Integration Views

Mayor James McKeon and Supervisor Maurice Breen agree that racial integration of the suburbs is the real issue in the cross district busing controversy, with sincere open housing the answer. They made their views known in a meeting of suburban governmental leaders at Westland.

'Twp. Police Protection To End Dec. 1' --- Lucas

By FRED DELANO

"Effective Dec. 1, the Wayne County Sheriff's Department will no longer be patrolling the townships. Local government will have to carry its own share of law enforcement functions."

That was the dire warning Sheriff William Lucas had for a ladies night audience of more than 100 Thursday at the Plymouth Lions Club's annual police appreciation dinner in the Thunderbird Inn.

Although the evening's honoree was Loren Johnson, the city of Plymouth's assistant police chief who was given tribute for his more than 20 years of service, it was the sheriff who unintentionally stole the show because of his pertinent comments on local police protection.

LUCAS TOLD THE Lions, many of whom live in Plymouth, Northville and Canton Townships, that the county's Board of Commissioners has withdrawn all financial support for his western Wayne County road patrol effective Dec. 1.

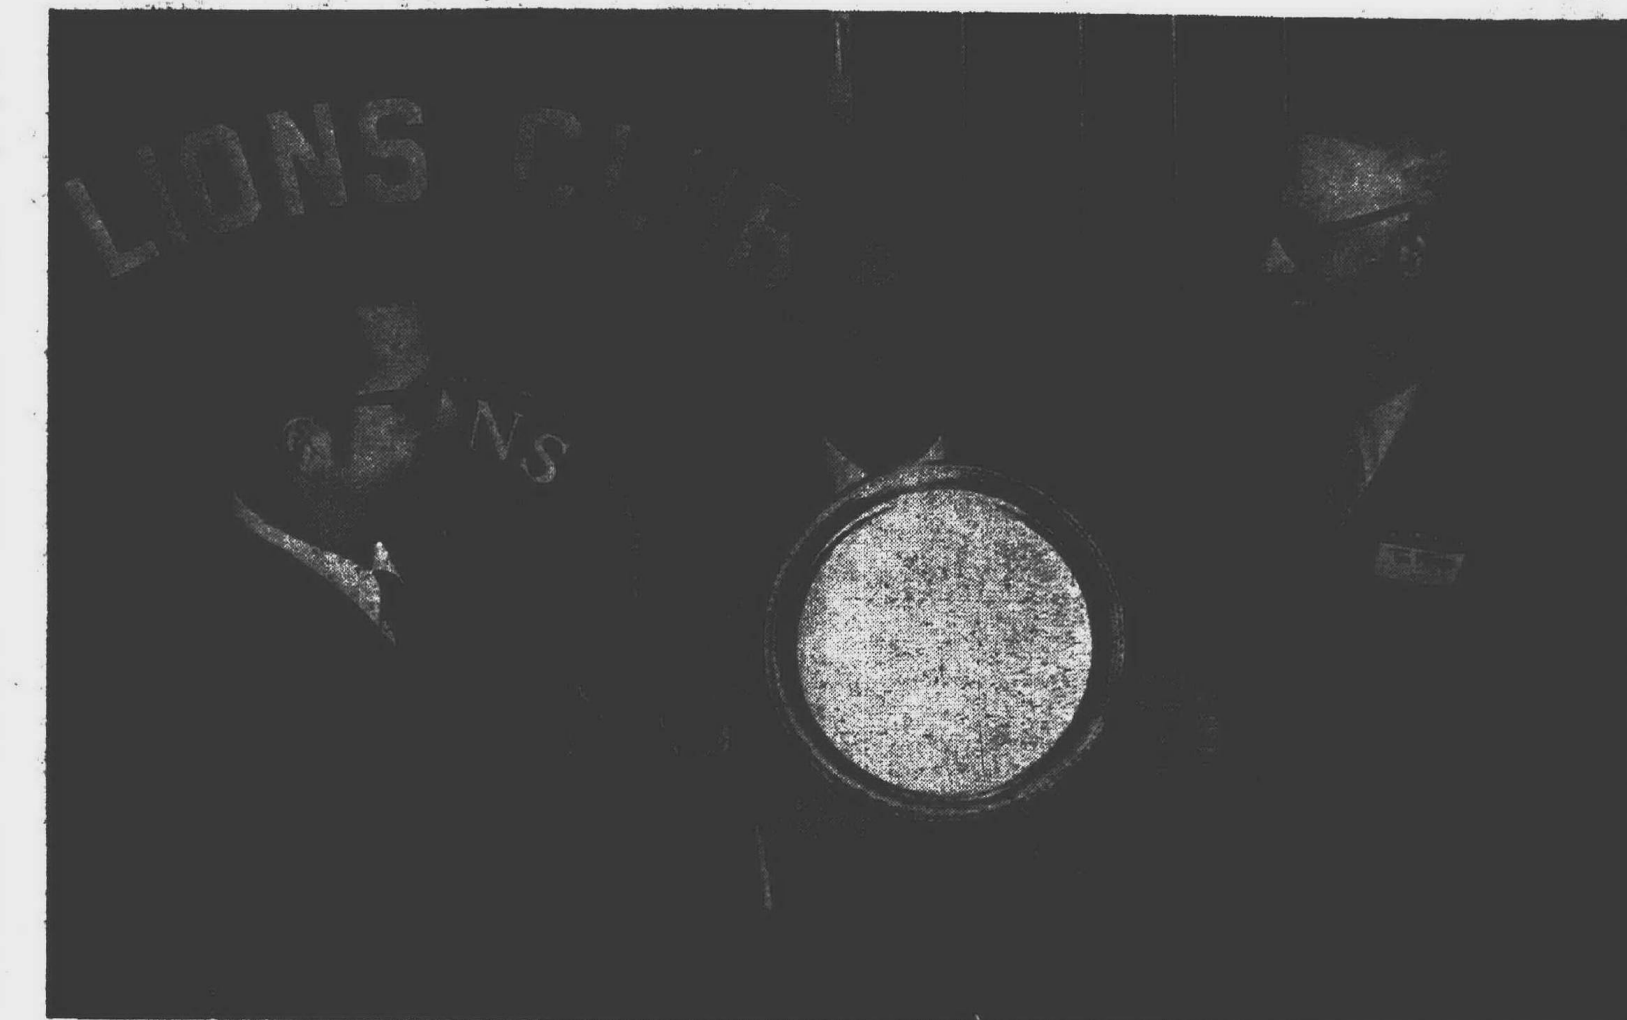

"My duty is to provide law enforcement, but even though I have all the authority in the world I can't do the job without a budget," said Lucas. "I have advised the commissioners that it is my obligation to patrol the townships, but I can't do it without police."

As it stands, the road patrol functions of the sheriff's department will cease as of Nov. 30. After that, the kind of protection you will have will be the problem of the townships. Many things may happen in the interim, but that's the way it stands tonight.

ONLY A FEW hours before the sheriff made his appearance at the Thunderbird, the elected supervisors of nine western Wayne county townships met to consider what legal action could be taken to stop the Board of Commissioners from its cutback in police protection, which authorities already admit is spread all too thin.

At this special session were the supervisors of Plymouth, Canton, Northville, Redford, Van Buren, Brownstown, Huron, Grosse Ile and Sumpter Townships. They agreed that each of their governments would contribute an opening \$1,000 to retain an attorney, whose initial effort is expected to be a request for a restraining injunction against the county board.

"We have spent months telling people of Wayne County this was going to happen," said Lucas in response to indications of shock and surprise from his

listeners. "If there is any other decision, it will have to be made soon."

Although the sheriff commented, "I don't want to be in a position of selling, because if I did that, it would be a bad guest," he did mention as alternatives the possibility of Plymouth Township contracting either with the city or his own department for police manpower. The third alternative would be for the township to create its own police department.

ALONG THE same theme, he stated, "The day isn't far off when there is going to be a consolidation of governments in this county, and one way or another police and fire departments will be first. Right now we have 42 separate police departments in Wayne County."

"What we're really here for is to pay tribute to a

man who represents all of us," Lucas reminded his audience. "He is a police officer I would walk a million miles to be with, and just imagine how rewarding it must be to share more than 20 years of his life that have been dedicated to you."

"What a feeling of pride his wife must feel in him that this club and this community would take the time and effort to honor him. That's why I feel I'm part of something really great tonight."

Plymouth Police Chief Timothy Ford added his praise for Johnson, calling him "one of the greatest men I've ever known."

In response, after Lion President Ed Page had presented a silver tea service to Johnson and his wife, the Kansas-born Johnson made exactly the type of comment which has typified his career as an officer, "The rest of the men made this possible, not myself."

Central Classroom To Host Court

An actual session of the 35th District Court will be held in a Central Junior High School classroom Wednesday in an experimental approach to improving student understanding of judicial procedures.

It is believed by Judge Dunbar Davis to be the first instance of its kind in the United States. If the school setting proves acceptable to Davis, attorneys and Central administrators, the program may be expanded to a point where it will be certain to

command national attention. The program originated in a suggestion from Wayne Weimer, civics and world history instructor, real-life court proceedings be brought to the school, whose student body is made up entirely of ninth graders.

The step is an outgrowth of last year's cooperation between Weimer and Davis which led to student advisory juries being selected several times to sit in on cases in the City Hall courtroom, and of

Davis' participation in mock trials at the school.

"WE CAN'T make a circus of the court," said Davis in making it plain that he will insist upon the student audience observing normal courtroom decorum.

"We will start on a real small scale with one or two city ordinance cases Wednesday and see how it goes," added the judge. "If everything goes all right, we may expand this to having court at the school once a month."

"I'm very optimistic and hopeful, but everyone must realize that we can't deviate too much from normal legal procedures."

Tentatively the judge plans to open court at 9:30 a.m. and continue the session until noon. This will take place in Room 203, which can seat about 90 students.

Central Principal Gustav Gorguze said that he and Weimer are seeking to work out a plan that will permit as many of the school's students as possible to sit in for at least one class period, although realizing that the traffic of switching audiences could be disrupting.

AUTHORITY TO designate a Central classroom, or any other site for that matter, as the location for an official session of the court is invested in the judge through the language of the legislative act which created the Michigan district court system.

Davis said that it is not necessary for him to obtain consent from attorneys for either the prosecution or defense, or from the defendant.

Although he has not yet picked the cases to be heard, he said they will be restricted on at least this occasion to those alleging violation of ordinances and will be non-jury cases.

Even so, he indicated that he will authorize selection of a student advisory jury to hear the evidence and render a verdict. In such instances last year at City Hall, it was found that the student juries usually were more harsh in their suggested penalties than the judge in his formal verdicts.

IN THE TRADITION of Plymouth High School, it has been the privilege of the 812 members of the class of 1974 -- the present sophomores -- to order their class rings the last few days. This has added a bit to Main Street foot traffic as students have lined up to be sized for rings at Agnew's Jewelry. This was an example as Clerk Glenda Dubes (left) and Agnew accommodated sophomore Beverly Lodge. (Observer photo by Bob Woodring).

DISTRICT JUDGE Dunbar Davis checks into Michigan statutes to be sure he has the authority to transfer a session of the 35th District Court to Central Junior High School -- and finds that he does. (Observer photo)

Community Fund Helps Fight Against Cancer

EDITOR'S NOTE: This is another in a series of articles on the agencies which gain at least part of their financial support from the Plymouth Community Fund, whose 1971 campaign will continue through Nov. 18. This article concerns the Michigan Cancer Foundation which the PCF has budgeted for \$5,000.

other equipment from the loan closet, providing information and counseling to callers and referring them, when necessary, to other agencies.

And they provide all of these services without charge to any patient and without salary to themselves.

SO, BESIDES its yearly allotment from the Community Fund, private contributions and Christmas card sales, the Michigan Cancer Foundation runs on the time and energy of a dedicated public.

This year the main office, located in Detroit, broke ground on its new \$5 million research center which will provide facilities for animal experimentation, tissue and organ culture, a comprehensive library, and other programs.

Focusing on breast cancer research, it will rank as one of the leading 10 centers in the nation. Plymouth residents will share in the fruits of the research.

The Plymouth branch office, maintained only through the Community Fund, makes it possible for the foundation to conduct a total cancer control program for the area. Without it, persons would have to make a long distance toll call to the western Wayne County branch unit in Dearborn.

"We might fail to reach many people who are reluctant to call long distance," says Mrs. Robert Rottman of that office.

The Plymouth office is open from 1 to 3 p.m. five days a week. Mrs. Louis Dely is branch chairman. Until a cure is found for cancer, the public's only protection is to make use of the agency's services and learn all they can about the disease.

Chute To Be Given Award In Engineering

PLYMOUTH George M. Chute, of 564 Evergreen, Plymouth, will be honored with a special silver citation from the state and the Michigan Society of Professional Engineers (MSPE) next weekend.

Presentation of the award will be made by Lt. Gov. James M. Brickley at the 25th anniversary seminar of the MSPE in Lansing.

Besides lauding the quarter-century contribution to MSPE, the silver citation commends Chute for his "utmost performance, honest enterprise, living and working by the laws of society and the highest standards of professional engineering... to placing service before profit, professional honor before personal achievement and public welfare before all other considerations."

In 1970, 240 area volunteers participated in these services. They supplied 25 patients with some 5,185 surgical dressings and medical equipment, free of charge. Sewing groups helped assemble the dressings from strips of cellulose and cotton sheeting. Drivers transported patients to and from medical appointments and therapy classes.

OTHER VOLUNTEERS gave instructions in esophageal speech at the foundation's speech school or took part in the 29 educational programs conducted before clubs and school and business groups in 1970. These reached an estimated audience of nearly 2,300 persons.

Patients with cancer of the breast, throat or colon also conduct information classes and advise persons who have just learned they have these diseases.

Volunteers helped staff a free pap test program conducted at Wayne County General Hospital in August, reaching 665 women throughout western Wayne County.

They also staff the branch office, dispensing wheelchairs, commodes and

Commendations Given To Cannon, Commire

By W. EDWARD WENDOVER

PLYMOUTH Two Plymouth policemen have received departmental commendations for "meritorious service" after capturing two escapees from the Detroit House of Correction.

Lt. Rodney Cannon and Patrolman Robert Commire were praised for their capture of the two escapees about half an hour after they were reported missing, Tuesday.

Police Chief Timothy Ford said this was the first departmental commendation given for some time and that he plans to continue the practice of recognizing outstanding police action by policemen and citizens. He gave the following account of the escapees' capture:

A teletype message was sent out to local police departments about noon Tuesday, advising them to be on the watch for Alexander Hamilton, 25, and Anthony Hamilton, 24, who had escaped from DeHoCo and were considered dangerous. The pair had attempted to steal a car from the DeHoCo lot but failed.

Lt. Cannon was on patrol and was alone in his scout car when he saw two men who fit the escapees' description pedaling bicycles south on Mill Street near the CAO railroad tracks. Cannon radioed that he had spotted the men and gave chase in his car.

Patrolman Commire, who was also on patrol alone in his car, heard Cannon's report that he had spotted the men believed to be the escapees and joined Cannon in the chase.

Cannon apprehended one of the fugitives by snatching the back of his bicycle with the rear wheel, forcing the bike into the curb and then chasing the escapee on foot.

Commire chased the other suspect until he dismounted from the bicycle and fled on foot. Commire left his car, chased the man and apprehended him.

Neither policeman drew his gun during the chase through the residential area near Fair, Virginia and Harbough streets, Ford said.

The bicycles on which the escapees were riding, had been reported stolen from Penniman Avenue and they were returned after the fugitives' capture.

"The officers' actions are commended as outstanding examples of attention to duty, tenacity, good judgment and disregard for their personal safety in the pursuit of dangerous subjects," the commendations said.

Veteran's Day Ceremony Set

PLYMOUTH The laying of a wreath at the veterans memorial rock in Kellogg Park at 10 a.m. Monday will highlight Plymouth's observance of Veteran's Day, which for the first time is being held on a date other than Nov. 11.

Representatives of the VFW auxiliary and Post 6695 will participate in the wreath ceremony, while the American Legion will ring the park with American flags.

Officials of the two organizations also expressed the hope that all residents will fly the flag from their homes Monday.

City and township offices will be closed in recognition of the holiday, as will banks and First Federal Savings. However, the offices of the Plymouth Community Federal Credit Union will remain open. There will be no mail deliveries or post office window service, but the lobby will be kept open for convenience of boxholders.

All schools will conduct classes as usual.

his memorandum as to setting up special assessment districts and also act or react to P.A. 1966, No. 35. Mr. Millington stated that this would give the people an alternative. There being no further discussion on the motion, the question was called, and the motion passed unanimously.

Following this, Mr. Breen stated that now the Board, as an outgrowth of its vote, could act on its own or wait for petitions. Mr. Overholt suggested that action by the Board should be in the area of setting up a committee, members of said committee could be the engineer, assessor, planner, for establishing the special assessment districts, e.g., the boundaries. Mr. Breen suggested that the Board consider the recommendations made by the Sidewalk Committee and implement same, that he, and probably Mr. Breen, would be willing to set up the districts in accordance with the recommendations the committee had made, and set up a public hearing. Then following discussion on the necessity for setting up districts, location priorities, Mr. Ash moved that the Board authorize the Supervisor to operate under P.A. 1966, No. 35, and on those areas (No. 1, 2, 3 and 4) itemized in the Sidewalk Committee's report and recommendations as the first four priority areas for constructing sidewalks within the Township. Seconded by Mr. Millington. The following roll call vote was taken: Yes: Ash, Millington, Breen. No: Holmes, Burke, Overholt, Richardson. The motion failed.

APPROVAL OF ENGINEER'S CONTRACT. The engineers being present at this time, Mr. Breen called the Board's attention to the approval of the Engineer's Contract, and Mr. Ash questioned an item on page 6, Planned Unit Development, and asked for an explanation of this item. Mr. Bender spoke briefly on this, as well as to a question by Mrs. Richardson. Then there being no further comments, Mrs. Richardson moved that the Board approve the Engineer's Contract under date of August 18, 1971, to the Township of Plymouth from Breen-Hamill and Associates, Inc. Supported by Mr. Ash. Mr. Overholt asked that the motion contain an amendment that the contract would be null and void if found to be in conflict with the present policy of the United States as to the wage-price freeze. There being no objection, the question was called and the motion carried unanimously.

NEW BUSINESS:
MAURICE BREEN, RE: PURCHASE OF AERIAL PHOTOGRAPHS FOR EASTERN PART OF TOWNSHIP AND APPROVAL OF DUES TO SEMCOG. Mr. Overholt moved that the Board authorize the purchase of aerial photographs as stated above. Seconded by Mr. Burke. Mrs. Richardson suggested that the motion also authorize the transfer of funds for these aerial photographs in the amount of \$551.25 from the contingency account to the engineering account. There being no objection, the question was called and the motion carried unanimously.

JOE BIDA, RE: ROOF REPLACEMENT OF TOWNSHIP HALL. Mrs. Richardson moved that the Board concur in the recommendation as stated by Mr. Bida that the firm of Harry Taylor and Son be authorized to do the roof replacement on the Township Hall at the \$140,000 figure quoted. Seconded by Mr. Ash and carried unanimously.

JOE BIDA, RE: QUOTES ON ASPHALT PAVEMENT FOR D.P.W. AREA. Following discussion, Mrs. Richardson moved that the Board approve (a), portion of the bid from Cadillac Asphalt as it applies to the paving of the D.P.W. garage area, in the amount of \$3,000.12, and that the Board approve (b), contingent upon written approval from the owner of the property to the Township that a road may be constructed and maintained, the paving of a driveway adjacent to Lofy's property by Cadillac Asphalt in the amount of \$1,242.00. Seconded by Mr. Overholt and carried unanimously.

JAMES CHGNAC, RE: COMPLETION OF SIX MONTHS PROBATION FOR JAMES P. BAILEY. Mr. Ash moved that the Board concur in the recommendation of the Fire Chief and certify Mr. James P. Bailey as a regular firefighter and promote him to step no. 2 of the wage progression guide. Seconded by Mr. Overholt and carried unanimously.

HELEN RICHARDSON, RE: TRANSFER OF MONIES TO CERTAIN ACCOUNTS. Mr. Overholt moved that the Board concur in the transfer of funds as recommended by the Clerk in his communication of October 7, 1971, also said funds requested in the item listed. Budget being \$5,000 to be transferred from 101-340-000 to 101-340-000. Seconded by Mr. Millington and carried unanimously.

BRENDER-HAMILL, RE: REPORT ON IMPROVEMENT PLANS FOR NEWPORT DEVELOPMENT. Mrs. Richardson moved that the Board concur in the recommendation of the Fire Chief and certify Mr. James P. Bailey as a regular firefighter and promote him to step no. 2 of the wage progression guide. Seconded by Mr. Overholt and carried unanimously.

MAURICE BREEN, RE: REPORT ON FINANCIAL CONSULTANTS FOR BOND ISSUES. Mr. Breen advised that in accordance with the Board's direction he had investigated this subject matter and would recommend the law firm of Shannon and Co. be hired as financial consultants for the approximate 1.3 million dollar bond issue. Mr. Ash moved that the Board approve the recommendation made by the Supervisor and that Shannon & Co. be used as financial consultant for the contemplated bond issue in the amount of approximately 1.3 million dollars. Seconded by Mr. Overholt. Mr. Breen then advised that the contract with this law firm should be before the Board at its October 26, 1971, meeting. The motion carried unanimously.

AWARDING OF BIDS ON THE MCCLUMPHA ROAD WATER EXTENSION. Mr. Hamill, in response to a question by Mr. Breen as to whether or not he had a recommendation on the bids submitted earlier, advised that the bids had been checked, that the \$46,900 bid submitted by Actron Contracting Company, Inc., was the low bidder, and they would recommend the awarding of the contract to this company. Mr. Burke then moved that the Board accept the recommendation of the engineer and award the contract for the McClumpha Road Water Extension to the Actron Contracting Company, Inc. in the amount of \$46,900, said construction to be completed in 90 days. Seconded by Mr. Ash.

CREATION OF SIDEWALK SPECIAL ASSESSMENT DISTRICTS. Following discussion about priorities and method of financing of sidewalks, Mr. Millington moved that the Board adopt Mr. Morgan's recommendations as set forth in his letter of September 28, 1971, as it refers to Section 41.931; 41.932; and 41.933 (P.A. 1966, No. 35). Mr. Ash seconded the motion. In the discussion on the motion, it was questioned why it would be necessary for the Board to take this action and the consensus of opinion was that it was a method of taking positive action prior to setting up districts and calling a public hearing. Then, there being no objection by the maker or sponsor of the motion, Mr. Overholt moved that the motion be amended to incorporate that the Township will accept or react to petitions under Method No. 1 explained by the Township Attorney in

THROUGH SPECIALS

By FRED DELANO / Editor: Mail & Observer

AFTER ALL these years, I still can't believe it. What I mean is that the Jaycees, in full public view, would actually admit they are capable of haunting a house, a niche some of us have long thought was their proper destiny.

This thing that the Plymouth chapter is doing as a feature of Halloween week really has entailed a lot of hard work, and it should be a wow exploring such features as the witches cave, spider web, head room and the torture chamber.

It's too bad this wasn't attempted a few years ago, for it tickles my imagination to think of such Dudley Dee - rights as Wendell Smith, Terry West and Roy Jacobson playing the leading roles.

Just think of finding Terry under the guillotine, or Roy on the rack about to be the target of a swinging ax, or Wendell seeking to elude a seven-foot monster spider! In fact, just think of them in the roles of spooks and goblins trying to scare innocent little kids. Good Heavens, it does make one shudder.

YOWLING CATS AND DOGS, squeaking doors, pounding rain and flashing lights all will be part of the special effects, according to Chief Spook Dave Aldredge, who is chairman of this project.

He and his buddies, aided by the Jaycettes, have taken over a vacant old house on Ann Arbor Rd., just west of the Joy intersection, and will have it open from 7 to 10 p.m. Tuesday through Friday, and from 2 to 10 p.m. next Saturday and Sunday.

Man, it's really going to be scary and just the

place to take the youngsters prior to a restful night's sleep.

The Jaycettes are spending the present weekend there painting walls and ceilings black, and putting all the props in place.

That includes the bats and owls in the haunted forest, the cauldron that will hold the witches brew, the evil eye, spider webs, heads rolling on the floor, the man chained to the wall and similar niceties such as the grave yard through which the haunted hay wagon must pass on the way to the haunted barn.

JUST WHO WILL STAR in the role of chief witch hasn't been revealed, but Aldredge says that Darlene Huyck, Sue Harper, Joyce Richardson, Kathy Diesel and his own wife, Gayle, share chairmanship for the decorations.

Then he showed good judgment and steered the conversation to the fact that the Jaycettes also will be selling cider and doughnuts, and that there will be an old car at which kids may take sledgehammer whacks, three for a quarter.

There are something like 15,000 discount tickets, also at a quarter, for haunted house visits floating around the community, and this could be one of the best money-making projects the junior lighting bugs ever have undertaken.

The legend of Halloween is that the evil spirits and witches go out and celebrate that particular night because the next day, which is a holy day honoring all saints, they had better be in hiding. It's nice to know they have found a home in Plymouth.

McKeon, Breen In Bus Session

By LEONARD POGER

Suburban mayors and township officials met for 90 minutes Thursday morning to discuss the controversial cross-district busing issue, exchange information on what has happened and what could come up in the future and talk about how to racially integrate the suburbs.

The meeting was called by Westland Mayor Eugene McKinney and held in Westland city hall.

NO FORMAL position was formulated, although most of the chief executives present have already publicly opposed cross-district busing.

But two officials from the Plymouth community agreed that the real issue in the busing controversy is to integrate the Detroit suburbs rather than massive busing of students among school districts.

Plymouth Township Supervisor Maurice Breen commented that the officials should get the state attorney general to enforce the open housing law.

MAYOR JAMES McKeon of Plymouth said that the busing issue is just a symptom of the larger problem of the housing issue.

McKeon added later in the meeting that the city and township officials in western Wayne County should hold other joint meetings on issues other than busing, a

suggestion made earlier by Mayor McKinney.

The meeting, for which 22 officials were present, had Harry Howard, Wayne-Westland Community Schools superintendent, and Harry Tatigian, Livonia city attorney, brief the officials on the Sept. 27 ruling of Federal Judge Stephen Roth and its legal impact.

Roth ruled that Detroit's public schools are racially segregated through actions and inactions of the Detroit school system and the state government.

TATIGIAN stressed that in Roth's 29-page ruling, there is no mention of cross-district busing. In fact, there were only two references to busing at all.

One involved the use of busing of Detroit back students to maintain racial segregation in the Detroit schools. The other referred to the State Legislature providing suburban districts with money for busing but refused, until last year, funds for transportation.

One involved the use of busing of Detroit black students to maintain racial segregation in the Detroit schools. The other referred to the State Legislature providing suburban districts with money for busing but refused, until last year, funds for transportation of Detroit pupils.

Most of the officials agreed to urge their communities "to keep cool" and avoid student boycotts urged by the National Action Group for Monday, Oct. 25.

McKinney said he called for the meeting of suburban officials so that they can take leadership roles on the issues which have an impact on the communities involved.

He said that the people are looking to elected officials for leadership and information on the issue and asking those officials numerous questions on busing.

Tatigian told the group that Judge Roth has yet to formally order the State Board of Education to draft an integration plan involving the suburbs, although one proposed order has been circulated.

The attorney added that Roth, in his Sept. 27 opinion, didn't say that Detroit pupils are getting an inferior education but only that they are getting an unequal education.

HOWARD DISCUSSED the busing issue and the lawsuit filed by Gov. Milliken and Attorney General Frank Kelley seeking to abolish local property taxes for school operations.

Howard predicted that the two state officers will be successful, although he added that there could be a statewide property tax as a substitute.

OBSERVERLAND officials at the meeting were Mayors McKinney of Westland, James Lowe of Garden City, Edward McNamara of Livonia, McKeon of Plymouth, township supervisors Maurice Breen of Plymouth and Philip Dingley of Canton.

Redford Township Public Services Director Jack Madden was sitting in for Supervisor Bill Robbins.

Also present was Al Hatcher, representing Congressman William Ford's Wayne office.

Retiree Hopes To Help Make Symphony Grow

By BETTY MASSON
The Redford Civic Symphony is this year drawing on the talents of a too-often neglected resource ... the senior citizen.

The senior is E.C. Weiss, who was chosen in September to head the Redford Township Music Society, the symphony's sponsor. The former president, Mrs. Donald Kory, resigned because her husband was transferred.

Weiss is anxious to emulate Plymouth, which is known

nationally for the excellence of its symphony, and has some plans for accomplishing this.

THE SYMPHONY opens its season Sunday, Oct. 24 with a 4 p.m. concert in Redford Union High School, under the direction of its conductor John Gajec.

As a first step in broadening the base of support for the symphony and creating more interest in it, the society is urging its members to bring guests. They'll be admitted

without charge on members' cards.

This has been tried before according to Weiss, but never stressed as much.

Weiss will also be talking to township officials. "I don't think we have enough support from our township," he comments.

This is a familiar route for Weiss. Ever since his retirement in 1963, he has taken a keen interest in township government. For three years he was president of the Redford Township Council of Civic Associations. He was also chairman of a committee investigating the need for senior citizens' housing and still is interested in this project.

"We also want to stress the talent in the township," he said. This has been done through awarding of scholarships and through having student soloists at concerts, but Weiss hopes to expand both of these areas of endeavor, and also make a greater effort to interest more young people in attending concerts.

HE REVEALED that the society is sponsoring a performance by Musical Youth International May 21 in Thurston High School. This is the choir and orchestra group which toured Europe during the summer, and which includes six youngsters from the township. By charging only \$1 for the concert, the society hopes to attract an audience of 1,200.

Weiss would also see the symphony expanded from its present membership of 50 to 60 players. "We would like to get all the instruments represented. Sometimes we have to go out and hire people for a particular piece," he said.

He is also convinced that bigger audiences can be attracted if the symphony plays the music people like. He doesn't think audiences like "heavy" pieces. "I'd like to have people go away saying 'This was a great concert,'" he said.

With an energetic retiree at the helm, it should be an interesting year.

Moog Is Coming

Gershon Kingsley and his First Moog Quartet will appear in concert at Schoolcraft College Friday, Oct. 29, at 8 p.m. They will be heard in the main gymnasium.

Tickets are \$3 for the general public and \$2 for Schoolcraft students and staff. They may be purchased at the door the night of the concert or at the student activities office.

Amusements

DISCUSSING the new Westland Civic Orchestra are (standing from left) Mayor Eugene McKinney, Recreation Director Melvin Bailey and (seated) Charles Heard, named the orchestra's first director.

Westland Gets Civic Orchestra

WESTLAND interested musicians may call Melvin Bailey, recreation director, at the recreation center.

The orchestra will give its first public concert next March with the Rackham Symphony Choir as guest artists.

Heard, of 6200 N. Wayne Rd., Westland, is director of the famed Rackham Choir, the official choir of the Detroit Symphony Orchestra.

He has a master's degree in music from the University of Michigan.

IN APPOINTING Heard, McKinney said that the city is "extremely fortunate to have such a qualified experienced musician take on the responsibility of getting a city orchestra underway."

Heard's ability "is well known both by the parents and students in the Wayne-Westland schools and the thousands of Westlanders who have enjoyed his concerts," the mayor added.

The plans for the orchestra call for it to be self-sustaining and that "requires strong community backing," McKinney concluded.

HE ASKED that all persons interested in serving on the orchestra committee contact him at city hall.

Auditions for the orchestra will start next month, and

Schoolcraft Stage Band Has Openings

Richard Saunders, director of fine arts at Schoolcraft College and also director of its area-wide stage band, reports three openings remain in the band which launched rehearsals in September.

"Even though we presently have limited needs," Saunders said, "we'd like to hear from anyone interested in playing with the band." He added that there will always be future opportunities.

The three current openings are for a fourth trombone, fourth trumpet, and an alto saxophone.

Acceptance is through audition only. Registration fee is \$20 for 16 weeks. Auditions are from 7:30-9:30 Thursday evenings in the Schoolcraft Forum Building. Auditions can be arranged by contacting Saunders at the college, 18600 Haggerty, Livonia.

Stamp Club

The Motor City Stamp and Cover Club of Detroit is now offering collectors "Last Day" Detroit Riverboat Mail Service covers. The service ends when the Detroit River freezes solid, usually in December.

Cacheted covers are 35 cents each or three for \$1. Self-addressed stamped No. 10 envelopes should be sent to Mrs. Laura Goldberg, 1312 E. Harry, Hazel Park, 48030.

TONY MARTIN, Cyd Charisse and George Kirby will give a single "in person" performance Sunday, Oct. 24, at 8 p.m. in Ford Auditorium, Detroit. The occasion is a benefit for the Hillel Day School, 32000 Middle Belt, Farmington. Tickets may be obtained by calling the school.

TWO FROM OBSERVERLAND are now calling themselves a group, the "Old Buck," and are becoming popular on area campuses for their country music. Playing the mandolin (left) is Mike Colone of Livonia. The guitar player is Joe Braus of Farmington. They'll give a concert Sunday, Oct. 24, at the University of Michigan's Dearborn campus, beginning at 6 p.m.

5-Hour Concert Fails To Dismay

By BETTY MASSON

Mike Colone and Joe Braus were surprised but undaunted this week when they were told they were expected to play a five-hour concert Sunday evening, Oct. 24.

"We can do it," they said, "A lot of our pieces run long."

Mike and Joe are "Old Buck" and "Old Buck" is "one of the hottest groups in the metropolitan area right now," according to a student government representative at the University of Michigan's Dearborn campus.

THEY MET AT Wayne State University, where Mike is still studying music, majoring in the theory and composition. Joe is presently teaching guitar in a music studio. Before switching to the study of music at WSU, he was an English major at Oakland Community College.

He's a graduate of Our Lady of Sorrows High School, and one of his recent engagements was playing his classical guitar for Rt. Rev. Thomas Beahan's farewell mass last month.

According to Mike, "Joe does some classical guitar picking and I play the recorder ... it's not really baroque, but it sounds a little like it."

They like to play tunes by Bob Dylan, such as "Easy Chair," and "Tomorrow's Such a Long Time." One of the current favorites is "Spoon River" which they obtained from a California group and rearranged.

So far they've played gigs at the Southeast Storage Room at Mercy College, Detroit, the Buffalo Esquire in Kalamazoo, and The Hinge on the Dearborn campus, plus an art show there.

"We stick mostly to coffee houses," they say. "We don't want to get into bars or anything for a while."

They have taken their name from an old guitar. Mike received as a gift several years ago, and dubbed "Old Buck."

Concert Set For Oct. 24 At Ladywood

"Autumn Notes," a fall concert, will be presented at Ladywood High School, 16800 Newburgh, Livonia, Sunday, Oct. 24, at 4 p.m.

Music will be by the high school orchestra, under the direction of Francesco Di Blasi; the concert choir, directed by Sister Caroline Marie; and the girls' choir, directed by Sister Mary Alexis.

Three senior orchestra members, Annette Beam, Kathy Meyers and Lynn Krych, will also conduct the orchestra.

Di Blasi will solo on the trumpet in Morton Gould's "Pavane."

No admission will be charged.

DICK BENSEK
Elegant wine (surely the drink of the Gods) gives us a sure to a meal; and that meal is doubly enhanced if the dinner is prepared from that self-same bottle. Usually, 1/2 to 1 cup in the cooking process is enough. Once the liquid comes to a boil and is then reduced to a simmer, the alcohol is burned off; and thus, only the flavor of the wine remains. So sure you pair your cooking table wine with the dish you are preparing ... full bodied and red for your favorite beef dinner or stew and light and dry for a chicken or fish dish. Hamburger too, takes on a new perspective when a little wine (one tablespoon to a cup of liquid) is added to the gravy preparation. The whisper of wine turns an ordinary dish into a gourmet experience and it is wise to try several kinds of wine in the different categories before settling on the ones that please both your budget and your palate.

Helpful Hint: An excellent happy ending dressing can be made by mixing three parts salad oil with one part wine. Dress it with salt and pepper to taste. (For a heavier dressing, add a second part wine and a third part oil for a white dressing. The dressing and dressing oil.

Alcoholism Is Called Environmental Problem

Alcoholism is placed in the perspective of an environmental problem rather than the tragedy of an individual or family in a seminar now in progress in the Northwest YWCA in Redford Township.

The descriptive term is that of John Parker, representative of the National Council on Alcoholism in the Detroit area, who is conducting the six meetings under the general title of "Reflections in a Glass."

Four Monday morning sessions remain in the series.

The subject at 10 a.m. Oct. 25 will be "Oh Come On - Have Another."

On Nov. 1, Parker will consider alcoholic women in a talk entitled "The Hidden Woman - The Hidden Disease."

The topic Nov. 8 will be "How To Run Your Party," and the series will conclude Nov. 15 with "Help!"

THE SERIES, Parker said, takes an in-depth look at the whole problem of alcoholism, with a special emphasis on the cocktail party and its place in the American scene.

The presentation here, he said, grew out of a couple of well-received sessions last season and is the most ambitious he has undertaken.

"People do realize now that alcoholism is a disease," he said, "and they do try to get help."

"But because of the stigma still attached to alcoholism our thinking is too rigid to get the right help."

He labels "useless home remedies" such actions as pouring liquor down the drain, doling out money in small amounts, trying to fill up an alcoholic's time and suggesting that if he really cared for his loved ones he would stop drinking.

OF ENTERTAINING in this country today, Parker said:

"We're not temperance-oriented. The feeling still prevails that if you don't drink you don't have a good time. We must learn that a person has the right to decide whether or not he wishes to drink, and to avoid pressure if he chooses not to do so - for whatever reason."

Parker said he would include in the session on parties some ideas on cooking with wine and its possible implications for alcoholics.

In spite of all that's heard today about youth and drugs, Parker said alcohol still is the No. 1 drug problem on college campuses as well as for society in general.

"We tend to overreact to drugs that young people are abusing, or even using," he said. "But alcohol abuse is the top problem, because it's available and it continues to do the job."

Parker said the Council on Alcoholism staff sends speakers to schools as well as adult groups to "try to erase the stigma of alcoholism and help people understand it."

These Christmas Cards Can Help

NEW HORIZONS women's auxiliary has two cards this year to raise money for vocational training and sheltered workshops, one of which is located in Farmington. Order blanks may be secured from Mrs. William F. Peschel, New Horizons of Oakland County, 1651 Latham, Birmingham, 48009.

WOMEN OF WAYNE ALUMNI are selling Christmas cards made from this wood block on either red or green paper. Evelyn Wright, a member of the Farmington - Livonia Women of Wayne group, designed the card, and the cost is \$2 for a package of a dozen cards. Orders may

be placed by calling Mrs. Lawrence Heitman, 8057 Coventry Drive, Westland. Proceeds from the card sale will support the WOW day care center on the Wayne State University campus. (Evert photo)

THE AMERICAN BIBLE SOCIETY is offering a Nativity scene designed by Robert Glenn Geissmann for \$2.50 for a box of 20. Proceeds go to the society's non-profit work of Scripture translation, publication and distribution. Cards should be ordered by Nov. 15 from the American Bible Society, 1865 Broadway, New York, N.Y., 10023.

THE MICHIGAN HEART ASSOCIATION is selling two cards to further its work. The above "Christmas Prayer" is designed by Leland Beaman, and a modern Christmas flower designed by Mary Jane Bigler also is available. Both are \$3.75 for 25 cards, \$5 with names imprinted, and can be ordered from the association offices at 13100 Puritan, Detroit, or 277 Pierce, Birmingham.

More Holiday Cards Available

Many Christmas cards besides the ones pictured on this page put money to work as well as carrying a holiday message.

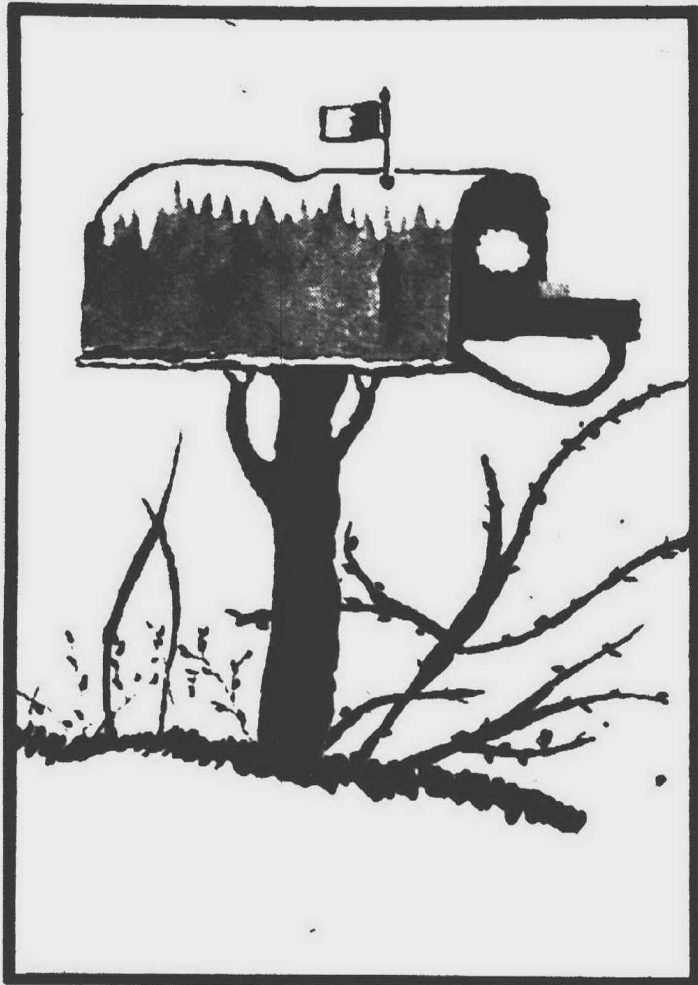

THE MICHIGAN ARTHRITIS FOUNDATION offers one in bright red envelope and depicting a man and child bringing home a Christmas tree.

The cards are available in boxes of 25 for \$3.50 plain or \$4.50 imprinted, and may be

ordered from the foundation, 27308 Southfield, Lathrup, 48076.

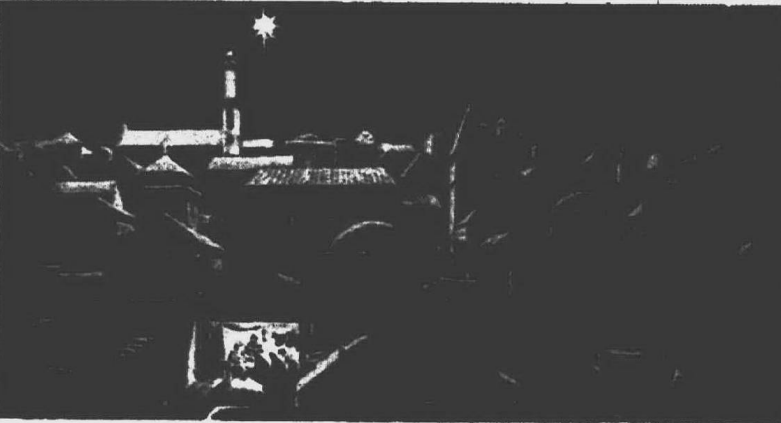

THE REDFORD CHAPTER OF THE MICHIGAN ASSOCIATION FOR EMOTIONALLY DISTURBED CHILDREN has a card titled "Peaceful Holiday" among the five it is selling.

The price is \$1.50 for a package of 10. Orders may be placed with Phyllis Armour, 11345 Dixie, Redford Township.

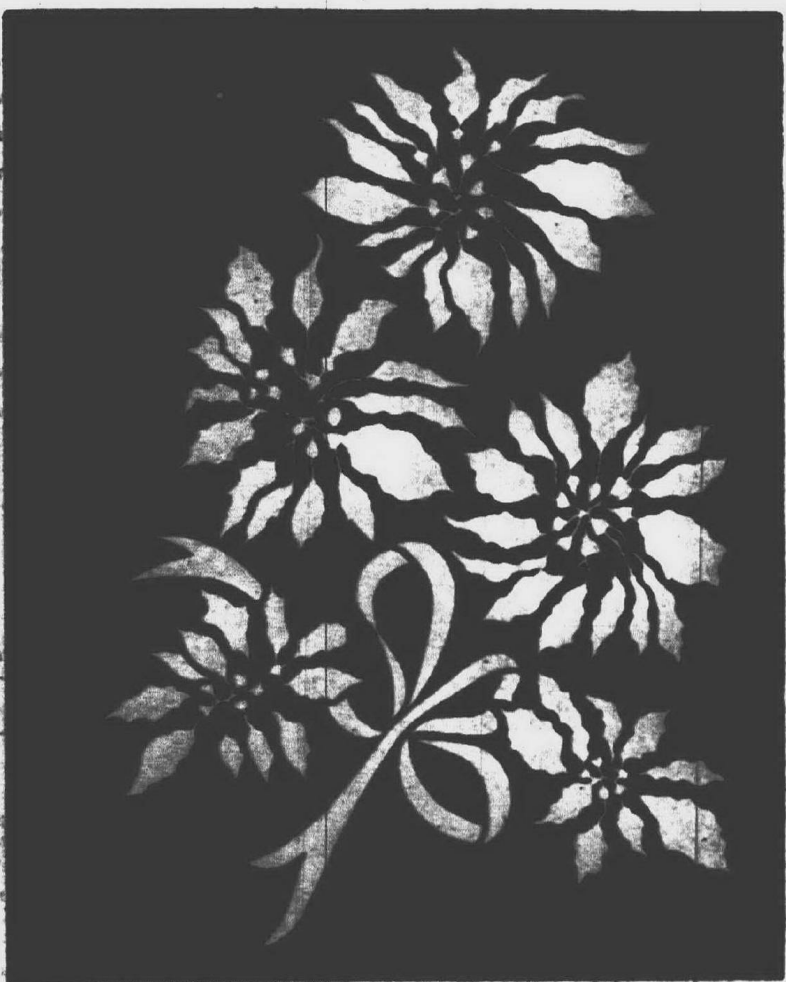

Season's Greetings

NORTHWEST COMMUNITIES ASSOCIATION FOR RETARDED CHILDREN includes this design by a retarded child among several cards it is offering for Christmas, 1971. This design costs \$3 for 25 cards. GC Church Will Host Players

The Agape Players, a Christian youth group from Miami, will present a program of music and drama at 7:30 p.m. Sunday, Oct. 24, in the First Baptist Church of Garden City, Henry East and Marquette.

Members of the local church are hosting the 25 young people who make up the group for the few days they are visiting in this area.

They are on a 16-state tour, presenting a dramatic appeal to Christian unity based on the theme "I Wonder," by Ronald Wells of Spartanburg, S.C.

The players organized in 1969 to present a gospel message through music and drama. They traveled at first in an old school bus, and later sold doughnuts to raise funds for the Aerospace that now is their home on wheels.

The public is invited to their performance.

Prayer Guild To Plan For 'Prayer Week'

Father Peyton's Family Prayer Guild will meet Sunday, Oct. 24, to finalize plans for Father Peyton's visit for Detroit's "Family Prayer Week" from Nov. 15 to 21.

The meeting will be held in Holy Rosary Catholic Church, Woodward and the Edsel Ford Freeway, Detroit.

St. Gerald's Thursday Series Begins Nov. 4

"Urban Crisis" and "Child Development" are just two of a wide variety of topics which will be covered this fall and winter in the First Thursday Series of lectures sponsored by the adult education department of St. Gerald Catholic Church, Farmington.

Meetings will be held the first Thursday of each month in the church, 21300 Farmington Road, beginning at 8 p.m. Questions and answer sessions and small group discussions will follow each lecture.

REGISTRATIONS MUST be made at the church by Oct. 25. There is a charge of \$5 per person for the series. Charge for individual sessions will be

\$2. High school and college students will be charged half price.

The program will get underway with a talk on "Law and Order" by Thomas G. Plunkett, prosecuting attorney of Oakland County. The emphasis will be on what the average citizen can do to maintain law and order in his community. Judge Michael J. Hand, 47th District Court, will also be a speaker.

Dr. John B. Forsyth, director of missions, Metropolitan Detroit Council of Churches, will show a short film and discuss the "Theology of Politics" on Dec. 2.

The "Urban Crisis" will be discussed by Richard B.

NANCY BOURDEAU, will present a sacred concert in Redford Baptist Church, 25295 Grand River, Redford Township, Sunday evening, Oct. 24, at 8 p.m. Mrs. Bourdeau has sung for television, radio, conventions, conferences and crusades. Some of her more popular numbers have been recorded by Otis Skellings on Tempo Records. Mrs. Bourdeau, her husband and children make their home in Flint and Anna Maria Island, Fla.

Leibenthal, director of the Michigan Regional Office of the Anti-Defamation League of B'nai B'rith, on Jan. 6.

A clinical psychologist, Jack H. Gregory, will speak on "Human Sexuality" on Feb. 3.

THE MARCH AND April meetings will be concerned with children and young people. On March 2, Dr. John George, child psychologist, will speak on "Child Development (Pre-Teen)." Following a talk on "Youth Culture" April 6, there will be a panel discussion. The talk will be given by Esther L. Middlewood, retired chief of the education section of the Michigan Department of Mental Health. She will be joined by the Rev. Ralph Rideout from the Farmington Drug Center and a representative of the Livonia Drug Center for the panel.

Evangelical Director To Speak

The Rev. Gordon Bacon, regional director of the National Association of Evangelicals, will be guest speaker Sunday, Oct. 24, in the Forest Hills Missionary Church, 30623 West 12 Mile, Farmington.

He will be on hand for the 9:45 and 10:55 a.m. and the 7 p.m. services at the church. During each of these services, music will be led by Ken Whittington, former night club and concert violinist.

Both are visiting the Forest Hills church as part of its "Families for Christ" enlargement campaign. The public is invited.

The N.E.A., which Rev. Bacon heads, is the United States portion of the World Evangelical Fellowship, which seeks through its member bodies to present the evangelical faith and unite evangelical organizations, institutions and individuals in fellowship.

The clergyman formerly was a pastor and district superintendent in the Missionary Church.

REV. GORDON BACON

GENE JORDAN, marimbist from Quito, Ecuador, will present a concert at 7 p.m. Sunday, Oct. 24, in Ward United Presbyterian Church, Farmington Road and Six Mile, Livonia. Jordan, who plays regularly on radio station HCJB in Quito, is a composer and arranger as well as artist and has given concerts all over the world. He also conducts the symphony orchestra in Quito.

Balloon Takes 600-Mile Trip

A bright red balloon released from the Livonia Wesleyan Church in a rally day launching Oct. 10 found its way in three days to Fort Blackmore, Va.

What's more, the balloon and one of the men who found it made it into the columns of the Kingsport, Tenn., Times-News.

Mack Summey of Kingsport mailed to the Rev. W.C. Jones, pastor of Livonia Wesleyan, a clipping with a picture of

himself and the balloon that traveled more than 600 miles. Rev. Jones said it was one of 110 balloons released during the rally day program. The church is located at 14560 Merriman.

Drug Film Is Planned

The growing epidemic of drug misuse is "On Your Doorstep." This is the theme for a community action program to combat drug misuse being conducted by the Aid Association for Lutherans, Local Branch 793, through showing an hour-long feature

film starring Art Linkletter. The film will be seen Sunday, Oct. 24, at 7:30 p.m. in Christ the King Lutheran Church, 9300 Farmington Road, Livonia.

All adults are urged to attend. There is no admission charge.

St. Fabian Hosts Panel On Welfare

"Welfare, Taxes and You" is the title for a panel discussion on welfare reform at 7:30 p.m. Sunday, Oct. 24, in St. Fabian Catholic Church, 12 Mile near Orchard Lake Road, Farmington.

Panelists will be: Emmett Roche, a member of the Welfare Study Commission appointed by Gov. William Milliken.

The Rev. James P. O'Hagan, pastor of St. Gerald Catholic Church in Farmington and a clergyman well informed about welfare problems in the Farmington area.

Mrs. Selma Goode, a representative of the Welfare Rights Organization in Michigan.

The Rev. Francis X. Dietz, pastor of St. Bede Catholic Church in Southfield and vicar for the Farmington Southfield Vicariate.

MODERATOR will be Mrs. Marguerite Kowalski, also a longtime student of welfare reform needs.

The panel is expected to bring first-hand stories of the problems of welfare recipients in this area as well as giving its views on legislative changes needed.

Alan Young To Host Show

Alan Young will discuss the relevance of religion to current problems with students who attended the Christian Science College Organization meeting held in Boston this summer on a special television documentary Oct. 31.

Part of the ABC "Directions" series, the program will be seen on Channel 7 WXYZ-TV, Detroit, at 1 p.m.

The show, which will also look into the history of the Christian Science movement, is called "Christian Science: How Do You Heal the World?"

Young has been absent from TV since the days of the "Mister Ed" show.

The St. Fabian Community Affairs Committee is sponsoring the discussion in the Parish Hall, and the public is invited to attend.

"BECAUSE of the recent widespread of welfare news on television, radio, and newspapers and because of the mounting public concern over the growing number of assistance cases, welfare reform interest has sprung up all around the state," said Mrs. Roger Belanger, program chairman.

Name Observer Veteran To Media Hall Of Fame

W.W. "The Stroller" Edgar, dean of the Observer Newspapers Inc. editorial staff and longtime sports writer for the Detroit Free Press prior to his retirement several years ago, is among a group of former sportswriters and sportscasters, who brought reports of Michigan

football to millions of fans, that will be honored Nov. 6 when Michigan plays Iowa in Michigan Stadium.

The University of Michigan Media Hall of Fame has been formed and, upon nominations of current sports editors and broadcasters, 11 men have been inducted.

Others will be nominated each season by members of the active news media.

PICTURES OF all 11 hang in the Michigan Stadium press box. Acknowledgment in the official game program and over the public address system will be made and certificates given to the charter members.

The first members are: the late Sam Greene, Detroit News; the late H.G. Sahinger, Detroit News; W.W. Edgar, Detroit Free Press and now of the Observer Newspapers; Edgar Hayes, Detroit Times; Lad Shlagerland, Lansing State Journal; the late Mill Mash, Ann Arbor News; Wilfrid Smith, Chicago Tribune; Roscoe Bennett, Grand Rapids Press; Doc Holland and Ty Tyson, WWJ; and Les Etter, Michigan Sports Information director. Don Canham, Michigan Athletic Director, in announcing the new Media Hall of Fame and its first members

said: "Each of the men was a supreme professional in his field and by their work, both individually ... collectively, they helped make college football the immensely popular event it is today. Their contributions cannot be emphasized enough and we feel proud to honor them in the Michigan press box."

Edgar, a member of the Free Press staff for more than 35 years, covered the University of Michigan during the '30s. He wrote of the Wolverines during the days of "Hurry Up" Yost, Tad Weiman, Harry Kipke, Fritz Crisler, Bennie Oosterbaan and now is covering U-M football again as a columnist and member of the Observer staff.

It was another honor for the veteran writer. Earlier he was named "man of the year" by the Detroit Bowling Association and received a plaque from the National Junior Bowlers Association

LOOKS GOOD...That was the thought of W.W. "Eddie" Edgar, dean of the Observer Newspapers editorial staff, as he studies a picture of himself in the new Media Hall of Fame in the pressbox at University of Michigan Stadium.

Eddie was among the 11 longtime sports writers and radio broadcasters selected for membership. The pictures will be placed in a special Media Hall of Fame in the pressbox. (Photo by Terry Burke)

Harrison Mermaids Smother Plymouth

Farmington Harrison's mermaids continued their unbeaten way by smothering Plymouth, 56-40, for their fifth straight victory.

The Hawkettes won six of the 10 events with first places going to Ginny Perry, Linda Seeger, Jan Smart, Kim McEachin and Lisa Hoshner.

Plymouth winners were: Dot Lazarus, Cheryl Kee and Jeanie LeClair along with the 200 medley relay team.

Harrison meets Livonia Bentley Wednesday and then winds up the season with a triangular meet involving the three Farmington schools - Harrison, North and Farmington.

The summaries:

200 MEDLEY RELAY - Won by Plymouth.

50 FREESTYLE - Won by G. Perry (H); 2. M. LeClair (H); 3. C. Moore (P). 50 BACKSTROKE - Won by D. Lazarus (P); 2. S. LeClair (H); 3. R. Johnson (H).

100 INDIVIDUAL MEDLEY - Won by C. Kee (P); 2. J. Smart (H); 3. S. LeClair (H).

500 FREESTYLE - Won by L. Seeger (H); 2. C. Moore (P); 3. D. Lazarus (H).

Chargers Register 9th Straight Win

Undeclared Churchill extended its cross country record to 9-0 with two league wins this week. The Chargers are favored in the league meet Tuesday at Hickory Hills and the regionals next Saturday at Cass Benton Park.

Churchill edged Fordson 27-28 with Dennis Kurtis capturing first in 12:57. Randy Saletnik placed second, Mark Kappler sixth, John Kaminski

eighth and Jim Yuhus 6th for the Chargers.

CHURCHILL TOPPLED Walled Lake Western 18-43 in the season's final dual meet. The Chargers placed five of the first six with Kurtis and Mark Kobylarz finishing 1-2. Following were Saletnik, Kappler and Yuhus at 4-6. Franklin outdistanced Birmingham Greaves 24-31

with John Dawe setting the pace in 12:53 and setting a course record.

The Patriots close out league play with 5-0, and stand 6-0 overall.

In the Northwest Suburban League, Franklin is in the driver seat for its league meet but the regionals could be tough according to Coach Bob Holmes.

"Churchill has to be the favorite with Stevenson and Farmington next. We hope to give them all a run, said Holmes.

Lakers Are Best In Loop Golf

Walled Lake Central golfers captured the Inter-Lakes Conference by a margin of two strokes from Farmington, 404-406, in the annual league championship meet at Whispering Willows golf course in Livonia.

Livonia Stevenson was third with 412 followed by Southfield Lathrup 419, Waterford 440 and Pontiac Northern 479.

Paul Krusel, of Stevenson, and Rick Driessnak, of Lathrup, shared medalist honors with 75s.

Three Farmington golfers and one each from Stevenson, Lathrup and Walled Lake were named to the all-conference team. It included: Paul Krusel, Stevenson; Rick Driessnak, Lathrup; Bruce Belcove, Bruce Conroy and Mike Flynn of Farmington; and Tom Armstrong of Walled Lake.

But to give the tracks time to make plans for the new year, especially those who

Turf Tips, Quilps

By Doc Minard

It's amazing but true. Wolverine Raceway enters into the final six nights of its 76-night season with business on the plus side and already looking forward to a spring meeting in 1972.

Most of the tracks appear to have definite ideas of the 1972 dates even though Racing Commissioner Leo Shirley hasn't as much as breathed anything of what he has in mind.

As we indicated a couple of weeks back, there is every possibility that the Jackson-Northville meeting will officially open 1972 with a four or five week session starting on Jan. 1 or Jan. 2. Preferably the first since it will give President and General Manager Leon Slavin a chance to open on a holiday and also to start even with the competition across the river at Windsor.

By law, Commissioner Shirley can't announce the dates until after Nov. 2, and he has until the middle of December for the final time for announcement.

But to give the tracks time to make plans for the new year, especially those who

may get dates round the first of 1972. Shirley apparently plans to make the allotments as soon after Nov. 2 as possible.

Those close to the Commissioner believe he has already, made up his mind, has discussed the dates with the Republican powers that be and actually has them ready for release in his coat pocket.

So...judging from this kind of talk, the dates should be made public perhaps in less than three weeks.

IT WAS JUST about a week ago that Hazel Park officials announced plans to drop the ninth race daily, continue 10 races on Saturday and then add a Big Quinella to take up the slack.

On the surface that didn't appear to be that much of a switch. It did mean that mutual clerks were taking a \$2 cut in pay daily and it did mean that there would be less horses used on any single day and thus give the director of racing more horses to use throughout the week for the programs.

But it appears Hazel Park didn't ask the Racing Com-

missioner for permission. And as one well knows the feeling between the Hazel Park brass and the commissioner isn't exactly the best.

After a bit of haggling, the Commissioner agreed to the eight race programs but refused to allow the Big Q until he had a chance to study all of the ramifications.

Now it appears the track and Commissioner are agreed. The track will have eight races daily and an additional trifecta pool midway through the card.

This means Hazel Park will have a daily double, a quinella, a perfecta and two trifectas. It also means there will be a gimmick on every race but the seventh. That leads one to conjecture, perhaps the tracks should consider have nothing but gimmicks, and drop the straight wagering.

That was one of the biggest objections of the commissioner...too much emphasis on gimmicks at the expense of straight wagering. It is our own opinion that the gimmicks are at their peak and the track will start dropping this one and that in the next year or so.

It will be the public acceptance that will determine the future of the gimmicks and the public can go wild over one and then completely forget it over between the meetings.

THIS AND THAT... HAZEL PARK has one of the most unusual races of the year carded for next Tuesday, one that may set radio and television sports announcing back a few weeks.

It's the first annual sportscasters race. We have a distinct feeling that the annual should be eliminated. Just imagine the top announcers of the entire area competing in a horse race. That's what is planned and would you believe that 12 sportscasters have accepted.

If they all show up, we believe there will be a very quick meeting of the sportscasters at the weekly session in the press club. Most will be busy eating apples and pears.

The race, carded for 2:45 p.m., before the first regularly scheduled event of the day, will include: Larry Adderly, John Bell, Dave Doss, Vince Smith, Sonny Elliot, Ron Knight, Ray Lane, Don Leeman, Budd Lynch, Bruce Martyn, Van Patrick and Bob Reynolds.

Out Northville way, Jackson President and General Manager Leon Slavin will check into the Downs Monday to make final arrangements for the start of the Jackson-Northville meeting a week from Monday. Jackson enjoyed tremendous success with its spring meeting on the home grounds and Slavin is looking for bigger and better things in the much better facilities at Northville.

Horses will start checking out of Wolverine Raceway about Wednesday and move to Northville where the meeting for the first card will be made Thursday morning in charge of Racing Secretary Tom Smith and the time stewards.

Stevenson Tops Lakers

Livonia Stevenson barriers maintained their undefeated record in dual meet competition when they whipped Walled Lake Central, 17-43 in an Inter Lakes Conference event.

Dave Mathis, of Stevenson, was the individual winner. He was followed by: Bill Walker, Stevenson; Pat Spencer, Stevenson; Dick Atkinson, Walled Lake; Ken Kelly, Stevenson; Paul Wadsworth, Stevenson; and Rick Galini, Stevenson.

In the world's automobile capital, news about the great outdoors is dominated by mechanized recreation - motor boats, snowmobiles, mini-bikes.

So it was great to learn that the state has opened 16 miles of well marked trails in the Highland State Recreation Area, 10 miles west of Pontiac and directly north of Milford. It's near M-50 in White Lake Township.

The trails are good for just plain hiking, ecology and nature walks. You can see migrating geese resting there at this time of year. Fall colors are brilliant.

Highland, with 5,400 acres, is the former Edsel Ford estate.

If you want to take your group on a hike with a park naturalist, call or write Highland State Recreation Area, 6200 E. Highland Rd., Milford, 48064.

Kurtis, Madden: Two Cross Country Stars To Remember

Borgess, Churchill Runners Eye State Titles

By TOM DONOGHUE
Sports Editor

When it comes to running the 2 1/2 mile cross country route, Observerland schools stand tall with two of the top harriers in Western Wayne County.

Dan Madden of Bishop Borgess and Dennis Kurtis, of Churchill, are the ones to watch.

Both will be leading his team in the upcoming league, regional, and state finals.

Borgess has won 21 straight meets while Churchill has topped its foe in 16 of 17 dual meets.

"Madden is the team leader and accepts the responsibility," said Borgess Coach Tom Kennedy. "He has been producing as captain and is a real worker."

MADDEN IS not a natural born runner but one who has worked hard to produce for his school and his team.

In ninth grade he was running junior varsity and placed 30th in the 20 team Catholic League playoffs. In 10th grade he still ran junior varsity and placed 16th in the playoffs with 10:45.

In the summer between his sophomore and junior year, Dan attended a cross country camp in the Upper Peninsula called Camp Olympic and operated by Redford High Coach Bruce Waha.

"We ran 200 miles in eight days," said Madden. "It really hurt, but we still ran and ran and ran."

"We would wake up at 6 a.m. and run five miles, have breakfast at 8 a.m. and workout from 10 a.m. - 12 a.m. Lunch was about one and then

we had a little time to nap before a two-hour workout starting at 2:30 p.m."

"There was about 30 minutes of swimming between the workout and 5:30 dinner, so we could kick in order that our muscles wouldn't tighten up."

"After dinner we read and watched movies but usually hit the sack pretty early-six in the morning comes early," added Madden.

HE MADE varsity his junior year and last June took part in the March of Dimes 17 mile Walk-A-Thon. Dan ran the 17 miles in two hours and finished fourth collecting \$65

for March of Dimes.

He placed 17th in the Catholic finals last year.

This summer he joined a Borgess 1,000 mile club where he had 90 days to run 1,000 miles. He totaled 990 before a leg injury forced him to halt.

Madden has been running 60 miles a week since school started. He chalks up about four or five miles before school every morning.

In seven league meets, Dan has taken first six times. He came in second once, beaten by teammate Jim Bearden.

He captured seventh in the Albion Invitational with 13:01 and 15th in the Schoolcraft Invitational with 13:26.

His best time on a 2 1/2 mile course was against Divine Child at Rouge with a 12:01 and was clocked at 9:44 after two miles.

Dan has a 3.02 scholastic average and plans on taking up engineering at General Motors Institute. But he has heard from Western, Northern, Eastern, Aquinas, and Schoolcraft colleges and is just waiting to see what develops.

DAN HAS two brothers and three sisters who appear at most meets to cheer him on. His parents watch him at every meet.

"They have done a lot for me," said Madden. "They get me going when I am down and sort of push me every morning to get out and run."

"My dad locates himself on the course during a meet where he is by himself and really gives me support when I need it. He always yells at me to get going."

The big race for Dan is Tuesday in the Catholic League Finals at Rouge Park. "I have worked and waited four years for this race," said Madden. "Brother Rice is the favored team and we are the underdogs, but we are up for this one."

In the upcoming state meet, Dan is gunning for the top 15.

"In my four years of running I have never dropped out of a race; I've hurt a lot but I always finish what I start,"

commented Madden. "I usually sing a song when I run, just to sort of relax."

Dan is out to break his personal record Tuesday and the course record of 11:49 set by Chuck Hoisting of Brother Rice in 1970.

DENNIS KURTIS has been the No. 1 man on Churchill's cross country squad since the beginning of his sophomore year.

In three years he has competed in 24 dual meets, has placed first in 21, and second in the remaining three. In his sophomore year he was beaten out by his brother Doug, then a senior at Stevenson.

Doug is a second year cross country runner at Michigan State University.

Dennis, a 120 pounder, ran first in the Wayne Invitational with a 12:54 and first in the Redford Union Invitational with a 12:22. He placed second at Schoolcraft with 12:34.

His fastest time has been the 12:22 recorded at RU and his fastest two miles is 9:31.

"Doug used to and still pushes me a lot," said Dennis. "He has really helped me along and taught me everything I know."

He is out to set a league record at Hickory Hills Tuesday and hopes to finish in the top five in the state. He is planning to run for either Western Michigan or

Hillsdale. He carries a 2.5 scholastic average and also runs about five miles every morning before school.

Dennis ran with his brother in the National 10,000 meter race at Cranbrook in November, 1969. "There was two feet of snow on the ground and I finished 157th out of 400, right behind my brother," said Dennis. "I have yet to beat him."

THE LAST THREE summers Dennis and Doug have competed in the Sunday afternoon Belle Isle Road Races. "Doug usually placed first or second and I third or fourth," stated Dennis.

In his sophomore year, Dennis placed eighth in the state. Last year he crossed the line 57th and was fighting the flu at the time.

"I try to think about how fast I am running and what I should do next," explained Kurtis. "I even sing to myself."

Dennis holds the course

record at Waterford. Mott, Stevenson, Dearborn and Cass Benton, and his parents are usually there to cheer him on.

During the Schoolcraft Invitational he was stung by a wasp while running but he doesn't use that for an excuse of finishing second.

Dennis has a good luck charm in Ann Zimmerman at Churchill. She gives him a yard bracelet for every meet and after he wins he gives it back to her and she makes another for the next meet.

"I think she carries all the bracelets in her purse," said Kurtis. "But it sure is bringing me good luck."

"Based on what I have seen I would place Dennis in the top 10 runners in the state," said Churchill Coach Dave Westover. "The kids really look up to him. He is quiet but sets an example."

Madden and Kurtis run in their respective league finals Tuesday, followed by the regionals and the state.

RU Puts Hopes On Block In Duel With Parkers

Friday will bring the game Redford Union and Allen Park have been waiting for all season...the one that should decide the Suburban Eight title.

RU travels to Allen Park for the Observerland prep game of the week.

RU has swept over opponents in its first five games

while Allen Park has won four of five. The Parkers were tied by Dearborn in a crushing battle.

ONE OF THE state's outstanding running backs, Don Trionfi, will be pitted against a tough RU defense.

Trionfi has scored 13 touch-

downs and rushed for 642 yards in five games. Allen Park fullback, Brian Lott will be another hard one to bring down. He has recorded 300 yards thus far.

"It is going to be an even battle, with breaks deciding the game," said Parker Coach Al Vadasy. "We equal RU in

speed and talent but they outsize us."

The passing of RU's Glenn Richmond and running of Tom Burk will be up against a tough Allen Park team which after an early season tie with Dearborn, has chalked up three straight shutouts including a 35-0 romp over Bentley.

Richmond has passed 13-47 for 285 yards and three touchdowns and rushed for 118 yards and two touchdowns in the first five games.

Burk has outrushed Trionfi with 759 yards in 102 carries to Trionfi's 642 yards. Burk has scored nine touchdowns and has only been thrown for a total of nine yards lost.

TWO HOMECOMINGS highlight the weekend festivities with Southfield Lathrup entertaining Waterford Friday night and Bishop Borgess clashing with Gabriel Richard at Thurston Saturday afternoon.

The Lathrup-Waterford contest should bring smiles to the returning alumni at Southfield as the Chargers stand tall and proud on top of the Inter-Lakes Conference with three league wins.

Waterford has a firm grip on last place losing its first three league games. Lathrup just edged by Pontiac Northern 13-6 but the Weinberg twins and Bruce Ruhl are ready for this battle.

Borgess will be attempting to clinch the league title Saturday against Gabriel making it a double smile day for the homecoming crowd.

Borgess QB Jerry Sharon will be taking to the air while his defense will be going for another shutout. Borgess in its first five games has scored four shutouts.

Garden City East plays at Lutheran West Friday night in a Mid Wayne clash with East running back Dennis Burton hoping to keep East in the race.

John Glenn hosts the Oak Park Redskins under the lights Friday and Glenn will need a victory to stay in Northwest Suburban contention. The Glen quarterbacking of Don May and Dave Wesley is on the move again with their passing leading the Rockets.

Scores An Ace

Harold Winters, 8907 Munford Dr., Plymouth, scored a hole-in-one at Brookline Golf Course in Plymouth. Winters accomplished the feat with a nine iron on the 124 yard, 16th hole.

WAYNE STATE'S contingent of West Suburban football products includes (front row, from left) freshman guard Dave Barrows (Westland John Glenn), freshman center Mike Vau (Allen Park-Schafer), sophomore center Bill St. Thomas (Thurston), junior guard Eric Shilakes (Southgate), freshman quarterback Rod Shafer (Garden City East) and sophomore setback Chuck Cosner (Allen Park). Back row (from left), sophomore end Len Bonk (Carleton-Monroe CC), sophomore tackle Chuck LeClaire (Lincoln Park), freshman tackle Doug Webber (Dearborn Heights-Crestwood), senior co-captain fullback George Bresz (Flat Rock-Huron), senior end Ken Russell (Southgate-Schafer) and junior end Jim Russell (Southgate-Schafer).

Groves Golfers Defeat Thurston For 15th Win

Birmingham Groves golfers proved their fitness for defense of their state championship by whipping Thurston, 153-159, for their 15th victory of the season against a single defeat.

Groves was slated to defend its crown Saturday (today) in the class A finals at the Midland Country Club.

Groves' Bill Wilson and Thurston's Bill Proben shared medalist honors with par 36 at the Warren Valley golf course.

In a Northwest Suburban League triangular meet, Oak Park, led by Tom Cowan's 36 at Rackham golf course, registered a 150 to defeat North Farmington (108) and John Glenn (108).

DEARBORN HIGH is 1971 golf champion of the expanded Suburban Eight League, winning the annual title tournament on its first try. Dearborn and Edsel joined the Suburban Six this fall to make it the Suburban Eight Conference.

Dearborn had a total of 316 strokes, one less than second place Trenton. Bentley had 329, Plymouth and Edsel Ford

tied at 345 followed by Belleville 348 and Allen Park 379.

Dave McCarthy, of Dearborn, was medalist with a 76 followed by teammates Bob Percy (78) and Bruce Szop (79).

Trenton's Doug Savage (77) and Gary Stougaard (79) joined the Dearborn trio on the all-league team.

John Hlohenic, of Northville, fired a 72 for the in-

dividual honors at the Meadowbrook Country Club.

The top five finishers in the annual league championship tournament automatically win berths on the all-star squad.

FARMINGTON HARRISON tied for third in the Western Six League title meet with Northville winning it all with 409. Harrison and Waterford Mott tied for third with 443 and Walled Lake Western was the runner up with 442.

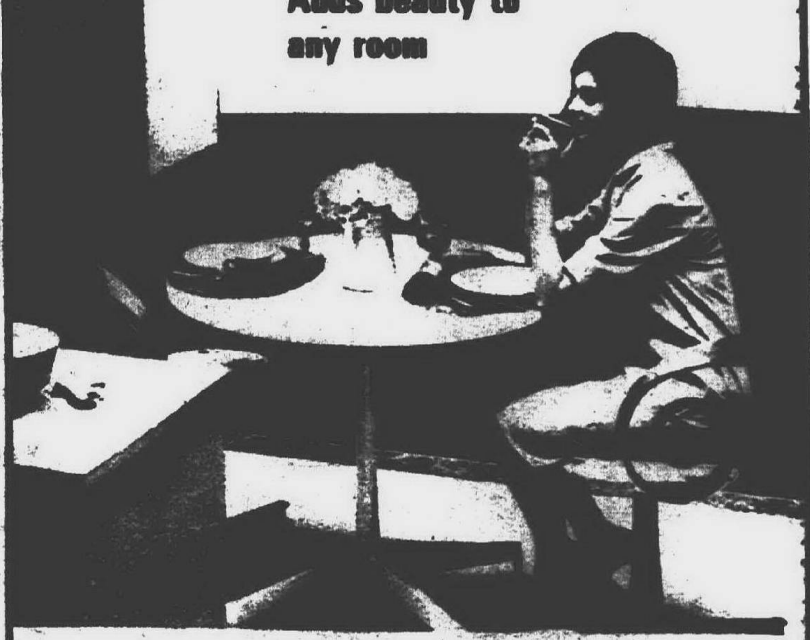

Borgess Harriers Win 26th In Row

With Dan Madden leading the way with his second fastest performance of the year, Bishop Borgess harriers recorded their 26th consecutive victory and seventh of the season when they swept past Redford St. Mary's, 15-49. It was the fourth sweep for Borgess which continued a dual meet winning string that has extended over a period of four years. Borgess will defend its

Catholic League championship on Friday, Oct. 29 at Rouge Park.

Borgess completely overwhelmed St. Mary's, taking the first six places and ending up with 23 of the first 25 places. Only the top five finishers count in the scoring although a team may run seven for positions.

Madden was clocked in 12:04 in winning his fourth dual meet this year.

Letters To The Editor

Dwyer Wants More Details

EDITOR: I was delighted that the Mail & Observer has taken note of the coming city elections, with its six column by four center front page story concerning "endorsements" by the "Plymouth Civic Federation," with identification as "...newly formed political organization."

In as much as it has been brought to my attention that at least one township resident was part of the interviewing, I would like more information on the background and makeup of this "newly formed group."

To what: When was it formed? By whom? How many members does it represent? In what way? Is membership open, or closed, or selective? Does it have a purpose other than this election? Does it have a constitution or by-laws? Was its leadership self-appointed or elected? If elected, by whom? How many members voted in their endorsement procedure?

Many of the names are known to me, in fact most. Even the newcomers. They are all familiar and honorable names, but few in number.

As a duly elected member of a State Central Committee of

one of the political organizations formed by law, and elected by their neighbors, I am curious about this news and its credibility. I would hate to think our friendly hometown newspaper was printing handouts from a mimeograph machine.

Any clarification with regard to this high partisan, non-partisan group would be helpful, not only to me, but hundreds of Plymouth voters.

BOB DWYER
Member, Democratic State Central Committee, Plymouth

Creech Wants Foe Identified

EDITOR: I feel that the Oct. 20 front page news article leaves too many questions unanswered and implies inaccurately positions taken on the various issues by myself and probably other City Commission candidates.

The public has right to know who and what this "Plymouth Civic Federation" is all about. What is its purpose. How many members does it have? It is a federation of what, or whom? The interview committee listed reads like a Who's Who of the Plymouth Republican Party, yet they claim to be a non-partisan group. What goes on here?

These questions and others should have been answered in the original front page article and should be answered now to place this "endorsement" in perspective.

BENJAMIN F. CREECH
P.S.: I'm pleased that the Plymouth Civic Federation didn't endorse me. It's because of this group and its ilk that I felt compelled to run in the first place. Hopefully, after the election the city will no longer be run from the round table at the hotel.

Children Make The Difference

EDITOR: It is obvious that you do not have children! You may be forced bussing now, but wait 'til you do have a family of your own. You'll change your mind and want them right in the school near your home! Your pro-bussing ideas show very clearly in your paper.

NOLA SMITH
(EDITOR'S NOTE: As a point of information, the editor of the Mail & Observer has sired three children, two of whom currently are enrolled in Plymouth public schools.)

Plymouth Brevities

SCHOOL-SALARY changes authorized by the Board of Education for the administrative staff when the wage-price freeze ends have stirred inquiries on local governmental salaries in general.

City Manager Norman Gaffney's current salary is an annual \$30,000, which will be topped by 19 persons on the school staff when the new increases take effect. Heading the educational list is Supt. James Rosman at \$28,000.

Supervisor Maurice Breen, who heads the township government, gets \$15,800. District Judge Dunbar Davis is at \$24,500 and of this the state pays \$19,500 and municipalities of his district \$5,000.

Actually, the highest paid elected official who lives in Plymouth is Wayne County Circuit Judge George Bowles. All circuit judges on the Wayne bench get \$30,000 a year. Thomas J. Fidge, a Plymouth resident who has lost twice in a bid to be elected to the school board, has just been named assistant director of administration of the Wayne County Road Commission, a post paying a salary of \$27,624.

PLYMOUTH SOON may be picked as a site for a new driver's license bureau by the state, which has had representatives in town recently looking for a suitable location.

Since the pattern for the issuance of driver's licenses was changed some time ago, all motorists in this area have had to go to Livonia to make application for licenses, whether they be original or renewals. The Plymouth-Canton-Northville population boom seems to be justifying a bureau here.

BAND DIRECTOR LEROY LANE at Central Junior High School arranged one of the biggest treats of the year for the school's bandmen Thursday.

He got permission for school busses to take the kids to Ann Arbor after school where they watched a rehearsal of the University of Michigan marching band at Wines Field.

Meanwhile, some members of the U. of M. band alumni organization are booming PHS Director James Griffith for appointment as director of bands at the university. George Cavender is serving as temporary successor to Dr. William Revelli, and is considered to have the inside track on the permanent appointment.

Nonetheless, music school officials have asked Wolverine band alumni to offer other suggestions for consideration, and Griffith's name is one that has been submitted.

YOUTH, INC. which operates the youth center in the old Mail & Observer building, 271 S. Main, has joined the glass recycling program.

Residents may take any glass containers to Youth, Inc. between 11 a.m. and 2 p.m. any Saturday for discard.

The only thing asked is that the bottles, jars, etc., be washed and that any metal rings be taken off. Labels aren't important. Everything collected will be trucked each week to Ann Arbor.

PARENTS OF Plymouth High School sophomores are invited to the school at 8 p.m. Thursday, Oct. 28 for the annual "sophomore parents night."

The program in the auditorium will include an orientation film and vocational discussions. This also will give parents the chance to talk with counselors.

WHEN FIRE destroyed Lofy's night club, it also nullified the five-year lease which Sam Hadous had with the owning Willoughby family of Plymouth. This helps explain the announcement by Hadous that he plans to turn Detroit's Michigan Theater into a night club and not rebuild here.

However, the Willoughbys do plan a new structure for the site at Ann Arbor and Lilley Rds., its nature depending upon the requirements of whatever new tenant contracts for the property. The ruins of the old Lofy's will be bulldozed to earth as soon as all insurance details are closed.

ISBISTER Elementary

School will sponsor a student book fair from Tuesday, Oct. 26 through Thursday, Oct. 28. Books will be on display in the library from 8:30 a.m. to 3:30 p.m. each day.

Parents and teachers are sponsoring the event and invite all students, parents and friends to attend. The fair will include attractive new books from many publishers in all popular price ranges, according to Mrs. George C. Moore.

HAROLD BLACK, who has been retained by the City Commission to implement plans of the Downtown Development Committee, has agreed to a two-phase contract.

Black will be paid \$1,500 for an economic study to determine the types and the scale of businesses which the central business district is likely to attract. Emphasis in part two will be upon interesting a developer to build here.

Register For Oldsters' Trip

PLYMOUTH senior citizens who want to take advantage of the Ice Follies trip sponsored by the city recreation department have one more week to register.

The trip to the noon performance of the Follies on Nov. 20 is offered to the city's elder generation at a cost of \$3.50 - half the price of the

best seats they'll get - and includes round-trip transportation by bus, according to Stanley Stenek, city recreation director.

Senior citizens must register before Nov. 1 at the Tonquish Creek Manor, 1160 Sheridan, between 8 a.m. and noon. Further details may be obtained by calling the Tonquish Creek Manor.

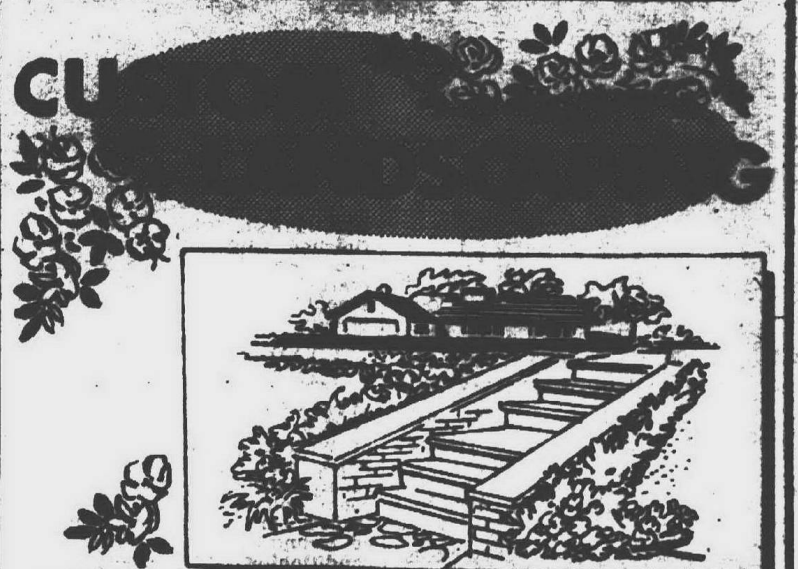

Schoolcraft Route Changes Tuesday

Due to construction along Schoolcraft Road, traffic between Eckles and Farmington roads will be re-routed starting Tuesday.

Eastbound traffic will be re-routed to the newly constructed service drive on the south side of the road starting at 9 a.m.

At 9 a.m. Wednesday, all westbound traffic will be re-routed to what is now the eastbound lane.
