What's inside

To No Avail

The Coast Guard station at Muskegon has reported its search for a 21-year-old Plymouth High School graduate, who apparently was swept off the breakwall by high Lake Michigan waves, has been futile. The body of a second man who drowned in the same tragedy was recovered.

Skating Time

Work on half a dozen natural outdoor skating rinks in the city and township of Plymouth got under way when the temperature dipped within recent days. Their locations are told in Plymouth Brevities.

Festival Grows

The face of the Fall Festival will be changed next September, and, in effect, Main Street will become an entertainment concourse from Kellogg Park to the area of the new Cultural Center. Ramifications of the new plan are discussed in Bifocals.

Who's Hegira

That may be an unfamiliar name to adult readers, but a lot of youthful drug users in Observerland know it as the place where they can get help in Inkster. Local officials are helping Inkster get more outside funding for the work.

Off The Tax!

The Wayne County Board of Supervisors has new power to levy a hotel-motel tax to finance a downtown Detroit stadium, but one suburban innkeeper is certain he's going to be hurt -- what with competitors going up just over the county line.

Rossman's Reply To Board: 'Injunction,' 'Jail,' 'Damages'

By FRED DELANO

Deposed School Supt. James H. Rossman knew the Board of Education let Thursday that he's ready for a bare-knuckle fight over his unexpired contract when, through his attorney, he presented a formal seven page reply to board charges, stressing:

1. That unless the Dec. 13 dismissal motion is rescinded, an injunction will be sought in Wayne County Circuit Court to restore him to his \$28,000 - per-year - post and guaranteeing him a public hearing.

2. That the four members of the school board who voted affirmatively Dec. 13 for his discharge violated the Michigan School Code and are subject to prosecution, facing

punishment by fine and imprisonment in jail if convicted.

3. That, if his legal position is correct, the conduct of the Board of Education will cost taxpayers of the Plymouth School District "far in excess of \$100,000" as compensation for breach of contract, reduction of retirement benefits and damages to his professional reputation.

Rossman is represented by H. Rollin Allen of the Detroit legal firm of Kiefer, Allen, Ryan & Uhl, who declared in his letter to Mrs. Esther L. Hulsing, board president, with a copy also delivered to board attorney Edward F. Draugelis:

"We have advised Mr. Rossman that the action of the board was illegal."

ROSSMAN AND his attorney hope to meet with the board prior to its regularly scheduled meeting Monday night, opening the opportunity for settlement, but if he is not reinstated as superintendent action will be started Tuesday under provisions of the Michigan Teachers' Tenure Act.

Allen's letter said, "We believe that Mr. Rossman has tenure as a superintendent of schools with the Plymouth Community School District. Even if this position is ultimately judicially determined to be incorrect, there is no question but that he does have tenure as a teacher with the district."

In demanding that Rossman be restored to the payroll,

Allen claimed that under state law:

"If suspended from active performance of duty, a teacher's salary is to continue during such suspension. There is no provision in the Tenure Act for discharge before a hearing. Nevertheless, he (Rossman) is no longer on the payroll."

It also was charged that the board acted incorrectly in discharging the superintendent "before charges were prepared, without notice and without a hearing."

ANOTHER assertion was that "the conduct of the board was in direct violation of the Code of Ethical Procedures governing relationships of members of Board of

Education and superintendent, as jointly adopted by the Michigan Association of School Administrators and Michigan Association of School Boards."

The letter concluded: "If our legal position is correct, the conduct of the Board of Education is illegal and the taxpayers in the district will be compelled to pay Mr. Rossman damages, which we estimate to be far in excess of \$100,000."

"These damages include compensation for breach of contract, reduction of Michigan Retirement Benefits, and damages to the professional reputation of Mr. Rossman. Whatever the amount, neither the taxpayers nor Mr. Rossman will ever receive adequate com-

pensation. Further, the schism produced in the school district can't possibly be in the best interests of the children."

The school board's only public reaction to the Allen-Rossman letter was this one paragraph statement, released by Vice President John Hanskat, who has been appointed spokesman in press relations:

"The Plymouth community has, by Mr. Rossman's request, been made aware of the detailed charges leading to his dismissal. Mr. Rossman has now made his reply to these charges public. It was, from the beginning, our intent to pursue this matter on the highest professional level. This is still our intent. We have no comment on Mr. Rossman's reply."

IT WAS A GREAT MOMENT in Plymouth's recreational history Wednesday when Mayor James B. McKeon broke ground for the \$1.5 million Cultural and Recreation Center, a structure whose multi-purpose facilities will include Plymouth's first enclosed ice rink. Township, school board, municipal, civic and construction leaders joined in the ceremony. Observer photo by Bob Woodring)

All Signals 'Go'

Sale of \$1.5 million in revenue bonds by the Municipal Building Authority and an official ground-breaking ceremony, both within 24 hours this week, have erased any vestige of doubt that Plymouth actually is going to have its long-discussed cultural and Recreation Center.

Work on the multi-purpose center at Farmer and Theodore behind Central Junior High School is now under way, and completion is expected by next fall.

The structure will include an indoor ice rink, meeting rooms and recreation facilities for all ages. The municipal recreation department also will headquarter there.

It is a project which is a direct outgrowth of an ice rink recommendation by the 1967 Centennial Committee which then-mayor, James Houk, had charged with finding a suitable memorial to the centennial.

TUESDAY NIGHT the Building Authority heard bids

from three financial institutions on the bond issue and accepted that of the First of Michigan Corp., which offered to buy the bonds at an interest rate of 5.3593 per cent. The bonds will run until 1993.

Other bids were from American Securities Corp., at a rate of 5.4415 per cent, and Hornblower & Weeks, 5.8266 per cent.

To launch the cultural center bond retirement program, the city this year earmarked 1.5 mills of its municipal tax rate of 13.86 mills for that purpose.

This is designed as an annual commitment for the life of the bonds, and officials said that the interest rate on the bonds will make it possible to stay within that levy. The bond prospectus had set eight per cent as the maximum the city would pay.

MAYOR JAMES B. McKeon presided over the ground-breaking ceremony Wednesday morning following a special breakfast in the Mayflower Hotel for those participating in the fete.

Among the guests were Township Supervisor Maurice Breen; John Hanskat, vice president of the Board of Education; James Pompo, deputy director of the Metropolitan Huron Clinton Authority; members of the city Commission and Building Authority, City Manager Norman Gaffney, municipal department heads and representatives of the centers architects, Nordstrom-Sampson Associates, and the general contractor, Smith and Andrews Construction Co.

The land on which the center is being built is owned by the school district and has been leased to the city by the Board of Education at \$1 a year for 99 years.

The project was given major impetus during 1969 and 1970 by McKeon and a commission committee of Robert Sincok, James Jarabara and Donald Bidwell, and by Gaffney when he became city manager. Interestingly, the ground-breaking fell on a day which marked Gaffney's completion of his first year in that post.

WSDP? Tune In PHS Wednesday

The communication industry in the Plymouth area will be given a new dimension Wednesday when radio station WSDP, located in Plymouth High School, goes on the air.

Plans call for the station to be on the air from 12 noon until 6 p.m. Monday through Friday. Except for faculty supervision, it is being staffed entirely by students. Their excitement about finally going on the air stamps this as the most important moment of their school careers.

The 10-watt WSDP is a FM station that will be found at 89.3 on the FM dial. It has been licensed by the Federal Communications Commission as an educational station and

is entirely an entity of the school system.

Plans call for the station to be on the air from 12 noon until 6 p.m. Monday through Friday. Except for faculty supervision, it is being staffed entirely by students. Their excitement about finally going on the air stamps this as the most important moment of their school careers.

The station will have a listening radius of about six miles, which is sufficient to cover the entire 54-square mile school district.

MRS. BONNIE DORE of the PHS faculty has the role of station general manager, and under her direction a "dry run of all student functions has been under way since the start of the fall semester.

Approval for the undertaking was granted by the Board of Education more than a year ago, and the station will offer training to students in all aspects of the radio industry except the sale of advertising time. There will be no paid commercials.

Six departments have been established. They include news productions, engineering, publicity, music

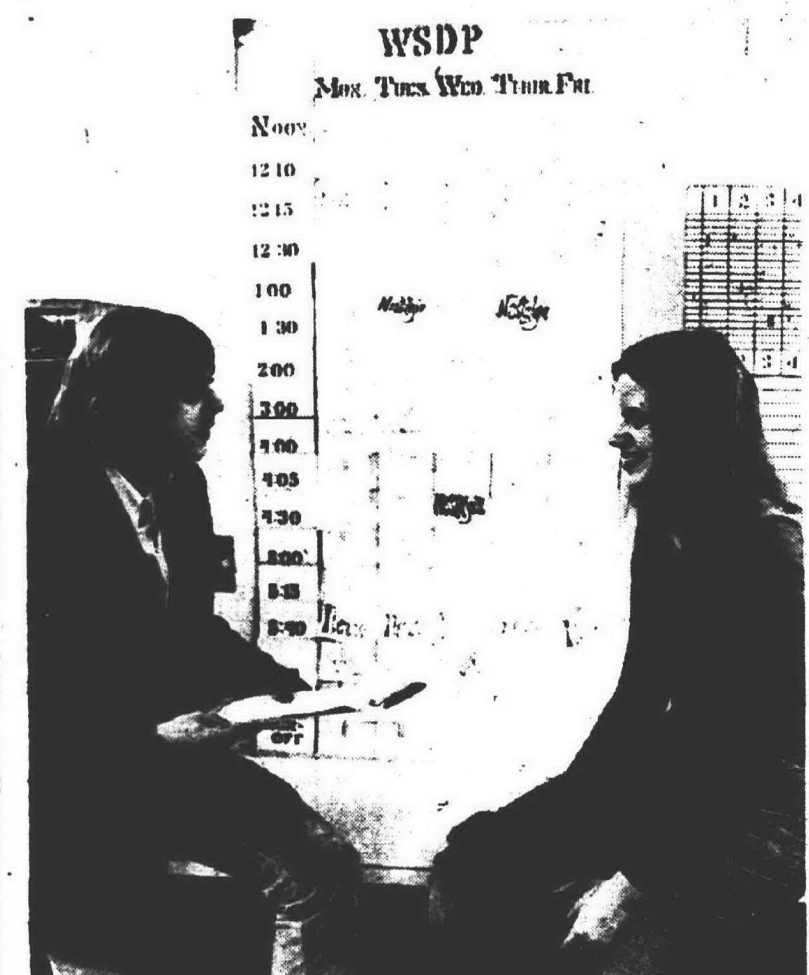

and sports.

Personnel includes technicians, disc jockeys, announcers, writers, newscasters, sportscasters, producers and programming specialists who are planning a variety of broadcast feature.

NEWS SHOWS will include school matters as well as material from a leased United Press International teletype.

There also will be concerts by school musical groups, athletic contests, festivals, dramas, interviews, record shows and a general variety of broadcasts both of student and general public interest.

The present staff includes more than 40 students, who have nicknamed their station "Whiz Dipp." For some it may be the beginning of a lifelong career.

THERE IS NEW REASON for excitement at Plymouth High School this week, for the student radio station, WSDP-FM, will go on the air Wednesday. Planning daily programs (left) are Jeff Howell, production director, and Barbara Chlopan, assistant general manager. Mrs. Bonnie Dore, PHS faculty

advisor (center), marks the entrance to the studio. At the right, the unsung heroes of all broadcasting, the engineers, test equipment during a dry run. In this case they are Bruce Pedersen and Dave Sigmón. (Observer photos by Bob Woodring)

Coast Guard's Fulton Search Proves Futile

PLYMOUTH Chief Jack Lane of the Coast Guard said the Lake Michigan waves Sunday night were 10 to 12 feet high and went completely over the four-foot breakwall "with great force."

Fulton was a life-long resident of Plymouth and graduated from high school here in 1968. He was the son of Mr. and Mrs. Arthur V. Fulton of 15601 Park Lane and had been discharged from the Army last June after nearly two years of service.

Fulton was most recently employed at the Ford transmission plant in Livonia and in his youth was master counselor of the Plymouth Order of DeMolay 1999.

The Fulton and Weakland had gone onto the breakwater to take pictures on New Year's Day, and then returned about 6:30 p.m. Jan. 2. Reports indicate that Weakland decided to buck high winds and walk to the lighthouse about 300 yards away, even though the breakwall was icy.

Fulton then went after him when shouts that he return were muffled by the wind. Meanwhile, the wives waited on shore and then notified the Coast Guard nearby that the men were missing.

Interlochen Orchestra Plans Tour

PLYMOUTH Young musicians from Plymouth and Westland are among the 101 comprising the Interlochen Arts Academy orchestra, which is to give concerts in six cities, including Ann Arbor, on a four-state tour in January and in Kennedy Center, Washington, D.C., May 25.

They are: Charlotte McGuire, daughter of Mr. and Mrs. Otis McGuire, 1481 Palmer, Plymouth, and Patricia Knox, daughter of the Herbert Knoxes, 1711 Stieber, Westland. Both are seniors.

Miss McGuire, a cellist, transferred from Plymouth High School, and Miss Knox, a violinist, from Wayne Memorial High School, to enter the academy last September.

The orchestra of 13 to 18 year olds will be guest conducted by Dr. A. Clyde Roller, conductor of the Houston (Tex.) and Lansing orchestras.

Its tour itinerary: Jan. 18 - Wheaton College, Wheaton, Ill.; Jan. 19 - Princeton High School, north suburban Cincinnati; Jan. 20 - Ball State University, Muncie, Ind.; Jan. 21 - Midwest Conference of Music Educators, University of Michigan; Jan. 22 - Ferris State College, Big Rapids; Jan. 23 - Midland (Mich.) Center for the Arts.

Dr. Roller has chosen a challenging program, made up as follows: Glinka's Overture to "Russian and Ludmila"; Samuel Barber's Symphony No. 1; Ralph Vaughan Williams' Fantasia on a Theme of Thomas Tallis, and Stravinsky's "Firebird" Suite.

Bandits Hit A&P Store

Two armed men went on a shopping spree at the Plymouth A&P Food Store, 1050 Ann Arbor Road, last Thursday night. After forcing the store manager to empty the cash drawer and registers into a paper bag, the bandits escaped.

Although the exact amount of money taken from the store is unknown, it appears to have been a large haul, police said. Police reports gave this account:

Two men entered the store about 7:50 p.m. Thursday. One of them took a shopping cart while the second man went to the cigarette counter where he drew a blue steel .38 caliber revolver and told store's manager Carlos Blackburn: "Let's go to the office."

The gunman then led the store manager to the cash registers, which were also emptied into the paper bag. The second bandit waited at the door while his colleague collected the money.

ALTHOUGH SEVERAL employees and customers were in the store, none apparently realized a robbery was in progress or made no attempt to thwart or report it during the five minutes the bandit held the manager at gunpoint. The men escaped with the money.

Discussion On Bussing Set Jan. 12

PLYMOUTH The school bussing issue has prompted a meeting to be called for 8 p.m. Wednesday, Jan. 12 in Central Junior High School of the organization known as Tri-County Citizens for Intervention in Federal School Action No. 35257.

The guest speaker will be Robert J. Lord, who is the organization's attorney. He will discuss suburban implications of the case presently before Federal Judge Stephen Roth.

Tri-County Citizens has asked permission to intervene in the case on behalf of all parents of school children in Wayne, Macomb and Oakland counties outside the city of Detroit. A hearing on the petition is scheduled before Judge Roth on Jan. 31.

Plymouth chairman of the organization's membership drive is Mrs. Ellen M. Ruland of 44028 S. Umlerland Circle. "If the suburban citizens are ever to be heard, I urge that they support Tri-County Citizens," she said in announcing Wednesday's open meeting.

Bridge Games To Be Started

PLYMOUTH The municipal recreation department has announced formation of a program for duplicate bridge enthusiasts, with games to be held at 7:45 p.m. every Friday in the newly refurbished community building, 200 Union, behind City Hall.

Director Stanley Stenek said

FOR YOUR SHOPPING CONVENIENCE

OPEN SUNDAY 10 to 5 a.m. p.m.

Bill Hellstein and Paul Scott will be in charge and that this will be a franchised, American Contract Bridge League game.

"No membership of any kind is required," said Stenek, "but there will be a \$1.50 fee per person each Friday." He added that refreshments also will be served.

Plymouth Brevities

ICE SKATING lovers finally pushed the temperature down to where they want it within the last few days, and six artificial outdoor rinks will be available in the city and township any moment now.

City rinks will be on the softball diamond behind Central Junior High School and at the Hamilton, Forest and Auburn playgrounds. Those at Central and Hamilton both are lighted. The rink at Central School will be reserved for hockey teams between 4 and 6 p.m. daily, but otherwise will be available for open skating.

Township rink locations are in the recreation park at Ann Arbor Trail and McClumpha and next to the fire hall in Lake Pointe. Wilcox Lake is another site that will be available when the ice is thick enough, but watch for the signs saying it is safe before putting it to the test.

PLYMOUTH DANCE CLUB will hold its "Snow Ball" Saturday, Jan. 15 in the VFW Hall, 1426 S. Mill. Dancing will be from 9 p.m. to 1 a.m. to the music of the Little Big Band, with refreshments being served at midnight. Reservations must be made by Jan. 13 by calling Mrs. Richard McFall, 14907 Lakewood, or Mrs. Charles Lang, 47555 Powell Rd.

REINHOLD KEIPER was installed Thursday as the new president of the Senior Citizens Club of Plymouth during the organization's January meeting in the Tonquish Creek Manor.

Other newly elected officers include Edward Grosjean, first vice president; Esther Jacobs, second vice president; Winifred Downing, secretary, and Walter Fletcher, treasurer.

THREE PHS teams have home contests scheduled during the upcoming week, and the high school bands also will be staging their seventh annual "Variety Is ..." show in the auditorium on Saturday night.

Our 67th Year

TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES REGULAR MEETING DECEMBER 28, 1971

The meeting was called to order at 8:00 p.m. by the Supervisor. All members were present.

READING, CORRECTING AND APPROVAL OF MINUTES - Regular Meeting, December 14, 1971. Mrs. Holmes moved that the minutes of the meeting of December 14, 1971, be approved as submitted. Seconded by Mr. Ash and carried unanimously.

READING, CORRECTING AND APPROVAL OF BILLS. Following the review of the List of Bills, and a short discussion on the amount under General Fund for the Planning Commission, Mr. Ash moved that the bills in the Grand Total amount of \$26,533.38 be paid. Seconded by Mr. Overholt and carried unanimously.

NEW BUSINESS - George and Andrew Ansara - Application No. 169. Re: Rezoning of property on south side of Ann Arbor Rd., west of Sheldon from R-2-A to C-1 for a Big Boy Restaurant. (Rec. recommended denial by Planning Commission on November 17, 1971.) Mrs. Richardson read the following excerpts from the minutes of the Planning Commission pertaining to this application: "That Appl. No. 169 for rezoning from R-2-A to C-1 received recommended denial because (1) it is not in keeping with the comprehensive Development Plan, (2) it would tend to encourage strip commercial along Ann Arbor Road." Further, Mr. Ash, the Board's representative on the Planning Commission was of the opinion "that at the present time, as far as boundaries allow, the zoning is continuous on both sides of M-14, i.e., there is a general line-up of classifications. If this rezoning were granted, it would tend to allow changes along the north side of Ann Arbor Road, that denial would tend to keep commercial from extending further to the west." Mrs. Richardson also advised the Board that the Wayne County Planning Commission in its advised the Board of December 15, 1971, had recommended denial for the rezoning in Application No. 169. In the rather extensive discussion by the members of the Board, it was brought out that the property is 179 ft. running back 218.34 ft. located next to the Great Scott Shopping Center, and is presently a non-conforming use. Mrs. Holmes remarked that in her opinion the Big Boy Restaurants that were an indoor-type operation were not undesirable. Mr. Ash advised that for a number of years the Planning Commission has indicated they do not want strip commercial zoning along Ann Arbor Road, to stop strip zoning. Also, he advised that it was the feeling of the Planning Commission that if this extension on the south is allowed, then there would be requests to extend on the north side. In concluding, he stated that in his opinion the issue before the Board is not whether to allow a Big Boy Restaurant at any location, but whether the Board desires continuation of the strip commercial zoning on Ann Arbor Road. Mr. Breen advised that a similar situation exists next to the K-Mart Shopping Center. Following further discussion in which it was stated that the proposed freeway through the Township calls for some changes in the thinking of the Board, and also the locations for commercial zoning as proposed by the subcommittee would be considered by the Board, Mr. Overholt stated that the Board is opposed to strip commercial zoning, the Planning Commission is too, the subcommittee of the Board has indicated it is against strip commercial; therefore, he would move that the Board concur in the recommendation of the Planning Commission and deny Application No. 169. Seconded by Mr. Millington. The following roll call vote was taken: Yeas: Overholt, Ash, Burke, Millington, Breen. Nays: Holmes, Richardson. The motion carried.

Referendum for the purpose of selling Township Property on the March 14, 1972 Ballot. In his communication of December 27, 1971, Mr. Morgan, the Township Attorney, outlined certain language, as follows, suitable for inclusion on the Ballot for the purpose of selling Township property, also in this connection Mr. Hamill submitted the legal description of the property.

Shall the electors of the Township of Plymouth, Wayne County, Michigan, authorize and empower the Board of Trustees of Plymouth Township, as their agent, to sell, exchange, convey, alienate, give, divide, partition, plat, subdivide or otherwise dispose of or grant an easement over, upon, in or to certain real property, in whole or any part thereof, owned by the Township of Plymouth, known as the McAllister Well Site, and described as the premises situated in the Township of Plymouth, Wayne County, Michigan, to-wit:

"Lot Fifty-one (51) of Supervisor's Plymouth Plat No. 3 of Holcomb's Addition to the Village of Plymouth and part of Section 23, T.15, R. 8E., Plymouth Township, Wayne County, Michigan, according to the plat thereof, as recorded in Liber 66 of Plats on Page 38, Wayne County Records, EXCEPT the Westerly 400 feet thereof."

"Also, that portion of the southerly 30 feet of Lot 27 of Supervisor's Plymouth Plat No. 3 of Holcomb's Addition to the Village of Plymouth, and part of Section 23, T. 15, R. 8E., Plymouth Township, Wayne County, Michigan, to-wit:

Mr. Overholt then moved that the Board approve the referendum and place it on the Ballot for the March 14, 1972 election. Seconded by Mr. Burke and carried unanimously.

State Highway Dept. Re: Agreement or Contract on increase in size of water main from 8" to 12" at I-275 Expressway. Mr. Breen advised that this matter had been before the Board previously, but not the expenditure involved, which is now known to be approximately \$30,285.00, representing five-ninths of the total cost and the Township's share. In the discussion Mr. Hamill recommended that the Board authorize this expenditure for the 12 inch water main, and Mr. Breen concurred in his recommendation, following which, Mrs. Holmes moved that the Board accept the recommendation of the engineer and sign the contract with the State Highway Department to increase the size of the water main on Ann Arbor Trail from 8 inches to 12 inches, and authorizing payment of five-ninths of the project cost, said estimated cost for the Township to be \$30,285.00, further that this be paid from Water Receiving Funds on hand. Seconded by Mr. Ash and carried unanimously.

James Gignac, Re: Request to purchase fire hose and adapters. In the discussion, Chief Gignac further explained his request as contained in his communication, which request was for the purchase of 700 ft. of 4 inch hose; 600 feet of 1 1/2 inch hose, and necessary adapters. Following this discussion, Mr. Millington moved that the Board concur in the recommendation of the Fire Chief and authorize the purchase of the items of fire hose and accessories in the amount of \$3649.00 Seconded by Mr. Ash and carried unanimously.

Mrs. Richardson advised that she had two additional matters to bring before the Board, and she would move that they be added to the present agenda, one being the transfer of funds from Contingency to Water Operating, and the other, a communication from the Planning Commission, giving final approval to the Plat of Beacon Hill No. 2. Seconded by Mr. Ash and carried unanimously.

Helen Richardson - Re: Transfer of funds from Contingency to Engineering in the Water Dept. Mr. Richardson then advised that in the October 26, 1971 meeting the Board had authorized payment of \$3414.75 to Breen-Hamill for preparation of plans, said amount to be paid from the Water Operating Account, however, funds were not available in this account, and she would ask that the Board authorize the transfer of said funds from the Contingency Fund account No. 521 to the Engineering Account No. 506-B so that this payment could be made.

Mrs. Holmes moved that the Board concur in this request and authorize the transfer of said funds. Seconded by Mr. Ash and carried unanimously.

Charles Chalkin, Secretary - Plymouth Township Planning Commission - Re: Final Plat Approval of Beacon Hill No. 2. Mrs. Richardson then advised that she had received a communication from the Planning Commission recommending final plat approval of Beacon Estates Subdivision No. 2, and also that she was in receipt of the mylars. Mr. Gould came before the Board and explained briefly proposed roadways and stated that the subdivision would contain 18 homes.

Following this, Mr. Burke moved that the Board concur in the recommendation of the Planning Commission and approve the final plat for Beacon Estates Subdivision No. 2. Seconded by Mrs. Richardson and carried unanimously.

RESOLUTIONS

Maurice Breen - Re: Honoring Don King for his many years on the Volunteer Fire Dept. The following resolution was read by Mrs. Richardson:

WHEREAS, Donald King has served the Township of Plymouth as a Volunteer Fireman for seventeen years and has now honorably retired from active duty as a Volunteer Fireman

NOW, THEREFORE, BE IT RESOLVED, that on this 28th day of December, 1971, the Plymouth Township Board of Trustees tenders to Donald King its appreciation for his services rendered to the Township Volunteer Fire Department, and

BE IT FURTHER RESOLVED, that this resolution be spread at length on the proceedings of this day's minutes and that a suitably engrossed copy of this resolution be given to Donald King as evidence of our esteem and appreciation.

Following this reading, Mrs. Holmes moved that the Board adopt the resolution as read. Seconded by Mrs. Richardson and carried unanimously.

Moved by Mr. Overholt and supported by Mr. Millington to adjourn the meeting.

Supervisor Breen adjourned the meeting at 9:07 p.m.

PCF Plans \$ Report On Jan. 18

The Plymouth Community Fund will hold its annual meeting to hear reports of participating organizations at 8 p.m., Tuesday, Jan. 18 in the Plymouth Township Hall.

Reports will be presented by the many agencies which receive financial support from the PCF, and all contributors are welcome to attend to see how the accumulative donations are being spent. Light refreshments will be served.

The PCF was created in the mid-'40s and has operated as an independent entity ever since, cooperating with but not subservient to Detroit's United Foundation. Even though the financial target has been set higher and higher, it always has been attained.

THROUGH BIFOCALS

By FRED DeLANO / Editor Mail & Observer

GREATER PLYMOUTH this week established its need for a true Hollywood makeup artist. You know, one who has the imagination to put a dab of rouge here, a touch of eyeshadow there, reshape the eyebrows and glamorize the hair-do, thus turning the thorn into a rose of beauty.

This Pygmalion opportunity has been created because in 1972 the face of the Fall Festival is being changed drastically. But as yet it is only a broad, shapeless outline and the intricacies of design must yet be conceived.

Creative and promotional genius is needed because next Sept. 7, 8, 9 and 10, and presumably for years to come, all of Main Street from the hotel corner to City Hall will be blocked off through all four days, as well as Penniman Avenue from Union to the middle of the block west of Main.

There thus will be created a veritable concourse, free of vehicular traffic, starting with Kellogg Park and running to a complex which, before you know it, will include Dunning - Hough Library, City Hall, the Historical Society's Dunning Memorial Museum, Central Junior High School and the Cultural and Recreation Center. What an opportunity for civic showmanship!

LAST MONDAY NIGHT, with Police Chief Tim

Judge Bashara Will Address Chamber Here

PLYMOUTH
Wayne County Probate Judge George N. Bashara Jr. will be the guest speaker at a Plymouth Chamber of Commerce luncheon Tuesday, Jan. 18 in the Mayflower Hotel.

Reservations for the luncheon may be made by calling the chamber office. Tickets will be \$3.25 each.

It will be the second major speaking engagement here in three months for Bashara, who was the headliner at November's Community Fund victory dinner.

At that time he devoted his remarks to the issue of drug abuse, and at the chamber luncheon he will discuss "The Age of Majority" and its implications for businessmen.

Open Dates To Women For Tests

PLYMOUTH
Effective immediately, women of the Plymouth - Northville area who choose to do so are welcome to make individual appointments for free pap tests to be conducted during the week of Jan. 24 - 28 at the Veterans Memorial Bldg., 173 N. Main, Plymouth.

Sponsors of the program are the Michigan Cancer Foundation and the Plymouth Registered Nurses Association.

Those who wish to schedule appointments are instructed to call a special phone number installed just for this purpose (455-7878) between 9 a.m. and 3:30 p.m. Monday through Friday.

Clinic hours will be 9 a.m. to 12 noon and from 1 to 4:30 p.m.

The pap test is a quick and painless method of detecting cervical cancer, which is estimated to take an annual toll of at least 600 women in metropolitan Detroit alone. It is believed this death rate could be materially reduced if more women would regularly take the pap test.

Ford providing permissive impetus, this new format for the festival's physical shape was approved by the City Commission unanimously. In the audience, giving enthusiastic endorsement despite the challenge which now confronts them, were most of the top festival officials.

Then, Wednesday night, when the festival organization had its own annual meeting, Mike Hoben's comments upon succeeding Joe West in the festival presidency paid full heed to that challenge. Mike put it most simply when he said, "There's space to be filled," and he made it plain that any and all ideas will be welcome.

What once was just a small town picnic on the green will now have dimensions requiring that Greater Plymouth's brainpower be pooled to create - well, not a carnival midway - but some sort of a Plymouth showcase which perhaps will be the Tulip Festival, Cherry Festival, Peach Festival, Blossom Festival, State Fair and Rotary Barbecue all rolled into one.

Essentially, the festival has offered concession attractions by various local clubs and organizations - heaps and heaps of food (at a price) - and, increasingly, cultural pluses such as last year's arts and crafts show. One might guess that this latter trend will grow.

THE FALL FESTIVAL, financially, is a rather healthy entity as non-profit organizations of this nature go. However, there wouldn't be much left in the bank if it is decided to replace the dull, colorless booth motif of past years by buying splashy, eye-catching huts that could be extended the entire stretch from Ann Arbor Trail to Church Street. But it might be worth it.

Serving with Hoben on the festival directorate are West, Dale Carmine, Daisy Proctor, Eldon Martin, Harold Fischer, Connie Fitzner, Earl Gibson, Bob Bake, Norm Kee, Tom Waffan and Bob Erdelyi, plus Tony Flum as operations manager.

I beg their collective forgiveness when I say there ain't a P.T. Barnum among 'em (let alone a C.C. Pyle or even a Nick Kerbawy), yet at this moment in time that's the free-wheeling type of imagination needed.

Free parking throughout Plymouth for four days? A giant parade? A music pageant? Strolling entertainers? A trade show of products manufactured locally? Remote radio broadcasts and telecasts from Plymouth? Street dancing? More Gay '90s costuming? Bicycle and greased pig races? Jack Dempsey going 60 seconds against Gene Tunney in a squared circle at Main and Penniman? President Nixon visiting Plymouth?

We know food served by the Lions, BPW, Jaycees, Kiwanians, Rotarians and other groups can lure 50,000 and more downtown, but now, as an outgrowth of a hilarious booth controversy last fall, we've gone full stage. The museum and cultural center will be show pieces. They will anchor one end of the concourse and the park will anchor the other. Business, industry, government, Joe Citizen and all the group organizational strength of Greater Plymouth - young and old - must decide what to put in between. Mr. Barnum, where are you?

St. Paul Lutheran Plans Centennial Celebration

St. Paul Evangelical Lutheran Church celebrates a century of proclaiming the gospel in Livonia with special centennial services Sunday, Jan. 16.

The church that was formed when a few pioneer residents met in the Livonia Center schoolhouse Jan. 14, 1872, will mark its 100th birthday with 8:30 and 11 a.m. services in the contemporary new sanctuary dedicated just 16 months ago.

The Rev. Karl Krauss, former Michigan district president of the Wisconsin Synod, will preach at both services. The day's festivities also will include a dinner in the school activities hall after the 11 a.m. service and a 7:30 p.m. devotional centennial concert by the 40-voice male chorus of Wisconsin Lutheran Seminary.

ALL FORMER members and friends of St. Paul Church are invited by the Rev. W. F. Koelpin, pastor since 1956, to share in the occasion.

St. Paul was located for most of its century in Livonia on property at the southeast corner of Farmington Road and Five Mile.

The move to the present location at 17810 Farmington Road, between Six and Seven Mile came after the city of Livonia purchased the property and turned the church and parsonage into headquarters for senior citizens and environmental action.

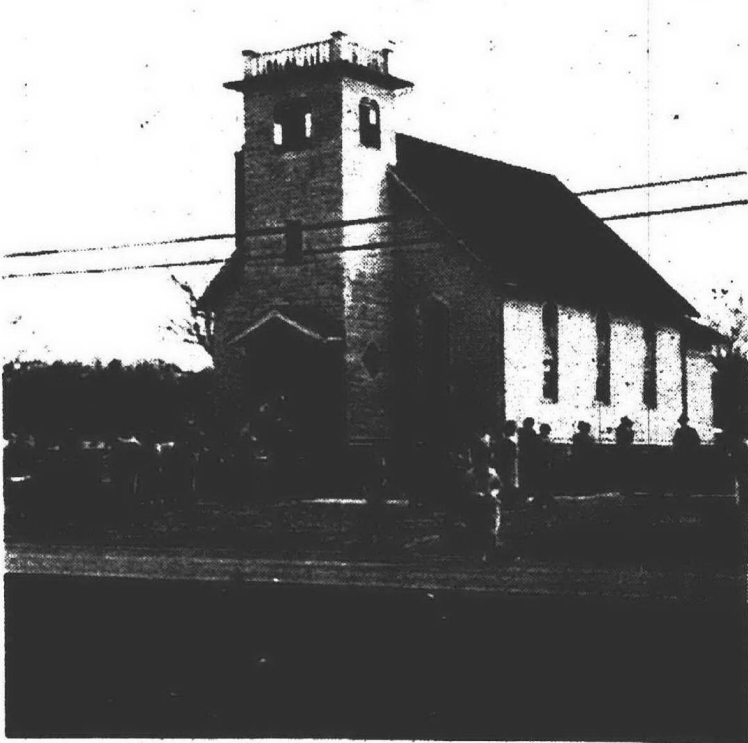

It was in 1879, seven years after the first worship services were held in the schoolhouse, that the St. Paul congregation acquired the property at Five Mile, built its first church for \$600 and filed articles of incorporation with

the Wayne County clerk. Signing the official document were Johann Gau, Christian Stockfleth, Otto Milow, Fredrich Garchow and Christian Landau.

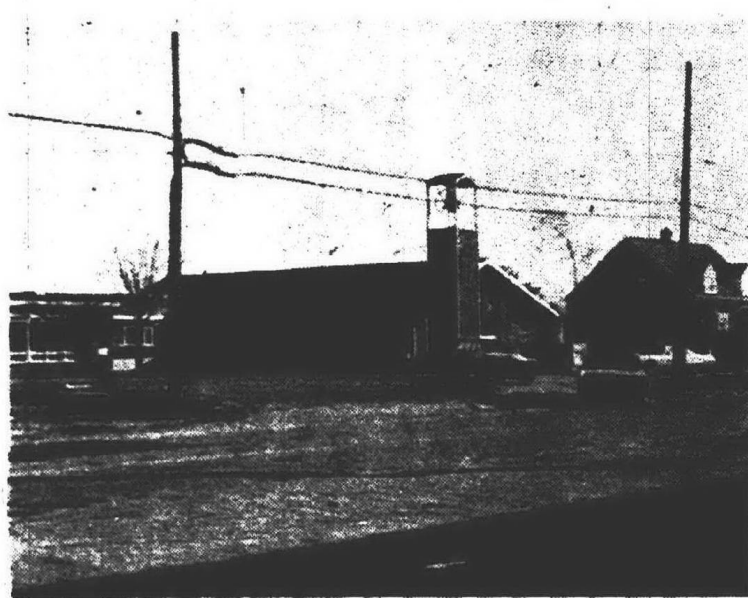

BY 1912 the congregation was large enough to enlarge the church building. For \$1,700, the church added an entrance hall, altar niche, sacristy and instruction room, oak pews, a new pulpit, altar and organ and even stained glass windows.

A decade later, when the church was 50 years old, a second renovation added a basement and bell tower at a cost of \$5,000.

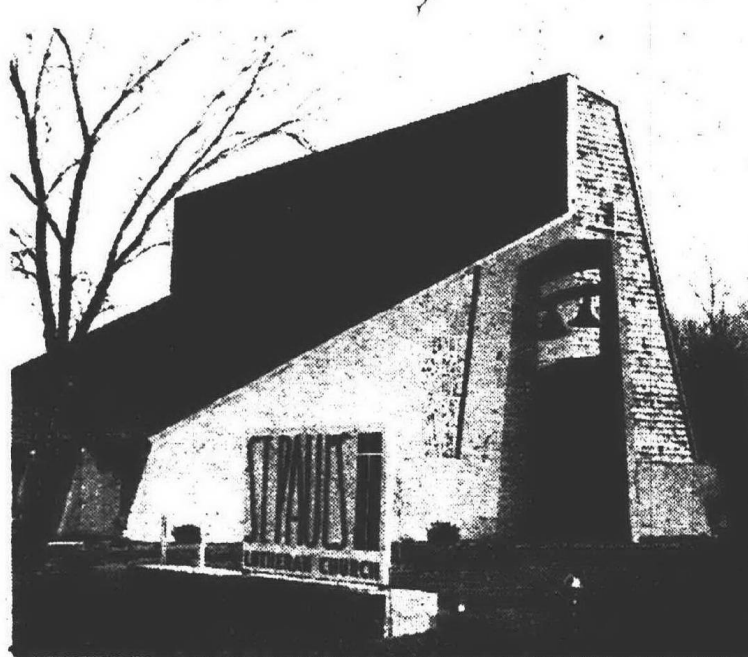

The church's first full-time pastor and teacher, Theodore Sauer of Milwaukee, was called Feb. 16, 1941, and the first parsonage was built a short distance from the church.

THE FIRST HOME of St. Paul Evangelical Lutheran Church, built in 1879. The last service was held there Jan. 11, 1955.

THE ST. PAUL school, church and parsonage, used until 1970. They now are the property of the City of Livonia.

THE 100th ANNIVERSARY celebration of St. Paul Church will be held in this new building, dedicated in September, 1970.

REV. W.F. KOELPIN

ST. PAUL opened its first school Sept. 8, 1947, in the basement of the church, with 25 pupils in six grades. By 1951 they were housed in a new school building, and the school's first principal, Frederick Janke, was called.

The original frame church building gave way in 1955 to a new brick structure.

Rev. Sauer accepted a call to Grace Church in Oshkosh, Wis., in the spring of 1965, and Rev. Koelpin was installed as pastor.

The Livonia City Council voted May 15, 1968, to purchase the St. Paul buildings and property at a cost of \$300,000.

Two weeks later the congregation accepted the bid, and by fall had hired the firm of William Lindhout and Associates to build a new church, school and gymnasium and had purchased a new parsonage at 18000 Loveland.

GROUND WAS BROKEN for the new church June 22, 1969, and the cornerstone laid Nov. 2. The present facilities were dedicated Sept. 13, 1970.

St. Paul now has 850 members, and there are 111 day school students and 180 in the Sunday School. Elton Bakewell is president of the congregation, Harry Wissman is Sunday school superintendent and the day school is operated by principal Eugene Pyndkowski with a staff of four teachers.

Three lifetime members of St. Paul now are over 80 years of age. They are Mrs. August Esch of Plymouth, Charles Lute of Livonia and Mrs. Minnie Pankow of Plymouth.

Men For Missions Schedule Breakfast

Men interested in mission work will gather for an organizational breakfast at 6:45 a.m. Saturday, Jan. 15, in Uncle John's Pancake House, 10001 Telegraph, Redford Township.

Local businessmen organizing the event hope that out of it will come an area chapter of Men for Missions, International.

Men in this group feel that support of missions

should not be just the province of women's groups in the various churches," said Carl Lehrke of Livonia, spokesman.

"Many men are interested too, and there's a great deal we can do."

oilman who has worked with overseas missions and sponsored many visits by lay people to mission fields.

Men for Missions is interdenominational, said Lehrke, who is a member of Ward United Presbyterian Church. Those interested locally come from several churches in Livonia, Redford Township, Farmington, Dearborn Heights, Garden City and Westland.

"WE HOPE to get more people involved in the mission work that needs to be done and eventually to take over support of individual missionaries," Lehrke said.

The breakfast was scheduled early, he added, so that it will not interfere with other plans those interested may have made for the day.

Reservations may be telephoned to Lehrke, 36410 Ladywood, Livonia.

New Officers Take Oath In Sunday Rite

The oath of office will be administered to the newly elected president and officers of the parish council of Holy Cross Greek Orthodox Church on Sunday, Jan. 9. The ceremony will take place at noon, immediately after the divine liturgy.

Nicholas Madias will become president of the council, assisted by officers Dr. Peter Georgasanon, Michael Andreas, George Pranis and Nicholas Calagias.

Church services are temporarily being held at the chapel at 21575 W. 10 Mile, Southfield.

New Pastor

The Rev. John L. Walker is the new pastor of the Livonia Church of God, 19627 Middle Belt. Rev. Walker was formerly pastor of the Church of God in Flat Rock.

THE PRELUDES, a girls' group from Bethel college in Indiana, will present a vocal and instrumental program at the 10:55 a.m. service Sunday, Jan. 9, in Forest Hills Missionary Church, 30623 W. 12 Mile, Farmington. The girls are twins Jeanne and Joyce Bixler, who sing and play flute; singers Barbara Huizinga, Sally Molenaar and Terri Wolters; and accompanist Margaret Bell. Together they make up one of several Christian Service teams that represent the 500-student college.

Feikens Is Speaker For St. Agatha Forum

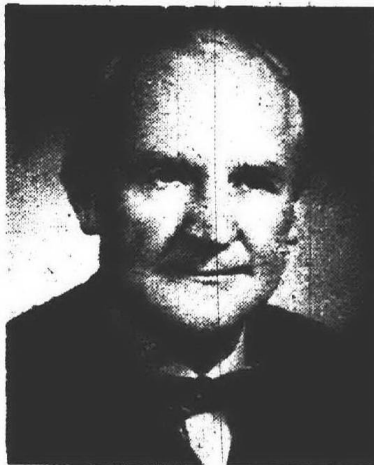

"The Color Line Stops Here!" is the next topic in the St. Agatha Parish Educational Council Forum.

U.S. Judge John Feikens, noted expert in the human relations field, will be the speaker at 8 p.m. Thursday, Jan. 13, in St. Catherine Hall of the Redford Township Catholic church located at Beech Daly and Pembroke.

Judge Feikens was co-chairman of the Michigan Civil Rights Commission from 1963 to 1966.

He served as U.S. district judge in the Eastern District of Michigan in 1960-61 and has presided again since December of 1970.

The public may attend the lecture. Admission is \$1.

JUDGE JOHN FEIKENS

Youths Visit NYC To Study

Three students from Observerland are among 20 from Spring Arbor College who attended a recent three-day "Conference in Crisis" in New York City.

The three are Mary Lou Betts, daughter of Mr. and Mrs. Earl Betts of Farmington; Harold Hay, son of Mr. and Mrs. Garfield Hay of Livonia; and Shan Keller, a Spring Arbor alumnus who lives in Southfield.

The conference, sponsored by the Manhattan Christian Youth Service, was planned by Jimmy DiRaddo, an authority on youth culture, and Dave Pollock, counselor, pastor and conference speaker. They will be on the Spring Arbor College campus in late February and early March to conduct a "Spiritual Emphasis Week."

Each day of the conference, the students heard two noted speakers discuss areas of crisis and attended seminars in communications, ecology, family living and the church.

Afternoons were spent with encounter groups, in which the students heard about problems of living in the inner city first-hand.

DIRADDO is associate director of the Manhattan Christian Youth Services. He helped coordinate a New York project for training youth workers and a counseling center in the city which is having great success in communicating with youth from minority groups.

Federal Aid Helps Program

Students at Saint Mary's College, Orchard Lake, are receiving federal help this year in a program to "be of service to humanity." They have received a grant under provision I of the Higher Education Act of 1965.

In operation for the past four years without any subsidy from the outside, the program is carried on by two groups, the Social Action Teens and the George Group. College students work with high school students, and there are at least 40 teenagers in the two teams.

The groups solicit and distribute clothing, food and toys for children at Thanksgiving and Christmas and other occasions.

Youth Group Plans Rally

Huron Valley Youth for Christ will present an Encounter Youth Rally at 7:30 p.m., Saturday, Jan. 8, in Ann Arbor Pioneer High School.

Don Lonip will be the featured speaker. He has spoken at more than 3,500 high school assemblies in 48 states and five provinces of Canada. He has also toured Great Britain and the Far East.

Two traveling musical groups of Huron Valley Youth for Christ will sing. The "New Jerusalem" is composed of students from the University of Michigan. The teen ensemble is composed of high school students.

Admission is free.

Rev. DuCharme Of St. Andrew Ordained Priest

Newly ordained a priest in the Episcopal church, the Rev. William D. DuCharme will be honored by parishioners of St. Andrew Church in Livonia with a reception following services Sunday, Jan. 9.

Rev. DuCharme, assistant minister at St. Andrew, is celebrating his first Eucharist there Sunday.

He was ordained in an evening service Thursday, Jan. 6, in the church located at 16360 Hubbard.

The Right Rev. Archie H. Crowley, Suffragan Bishop of Michigan, presided, and the Very Rev. Kenneth Davis, minister at St. Andrew, presented the candidate for ordination.

REV. WILLIAM D.
DuCHARME

Preacher for the occasion was the Rev. Gordon Jones, rector of St. Andrew Episcopal Church in Ann Arbor.

REV. DuCHARME was born in Detroit and attended schools in Dearborn. He graduated from the University of Michigan in 1968 and then attended the General Seminary of the Episcopal Church in New York.

Awarded the degree of bachelor of sacred theology in May of 1971, he was ordained a deacon in Detroit the following month and assigned to St. Andrew.

Rev. DuCharme has worked as a lay assistant in several churches in the New York area and has visited missionary dioceses of the Anglican Communion in Africa and Asia.

DURING THE SUMMER of 1970, he served a term as resident chaplain of the Martin Luther Hospital in Anaheim, Calif.

The Episcopal church, like the Roman Catholic and Eastern Orthodox churches, recognizes three orders in its clergy—bishops, priests and deacons. A deacon in the Episcopal church must serve a minimum of six months before he can be promoted to the priesthood.

Livonian Will Serve Mission

C. Brian Melonakos of Roycroft, Livonia, left Jan. 4 for a Switzerland where he will serve a two-year mission for the Church of Jesus Christ of Latter-day Saints.

For the past two months he

has been studying German at Brigham Young University, in preparation for his ministry.

On completion of the mission, he will return to the university to complete his college training.

THE REV. B. EDWIN McDonald (center) is welcomed as the new pastor of the Plymouth Church of the Nazarene, 41550 E. Ann Arbor Trail, by Raymond Dale Welton (left) and Nelson Bradford. He succeeds the Rev. Ronald D. Moss, who has accepted a call to the Nazarene church in Fort Wayne, Ind. A graduate of Trevecca Nazarene College in Nashville, Rev. McDonald has served parishes in Warren and E. Liverpool, Ohio, as well as Cincinnati. He and his wife Anne, have two daughters and a son and will make their home in the parsonage on the church property. (Observer photo by Bob Woodring)

Christened Pastors Explore Communications

Donna Michelle Urban, daughter of Mr. and Mrs. Lawrence Urban of Westland, was christened Dec. 19 in St. Damian Catholic Church, Westland, with the Rev. Richard Dow officiating.

Godparents were Ralph Hatt and Joanne Urban.

Among the relatives on hand for the ceremony were Donna's grandparents, Mr. and Mrs. Emil Urban and Mr. and Mrs. Ralph Hatt, her great-grandparents, Mr. and Mrs. Frank Ciolek and Mrs. Frances Kasper; and her brother, Brian.

ANN ARBOR
The Michigan Pastors Conference, to be held at the University of Michigan Jan. 17-18, has been specially designed to help pastors improve their communication skills in worship.

The conference is sponsored by the Michigan Council of Churches and the U. M. Office of Religious Affairs. Registration is scheduled at

12:30 p.m. in the Rackham Building.

Frank Hawthorne, chairman of the conference planning committee, will speak at the 1:30 p.m. plenary session, giving an overview of the conference's three simultaneous group sessions.

TWO WORKSHOPS and a seminar comprise the remainder of the conference, with participants remaining in a single group.

A workshop on "New Worship Forms" will be conducted by Sister Adelaide Ortel, S.P., and Robert Wells, staff members of the Center for Contemporary Celebration in Chicago.

They will help participants explore non-verbal communication in worship, visual arts, community building and involvement of the whole person.

A second workshop, to be led by members of the conference planning committee in cooperation with television personnel, is titled "Show and Tell."

Pastors will be able to see and hear their own preaching on video tape.

A SEMINAR, titled "Liturgy in the Parish," will examine the role and function of liturgy in the congregation. The Rev. David E. Babin, professor of Christian ministries at Seabury Western Theological Seminary at Evanston, Ill., will be the leader.

Pastors wishing to register may contact the University of Michigan Extension Service, Conference Department, 412 Maynard, Ann Arbor.

ECUMENICAL REFLECTIONS

(Ecumenical Reflections is a column in which Observer clergy members and lay leaders are invited to present their ideas on church and religious topics of general interest. Anyone interested is invited to participate. Contributions should be one to two pages of double-spaced typing and may be mailed to the Church Editor, Observer Newspapers, 36251 Schoolcraft Road, Livonia, Mich., 48150.

DR. BARTLETT L. HESS, Ward United Presbyterian Church

"The 20th century is hung up on time," said my daughter, Debbie Morsink, a candidate for the doctor of philosophy degree in French language and literature at the University of Wisconsin.

"Modern man is hung up on time because he does not know who he is. Time challenges who you are, your identity. The 20th century man cannot live in the present when he looks forward to nothingness after death. He can live in the past or in the future but not in the present.

"The only way the unbeliever can escape the tyranny of time is by the pagan enjoyment of the moment." However, he then falls back on despair when the

appetite of the moment has been satisfied.

"If there be nothing after now, And we be nothing anyhow? Why live?"

Man cannot enjoy life in the present until he knows who he is. He cannot find himself without Christ, The Son of God who became man at Bethlehem. In Christ he sees himself, a sinner, sharing the loss and suffering of the human race, but a redeemed sinner who has become a child of God. The pursuit of each trivial whim as a goal in life only leads to emptiness and disappointment.

God, who made Himself known in Christ, gives depth, purpose and meaning to the present. Actually, we only have the present; the past has gone; the future we have not yet grasped, in fact, we may

never see. If we do not know how to live in the present, we do not know how to live at all. Swift to his close ebbs out life's little day:

Earth's joys grow dim, its glories pass away; Change and decay in all around I see

O Thou that changest not, abide with me.

A movie company constructed a wild west town of storefronts to stage a picture. Behind the windows and doors and fronts lay nothing but the desert. When we leave God out of life, we are only storefronts.

JOHN WESLEY, the founder of Methodism, wrote in his preface to his sermons: "I am a creature of a day, passing through life as an arrow through the air. I am a spirit come from God, and returning to God: just hovering over the great gulf till, a few moments hence, I am no more seen."

"I drop into an unchanging eternity. I want to know one thing—the way to heaven, how to land safe on that happy shore."

Rev. Lester Kinsolving's

Religion Update

The estimated two million members of the Church of Christ take the New Testament so literally that they do not allow organ music in public worship—no such musical instrument is mentioned in the New Testament.

Yet, when one of their most famous churchmembers, singer Pat Boone, began "speaking with tongues" (glossolalia)—a practice quite definitely sanctioned by the New Testament—he was "disfellowshipped" by the elders of the Church of Christ in Inglewood, Calif., near Beverly Hills.

By such disciplinary action, the denomination may have anathematized one of conservative Christianity's most widespread thrusts in Hollywood history. For Pat and his wife, Shirley, have been holding an increasing number of Bible classes in their home—and have already baptized some 250 people in their backyard swimming pool.

MOREOVER, few laymen have ever shown such disciplined loyalty to their denomination as has Pat Boone.

He has turned down TV shows because of tobacco or beer sponsorship. He pulled out of a lucrative movie contract when he learned that he was to portray a Catholic monk who is seduced. He regularly consulted the church elders for their guidance before performing in Las Vegas, or on TV shows of clergy of other faiths, such as

Oral Roberts or Rex Humbard.

Pat has also retained his warm personality and excellent sense of humor despite being sharply needed about his "square" image. Phil Harris, for example, told one audience: "If I ever have a son, I'd like him to be just like you, Pat—for the first three years!" Dean Martin quipped: "I shook hands with Pat the other day and my whole right side sobered up!"

Boone's pastor at the time of his being disfellowshipped was Darrell Rickard, now of the Rolling Hills Church of Christ in Fort Worth. Says he: "If only Pat would have kept this (glossolalia) under his hat—but when he wrote that book, that did it. He has brought reproach upon the cause of Christ."

DR. HOWARD WHITE, vice president of the denomination's Pepperdine College in Los Angeles, explains:

"Our churches" do not identify with all the miraculous things which occurred before the New Testament was completed. For instance, church leaders are no longer raising the dead, or in any church do they practice glossolalia; or, as the Mormons do, they claim to be able to write inspired Scripture. I don't think any of us would condemn glossolalia; it's just that when it's brought into church services it can be disruptive."

Meanwhile the Boones appear undaunted by their

semi-excommunication, since they occasionally visit their church. The book he has written is entitled "A New Song."

It is written in an appealing, folksy and occasionally moving style—albeit somewhat theologically naive towards the climax of his "Baptism in the Holy Spirit." All his bad fortune Boone seems to attribute to The Devil. But God, he seems certain, has personally arranged everything good, from the repair of Wilt Chamberlain's injured knee to an 11th hour sale of the Oakland Oaks Basketball Club, which was just about to bankrupt stockholder Boone.

BOONE'S experiences with glossolalia have left his refreshingly devoid of the familiar feelings of religious superiority over those who have not had this experience—however willing he is to share it with others. His sense of humor and congenial personality are very much intact.

During an exclusive interview, for instance, he told this writer that almost within hours of his being disfellowshipped by the Church of Christ, he was contacted by both Jehovah's Witnesses and Mormons.

And he laughed with excedingly great joy at a suggestion that he might find it a unique and stimulating experience if he were to invite both of these zealous proselytizers to his home—at the same hour.

Heart Surgeon Speaker

Dr. Adrian Kantrowitz will speak on "The Impact of Heart Surgery on the Community" at a breakfast forum sponsored by the Men's Club of Congregation Beth Abraham—Hillel, at 10 a.m., Sunday, Jan. 9.

The forum will be held in the synagogue, 5075 W. Maple, Birmingham.

Kantrowitz, a renowned heart surgeon, is head of Sinai Hospital's department of heart surgery.

Dr. Karl Marx Newman will preside and Rabbi Israel I. Halpern will participate in the program.

Anyone interested is welcome to attend.

The series will continue Feb. 6, with a talk by Sister Agnes Mary, president of Mercy College, and March 5, when the speaker will be Congressman William S. Broomfield.

Harry Left is president of the club and Bernhard Lichtenstein and Jules Feldmesser are the arrangements chairmen.

Stadium Hotel Tax Plan Hit

PLYMOUTH
In an effort to spare the older hotels and motels in the fringe area from what he calls an "undue hardship," Ralph Lorenz, operator of the Mayflower Hotel, fired the opening salvo Thursday afternoon in the battle to kill the proposed five per cent tax on accommodations to help finance a downtown Detroit stadium.

As the lone protestor thus far, he has written to Robert E. FitzPatrick, chairman of the Wayne County Board of Commissioners, asking that the enabling legislation be set aside to prevent many time-honored hostilities from closing their doors.

Lorenz, who has voiced his opposition to the proposal since it first was mentioned, waited until Gov. Milliken signed the enabling legislation Wednesday afternoon to make his official protest.

Under the terms of the bill passed by the Legislature, Wayne County is granted the power to levy the five per cent tax on all hotel and motel room accommodations.

This is discriminatory, Lorenz claimed in his letter because it "builds a wall between the new and old establishments."

AS AN example, he pointed out the Mayflower Hotel is 44 years old and "will have a difficult time competing with newer establishments at best."

"But what chance have we got in competition with Win Schuler when he builds his new place on U.S. 23, less than 10 miles away in Washtenaw county?"

He further cited conditions along Eight Mile Road where the north side is in Oakland County and the south side in Wayne County.

"Is that fair competition to levy the tax on one side of the road and not on the other?"

"IF THE TAX was made statewide," he continued, "I'd be for it. But not as the proposal stands now."

"If permitted to go through, there'll be a lot of places closing their doors, and the Mayflower could be one of them."

Lorenz confided that while he is fighting a lone battle at the moment he has been in contact with others in the same predicament and a united action is in the immediate offing.

"Our old places just can't stand the tax," he repeated. "It is an undue hardship."

How Inkster Drug Center Aids Big Area

Continued operation of the Hegira drug rehabilitation center at Inkster, which is up in the air because of a funding problem, has drawn support from most other western Wayne County governments based on statistics showing the center's caseload to be area-wide.

The center is the only out-county point that provides methadone treatment, and a breakdown of 219 crisis intervention cases between July 6 and Nov. 31 showed this population distribution:

Westland, 30; Garden City, 11; Redford, 10; Plymouth, eight; Livonia, seven; Canton Township, seven; Inkster, 23; Ann Arbor, four; Dearborn, 31; Dearborn Heights, 15; Detroit, 11; Milan, one; Wayne, 12; Allen Park, four; Melvindale, two; Taylor, six; Romulus, 12; Sumpter, nine; Northville, 11, and Southgate, 15.

The center is at 27755 Michigan Ave. and also offers counseling, education classes, remedial reading tutoring and job placement assistance. It is staffed mainly by volunteers.

AT THE last meeting of the Western Wayne County Mayors and Supervisors Assn., Inkster Mayor Edward Bivens Jr. and City Manager Sylvester Murray urged their colleagues to join them in an appeal to the county's Act 54 Board for an extension of funding.

The board was created through action of the State Legislature, which allocated more than \$3 million to combat the drug problem in Wayne County, and Inkster has petitioned for a grant of \$170,000. The board functions under jurisdiction of the Detroit - Wayne County Mental Health Dept.

After an initial refusal of funds, the board has recon-

sidered the Inkster issue, and Murray said this week it appears favorable that at least half the requested amount may be allowed - perhaps more. He hopes to be able to give a final report when the mayors and supervisors meet Jan. 12 in Romulus.

In December, the association agreed with only one dissenting vote (that being from Westland) to support Inkster's position in a letter which recognized that the Hegira program "serves clients from many municipalities in western Wayne County."

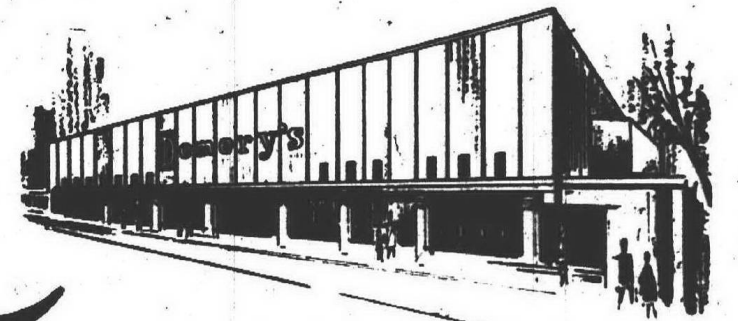

THE LETTER recommended "that the program be funded by the Act 54 Board in a substantial manner which does not unduly restrict the Hegira program from servicing all needed persons and which does not prohibit adequate funding of other programs existing or anticipated in other areas of western Wayne County."

Mayor Gene McKinney of Westland said he did not question the facts as presented by Inkster representatives, but based his negative vote on a lack "of first-hand knowledge."

Inkster's fear that the center might be restricted only to cases referred to it by courts or other official agencies has relaxed, Murray said this week, after further conferences with a committee from the funding board. He said only 50 per cent of the case load will have to be referrals.

In addition to hearing an updated report from Inkster, association members Wednesday will tackle the issue of agreeing on common standards in police and fire contract negotiations.

Delta Zetas To Meet

Students from Eastern Michigan University, the University of Detroit and Wayne State University will discuss campus life and sororities on campus at a meeting of the alumnae of Delta Zeta from Western Wayne.

It will be held at 8 p.m., Jan. 13, in the home of Mrs. Anita Johnson, 18643 Westbrook, Livonia.

Members are asked to bring two candy bars to use in making valentines for retarded children.

Alpha Xi Delta Club To Meet

The Western Wayne County Alumnae Chapter of Alpha Xi Delta will hold their monthly meeting the evening of Tuesday, Jan. 11, in the home of Derith Lane, 30800 Westworth, Livonia.

Reservations must be made with Nancy McDonald, 33706 Arrowhead, Westland, or Barbara Riehl, 8307 Donna, Westland. All alumnae in the area are invited.

DIANE FOREST

Mr. and Mrs. William Forest of Livonia announce the engagement of their daughter, Diane, to Jerald L. Smith, son of Mr. and Mrs. Fredrick A. Smith of Birmingham. The bride-elect is a 1971 graduate of Franklin High School and employed as a dental assistant. Her fiancé graduated from Birmingham Groves High School in 1968 and is employed by the engineering department of the Oakland County Road Commission. An early fall wedding is planned.

NANCY GILLIES

The Rev. and Mrs. Rayworth C. Gillies of Concord, N.H., announce the engagement of their daughter, Nancy Virginia, to David C. Kreller, son of the Rev. and Mrs. Bert Kreller of Fairlane Avenue, Livonia. The bride-elect is a senior at Houghton College in New York, majoring in psychology and sociology. Her fiancé, a 1969 graduate of Houghton, teachers in Pioneer Central School in Arcade, N.Y. An April 8 wedding is planned.

Seminar On Alcoholism To Return To YWCA

"Reflections in a Glass," a seminar dealing with the problems of alcoholism, is returning by popular demand to the Northwest YWCA beginning Monday, Jan. 17. Conducted Monday mornings last fall by John Parker of the National Council on Alcoholism, it will be scheduled this time from 7 to 9 p.m. so that men can attend too.

The six sessions cost \$4, but YWCA membership is not required for this course. The Northwest branch is located at 25940 Grand River.

PARKER SAID the course is designed for general education and slanted to non-drinkers and social drinkers rather than those with the problem of alcoholism. It will include tips on party planning and the new protocol on serving alcoholic refresh-

ments to family and guests, he added.

More general education into the general problem of alcoholism is needed, Parker said, "because the trouble with alcoholism is that it's sneaky."

"ALCOHOL addiction is a disease," he added.

"One out of every 15 people who drink and approximately one out of 12 social drinkers have the psychological and physiological factors present in their makeup to be prone to addiction.

"The frightening thing is that this means there are over nine million people in this country who are presently in some stage of alcoholism and many more who are potentials.

"The hope in education is that this potential addiction can be arrested or prevented

'Faith In Film Art' New Mercy Class

"The Experience of Faith in the Film Art" is the title of a new course to be offered by the department of religious studies at Mercy College of Detroit, 8200 W. Outer Drive. Utilizing contemporary films, the course will identify human values portrayed in the films and seek to make the participants sensitive to the human value found in the film media.

Such films as "Night of the Iguana," "Winter Light," "Gospel According to St. Matthew," "Gigot," "La Strada" and "Rashomon" will be used in the course.

"Participants will be required to exhibit a creativity and understanding in handling contemporary theological themes in the light of the films which they review," said Dr. John Gray, department chairman.

Other evening offerings of the department of religious studies include "Historical Christianity II," "Sociology of Religion," "Theology of Sacramental Marriage" and

Phi Mu Unit Meets Jan. 11

Packages will be assembled for Project Hope at the next meeting of the West Side Phi Mu Alumni, set for 7:30 p.m., Tuesday, Jan. 11. It will be held in the home of Johanne Bolwinski, 8622 Riverdale, Dearborn Heights.

The packages will include slippers, combs and toilet articles to be given to patients on the hospital ship. This is an annual service project of the club.

Teacher To Speak On English Schools

Learning in English schools will be the topic for the Western Suburban Junior Woman's Club when it meets at 8 p.m. Monday, Jan. 10, in the Church of the Spirit Lutheran church, 34563 Seven Mile, Livonia.

Gloria Crawford, second grade teacher in Novi, will tell about her experiences in

England last summer. She will use visual aids with her discussion.

The Juniors celebrated the holidays with both philanthropic and social activities. Members entertained patients at Nightingale West Convalescent Home with a Christmas sing and presented small tray favors to each.

Another project was dressing dolls and collecting new toys which were donated to needy children in the Northville area.

SOCIAL ACTIVITIES included a club cookie exchange held at the Plymouth home of Mrs. Ronald Kelly. Each member brought six dozen of one kind of Christmas cookie and exchanged them in half a dozen packages.

Juniors and their husbands also held a dinner-dance in the Thunderbird Inn in Plymouth on Dec. 11. Co-chairmen for the event were Mrs. Gerald Musch of Plymouth and Mrs. Robert Coates of Northville.

ACTIVITIES for the remainder of the year include decoupage classes, benefit card parties for Girlstown and a garage sale, as well as continued management of the well baby clinic in Livonia.

Borgess A Loser In Catchup

Bishop Borgess dropped its fourth basketball contest in the style that has plagued Coach Tom Denewith and team through the early part of the season. Borgess fell behind 15-8 at the end of the first quarter and was forced into playing catch-up in a 64-56 loss against Aquinas.

"It has been the same story all season," said Denewith after seeing his cagers drop their fourth game in six starts. "We have been dropping

behind at the beginning and settling into a catch-up style of play."

Borgess stands 0-2 in league play.

Midway through the first quarter, Aquinas held a slim 9-8 lead, but Borgess went cold from the field and Aquinas hit on three field goals to lead at the end of the quarter, 15-8.

AQUINAS outscored Borgess, 14-10, in the second

quarter to hold a 29-18 halftime lead.

"We weren't getting the second shot at all in the first half," said Denewith. "They were controlling the boards and really jumped on us at the end of the second quarter."

Borgess settled into a man-to-man style of play the second half and outscored Aquinas, 20-15, in the third quarter and trailed 44-38 going into the final stanza.

Aquinas maintained a six point margin throughout the fourth quarter and Borgess was forced into fouling. Borgess was outscored in the fourth quarter, 20-18.

MARK SOPKO led Borgess with 21 points followed by Greg Battle with 11.

Ken Nowaske and Ray Conat paced the Aquinas attack with 22 and 13 points respectively. Nowaske

collected eight of his 22 in the first quarter to give Aquinas the early edge.

Aquinas shot 43 per cent from the floor, hitting on 26 of 61 while Borgess hit on 25 of 68 for 38 per cent.

Borgess was six for 11 from the line and Aquinas collected 12 of 23.

Sopko led Borgess in rebounds with 12, however Borgess was out rebounded by Aquinas, 43-34.

C'ville Edges N. Farmington In Gymnastics

Clarenceville captured a slim victory in its opening gymnastic meet with North Farmington, 94.20 to 91.75. The Trojans took first in four of seven events to edge the Raiders.

Four individual winners for Clarenceville were: Jack Waterstone (horizontal bar); Ken Thompson (trampoline); Sandy Gurian (parallel bars); and John LaMontagne (side horse). Clarenceville also took the point total in these four events.

Three individual winners for North Farmington were: Larry Bend (floor exercise); Joe Neuwander (still rings); and Bill Douglas (tumbling).

Turf Tips, Quips

By Doc Minard

After the incidents at the Jackson-Northville meeting Wednesday, one wonders if the horsemen are as interested in winter racing as they have professed to be for the past several years.

There are two or three reasons why Michigan went into harness racing around the calendar...the horsemen wanted racing in the state so they wouldn't have to travel great distances to race, the state officials wanted racing to beat off the competition from Windsor Raceway and Toledo Raceway and boost the state treasury, track managements thought it would be a good idea since it would give them more use of

Schoolcraft Cagers Crush Henry Ford

Pulling away from Henry Ford CC in the second half, Schoolcraft College cagers registered their first victory in history over their Dearborn rivals, 69-45.

Judging from the final score, one would get the idea that it was a soft touch for the Ocelots...it was anything but. Schoolcraft held on for dear life in the first half and finally emerged with a 25-23 lead at the intermission.

COACH TOM RONCOLI made a few suggestions during the rest period and the Ocelots were a different team in the second half.

Paced by Des Denham, Schoolcraft went on a scoring spree that sent it out in front by a comfortable margin and Henry Ford was quickly out of the running.

Denham led the Ocelots with 19 points followed by Johnny Jetchick's 15. Walt Suchara contributed 12 and Casey Jones and Leon Jackson had 10 each.

Mike Zager was high for the losers with 11, getting nine in the first half.

their facilities and probably bring in some additional income.

But Wednesday night, out of the blue, the drivers' committee that rules on whether the track is safe or not, suddenly decided that the conditions weren't safe and told Jackson President and General Manager Leon Slavin that they would not race.

This statement was made in spite of the fact that horses had been working out on the strip for more than two hours and didn't appear to have any troubles.

The committee didn't take any consideration of the fact that more than 1,700 persons were in the stands, many were eating dinner in the clubhouse, the mutual windows had been opened for an hour for those wishing to buy daily double tickets.

The thought expressed was "damn the public, we're not going to race." This in spite of the fact that the Michigan Harness Horsemen's Association has a contract to race rain or shine.

SLAVIN talked to the committee, to no avail, and then had an audience with all of the drivers in front of the paddock.

He told the group that the track management was doing everything possible to better track conditions. At that moment a grader was scraping the racing strip which was coated with a covering of ice.

A harrow was used to bite into the ice and then a thin layer of salt distributed on the track. Unfortunately all of this took time, and the start of racing was delayed more than an hour.

The question arises of why didn't the track committee take its stand at 7 p.m. instead of 8 o'clock and why don't members of the committee have more consideration for the public that actually is paying for the winter racing.

If the drivers and trainers don't want to race in the winter time and gamble on the

conditions, then it's high time they make it known to the racing commissioner and to the track management. Both would be very happy to make adjustments, such as dropping the winter program and telling the horsemen to go elsewhere.

Perhaps one of the reasons why the committee decided to go on with the racing program was a warning from Slavin that no racing Wednesday would mean no racing...knowing Slavin, we feel that he meant every word of it.

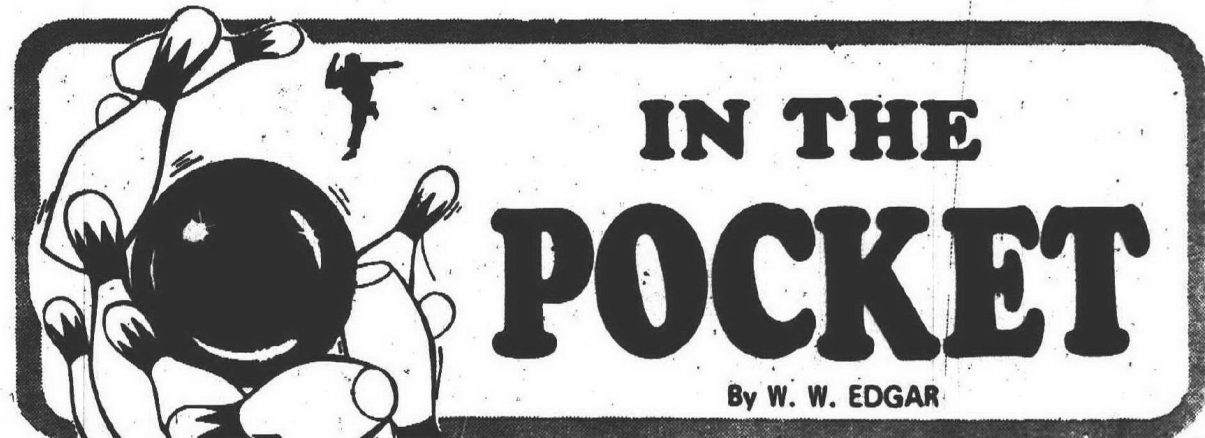

COLORFUL, bombastic Bill Kofender, who has been associated with the Detroit Race Course as photographer and public relations director for many years...the past four in charge of publicity, has had enough.

Bill, who isn't one to beat about the bush when he has something on his mind, announced his resignation from the DRC post earlier in the week.

"Guess you'd have to say that I just got tired of working with so many problems," said Bill. "I enjoyed my work at the DRC as track photographer and I must say that the work as publicity director was enjoyable to a point...it was the things beyond that point that brought the resignation. When a job no longer is fun, then it's time to make a move. I felt I had reached that point and now I'm moving along."

He didn't say what he has in mind for the future but knowing Bill we'd have to say that he probably knows where he's going or he wouldn't have made the move.

We wish him good luck in his new venture and wish him to know we enjoyed working with him during his DRC regime. To us he always was a lot of fun and a man of his word. That goes a long ways in this day and age.

Five fellows who never had bowled together as a team until this season established an all-time record for the suburban area Tuesday night.

Bowling in the Wonderland Classic in Livonia, Bob Grenier's Garden Lanes squad posted a 3485 series, the second highest bowled in the state this year and among the top 10 in the nation.

On lanes 3 and 4, the team opened with 1179, followed with 1153 and closed with another 1153, to take second place behind Stroh's 3671 in the state.

Here is how the record count was reached:

Bob Collett 257-258-266-781
Mel Margenau 232-266-238-739
Tommy Davis 268-231-218-717
Tommy Hanes 228-264-221-653
Bob Grotz 193-197-208-595

Crossing lanes with the record holders the Roma Hall team posted a closing game of 1131—and lost by 22 pins.

"In all the years we've been here," George Bashara, Wonderland proprietor remarked, "I've never seen such scoring."

"Why hardly anyone noticed

that Emil Wansa, one of the real veterans of the game fired a 300."

Two other classic bowlers broke the 700 barrier. Fred Ringrose fashioned a 714 and Wansa's perfect game helped boost his total to 704. He had 12 solid pocket hits.

Also overshadowed by the record was a 3278 rolled by Jim Shelp's Ferris Bros. combination.

YOUNG KEITH Angles, a 15-year-old, proved an able substitute on his father's Auto Dealers team.

All he did was link games of 256, 254 and 211 for a 721—the highest series ever bowled at Country Lanes.

Among the other outstanding performances in campaign leagues Pat Fox, a 172 average bowler in the St. Priscilla League, posted a 256 game and J. Prost had an unusual 686 series. He opened with a 279 followed with 198 and closed with 209.

Joyce Cape in the ladies morning league, was high with a 629.

JOE BOGDEN was the man of the hour at Oak Park Lanes. Bowling in the senior house league he put together games of 248, 227 and 256 for a 731.

Other high scores included Harry Sash with a 277 in 631 and Sid Feldman with a 622.

THERE'LL BE cause for Maynard Patler never to forget his experience at Oak Park Lanes in his first start of the new year.

He piled up 11 consecutive strikes and then the door to the 300 Club closed on him.

On a good pocket hit he left the No. 5 pin-right in the center of the lane—and still can't explain how he did it before settling for a 299 and a 661 series.

BOB CASSAR was high man in the Garden Classic when he survived a close battle with Paul Eshken to post a 697 and beat his rival by 11 pins.

Others in the high brackets included Jerry Fisher 684, (who had a 300 in practice on a single lane); Bill Collett 666, George Campbell 656, Ron Kovac 650, Joe Aubrey 642.

Bill Green joined the celebrities by converting the 7-10 split.

ELLIE WILKINS narrowly missed a clean sweep in the Ladies Classic at Livonia Lanes.

After Gerry Wilson registered a 200-30-230 to take the first game Ellie took the next two and series. She won the second game with 190-25-215, the third with 182-25-207 and series with 560-75-635.

Meanwhile Joe George, a 170 average bowler, won high single in the Whirlwind League with a 277.

THERE'S A new women's high single mark at Merri-Bowl and it was the work of Ruth Besserman, a 141 bowler, who shot a 264. It came between games of 111 and 131, and gave her a 493 series.

Dave Kanpe also fired a 264 in the Father & Son League and Lora Hooker, a 141 average shooter, posted a 637 on games of 231, 241, and 165.

Beverly Komtoltowicz paced the women at Mayflower Lanes with a 214 in 538 to beat out Lee Melasi who had a 222 in 524.

The walleye is a gamefish you don't hear much about on southeastern Michigan's inland lakes.

They are quite an attraction on Lake St. Clair, some of the bigger inland lakes and the St. Mary's River in the upper peninsula, to mention just a few of the popular spots.

But our inland section of the state seems to lack the conditions for this larger relative of the yellow perch.

THAT MAY change in the next year or so, and the change could come at an unlikely spot—Kent Lake, the 1,200 acre impoundment of the Huron River west of these suburbs on I-96.

A joint project of state Dept. of Natural Resources (DNR) biologists and the City of Dearborn, which operates Camp Dearborn just to the north of Kensington Park, may yield those walleyes for Kent Lake.

As DNR district fisheries biologist Ron Spittler described it, his crew gave Camp Dearborn "management assistance for fishing ponds within the camp's boundaries."

In return, Camp Dearborn reared fish in its 33-acre swimming lake. The large lake is emptied each fall into the Huron River, which drains into Kent Lake.

"WALLEYE FRY were planted in the swimming lake in May 1971, just after it was

filled," Spittler reported. "Finally, after various complications, draining was completed on Dec. 7."

"A total of 310 pounds of walleye were harvested, of which 1,000 averaged two to three inches and 1,000 ranged from eight to 11 inches. These

figures were not as high as anticipated due to predation and competition from nine other species of fish unknowingly pumped into the lake earlier.

"In all, some 52,000 fish totaling more than 3,100 pounds were harvested."

24 in a row for Country Day...The undefeated Yellowjackets scored their fourth basketball win in a 69-50 romp over Harper Woods to extend their regular season game winning streak to 24.

"JUNIOR 6-3 FORWARD, Todd Rich, told the story for Country Day as he popped in 17 points and hauled in a total of 22 rebounds.

"He just played a tremendous all-around game for us," said Country Day Coach John Hannett.

Harper Woods jumped to an early 4-0 lead but the Yellowjackets quickly came to life and Rich tipped in a rebound to put Country Day up 5-4 and the Yellowjackets never looked back.

COUNTRY DAY led at the end of the first quarter, 16-13, and outscored Harper Woods,

17-11, in the second period to lead at the half, 33-24. Harper Woods could only manage 13 points in the third quarter to 22 by Country Day and the Yellowjackets totaled 14 in the final quarter to put it away, 69-50.

"We controlled the boards," said Hannett. "And that pretty well tells the story of the game."

The Yellowjackets collected a total of 47 rebounds.

SOPHOMORE JOHN ZIMKEL scored eight points and added 10 rebounds. Scott Freebairn led all scorers with 23 for Country Day followed by Rich with 17 and Randy Field with 12.

Loren Krebs was the only player to hit the double figure mark for Harper Woods with 12 points.

The Yellowjackets host Grosse Pointe Saturday night.

Franklin's Height Too Much For Churchill

By TOM DONOGHUE
Observer Sports Editor

Franklin opened 1972 on a winning note with a 59-52 cage win over "baby sister" Churchill. The Patriots scored their fourth victory against two defeats while the Chargers dropped their second in three games after winning four straight.

CHURCHILL had 20 more shots than Franklin but it was a simple case of the Chargers being forced outside while Franklin moved inside. Churchill hit on only 18 of 65 from the field while Franklin connected on 18 of 45 field goals.

The first quarter saw each team playing deliberate basketball.

"Churchill was waiting for us to make the mistakes," said Franklin Coach Bob Visser.

Tim Dietz and Mark Neuman hit the lone field goals for Franklin the first quarter as the Patriots went two for 10 from the floor. Churchill managed one better in going three for 10.

BRUCE VANWAGONER, Brian Sherman and Mike Keller popped in solo buckets for the Chargers but Franklin held a slim 8-7 lead after the first eight minutes.

Franklin improved on its shooting the second quarter, hitting 50 per cent from the floor on eight of 16 shots and Churchill connected on six of 14.

Franklin outscored Churchill in the second quarter, 18-15, to hold a 26-22 halftime advantage.

THE PATRIOTS shifted their defense in the second half and the Chargers could muster only one field goal in 14 attempts in the third quarter. Franklin didn't do much better but hit on four of 12 from the field and the Patriots

outscored Churchill, 14-10, to take a 40-32 lead into the final period.

With two minutes remaining, the Chargers blitzed to within four but the Patriots held their composure and went on to defeat Churchill, 59-52.

Franklin hit 40 per cent from the field in contrast to Churchill with a low, 27 per

cent. Each team collected 18 field goals and the difference was at the free-throw line with Churchill making 16 of 27 while Franklin made good on 23 of 35.

DIETZ WAS high scorer for Franklin with 19 followed by Rick Graham with 18. Bruce VanWagoner collected 11 and Roy Henriksson, 10 for Churchill.

The Patriots outrebounded Churchill, 41-33, with Dietz collecting 13 and Rick Graham, 10.

"The key was our defense forcing them outside," said Visser. "Dietz was forcing their shooters to loop the ball over his hands. He blocked five shots and Churchill managed only six second shots as we controlled the boards."

"Where we almost gave the game away was in turnovers," added Visser. "We gave the ball up 24 times on mistakes."

OL St. Mary Rips St. Agatha, Records Seventh Straight

St. Agatha jumped to an early 9-2 lead... but time took its toll and the Aggies fell to powerful Orchard Lake St. Mary, 64-45, for their third basketball loss against four wins.

Undefeated St. Mary scored victory No. 7 and now ranks third in the state in Class C basketball.

AGATHA COACH Tom Sankovic was duly impressed with the performance of his squad and said, "If we can play the remainder of the season as well as we did against St. Marys, we will definitely be in the playoffs."

The Aggies are halfway through the season and hold a 4-3 record in the Catholic League Second Division West. The top four in the eight team league qualify for the playoffs.

Coach Sankovic sees the race shaping up as: "St. Marys and St. Alphonsus are shoo-ins but the races for the third and fourth positions are going to be interesting."

"It appears that it will be us (St. Agatha) along with Lourdes and St. Hedwig in the battle for third and fourth places."

With three minutes elapsed in the St. Mary contest, Mark Miron had popped in three baskets and the Aggies led, 9-2. St. Mary finally found the range but St. Agatha held a 14-12 first quarter edge.

ST. MARY scored three

quick baskets to open the second quarter and the Aggies just couldn't match them and trailed at the half, 32-23.

St. Mary outscored Agatha in the third quarter, 14-12, and 18-10 in the final quarter for an easy 64-45 win.

"St. Mary is a great opportunist team," added Sankovic. "If you fail on a scoring chance they'll come right back at you and score."

TOM CHURCHES and Mark Miron hit the double figure

mark for Agatha with 17 and 16 points respectively.

St. Mary was led by Mike Pactorek with 22 points and Walt Sakowski with 21. Pactorek and Sakowski also led in the rebound department with 19 and 15.

UNUSUAL BLOCK -- Franklin's Karney Derderian (22) finds the way clear to dribble around a Churchill defender as teammate Rick Graham (50) appears ready to fall backward

over the Charger player. The Patriots downed their neighboring rival, 59-52. (Observer photo by Harry Mauthe)

Brother Rice Breezes Past Notre Dame For 5th In Row

Undefeated Brother Rice rolled over Notre Dame, 61-45, for its fifth basketball win and shares first place honors with U-D in the Catholic League First Division Central West.

Midway through the first quarter, Rice spurred to an 8-2 lead with Mark Hendricks popping in the first basket. Notre Dame pressed back but Rice held a 14-10 first quarter advantage.

Notre Dame scored three quick buckets in the second quarter and led 16-15 but Dan Damiani sunk two freethrows and Rice never had to look back.

Rice outscored Notre Dame in the second period, 15-14, to hold a 29-24 halftime lead.

Notre Dame could not score in the first five minutes of the third quarter and Rice came out 14-5 to hold a 43-29 lead going into the final stanza.

The fourth quarter saw both teams commit numerous turnovers but Rice managed to outscore

Notre Dame, 18-16, to capture the victory.

RICE committed 20 turnovers to 15 by Notre Dame.

Bob Swanson led all scorers with 17 points for Rice followed by Mike Buescher with 14. Buescher led in rebounds with 18 as Rice outrebounded Notre Dame, 46-32.

Brad Simon paced the Notre Dame attack with 12 points, followed by Gerry Guinane and Terry Cirocco with 11 apiece.

THE DIFFERENCE was told in field goal percentage with Rice hitting 23 of 45 for 52 per cent while Notre Dame could only muster 16 of 56 for 28 per cent.

Rice hit 17 of 31 from the line and Notre Dame collected 13 of 20 to round out the scoring.

Rice travels to Catholic Central Friday for another Central Division showdown.

Schoolcraft Enters Varsity Gymnastics

Schoolcraft College will enter its first intercollegiate gymnastics competition when it travels to the DuPage Invitational in Chicago next month.

Following a year's development and preparation as a club, the squad coached by Dr. Cecil C. Woodruff is getting into the thick of varsity competition fast.

At the invitational it will go

against the University of Chicago, Marquette, Wheaton, Triton College and Milwaukee Tech, to name a few.

The Ocelots hope for a good first year on the shoulders of five promising gymnasts headed by sophomore Mike McCammon.

McCammon, who prepped at Clarencville High, placed ninth "all around" in the national junior college championships last year. The all around competition involves six olympic events: floor exercise, side horse, long horse vaulting, still rings, parallel bars and the horizontal bar.

Jerry Reighard, also a sophomore, is a product of Wayne John Glenn. His specialties are the parallel bars, still rings, horizontal bar and floor exercise.

Freshman Rob Struk,

another gymnast from Clarencville's outstanding program, is the 1971 state high school champion in floor exercise and tumbling.

Larry Bickham from Livonia Stevenson, also a freshman, is strong in the parallel bars and still rings. Sophomore Dave Wolnie from Henry Ford High rounds out the squad.

Dr. Woodruff is a second year instructor at Schoolcraft in its health and physical education department. An outstanding gymnast, he was captain of the Central Michigan squad his junior and senior years in college.

After its baptism at DuPage on Jan. 21, the squad has an away meet Feb. 5 at Cuyahoga Community College in Cleveland, and its only home meet is a return match against Cuyahoga on Feb. 18.

THE FISHER XP-65 Free-Piston 3-way Speaker System

The Fisher XP-65 reproduces the entire audio spectrum from an incredibly low 33 Hz to beyond the limits of human hearing (20,000 Hz). The XP-65 is capable of such fantastic bass because it has high-efficiency bass driver with a heavy magnet structure and a highly compliant half-roll surround. Crossover takes place at 600 Hz, at which point the sealed, separately enclosed 5-inch mid-range driver smoothly takes over. Crossover from mid-range to treble occurs at 3,000 Hz. The treble speaker is an extremely wide-dispersion cone-type tweeter that provides transparent and brilliant reproduction of the high end of the audio spectrum. The low-mass tweeter cone accounts for the especially good transient response the speaker delivers. A special fibrous damping material prevents annoying distortion caused by cone resonance.

Like Ulysses

New Film--Old Theme

By BETTY MASSON

England has its Robin Hood, France its Roland, Greece its Ulysses and America its Paul Bunyon and Paul Newman. Or the kind of hero that Paul Newman often plays, the silent man of towering strength.

His latest picture "Sometimes a Great Notion" is no exception. In it, Newman most nearly resembles Ulysses. The whole turbulent movie has many of the elements of a Greek tragedy, right down to the final macabre gesture of defiance, the hero who has slept with his stepmother and the hero whose friends suffer as much as his enemies.

THE STORY IS set against the background of the present-day Oregon logging industry. The battle concerns the loggers who want to strike against the big companies, and the Stamper family, independent loggers who refuse to participate in the strike.

Honoring their contract is to them more important than the

suffering of their fellow townspeople. Their motto is "Never Give A Inch."

They never do, even though by supplying the logging company, they are in effect breaking the strike.

Henry Fonda plays Henry Stamper, foul-mouthed head of the clan. Newman plays his son, Hank, who goes along with father's philosophy that work is what life is all about. Michael Sarrazin gives a fine performance as Newman's half-brother, Lee, a college "longhair" who had left home 10 years before with his alcoholic mother and comes back to question the Stamper values.

Lee Remick plays Newman's neglected wife. The supporting roles are brilliantly handled by a cast of actors who look as if they really worked in Newport, Ore. Newman also directed the film.

Gauguin Film

The film "Gauguin in Tahiti" will be shown free in the Detroit Institute of Arts Lecture Hall Sunday, Jan. 9, at 1:30 p.m. The museum is located at 5200 Woodward.

'CIVILISATION,' the widely-acclaimed series of 13 films focusing on the past 1,600 years of Western man is being presented by Madonna College to students and the community. It begins Tuesday, Jan. 11, at 4 and 8 p.m.

amusements

Cultural Film Series Is Free

"Civilisation," Lord Kenneth Clark's renowned color film series on the cultural life of Western man, will be shown in the Madonna College Activities Building, 36600 Schoolcraft, Livonia, beginning Tuesday, Jan. 11.

There will be two showings opened to the public during the scheduled days at 4 and at 8 p.m. Both will be shown without a fee. This will hold true on each of the scheduled dates for the duration of the program. The film series will be shown each Tuesday from Jan. 11 to April 4. Each film is 50 minutes long.

College credit will be offered for the course, Art Appreciation 203, which incorporates the films. Students

will receive two college credits for the course which will be held on Tuesdays from 8 to 9:45 p.m. College credit will still be given if the film is viewed at 4 p.m. instead of 8.

These films are on loan from the National Gallery of Art in Washington under a new program offered through the gallery's extension services. This distribution program has been made possible by matching grants totaling \$181,056 from the National Endowment for the Humanities and from Xerox Corp.

The film's many subjects, which has drawn more than 275,000 viewers at the gallery, include the Gothic cathedrals; the age of chivalry, St. Francis of Assisi, the Renaissance and the Reformation, the baroque and rococo, bourgeois democracy in Holland and the Dutch painters, the Enlightenment in Europe and America, romanticism and revolution in the 19th century and modern technology and materialism.

Sister Dennis, dean of students, is in charge of arrangements.

Earl Wild Will Be Featured

DETROIT Two popular-priced programs, one featuring the rock group Metamorphosis and the other starring the popular American pianist Earl Wild, will be presented by the Detroit Symphony Orchestra in Ford Auditorium on Jan. 15 and 16 respectively.

Tickets for both programs are on sale at the auditorium box office, Hudson's and Grinnell's.

The Metamorphosis is an eight-member group known for its innovative fusion-rock style. It will be heard with the symphony in Richard Peaslee's "October Piece" as a highlight of a Symphony Kaleidoscope Concert beginning at 8.

Orchestral works on the same program will be the Bach-Schoenberg Prelude and Fugue in E flat, and the Kiri Birger Blomdahl Symphony No. 3 ("Facets").

Wild will be heard Sunday afternoon at 3:30 in the Krege family concert. He will be featured in the Piano Concerto No. 1 by Xaver Scharwenka.

Women Are A Strong Force In Art World

Women are a strong force in art today, according to Michael P. Church, cultural activities director with the University of Michigan Extension service, who was recently profiled in Impressario magazine.

Because of his continuing work with art groups across the state, Church was dubbed "Michigan's Evangelist of Art" by the Michigan Academy of Science, Arts and Letters. His experience documents the importance of women in a field long dominated by male figures. Church estimates that there are nearly 4,000 serious painters in Michigan, and many more than that who are hobbyists with a real interest in painting, buying art, reading about it, visiting museums and so on.

"MANY ARE WOMEN who are through being chauffeurs for children and who are now trying to do something creative," he states.

"In the old days women made quilts, braided rugs, crocheted or tatted. Today if you were looking them for they try to find their uniqueness in drawing, painting, belonging to writer's clubs.

"There's no point in telling people about individualism and the sacredness of personality, and expecting them to believe it, without ever

giving them a chance to exercise it. Part of women's lib, is exchanging scrub-brushes for paint-brushes."

Art has great potential to enrich retirement years, the U-M authority said.

"If the trend continues to retire people at an early age, those people who have no creative outlets are in for trouble," he insists.

"SMALL TOWN bankers and village postmasters tell me over and over that the minute they open for business, the older, gray-haired citizens walk in to pass the time of day and shoot the breeze. Many are lost souls," Church relates.

"But the guy who has a lapidary in his basement, who paints, draws, does photography, or who plays in an orchestra or sings in a choir - he's really living." Church offers some advice to the average person who would like to get more out of art, or even the everyday surroundings of his life.

"Always look upon things as if you were seeing them for the last time in your life," he said. The average man wears blinders, Church said. "He only uses 30 per cent of his senses. He does not use the full capacity of his vision. There's a reason for this, I think. He puts on blinders for self-preservation. He sees only a

certain spectrum of human events because of the visual clutter around him.

"HE'S HARDENED by the billboards and neons and all that goes with them. He no longer sees the skies, the trees, the leaves, the beautiful patterns of light and shadow. His visit to the museum should be a gentle reminder that all this stuff exists outside the building for him to observe and enjoy."

In art and in everyday life "seeing is an active process," he said. "It takes the same kind of intensity as that applied to a hand of cards when one first picks it up from the table."

"Teachers have an obligation to prepare children for their visit to a museum. Going to a museum is not a matter of seeing something on a wall in a gold frame.

"It is to see how an artist treated things we see every day. If we see how a Dutch artist painted beautiful landscapes and those tremendous clouds, it should alert us to appreciate the clouds we see.

"This, to me, is the whole purpose of a museum. It should not be a storehouse for a bunch of paintings. It should intensify our vision and awareness of the world in which we live. This is the important by-product of all this business called art."

Needlepoint Class Planned For Men

A creative needlepoint class and a gourmet cooking class for men only are included among more than 35 cultural, craft and hobby classes being offered this winter at the Community House, 380 S. Bates.

Enrollments are now being taken by Mrs. Ruth Snyder, director of educational activities at the Community House.

ARTISTICALLY inclined students will be able to take courses in sculpture, silversmithing and casting, watercolor, drawing, oil painting and pottery. Creative outlets can also be satisfied in a course featuring crocheting, knitting, macrame, creative needlepoint, sewing and tailoring, pattern drafting and furcraft.

Classes are also being offered in photography, interior design, cooking, creative writing, personal fulfillment, handwriting analysis, ESP, French, Spanish and Italian. A new course in Hawaiian dancing is available, along

with ballroom dancing, ballet and modern jazz dancing and a slimnastics class.

SPECIAL CLASSES for young people will be offered in ballet and modern jazz dancing, crocheting and painting and guitar. Mothers and tots will have their own classes.

The Community House will offer a series of workshops for the student whose time for classes is limited. Workshops will include dried arrangements, men's wide ties, hairpin lace, plaques of dried materials, Italian hand-drawn embroidery and a guide to home furnishings.

Prison Drama

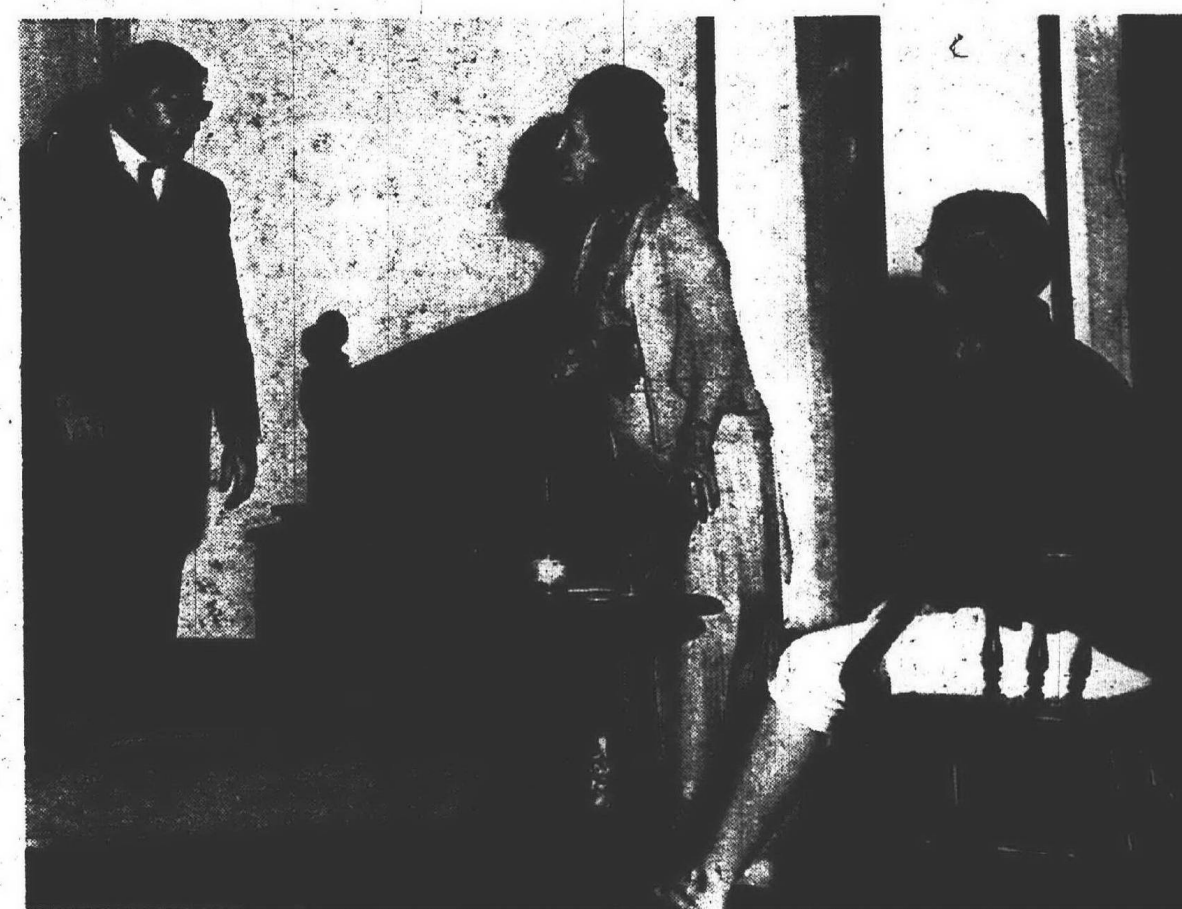

YPSILANTI "The Cage," a dramatic view of prison life, written, produced and acted by former inmates, will be performed Friday, Jan. 21, in Pease Auditorium on the Eastern Michigan University campus. Tickets are on sale at the McKenny Union ticket office.

Madrigal Club Will Hold Auditions Jan. 10

The Madrigal Club of Detroit will hold auditions at 7:30 p.m., Monday, Jan. 10, in the rehearsal room at Covenant Baptist Church, 18700 James Couzens.

All women who like to sing, can read music and enjoy performing good music are invited to try out. Mrs. Neil McCallum, 24197 Twin Valley Court, Farmington, is auditions chairman.

Regular weekly rehearsals will begin Jan. 17 for a spring concert in April. August Maekelbergh directs the choir.

BOB CASEMORE appears with Hope Nahstoll and Zackie Lee (right) in a moving scene from the Farmington Players' production of "The Chalk Garden." Performances are scheduled for three weekends starting Jan. 14, in the Players Barn, 12 Mile between Orchard Lake and Farmington Roads. A limited number of tickets are still available by calling Dale or Eleanor Johnson, 24125 Locust, Farmington. (Ever photo)

GC Band Seeks New Members

GARDEN CITY Garden City's adult concert band is tooting its horn this month to mark its special membership campaign.

The band, now in its second year, has about 50 members from Garden City, Livonia, Plymouth, and as far away as Holly.

Band director Dale Werner said a few musicians are always leaving for one reason or another, and the band wants to get replacements for each section.

The band rehearses every Tuesday at 8 p.m. in Radcliff Junior High School, next to West High School in Garden City. The next rehearsal is next Tuesday, Jan. 11.

Werner said that interested persons may bring their instruments to the next rehearsal.

The only requirement for band members is regular attendance at rehearsals.

"We don't consider our effort a part-time activity," Werner said. "Many community bands and orchestras fall apart because attendance problems crop up. This definitely isn't in our plans," he stressed.

Wayne Singles

DETROIT Wayne Alumni Singles will hold their monthly coffee hour from 4 to 6 p.m., Sunday, Jan. 9, in the Wayne State Alumni House, 441 W. Ferry.

Single graduates from all colleges are invited to attend. The club has a variety of activities each month.
