City, Township Bus Meeting Called

Western Wayne County mayors and township supervisors have been called to a meeting to discuss ways to deal with the controversial cross-district school bussing issue next Thursday morning, Oct. 21, in Westland.

Calling the meeting is Westland Mayor Eugene McKinney, who said that the bussing issue "demands unity among the elected mayors and supervisors if we are to effectively meet this critical, potentially explosive issue with orderly opposition."

Among those invited to the meeting in Westland city hall, 36601 Ford Rd., are Mayors Edward McNamara of Livonia and James McKeon of Plymouth, and township Supervisors Maurice Breen of Plymouth, Bill Robbins of Redford, and Philip Dingledey of Canton.

Mike Hoben Named To Hall Of Fame

John (Mike) Hoben, genial assistant superintendent for education in the Plymouth Community School District, is going to be paid one of the highest honors of a great career on Saturday, Oct. 23 when he will be inducted in the hall of fame at his alma mater - Adrian College.

This distinction is coming to him as a partial reward for his prowess as an athlete during his intercollegiate days of

1948-49 when he played both football and basketball.

As an end on the football team, he played well enough to be named to the all M.I.A.A. team and followed that up by gaining the same honor as a forward on the basketball court.

DOWN AT ADRIAN they haven't forgotten, and "Mike" will find that out when the doors to the mythical hall are opened to admit him as the

eighth athlete so honored in the last two years.

Being inducted with Hoben will be Robert Ritchie, of the class of 1906 and Fred Hobart of the 1908 class.

Shrugging off his prowess as an athlete, Hoben said, "I sure will be thrilled to be back on the campus with the fellows again - and I am happy to have been given the honor."

After graduating from college, Hoben turned to a

coaching career and got his baptism of fire at Cheboygan, where he produced winning teams for six years.

It was his showing up there that called attention to the Plymouth school officials, and he was induced to take over the Rocks.

For 11 years he coached the football team with a full measure of success. At the same time, he was moving up in the ranks as an educator.

He was in charge of all elementary education for the district until given his present assignment several months ago.

Along the way he has been honored, but the climax will come when the doors to the hall of fame at his alma mater are opened to admit him and perpetuate his name in the annals of collegiate sports as a great athlete and a great fellow.

Arson Denied In Lofy Fire

After several weeks of investigation, no evidence has been found of suspected arson in the fire that destroyed Lofy's night club at Ann Arbor Road and Lilley Road.

Instead, the origin of the blaze has been pinpointed to an area in the luncheon room approximately a foot wide and

10 feet long. The work was done by a group of investigators that included the Michigan State Police Fire Marshal's Division and investigators employed by the insurance underwriters, Michigan Bell officials and members of the Plymouth Township Fire Department.

These statements were read into the record last Tuesday night when Fire Chief James E. Gignac made his formal report to the Plymouth Township Board.

RUMORS HAD been rampant since the blaze that arson was the real cause and, more, that the firemen

made several mistakes in trying to bring the fire under control.

Chief Gignac stated:

"Upon my arrival at the scene (seven minutes after the alarm at 6:07 a.m.), a third-stage fire was in progress, and two minutes later, the fire broke out the roof.

"Water was not placed immediately into the hole in the roof due to its chimney effect ventilating the fire. The attack was made from the roof, and the attempt to cut off the fire failed. In my opinion, the reason the attack failed was due to the number of false ceilings and lack of fire walls throughout the building."

Then he added - "I use the word 'failed' in the broad sense; however, we did succeed to contain and control the fire. You might say we won the battle but lost the war."

"The following rooms were not affected by fire, although they were destroyed by roof and false ceiling cave-in: The Grill Bar, the front maintenance room, most of the kitchen, the salad room, the dishwashing room, several lavatories, and office and the entire Pavilion Room."

CHIEF GIGNAC also went into detail regarding the amount of water that was used and claimed that at no time was there a lack of water.

"Water pressure was more than satisfactory," he stated. "The estimated water used from the township mains was 972,000 gallons and 400,000 gallons from the City of Plymouth. The amount of hose laid was 9,800 feet. There were 116 feet of ground ladders and 165 feet of aerial ladders used on the building."

The chief also took occasion to deny all other rumors when he stated, in the written report:

"Rumors and malicious stories run rampant after a fire of this magnitude. I do wish to state that I have met and talked with all fire department officers who were at the scene from each and every department assisting us on the Lofy fire."

"THESE MEN are professionals and every officer offered the following information:

"1 - First time in mutual aid where complete cooperation was experienced in the exchange of ideas and the performance of all members in a most professional manner."

"2 - The best coordinated fire attack ever experienced or participated with."

"3 - That the commanding chief was in 100 per cent control of the situation and conducted the operation like an experienced veteran."

He also emphasized that the personnel of the township department left all personal feelings locked up elsewhere and performed in a highly efficient manner."

HOMEcoming AT PLYMOUTH High School is much more than a parade, the selection of a queen and the football game. There's a lot of hard work and some fun behind the scenes during the big four days. On the left, for instance, the gourmets-- Bob Hareg (left) and Phil Catlette, are competing in the hamburger eat-

ing contest. On the right, the junior class members are enjoying the task of preparing the float for the big parade. From left they are: Joni Perlongo, Linda Allen, Eita Schuntz, Marcntz, Marcia Berry, Char Norman and Tom Sullivan. (Photos by Ken Garner.)

Community Fund Leaders Optimistic

Although the reports were only fragmentary, the Plymouth Community Fund leaders had reason to be optimistic at the first luncheon meeting on Thursday at Hillside Inn.

As each group reported the early returns were equal to or above last year at the same time and this prompted Ron Coosaia to comment that the signs were favorable for a very successful drive.

Among those highly enthusiastic were Mrs. Carl Zeese and Mrs. Lou La Riche, group leaders for the residential division. They reported favorable receptions and promised that a new mailing would be sent to all potential contributors.

BOB UTTER, chairman of the special gifts and clubs informed the committee that the early soundings from the various men's and women's clubs throughout the area were sufficient to forecast success of the drive.

He also reported that two sub-chairmen had been added to his committee in order to leave no organization forgotten. The new members are Mrs. Lois MacAllister, who will handle the women's clubs and John Harper, who has been assigned to the men's groups.

It was evident from the early reports that the wage freeze would have little effect on the drive. There is no freeze on giving, it was stated, and

the Plymouth residents were doing their part.

All agreed that, while it takes more than one swallow to make a summer, the early reports presage a great ending.

JOE WEST, president of the board of directors, also announced that a 30-day extension has been granted on the Fall Festival option to purchase the vacant lot between the Penn Theater and the Masonic Temple.

He also announced that the Victory Dinner has been set back two weeks, from Nov. 4 to Nov. 18.

This was done on the assumption that the final figures always are late. With

the new date the final figures should be known and avoid all the last minute rushes for the results of the drive.

Trick or Treat Set Saturday, Oct. 30

In order to protect the health, welfare and safety of the children Mayor James McKeon proclaimed that "Trick or Treat"--the children's most active part of Halloween--will be observed in the city on Saturday, Oct. 30.

He immediately received the cooperation of Plymouth and Canton Townships, so the tricking and treating will be done at the same time throughout the Plymouth Community.

Mayor McKeon also decreed that the observance of the old tradition should be made between the hours of 4:30 and 7:30 p.m.

Young Men Wanted For Trip To Japan

The Plymouth Rotary Club has joined with 44 other clubs in southeastern Michigan in a hunt for five young men to take a six-week study tour of Japan during next April and May.

"This is part of Rotary's effort to promote international understanding," Ed Sawusch, president of the Plymouth club, stated, "and the study tour will provide an opportunity for the young men chosen to study business and professional life of their counterparts in the Kyoto district of Japan."

The search is being made among young men between the ages of 25 and 35 years having high vocational standards.

In making the selections, emphasis will be placed on men engaged in varied occupations, so that the group

will be a good cross section of young America.

Under the eligibility rules no member of Rotary or a Rotary family is eligible and Rotary is open to receive nominations from anyone in the city with a qualified candidate.

"The selection of candidates will be started immediately," Dr. William Covington, chairman of the Plymouth committee, reported, and added, "I hope our district will have a representative team."

All candidates' names should be sent to the Rotary Club, Mayflower Hotel, Plymouth.

John Dawson, governor of District 640, expects to name the leader of the delegation, who will be a member of the Rotary, within a short time. In the meantime, the hunt goes on.

Gift Trees Damaged In England

The four imperial locust trees presented to Lord Mayor Frank Chapman and his entourage, of Plymouth, England, during the centennial here in 1967 are not doing too well since being planted in the lawn of the Municipal Building across the seas.

Robert Hayman, chairman of the City of Plymouth Centennial Committee, who recently returned from a vacation trip to Plymouth, England, reports that only one of the four is healthy.

Mrs. Dorothy Innes, present lord mayor, informed Hayman that every effort will be made to save them and that special care is being provided in the hope that they will forever stand as symbol of friendship.

WATCHING PROGRESS -- Each week from now on, the leaders of the Plymouth Community Fund Drive will be meeting to get the latest figures. At the first meeting, held Thursday, Drive Chairman Ron Coosaia shows the amount of contributions to Mrs. Carl Zeese (left) and Mrs. Lou La Riche.

Plymouth Brevities

MARY B. McCONLOGUE, 41941 Banbury Road, has been named winner of the \$300 scholarship by the Order of the United Commercial Travelers of America. She is a junior at Eastern Michigan University.

The Larry Parmenters of Ridge Rd., in Plymouth township, have a penchant for German shepherds. Their latest is a beautiful 80-pound blond. She is a year - and - a half old and her name is Leibe (that's Sweetie in German.)

Leibe was the cause for great concern recently when she unwittingly swallowed a ball - a ball with a 2 1/2-inch diameter with a bell in it.

It took major surgery to remove the obstacle, but it was performed in the nick of time. Leibe's heart stopped beating before it was all over, and she required chest massage to get it going again. Her recovery room was the back of the Parmenter station wagon.

And she had many concerned visitors, for Leibe swallowed the ball just as Larry's golf league arrived for the annual cookout at the Parmenters.

And speaking of dogs - George Hudson's great bear of a standard poodle, Jacques, has developed colitis, of all things. Nerves, they say, and he's on a very strict diet.

Symphony Box Office To Be Open

PLYMOUTH Interest and enthusiasm are reportedly running high for the opening of the Plymouth Symphony, scheduled for Sunday afternoon (Oct. 17) at 4 in the new Plymouth High School Auditorium, Joy Road, west of Canton Center Road.

Tickets will be on sale at the box office before the performance. Tickets inquiries may also be made by calling the symphony office.

Sunday's program will feature the ever-popular Kenneth Jewell Choral in Beethoven's Symphony No. 9 (Choral), plus a new composition by Robert W. Jones, titled "Prelude and Celebration."

Jones wrote the work especially for the occasion, the symphony's first concert in the new auditorium. He is composer-in-residence at Schoolcraft College.

Elks To Hear Pete De Paolo

The Stroller... Color! You Can Find It At Home

Now that Mother Nature is starting to wear her gaudiest colors the mails will be filled with brochures from all sections extolling the beauty of the fall season. They'll be coming from Chamber of Commerce offices from areas all across the land - and each will be trying to outdo the other in luring folks to take in the sights.

Far be it for The Stroller to argue with any of them and discount their claims. He has had the good fortune through the years to visit many sections and drink deep of the beauty.

One never can forget the magnificent beauty of the New England area in the fall - and the scenes on the campus at Dartmouth College in Hanover, New Hampshire are breathtaking. Never a football season went by in the days of long ago that he didn't manage one tour of that campus - regardless of the merits of the football teams.

While the campus scenes were a delight, the trip through the Green and White mountains, then on down through the Adirondacks was something to behold.

IN RECENT years The Stroller has had the pleasure of looking down on the colored valleys in the vicinity of Copper Harbor, and that, too, is a sight that remains with you for a long time.

You'll find color down through the Smokies and along the foothills of the eastern mountains and the skyline drive in Virginia. The color is almost blinding in its beauty as one travels through Pennsylvania, northwest from Harrisburg toward Buffalo, N.Y.

But if you are one of those unfortunates who can't afford the money or the time for any of the much advertised color tours, take heart.

We have enough color to satisfy the most demanding - and it is right at our back door.

Within an area of 60 miles and a few hours one can feast on the beauty of the fall colors down in the Irish Hills. This is just a short jaunt out Highway 12 to Hillsdale and then a swing up through the many small towns enroute to Ann Arbor and you'll get a treat that is well worth the effort.

As a matter of fact, without being facetious, one can take this trip-and go through Hell (Hell, Michigan, that is) and encounter color unmatched any other place.

FOR THOSE who don't want to travel that far,

they'll find color galore in another week or two on a short trip to Kensington Park on Highway 96, enroute to Lansing. Kensington Park, off to the right of the highway enroute to the capital, is the equal of any sight you'll find in the colored areas of the land-and it is only a few minutes away.

There's another little jaunt The Stroller enjoys and that's the ride through the fall colors to Ann Arbor for the Michigan football games, especially if one travels on Ann Arbor Road out through Pilgrim Hills. The Hills, in themselves, are a treat for sore eyes as they say and in another week or two they'll be aglow.

You can head in another direction and you'll find a worthwhile trip in the rolling country in and around Northville. The rise and fall of the landscape lend themselves to the dabs of yellow and gold of the foliage and add real enjoyment to the trip.

AND, IF you're stuck, with only little time to spare, there's nothing wrong with a ride through the Edward Hines Parkway with its many trees along the way.

The long, winding strips of concrete appear like silver ribbons through the lineup of trees and they'll be wearing their gaudiest colors in another fortnight.

So, take it from a fellow who has gazed upon the fall colors from coast to coast and from Mexico to Canada, there are some of the best colors tours available right in our own backyards-and you don't have to travel miles and miles to see them.

Have a good time.

The Okinawa Chamber of Commerce championship (as a Marine in '59) wasn't Lee's biggest title, but it was his first. Since then, you count 'em: Golf Rookie of the Year, 1967; U. S. Open (twice); British, Canadian, Hawaiian, Texas (his home state) twice; and many others, including the 1969 World Cup. Sportsman, citizen, and friend of the Newspaperboy.

"FOLLOW-THROUGH--"

says Lee Trevino--

"IS WHAT MAKES A BOY A GOOD NEWSPAPERBOY"

Lee Trevino thinks like a golfer. And why not? This year he made history by winning three national titles (U. S., Canadian, and British) within a span of three weeks. So when asked about Newspaperboy Day, he had this comment on what makes a newspaperboy tick:

"He follows through. He takes care of his customers. Never mind the season or the weather, your newspaperboy knows you count on him--so he's always there with your paper. Follow-through is what wins golf tournaments--and it's also what wins respect for these young men that serve us so well. I take off my cap to them."

Service, dependability, responsibility--these are all attributes of the

successful newspaperboy. And you can add another word too: "thriftiness." Like their parents and many other Americans, thousands of newspaperboys save part of their earnings in U. S. Savings Bonds, in preparation for college or other financial needs of the future.

Buying Bonds is just another example of their all-round good citizenship, another reason for the nation to be proud of its newspaper carriers. Like Lee Trevino's cap, Uncle Sam's hat is off to these young businessmen on the occasion of their annual day in the spotlight--Newspaperboy Day 1971.

Take stock in America.

360 SOUTH MAIN STREET • PLYMOUTH

To the Citizens of Plymouth Community School District:
A sixty page, detailed audit report is on file at the Administration Office, 1024 South Mill Street, and may be reviewed by any citizen.

The School District is in good financial condition and maintains balanced budgets. Since tax collection is not due until December it has been necessary to borrow \$2,000,000 to meet current operating expenses. National Bank of Detroit bid a low interest rate of 3.04% per annum for the \$2,000,000 tax anticipation notes. Rapid growth in enrollment will require continued school building construction although presently there are adequate facilities for all youth. It is urgent that vocational, music and physical education facilities be constructed at Canton High School. These were not included in Phase I of Canton in order to keep the debt tax rate under 9 mills. The increased State Equalized valuation has permitted the debt tax rate to be reduced to 6.25 mills.

The Board of Education meets regularly on the second Monday and fourth Tuesday of each calendar month.

Sincerely yours,

James H. Rossman
Superintendent of Schools

Could Clear Suburbs

O'Neil Asks Bussing Appeal

James F. O'Neil, a State Board of Education member from Livonia, has asked Attorney Gen. Frank J. Kelley to appeal Federal Judge Stephen Roth's finding that the state was guilty in the Detroit school integration case.

O'Neil also asked Kelley to rule on the state board's authority to carry out the kind of integration plans that might be necessary under Roth's order.

The effect of such an appeal, if successful, would be to overturn the state's conviction and leave only the Detroit school board to wrestle with the integration problem.

The State Board of Education would then be able to drop work on a bussing plan that would involve the suburbs. The suburbs could stop worrying about having to integrate with Detroit schools.

AS A REPUBLICAN, O'Neil is outnumbered 6-2 by Democrats on the state board. He didn't know whether other board members agreed with his request for an appeal.

State board President Edwin L. Novak (D-Flint) said last week that the board would comply with Judge Roth's order to draw up a Detroit-suburban integration plan.

O'Neil agreed that the board should comply with the court order but meanwhile wants an appeal lodged against Roth's decision.

O'NEIL specifically challenged Roth on the point of whether black and disadvantaged youngsters in Detroit were receiving "equal educational opportunity."

The U.S. Supreme Court, O'Neil said, ruled that integration should be accomplished by bussing unless it would "significantly impinge on educational processes." O'Neil argued that cross-district bussing actually would impede Detroit youngsters because:

- State and federal agencies have made extra aid to socially and economically

disadvantaged students. Bussing them out of Detroit would cause them to lose the benefits of that aid.

- Detroit has made an effort, which even Judge Roth acknowledged, to hire black teachers and specialists who understand inner city children's problems. Again, bussing would remove them from those expert teachers.

- Detroit's spending per child is four per cent higher than the state average although its millage rate is 20 per cent under the state average for operations.

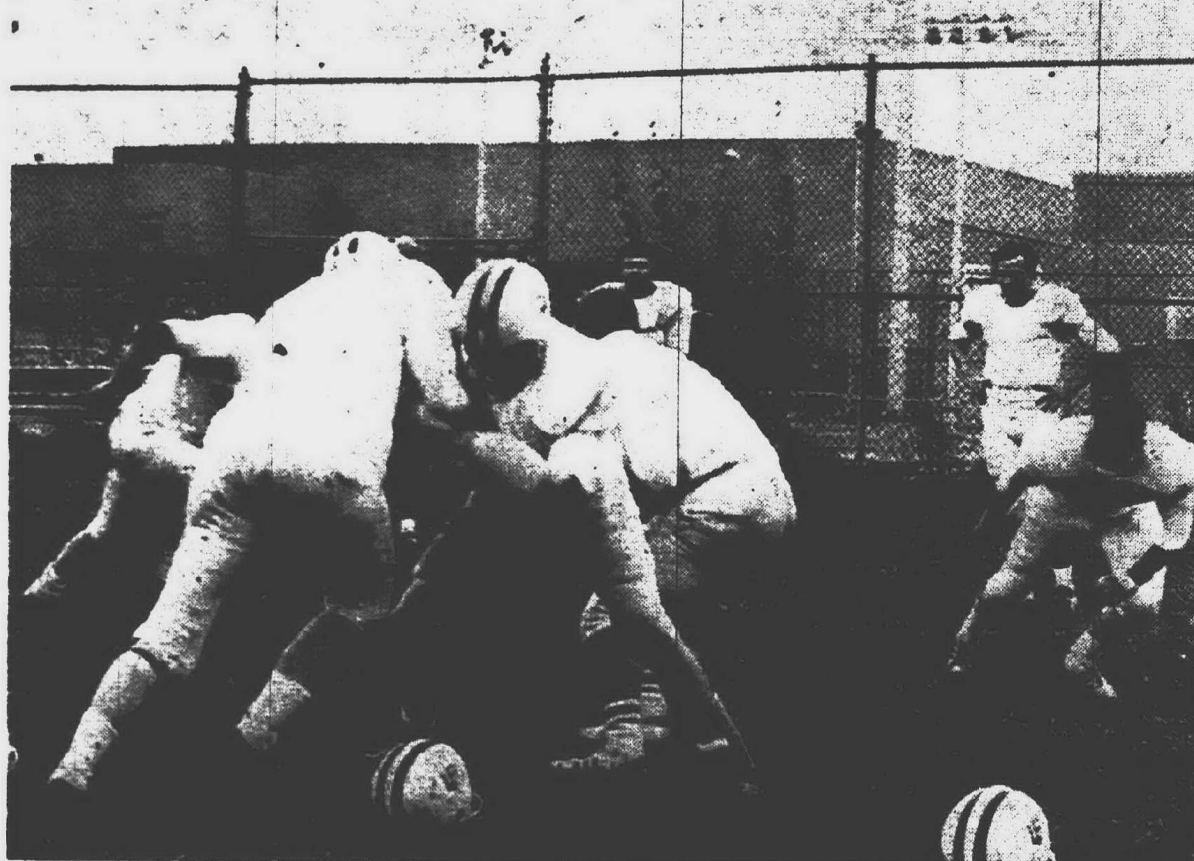

Moreover, Detroit spends more per child than 38 of the surrounding 85 suburbs. Bussing Detroit children to any of those 38 suburbs would reduce the amount spent on them.

THE LIVONIA Republican also asked Kelley to rule on two other questions of authority:

- Whether the State Board of Education could have enforced the guidelines in a "School Plant Planning Handbook." Judge Roth said the Detroit school district failed to follow those guidelines in its site locations for new schools, and he declared the state had failed to enforce the guidelines.

- Whether the State Board of Education has the power Roth suggests it has to annex other districts to Detroit.

O'Neil pointed out that Roth has ordered neither cross-bussing nor annexation, and so the state can't appeal on these points — yet. He asked Kelley to clarify the powers of both the state board and the court.

POLICE BOWL — Livonia policemen have been practicing for a rematch with a football team from the Wayne County Sheriff's Dept. The Livonia policemen and the challengers played to a 0-0 tie last year. The Livonia team will be led by quarterback Bob Gongla (below, taking a snap from center). The game is at 7 p.m., Oct. 23, at Livonia Bentley High School's field, 15100 Hubbard Rd., Livonia. Teaching Helps Them Learn More

ANN ARBOR College and university students appear to learn more from their courses when they pitch in with some of the teaching.

Experiments conducted on American campuses during the past 12 years show that student-led discussion groups, overseen but not dominated by teachers, asked more questions, read more, accepted greater responsibility for their learning and adopted a more intellectual (less vocational) attitude toward school than their classmates taught solely by faculty.

"This is one of the most encouraging developments in higher education," says University of Michigan psychologist Wilbert J. McKeachie. "It is a paradox that state legislators and school administrators are cutting back teaching fellow positions instead of increasing them."

"A MAJOR advantage of the student-led discussions is that participants feel less self-conscious about asking questions and expressing opinions. This method is particularly preferable for students below the median in ability."

"A student-centered discussion is not simply one in which the instructor abdicates his teaching responsibilities," he noted. "The teacher must be skilled in planning discussions, providing support and guiding the student

leaders and group members. More effort should be made to train faculty in these techniques."

"This is a far more productive use of his talents than full-time lecturing to large classes of undergraduates."

"For years, studies on college learning and teaching seemed to bear out an opinion that it didn't much matter how students were taught," he said. "However this research was based upon exam performance, not knowledge retained afterward."

"When one reviews all the studies, there is consistent evidence that several factors, such as teaching method and class size, do make a difference."

Not surprisingly, small classes appear more effective than large ones for problem solving, retention, motivation for further learning and attitude change.

"THE LARGE class often reduces the teacher's sense of freedom in choosing instruction methods, assigning papers or testing. Anything that thus handcuffs a teacher tends to sabotage education," McKeachie says.

In terms of student attitudes and achievement, a combination of large lecture and small discussion sections is preferable to the more common arrangement of several sections of an unwieldy medium size.

Plymouth Churches Push UNICEF Drive

The Plymouth Community Council of Churches will sponsor its traditional Halloween fund drive for the United Nations Children's Fund (UNICEF) on Wednesday, Oct. 27 and Thursday, Oct. 28.

On these two days, young people from the city and township will "trick or treat for UNICEF" in order to raise funds for vitamins, vaccines, food and school supplies for needy children in more than 100 countries.

The youngsters will be out in small supervised groups and will be identified by their official orange-and-black collections cartons.

According to Mrs. John Culotta, area UNICEF coordinator, many "trick or

treater" are still needed, particularly to canvass outlying subdivisions within the township. Any individuals or children's groups wishing to participate may contact Mrs. Culotta before Friday, Oct. 22. For safety reasons, Mrs. Culotta asked that participation be restricted to youngsters of fifth grade age or older.

The 1971 fund drive celebrates UNICEF's 25th anniversary since its inception in December 1946 as the United Nations Relief and Rehabilitation Administration (UNRRA).

For this reason, Mrs. Culotta reports, UNICEF officials are especially eager to equal or exceed last year's national fund goal of \$3.35 million.

Teens Will Aid Fund

Approximately 50 senior high school students from Orchard Methodist Church, 30450 Farmington Road, Farmington, will begin collecting for UNICEF (United Nations International Children's Emergency Fund) on Friday evening, Oct. 22.

They will be directed by Mr. and Mrs. Jack Zerull. Mr. and Mrs. Donald Dittmar will direct between 60 and 70 junior high school students who will collect north of 13 Mile Sunday afternoon, Oct. 24.

After collecting, each group will return to the church for refreshments.

The fund, created by the United Nations General Assembly, in 1946, provides food for millions of mothers and children, as well as helping to fight children's diseases. It also helps governments set up centers to care for mothers and children.

Film Coming

The film "Art Linkletter Speaks Out on Drugs" will be shown in the All Saints Lutheran Church, 8850 Newburgh, Livonia, at 8 p.m. Wednesday, Oct. 20.

There is no admission and the public is invited.

REV. GARY COWALL (right) and Mel Schevchek, evangelism chairman of Incarnation Lutheran Church, look over a model of the projected church building in Farmington. Only the center section has been built as the church marks its 10th anniversary this weekend.

Incarnation Lutheran Marks 10th Anniversary

Incarnation Lutheran Church of Farmington is extending a special invitation to visitors as it marks its 10th anniversary with a celebration Sunday, Oct. 17. Church school at 9:30 a.m., and the worship service at 11 a.m. will be followed by a dinner at 12 noon in the

church, located at 30333 W. Ten Mile, between Middle Belt and Orchard Lake Road. The Rev. Gary Cowall, pastor, invited all residents of the area to visit on the anniversary Sunday.

"HAVE YOU ever wanted to visit a church, but kept putting it off?" he asked. "Perhaps

you were afraid that you would stick out like a sore thumb in a church where everyone knows each other. "Well, this will be a good chance for us to worship together, get to know each other and enjoy a good dinner."

Incarnation church was organized on Oct. 1, 1961, and held its first services in Ten Mile School in Farmington. The first Sunday School classes met later that month, and a year later the congregation moved its operations to the Middlebelt School in Farmington.

GROUND WAS BROKEN May 2, 1965, for the first unit of a church building at the present site. The cornerstone laying came Aug. 22 of that year, and the first services in the new building were held Christmas Eve, 1965.

The building was dedicated Feb. 27, 1966. On Oct. 29, 1967, 119 persons attended a five-year anniversary dinner. Future plans for the church include building of a sanctuary at the east end of the current building and another wing at the west end.

Pastors serving the congregation before Rev. Cowall were the Rev. George P. Stegmier, 1961-64; the Rev. Robert E. Zoeller, 1964-66; and the Rev. Peter C. Larsen, 1966 to 1970.

Rev. Lester Kinsolving's Religion Update

America's 1,032 Reform rabbis are, according to repeated surveys, the best paid of all the nation's 387,000 clergy.

As an example, everyone of this year's graduates of Cincinnati's famed Hebrew Union rabbinical seminary who sought congregational posts was retained — at a minimum remuneration of \$14,800.

A key factor in this is the fact that the rabbis can count on what may well be the best personnel system of any denomination or religion in existence.

THE RABBINICAL Placement Commission of the Central Conference of American Rabbis is a cooperative agency which serves the Union of American Hebrew Congregations (the national organization of Reform temples) as well. Among other services — which in varying degrees are almost non-existent in most denominations — the Placement Commission provides:

• Guidelines and a code of ethics for both the rabbi as well as the temple which is seeking to fill a pulpit vacancy — a process which can be every bit as intricate and delicate as courtship.

• Placement — Whenever a rabbi feels that he should relocate, he is able to notify the Placement Commission, which not only recommends him to appropriate pulpit vacancies but keeps him regularly informed as to such openings and how he is being considered where recommended. Hence the stultifying experience of a rabbi being "marooned" in one temple for life (simply by being overlooked, or because he is unwilling to go about promoting himself) is far rarer than in most Christian denominations.

• A reasonable respect for seniority — A newly-ordained rabbi cannot be called to be senior rabbi of a temple with more than 120 members. He must be over age 37 and have at least 10 years experience in order to head a temple of more than 600 members.

"We recognize that the larger the congregation, the greater the need for experience," notes the Placement Commission's highly respected and thoroughly amiable director, Rabbi Malcolm Stern. "If some of our younger colleagues are impatient with this system, they ought to hear the complaints from some of the pulpit committees!"

RABBI STERN has served as an assistant rabbi in a Philadelphia temple, as an Air Force chaplain and for 17 years as the highly esteemed rabbi of Temple Ohel Shalom in Norfolk, Va. Out of the inimitable school of experience, he observes:

"Only once has a congregation sent in a request for a scholarly rabbi. Most of them want a young, dynamic rabbi — who will cost less, be more amenable to dictatorship by a temple board, be less set in his ways and attractive to the youth."

Regarding instances of dictatorship (either by the congregation — or sometimes by the rabbi), one of the Placement Commission's most valuable functions is in providing conciliation and arbitration in cases of conflict between rabbi and temple board. This system has some teeth in it, for when any rabbi appeals on grounds of alleged injustice, the Placement Commission will close his pulpit to replacement by any other rabbi until the matter is adjudicated.

The commission cannot forbid the temple board from hiring any rabbi. However,

since the commission has always been supported financially by the rabbis taxing themselves, rabbinical "scale" are virtually nonexistent.

YET THERE ARE a great many rabbis who are too proud, sensitive, or self-effacing to ask for help until the conflict is beyond repair. "This has almost invariably led not to conciliation, but to arrangement of severance pay," observes Rabbi Stern, with considerable regret.

This problem may be alleviated substantially with the development of regional conciliation and arbitration boards — and if there is acceptance by local temples of the trenchant and sagacious views of Boston's Rabbi Roland Gittelsohn (views which could apply to any denomination):

"Are we prepared to demand that just as rabbis sometimes deservedly lose their positions, congregations should also incur suspensions? . . . that guilty synagogue officials should be advised to vacate their offices, rather than a rabbi be given the chance of slinking out of town with severance pay?"

"Any congregation which pursues a policy of tyranny over its rabbi digs a common grave. . . Too many decent honorable laymen believe that all is well because harried rabbis do not cry out and because they assume that the only instances of oppression are those which hit the papers. . . Too many board members see their rabbis as hired hands."

"If this is what American Jewry wants, this is what it will get: craven, mediocre, servile persons who will dutifully preside at the burial services of American Jewry. In the name of the God of Israel, this must stop."

Church Asks Blankets

A Westland church is asking for the chance to ship your unused blankets to people all over the world who need their warmth.

The Episcopal Church of the Holy Spirit is cooperating with Church World Service, an international organization, to get blankets to disaster areas.

Last year, Church World Service shipped 330,000 pounds of blankets to 19 different countries, and they helped victims of the Peru earthquake, Vietnam refugees and Pakistan cyclone victims, as well as Americans made homeless by the tornado in Mississippi and the earthquake in California. Migrant families living in Michigan also received some.

Holy Spirit Church has set up a collection center for three successive Saturdays. The drive began Oct. 9 and is continuing Oct. 16 and 23, each Saturday from 9 a.m. to 4 p.m. The church is located at 34645 Cowan.

Families that have no spare blankets but would like to help the Church World Service drive are invited to make a \$3 contribution to purchase, wholesale, a blanket that is 80 per cent wool. Checks should be made payable to CWS Blanket Appeal.

Helping Others Means 3 'Happiness' Awards

Three Observerland women who make helping others a part of their lives all year have special recognition this Sweetest Day.

Marjorie Shonyo, 39633 Greenview Place, Plymouth; Mrs. Steffi Schaefer, 31307 Kendall, Livonia, and Mrs. Eleanor Jorgensen, 24634 Glen Orchard, Farmington, received "happiness awards" from a committee of Detroit businessmen last Tuesday.

They were among a group of Detroit area residents selected for their "contribution to the well-being of others without thought of material reward."

ALL THE WINNERS, who received citations and silver trays during a Kiwanis luncheon in the Detroit Hilton, had been nominated at the invitation of a Sweetest Day committee.

The aim was to recognize "the big and small acts of kindness shared by individuals that make life more meaningful."

Sweetest Day, it was explained at the luncheon, was started more than 40 years ago by a Cleveland candy maker who distributed small gifts to the city's orphans and shut-ins on the third Saturday of October.

It has become a day for special remembrances, and this year the Sweetest Day committee decided to look for people who "make Sweetest Day" happen all year.

Letters of nomination for "happiness awards" were sought through United Fund

MARJORIE SHONYO of Plymouth receives her Happiness Award and silver tray from Jack Sanders, Sweetest Day committee chairman, assisted by Dr. Robert E. Kincheloe, executive director of the Council of Churches of Metropolitan Detroit.

Agencies, the Detroit Council of Churches, and through television, radio and newspaper.

MISS SHONYO was nominated by the American National Red Cross for "countless kind deeds done in such a quiet, unassuming way."

She has been a Red Cross volunteer for eight years, and for the past two years has been chairman of office volunteers.

Mrs. Schaefer's nomination came from Livonia Mayor Edward H. McNamara because she has dedicated "a great deal of her time to working with our men in the armed services."

She has organized fund-raising drives and solicited donations to send monthly packages to men serving in Vietnam.

In addition to arranging dinners and free shows for returned veterans, Mrs. Schaefer has worked to secure jobs for them.

THE UNITED Cerebral Palsy Association of Detroit nominated Mrs. Jorgensen. The association said she has given "generously of her time and talents toward enriching our program for young cerebral palsied children."

Judges for the Happiness Awards were Dr. Robert Kincheloe of the Council of Churches of Metropolitan Detroit; Mother Waddles, operator of the Perpetual Mission; Joseph E. Jackson, of Mayor Gribbs' Committee on Drug Abuse; columnist Mark Beltz; and television personalities Sonny Eliot, John Kelly and Jackie Gordon.

Borgess Wins 25; Stevenson Victor

Undeatable in 25 meets and still running strong...

Bishop Borgess harriers scored two victories this week to up their season record to 7-0 and extend an unbeaten streak to 25.

The Catholic League defending champions are favored to repeat in the finals Oct. 26.

BORGESS SCORED a shutout against Gabriel Richard 15-0. Six Borgess runners crossed the finish line before one from Gabriel with Jim Bearden taking first place honors with 12:14.4. Following in order were: Mark Oller, Ken Yatts, Steve Legel, Dan Madden and Tom Mulvihill.

Borgess and Divine Child met in a duel of the undefeated. Both were 5-0 before the meet, but Borgess took eight of the first 10 places to topple Divine Child, 23-30.

Dan Madden dashed to an individual best time of 12:01.5, and Rand Ryan, of Divine Child, was closest with 12:13.

Borgess tangles with St. Mary's of Redford Tuesday.

STEVENS ON PLACED five

in the first six places to best Pontiac Northern 19-37.

Dave Mathis chalked up a time of 12:57 in setting a Pontiac Northern course record. Northern's Barry Young placed second followed by Pat Opisommer, Bill Walker, Kevin Maly and Paul Walchewski all of Stevenson.

Franklin remained undefeated in league competition by overtaking previously unbeaten John Glenn. The Patriots now stand 4-0 in league meets and 5-0 overall, with Glenn and Birmingham Groves trailing at 3-1.

John Dawn, Wayne Griffin and Bob Stewart finished 1-2-3 for Franklin with Dawn first in 13:05.

Bob Faust finished fourth and had a time of 13:16 for John Glenn. Franklin's Glenn Outright, Biff Irving, and Bill Petres followed Faust in order to round out the Patriot scoring.

Franklin and Groves clash Thursday in a key league meet.

It was down to the wire when Harrison and Northville

squared off. Frank Arcangel and Paul Johnson finished in a dead heat to give Harrison first and second place points in a 25-29 edging of Northville. Their time was 13:43.

Harrison coach Dennis King predicted a 27-28 squeaker before the meet but didn't mind being one point off in picking up his fifth victory of the year against two defeats.

They stand 3-1 in league competition behind powerhouse Churchill which is 4-0.

PIKE IN PLYMOUTH? Sounds like a fairy tale but Conservation Officer Erv Teggerdine is holding a 27 1/2 pound northern pike pulled out of Phoenix Lake during a fish survey. (Observer photo by Tom Donoghue).

There Are Big Ones In Phoenix Lake

"Fish are very edible here at Phoenix Lake," said conservation officer Jack Boyd, after a gill net survey was taken.

In 1967, the lake located in northern Plymouth, was poisoned by the Conservation Department to get rid of carp and stunted bluegill. It was restocked with 7,000 rainbow trout.

In June of 1969 it was supplemented with a stock of 7,000 brown trout.

THE SURVEY Thursday showed the lake contains the following fish: northern pike, 19 to 27 inches; large mouth bass; bullheads six to seven inches long; bluegill; black crappie six to seven inches; white suckers; and some carp.

"The program of poisoning carp has proven very successful," added Boyd.

"We had some complaints in July about fish not biting at Phoenix Lake. I talked with 751 fisherman in a one week span then to see what the problem was."

"The water temperature at that time was reaching 90 but I could not convince the men that this was the reason for fish not biting, instead of the 1967 poisoning," said Boyd.

A REPORT in March of 1970 by the Pontiac Lake District Headquarters stated that to date the trout fishing had been unspectacular, but the recruitment from upstream of crappies, northern pike, and bass showed a good promise of fishing potential without fish plants.

Boyd said that the lake is excellent for fishing now and that area fishermen can find their catch at Phoenix.

There must be some sort of charm to the approaches at Bel-Aire Lanes.

The last two metropolitan Detroit record holders—Gaston Marois with 667 and "Jet" Perrilli with 645—rolled their big series there.

This week over the same planks Tom Galbraith put together games of 277, 235 and 268 for a 760 that is the best series fired in Observerland this season.

Mike Mathis finally has come down out of the clouds. After posting two big series at Wonderland Lanes, and boosting his average to 236 for first five weeks, he rolled a small 600 Tuesday night and had to yield scoring honors to Herb Haeger who had a 226-247-234-767, and Greg Nicora who linked games of 238, 256 and 299 for 793.

THE BIG MAN in the area, insofar as high scoring is concerned, is Paul Zajac in the Garden Lanes Classic.

Bowling a doubleheader he registered series of 714 and 701 in the matter of several hours. For his big count he linked games of 237, 224 and 253.

The big man in the Classic, however was Fred McLean, who opened with a 284, followed with games of 220 and 216 for a 720.

In the Senior House League Bill Todd, a 178 average bowler, registered a 712 on games of 256, 234 and 222.

THE SHARPSHOOTERS in the Classic League at Westland Bowl had good reason to sit up and take notice this week when Don Patrias, a 182 average bowler, went on a scoring rampage.

Bowling in the Wednesday morning men's loop he laced games of 266, 246 and 262 for 774. The only other 700 during the week was the product of Bob Mahaz, in the Masters' League who had a 238 in 707.

Jan Himelstach established two high marks in the Ladies Afternoon Classic when she posted a 232 in a 615 series.

The highest game of the week was a 286 turned in by Dick Engel in the Thursday Mixed circuit.

TRESA SKOMSKI rolled off with all the top honors in the Livonia Lanes Ladies Classic. She won the first two games with identical scores of 194-44-240 and took the high series with 533-132-665.

The odd game in the series was the work of Doris Macorkindale who posted a 177-37-214.

TINA BRITCHE paced the women to another big week at Mayflower Lanes.

In the Night Owl League she found the range for a 217-549. Close behind came Janet Joyce with 544. Evelyn Hurd added a 535.

The other high scorers in-

cluded Marge Stuber with a 294-618, Alice Fijwars with 211-610 and Mickey Binder 510.

LARRY PRATT, a 170 average bowler, reached the high point of his career this week at Country Lanes.

Rowling in the Junior House League he opened with a 221, followed with 236 and closed with 196 for 647.

At that he was nixed by one pin for the week's top honor when Linda Horninger had a handicap 648.

The other highlight came when Kim Kubacki, a 132 average bowler, came through with a 251 game.

ONE OF THE finest performances of the week came when Ted Chisholm, a 16-year-old, fired a 649 series at Wonderland.

There were 25 series above the 500 mark in the Ladies League and Helen Kuznar was

high with 591 and Margaret Coleman, coach of the teenagers league, had high game with 225.

SCORES DROPPED a bit in the Bel-Aire Classic after two big weeks and Bill Benjamin was high with a 710 that included a 257 opener. Other high counts in the league were Vito Petrucci with 681 and Erv Watson Jr. with 661.

Tom Galbraith scored again in the Mixed League with a 238 in 614 and Andy De Caillo had a 246 game.

Jim McCann and Theresa Devine showed the way in the Sunday Alternates. Jim had a 224 and Theresa a 201.

George Urban and Jack Brown had a great battle in Our Lady of Sorrows League. George had a 237 in 622 to beat Jack with two pins. Jack had a 248 in 620.

Farmington-Lathrup Duel Tops Prep Program

The big day comes up for Farmington High next Saturday when the Falcons entertain undefeated Southfield Lathrup in a battle that will eliminate one from the list of unbeaten in the Northwest Suburban League standings.

For Farmington it will be a chance to determine by actual combat just how it stacks up with a Charger outfit that has displayed enough power to make it a contender for the

mythical state championship. Each school bowled over its first two opponents in league play. The Chargers bombed Livonia Stevenson and Walled Lake Central. The Falcons dumped Waterford and Livonia Stevenson.

But the big question next Saturday is how Tony Wenson and Co. will do against Lathrup's Bruce Ruhl, rated as one of the best ball carriers in the area; Larry and Garry Weinstein, the devastating

twins; and Quarterback Barry Brodsky. Since the game if being played on Farmington's home lot, the Falcons will try to show the home folks they are equal or better than the Chargers. Lathrup, on the other hand with a string of 13 wins over two years, must go all the way to gain state recognition.

THIS SHOULD be the game of the league campaign for the

Falcons and naturally they'll be hepped up for their best performance. So will Lathrup... the result should be very, very interesting.

For those graduates who like to get back to their Alma Mater for the one visit during homecoming, there will be colorful programs at Livonia Bentley, Southfield, Garden City West, Livonia Franklin and Livonia Stevenson Friday and Saturday.

Friday's homecomings

include: Berkley at Southfield, 8 p.m.; Dearborn Edsel Ford at Livonia Bentley, 7:30 p.m.; Riverside at Garden City West, 8 p.m. These carded Saturday are: John Gless at Livonia Franklin, 2 p.m., and Pontiac Northern at Livonia Stevenson, 2 p.m.

There isn't anything more colorful than a high school homecoming with a parade prior to the game, introduction of the queen candidates and then the crowning

of the queen in elaborate halftime ceremonies. That will be the program at all schools with the exception of Bentley and Stevenson. The former will crown Her Majesty at the traditional homecoming dance after the game and the latter will have its ceremonies at a dance in the evening.

JUST TO make things more interesting, winless Stevenson entertains Pontiac Northern,

one of the leading contenders for the Inter-Lakes Conference crown, and Bentley is host to Edsel Ford, a new powerhouse in the Suburban Eight League, in what should be a bitter scrap from the opening kickoff.

Garden City West, making a strong bid for the 1971 Tri-Rivers Conference title, faces a stiff fight from a Riverside team that is always dangerous.

Homecoming attractions aren't the only games that have top billing. North Farmington, 1970 state and Northwest Suburban champion, travels to Birmingham Groves in quest of its third victory. The Raiders had their long winning streak snapped by Oak Park three weeks ago but have reared back since. Redford Union's powerful Panthers will be looking for another Suburban Eight win when they clash with Dearborn Friday night in Hilbert stadium.

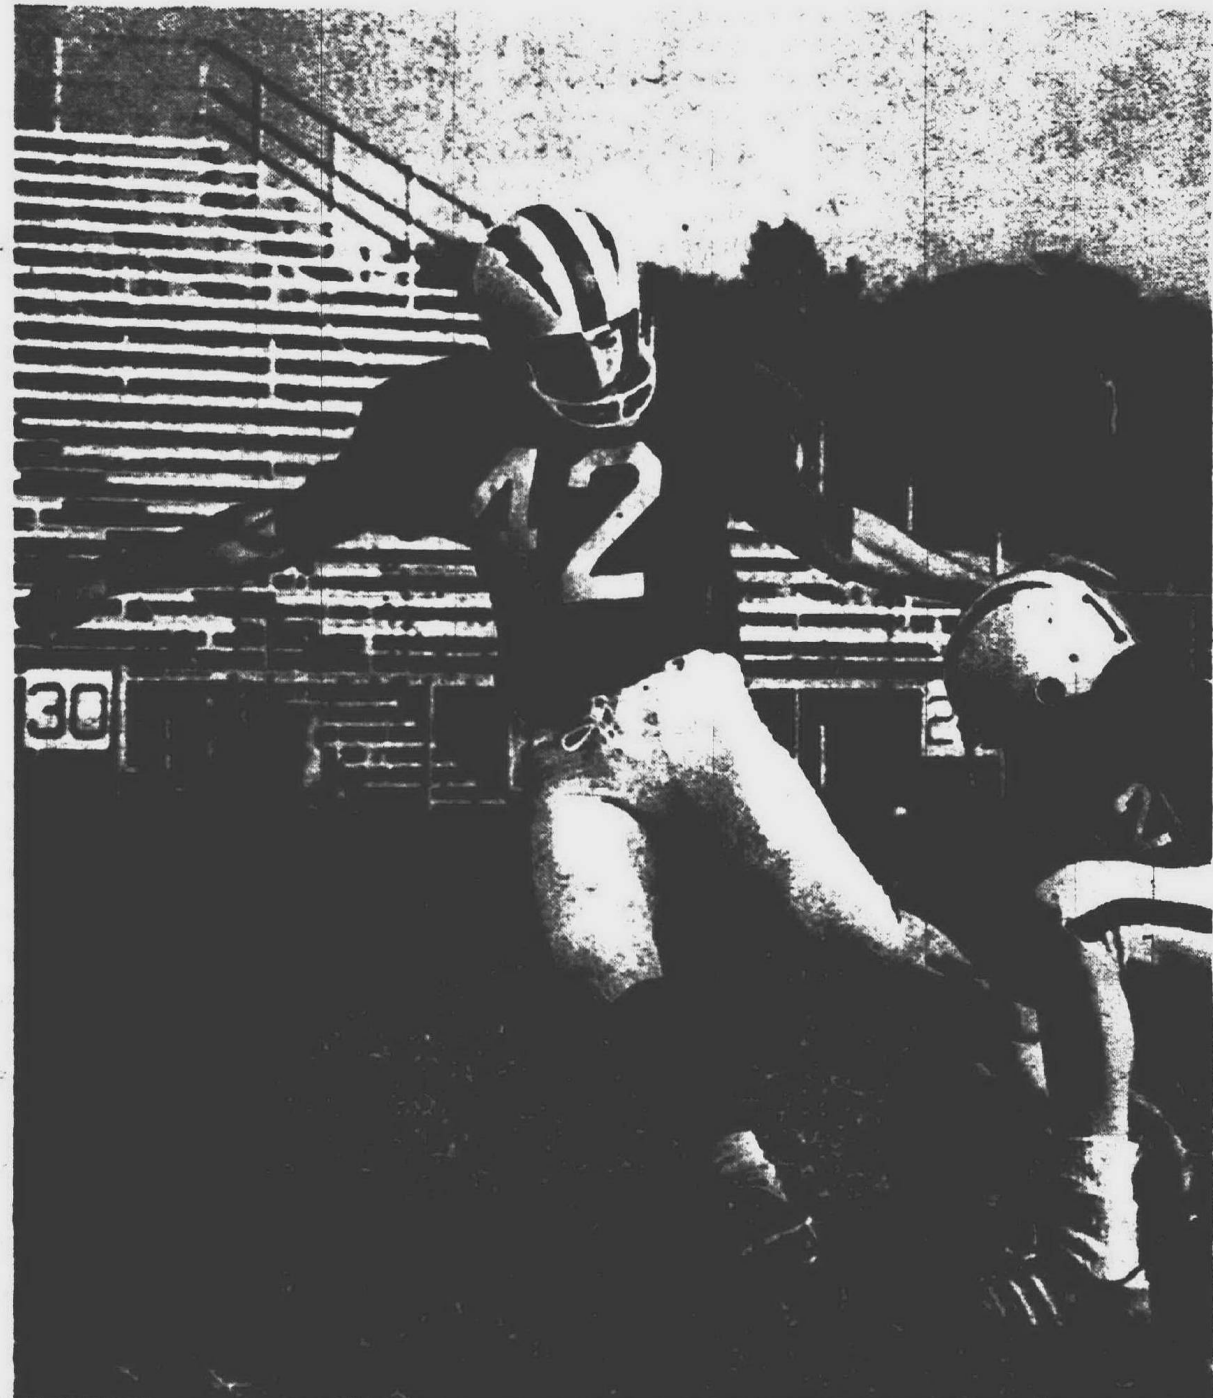

Led by Tom Burk, one of the most spectacular ball toters in RU history, the Panthers have marched over all opposition.

SATURDAY'S action is headed by a pair of Northwest Suburban League encounters, two Catholic League contests matching top teams and St. Agatha tangling with St. Hedwig at 8 p.m. on the Redford High field in Detroit. Oak Park travels to Thurston for an important league meeting and resurging Franklin has a date with neighboring John Glenn that should be a dandy. Both games are afternoon affairs.

Glenn upset Thurston in a driving rain a week ago and Franklin found the going rough against North Farmington.

Brother Rice, Observer-land's lone representative in the Catholic League's strong Boys Division, meets a rather inept U-D High at 8 on the Birmingham Seaholm field and should win.

Bishop Borgess, which has been making a great deal of noise in the league's Central division, faces St. Francis Cabrini in what should be a real cliff-hanger Saturday at 8 p.m. at St. Francis.

THERE IT GOES. Berj Yepremian, sophomore placekicker for Southfield Lathrup and a brother of Gary, star booter for the Miami Dolphins, shows the form that has made him a valuable member of the undefeated chargers. He has missed only two conversions thus far this season. (Observer photo by Tom Donoghue)

Lathrup Boasts A Yepremian Who Can Boot The Ball

By TOM DONOGHUE
Sports Editor

A youthful Greek who didn't know what a football was until a few years ago is kicking up a storm at Southfield Lathrup.

Lathrup sophomore, Berj Yepremian did not know what football was about until his older brother, Garo, paid a visit to the United States.

His brother wrote home to Cypress that a team called the Detroit Lions wanted to pay him to kick something called a football.

Garo kicked for the Lions - even booted six field goals in one game against Minnesota.

Now Berj is kicking in the United States and Southfield Lathrup couldn't be happier.

IN THE FIRST four games of the season he has converted 10 of 12 extra point attempts and kicked a 33 yard field goal.

Berj was born in Cypress in 1955. The Yepremian family moved to London in 1960 and to Detroit in 1968, and on to Southfield in 1969.

The young Yepremian has

one older brother, Kirkor, who was soccer captain at Indiana University.

Berj's brothers have coached him in the soccer style of kicking. Garo, who is now with the Miami Dolphins, finds time to help little brother improve. He even saw little brother boot a 55 yarder while practicing at Brother Rice.

DURING THE summer, Berj devoted at least an hour every day to boot the pigskin between the uprights.

His parents, Azadoushi and Sarkis Yepremian, come to every Lathrup game. After the game they sit down with their son and talk of how he can improve.

Berj has set a goal in football and that is to kick seven field goals in one game - one more than his brother did for the Detroit Lions. He hasn't told his brother yet but he is sure he wouldn't mind.

He wishes he had the opportunity to kick more for Lathrup but says that the offense just picks up too many first downs.

Berj recalled a letter he received from his brother after playing with the Lions. "They just told me to go out there and kick the ball and get off the field as fast as possible."

Berj has been kicking the ball for Lathrup but is in no hurry to get off the field. He has two years left at Southfield before joining the college ranks.

Tigers Pick 3 Twins On All-Opponents Team

The Minnesota Twins may have slipped in the standings - but not in the eyes of the Tigers, who selected three Twins for their 1971 All-Opponents Team.

The Orioles and A's, division title winners, each landed two positions in the late-season poll of 25 Tigers, while the Yankees, Royals and Indians had one apiece on the 10 man squad which included two pitchers.

Outfielder Tony Oliva, the American League batting leader; First Baseman Harmon Killebrew, the RBI leader, and Shortstop Leo Cadenas were the three

Twins honored by the Tigers - Oliva and Killebrew for the second straight year.

Oliva also garnered most votes in the poll, 23 of a possible 25.

OAKLAND SUPPLIED both pitchers for the all-opponent team - righthander Jim Hunter, who was 2-1 vs. Detroit this year and also batted .336 (7-for-11) with a home run and four RBI, and lefthander Vida Blue, who did not give up an earned run to the Tigers all year in beating them three times without a loss, twice with shutouts.

Third Baseman Brooks Robinson and Outfielder Merv Rettenmund of the Orioles; Second Baseman Cookie Rojas of the Royals; Catcher Ray Fosse of the Indians, also a repeater from 1970 and Outfielder Bobby Murcer of the Yankees rounded out the team.

VOTING TOTALS by position:

FIRST BASE - Harmon Killebrew (16), Boog Powell (4), George Scott (3), Carlos May (1), Don Mincher (1).

SECOND BASE - Cookie Rojas (12), Dave Johnson (8), Rod Carew (5).

SHORTSTOP - Leo Car-

denas (18), Mark Belanger (3), Luis Aparicio (2), Fred Patek (2).

THIRD BASE - Brooks Robinson (13), Sal Bando (8), Bill Melton (4).

OUTFIELD - Tony Oliva (23), Bobby Murcer (22), Merv Rettenmund (16), Amos Otis (4), Frank Robinson (3), Reggie Jackson (2), Carl Yastrzemski (2), Lou Piniella (1), Reggie Smith (1), Cesar Tovar (1).

CATCHER - Ray Fosse (19), Thurman Munson (2), Dave Duncan (2), Paul Casanova (2).

RIGHTHAND PITCHER - Jim Hunter (13), Jim Palmer (8), Andy Messersmith (3), Sonny Siebert (1).

LEFTHAND PITCHER - Vida Blue (20), Dave McNally (2), Wilbur Wood (2), Mike Cuellar (1).

Turf Tips, Quips

By Doc Minard

Ray Forsythe, well-known in sports circle as the business partner of Charley Gehringer, the all-time great Detroit Tiger second baseman, isn't allowing anything to stand between him and a winning harness racing stable.

Although a relative newcomer to the standardbreds, Ray is rapidly gaining a reputation in the Lexington, Ky. auction as a man who picks out a horse and then goes the limit to get it.

Ray was one of the syndicate that purchased the Detroit Race Course from E.E. Dale Shaffer three years ago and it was about that same time he became interested in pacers and trotters and determined to build a powerful stable.

IN HIS FIRST venture into the auctions, he went as much as \$35,000 to land Local Time, a yearling son of the great Good Time. Local Time developed into a top three year old the same year that Albatross came along.

You are well aware of what happened. Albatross went on to become the fastest three year old ever and only lost two races all season. Unfortunately, one of the defeats was in the finals of the Brown Jug.

Ray returned earlier in the week from the Lexington sales where he bought three

yearlings for a total of almost \$160,000... the first Michigander in recent years to bid that high.

He paid \$72,000 for Good Time Love, a daughter of Good Time. Then, advised by his trainer-driver Ted Taylor, he went to \$70,000 for Secretive, a Florida colt, and ended his buying spree by paying \$16,000 for Pompano Pride, a daughter of the great trotter Dartmouth.

Incidentally, Ray is an owner who likes to see his horses perform. With that thought in mind, he will race his stable at the Jackson-at-Northville meeting until after Thanksgiving before shipping to Pompano Park for the winter.

It's too bad that Michigan owners of top horses don't have the same feeling.

From Hazel Park thoroughbred meet come a couple of items that bear a bit of attention.

Probably by the time this article appears, Larry Snyder, who has to be one of the best riders ever to handle horses at the area race meetings, will have recorded his 100th victory for the third straight year. Larry was only one short Friday and appeared almost a sure thing to go over the 100 mark.

That brings back memories of stand-out jockeys of past years. Probably the most famous as far as racing fans here were concerned was fiery L.C. Cook, who was the king for quite a few years.

Then there's Bobby Baird, who is still busy at the current meeting even though he isn't having his best season at Hazel Park. Time was when Baird stood head and shoulders over any of the riders at the DRC or Hazel Park.

But then time has a way of evening matters and Baird is getting up to the age when he probably is thinking this will be his last season.

REMEMBER Johnny Sellers, Ken Church, Tommy Barrow, Johnny Rotz, Charley Baltazar...they all started in Detroit and went on to greater things.

Perhaps Snyder will get the same urge but as of now, he

likes to ride in the Detroit area and enjoys great success.

The other item comes from Hazel Park where Trainer Bob Irwin, longtime associate of the late M.H. Van Berg, has been asked to take over the Redbob Stable. Whether he will or not depends largely on the health of his ailing wife and whether he can afford to break entirely with the Van Bergs. There'll be more later.

Seems unbelievable but Wolverine Raceway recently passed the 60-night mark in its 76-night meeting with figures ahead of those for the record making campaign of a year ago.

Why a comparison after 60 nights? That was the span of the meeting in 1970 and furnishes the only comparison for this year.

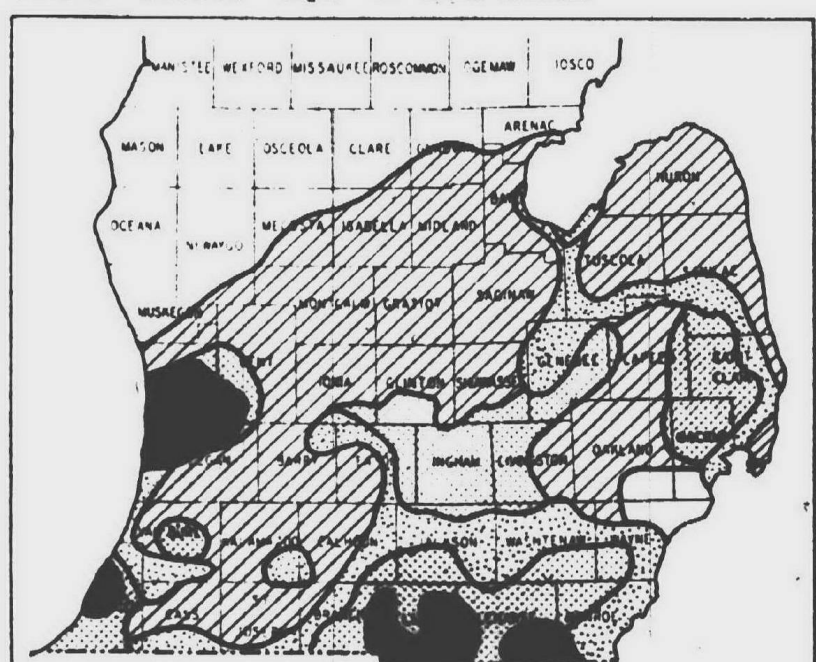

Where other major area tracks showed dips in

wagering and attendance for the same number of days and nights a year ago, Wolverine wound up 60 nights with wagering up one per cent.

The wagering totaled \$33,614,560 against \$33,338,498 and the nightly average was \$579,561 compared to \$574,802 a year ago.

The same isn't true of attendance where the turnstile count dropped 3.9 per cent. The crowds totaled \$444,996 this year against \$459,198. The 1971 nightly average was 7,672 contrasted to 7,917.

All we can say is that Wolverine apparently does things people like and does them more often than any of the other plants. Credit for that belongs to General Manager and Vice President Dick Wilson.

1971 LOWER PENINSULA PHEASANT DENSITIES

SOUTHERN MICHIGAN'S pheasant numbers are up 10 per cent from last season when hunters took an estimated 480,000 ringnecks. Last summer's brood counts revealed that the birds' populations are substantially higher than a year ago in several areas, including Berrien, Van Buren, St. Joseph and Cass counties. The birds have shown another downturn in the Thumb Area except in Bay County where they have increased over 1970. Elsewhere in southern Michigan ringneck numbers stack up closely with last year's levels.

DICK BENSEK

The Caesar salad is said to have originated in California, but its exact place of origin remains a mystery. Still, it is a favorite among American salad lovers. Brown two or three cloves garlic in olive oil until golden, remove. Add 1 cup bread cubes, saute until golden on all sides, remove, and drain. Then add the croutons and 1 tsp. garlic salt to 2 qts. mixed salad greens and toss. Add 2 anchovy fillets, diced, 4 tbs. olive oil, 1 and 1/2 tbs. red wine vinegar, 1 tb. grated cheese. Then add 1 raw or coddled egg and beat quickly until blended into the salad. This dish is a fine meal in itself, and also does well when used for buffets!

DANISH INN, 32305 Grand River Ave., 478-5320 is a favorite restaurant for lovers of fine food. Our lunch menu features three specials daily and there is a special children's menu complete with crayon to keep the youngsters busy while their parents relax. At night we feature Pat Flowers at the keyboard from 8:30 PM to closing, Tues. thru Sat.

HELPFUL HINT: If you make hotcakes oval-shaped, more will fit into the frying pan at one time!

'Kotch' Notable For Its Charm

By BETTY MASSON

Great acting by Walter Matthau, looking like a good-humored troll, and great directing by Jack Lemmon in his first venture in this field, make "Kotch," a movie of rare and elfin charm.

It's enough to renew your faith in Hollywood, and if there's any justice it just might be enough to win

Matthau and Lemmon
Academy Awards.

CHARM AND HUMOR in a movie that has a great deal of relevance? Practically unheard of, except by the man who said you catch more flies with honey than with vinegar. The movie is about the problems of a pregnant teenager, an upwardly mobile couple and the aged.

Matthau is the latter, a 70-ish widower, Mr. Kotcher, who comes to live with his son and daughter-in-law and promptly drives his daughter-in-law up the wall with his non-stop expertise on every conceivable subject. A former traveler in hardware, he especially fancies himself as an expert on medical problems.

He's also a man who loves children, and in the film's opening there are some great shots of the old gentleman enjoying his role as a baby-sitter for his infant grandson.

But daughter-in-law decides he's no longer competent and hires a teenager, who invites her boyfriend in while she's baby-sitting.

Kotch, remembering his 1925 Essex, decides not to blow the whistle on her.

SOON KOTCH gets the message that he's no longer wanted around the house, and the girl, Erica, played by Deborah Winters is shipped out of town for her offenses against morality.

Kotch considers the retirement home suggested by his son and his wife, but thinks better of it after facing a battery of psychological tests. "You take these tests and then we can put you through the computer," says the psychologist.

"Not me, you don't" is his reply.

He tries traveling on a Greyhound bus and there are some poignant scenes of his travels and his loneliness, especially touching because he always has a smile lurking beneath his sadness and a puppy-like (St. Bernard) readiness to overwhelm anyone willing to listen to him.

Finally Matthau and Erica

Show Runs 2 Weeks

An exhibit of paintings and crafts will be shown in the Westland Shopping Center, Wayne Road at Warren, from Oct. 17 through 30.

Michigan artists and craftsmen will exhibit more than 1,000 paintings, along with wood, metal and wire sculpture, hand-crafted jewelry, decoupage and tole craft, lapidary, ceramics and pottery, creative glassware and candles and other crafts.

There will also be demonstrations of various arts and crafts, including glass blowing, caricaturing and silhouette and portrait painting.

The mall is open evenings until 9 and Sundays from noon to 5 p.m.

'Snow White' To Be Staged

The Henry K. Martin Children's Theatre will stage the children's fairy tale "Snow White and Red Rose" at the Michigan State Fairgrounds the week of Oct. 18 through 24.

Performances are scheduled for 9:30 and 11 a.m. and 1 p.m. Monday through Friday, and at 11 a.m. and 1 and 3 p.m. on Sunday.

Tickets are available at the Community Arts Auditorium the day of the performance. For group rate reservations call Henry K. Martin productions, 2151 Manchester, Birmingham.

Players Rehearse Comedy

The Farmington Players are rehearsing nightly for "See How They Run" their first play of the season.

Billed as a "wholesome comedy," it is set in a small English village parsonage.

Producer Joanne Kaman is being aided by Vic Hill as assistant director. Besides being a native Englishman,

Hill has had a varied background of experience in theatrical productions, as has the director, Dennis Broadhead.

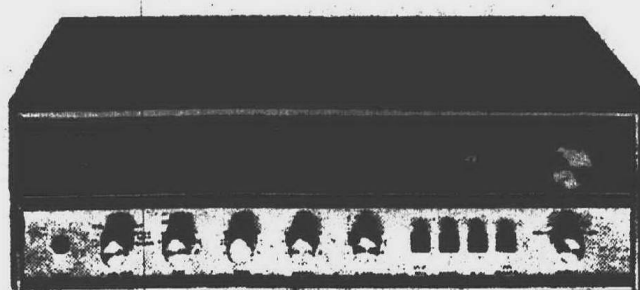

Two newcomers, Kattie Bedford and Mike Cullin, join veterans Stu Orman, Debbie Meyer, Bob Gregory, Dianne Brown, Sal Sisto, John Barrett and Pete Turgeon as cast

Performances are scheduled for the first three weekends in November, Nov. 17, 18-19 and 20-21 in the Players Barn, 12 Miles between Orchard Lake and Farmington Roads. Season tickets are available by contacting Eleanor or Dale Johnson, 24125 Locust, Farmington.

Saluting Our Young Businessmen

INTRODUCING MARK STAMPER, one of Plymouth's most enterprising young businessmen.

He is an independent carrier for the Plymouth Mail and Observer.

Because of his successful service record in the management of his paper route, the Observer has named Mark, Carrier of the Year, in Plymouth.

Mark, of 775 Sunset, attends the 9th grade at Plymouth Central and is interested in Math and Art. His future plans in-

clude being a pilot or finding a job in broadcasting. After school he is active in his church youth group. For consistently high grades Mark received two academic awards and an Audio-Visual Award in school. **THE NEXT TIME** your Observer carrier stops at your door, give him a few words of encouragement. Rain or shine he brings you the changing story of your hometown twice each week. We salute Mark and the more than 1100 Observer carriers who bring you the news you need to know.
