55
Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick.		
Nays: None.		
The motion was carried.		

It was moved by Member Husing and seconded by Member Lawton the following Building and Site Fund bills be approved as presented (including a payment on Plymouth High School construction to J.A. Ferguson Company in the amount of \$221,500.11, to bring the retainer down to 2-1/2% and balance on the contract to then be \$256,548.12):		
Bldg. & Site Fund No. 2	Voucher 652	\$ 27.02
Bldg. & Site Fund No. 3	Vouchers 324 to 328, incl.	368,021.73
Bldg. & Site Fund No. 1	Voucher 694	3.00
Bldg. & Site Fund No. 2	Voucher 653 to 686, incl.	253,115.14
Bldg. & Site Fund No. 3	Voucher 330 to 342, incl.	288,503.85
Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick.		
Nays: None.		

The motion was carried.

A report of Investments of Plymouth Community School District, July 31, 1971, and a report on Cash Statement - Operating Fund, July 1, 1970 to July 1, 1971 were received and placed on file.

A review of the Business-Finance Division activities was presented to the Board by Mr. Blunk. President Husing thanked him for the report and its contents and felt that the Central School should be commended for its part in the receipt of a Community Service Award from the Plymouth State Home and Training School for its July 4th Parade arrangements for children from the School as reported by Mr. Blunk.

A request was received from the Revival Tabernacle to lease the multipurpose room at Tanger Elementary School each Sunday for a period of 2.5 hours. The matter was deferred until more information was obtained from the Minister.

It was moved by Member Lawton and seconded by Member Sick that renovation of Geer School be approved, as proposed, with an estimated cost of \$7,444.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

A Facilities Report dated August 3, 1971, was received from Supervisor of New Construction Ralph Goble. The matter of possible change in the rubber track installation at Canton High School should have further investigation. Mr. Blunk reported that he was hopeful that all contract services would be completed for renovations as of Saturday, August 14, allowing conditions to get schools ready for opening. The Board requested that a check-off list and punch list which had been requested of the Architect by Mr. Blunk for the Plymouth High School be extended to include all 48 items as reported in the newspaper and that status report be given to the Board as soon as feasible.

The matter of wording for a plaque for Plymouth High School as requested by the Architect was tabled.

It was moved by Member Husing and seconded by Member Graves that contracts be approved for the following seven teachers:

Mrs. Luan Brownlee	Elementary	Allen Elementary
Mrs. A. Janet Gharthy	Half-time Voc. Ed.	
Miss Carol Holmes	Health Service	Plymouth High
Miss Janice Hutchins	Elementary	Gallimore
Mrs. Edith Jones	Half-time Phys. Ed.	Plymouth High
Antonio Lonigro	Social Worker	District
Mrs. Sandra Whitten	Spanish	Plymouth High
	Seventh Grade	East Middle School
Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick.		
Nays: None.		
The motion was carried.		

It was moved by Member Husing and seconded by Member Penar that the following resignations be accepted:

Otto W. Bufe	Fifth Grade	Gallimore Elementary
Carol Lorenz	First Grade	Gallimore Elementary
Maureen Mitchell	Business Education	Plymouth High
Margaret Waterhouse	Third Grade	Allen Elementary
Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick.		
Nays: None.		
The motion was carried.		

A consideration of Administrative Salary Guide for 1971-72 was accepted as information for further discussion at the next meeting of the Board.

Mr. Gibson reported that no decisions had been reached on the naming of the high schools but that a policy and procedure would be written by August 31, 1971, on the naming of all schools in the District. He also reported that he had reached an agreement with Mr. DeLano of the Plymouth Mail & Observer that as much space as is available for articles of public interest from the School District will be provided.

Orientation meetings for new teachers will be held on September 1 and 2. It was moved by Member Husing and seconded by Member Graves that a salary schedule for cafeteria employees as recommended by the Chief Negotiator and by Assistant Supt. Blunk be approved.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

President Husing requested that the Secretary advertise cancellation of the Board's regular meeting of August 24, 1971, and announce a special meeting to be held on August 31, 1971, at 8:00 p.m.

Completion of Plymouth High School had been discussed with the Supervisor of the J.A. Ferguson Company and Assistant Supt. Blunk will report at the next meeting.

The Budget for 1971-72 will be ready for presentation on August 31 and Mr. Blunk reported that under a new law the millage can now be set later than September 1.

It was moved by Member Husing and seconded by Member Penar that the recommendation for adoption of Curriculum Coordinating Committee's proposals for the school year 1971-72 as presented by Mr. Hoben on July 8, 1971, be approved as follows:

been received from the bonding company to a letter sent by registered mail.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick.

Nays: None.

The motion was carried.

It was requested by the Board that the small partition at the back of the Central Administration Board Room be removed.

President Husing urged that Board members read with care the information distributed on the Schoolcraft College election to be held on September 13, and also urged a "yes" vote for Millage to continue the good work which has been accomplished by the College.

It was moved by Member Husing and seconded by Member Graves that the matter of the Central Administration Building Floor be called to the attention of the School District Attorney for action since no reply had been received from the bonding company to a letter sent by registered mail.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

It was requested by the Board that the small partition at the back of the Central Administration Board Room be removed.

President Husing urged that Board members read with care the informative distributed on the Schoolcraft College election to be held on September 13, and also urged a "yes" vote for millage to continue the good work which has been accomplished by the College.

President Husing appointed the following delegates to the Fall Conference of the Michigan School Board Association to be held at Cobo Hall on September 17-19, 1971:

Delegates: Members Husing, Penar, Graves and Husing.
Alternates: Members Sick, Ohno and Lawton

It was moved by Member Husing and seconded by Member Graves that the meeting be adjourned at 10:45 p.m.

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

The meeting adjourned at 10:45 p.m.

Respectfully submitted,

PLYMOUTH COMMUNITY SCHOOL DISTRICT Plymouth, Michigan BOARD OF EDUCATION MINUTES

A special meeting of the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held on Thursday evening, August 12, 1971, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, Michigan, beginning at 8:00 p.m.

The meeting was called to order by Vice President Husing at 8:02 p.m. Present: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Absent: Member Husing.

Administrators present: Assistant Superintendents Blunk, Gibson and Hoben. Others present: Ray Tuer, O'Dell, Hewlett & Luckenbach, Inc., Richard Jacques, Eastern Michigan University; and Fred Delano, Plymouth Mail & Observer.

Vice President Husing asked Mr. Tuer, Representative of the Architect, to speak regarding the Architect's recommendation on the bids submitted August 9, 1971, for Air Conditioning and Radio Tower for Plymouth High School No. 2, Job No. 68-81AC. Mr. Tuer distributed copies of a letter submitted to Melvin Blunk which reviewed bids and clarified several items which had been questioned.

It was moved by Member Husing and seconded by Member Graves to approve the recommendations of the Architect to accept the bid of Mechanical Heat and Cold, Inc., Detroit, in the amount of \$300,500.00 which will provide air conditioning of all areas of Units "B", "C" and "D" with the exception of the kitchens, store rooms, locker rooms, shower rooms, auxiliary gymnasiums and similar areas, and the make-up air to the shops and kitchens; to include air conditioning of the gymnasium and automatic controls for all equipment. The contract provides also for the installation of the radio tower and junction box for same.

Discussion followed on the feasibility of ordering the job at the present time and on the approximate costs involved in future projects under the Building and Site Funds. Mr. Blunk was asked to provide a report projecting expenses from the Building and Site Fund as his time would permit. Completion of the Vocational Wing for Canton High School was considered to be a factor in letting bids for the project. Mr. Tuer expressed the need for an automatic control system as opposed to a manual system and recommended automatic controls. The vote was called.

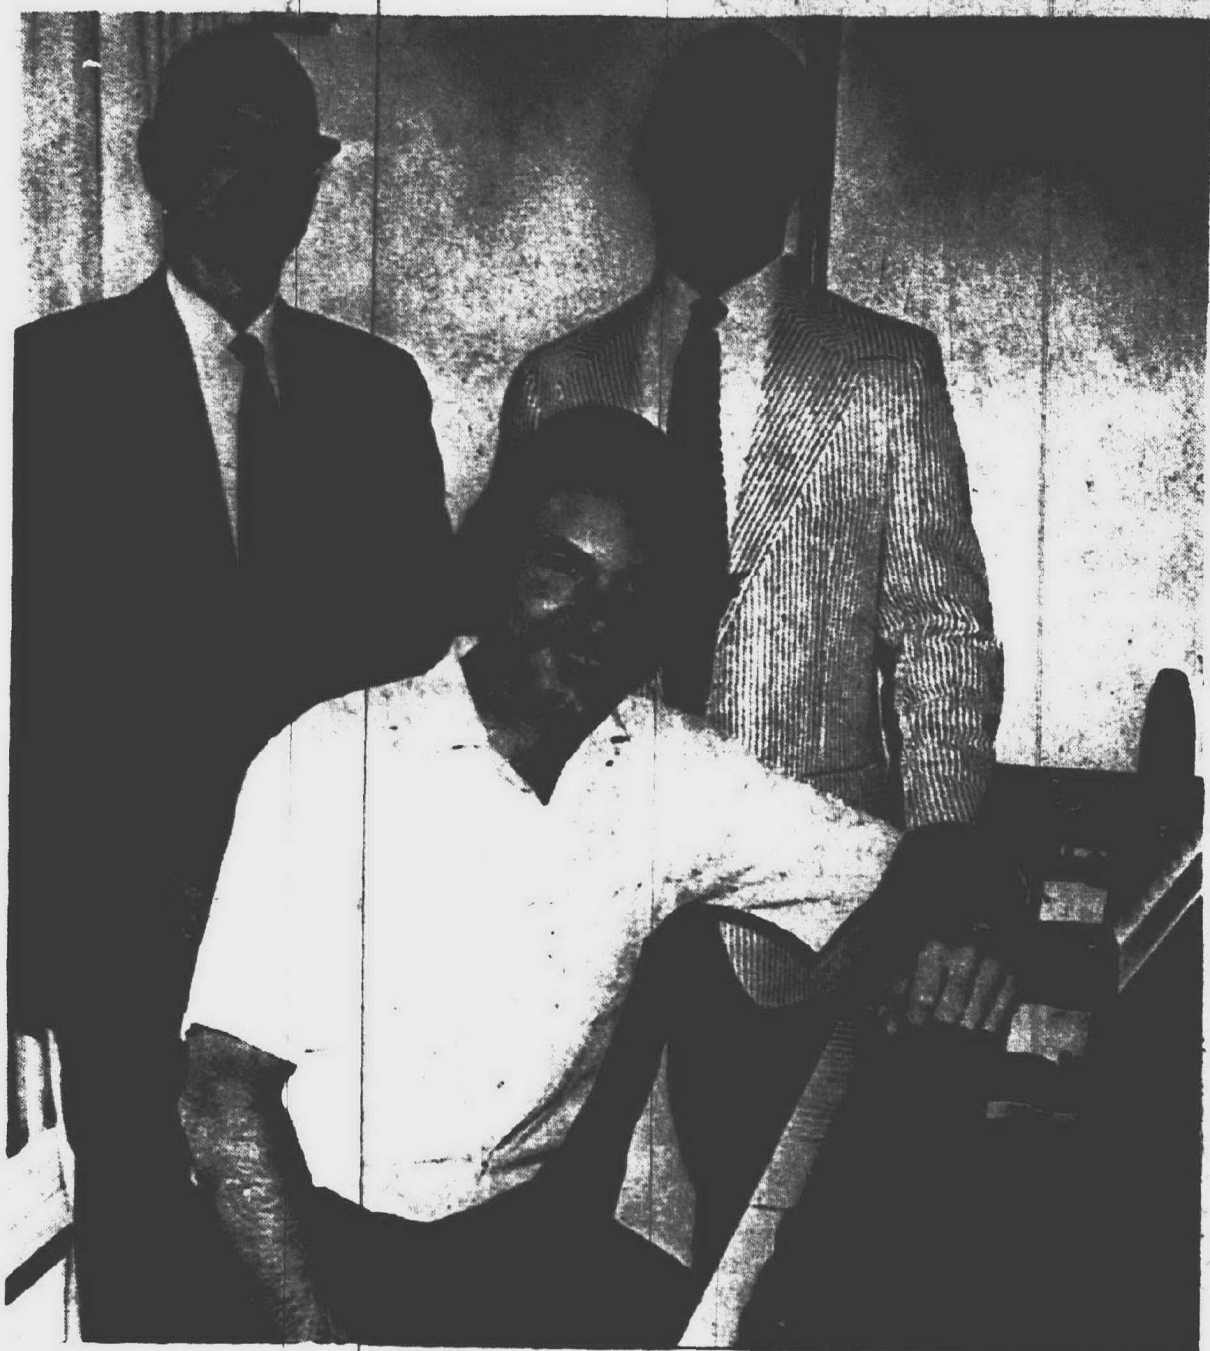

Ayes: Members Graves, Husing, Lawton, Ohno, Penar and Sick. Nays: None. The motion was carried.

Mr. Blunk was asked to prepare official notification to the Architect and notify all bidders as to the amount of bids, and the Architect was asked to prepare the contract, completion date to be February 15, 1972.

Asst. Supt. Hoben presented a letter directed to Mr. Richard E. Jacques, Program Director, WEMU at Eastern Michigan University, in which the School District would cooperate with EMU in their purchase under FCC to increase the power of WEMU. The Board was asked to approve the conditions set forth in the letter as follows:

1. That EMU would pay all costs relative to changeover for such items as equipment, FCC application, etc.
2. That the changeover be made in the summer of 1972.
3. That EMU through the FCC can guarantee that a suitable channel is available which will give Plymouth the same coverage that it presently has.
4. That prior indication is received by Plymouth Community Schools from FCC as to approval.
5. That we will not modify the construction permit or make formal application until Plymouth schools are on the air.

It was moved by Member Lawton and seconded by Member Sick to approve the letter of August 11, 1971, directed to Mr. Richard Jacques, subject to the conditions as listed.

THREE GENERATIONS of ministers were gathered at the home of Rev. Paul M. Cargo in Plymouth (standing right) recently when his father, Rev. Ira Cargo (standing left) was visiting from Florida, and his son, William (seated), a deacon, was home before he returned to the seminary. (Observer photo by Bob Woodring)

3 Generations Of Cargos In Methodist Ministry

By KATHY MORAN

When Ira W. Cargo entered the Methodist ministry 52 years ago, he never expected to start the family chain that resulted.

Since then, Rev. Cargo has seen his youngest son, Paul M., enter the ministry and in June his grandson, William A., became a deacon.

The whole family gathered in Plymouth last week for the wedding of Rachel Cargo, Paul's daughter, to Joseph William O'Brien. Her father and grandfather officiated and William, her brother, sang a solo.

TOGETHER, the three Cargos have chalked up 80 years of ministerial work. Rev. Ira Cargo, 85, has served 52 years, his son Rev. Paul, 49, has been a minister for 28 years, and William, 24, is entering his second year in the seminary.

"I didn't start out to make preachers out of them," the Rev. Ira Cargo said. "I have always believed that young

people should be able to find themselves in college."

And that is what happened when Rev. Paul Cargo entered DePaul University in Indiana and later came home to announce that he had decided to enter the ministry and continue his studies at Boston University School of Theology.

Now, Rev. Paul Cargo is pastor of the First United Methodist Church in Plymouth. He has led the church for three years.

THOUGH PAUL CARGO'S decision came as a surprise to his father, William's was a gradual one which culminated when he entered the non-denominational Union Theological Seminary in New York last fall.

In June, the 24-year-old Cargo became a deacon, and in two years he will become an elder.

Being the eldest son of a minister as well as the grandson of a minister was not a heavy influence in his decision, William said.

"Just any kid has the same

difficulties as I had," he said explaining that he turned away from the church in one point during his struggle with religion.

HIS INVOLVEMENT with music became an influence on him and eventually he decided on the ministry as his full time employment.

While a student at Ohio Wesleyan College, William majored in music with his areas of study including voice and pre-theology.

"Religion has always been very much a part of my thinking," he said. "I decided to keep music for my spare time and personal enjoyment and make the ministry my job," he said. "It offers a challenging opportunity for creativity, imagination, variety and certainly self-direction."

AFTER VISITING with the family, Rev. and Mrs. Ira Cargo will return to Florida where the elder pastor is in retirement but assists in a church.

Before becoming a minister, Rev. Ira had studied at Michigan State University (then Michigan Agricultural College) and Adrian College. He entered Drew Theological Seminary in New Jersey in 1912, at a time when getting a degree in theology was unusual.

During his years in church service, he headed a Roman Catholic church for 17 years.

With the enthusiasm and dedication that the Cargos demonstrate, the family may have another 80 years in church service ahead of them.

Community Class To Begin Tuesday

A community Bible class taught by Mrs. Margaret Hess will hold its first meeting of the fall session on Tuesday, Sept. 14, from 9:30 till 11 a.m., in Ward United Presbyterian Church, Six Mile and Farmington Rds., Livonia.

The class began in the basement of Mrs. Helen Hay's home in Coventry Gardens, 13 years ago with 17 people present.

It ended last year's study with a luncheon at which 325 were in attendance. More than 20 different religious groups are represented in the class, including Roman Catholic, Greek Orthodox, Christian Scientist, Episcopalian, Bible Church, Lutheran, Baptist and Presbyterian.

THE STUDY IS based on a through-the-Bible lesson plan developed by Mrs. C.F. Menninger, mother of the psychiatrists of the Menninger Clinic of Topeka, Kan. It is sponsored by the Topeka YWCA.

Nurseries will be provided for infants, toddlers, and preschoolers.

Lesson materials will be available for \$3 before and after the opening class.

Mrs. Hess is the wife of Dr.

Bartlett L. Hess, pastor of Ward Church, and is the mother of four children. A graduate of Coe College, Cedar Rapids, Iowa, she has taught Bible classes in the Detroit and Chicago areas for more than 25 years, and spoken at innumerable banquets, luncheons, retreats and meetings.

On Thursday mornings she teaches a class at the First Presbyterian Church of Birmingham.

MRS. HESS seeks to make the Bible come alive for modern women through a study of historical and geographical backgrounds, and through application of the eternal wisdom of the Bible to today's fast-changing problems.

She has published magazine articles in a number of religious publications.

She has taught classes in the Philippines and in India, and has traveled widely throughout Europe, the Bible lands, and around the world. She and Dr. Hess recently returned from a trip to Korea where they attended the wedding of their son and visited Christian churches and mission projects.

Service Is Sept. 17

Temple Kol Ami will conduct its annual religious school service Friday, Sept. 17, at 8:30 p.m., in the Birmingham Unitarian Church, Lone Pine and Woodward.

Mrs. Carol Freedman, principal of the school, will discuss the upcoming year's program and will introduce the members of the faculty.

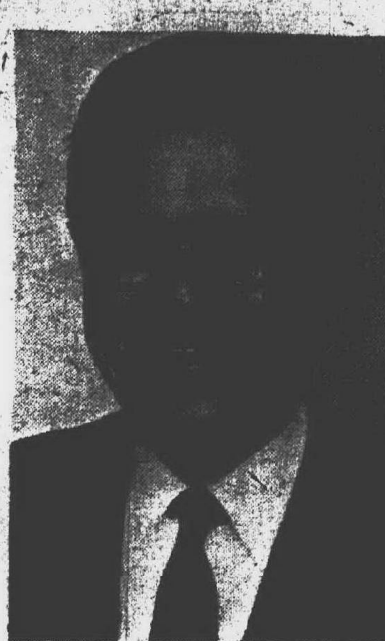

Kol Ami will hold religious classes at the West Bloomfield Middle School, 6000 Orchard Lake, beginning Sunday, Sept. 19, at 9:30 a.m.

Also on Sept. 19 at 8:30 p.m., the temple will hold Rosh Hashana (Jewish New Year) services at Hillel Day School, 3220 Middle Belt, between Northwestern and 14 Mile.

Services will also be held

Monday, Sept. 20, at 10 a.m. A service for children from kindergarten through the third grade will be held at 3 p.m.

Soloists Doralene Davis and Dr. Irving Friedman will perform under the direction of Natalie Conrad, the music director.

REV. ROBERT SAVAGE

Evangelist To Conduct Conference

The Rev. Robert Savage will conduct a three-day Christian Life Conference in Calvary Baptist Church, 43065 Joy, Plymouth, starting Tuesday, Sept. 21.

Meetings will be held each evening at 7:30. Special music will be provided under the leadership of Tom Hovermale.

Rev. Savage was pastor, evangelist and a missionary with the Evangelical Alliance Mission in Colombia, South America.

He was vice president for Youth for Christ in South America and directed the Spanish television program "Let's Sing" in Quito, Ecuador. He was also administrator of the Rimmer Memorial Hospital and vice president of the World Radio Missionary Fellowship.

Rev. Savage is the eldest son of the late Dr. Henry Savage, well-known radio pastor from Pontiac.

The entire family is invited to attend the services.

Forum To Feature Tour, Discussion

"Everything You Always Wanted to Know About Your Jewish Community - But Never Asked" is the intriguing theme of the two-day fall forum of the Women's Division of the Jewish Welfare Federation of Detroit.

The forum will get under way Thursday, Sept. 16, with a guided "Exploration" tour of Jewish agencies from the northern suburbs to Detroit's inner city.

ON THE FOLLOWING Thursday, Sept. 23, at 12:30 p.m., the "Discovery" session will give women an inside view of the Jewish community through the eyes of those intimately connected with the problems of people in the metropolitan area and the services which are trying to solve them. It will be held in the Jewish Community Center, 18100 Meyers, Detroit.

The tour will take members of the Women's Division by bus from the United Hebrew Schools, 21550 W. 12 Mile, Southfield, to the Jewish Family and Children's Service, Community Center, Home for Aged, Jewish Vocational Service and Community Workshop and the Jewish Welfare Federation offices in downtown Detroit.

The bus will leave at 10 a.m. and return to the United Hebrew Schools at 2:30 p.m. For the "Discovery" session, a panel discussion will include Richard Strichartz, general counsel and acting director of the Center for Urban Studies, Wayne State University, Mrs. Charles Lakoff, president of the Neighborhood Service Organization and former president of the Jewish

Family and Children's Service, and Alan D. Kandel, director of social planning for the Jewish Welfare Federation.

Mrs. John L. Greenberg of Huntington Woods, is chairman of the forum. Mrs. Max Stollman of Oak Park is division chairman.

EVERY WOMAN who contributes to the annual Allied Jewish Campaign-Israel Emergency Fund is a member of the division and is invited to participate. Reservations may be made by calling the division.

Area women assisting on the committee include Mrs. Bernard Stollman of Southfield, secretary; and also Mrs. Gerald Ingber, Mrs. Murray Kling, Mrs. Myron LaBan, Mrs. Leonard Reider, Mrs. Mark H. Saidman, Mrs. George Simmons, Mrs. Harold Stulberg, Mrs. Floyd Tulek, and Mrs. Robert Wienstock, all of Southfield.

Rummage Sale

The Sacred Heart League of Sacred Heart Byzantine Catholic Church will sponsor a rummage sale at the church, 29125 W. Six Mile, Livonia, Saturday, Sept. 11, from 9 a.m. to 2 p.m.

Flea Market

The Women of St. Scholastica Catholic Church, W. Outer Drive at Southfield, Detroit, will hold a flea market and smorgasbord luncheon and dinner Saturday and Sunday, Sept. 11 and 12. Both will be part of the Parish Fall Festival, which will be open from 12 noon to 8 p.m. both days.

Ward Church Sets Fall Classes

Seven courses ranging from "The Life and Mission of Jesus Christ" to "In Service Education" will be offered this year at Ward United Presbyterian Church, 17100 Farmington Rd., Livonia, as part of its School of Christian Education.

The first semester will begin Sept. 15, with a family dinner at 6 p.m., and classes and choir meetings at 7 p.m. Classes will be held each Wednesday at 7.

"The Life and Mission" will be taught by the Rev. Franklin Williams and "In Service Education" by Mrs. Helen Ditzhazy.

A COURSE ENTITLED "Your Jewish Neighbor and You" will be taught by the Rev. Al Brickner, new director of Israel's Remnant Inc. Rev. Brickner is a Hebrew-Christian. Originally from Detroit, he attended Gordon Seminary and has

been working with Jewish people in New England.

Dr. Bartlett L. Hess will give a course entitled "The Conquest of Life in Rapid Change," and Dr. Richard Coe's theme will be "The Pastoral Epistles in the Church Today."

Dr. Harry Tarpinian and William Greenman will discuss "Genesis 2:18 - 'It is not good for man to be alone...'" Classes on "Prayer" will be led by Bruce Boore.

AT THE SAME TIME classes are scheduled, activities, including choir, are planned for each age group from kindergarten through senior high school. Mrs. James Mitchell is director of this program. The adult choir will rehearse at 8:30 p.m. There will be nurseries for toddlers and infants from 7 to 8:30.

Reservations for the family dinner should be made by calling the church office.

Grand River Baptist Plans Loyalty Weekend

An all-church picnic, a rap session with a former drug user and a congregational photograph will be features of Loyalty Weekend Sept. 11 and 12 for Grand River Baptist Church of Livonia.

All members and friends of the church, located on Six Mile west of Farmington Road, are invited to participate in the two days of special events.

The picnic in the church's side yard will include games for the children directed by Sunday School Supt. William Gray Sr. Treats and pony rides also will be part of the day's festivities.

For the senior citizens, there will be a cakewalk and an afternoon of fellowship, and teens will have their own program directed by Nancy Williams and Carolyn Keeskes. Families will bring food for a 5:30 p.m. picnic supper, and men of the church will provide barbecued hot dogs.

BARRY HOLOHAN, drug pusher turned evangelist, will lead the rap session that will highlight the Bible study hour at 9:30 a.m. Sunday, Sept. 12.

Young people in the seventh through 12th grades will hear of his experiences that included early travel with a wealthy family, involvement in the smuggling and use of drugs and torture and prison in Brazil.

He will relate how he happened to start reading the Bible while in prison, and how he changed his life style and value system after talking to an American missionary.

The young people will be invited to ask questions of Holohan after his talk.

Holohan also will be speaker for the 10:45 a.m. worship

service, when church loyalty will be emphasized in recognition of all members.

There will be special awards for the oldest and youngest members of the church, as well as those who have been members for the longest time and the newest members.

After the worship service, the entire congregation will go outside the church for a group picture to be taken by David

Walkowiak. Copies of the photograph will be included in the 1972 church directory.

Also on the weekend agenda will be a 6 p.m. Sunday meeting of the Children's Bible Club for first to sixth graders, youth groups for junior and senior high students at the same hour and a fall return to Sunday evening worship at 7 p.m.

Ward Church Will Lay Cornerstone

The cornerstone laying service for the new sanctuary for Ward United Presbyterian Church, Farmington Road and Six Mile, will be held Sunday, Sept. 12, at 12:40 p.m.

Among those participating will be the Rev. Frances Nagy, representing the Synod of Michigan, the Rev. Paul Hart, pastor of St. Matthew's Methodist Church, the Hon. Edward McNamara, mayor of Livonia, Bruce Boore, chairman of the building

committee, and John Head, the assistant chairman.

Special musical selections will be presented by a quartet directed by Max Davey, director of music.

The new sanctuary will seat 1,000 persons and will have a choir capacity of 80.

Sunday morning worship services at present are at 9, 10:15 and 11:30, with Sunday school at the same hours. There is also a Sunday evening service at 7.

Quakers To Meet

The Religious Society of Friends of Livonia and Farmington (Quakers) will observe the 25th anniversary of the organization of the United Nations at a meeting Sunday, Sept. 19, at 3 p.m.

The meeting will be in the old Livonia Meetinghouse, Quaker Acres, 34004 Seven Mile, between Farmington and Gill Roads.

A free will offering will go to the Quaker United Nations program and secretariat.

Readings from the works of William Penn, the first religious philosopher to envision a parliament of nations, will be featured.

A worship service based on silence will be followed by an ice cream social.

Livonian To Offer Thanksgiving Mass

The Rev. Robert B. McGrath is celebrating a mass of thanksgiving in his home parish, St. Michael Catholic Church, Livonia, Sunday, Sept. 12 at 2 p.m., following his ordination to the priesthood for the Archdiocese of Detroit Saturday in St. Francis De Sales Catholic Church, Detroit.

Father McGrath is the son of the late Mr. and Mrs. Bernard McGrath. Born in Detroit, he grew up in Livonia's Rosedale Gardens. He attended St. Michael School, Catholic Central High School and the University of Detroit.

After teaching one year at Catholic Central, he entered the religious order of the Holy Cross Fathers at Notre Dame University, where he received most of his training for the priesthood. He earned a master's degree in both theology and history.

Father McGrath transferred into the Archdiocese of Detroit, and served his deacon internship at St. Francis De Sales. He was a member of the faculty of Ladywood High School in Livonia and served as chairman of the religious department.

He also became involved in religious education in Livonia (Northwest Wayne Vicariate) and served for two years as chairman of the religious coordinators.

REV. ROBERT McGRATH

After a short vacation, Father McGrath will resume his duties as a priest in the archdiocese.

Rummage Sale

St. Mel Catholic Church will hold its annual rummage sale Wednesday, Sept. 15, and Thursday, Sept. 16, from 9 a.m. to 4 p.m., in the Activities Building, 7506 Inkster, Dearborn Heights.

The Confraternity of Christian Mothers sponsors the event. Mrs. Martha Kula is chairman and Mrs. Sandy Cairo is co-chairman.

ECUMENICAL REFLECTIONS

By THE REV.
WILLIAM A. RITTER
Newburg United
Methodist Church

In this week of all weeks, millions of words have been written, debated, shouted, and cursed on the subject of "bussing" which once meant "to show affection with a kiss and a hug."

As a preacher never noted for being able to pass over hot coals without a gentle raking, let me share some intensely personal reflections with you. What follows is no essay or prophetic word, simply the idle thoughts that keep one awake while the less sensitive snore soundly.

I remember when it was the goal of parents in my north-west Detroit neighborhood to have a child accepted at Cass Tech. Of course, Cass was downtown in an old neighborhood and dingy building, but its special programs in art and science had no parallel. No school buses went to Cass. You rode public transportation and stood in the aisle all the way home, because the Grand River bus was filled to capacity before ever leaving downtown.

THE TELEVISION cameras from Pontiac catch an unbelievable dichotomy of faces. There are faces of parents contorted with rage and hostility. A color television set accentuates bulging veins in neck and

cheeks. And then one sees the children who quietly board the buses and even smile a little bit. "Unless we become as the least of there..."

What is "quality education" as it is received by a first grader who is told she must not go to school on the bus today? What reasons is she given? What does she think about them? What does the world look like to her as she watches her mother painting a picket sign and her father describing in prideful detail how he chained himself to a steel gate?

Maybe if Judge Damon Keith would simply invite Irene McCabe over for a heaping platter of ribs...

THE LAST Freedom School I remember was spawned by the Northern High boycott five years ago. It was a glorious day. Kids jammed every corner of old St. Joseph church. One heard music, speakers, and the planning of strategy. Caucuses convened in every corner.

As a celebration of purpose and unity it was great. As a crucible for learning, its long-term potential was nil. It is the height of absurdity to cloak the issue of "bussing" in the garment of "quality education," and then propose the creation of "freedom schools" in inadequate buildings with no curriculum, supplies, resources, or consistent staff.

It has always seemed ironic to me that those churches that lean in the direction of social conservatism, and whose members are the most vehement on the subject of achieving racial balance by school bus, are most often engaged in large scale bussing of children to Sunday School, right past the doors of countless other congregations. Evidently the neighborhood church is not nearly as sacred a concept as the neighborhood school.

I remember a man once preparing to enroll his son in a

Protestant parochial school to avoid re-districting. I asked him where the school was located. He named a community some distance away. "How will he get there?" I asked, trying to mask the obvious. "By bus," he answered. "It's only a 35-minute ride if I take him part-way by car to avoid a transfer."

SURE WE ARE making pawns of our children in the great chess game of life. Let's admit it. If we did it only to ease the guilt of our own failures, we would be of all men most morally bankrupt. But on the chance that they might inherit a world without such failures, the gamble seems well worth taking.

I have a son who is four. He lives so close to a school that with good aim he could hit it with a rock. But there is more to his world than that school. There are other men's sons getting ready for other schools, whose fathers still harbor the same dream for them as I for mine.

I lament that our sons can meet only through such an artificial means. But I deplore the possibility that in the eyes of another little boy, my son will grow to become "the enemy," when they have never even met.

I can accept the idea of my son on a bus. Sure I have reservations, but his mother and I would work them out. As for Billy, he thinks riding on a bus is one of the neatest things around. As a parent I have much to learn from him. His native excitement is stronger than my learned suspicion.

When he loses that, it shall be a sad day for father and son alike.

Fish Fry To Open Festival

A fresh fish fry dinner beginning at 5 p.m., Friday, Sept. 17, will open the 10th annual fall "festival of fun" at St. Robert Bellarmine Catholic Church, W. Chicago and Inkster Rds., Redford Township.

The festival will run through Sunday, Sept. 19, when the women of the church will serve a chicken dinner from noon until 7 p.m. Snacks will also be sold throughout the weekend.

A huge tent will house 30-odd booths for games and attractions, and there will be carnival rides.

Profits from the festival will be used in building and maintenance funds of the church and the school.

Marygrove To Present Film Series

"Civilisation," the renowned color film series on the cultural life of Western man, will be shown at Marygrove College, Detroit, for 13 weeks beginning Friday, Sept. 17, at 2 p.m. The public is invited to view the 50-minute films free of charge. They will be shown in the Marygrove Liberal Arts Building in the Library Lecture Hall. The campus is at McNichols and Wyoming.

Area Collector Shows Utensils

A Farmington resident, Mrs. Louis Oberheu, is the featured collector this fall at the Detroit Historical Museum, 5401 Woodward.

Her assortment of grey enamelware kitchen utensils is now on display in the Collector's Corner, and will be shown through Oct. 31.

MRS. OBERHEU, who is moving shortly to Atlanta,

Ga., with her family, has lived in Farmington for the past three years. She is a member of the Quakertown Questers, a group concerned with the collection and preservation of antiques.

Mrs. Oberheu started her collection about five years ago in Wisconsin, when she was looking for something to decorate the beamed ceilings of her kitchen.

But she also puts her collection to very practical use. She finds the enamel colander just right for draining spaghetti, and the Turk's head mold the perfect size for breakfast coffee cake. "The enamelware is easy to clean and lightweight," explains Mrs. Oberheu in talking of its popularity.

ENAMELWARE, sometimes known as graniteware, glazed-ware or agateware, was first introduced at the Philadelphia Centennial Exposition of 1876. It was advertised as combining the advantages of glass with the strength of metal and when featured at the exposition, it was praised as a great improvement over cast iron, solid brass and copper utensils.

Besides using her collection in canning and cooking and adding to it by visiting antique shops and flea markets, Mrs. Oberheu has been secretary of St. John's Lutheran Church in Farmington.

Anthropology Class Begins At Cranbrook

BLOOMFIELD HILLS An anthropology class with no lectures will be held at Cranbrook Institute of Science, 500 Lone Pine Rd., beginning Sept. 20 as part of the institute's evening adult education program.

Instead of lectures, the 10-week course from 8 to 10 p.m. on Thursdays, will utilize films, tape recordings, readings and institute collections and exhibits.

Instructor Robert Bowen, institute assistant director, said these visual aids will serve as springboards for small group discussions to explore man's biological evolution and patterns of cultural change, past and present.

The course will introduce students to human evolution, archaeology and the comparative study of world cultures, and so is intended for those interested in gaining deeper insights into human behavior around the world.

GUITARIST JONATHON ROUND and singer-comedian Ron Coden will be starred at Schoolcraft College, 18600 Haggerty Rd. (between Six and Seven Mile), Livonia, on Wednesday, Sept. 15. They'll give a folk concert in the Waterman Campus Center, beginning at 8 p.m. Tickets are on sale at the center, and will be available at the door.

Ballet Company Holds Auditions

The Suburban Concert Ballet will hold fall auditions for their performing company on Saturday, Sept. 11. Any girl or boy, age 12 or over, who is a student of the ballet, is eligible to audition. An appointment can be made by calling the Evelyn Kreason Dance Studio during office hours. The studio is located at 31315 W. 13 Mile Rd., Farmington.

The company has studied and performed under the direction of Leon Danielian of

the American Ballet Theater along with the regular director, Mrs. Evelyn Kreason. Danielian spent a week's residency with the company and choreographed and cast his own ballet, which was performed in Farmington last spring.

The Detroit Institute of Arts was the scene of the company's latest performance, which included two classical ballets and a modern dance.

Art Show Continues

Observerland's longest-running outdoor art show continues this weekend at the Pink Palette, 39535 Northwestern, north of 12 Mile Rd., Southfield.

Arranged by artist Alice Stiller, the invitational show and sale will continue through Halloween, Oct. 31.

Among the 20 to 30 local

artists in the show are Arley Rolph, Edna Laird and James Black, all of Southfield, Merry Derreck of Farmington, Joe Durand of Livonia and George Seyffarth of Franklin.

The show runs every Sunday from 11 a.m. until dark. Mini-shows are held Wednesdays and Fridays from 11:30 a.m. until dark.

'Penny Black' Will Be WSSC Topic

Bill Massen will give a talk on "The Penny Black," at the next meeting of the West Suburban Stamp Club Thursday, Sept. 16, at 7:30 p.m. Club meetings are held in the Plymouth Community Credit Union, 500 S. Harvey St., Plymouth.

There will also be a flea market table and members are invited to contribute. All lots must have a retail value of at least 50 cents and there is a limit of five lots per member. The club retains 10 per cent of the purchase price.

Joe Willis will be the speaker and his topic will be "The Overrun Nations Issue," at a meeting Friday, Oct. 1. The club is participating in a

program sponsored by the Shriners' Hospital for Crippled Children. Anyone wishing to contribute stamps and other philatelic materials is asked to contact Jerry Wachtel, 23962 Forest Drive, Northville, 48167, or take their contributions to the meeting. Donations are also being sought for the club's second annual benefit auction to be held Thursday, Dec. 17. Last year, this event netted almost \$100 to underwrite the purchase of books for the club's library.

Great Books Club Plans Fall Meetings

What is the nature of man? What values and meanings has he given to his existence?

These are some of the questions that will be discussed this fall at meetings of the Great Books Discussion Group in Carl Sandburg Library, 30100 Seven Mile Rd., Livonia.

The first meeting is planned for Thursday, Sept. 16, from 8:15 to 10:15 p.m., and the first reading will be Freud's "Civilization and Its Discontents."

Meetings will be held every other Thursday night.

A full list of the year's readings and the dates of the meetings can be obtained from the Livonia libraries or from the Plymouth or Northville libraries. Val Kastner, 18419 Donegal, Northville, is looking after inquiries about the program.

Camera Club Meets Tuesday

The Farmington Photographic Society, a camera club for men and women over 16, will hold its first meeting of the fall Tuesday, Sept. 14, at 8 p.m., in the Farmington Community Center, 24705 Farmington Rd.

The club meets at the center regularly the second and fourth Tuesday of each month. The first meeting is given to competition in assigned subject matter, and the second meeting is for workshops and programs. The group works with color slides, black-and-white and color prints.

The club was organized last September by Herb Shapiro of Bel-Crest Photo in Farmington for persons interested in photography, both amateurs and professionals.

Jim Kirby, 32658 Meadowbrook, Livonia, is the president, and Mrs. Edith White, 23961 Jamestown Ct., Farmington, is the program chairman.

WCCC Dance Course Set

Beginning and intermediate dance courses will be offered through the Wayne County Community College this fall in centers throughout the county. Registration can be made by calling the college.

Persons can also register for the college chorus starting Saturday, Sept. 11.

DICK BENSEK

Here are some bean cooking tips. Split peas, lentils and beans marked "quick cooking" need no presoaking. All other beans, including chick-peas and black-eyed peas, need soaking. To retain flavor, vitamins and minerals, always use soaking water for cooking. Washed beans can be soaked overnight in cold water. Cooking time will vary a great deal, depending on type and age of beans, hardness of water, and the altitude. Read package directions before cooking. A small amount of fat or butter added to beans during cooking will keep down foam.

Here's a tip everyone will enjoy! For fine food and superb service dine at **DANISH INN, CORP.**, 32306 Grand River Ave., 476-5320. We have a beautiful supper club atmosphere with a good selection of wines and cocktails and feature Pat Flowers at the piano Tuesdays thru Saturdays from 8:30 PM to Closing. Hours: 11 AM-2AM with dinners during the week until 10PM, Fri and Sat until 1AM.

HELPFUL HINT:
Cooked beans and bean dishes freeze well. Most recipes can be easily doubled for cooking ahead.

Sept. 15 Fashion Show Aids Community Center

Women who are leaders in a wide variety of Farmington activities will be models in a luncheon fashion show scheduled Wednesday, Sept. 15, to benefit the Farmington Community Center.

Gail Perrin, Grace Richardson and Alice DePodesta are chairmen for the event, to be held in the Meadowbrook Country Club, 40941 West Eight Mile, Northville.

11:30 a.m., followed by luncheon at 12:30 p.m. and showing of the fall styles from Walters, located on Livernois in Detroit.

Tickets are \$5, and may be purchased at the Farmington Community Center, Farmington Road north of 10 Mile.

PRACTICING MODELING for the fashion show that will benefit the Farmington Community Center is Mrs. Virginia Corriveau (right). Gail Perrin, chairman of the event, and her year-old daughter, Katie, look on. (Evert photo)

MODELS INCLUDE Catherine Gaul, past president of the Farmington Garden Club and a member of the Farmington Musicales; Virginia Holman, mother of four who is active in the Plum Hollow Country Club.

Others are Jan Smith, Girl Scout leader and Sunday school teacher, and Bunny Hoehner, active in the Farmington Glen Aquatic Club and former secretary of Lincolnshire Estates subdivision association.

ALSO MODELING will be Ruth Moore of the Farmington Garden Club and mother of four; Cassey Lindbert, Jaycee director and area leader for the Torch Drive; Margaret Sivy, mother of four and active in the cancer volunteer program; and Margaret Davey of the Max Davey Singers and instrumental in bringing the Way-Out Drug Program to Farmington.

Other models include Jean Fox, secretary of the Community Center; Joyce Reiger, member of the Altar Sodality of St. Clare Catholic Church and active in the Middlebelt School PTA; Dorothy Gordon, member of the Farmington Township Beautification Committee and past president of the Farmington Garden Club; and Rose Mary Emmert, past director of Mercy High School and member of the Christ Child Society.

They're Engaged

LINDA LUBIG

Mr. and Mrs. John F. Lubig of N. Holbrook Avenue, Plymouth, announce the engagement of their daughter, Linda, to John J. Solomone, son of Mrs. Anne Solomone of Baktimore. The bride-to-be is a 1968 graduate of Plymouth High School and she and her fiance both live in Marina Del Ray, Calif. They plan to be married Sept. 25 in the Little Brown Church in the Valley in North Hollywood.

JUDITH SLINGERLAND

Mr. and Mrs. Jack C. Slingerland of Raphael Avenue, Farmington, announce the engagement of their daughter, Judith Ann, to Michael John Schmedlen, son of Mr. and Mrs. Henry Schmedlen of Milford. The bride-elect has a dental hygiene degree from the University of Michigan. Her fiance graduated from U-M with a degree in political science and a teaching certificate and is enrolled in the university's law school. The wedding is planned for December.

Lawyers' Wives

The Lawyers' Wives Club of Livonia will hold a social evening Wednesday, Sept. 15, at 8 p.m., in the home of Mrs. Clarence R. Charest, 15775 Southampton, Livonia. All lawyers' wives may attend.

DAR Unit To Meet

John Sackett Chapter, Mrs. Edwin Mudie, 305 Berkley, Dearborn. Co-hostesses will be Mrs. George Nunn and Mrs. Wesley Klewicki.

Three Flags Chapter Meets

Mrs. Morley Foster, 33501 Argonne, Farmington, will be hostess for the first fall meeting of the Three Flags Chapter of the Daughters of the American Revolution at 12 noon Monday, Sept. 13.

2 Ministers Officiate

The Rev. William A. Ritter and the Rev. Thomas Rieden officiated at an ecumenical service Saturday, Sept. 4, in Newburg United Methodist Church, uniting in marriage Paula Sue Mackinder and Charles Donald Bagwell.

The bride's parents are Mr. and Mrs. Harold C. Mackinder

of Hanlon Avenue, Livonia, and the bridegroom is the son of Mr. and Mrs. Charles L. Bagwell of Lathers Drive, Livonia.

THE DOUBLE RING ceremony was performed at 5 o'clock in the afternoon, before an altar decorated with white carnations, chrysanthemums, gladioli and baby's breath.

Given in marriage by her father, the bride wore a white crepe gown with a bodice and sleeves of Alencon lace. The long double veil, bordered with matching lace, formed a floor-length train and the bride's bouquet was an old-fashioned arrangement of garden flowers and baby's breath.

Janice Faulkner, as maid of honor, wore a dark purple crepe gown with a dark purple velvet bodice and matching crepe sleeves. Kristine J. Young and Deborah Bagwell, as bridesmaids, wore similar gowns of shocking pink crepe and dark purple velvet. All carried nosegays of pink and purple flowers and wore matching flowers in their hair. David Nye was best man and the bridegroom's brothers, Tom and Mark Bagwell, were the ushers.

THE BRIDE'S mother wore a pale pink silk-shantung suit, and the bridegroom's mother chose a hunter's green ensemble. Both mothers wore corsages of red roses and miniature pink carnations. A dinner reception was held in the Mayflower Meeting House in Plymouth.

Both Mr. and Mrs. Bagwell will attend the Michigan Technological University in Houghton. The bride is studying special education, and the bridegroom is working towards a degree in electrical engineering.

Harrison Loses All-Loop Hughes

The failure of the millage vote in Farmington has had its repercussions at Harrison High School in football.

The team will be in action and should be one of the threats for the Western Six League title.

But when the millage went down, Harrison suddenly found itself minus all-league quarterback Rick Hughes, who also was the team's monster man on defense.

Rick had decided to play his senior year at Harrison despite the fact his dad was transferred to a position in Littleton, Colo.

But when the millage failed and there appeared the possibility that there'd be no

sports in Farmington, Rick took off to join pop.

"I guess you can't blame the boy," says Coach John Harrington. "Rick didn't want to miss out playing in his senior year. Besides, out at Littleton, he was joining the defending state high school champs."

HUGHES' departure quickly changed the quarterbacking spotlight to Chris

Pagnucco, who played only about 10 minutes on the Harrison varsity last season.

"He'll come along, we're certain," says Harrington, "but for the present it will mean that we must rely on a pretty inexperienced quarterback instead of having one who was the best in the league."

The Harrison offensive strategy may change some, too. With Hughes, the team

would have done a lot of passing.

Now, to start with, there may be much more running led by Dave Manos, another veteran who is the best ball carrier on the team.

"Just how far we go with our method of attack will depend pretty much on how fast Pagnucco comes along," declares Harrington.

BUT WHILE Harrison has

lost Hughes, it did pick up in Pat VanDusen, a crack fullback and linebacker who had starred for Our Lady of Sorrows until the Catholic school closed its senior high last spring.

Van Dusen has impressed to the point that he appears to have won himself a job both on the offensive and defensive starters.

Dan McConeghy and Bill Herpich are back and will

fight it out for the swingback slot as Harrison readies itself for the season's opener next week against cross-town Farmington, which is expected to have one of its best teams in several years.

"What a way to have to start," says Harrington. "But I feel that we'll have more experience all along the line, we'll be stronger and faster and this could be our year to

blossom out into a real contender.

All League tackle Barry Smeltzer leads the line. He'll team with Larry Shaheen at the tackles while Fred Deschoff and Jim Hagen handle the guards and Paul Bey, who's only a tenth grader and already a letterman - he made the varsity as a ninth grader - works the center slot, after playing end last season.

TOM YOUNG, 4-8 and 215, will be one end with Art Slagle on the other side of the line. Slagle is a senior who never before has played on the varsity.

"He just came out and in a hurry he has shown us that he's quite a ball player," coach Harrington said.

Tom Erkert also figures prominently in the Harrison. He's a linebacker and Harrington figures that with Van Dusen "they'll give us one of the best one-two punches behind the line in the league."

Erkert rates as the best hitter - that is, tackler - on the team.

Harrison will contest with Churchill, Northville, Waterford Mott and Walled Lake Western for the league prize.

Falcon Harriers Back In Stride

Perennial power Farmington High has lost little of its cross country might.

The Falcons began the 1971 season on a happy note Wednesday by downing Southfield and Walled Lake Western in a tri-angular meet.

Farmington scored 25 points to 47 for Southfield and 64 for Walled Lake Western.

Individual honors went to Southfield's Dan Henry who was timed in 10:14.6 to beat out a Walled Lake Western entry who was second.

The next six spots all went to

Farmington runners - Nick Burton, Marlin Fedraw, Kevin Rylance, Jim Nuttal, Kim Day and Mike McGuire.

Bill Bangert and Bob Corcoran of Southfield were next across while Greg Sako of Farmington came in fifth.

THE 12TH finisher was Bill Rubin of Southfield. Kevin Charnesky of Southfield came in 15th.

Farmington and Southfield were to oppose again Saturday, along with several other schools in the annual West

Bloomfield Invitational.

Southfield will visit Southfield Lathrup next Thursday afternoon before opening its Southeastern League season hosting Ferndale on Sept. 20.

The Southfield cross country schedule:

September
16 - at Lathrup, 20 - Ferndale, 23 - Royal Oak Kimball, 28 - Fordson, 30 - at Birmingham Seaholm.

October
5 - Oakland University

Invitational, 9 - Oakland County meet, 12 - Redford Union Invitational, 14 - Berkley, 18 - at Hazel Park, 21 - League meet at Royal Oak Kimball, 30 - Regional.

November
6 - State meet.

Old And New Steal Show In Grand Circuit Opening

Two drivers, at opposite ends of the ladder one just climbing into top recognition and the other nearing the end of an illustrious career, stole the spotlight in the first two events of the two-week long celebration of the centennial of the Grand Circuit at Wolverine Raceway.

Herman "Sonny" Graham Jr., who actually started his driving career some years back when his father had a stable at Wolverine, and Ralph Baldwin, national champion several times while driving for Castleton Farm in Lexington, Ky., were the winning reinsmen in the Matron three-year-old trot and the historic Merchants and Manufacturers trot.

Graham won the Matron with Noble Gesture and Baldwin took top honors in the M&M with Circus.

Of the two victories, the most surprising was that of Noble Gesture. Hailed as the nation's top two-year-old, Noble Gesture didn't reach the same form this year and Graham scratched the colt from the Hambletonian after twin defeats in Indianapolis.

But it was practically a review of the Hambletonian in the Matron where Speedy Crown, the winner; second place Savor; third place A.C.'s Orion and fourth place Hoot Speed were among the six entries.

Naturally Speedy Crown, the Hambletonian king, was the favorite and Noble Gesture a longshot.

And for a while it appeared as if Speedy Crown would romp home just as he did in DuQuoin, Ill. He led for three parts of the mile and was still in front at the head of the stretch.

THEN CAME one of the finest duels ever staged at Wolverine with Speedy Crown and Hoot Speed going at each other in the middle of the track. Meanwhile Noble Gesture was storming along the rail and just did pass the leaders at the wire to win by a nose over Hoot Speed with Speedy Crown another nose back in third place.

It was sort of a repeat for Noble Gesture who won earlier at Wolverine in 2:00.2 for a new track record since shattered by Grandpa Jim. This time he was clocked in 2:00.3.

The colt went to the post at better than 10-1 odds and paid \$33.40.

The stake cost the track \$1,900 in a minus pool when an unidentified bettor wagered \$8,000 on Speedy Crown to show...he just did and payoff was 10 cents on a dollar.

SHOWING the same driving skill and the superb timing that made him one of the nation's best when he was handling the Castleton Farm racing stable, Baldwin, who came out of retirement this year, drove Circus, a three-year-old son of Speedster to victory before a crowd of 5,940.

After finishing fourth in the second of two qualifying heats to determine the 10 finalists, Circus lived up to Baldwin's expectations and took over the lead midway through the stretch to win by a length in 2:00.2.

The cagey veteran kept his trotter within reaching

distance of the leading Nicholson and then sped past in the drive to the wire. The victory was worth \$5,400 to Circus. Nicholson was

second and Senior Nix third. LONGSHOTS scored resounding victories in the two elimination heats.

Miss Lyn Scot, a four-year-

old Speedy Scot mare owned by Isaac Collins of Lancaster, O., came roaring from sixth at the head of the stretch to win the first dash in 2:03.4.

The big payoff came in the second heat when Pickle Liquor turned on the heat midway through the stretch to win in 2:02.4.

Observing Sports

By George Maskin

It'll be a different kind of a fall and winter for at least one home in Southfield-Lathrup.

Dad's going to be home much more. There won't be as many of those three and four-day trips. Or trips stretching out to a week.

Dad, too, may have a tough time adjusting to his new role in life, his new work.

When you've done only one thing for 25 years... a transition to something else doesn't come easy.

But Gordie Howe, the greatest hockey player ever, certainly will make that transition, now that it's official that he's through as a Red Wing player after a quarter of a century in compiling a record which undoubtedly will stand for years and decades to come.

The official announcement didn't come as too much of a surprise. Some two weeks before, we had written in this very space that all of us could look forward to that happening before the Red Wings assembled at Port Huron this weekend for their training camp.

GORDIE HAD to quit sooner or later. Like a growing number of sports elite, who have become elder statesmen, he decided to bow out when he still was doing fairly well. He could have waited, perhaps collapsed on the ice, and then said "that's all."

But if you'll look around you'll note names like Sandy Koufax and Mickey Mantle and many in football and basketball (like Bill Russell) who didn't wait until the last ounce of playing skill had evaporated before they signed off to turn their attention to other work, to other professions, to other businesses.

Last impressions, like first impressions, are important. Better to leave 'em with happy memories at the end, than go downhill and finally quit when you're a shade of your old self.

Sometimes, of course, you can't help it. But Gordie Howe could.

THE HOWE hockey story, of course, needs no repetition here. It already has been covered by the experts who have known him the best over the years.

But I remember that winter of '46 when Howe first came up to the Wings. It was a year after I had returned from the service. I was working the night trick at the old Times and Lew Walter, then the hockey writer, came around to remark:

"The Wings have a new kid ... Howe's his name. Jack Adams (the old manager-coach) says he'll be something."

What an understatement that turned out to be. Howe started to set records and more records and still more records.

The result is that the National Hockey League record book looks pretty much like a Howe record book. Sure, you'll find some other names - like Phil Esposito, Bobby Hull, Rocket Richard, etc. - but overall none came close to matching what Gordie accomplished.

Nor is it likely that any ever will.

Howe more than excelled as a player on the Red Wings. He was the leader, the man just about everybody looked up to.

I REMEMBER an afternoon at Olympia when the Pistons played there. The Wings were assembling to make a trip. Most of the Wings, Howe included, gathered along side the court to watch their basketball brothers perform.

Pretty soon, Howe looked at his watch. He got up and started for the exit. To a man his teammates arose and left. He didn't have to say anything. They

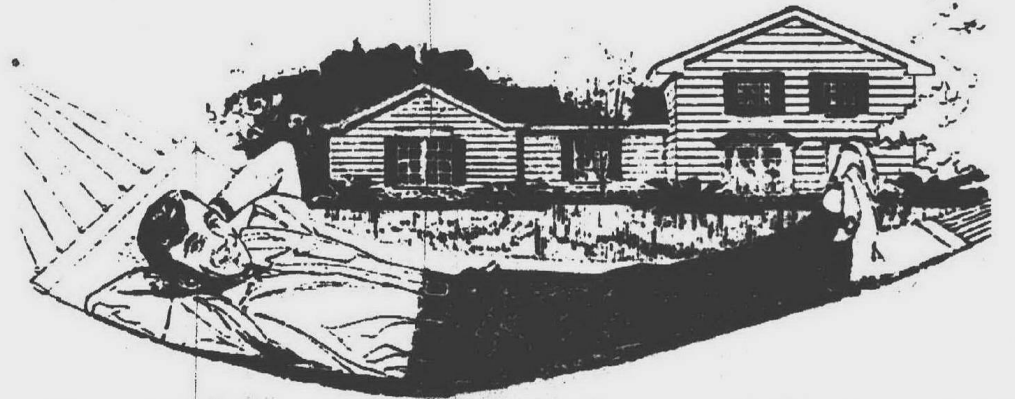

knew that if Gordie felt it was time to go... that was it.

And, so it has gone over those 25 years. Gordie was the backbone of the team.

Gordie always has said he'd like to spend more time with his four children, two of whom attended Lathrup High last year ... and one still is there now.

More than likely, he'll be wandering over to Lathrup for some of their games this fall and winter. Too bad, there's no hockey team at the school. What a perfect coach he'd be.

Turf Tips, Quips

By Doc Minard

Art Hagan, the genial publicity director at Hazel Park Racing Association who has been in the business of publicizing sports for so long that even he doesn't care to remember, is the author of one of the most amusing, interesting books published in a long time.

At least it will be interesting and amusing for those who follow the thoroughbreds because it tells a tale of "The Day The Bookies Took A Bath" and does it so well that the reader doesn't have the slightest desire to drop the

ART HAGAN

book until he has reached the final page.

Hagan writes as only one who has been connected with sports, and particularly the Sport of the Kings, for a long time can.

"The Day The Bookies Took A Bath" has nothing to do about showers as the term "bath" infers, rather it is an intriguing story of a publicity director of a struggling race track (perhaps Hagan in one of his earlier jobs) and a confidence man who just has to be the greatest ever.

And there's just enough truth going through the story that leads one to believe that Hagan may have encountered just such a person during the years he was handling publicity for small and large fight programs in the Motor City.

It has the touch of a master in describing how the "con" artist gradually built the framework for one of the biggest betting coups ever put over in the history of the bangtails.

The story evolves around the con artist, Dan Devon, and the publicity director, Gus Scott, who have been longtime friends since the days when both were involved with fighters.

Dan suddenly appears on the scene with a couple of

horses, forces his friend to get him stall space at the track and then begins to make loud noises about the chances of one of his horses in the Colt Stake, richest and biggest event of the season at the track.

From the moment of his arrival to the day of the big race when he puts over the big betting coup makes this a tale that one should read.

The manner in which Hagan puts together everything possible to make the "coup" a sure thing is most intriguing. It's just as if you were there, watching the maneuvers, awaiting with baited breath for the big payoff and the finale which finds everyone coming up with big smiles except the bookies...they were all busy getting out towels after taking a big "bath."

Incidentally, the novel is on sale at all area book stores.

THANKS TO co-operation and permission from Racing Commissioner Leo Shirley, youngsters in Metropolitan Detroit and surrounding areas will have an opportunity to see the fabulous Albatross, generally considered the greatest pacer of all-time, perform in the \$25,000 Matron for three-year-olds next Friday at Wolverine Raceway.

Vice President and General Manager Richard Wilson asked for and received permission for a series of family night programs on Fridays for the remainder of the meeting which ends on Oct. 30.

The series starts on Friday, Sept. 17 when the track stages its traditionally greatest event of the entire season...the three-year-old pace one week in advance of the Brown Jug classic in Delaware, O.

The Jug is pacer's counterpart of the Kentucky Derby and the winner is considered the champion sophomore of the year.

The family nights will be held on Fridays Sept. 17, 24 and Oct. 1, 8, 15, 22 and 29. Children 12 and under, accompanied by parents, will be admitted free to the grandstand.

"We believe youngsters should be given an opportunity to see the great pacers and trotters," said Wilson. "There isn't any question that Albatross is the greatest in modern times. By having the programs on Friday, it will not interfere with school since the kids will be able to sleep in on Saturdays. We thank the commissioner for granting our request."

The exodus from Wolverine

to the harness racing wars in California has started and will continue for another week or so but for every stable that goes west, Racing Secretary Bill Connors will have new ones coming in from the east and south.

The first stable to ship in will come from Scioto Downs near Columbus, O., and will bring such standout outfits as Gene Riegler and Dick Buxton to the attention of fans.

Then two weeks from now, the Meadows, located near Pittsburgh, Pa., closes and Connors is looking forward to new stables with new names and faces.

All of which means that Wolverine will be able to maintain its high level of pacers and trotters for the remainder of the meeting.

Gone from the local scene is Dwayne Fletcher and slated to follow are Joe Marsh Jr. over the weekend and Doug Ackerman. The last mentioned will go directly to Hollywood Park in California.

Doug has many west coast owners in his huge public stable and they are anxious to see their horses perform. More than that, Doug has been a regular on the southern California circuit for years, doing his winter training at Del Mar track near San Diego.

Chargers Open Action With 8 Lettermen

"Feast or famine" might be the way to describe the football story from one season to the next at Churchill High School.

A year ago, the Chargers were well stocked with seniors and experienced players.

But now most of the old faces are gone. There are only eight lettermen returning and only two of them - linebacker Greg Smith and back Mick Crom have had two years of varsity experience under their belts.

Thus, for the most part, coach John Kaestner must go with young faces, but he doesn't seem to be disturbed. A year ago, with a flock of veterans, his team won only twice while losing three and tying three.

Kaestner feels that Churchill can go places in the now tougher Western Six League which has expanded this season to include Northville from the Wayne-Oakland League.

THE BIG thing, as he sees it, is for Churchill to get off on the right foot in non-league action - next Saturday at Thurston and the following Friday against Grosse Pointe South at Churchill.

Then Churchill starts its league slate against Farmington Harrison, hailed by many as the team to beat for the crown.

Crom is a 160-pounder speedster who likely will be teamed with Bob Blaise (quarterback), Phil Damanska or Jim Powell (right half) and Kevin Arnold (fullback), in the starting offensive backfield.

Except for Crom, the other quartet are all juniors.

Bob Galloway, Kevin Reans and Brian Kromer all are back at tackle for the Chargers while Serge Guillott returns at center.

OTHER VETERANS are Jim Reynolds, a linebacker, and Roy Henrikson, a defensive halfback.

Juniors who figure to see considerable action include Doug Lloyd at guard, Paul Black at linebacker, Jim Foster, a defensive end; and Gary Konte, an offensive end. Rich Barker, a defensive halfback, is another senior who has impressed Kaestner.

The weight charge shows that Churchill probably will give away a lot of poundage to its rivals. There's not a 200-pounder on the above list.

Galloway and Reans are the big men at 195 pounds each.

SHS Golf Schedule Announced

The fall golf schedule at Southfield High School has been announced. Tom Ridley will again coach the linksmen who will be competing for the first time in September and October.

The schedule:
September
13 - Ferndale, 16 - at Royal Oak Kimball, 20 - Berkley, 27 - Birmingham Seaholm, 30 - at Ferndale.

October
4 - Kimball, 6 - at Waterford, 11 - at Berkley, 16 - Regionals, 23 - State meet, 28 - Waterford.

IN THE POCKET

By W.W. EDGAR

Metropolitan Detroit again proved its right to a place in the bowling sun last week when two of its entries - Fred Vitali and Mrs. Penny McLain - won six out of a possible eight medals in the world championships rolled in Milwaukee.

Penny, who is well known in Observerland for her bowling at Garden Lanes, won four of the six as she was a member of both winning teams - the four - women group and the five - member class - and gained second place in the doubles and third in the all-events.

Vitali, one of the leaders in the Classic at Westland, was a member of both winning teams in the men's division, but could do no better than eleventh place in the singles.

No other area was able to match the performance of the Detroiters.

STEVE Mesmer who recently was discharged from military service, lost no time in getting into the swing of things in the Westland Classic.

As a member of the Milosevich team he put together games of 247, 187 and 206 for the first 700 of the season in the circuit.

The big count helped his team roll 1107 for high single and 2868 for high series.

Other high scores on opening night included Larry Kellogg's 608 that came on games of 254, 225 and 129.

Third place went to Harry Fill with a 246 in 663 and Eddie Lubanski celebrated his birthday with a 257 start in a 648 series.

In the Ladies Classic, Bobbi Hunsley showed the way with a 226 single and Linda Gauger earned top series with a 558 and Benthe Rostgaard added a 549.

ONE OF THE oddities of the new season made its appearance at Country Lanes when three generations of one family registered for the Thursday Morning Suburban League.

Mary Mead, the aunt, came with her niece, Ann Grant, and her grand-niece Denise Herd.

It is doubtful if there is another such combination in one league in the state.

While this trio was taking the spotlight Kon Knight, carrying a 171 average, started his season with a 254 game - then slumped.

WHAT STARTED as a little friendly league, known as the Odd Couples, at Mayflower Lanes, has now bloomed into one of the largest circuits in Observerland.

Thirty-two teams now comprise the circuit that takes over the lanes on Sunday night.

Mayflower also boasts another 32-team league in the Junior House category.

FRED HAMLIN, genial host at Farmington Lanes, opened his teenage program Saturday morning and from all appearances it may even be larger than a year ago.

Included in the program are daily after school loops, the Saturday morning YBA and a Teenage Classic.

LARRY Ledwidge sent the Businessmen's League off to a flying start Tuesday night at Vel-Aire.

He opened with a 257 followed with a 220 and closed with 182 for 659 to lead his closest rival, Dale Etherington, by 10 pins.

Other high scores included Tom Kinjoraki with 608, Russ Fraser 608 and Mickey McGee 600.

In the Senior House League Jim Sherwood showed the way with a 617 that included a 225 finishing game. Gelie Depilidosian was next with a 244 in 614 and Erv Watson Jr. landed third with a 606.

ALL RECORDS for opening night were shattered in the Wonderland Classic when the sharpshooters posted three 700 series, 34 above 600 and two teams over 3100.

Mike Mathis paced the pack with a 737 followed by Jon Grianod with 728 and Jim Macomber with 707.

Ron Sharples team registered a 3181 and Bill Walker's Standard Composite combination had a 3113.

Jim Knoll had high single for the night with a 279, while Dan Fauer collected a 267 and Emil Wansa tied with Karl Cantrell for third place at 258.
