Conversion To Detroit Water System Now Complete In City

By FRED DELANO

For richer or poorer, for better or worse, the 35-year contract between the City of Plymouth and the Detroit Metropolitan Water Board got off to a honeymoon start Wednesday afternoon when their officials joined in opening the flow of softer, more expensive Detroit water into Plymouth mains.

By Thursday morning, all of the city's more than 3,000 residential and business customers were rid of the water which for decades had come from municipally owned wells, and from their taps came a purified product pumped from Lake St. Clair.

Plymouth thus became the 87th community in southeastern Michigan to join the metropolitan system which serves about 43 per cent of the state's population. The first of the 87 was the City of River Rouge in the year 1900, and it has been more than 10 years since Plymouth Township also joined the ranks.

THE FIGHT among city residents as to whether to make the change was long and bitter over many years, culminating in the special election of March 24, 1970 when the decision to go with Detroit water had a skimpy but effective majority of 16 votes. Now that the die has been cast, two changes will be immediately apparent:

First, Detroit water is undeniably much softer than the iron-infused product from the Plymouth wells. Second, a new schedule of rates boosting the cost of consumption by an estimated 50 per cent will become effective as soon as all meters are read this month.

Gerald J. Remus, general manager of the Detroit Water Board, and his head civil engineer, Ronald R. Bekkala, lunched with municipal dignitaries in the Round Table Club Wednesday. Then, at 1:50 p.m., they joined in opening the meter pit connection at Goldsmith and Junction that ties local mains with a Detroit 36-inch transmission main which comes south from Eight Mile Rd.

Representing the city were Mayor James McKeon, Commissioners Robert Sincok, Beverly McAninch, Ernie Henry and Norbert Battermann, City Manager Norman Gaffney, City Engineer Thomas Waffan and DPW Director Kenneth Vogras.

A second tie-in with the same 36-inch Detroit main, this one at Sheldon and Ann Arbor Rd., also will be put into operation within a few days.

MEANWHILE, the city's two-million-gallon reservoir will maintain a backlog of Detroit water at about 50 per cent of its capacity, and even though the Six Mile Rd. wells have been disconnected, they will not be dismantled. In an emergency they could be reactivated in a short period.

Even though Plymouth now is rid of its traditional hard well water, joining the Detroit system will not immediately eliminate the problem of rust. In fact, in some parts of town users may even find an increase in rust content for a few days because in certain areas the directional flow of the water

IT WAS A HISTORIC MOMENT in Plymouth's political history Tuesday when the city joined the Detroit Metropolitan Water Board network which includes 87 communities besides the Motor City itself. In the foreground, opening the valve to start Detroit water flowing through Plymouth mains, are Gerald J. Remus (left), general manager of the Detroit system,

and Mayor James B. McKeon. From the left, others in the ceremony included Commissioner Norbert Battermann, Civil Engineer Ronald R. Bekkala of Detroit, Commissioners Robert Sincok, Ernie Henry and Beverly McAninch, City Manager Norman Gaffney, City Engineer Thomas Waffan and DPW Director Kenneth Vogras. (Observer photo by Maurie Walker)

through the mains is being reversed.

The Citizens Committee for Detroit water, which led the successful fight for special election approval last year, based its campaign on these supposed advantages of joining the Detroit system:

"1. Detroit water is softer than Plymouth water. It has a hardness of 96 ppm (parts per million) compared to Plymouth hardness of 495 ppm. In grains it compares 5.5 (Detroit) to 25 (Plymouth).

"2. Detroit water has an iron content (rust) of .02 ppm. Plymouth water has an iron content of 1.1 ppm. United States Public Health standards recommend .03 ppm.

"3. Detroit water would be delivered to your home at pressures up to 20 per cent higher than at present.

"4. With Detroit water available at two connecting points, and in a much greater quantity, there is a possibility of a better fire insurance rating for our city which could save as much as \$11 per year on premiums for a \$35,000 home -- in addition to a more secure feeling of the city's ability to fight fires.

"5. Detroit water would provide us with the lowest cost for fully treated water.

"6. Detroit water would be available to Plymouth in approximately six months. (This turned out to be 20 months.)

"7. Plymouth wells will not be abandoned. They will be maintained so that we can use them, if the need ever occurs, at a moment's notice."

THE COMMITTEE for Pure Plymouth Well Water advocated approval of an alternative proposition which would have brought about the construction of a treatment plant to remove the iron content, yet keep the local system in operation.

Thursday, Waffan reported a minimum of problems since the change-over and said many housewives said they were surprised while doing the breakfast dishes to find "a sinkful of suds."

City Clerk Eugene Slider reiterated the need that every meter be read at once by personnel from the water department so that users are not charged new rates for Plymouth water used in recent weeks.

He said it is imperative that householders who are not home when a meter reader calls either fill in the card properly and return it to city hall, or call the water department and fix a time when the meter can be read.

Accident Kills Rail Brakeman

By EDWARD WENDOVER

A 60-year-old Plymouth man died Thursday morning from injuries received when he was crushed between two railroad cars in Plymouth's C&O yard Tuesday morning.

Marsh F. Woods of 42370 Schoolcraft, a yard brakeman who had worked at the Plymouth C&O yard for 24 years, died at Wayne County General Hospital at 11:30 a.m. Thursday.

A spokesman for the Wayne County Sheriff's Department said late Thursday afternoon that the accident, which occurred on the track just north of the yard office in the township at 9:05 a.m. Tuesday, was not reported to them until 2:30 p.m. Thursday and that they had not yet investigated the mishap.

According to reports made by the C&O police and accident claims division, Woods was caught between two freight cars which he had been coupling.

The C&O reports, say that Woods was attempting to align the couplings between a string of cars and the engine and an attached car. He gave the engineer the go-ahead signal

and then turned his back, the railroad reports say.

THE ENGINE and car started back toward Woods as he was attempting to straighten the couplings and the couplings apparently did not align, thus failing to stop the two cars from coming together and trapping the man between them, say C&O reports.

Woods was taken to Wayne County General Hospital by a Plymouth Fire Department ambulance.

A C&O spokesman said the accident is still being investigated and that it had been reported to the Michigan Public Service Commission and the Interstate Commerce Commission.

The spokesman praised Woods as an "ideal employee" and said "he had a very good record with us."

A resident of the township for nine years, Woods leaves his wife Margie; a daughter, Patricia Woods of Plymouth; three sons, Marshall D. Woods of Westland, Phillip M. Woods of Plymouth and Roger T. Woods of Detroit; his mother, Mrs. Thomas Woods of Murray Ky.; eight brothers and sisters; and four grand-

MARSH F. WOODS

children.

The funeral will be held at 1 p.m. at the First Baptist Church in Plymouth with the Rev. Paul S. Thompson officiating. Burial will follow in Parkview Cemetery.

East's Concert To Be Dec. 14

The Plymouth Middle School East music department will present its annual Christmas concert at 7:30 p.m. Tuesday, Dec. 14. The program is under the direction of William Grimmer, vocal, and Stanley Towers, instrumental.

The public is invited and there is no admission charge.

JCs Book Griffin

The Plymouth community's outstanding young man and young woman of 1971 will be honored jointly at a banquet of the Jaycees and their auxiliary, the Jaycettes, the evening of Monday, Jan. 17.

In the past, the two organizations have announced their choices for the Jaycee distinguished service award and the Jaycette outstanding young woman trophy at separate functions.

This time, the banquet will be held in the Mayflower Meeting House and U.S. Sen. Robert Griffin (R-Mich.) has accepted an invitation to deliver the principal address. Tickets for the occasion will be \$15 per couple.

Clubs and organizations which wish to suggest candidates for consideration for either award may obtain the necessary forms at the Chamber of Commerce office in the Mayflower Hotel. Candidates must be no older than 35.

Last January, Mrs. Orlean (Marge) Baker was the choice of the Jaycettes as Plymouth's outstanding young woman of 1970 and the judging committee of the Jaycees bestowed its honor upon the bandmaster at Plymouth High School, James Griffith. Particular interest will

attach to Sen. Griffin's appearance here, because it will be a year in which he faces a challenge for reelection. It is expected that the regular meeting of the city commission which is scheduled for that night will be shifted to the following evening.

No Publications Dec. 25, Jan. 1

Observer Newspapers will not publish weekend editions on Dec. 25 and Jan. 1, the Christmas and New Year's holidays respectively.

Publisher Philip H. Power said the unprecedented decision was made in order to give employees and carrier boys and girls a full holiday weekend.

In addition, ONI offices will be closed on the two Fridays preceding each holiday -- Dec. 24 and 31. The main office at 36251 Schoolcraft, Livonia, and the Southfield office at 20099 W. 12 Mile will thus be closed from Thursday at 5 p.m. until Monday at 9 a.m. for each holiday weekend.

A trend has been developing in the metropolitan area to suspend publication on such holidays. Power noted.

Deadlines for the editions of Dec. 22 and 29 will be the normal Wednesday edition deadlines: Monday at noon for women's and church news, Monday at the close of business for general news, and Tuesday at 11 a.m. for classified advertising.

PLYMOUTH COMMUNITY SCHOOL LUNCH MENUS

Week of Monday, December 13 through Friday, December 17

ALLEN

MONDAY, DECEMBER 13
Chicken Rice Soup, Creamed Peanut Butter and Honey Sandwich, Fruit Cup, Cakes, Milk

TUESDAY, DECEMBER 14
Bar-B-Q on a Bun, Potato Salad, Buttered Beans and Carrots, Fruit Cup, Milk

WEDNESDAY, DECEMBER 15
Turkey in Gravy over Mashed Potatoes, Homemade Hot Roll, Fruit Cup, Pumpkin Cakes, Milk

THURSDAY, DECEMBER 16
Hot Dog on a Bun, Relishes, Buttered Green Beans, Fruit Cup, Brownies, Milk

FRIDAY, DECEMBER 17
Pizzaburger, Pickle Slices, Buttered Mixed Vegetable, Fruit Cup, Toll House Bar, Milk

BIRD

MONDAY, DECEMBER 13
Chicken Rice Soup, Crocker, Peanut Butter and Honey Sandwich, Cheese and Celery, Fruit Cup, Cakes, Milk

TUESDAY, DECEMBER 14
Shrimp Joes, Buttered Green Beans, Potato Salad, Fruit Cup, Cakes, Milk

WEDNESDAY, DECEMBER 15
Turkey Gravy, Mashed Potatoes, Bread and Butter, Cranberry Sauce, Jelly with Fruit, Pickle Slices, Cakes, Milk

THURSDAY, DECEMBER 16
Hot Dog on a Bun, Relishes, Buttered Mixed Vegetable, Fruit Cup, Cakes and Frosting, Milk

505 W. ANN ARBOR TRAIL, PLYMOUTH

CAMPAIGN STRATEGY is mapped by two Plymouth youth government candidates and their managers prior to assembling in Lansing next Thursday. Seated are Mary Ann Petrits and Mark McKelvey, who is running for speaker of the House. Standing are Tom Grace and gubernatorial candidate Deb McAllister.

Plymouth To Send 35 To Youth Government

PLYMOUTH Thirty-five Plymouth High School students will be among hundreds of Michigan youth leaders who will gather in the state capital at Lansing to participate in a practical three-day exercise in state government beginning next Thursday, Dec. 16.

Now in its 23rd year, the event is sponsored by the state YMCA of Michigan as part of its on-going program of practical education for high school youth, and has the

Plymouth Community 'Y' as one of its participants.

Eight of the Plymouth delegates have been nominated at a district convention in Dearborn as candidates for the various offices at stake in the youth government, among them Debi McAllister who is bidding for the role of governor.

OTHER CANDIDATES and the offices for which they are campaigning against nominees from throughout Michigan include Carol Cavell, lieutenant governor;

Mark McKelvey, speaker of the House; Debbie George, secretary of the Senate; Debbie Slider and Tom Stoeker, clerk of the House, and Marty Korte and Frank Krohn, chaplains.

Others in the 35-member Plymouth delegation are Bev Allen, Marcia Berry, Tina Cline, Mary Alice Egan, Tom Grace, Gary Gray, Raina Haaz, Susanna Herkila, Janis Herter, Julie Hone, Linda Hull, Mike Kenney, Jane Koepke, Kathy Koepke, Karen Korte, Carol Neighbors, Betsy O'Day, Joni Perlongo, Mary Ann Petrits, Penny Quinn, Kim Richardson, Michele Robb, Thom Sullivan, Mark Stevens, Donna Williams, Rich Wilson and Shelley Wilson.

They will be accompanied by William Gretzinger, Tri-Hi-Y Club advisor at the high school, and four other adult chaperones.

In recent weeks the full group has been learning the procedure for drafting bills and planning campaign strategies.

THERE WILL be 425 participants from throughout the state, and Thursday afternoon they will meet in joint session in the House chambers where they will be welcomed by state officials. In addition, they will be sworn in as delegates by Justice G. Mennen Williams of the Supreme Court.

Following that ceremony, Gov. William G. Milliken will address the assembly, and then the 1971 youth governor and other officers will be elected. The social highlight will be a ball on Friday evening.

Plymouth Brevities

ISSUANCE BY THE City of Plymouth of \$1.5 million of Cultural Center revenue bonds has been approved by the Michigan Municipal Finance Commission, and bids will be opened in City Hall at 7:30 p.m., Tuesday, Jan. 4.

It is this money that will make it possible to build the multi-purpose cultural and recreational center at Farmer and Theodore, giving Plymouth its first indoor ice skating rink. Officials hope the project can be completed by next winter.

THERE WILL BE two big highlights in the "Christmas in Plymouth" program next weekend, Dec. 18 and 19.

First, on Saturday, Dec. 18 the Jaycees will be providing free child-sitting service from 10 a.m. to 3 p.m. for children of ages three through 10. This will be at Central Junior High School, Church and Main, and mothers then can shop without youngsters tagging along.

Sunday, Dec. 19 will bring the community "Sing Along" at 3 p.m. in Kellogg Park. Brass and choral groups from the high school will be there under Fred Nelson's direction, and song sheets will be provided.

THE PHS VOCAL department also has a Christmas concert scheduled on its home grounds at 8 p.m. Wednesday, Dec. 15 and the public is invited without charge.

Entertaining in the new school's beautiful auditorium will be the mixed chorus, choir, girls glee club, Triple Trios and Madrigal Singers. SMITH SCHOOL'S Parent-Faculty Organization has planned its Christmas sing for students, teachers, parents and friends for 7:30 p.m. Tuesday, Dec. 14 when they will gather 'round a gaily decorated outdoor tree.

After the songfest, each class will have a party in its own room, climaxed by a gymnasium program which will feature entertainment by fourth and fifth graders. William Lutz is the new principal at Smith this year.

GERALD PROSKIE, of 46725 Ann Arbor Rd., who is an industrial engineering supervisor at the Ford transmission plant, has earned a special Christmas gift this year.

After being employed at Ford for 15 years he now has completed work upon his bachelor's degree in business administration at Eastern Michigan University. He has majored in management, with a minor in finance. Earlier he received an associate degree from Henry Ford Community College.

SWIMMING, WRESTLING and basketball are on the coming week's sports calendar at PHS. The Rocks will host Livonia

Stevenson in a dual swimming meet Thursday, and on the same day the wrestlers will hit the road for a meet at Bedford Union. Friday night will bring another home basketball game in the new gym, the foe being Edsel Ford in a Suburban Eight contest.

YMCA Hires New Director

PLYMOUTH With an announced aim toward further expansion of its services to the community, the Plymouth YMCA has hired its first full-time director, Thomas Griffin, a 36-year-old Detroit.

Griffin worked the past five years as a social services supervisor in Detroit under the Mayor's Committee for Human Resources Development. He was active in counseling, neighborhood youth corps development and public service employment.

Earlier he had been administrative assistant at the Todd - Phillips Baptist Boys Home in Detroit and, before that, a public aid worker with the Detroit Department of Public Welfare.

Currently he is completing work on a bachelor's degree in sociology at Wayne State University, where he had been a student prior to 27 months of Army duty.

In his Plymouth assignment, Griffin succeeds Bob Waters, who served the 'Y' as a part-time director and who now has turned to a teaching career.

THE YMCA maintains an office in the Plymouth Community Federal Credit Union, 500 S. Harvey, but has no permanent facilities of its own.

The Plymouth chapter was formed in 1961 by a group of concerned citizens who obtained a formal charter and established such initial programs as the Indian Guides, for fathers and sons, and the Hi-Y Club for high school youth.

In 1963 the 'Y' programming zeroed in on an effort to serve school dropouts and unem-

played youth. Its existing employment service is an outgrowth of that thrust. Community support for the 'Y' has been indicated by the fact that from an initial contribution of \$4,000 in 1962 the Plymouth Community Fund has backed the organization increasingly until now the allocation is \$14,000.

THOMAS GRIFFIN
YMCA Director

EXISTING programs include:

The free 'Y' employment service.

Sponsorship of Tri-Hi-Y at the high school.

Recreational and cultural enrichment programs at Starkweather school for elementary, junior high and senior high boys, as well as a similar group for elementary and junior high girls.

'Y' Indian Guides for fathers and sons with a motto of "Pals Forever." There are now approximately 20 tribes in the organization.

Girl's knitting club at Starkweather.

Letter To The Editor

Pride Evident In New School

EDITOR: Sunday, as my husband and I strolled through the new Plymouth High School, we observed an outstanding environment to stimulate curiosity, observing and hence learning.

The extreme pride in the sharing each concept reflected in the students, faculty, and administrators. They were glowing with pride after many years of dreaming, working, planning, and more working.

All of us receiving our tax bills and feeling that irritation of another hunk of our income sail through our fingers, now can see something solid and great for our children and future generations to utilize.

Just a moment for a personal feeling as I am consumed with an euphoria of possibilities in learning for my five children. All the mornings when my husband, not always with his lumbar disc in stack, tracked off into the cold to work for his family—the lunch packing—signing permission slips—searching for last minute information on reports due—trips as a room mother, den mother meetings—working on the PTA, PTSA, community council, township planning—drug monster in the area, etc.

Sunday, Dec. 5, all the little things we do as parents suddenly evolved to a purpose—real, visual, and challenging. The bustling issue, the little people with their petty squabbles and selfishness cannot mar my pride now in the Plymouth Community Schools.

THROUGH BIFOCALS

By FRED DELANO / Editor: Mail & Observer

FIGURATIVELY SPEAKING, someone threw more than just rice at Wednesday's marriage between the Detroit Water Board and Plymouth, a contractual union which is destined to last at least 35 years—meaning the year 2006.

Although everything was peaches and cream Wednesday, under the surface lies a factor which may give the contract birth pains in the vicinity of city hall long before the first nine months have expired.

The irritant is found in a monthly analysis of water sales since July 1969 showing that consumption by the city's No. 1 customer, the Burroughs Corp., has undergone a shocking reduction.

For the two-month period of September and October 1969, Burroughs was billed for 76,254,000 gallons. A year later, for the same two months, it was 62,535,000 gallons. This year, in September and October, all Burroughs paid for was 43,279,000 gallons. The decline in water consumption over a two-year span was about 43 per cent!

IF YOU BUY your water from the city, you should be well aware by now that we are on the eve of a new rate schedule which will increase your water bills about 50 per cent.

Unfortunately, a not-so-funny thing happened somewhere between the time Our Leaders analyzed what operational costs would be with Detroit water, together with income needed to continue the water department in the black, and the Burroughs billings of 1969 and 1971.

An Oct. 9, 1970 memo to his fellow commissioners from Mayor James B. McKeon, discussing

the necessary three-way pact between city, township and Burroughs that would keep Burroughs as a city customer several more years until municipal water bonds are paid off, stated:

"No consideration was given to the possibility of Burroughs reducing their volume by recycling or some other water saving method. This is because Burroughs has advised that 80 per cent of their volume is for personnel use such as toilets and washrooms, and that there would not be a significant reduction in the remaining 20 per cent."

WELL, IT'S NO SECRET that Burroughs toilets and washrooms are not being used as much these days, heavy layoffs having cut the number of employees as the corporation has restructured its product lines and rechanneled activities of the Plymouth plant into new avenues.

Statistically, Burroughs carried 38.956 per cent of the September - October billings of 1939, then 32.899 per cent in 1970 and only 25.035 per cent this year.

In dollars, the only official figure comes from a February 1969 study prepared for the city commission by Johnson & Anderson, Inc., which reported the average annual water bill paid by Burroughs as being \$39,910.56.

Now, if I had a monopoly on the sale of toenail clippers, and one guy who had been buying 38 per cent of my merchandise cut it back to 25 per cent, I would raise the price to my other customers to keep my income at an even keel. Guess what they may do in city hall next, neighbor.

Plymouthite Is Cleared In Shooting

PLYMOUTH
Edward Rye, a Plymouth resident who was wounded in an exchange of shots with FBI agents last month in Detroit, has been cleared by a federal grand jury after originally being charged with assaulting federal officers.

Rye, of 465 N. Sheldon, is co-owner of a Detroit carry-out restaurant and said he was making a night deposit at a bank at Fenkell and Burgess, a location which the FBI had stated out, when he believed men who approached him were bent upon robbery.

He said the men failed to identify themselves as FBI agents, although the latter contended they did, and that he shot at them by accident after they had opened fire. After taking testimony in secret proceedings, the grand jury refused to return an indictment against Rye.

Christmas Brings Fire Precautions

PLYMOUTH
With the Christmas season at hand, homeowners should be particularly watchful that holiday decorations and festivities are safe and free from fire hazards.

That warning came from Plymouth Fire Chief George Schoenneman Thursday. "The very things which make Christmas a favorite holiday can reduce the season to a time of tragedy if fire safety precautions are not observed," he said.

Schoenneman gave these suggestions for homeowners to follow to insure a holiday season that's free from fire:

- Natural trees should be fresh and kept in water until they are disposed of soon after Christmas day. Dry trees present one of the major fire hazards of the Christmas season.

- Artificial trees should be the type which are made of slow-burning or fireproof materials. Trees with built-in electrical systems should have been inspected and approved by Underwriters' Laboratories (UL). Metal trees should only be illuminated with indirect lighting to avoid the possibility of getting shocks.
- No trees should be placed where they block heat registers or doorways.
- All Christmas light strings should be checked for frayed wires and should be turned off before retiring at night.
- Dispose of gift wrappings quickly and safely.
- Watch children playing near the tree.

By W. W. EDGAR

It often has been said that you never realize how fast time flies until you sign a 90-day note.

By the same token, one doesn't realize how high our standard of living has risen, or to what heights the spiraling inflation has carried us, until you happen on some pamphlet out of the past—preferably a menu from a popular eating establishment in one of our major cities that can be looked upon as a gauge of the times.

This was driven home to The Stroller the other evening while he was browsing through some of his "souvenirs" and came upon an autographed menu from

The Stroller... A Different World Then

Jack Dempsey's restaurant in New York—an establishment that was looked upon as the gourmet capital of the sports world not too many years ago.

It was at Jack's famous corner—50th Street and Eighth Avenue—that sports followers from all sections of the globe gathered to visit with the old Manassa Mauler and chat with sports celebrities who could be found there most any hour of the day or night.

It was here that Damon Runyon, the famed author, held court for young sports writers on the night of a major fight in old Madison Square Garden located just across the avenue. And it was here that Damon discovered many of the characters he im-

mortalized in many of his short stories.

WELL, DOES The Stroller remember the night he obtained the autographed menu? It was on the June night of 1935 shortly after Joe Louis had knocked out Primo Carnera, a former heavyweight champion, and started his meteoric climb to the most prized of all boxing titles.

It must have been a different world then. For when The Stroller picked up the menu the other night, the first thing that struck his eye was a little brown tag in the upper left hand corner—the spot always reserved for the "special of the day"—and it read:

Made with 16 different health salads
Specially Recommended
35 Cents
That's what it said. The special of the day for only 35 cents! A common ordinary tossed salad with plain oil and vinegar dressing would cost four times that much today in the plainest of our road side restaurants.

The salad was not the biggest surprise. That came on the list of entrees with such appetizing pleasers as—
Whole broiled young lobster, drawn butter, julienne potatoes—\$1.50
..Broiled jumbo squab (1 lb.) julienne potatoes—\$1.50
Half of broiled spring turkey, cranberry sauce (served for two)—\$2.75
Then came the real shocker. Tenderloin steak (best in the house)—\$1.85.

WHEN THE STROLLER hears threats of this kind, he can't help recalling his early days in Detroit during the era of the "after hours" establishments when food literally was given away as a lure to those who specialized in liquid refreshments.

Well he recalls one dawn when he was invited by the owner to ride down to the market to purchase the food supply for the day.

The choice bits came when the meat was put on display and the owner purchased specially cut steaks for \$1.37 each. And that night the steak was prepared and served with all the side trimmings for \$1.25.

Sounds odd, but Carl Rosenfield, our host that morning who now owns Carl's Chop House, one of Detroit's finer dining emporiums, laughs when he recalls that dawn and, smilingly, says, "We were living in a different world then."

No doubt about it—and the least \$3.75 per pound for old menu from Dempsey's lobster and that we are not too far away from a \$10 steak on a Street and Eighth Ave. only restaurant menu and that it furnishes further proof.

ST. MARY HOSPITAL's chief executives are (from left) Rita Radzi-olowski, administrator; Sister Mary Calasantia, executive director; and Mother Mary Columbine, provincial mother of the Felician Sisters and former administrator.

Hospital Celebrates No. 12 With Expansion

By W.W. EDGAR

St. Mary Hospital in Livonia celebrated its 12th anniversary Wednesday in a most unusual fashion—by laying the cornerstone of a multi-million dollar addition that, when completed, will make it one of the largest institutions in the state.

When the doors were opened for the first time to admit patients on Dec. 8, 1959, St. Mary was considered an experiment as the lone ray of hope to the suffering in the sprawling, partially-populated suburbs of western Wayne County.

In the years that followed, it has grown and grown until now, with the latest addition, it will be a 380-bed institution that ranks with the best in the state.

TO HELP celebrate the occasion—and the added significance that it was the feast of the Immaculate Conception—several hundred members and friends of the Felician Sisters gathered to pay tribute and laud the work of Provincial Mother Mary Columbine and Sister Mary Calasantia, present executive director, who guided the institution from its inception.

Of all the tributes, however, it was Philip H. Power, the principal speaker, who struck the responsive chord when he said that St. Mary Hospital

PHILIP H. POWER, publisher of Observer Newspapers Inc., was main speaker.

has woven itself into the fabric of the community and made the difference between a real community and "just a bunch of houses."

Paying high tribute to the Felician Order for its foresight in envisioning a hospital on the site, the publisher of Observer Newspapers Inc. called attention to the driving force it has been in the development of the entire area.

"Industry and business and people come to places where they can get service of the

type that has been offered here through the years, and this is reflected to the fantastic growth of Livonia.

"We have 36 square miles with a population of 112,110, two colleges, six high schools, 54 elementary and junior high schools, two major shopping malls, several auto plants, the largest food warehouses in southeastern Michigan, a large industrial park—and only ONE hospital.

"That, in itself, is the fantastic story of St. Mary Hospital."

IT ALSO WAS pointed out that the presence of St. Mary has attracted dozens of doctors and medical specialists who helped build the city with the myriad of medical clinics in every section.

In closing his tribute, Power said that St. Mary was the symbol of the Biblical plea found in the book of Matthew: "Come unto me all ye who labor and are heavy laden and I will give ye rest."

It was in this same vein that Mother Columbine spoke when, as Sister Columbine, on that day in 1959 when the doors were opened for the first time, she said: "Come all ye who suffer."

THE PRESENT addition is the second since the hospital was opened.

Several years ago a new wing was added and the emergency section enlarged.

Zuckerman Will Head United Jewish Appeal

Paul Zuckerman of Franklin, president of Velvet Food Products, Inc., of Livonia, is the new general chairman of United Jewish Appeal.

His move into the top spot in the far-flung organization that aids Israel and Jews all over the world coincided with the closing dinner of the 1972 UJA National Conference in New York Saturday, Dec. 11.

Zuckerman, ninth general

chairman of UJA, has been called "the peanut butter king" because his firm is the world's largest independent producer of peanut butter. It is located at 30111 Schoolcraft.

He and his wife, Helen, and their two children live at 27651 Fairway Hills Drive, Franklin.

ACCEPTING the general chairmanship, in which he succeeds Edward Ginsberg of

Cleveland, Zuckerman said his goal is "to mobilize all of the strength and resources of the American Jewish community to keep our promise to the people of Israel and Jews all over the world."

"We shall keep the promise of a haven in Israel for all those who seek freedom from oppression, freedom to live as Jews among Jews," he added.

Zuckerman also disclosed plans for a 1972 "Keep the Promise" campaign which he

said would raise a record amount and be the most extensive ever launched by United Jewish Appeal.

He said UJA would help bring 50,000 new immigrants to Israel during the coming year and help them become absorbed in their new society as well as striving to bring a life of dignity and opportunity to many newcomers living in sub-standard conditions.

ZUCKERMAN, a University

of Detroit graduate, said in an interview that the UJA hopes to raise about \$450 million, of which \$300 million will go to Israel. The money goes to non-governmental agencies supplying medicine, housing and job training for immigrants.

Zuckerman, who was born in Turkey, commented that defense needs restrict the amount of money Israel can spend for humanitarian goals. "Israel is in an uncomfortable position," he added. "Because of defense needs, the burden more than ever falls on world Jewry, especially American."

He noted that hospitals in Israel are 130 per cent overcrowded.

The 400,000 Arabs in Israel are "treated equally," he said.

THE FRANKLIN RESIDENT commented that he has been helping Israel since it became a state in 1948. He said he recently spent only a week in about three months at home.

Zuckerman said he pays his own travel expenses, which amounted to about \$20,000 for the 250,000 miles he covered last year.

PAUL ZUCKERMAN

Much of his fund raising activity is person-to-person contact, he said, although sometimes he meets with groups of about 50.

He helped the UJA raise \$13.3-million in the Detroit area last year. About \$5 million stayed in the area.

When asked his motivation for spending so much time and effort for the UJA, Zuckerman replied "I'm one of those people who really believe..."

THE 59-YEAR-OLD Zuckerman has a home in Caesarea, Israel, and has attained wide recognition as a

philanthropist and business leader. He served UJA as a national chairman and a member of its executive committee, and for the past three years, has chaired the highly successful "Operation Israel" program of missions to Israel conducted by the national UJA.

With his election as UJA general chairman, he also joins the 11-member executive of the Jewish agency, which directs humanitarian programs on behalf of the human needs of Israel's people.

Zuckerman was named by former President Lyndon B. Johnson to head the United States Food for Peace Committee in Michigan. In Detroit, he served as president of the United Jewish Charities and as director of the United Foundation. He also held the post of vice president of Detroit's Jewish Welfare Federation and was chairman of its Allied Jewish Campaign in 1961 and 1962.

In 1969, for his outstanding service to the Jewish and general communities, Zuckerman received the Fred M. Butzel Award for

Distinguished Communal Service.

THE DETROIT Jewish Community has honored him by planting a "Zuckerman Forest" of 10,000 trees in the Jerusalem hills, and he, in turn, has honored the community by building the Detroit Park in Jerusalem - a park which is being used as a place where Israeli and Arab children can learn to play with one another in the hopes that they will learn to live with one another.

Zuckerman is the chairman and chief executive officer of the Velvet O'Donnell Corp., a food products and liquor importing and distributing firm.

At the 1963 St. Erik's World's Fair in Stockholm, the U.S. Department of Commerce set up a large exhibition booth to display the product of Zuckerman's firm - the first time peanut butter was ever on official exhibit to interest European trade.

Mrs. Zuckerman is active in the Allied Jewish Campaign Women's Division, Hadassah, and the National Council of Jewish Women.

THE MENORAH candle lighting ceremony will begin Pontiac Temple Beth Jacob's Hanukkah party and family dinner Sunday, Dec. 12. Taking part will be (from left) Susan Green of Bloomfield Hills, Gregg Adelman of Livonia and Shari Fanger of Birmingham. Mrs. Phillip Gersten of Livonia is in charge of the ceremony.

Hanukkah Party Set

The Hebrew school students of Congregation Beth Abraham - Hillel will hold a Hanukkah celebration at 10 a.m., Sunday, Dec. 12, in the synagogue on Maple Road, between Inkster and Middle Belt, West Bloomfield.

The congregation will inaugurate its season of late Friday evening services and Oneg Shabbat programs in the main sanctuary of the new synagogue at 8:15 p.m., Friday, Dec. 17.

Dr. Bernard M. Goldman will speak on "Hanukkah Archeology." He is with the department of art and art history of Wayne State University.

Rabbi Israel I. Halpern will preside and Cantor Shabtai Ackerman and the synagogue choir led by Cantor Israel Fuchs will take part in the program. Tea and a social hour will follow.

Kol Ami Youth Plan Service

The junior high youth choir of Temple Kol Ami will lead Hanukkah celebrations of the congregation on Friday, Dec. 17.

The celebration will be held in Birmingham Unitarian Church, Lone Pine at Woodward, beginning at 7:30 p.m. Dr. Irving Friedman of Birmingham directs the choir. The service will be followed by a festive Oneg Shabbat.

Hanukkah begins this year on Sunday, Dec. 12, at sundown. Otherwise known as the Feast of Lights, it commemorates the victory in 165 BC of the tiny Jewish army known as the Maccabees over the mighty Syrian Army.

Candlelight Concert Set

The choirs of Faith Lutheran Church in Livonia will be joined by string, woodwinds and brass ensembles for the church's candlelight Christmas concert at 7 p.m. Sunday, Dec. 12.

Mrs. Marie Schmitz is organist and choir director for the concert. The church is located at 30000 Five Mile.

Area Deaths

ROY O. HUDSON - Services for Mr. Hudson, of 5657 Herbert, Westland, are scheduled for 3 p.m. Thursday, Dec. 9, in the Sparks-Griffin Funeral Home, Pontiac.

Mr. Hudson died Monday, Dec. 6, in Alhambra General Hospital. He was 61. Mr. Hudson recently retired from Fisher Body Division of General Motors Corp.

He is survived by his wife, Inus; five sons, James, Roy, Rockford, Randy, and Robin; a daughter, Mrs. Yvonne Inch; mother, Mrs. Reine Rice; four brothers, and one sister.

WILLIAM J. JOHNSON JR. - Services for Mr. Johnson, 52, formerly of Livonia, was held at the Henry J. Will Funeral Home with Rev. Arthur Baumer officiating. Burial followed in United Memorial Gardens.

A carpenter for the Panhandle Cabinet Shop in Plymouth, Mr. Johnson came to Livonia in 1945.

Survivors include a daughter, Mrs. Walter Anderson of Westland; two sisters, Mrs. Connie Regesdale and Mrs. Madge Conjar both of Nashville; and one grandchild.

HARRY C. BEYMORE. Services for Mr. Beymore, 61, of 8556 DeSoto, Detroit were held in the Schroeder Funeral Home with the Rev. Capt. Warren Vander officiating. Burial followed in Oakland Hills Cemetery.

A retired sheet metal worker, Mr. Beymore died Dec. 7 at West Trail Nursing Home in Plymouth.

Survivors include a daughter, Mrs. Laurie Noffinger of Plymouth; a stepdaughter, Mrs. Sue Middleton of Pontiac; a brother, Frank Beymore of Kansas; three grandchildren; and one great-grandchild.

MRS. REVA P. SPITZ. Services for Mrs. Spitz, 68, of 18005 Inland Rd., Livonia, were Dec. 10 in the St. Paul Funeral Home, Northville. Rev. G.C. Branstetter of First Methodist Church of Northville officiated and burial was in Park View cemetery in Livonia.

Mrs. Spitz died Dec. 9 in Redford Community Hospital. She was a resident of the Livonia area for 20 years. Active in Pi Phi and Order of Eagles

2504 in Northville, she was past president and chaplain of the group. She is survived by her husband, Stanley J., one daughter, Mrs. Loren Semperoff of Plymouth; one son, Cecil Schiedel of Detroit; one brother, Feber Howard of Bannock; seven grandchildren and four great grandchildren.

WILLIAM J. COLSON. Services for Mr. Colson, 62, of 22219 14 Mile Road, Farmington were held in the Healey Funeral Home with the Rev. Howard Snell officiating. Burial followed in Windsor, Ont.

A retired electrical engineer, Mr. Colson moved to Florida eight years ago. He was a member of the R.A.M. St. Johns Lodge, England and was a 32nd degree Mason. He died Dec. 2 in Florida after a short illness.

Survivors include: his wife, Florence; a daughter, Mrs. Thomas Blanchard of Farmington; and three grandchildren.

LEONARD F. KNOLL. Services for Mr. Knoll, 67, of 20113 Deering Ave., Livonia were held in the Thayer Funeral Home with the Rev. V. Frederick Halboth Jr. officiating. Burial followed in Glen Eden Memorial Park.

An 11-year resident of Livonia, Mr. Knoll had worked for the J.L. Hudson Co. and was a member of Grace Lutheran Church in Detroit. He died Nov. 29 at Bonfield Hospital.

Survivors include: his wife, Isabelle; a daughter, Mrs. Carol Chis of Livonia; a sister, Mrs. Frank Roeder of Grosse Pointe; a brother, Lawrence Knoll of Portland, Ore.; and two grandchildren.

JOHN F. CORCORAN. Services for Mr. Corcoran, 52, of 22219 14 Mile Road, Farmington were held in the Healey-Sundquist Funeral Home with the Rev. Hugh C. White officiating. Burial followed in Park View Cemetery.

A World War II veteran, Mr. Corcoran was a sales engineer for American Photocopy Equipment Co. in Detroit. He had lived in Farmington area for 12 years and died Dec. 6 in Bonfield General Hospital.

Survivors include: his wife, Helen; two daughters, Mrs. Gerald Bille of Plymouth and Mrs. Charles Marley of Detroit; and two sisters and a brother all of Massachusetts.

Capuchins Give Land Back To The Indians

The Midwest Capuchin Province of St. Joseph has transferred title of the religious community's former novitiate building and orphanage at Baraga, Mich., to the Keeweenaw Bay Indian Community.

The land and buildings, with an estimated market value of \$250,000, were turned over to the Indian Community for one dollar. Capuchin Father Rupert Dorn, provincial of the Midwest Capuchins, said the province took the action as a sign of practicing rather than just talking about social justice.

"The province purchased the land and buildings in 1956," Father Dorn explained. "Up until two years ago we used the facility for the religious training of our future brothers and priests. When we consolidated our training program we no longer needed the facility."

FATHER DORN said that the delegates to the Provincial Chapter in 1970 discussed the disposal of the property. The Indian community sent a representative to the meeting to ask the Capuchins to consider selling the property to them for \$100,000 which they felt they could raise from various sources. The delegates to the Chapter voted to accept the offer.

"The Indian Community tried for over a year to raise the money," Father Dorn said. "They were unable to get any government, church or charitable group to consider giving all or part of the purchase money. However, some groups did express willingness to consider making project grants if and when the tribe would receive the buildings and property."

Father Dorn said that in the final analysis the Capuchins

felt that the Keeweenaw Bay Indian Community's need for the property was more important than the province's need for a financial return for the property.

"We had another buyer and with the rising costs in educating our brothers and priests, we could have put the money to good use. However, we felt the greater obligation was to the Indian people whom the buildings were originally built to serve."

THE CAPUCHIN PROVINCIAL said that the province might be criticized for giving away valuable property and at the same time admitting that they needed funds.

"We feel, however, that when the critics realize the important role this facility will play in helping these Indian people determine their own future, they will criticize us less harshly," Father Dorn said.

"Most people will admit that we have made some pretty sad mistakes in this country trying to manage the lives and life style of the Indian people. Yet, now they hesitate to give the Indian people an opportunity to determine their own future. At least, in this case, if mistakes are made, the Indian people will have the opportunity of making the mistakes themselves."

The three-story brick building being turned over to the community has 50 rooms which were used as bedrooms, plus community rooms, a large room that was used as a chapel, a commercially-equipped kitchen, dining room, tailor shop and full basement. There is also a smaller stone building on the property, which was formerly an orphanage. The agreement allows this building to be used for a church and living

quarters for a priest for up to 20 years.

A PARCEL OF LAND is being deeded over to the Diocese of Marquette. It includes an outdoor shrine to the late Bishop Frederic Baraga whose cause for sainthood is being considered because of his work among the Indian people. It also includes a small log school building, part of which was built by Bishop Baraga.

The Indians will use part of the facility for Tribal Headquarters, a cultural enrichment program and an alcoholic rehabilitation center.

They are also investigating the possibility of using other parts of the building for a community center, day care center, public health service center, tribal legal service center and a vocational training center.

Father Dorn said that the Capuchin General Council in Rome had concurred with the local decision.

Celebrate Christmas in Church

Ward To Begin Yule Services

Holiday services begin Sunday, Dec. 12, in Ward United Presbyterian Church, Six Mile and Farmington Roads, Livonia, when, at 7 p.m., the choir will present a Christmas musical program featuring selections from "The Messiah."

Dr. Bartlett L. Hess will deliver the message "What Do You Worship?" at the 9, 10:15 and 11:30 a.m. services.

Civic Chorus Sets Concert At Kenwood

The Kenwood Church of Christ, 20200 Merriman, Livonia, is sponsoring a program of Christmas music for the community at 6:30 p.m., Sunday, Dec. 12.

The Livonia Civic Chorus will be featured in a variety of selections, ranging from "Twas the Night Before Christmas" to music from Handel's "Messiah."

Robert Sulasarski directs the 65-voice chorus, which is sponsored by the Livonia department of parks and recreation. Rose Mary Alfano is the accompanist.

The chorus will also sing at Westland shopping center Thursday, Dec. 16, from 7 to 7:30 and 8 to 8:30 p.m., and at Greenfield Village, Dearborn, between 1 and 3:30 p.m., Sunday, Dec. 19.

THE EVENING SERVICE at 7 p.m. Dec. 19, will be a Christmas pageant, "Joy, Unending Joy," presented by the Sunday School under the direction of Mrs. Fred Dover. Dr. Hess will speak on "Where Is He?" at the morning services.

Christmas Eve candlelight services will be at 5:30, 7 and 8:15 p.m. with Dr. Hess bringing the message "Unto Us a Child Is Born." Music will be by the Junior High Choir and the Chapel Choir under the direction of Max Davey.

At 11 p.m., the Rev. Franklin Williams will deliver a sermon entitled "The Night Mary Gained and Lost Her Child." Music will be furnished by a double quartet.

FOR HALF AN HOUR before each service, Onita Sanders will play the harp and sing.

College and career youth of the church will be in charge of the evening service Dec. 26. Hans Morsink, a candidate for a Ph.D. degree at the University of Wisconsin, will be the speaker.

In the morning, Dr. Hess will speak on "Why Is Life So Short?"

New Year's Eve, at 10, Billy Graham's film "Lost Generation" will be shown. A service will follow at 1:30, and refreshments will be served afterwards in the church hall.

COMMUNION SERVICE in Newburg United Methodist Church of Livonia features a home-baked loaf held by the Rev. William Ritter.

New Communion Service Restores Spontaneity

"Come to the joyful feast of the Lord. Let us prepare his table with the offerings of our own life and labor, with the juice from the grapes of our fields—with the bread from the ovens of our homes."

"For a world that is hungry and thirsty, bring bread and wine from our youth and from the gatherings of our women and men."

"Bring contributions to the feast from Livonia and Westland. Let our live offerings flow in from Farmington and Plymouth. Let all of Garden City, and Wayne, and Detroit receive the gifts of life from our table."

THESE WORDS are part of the invitation to a new kind of

communion service recently in use in the Newburg United Methodist Church of Livonia.

Aimed at restoring the spontaneity and deep feeling that seemed to be missing from the communion service, the new means of serving the elements at Newburg brings the entire congregation into more active participation.

Instead of a prepared wafer, the "bread of life" is now a home-baked loaf, and each communicant breaks off his own piece.

The serving is done at the altar by the church's two ministers, the Rev. William A. Ritter and the Rev. Ben Bohnsack, and by church members—different ones for each communion service—

who represent various groups in the church, women's clubs, Methodist Men, youth groups, choir.

And each worshipper picks his own time to receive communion, while congregational singing goes on throughout the service.

REV. RITTER explained the reason for revamping the service.

"I remember finding a great deal of significance in the communion service when I was a kid," he said. "But in recent years in our church, and I think in most Protestant churches there's been a decline in attendance on Communion Sundays."

"Talking it over with our council on ministries, we concluded that this was because the service was long and rather formal, used old language and the ritual was becoming devoid of feeling."

Rev. Ritter said the council wanted to "recapture the spontaneity of early Christians who met in catacombs to share a meal."

So the decision was made to have members of the congregation bake bread for the occasion and to have members participate as they felt moved to do so.

"AFTER THE presentation," Rev. Ritter said, "those who are serving come out of the congregation and take their places in the front of the church with the loaves and the chalices of juice."

"Then our organist, Clara Walker, plays a series of hymns—the introspective kind often missed in the regular services—and we have the first verses printed on sheets in the pews."

"Everyone joins in the singing, and each member follows his own inclinations in choosing the time to go to the altar rail."

"It moves much faster than it used to when we served in the pews or directed people to the altar in rows," Rev. Ritter said. "I don't know if everyone comes or not—it certainly makes those who choose not to do so less conspicuous."

REV. RITTER said that to him the most significant thing about the new means of serving is the full participation.

"The invitation comes to each person in his own way," he said.

"I think we're beginning to recapture the idea that the communion service is not some mystical impartation from above but Christ coming out of the common."

Evangelical Choir Plans Yule Cantata

A choir of 30 voices will sing the cantata "Story of the Nativity" by Thiman in Evangelical Covenant Church, 24331 W. Eight Mile, Detroit.

The church choir will present the concert at 7 p.m., Sunday, Dec. 12. Soloists will be Mrs. Florence Chauvin, soprano; Norman Burris, tenor; and Gerald Lodal, bass. Leon Anderson is director of music. Mrs. Betty Anderson will play the organ accompaniment.

The church will hold a children's program Sunday, Dec. 19, at 5:30 p.m., and a Christmas Eve service Dec. 24 at 11 p.m.

Religion Update

"I wonder just how many doctors in Catholic hospitals have ever read all of the bishops' directives for Catholic health facilities," said Dr. Andre Hellegers wearily, after hearing that the U.S. Conference of Catholic Bishops had just passed another revised version of its directives for the nation's 775 Catholic hospitals.

Dr. Hellegers, of Georgetown University Hospital in Washington, is one of the world's most renowned Catholic gynecologists. He served as deputy secretary of the Pope's Commission on Birth Control.

The doctor seemed to wince when told of the latest bishops' directive—especially as explained by Rev. Thomas O'Donnell, S.J., of Clinton, N.C., a spokesman for the Bishops' Health Affairs Committee.

FATHER O'DONNELL had explained to a press conference at the bishops' conference that "if the fetus is not certainly dead, as the result of a hysterectomy, for instance, it should be baptized—but only if you can find it."

The Jesuit priest subsequently clarified another section of the Bishops' directive by explaining just how it is possible to arrange that "help may be given to a normally performed conjugal act to attain its purpose."

"By either a modified condom, a plastic receptacle in the vagina, or by collecting

the sperm for subsequent injection with a syringe," fertilization can be assisted. "Are they still discussing things like this?" asked Dr. Hellegers, with some sign of ennui.

DR. HELLEGERS was then informed that Georgetown, one of the nation's leading Catholic universities, had been charged with dispensing contraceptives, by the ultra-conservative and unofficial Catholic magazine Triumph. William Marshner, a verbose young graduate of Yale, had made this charge during a press conference at the bishops' meeting.

"This same ridiculous charge has been made by Dr. William O'Malley of Ann Arbor, Mich.," replied Dr. Hellegers, "only O'Malley, one of our alumni, embellished it by adding that we are performing sterilizations as well as using what he calls devices which will probably act by causing abortions."

Dr. O'Malley's charges to this effect were recently published in another unofficial Catholic periodical of the Medieval far right, The Wanderer of St. Paul, Minn.

EXPLAINED Dr. Hellegers:

"Georgetown and Howard Universities cooperate in the obstetrics department of D.C. General Hospital, where the courts ordered that abortions be made available. But we do not perform abortions."

"We also cooperate with seven other universities in maintaining a clinic for the mentally retarded, whose board of directors voted to make contraceptives available for the patients—although with no Georgetown money provided for this cause. What should we have done? Are we supposed to have walked out of these cooperatives? Should we have abandoned the poor and the mentally retarded?"

"We tie the tubes of women at Georgetown Hospital, but only when a uterus has so many scars that it cannot produce a child—which practice this same Father O'Donnell, who was once at Georgetown, justified in an article he wrote for the Catholic medical journal 'Lineacre Quarterly'."

WHY DID DR. HELLEGERS believe that Dr. O'Malley would have raised such serious charges of uncatholic activity at Georgetown?

"O'Malley is an ignoramus on ethical and obstetrical issues," affirmed Dr. Hellegers. "He ought to read more on Catholic ethics as well as on cooperation in a pluralistic society."

Then the renowned Dutch-American physician added: "I note with interest that O'Malley's letter The Wanderer does not fully identify him. He just happens to be the associate research director for Parke Davis—one of this nation's leading manufacturers of birth control pills."

4 Soloists Will Be Featured In 'Messiah'

DETROIT The traditional Christmas favorite, Handel's "Messiah," will be presented by the Detroit Symphony Orchestra Sunday, Dec. 19, at 3:30 p.m. in Ford Auditorium.

Performing with the orchestra, conducted by Maynard Klein, will be four distinguished soloists: Soprano Elizabeth Mosher Kraus; mezzo-soprano Muriel Greenspon; tenor Wladimir Anderson; and bass Willis Patterson.

The performance will be one of the symphony's Kresge Concerts, presented in conjunction with a grant from the Kresge Foundation.

Tickets are available at Ford Auditorium box office and all Hudson's and Grinnell's.

Casting Call

The Wayne Civic Players will hold tryouts for the comedy "Never Too Late" on Monday, Dec. 13, and Tuesday, Dec. 14, at 8 p.m., in their rehearsal buildings, 1330-40 S. Harvey, Westland. The play is scheduled for production Feb. 18, 19 and 20.

Open auditions for two plays will be held in The Theatre, Marygrove College, McNichols at Wyoming roads, Detroit, at 7:30 p.m., Monday and Tuesday, Dec. 13 and 14.

The first play will be "The Tempest" by William Shakespeare. There are speaking parts for 14 men and one woman, although women may also read for Ariel. The roles of Prospero and Caliban have been taken.

The second play will be "Child's Play" by Robert Marasco, with parts for four men and eight boys, between the ages of 13 and 17. In this, the roles of Joe Dobbs and Jerome Malley have been filled.

Dr. James W. Rodgers will direct both plays. A prepared selection from each play is suggested. Rehearsals for "The Tempest" begin Jan. 3, and for "Child's Play," Feb. 6.

This marks the first season of the new Marygrove College-University of Detroit Performing Arts Centre.

Auditions for "Play It Again, Sam" will be held at 7:30 p.m., Dec. 12, 13 and 14, by the Southgate Community Players. Sunday's auditions will be in the Southgate Recreation Center, 14390 Dix-Toledo Road, Southgate.

Monday and Tuesday tryouts will be in Davidson High School, Trenton Road at Leroy, Southgate.

The three-act Woody Allen comedy requires three male and nine female parts.

IN REHEARSAL for a concert Sunday evening at Madonna College are four members of the College-Alumnae Chorus. From left, the singers are Debra Harris of Livonia, Patrice Hauck of Fremont, Ohio, Anne Marie Sacha of Warren and William Scruggs of Livonia. The latter is one of 16 guest male singers. At the

piano is Sister M. Paulette, director of the concert which begins at 8 p.m. in the Residence Building. It will feature familiar Christmas songs and carols by the chorus and a string ensemble and dances by students from the Rosedale School of the Dance. (Observer photo by Bob Woodring)

The West Suburban Stamp Club will hold a benefit auction and Christmas party at 7:30 p.m., Friday, Dec. 17, in the Knights of Columbus Hall, 150 Fair, Plymouth. A benefit auction is planned.

WORKING AT a frame loom, Mrs. Barbara Wolff of Farmington is creating woven wall hangings. Her work is being displayed at Eastern Michigan University next week. (Evert photo)

Farmington Artist Has Her Thesis On Exhibit

By BETTY MASSON

Unlike many a graduate student whose thesis is swallowed up in the academic maw never to see the light of day, Mrs. Barbara Wolff's will be seen by a lot of people. Mrs. Wolff is a resident of Farmington.

Hers is "written" on looms and will be on display from Dec. 10 to 17 in the Eastern Michigan University Library Building. This month she receives a master of arts degree from EMU.

Her field is art and her specialty is weaving, both on the frame loom and the more-familiar harness loom. It wasn't always so.

When she received her BFA from Wayne State University, drawing and painting were her chief interests. But then she "married an artist who was much more talented at drawing and painting than I am." Her husband is Richard Wolff, who has used his artistic talents in architectural and city planning. He still paints as a hobby.

The Wolffs have four lovely daughters, ranging in age from college to fourth grade, and it wasn't until recently that Mrs. Wolff decided to get actively back into the art world.

AFTER GOING to EMU to earn certification as an art teacher, she taught for two years. Then she decided to work on her graduate degree. She has done some substitute teaching as well during this time.

She has specialized in weaving because she enjoys it. "There's a certain way of thinking when you're weaving that appeals to me."

Mrs. Wolff obviously enjoys the feeling of the different materials she uses for her

textured tapestries, as well as the challenge of putting together colors and designs to create different feelings and moods.

Two of her wall hangings are easily identifiable as a water scene and a woods scene; others are interesting, and sometimes intricate, designs.

SHE HAS A sketchbook and usually can work directly from a sketch. On bigger pieces, though, a pattern or cartoon is necessary.

And the results are indicative of the new status the craftsman is being given as an artist, and the interest in the use of wall hangings in this area, although they have been popular in the southwest and in the Arab regions for many years.

As one of her traditionally-minded neighbors commented, "Woven wall hangings certainly make the room look very warm."

Another friend found they were a reminder of home, yet easily packable, when she moved to Korea.

While Mrs. Wolff's chief interest is in "doing," she also feels that teaching is important.

"I am very sorry to see Farmington cut down on the elementary art program," she commented. "You should learn to look and observe when you're young, and art is learning to see. Our society should stress learning to see and feel more."

Even adults find their awareness of what's around them has been increased by art lessons, she says.

With studies at EMU completed, Mrs. Wolff looks forward to being able to do even more creating and teaching. She may even find time for the "practical," the

material for a skirt she's promised her daughter.

DICK BENSEK

For the early settlers of our Atlantic coast there were many hardships and few joys, but perhaps one of their happiest times came at the first frost of early fall, chestnut-gathering time. Back then, the climbing of trees had its own reward, the prime prize for a delicious roasting at the home fire. Then, as ever, times changed. The American chestnut had its season of blight. By 1930, nearly nine million acres of chestnut forest had been ruined. Happily, these trees are now being replaced. On the market today, however, more than fifteen million pounds of Italian chestnuts make the early settlers' joy, chestnut eating, possible for us. Not only good for roasting, chestnuts make fine garnishes for roasted meats, and are elegant additions to pies, cakes, and ice cream.

Holiday times are happy times for families. We will be closed Christmas Day to allow our staff to spend the holiday with their families, but will be open for New Year's Eve. Make your reservations for Dec. 31 by calling 478-5320, DAN-ISH INN, 32305 Grand River Ave. You'll enjoy the piano music of Pat Flowers Tuesday thru Saturdays from 8:30 p.m. to closing.

HELPFUL HINT: Add a little vinegar to the water when you boil potatoes. This will keep them from turning gray.

Personal Attention

Livonia Pastry Shop A First

By MARGARET MILLER
Women's Editor

The largest merchandiser you can think of is choosing the most delicious means you can imagine to bring goods closer to the customer.

And the plan that eventually will affect the J.L. Hudson Co. customers all over metropolitan Detroit is beginning in Livonia.

Hudson's Pastry Shop opened officially Friday at 3104 Five Mile in the Merri-Five shopping center.

Its aim is to offer shelves filled with a wide variety of Hudson's edible specialties and an accessible store filled with old-fashioned friendliness and personal attention.

FRED C. TEICH JR., corporate director for food services, said the central idea in the six months of planning behind the store is restoring

"the personal touch that has been lacking in the retail business."

"We know many people like to be able to go to a neighborhood store and see the merchandise on the shelves instead of in packages," he said.

So the new store will have an assortment of rich pastries and customers will be invited to taste before making selections. There also will be candies and a freezer full of special items like frozen chicken and beef pies, egg rolls and cheese balls.

"Big Blue" blueberry muffins, Spanish cream cakes, Alaska cakes and whipped-cream pastries are among the goodies that will be delivered fresh daily from the Hudson bakery, just 13 miles away in Detroit.

WEDDING CAKES and all

kinds of specially-decorated cakes also will be offered.

"And the girls who will be working here are getting some training in the Hudson bakery so they'll be able to do a quick decorating job for the fellow who's forgotten his wife's birthday," Teich said.

Furnishings and staff for the new store have been picked with an eye to creating a comfortable atmosphere.

Antique accessories, carefully selected by Mrs. Dorothy Small, home furnishings coordinator, lend a warm glow. A carpeted floor and natural wood showcases keep the theme.

Manager of the Pastry Shop is Mrs. Veva Nivison of Farmington. Her sales staff will be women who live in the Overland area.

"They are local people so they'll enjoy getting to know

the customers," Teich said. "We want this to be a place where people can drop in regularly and pick up the kind of special foods that families enjoy and that are a great deal of work to prepare at home."

TEICH SAID J.L. Hudson chose Livonia as the ideal spot

for its first venture into the specialty shop away from the large department store complex.

Another Pastry Shop in Warren opens next week, and Hudson's is thinking in terms of 40 more in the metropolitan area in the next few years, he added.

FRED C. TEICH JR., J.L. Hudson corporate director, samples some of the specialties from the store's new Livonia Pastry Shop. Manager Veva Nivison is serving him.

READY TO SERVE customers in the Pastry Shop are (from left) Mrs. Nivison, Mrs. Beverly Rozek of Livonia, Mrs. Jean McGrorty and Ann Toth of Westland and Mrs. Donna Thayer of Garden City. (Evert photos)

Booker-Baer Vows Spoken

Mr. and Mrs. Tommy Carter Booker are making their home in Milford following their recent marriage in Good Shepherd Lutheran Church, Redford Township.

Mrs. Booker is the former Kathleen Ann Baer, daughter of Mr. and Mrs. H. Jack Baer of Roswell, N.M., formerly of Redford Township.

Mr. and Mrs. Bud Holland of Fox Avenue, Redford Township, are the bridegroom's parents.

THE REV. GODFREY ALBERTI officiated, and the bride's father gave her in marriage. A reception for 250

guests in the church hall followed the ceremony.

White satin, chiffon and lace fashioned the bride's puffy-sleeved gown. Her mantilla was trimmed with lace and her flowers were white roses, blue carnations and baby's breath.

Mrs. Peggy Jean Jones of Columbus, her sister's matron of honor, wore a baby blue chiffon gown with a navy velvet bodice trimmed with flowers. Her bouquet was of roses, carnations, daisies and baby's breath.

Bridesmaids Kathrine Stanfield of Auburn Heights and Sandra Baker of Livonia, sister of the bridegroom, wore similar dresses.

WILLIAM DAVID BOOKER was best man for his brother, and the ushers were James Walker and Joseph Sankup.

The bride's mother wore a navy dress with light blue trim and Mrs. Holland was in purple.

Gatlinburg in the Smoky Mountains was the honeymoon destination.

The newlyweds both are graduates of Redford Union High School. The new Mrs. Booker also attended Central Michigan University and has been employed by Michigan Bell and Mountain Bell telephone companies. Her husband attended trade school and is employed by Approved Manufacturing Co. in Farmington as a tool maker.

Former Livonians Repeat Ceremony

Mr. and Mrs. Elwood C. Savage, former Livonians, celebrated their golden wedding anniversary Nov. 13 by repeating their marriage vows in Faith Bible Church, Marion, Mich. Baskets of flowers decorating the altar were gifts of members of the church.

Officiating at the 4 p.m. service was the Rev. Mark Norris. Mr. and Mrs. Savage were married at the same hour 50 years ago in Kansas City, Mo.

Before moving to Marion six years ago, Mr. Savage was a

Livonia contractor. Mrs. Savage was a nurse, and worked in several area hospitals.

On hand for the ceremony and the reception which followed in the church hall were Mr. and Mrs. Savage's three sons and two daughters. They are Wallace Savage of Plymouth, Melvin and Wesley Savage of Livonia, Mrs. Geraldine Leonard of Wayne and Mrs. Virginia Horn of Redford Township. The Savages also have 14 grandchildren and nine great grandchildren.

Party Dec. 18

The Alumnae Association of Madonna College, 36600 Schoolcraft, Livonia, is sponsoring a Christmas games party, at 7:30 p.m., Saturday, Dec. 18. Tickets are \$1.

Branch Plans Christmas Tea

The Rosedale Gardens Branch of the Woman's National Farm and Garden Association will hold "A Merry Christmas Tea" in the club house, 9611 Hubbard, Livonia, at 1 p.m., Tuesday, Dec. 14.

The chorus of Whitman Junior High School will present a program of songs and carols.

All interested are invited to attend.

Needlepoint Designs To Be Introduced

Original needlepoint designs by Dinah Shore will be introduced at Hudson's during the week of Dec. 13. Demonstrations featuring various needlepoint techniques will be held daily.

Presentations will be from 10 a.m. to 1 p.m. and from 2 p.m. to 5 p.m., in Hudson's downtown, Dec. 13; Northland, Dec. 14; and Westland, Dec. 17. The new designs include a wide variety of abstracts, animals, florals and whimsical characters.

Spotlight on Women

AAUW Will Hear Talk On 'Family'

Bill Greenman will discuss "Communications Within the Family" at a meeting of the Livonia Branch of the American Association of University Women at 8 p.m., Tuesday, Dec. 14, in St. Paul Presbyterian Church, 27475 Five Mile, Livonia.

Greenman will conduct a question and answer session after showing a film entitled "Is It Always Right to be Right?" Greenman is a counselor in Southfield Public Schools. He has taught a church couples' class and has spoken at retreats. He is currently a guest instructor and doctoral candidate at Wayne State University.

Hostesses for the evening will be Mrs. Viva Stieber, Mrs. Mary Lodge, Mrs. Sandra Laskowski, Greenwood and Mrs. Phyllis McKillop. Reservations may be made with Mrs. Mary McKillop, 8945 Pere, Livonia.

Stevenson Skates To 6-1 Win

Spartans Crush Bulldogs In Hockey Opener

By TOM DONOGHUE
Observer Sports Editor

Stevenson opened its hockey season with an overpowering 6-1 win over Bentley with junior left winger, Don Finn, pacing the Bulldog attack with a three goal hat-trick. Churchill, which opened with a 12-3 win over Southfield, fought to a 4-4 tie with

Lakeshore. The Chargers scored two goals in the last five minutes to come from behind.

Stevenson jumped to a 1-0 lead at the 6:23 mark in the first period when Finn took a pass from Frank Geluso and slapped it past Bentley goalie John Fountain.

STEVENSON UPPED its lead to 4-0 with three second-period scores. Finn scored twice and Kurt Geiger put the

puck in the net on a pass from Mike Himan.

Bentley's Bob Wasilewski spoiled Van Vermoesch's shutout at the 6:01 mark in the third period. Stevenson completed its scoring attack with goals by Steve Hillman and John Restam.

Churchill and Lakeshore went scoreless in the first period but Lakeshore scored two goals in the first nine minutes of the second period to take a 2-0 lead.

Churchill skated back in the game with two goals in the closing minutes of the period to even it up at 2-2. Mike Casey scored at the 10:05 mark assisted from Mark DeRoche and Doug Lloyd and Rob Jenkins tied the game at the 14:02 mark.

The Chargers spotted Lakeshore two quick goals again in the third period but fought back to deadlock the contest at 4-4 with Casey scoring twice to give him an early season hat-trick.

Bentley Downs Jays

Bentley skated to its first win of the hockey season in a 6-2 victory over Southfield, which suffered its fourth straight setback.

Bentley took a 1-0 lead at the 12 minute mark in the first period on a goal by Don Coombe assisted by Greg

McKernan and Dennis McLean.

Bentley scored three times in the second period with Rich Ward putting two in the net and Coombe scoring his second.

Southfield opened the third period with a goal at the 3:05 mark with right winger Dan DeLaCruz, scoring on a pass from Bruce Digue and Steve Feldman. The Bulldogs came back eight minutes later to make it 5-1 with Coombe scoring his third goal of the game.

BOB MEAD tallied for Southfield's second goal and Bob Wasilewski concluded the scoring for Bentley at the 18:50 mark to put the Bulldogs up 6-2. Bentley now stands 1-3 while Southfield remains winless at 0-4.

Churchill Cagers Win Over Dearborn, 55-44

Churchill led all the way against Dearborn to score its second straight win of the basketball season.

"We controlled the boards and played a hard nose man-

to-man game," said Charger Coach Pat Montagano. "I would have to say that this was the finest game Churchill has played the past three years."

ROY HENRIKSSON scored the opening basket on a layup and the Chargers were up at the half 30-26.

Churchill broke the contest open in the third quarter,

outscored Dearborn, 20-8, and the Chargers were well on their way to victory.

"We ran our patterns well and the players were always looking for the open man," said Montagano. "The big factor was that we contained their fast break."

DEARBORN had scored on fast break patterns earlier against Grosse Pointe.

Churchill had four men in double figures: Bruce VanWagoner and Mike Keller led the attack with 12 points each with Henriksson scoring 11 and Mark Reed 10.

The Chargers shot 50 per cent from the floor on 22 of 44 field goal attempts while Dearborn was 19 of 52 for 37 per cent.

"It was a great spirited game and we only committed nine turnovers," added Montagano.

Churchill travels to Warren Sterling Friday for a non-league clash.

Hawks Grounded Again

Harrison Loses, 44-42

Farmington Harrison suffered its second setback of the early cage season in a 44-42 loss to Oak Park. The Hawks dropped their opener to North Farmington 71-59.

"It was a defensive battle all the way," said Harrison Coach Bob Sutter. "Both teams were cautious and there was no fast breaking."

Harrison held a 14-10 first quarter lead but trailed at the half, 22-20. Both sides totaled seven in the third quarter and 15 in the final quarter.

"We carried the play in the first quarter," said Sutter. "But we ended up scrambling the rest of the way against a tall Oak Park squad."

With two minutes remaining, Harrison was down by eight but tied the score at 42-42 with 38 seconds left. Oak Park's Willie Rankins scored on a layup and Oak Park was up 44-42.

Joe Doa took a desperation shot from 15 feet out in the closing seconds but the ball rolled off the rim and Harrison had dropped its second game in as many starts.

JIM MASON and Jeff Sietoff paced the Hawk scorers with 12 points apiece while Eddie Bratford and Marcelouse Wylie collected 12 each for Oak Park.

Harrison had 17 turnovers to 13 by Oak Park.

Harrison hosts rival Farmington Tuesday in a non-league clash and Northville Friday in a Western Six battle.

Bowling finally has hit the million dollar class.

In announcing the 1972 schedule the Professional Bowlers Association revealed that the total prize fund for the 13 city winter tour will exceed the \$1,000,000 mark and that the 12 additional tournaments during the summer will add another \$1,000,000.

This will be the richest prize fund in the 14 year history of the PBA and it is a far cry from the days when the top teams in the country used to meet for a \$500 pot which they posted themselves.

FRANK K. BAKER, who has been secretary of the American Bowling Congress for the past 20 years, is going to step down next Aug. 1.

He will reach the mandatory retirement age of 65 in June and will be succeeded by Albert R. Matzelle who has served as assistant secretary for the past 18 years.

Matzelle will be only the fifth secretary in the 76 year history of the ABC.

ENTRY BLANKS are in the mail for the ninth annual Masters Tournament sponsored by the Greater Detroit Bowling Association. It is scheduled for Indian Lanes in Wyandotte during the week of Jan. 22 - 29 when a field of 160 will bid for the title now held by Mike Samardzija, of the Stroh team.

In the eight year history of the event no champion ever has repeated.

LOW AVERAGE bowlers have an uncanny way of coming through with high scores when least expected.

The latest to spring a surprise is Florence Lemieux who carries a 163 average in the Sunday Mixed League at Wonderland.

After opening with a 200 she dropped to 166 and then posted nine strikes in a row before finishing with a 278 game and a 655 series. The 278 is the

league's high mark for the season.

NONE OF THE sharpshooters in the Garden Lanes Classic was able to break the 700 barrier during the week.

Leading the parade at the end of the three game session was Mike Margosian with a 691. His closest rival was Bob Grenier with a 662 and Paul Hobrman finished third with a 640.

Rose Lingner took the star role for the ladies with a 632 series on games of 267, 204 and 161.

In the Singles Classic Dora Bramlett fashioned a 597 and is now leading the circuit.

JERRY HOLT is becoming the man to watch in the Westland Classic.

He topped the field this week again with a 696 that included a 278 opener. At the finish he held a four pin margin over Jim Wrubleski who linked games of 216, 236 and 246 for 692. Tony Loianco was right behind with a 677.

The only 700 series of the week was a 707 put together by Don Patrias in the Friday morning industrial league when he linked games of 279, 225 and 203.

DOROTHY THOMAS scored a real strike for the substitutes when she paced the Livonia Lanes Ladies Classic last Tuesday morning with a 488 - 132 - 630 series.

Bowling as a substitute she had a high game of 174 - 44 - 218 on the way to the big series. In other high games Ellie Wilkin fired a 202 - 28 - 230 and Betty Wion posted a 183 - 50 - 233.

THE PACESETTING role in the Junior High boys league at Farmington Lanes went to Darrel Reynolds with a 475 that included a 212 game. Roy Smith was next in line with a 190 in 314.

In the prep girls division Kim Harrington took top honors with a 224 in 324.

JOHN KOTECKI was the lone bowler in the Bel-Aire Classic to pass the 700 mark and he did it by linking games of 278, 223 and 235 for 736. His closest rival was John King with a 690. Among the other high scores were Al Kowalski 657, Bob Koenig 686 and Bob Fitzgerald 683.

The star of the week, however, was Buzz Probst who converted the "impossible" 7-10 split. Ev Watson, who witnessed the shot, said Buzz hit the No. 7 and it bounced off the back wall to topple the No. 10.

In the Thursday Mixed League Larry Angott was high with a 640 and Jay Embry added a 641.

Among the women Bertha Simonsen was high with 582, while Helen Simpson fired a 578. Mary Lou Keating added a 543 to tie both Lois Tenaglia and Mary Petroff at that figure.

MARGE STEELE, once a name to conjure with in the Ladies All - Star Classic, relived some of her glory moments at Country Lanes this week.

Bowling with the Senior Citizens she turned in a most satisfying 244.

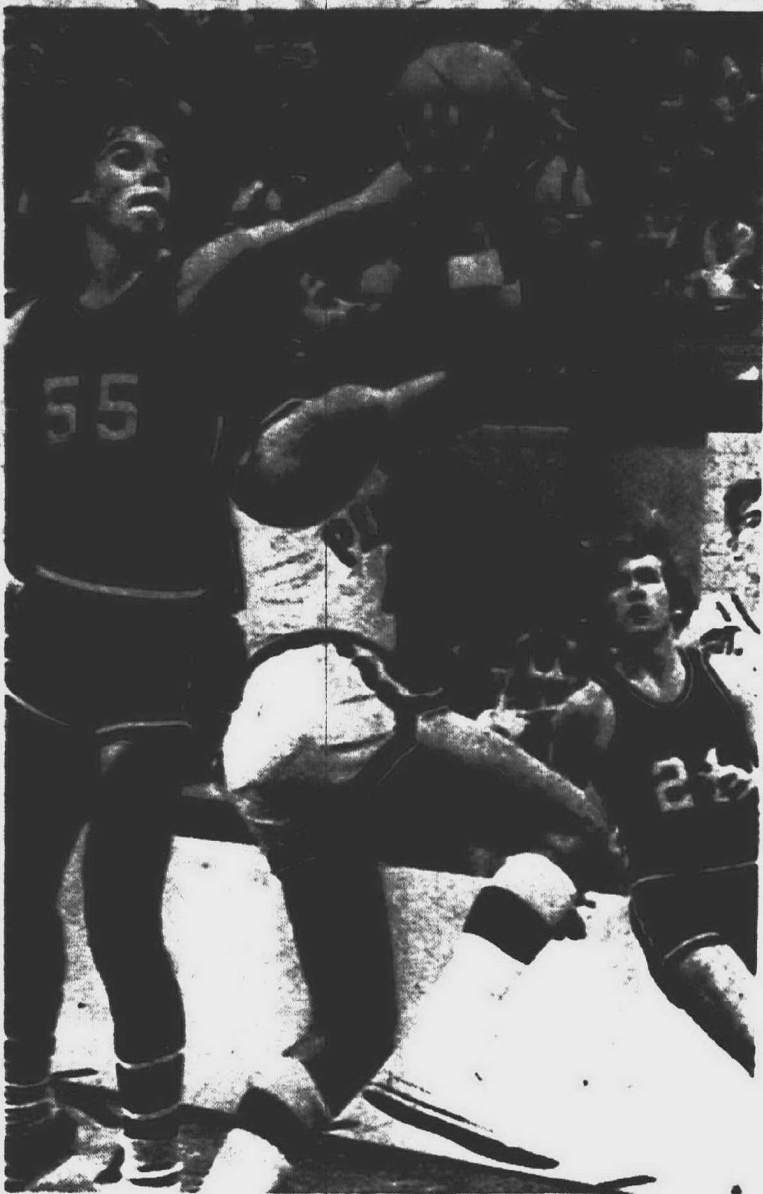

Clare Angrilli, a 162 average bowler, topped the list for the week with a 266 in 615 and Ginny Hasley bettered the 500 mark for the first time with a 502. Not bad for a 138 average bowler.

High game honors among the men went to Hank Candenes with 258 and Steve Barsey with a 255.

DOROTHY HOLZHEIMER was well on her way to one of the top scores of the year at Merri - Bowl when she opened with games of 225 and 213 in the Wednesday Coffee League. But the pressure got her and she dropped to a 178 and a 616 series.

Other good scores in the Toast and Coffee Leagues were Sharon Kubik's 232 and Elaine Mitchell's 228.

Franklin Topples Plymouth In Overtime

BLOCKING A ROCK -- Franklin's Tim Dietz (55) blocks a shot by Plymouth's Jim Szilagyi (Observer photo by Harry Mauthe)

By FRED DELANO

Come-from-behind victories are becoming a habit with Livonia Franklin, which went into overtime Tuesday before pulling out a 73-67 basketball triumph over Plymouth and thus spoiled the Rocks' hopes of christening their new gym with a winning performance. The Patriots made it 2-0 in non-league competition by putting on an even greater rally than they had in beating Wayne, 73-65, in their opener. Trailing Plymouth, 61-55, with 3:53 to go in regulation time, Franklin outscored the Rocks 8-2 in that stretch to leave things knotted at 63-all after four periods, and then stormed to a 10-4 margin in the three-minute overtime.

The surprising Rocks from the Suburban Eight loop, with four juniors in the starting lineup, had a chance to upset Franklin's Northwest Suburban contenders at the 63-63 point when they successfully controlled the ball the last 44 seconds, waiting for the last shot.

Apparently misjudging the

time in the final seconds, they failed to work the ball in close and were left with Steven Robb's long jumper from beyond the key at the buzzer. It missed and in the extra period six-foot-seven Tim Dietz and Karney Derderian teamed for a quick six Franklin points before Plymouth could score again.

DIETZ paced the Patriot attack with 19 points, followed by 14 for Rich Davis and 12 by Derderian. Ron Egloff matched Dietz's 19 point output in Plymouth's losing cause, Dave Van Wagoner and Jim Szilagyi following with 15 and 14.

It was Plymouth's second straight loss, having dropped an earlier decision to Walled Lake Central, but Coach Dick Bearup found an optimistic note in his team's having out-rebounded Franklin, 37-31.

"The pressure bothers them yet, but we're going to make some progress. Missing seven of 10 free throws in the fourth quarter against Franklin killed us, just as we were hurt when we made only nine out of

22 at Walled Lake," he said. After having seen his own club trail 11 times, including the halftime (38-32) and third quarter (50-49) breaks, Coach Bob Visser of Franklin said he was "disappointed we didn't control the game better than we did."

"We proved by coming from behind again that we can turn it on, but the timing isn't there yet," said Visser. "We're going in spurs."

Franklin vs Ann Arbor at Ford, 3:30 p.m.

Trojans Score 106

It was a record setting basketball night at Clarenceville as the Trojans crushed Crestwood, 106-61.

It was the second win for Clarenceville in as many starts and the 106 point total breaks last year's record of 98 points against Waterford Kettering. The Trojans still lost that contest, 102-98.

"Last year Crestwood beat us 94-57," said Clarenceville Coach Ralph Weddle. "The kids remembered that game and they put it all together to get back at them."

CHIP MEYRELLES scored the first basket for the Trojans on a 15 foot jumper and Clarenceville enjoyed a 26-16

first quarter lead with Meyrelles popping in 19 of the 26.

The 6-3 forward led all scorers with 29 points, seven assists and 17 rebounds.

The Trojans jumped to a 53-25 halftime lead and shot to a 75-33 third quarter lead.

GREG SAARELA scored the 100th point for Clarenceville and the Trojans topped Crestwood by 45 points. "We started out pressing and our defense ended up scoring half of our points," said Weddle. "I was more pleased with our defense than the offense and we out-rebounded them 47 to 22." Clarenceville had five

players in double figures with Meyrelles pacing the attack with 29. Bob Tyler scored 19, Jim Hoyer 17, Phil Halstead 15 and Saarela 13.

Greg Lis and Ken Holds led the Crestwood attack with 16 points each.

THE TROJANS shot 56 per cent from the floor compared to 44 per cent by Crestwood. Clarenceville totaled 22 of 38 from the line while Crestwood scored on 13 of 31.

"We had 29 assists as the boys were just passing the ball something fabulous," said Weddle. "They really played together and only had 11 turnovers."

Bentley Edges Spartans, 56-53

By TOM DONOGHUE
Observer Sports Editor

Bentley ran into foul trouble, but hung on in the closing minutes to edge rival Stevenson, 56-53, for its second basketball win of the season.

STEVENSON jumped to a 4-0 lead early in the first quarter with Dale Haberman and Jim Macy scoring, and it wasn't until the three minute mark that Bentley finally got on the board with Tim Bollin scoring. Both squads were cold in the opening minutes but the Bulldogs came to life and scored eight straight points to lead at the end of the first quarter, 14-10.

Both sides totaled 14 points in the second quarter and Bentley held a 28-24 lead.

"We were playing good basketball," said Bentley Coach John Farrar. "But the ball wasn't going in and we wasted many chances to break the game wide open."

Stevenson came on strong in the third quarter, outscoring Bentley 18 to 13 and the Bulldogs were in serious foul trouble.

Bollin collected four fouls in the third quarter and Farrar was forced to pull his star center. Ron Bawalski also picked up his fourth foul as well as Gordie Chaisson who fouled out early in the fourth quarter.

"We were in serious trouble," said Farrar. "We had four starters out of the lineup."

KELLY SMITH scored for Stevenson in the closing minutes of the third quarter and the Spartans had bounced in front 42-41. Bentley's Al Siterlit opened the fourth quarter with a freethrow and a field goal and the Bulldogs were up 44-42 and were never behind again.

"After we regained the lead, we went into a control type of game," said Farrar. Bentley was up 46-45 midway through the fourth and the game seemed back and forth but Bentley managed to hold the lead.

With one and a half minutes remaining, Brent Boegler scored on a layup and Bentley was up by four. "Our sixth, seventh, and eighth men really came through for us," added Farrar. "Siterlit, Boegler and Don Nourse kept us in the game."

BOLLIN was high scorer for Bentley with 13 points followed by Bawalski with 12 and Dan Weiss with 11. Bentley collected 38 rebounds with Bollin hauling in 13.

Smith paced the Spartan attack with 19 points followed by Haberman with 16.

Bentley shot 19 of 52 from the floor for 37 per cent while Stevenson shot 21 of 60 for 35 per cent. Bentley scored 18 of 25 from the line while Stevenson totaled 11 of 24.

Northville Features Top Race Saturday

The entries are in, post positions drawn, and the seven top money - winners in the \$37,700 Jackson - At - Northville Pacing Series are set to battle for the \$10,200 purse in Jackson's action at Northville Downs Saturday night.

Thimble, the leading lady in the cast, drew the four post. In anything but a harness race, a young lady surrounded by a group of handsome males might feel right at home, but it's not admirers that surround Thimble, and the four - time winner in the series will be out to vacate her position for one at the head of the pack, at least at the wire, if not sooner.

Her arch - rival, Prince Knox, drew the two post. Last year the Prince was at his best in the finale. Despite three defeats by Thimble, none by a convincing margin, owner Tony Alfe, Wyandotte, and driver Gordon Norris are confident that they can repeat the hard won championship of a year ago.

The Hillsdale hopeful, Michigan Mack scores away from the five post, just outside the filly. Bedford Jet, from the three post, has the lady's attention on the inside. Thus, whatever route driver Fred Hess takes with Thimble she will have to be at her best to overcome her rivals.

Speed horse of the race

could well be Knight Ballad, with Phil Siebold in the sulky. Knight Ballad dropped out of the series last week and tightened up with a 1:01 1/5 first half. He carried his speed almost to the wire before being edged.

Shiaway Doctor, Ted Smith up, drew the toughest assignment of all, the outside post. The Bondarenko - owned speedster found his pacing

shoes in the 'off' going two weeks ago and won with a mad dash in the last quarter.

Brown Valley Farms' Erlana's Valley has a second in the series as credentials, and goes from the six post.

To the winner goes \$5,100 in purse money, and the series championship.

Post time for the first race on the all-pacing card Saturday night is 8 p.m.

Lassies Play Faculty Men

The world renowned "Arkansas Lassies" will be invading Stevenson High School Dec. 18, at 7:30 p.m.

The Lassies are a girls basketball squad featuring all time great female dribbler, Elvera Neuman. She has a career high of 85 points in a single game and a season average of 41 points.

The Lassies are the No. 1 rated girls pro-team and the Livonia mens faculty have taken on the challenge in a Stevenson Varsity Club benefit game.

Some of the Livonians you'll see in action against the Lassies are: James McIntire (Whittier); Fred Price (Churchill); Jim George (Holmes); Roger Springstine (Bryant); David Fuller (Dickenson); Daniel Freeman (Dickenson); Jim Komula (Dickenson); Doug Doney (Stevenson); Bill Demery (Stevenson); Doug Johnson (Stevenson); and Don Albertson (Bryant).

Legislative Districts A-Juggling

By KATHY MORAN

PONTIAC

The State Apportionment Commission and its staff nearly outnumbered the audience of 17 persons in a public hearing in Oakland County Thursday on legislative apportionment.

The eight-member commission gave a slide presentation outlining three proposed Senate plans and two House plans affecting Oakland County and neighboring Wayne and Macomb Counties.

The poor turnout was similar to the response in three other hearings held during the week in the state, surpassed only by Grand Rapids hearing where 18 persons attended.

IF PERSONS FROM the Observerland area were present, they did not address the commission. Among the 17 in the audience were four newspaper reporters.

After the presentation, Morley Winograd, chairman of the Oakland County Democratic Party, accused the commission of "gerrymandering of the worse political kind."

He said the commission (which is composed of four Democrats and four Republicans) failed to take into consideration the shape of the cities, villages and townships.

"House Plan No. 3 was either drawn by somebody that didn't know the shape of a straight line or who was drunk at the time."

"I don't believe the Apportionment Commission should determine the outcome of the elections in 1972. Let the people decide the outcome of the election. Let the general election determine the outcome and not the primary election."

MRS. LILLIAN HATCHER, commission member from Detroit, told Winograd that the commission has attempted to honor county and municipal lines but has to consider the population spreads.

Commission Co-chairman A. Robert Kleiner said that initial plans developed by the bi-partisan group were based on the original census figures stating a Michigan population of 8.87 million. Since then, the figure has been revised to more than 8.88 million.

Ideally the Senate districts should include 233,753 persons and House districts at 80,751.

The most recent Democratic House plan would cut Rep. Raymond Baker's (R-Farmington) district down to include just Farmington City and Township Lathrup Village and the western section of Southfield. Rep. Joseph Forbes (D-Oak Park) would then either be in a district with eastern Southfield, western Oak Park and Berkley, or in a district with eastern Oak Park and Ferndale.

Rep. James Defebaugh (R-Birmingham) would be in a district with Birmingham, portions of Bloomfield Township, Clawson, Troy and Rochester.

THE REPUBLICAN HOUSE plan cuts the northern half of Baker's district and moves it west from Farmington Township and City to include Novi City and Township, South Lyon and Lyon Township.

Forbes would have southern Southfield and Oak Park. Northern Southfield, Southfield Township, Berkley and Lathrup Village would form a district where there currently is no incumbent, under the GOP plan.

Sen. Carl Pursell (R-Plymouth) stands to lose all or a large portion of his 14th District that falls in Oakland County, according to the Senate proposals.

One plan cuts Pursell's district off at Northville and moves it west until it includes Northville Township, Plymouth City and Township, Livonia and Redford Township.

In that case, Sen. Daniel Cooper (D-Oak Park) would lose his eastern section and begin with Oak Park moving west to Lyon Township and South Lyon.

RARE OPPORTUNITY

OPEN SUNDAY 1-5
1027 JEFFREY DR., NORTHVILLE

Custom built 4 bedroom colonial, family room with fireplace, dining room, modern kitchen with built-ins, full basement, 2 1/2 car garage. Close to schools and Expressways. Immediate occupancy. Conventional or land contract terms available. Only \$39,900.

OPEN SUNDAY 2-5

18100 MERRIMAN ROAD LIVONIA

"THE RIGHT ONE?"

Where's the right one for this home? It is someone who wants the convenience of in-town living, but wants the feeling of trees, space and freedom on 2 ACRES. Exceptional home that is more modern than its neighboring contemporaries. Modernized-central air-electronic filter—5 car garage and carpeted thru-out. 2 baths, 3 bedrooms, towering trees shade the terrace and provide nesting hideaways for "The Birds." Are you the right one? An irreplaceable bargain. Priced to sell. \$55,500. Make an offer, terms are available.

CITY LIVING ON THE WATER

Sharp 3 bedroom in lovely setting on big lot on Mill pond in city of Northville. Your vacation and city home all wrapped in one Christmas package. Priced right. \$28,900.

FIVE ACRES

For the large family, all brick bungalow, 3 bedrooms, dining room, 22 ft. living room with 9 ft. stone natural fireplace. Full basement and 3 additional bedrooms and sewing room needs finishing upstairs. Studding, electric and plumbing are in. Needs your personal touch. Only \$45,000.

LAND—LAND

15 Lovely Acres with prime location in Northville Twp. Can be purchased in 5 acre parcels. Desirable area, close to every convenience. Asking \$3,000 per acre. Land Contract terms.

We can't advertise them all—give us a call.

Announcing the Turbocharged BOSS PINTO

The Quick Clean Machine

The 15 second Pinto is here and you don't have to "get inside" your engine.

Here it is... the greatest thing that has happened to driving since the V-8! Add our turbocharger to your stock Pinto and you have a super-fun mini-sports car! The kit is easily installed in 6 to 8 hours with hand tools, retains all the government-required emission control hardware, yet gives your Pinto twice the normal horsepower on the road. Imagine being able to keep up with the V-8's having more than four times your displacement — while retaining your good gas mileage. Now you can have safer highway driving, with reduced passing exposure time and safe merging with expressway speed traffic. Our kit makes the Pinto the first really fun car in years — and for a price you can afford.
