Have No Fear

Worried about the younger generation? The Stroller finds that beards and hot pants reflect only one side of the coin and that there is "no fear" as to who will carry on the American tradition. A major auto maker may have thought the same thing in making a presentation to Plymouth High School. Both are on

BO SCHEMBECHLER, Michigan's head football coach, was the man of the hour at Plymouth High School's sports banquet Tuesday, yet graciously joined in the tribute to members of Rock teams in whose honor the dinner was held. At left, Schembechler chats with Plymouth gridders and

Dedication Fete Is Set

Hundreds of residents of the Plymouth community are expected to take their first good look at the new Plymouth High School Sunday afternoon when the building will be open for six hours for open house tours as a Dedication Day highlight.

The high school's enrollment of slightly more than 2,000 students is approximately a fifth of the student population for the entire 54-square-mile school district, and officials are preparing to welcome many of the parents because of this dedication.

A formal dedication program will open at 3 p.m. in the auditorium and will last for about an hour.

Its highlight will be an address by Gerald Fischer, former resident and board of education president who now lives in Connecticut. Fischer served on the board from 1960 until September 1967, and was a member when the contracts for the \$8 million high school were awarded.

Formerly vice president of the Ford Credit Co., he now is a vice-president of Pepsi Cola.

OTHER SPEAKERS will include Mrs. Esther Hulsing,

current school board president; PHS Principal Bill Brown, Paul Green, who is mayor of the student body, and Richard Hausman, co-chairman of the Community School Council.

A 20-minute concert by the high school band under direction of James Griffith will open the program.

Following the service in the auditorium, guests will be welcome at a tea in the cafeteria at which members of the Community Council will act as hosts and hostesses.

Hours of the school will be open from 12 noon until 6 p.m. for families of the district to tour the facility. Students of the high school will be stationed throughout the building to direct guests through the halls and to selected areas of interest.

Supt. James Rossman will serve as moderator of the dedicatory ceremony and platform guests will include Mrs. Russell Isbister, Mrs. Carl Schulteiss, William Harding, Donald Tripp, Sen. Carl Pursell, Rep. James Tierney and Mrs. Fischer. Asst. Supt. Earl Gibson heads the committee in charge of arrangements.

NORBERT W.
BATTERMANN

Commission Seat To Battermann?

By FRED DELANO

Norbert W. Battermann, a 48-year-old Bendix systems engineer who lives at 1449 Palmer, may go down as the No. 1 pinch-hitter of Plymouth's municipal government.

First, Battermann served 5½ months this year as a special appointee to the city commission, substituting for James Jabara after the latter had resigned.

Now it appears he will be asked to go to bat again when the commission meets Monday night to pick a successor for Donald Bidwell, who resigned early in November with two years still to go in his term.

IN AN UNOFFICIAL gathering of elected commissioners this week—with only Harold Guenther absent—Battermann led an informal poll 3-2 over Peter Schweitzer, who finished fifth among eight candidates when four commissioners were elected Nov. 2.

Guenther's vote also is expected to go to Battermann, and for the sake of the record the commission is likely to make it unanimous Monday.

Battermann was not a candidate in the recent election.

Schweitzer, himself a former commissioner, had support from Commissioners Robert Sinecock and Beverly McAninch, but unless there is a reversal somewhere among James McKeon, William Silvis, Ernie Henry and Guenther, Battermann is a shoe-in to hold the Bidwell seat until November 1973.

Two other men were con-

sidered briefly for appointment, but neither commanded voting support when the commission was polled.

Battermann is a graduate of the Missouri School of Mines and moved his family to Plymouth in 1962 from Grand Rapids. He had served on the city planning commission for five years prior to being named in June as Jabara's replacement.

Tax Bills Go In Mail

Winter tax statements have been mailed to all property owners in Plymouth Township, it was announced Thursday by Treasurer Elizabeth Holmes. In the city, they will go out early this coming week, and in both cases the deadline for payment without penalty is Feb. 15.

Mrs. Holmes said that about 45 per cent of the township statements go directly to mortgage companies, and cautioned that any person receiving a bill that doesn't belong to him should either forward it or return it to her office.

In the township, the total tax reflected in the statements

amounts to \$44.93 per \$1,000 in state-equalized assessed valuation. This includes \$32.55 for the Plymouth school district, \$7.11 for Wayne County, \$3.59 for the township and \$1.77 for Schoolcraft College.

City statements are calculated this year on the basis of \$41.79 per \$1,000 SEV, said a spokesman for the office of Treasurer Kenneth Way. Included are \$32.04 for local schools, \$7.17 for the county and \$1.79 for the community college.

In addition, the city has a current municipal tax of \$13.95 per \$1,000, which was billed during the summer.

District Court To Hold 2nd Session In School

For the second time this fall, Judge Dunbar Davis will turn a classroom of Central Junior High School into an official annex of the 35th District Court Monday morning as a student audience sits in on a

full docket of violation hearings.

Non-jury trials will include such charges as drunk driving, careless driving, reckless driving, assault and battery, and non-support. Also

included on the docket is an examination of three persons charged with possession and control of marijuana.

This will not be stage acting. Rather, it is a dramatic demonstration of the judge's belief that confidence of the public in the American court system can be increased "by having sessions before our citizens of the future."

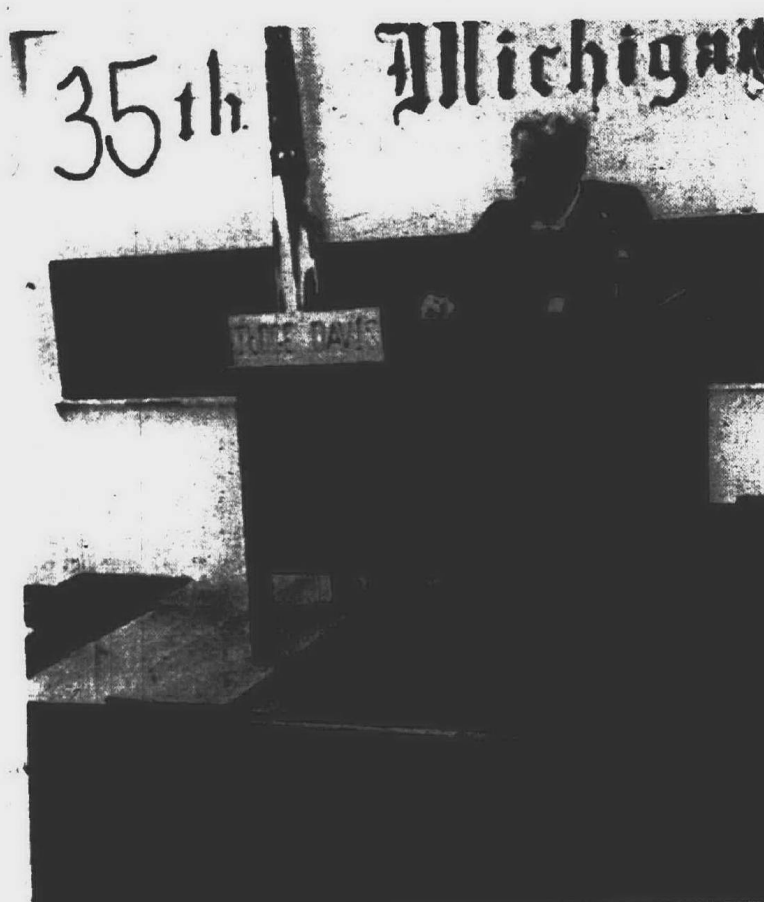

Students in attendance will be those who are enrolled in civics and world government classes conducted by Wayne Weimer and his associates. All are ninth graders.

DAVIS CONDUCTED court at the school Oct. 27 and then commented afterward, "I was pleased, but there was more confusion than we would like because more students wanted to attend than we anticipated. But their decorum was very good and I plan to continue."

Changing audiences as classes ended caused interruptions that day, but Davis and the faculty have worked out a plan which they believe now will reduce the need for numerous court recesses during the session which will open at 9 a.m. and continue until noon.

"We can't make a circus of the court and everyone must realize that we can't deviate too much from normal legal procedures," said Davis.

The classroom in which Continued on Page 3A

JUDGE DUNBAR DAVIS of the 35th District Court again will occupy this improvised "bench" in a Central Junior High School classroom when he convenes court Monday morning. Holding court officially at the school is part of his program to improve student understanding of judicial procedures. (Observer photo by Bob Woodring)

TWO PHS STUDENTS are among seven in Michigan and 237 in the nation who are sharing in \$15,000 in awards given to school shop students by the James F. Lincoln Arc Welding Foundation of Cleveland. The project of Ormer Kistler and David Haight, for which they received a prize of \$75, was a quadicycle (four-wheeled bicycle). Their welding instructor is Keith Baughman. The presentation ceremony included (from left) Baughman, Haight, Kistler and PHS Principal Bill Brown. (Observer photo)

FRIDAY, DECEMBER 10 Hot Dog on Bun, Potato Salad, Buttered Green Beans, Fruit Cup, Cakes, M&M's.	

Plymouth Brevities

THE WAYNE 2nd District Democratic executive board has asked the Plymouth Township Board of Trustees to take immediate action "to begin whatever action is necessary to insure that sidewalks will be placed along the main arteries for the safety and welfare of the children."

The board also has praised Mrs. John Haas, of the safety committee of the Association of American University Women, for her "valuable effort to obtain both bicycle paths for school students, and sidewalks."

HELLO, THERE! The greeting is directed to more new residents who have moved into the Plymouth community recently, as reported by the representatives of Welcome Wagon.

Mary and John Price from Dearborn Heights, Patricia and Robert Sinclair from Detroit, Mrs. Harriet Matthews from Detroit, Carol and Richard Taig from Pinckney, Nancy and Elbert Tharp from Allen Park, Claire and William Nicholson from Detroit and Alice and Charles Schaefer from Kingsville, Canada.

BROWNIE TROOP 301's 17 members were special guests of their sponsors, the Lions Club, at a dinner Thursday in the Thunderbird Inn and responded by presenting a short vocal program.

David Eaton, of the National Committee on U.S. - China Relations, Inc., was the speaker. His topic was "What Can We Expect From the People's Republic of China?"

THE 4-H BRIDLE CLUB of Plymouth held its annual election of officers recently and also made plans for a parent - member potluck dinner to be held Dec. 11 in the Salem Township Hall.

President is David Earhart of Northville. Karen Miller of Plymouth is vice president. Barbara Derr of Plymouth is secretary. Valarie Sarinopolis of Livonia is treasurer and Chris Bockaty of Belleville was named news reporter.

IF THERE ARE any Pershing High School graduates of 1942 in the area, officers of the class are anxious to make contact concerning plans for the 30th class reunion.

The party is to be held next October and Pat Colley, 26233 Dundalk Lane, Farmington is trying to determine the whereabouts of all her classmates.

SWIMMING AND basketball teams at PHS face a busy week. The swimmers will be at Farmington Tuesday night at Churchill Thursday night and will compete in the Redford Union Relays Saturday.

The cage team will make its home debut Tuesday night against Franklin and will open the Suburban Eight conference schedule Friday night at Belleville.

CADET M.N. JOHNSON, son of Mr. and Mrs. Neil Johnson, 9111 Rocker, Plymouth, is a member of the gymnastics team at Riverside Military Academy, Gainesville, Ga.

The cadet is attending Riverside in preparation for a career in engineering and hopes to pursue his studies at Colorado State University. After establishing his degree, he plans to be a commercial airline pilot.

ALL FOR CHARITY -- When Plymouth residents and their friends get together to ring out the old year and ring in the new, they'll have a chance to do something for charity, too. The March of Dimes is sponsoring a New Year's Eve dinner dance in the Mayflower Meeting House with a sizable portion of the admission going to the campaign to prevent birth defects. Mrs. Robert Olson (left), co-chairman, is shown with Mrs. Dorothy White, community director, going over plans for the event.

New Books In Library

"Teach Your Baby," by Dr. Genevieve Painter. This book describes a complete tested program of simple daily activities for infants and small children, designed to develop learning abilities to the fullest potential.

"Livingstone's Companions," by Nadine Gerdimer. This is a collection of 16 short stories, most of which are set in Africa. Almost all of them include Africans as key figures.

"And Now Tomorrow," by Rachel Lyman Field. This is a character study of Emily Blair whose family owned the Blair Mills in a New England town.

"Honor Thy Father," by Gay Talese. This is the first book in which Mafia wives are described in depth, their daily routines depicted from kitchen to supermarket, from beauty parlors to bridge.

"Stranger, Tread Light," by Jean Muir. Here a girl is caught up in a search for a missing American boy in Mexico, and her adventures include escapes from murderers and kidnappers.

"March to the Monteria," by B. Traven. This is the tale of a young Indian, whose overriding goal is to earn enough money for his wedding, so that he can have 15 children. This is the third of Traven's "Jungle novels."

SUCCESSOR TO THE AUTOMATIC WATER SOFTENER

THE REYNOLDS SOFT-SENSOR

THE WATER CONDITIONER THAT HAS A MIND OF ITS OWN FOR SOFT, RUST-FREE WATER

THAT'S RIGHT! Every night the Soft-Sensor "takes its own pulse." If it needs recharging, it recharges itself... if not, it checks itself the next night. The Soft-Sensor recharges itself ONLY when it needs it, and always when it needs it.

- All the soft water you need
- Simple, dependable construction
- Saves salt-maintenance cost
- "Lifetime" all-fiberglass tanks
- It "sleeps" when you're away from home
- Remarkably low in cost

PURCHASE OR RENTAL PLAN

Other brands of water softeners can often be converted to the Soft-Sensor.

PLYMOUTH COMMUNITY SCHOOL DISTRICT Plymouth, Michigan BOARD OF EDUCATION MINUTES A regular meeting of the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held on Monday evening, November 29, 1971, in the Board Room of the Administration Building, 1001 South Main Street, Plymouth, Michigan. President Hulsing called the meeting to order at 6:30 p.m. Present: Members Hanksat, Hulsing, Lawton, Ohio and Sick. Absent: Members Graves and Penar. Administrators present: Sup't. Rossman, Asst. Sup't. Blank, Hoben and Gibson, Directors L. Smith and N. Koe, Asst. Dir. Sirbaugh and Principal Workman. Others present: John Ryder and Bill Heath, PEA; Kathy Moran, Plymouth Mail & Observer; and Barbara Clawson, Brian Gorman, Dolly Carter, Ted Cameron, Frank Phillips, Sue Hand, Mr. Wamsley, Shirley Mack, Phyllis Sullivan, Lois Ruffin, Flossie Young, Fred and Linda Gorlitz, Kay Barnes, Carolyn Hill, Tom Cape, Lynn Dilligole and Chester Hill. Additions to the Agenda were called. It was moved by Member Hanksat and seconded by Member Sick that the minutes of the regular meeting of October 26, 1971, be approved as submitted. Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick. Nays: None. The motion was carried. Mr. Frank Phillips, Safety Chairman of Allen School PTA, presented a request from the Allen School parents for a lighted sign in front of Allen School on Hagerty Road indicating a speed control sign of 25 mph with a three clock and control switch. Member Lawton, supported by Member Hanksat, suggested that the Safety Committee request the Plymouth Township Trustees to provide such a sign. President Hulsing suggested that citizens indicate to their legislators that they pass legislation making 15-25 mph speed limits mandatory in front of all Michigan schools. Mrs. Barbara Clawson spoke to the Board as a representative of the Homeowners' Association of Canterbury Woods and Windsor Park regarding concerns of that group for children's safety as they walk to and from Canterbury School. Letters from the Wayne County Sheriff's Department and Canton Township also were presented regarding the problem. Mrs. Clawson requested that the Board petition the Wayne County Road Commission for a safety engineering survey aimed at a lower speed limit. Mr. Blank spoke to the problem as he had surveyed the area. Mrs. Clawson was referred to the Safety Representative for Canterbury School, Mrs. Skotche, and asked to meet with the Safety Committee at their next meeting in November 15 at 9:30 a.m. Mr. Thomas Cape appeared before the Board to express his concerns with a school activity regarding his son's class. Academic freedom clauses from the master agreement were explained as well as policy statements by the Board of Education. Mr. Cape felt the Board should know of the situation so such activity would not be planned by others at a later date. The Superintendent reported that Policy and Procedures notebooks had been distributed. He also reported on the progress of HB No. 4019 and HB No. 9710 in the Michigan House of Representatives and that approval had been received under the Title I program for counseling in two elementary schools did the summer camp program in the amount of \$2,791. This amount was an approval last year of \$2,000. "Cantonian Book of Michigan Education" had been distributed to the Board and "The Age of Majority" publication should be available soon. Mr. Rossman reported that very few Title III grant requests will probably be approved throughout the State but the District might expect the Parent-Teacher-Teacher Professional application to receive consideration. A Clean Site and Membership Report was received for information. Mr. Rossman was asked to report to the Board at the second meeting in December on the matter of further utilization of the School Farm to bring it to a greater degree of self-support. Asst. Sup't. Hoben reported on the progress of the Curriculum Coordinating Council to date this school year and also on the progress of the P.M. Station which is scheduled to be in operation in about three weeks on 925 P.M. call letters WPPP. He reviewed the visitation program now in operation at the high school and reported that the first two groups to tour have been the Plymouth Senior Citizens and a group from Cantonville. A memorandum from Mr. Hoben was received on the "Education Right Activity Conference" expressing concern about a decision as to the District's plans for participation in that organization. A letter from the Plymouth Education Association was also presented which stated their opinions regarding the "one-school concept" for the high school. Mr. Hoben presented information on the petition for the National Division Communications and invited the Board members to attend meetings on the fourth Tuesday and Wednesday of the month at 9:30 a.m. and 1:30 p.m. when principals and others present reports on progress at each school in the District. He reported a program of a University of Michigan Doctoral Candidate being conducted in four schools and announced that the Summer In-Service Educators (35 in number) would be available for study by any Board member at the next November meeting. The document program was reported going forward for Canton and Dr. Hulsing under the direction of Mr. Robinson at Canton and Dr. Marshall, Mr. Gibson and Mrs. Spauld at Hillier. Mr. Hoben also announced that the year-round school idea has been submitted for any Board member who may wish to study this. It was moved by Member Lawton and seconded by Member Sick that the following Operating Fund 1971-72 be approved for payment: Operating Fund: Voucher (pred.) 15000 to 15000, incl. 15000, 15000 Vouchers (pred.) 15000 to 15000, incl. 15000, 15000 2000,000.00 Voucher (pred.) 15000 to 15000, incl. 15000, 15000 100,000.00	<p>Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick. Nays: None. The motion was carried. It was moved by Member Lawton and seconded by Member Sick that the following Revolving Fund and Building and Site Fund bills (with the exception of Voucher 600, 92,600.20, Bldg. & Site Fund No. 2 and Voucher 424, 520,145.04, Bldg. & Site Fund No. 3) be approved for payment. Revolving Fund: Vouchers (pred.) 2611 to 2660, incl. 1,932.18 Vouchers (pred.) 2670 to 2502, incl. 2,516.72 Bldg. & Site No. 1: Vouchers (pred.) 700 and 701 650,000.00 (pred.) 702,703,704 3,931.85 Bldg. & Site No. 2: Vouchers (pred.) 1946 to 951, incl. 557,530.22 (pred.) 952 to 958, incl. 73,582.59 960 to 1027, incl. 73,582.59 Bldg. & Site No. 3: Vouchers (pred.) 420 to 431, incl. 95,708.49 (pred.) 432,433 and 435 to 461, incl. 448,119.74 Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick. Nays: None. The motion was carried. Mr. Blank distributed the Report on Investments, the Operating Fund Cash Statement and Budget Report for informational purposes and also introduced Mrs. Lynn Dilligole, Head Bookkeeper for the School District. It was moved by Member Hanksat and seconded by Member Sick to approve Change Order No. 2, Miller School, in the amount of \$2,717.85 (for leveling elevation of curb, basin and furnishing and installing curb openings and asphalt paved driveway approaches) and Change Order No. 3, Miller School, to price change (for the purpose of altering starting and completion dates on contract). Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick. Nays: None. The motion was carried. It was moved by Member Lawton and seconded by Member Hanksat to grant two easements to Canton Township on the east side of Canton Center Road, one half mile north of Ford Road - Bartlett School site, parcel 16G and 16H - a distance of 27' easement for sewer construction. Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick. Nays: None. The motion was carried. Mr. Blank asked whether any members of the Board would wish to be involved in reviewing lists for equipment of Miller and Canton Schools. Dr. Ohio expressed an interest in reviewing the lists and Member Sick asked to be appointed cost estimator compared with budget. Assistant Sup't. Blank was asked to recommend at the next November meeting a clause which would re-establish the State General Contingency Account of \$227,250 as a budget item. It was moved by Member Hanksat and seconded by Member Sick to approve a new teacher contract for Mrs. Christine Brennan, early elementary assignment at Friel School. Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick. Nays: None. The motion was carried. Mr. Gibson announced the Annual Chamber of Commerce Meeting on November 11 and requested notification of any additional reservations. He also reported that the program and brochure for the high school dedication on December 5 had been given to the art class for final work. It was moved by Member Lawton and seconded by Member Sick to recommend that the Board make call stated in the October 29 minutes, page 6, regarding Administrative Procedure 9710. Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick. Nays: None. The motion was carried. It was moved by Member Lawton and seconded by Member Sick that in compliance with Administrative Procedure No. 97104 (No. 1966-1), the Board concur with the recommendation of the Administration to appoint Director Koe as chief negotiator and Asst. Sup't. Gibson as a member of the negotiating team, with Mr. Rossman, Mr. Blank and Mr. Hoben as consultants and a legal advisor to be selected upon recommendation of the administration, with a re-examination of the issue to be presented in March, 1972. Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick. Nays: None. The motion was carried. The Board received a letter from the Plymouth Community Human Relations Commission, arrived and presented the following petition to the Board, one which had been passed earlier in the evening by the Commission: "1. The Plymouth Community Human Relations Commission urges the Plymouth Community Board of Education to request the Michigan State Board of Education to seek through the judicial process, at the earliest possible opportunity, an appeal and legal clarification of the recent Board decision. "2. The Plymouth Community Human Relations Commission urges the Michigan State Board of Education to seek through the judicial process, at the earliest possible opportunity, an appeal and legal clarification of the recent Board decision. "3. The Plymouth Community Human Relations Commission urges the Plymouth Community Board of Education to exercise restraint in responding to the recent concerns brought about by Judge Rott's decision until the legal basis are clarified." It was the consensus of Board members that this petition be placed on</p>
--	---

file and considered at the time it seems most appropriate to appeal any decision.

It was moved by Member Lawton and seconded by Member Hanksat to postpone consideration of the 1700 Series of the Policy and Procedures until November 23 meeting.

Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick.
Nays: None.
The motion was carried.

It was moved by Member Hanksat and seconded by Member Sick that the following policies and procedures be approved:

1508.6 School Visitation Procedure
1202.1 Publications
1202.2 News Releases
2303.2 Student Records

Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick.
Nays: None.
The motion was carried.

Mr. Blank reported on the Plymouth High School completion date and explained that the tartan gym floor will be repaired on an emergency basis by November 19 before basketball games begin. He also reported that a letter had been sent to the Architect stating that the asphalt pavement does not meet specifications. He recommended that the payment for these two projects be held in abeyance until completion.

Mr. Hoben reported that a utilization of Central School recommendation will be available at the next November meeting.

Mr. Blank was asked to bring in as quickly as possible a schematic drawing and cost estimator for an overpass across Joy Road in the area of Friel School.

A letter from the Area Office 2G of Michigan Education Association was read by Mrs. Hulsing and placed on file.

A letter of appreciation was read from concerned parents thanking Mr. Ray Sypniewski of Middle School West for his encouragement, advice and support on bottle recycling.

Mr. Hoben was asked to obtain more information from the members of the International Relations Trip Committee regarding their proposed United Nations trip in May, 1972, especially in regard to the financing of the trip and the matter of 90% parent approval for such a trip. Soliciting funds for school-sponsored activities was discussed by Member Hanksat, especially since the word "discourage" had been included in the solicitation procedure adopted by the Board. It was agreed that this matter should again be considered by the Policy and Procedures Committee and that Mr. Gibson be asked to pursue the matter to make sure that the matter of accountability for any monies collected is written into such policy.

Scheduling of events at the high school was discussed in regard to procedures for reservations, etc., since these events are scheduled at the same time on Friday, November 12. Mr. Hoben reported a master calendar is available for the auditorium's use, but that the Recreation Department handles other scheduling. More careful scrutiny of such use was requested.

It was moved by Member Hanksat and seconded by Member Lawton that the following resolution be adopted:

"WHEREAS: This School Board cannot incur with expenditure of educational dollars for non-educational purposes; and
WHEREAS: This Board's job is to provide educational services with money designated for that purpose; and
WHEREAS: Providing crosswalks, sidewalks, street lights, speed control signs, flying bridges and crossing guards is clearly the responsibility of other organs of government; and
WHEREAS: Other sections of government have indicated a lack of concern and refusal to accept responsibility;

NOW THEREFORE BE IT RESOLVED: That it is the Board's stated position that children in grades 3 through 12 living less than one mile and one-half mile from their assigned school will not be transported to school by the Plymouth Community School District, effective September 1, 1972."

Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick.
Nays: None.
The motion was carried.

It was further moved by Member Hanksat and seconded by Member Ohio that this Board cease considerations and deliberations on items of public safety that are clearly the responsibilities of other Agencies of local government and that the Superintendent of this School District be directed to initiate the closing of all safety programs presently before or now being proposed to this School Board, with the purpose of placing this item on the next ballot as a special expenditure expressly designated for public safety and defense.

Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick.
Nays: None.
The motion was carried.

The motion was carried.

Member Sick presented to Mr. Blank a Fire Safety Inspection Report for Canton High School.

A questionnaire on Intermediate Schools from the Michigan Association of School Boards was given to Mr. Rossman.

It was noted that a call for a special meeting of the Board to be held on November 10, 1971, at 6:30 p.m. had been previously presented to each Board member present and that Board members who would be called to two closed meetings immediately following the meeting.

It was moved by Member Hanksat and seconded by Member Ohio that the meeting be adjourned.

Ayes: Members Hanksat, Hulsing, Lawton, Ohio and Sick.
Nays: None.
The motion was carried.

The meeting was adjourned at 11:15 p.m.

Respectfully submitted,
WILSON W. SICK, JR., Secretary
Board of Education

Court Goes To School For Cases

(Continued from Page 1A)

Court will be conducted seats about 50, and the judge's staff of two clerks again will be given an office of their own across the hall to handle the work. Other regular court officers, such as the bailiff and court reporter, also will be on hand.

AUTHORITY to designate a central classroom, or any other site for that matter, as the location for an official session of the court is invested in the judge through the language of the legislative act which created the Michigan district court system.

IT IS NOT NECESSARY for the judge to obtain consent from attorneys for either the prosecution or defense, or from any defendant, to set up court at the school.

Again, in trial cases, Davis will authorize selection of a student advisory jury to hear the evidence and consider a verdict. While the judge will reach his own decision independently of student thinking, it was demonstrated before that the student jurors usually recommended stiffer penalties than Davis actually meted out.

THROUGH BIFOCALS

By FRED DELANO / Editor: Mail & Observer

BO SCHEMBECHLER proved Tuesday night at the Plymouth Elks Lodge that he's as much a winner on the banquet circuit as he is on the football field, and it was interesting that his appearance as speaker at the dinner honoring fall PHS teams parlayed two firsts for the Michigan coach.

"Not only was this the first time I've ever had an undefeated, untied team, but this also is my first high school banquet since the '71 regular season closed," Schembechler told a packed house that was there to salute Plymouth's football, cross country, golf and cheerleading troops.

The affair was sponsored by the Plymouth Athletic Boosters Club, and it was a highly successful fun thing that saw the introduction of Steve Robb and Ron Egloff as Plymouth's 1972 gridiron co-captains. It also brought special awards to these Rocks:

Linebacker Mike Henry as the most valuable player on Plymouth's 1971 eleven, Fullback Mike Tiano as the most improved and Egloff, an end, as the most valuable lineman. In cross country, the most valuable designation went to Steve Dunson, who is only a sophomore, and in golf it was shared by Tim Quinn and Roy Gaddey.

BEFORE SCHEMBECHLER got into his character building speech, which was dotted with gut-builders like "motivation," "perseverance," "desire," "confidence," "courage" and "loyalty," he spent considerable time patting Bob Thornbladh on the back.

The big sophomore Wolverine fullback, who starred for Plymouth in '67, '68 and '69, came along with his coach from Ann Arbor and heard Bo make the statement, "I am tremendously impressed with Bob Thornbladh."

The record shows, of course, that Bob was third string this season behind senior Fritz Seyferth and a fellow sophomore, Ed Shuttlesworth. Nonetheless, Schembechler predicted that in 1972 "Michigan will have the greatest 1-2 punch at fullback in the country with Shuttlesworth and Thornbladh."

Schembechler told how in practice the Tuesday before Michigan's victory over Ohio State, "Bob's knee buckled and we had to carry him from the field. After practice, the first two guys in the training room were Seyferth and Shuttlesworth. Bob is a tremendously popular player on our team."

Bo also revealed that Thornbladh has just this week had the cast removed from the injured knee and added, "If hard work has anything to do with it, he

will be on the traveling squad to Pasadena." This was the only time all evening that the Michigan coach referred to the upcoming Rose Bowl game against Stanford.

TUESDAY'S BANQUET also served as a reminder that no sooner does the curtain fall on one season in sports than it rises on another. With one road game under their belt, Plymouth's basketballers will make their home debut Tuesday against Livonia Franklin, and it will be historic if for no other reason than that this will be the first varsity game ever played in the new high school gymnasium.

The Rocks have lost only four league games in the last three seasons, going 9-1 both in 1969 and 1970 and 8-2 last winter. Three of those losses have been to Livonia Bentley and the other to Redford Union. Along the way Plymouth won its first outright title since 1955, tied with Bentley for another crown and then finished second to the Bulldogs in '71.

But don't expect that kind of a championship run this winter. Graduation took too heavy a toll and even Coach Dick Bearup admits, "We're very small, very inexperienced and will have to do a lot of learning in a hurry."

Ron Egloff, Gary Close, Dave VanWagoner, Jim Szilagyi, Steve Robb and Jeff Jacobs loom as the top six of the 15-man varsity, but Close currently is out with an injury and the club may have another slow start. One thing you can count on for sure, though, and that's that the Rocks will improve as the campaign lengthens.

Along the way they might just put it all together some hot shooting night and be the spoiler for the main contenders for the title in what's now the Suburban Eight, Bentley and RU. Nothing would be sweeter.

Central Concert Dec. 9

The Central Junior High School music department will present its first concert of the year - a Christmas theme - at 8 p.m. Thursday, Dec. 9 in the school.

Performing will be the junior high's concert band, cadet band, orchestra, mixed chorus and girls glee club.

The bands will be under the direction of Leroy E. Lane; H. Michael Endres will conduct the orchestra; and Faith Sch-

wiss will lead the vocal musicians.

The program will include: excerpts from Wagner's "Die Meistersinger," Perichetti's "Pageant," Bach's "Prelude and Fugue in F minor," and Berlin's "White Christmas," all performed by the 52-member concert band.

The 30-member cadet band will perform Bill's "March of Carols" and Grandmen's "Kentucky 1860."

Ed Blackman Ends Training

Army Pvt. Edwin B. Blackman, 17, son of Mr. and Mrs. Roy E. Blackman, 7770 Allen, Plymouth, recently completed eight weeks of basic training at the U.S. Army Training Center, Armor, Ft. Knox, Ky. He received instruction in courtesy, military justice, first aid, and Army history and traditions.

Letters To The Editor

Her Farewell Offers Thanks

EDITOR:
When I closed the doors of the Specialty Feed Co., Inc., at 13919 Haggerty Road at the railroad tracks, I just could not and I did not want to say "Good-bye."

Now that I am relaxed, I am thinking about all my faithful customers over the years. Many thanks to all and I am sure that if my late husband,

Joe Wickens, were here he would say "thanks," too. It was a pleasure to supply the farm and garden needs as well as the dog food and feed for the horse lovers and bird-watchers.

I fondly recall the wives who were sent by their husbands to pick up the fertilizers for their lawns. They would assure me that whatever I selected would be right with hubby as they always said the lady would give the right brand.

If I can ever be of any help drop a line to Mrs. Helen

Wickens, P.O. Box 65, Plymouth, Michigan 48170.
HELEN A. WICKENS
Plymouth

Thanks For ONI Tour

EDITOR:
In behalf of our administrative committee, I want to thank you for a most pleasant and informative visit to the Observer Building yesterday morning. I think all of us have a better concept now of the advance

planning and detail you so ably marshaled in creating a truly remarkable facility. It is beautiful, functional, and flexible.

Best of all, it complements and amplifies the outstanding community service of the Observer Newspapers. And that's something we at Schoolcraft College especially value.

Again, thanks very much for your time and hospitality, and that of your staff members who made our visit so enjoyable.

C. NELSON GROTE,
President, Schoolcraft College

Gas Leak Crisis Has Overtones

PLYMOUTH

A tragedy that was narrowly averted early Tuesday morning brought a stern warning about carbon monoxide from Plymouth Fire Chief George Schoenneman. Firemen were called to the home of Nancy Widmier, 633 Fairground, at 5:36 a.m. Tuesday to investigate a gas leak.

Tests of the gas odor revealed that it was carbon monoxide which had been filling the house from the furnace.

Mrs. Widmier had discovered the odor when she was awakened by her children, ages 3 and 5, who were crying and complaining about feeling nauseous. None of them apparently were seriously injured by the gas, Schoenneman said.

Epiphany Will Host Welfare Reform Talk

PLYMOUTH

A program on welfare reform will be held by the Epiphany Lutheran Church and the Women's International League for Peace and Freedom at 8 p.m. Dec. 4 at the church, 41390 Five Mile Road.

The meeting will feature the film, "None of My Business" and a speaker from the Leadership Conference for Welfare Reform.

AUTO SHOP STUDENTS at Plymouth High School have a new Ford engine, rear axle and transmission to work with as the result of a recent presentation by the Ford Division and Leo Calhoun, local Ford dealer. Giving the engine the once-over are (from left) PHS Principal Bill Brown, Bill Theakston, Ford's zone manager for customer services; 11th grade students John Nuoffer and Paul Roman; Calhoun and PHS instructor Tim Gould. PLYMOUTH COMMUNITY SCHOOL DISTRICT Plymouth, Michigan BOARD OF EDUCATION MINUTES

A special meeting of the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held on Wednesday evening, November 10, 1971, in the Board Room of the Administration Building, 1024 South Mill Street, Plymouth, Michigan. President Hulsing called the meeting to order at 8:00 p.m.
Present: Members Graves, Hanksat, Hulsing, Lawton, Ohno and Sick. Absent: Member Penar.
Administrators present: Superintendent Rossman, Assistant Superintendents Blunk, Gibson and Hoben, Director Gaertner and Supervisor Gobie. Others present: Warren Groth and Robert Wakely, Wakely Kushner Associates, Inc., and contractors interested in the bidding.
President Hulsing announced the opening of bids for Canton High School Phase II at 8:00 p.m.
Secretary Sick opened and publicly read the following bids:
(Tabulation of bids is part of the permanent records.)
President Hulsing referred all bids to the Architect for review and recommendation to be returned to the Board on November 23, 1971.
It was moved by Member Lawton and seconded by Member Sick that the meeting be adjourned.
Ayes: Members Graves, Hanksat, Hulsing, Lawton, Ohno and Sick. Nays: None.
The motion was carried.
The meeting was adjourned at 9:00 o'clock p.m.

Respectfully submitted,
WILSON W. SICK, JR., Secretary
Board of Education

TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES REGULAR MEETING NOVEMBER 23, 1971

The meeting was called to order at 8:00 P.M. by the Supervisor. All members were present.

READING, CORRECTING AND APPROVAL OF MINUTES - Regular Meeting, November 9, 1971. Mrs. Holmes called attention to page 5 under item 6, "Brender-Hamill & Associates, Re: Township participation in the cost of increasing the 8" main to 12" on I-275 at Ann Arbor Trail," in which a word is missing, and the sentence should read: "Township participation in the cost of increasing the 8" Water main to 12" on I-275 at Ann Arbor Trail." There being no further corrections, Mr. Overholt moved that the minutes be approved as corrected. Seconded by Mr. Burke and carried unanimously.

READING, CORRECTING AND APPROVAL OF BILLS Following the review of the List of Bills, and a few comments, but no additions or corrections, Mr. Ash moved that the List of Bills in the grand total amount of \$25,000.18 be approved by the Board for payment. Seconded by Mr. Millington and carried unanimously.

OLD BUSINESS - Don Morgan, Re: Rights of Township Officials to Sign Building Permits. In his communication, Mr. Morgan answered the question of whether anyone in the Township can legally issue or sign a building permit or remodeling permit, other than the building inspector for the Township, by stating "The Township Building Inspector has the sole power and authority to issue building permits pursuant to the applicable Township Ordinances." Then following a short discussion on matters discussed in previous meetings, as well as commented upon in the present communication, regarding an amendment to Ordinance No. 6, Mrs. Holmes moved that the Board instruct the Township Attorney to prepare for the next meeting, the language for adoption by reference of the 1970 Code in Ordinance form. Seconded by Mr. Ash and carried unanimously.

Elizabeth Holmes, Re: Method of Financing or Payment of 2000 Gallon Pump. Mr. Ash moved that the Board authorize the treasurer to place \$27,000 of the Five Department Equipment Funds in escrow certificates to cover purchase price of the above-mentioned pump. Seconded by Mrs. Richardson and carried unanimously.

NEW BUSINESS - Plymouth Township Planning Commission, Re: Rezoning from M-2 to C-2 (East 41 acres) and R-3A (west 36 acres) of property located on the southwest corner of Sheldon and 5 Mile. In opening this subject matter, it was advised that Application No. 165, presently under discussion, had received recommended denial by the Township Planning Commission, and denial by the Wayne County Planning Commission. Mr. Saunders, the Petitioner, then came before the Board, and having requested and received permission to speak on his application, first of all displayed an architectural rendering of their proposed buildings for the C-2 area, comprising 41 acres. He stated that this would include 2 office buildings, an enclosed mall with a major shopping tenant, etc., and that it was his feeling this type of development was desirable for the area. Further, he stated that they had waited approximately three years to make an orderly development, although they could have sold the acreage on a piecemeal basis. He then asked the Board consider only the request for C-2 inasmuch as the consensus of opinion as to the R-3A had not been favorable. Mr. Breen suggested that in his opinion the proper action at this time would be the application split and consideration of the C-2 portion only, and he then read the following from the opinion submitted by the Township Attorney: "That the matter of the number of applications and procedure for handling a single or multiple of applications is a policy determination to be made by the Planning Commission which should take into account the Board of Trustees actions relating to the establishment of Planning Commission fees. In regard to the publishing of notice of public hearing for proposed rezoning applications, so long as the provisions of Section 125.204 and 125.279, M.C.L.A. have been met, the resultant action upon the proposed rezoning is in the discretion of the Planning Commission and the Board of Trustees." In his capacity as the representative of the Board on the Planning Commission, Mr. Ash stated that he believed some members of the Commission felt that the commercial development for this acreage had merit, but there had been no indication from any member of the Commission that the R-3A was meritorious. The Township Attorney having indicated that splitting the petition would not be in opposition to the ordinance or any of the Township statutes, Mrs. Holmes moved that Application No. 165 be divided into two separate petitions, one covering the request for rezoning from M-2 to C-2 (east 41 acres) and one from M-2 to R-3A (west 36 acres). Seconded by Mrs. Richardson. The following roll call vote was taken: Ayes: Burke, Holmes, Ash, Richardson, Breen, Nays: Millington, Overholt. The motion carried. Mr. Burke then moved that the Board accept the withdrawal of that portion of Application No. 165 which refers to the request for rezoning from M-2 to R-3A. Seconded by Mrs. Richardson. In the discussion on the motion, the procedure of the Planning Commission regarding withdrawal of petitions was commented upon. The question was called and the following roll call vote was taken: Ayes: Burke, Holmes, Richardson, Breen, Nays: Millington, Overholt, Ash. The motion carried. Mrs. Richardson then moved that the Board approve the rezoning from M-2 to C-2 of the east 41 acres of the property located on the southwest corner of Sheldon and Five Mile Road. Seconded by Mr. Burke. The following roll call vote was taken: Ayes: Holmes, Burke, Richardson, Breen, Nays: Ash, Overholt, Millington. The motion carried.

Florence E. Nelson - Co-Chairman, Fly. Youth, Inc., Re: Use of Township Address-O-Graph to run envelopes for a fund raising program. The policy of the Board being not to donate public money or facilities, Mrs. Richardson moved that the Board deny this request. Seconded by Mr. Overholt. The following roll call vote was taken: Burke, Overholt, Holmes, Ash, Richardson, Breen, Nays: Millington. The motion carried. It was suggested that alternatives be offered.

Walter A. Barnes, 1832 Brookwood Dr., Re: Requesting the Board to take some action to remove the unwarranted noise and safety hazard in the open field behind Woodbrook Subdivision. In his communication, Mr. Barnes stated that these mini buses, motorcycles, dune buggies were being driven in the area west of Brookwood by unlicensed drivers and were creating a hazard in the Woodbrook Subdivision. In opening the subject matter, Mr. Breen advised that there was no ordinance in the Township to control this situation. He then asked for comments from the audience. Mr. Walter Barnes thanked the Board for putting this matter on the agenda, and then he pointed out that this hazard was not only in the open field, but on the sidewalk and in the streets that are used to get to the open field, that participation in this activity is steadily increasing and under the guise of coming into the area. He concluded by asking the Board's cooperation in stopping this activity. Several people spoke in support of Mr. Barnes' remarks. In the discussion, Mr. Morgan advised that the only legal recourse for help at the present time in this matter was through the Michigan State Police or Wayne County Sheriff's, particularly if motor vehicles were being driven in the street in violation of the motor vehicle code. Also, he suggested that the owner of the property be contacted to ascertain if some type of sign or barriers could be installed

in that area. In concluding the matter, Mr. Breen stated that the Township Attorney would be asked to investigate and determine if an ordinance to curtail this activity could be passed, and Mrs. Richardson asked Mr. Breen to notify the owner of the property and the Sheriff's office and Michigan State Police would be asked to cooperate in curtailing this nuisance.

Burroughs Corporation, Re: Purchase of Protectograph Signer. Mrs. Richardson advised the Board that a proposed payroll procedure handled by Burroughs Corporation had been tried, but it was not advantageous to the Township, and the Burroughs Corporation are now requesting that this matter be terminated for a sum of \$650, with the understanding that the Township would keep the Protectograph. Following discussion, Mr. Millington moved that the Board not accept the offer made by Burroughs, and that no payment be made inasmuch as the service was unsatisfactory and not in accordance with their original recommendation. Seconded by Mr. Overholt and carried unanimously.

Maurice Breen, Re: Appointment of Member to Planning Commission to fill unexpired term of Harper Stephens to July, 1972. Mr. Breen advised that the Board was very fortunate in having three very qualified applicants, that it had been a very difficult decision to make, but that he was recommending the appointment of Robert J. Dart, 9272 Westbury, to the Planning Commission. He then summarized his qualifications. Following a short discussion, Mr. Ash moved that the Board concur in the recommendation of the Supervisor and appoint Mr. Dart to the Planning Commission to fill the unexpired term as mentioned above. Seconded by Mr. Burke. The following roll call vote was taken: Ayes: Ash, Burke, Breen, Nays: Millington, Holmes, Overholt, Richardson. The motion failed.

Maurice Breen, Re: Re-appointment of Elizabeth Hartwick (D) and Robert Kenyon (R) to the Board of Canvassers. Term ended December 31, 1973. Mrs. Holmes moved that the Board concur in the recommended reappointment to the Board of Canvassers of Elizabeth Hartwick, 43448 Clemens Drive, and Robert Kenyon, 11997 Brownell Ave. Seconded by Mr. Overholt and carried unanimously.

Austin Stecher, Chm. Plymouth Twp. Board of Appeals, Re: Appeals from Board of Appeals Decision. In discussion on this subject matter participated in by the Board members and Mr. Morgan centered around action and discussion in the meeting of October 26, 1971 and November 9, 1971. Following this, Mr. Ash moved that the record of the Board should indicate that the Township Board in its previous action meant to instruct the Township Attorney to present a new fence ordinance as a means of establishing permit and fee schedules. Seconded by Mr. Overholt and carried unanimously.

Jack A. Price, Secretary - Plymouth Goodfellow, Re: Permission to sell annual Goodfellow Newspapers in Fly. Twp. on Saturday, December 11, 1971. Mrs. Holmes moved that the Board approve the request of the Plymouth Goodfellow as mentioned above. Seconded by Mr. Burke and carried unanimously.

Eric Caplin, Re: Permission to sell Christmas trees on Ann Arbor Road, property adjacent East of Commonwealth Bank, also on N.W. Corner of Sheldon and Ann Arbor Rd. Mr. Ash moved that the Board approve the request of Mr. Caplin as stated above. Seconded by Mr. Millington and carried unanimously.

Thomas R. Workman - Principal, Allen School, Re: Urging Township's support and assistance in the establishment of a reasonable and proper limit for traffic speed on Haggerty in front of Allen School. Mr. Breen suggested that this subject matter and the item following, be considered by the Board at the same time. There being no objection, it was so ordered.

Phyllis H. Sullivan, Re: Financing a lighted crosswalk over Haggerty Rd. at Allen School. Mrs. Sullivan came before the Board and asked for assistance in obtaining a flashing school sign indicating a 25 m.p.h. speed limit. Mr. Breen advised that the Road Commission had agreed to contribute 50 per cent of the cost of the installation, and asked if the Board could contribute a share of the total cost of \$1600. Mr. Workman, being in the audience, advised that the Board of Education on November 8, agreed to appropriate up to \$500 for the flashing sign. Following discussion, Mr. Millington moved that the Board contribute 25 per cent of the cost of the flashing sign for the above-mentioned location, along with the school board contributing 25 per cent of the cost, and Wayne County contributing 50 per cent. Seconded by Mrs. Holmes and carried unanimously.

Joe Bida, Re: Purchase of new sewer Equipment Machine. At a cost of \$2,450 per foot for a total of \$1,470.00, to be paid from Acct. No. 603. Mr. Ash moved that the Board concur in the request made by Mr. Bida and approve the purchase of 600' plastic hose for sewer cleaning as outlined in his communication of November 18, 1971. Seconded by Mr. Overholt and carried unanimously.

James Gilmac, Re: Requesting transfer of funds, from account 340-060, Education & training, to Acct. 340-063, Auto & Truck Mtr. Mrs. Richardson moved that the Board approve the request for transfer of funds. Seconded by Mr. Burke and carried unanimously.

Approval to join with the City of Plymouth in paying for the Centerfold sheet of "The Plymouth Story" (one side will be City of Plymouth, the other, Plymouth Township. Cost \$625.00 each municipality.) Mr. Overholt moved that the Board refer this matter to the Area Planning Commission for determination and possible use of their funds. Seconded by Mr. Millington and carried unanimously.

Maurice Breen, Ralph Alloway, Re: Request from Ralph Alloway for Vacation time, Nov. 22 - 25, and Dec. 28 to 31. Upon suggestion by Mr. Breen, and there being no objection, it was determined that this would be considered with the following agenda item.

Maurice Breen, Re: Recommendation for Asst. Building Inspector Following discussion, it was determined that the request for vacation time by Mr. Alloway was not properly before the Board. Mrs. Richardson then moved that the Board concur in the recommendation by the Supervisor that Mr. Ernest Pelon, 11280 Southworth, be hired as assistant building inspector, effective immediately, at a salary of \$9700 per year, and \$9000 after three months probation. Seconded by Mr. Millington and carried unanimously.

RESOLUTIONS - Wayne County Drain Commission, Re: Resolution authorizing Municipal Officials to sign a petition, which will set in motion improvements to the Township Creek. Mr. Ash moved that the Board adopt the resolution petitioning Wayne County Drain Commission to establish a Wayne County drainage district as outlined in their two letters of November 1, 1971, relating to the improvement of the north and south branches of the Township Creek as it extends down through Northville Township, City of Plymouth, Plymouth Township, Canton Township and Westland. Seconded by Mrs. Richardson and carried unanimously. Following this, Mr. Overholt moved that the Board recommend Brender-Hamill and Associates, Inc., as its consulting engineers on the aforementioned project. Seconded by Mr. Ash and carried unanimously.

Mr. Ash moved to adjourn the meeting. Supported by Mr. Overholt. Supervisor Breen adjourned the meeting at 12:22 A.M. November 24, 1971.

Approved, **MAURICE BREEN, Supervisor** Respectfully submitted, **HELEN RICHARDSON, Clerk**

The Stroller ... Coin Has 2 Sides

It's always good practice to look at the other side of the coin.

For the past several years, folks have looked aghast at the young generation with its modern dress, long hair, beards, lengthy sideburns and such things as mini - skirts and hot pants.

Just as often as not they took a look and then sighed: "What's going to happen to the NOW generation?"

WELL, PERHAPS in this day and age, it is more difficult to distinguish the boys from the girls by looking at their mode of dress.

But that is only one side of the coin.

You should take a good look at the other side.

The Stroller had this privilege during the past week, and what he saw was more than satisfying that we have nothing to fear with the Now generation.

It was his pleasure to attend three banquets honoring football players from the high school level up through the university plateau and it would have done anybody's heart good not only to see them in other than football togs but to hear them when taking turns at the podium.

JUST A week ago The Stroller was a guest at the dinner tendered the undefeated Southfield - Lathrup squad, and it was a revelation.

Here was a group of young men who suddenly had been sprung to fame after being ignored in the football polls most of the season. It had reached all its goals, retained a league title and been honored with No. 2 rating in the state.

Surely, this was enough to cause a bit of strutting ... prideful strutting at that.

Instead, as the first Lathrup team ever tendered a civic banquet, the kids took their tumults of praise in the most humble fashion. In fact, some of them who charged their rivals with reckless abandon on the playing field actually blushed as they stood up to thank their hosts and pay tribute to the coach who guided them to the lofty heights.

Then, at Cobo Hall, The Stroller had the pleasure of listening to the 19 seniors on the undefeated Rose Bowl bound Michigan squad as they said their "good - byes" - some with tears in their eyes. Even those chosen for All-American honors stood up

before the packed throng and not only thanked their coaches for guiding them, but in most cases, introduced their fathers and publicly thanked them for the part they played in making their education - and this big moment - possible.

IT WAS the same at the Plymouth Elks the next night when Bo Schembechler, the Wolverine coach, led in paying tribute to the Plymouth High School team - a team that never gave up and fought against odds to the very last.

These clean - cut lads, in turn, accepted the thanks modestly, and one need have no fear that these young men will not continue the rich American tradition when they finish their athletic careers and enter into the business world.

One of those who helped pay tribute to the Michigan team was Major Jack R. Loumsa, USMC, a member of the astronauts.

Admittedly a third stringer on the football team when he attended Michigan, he spoke of the great achievements of the space age.

As the major spoke, The Stroller couldn't help reminding himself and asking...

"Isn't this one of the younger generation we were so worried about only two decades ago?"

"Yes, sir, it was this generation that took us to the moon."

So, you see, it ofttimes

Future MDs Begin Clinical Training

EAST LANSING
As part of a Michigan State University plan to encourage medical students to practice in Michigan, 32 future physicians recently began 18 months of clinical training in community hospitals throughout the state.

They are members of the first class slated to receive the M.D. degree from Michigan State in 1972.

Dr. Andrew D. Hunt Jr., dean of MSU's College of Human Medicine, says the program is designed to give students a perspective different from what they might receive at most university medical centers or teaching hospitals dominated by medical school faculties.

Forecast: 1972
\$1.14 Trillion GNP

ANN ARBOR
An increase in gross national product (GNP), a decline in the rate of inflation and a decrease in unemployment are predicted for 1972 by University of Michigan economists.

The level of expected gains is tied to the success of President Nixon's "new economic policy," according to Prof. Saul H. Hymans and Harold T. Shapiro, who presented details of their 1972 forecast recently.

The economic forecast, prepared annually by the Research Seminar in Quantitative Economics, is based on the U-M's quarterly econometric model. The latest forecast includes these highlights:

"WE FORECAST current dollar GNP to increase by about \$32 billion, reaching a level of \$1,143.6 billion for the year. This amounts to an increase of 8.75 per cent, compared to 7.9 per cent now projected for 1971. With the rate of inflation projected to decline to about 3 per cent, this corresponds to an increase of nearly 5.75 per cent in the volume of output (constant dollar GNP).

"We forecast an unemployment rate of 5.3 per cent for the year as a whole with a steady decline from 5.7 per cent in the current quarter to 4.9 per cent in the last quarter of 1972. We expect an 11.2 per cent increase in corporate profits for the year as a whole. This corresponds to an increase of about 14.5 per cent in corporate cash flow.

Over the coming year and a half, the U-M economists forecast an average annual growth of real GNP amounting to nearly six per cent.

"The principal contributors to growth in the first half of 1972 are consumer ex-

penditures on all durables which rise at an annual rate of 7.35 per cent and inventory accumulation which undergoes an expansionary swing of over \$4 billion (1968 prices)," Hymans and Shapiro reported. "For this half year real output expands at an annual rate of 5.5 per cent.

"THE RATE of growth during the second half of 1972 is substantially higher, rising to an annual rate of 7 per cent. This is the result of three significant factors.

"First, an increase of about \$8 billion (annual rate) in social insurance transfer payments is projected to be paid to individuals under provisions of the House Welfare Bill (HRI).

"Second, the investment tax credit begins affecting business capital spending by mid-1972.

"Finally, the second round of U.S. dollar devaluation is projected to become effective at mid-year and to improve net exports in constant dollars by \$1.5 billion in the third quarter.

"Substantial real growth continues into the first half of 1973, though at a more moderate pace than in the preceding half year. Business capital spending, net exports and government purchases are forecast to be the principal growth sectors over this period."

THE U-M economists forecast for 1972 that "residential construction activity will continue at the high levels characteristic of the last half of 1971, but we expect very little further growth in activity. For the year as a whole we forecast 2.1 million private housing starts compared with the 2 million now projected for 1971."

Hymans and Shapiro project a strong likelihood for success of the President's Phase II wage-price program and on this basis forecast wage and price increases of 6.1 per cent and 3.0 per cent respectively for 1972.

The U-M economists stress that "... an achievement of this magnitude would result in a substantial weakening of the momentum of inflation, and would therefore permit the Pay Board and Price Commission to begin to ease their degree of control over individual wage and price decisions. Indeed, by the end of 1972 we expect to be in Phase III—a situation roughly corresponding to a voluntary compliance guideline policy."

The forecast goes on to wage and price behavior for the first half of 1973:

"This is the first half year of our assumed Phase III period. We forecast a modest rise in the rates of increase of both wages and prices relative to the last half of 1972.

"Specifically, we expect compensation per manhour to be rising at an annual rate of 6.5 per cent, compared to 6.3 per cent in the last half of 1972, and prices to be rising at an annual rate of 3.2 per cent, compared to 3 per cent in the previous half year. These modest and clearly acceptable increases depend very heavily on our assumption that the Phase II experience will have broken the momentum of inflationary expectations."

A MEASURE of the benefits in the success pattern which the economists have assumed for the president's wage-price program is indicated in an alternative forecast which differs from the one presented above in two main respects:

1. It is assumed that the Phase II program collapses in disarray almost immediately.
2. It is further assumed that under these conditions,

Eichhorn Takes Course

William F. Eichhorn, assistant vice president of the Livonia National Bank, recently completed a two-week course in the National Commercial Lending School on the campus of the University of Oklahoma.

Eichhorn, 36118 Canyon Drive, Westland, is one of 300 bank lending officers to complete the course.

Sponsored by the American Bankers Association, the course involved a concentrated training program in all aspects of commercial lending using case studies and a management "game" to illustrate the fine points of commercial credit.

Low-Rise Apts. Show Profit Hike

Owners of low-rise apartment buildings with more than 25 units had the greatest percentage increase in net operating income during 1970, according to the 1971 edition of the Apartment Building Income Expense Analysis.

The Institute of Real Estate Management, of the National Assn. of Real Estate Boards, publishes the statistical compilation annually.

It reveals that the actual income figure nationally for low-rise apartment buildings of more than 24 units was 24 per cent higher than the 1969 report. This type of building places well ahead of the 9 per cent increase for low-rise buildings of 12-24 units.

Income for garden-type buildings increased 8 per cent, while elevator-type high-rise buildings went up a mere 0.8 per cent.

IN DOLLARS - PER ROOM, the figures show: low-rise buildings, 25 units and over, up \$44.15, to \$344.92; low-rise buildings, 12-24 units, up \$14.52 to \$173.11; garden-type buildings, up \$16.22 to \$204.96; and, elevator-type high-rise buildings, the exception to the upward trend, up only \$2.75 to \$324.21.

Operating expenses, as expected, continued to rise during 1970 for all types of buildings reporting, climbing six per cent nationally over the 1969 reported experience.

The areas of greatest increase were payroll, maintenance and repairs, and utilities (gas, electricity, and water).

The costs of insurance remained fairly stable during 1970, at \$35 per room, while taxes rose an average of about four per cent nationally.

The general trend shows decreased tenant turnover rates for garden-type buildings (down eight per cent

to 39 per cent); low-rise structures, 12-24 units (down five per cent to 31 per cent; and elevator buildings (down two per cent for 1970).

Low-rise buildings, 25 units and over, were the exception to the trend, showing a five per cent increase in tenant turnover vacancies to 35.8 per cent.

Downtown Development Plan Will Have Help Of Architect

PLYMOUTH Its three-pronged attack on the problems of the CBD were defined in Black's "Market Analysis for an Action Program" as being:

"1. A market study to determine which economic activities could succeed and the potential scope of these activities.

"2. A set of alternative development concepts based upon the findings of the market study.

"3. Effectuation of a course of action based on the market study and in the alternative development concepts. This would involve seeking out a developer who would work within this framework."

Black commented in his market report:

"This study completes the requirements for part one of the three-part effort to revitalize Plymouth's Central Business District.

"Upon its adoption by the committee and the commission, phase two of the program should be begun as quickly as possible, for it is this phase which will answer the important questions of what type of development, when, where, and how much will it cost."

RECOGNIZING that "time will add to the population," the Black market study said in its summary that based upon number of present households, anticipated developments and average family income in the area within a four mile circle of the CBD:

"The potential retail dollar volume within this circle is \$100.186 million. Discounting for competition, the Plymouth CBD could theoretically attract another 286,321 square feet of retail space."

THE REPORT continued:

"Based on good planning, it is recommended that only 160,000 to 196,000 square feet of new retail space be constructed in the CBD.

"A. A department store of 90,000 to 120,000 square feet.

"B. A supermarket of 20,000 square feet.

"C. A family clothing store of 5,000 to 6,000 square feet.

"D. A large furniture store of 15,000 to 20,000 square feet.

"E. A drugstore of 10,000 square feet.

"F. A shell into which 20,000 square feet of miscellaneous retail space could be accommodated on a flexible basis.

"The above development be planned as a center in order to create maximum puffing power.

"A parking garage with 500 to 600 spaces be built by the city, planned as an integral part of the center.

"An architect be hired immediately to turn these concepts into a plan which can be shown to a prospective developer.

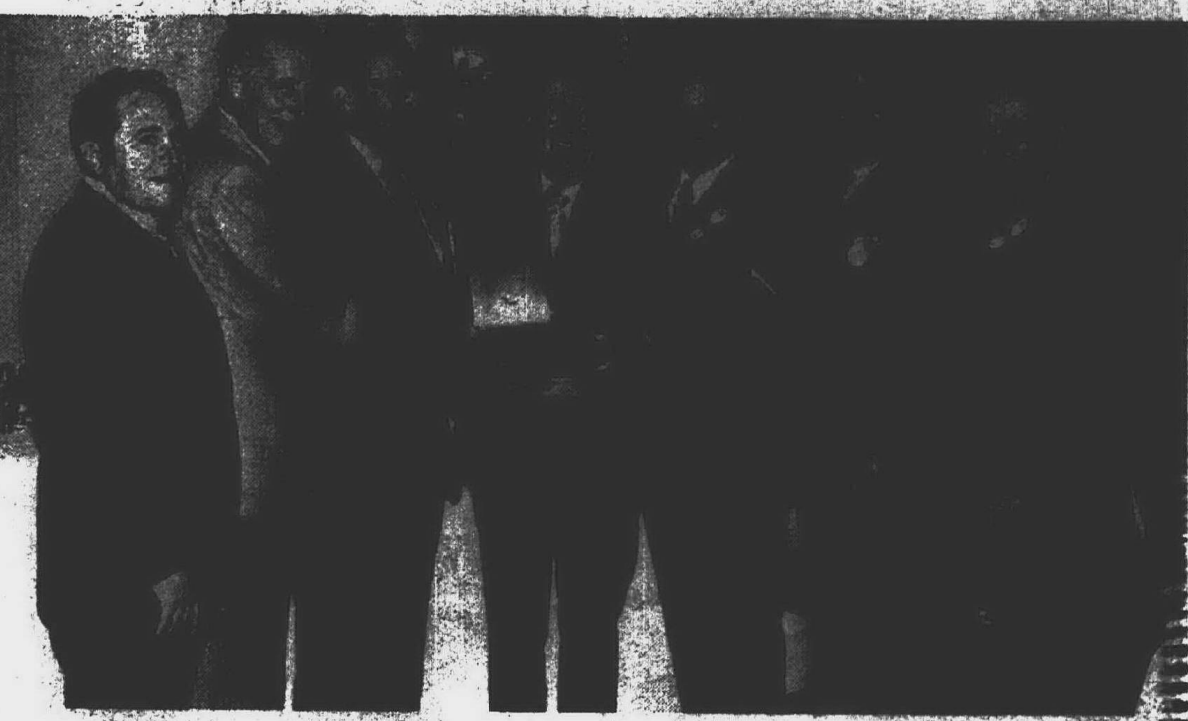

"A funding plan for the necessary improvements, be developed. It should be based on the architectural plan.

"Speed is of the essence. Should a large shopping center be developed in one of the surrounding townships before Plymouth moves ahead, it might very well destroy not only the potential for growth in the CBD but may also seriously affect existing establishments."

BLACK REPORTED that the final draft of his market study will include minor editing and corrections based upon a questionnaire being circulated among merchants, plus completion of the architect's work.

Black, in a letter of Nov. 24 to City Manager Norman Gaffney, made the statement, "When I began work, the concept we had in mind was that we would produce a market report only and that upon completion I would be paid for phase one. The new concept requires that I wait until the questionnaire and the architectural work be completed before printing the report.

"I feel that under the circumstances I am entitled to all or a major portion of my fee for phase one.

CHRYSLER-PLYMOUTH DEALERS of metropolitan Detroit received the "Big Eye" trophy from the United Foundation for setting several records in the 1971 Torch Drive. The 28 dealers made the highest per capita gift ever given by an automobile dealer group. The trophy was presented by Joseph M. Kerigan Jr. (center), vice president of Chrysler, on behalf of the foundation. Dealers were represented at the presentation by (from the left) Dominic R. Marino of Plymouth, Bill Snethkamp of Highland Park, James Riehl of Roseville, Dalton Mullins of Troy, Don Barrett of Detroit and Hugh McVeigh of Detroit.

Youth Symphony's Opening Concert To Be Wednesday

PLYMOUTH The Plymouth Youth Symphony Orchestra will present its opening concert at 8 p.m. Wednesday at the Plymouth High School auditorium.

The program will include several yule-time selections and is free. Senior citizens who wish to attend the concert and need transportation may contact Mrs. Paul Pennybacker of 41441 Greenbriar Lane.

The 72-member symphony will be directed by H. Michael Endres assisted by Dr. Carlyle Hume.

SELECTIONS for the program are: "Fanfare for the Common Man," conducted by Dr. Hume; "St. Lawrence Overture;" fourth movement of symphony No. 5 by Dvorak; "The Christmas Suite" which includes several Christmas favorites; the "March and Procession of Bacchus;" "Variations on Joy to the World;" and "Camelot."

Members of the youth symphony include: Paul Albert (concertmaster), Donna Folks, Lynn Gardner, David Doty, Gail Schulteis, Matt Pittaway, Elena Terry and Paul Pongor, all playing first violin;

Lisa Toth, Kim Garthe, Kathy Harrington, Marion Heindrych, Sue Almquist, Charles Chen, George Theos, Bev Allen, Dan Heard and Cindy Fitch will play second violin.

"Playing violas are: Liz Moehle, Rebecca Hooth, Barb Smith, Laura Gardner, Janice Macquenn, Karen Meek and Brian Bennett. Laura Jender, Kevin Crutcher, Kathy Knopf and Sally Rocco will play cello.

Charles Wells, Libby Glover and Brian Pennybacker will play string bass; Linda Lowing, Karen Routson, Jane Visser, Peggie Muller and Carrie Lalbrand will play flute.

PLAYING OBOE will be: Nina Sartori, Mary Schroeder, Elaine Guregian and Carol Leamester; Diane Barber, John Nichols, Laura Clements, Kathy Meacham, Nancy Horstmann and Mark Chatterly will play clarinets.

Tom Owens and Andy Powell will play bass clarinet; Sue Desch and Candy Miller will play bassoon; Dan Kabel, Steve Hawkins, Steve Pytkas and Kerry Leitch will play French horn.

Playing trumpet are: Jean Moorehead, Bill Lucas, Dan Moyer, Jeff Person and Jeff Hausman; Jerry Moyer, Jeff Kelterborn, Jack Overhiser and Paul Bachelder will play trombone; Doug Sartori will play tuba.

The percussion section will include: Jim Person, David Vaughn, Bill Sweeney, Jim Schlots and Jim Pains. Bob DeLano will play alto sax and Janis Shier will play piano.

Louise Hutton Will Celebrate 90th Birthday

Mrs. Louise C. Hutton, a long-time Plymouth resident now of Kalamazoo, will celebrate her 90th birthday Dec. 9.

To honor the occasion, an open house is planned for 2 to 4 p.m. tomorrow (Sunday) at the Millwood United Methodist Church in Kalamazoo.

Mrs. Hutton was born in Wattenburg, Germany in 1881 and came to Plymouth with her family when she was four. She lived in the Plymouth area 94 years until 1969 when she moved to the Senior Citizens Merrill Residence, 475 W. Lovell St., Kalamazoo.

In 1901 she married Robert F. Hutton. She has two children, Blanche C. Hare of Williamson and Henry C. Hutton of Cleveland, Ohio; she has three grandchildren and six great-grandchildren.

THE PEOPLE PLEASE!

Singletons Meet Dec. 9

The Dearborn-Livonia Singletons will hold their Christmas dinner social on Thursday, Dec. 9, in Vladimir's Terrace Room, 2625 Grand River, Farmington.

The evening will start with a social hour at 6:30, followed by dinner at 7:30.

Persons who are interested in learning more about Singletons may receive a news letter regarding future activities by writing P.O. Box 2775, Fort Dearborn Station, Dearborn, 48124.

DICK BENSEK

Brillat-Savarin once wrote, "Animals feed; man eats; the man of intellect alone knows how to eat." And only a man of intellect could have first discovered how to cook what is now so popular -- a fillet of beef with mushrooms. To cook for a family, saute a pound of mushrooms in 3 T. butter for 5 minutes, sprinkle with salt and pepper, and 2 T. flour to brown lightly. Add 1 C. of heavy cream, cook to the boiling point, then simmer 5 min. Brown 5 fillets of beef, add salt, pepper and 4 T. of sherry, bringing it to a boil. Place the mushrooms in the center of a platter, arrange the fillets around them, and serve. Certainly a simple thing for a man of intellect to cook...but to eat it, that is the real brilliance!

Discover for yourself what our regular patrons already know--Delicious food, fine service and a relaxing atmosphere are always found at **DANISH INN**, 32305 Grand River Ave., 476-5320. Our menu features 33 entrees with a number of Danish Dishes. Hours: 11 a.m. - 2 a.m. with dinners during the week till 10 p.m., Fri. and Sat. till 1 a.m. Reservations on Weekends.

HELPFUL HINT: In an emergency, a hammer serves as a fine garlic presser! Just put the garlic between two pieces of wax paper, and Wham!

"THE MIKADO" will be staged Dec. 8 to 11 in Lydia Mendelssohn Theatre, Ann Arbor. Koko, played by H. Don Cameron (left), makes a 30-day loan of his betrothed Yum-Yum (Ashley Putnam) to Nanki-Poo (Jim Bryan) in a plot to save his head, but finds the arrangement not completely to his liking. Tickets will be on sale at the theater box office up to curtain time.

'Mikado' To Open At U-M

ANN ARBOR
The University of Michigan Gilbert and Sullivan Society will present six performances of "The Mikado" from Dec. 8 through 11, in the Lydia Mendelssohn Theatre on the U of M campus.

Performances will be at 8 p.m. Dec. 8, 9 and 11. On Dec. 10, there will be two per-

formances, at 7 and 9:30 p.m., and there is also a Saturday matinee Dec. 11 at 2 p.m. Tickets are available at the theatre box office to curtain time on performance dates. Musical director is Bradley Bloom and the dramatics director is Herb Motley. Jim Brown is technical director. The cast consists of nine

principals and 20 chorus members. The University Theater Orchestra will provide the music. "The Mikado" is considered one of Gilbert's most biting satires on British society, but the characters and the music are universal and timeless. The society is now in its 25th season.

Memorial Art Exhibit Set

A memorial exhibit of paintings and sketches by James W. Ashcroft will be held Dec. 3 to 6, from 10 a.m. to 5 p.m., in the Universalist-Unitarian Church, 25301 Halstead, Farmington.

Ashcroft, whose home was in Detroit, taught adult art education classes in the suburbs for many years.

Farmington 'Twins' Will Open Dec. 10

Observerland's newest motion picture theater, The Old Orchard 1 and 2, will be opened Friday, Dec. 10, with a presentation of "Scrooge." Santa Claus will be on hand to greet children and parents, as well as pass out free balloons and candy canes Friday afternoon.

The Old Orchard 1 and 2, located on Orchard Lake Road, north of 12 Mile, Farmington Township, is a free-standing building of contemporary design. Two complete theaters are joined by a spacious lobby. Combined seating capacity of the twin theaters is approximately 1,200 persons. A long covered walkway along the two sides of the building

adjacent to the corner box office borders the large lighted parking area. Access is from Orchard Lake Road. Mrs. Dale Killen Young has been appointed manager of the new theaters. She was previously manager of the Norwest Theatre, and was chosen Michigan's "showman of the year" in 1970, an award granted annually by the National Association of Theater Owners of Michigan. Suburban Detroit Theatres, Inc., Southfield-based theater chain, owns the new center. The company has opened 10 new theaters during the past decade, including Northland, Terrace, Towne 1 and 2 and Fairlane. The firm is headed by Eugene and Richard Sloan.

WSU Chorale Plans Concert

DETROIT
The Wayne State University Women's Chorale will present a concert of sacred and secular music at 8:30 p.m., Friday, Dec. 10.

The Detroit premiere of "Three Ways of Looking at a Blackbird" by Jim Hartway for soprano, flute, piano and percussion ensemble, will be featured.

The concert will be held in the Community Arts Auditorium, Cass and Kirby.

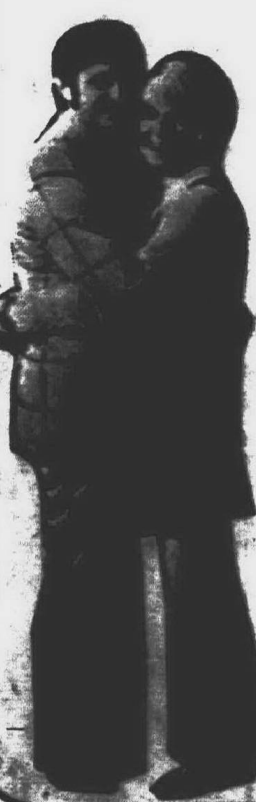

Mercy Stages Greek Drama

"The Trojan Women," a Greek tragedy written more than 2,500 years ago, will be presented in an actor's workshop production by the Mercy College of Detroit speech and drama department.

The play will be performed nightly at 8 p.m., in McAuley Auditorium, 8500 West Outer Drive, from Wednesday, Dec. 8, through Saturday, Dec. 11. General admission is \$1.50 per person.

THIS QUARTET working to expand a new Plymouth - Northville branch of the Church of Jesus Christ of Latter Day Saints includes (from

left) Elder Ken Kiesling, John Tripp, Elder Lynn Bagley and William Hanson, branch president. (Observer photo by Bob Woodring)

In Plymouth Area

New Mormon Branch

One of the fastest-growing denominations in Michigan is moving toward establishment of a new church, with yet another congregation preparing to set down roots in the near future.

The denomination is the Church of Jesus Christ of Latter Day Saints, also known as the Mormon church.

The new congregation is breaking off from the Livonia Ward, established only nine years ago, and will be established in the Plymouth-Northville area.

Later, indicated William E. Hanson of Plymouth, president for the new branch, there may be another split to establish another branch in the Garden City area.

"WHEN A CONGREGATION gets to number more than 600 or 700," Hanson said, "there just are not enough jobs to keep everyone busy, and we believe religion should be more than matter of attending church on Sunday."

"There are 275 jobs necessary in the operation of a branch church. So the tradition has been to split geographically when a congregation becomes a great deal larger than that."

Hanson heads some 120 Plymouth and Northville residents who actually separated from the Livonia congregation last March.

The group has been meeting separately since then, he said, but using the Livonia building at 31450 Six Mile.

"Now we're looking for a building in our own area to use," he said, "and after we move out, another group probably will be formed from the Livonia Ward, which still has over 600 members."

WITH THE ARRIVAL of two young Mormon missionaries from Idaho to work directly with the

Plymouth-Northville Branch, the congregation also has begun another search. This one is for a low-rent apartment for Ken Kiesling of Pocatello and Lynn Bagley of Victor to use as headquarters during their stay here.

"Mormon missionaries are assigned to new churches by the central church and come at their own expense," Hanson explained, "so a low-rent apartment is a necessity. They could also use a room with kitchen privileges."

Occupancy would be long-term, he added, because the young missionaries usually are replaced by others when their terms are completed. Anyone with a suitable rental to offer may contact Hanson at 44546 Marc Trail, Plymouth.

SOME FIGURES on the rapid rise of the Mormon church in this area were cited by John E. Tripp Sr., also of Plymouth.

"When I joined the church 21 years ago," he said, "there were just three congregations in the Detroit Stake - in Pontiac, Detroit and Ann Arbor. Membership was under 3,000."

"Now there are four stakes

in the metropolitan area with a total membership of around 20,000."

The Livonia Ward, he added, was formed of some 250 persons from the Detroit, Dearborn and Ann Arbor Wards. In nine years it trebled its membership, with the members themselves building a new sanctuary.

Tripp also had an explanation for the growth.

"The church was organized to prepare people for the second coming of Christ through direct revelation of Christ and the Heavenly Father," he said.

"So, assuming that belief is true, we have the message all mankind is waiting for."

The church's program of direct involvement of all members, its activities for women and youth and its missionary activity also are credited by these members with the large increase in membership.

The missionary program, said the two young elders, "gives people the opportunity to learn more about the church and its work." They said they make door-to-door visits in the communities

where they work but return for further teaching only if asked.

THE PLYMOUTH-NORTHVILLE branch already has activities for women in operation and a program for children four to 12 years of age each Tuesday afternoon in the First Presbyterian Church of Plymouth. All youngsters in the area are welcome, Hanson said.

Tripp also pointed out a prophecy in the Book of Mormon, used in conjunction with the Bible, which he believes has increased interest in the Mormon church in recent years.

"The book contains a history of the Indians of North and South America beginning 600 years before Christ," he said, "and it predicts that shortly before the second coming there will be a great increase in Indian acceptance of the doctrine."

"It's a fact that, while in the first 75 or 80 years of our church its membership was almost totally Anglo-Saxon, the greatest increase in recent years has been among Spanish speaking peoples, many of them Indian."

4 Churches Join Yule Concert

Four Garden City church choirs will combine voices for a pre-Christmas music festival at 7:30 p.m., Sunday, Dec. 5, in the First Methodist Church, 6443 Merriman.

Taking part will be the

children's and adult choirs from the Methodist Church, First Presbyterian, Good Hope Evangelical Lutheran, and St. David Episcopal.

"Christians Rejoicing" is the theme of the program.

Similar concerts have been held several times in the past.

Mrs. Elizabeth Fisher of the Presbyterian Church will direct the children's choir while Craig Leslie of Good Hope Lutheran will lead the adult choir.

AREA DEATHS AND FUNERALS

EMMA M. BEYER - Services for Mrs. Beyer, 84, of 35601 Five Mile Road, Livonia, were held in the Harry J. Will Funeral Home with Rev. Roger H. Schaefer officiating. Burial followed in Glen Eden Cemetery.

Born in Germany, Mrs. Beyer was a 35 year resident of the area. She died Nov. 26 at the Martin Luther Home in South Lyon. She was a member of Faith Lutheran Church.

Survivors include: a daughter, Mrs. Mildred Otto of Livonia; a son, Fred O. Beyer; a sister, Mrs. Anna Gunther; a brother, Walter Leeder; seven grandchildren; and 12 great-grandchildren.

GABRIELLE HANSEN - Services for Mrs. Hansen, 58, of 30451 Westworth, Livonia, were held at the R.G. & G.R. Harris Funeral Home with Rev. William

D. Wolfe officiating. Burial followed in White Chapel Cemetery.

An 11-year resident of the area, Mrs. Hansen was a member of the Spirit Lutheran Church. She died Nov. 29 at Sinai Hospital.

She leaves her husband, Carl.

EDNA M. BENNETT - Services for Mrs. Bennett, 63, of 10045 Evergreen, Detroit, were held at the Harry J. Will Funeral Home with Rev. William G. Wager officiating. Burial followed in Oakland Hills Memorial Gardens.

A member of the Evergreen Village Presbyterian Church, Mrs. Bennett died Nov. 25 at her home.

Survivors include: her husband, Floyd; a son, Robert Bennett of Plymouth; two daughters, Mrs. Michael Pos-

sort of Redford Township and Mrs. Alastair Lane of Detroit; 15 grandchildren; and five great-grandchildren.

JOHN HARRIS - Services for Mr. Harris, 78, of 31010 Highland Park, were held at St. Sabina Catholic Church with Rev. Father J. J. O'Donnell officiating. Burial followed in St. Joseph Cemetery.

A half-century resident of the area, Mr. Harris was employed by the Ford Motor Co. until his retirement. He died Nov. 24 at St. Joseph General Hospital. He was a member of St. John Vianney Catholic parish.

Survivors include: his wife, Elsie; two sons, John M. Harris of Dearborn Heights and Neil Neary of Detroit; a daughter, Mrs. Benny Merideth of Redford Township; a brother, Daniel Harris; a sister, Mary Robinson; and 10 grandchildren.

ROBERT M. CHRISTENSEN - Services for Mr. Christensen, 46, of 38005 Summers, Livonia, were held at St. Andrew Episcopal Church and the R.G. & G.R. Harris Funeral Home with Rev. Kenneth G. Davis officiating. Burial followed in Glen Eden Cemetery.

A member of St. Andrew's, Mr. Christensen was a supervisor of budget analysis for Ford Motor Co. for 21 years. He died Nov. 29 at St. Mary Hospital.

Survivors include: his wife, Patricia; a son, Robert; three daughters, Diana, Patricia and Nancy; his father, Albert Christensen; a brother, Orville Christensen; and a sister, Mrs. Beulah Coulson.

ROY A. SMITH - Services for Mr. Smith, 70, of 11225 Rose, Plymouth, were held in the Schrader Funeral Home with Rev. Paul M. Carpe officiating. Burial followed in Gaylord with Rev. Raymond Rice officiating.

A resident of the area for 20 years, Mr. Smith was a bookkeeper and a member of the American Legion. He died Nov. 27 in Grand Rapids.

Survivors include: his wife Anna M. Smith; two sons, James Irvin in the Army and Charles Irvin of Romulus; two daughters, Mrs. Donna Smith of Westland and Mrs. Debra Schalk of Westland; and 17 grandchildren.

World Problems Will Be Discussed

Dr. Allen Pollack, professor of Russian History at Yeshiva University, New York, will speak on "The Soviet Union versus the Jewish People" at the 25th Institute of the women's division of the Jewish Welfare Federation on Tuesday, Dec. 7.

The institute opens at 9:30 a.m. and ends at 2:30 p.m. in the Jewish Community Center, 18100 Meyers, Detroit.

The all-day program will feature Mrs. Howard Levine, Orange, N.J., national chairman of women's communal services of the Council of Jewish Welfare Federations and Welfare Funds, who will give the keynote address on the spheres of commitment of Jewish Women.

Mrs. Lewis S. Grossman, Detroit, briefing chairman for the division, will serve as moderator for a panel consisting of George M. Zeltzer, Southfield, chairman of the

education division of the Jewish Welfare Federation; Mrs. Joseph H. Jackier, Farmington, past president of the federation's women's division; and Norman Nelmark, Franklin, co-chairman of the urban affairs committee of the Jewish Community Council. Mrs. Milton Weiss, Farmington, is chairman and Mrs. Robert Willems, Birmingham, co-chairman of the meeting.

The institute is part of the educational program of the division, to acquaint women with a picture of world problems which affect them. Approximately 9,000 women who contributed to the Allied Jewish Campaign-Israel Emergency Fund are members of the division.

Reservations for the meeting may be made by calling the Women's Division, Jewish Welfare Federation, 163 Madison, Detroit.

Redford Union Choir To Sing

The concert choir of Redford Union High School will present a concert in the Village United Presbyterian Church, Redford Township, at 7:30 p.m., Sunday, Dec. 5.

Eugene Dyer is director of the choir, composed of about 75 students. After the concert, the award-winning group will be honored with a reception in the church hall.

There will be no admission charge, but a free will offering will be taken to help defray costs.

The public is invited. The

church is located at 25350 Six Mile, east of Beech-Daly.

Hear Senator

"Urgent Need for Education Reform" will be the topic of discussion when State Sen. Daniel Cooper (D-Oak Park) of the 15th District, speaks to members and guests of Temple Kol Ami.

Sen. Cooper's talk will follow the regular but shortened service at 8:30 p.m., Friday, Dec. 10, in the Birmingham Unitarian Church, Line Pine at Woodward.

Rabbi Wine Talks Politics

"Are Democrats and Republicans Outmoded?" will be the question posed by Rabbi Sherwin Wine at a meeting in the Birmingham Temple, 28611 W. 12 Mile, Farmington, at 8:30 p.m., Friday, Dec. 10.

His talk is part of the guest

lecture series of the temple, and will deal with the performance of the government in the area of social changes and reforms. A discussion will follow.

A poetic service on theme of "Self-Respect" will be presented.

THE REV. AND MRS. DONALD MOSELEY

Livonia Christian To Install Minister

The Rev. Donald Moseley will be installed as pastor of the Livonia Christian Church (Disciples of Christ) at 3 p.m., Sunday, Dec. 5, in the Meetinghouse, 36075 Seven Mile.

The service will be conducted by the Rev. Eric White, executive minister for the Michigan Christian Churches. A reception will follow. Sister congregations of the area have been invited to attend.

Rev. Moseley is a native of Garden City, Kan. After graduating from high school, he worked for a year, and then entered the U.S. Army for two years, spending 14 months in Korea.

He received his BA and his Master of Divinity degrees from Phillips University. While at the university, he had student pastorates at Bluff City, Kan., Sumner, Okla., and Bartlesville, Okla.

He completed a three-year pastorate at Nemaha, Neb., in May, 1971.

Mrs. Moseley is a native of Omaha, Neb. She also attended Phillips, earning her BA degree in religion and sociology. She also is a graduate of St. Mary's Hospital School of Nursing, Enid, Okla.

The Moseleys have two children, Tabetha (Tammie), 3, and Steven, six months.

DAR Will Hear Talk On 'Law'

"Law Enforcement Today" is the topic of a talk to be given at the regular meeting of Quakertown Chapter, Daughters of the American Revolution, on Wednesday, Dec. 8. The speaker will be Robert Deadman, director of public safety in Farmington.

The luncheon meeting will be in the home of the regent, Mrs. Orville L. Henke, 33714 James Court, Farmington. Mrs. Warren W. White will be co-hostess.

The chapter will also hold a Christmas party for members and children in Mrs. Henke's home at 1:30 p.m., Saturday, Dec. 11, and will present an American flag to Boy Scout Troop No. 112 at its investiture ceremony at 7 p.m., Monday, Dec. 13, in the William Gray School.

Guests expected at the party include Mrs. George F. Merwin, past senior state president of the Children of the American Revolution in Michigan; Mimi Merwin, Michigan state president of CAR; Jackie Merwin, state registrar; and Charles E. Hopkins, state treasurer.

A GREAT VARIETY of wares will go on sale at an antique art and craft show to be held in Beth Moses Synagogue, 19160 Evergreen, Detroit, on Sunday, Dec. 5, from 11 a.m. to 9 p.m., and Monday, Dec. 6, from 1 to 9 p.m. Looking over some of the attractions are (from left) Mrs. William Naftaly of Oak Park, Mrs. Daniel Weisswasser of Detroit, Mrs. Julius Feldman of Detroit, and Mrs. Harold Eskovitz of Livonia. Mrs. Eskovitz is president of the Beth Moses Sisterhood, which is sponsoring the sale for the benefit of the synagogue.

Abortion Reform Advocates Meet

Secretary of State Richard Austin will be the keynote speaker at an all-day conference on abortion law reform beginning at 10 a.m., Saturday, Dec. 4, in the University Center Building, Wayne State University. The conference is open to the public.

The failure of the Michigan House of Representatives to debate the reform bill prompted the Michigan Coordinating Committee of Abortion Law Reform and the Detroit Chapter of Zero Population Growth to sponsor the conference, which is exploring the alternatives available to the citizens of Michigan.

Prominent speakers will discuss federal and state supreme court action, the

statewide petition drive initiated by MCCAIR to take the issue to the people in the November 1972 general election, legal rights, public health aspects of abortion and the now-defunct legislation.

Among the speakers will be Roy Lucas, New York defending attorney in the Vuitch U.S. Supreme Court case; Barbara Robb and George Newman, Detroit attorneys who will report on the Michigan class action suit; Ernest Mazey, executive director of the American Civil Liberties Union; and Dr. George LaCroix, chairman for the Michigan Catholics for Abortion Law Reform.

Workshops are scheduled during lunch to share ideas and experiences on how to get petitions signed and circulated statewide.

Delta Zetas Meet Dec. 8

The alumnae of Delta Zeta Sorority from Western Wayne will hold their Christmas auction at 8 p.m. Wednesday, Dec. 8.

The meeting will be held in the home of Mrs. Bruce Joerth, 38484 Lancaster, Livonia.

Co-hostesses will be Mrs. Douglas Meyers of Wayne and Mrs. Donald Larson of Farmington. Proceeds will be given to a philanthropy.

At the auction, home-made items of any type will be auctioned. Also, hors d'oeuvres and cookie recipes will be exchanged.

This will be the last opportunity for members to bring in Betty Crocker coupons toward the purchase of a kidney machine.

Any Delta Zeta interested may attend. Membership in

the Western Wayne group is not necessary. Reservations should be made with Mrs. Joerth.

Brass Trio, Contralto Star For Musicales

A brass instrument trio and a contralto soloist will be featured on the program of the Farmington Musicales at 12:30 p.m. Wednesday, Dec. 8, in the Farmington Community Center.

The instrumentalists, playing a sonata by Poulenc, are Carolyn Thibideau, on the trumpet, Ernestine Barnes, French horn, and Betty Crossen, trombone.

All are music teachers in the Detroit area and former members of the Detroit Women's Symphony.

Mervia Mackin of Southfield will sing two Christmas selections, the "Virgin Lullaby Song" by Max Reger and Hugo Wolf's Spanish song group. Her accompanist will be Marie Walck.

Marvilee McEachin is program chairman for the day and Bea Scaglione is tea chairman.

Y Sets Trip To Detroit Symphony

A trip to Ford Auditorium for the Detroit Symphony Orchestra coffee concert Friday, Dec. 10, is being offered as part of the "ladies day out" program at the Livonia Family Y.

Tickets at the reduced price of \$2.50 include continental breakfast and fashion show as well as the concert. The musical program includes Mozart's symphony No. 26 and the Scriabin symphony No. 3.

A bus will leave the Livonia Y, 14355 Stark, at 9:30 a.m. and will return at 2:30 p.m. Babysitting will be available at the Y.

All wishing to attend may call the Family Y for tickets.

Spotlight on Women

Farmington Church Scene Of Wedding

Gail Ann Palmer and Michael J. Irey were united in marriage in a recent ceremony in the First United Methodist Church of Farmington.

Mr. and Mrs. John Henry Palmer of Colgate Avenue, Farmington, are the bride's parents. The bridegroom is the son of Mrs. Donna Irey of Nine Mile Road, Farmington.

The Rev. Hugh C. White performed the ceremony.

Cynthia Palmer, the bride's sister, was her maid of honor. The bridesmaids were Kathleen Hartley of Detroit, Mrs. William Barry of Farmington and Gail Kucinski of Farmington.

Assisting the bridegroom were his brother, Gregory Irey, as best man, and Richard Ronnie of Ferndale, Gary Shelton of Highland and Danny Stewart of Farmington as ushers.

A reception in the American Legion Hall in Farmington followed the ceremony, and the couple honeymooned in Toronto.

The new Mrs. Irey is a graduate of Farmington High School and Oakland Community College. She is employed by Chrysler Corp. Her husband, also a Farmington High graduate, is employed by Leone and sons.

MRS. MICHAEL IREY
(Gail Palmer)

ABWA Unit Meets Dec. 8

A dinner meeting of the Dearborn Charter Chapter of the American Business Women's Association will be held at 5:30 p.m., Wednesday, Dec. 8, in the Chicago Road Steak House, Dearborn.

Anyone interested in attending is asked to contact Mrs. Lucille Forth, president, 11431 Nathaline, Redford Township, or Connie Sima, 16535 Middle Belt, Livonia.

Brides-To-Be Announce Betrothals

DARLENE KEHOE

Mr. and Mrs. Mark Kehoe of Gladwin, Mich., formerly of Livonia, announce the engagement of their daughter, Darlene Janet, to Lee Joseph Decker, son of the Rev. and Mrs. Winston Decker of Gladwin. The bride-elect attended Bentley High School and graduated from Gladwin High in 1970. She is studying nursing at Delta College in Saginaw and employed as a nurses' aide in Gladwin Hospital. Her fiancé graduated in 1968 from Mott High School and attended Grand Rapids School of the Bible and Music. He is employed by Gamble Store in Gladwin. A May wedding is planned.

BARBARA HANCOCK

Mr. and Mrs. Barrington Hancock of Port Huron announce the engagement of their daughter, Barbara Helen, to Robert Jerome Mettetal II, son of Mr. and Mrs. Robert Mettetal of Plymouth. The bride-to-be is a cum laude graduate of St. Clair Community College and has a BA degree from Eastern Michigan University. She is employed by the Wayne-Westland Community Schools. Her fiancé is a graduate of the Federal Aviation Academy in Oklahoma City, is employed as an air traffic control specialist at Detroit Willow Run Airport. They plan to be married Dec. 18.

GLEND A PANNELL

Mr. and Mrs. Glen Pannell of Ann Arbor Trail, Livonia, announce the engagement of their daughter, Glenda, to Charles Milt Bolton, son of Mr. and Mrs. Cloud Bolton of Inkster. The bride-elect is a 1969 graduate of Stevenson High School and employed by Macca-bees Mutual Life Insurance Co. in Southfield. Her fiancé graduated from Cherry Hill High School in 1967 and served in the U.S. Army. He is employed by Whitman and Barnes, Plymouth. A summer wedding is planned.

DOROTHY CONWAY

Mr. and Mrs. James J. Conway Sr. of Livonia announce the engagement of their daughter, Dorothy Isabelle, to Stephen W. Sellers, son of Mr. and Mrs. Walter D. Sellers of Boston. The bride-elect is a 1970 graduate of Our Lady of Mercy High School in Farmington and attended the College of Notre Dame in Maryland. Her fiancé is a student at John Hopkins University in Baltimore. They plan to be married Jan. 8.

CATHERINE MITCHELL

Mr. and Mrs. Robert Mitchell of Livonia announce the engagement of their daughter, Catherine, to Michael Szczepanski, son of Mr. and Mrs. Leonard Szczepanski of Livonia. The bride-elect is a 1971 graduate of Franklin High School and her fiancé attends Schoolcraft College. A July wedding is planned.

CAROL SIELAFF

Mr. and Mrs. James Sielaff of Westmore Avenue, Livonia, announce the engagement of their daughter, Carol M., to Stephan A. Kerby, son of Mr. and Mrs. Frank Kerby Jr. of Arcola Avenue, Livonia. The bride-elect is employed by the Camelot Nursing Center and her fiancé has completed two years in the U.S. Army. A May wedding is planned.

DIANE WOLANSKI

Mr. and Mrs. William Wolanski of Gaylord Avenue, Redford Township, announce the engagement of their daughter, Diane Kay, to Dan Peach Jr., son of Mr. and Mrs. Dan Peach of Dalby Avenue, Redford Township. Both are graduates of Redford Union High School and the prospective bridegroom is a senior at Eastern Michigan University, majoring in special education. They plan to be married April 22.

CINDY WESTPHAL

Mr. and Mrs. Theodore T. Westphal of Northville announce the engagement of their daughter, Cindy Lee, to Thomas Dean Singer, son of Mr. and Mrs. John C. Singer of Northville. The bride-elect is a 1970 graduate of Northville High School and attended Schoolcraft College. Her fiancé is a student at Schoolcraft and is employed by the Ford Motor Co. They plan to marry next summer.

S'field Junior Symphony Plans Concert

Kevin Lathrop, a junior at the University of Michigan

Purdue Women Set Luncheon

Women of Purdue University will honor mothers of new students at a get-acquainted luncheon at 12:15 p.m. Thursday, Dec. 9, in the Village Women's Club, Bloomfield Hills. Reservations must be made by Dec. 6 by calling Mrs. Robert P. Kelley, 16431 Bell Creek, Livonia.

Music School, will solo with the Southfield Junior Symphony at its winter concert at 3 p.m., Sunday, Dec. 5, in Southfield High School Auditorium.

Lathrop is a member of the Michigan Marching Band. He was a member of the junior symphony for five years.

The symphony is composed of 78 students in grades seven to 12 drawn from Oakland and Wayne counties. Richard Brown is the conductor and founder.

Proceeds from the concert will be used for scholarships to

symphony members for summer music camps. Since its formation in 1958, the junior symphony has awarded 86 scholarships.

Tickets at \$1 for adults and 50 cents for children may be purchased at the door or from symphony members.

Farmington musicians participating in the concert include Arlene Huff, flute; Frances Hughes, bassoon; Phyllis Hughes, oboe; Kathy King, Richard Myskens and Robbi Shaffer, French horn; and Bill Schlesing, tuba.

Mr. and Mrs. Peter Zylman of Muskegon, formerly of Plymouth, announce the engagement of their daughter, Marcia Sue, to Pfc. Glen Kurt Poole, son of Mr. and Mrs. Gordon Poole of Plymouth. The bride-elect is a 1969 graduate of Plymouth High School and plans to work in lab technology. Her fiancé, a 1967 Plymouth High graduate, is serving with the U.S. Army in Germany. No date has been set for the wedding.

Goodwill Unit Plans Benefit Tea

Members of the Women's Assn. of Goodwill Industries will hold their traditional Christmas pantry shelf-medical chest benefit tea on Wednesday, Dec. 8., in the Goodwill Building, Brush Street at East Grand Boulevard, Detroit.

The pantry shelf, one of the association's oldest services to Goodwill's handicapped employees, has become a service encompassing various medical and recreational needs. Recently flu shots were provided some 700 clients and employees. The association has also scheduled a luncheon for employees during the holiday week.

Wednesday's program will begin at 11:45 a.m. with a sandwich luncheon.

SAVINGS-FILLED ADVERTISEMENTS

Area High School Pucksters Are Ready For 'New' Season

By TOM DONOGHUE
Sports Editor

Six Observerland high schools are in ice hockey competition this winter and the coaches agree that this is the year that makes or breaks hockey in Observerland.

The coaches of Bentley — Mike Dudley, Churchill — Adam Mitchell, Franklin — Ron Hellier, Stevenson — Gerald Goode, and Southfield — Art Carinci, met and explained the situation that exists.

Country Day Coach Henry LaPointe could not attend because of a conflict.

"This year we are allowed to keep official standings," said Goode. "But there will be no championship game in Livonia, just a league champion."

THE Livonia schools have been limited to a 17 game schedule by the administration. Churchill, Stevenson, Franklin and Bentley have formed a

Livonia High School League which consists of a nine game league schedule. Each team is allowed to play eight non-league games.

Southfield is in its second year of hockey competition and from the start was given two years to prove itself before it could join a league.

"I hope to get in the league with Livonia next year," said Southfield Coach Carinci. "We are not restricted in the number of games we can play and as of now have a 20 game schedule."

Southfield was 2-12-2 overall last year and has five returning starters. The Southfield squad is a combined Southfield High-Southfield Lathrup team but not one from

Lathrup made the squad.

SOUTHFIELD plays all of its home games at the Civic Center and Coach Carinci names Southfield Athletic Director Ed Bryant, the real push behind the hockey program.

"He was leery of the hockey situation at first in its interference with basketball," said Carinci. "But the game is really catching on and he is all for the program now."

Country Day is a member of the International High School Hockey League and has a 14 game league schedule in addition to non-league clashes with the Livonia schools and Southfield.

Country Day plays all home matches at the Warren Arena

in Warren on 7001 Chicago Road.

Now the Livonia situation... THE Livonia schools entered varsity competition last year in their initial hockey kickoff but were not allowed to keep standings and were not allowed to form a league.

This year the schools have formed the Livonia High School Hockey League and will play all home games at the Ford Ice rink.

"The big change is that the schools will be running the games and not the Livonia Parks and Recreation," said Goode.

"We had free ice time last year but had to split the ticket take with the Parks and Recreation because they ran

the show."

"This year the home team will handle the ticket taking and provide people for crowd control, but we pay for the ice time," said Goode.

FRANKLIN COACH Hellier said, "At the end of last season the four Livonia teams and the Parks and Recreation split the take five ways and the schools came up with \$255 each."

Churchill looks to be the strongest with 11 returning skaters while Stevenson and Franklin have eight and Bentley six.

"THERE WILL BE a good quality of hockey this year in Livonia," said Churchill Coach Mitchell. "It will be good and we will not tolerate fighting."

HIGH SCHOOL hockey coaches met with Observer sports editor at the Observer offices in a 1971-72 hockey rundown. From left are: Art

Carinci, Southfield; Ron Hellier, Franklin; Gerald Goode, Stevenson; Adam Mitchell, Churchill; and Mike Dudley, Bentley. (Observer photo)

'Best 1-2 Punch' 'Bo' Praises Thornbladh

By W. W. EDGAR

"We're going to have the best 1-2 punch at the fullback position next season of any college football team in the country."

This was "Bo" Schembechler's way of telling the home folks that there's a bright future for Bob Thornbladh, former Plymouth star, as a member of the Michigan gridiron machine.

The Wolverine coach was the main speaker at the recognition banquet tendered the Rocks and other PHS teams, Tuesday night. And he left little doubt that he is counting heavily on the husky, broad-shouldered chap who was the scourge of the Suburban Six Conference only two years ago.

"Bob didn't play too much for us this year," Schembechler stated, "but that was due to a combination of things. But you'll hear from him from now on - and I am happy to tell you Plymouth people that he'll be with us in the Rose Bowl come January 1."

The Wolverine mentor pointed out that, following a great freshman year, when he topped the team in scoring and shone even brighter than Ed Shuttlesworth, Michigan's battering fullback, Bob got away to a slow start in spring practice.

"Then later in the year," Schembechler explained, "he was injured in practice and had to be carried from the field. But he's okay now and we'll be glad to have him back with us."

IN PRAISING the former Rock star, who gained more than 100 yards for the Wolverines during the past conference season, "Bo" recalled his first meeting with Thornbladh.

"It was two years ago," he said, "after we returned from

the defeat in the Rose Bowl. "As you recall I had a little trouble with my heart and was doing all of my recruiting in my living room."

"Well, one Sunday Bob and his Dad came to see me and I could tell from the first moment I saw him that Bob was the type of fellow we needed. And he never let me down."

"That first fall, when he was with the freshmen, he'd come out - even in freezing weather

- and walk along the sidelines watching us."

"I knew from then he was a fellow who WANTED to play for Michigan. When he got his chance he showed ability with the freshmen and then moved up to the varsity."

"BO" ALSO explained the experiment of trying Thornbladh at the middle guard position in spring practice. "We needed a man in that spot to replace an All-

American and Bob appeared to me to be a fellow who liked a challenge. So, we tried him."

"But," and "Bo" smiled, "we found that Bob did better when he didn't have to kneel to get into a play. Right then, I said, 'He's a fullback - and that's where he'll stay.'"

"And now with Ed Shuttlesworth and Bob - both dedicated players - we'll have the best 1-2 fullback combination in college football."

Turf Tips, Quips

By Doc Minard

Can Thimble, the speedy three year old Henry T. Adios filly, make it four straight in the late closing pacing series at the Jackson - Northville meeting Saturday?

That's the big question that area harness racing fans will see answered when the Ohio pacer faces six challengers in the fourth leg which goes for \$5,000.

That will be the richest purse offered in the Metropolitan Detroit sector, thoroughbreds or standardbreds, and is expected to bring one of the finest races of the winter season.

Matter of fact, the field compares with any in the rich stakes during the summer and fall campaigns.

And standing out over the others is Thimble, from the Appalachian Farms in Jackson, O., bidding for her fifth in a row and her third in the series.

Shipped to Northville at the start of the meeting, the fast stepping damsel has been the sensation of the meeting. Thimble made every post a winning one in her first start,

hitting the finish line in a quick 2:03.2.

It was the same story a week later over a slow track and once again the filly showed her heels to the field.

BUT LAST Saturday the story was a bit different. Driver - Trainer Fred Hess was wired in the heavy going along the rail for three parts of the mile before taking to the outside and dueling Prince Knox and Bedford Jet to the wire.

For a time it appeared that Thimble's streak had ended, but when the judges studied the photo finish picture, they gave the nod to Thimble with Prince Knox second and Bedford Jet third.

All three are in Saturday's field in addition to winners of the second division legs of the stake.

Prince Knox won one, Tricky Dares took the second and Siaway Doctor the third. Thus the winners of the six heats will collide with \$5,000 up for grabs. Others in the field are: Michigan Mack, who made a bold bid a week ago; and Erlana's Valley, who has been close in three starts but not a winner.

Just on the past performances, this has to be the best race of the current meeting and probably one of the tops of the entire winter season.

IT SOUNDS rather strange, but while the City of Livonia is fighting for more revenue from the state because of the extended racing season, actually there will be fewer days and nights at the Detroit Race Course in 1972 than in 1971.

This year, the Detroit Racing Association had 120 days and Wolverine Raceway had 76 programs at night.

Since Racing Commissioner Leo Shirley finally got around to announcing the harness dates earlier in the week, one finds that the DRC has 108 days starting Monday, July 31 through Saturday, Dec. 2 and Wolverine was awarded 82 nights from Thursday, March 16 through Tuesday, June 20. That adds up to 190 or six less than this year.

The dates assure the Detroit area of year round harness racing with a Jackson - Northville meeting starting the season on Jan. 1 and Jackson - Northville ending the year on Dec. 30.

The dates: THOROUGHERED HAZEL PARK - Saturday, Feb. 26 through Saturday, July 20; 132 days with no racing on Good Friday.

DETROIT RACE COURSE - Monday, July 31 through Saturday, Dec. 2, 108 days.

HARNESS (DETROIT AREA) JACKSON - NORTHVILLE - Saturday, Jan. 1 through Saturday, Jan. 20, 25 nights.

NORTHVILLE DOWNS - Monday, Jan. 31 through Wednesday, March 15, 30 nights.

WOLVERINE - Thursday, March 16 through Tuesday, June 20, 83 nights (no racing on Good Friday).

NORTHVILLE DOWNS - Wednesday, June 21 through Tuesday, Jan. 1, 36 nights.

HAZEL PARK - Wednesday, Aug. 2 through Saturday, Nov. 4, 62 nights.

JACKSON - NORTHVILLE - Monday, Nov. 6 through Saturday, Dec. 30, 47 nights.

HARNESS (OUTSTATE) JACKSON - Monday, Aug. 21 through Saturday, Oct. 20, 60 nights.

Suggestions from Santa

FOR ALL THE TOTS...

Model Service or Fire Stations...and Doll House
All sets complete, all sturdily made of wood!

Includes cars, gas pumps, ramp, elevator, etc. etc. etc. you can then push them on roof. Attendants included. Great into boy's gift.

Complete with hook & ladder truck, fireman, authentic brick trim and bell that really rings. Every boy wants one of his very own.

Complete with furniture for every room, scaled to fit many popular sized dolls. Elegant home is authentically detailed, inside and out. A little girl's dream.

Schoolcraft Cagers Win

Schoolcraft College captured its first win in the young basketball season with a 74-73 edge over Macomb College. Schoolcraft led at the half 37-31 and never fell behind in the closely fought contest.

Three players hit the double figures for Schoolcraft with Desmond Denham pacing the

attack with 20 points. John Jetchick collected 16 points and K.C. Jones added 14.

Schoolcraft lost its first two games, against Jackson 86-74 and Muskegon 95-77.

Schoolcraft travels to Highland Lakes Tuesday, in an attempt to even its season record at 2-2.

Chargers Lose 70-69

Lathrup Baffled In Cage Opener

By TOM DONOGHUE
Sports Editor

Southfield Lathrup lost its opening basketball clash to Warren by a narrow one-point margin 70-69 in a poorly officiated game.

"I don't consider the game a

loss," said Lathrup Coach Jim Kourtakis. "My boys outplayed Warren but you can't beat game officials in addition to five players."

Lathrup got the opening tip but started throwing the ball away and trailed at the end of the first quarter 24-16.

Warren increased its lead at the half to 42-31.

THE CHARGERS fought back in the third quarter and sliced the lead to 55-47 with Bob Malaby pacing the scoring.

Malaby took charge in the

fourth quarter scoring six points and Lathrup was down 68-61 with three minutes to play.

Barry Brodsky popped in two quick baskets and Lathrup jumped in front 67-66. Warren recaptured the lead on two free-throws and with 1:40 remaining, had a 68-67 lead.

Brodsky was called for traveling and received a

technical foul on the play and Warren went up 69-67.

Warren's Steve Salminen, the game's high scorer with 27 points, drove into Brodsky, but a foul was called on the Lathrup guard and another technical and Brodsky was out of the game while Warren spurred to a 70-67 lead.

BRUCE RUHL tipped in a rebound for Lathrup and the

Chargers were down by one with 25 seconds remaining.

The Chargers stole the ball in Warren's zone and with five seconds on the clock signaled for a timeout. The ref whistled a timeout but the clock ticked off, and the final buzzer sounded.

Bedlam broke loose on the Warren court and the final score read 70-69. Lathrup's Kourtakis confronted the refs

and convinced them that there had been time on the clock.

A jump-ball was called and the refs allowed one second to remain on the clock. Lathrup took the jump but time had run out for the second time.

"WE OUTSHOT, outrebounded and outplayed them," said Kourtakis. "I can't really explain the game ... their coach was constantly

over on our bench telling me how 'shitty' my players are. This is a technical foul but it wasn't called."

"That game is in the past and we are looking forward to Tuesday's clash with Southfield," added Kourtakis.

Malaby led the Charger attack with 25 points.

Trojans Win 56-54 In See-Saw Clash

Basketballs will be bouncing differently this year at Clarenceville.

The Trojans were 3-16 overall last year but opened the 1971-72 season with a 56-54 win over Detroit Cody.

"It was a seesaw battle all the way," said Clarenceville Coach Ralph Weddle. "Our two-way rebounding kept us in the game."

Chip Meyrelles led the Trojan attack with 21 points while Phil Halstead enjoyed the number 16 - 16 points and 16 rebounds for the Clarenceville five.

CODY had a seven point lead midway through the second quarter, but Clarenceville closed the gap to two

points at the half and trailed 27-25. Clarenceville jumped to a seven point bulge in the third quarter but had its edge sliced to one point with one minute remaining in the game.

Each team then missed two free throws, but Clarenceville senior guard Jim Hover hit on one of two and the Trojans were up by two, 56-54, and the final buzzer sounded with Clarenceville the victor.

Cody was 40 per cent from the floor while Clarenceville could only muster a 31 per cent field goal percentage. The Trojans were 10 for 28 from the line and Cody popped in eight of 15 free-throws.

Clarenceville is the only Class B team remaining in the Wayne - Oakland Conference.

"Six Class B schools have dropped out of the league, but we are sticking in there with the 'A' teams," said Weddle. "I think we have a good shot at winning the league crown this year, but Clarkson and Kettering will be tough."

CLARENCEVILLE has four returning starters in Hover, Halstead, Meyrelles and Bob Tyler.

The Trojans open league play with Crestwood Tuesday on their home court and contend with Millford Friday.

Clarenceville is hosting a Christmas tournament on Dec. 28 and 29 with Cody and Farmington Harrison, and the Trojans are looking for a fourth team in the holiday match.

DOWN BY ONE -- Southfield Lathrup's Bob Malaby was caught down on this play and the Chargers were caught down by one point at

the final buzzer in their opening basketball clash with Warren, 70-69. (Observer photo by Tom Donoghue)

The Michigan Youth Bowling Association, organized only 10 years ago, is well on the way to becoming the largest junior group in America.

With the season only three months old there are indications, according to Mrs. Ethel Heenan, YBA director, that the membership will approach 30,000 within the next several months.

The growth has been so steady that the state has been divided into eight areas instead of the six that have been involved since the inception of the teen-agers competition. Addition of the two areas was made to reduce travel for sectional tournaments and to increase the number of individuals and teams that now will be eligible to compete for championships.

Entry blanks are to be distributed now for the holiday doubles and the other major competitions with prospects of record fields in all divisions.

THE YOUNG bowlers continue to show their elders a few tricks on the lanes.

One of them, Robin Kolb, a 16-year-old, turned in a 279 at Westland Bowl, to set a high mark for the season in his league. And Bryan Head, a 12 year old, had a 239-655 at Bel-Aire.

WHILE THE Garden Classic recessed for the Thanksgiving holidays, the women moved into the spotlight.

Stella Selker set the pace with a 252 in 543 and Darlene Varley fashioned a 221 in 551. The girls also stole the show at Merri-Bowl when Georgia Tomiko, bowling in the Lyndon Meadows League, posted a 221 and Sandy Newton, in the Coffee and Cake circuit had a 215.

CONTINUING the momentum he gained in winning the Michigan Majors monthly tournament at Westland Bowl, Johnny Wodarski came right back to top the Classic.

He put together games of 246, 202 and 229 for a 677 to beat out Tony Liocino by four pins. Tony opened with a 245 and followed with counts of 228 and 205 for his 673. Ron Sharples landed third with a 669 that included a 246 opener.

ELLIE WILKINS walked away with top honors in the ladies classic at Livonia Lanes.

She contributed a 530-67-617 series that included a high single of 214-20-243. Other single games winners included Lois Merriman with 231-28-259 and Lee Schuyler with 214-23-237.

SCORING honors in the Friday Noon Classic at Farmington Lanes went to Gladys Siekas.

She posted a 605 that included a 235 game and became the lady of the week.

THIS WAS a week of firsts at Mayflower Lanes.

Jessie Blouin, bowling in the Matinee Girls League, had her first 300 series and hit that figure right on the dot. Linda Pratt, a 117 average bowler, finally reached double century figures with a 209.

Jan Morse was high scorer with a 204 in 547.

PETE HAYES and Wayne Morgan shared scoring honors at Country Lanes.

Morgan put together games of 236, 243 and 171 for 650 for high series and Hayes took high single with a 269.

THOUGH HE couldn't keep up the pace after opening with a 262, Greg Hatter took scoring honors in the Businessmen's League at Bel-

Aire with a 674. After his big opener he fell to 212 in the middle and closed with 200.

In the Kings and Queens Bob Oakes showed the way with a 634 that included games of 240 and 216. To aid the cause his wife, Jean, came through with a 218 game.

Other high scores included Gary Thompson's 247 and Ann Hallgren's 246 in the Old Homestead League.

TOM SOKOMOWSKI fashioned a 289 at Oak Park Lanes, but ended with a 573 series.

Four bowlers bettered double century figures in the Senior House League. They were: Larry Slutsky 663, Tom Czarnecki 659, Joe Bell 646, and Mike Bengals 643.

BILL COLLETT was the lone bowler to crack the 700 barrier in the Wonderland Classic.

He put together games of 235, 247 and 220 for a 702.

Meanwhile, Bryon Perry still is taking bows for the perfect game he bowled in the Senior House League last week. His big game was the opener of a 737 series.

It was the second 300 bowled at Wonderland this year. Larry Ruzzas contributed the other one.

Red Wing's Collins Hopes For Recovery

For the past two weeks, right winger Bill Collins has been the loneliest and "onliest" Red Wing in town. Collins has been recovering from a torn cartilage in his right rib cage which was injured in the Wings' last encounter with the Boston Bruins.

The Wings have been on an extended road trip in order to make way for the Ice Follies and returned to Olympia on Saturday to meet the New York Rangers.

While the Wings have been on the road, Collins has been a daily occupant in the whirlpool at Olympia in hopes of a quick recovery in order to be ready for action.

When asked what a player on the mend has on his mind, Bill was quick to reply, "Total frustration. It means I have to get in condition all over again

and for the team, it means another change in the lines. Another thing that really gets you is watching the team on TV and not being able to contribute."

"One night I got so upset, I turned off the tube at the end of the first period and went to bed." He went on to say, "Under Johnny Wilson, the team is starting to really put it all together. I felt that I was starting to really put it together."

As for the team's attitude in general, Bill commented, "The team spirit is great and the Wings have an excellent chance to make the playoffs. As far as I'm concerned, I'll be in there adding my contribution to our team's effort. I'd like to top my 20-goal-high that I had with Minnesota during the 1969-70 campaign."

Aggies Toppled 84-36

St. Alphonsus of Dearborn outscored the St. Agatha cagers 26-5 in the third quarter and easily handed the Aggies their first loss of the early high school season, 84-36.

"We just got stomped," said Agatha Coach Tom Sankovic. "They never let up on us and had a full-court press the entire game."

The Aggies were down 22-11 at the end of the first quarter and trailed at the half 37-24. St. Alphonsus exploded for 26 points in the third while Agatha was held to only five.

"It was just a bad night where nothing went right," said Sankovic. St. Agatha won its opening contest over

Lourdes 54-48, but committed 24 turnovers against Alphonsus to turn the game into a walkaway.

St. Agatha shot 32 per cent from the floor and went six for 17 from the free-throw line. Alphonsus had three men in double figures with Mike Leginski collecting 24 points, Mark Klein 23 and Tim Cox 19.

TOM CHURCHES was the only player from Agatha to hit the double scoring figure with 10 points.

"They capitalized on every mistake we made," added Sankovic. "We had eight

turnovers in the third quarter and Alphonsus scored each time."

St. Agatha hosts St. Andrew Friday night in its third cage clash.

Schmidt Retiring 3rd Time

Louis E. Schmidt has retired for the third time.

Last week he cleaned out his desk in the State Treasury Dept., where he used his expertise in legislative and school matters for the past three years as an administrative assistant.

He's 62, he's ruddy and healthy-looking, his children are grown, and he's looking forward to traveling with his wife, Frances.

In 1966 he retired after 18 years as superintendent of Clarenceville School District and was elected to the State House of Representatives in the GOP sweep led by Gov. Romney that year.

Two years later, his legislative career ended when Democrat Marvin Stempien defeated him.

LOUIS E. SCHMIDT
3rd Retirement

SCHMIDT IS still quietly angry about that campaign and the Sunday morning pamphlets hitting his stand on the parochial issue that were distributed at churches. But he doesn't talk out loud about it any more.

Would he like to take on Stempien again? Schmidt smiles at the question, says he has had some encouragement, but won't commit himself yet.

He has, however, been watching Stempien's House performance closely. If he doesn't run himself, he will probably provide ammunition to whoever does oppose Stempien.

SCHMIDT STILL maintains the house and has some

vacant property just south of Eight Mile and Grand River in Livonia. It's within sight of Botsford Inn, the former stagecoach stop that formed the center of the unincorporated Clarenceville settlement since the 1830s.

Not far away on Middle Belt Road is the high school auditorium which bears his name. The Schmidts still get to a lot of the musical shows sponsored by the Clarenceville Entertainment Series.

Besides sports, band music is high on his list of school priorities. Clarenceville's band has won state and national honors and will play Sunday at a Detroit Lions game. Schmidt hired the men who still run the music program.

Early Abortion Research Okayed

ANN ARBOR Two research projects aimed at developing drugs to produce early abortions, either by pill or injection, are included in a new \$1,069,428 federal grant to the University of Michigan Center for Population Planning. The center is a unit of the School of Public Health.

One study will involve implanting a transducer into the uterus of 15 female volunteers. The other will seek an antibody which will cause rejection of the early fetus allowing repeated abortions with minimal effect on the patient.

The two projects are among seven scientific investigations to be funded for three years for \$572,000 by the U.S. Agency for International Development (AID).

THE REMAINDER of the grant goes for administration and development of future projects by the Center for Population Planning.

Dr. Leslie Corsa, M.D., director of the center, said the purpose of the AID program is to help lesser developed countries in population planning and controls.

The two projects on abortion are directed by Dr. Samuel J. Behrman, M.D., professor of obstetrics and gynecology.

Transducers will be im-

planted in the uterus to record activity during normal menstruation. Later, various types of prostaglandin will be administered and their effects measured during the cycle to determine their potential as an early abortion-producing drug.

Dr. Behrman's other study will attempt to produce an antibody to trophoblast (the outer layer of the very young fetus) which can be used either as a "morning after" injection or for inducing early abortions repeatedly without inhibiting further reproduction.

The other population research projects will involve two studies in Malaysia, two in India and one in Taiwan.

Research in Malaysia will cover computer evaluation of that nation's family planning program and a study on the use of traditional village midwives in population control.

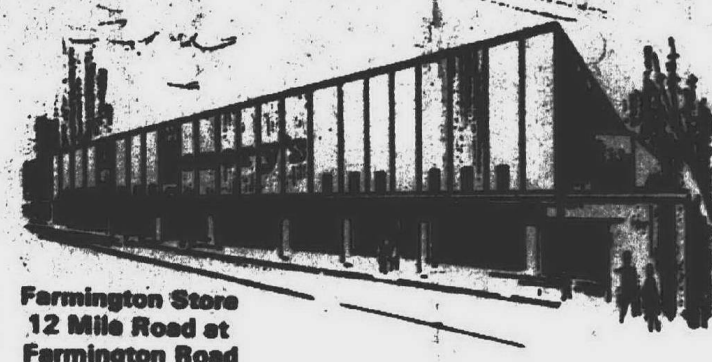

In India, U-M scientists will study population and economic relationships in Baroda households plus an in-depth study in Kampur of the Indian Family Planning Program and the response of the target population.

A study in Taiwan will involve the medical reasons for discontinuing use of IUD's (intrauterine devices) among women.

RIGHT GUESS -- Mrs. Arthur Earl of Livonia guessed right and won a new Plymouth Cricket. She is the winner of the "Them vs. Us" contest sponsored by Wrigley's and Chrysler-Plymouth by guessing the difference in price between two shopping carts containing identical groceries, one from Wrigley's and another from three major supermarkets. Mrs. Earl was given the keys from Hector Doherty, manager of the Wrigley Supermarket in Redford Township.

COUNTRY
Only 5 miles from Westland-16 Mile intersection. 3 bedrooms, den, large living room, dining room, kitchen. Great front porch. In addition, Lake, private, across the street. \$22,000.

TWO OF THE VERY BEST
These are two homes that the man who wants and can afford to give his family the very best should see. Both the superbly constructed homes in wooded neighborhoods with beautiful homes all around. Both have huge living rooms with a fireplace, large kitchens, with table space. Only has a gorgeous formal dining room, the other a large living room. One has 3 bedrooms down and two up, the other 2 down, 2 up. Both have 2 car garages, one attached. One has a completely finished rec. room and separate hobby and laundry rooms, the other a fully tiled basement. Both immaculate throughout and so on and on. 5 minutes drive from each other. See both! One at \$48,500, the other at \$46,000.

An Equal Opportunity Employer

PROVEN SUCCESS—A Sales Paradise
Detroit and Surrounding Area
Position provides: Immediate excellent income, paid weekly starting first week, \$13,000 to \$15,000 first year income with automatic increased income of 25% second year. Plus other incentives. Our present staff is earning more than that figure. A lifetime career with additional security for your future including pension, hospitalization and group life insurance.
Are you earning what you are worth in your present position?
With us it is guaranteed plus opportunities for promotion. Positions are available due to expansion and promotions. Paradise... you'd better believe it. No slack periods... no layoffs... no competition... no soliciting... no credit rejections and no traveling glass no gimmicks and no high pressure.
Prefer: married men or women—age 25-50. Honesty and sincerity more important than experience. (Not based on what you have done but what you are capable of doing). Good personality, enjoy conversation and meeting people.
If a position with these factors interest you... Interviewing Tuesday, Dec. 7, 1971, 10:00 a.m. sharp or 2 p.m. sharp.
Clauson Building, 16000 W. 9 Mile Road, Suite 605, Southfield.
