### A Timely Issue

A study committee which has been probing into the pros and cons of retaining a 7:30 a.m. starting time for classes at Plymouth High School will report at Monday's Board of Education meeting. How one mother feels is stated emphatically in a letter to the editor.

### Hail The Chief

Police Chief Timothy Ford emerged as the hero of a confrontation between the Fall Festival board and delegates from the Garden Club over what to do with festival concession booths and still maintain Kellogg Park's beauty. Did he have to use his nightstick? Bifocals says not; just his mind.

### Bits and Bites

A speaking date here for Sheriff William Lucas, the sale of apples by the Jaycettes, a "candidates night" for those who are running for seats on the city commission - those are only a few of the items we classify as Plymouth brevities.

### Dedication

A new pipe organ - one of the relatively few in area churches - is to be dedicated in Plymouth Sunday. Details of the dedicatory recital are in our Church Section.

## National Newspaper Week

October 10-16

Join with the Observer in saluting newspapers all across the country for their part in helping the growth of America. Newspapers provide a center of information, including news of current events and an exchange of ideas. They endeavor to promote public awareness and the understanding of today's complex problems. They are important in the making of a more knowledgeable America.

REIGNING OVER HOMECOMING festivities at Plymouth High School next weekend will be one of these five senior girls, chosen by a poll of their classmates. The entire student body will vote for queen and she will be crowned at halftime of Friday's football game. Candidates include Sharon Foster (top left), Leslie Thornbladh (top right) and, in the bottom row from the left, Cindy I. Green, Nancy Finlan and JoAnn Henry. (Observer photo by Bob Woodring).

### Homecoming Downtown?

## One Will Wear Crown

As Plymouth High School's student body prepared to cast ballots for the selection of a homecoming queen, officials of the administration said that in all likelihood the Friday, Oct. 15 football contest, with Redford Union will be kept at the old downtown gridiron at Central School.

An ambitious five day program of homecoming events has been mapped by the senior class committee which is in charge, chaired by Mark McKelvey and Miss Leslie Thornbladh, and under the circumstances even this body has recommended playing the game at the traditional site.

Not all facilities of the new stadium on Canton Center Rd. are finished, and although the push was on to have it as nearly perfect as possible by Friday it now seems the first game there will be the Dad's Night contest Oct. 29 against Edsel Ford.

A positive announcement will be made Monday for publication in Wednesday's Mail & Observer.

MEANWHILE, the seniors themselves selected these five candidates for queen, with the entire student body then getting a chance to vote: Nancy Finlan, Sharon Foster, Cindy I. Green, JoAnn Henry and Miss Thornbladh. The winner will be announced at halftime Friday.

The queen's court also will include Holly Doty as junior class representative and Mary Covington as sophomore representative.

It is the hope of the homecoming committee that there will be greater alumni enthusiasm than ever in the 1971 fete, and activities will get underway Tuesday with senior sidewalk night - meaning downtown is in for a whitewashing.

Wednesday night there will be a "whopper" eating contest for senior boys at the Burger King restaurant, 11 at one sitting alleged to be the present record, and at 7:30 p.m. Thursday a pep rally and confire will be held at Central.

Friday calls for a downtown parade starting at 7 p.m., followed by the RU game at 8 and announcement of the queen. At 6 p.m. Friday there will be a tea for all alumni in the Central cafeteria. The only switch in plans would be holding the parade Thursday if it does turn out that the game is played at the new field.

A homecoming dance for all PHS students is planned for 8 p.m. Saturday in the new high school.

Dedication of the new structure also had been planned for homecoming weekend, but has been postponed until Sunday, Dec. 5.

## Plymouth 'Y' Is For All

(Editor's Note: This is another in a series of articles on the agencies which gain at least part of their financial support from the Plymouth Community Fund, whose 1971 campaign will continue through Nov. 18. This article concerns the YMCA, which the PCF has budgeted for \$14,000).

Traditionally, YMCAs have designed their programs to serve middle to upper class families. Swimming instruction, sports activities and craft classes have been available to whoever could afford the fees, however reasonable. It's been kind of a subsidized country club.

Toward the end of the '60s, the National Board of YMCA's undertook a commitment to give higher priority to the problems and needs of the poor. Across the country, Y's have advanced this trend.

The Plymouth Community YMCA, unlike most of the others, did not redefine its program emphasis at all. This Community Fund agency has always concentrated its efforts toward families - particularly youngsters - of lower socio-economic status.

As director Thomas Griffin observes, "We're 10 years ahead of our time." Last summer's recreation programs based at Starkweather and Gallimore Schools typifies their year-round activities. Elementary and junior high school age boys participated in 10 weeks

of planned sports, trips and projects that included swimming, riflery instruction, first aid, museum and factory tours and day-long excursions to Bob-Lo and Cedar Point Amusement Parks.

A GIRLS' program, also for elementary through junior high school ages, included similar trips and sports, plus crafts such as candlemaking and tie-dyeing, and camping out.

Throughout the school year, the "Y" centers its programs around children and young adults who, because of geographic location or lower family incomes, haven't access to other community activities and services. The attempt is to provide them with experiences they might otherwise not be exposed to, yet which are necessary to their development as useful, productive citizens.

Held mostly at Starkweather and Gallimore, the programs for boys and girls encompass group and individual study, leadership exercises such as speech making, guest speakers, crafts, field trips, sports, parties and fellowship.

Out of over 400 programs submitted to the National YMCA's survey of "Effective Programs for Lower Socio-Economic Status Families," two Plymouth programs were included among the 40 described in a booklet

distributed by the National YMCA to its members last fall.

ONE IS THE Starkweather knitting project, in which housewives volunteer as instructors for upper elementary school girls. The classes use donated materials and meet after school, thus eliminating cost or transportation problems. The second, Operation Open Door, is a work-study program lead by college students for elementary and junior high students.

Underlying the objectives of fun and learning in all of the YMCA programs, are the goals of furthering the participants' personality development and building their self-confidence. More than mere activities directors, the "Y" staff and volunteers are counselors and referral agents to the families in case of need.

The Plymouth YMCA has been described as an "underground" operation, seeking no publicity or recognition, just quietly serving those in need. Probably few area people know that its employment service, for example, has found jobs for over 1,400 young people and adults since it was begun in 1968.

In other communities, people go to the "Y." Since the Plymouth YMCA has no permanent building, the "Y" goes to the people.

## NAG Minimizes Rascist Aspects Of Bussing Issue

By FRED DELANO

Despite the racial aspects underscoring the entire debate over forced cross-district school bussing, the attorney for the National Action Group (NAG) told a Plymouth audience Wednesday night, "I refuse to let this become a back-white issue."

Attorney L. Brooks Patterson and NAG's president, Mrs. Irene McCabe, had just flown in from a meeting with anti-bussing leaders from several states at Washington. They were the principal speakers before a crowd of about 500 in the Central Junior High School gymnasium, many of whom identified themselves as being from Northville, Novi and South Lyon. The meeting was organized and chaired by Carl Herwig of Novi.

In the main, their comments were directed toward whipping up a congressional contact campaign in behalf of a constitutional amendment that would ban cross-district bussing of students, and of discussing alternatives.

Although Mrs. McCabe's opening remark was to call the turnout "heartwarming," she added immediately that "this is the first meeting I've ever attended that is not filled to capacity." Sidelined bleachers were only about half full, and no seating at all was provided on the gym floor.

SUPT. JAMES ROSSMAN, who was in the audience, said later that he has found "concern but no frenzy" to

exist in the Plymouth district on the bussing issue since U.S. Judge Stephen J. Roth's finding that Detroit schools are segregated, and his instruction of last Monday that a plan for metropolitan school integration be prepared for consideration.

As of Friday morning, Rossman had received only three telephone calls from Plymouth parents on the matter. Board of Education Treasurer George Lawton had had two, and Board Vice President John Hanskat none. Board President Esther Hulsing is in Europe.

The board has no present plans to take a stand on bussing in its meeting Monday night other than to consider a request from Rossman that Plymouth join 84 other suburban districts in providing funds to retain an attorney "to serve as a watchdog and keep us informed."

THE SPIRITED Mrs. McCabe, who came into the anti-bussing forefront after this course was ordered in her home Pontiac district, said Wednesday, "NAG is pledged to stay within the law, but we're going to become a people-pressure group, and we're going to accomplish a great deal."

"Our membership now stands at about 30,000 and we are going to fight on two fronts. One will be in the courts, and our main thrust will be for a constitutional amendment to put an end to this issue once and for all."

Not once did she mention, or seek to encourage, the Oct. 25

boycott of schools attributed to NAG as a means of demonstrating opposition to suburban bussing.

Patterson, in attempting to shy away from racism, claimed that the length of time of bus rides, the loss of extra-curricular activities, a lessening of PTA values, and general loss of local control over schooling create greater fears than the mingling of the races.

Nonetheless, he then added, "Judge Roth's decision means that to get whatever ratio he desires in Detroit, he'll have to dip into the suburbs."

"We don't know where it's going to happen, but don't sit back and say it's someone else's problem. Even if you are spared here, we need your help."

PATTERSON SAID that alternatives to forced bussing which should be considered include voluntary bussing, the re-drawing of district lines and more open housing.

Taking a cue from Mrs. McCabe's statement that "we want quality education for both blacks and whites in their neighborhood schools," Patterson declared:

"The kids are not to blame. If people are allowed to mingle and live together, we won't have all black and white neighborhoods and schools."

The meeting was orderly with most, but not all, of the sentiments in support of a boycott of schools. Speakers included former State Sen. Robert Huber and Philip Lee, leader of a recent Warren boycott.

## Youth-Police Rapport Improvement Sought

By W. EDWARD WENDOVER

A program designed to improve the "younger set's" knowledge of laws in the Plymouth community and to improve the rapport between youths and police has been expanded in Plymouth schools this year.

Sponsored by the Plymouth Police Department, the Michigan State Police and the Plymouth Community School District, the program is divided into four parts:

Elementary school children will receive instruction in safety programs revolving around themes such as bicycle safety, pedestrian safety and safety during seasonal periods like Halloween and vacations. The elementary program will use films and demonstrations.

At the middle school level, students will be given explanations of police

technology and laws which apply to them.

A special series has been designed for ninth grade students. The instruction will include the use of discussions between youths and police, movies and slides, as well as discussions on laws relating to youths.

AT THE high school level, police community relation officers will serve as guest speakers in classrooms where they will show movies and lead discussions. A coop program, designed to offer some 12th grade students working experience with local police, is also scheduled. The program will be run on a credit-basis and attempt to show the inner workings of the police department to students who might be interested in pursuing law enforcement careers.

Police Chief Timothy Ford stressed the need for im-

proving youth-police relations. "We need to open the channels of communication."

"The police - by default, if for no other reason - are more involved with youth than many other parts of the community," Ford said. "And for years no one has been able to tell the police story to the youth."

Ford stressed the importance of the program at the ninth grade level. "Since we believe that one of the critical periods occurs about the ninth grade, we've developed a special series for students at that grade level."

"This series is designed to highlight and freely discuss problems as seen by this general age level and police. Its objective is to open channels of communication which may have become clogged by misunderstandings by both groups," the chief said.

THE ISHANGI DANCERS, a vibrant African dance group, will bring their rhythms and songs into Plymouth schools this week under sponsorship of the Community Arts Council. The schedule calls for Monday performances at 9:45 a.m. at East and 1:45 p.m. at Central, Tuesday at 10 a.m. and 1 p.m., both at Plymouth High School, and Wednesday at 10 a.m. at West and 1:45 p.m. at Central. This is the first of a series of professional programs scheduled for schools during the year by the council.

**The Stroller... Don't Stop Now!**  
By W. W. EDGAR  
At Last! Don't stop now! These were the first thoughts that entered The Stroller's mind when he learned that the City Commission had taken the bold step to revamp what is known as "downtown" Plymouth and employ a professional to put the pieces together.  
For the past half-dozen years, he has heard all sorts of plans and looked at a half-dozen drawings depicting how the "future" Plymouth should look.  
Some were a bit on the dreamy side. Others were ideal and would have made Plymouth the kind of a place in which people would like to live and do business.  
But none of them ever reached fruition. They are stacked on the shelves in City Hall gathering dust, and one of these days, during a house cleaning, they'll be tossed aside - and entirely forgotten.  
WHO CAN forget the grandiose plan of a downtown business loop in which Main Street would be closed and the traffic switched to Harvey and Union Streets, so that the "downtown" could be made a modern, picturesque mall? This was a grand idea, first promoted about 10 years ago. The last The Stroller heard of it was at a commission meeting some years ago when the city planners were discussing the degree of the arc at the four turns.  
Listening to the professional planners that night, one would have assumed that they were discussing the construction of an auto racing strip.  
That's the last that was heard of it.  
Then The Stroller had the privilege of joining with a group for a trip to St. Clair and learn, first hand, what was being planned to "save" that historic spot on the lake.  
We listened to a plan that was beyond being bold. This was a plan to bring in a bulldozer and knock down the entire business section and rebuild the downtown area with special emphasis on a promenade along the shore of the St. Clair River.  
A bolder plan you never have seen.  
This stirred some thinking among the leaders of the Plymouth group - for a while. But it soon was forgotten while St. Clair, after overcoming many obstacles, not only started the plan - but finished it and now is looked upon as one of the model small towns in the Midwest.  
MEANWHILE, Plymouth just kept hoping - hoping that something could be done. There didn't seem to be much enthusiasm to buck the old school that raises its voice at any modern improvements and protesting, "Don't you do anything to change our Colonial image. We like 'our' Plymouth just the way it is with its historic charm.  
But now a bold step has been taken - the boldness of the lot - by those who see Plymouth as a "dying" city.  
The Stroller has been delayed with letters from time to time, begging that nothing be done to remove the charm of the little town that once was an Indian trail to Ann Arbor. "I'd like to keep the Plymouth we used to know 25 years ago," City Commissioner Harold Guenther pointed out. "In these days we drove on the wrong side of the street, left our keys in the car, if we had one, and knew everyone passing on Main Street.  
"But those conditions don't exist any longer. And we've got to move with the change." Fine. But with the knowledge that nothing succeeds without enthusiasm, The Stroller goes back to his first thoughts - "At Last! Don't Stop now."

**Letter To The Editor Astronomer Lovell To Speak At SC**  
7:30 Classes Still An Issue  
EDITOR: As a parent, I am disturbed at the apathy shown over the 7:30 a.m. scheduling of Plymouth High.  
There were approximately 35 parents attending the board meeting Aug. 31. After two hours of hearing good arguments put forth on the asset of starting classes at a later hour, it was proposed a committee be formed to study the issue.  
The group met and out of this meeting came just one definite conclusion: the 7:30 hour is here to stay but we might be promised it will never go to 7:15.  
These were a few points brought out at the meeting: approximately 300 students have after-school jobs which might be affected; but also a high percentage baby-sit. Not many students can "sit" past 9:30 and rise early with enough rest.  
The students and teachers were polled, and a majority voted for the early start. But if our household was run on the "say" of the children, it would be chaos!  
Twenty-five teachers did vote for a 9 a.m. start, but it was pointed out that they were teachers with families, which reinforced the argument for the family unit to be given consideration.  
It was suggested a poll be taken of parents, since they have been completely overlooked in this issue. This was vetoed on grounds it might create "armed camps", whereas there was no fear of this with the school poll.  
It was understood the transportation at 9 a.m. is no problem, if the starting time were changed. Robert Houghton, head of bussing, said his crew was great and would do whatever he asked.  
Perhaps we who feel strongly against children leaving home at 6:45 or 7 a.m. are in the minority. It's time we hear from other parents, at least those interested enough to attend and hear the report at the next board meeting, which will be held at 8 p.m. Monday, Oct. 11 in the school administration building next to Junior High East.

THROUGH BIFOCALS

By FRED DELANO / Editor: Mail & Observer

**SOMETIMES AN OUTSIDER**, who isn't married to pre-conceived notions born of tradition and prejudice, can offer clarity of thinking and a new approach to issues that adversaries in a dispute may have avoided just out of stubbornness against compromise.

Wednesday evening brought us the anti-bussing NAG meeting, where very little evidence favoring compromise was in the air, and the Fall Festival board session, where the newest Plymouthite of the 30 in the room offered a new look idea which bodes well to restore harmony in the workings of this civic fete.

It's a characteristic of Plymouth that more of its key civic and social leaders were at the latter City Hall meeting instead of at the former in Central School, where the crowd was mainly the little guys of the world.

Yet, when Police Chief Timothy Ford was asked to talk after being in our midst only since mid-July, he hopefully laid to rest weeks of knif-knawing over the physical layout of festival attractions with a logical suggestion which now must go through the usual study by a special committee before its wisdom can be verified.

**THE CHIEF** proposed blocking off all of Penniman between the eastern point of Kellogg Park and Harvey Street, as well as closing Main Street to traffic in that long block between Penniman and Church, for the entire four-day run of the festival.

This would give the ever-growing festival new dimensions and provide a concourse for booths and other concession attractions all the way from the park to Central School, a site which is coming more and more into play for such festival events as the arts and crafts show and, to say the least, parking.

Until Ford made his authoritative suggestion about street closings, there had been a bit of polite blood-letting between festival officers and the ladies of the Garden Club over esthetics vs. practicality in use of the park and placement of booths, but without agreement.

"**GREAT**," GUSHED one of the feminine guardians of park beauty after the chief had had his innings. "Marvelous," echoed another. Quick to realize that the good angel had smiled upon him, Festival President Joe West named a study committee of seven to report Dec. 1 after looking at a map and summary from the city.

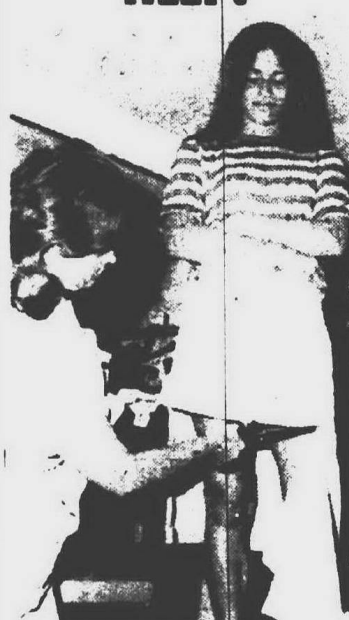

That committee will include Myrilla Schrader, Wilma Newton, Doug Hinner, Cam Dostie, Dale Carmine, Tony Flum and Dick Anderson.

You will note that the array of seven includes only two women and five men. But in this instance, that makes the odds no worse than even on the side of feminine justice.

## Lab's Gift Of Quinine Is Praised

**PLYMOUTH** World Medical Relief, Inc. recently praised a Plymouth area firm's contribution of 2,700 pounds of quinine as "a godsend for use in South and Central America by our military medical civic action teams."

The donation was made by Salem Laboratories, of 8325 Chubb Rd.

James R. Brown, Salem's president, said it is his understanding that the quinine was made into pills to fight malaria. He said more than 1,000 pills can be made from each pound.

A letter of gratitude to Brown from Mrs. L.G. Auberlin, president of World Medical Relief, commented, "We greatly appreciate this donation, as it is rather difficult to come by. It will be used at clinics in villages where there has never been medical assistance before."

Salem Laboratories recently moved into new facilities at Salem Airport and manufactures chemical specialties for marine, aviation, camper and automotive markets. Brown says, "On occasion, we have had both cars and aircraft in our parking lot. We think this is great."

## Lotero Winner Of Air Medal

**PLYMOUTH** Army Captain Ronald J. Lotero, 26, whose wife, Anna, lives at 380 W. Liberty, Plymouth, recently received the Air Medal in Vietnam.

Capt. Lotero earned the award for meritorious service, taking part in aerial flight in support of ground operations in Vietnam. He is assigned as a supply officer in the Military Assistance Command, Vietnam, Advisory Team 71 near Soc Trang.

He entered the army in 1968 and was last stationed at Ft. Ord., Calif. The Captain received a B.A. degree in 1968 from Western Michigan University, Kalamazoo.

## Social Studies Started Sooner

ANN ARBOR In the near future, kindergartners may be learning ABC's, numbers and social psychology.

And first graders may practice the skills of social scientists, from collecting and testing data to generating hypotheses and conclusions. But despite their sophisticated learning methods, the subjects they study will be basic ones: making decisions, love,

hatred, influencing others, for example.

THESE EXPERIENCES are central to the life of any youngster. Yet, at present, he has to wait until he's a college sophomore to study them. As a result, say University of Michigan Profs. Robert S. Fox and Ronald O. Lippitt, vast numbers of students have suffered.

"The social studies program, as it is carried on in most schools, is ranked by students as the least relevant and certainly among the least popular of school offerings," Fox said.

"Dominated by history, geography and civics, it stresses concern with what a historian or sociologist has learned, not how he went about learning it."

"Psychology, sociology, economics and political science are fields that are coming into their own now, just as physics and chemistry did during the Industrial Revolution. We feel that a curriculum can be developed around them which will be relevant, exciting and involving for the learner of any age level."

FOX, A PROFESSOR of education, and Lippitt, a professor of sociology and psychology, have collaborated since 1963 in developing a framework for a social science curriculum en-

compassing kindergarten through 12th grade.

## Postal Service To Be Limited Oct. 11 and 25

Regular holiday schedules will be observed by post offices on the two legal holidays in October - Columbus Day, Monday, Oct. 11, and Veterans Day, Monday, Oct. 25.

No regular window or delivery services will be provided.

Mail will be collected from deposit points on holiday schedules; special delivery service will be available where post offices receive dispatches of mail on holidays, and postal lobbies in many cities will be open for access to lock boxes and stamp dispensing equipment.

## Plymouth Brevities

OUR SHERIFF, William Lucas, will be the speaker Thursday, Oct. 21 when the Lions Club holds its "police appreciation night" dinner at the Thunderbird.

One of our local officers will be singled out for special tribute at that time as Lt. Rod Cannon and Patrolman Carl Berry were in 1970 and '69.

THE JAYCETTES have taken over the annual October apple sale which used to be conducted by the Plymouth YMCA, and the girls will be peddling them from a truck in the Central Parking Lot each Saturday from now through Oct. 30.

The apples are donated by the David Wood Farm, hand-picked by the Jayettes, and telephone orders may be placed by calling Mrs. Fred Hill on Ann. Profits will go toward expanding the Jayettes' assistance for a cottage of girls at the Wayne County Child Development Center.

MARK THIS date down right now for a chance to hear all of the candidates who are seeking your vote in the municipal election Nov. 2.

The League of Women Voters will be sponsoring a "candidates night" forum at 8 p.m. Wednesday, Oct. 27 in City Hall. You will be going to the polls six days later to elect four members of the city commission.

PRE-CHRISTMAS social highlights may bring a run on local fashion shops, for Milady's calendar will include the Symphony League ball, the Policemen's ball and the Tonquish Creek Yacht Club ball.

The Symphony League fete is moving to Ann Arbor this year, the police are taking their night of gaiety to a Garden City site, and only the T.C.Y.C. will keep its party in the home port of Plymouth.

HERE'S A suggestion to parents from the Plymouth police and the Michigan State Police concerning the annual Halloween custom of "trick or treating."

Although Halloween falls

this year on Sunday, Oct. 31, police urge that in the interest of child safety all the celebrating be done on Saturday night, Oct. 30. There will be a more complete statement from Chief Tim Ford later on.

NEW RESIDENTS moving into the Canterbury Woods section of Windsor Park subdivision, off Sheldon Rd. between Joy and Warren, are anxious to form a homeowners association and will meet for that purpose at 7:30 p.m. Wednesday, Oct. 13 in Gallimore School.

Phase One of the Windsor Park development calls for 240 homes, and ultimately the project will include 804 families. Maybe it will surprise you, maybe not, to know that Canton Township has approved development of 1,796 acres with a total of 9,394 living units to be built within two years.

That means a population increase immediately south of Plymouth of 30,000 people! PIONEER AND WEST Middle Schools both will hold open house for families of their students during the coming week, giving parents the chance to follow a child's daily routine on an abbreviated basis from class to class.

Pioneer has scheduled this type of program for the evening of Tuesday, Oct. 12, and at West it is planned for Thursday night, Oct. 14.

JIM AND IRMA Van Loo have returned from a three-

month European trip on which they were accompanied by Mrs. Van Loo's father, Mack Leger, of Florida.

They visited eight countries, with Jim at the wheel driving up and down mountains until he wondered whether he ever again would see a straight road. They admit the trip was "quite an education."

DICK WERNETTE, who once served a stint as mayor of Plymouth when he was on the city commission, has been accorded a new honor.

Recently Dick was elected to the board of directors of the Ferris State Alumni Association. Now attached as an attorney to the Wayne County Probate Court, Dick graduated from Ferris in 1927. STATE JAYCEE President, Pat Sheridan will be in Plymouth Monday to address a dinner meeting of the local chapter, whose leader is Jim Herter. The affair had been scheduled for Lofy's at 7 p.m., but has been shifted to the Thunderbird Inn.

## Garden Club Meets Monday

PLYMOUTH

The Plymouth Branch of the Women's National Farm and Garden Club will meet at 1 p.m. Monday at the home of Mrs. William A. Bake, 841 W. Main, Northville.

Mrs. Mary Ware of the Northville branch will speak about Christmas wreaths and bows.

## TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES REGULAR MEETING SEPTEMBER 28, 1971

The meeting was called to order at 8:00 P.M. by the Supervisor. All members were present.

READING, CORRECTING AND APPROVAL OF MINUTES, Regular Meeting, September 14, 1971. Mrs. Holmes moved that the minutes of the meeting of September 14, 1971 be approved as submitted. Seconded by Mr. Ash and carried unanimously. Special Meeting, September 21, 1971. Mr. Overholt moved that the minutes of the special meeting of September 21, 1971 be approved as submitted. Seconded by Mr. Burke and carried unanimously.

READING, CORRECTING AND APPROVAL OF BILLS. Mr. Ash moved that the Board approve payment of bills in the Grand Total amount of \$79,321.34. Seconded by Mr. Burke and carried unanimously. OPENING OF BIDS ON THE JOY ROAD TRUNK SANITARY SEWER AND ANN ARBOR ROAD WATER MAIN. Mrs. Richardson moved that said bids be closed at 8:10 P.M. Seconded by Mr. Overholt and carried unanimously. Nineteen bids were opened by Mr. Overholt and read aloud by Mr. Hamill. Mrs. Holmes moved that the Board refer the bids to Mr. Hamill for his study and recommendation. said recommendation to be submitted at the October 12, 1971 meeting of the Board. Seconded by Mr. Overholt and carried unanimously.

COMMUNICATIONS. Edward Drago & Re: Letter of appreciation to the Fire Dept. and use of Township offices during the Lofy Fire. Edwin Kivela - Detroit Edison Company. Re: Rate increase to Township, if granted by Public Service Commission. Mr. Breen advised that the Township would be represented at the Public Hearing and the increase would be protested. Ernest G. Kol, Passage-Gayde Post 391 American Legion. Re: Official presentation of the American Legion "Fireman of the Year" award. Mr. Kol presented the plaque, which was received by the Supervisor and Fire Chief, and in accepting same, Mr. Breen stated that this recognition by Gayde Post was appreciated by both the Township and the individuals so honored. Joseph Biele, Re: Pump, pump and kick contest on Saturday, October 2, 1971 at 5:00 A.M. on the Township Recreational site. Mr. Ash moved that the above communications be received and filed. Seconded by Mr. Overholt and carried unanimously.

OLD BUSINESS. Donald C. Morgan, Re: Consent Judgment - Edward Jensen vs. Twp. of Plymouth. In his communication, Mr. Morgan recommended that the Consent Judgment in the above entitled cause be entered into. Mrs. Richardson moved that the Township Attorney be instructed by the Board to enter into a stipulation for entry of Consent Judgment with the Plaintiff in the case conditioned upon the Township Engineer reviewing and approving the legal description of the property as contained in the proposed Consent Judgment. Seconded by Mr. Ash and carried unanimously.

Donald Morgan, Re: Adoption of an ordinance covering the 1968 edition of the Reciprocal Heating Code. Mr. Millington moved that the Board table this subject matter for 30 days in order that an opinion may be submitted by the Attorney on the proper method for the adoption of the Reciprocal Heating Code. Seconded by Mr. Burke and carried unanimously. Mrs. Holmes then moved that the Board rescind its action of September 14, 1971, in which it was determined to hold a public hearing on the adoption of the recommended Reciprocal Heating Code on October 12, 1971. Seconded by Mrs. Richardson and carried unanimously.

L.J. Adelson-Wayne County Department of Health. Re: Sewer construction - Plymouth Hills Subdivision. Mrs. Richardson advised that in addition to the communication from the Wayne County Department of Health, in which it stated that this agency felt a proper solution to problems in the area of Plymouth Hills Subdivision would be the installation of a sanitary sewer, a communication from the Plymouth Hills Subdivision Association, signed by Richard Gornick, President had been received. This latter communication asked that the property sewer be expanded to include the construction of a sanitary sewer in their area. Also, at this time, the Board considered a communication from Mr. Thomas requesting extension of water main on Beck Road between Ann Arbor Rd. and Stonerest. Then in response to a question by Mr. Breen as to whether or not the requests in these subject matters could be integrated into the present studies being made, Mr. Hamill advised that Plymouth Hills had been under consideration, the only question being the matter of a decision as to the route, the exact location of the sewer at the Byron Creek Valley, and the matter of the policy on the retention basin. He then proceeded to develop these points explaining past planning and present status of same. In regard to the extension of the water main on Beck Road, Mr. Hamill advised that this could be done, that Beck Road at this point was the division between the high and low pressure systems. He further explained the need for additional pressure if the system is expanded further west and he discussed possible routes, which of necessity would involve considerable construction. He also stated that possibly Mr. Thomas could be served from Woodlark Subdivision and engineering-wise what would be involved. Considerable discussion then ensued on determination of routes, financing, etc., following which it was agreed that no formal action was necessary at this time.

NEW BUSINESS. Richard N. Hamill, 6820 Apple Creek. Re: Requesting of fence already erected and the fence code. Mr. Hamill appeared before the board to request that he be allowed to keep a three strand fence

presently erected around one half of his front yard. He stated that he did not know until after the fence was erected, that it was not in accordance with the Township code. He further stated that he had already taken down part of the fence he had erected. He explained his reasons for erecting the fence, damage done to plantings, etc., and concluded his remarks by stating that the fence was very attractive and he believed an asset to the neighborhood. Mr. Millington advised that he had gone to this area, and he had observed three or four fences that were in violation of the ordinance. Mr. Breen advised that only upon the complaint of a neighbor has the Township enforced its fence ordinance, and he believed it was up to the Board to determine how it was going to enforce its fence ordinance. Mr. Richardson stated that it was only in the past 6 to 8 months that we had definitely advised Mr. Alloway that we wanted strict enforcement of the ordinances. The majority of Board Members agreed. She further stated that having the Township require a permit for construction of fences would prevent many problems as the people would obtain more information on fencing when they applied for same. Discussion then followed on this subject matter by members of the Board and Mr. Alloway, following which a motion was made by Mrs. Holmes that a permit procedure for fences be developed by the Building Inspector in concert with the Township Attorney, for presentation at the January 11, 1972 meeting of the Board. Seconded by Mr. Ash and carried unanimously. Mr. Millington then suggested that residents in violation of the fence ordinance be notified that they may present their case to the Board of Appeals, and Mr. Alloway stated that he would so notify them in writing. Helen Richardson, Re: Adjustments to Budget Accounts. Mrs. Richardson advised that the Auditor had concurred in the method of making adjustments as presented in her communication, following which Mr. Ash moved that the Board approve the recommendation for adjustments to budget accounts contained therein. Seconded by Mr. Overholt and carried unanimously.

Charles Childs - Secretary, Plymouth Township Planning Commission. Re: Action taken by Planning Commission on September 15, 1971. (a) San Plastic Coasting Company - Applic. No. 164. Re: Resolving a parcel on the north side of Joy Road east of Lofy Road from R-2-A to M-1 since it was contiguous to the M-1 zoning of the Industrial Park. Mr. Overholt moved that the Board concur in the recommendation of the Planning Commission and approve the rezoning as requested in Application No. 164. Seconded by Mr. Millington. The following roll call vote was taken: Ayes: F. Millington, G. Overholt, G. Burke, R. Ash, H. Richardson, M. Breen, Abrahamsing, E. Holmes. (b) Percy Lancaster - Applic. No. 161. Re: Lot Split in Green Meadows Subdivision. The Planning Commission recommended approval of the following lot split as contained in Applic. No. 161: "Step 1 - the total dissection and reconsideration of Lot 107 in its entirety and its addition to Lot 105, making one lot. Step 2 - metes-and-bounds of a portion of this lot formed by Step 1 and the connection of this portion of Lot 105, so as to form two lots, one of 70 feet in width on the south and a second of 80 feet in width to the north, to be known as Lots A and B, respectively." "Then, with the two of a bearing, Mr. Ash indicated the area and explained further details of the lot split, following which Mr. Millington moved that the Board concur in the recommendation of the Planning Commission and approve Application No. 161. Seconded by Mrs. Richardson and carried unanimously.

Joseph Biele, Re: Requesting permission to attend the Michigan Section of American Works at Boyne Mountain on October 12, 13, 14 and 15. Mrs. Richardson moved that the Board approve the request of Mr. Biele for permission to attend the Michigan Section of American Works at Boyne Mountain on October 12, 13, 14 and 15. Seconded by Mr. Ash and carried unanimously.

REGISTRATION: Liquor Control Commission. Re: Re: Requesting a S.D.M. License for Allied Supermarkets, Inc. at 6820 Ann Arbor Road. Mrs. Holmes moved that the Board approve the request for a S.D.M. License for Allied Supermarkets, Inc. at 6820 Ann Arbor Road. Seconded by Mr. Ash and carried unanimously. Mrs. Holmes moved that the Board add to its agenda the subject matter of facilities for McCampbell and North Territorial Roads. Seconded by Mr. Millington and carried unanimously. Mrs. Holmes then asked for a report on plans for a water line on McCampbell and the status of the right of way for the proposed water line to the Church property on N. Territorial Road. Mr. Breen advised that one individual has refused an easement for the sewer to the Church property, but that he has granted him an appointment, which the Supervisor will keep and pursue the request for the easement. In regard to the McCampbell Road water line, Mr. Hamill asked for permission to have a meeting for bids to be opened October 12, 1971, and the recommendation of the Engineer on the way out date. In response to a question, he advised that it would be a meeting to proceed from the one bid were received in the present meeting. Also, he stated that he would not recommend proceeding at Territorial Road until the right of way is received. Following discussion, Mrs. Richardson moved that the Board accept the engineering plans for extension of the water main on McCampbell Road, that same be advertised for bids, and bids to be opened in the October 12, 1971 meeting. Seconded by Mr. Ash and carried unanimously. Mr. Overholt moved to adjourn the meeting. Supported by Mr. Millington. Supervisor: Thomas Overholt and the meeting at 10:00 P.M.

## 'Approaching Death' Symposium Topic

A symposium on "Approaching Death" will be held Wednesday, Oct. 13, at 7:30 p.m. in the Ford Motor Co. world headquarters auditorium, American Road, in Dearborn.

Discussion will center on the proper approach to preparing the terminal cancer patient and his family for death.

Professionals in health and social work and interested lay citizens are cordially invited. Admission is free, but advance reservations must be made by calling the Michigan Cancer Foundation, 4811 John R, Detroit.

Dr. Robert Kastenbaum, director of the Center for Psychological Studies of Dying, Death, and Lethal behavior at Wayne State University, will moderate the program.

Dr. Mel Krantz of the Harvard School of Public Health and Tufts University School of Medicine will speak on "The Dying Cancer Patient, His Family and the Medical Staff - and Integrated Unity."

Other participants in the program are Beatrice Kastenbaum, R.N., director of the Michigan Cancer Foundation Home Assistance Program; the Rev. Thomas Bissonette, Holy Trinity Church, Detroit; and a terminal cancer patient.

ADMIRING a dish of flapjacks are Mrs. Virginia Holman and Mrs. Jean Kunkel, both of Farmington. They're preparing for the 10th annual benefit pancake supper of the Detroit Country Day School, Lahser and 13 Mile, Birmingham, set for Tuesday, Oct. 12, from 5 to 8 p.m. Mrs. Holman and Mrs. Kunkel are the chairmen. Mrs. Edith Zwerner of Livonia is also on the planning committee.

## Juniors Study Dried Flowers

Dried flower arrangements will be the program topic for the Western Suburban Junior Woman's Club at a meeting at 8 p.m. Monday, Oct. 11, at the Spirit Lutheran Church, 3453 Seven Mile, Livonia.

Mrs. Harold Noffz will demonstrate the drying process, and members and guests will make small arrangements.

The club also announced plans for its pine cone wreath workshops, to be held Nov. 9 and 10 in the Plymouth

Community Credit Union, 500 S. Harvey, Plymouth.

Women interested may sign up to make a wreath in one of three two-hour sessions, at 8 p.m. both days and at 1 p.m. Nov. 10. A charge of \$6 covers all supplies and instructions.

Mrs. James Quinn, 8105 Donna, Westland, and Mrs. Lawrence Szuhly, 43845 Galway, Northville, are accepting reservations.

Young women interested in joining the philanthropic and social organization are invited to call Mrs. James Clarke, 18219 Arselot, Northville.

## Three Flags DAR Group 32 Years Old

The 32nd birthday of the Three Flags Chapter of the DAR will be celebrated with a luncheon at the Holiday Inn, 26555 Telegraph, Southfield, at 12 noon Monday, Oct. 11.

Mrs. Thomas George of Farmington and past regents of the chapter will be hostesses. Mrs. Paul Fairbrother of Southfield, regent of Three Flags, will preside. Regents of the metropolitan area chapters will be special guests for the day.

Mrs. Leslie O. Carlin, state regent from Mt. Pleasant, will be the guest speaker.

Three Flags was chartered in 1939 with 15 members, eight of whom are still members.

LORRAINE BROWN

Mr. and Mrs. James A. Brown of Farmington announce the engagement of their daughter, Lorraine Ann, to Leslie J. Jankowski, son of Mr. and Mrs. Joseph E. Jankowski of Birmingham. Both are graduates of North Farmington High School. They plan to be married Nov. 6 in Orchard United Methodist Church, Farmington.

## GOP Women To Meet Oct. 12

The Wayne County Women's Republican Club will hold its regular meeting Tuesday, Oct. 12, at 1:30 p.m., in the Italian Room of the Tuller Hotel, Detroit.

Mrs. Henry Sladek, formerly of Livonia, will speak on truth squads and the 1972 election.

MRS. ROBERT FREDRIC AUSTIN  
(Pamela Lynn Wilkinson)

## Miss Wilkinson Is September Bride

Penelope Lynn Wilkinson, daughter of Mr. and Mrs. Harry Wilkinson of Crabtree Lane, Plymouth, became the bride of Robert Fredric Austin in a Sept. 4 candlelight ceremony in the First Presbyterian Church of Dearborn.

The bridegroom is the son of Robert Austin of Tampa, Fla., and Mrs. Margaret Austin of Lansing.

The Rev. Donald A. Wright officiated for the double-ring ceremony, and the bride's father gave her in marriage. Guitarist Rick Campbell played and sang "Today."

IVORY PEAU DE SOIE fashioned the bride's priscilla gown. Reembroidered alencon lace and seed pearls trimmed the front panel. A lace Juliet cap held her chapel length illusion veil, and she carried a colonial bouquet of phalaenopsis orchids, white

roses, stephanotis and baby's breath.

The bride's sisters, Mrs. Merrie-Lee Rebillot and Harriet Wilkinson, were matron and maid of honor. The bridesmaids were Susan Wood, Carol Trimble and Doral Cherniak.

All wore off-white gowns and carried colonial bouquets of multi-colored flowers.

ROBERT AUSTIN was best man for his son. The ushers were John Nama, Guy Woodruff, Melvin Rebillot and George Aurnen.

Mrs. Wilkinson chose an aqua dress, and Mrs. Robert Austin wore a beige lace pant dress.

The reception for 135 guests was held in Vladimir's restaurant in Farmington. The newlyweds will live in Ann Arbor. Both are University of Michigan seniors.

## YW Course Considers Cocktail Party Pitfalls

"Reflections to the Glass," a six-week series on the social implications of the cocktail party, will be held at the Northwest Branch YWCA, 25940 Grand River, on Mondays from 10 to 11:30 a.m., beginning Oct. 11.

The seminar, under the leadership of John Farber from the National Council on Alcoholism, is designed for women in their roles as hostess, wife and mother, in an alcohol oriented society.

The course will offer tips to the hostess on how to plan her entertaining so that social drinkers, non-drinkers and

problem drinkers have comfortable options as to their personal selection of refreshments.

A general education on the physiological make-up, warning signals and behavior patterns of those prone to alcohol addiction will be part of the course.

Registration fee is \$1 and pre-registration by phone is advisable. A nursery for preschoolers will be furnished if there is a demand.

For information, contact Ruth Duey at the Northwest YW.

## Women's Club Meets Oct. 12

Corrie Ten Boom of Holland, Netherlands will be the special speaker for the Oct. 12 luncheon of the Northwest Detroit Christian Women's Club. A world traveler, she has spoken in many countries, including those behind the Iron Curtain. Imprisoned for her faith and her help to the Jewish people in World War II, Miss Ten Boom has told her story through her books, and her many speaking

engagements. The special feature for the meeting will be a Christmas gourmet cooking demonstration by the Detroit Edison Co.

The luncheon will be held at the Kingsley Inn at 12:30 p.m. The cost is \$3.75, and nursery service is available. Mrs. Jack R. French, 12767 Nadine, Huntington Woods, will accept luncheon reservations.

## 'Happiness' Is Theme Of Meet

"Happiness is making something for others" will be the theme of the October meeting of the Western Wayne County Alumnae Chapter of Alpha Xi Delta.

The meeting will be held Tuesday, Oct. 12, at 8 p.m., in

the home of Mrs. Kay Gruschow, 31801 Balmoral Court, Livonia.

All alumnae in the area are invited. Reservations may be made with Mrs. Ann Wassell, 13999 Cranston, Livonia, or Mrs. Norma Mozier, 16239 Southampton Court, Livonia.

## Celibacy Called 'Integral Part' Of Priesthood

By KATHY MORAN

The priesthood is a special calling in life, and celibacy is an integral part of that vocation. The Rev. John Sylvester Ahearn said in a recent lecture on the modern Roman Catholic priesthood.

Rev. Ahearn, who is considered an expert on the modern ministry and its varied aspects, spoke in the first of a series of lectures planned by the educational council of St. Agatha Church in Redford Township.

Viewing the priesthood as only a priest can, Rev. Ahearn said that much of the disillusionment experienced by younger priests is due to high expectations from their vocation.

"When men leave the priesthood, they don't leave singing happy songs and writing happy poetry. They leave creating deep writings about what they haven't found in the priesthood."

THEIR disillusionment results from "looking for what isn't there and they have failed to appreciate what is there," he said.

A priest's prime mission in life is not to "help upgrade income, advise politically, or speak out for social change, as important as these may be."

Rather, a priest should devote his efforts to increasing the awareness of the "sacred character of life," elevating the mind to the spiritual life, and "helping us to detect God in the people around us."

Rev. Ahearn said he can foresee the role of the priesthood expanding in the future to areas such as being constantly available for his priestly functions.

But he does not foresee any change in taking a vow of celibacy in modern nations.

THE PRIEST SAID it is not possible to compare celibacy and marriage because "our mission in life is entirely different."

"We are not bachelors, we are celibates—men who have offered up their sex life for the sake of the kingdom of God," he stressed.

Celibacy is a "symbol of the purpose of Christ's life and his work—it is not meant to keep us in discipline."

"In contrast to a world soaked in sensualism and materialism, a priest stands as a reminder by his constant presence as 'one who just by being there, reminds people of a higher life beyond them.'"

THE PUBLIC controversy over the priesthood and celibacy has had an advantage in making people aware of the priesthood, he added.

"They know it is not just a boat ride, but see that there is a real burning sacrifice going on," Rev. Ahearn said.

Though he does not expect or want a change in the celibacy vow in modern countries, Rev. Ahearn said a change in the vow could be forthcoming in countries where customs are different.

For example, because of differing customs, "the only hope for the church in South America is a married clergy," he said.

Rev. Ahearn predicted a dramatic drop in the number of priests in the next several years, "which wouldn't surprise or upset me," and a dramatic increase in the use of professional people trained to assist in church functions.

## FISH Volunteers Start Operations

A 24-hour telephone answering service manned by FISH went into operation this week accepting calls of help on a people-to-people basis.

The telephone number is 352-5470.

FISH is a world-wide Christian organization with active local chapters now operating in Northwest Detroit, Pontiac and Livonia. The Southfield-Farmington chapter stemmed from a group in Southfield's North Congregational Church that now numbers members from 20 area churches within the two cities who form the network of volunteers that can be called upon to give help when it is asked.

Groups who want information on FISH will be accommodated by contacting Dick Smiley at North Congregational Church, Northwestern Highway, south of Lahser, who has formed a speaker's bureau for the new chapter.

Other than Smiley, all volunteers' names remain anonymous.

## Counseling Training Set

The Interfaith Draft Counseling Center will conduct advanced counselor training with emphasis on the provisions of the new selective service law in two all-day sessions Oct. 16 and 23 in the Trinity Church of the Brethren, Redford Township.

Applications for the Saturday sessions may be mailed to the church, 27350 W. Chicago.

Free counseling is available at the church every Sunday from 7 to 10 p.m. for young men who have questions concerning registration, deferments, exemptions, and conscientious objector status.

## Dr. Shaffer Plays For Dedication Of St. John Organ

DR. ALLEN SHAFFER

Dr. Allen Shaffer, former organist for St. John Episcopal Church in Plymouth, will return to the church to play the dedicatory recital on the church's new Kney pipe organ at 4 p.m. Sunday, Oct. 10.

Dr. Shaffer now is professor of organ and theory at Norfolk (Va.) State College. He served St. John from 1966 to 1970, and for the last five years has been assistant director of the Schoolcraft Summer Music Festival.

Included in his recital will be works by Jones, DeGringy, Brahms, Lubeck and Bach.

The organ, built by Gabriel Kney and Co. Ltd. of London, Ont., was installed in April. It is a classical instrument with mechanical action. Kney apprenticed organ-building in Germany before moving to Canada and establishing his own company in 1965.

The public is invited to the recital. St. John is located at 574 S. Sheldon.

## Murk Clan Visits Calvary

The Murk Family Musicales will be the special feature of the rally day service in Calvary Baptist Church of Plymouth at 10:30 a.m. Sunday, Oct. 10.

Performing for the service will be Jim and Donna Murk of Wheaton, Ill., and their children, Bill, Becky, Beverly, Brenda and Barb.

THEIR PROGRAM of vocal solos, duets, trios and string

quartets and quintets has been taken to 40 states and is on several records.

The family concerts started eight years ago when Murk, a college professor in history and anthropology, won the national championship of the Ted Mack Original Amateur Hour and was invited to participate in Christmas week concerts in a Miami Beach hotel.

HE WORKED his wife and children into the program and they have been performing together ever since.

Concentrating on spiritual and family-type songs, they have carried their musical ministry to churches of many denominations.

Calvary Baptist is located at 43065 Joy, Plymouth. The public may attend the rally day service.

## Rally Day Is Sunday

Balloons will be launched from Livonia Wesleyan Church, 14560 Merriman, at 10 a.m. Sunday, Oct. 10. It's the first step in a balloon launching contest staged annually by the Sunday school to celebrate Rally Day.

A prize will be given for the balloon that travels the greatest distance. Record distance in the past has been more than 400 miles, into northern Canada.

The public is invited.

## Livonians Address Community Needs Theme Of Assembly

Three Livonians will play major roles in the 10th annual convention of the Lutheran Church Women, scheduled Oct. 18 to 20 in the Olds Plaza Hotel in Lansing.

Some 500 delegates from lower Michigan are expected to attend the convention. Mrs. Caryl Coxey of Livonia is chairman.

The Rev. William C. Lindholm of Holy Cross

Lutheran Church and Clyde Coxey both will make presentations in keeping with the convention's theme, "A good time to live, to love, to learn."

Rev. Lindholm will give the women a study of liturgical styles in a talk titled "Where Do I Turn On?" Coxey's multi-media presentation will have the title "For God So Loved the World?"

ALSO SCHEDULED is a talk by Ralph Nichols, "Living-A challenge or a chore?"

The LCW is an auxiliary of the Lutheran Church in America, which has 132 congregations in Michigan. Messages also will be presented by Dr. Frank P. Madsen, president of the Michigan Synod, Lutheran Church in America, and Mrs. Marion P. Lane Jr., LCW Auxiliary board member.

THE REV. JAMES Haase of Lansing will lead the women in hymn sings, and the program for the convention banquet on Tuesday evening, Oct. 19, will be a performance by a liturgical dance group.

A communion service will open the convention Monday evening and business sessions and special programs will continue for the three days.

"Developing a Sensitivity to Community Needs" is the theme for this year's annual assembly of the Metropolitan Detroit Council of Churches, to be held Thursday, Oct. 14, in St. John Armenian Church, 22001 Northwestern, Southfield.

The assembly will begin with a 6 p.m. dinner and then will take up numerous topics selected to help area churches trying to meet the needs of the communities they serve.

Discussions will involve clergymen and delegate participants from council churches as well as knowledgeable leaders in the various areas.

Topics include the local church and housing rehabilitation, future relationships between black and white churches, the new evangelism and small group potential within the local church and what to do about welfare reform.

Others are the inter-generation dialogue, drug abuse programs for the local church, day care centers, the meaning of hunger, meaningful worship and emerging needs, sex education and aids for the aging.

## 5 Choirs To Take Part In Service

Five choirs will participate in the 9:30 and 11 a.m. worship services Sunday, Oct. 10, in St. Paul's Presbyterian Church, 27475 Five Mile, Livonia. More than 180 singers will be involved.

The public service in music will be the concluding highlight of "music emphasis month" at St. Paul's. There will be selections by the Chancel Choir, Junior Choir, Cherub Choir and the Girls' Ensemble. The recently-formed Handbell Choir will also perform.

IN ANOTHER special program at the church, young adults were introduced to a new worship experience last Sunday. The message for the

morning was presented in music and conversation from the church chapel, and the same will be done this Sunday by the senior high school group assisted by adult advisors.

On Oct. 17, a group of 17 young people called "Genesis" will lead the service. The group is a part of the Spurrilow Ministries and is one of seven groups traveling throughout the U.S. to bring the message of Christ in modern music.

Many other guest speakers as well as interesting and provocative programs are planned for succeeding Sundays. All young adults, seventh grade through college age, are invited.

## Archdiocese Plans Workshop Oct. 16

Parents, teachers and everyone concerned with the religious development of the young child are invited to attend a Young Child Workshop Saturday, Oct. 16.

The workshop is being presented by the Detroit Archdiocese, and will get underway at 8:30 a.m. in Shrine High School, 3500 W. 13 Mile, Royal Oak.

Sister Marcella Regan, IHM, will speak on "Modern Catechetical Teaching Methods—Why the Changes?" at a general session.

Ten other sessions in the morning and afternoon will include two demonstration lessons, and discussions of lesson planning, organizing and directing a young child

program, parent educator sponsored by the Detroit Archdiocese Association of Regional Consultants for the Young Child. Registrations are being accepted at Archdiocesan offices, or by calling Mrs. Cynthia Pickard, 17157 Five Points, Redford Township.

The workshop will end with a celebration of the eucharist from 4 to 5 p.m.

## American Society U-U Topic

The Universalist-Unitarian Church of Farmington will center three Sunday services during October on an understanding of American society, its problems and possible future.

The issues will be discussed by the Rev. Richard Neff, minister, from viewpoints political, ethical and theological. A discussion will follow each sermon. The series is titled "America: an Appraisal."

The series will begin Sunday, Oct. 10, with a talk on "The Historical Myths." The topic Oct. 17 will be "Power: Who's Got It and Who Hasn't Got It." The series will conclude Oct. 24 with a sermon on "The Future: Change or Disintegration?"

All Sunday services are held at 10 a.m. and followed by coffee and discussion at 11 a.m. The church is located at 25301 Halstead, Farmington.

## Fall Luncheon

"Falling Leaves" will be the title of a luncheon and card party in the St. Paul of the Cross Retreat House, 25333 Schoolcraft, Detroit, at 12:30 p.m. Wednesday, Oct. 13.

The Gemma Guild Ladies Auxiliary is sponsoring the affair to raise funds for the retreat house, and Mrs. Betty Ziesler of Redford Township is chairman.

## Welfare Reform Conferences Set By Lutherans

A welfare worker and a welfare recipient will participate in welfare reform conferences to be sponsored this week by the Northwest Cluster of Lutheran Churches in America.

Sessions in this area include one in the Church of the Incarnation, 30333 W. Ten Mile, Farmington, at 8 p.m. Tuesday, Oct. 12, and another in Calvary Lutheran Church, 28001 Evergreen, Southfield, at 7:30 p.m. Monday, Oct. 11.

Participating will be Mary Ann Mahassey, professor of social work science at Wayne State University, and Mrs. Sue Haggerty, a welfare recipient from Southfield.

MISS MAHASSEY will speak on the legislative process of welfare reform, and she and Mrs. Haggerty both will answer questions from the audiences.

A film, "None of My Business," also is planned. The meetings are offered as

a public service and all interested in welfare reform are invited to attend.

Other churches in the Northwest Cluster, also participating in conferences in their areas, are Antioch Lutheran of Farmington St. Andrew of Birmingham, Holy Spirit of Orchard Lake, and Shepherd of the Lakes, Walled Lake.

"Most of us in the suburbs," said the Rev. Carl Kalreider of Antioch, "have some very strange notions about welfare and those who receive it."

## St. Raphael Festival Set

St. Raphael Catholic Church, Merriman at Beechwood, Garden City, will hold its annual fall festival the weekend of Oct. 15 to 17.

The hours will be 6 to 10 p.m. Friday, Oct. 15, 12 noon to 10 p.m. Saturday, Oct. 16, and 10 to 10 p.m. Sunday, Oct. 17.

A moon walk and kiddie rides, a flea market, boutique market and country kitchen will be features of the festival, and many prizes will be given. Fish, spaghetti and chicken dinners and assorted snack foods will be available throughout the three days.

WESTLAND BAPTIST CHURCH, 35375 Ann Arbor Trail, Livonia, is host this weekend to ventriloquist Lester Ellis and his friend, Johnny. Rallies at the church began Friday and continue with services at 7 p.m. Saturday and Sunday. The schedule also includes Punch and Judy puppet shows, gospel magic, a story-telling lady and prizes. Those needing transportation to the services may telephone the church.

## Religion Update

The case of Rev. Robert Duryea, who was suspended and automatically excommunicated for being secretly married for nearly seven years while pastor of a 4,000 member parish, is still causing anguished Catholic reverberations in the San Francisco Bay area.

Father Duryea was widely and deeply loved - not only by his parishioners at St. Peter Catholic Parish in suburban Pacifica, but by many of his priestly colleagues as well. They elected him vice president of the Priest's Senate of the Archdiocese of San Francisco.

The Duryea case put an obvious strain on the thoroughly commendable Christian charity which has been steadily manifested in such cases by Archbishop Joseph T. McGucken.

THIS AFFABLE and long suffering prelate is saddled with one of the world's friskiest flocks. Included are arch conservatives somewhere to the right of Ivan

The Terrible - along with what could be described as the wildest corps of active liberals anywhere west of Holland. All this is in addition to a see city which is regarded by some as being "the Sodom of the West."

Recently Archbishop McGucken's woes have increased like Job's, in his seeing the top clergy leadership of his archdiocese depleted by repeated wedding marches.

In less than two years, among the departed clergy have been those monsignors in charge of Archdiocesan Catholic Charities as well as the Confraternity of Christian Doctrine. But with not the slightest suggestion that

either Magrs. James Murray or John Scamlon are to be compared to John Scamlon, Archbishop McGucken has graciously expressed thanks for their long years of service and wished them Godspeed in their new life style.

EVEN IN THE intense pain of the Duryea case, the Archbishop spoke in a pastoral letter of "Sympathy" rather than any condemnation. In view of the comments of some of the less authoritative bay area Catholics, however, Archbishop McGucken may have often reflected: "I can defend myself from my enemies; Lord, preserve me from my friends!"

In the Archdiocesan newspaper The Monitor, for instance, columnist (layman) Val King ruled that Father Duryea had "lived a lie... betrayed the confidence of those who mistook him for a priestly office... lacked integrity, decency and courage..."

This Niagara of nasty epithets was as sweet charity, however, when compared to the pronouncements of certain defenders of the faith across the bay in the neighboring (but infinitely more conservative) Diocese of Oakland.

The Rev. James O'Gara, S.J., for instance, wrote that his brother priest had for seven years been committing "repeated acts of fornication."

And while Father O'Gara did not go so far as to mention Mrs. Duryea by name, even the couple's five-year-old son Paul (named for Pope Paul) did not escape unscathed. For the vicar general of the Oakland Diocese, Msgr. John Connelly, when asked about

reliable reports that he had preached that Duryea had been "living in sin" and that his son is "illegitimate," replied, with no little irritation: "That was preached for my people and I don't want it quoted in the press!"

FATHER DURYEA has at least demonstrated - beyond the capacity of any sociological survey - that a Catholic priest can be a superb pastor even though he is married. That he was indeed a superb pastor is indisputable from the reactions observed by this writer among his parishioners - including several hundred who have known of his marriage for months and yet informed no one.

Moreover, considering the basic decency and compassion in nearly all Catholics ever known to this writer, it would appear virtually certain that if anyone is to be regarded as a bastard, it is certainly not five-year-old Paul Duryea.

Father Duryea broke a disciplinary regulation which can hardly be regarded as a law of God - given either St. Peter's wife or those Catholic priests of the United churches who are married. He did up in secret because that was the only way in which he could make what is an extremely important point in the continuing battle over compulsory celibacy.

Moreover, it can be reasonably presumed that God is every bit as charitable as Archbishop McGucken - not only to those many, many Catholics who remain in the Church despite their using contraceptives, but to those who not very long ago yielded to the temptation of eating a hamburger on Friday.

## Schott To Attend B'nai B'rith Meet

B'nai B'rith, the oldest national service organization founded in the U.S., will open its five-day triennial convention on its 128th birthday, Oct. 13. More than 1,200 convention delegates have been elected to attend the meetings in Philadelphia, Pa. Among them will be Arthur C. Schott of Livonia. Schott, a real estate broker, is chairman of District Six's B'nai B'rith Hillel Foundation Commission and a member of the regional advisory boards of the Anti-Defamation League and the Youth Organization of B'nai B'rith.

He is also a past president of the Metropolitan Detroit Council of B'nai B'rith.

ALSO AMONG the 13 delegates from the Detroit area will be Milton M. Weinstein of Southfield, another past president of the council.

Gov. Milton J. Shapp,

Senate Minority Leader Hugh Scott, Israel Ambassador Yitzhak Rabin and Philip M. Klutznick of Chicago, a former U.S. Ambassador to the United Nations, are among political figures who will address the convention.

Prize-winning author Elie Wiesel, will be featured speaker at a session devoted to the problems of contemporary Jewish family life.

## Quakers And Universalists Plan Peace Forum

Members of the Livonia-Farmington Society of Friends and the Farmington Universalist Unitarian Church will hold a forum on peace concerns Sunday, Oct. 10, at 11 a.m.

Arthur Mack, newly appointed secretary of the Michigan office of the American Friends Service Committee, will outline peace education goals and activities of Michigan Quakers.

THERE WILL also be a presentation by members of the National Peace Action Coalition, a non-religious anti-war group.

The forum will be held in the Farmington Universalist Unitarian Church, 25301 Halstead, following separate

services by the two groups at 10 a.m. The Quakers will meet in the church educational building and the Universalists will meet in the church sanctuary.

The public may attend the forum, which coincides with the Vietnam moratorium week. It is expected that activities across the country Oct. 13 will urge the withdrawal of the majority of American troops from southeast Asia by Jan. 1.

IN THIS REGARD, the Livonia-Farmington Quakers have planned to send a letter of petition to President Richard Nixon, calling for the withdrawal of 200,000 American troops from Indo-China between Thanksgiving and Christmas.

In a letter to Rep. Jack McDonald, Friends will request him to deliver the petition to the president personally.

# Borgess Harriers Win 24th In Row; Churchill Takes 7th

As the cross country season nears the halfway point with the district and state meets looming over the horizon, Bishop Borgess and Churchill High teams continue to make strides as the top squads in Observerland.

Borgess, defending Catholic League champ, rolled to its 24th straight victory and fifth of the season by routing Orchard Lake St. Mary, 20-43. Strange enough, Borgess lost individual honors for the first time but swept the next seven places.

**SPEEDY JIM** Karas, of Orchard Lake, sped past the finish line in 12:10.4, five yards in front of Borgess' ace Dan Madden who was clocked in 12:14.7.

Then in order Borgess took the next six places with Jim Bearden, Mark Oller, Steve Legel, Doug Kruecher, Craig Lantto and Chuck Rositter.

Meanwhile, Churchill was equally as impressive in Western Six Conference action, beating Waterford Mott, 25-50, in the league and then edging Wayne Memorial, 20-36.

The twin victories boosted the Chargers' streak to seven in a row in dual meet competition with Dennis Kurtis continuing his unbeaten string with firsts in each.

Kurtis was timed in 13:12 in the Wayne triumph and won in the Mott meet in 12:58. He has yet to lose in two years of conference competition.

Churchill swept the first seven places against Mott for its second sweep of the season.

Finishing behind Kurtis in the meet at Cape Benton Park were: Mark Kobylarz, Randy Saletnik, Mark Kappler, John Kaminsky, Jim Yuhus and Pat O'Hagan.

Larry Bush, of Mott, was eighth but the first to cross the finish line for his team.

Churchill took five of the first eight places against Wayne. Following Kurtis were: Mark Kobylarz, second; Mark Kappler,

fourth; John Kaminsky, fifth and Pat O'Hagan, eighth.

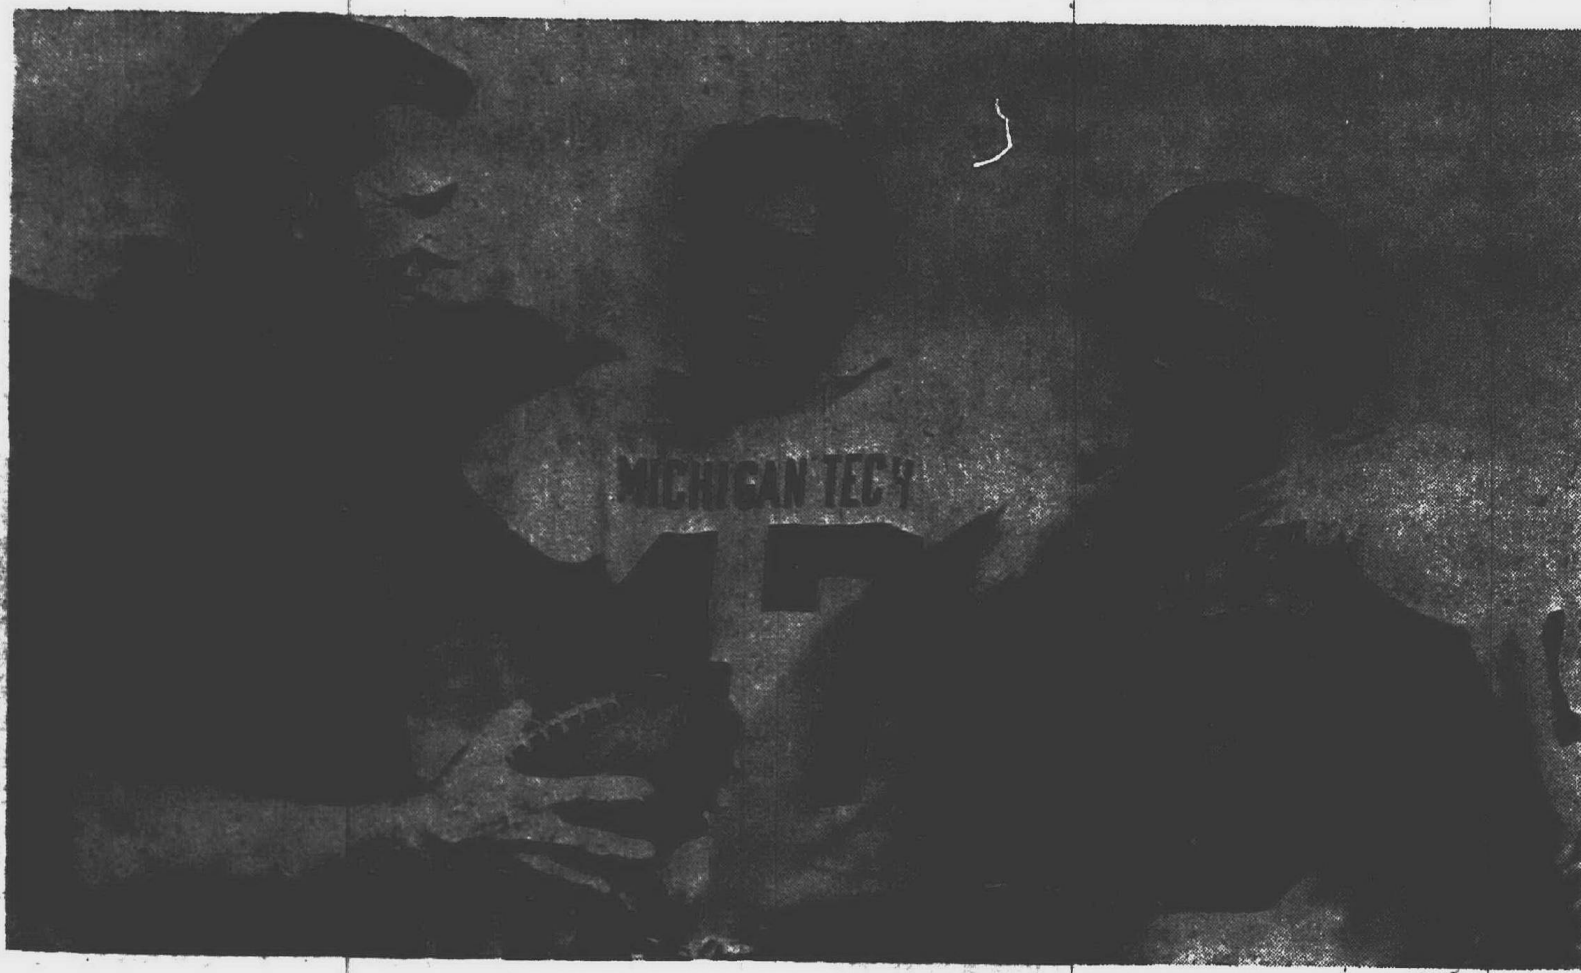

**THURSTON'S** harriers divided a double dual meet against Garden City East and West. The Eagles topped East, 27-31 and lost to West, 22-35.

The finishers in order: Steve Basler (T), 13:44; John Yuhus (E), Sam Garcia (E), Don Cusumano (W), Ken Smith (W); Randy Quint (E); Bob Hemmel (W); Lou Torcolucci

(T); Karl Gill (W); and Dan Snabes (W).

Livonia Bentley measured Ypsilanti, 23-30 with Terry Fry, of Ypsilanti, taking individual honors in 13:10.3. Bentley's Jay Kirksey was second in 13:52.

Other Livonia runners and their finishes: Paul Speake third, Paul Biem fourth, Paul Boutell sixth and Alex Charnes seventh.

THESE TWO LIVONIA products have played key roles in Michigan Tech's football fortunes so far this season. Ed Raether (center) and Ed McGowan (right) are shown talking with MTU head coach Ted Kearly. Raether is the

starting wingback in the Huskies' slot-offense and McGowan is listed as the number two quarterback. The Huskies are 18th ranked in the National Association of Intercollegiate Athletics grid poll.

## Rainbows, Splake Bite At Maceday

Maceday Lake, in the Pontiac Lake area of Oakland County, is yielding good rainbow trout and splake — the latter being a hybrid brook and lake trout.

Splake are hitting on the bottom in 60 to 80 feet of water during daylight hours. Anglers are getting them on

worms and small minnows. Rainbows are taking corn or worms at night, 30 feet down and deeper.

IF YOU PLAN to hunt this season, here are a few points that you can follow: Get a medical checkup, do some pre-conditioning exercises

and spend some time at a local rifle range before the hunt.

In the medical checkup, a cardiogram or a heart reading should be taken for those over 40. At the same time, your doctor could recommend pre-conditioning exercises.

Push-ups, toe-touching, knee-bends, sit ups and jogging or running in place are good all-around exercises. Endurance and strength are important. Doing an exercise many times with a light load (weights or heavy book) will increase endurance, and fewer repetitions with a heavier load will produce muscular strength.

Experienced hunters who regularly practice-shoot at local ranges recommend that weekend hunters do the same.

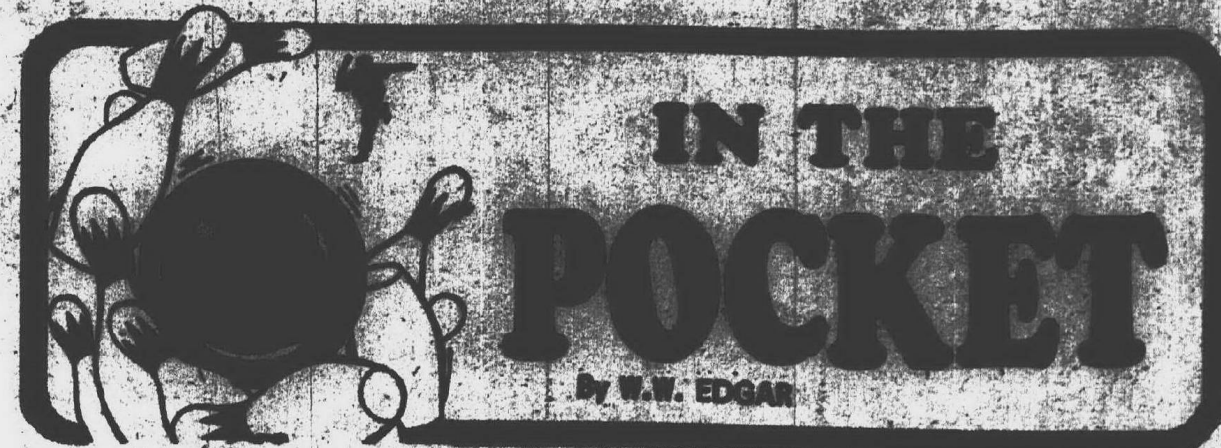

The Proud Lake recreation area has a shooting range

which is open during hunting season. In some communities, hunting courses are supervised by off-duty enforcement personnel.

YOU'VE BOUGHT a boat and trailer and it's up at your lake cabin. But now you want to bring it home for the winter. The boat is registered, but what do you do about the trailer?

First, register the trailer and get a license plate from your Secretary of State branch office. Then, you'll have to light the plate so it can be seen from 50 feet away. Finally, add at least one red rear tail lamp that can be seen from 500 feet when lit plus two rear facing red reflectors in each corner which are visible the same distance.

Add one stop light to the rear of the trailer if the trailer or the load obscures the stop light on the towing vehicle.

Did you ever hear of a bowling match being postponed because of smoke?

Well, it happened at Garden Bowl.

Just as the Classic bowlers started their matches smoke started pouring in from a waste fire in the store room. It became so great by the end of the first game that they gave up and agreed to make-up matches later in the season. No damage was done to the lanes as the smoldering fire was in a room separated from the lanes by a cement block wall.

**TALKING ABOUT** oddities, how about this one.

Losing confidence in his regular ball, John Bates, a member of the Consumers Power League at Merri-Bowl, decided to purchase a new one.

He got delivery last week and promptly converted the "impossible" 4-4-7-10.

Not to be outdone the women added a few oddities of their own.

Helen Bates started it when she converted the "double pinocchio" at Mayflower Lanes and Janice Marrow made the 7-10 look easy.

Then, there was the case of Pauline Hatz, a member of the Golf League at Plum Hollow Lanes.

Bowling for average she turned in a 600, one of the highest series she ever had bowled.

To top off the week, Karen Nitta, who carries a 116 average at Cloverlanes, posted a 130 triplicate.

**WONDERLAND LANES** is fast becoming the high scoring capitol of Ob-

serverland.

The latest claim to the title was made Tuesday night when Mike Mathis, with his second big 700 series in two weeks, paced the Continental team, to a 3267 series and victory over Jack Piacopink's Thunderbird squad that posted a 3138.

This was the highest scoring match of the season in Metropolitan Detroit.

Piacopink's kids won the first game 1083-1077, but dropped the next two 1112-1003 and 1078-1052.

To get his big series Mathis linked games of 258, 243 and 237. Close behind him came Kenny Geisler with counts of 258, 215 and 245 for 719 and Jack Born joined the elite 700 group with games of 277, 213 and 216 for 706.

Mathis' big series jumped his average for the first five weeks to 236 — highest in the entire area.

**SCORES WENT** soaring for the first time this season in the Senior House League at Oak Park.

Allen Feldman fired the biggest broadside with a 276 in 695 while Joe Bell had a 250 in 682 and Mike Bengall landed third with 655.

Second high game went to Mike Rendine with a 265.

**BEL-AIRE LANES** is the only establishment in Observerland hosting a qualifying round for the big pro-am tournament that opens the annual stopover of the nation's top pros at Hartfield Lanes, Nov. 12-15.

Bel-Aire is doing its own scheduling for the qualifying tests, which opened this Saturday, Oct. 9.

**GARY BOWEN** set the pace in the Westland Classic with a 673 on games of 215, 201 and 257. He beat out Jerry Hak by nine pins. Jerry opened with a 257 and closed with 212 and 215.

Rick Kendall overcame a 189 start to finish with 250 and 224 to land third with a 663.

The top score of the week at Westland, went to Jerry Matano, of the Sunday Mixed League, who linked 225, 270 and 181 for a 676.

Herman Lindsay had the oddest experience. Bowling in the Men's 700-900 league where he carries a 153 average, he opened with a 280. Then the roof caved in and he finished with counts of 176 and 180 for a 636.

**THE 700 CLUB** at Merri-Bowl admitted a new member this week.

Bowling in the Junior House League John Lake Jr., opened with a 266 and added games of 234 and 212 for 712.

**MARGE BASHOR** took top honors in the Livonia Lanes Ladies Classic with a 551-94-635 that included a finishing game of 211-28-230.

Gerry Wilson made a bid for the top when she took the first two games, the first on 234-28-262 and the second on 192-28-220.

**JACK BROWN** got into the swing of things at Bel-Aire with a 711 series to top the Classic.

He was headed for a much higher count when he started with 250 and 258, but fell to 194 in the third.

His closest rivals were Vito Petrucci with 697 and Jet Perelli with 690.

Among the high scores in the other Bel-Aire circuits Ron Enders paced the Businessmen with a 690 that included a 238 opener. Howard Zeke was high in the Senior House and Otto Tokeba shattered all records in the Woodcrest Mixed group with a 717.

An oddity cropped up in the Thursday Mixed League where the Bills Brothers — Perry and Bill — each posted a 230.

Eve Lennon showed the way to the women with a 690 and Greg Hatter, paced the men with a 670.

**ONLY ONE PIN** separated three women in the race for high single game in the Farmington Lanes Ladies League.

Mary Ann Mayer showed the way with a 230, but right behind came Jackie Archer with 219 in 688 and Jean Sembeck with 219 in 687.

In the prep boys league Brad Bergstrom was the top bowler with 183 in 620 and Sharon Raymond led the beginners with 127.

**RARING TO GO.** That's Plymouth's Bob Thornbladh, a sophomore fullback on the undefeated Michigan football squad. Top scorer on the freshman team a year ago, Thornbladh is being brought along slowly this season with the thought that he'll be one to watch in another year. (Observer photo by Bob Woodring).

## Five North Grads On CMU Squad

Central Michigan University's varsity football team includes five former North Farmington High graduates.

Norm DeCourcy, son of Mr. and Mrs. George DeCourcy of 3270 Briarcrest, Farmington,

is a senior offensive swing back. He is a Business Administration major, a Math minor and an active member of the Sigma Chi Fraternity.

Mike Leiter, son of Mr. and Mrs. Richard Leiter of 26371 Peppermill, Farmington, is a sophomore defensive end. He is majoring in Business Administration and minoring in Biology.

Steve Lee, also a sophomore, is the son of Mr. and Mrs. Donald Lee of 26117 Hidden Valley Drive, Farmington. He is an offensive guard, majoring in Sociology and minoring in Business Administration.

Brothers, Mike and Dave McCoy are the sons of Mr. and Mrs. Lee McCoy of 32400 Nottingham, Farmington.

Mike is a senior defensive halfback and Dave is a split end in his sophomore year. Mike is the president of the Sigma Chi Fraternity and Dave is an active member.

Both McCoy's major in Business Administration and minor in Economics.

All five players are products of the North football program coached by Ron Holland.

ONE OF THE finest examples is Bob Thornbladh, star of the Plymouth High School team in 1969, who is bidding for the Wolverines' fullback job.

Bob is one of five players from Observerland who

reported for fall practice and they are meeting with varying success.

The most unfortunate is Craig Mitch, former Thurston High School star, who suffered torn cartilage in his knee during the Virginia game and is lost for the season.

The others all have seen service. Arthur Feduk, tight end from Divine Child who lives in Livonia saw action in both the Virginia and Navy games as did Michael Day, linebacker from Livonia Bentley.

The star of the group, however, is Thornbladh who has appeared in the first four games and racked up 54 yards in 13 carries. He was stopped only once and that was against UCLA when he

was tossed for a yard loss at the goal line.

The other player—Jon Cederberg, has seen service in the late minutes of most games, but has yet to break out into the open as a wingback.

THORNBADH IS the lad on whom Schembechler is counting for the years ahead and it is interesting to watch how he is being used—and developed.

During his freshman year in 1971 Bob caused Schembechler to remark—“He's a helluva football player.”

At the time Bob was the leading scorer of the freshman squad.

During spring practice he was switched to the middle

guard spot on defense and close followers of the Wolverines wondered if “Bo” had changed his mind.

“Not a bit”, the Wolverine boss explained. “We are just experimenting. Bob is the kind of a boy who relishes a challenge and we're giving him a test—filling in the spot vacated by Henry Hill, our All-American.”

When fall came around, Bob was back at the fullback post—and being used in the late portions of games. He is picking up fast, according to the coaches, and while he has two good men in front of him—Fritz Seyferth, a senior, and Eugene Shuttlesworth, a 6'2" 217 pound sophomore from Cincinnati—Bob is being counted upon to play a major role no later than next season.

At the same time he is being groomed to fill in should injury befall his rivals with a better than four yard average, he's the lad who could be “The Man of the Hour” in the not too distant future.

with two featuring homecoming festivities.

John Glenn invades North Farmington and the Rockets have a homecoming upset on mind. The Raiders, built around the running of Craig Gw, are favored to make the returning graduates happy.

Thurston entertains Birmingham Groves and the Eagles led by Mark Miller are favored to make the homecoming crowd happy. Thurston is in the process of rebounding after last year's disappointing season. The Eagles were unbeaten in 1969.

Farmington Harrison contends with Northville in a Western Six tilt and Harrison behind the running of Dave Manos could be the surprise team of the conference.

# Preps Face Big Grid Week

The coming week - a big one on the Observer prep sports scene.

Homecomings, key league games, and rival battles highlight 16 gridiron clashes for Observerland teams.

Franklin High's journey to Oak Park Friday afternoon in what shapes up as the game of the week. Franklin, will be contending with the upset minded Redskins, hot off their 22-12 trouncing of North Farmington.

Bentley plays at Allen Park Friday evening and the hard-luck Bulldogs will have the role of the underdog against last year's Suburban Six League champion.

## U-M Coach Always Planning; Moves Slowly With Thornbladh

By W. W. EDGAR

One of the most interesting things in major college football is the strategy used by the coaches to develop young talent for eventual replacement of stars.

This is particularly true at the University of Michigan this season where Head Coach Bo Schembechler is looking ahead to next year and the year after and deftly building confidence in young players.

reported for fall practice and they are meeting with varying success.

The most unfortunate is Craig Mitch, former Thurston High School star, who suffered torn cartilage in his knee during the Virginia game and is lost for the season.

The others all have seen service. Arthur Feduk, tight end from Divine Child who lives in Livonia saw action in both the Virginia and Navy games as did Michael Day, linebacker from Livonia Bentley.

The star of the group, however, is Thornbladh who has appeared in the first four games and racked up 54 yards in 13 carries. He was stopped only once and that was against UCLA when he

## Turf Tips, Quips

By Doc Minard

Those rumors one has been hearing that Hazel Park was about ready to turn back the final 30 days of its 120 day meeting and call it quits after the usual three months, have been laid to rest.

Knowing the Hazel Park brass, we never believed for a single moment they had any thoughts of not using all of the days allotted by Racing Commissioner Leo Shirley.

The track has spent thousands of dollars winterizing some sections of the plant and it wouldn't cost that much more to make the entire

facility comfortable for winter weather.

As we surmised, Hazel Park officials have made arrangements for the use of snow moving equipment which will be stored at the track throughout the winter.

There is one very popular spot that appears to have been overlooked in the planning—the Roaring Twenties room atop the clubhouse. It probably is as good as any place in the clubhouse to watch a race.

It has permanent seats for perhaps 500 and seats at tables for another 1,000...and all it needs is to be enclosed, heated and air conditioned and Hazel Park will have a wagering ring that probably will be as popular as any in the plant.

Attendance and betting are off three to four per cent but officials view this as a good showing in lieu of the business conditions.

Through last Saturday, the mutual handle was averaging \$968,000. This figure undoubtedly will go down in the final seven weeks of the current meeting but it is well in front of a comparable 90-day meeting at the Detroit Race Course in the early spring and summer.

WANT TO conjecture over the racing dates for 1972?

Right now President Leon Slavin, who will direct the Jackson-at-Northville harness racing meeting beginning Nov. 1, would like to know is there any chance the racing commissioner will relent and extend his dates from Dec. 18 to Dec. 30 and then give him five or six weeks into the new year.

There are those who believe the racing boss has the power to give an extension of no more than 10 days that would take care of the situation. There are others who are just as certain Commissioner Shirley would open a big keg of worms even though it would mean Michigan racing would go head and head against Windsor Raceway during the entire run across the river.

Scuttlebut is that Shirley will give Slavin dates in January, perhaps on Jan. 1, to extend through the first week in February at which time Northville Downs will take over for 54 nights.

Wolverine Raceway is looking for 80 nights beginning in early April through June at which time Northville Downs will have a seven week summer program.

# At New Center Stars Shine, But 'Harp' Doesn't

By BETTY MARION

"The Grass Harp" proved to be a fair road for a lot of fine talent Tuesday evening at the gala opening of the Power Center for the Performing Arts.

Truman Capote's weeping willow novel just doesn't come off as a musical because there's no depth to the characterization and no real story.

But the new \$3.5 million center certainly is a sign of an exciting future for the performing arts, especially for those of us in Observerland who much prefer the drive to Ann Arbor over the battle of the Detroit freeways. And it's a much shorter walk from the covered parking lot right into the new building than it is to any Detroit auditorium.

IN TURNING OVER the center to the University of Michigan, former U-M regent Eugene B. Power, representing the family whose gift paid for most of the center, stressed that it was to be a "regional center for the performing arts."

"The need has been clear for many years," he said. Existing facilities on the campus are either too large or too small, and are certainly not geared for the whole range of performing arts, music, ballet, dance, drama, opera and films.

The center has been designed for versatility, with an austerity which may dismay lovers of the rococo or early American, but with a practicality and functionalism which will really make "the play the thing."

With the future very much in mind, the theater has a backstage loading ramp which will make it easy for

A REFLECTING GLASS-WALLED lobby mirrors Felch Park in the newest addition to the University of Michigan campus, the Power Center for the Performing Arts. The center was officially opened Tuesday evening.

visiting troupes to bring in their paraphernalia.

A convertible stage arrangement will lend itself to the variety of performances scheduled for the center. The orchestra pit is a platform which is raised to convert the more conventional proscenium stage into a thrust stage.

The new center seats 1,420 persons, but intimacy is achieved through widening the seating area, and no seat is further than 72 feet from the stage.

"WHAT WAS ONCE a dream is now a splendid reality," said Dr. Harlan Hatcher, former president of the U of M, in paying tribute to Robert Schnitzer and Marcella Cinsney for directing the University's Professional Theatre Program over the past 10 years.

According to Dr. Hatcher, "America can no longer be

dependent on a few Broadway ways for its performing arts."

"The Grass Harp" will be the 20th PTP production to go from Ann Arbor to New York. Some have made it big, some have not.

As indicated, in its present form "The Grass Harp" will not.

BUT THERE WERE certainly some brighter moments in the production.

Carol Brice, for instance. Playing Catherine Creek, the Talbo's lovable, astringent "Mammy," she's both an outstanding singer and an extremely likable actress. On the faculty at the University of Oklahoma, she will, one hopes, return to Ann Arbor in a better vehicle for her talents.

Celeste Holm, billed as star of the show, played the role of the faith healer with a weakness for blue-eyed men. What she did, she did

adequately, but her part as written was very weak.

Ruth Ford as the money-hungry sister also had a weak part, but she overpowered it. Barbara Cook, musically and visually, was a delight as the "good" sister.

ALSO DELIGHTFUL were the Pride 'n' Joys, Duke Henderson, Drew Allison, Mary Gail Fisher, Lorel Janiszewski, Ezra Litwak, Dale Weston, Deborah Midgley and Kathleen Miller, who played Miss Holm's blue-eyed children.

All Ann Arbor youngsters, they've appeared in 20 productions for the Ann Arbor Junior Light Opera, and rumor has it they'll be going to New York when "The Grass Harp" plays at the Martin Beck Theatre.

I wouldn't count on a long stay if I were they, but they augur well for the future of the theater and the future of home-grown talent.

## J.P. Foote

## Is Director Players Choose Cast For Comedy

James P. Foote of Southfield is director of the play "The Time of Your Life," scheduled to open Nov. 4 in McAuley Auditorium, 6200 W. Outer Drive, Detroit.

The play is being staged by the speech and drama department of Mercy College of Detroit. Foote is associate professor.

Other Southfield area residents in the cast include Mary Kathryn Hoffman as "Kitty Duval," Leo J. Compliment as "Tom" and David G. Cylkowski as the "Society Man."

The play will run through Nov. 7. Curtain time is 8 p.m. For reservations, phone the department.

## Writers To Confer At Oakland

Local authors will join writers and editors from throughout the U.S. at Oakland University, Rochester, on Saturday, Oct. 16, for the 10th annual conference on the Craftsmanship of Creative Writing.

Mrs. Robert B. (Phyllis) Green of Fitzgerald, Livonia, and Mrs. Harold (Elsie) Price of Northville are co-chairmen in charge of staffing for the event. Anyone wishing to attend should call the conference department at OU.

Forty working writers will discuss their writing techniques during the conference, which is co-sponsored by Detroit Women Writers and OU's division of continuing education.

The keynote speaker will be Hayes B. Jacobs, author of "Writing and Selling Non-Fiction." He is also director of writing workshops at the New School in New York City.

Novelist Alison Lurie, author "Real People," will highlight the first of three sessions in which conferees can choose round tables on fiction, non-fiction, poetry and drama.

Other out-of-town speakers include nationally-syndicated columnist Ellen Peck, editors Joan Kahn of Harper and Row, Richard Grossman of Viking Press, Norma Ainsworth of Scholastic Magazines and Virginia McFarland of Poet Lore.

A Farmington Players favorite, Stuart Orman, has been chosen to play the Rev. Lionel Troop in their production of "See How They Run," set for performances the first three weekends in November.

The story is a delightful farce taking place in a small English village in modern times.

Peggy Sisto will play Ida, a plain but likeable young village girl. Kattie Beddow has been cast as Miss Skillion, a rather sour spinster, and Mike Cullen, as the intruder.

The two Americans who appear on the scene are played by Bob Gregory and Deborah Messer. Gregory is cast as Corp. Clive Winton, a dashing Air Force pilot, and Miss Messer, as Penelope Toop, pretty young wife of the Vicar.

Also cast in the play are Sal Sisto as the Bishop of Lax, John Barrett as the Rev. Arthur Humphrey and Pete

Turgeon as Sgt. Towers, a gruff man of order. Tickets for the Nov. 5, 6, 7, 12, 13, 14, 19 and 20 performances are available by calling Eleanor or Dale Johnson, 24125 Locust, Farmington. The play will be staged in the Players Barn, 12 Mile, between Orchard Lake and Farmington Roads.

## Art Curator To Give Talk

DETROIT Almost as brilliant today as when created more than 3,000 years ago, the vivid wall paintings of Egyptian tombs will be shown and described by William H. Peck, curator of ancient art at the Detroit Institute of Arts Tuesday, Oct. 12, at 8 p.m.

Peck spent three months earlier this year researching the paintings under a fellowship of the American Research Center in Egypt. There will be an admission charge.

## 4 Wheelers Plan Outing

The Michigan Four Wheel Drive Association is sponsoring a three-day four wheeling weekend in northern Michigan in the peak of the color season, Oct. 15, 16 and 17.

The event will be held near Cadillac, at Mitchell State Park, and will include trail

rides and a bonfire Saturday evening.

Those interested in attending should contact the association, 936 Ireland Ave., Muskegon, 49441, or the trip leader, John Wohlisch, 524 S. Rosemary, Lansing. Camping and motel accommodation will be available.
