Steady Average

Plymouth, "The City of Homes," has been getting construction of new ones at the rate of one a month throughout 1971. That's one of the highlights of a report from the municipal building department showing the construction industry already past the \$2.3 million mark this year.

Page 2A

They All Eat

Economic assistance in the way of free or reduced price school lunches is available to families in need, and the qualifying income levels have been announced by the school administration.

Page 3A

Three For One

A football triple header is on tap Sunday afternoon on the Central School gridiron involving boys' teams from Plymouth, Ann Arbor and Dearborn Heights. Not only will the occasion climax the Vince Lombardi Junior Football League season, but it also will be in a good cause for the benefit of Jim Shinn.

Page 4A

Safer Campus

Oakland University President Donald O'Dowd says security has been improved on the campus, and worried parents were glad to hear it.

THIS INTERSECTION, where Penniman and N. Territorial intersect on an east-west line with Sheldon Rd., has been branded as one of the most dangerous in the city by Police Chief Timothy Ford. Most of the accidents involve turning action, and Ford has recommended installation of a green arrow delayed turn signal. (Ken Garner photos)

Sheldon Signal Change Urged

Plymouth Police Chief Timothy Ford, who has been on the job only since mid-July, has discovered that 10 per cent of all vehicular accidents in the city occur at one intersection, and he proposes doing something about it.

The crossing in question is that of north-south Sheldon Rd. and the east-west combination of Penniman and N. Territorial, which Ford characterizes as one of the most dangerous in Plymouth. Statistics bear him out. His department has handled 24 motor vehicle accidents there in the past 12 months. Although there have been no fatalities, the number of injured stands at 14, and Ford's figures are minimal because they do not include any accidents on the township side of Sheldon where investigation has been in the hands of the sheriff's road patrol.

"High incidence times are from 4 to 6 p.m. and Friday," said Ford, "but there is no correlation between time of day and the day of the week." He has made the suggestion, with unanimous support of the City Commission, that the Wayne County Road Commission be requested to install a green arrow delayed turn signal at the intersection. Support for this step also is being sought from the Board of Education and all PTA groups.

"WITH ONE or two possible exceptions, all accidents at this location can be absolutely correlated to some kind of turning action," said the chief. "There are a number of solutions which appear practical to the department. The one that appears most feasible and the least costly is the installation of a delayed green arrow, which would facilitate east and westbound turns while, at the same time, holding north and southbound outer lanes in position. This recommendation is made with the full recognition that it will have effect on the entire sequence on Sheldon Rd. and that appropriate adjustments might be required at other lights. "It is further acknowledged that the course of action recommended is not the ideal best, which would be widening Sheldon to provide turning lanes. However, it is deemed to be the one most expedient, least costly and capable of early realization." Ford pointed to traffic density, driver impatience and a general lack of care and circumspection as important factors in the intersection's bad record.

Evans Strike Settled

The strike of hourly workers against the Plymouth plant of the Evans Products Co., which had begun Sept. 10, ended Thursday in agreement on a new three-year contract between management and Local 2340 of the United Steelworkers of America.

Some employees were back on their jobs Friday, and J.R. Byrne, Evans vice president and general manager, said, "We'll be going full tilt by Monday."

The eight-week strike was the longest in the history of Evans' Plymouth facility and involved more than 400 members of Local 2340. Salaried personnel were not affected by the walkout which brought all production operations to a standstill.

Byrne said that the economic package accepted by the union will provide increases in wages and fringe benefits of about \$1.25 an hour spread across the three-year life of the contract - all of it being subject to federal controls, however.

The ratification vote was reported to show approximately 65 per cent of the strikers in favor of acceptance after proposed company terms had been rejected twice before during the long walkout. Evans' weekly payroll for hourly workers is between \$40,000 and \$45,000.

With the back-to-work decision on the part of the union, Byrne expressed optimism that the work force may reach the 500 mark during the coming year. He said he was speaking on the basis of future orders which could well necessitate an increase in employees.

U-M Musical Booked Here By 2 Groups

The Plymouth Study Club and Fine Arts Council will join hands Friday to present a contemporary, adult musical comedy, "On Account of Sid Shrycock," which has been written, directed, choreographed and produced by students of the University of Michigan.

The play was originally performed last year during the university's Creative Arts Festival and beginning Nov. 19 is booked for five weekends at the Kingston Mines Theatre in Chicago.

The Plymouth performance will be at 8 p.m. Friday in the new high school auditorium and tickets, are \$2.50 each. They are available at Melody House and Famous Men's Wear and will be on sale at the box office.

Mrs. Denver McCord and Mrs. Smith Horton of the sponsoring organizations said they expect a number of Detroit Institute of Arts and Fisher Theatre officials to be in the audience.

Driver's License Office Due Here In State Shakeup

Closing of Plymouth's present Secretary of State's branch office as of Nov. 13 and plans to open a new dual purpose service by the department in another downtown location as soon thereafter as possible were disclosed Friday.

Robert E. Dwyer, who has served seven years as manager of the branch at 238 S. Main, was notified by Norman Berkowitz, deputy secretary of state, that his appointment is to be terminated with the close of business next Saturday.

This results from the conversion of the fee branch manager system to a civil service operation.

"RATHER THAN this fee branch which has served Plymouth and the surrounding area for more than 20 years, Plymouth will be the location of one of the first new, dual purpose offices, issuing drivers licenses as well as license plates, auto registrations and titles, with civil service employees," said Dwyer.

"I personally applaud this decision on the part of Secretary of State Richard Austin. It is but one of a series of changes that will come about in the future, all designed to better service the motoring public.

"Over the seven-year period of phase out of fee branch offices, such as Plymouth has had, we will also see the end of the Michigan Branch Managers Association, for which we can all be glad."

OTHER SOURCES revealed that the state department has

taken a three-year lease on the office building at 819 Penniman, next to the National Bank of Detroit. The goal is to take occupancy Monday, Nov. 15, but the remodeling which is in progress may possibly delay that a few days.

No announcement has been made as to who the manager of the new office will be. However, it will give Plymouth a driver's license bureau for the first time since this function was removed from police departments, a step which made the bureau in Livonia the closest point for motorists of the Plymouth area to obtain these licenses.

Dwyer, who personally leases the building at 238 S. Main, said he will continue to do so in his new connection as

director of sales of Mid-American Properties.

"Secretary Austin's decision to establish a combined branch here is the final guarantee that Plymouth will not suffer the fate that fell to Livonia when the closing of a fee branch left that city without service," said Dwyer.

"Plymouth is not a suburb. It has and will continue to maintain its own identity, and the existence of a permanent branch will help."

"There may be kinks in their system when first opening, and I would urge you to be patient. You can help in this change - over period by purchasing your license plates by mail when you get your pre-made form from Lansing."

ROBERT E. DWYER will end seven years as manager of the secretary of state's branch here with the close of business Nov. 13. A new dual purpose licensing office will be opened at 819 Penniman. (Observer photo)

Community Fund Drive Falling Far From Goal

Were the sights set too high for the 1971 Plymouth Community Fund campaign?

There were strong indications Thursday that this may be true unless there is a sudden rallying to the cause by business and industrial firms, professional personnel and the general citizenry during the next 10 days.

With only that period left in the drive which has been in progress since Sept. 28, only 55 per cent of the goal of \$175,000 has been pledged.

In a meeting of committee chairmen Thursday - which was the date originally set for the closing of the campaign - their reports showed that the total raised so far stands at \$97,413.

However, in just the past week the fund was boosted by approximately \$62,000 as volunteer campaigners redoubled their efforts to help preserve the PCF's record of never having failed to reach the goal since the fund was established in the mid '40s.

ONE OF the major contributions in that impressive week's work was that of \$30,066 from the Ford Motor Co.'s Sheldon Rd. plant. This represented \$26,566 from hourly and salaried employees plus \$3,500 as a corporate gift and topped Ford's previous high in supporting the PCF by about \$1,000.

The extension of the campaign to Nov. 18 gives added time for campaign workers to contact all possible donors, and they were buoyed somewhat in their last ditch effort by the realization that Detroit's United Fund went down to its final day Thursday before hitting 100 per cent of its goal.

This is the current status of the seven PCF divisions, listing the chairman of each, amount raised and the goal:

Industrial, William Carlson and Tony Ruggerio, \$74,525 out of \$126,000; business, Bill Decker, \$7,000 out of \$15,000; education, Ron South, \$4,528 out of \$7,000; professional, Tom Healy, \$1,905 out of \$5,000.

Residential, Mrs. Gail LaRiche and Mrs. Charlene Zeese, \$5,709 out of \$8,000; governmental, Ken Way, \$286 out of \$1,000; clubs and special gifts, Bob Utter, \$2,000 out of \$3,000.

Last year the campaign raised \$100,290.

JANICE YOUNG is one of the University of Michigan performers in "On Account of Sid Shrycock" which will be presented Friday night in the high school auditorium.

JOAN SUSSWEIN is another featured member of the cast of "On Account of Sid Shrycock" which will be performed here under joint sponsorship of the Study Club and Fine Arts Council.

PLYMOUTH COMMUNITY SCHOOL LUNCH MENUS

Week of Monday, November 8 through Friday, November 12

ALLEN MONDAY, NOVEMBER 8 Chicken Rice Soup and Crochets, Peanut Butter and Honey Sandwich, Fruit Cup, Cocoa, Milk. TUESDAY, NOVEMBER 9 Hamburger on a Bun, Potato Slices, Baked Beans, Fruit Cup, Milk. WEDNESDAY, NOVEMBER 10 Spaghetti with Meat Sauce, Battered Green Beans, Baked Beans, Fruit Cup, Cocoa, Milk. THURSDAY, NOVEMBER 11 Hot Dog on a Bun, Potato Slices, Baked Beans, Fruit Cup, Cocoa, Milk. FRIDAY, NOVEMBER 12 Toasted Cheese Sandwich, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk.	BIRD MONDAY, NOVEMBER 8 Chicken Rice Soup, Crochets, Potato Slices, Baked Beans, Fruit Cup, Cocoa, Milk. TUESDAY, NOVEMBER 9 Stuffed Potato, Battered Green Beans, Fruit Cup, Cocoa, Milk. WEDNESDAY, NOVEMBER 10 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. THURSDAY, NOVEMBER 11 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. FRIDAY, NOVEMBER 12 Toasted Cheese Sandwich, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk.
FIEGEL MONDAY, NOVEMBER 8 Bean and Bacon Soup and Crochets, Cheese Slices, Baked Beans, Fruit Cup, Cocoa, Milk. TUESDAY, NOVEMBER 9 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. WEDNESDAY, NOVEMBER 10 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. THURSDAY, NOVEMBER 11 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. FRIDAY, NOVEMBER 12 Toasted Cheese Sandwich, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk.	FARRAND MONDAY, NOVEMBER 8 Chili with Corn, Peanut Butter and Honey Sandwich, Potato Slices, Baked Beans, Fruit Cup, Cocoa, Milk. TUESDAY, NOVEMBER 9 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. WEDNESDAY, NOVEMBER 10 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. THURSDAY, NOVEMBER 11 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. FRIDAY, NOVEMBER 12 Toasted Cheese Sandwich, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk.
GALLIMORE MONDAY, NOVEMBER 8 Vegetable Beef Soup, Crochets, Peanut Butter and Honey Sandwich, Fruit Cup, Cocoa, Milk. TUESDAY, NOVEMBER 9 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. WEDNESDAY, NOVEMBER 10 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. THURSDAY, NOVEMBER 11 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. FRIDAY, NOVEMBER 12 Toasted Cheese Sandwich, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk.	ISBISTER MONDAY, NOVEMBER 8 Chicken Noodle Soup, Crochets, Peanut Butter and Honey Sandwich, Fruit Cup, Cocoa, Milk. TUESDAY, NOVEMBER 9 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. WEDNESDAY, NOVEMBER 10 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. THURSDAY, NOVEMBER 11 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. FRIDAY, NOVEMBER 12 Toasted Cheese Sandwich, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk.
SMITH MONDAY, NOVEMBER 8 Cream of Tomato Soup, Peanut Butter and Honey Sandwich, Fruit Cup, Cocoa, Milk. TUESDAY, NOVEMBER 9 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. WEDNESDAY, NOVEMBER 10 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. THURSDAY, NOVEMBER 11 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. FRIDAY, NOVEMBER 12 Toasted Cheese Sandwich, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk.	STARKWEATHER MONDAY, NOVEMBER 8 Chicken Noodle Soup, Crochets, Peanut Butter and Honey Sandwich, Fruit Cup, Cocoa, Milk. TUESDAY, NOVEMBER 9 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. WEDNESDAY, NOVEMBER 10 Hamburger on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. THURSDAY, NOVEMBER 11 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. FRIDAY, NOVEMBER 12 Toasted Cheese Sandwich, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk.
TANGER MONDAY, NOVEMBER 8 Tomato Soup with Crochets, Peanut Butter and Honey Sandwich, Fruit Cup, Cocoa, Milk. TUESDAY, NOVEMBER 9 Hot Dog on a Bun, Potato Slices, Battered Green Beans, Fruit Cup, Cocoa, Milk. PLYMOUTH COMMUNITY FUND
P.O. BOX 356, PLYMOUTH, MICH.

PLEASE NOTE: If contributing to the Plymouth Community Fund where you work, please state your place of employment on reverse side and mail card in.

THE PLYMOUTH COMMUNITY FUND is trying to raise a record \$175,000 this year. Despite the house-to-house solicitation by volunteers, it is recognized that there still are residents who have not been contacted. For the convenience of those who wish to add their contributions by mail, this coupon may be clipped out and when filled in properly sent with a check to Plymouth Post Office Box 356.

Plymouth Brevities

SPAGHETTI LOVERS can get their fill Wednesday evening when St. Margaret's Guild of St. John's Episcopal Church puts on its annual dinner at the church. Rev. Bob Shank says the chief cook uses a secret recipe that has been in her family for years, in making the sauce.

Serving will start at 5:30 p.m. and continue until 8. Family tickets are \$4, no matter how many mouths, and single adult tickets are \$1.50. Children's dinners, five through 12, are 75 cents and those under five eat free.

Entertainment will be by "The Singing Sisters of Mercy" from Farmington.

St. John's also will offer an organ recital at 7 p.m. Sunday, Nov. 7 by Gale Kramer, adjunct professor of organ at Wayne State University.

WONDERING WHAT to do with the old newspapers and magazines that are piling up in the garage?

Take them to Isbister School, 9300 Canton Center Rd., any day Nov. 15 through 19, and help out in the paper drive the students are promoting. However, be sure the bundles are no more than 30 inches deep and that they are securely tied with heavy string.

THE NON-RETURNABLE bottle ordinance will be on the city commission's agenda Monday, Nov. 15.

As it stands, sales of such beverage bottles would be banned in the city after Jan. 1, but repeal of the measure is expected before it even becomes effective. It was adopted in June.

Meanwhile, plans for establishment of a glass recycling center here are proceeding swiftly and a specific announcement should be upcoming soon.

THE ROUGE VALLEY chapter of the Michigan Society of Professional Engineers and scouts of Explorer Post 910 will have a joint meeting Tuesday evening at the Hillside Inn.

The program will consist of

City Basketball League Plans First Meeting
PLYMOUTH
The organizational meeting for the Plymouth men's basketball league will be held at 7 p.m. Wednesday, Nov. 10 in the commission chambers at City Hall.

The league will operate this year under direction of the city recreation department, and director Stanley Stenek said Wednesday's meeting has been called to determine the number of teams participating, to review league rules and to discuss other aspects of the season.

Jerry Vettese will be coordinator of the league and will be in charge of making arrangements through the recreation department.

"Jerry and I are most anxious to get the best officials possible," said Stenek.

SUCCESSOR TO THE AUTOMATIC WATER SOFTENER
THE REYNOLDS SOFT-SENSOR
THE WATER CONDITIONER THAT HAS A MIND OF ITS OWN FOR SOFT, RUST-FREE WATER

THAT'S RIGHT! Every night the Soft-Sensor "takes its own pulse." If it needs recharging, it recharges itself... If not, it checks itself the next night. The Soft-Sensor recharges itself ONLY when it needs it, and always when it needs it.

☐ All the soft water you need ☐ Simple, dependable construction

☐ Saves soft-watering cost ☐ "Lifetime" all-fiberglass tanks

☐ It "slopes" when you're away from home ☐ Remarkably low in cost

PURCHASE OR RENTAL PLAN
Other brands of water softeners can often be converted to the Soft-Sensor.

City Maintains 'One A Month' Home Average
City Buys 2 New Vehicles

PLYMOUTH
Bad economic times that have fallen have apparently had little effect on building in Plymouth.

During the month of October, building permits for two new homes were issued in the city. The combined value of the homes was \$55,000 according to the Building Department.

With the addition of the two new single-family housing starts, the city has seen 10 homes built this year - an average of one a month.

In addition, 14 permits for remodeling and alterations valued at \$30,215 were issued in the city. Two new garages and one commercial building were also started in October, building department records show.

The total value of the month's building was placed at \$87,915 - bringing the total value of new building in the city thus far this year to \$2,393,748.

THROUGH BIFOCALS
By FRED DELANO / Editor: Mail & Observer

A COMMITTEE chaired by the scholarly Russ Ash of the Board of Trustees has devoted many hours of late working on a comprehensive development plan for the future of Plymouth Township. Their interim report will please many residents who are worried lest land-grabbers convert the western half of the township into one giant shopping center.

Gerald Burke, Chuck Childs and Smith Horton share, with Russ, the responsibility for preparing such a plan, and while it will be subject to review by the full board, there has been no major dissent with the preliminary direction of the committee's thinking.

Among the meatiest segments of the progress report are these statements:

"From the testimony given by homeowners' groups, it is very evident that this segment desires large area, single family development which is not encroached upon by commercial, industrial nor multi-family uses. In many ways they are proper in these desires.

"For one thing, much of Plymouth Township is characterized by rolling terrain which is a natural resource of the area as definable as metallic or petroleum deposits are resources of other areas. It is the opinion of this committee that this natural resource must be protected.

"Furthermore, commercial uses which may be proper in a specific location have a way of spreading like a cancer in all directions, because greater monetary returns from adjacent undeveloped land can be

realized. This profiteering through the utter disregard for community desires also must be prevented."

THESE COMMITTEEMEN have tackled this extremely important problem with the realization that effective planning for the future of the community becomes a matter of compromising or coordinating what often appear to be conflicting interests.

Three general categories of interests are being considered, and representatives of each have been interviewed. These include landowners of both large and small undeveloped parcels, homeowners of moderately small size — some of their relative newcomers to the township, and large land speculators operating in the area. Real estate agents were not included because of the committee's feeling that while they promote interaction between the first three categories, they actually add nothing expedient to the overall action.

Among conclusions reached to date are these: "In keeping with the rolling character of the area, the densities allowed by the various residential classifications are felt to be proper and representative of the wishes of the existing residents.

"Neighborhood commercial areas should be located at the intersections of major or section lines.

"Residential development along major arteries should be arranged such that the residential lots back up to the artery, or front upon a service drive paralleling the artery. This would discourage the thought that major thoroughfares must be developed as commercial."

BURKE AND CHILDS also are serving as a subcommittee concerning the land use map, and have submitted a series of 17 specific suggestions which, while only tentative at this point, includes one of special fascination.

This would have the township buy the Hilltop Golf Course and the adjoining triangle formed by Beck, Powell and Ann Arbor Trail for development, along with the adjacent 63-acres already owned by the township, into one consolidated area for recreation.

Another recreation area is suggested for the land bounded by Haggerty, Five Mile Rd., I-275 and the new M-14.

In addition, a number of zoning changes are suggested for specified sections, and in the main the entire project represents an attempt to go forward with a positive plan, rather than let future development proceed hit and miss. The approach is evidence of wisdom not always visible in Plymouth Township government.

MEMBERS OF THE We-Tel Club of the Telephone Pioneers of America employed at Western Electric here have built three "beeper balls" for blind residents at Plymouth State Home and Training School. The ball transmits an intermittent beep which enables blind children to play catch. Demonstrating one of the balls to Dr. Nancy Steele, director of the schools program for the blind, are Norm Sherbert (left) and Charles Schultz of the We-Tel group.

Central Pool Now Open For Rec Swimming

The Central School pool is open for recreational swimming three nights a week to let water-lovers keep on top of their favorite sport.

The pool is open for recreational swimming from 7:30 to 9 p.m. on Mondays and Wednesdays.

On Tuesdays the pool is open for mother-daughter swimming from 7:30 to 9 p.m.

School Lunch Aid Available

PLYMOUTH Details of an aid program for families who find it difficult to pay the full price for their children's school lunches were announced this week by Gary O. Sirbaugh, business administrative assistant.

He said children from families whose incomes are at or below those listed on the following scale are eligible to receive reduced price or free lunches:

IF THE TOTAL family size is two persons, the qualifying income level is \$2,900; three persons, \$3,595; four persons, \$4,290; five persons, \$4,985; six persons, \$5,680; seven persons, \$6,375; eight \$7,070; nine persons, \$7,765; 10 persons, \$8,460; 11 persons, \$9,155; 12 persons, \$9,850. For each additional family member, \$520 is to be added.

"Income" means funds received from all sources, including wages, public assistance payments, dividends or interest, social security, etc., Sirbaugh explained.

"The school district will also take into account unusual circumstances such as illness or death in the family, temporary disability, seasonal employment, etc. in determining eligibility," said Sirbaugh.

"In order to safeguard their identity, children receiving free or reduced price lunches will be treated in the same manner as full paying students. The school district's policy statement on this program is available for review in the central administration office, 1024 S. Mill.

"The schools all serve well-balanced and nutritious lunches every full school day, and we urge all parents to have their children participate in the lunch program since it is to their benefit to eat a well-balanced lunch each day."

"The schools all serve well-balanced and nutritious lunches every full school day, and we urge all parents to have their children participate in the lunch program since it is to their benefit to eat a well-balanced lunch each day."

State OKs Bond Issue

Attorney General Frank J. Kelley, chairman of the Michigan Municipal Finance Commission, has announced that the commission has approved \$147,000 of "1971 special assessment street improvement bonds, Series II" and \$163,000 of "1971 general obligation street improvement bonds" for the City of Plymouth.

Kelley said, "The proceeds from the special assessment bonds are to be used to defray part of the cost of street improvements in the Deer, Wing, William, N. Holbrook and W. Ann Arbor Trail special assessment districts all in the City of Plymouth. The proceeds from the general obligation bonds will be used to defray a part of the city's share of street improvements in special assessment districts.

"The special assessment bonds are payable from special assessments due in nine annual installments with the full faith and credit of the city pledged to meet principal and interest should the installments be slow in coming in. The general obligation bonds are payable from general ad valorem taxes to be levied without limitation as to rate or amount."

Other members of the Municipal Finance Commission are Allison Green, state treasurer; and John W. Porter, superintendent of public instruction.

School Skiers To Hold Sale, Registration

PLYMOUTH The Plymouth High School Ski Club will hold its registration and annual Ski & Sno rummage sale at 7:30 p.m. Monday in the Central Junior High School gymnasium.

Registration forms may be picked up ahead of time at any middle school, the high school, or the school recreation office but must be brought to the Monday night registration.

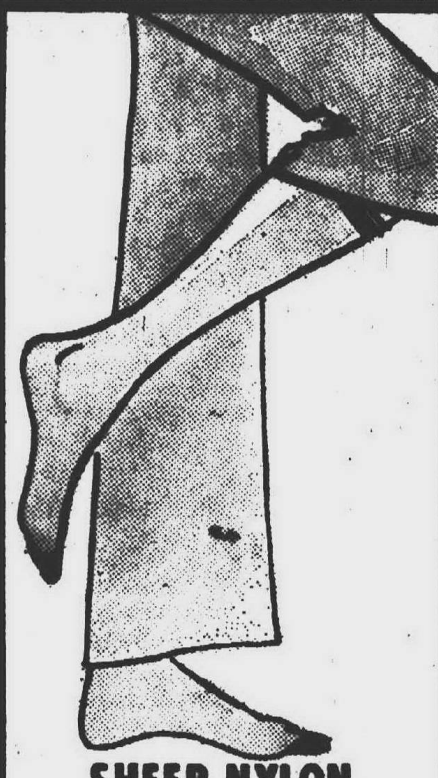

The rummage sale of winter clothing and sporting equipment will be held before and after registration. The Ski Club charges a 10 per cent handling fee on articles which must be brought to the Central recreation office before noon Monday.

Better Weather Reporting Seen

WASHINGTON, D.C. Complaints from farmers in the 2nd Congressional District over delays in obtaining prompt information from the National Weather Service at Metropolitan Airport have not gone unheeded.

U.S. Rep. Marvin L. Eash (R-Ann Arbor) has used these complaints as part of his campaign for improved weather information, saying that "meaningful progress" has been made.

The Plymouth and Northville areas are included in Eash's district. Concerning complaints from constituents that they have encountered up to 30-minute delays in getting reports from the service at Metro, Eash had this to say: "I took this information to the National Oceanic and Atmospheric Administration of the U.S. Department of Commerce with which I had worked previously in my attempts to expand weather service in the state of Michigan."

"We have made some meaningful progress in developing a federal plan for a national agricultural weather service, recognizing that weather is the pivotal point for so many phases of the agricultural production cycle."

"Anyone who farms knows only too well that farming has become heavily dependent upon machinery and chemicals. Buying tractors and implements too large or too small for the expected number of farmwork days is loaded with risks where poor allocation of capital can have horrendous effects."

"Proper utilization of accurate weather forecasts in farm operations can save a washed-off chemical, reduce the spread of pesticide materials to other than the target area, add to overall farm efficiency and help maintain a healthy and wholesome environment. Each seed planted at the wrong time can rot in a cold, wet soil."

"WEATHER ALSO influences livestock and plays a major role at calving and lambing time. Additionally, weather is the most significant variable explaining the year to year fluctuations in the yield of certain crops. Less than optimum growing conditions can mean a reduction in farm income on an average of \$1.6 billion a year. There is no doubt that more complete information on weather trends would provide the basis for more efficient agriculture throughout the nation."

"Congress recognized the necessity of developing a federal plan some time ago but it was only in the last two years that we have been able to move forward on a nationwide basis and structure a

Lombardi Loop Plans Shinn Aid

The Vince Lombardi Junior Football League will wind up its initial season with a triple header Sunday afternoon at the Central Junior High School gymnasium.

Red Young, spokesman for the league, announced that the three games have been scheduled as a benefit program for James Shinn, a young Plymouth man who has been paralyzed since a trampoline accident nearly two years ago.

"There will be no specific admission charge at the gate, but donations will be accepted," said Young. "Proceeds from the 'snack shack' Sunday also will go to the Jim Shinn fund, and we invite other organizations to make contributions at this time."

Dr. David Middleton, former Detroit Lions star, will be a special between-games speaker.

The first game will get under way at 12:30 p.m. and will be between the Plymouth Lions freshmen and Dearborn Heights Cobras. These boys are in the 9-10 age bracket.

This will be followed by a contest between the Plymouth Lions junior varsity and Ann Arbor Rams, these teams including 10 and 11-year-olds. The third game will see the Plymouth Lions varsity facing the Ann Arbor Junior Wolverines. Players in this division are 11 and 12.

All three Plymouth Lions teams finished in second place in their divisional standings. Each division is made up of five teams from Plymouth, Ann Arbor and Dearborn Heights.

November's Events; Outdoors And Exhibits

If you have a red hunting coat, enjoy stiling or would like to see a Mary Pickford film, then you probably will enjoy one of November's 10 special events listed on Automobile Club of Michigan's final special

events feature map for 1971. Of course you'll need a car to travel across the state, and one of the best places to pick the right model is the 1971 Detroit Automobile Show at Cobo Hall, Nov. 20-28.

A three-day auto endurance race is set for Ann Arbor, Nov. 6-7. Nearly 100 cars and rally teams from around the world will compete in this contest of skill, cunning and endurance for autos and drivers.

9 Dogs Finish 2nd Obedience Class Here

Nine Plymouth dogs graduated from the second Plymouth Recreation Department sponsored dog obedience class.

The canines were awarded their novice obedience certificates by the class instructor, George Grant, in graduation ceremonies last week.

Teggr, owned by Judy Clement, and Kees, owned by Art Gross, were judged to first and second respectively in the class.

Others completing the class were: Shotti, owned by Judy Hakala; Gabriel, owned by Greg Andrews; Molly, owned by Kathy Seppanen; Suzie, owned by Ken Gribble; Dusty, owned by Carol Walker; Heidi, owned by Lyle Whipple; and Coco, owned by Susan Dunn.

Storm Damage

A new home under construction at Curtis and Five Mile Rds. in Salem Township for Mr. and Mrs. Robert Miller of Plymouth was severely damaged by high winds early Tuesday morning. The roof of both the house and garage was blown off, Mrs. Miller reported.

GRAYLING'S 10th annual Red Coat Roundup, Nov. 15-16, will award prizes to lucky deer hunters. Including the youngest hunter and the first woman to bag a deer. Fish fries and other events also are on tap.

Mancelona will present prizes to deer hunters as part of the city's Buck Pole Contest, Nov. 15-17. The contest is sponsored appropriately enough, by the Mancelona Liars Club.

The Upper Peninsula City of Calumet will hold its yearly cross country ski races on Nov. 28. A separate contest is scheduled to determine the Cooper Country championship.

DEARBORN'S Henry Ford Museum will host the Mary Pickford Film Festival for five weekends beginning Nov. 5. This will be the midwest premiere of the best of the Pickford films recently released from the star's personal collection.

Four special programs are set for Detroit. They include the Greater Detroit Gem and Mineral Show at the Light Guard Armory, Nov. 5-7; the Goodwill Antique Show, Sentinel Center, Detroit, Nov. 6-9; the Royal Lipizzan Stallion Show at Cobo Arena, Nov. 26-28; the Longhorn World Championship Rodeo at the State Fairgrounds Coliseum, Nov. 11-14.

Letters To The Editor

Liked City's H'ween Plan

EDITOR: Our family lives in Plymouth Township. We enjoyed a wonderful Halloween weekend, thanks to our fine neighbor, the City of Plymouth and their Jaycoes and Jaycettes.

Their new recreation director, Stanley Stenek, and his assistants had the enthusiasm and direction needed. They help our entire school community and make it a home town we are proud of.
THE KINSLER FAMILY

Nice Thought

EDITOR: We would like to thank Mrs. Olson, driver of bus 8A, for saying how nice all of us children in Timberlee Farms behave on her bus.

She is the nicest bus driver in the world and we like her very much.

CITY OF PLYMOUTH COUNTY OF WAYNE, MICHIGAN

OFFICIAL NOTICE OF SALE \$110,000.00

\$147,000.00— 1971 SPECIAL ASSESSMENT STREET IMPROVEMENT BONDS, SERIES II \$163,000.00— 1971 GENERAL OBLIGATION STREET IMPROVEMENT BONDS

Sealed bids for the purchase of the above bonds will be received by the undersigned at his office, 201 South Main Street in the City of Plymouth, Michigan, until 7:30 o'clock p.m., Eastern Standard Time, on Monday, the 15th day of November, 1971, at which time and place said bids will be publicly opened and read.

Said 1971 Special Assessment Street Improvement Bonds, Series II will mature serially, without option of prior redemption, as follows:

\$12,000.00 October 1, 1972;
\$15,000.00 October 1, 1973;
\$20,000.00 October 1, 1974;
\$15,000.00 October 1, 1975;
\$20,000.00 October 1, 1976;
\$15,000.00 October 1, 1977;
\$20,000.00 October 1, 1978;
\$15,000.00 October 1, 1979 and 1980.

Said 1971 General Obligation Street Improvement Bonds will mature serially, without option of prior redemption, as follows:

\$ 3,000.00 October 1, 1972;
\$10,000.00 October 1st of each of the years 1973 and 1974;

\$15,000.00 October 1st of each year from 1975 to 1979, inclusive;
\$20,000.00 October 1st of each of the years 1980, 1981 and 1982.

Interest on said bonds will be payable on October 1, 1972, and semi-annually thereafter on April 1st and October 1st of each year.

Said bonds will be dated October 1, 1971, and will bear interest from their date at a rate or rates not exceeding eight per cent (8%) per annum, expressed in multiples of $\frac{1}{4}$ or $\frac{1}{20}$ of 1%, or both, will be in the denomination of \$5,000.00 each, except for the first two bonds of the special assessment issue and the first three bonds of the general obligation issue, which will be of \$1,000.00 denomination, and will be numbered consecutively from 1 upwards. The interest rate on any one bond shall be at one rate only and all bonds maturing in any one year must carry the same interest rate and each coupon period shall be represented by one interest coupon. None of said bonds shall bear interest at a rate per annum which is less than 50% of the rate borne by any other bonds of this issue. Both principal and interest will be payable at a bank or trust company qualified to act as paying agent under the Statutes of the State of Michigan or of the Federal Government, to be designated by the manager of the original syndicate or account purchasing the bonds and approved by the City Commission. Accrued interest to the date of delivery of such bonds must be paid by the purchaser at the time of delivery.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified herein, the total dollar value of all interest on the bonds from (here insert the first day of the month next following the date of receiving bids or the date of the bonds, whichever is later) to their maturity, and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the city. No proposal for the purchase of less than all of the bonds herein offered, or at a price less than their par value will be considered.

The 1971 Special Assessment Street Improvement Bonds, Series II, are issued in anticipation of the collection of special assessments for street improvements in certain assessment districts in said City. In addition to the foregoing, said bonds pledge the full faith, credit and resources of the City of Plymouth for their payment.

The 1971 General Obligation Improvement Bonds are issued for the purpose of paying part of the City's share of the cost of said improvements, and the full faith and credit of the City are pledged for their payment. The City will be required by law to levy ad valorem taxes without limitation as to rate or amount for their payment.

A certified or cashier's check in the amount of \$6,200.00, drawn upon an incorporated bank or trust company, payable to the order of the Treasurer of the City of Plymouth, must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest will be allowed on the good faith checks, and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys, of Detroit, Michigan, approving the legality of the bonds, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof. The City shall pay the cost of printing the bonds. Bonds will be delivered at Detroit, Michigan. The usual closing papers, including a non-litigation certificate, will be delivered at the time of closing. Said bonds will be delivered within forty-five (45) days from the date of sale and if said bonds are not delivered by twelve o'clock noon, Eastern Standard Time, on the forty-fifth day from the date of sale, the successful bidder may withdraw his proposal by serving notice of cancellation in writing on the undersigned in which event the good faith check shall be promptly returned.

The right is reserved to reject any and all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds."

EUGENE SLIDER, Clerk
City of Plymouth

APPROVED: NOV. 3, 1971
STATE OF MICHIGAN
MUNICIPAL FINANCE COMMISSION
ADDENDUM: The paying agent shall be located in the State of Michigan.

THE NEW KMART and adjacent Wrigley's market at Ann Arbor and Haggerty Rds. opened Thursday morning with a traditional ribbon cutting. Doing the honors was Mrs. Eugene Looser, wife of the Kmart manager (left). Participating, too, were the Looser children and Kresge Vice President W. A. Tennings. In the photo at the

right, Richard DeSmyter of Westland is seen during the five-minute shopping spree he was allowed by Wrigley's for being first in line. DeSmyter had waited from 5:10 p.m. Wednesday until 9 a.m. Thursday for this opportunity and took home \$134.21 worth of free groceries. (Observer photos by Bob Woodring)

Mike Wells' Balloon Found

PLYMOUTH — Mike Wells, 942 Hart- sough, Plymouth, finally got back the balloon he let go in Plymouth on July 3 — from 700 miles away.

The deflated balloon, along with Mike's note, was returned by Mrs. Arthur.

Mauri, wife of Yves, two miles east of Forestville, N.Y., found this while I was taking hay in the hay field," Mrs. Mauri wrote Mike.

Mike released his balloon as part of the July Fourth Carnival.

Garden Club Sets Meeting

PLYMOUTH — The Plymouth branch of the National Farm and Garden Club will meet at 1 p.m. Monday, Nov. 8 in the home of Mrs. Robert Schultz, 653 Leicester.

Mrs. Evelyn Gilbert, Mrs. Myrilla Schrader and Mrs. Dora

Hondorp are in charge of the program.

Tea chairman is Mrs. Bertha Peterson, who will be assisted by Mrs. Ralph Garber, Mrs. Loren Gould, Mrs. Max Nicol, Mrs. Bruno Schroeter, Mrs. Bruce Scott and Mrs. Howard Town.

POSTING AND FILING CITY COMMISSION MINUTES CITY OF PLYMOUTH, MICHIGAN

Notice is hereby given that on the 5th day of November, 1971, true copies of the minutes of a Special meeting of the City Commission, held on Thursday, October 28, 1971, at 7:30 p.m. were posted on the official bulletin boards of the City of Plymouth, located at the southeasterly corner of the intersection of S. Main Street and Penniman Avenue; the southeasterly corner of the intersection of Starkweather Avenue and W. Liberty Street; and the South entrance of the Central Parking Lot facing S. Harvey Street; and also on the bulletin board in the City Hall at 201 S. Main Street. These minutes are posted in accordance with Section 5.11 of the City Charter for the benefit and information of all interested citizens of the City of Plymouth.

EUGENE S. SLIDER, City Clerk

Published: November 6, 1971

TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES REGULAR MEETING OCTOBER 26, 1971

The meeting was called to order at 8:02 P.M. by the Supervisor. All members were present.

READING, CORRECTING AND APPROVAL OF MINUTES - Regular Meeting, October 12, 1971. Mrs. Holmes moved that the minutes of the meeting of October 12, 1971 be approved as submitted. Seconded by Mr. Ash and carried unanimously.

READING, CORRECTING AND APPROVAL OF BILLS - Mr. Overholt moved that the Board approve for payment the list of bills in the Grand Total amount of \$37,840.74. Seconded by Mr. Burke and carried unanimously.

Mr. Breen announced that a group of children were present, and at this time, if there were no objection, they would be given an opportunity to make their presentation to the Board. Several spoke urging passage of a bill that would ban the sale of no-deposit no-return bottles in the Township of Plymouth, stating that bottles are a waste-disposal problem, and the ban is the only successful method of dealing with this problem; and advised that 40 percent of the cost of beverages in bottles was for the bottle itself. Following this, Mr. Breen stated this was an ecological problem but that it was statewide and he believed remedial action should originate in the State Legislature; that the Township would be limited in its ability to pass effective restrictions, and suggested that the group contact the State Legislature as part of their project. Also, he advised that the Board could not take any formal action in the present meeting, as it had nothing before it, but action for the preparation of a resolution could be initiated. Mrs. Richardson suggested that possibly the Board could recommend this action to the Senator and Representative from this area and also urge other communities to join in passing such a resolution. In concluding the subject, Mr. Millington congratulated the group on their fine presentation.

OLD BUSINESS - City of Livonia, Water and Sewer Board - Re: Resolution to refuse permission to Plymouth Township for sewer service for the area on the northwest corner of Eckles and Schoolcraft Roads inasmuch as no development plans are presently available. No's 1 and 2 under Old Business were jointly discussed by the Board and Mr. Hamill, following which Mrs. Richardson moved that the Board accept the resolution presented by the Water and Sewer Board of the City of Livonia. Seconded by Mr. Overholt and carried unanimously.

City of Livonia - Water & Sewer Board, Re: Resolution to provide utility services to a portion of Plymouth Township along the west side of Eckles Road from Five Mile Road to Schoolcraft, subject to certain conditions. Mr. Burke moved that the Board accept the resolution presented by the Water and Sewer Board of the City of Livonia. Seconded by Mr. Overholt. Then in further discussion, Mr. Ash suggested that the motion include additional wording, that being "providing that seemingly ambiguous in paragraphs 3 and 4 could be clearly defined." There being no objection by the mayor or second of the motion, the wording was so included. The motion carried unanimously.

James Bida - Re: Developer Performance Bonds. In his communication Mr. Bida advised that in checking other municipalities, he had found considerable variances in the manner of handling developer and performance bonds, also he advised that he would suggest that the Township adopt a policy wherein said bonds would be released by the Developer one year after completion of the last house in the subdivision. Following a short discussion, Mrs. Richardson moved that the Board accept the recommendation of the C.P.W. Superintendent, which recommendation is to reduce the length of time a bond is held to one year, and refer said recommendation to the Township Attorney for the purpose of incorporating the change into the new bond form which is presently being prepared for presentation to the Board within 60 days. Seconded by Mr. Ash. The following roll call vote was taken: Ayes: Overholt, Burke, Ash, Richardson, Breen, Nays: Holmes, Millington. The motion carried.

James Gagnon - Re: Recommendation on bids for triple combination pumping engine. Following the reading of the bids, Mr. Gagnon's communication, and a short discussion on the addition of radio control to the recommended engine, Mr. Ash moved that the Board accept the recommendation of the Fire Chief and approve purchase from American LaFrance of a 2000 gal. per minute Triple Combination Pumping Engine complete with radio equipment, price of said engine \$67,688.50. Seconded by Mr. Burke and carried unanimously.

James P. Thomas - Re: Water extension for 3275 Beck Road. Mrs. Holmes moved that the Board approve the construction of a 14-inch water main extension for Beck Road, approximately 700 feet, between Ann Arbor Road and Stonerest Drive, in accordance with the recommendation submitted by the engineer; also, that said extension be added to the present contract with the Ace Construction Company. Seconded by Mr. Overholt. In the discussion that followed, Mr. Overholt stated that he seconded this motion because he believed this extension would be part of the future water system necessary in the Township. Mr. Breen suggested that in the interest of obtaining additional revenue, that the Board consider requesting residents to conform to the State Statute and hook into any available water or sewer facilities in their area. The question was called and the motion carried unanimously.

Don Morgan - Re: Reciprocal heating code ordinance. Mr. Millington moved that the Board table this matter until the next meeting, and further that the Building Inspector be asked to submit to the Board his opinion on the subject matter. Seconded by Mr. Ash and carried unanimously.

NEW BUSINESS - Brender-Hamill Re: Division of water mains - City of Plymouth and Plymouth Township. Mr. Brender came before the Board and explained in detail his communication, gave the area locations, and spoke to the Township purchasing the material and performing the labor. Then following discussion by the Board members and Mr. Bida, Mrs. Richardson moved that the Board approve the plan and authorize the engineer to forward the plans to the Detroit Metropolitan Water Service and the Michigan Department of Public Health for approval and issuance of permits; and then proceed according to the engineer's recommendation to hire the necessary equipment and labor on a time basis, also purchase of material by the Township, and authorize the engineering inspection services, as needed, by Brender-Hamill. Seconded by Mr. Burke and carried unanimously.

Planning Commission action on September 15, 1971 - Re: Harold Shirley - Application No. 168 for the rezoning of Lot 49 in Rocher Estates from R-1 to T-O. Mrs. Holmes stated that the Rocher Subdivision is a desirable one and that it should be maintained, and she would move that the Board concur in the recommendation of the Planning Commission and deny the requested rezoning in Application No. 168 of lot 49 of Rocher Estates from R-1 to T-O, for these reasons, and those given by the Planning Commission. Seconded by Mr. Burke. The following roll call vote was taken: Ayes: Holmes, Ash, Overholt, Millington, Burke, Breen. Nays: None. Abstaining: Richardson. The motion carried.

Dover Homes Co. - Re: Acceptance of 6-foot easement for the purpose of establishing a pedestrian walkway on the south 6 feet of Lot 6 of Trailwood Subdivision. Following a short discussion, Mrs. Holmes moved acceptance by the Board of the dedication of the 6-foot easement for the purpose of establishing a pedestrian walkway on the south 6 feet of Lot 6 in Trailwood Subdivision.

Wayne County Road Commission - Re: Contract between Township of Plymouth and Wayne County Road Commission in regard to the 1.5 million dollar bond issue. In response to Mr. Breen's request to explain what was before the Board, Mr. Morgan advised that previously before the Board was the contract, the retention for acceptance of said contract, specifications of the project, the payment schedule, and he then requested the Board members study these documents and either be or the engineer would answer any question. Following discussion of the contract, the feasibility study by the financial consultants, Mr. Ash moved that the Board adopt in total the resolution as proposed. Seconded by Mr. Overholt and carried unanimously. Mr. Ash then moved that the Board authorize the Supervisor and Clerk to enter into a contract with the Wayne County Road Commission for the purpose of obtaining bonds for the extension of sewer facilities in the estimated amount of \$1,500,000.00. Seconded by Mr. Burke and carried unanimously.

Samuel Ash - Re: Report of the Committee for Revision of the Comprehensive Development Plan for the Township. In reference to the report, Mr. Ash stated that it was an interim report, a program report before the final recommendations were developed. He stated that the committee wanted the Board to be cognizant of its work, and he further explained his report by indicating on a drawing the various colored areas and what was proposed with any strip commercial zoning. Then following extensive discussion, Mr. Overholt moved that this subject matter be tabled to the next regular meeting of the Board to give the Board members adequate time to study same. Seconded by Mr. Millington and carried unanimously.

William Newton - Trip Chairman for Plymouth High School Concert held on Oct. 30, 1971. Carolyn Colella, Chairman, UNICEF Collection Drive. Re: Collection drive in Plymouth Township held, Oct. 27 and 28, 1971. Mrs. Richardson moved that the Board approve the collection drive in stating above. Seconded by Mrs. Holmes and carried unanimously.

Dr. Richard Gornick, President of Plymouth Hills Civic Association. Re: Clarification on what is transpiring at the former Mango site. In opening this subject matter, the colleague between the Supervisor and Dr. Gornick resolved itself into the interpretation of what conditions existed in a non-conforming use and who is empowered to authorize same, and more specifically the modifications being made by C.G.T. Inc. at 6700 Ann Arbor Road. Then in further explanation, Mr. Breen stated that he had signed a remodeling permit because the building inspector had acted arbitrarily in refusing to do so and to give his reasons for not doing so. In the discussion, Mr. Alloway advised that he was not aware that a second permit had been issued until a week or so after it had been written. Mr. Alloway asked if the latest plans indicated a structural change and Mr. Gornick answered that in his opinion there is a structural change. Mr. Fritz lined items be considered structural changes and asked how an assessment of the changes could be made without working plans. Dr. Gornick suggested that someone with technical knowledge should look at the building to ascertain if structural changes had been made, and if so, it would mean that the Township ordinance had been violated. Mrs. Holmes moved that the Board request an opinion of the Township Attorney as to whether or not anyone in the Township, the Clerk, the Supervisor, a member of the Board, has the authority to issue a building or remodeling permit. Seconded by Mr. Ash and carried unanimously. Then in response to a question, Mr. Morgan advised the Board that he would attempt to have this opinion within 30 days.

Mr. Bokus, Attorney for C.G.T. Inc., asked to express their opinion on this situation and having received permission, stated that when his client first became involved in this endeavor, they appeared before the Planning Commission seeking to rescuse from a non-conforming use to Commercial, which request was denied, then they appeared before the Township Board, and their request was denied, although historically the property had always had a commercial use. However, he stated, their plans do not include any structural changes, that they do intend to conform to the requirements of the ordinance, but the zoning ordinance does allow alterations necessary to make an establishment safe for patrons to enter, for example, the raising of the floor. He further stated that they regretted the existing bitterness, that they wished to make friends and not antagonize anyone. In response to a request by Mrs. Richardson for building plans to be submitted to the building department, Mr. Bokus stated they would be furnished. Mr. Frazee stated that he had never seen a permit posted at this location, to which Mr. Millington replied that there are permits posted inside the door in the building. Following further discussion, Mr. Millington moved that the petitioner be requested to deliver plans to the building inspector, the building inspector should be empowered to make a decision, and the supervisor be given back to the building inspector. Seconded by Mrs. Holmes and carried unanimously.

Joe Bida - Re: Approval to purchase a hydrant meter and leak detector. Mrs. Richardson advised that Mr. Bida was recommending that the Badger Meter for \$200 be purchased, also a line locator and leak locator at a cost of \$325.00. Mrs. Holmes moved that the Board concur in the recommendation made by Mr. Bida to purchase above mentioned equipment for the Water Department. Seconded by Mr. Burke and carried unanimously.

Helen Richardson - Re: Approval to increase and decrease certain budgetary accounts. Mr. Overholt moved that the Board concur in the request of the Clerk and approve the transfer of funds in the budgetary accounts listed. Seconded by Mr. Ash and carried unanimously.

Bill McAllister - Re: Purchase of 90' of land adjoining his property at 14720 Northville Rd. In his communication, Mr. McAllister advised the Board that he needed the additional footage for the 6-circuit indoor tennis facility he proposed to build. This following a short discussion, Mr. Ash moved that the Board authorize the Supervisor to obtain a price or appraisals of the property mentioned above. Seconded by Mr. Millington and carried unanimously.

Joseph Collette, Richard Hamill and Arthur DuRoi - Re: Requesting a change and/or amendment to the fence code. The residents above named came before the Board, Mr. Hamill spoke first. He stated that he believed when a building permit is issued the person should receive information about fence regulations. Also, he stated that he believed people buying corner lots are discriminated against, inasmuch as they pay more for the lot, pay higher taxes, but are not allowed to use proportionately as much of their land. He brought up several other points, and then the other residents spoke on their problems.

It was agreed that nothing much could be done about existing fences on corner lots, until a permit schedule was adopted, but approval to the above Township residents to keep their existing fences was given by the Board.

Following lengthy discussion, Mr. Overholt moved that the consideration of the requirement of a building permit for those people who want to alter or change an existing fence would be required to conform to the ordinance at that time. Seconded by Mrs. Holmes and carried unanimously.

Mr. Breen asked if nothing was to be done between now and January 11, 1972 in regard to fences. Mrs. Holmes replied that each case would be judged on its own merits.

Mr. Morgan was asked to have his recommendation on fence permits to the Board within 30 days.

Charles Childs, Secretary of Plymouth Township Planning Commission - Re: Requesting Board of Trustees to make an appointment to the Planning Commission to replace Harper Stephens. Mrs. Holmes moved that the Board remove Mr. Harper Stephens from his duties on the Planning Commission, inasmuch as Mr. Stephens has missed the last four meetings of the Commission. Seconded by Mr. Burke and carried unanimously.

Mr. Morgan suggested that a communication be sent to Mr. Stephens via certified mail advising him that he has 15 days to notify the Board that he wants a hearing, and at such hearing he may appear with his attorney. There being no objection, it was so ordered that the Clerk would send such letter.

RESOLUTIONS

Elizabeth Holmes - Re: Use of surplus W-200 Water Bond Issue Funds for Ann Arbor Road and McClung's extension.

Mr. Ash moved that the Board adopt the following revised resolution:

RESOLVED: that whereas the Township of Plymouth Board of Trustees on October 12, 1971 did award a contract to Ace Construction Co. for a water project on Beck Road from Powell Road to Ann Arbor Trail and Ann Arbor Trail westerly to Ann Arbor Road then along Ann Arbor Road to the N. & S. 1/4 line of Sec. 32, and an extension of a 16" main on the East Side of Beck Road, approximately 630 feet North of Powell Road from Ann Arbor Road to Ann Arbor Trail, at an estimated cost including engineering and contingencies of \$12,000, and

WHEREAS: on October 12, 1971 a contract for construction of water mains on McClung's Road was awarded to the Action Contracting Co. at an estimated cost including engineering and contingencies of \$60,000 and

WHEREAS: the W-200 Water Bond Issue Series III has sufficient funds to permit these projects to be built.

NOW THEREFORE BE IT RESOLVED: that the Plymouth Township Board of Trustees do hereby request the Wayne County Road Commission to permit the use of said surplus funds in the combined estimated total amount of \$167,100 to be used in the construction of the above described projects.

Seconded by Mrs. Richardson and carried unanimously.

Elizabeth Holmes - Re: Method of financing 2000 feet of 34" sanitary sewer on Joy Road. Mrs. Holmes moved that the 2000 feet of 34" sanitary sewer to be built on Joy Road be financed thru acceptance of Mr. Childs's offer to pay his sewer connection charges of approximately 18,000 dollars, plus such sewer revenue funds as are available and the balance to be taken from the sewer debt reserve fund for a total of \$94,100.21.

Seconded by Mr. Overholt and carried unanimously.

Brender-Hamill and Associates - Re: Bill of \$2,414.75 for proposed extension of water mains in North Territorial from Beck Road to Ridge Road. Mr. Ash moved that the amount for preparing plans by Brender-Hamill for water mains on North Territorial from Beck Road to Ridge Road in the amount of \$2,414.75 be paid from the water operating account. Seconded by Mr. Burke and carried unanimously.

Furling/Bugger and Associates, Inc. - Re: Expert Witness Fees. Mr. Overholt moved that the Board instruct the attorney to continue his plan for hiring expert witnesses at the rate quoted in their letter to Donald Morgan, dated October 10, 1971. Seconded by Mr. Burke and carried unanimously.

Mr. Overholt moved to adjourn the meeting. Supported by Mr. Millington.

Supervisor Breen adjourned the meeting at 12:35 a.m. October 27, 1971.

Approved: MAURICE BREEN, Supervisor

Respectfully submitted: HELEN RICHARDSON, Clerk

The Stroller... The Kitchen Is Too Hot

By W. W. EDGAR

Life can be filled with strange twists.

If you don't think so, just consider events of the past week when two of the area's major sports coaches - Doug Barkley, of the Red Wings, and Bill van Breda Kolff, of the Pistons - resigned because they no longer could stand the pressure of the fans' criticism, while in other sectors, newly elected city officials were celebrating the fact they had won council seats where they will be sitting ducks for the taxpayers' shots.

As he read of this strange twist, The Stroller couldn't help recalling the first public statement made by the late Bo McAllister when he took over as coach of the Detroit Lions in 1968.

Appearing at a meeting of the Monday Morning Quarterbacks, then a going organization during the football season, Bo, in the soft Kentucky drawl that made him an interesting speaker, stood up and said:

"I might be doing some strange things with this team - but if you come shouting with criticism, you better have ticket stubs in your hand."

Bo was of the old school that was raised on the fact that the spectators had a right to holler and the roar of the crowds was music to his ears.

BUT NOW comes a new crop - curling up under the fans' criticism and resigning their high salaried positions because they can't stand it.

Wonder how they'd feel if they sat on the city commissions in the various communities where the officials are harassed and often maligned while carrying out the duties of positions for which there is little or no monetary reward.

The Stroller got to thinking about this while sitting in the council chambers in Garden City last Monday night. An argumentative taxpayer leaped to his feet, shook his fist, and threatened to file suit because Mayor James Lowe wouldn't recognize him to register a complaint.

Prior to that, several others harangued and harassed the council members with all sorts of complaints and left with bitter feelings when their demands were not met.

The Stroller recalled, too, that only a few short weeks ago, several members of the Plymouth City Commission felt the taxpayers' barbs over the street paving assessments - especially where the paving was done along a member's property.

The same was true recently in Livonia when the citizens stormed city hall to protest the plan to permit a high rise

office building in the so-called downtown section of Five Mile and Farmington Roads.

YET, WEEK after week, these men and women carry on, doing what they think is in the best interests of the community they serve, with little hope of reward financial or otherwise.

As a matter of fact, these governing bodies on the grass roots level solicit criticism by providing time on the official agendas for comments from the audience.

"Might as well give them a chance to blow off steam," one of the mayors remarked. "before we get on with the regular business. Then we can conduct business without interruptions."

As he spoke, the mayor recalled the oft-repeated statement made by former President Harry Truman, when he occupied the White House: "If you can't stand the heat, get out of the kitchen." That's what both Barkley and van Breda Kolff did. They got out of the kitchen.

No doubt they would have departed a lot sooner had they sat on any of our suburban governing bodies.

New Library Books

Dunning-Hough library has a catalog of large print books which may be used by patrons. The catalog includes both fiction and non-fiction and adult and juvenile titles.

For students seeking a quiet place to study, the library has a study room set aside upstairs.

"Bear Island," by Alister MacLean. A well-known movie star and her entourage are among the passengers on a converted trawler cruising in the North Atlantic. A mysterious outbreak of food poisoning forces the ship to anchor near a small island off the coast of Norway.

"Don't Look Now," by Daphne duMaurier. This a collection of five new tales. They represent Daphne duMaurier at her very best - full of intricately woven drama and shattering surprise endings.

"The Story Bible," by Pearl Buck. The complete old and new testaments retold in seventy-two "story-sections." "The Story Bible" is the product of many years of work by one of America's master storytellers. It is presented in the language of today.

"The Concor Passes," by Shirley Grau. Here the reader follows the dramatic rise of a 90-year-old multi-millionaire.

"Many Broken Hammers," by Kelly Covin. The sheriff of Madera Verde County finds himself torn between his responsibility to his office and his tie with the oppressed Mexican-Americans who are his people.

"Maurice," by E.M. Forster. Here the author depicts the steps by which a college student discovers that he is, by nature, sexually attracted to men and not women.

Serving As We Would Wish to be Served

I Care Fair Is A Giveaway

The "I Care Fair" scheduled by the women of Timothy Lutheran Church of Livonia on Sunday, Nov. 21, will be a most unusual church bazaar.

On hand will be table upon table of handmade church bazaar items - little girls' dresses, stuffed animals, books and toys.

But nothing will be for sale. The women are going to give everything away.

IN THE AMERICAN Lutheran Church, it was explained by Mrs. Pat Hausmann, president of the Timothy American Lutheran Church Women, fund-raising enterprises are just not part of the program.

"We don't do any moneymaking," she said. "We feel the Lord will provide for our work, and He does." This year, Mrs. Hausmann said, the theme of study for the ALCW was caring. The

Timothy women gave serious thought to the question "Do you really care about other people?" and came up with the I Care Fair as their answer.

THEY DECIDED to make all kinds of useful items for such institutions as the Plymouth State Home and Training School, Eloise, and three nursing homes - Nightingale, Camelot and Luther Haven, as well as for

private individuals whose needs are known by the Timothy pastor, the Rev. George Fleischer.

"We've been in touch with these institutions because we know just what's needed," Mrs. Hausmann said.

Since early this year the women have been working on items for the fair, under the direction of chairman Judy Hendrickson of Garden City.

Workshop meetings have been held each Wednesday at the church. Those who couldn't come then have taken home sewing to do. A table in the church vestibule has held samples of the dresses, sweaters, toys and other items.

The women also are putting together a "care package" with useful items for elderly men who are patients at Eloise and Eloise and are being sent home patients.

AND WHEN they are finished, they'll show their handwork to members of several other American Lutheran Churches who have been invited to come for the fair from 2 to 5 p.m. Sunday, Nov. 21.

"We'll have refreshments and fellowship and a chance to look over all the things that have been made before we send them to homes where they are so much needed," Mrs. Hausmann said.

The need is well known to the women of Timothy

because they have made regular visits to a ward of women at Eloise - they also supplied the ward with a "care" and dryer and have worked with children in the Plymouth home.

"In our affluent society, it's hard to think of people being so much in need," Mrs. Hausmann said. "These are the ones we want to help."

THE I CARE FAIR has been such a successful project, she added, that "if we had another year to work on it we'd like that."

In fact, the women are seriously considering having a repeat fair in 1972 - if they can just find enough old nylon stockings to stuff a few dozen more animals.

WOMEN OF TIMOTHY LUTHERAN CHURCH show they care with a fair in which everything will be given away. In the photo at the left are Marilyn Quandahl (left) of Westland, Marian Mann of Livonia and Jess Davies of Westland working on some of the handmade items to go to institutions and individuals in need. Above photo: Pat Hausmann (left) of Westland, and Judy Hendrickson of Garden City look over some of the completed gifts. (Observer photos by Bob Woodring)

'Future Shock' Is Theme Of Series

"The Home Faces the Future Shock Age" is the theme for a series of gospel messages which will be presented Nov. 7 to 10 in the Church of Christ, 9301 Sheldon, Plymouth.

The lessons will be presented by Dr. Donald E. Gardner at 10:30 a.m. and 8:30 p.m. Sunday, and at 7:30 p.m. Monday through Wednesday. The Michigan Christian College A Cappella chorus will present a program Sunday, Nov. 7, at 2:30 p.m.

The guest speaker was named president of Michigan Christian College, Rochester, in September. He came to MCC after seven years with Pepperdine University in Los Angeles where he served as vice president of special services. Before that he was the first president of Ohio Valley College, Parkersburg, W. Va.

Dr. Gardner and his wife spent four years as

DR. DONALD E. GARDNER

missionaries in South Africa. He received his BA from Abilene Christian, his MA from Hardin - Simmons University and his doctorate from UCLA. He has served as an elder in the Church of Christ and frequently writes for religious publications.

'Morality' Is Topic

The Institute for Continuing Education of the Archdiocese of Detroit will hold a six-week series of adult discussions on Christian morality, beginning Tuesday, Nov. 9, in St. Kevin School, 30075 Parkwood, Inkster.

Sessions will be held from 8 to 9:30 p.m.

Moderator will be the Rev. Sidney Eckert.

Participants will read the articles pertaining to morality

appearing weekly in a special section of the diocesan newspaper, "The Michigan Catholic." The series is a part of a national educational program called "Know Your Faith," endorsed by the U.S. Catholic Conference of Bishops.

Interested adults can register the first two weeks of classes by contacting the Institute for Continuing Education, 305 Michigan Avenue, Detroit, 48226.

Temple Group Plans Lecture

Dr. Emanuel Tanay will speak on "A Woman for all Seasons - Middle Age Sexuality" at the first lecture in the Town Hall series of Birmingham Temple Women's Group.

The lecture will be given at 1:30 p.m., Wednesday, Nov. 17, in the temple, 28611 W. 12 Mile, Farmington.

Roz Fierberg is chairman for the series.

Fish Calls Come Pouring In

By CORINNE ABATT

Members who organized the Southfield-Farmington branch of Fish, last month were not sure how much need there would be for their services.

Now they know. Since Oct. 1, calls have been coming in to 353-5470 at the rate of eight to 10 a day. The simple outline of a fish, used as an identity symbol by the early Christians, serves today as the name and theme of the international organization dedicated to helping others.

Some 20 to 22 churches and 140 volunteers are involved in the Southfield-Farmington group. Mrs. Lindsay Chalmers and Mrs. Fay G. Knapp are coordinating the local effort which operates under a 12-member steering committee.

MRS. KNAPP says, "The

group is functioning much better than I could have expected."

The calls are taken by the permanent 24-hour answering service and immediately referred to a Fish volunteer who verifies the call, establishes the need and gets assistance moving.

So far, calls have come from lonely people who need companionship, invalids in apartments and trailer parks who need help with laundry or shopping, mothers or fathers who have to have a baby sitter, and some searching for household help and willing to pay for it.

HOWEVER, so far, the largest single request has been for transportation on both an emergency and regular basis - transportation for therapy treatments, to the grocery store, hospital or dentist. Very often if a mother

calls in needing a ride to take a child to the doctor, she will also request a baby sitter for the other children in the home. Fish is prepared to find transportation within 10 minutes of a request or on a regular basis.

The Fish volunteer who verifies the call from the answering service is expected to go one step beyond the initial request; he should discover if more in-depth help is called for.

Mrs. Knapp says, "Our girls have been just great as far as doing that extra bit - finding the need behind the initial request."

Fish is prepared to handle drug calls although none have come in so far, and they are steadily building a resource file which includes existing social agencies as well as

professional people such as doctors, and lawyers.

Being a Fish volunteer requires a selfless desire to help others, and a willingness to do the unusual as well as the expected. Volunteers are not adverse to helping with household tasks like laundry or scrubbing and most take a turn about once a month at being the liaison for the answering service for 24 hours.

Right now the local group is busy setting up a food and clothing outlet.

Success to Fish members is not measured by public recognition, but rather by the number of calls which come to them - the more they get, the more they know that their services are needed and vital to the welfare of the community.

Area Deaths

MARTHA BENTON - Services for Mrs. Benton, 91, of Parsippany, Ark. were conducted by J. Paul Brown in the Church of Christ, Plymouth. Burial was in Oakland Hills Cemetery, Novi. She had lived in Plymouth until three years ago.

ELEANOR M. BALLUFF - Services for Mrs. Balluff, 61, of 20876 Bedford Dr., Farmington, were conducted by Mag. Thomas P. Beehan, Fr. Norbert Clements and Fr. Ned Donohue in Our Lady of Sorrows Catholic Church with arrangements made by the Thayer Funeral Home. Burial was in Holy Sepulchre Cemetery.

LUCILLE E. MILLER - A former Plymouth resident, Mrs. Miller died Oct. 31 in Largo, Fla. Funeral services were arranged for Nov. 4 in the Seminole Beach Funeral Home, St. Petersburg, Fla. She is survived by her husband, Fred; daughter, Mrs. Norman Reichwald of Plainfield, Ind. and Mrs. Harold Evans of Livonia; and six grandchildren.

MILDRED M. TAYLOR - Services for Mrs. Taylor, 90, of Plymouth, were conducted in South Bend, Ind. She died Oct. 16 in the Wayne Nursing Home. She is survived by a granddaughter, Mrs. Jacqueline Roder.

JAMES L. SCHRAMKE - Services for Mr. Schramke, 46, of 11015 Hubbard, Livonia, were held in St. Michael Catholic Church with Fr. Portanova officiating. He died suddenly Oct. 16. Mr. Schramke came to the area six years ago from Pine and was a terminal manager for the Admiral Merchants Freight Co. He was a veteran of WWII in the Marine Corps. Survivors include his wife, Dorothy; his mother, Mrs. Katherine Fletcher; sons, James and Joseph; daughters, Susan and Elizabeth; and brothers, Francis, Louis and Robert.

MRS. WINNIE NICHOLLS - Funeral Services for Mrs. Nicholls, 71, of 23210 Power Rd., Farmington, were conducted by the Rev. Hugh C. White of the First Methodist Church of Farmington in the Healey-Sprague Funeral Home. Burial was in Roseland Park Cemetery, Berkley.

LUCIAN M. PAGE - Funeral services for Mr. Page, 48, of 24108 Hastings Row, Farmington, were conducted by Frederick Fletcher in the Thayer Funeral Home, Farmington. Cremation was in the Evergreen cemetery. He died Oct. 20 at home. He came to the area five years ago and was a self-employed machine repairman. He was a member of the Mother Church Christ Scientist in Boston. Survivors include his wife, Liddy; daughter, Suzanne Page of Farmington; son, Billie Page of Hazel Park; seven sisters and two brothers.

Dr. Kinchloe To Be Speaker

Dr. Robert Kinchloe, executive director of the Metropolitan Council of Churches will speak at the First Sunday morning following the regular church services in First United Methodist Church, 6443 Merriam, on Sunday morning, Nov. 7.

Dr. Kinchloe will show slides and discuss the work of the council.

A potluck dinner will follow.

Call Volunteers To Fish Network

The second informational meeting for potential volunteers to the organization Fish, will take place on Tuesday, Nov. 9, in the Northbrook Presbyterian Church on 14 Mile and Lahser Roads. The meeting will begin at 8 p.m.

Northbrook Church is one of 15 churches within the boundaries of Eight to 14 Mile Roads and from Greenfield to Haggerty Roads who are represented in the Southfield-Farmington chapter of the world-wide organization.

Fish takes its name from the ancient Christian symbol, but volunteers need not be a member of a Christian Church, or any church. Volunteers will become part of a network that can be called upon to give help on a people-to-people basis.

Catholic Schools Freeze Enrollment

Cardinal John F. Dearden has asked Catholic schools in the Archdiocese of Detroit to freeze their enrollments.

This follows an increase in the number of inquiries about enrollment in Catholic schools since Judge Stephen Roth ordered plans to be submitted to him for the integration of metropolitan area schools through bussing.

IN A MEMORANDUM presented to all pastors and school principals, the Rev. Thomas J. McAnoy, director of the Department of Christian Education, stated, "The cardinal has asked that all schools freeze their enrollments insofar as accepting any students from outside the parish."

"Even in the case of application to the school from

people in the parish, careful examination should be made of some parents' sudden decision to enroll their child in a Catholic school."

The memo further stated that for a Catholic school to become a refuge for parents who "wish to avoid the social implication of the Gospel message would be a contradiction of the school's right to exist and to teach."

AT THE SAME time, the memo suggested that this would be a good time for each school to examine its responsibilities towards teaching poor and disadvantaged children.

The memorandum stated that requests for information about enrollments have increased since the bussing controversy arose.

The program will be sponsored by the Altar Rosary Society. There is no admission charge.

Photographer To Give Talk

Tony Spina, chief photographer for the Detroit Free Press, will talk and show some of his work at 9 p.m. Tuesday, Nov. 9, in St. Genevieve Catholic Church,

2833 Jamison, Livonia.

MONEY MADE FROM the sale of Thailand jewelry will be used for the work of a mission of Maesiang, Thailand. The Rev. Norman Roadarmel and family are shown at the mission. The jewelry will go on sale Wednesday, Nov. 10 at a bazaar sponsored by First United Presbyterian Church of Plymouth, 701 Church Street.

Thai Jewelry Featured At Bazaar In Plymouth

Jewelry from Thailand will be the special feature of the bazaar of the First United Presbyterian Church of Plymouth.

The event will be held in the church, 701 Church Street, Wednesday, Nov. 10, beginning at 10 a.m. and ending at 5 p.m.

The jewelry booth will also have crocheted and handmade items. There will be a Christmas and candle shop for

the sale of tree ornaments, angels and Madonnas made from sheeting, topiary trees and many other decorations. Other booths will have baked goods, including homemade bread, canned goods, aprons and handicrafts.

There will also be a sale of items made by girls under the supervision of Sister Hilda from the Church of the Messiah in Detroit.

Luncheon will be served from 11 a.m. to 1 p.m.

Mrs. Joy Gabel is chairman of the bazaar. Booth chairmen include Mrs. Helen Shontz, Mrs. Betty Hees, Mrs. Myra Wells, Mrs. Pat Bartell, Mrs. Ruth Hines and Mrs. Gladys Stokes.

Holy Trinity To Begin Campaign

Holy Trinity Lutheran Church is undertaking a building campaign which will more than double its present physical facilities at 39020 Five Mile, Livonia.

The building committee, headed by William Ehrlich, has already done preliminary work which will help raise \$156,000 in pledges towards the \$300,000 structure.

Holy Trinity began as a mission church of the Lutheran Church-Missouri Synod in November 1961. At first, the services were held in Lincoln Elementary School. The present structure was built in 1963.

Membership has increased rapidly in recent years and it now numbers 550 communicant members.

The church is staffed by the Rev. Fred Balke, who was installed three years ago, and Deaconess Dianna Werlinger, who was installed two months ago.

Isabella Groups Set Training

About 600 new officers of Daughters of Isabella circles in the Archdiocese of Detroit will attend a one-day training class beginning at 10 a.m. Saturday, Nov. 13, in Our Lady of Lourdes Catholic Church, River Rouge.

The Detroit School of Instruction is sponsored by the Daughters of Isabella State Circle, and workshops will be conducted by Mrs. Jerome J. Kozlowski, state regent.

Class sessions are planned both morning and afternoon, and luncheon will be served at 1 p.m. Installation of officers and Saturday night mass at 5:30 p.m. will complete the day.

Reservations should be made with Peg Zitznik, 173 Richter, River Rouge.

Men's Club Plans Forum

The Men's Club of Congregation Beth Abraham-Hillel will present the first program in its 10th anniversary Breakfast Forum Series on Sunday, Nov. 7, at 10 a.m., in the new synagogue, 5075 W. Maple, W. Bloomfield.

The speaker will be Robert Leonard, prosecuting attorney of Genesee County, and his topic will be "A Non-Jew Looks at Soviet Jewry."

The series will continue on the first Sunday of December, February and March and on Jan. 9. Among the scheduled speakers is Dr. Adrian Kantrowitz of Detroit's Sinai Hospital. Tickets are available at the synagogue office.

Religion Update

"Let any church send us 30 laymen for a weekend and we will send back 20 awakened revolutionaries," says the Rev. Joseph Matthews, leader of Chicago's increasingly famed Ecumenical Institute.

"I am a revolutionary," explains Matthews, a former Texas theological seminary professor and brother of Methodist Bishop James Matthews of Boston, one of the leaders of the current drive to merge 12 major denominations (COCU).

"The Communist Party would give its right arm for access to a cigar box with a steeple on it at every crossroad and village where people meet once a week. A guy who overlooks that setup as an operation doesn't know what it means to be a real revolutionary... These are the social dynamics of Stalin, and it seems to me that they are just tremendous."

THE CHARISMATIC Rev. Matthews, an elderly man with a pencil mustache and long white hair, has by no means overlooked the church "setup." His institute, established by the World Council of Churches in 1954, now has an annual budget of \$1.5 million; a headquarters staff of 240 adults who live under vows of poverty and obedience; organized groups of clergy and laity ("cadres") in all 50 states, all provinces of Canada and 22 other countries; the endorsement and sponsorship of the Greater Chicago Church Federation;

and some 16,000 people per annum who undergo the institute's training programs.

Not all who have undergone the institute's programs have been enthusiastic or felt revitalized. The Rev. Graham Hutchins, Methodist pastor and college professor in Wenatchee, Wash., has written of his experience at the institute as follows:

"An ecclesiastical totalitarianism which, under the guise of promoting ecumenicity and renewal, fosters revolution... Discussions at the institute are so manipulated and theological differences so exploited, that all belief is reduced to an illusion and subordinated to the task of revolution."

"One device they use is foul language - which, after a while, strips away all pious inhibition and deceives one into thinking he has really discovered the truth about himself and the relativism of any moral absolute."

"Both the divinity of Christ and his humanity are stripped away and reduced to what they call 'The Christ-Event.' There is also the emphasis that this life is all that matters. They misinterpret Dietrich Bonhoeffer's 'religionless Christianity' and come up with a Christianity-less religion. This is not 'renewed' Christianity; but a new left moral rearmament which is as ridiculous as the old right version. There results a fanatic ecclesiastical Bolshevism that is even more

dangerous than the real thing because it comes under the guise of Church renewal and ecumenicity."

"They maintain that the Church is in danger of dying a slow death from self-strangulation so therefore it must 'throw itself into history' - by means of ruthless power politics... One of the tactics used is the infiltration of present church structures... Churchmen in this country are used to fighting right wing political extremism. What we have not been on our guard for is the introduction of a left wing political type revolution... Just because there are reactionaries in our country who would pay their respects to a Hitler, is no reason for the Church to adopt the policies of a Stalin in opposition."

AT THE INSTITUTE'S ancient headquarters in one of this city's black ghettos, the communal livers who serve as staff were working diligently and singing modern church hymns (rather feverishly) as this writer interviewed an assistant to Rev. Matthews, a handsome and congenially articulate young man named Philip Townley.

Townley appeared almost totally unfazed by Rev. Hutchins' strong critique, dismissing it rather blithely as "a gross misunderstanding." But later in the interview he chanced to remark: "Why be concerned about heaven? Everybody's got his religion. Marxism is a religion... We are giving our lives to the Church."

Missionary To Africa To Speak

The Rev. Paul Wilson, missionary of the Wesleyan Church to South Africa, will speak at 11 a.m., Sunday, Nov. 7, in Livonia Wesleyan Church, 14500 Merriman.

Rev. Wilson will tell about the mission field in which he serves and show slides. He will also have a display of curios.

Rev. Wilson is on furlough. He was born of missionary parents in South Africa, where he is now serving among the white people who speak both English and Afrikaans. He first pastored a church in a suburb of Johannesburg and later he was at Vryheid in Natal.

The Wesleyan Church has missionary work in 30 foreign countries. Some 240 missionaries and 1,332 national pastors and evangelists serve the church in these countries.

CARE Donations Suggested As Gifts

Christmas shoppers are being urged to consider a gift to CARE in the names of those friends who are hard-to-please or already have everything.

Under the program, donors send a check to CARE to deliver food to a needy family overseas, or a check to MEDICO, a service of CARE, to bring the benefits of modern medical aid to many around the world who have never had it before.

The donor will then receive attractive CARE or MEDICO cards explaining what has been done. The donor signs them and forwards them to his friends.

Holiday gift list forms are available at CARE, Inc., Guardian Building, 500 Griswold, Detroit, 48226. High on the list of persons CARE hopes to help this year are the more than 8 million Pakistanis in India.

CARE is also seeking regular donations for its work in this area. They should be mailed to Emergency Relief Fund-West Bengal, CARE, 500 Griswold, 2406 Guardian Building, Detroit, 48226. Contributions are tax-deductible.

CARE's resident staff in India, which has been operating since 1950, began to provide food aid as soon as the influx of refugees started in early April. As the crisis mounted, help was steadily increased, especially in the state of West Bengal where the majority of East Pakistan refugees are concentrated.

The CARE staff reports that the time from now to mid-December is critical. Adequate supplies must be on the camps before the onslaught of cold weather brings even greater health hazards to the refugees.

Kenwood Church Offers 4 Classes

Four 10-week courses are being offered for adults at Kenwood Church of Christ, 20200 Merriman, Livonia.

The courses are being given during Family Night every Wednesday, from 7:30 to 8:30 p.m., in the church.

Robert Hargrave is leading a "Study of First Corinthians." Hargrave is professor of New Testament at Great Lakes Bible College in Lansing.

A course entitled "Fascinating Womanhood" is being given by Mrs. Amy Baker.

"Sneak Preview," conducted by Robert Tipton, is for teachers who want to discuss the Bible school lesson for the upcoming Sunday, and ex-

Child care is being provided for preschoolers, by Diane Baker and Marlene Kelbert, change ideas with other Sunday school teachers.

"I'd Like to Know" is for non-members, new members and others who want to know more about the church, the Bible and the Christian life. It is being led by Lee Baltzer, pastor of the church.

The youth program features a youth choir for grades seven to 12 and a primary-junior rally for grades one to six. Mrs. Lois Baltzer is director of the choir. Mrs. Frances Kelbert and Mrs. Penny Fendren teach music to rally students and Mr. and Mrs. Don Atkinson and Mr. and Mrs. Lee Kelbert are activity leaders.

Card Party

"Holiday Happenings," a card party sponsored by St. Thomas Aquinas Women's Guild, will take place Tuesday, Nov. 9, at 8:15 p.m., in the church hall, Evergreen near Ford Road, Detroit.

New Diabetes Series Will Begin Nov. 8

A new series of classes for diabetics and their families will begin Monday, Nov. 8, in the Wayne County Health Center, Merriman Road, Elgin.

The series consists of two-hour classes beginning at 7 p.m. on five consecutive Monday evenings. Interested persons may register by telephoning the department.

A professional staff, directed by the family health services section, will explain diabetes mellitus, its control and treatment and the relationship of diet to its control.

MRS. FREDERICK V. LINDSEY JR.
(Margaret Sue Dawdy)

Mass In Fenton Unites Lindseys

Martha Sue Dawdy, daughter of Mr. and Mrs. Robert Dawdy of Livonia, became the bride of Frederick V. Lindsey Jr. in a nuptial mass Sept. 11 in St. John Catholic Church of Fenton.

The bridegroom's parents are Mr. and Mrs. Fredrick V. Lindsey Sr. of Hartland. The bride, given in marriage by her father, wore a white silk organza with chantilly lace fashioning the empire bodice and long sleeves and edging the cathedral train.

A bandeau of matching lace petals secured her elbow-length illusion veil, and she carried red roses in a cascade arrangement.

SYLVIA ELAINE SWINDELL, maid of honor, wore a lace-trimmed kelly green crepe gown with scooped neckline and full sleeves.

Similarly dressed in mint green were bridesmaids Lynn

Swindell, Mary Evans and Marlene Dawdy, sisters of the bride and Kathleen Garwood, sister of the bridegroom. Flower girl Terri Yeomans, niece of the bridegroom, also wore mint green. All the attendants carried chrysanthemums in fall shades.

William Poulicakos was best man, and the groomsmen were Robert Yeomans, Robert Fowler, Kenneth Fleischauer, James Moore and Steven Marlow. Mark Lindsey was ring-bearer.

Mrs. Dawdy wore aqua crepe and Mrs. Lindsey was in light blue for the wedding and reception for 350 guests in the UAW Hall in Livonia.

The newlyweds went to California for two weeks.

The new Mrs. Lindsey attended Stevenson High School. Her husband attended Hartland High and is foreman in the Ford Motor Co. Wixom plant.

'Elegance On A Budget' Aims Community Center

"Elegance on a Budget" is the title of a fashion show scheduled for two performances this month to benefit the Farmington Community Center.

Mrs. Irene MacKinnon, Farmington sewing teacher well-known for her own sense of elegance, will direct and give commentary on the show, and her students will model 35 assorted costumes they have made.

The first show will follow a luncheon in the Community Center at 1 p.m. Friday, Nov. 12, and the second, in the Harrison High School auditorium, will be at 8 p.m. Thursday, Nov. 18.

Tickets to the luncheon are \$3.50 and should be purchased at the community center by Wednesday, Nov. 10. Evening show tickets are \$2 and are available at the Center or at the door. The high school is located on 12 Mile between Orchard Lake Road and Middle Belt.

"ANY WOMAN who sews will want to come," said Mrs. MacKinnon, describing the styles that will range from day and evening clothes to a peignoir set.

Adult and teen students will model their own creations that have been made under her supervision.

In her commentary, Mrs. MacKinnon will explain how patterns are made up and how they can be changed to suit individual tastes.

"There will be all kinds of ideas," she added. "Each model will have a number, and each guest will be given a numbered list of the models with the pattern make an number, material amounts and approximate cost."

"We will show pantsuits for daytime, evening skirts that are made without a pattern, dresses, a suede coat, fur-trimmed and cloth coats, and originally designed fur hats and bags."

"We'll have an original bridal gown, two different bridesmaid's dresses, a flower girl and a mother-of-the-bride's dress; a prom dress, a peignoir set, and—maybe even

IRENE MacKINNON sews a pink negligee in preparation for the "Elegance on a Budget" benefit style show for the Farmington Community Center. (Evert photo)

a man's suit! That is, if the woman making it gets it done in time. She's doing such a beautiful job, I don't want to rush her."

Prizes to be given out at each event will be handmade scarves, slips, and men's ties.

IRENE MacKINNON has been teaching sewing for 20 years. Currently she has eight classes at the Farmington Community Center and three at the Livonia Family Y. Her students range from beginning to advanced and from teen to adult.

Educated at Marygrove College, Mrs. MacKinnon has had a varied and exciting career. First she was a professional model; later she produced fashion shows, hiring models and providing commentary. Her background in fashion design led her into designing custom clothes and accessories, and she formed her own business in custom design. Her clientele included some well-known public figures.

"I still produce fashion shows for conventions during the summer," she says, "but the rest of the year I'm hap-

piest teaching. I have a wonderful family, and I want to be with them."

During the summer her husband Donald, General Manager of Ford Motor Co. Credit Union, can go to conventions with her. The MacKinnons have five children, two of whom still live at home.

MRS. MacKINNON has produced fashion shows at conventions in such places as Detroit's Cobo Hall, Windsor's Elmiwood Hotel, Houston's Astro-World Hotel, Miami's Americana Hotel, and Boyne Mountain Lodge. "I take care of the women while the men are busy," she says. "I show them how to save money while their husbands are busy spending it."

She finds the greatest satisfaction, though, helping her students create fashionable and professional-looking garments.

VICTORIA PAPKE

Mr. and Mrs. Francis A. Papke of Farmington announce the engagement of their daughter, Victoria A., to Reinhold H. Sharpe, son of Mr. and Mrs. James H. Sharpe, also of Farmington. A solemn engagement mass was held Aug. 29 in Our Lady of Sorrows Catholic Church. The wedding date will be June 23.

DEBORAH PRICE

Mr. and Mrs. Jack A. Price of Dunn Court, Plymouth, announce the engagement of their daughter, Deborah Lynn, to Allan Hilton Meyer, son of Mr. and Mrs. Alvin Meyer of Detroit. The bride-elect is a 1969 graduate of Plymouth High School and employed by Omri-Spectra in Farmington. Her fiancé, a 1969 graduate of Redford High School, is a Detroit Edison Co. employee. A January wedding is planned.

GC BPW Sets Card Party

The Garden City Business and Professional Women's Club will present its annual card party and smorgasbord in the Marquette School, 2250 Marquette, from 7 to 11 p.m. Saturday, Nov. 6. Proceeds from the event will be used for the organization's scholarship fund.

DAR Chapter To Hear Talk On 'Indians'

A talk on American Indians will be featured at a meeting of Three Flags Chapter of the Daughters of the American Revolution Monday, Nov. 8, at 12 noon, in the home of Mrs. John Knight, 28851 Glencastle Drive, Farmington.

The Rev. Louis B. Gerhardt, senior minister at North Congregational Church, Southfield, will be the speaker. He served Duncan Memorial Church in Metlakatla, Alaska, from 1958 to 1960. Since 1967 he has been chairman of the William Duncan trust, which is responsible for work among the Indian people of southeast Alaska.

The DAR aids St. Mary's School for Indian Girls at Springfield, S.D., and Bacone College, Bacone, Okla., through its American Indian committee. It also gives scholarships to Indian students in need of help.

Mrs. Harry Alger and Mrs. Thomas George will serve as co-hostesses for the meeting.

Garden Club To Hear Talks By 3 Students

"International Cooperation" will be the theme of the November meeting of the Rosedale Gardens Branch of the Women's National Farm and Garden Association.

The meeting will be held Tuesday, Nov. 9, at 1 p.m., in the club house, 9611 Hubbard, Livonia.

Mrs. Donald E. Friedrichs, who is in charge of the foreign exchange program at Bentley High School, will present two students as guest speakers. They are Melika Ben Ammar from Carthage, Tunisia, and Franz Bernhard Ensink, from Germany.

Lisa Gade, who spent last summer with a family in Nice, France, will also be a speaker. Slides will be shown.

Alpha Xi Delta To Hold Party

Proceeds from the autumn card party planned this month by the Western Wayne County Alumnae Chapter of Alpha Xi Delta sorority will go to benefit the Plymouth State Home and Training School.

The party will be held Tuesday, Nov. 9, at 7:30 p.m., in St. Andrew's Episcopal Church, 16300 Hubbard. Reservations are now being accepted by Mrs. Don Gruschow, 31801 Balmoral Court, Livonia.

Dinner Dance

The Livonia Bar Association and the Lawyers' Wives of Livonia will hold their annual dinner dance Saturday, Nov. 6, in Dun Rovin County, 18377 Haggerty, Northville. Cocktails will be served at 7:30 and dinner at 8:30 p.m.

Plymouth Players To Stage Comedy

With casting completed, rehearsals are now under way for the presentation of "Never Too Late" by the Plymouth Theater Guild.

One of the most successful comedies of the New York stage during the 1930s, "Never Too Late" will be presented in Plymouth Central High School, Dec. 9, 10 and 11.

Helen Fortney and Larry Cook head the cast.

that he will no longer have peace and quiet in his home, as well as undisturbed power to have his whims satisfied.

HELEN FORTNEY will play Edith Lambert, his middle-aged wife, who regards the new situation joyously, though she has a lot of difficulty getting her crotchety husband adjusted to it.

Judy Pavia and Tom Butki will play Kate and Charley, the Lamberts' grown-up daughter and son-in-law. Others in the cast are Clemmie Cyburt, Richard Brown, Robert Hruska and Edward Wotjan.

Andy Hruska is the director and Effie Kuisel is the producer.

THE COMEDY, by Sumner Arthur Long, details the hilarious upheavals that come into the lives of an average small-town family when a belated "blessed event" looms for them 20 years after such an event might be expected.

Cook as Harry Lambert will be seen as a 60ish husband who is devastated at the news

"FLOWERS FOR ALGERNON" is being presented this weekend by the Wayne Civic Players. The story will be performed Saturday, Nov. 6, at 8:30 p.m. and Sunday, Nov. 7, at 7:30 p.m., in John Glenn High School, Westland. Shown are Riley Tadlock as Dr. Strauss and Dan Myers as Charlie. Tickets may be obtained by calling Mrs. Anne Button, 35042 Hees, Livonia.

Farmington Artists Plan Exhibit, Sale

A wide variety of styles, techniques and media will be

displayed next weekend when the Farmington Artists Club presents its fall exhibit and sale.

The event will be held in the Farmington Masonic Temple, Grand River and Farmington Roads, Friday, Nov. 12 and Saturday, Nov. 13, from 10 a.m. to 9 p.m. and Sunday, Nov. 14, from noon to 5 p.m.

The club, entering its seventh year, has a membership of 105 artists from Farmington and the surrounding area. The exhibit is a semi-annual event with the club.

The show will be judged by Russell Keeter, instructor at the Society of Arts and Crafts, Detroit. Keeter studied fine arts at the society, as well as at the Ringling School of Art, Sarasota, Fla., and the Pennsylvania School of Fine Arts.

Besides the regular gallery, there will be an "art on a budget" department and an auction Sunday afternoon at 3.

Comedy Team Is Returning

DETROIT The comedy team of Teter and McDonald will return to the 24 Karat Club, 10090 Telegraph, for a two-week engagement beginning Monday, Nov. 8.

McDonald is a vocalist, instrumentalist and straight man for the comedy, ventriloquism and impersonations of Teter.

Stage shows are 9:30 and 11:30 p.m., Monday through Friday, and at 8:30, 10:30 and 12:30 Saturday nights.

Amusements

Free Movies Planned

The last of the fall children's movie series will be shown at Schoolcraft College, 18600 Haggerty, Livonia, on Saturday, Nov. 13.

Showings are set for 11 a.m., 1 and 3 p.m. and each is an hour in length. Admission is free.

Four films will be shown, "Goldilocks and the Three Bears," "Andy and the Lion," "Steadfast Tin Soldier," and "Tom Thumb in King Arthur's Court."

The children's movies are sponsored by Schoolcraft's community services department.

Irish Writer To Give 2 Talks At Schoolcraft

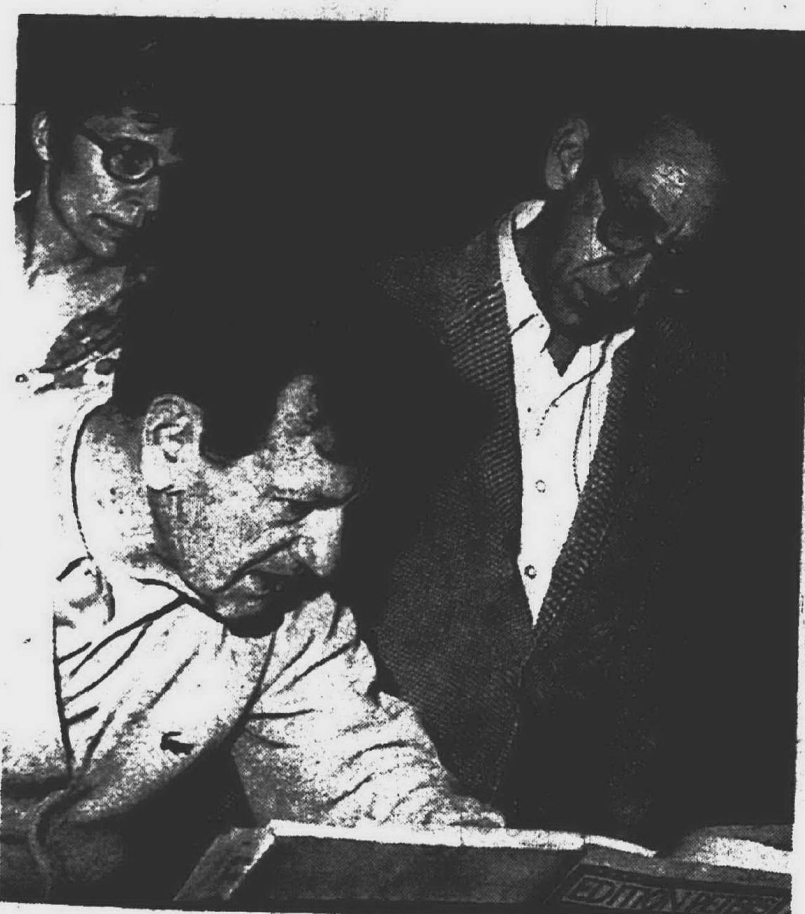

Tom MacIntyre, an Irish writer and translator, will appear at Schoolcraft College on Thursday, Nov. 11, for two performances - a general discussion at 3 p.m. and a reading at 8 p.m.

Both performances will be in the forum building, room F-530. There is no admission charge.

MacIntyre was educated at University College, Dublin, and was formerly English

Master at Clongowes Wood College. He has been a visiting lecturer at the University of Michigan in 1966, 1969, 1970, and 1971.

His publications include "The Charollais" (a novel) 1969, "Dance the Dance" (short stories) 1970, "Through the Bridewell Gate" (political documentary) 1971, and "Blood Relations" (adaptations of Gaelic 17th and 18th century poetry) 1971.

A NEWLY-FORMED VIRTUOSO TRIO will perform three Friday evening chamber music recitals at Oakland University. Members of the trio are (from left) Ruth Kolb Smith, cellist, Mischa Mischakoff, violinist, and Italo Babini, cellist. The first performance will begin at 8 p.m., Nov. 12, in the recital hall of Varner Hall. Tickets may be purchased at the door. The trio will also conduct student seminars connected with the concerts.

Singletons Meet Nov. 12

The Dearborn - Livonia Singletons will hold their next dinner social Friday evening, Nov. 12, in Mitch Housey's, 26000 Schoolcraft, Livonia.

The evening will start with a social hour at 6:30, followed by dinner at 7:30.

The club is for single persons between the ages of 25 and 45 in the western suburbs. Requests for reservations should be directed to P.O. Box 2175, Fort Dearborn Station, Dearborn.

Talk On ESP Set For BAA

"Art through a medium" could be the title of the Bloomfield Art Association program scheduled for Friday, Nov. 12, at 8 p.m.

Ruth Reva, a psychic, will present a lecture demon-

stration on ESP as related to creativity. This event opens the season of Friday Night Program Series at the BAA. Programs are open to the public for a \$1 admission charge.

LOOKING TO HER LEFT to see if she touched the finish first is Jan Smart, of Harrison, as she wins the 100 freestyle event in the meet between the two Farmington rivals. Ann Bertsch, of North, touched just after her rival. North swimmers capture the mythical city championship in the three dual meets between the Farmington high schools. (Observer photo by Bob Woodring)

North Girl Swimmers Capture '71 City Honors

It took a bit of doing but North Farmington's girl swimmers captured the mythical 1971 city championship with victories over

Harrison and Farmington in a triple dual meet.

Instead of a triangular championship meet, the three schools decided to hold three dual meets simultaneously with the winner of two crowned city champion.

North squeezed past Harrison, 50-46, and then dunked Farmington, 62-30. The third meet found Harrison defeating Farmington 57-35. Laura Shaktoske won two individual titles for the Raiders, taking the 50 backstroke in 1:33.7 and the 100 backstroke in 1:14.0.

Jan Smart of Harrison was the only other double winner, capturing the 100 individual medley in 1:12.7 and the 100 freestyle in 1:02.9.

North was the victor in six of 10 events against Harrison and took nine of 10 in the meet with Farmington.

The summaries:

NORTH 60, HARRISON 46

St. Thomas Rallies To Trim St. Agatha

St. Agatha held a 13-7 lead over Ann Arbor St. Thomas

going into the fourth quarter but St. Thomas capitalized on a pass interception and marched 63 yards to score with the extra point the margin of victory.

St. Thomas struck first with a Mark Miron pass being intercepted by Ann Arbor's Bob Long on the Aggie 27. Long scored three plays later and kicked the extra point to give St. Thomas a 7-0 lead.

St. Agatha bounced back with three minutes remaining in the first quarter on a 55 yard punt return by Bob Killefield. Pat Brown converted to tie the score, 7-7.

The Aggies took the lead in the second quarter marching 60 yards in 13 plays with Brown going over from the three. Brown's kick was wide but the Aggies led 13-7. This was only the second PAT Brown missed all season.

THE FOURTH quarter was marred by penalties. Agatha's Pat Daley had a 40 yard run called back on a clipping penalty.

"There was no clip on the play," said Agatha Coach Mike Bennane. "The game films showed no sign of a clip."

With 10 minutes remaining in the game Long intercepted his second pass of the game on his 37.

It took St. Thomas 16 plays to score from the Aggie 57 with Pete O'Neil scoring on a QB sneak. Long converted to put St. Thomas ahead 14-13.

St. Agatha held a 13-7 lead over Ann Arbor St. Thomas

going into the fourth quarter but St. Thomas capitalized on a pass interception and marched 63 yards to score with the extra point the margin of victory.

Turf Tips, Quips

By Doc Minard

Winter Dean, the speedy star of the C.M. Saunders stable of Perryburg, O., scored a mild upset on closing night at Wolverine Raceway when he whipped a fast field in 2:01.4, and will try to turn his first start at the Jackson-Northville meeting into a victory Saturday in the featured \$4,000 invitational pace.

The Saturday card is one of the best ever presented at the

Jackson fall and winter meeting and the \$4,000 purse is just about the highest ever for that meeting.

All of which shows that President and General Manager Leon Slavin is making good on his pre-meeting promises... the finest racing and the richest purses ever offered for his meeting in Northville.

The invitational attracted a field of six and every single starter was flirting with 2:00

during the Wolverine campaign over the big mile track. It's taken for granted that none will do that well over the twice-around, half-mile strip at Northville.

Off his win last week, Winter Dean will probably be the early favorite but he has plenty of competition this time. H.T. Nick, one of the top performers for the powerful Ray Forsythe stable at Birmingham with Red Taylor in the sulky, has to be considered a definite threat.

Then there is Johnny G., who is still remembered for his 2:00 dead heat with Wolverine and last year at Gailand has shown the same speed several times this year.

Others are: Prince Knox, winner of two in a row at Wolverine, who will be handled by Gordon Norris; Bedford Jet, with Charley Norris at the reins; and Tricky Dares, who checked in three weeks ago from Ohio where he did exceptionally well but didn't measure up to that form in his Michigan starts.

MARY BACON, the first feminine jockey to win a race at a Michigan track, didn't wait long to gain accolades of the crowd.

The slender blonde from Elk City, Oklahoma, who won praise from Bert Thompson, director of racing at Hazel Park, when he rated her as one of two top girl riders in North America, completed one of the richest daily doubles of the Hazel Park season a few days ago.

She drove Boston's Pick to victory in the second race for a \$67.60 price and made the daily double worth \$1,173.20.

Mary intends to ride at the track until the meeting ends on Saturday, Dec. 18.

Mrs. Bacon is accepted by the male jockeys as a competent craftsman, and a worthy rival. They know she's good. They are out to beat her if they can, but there is no hostility.

"I'm not a girl jockey, I'm just another rider" that they have to beat," Mary explains. "I have always tried to be a man when I'm riding a horse, and a lady when I'm not."

She is 21 years old, and about 5 foot 4. She weighs perhaps a shade under 100 pounds. Yet has the strength and skill to control a fractious thoroughbred. She should know how to ride: she's been at it long enough.

"I was riding in quarterhorse races out in the bush when I was only nine years old," she recalls. "I did pretty well, too. I won my share. I rode at the bush tracks for about seven years. Then I went to England to ride steeplechases."

"When the first woman got a jockey's license in the U.S., about three years ago, I came back and got mine, too. I've always wanted to ride. I've been riding at parimutuel tracks here ever since."

"I can get my share of mounts because the trainers know I can do the job. When I had the apprentice 'bug', I rode 1,065 races in the year. I'm not sure exactly how many races I've won, but it's around 200."

WOLVERINE DROPPED the curtains on 1971 last Saturday but there are still more than 50 horses on the grounds. All have to be off by the weekend.

This means that Don Hall, Tom Wantz and Jim Merriman Sr., will take off for Pompano Park and Florida for six weeks training before the season opens there in early December.

Hall is leaving the aged pacers and trainers to his public stable at Northville Downs in charge of son Pat and will have quite a few green horses under his care in the sunny south.

Merriman Sr. has 15 ready for shipping and Wantz will move southward with the Ed O'Hare stable.

WANT TO KNOW how to hit the trifecta at the Jackson meeting? Just follow the program... at least it should be on opening night. The book has a chart telling how to hit three numbers. Those numbers are 2, 3, 7.

The trifecta on the opening card was 7, 3, 2 and a paid \$322.

Sometimes it pays to follow what you read. Who knows, you may be lucky.

IN THE

POCKET

By W.W. EDGAR

Dave Soutar, the tall blond who left Detroit several years ago to earn ranking as one of the top professional bowlers in the land, will be facing almost insurmountable odds when he bids for his third straight victory in the major pro tourney that opens Friday at Hartfield Lanes.

No bowler on the tour ever has won the big event in any one city three years in a row and even though the Hartfield Lanes hold some sort of charm for Dave, he is bucking tradition and one of the strongest fields ever assembled.

In the starting field will be the six members of the 1970-71 All-America team, any one of whom is capable of racing away with top honors. Aside from Soutar this group includes Nelson Burton, Jr., of St. Louis; Don Johnson, of Akron, O.; Mike McGrath, of El Cerrito, Calif.; Johnny Petraglia, of Brooklyn; and Dick Weber, of St. Louis.

Petraglia, a southpaw, is the leading money winner on the tour with record earnings of more than \$80,000 thus far this year.

The big event opens with the pro-am and a field of more than 800 bowlers on Friday, Nov. 12 and the following day the pros take over to bid for a share of the \$50,000 purse.

DAVE SOUTAR

DURING THE month of October the Thunderbird Inn team averaged 997 per game to take over leadership in the All-Star Bowlerettes circuit.

Both the Thunderbirds and the Jac-Ro squad that includes Elvira Toepfer, have passed the defending champion Motown Record team in the race for the top spot.

JULIUS GRODIE, 67-year old member of the senior citizens' league at Country Lanes doesn't have to take a back seat for any of the younger bowlers after his performance this week.

With a 182-average he put together games of 212, 235 and 232 for a 702. Even more astonishing is the fact that he compiled this high total with four misses.

Other high scores included a 243 in 623 by Henry Gardenas, a 168 average bowler in the Wednesday Mixed League and 600 by Ernie Sylvester who linked counts of 2662, 252 and 163 for a 600.

Rose Mary Frahl, of Garden City who captains the Little Caesar team in the All-Star Bowlerettes, found the groove Monday night and posted a 689 - a high for the season in the circuit.

FRED McLEAN who has been known as Penny McLean's husband on the bowling front since Penny hit the All-Star circuit last year, is now bouncing out on his own in the Classic at Garden Lanes.

As the season entered its second month Fred is tied with the veteran Dick Preston at 215 for the top average. They

have a six pin edge on Paul Zajac, who, in turn, is one pin ahead of Paul Stanley. Others with double century averages include Ron Kovac at 206 and Ron Vernon at 202.

Kenny Geisler made a bid to join the leaders this week with a 719 and a 55 pin bulge on Ernie Shelley, his closest rival.

Others who bettered double century figures were Paul Sterling and Tom Ranes deadlocked at 658 and Bill Bollet who posted a 643.

RICK HAWKE'S Gunn's Auto Electric team established a high for the season in the Merri-Bowl Junior House circuit that may stand for the remainder of the season.

When the last pin fell the team had an even 1100 count. Don Herber was high with a 244, followed by Abe Lynch with 236, Bud Weryz with 222, Hawke with 219 and Gus Davison with 179.

On the distaff side Mary Mohacsi, former Detroit Bowling Queen, proved that she hasn't lost any of her ability when she linked 218, 255 and 189 for 662 in the Monday Night Doubles loop.

Among the other outstanding performances was a 225 in 558 by Mary Lou Buechel in the Tuesday afternoon ladies league.

THE JOLLIEST bowler in Observerland this week is Jerry Kinjorski who takes his turn on the lanes in Our Lady of Sorrows League at Bel-Aire Lanes. He has a good reason. He set the pace with games of 200, 280 and 214 for a 690. But he's showing everyone his second game score.

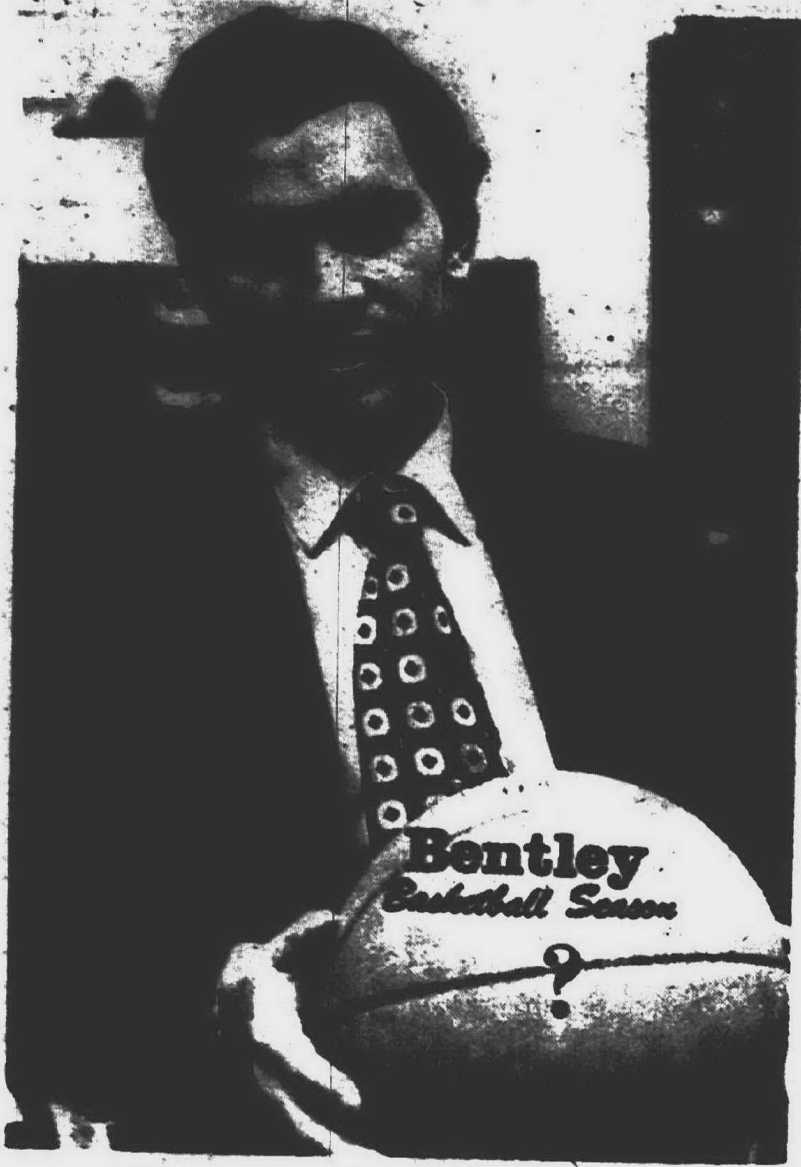

The league is a handicap circuit and with his "spot" of 25 pins a game, his count went to 365.

"Look at that," he chuckled, "better than a 300."

High scores were the order of the week at the Orchard Lake Road establishment as Bill Moore topped the Classic with 279-225-248 - 752 and was followed by Jim Maher with 692 and Paul Kotas with 683.

Aside from that Jim Behringer's Mayflower team established highs with 1168 in 3264.

All told there were 25 series above 600 and 74 games over the double century mark.

NEW COACH AT BENTLEY -- John Farrar has taken over basketball coaching duties for the Bulldogs replacing George Fefles who has directed the squad for seven years.

Farrar New Coach At Bentley

George Fefles, Bentley's athletic director, is "finally" retiring as Bulldog basketball coach and John Farrar is faced with replacing the shoes of a coach who in seven years captured six league titles, four district crowns, and compiled a 114-30 record.

Fefles retired as Bentley basketball coach two years ago because of ill-health and was replaced by Ken Timmons. Timmons was forced to give up the position last year because of bad health and Fefles comes out of

retirement with a league title and a 17-3 season record.

FEFLES HAS retired again and this time he says it is for good.

"Farrar's style of coaching fits right into Bentley's basketball philosophy," said Fefles. "I coached against him in the Melvindale summer basketball league and he really impressed me."

Farrar is a newcomer to the Livonia school system, teaching 7th and 8th grade at Holmes Junior High, but is not

a newcomer to high school coaching.

The last four years he has served in the basketball coaching ranks at Benedictine High in Detroit.

HE TOOK OVER the position of varsity coach in 1969 and in two years compiled a 25-12 record. The year before he took over the school had an 8-18 mark and had established a three year total of 5-50.

"Last year we were the only team to beat fourth ranked Holy Redeemer," said

Farrar. "And we ended St. Martin de Porres' 30 game winning streak with a 61-50 victory."

Farrar graduated from University of Detroit in 1967 and attended Notre Dame High School in Chicago where he was a letterman in basketball and baseball.

He is a resident of Plymouth and hopes to make the teaching change from Holmes to Bentley.

"I have two returning starters in Tim Bollin and Dan Weis," stated Farrar. "We are hurting in the size

department and will be stressing a ball control type of game."

Farrar saw Bentley play last year and emphasized the fact that this year's success will be built around Ballin. Practice started last week with the season opener on Dec. 3 with Farmington fast approaching.

FARRAR STRESSES defense above all: "There is no way you can be a high scoring team and play defense at the same time."

"I like to break up a ball

game in sections," added Farrar. "I attempt to set up my defense to not allow over 10 points a quarter."

"I gave the offense to score about 15 points a quarter," said Farrar. "I don't expect anybody out on the floor to score as this game is far from being a democracy. I set up the attack to have certain players score a set number of points."

"It is going to be an uphill battle for us," said Farrar. "It is going to be quite a challenge in filling the shoes of George Fefles."

Allen Park Jinx To Panther Success RU Loses Everything

By TOM DONOGHUE
Sports Editor

"We have 45 minutes to play a game and the rest of our lives to talk about it," said Redford Union Coach Bob Atkins after his squad suffered its first loss of the season.

"In the 15-3 defeat to Allen Park we lost everything we had worked for since July," added Atkins. "We were shooting for the stars and we weren't going to be satisfied with the league crown. We wanted that perfect record of 9-0 but we fell short, and what a fall it has been."

RU HAD A 10 game winning streak going into the Parker clash with the last loss being at the hands of Allen Park last year. The Parkers edged RU 6-0 with Don Trionfi scoring the only touchdown.

The Panthers were 6-3 overall last year and now hold a 6-1 record before Friday's Belleville contest, with Thurston remaining on the schedule.

The best year RU had in football was back in 1962 with a 6-1-1 record.

"We sacrificed so much this year," said Atkins. "This is the first time in our history that an RU football squad has been rated."

"Football is so different than any other sport," declared Atkins. "You play in the conditions that exist and every game you die a little."

ALLEN PARK has become a real jinx to RU and Coach Bob Atkins. In 1969 the Parkers beat RU in the final game of the season to deprive the Panthers of an outright league title. RU had to settle for a co-championship with Trenton.

Last year's 6-0 defeat to Allen Park cost RU the league crown and this year the

Parkers have done it again. Allen Park stood at 5-0-1 and RU at 5-1 before the last week of league action.

The big story in RU's 15-3 defeat to Allen Park was the loss of Tom Burk on the first play of the game. While blocking a defender somebody fell on his leg.

"I heard something snap," said Burk afterwards. "I could hardly walk back to the huddle."

Burk carried the ball four times for 23 yards and then limped to the sidelines where he spent the remainder of the game.

Burk was taken to the University of Michigan where his left leg was placed in a cast. He has torn ligaments and should be in the cast four to five weeks.

Tom is a member of the varsity basketball team and it is doubtful if he will return this season. He established an RU rushing record with 896 yards

Stevenson Loses Loop Final, 14-0

Stevenson closed out its Inter-Lakes play without a score in a 14-0 defeat against Walled Lake Central.

The Spartans ended up in fifth in the league with a 1-4 record while Walled Lake was third behind Lathrup and Pontiac Northern with a 3-2 record.

Walled Lake's Chuck Pietres scored once in each half on runs of four yards. A Bruce Elwood to Bob Loveland pass accounted for a two-point play.

Stevenson concludes its season Saturday at home against Thurston.

in 136 carries, making it almost seven yards a carry. Burk scored 12 touchdowns in seven games this season.

"**TOM IS THE** second running back we have lost this year," exclaimed Atkins. "Junior Steve Friedman was our starting tailback and when he got hurt Burk took over." Friedman was injured on the first play of the opening game. "He made a cut while running back the opening

kickoff against Stevenson," said Atkins. "The cut was too sharp and he tore ligaments in his right knee. He wasn't even hit by a defender."

Friedman had his cast removed this week and is looking forward to next season.

It has been a trying but exciting season for Coach Atkins and his Panthers. They gave it all they had and then some, but it wasn't enough this year.

ON CRUTCHES -- Redford Union's top running backs are out for the season. Tom Burk (left) was put out of action last week against Allen Park and Steve Friedman (right) was hurt in the first game of the season against Stevenson.

Prep Schedule

SUNDAY

St. Agatha at Orchard Lake St. Mary, 2:30 p.m.
Bishop Borgess at Pontiac CC, 2:30 p.m.

FRIDAY

Birmingham Groves at Southfield, 8 p.m.
Southfield Lathrup at Birmingham Seaholm, 8 p.m.
Garden City West at Garden City East, 8 p.m.
Harrison at Plymouth, 8 p.m.

SATURDAY

North Farmington at Farmington, 2 p.m.
Redford Union at Thurston, 2 p.m.

Harrison Girls Capture Crown

Farmington Harrison captured four firsts in 10 events to win the Western Six girls' swim crown. Harrison set the winning pace with 99 points followed by Northville with 61. Plymouth swam to third with 49½ followed by Churchill with 42½.

Waterford Mott and Walled Lake Western did not compete. Churchill's Carol Ruisis and Plymouth's Jean LeClair were double winners with Carol

swimming to first in the 50 yard butterfly and 100 yard individual medley and Jean captured firsts in the 100 yard backstroke and 100 yard freestyle.

Crosstown Rivals Highlight Action

The high school prep football season heads into its final week with crosstown rival clashes and a Catholic League championship highlighting the action.

North Farmington and Farmington match Saturday afternoon on the Falcon field with North an overwhelming favorite.

The Northwest Suburban champion Raiders hold an impressive seven to one edge over the Falcons in the crosstown battles. The two teams battled to a 0-0 tie in 1965.

"**IT WOULD BE** very disappointing to lose this game," said North Coach Ron Holland. "It's our last game and we are seeking state rating."

"We have dominated play against Farmington for three seasons," added Holland. "We have had the same coaching staff while Farmington changes almost every year; we have had better players and fewer key injuries."

Garden City West and East square off Friday night in a game where the teams throw away the season's statistics and meet head on.

Each team finished strong in its respective league and it should be a battle to the finish.

REDFORD UNION travels to township rival Thurston Saturday afternoon in a contest between the throwing arm of Eagle Bob Graustein and the powerful RU line.

RU will be wrapping up the most successful season in history while Thurston is attempting to rebound after finishing fourth in the Northwest Suburban League.

Birmingham Groves travels to Southfield Friday night while Southfield Lathrup wraps up another great year against Birmingham Seaholm.

Western Six Champion Farmington Harrison clashes with Suburban Eight's sixth place finisher in Plymouth. It is Harrison's opportunity to show what it can do out of its league.

Brother Rice climaxes area play with a Catholic League Championship tilt next Sunday afternoon at Wisner Stadium in Pontiac. Its opponent has not been determined.

Falcons Capture Triangular Meet

Farmington scored a three-way dead heat for first place to take city honors in the triangular cross country meet between Harrison, North Farmington and Farmington High.

Three Falcons crossed the finish line together to lead their squad to a 17 point total. Kevin Rylance, Marlin

Fedraw and Jim Nuttall all clocked in at 12:37.

Harrison placed second with 40 points and North Farmington followed with 61.

This is the second year the city has held such a meet with the Falcons repeating as champs.

HARRISON'S Frank Arcangeli, the only member of the three schools to qualify for the state meet, placed behind the three Falcon harriers with a 12:43.

It was somewhat of revenge for Fedraw and Nuttall as they were beat out of a chance to compete in the state meet by Arcangeli in the regionals.

Arcangeli placed 13th in the regionals and was the last man to qualify for the state. Nuttall completed the 2½ run in the same time as Arcangeli but finished six inches behind the Harrison runner. Fedraw was only a second behind the two.

Campus Safety Improved At OU

By ELINOR GRAHAM
ROCHESTER
Doubled campus security personnel and a new outdoor lighting system have resulted in 29 crime-free days at Oakland University. President Donald O'Dowd told a parents' day audience.

A rash of incidents earlier this fall brought about expulsions, security clampdown and the new, bright lights.

O'Dowd told of these trends on the campus scene:

The school papers have gone from political to informative. From having practically no restrictions, the dormitories are setting up their own governing bodies.

A FEW YEARS ago each graduate could expect eight to 10 job offers. Now the school can line up one job per graduate. If this one is not acceptable, they are on their own. The school can do no more.

According to O'Dowd, the university is discouraging girls from entering teaching at this time. But there is a

demand for women graduates with degrees in economics. He is looking forward to a change in the freshman and sophomore curriculums that will permit the brighter students to get their bachelor degrees in three years instead of four.

AFTER YEARS of litigation, the Alfred G. Wilson home and its furnishings have become the property of the university. O'Dowd was apologetic for the \$3.50 charge for the tour of Meadow Brook Hall.

It costs between \$80,000 and \$70,000 a year to maintain the mansion. There is no fund for this and state funds cannot be used. So it will be used for conferences and will be open for public tours to help offset the expense of upkeep.

"You know how you get your heating bill, on a little postcard," O'Dowd told the parents. "Well, I saw the one for Meadow Brook. It looked just like the one I got at home but it was \$10,000. Don't you think they'd put one like that in an envelope?"

Smith To Head Oakland GOP

Sheldon B. Smith, already chairman of the 19th Congressional District Republican organization, will now head the Republican Committee of Oakland County.

Smith was elected recently by a unanimous vote of the party's executive committee. He succeeds Robert B. Webster, who resigned due to "professional demands."

Smith, 32, of Keego Harbor, will lead all GOP activities in the county, which includes all of the 18th Congressional District and about 60 per cent of the 19th.

He is owner of the Rolfe H. Smith Co., a Pontiac real estate firm; president of the Pontiac Area Board of Realtors, and a director of the Michigan Real Estate Assn.

Before getting into real estate in 1961, he was program director and chief announcer

SHELDON SMITH
Oakland Chairman

for a radio station in Manhattan, Kansas. He began his political career with the Young Republicans in 1965 and was elected 19th district chairman in 1969.

19th District Dems Dine Nov. 20

The annual dinner of the 19th Democratic Congressional District Committee will take place at the Sheraton Motor Inn, 1001 Woodward, Pontiac, on Saturday, Nov. 20, according to Chairman Eugene Kuthy, Orchard Lake.

Honorary chairman for the event is Fred Harris, 34194 Old Timer Court, Farmington. Harris was the 1970 Democratic congressional candidate. The dinner is held as a fund raiser for the work of the committee, which includes portions of Wayne and Oakland counties.

Other members of the dinner committee are: program book, Mrs. Marie Mutschall, 25339 Westmoreland, Farmington, and Mrs. Barbara Johnson, 28630 Lori, Livonia; arrangements, Mrs. Judy Konarski, 11344 Dixie, Redford Township, and Mrs. Ruth Sullivan, 11658 Beech-Daly Road, Redford Township; and Mrs. Estelle Kadish, 18867 Purlingbrook, Livonia.

Tickets at \$25 per couple (\$12.50 individual) may be obtained from the Oakland County Democratic headquarters, 1700 South Telegraph, Pontiac 40083. The dinner, to be held in the lavish main banquet room of the Sheraton Motor Inn, will begin at 7 p.m., with cocktails at 6 p.m.

WC Art Group Donates \$100

A gift of \$100 from the Western Wayne County Art Association was accepted by the Schoolcraft College Board of Trustees.

The \$100 will be deposited in the scholarship and loan fund.

KENNETH WINTERLE of 27598 Echo Valley, Farmington, has been appointed manager of Thompson-Brown Co.'s Dearborn Heights resale division office. A native of Plainwell, Winterle earned a silver star while serving in the Army Combat Engineers during World War II and entered real estate after serving in sales management with the former Hekman Biscuit Co.

Job Market Topic At Schoolcraft

The director of placement for Eastern Michigan University will be at Schoolcraft College on Nov. 16. Richard J. Nisbet will speak to the question of job opportunities for persons with the bachelor degree.

Nisbet's appearance has been arranged by John Webber, Schoolcraft's director of counseling. He said it is open to college students and staff, high school counselors and the general public.

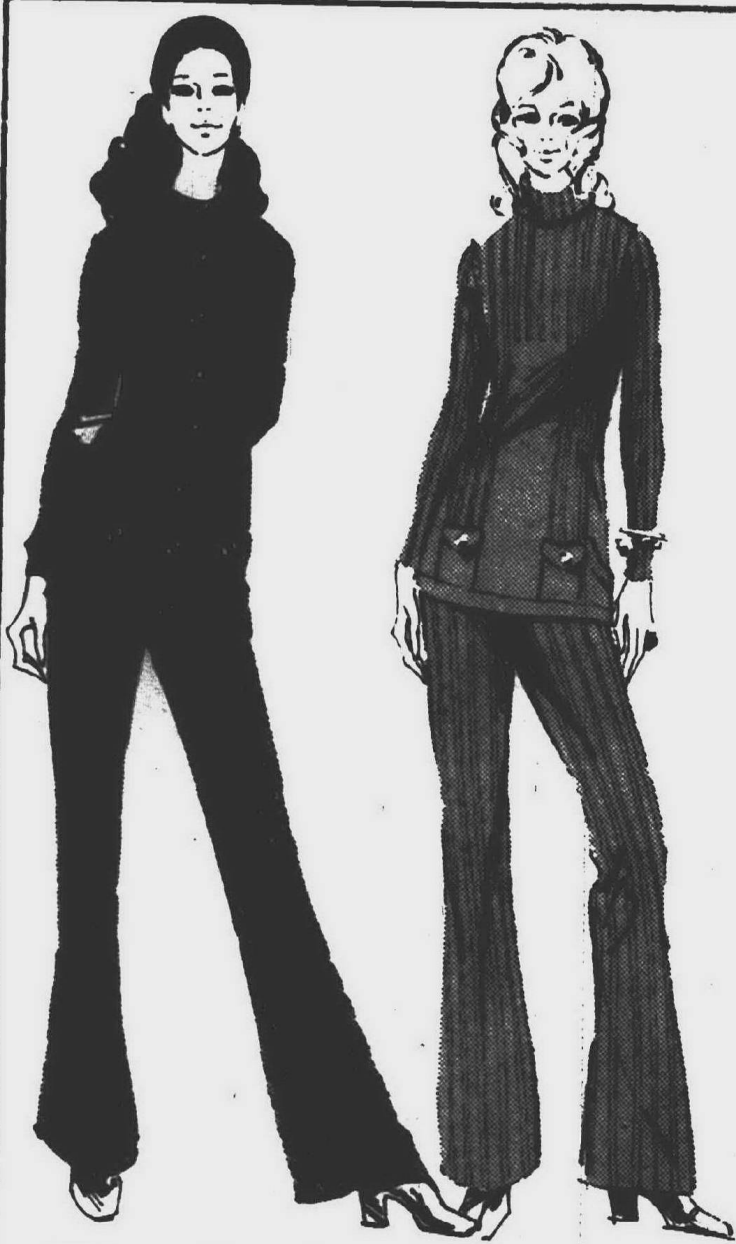

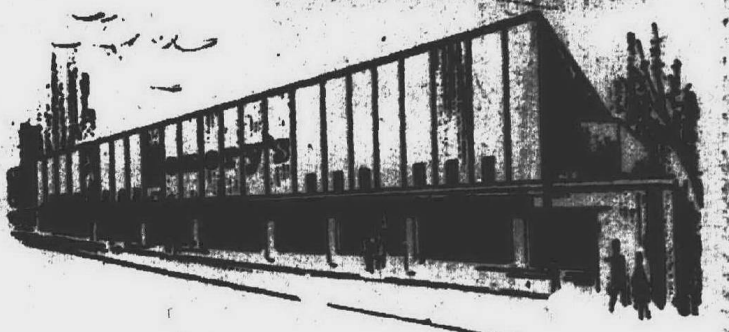

The largest number of Schoolcraft students who transfer to senior colleges each year go on to EMU.

Nisbet will speak at 1 p.m. in the Forum Building Theater. A question and answer period will follow his prepared text.
