## Fit For A King

No one loves a nice juicy steak more than The Stroller, and now he has come across something new on the market in the form of laminated steaks. Even though he finds the process of their preparation similar to that of modern bowling pins, The Stroller vouches that they are truly tasty -- and without bone, gristle or fat.

## They Will Ride

Plymouth's school board has given in on the question of bussing students who live close enough to their schools to walk, yet face hazardous routes where there are no sidewalks if they do so. The board's favorable decision will affect 950 students in the third through 12th grades.

## New Adulthood

April 11 will see Plymouth High School holding its first student-organized "Age of Majority Conference." One of the highlights will be the opportunity for all who are qualified to register as voters through the cooperation of city and township clerks.

# School Money Dilemma May Shut Down Central

By KATHY MORAN

Without additional millage, Plymouth School District may face staff cutbacks and have to "mothball" Central school next year.

That is the dismal picture painted in a study of the district's finances just completed by a special committee composed of local residents.

The committee, chaired by Kenneth Merrill, submitted its study to the board of education last week. It was accepted by the board. Because of a long "executive" (closed-door) session, the board left discussion of the report until the April 10 meeting.

The major cost-saving recommendation was to close Central Middle School for one of two years if the district does not seek or is rejected in a bid for additional millage.

Plymouth voters probably will be asked to renew the full five mills that expire in June, though the board hasn't taken action to determine what millage proposal will be on the June 12 ballot.

Currently the district levies 26.30 of the 27.05 mills authorized by the voters. Another 6.25 mills are levied for debt retirement.

THE FINANCIAL study group based its recommendations on the assumption that the school district would levy the additional three-quarters mill and get renewal of five mills.

The need for reducing costs resulted when the committee found that estimated income for next year would be \$322,000 under the estimated total expenditures.

Expenditures were estimated at \$10.75 million, including a five per cent inflation factor, the costs for opening the Plymouth-Canton high school facility and Miller

Elementary School, and an increase in student enrollment of 619 students.

Revenue was estimated at \$10.43 million including \$17,000 increase in SEV for a total of \$450,000, a reduction in state aid of \$35,000 because of increased local effort, and \$240,000 additional income from the levy of the three-quarters mill that isn't levied now.

The report contains a "shopping list" for cost reductions which total an estimated \$455,000.

Closing Central would save the district approximately \$180,000 in operating expenses and eliminate 20 positions, one of which would be a classroom teacher.

WITH THE opening of the Canton and Miller schools, total capacity will temporarily exceed enrollment, and this excess capacity is concentrated in the middle schools, the report states.

If Central remains open, the study estimates that the four middle schools will have total excess capacity of 1,511. With Central closed, the capacity of the three schools will be 2,858 while expected enrollment in those grades is 2,572, leaving an excess capacity of 286.

Cost estimates assume that the gymnasium and swimming pool would still be used.

"We realize that closing of a middle school will result in inconvenience to some students in problems of reassigning or terminating staff members," the report states. "We do have, however, a clear situation of excess capacity which appears unnecessarily expensive in view of the overall financial situation."

In addition, the report recommends several staff reductions for an estimated savings of \$85,000.

AMONG THE recom-

mendations is one to have former Supt. James Rossman "replace someone in a specific position to avoid his salary being fully incremental."

Since Rossman and the board have not reached a settlement on his employment, he continues to collect checks on his \$28,000 salary but is not officially working in the district.

Rossman said he is awaiting a hearing before the state tenure commission before a settlement is reached. He has applied for other positions, he said.

Other recommendations include combining the vocational education and vocational guidance positions; eliminating the safety program (federal funding expires in June); eliminating the construction supervisor because construction is nearing completion; and eliminating two middle school secretaries and four secretaries in the administration.

"We realize that only a portion of these will be practical, but believe that they should all be examined," the report states.

THE COMMITTEE also compared Plymouth with neighboring school districts.

Of eight districts compared, Plymouth was fifth in operating millage levied and second in SEV. Wayne-Westland levies the most operating millage with a rate of 37.9 and \$13,928 SEV per pupil. Livonia and Northville both levy 28.9 for operations with Livonia's SEV per pupil at \$20,015 and Northville's \$23,887.

Trenton levies 26.9 for operations with \$29,678 SEV per pupil; Melvindale 26.4 mills and \$25,664 SEV; Wyandotte 25.4 mills, \$25,121 SEV; and Van Buren 23.9 mills and \$21,675 SEV.

## Township Cuts Costs As Budget Goes Down

By FRED DeLANO

It seems impossible in this day and age, but the Plymouth Township Board appears to have become convinced that the cost of living should go down instead of up.

Tuesday night, when the board adopted the township budget for the 1972-73 fiscal year beginning April 1, general fund appropriations actually totaled \$11,460 less than the estimated total of expenditures for the past 12 months.

The general fund budget was set at \$871,352 compared to 1971-72 expenses of \$882,812.

This was in sharp contrast to the action of one year ago when the operating budget was boosted \$305,000 over the 1970-71 level.

Preliminary meetings with department heads had set the stage for quick and unanimous approval of the document with the necessity of public discussion Tuesday.

ACROSS-THE-BOARD salary raises of approximately four per cent were included in the budget for non-union staff employees, and resulted in these new pay levels for the township executives:

Supervisor Maurice Breen goes from \$15,800 to \$16,450.

Clerk Helen Richardson was raised from \$13,100 to \$13,800.

Treasurer Elizabeth Holmes went from \$13,100 to \$13,650, which marks a radical departure from previous

board policy of paying the treasurer at least as much as the clerk.

Joe Bida, who is in charge of both the DPW and the sewer and water department, was increased to \$13,100 from his previous salary of \$12,600.

Fire Chief James Gignac was given a raise from \$12,600 to \$13,500, and Building Inspector Ralph Alloway got a raise from \$12,200 to \$12,700.

ONE OF the major decreases in departmental

appropriations was that of the fire department.

Although estimated 1971-72 expenditures for fire service amounted to \$280,000, the trustees appropriated only \$254,000 for 1972-73.

In the process, the board killed Gignac's request for funds to hire three additional firemen and a fire inspector for the fast growing township where the population went from 7,857 in 1960 to 17,497 in 1970.

## Public Gets Look At Bird Abodes

Bird houses which have been constructed in the contest sponsored by the Plymouth branch of the Woman's National Farm and Garden Club are being displayed for the public today and Sunday (April 1 and 2) in the Mayflower Hotel.

The houses represent the first event of "Kaleidoscope Plymouth's" craft showings and will be used to help decorate the Arttrain site.

For the weekend they are on display from 1 to 8 p.m. both days in the Miles Standish Room of the hotel.

THE HOUSES will be judged Tuesday, and then the judges will join the club's contest committee at a luncheon given through the courtesy of Ralph Lorenz, hotel proprietor.

Judges include David K. Radcliffe of the Cranbrook Institute of Science; Wilbur T. Bull, board member of the Detroit Audubon Society; Harvey Milford, member of

the National Wild Bird Society, and Curtis S. Adhison of the University of Michigan Center for Adult Education.

Committee members include Mrs. George Schmemman, Mrs. James O'Day, Mrs. E. G. Ott Jr., Mrs. Angelo DiPonio, Mrs. Gerald Hondorp, Mrs. A. E. Van Ornum and Mrs. Ralph Lorenz.

Winners will be notified Tuesday afternoon. Awards will be given in four categories and there also will be a "best in show" grand prize of a \$50 savings bond. The total prize list represents \$225 in cash and bonds.

In addition, 12 copies of the book, "Birds of North America," will be awarded and ribbons of merit will be given to all who have participated.

To the school of the student who wins the highest prize, a fine bird book will be presented in that student's name.

ESSAY WINNERS IN THE ANNUAL DAR contest were honored at a luncheon Monday when they received their certificates. From the left are Roger Holt, Allen School fifth grader; Cynthia Zbikowski, Northville seventh grader, Florence Keith and Mrs. Albert Heindryckx of the DAR; Renee Shilousky, Our Lady of Good Counsel eighth grader, and Teri Brooks, Novi sixth grade winner. TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES REGULAR MEETING MARCH 21, 1972

The meeting was called to order at 8:05 P.M. by Supervisor Breen, with all members present.

READING, CORRECTING AND APPROVAL OF MINUTES

Regular Meeting: February 22, 1972. Mr. Overholt moved that the minutes of the meeting of February 22, 1972, be approved as submitted. Seconded by Mrs. Holmes. The motion carried. Mr. Ash and Mr. Burke abstained from voting inasmuch as they were not present at the aforesaid meeting.

Budget Meetings: February 29, March 7, March 8, March 11 and March 16, 1972. Mr. Ash moved that the minutes of the budget hearing meetings of February 29, March 7, March 8 and March 16, 1972, be approved as submitted. Seconded by Mr. Burke and carried unanimously.

READING, CORRECTING, AND APPROVAL OF BILLS

Following a review of the List of Bills and a few comments, Mr. Ash moved that the List of Bills in the Grand Total amount of \$122,771.37 be approved for payment. Seconded by Mr. Overholt and carried unanimously. Following discussion, Mr. Ash moved that the Board should accept the report of the Flood Plain Study Committee, and its recommendations should be implemented by attempting to establish a meeting with Mr. Radkin on April 4, 1972, at 7:30 P.M. and authorizing the Treasurer, Mrs. Holmes, to prepare the application for a Flood Plain Study, said application to be presented to the Board at its March 28, 1972, meeting. Seconded by Mrs. Richardson and carried unanimously.

RALPH ALLOWAY Re: Authority to advertise for Bids for two (2) new vehicles for the Building Department. Mrs. Holmes moved that the Board authorize the Building Inspector to solicit sealed bids to be opened at the April 11, 1972, meeting for two (2) 1972 passenger cars, with and without a trade-in. Seconded by Mr. Millington and carried unanimously.

Approval of the 1971-1972 Fire Department Contract. Mr. Ash moved that the Board of Trustees approve the 1971-1972 Fire Fighters Contract as specified in draft No. 8, and ratified by Local 1496 of the International Association of Fire Fighters and authorize the signatures of the Supervisor and Clerk affixed thereto. Seconded by Mr. Overholt and carried unanimously.

James Griffith, Secretary - Plymouth Township Planning Commission. Re: Action taken at their March 15, 1972, meeting. Tentative Plat approval of Plymouth - Joy Subdivision (Application No. 177 property located on the west side of Lilley north of Joy Road). Following discussion, Mrs. Holmes moved that the Board approve the preliminary plat, subject to final engineering approval of the recommendations as to potential drainage problems cited in Mr. Hamill's communication of March 21, 1972. Seconded by Mr. Ash. At this time, Mr. Overholt recommended amending the motion to include the continuation of sidewalks on the east side of Hackberry and also sidewalks on Lilley Road. Lilley Road adjoins the proposed subdivision property. There being no objection, the motion was amended accordingly. The question was called and the motion carried unanimously.

Donald C. Morgan Re: Updating of the Zoning Map. Following a short discussion, Mrs. Richardson moved that the Board approve an ordinance to amend the Zoning Ordinance No. 27 of the Township by amending Zoning Maps Nos. 47, 48 and 49 and that same be published accordingly. Seconded by Mr. Ash and carried unanimously.

Donald C. Morgan, Re: Ordinance prohibiting Littering. In the discussion on the proposed ordinance, it was the feeling of the Board that it probably would not effectively control the actual person who deposits the debris, or control the source of the debris and the enforcement would be difficult, but perhaps it would help the problem and in the future might be strengthened. Mrs. Richardson then moved that the Board adopt Ordinance No. XXXVII, as submitted by the Township Attorney, an ordinance to define, control and prohibit the littering of public and private property and waters within the Township of Plymouth. Seconded by Mr. Ash. The following roll call vote was taken: Ayes: Overholt, Burke, Holmes, Ash, Richardson, Breen. Nays: Millington. The motion carried.

Donald C. Morgan, Re: Amendment to Utility Ordinance, to be known as Ordinance No. XXI-J. Mrs. Richardson moved that the Board adopt Ordinance XXI-J, an ordinance to amend the utility ordinance of the Township of Plymouth for the purpose of changing water connection charges and billing and enforcement procedures and of providing for the installation of interior and exterior water meters. Seconded by Mr. Burke and carried unanimously.

Edward C. Johnson, Attorney, Re: Requesting the Township Board to hear and consider the petitions (Rowland rezoning from AG to R-2-A and Plymouth Hills Mobile Rezoning from AG to R-M) at one time. Mrs. Richardson

Letters To The Editor

Thinks Isbister Well Directed

EDITOR:

For the past two Saturdays I've read accounts written by your newspaper and the "distressed mother" and father themselves as to the atrocities going on at Isbister school. To be perfectly blunt it nauseates me!

My child attends Isbister and I was one who refused to sign the petition (which I noticed you didn't reveal in its entire stupidity) when pressured by Mrs. McGarry. I have also had the experience of observing Isbister school unannounced on numerous occasions. Most of my visits other than as a parent were conducted for a research project for Dr. T. Cohn, University of Michigan. Included in the study were schools of all kinds, store front, free schools, Urban Schools, and various suburban schools -- all observed periodically first hand.

It was generally agreed that Isbister had the most to offer children in the way of education, imagination and responsibility development. The faculty and its principal, Beverly Marshall, were of the finest ability to be found in this area.

As a parent, I would not let my child attend a school if I felt she was in any physical danger. Despite the fact that the school is overcrowded because Miller school has not been completed yet, she has been treated as an individual with her own special set of problems and abilities.

I personally have nothing but the greatest respect for the school and its entire staff -- and as to the incidents heretofore mentioned I suggest you as a paper should brush up on just what good reporting constitutes and get your facts straight. Perhaps, you can find a few minor exaggerations if not more.

Hoben Replies On Test Issue

EDITOR:

I am responding to a letter to the editor dated March 22, written by Mrs. Jacqueline Halevan. I would like to report that her statement that the socio-economic conclusions

were arrived at from questionnaires confined in last year's state evaluation tests is not a true statement.

The only reported scores from the state evaluation tests was a student's estimate of socio-economic status within its district and no quantitative measure was given by district or by school.

The rationale that was used was purely a subjective one by the administrators of this district and was only one of four parts in the determination of the eventual boundaries. We considered socio-economic status, the academic achievement levels (parenthetically which were taken from state assessment results over a two-year period), contiguous boundaries and in light of teacher adjustments for anticipated third high school enrollments in the school year 1975 or 1976.

I would hope that this would clarify the statement that Mrs. Halevan has alluded to in her letter to the editor.

Towing Cables Must Be Seen

EDITOR:

Having read the article on the accidents involving the tow truck cable, I thought I'd speak up.

I almost had the same thing happen to me in January out by the airport on Joy Rd. It was at night and the tow truck had no identifying light. A Wayne County sheriff's deputy was standing there waving a flashlight, but it looked as though he was waving me by.

I proceeded to go around him and just saw the cable before I hit it. I received a lecture from the officer and moved on. I didn't think of it again until I read about the recent accidents.

Something should be done about this problem. The trucks should have a flashing light and the cable should be able to be seen by painting it with a light reflecting color that would be easy to see at night. Maybe there's another solution, but something must be done before somebody gets killed.

New Library Book

"THE OCCULT Conceit," by Owen Rachleff. Here is a book to topple ouija boards and shatter crystal balls. It is an investigation into every occult fad, fashion, craze, and cult; an investigation of the counterfeited culture of the occult, uncovering a world in which intelligent people permit their lives to be governed by horoscopes, seances, rituals, etc. Rachleff believes that delusion is the

name of the occult game, that it derives from a mélange of Old Wives' tales, misconceptions, and advertising stunts, that it is fed by a need to escape reason and reality and is used by many to bilk and defraud a public hooked on the celebration of the supernatural. "The Occult Conceit" will reward both the believer and the skeptic with its fresh outlook and bold approach to many of our fondest fancies and fallacies.

Board, PEA Begin Talks

Negotiations between bargaining teams representing the Board of Education and Plymouth Education Association got under way this week, aiming toward the 1972-73 master agreement for all teachers.

A joint statement from the two bargaining teams said "every effort will be made to consummate negotiations before the end of the school year."

Both teams will exchange complete packages of a proposed future contract by May 1, said the announcement.

Chief negotiator for the PEA is Ray Homer, and others on that team are Bill Heath, John Ryder and Dolly Carter. The board is represented by Norman Kee as chief negotiator, aided by Earl Gibson, with John Hoben and Melvin Blunk serving in an advisory capacity.

The Stroller

Steak Now Laminated

By W.W. EDGAR

Fasten your seat belts! Hold tight to the arm rests! Sit erect in your chair! You're due for a surprise -- especially if you are a lover of good, juicy, tender steak.

No longer will you have to contend with a large bone, portions of gristle or an outer rim of fat.

MORE THAN that, you'll find that all steaks are the same size, same shape and absolutely devoid of bone and gristle and they contain just enough fat to keep them juicy.

The Stroller came upon them in a most unusual way.

"So, you're the fellow who complained about the use of cardboard to hide the bone, gristle and fat in the displaying of meats in the super-markets," a friend said. Then he added, "Try this one."

It looked just dandy. In fact it made a fellow's mouth water. It was a nice rectangular shaped bit of meat in a cellophane wrapper. It was about an inch thick and no sight of bone or gristle.

"WHAT IS IT?" The Stroller asked, always being on the lookout for some sort of trickery.

"It's a laminated steak," he answered with a sly grin, "and I'm sure you'll like it. It's the latest thing."

"Laminated steak?" The Stroller repeated.

It couldn't be, for the last time he heard of lamination was years ago when he appeared before the American Bowling Congress convention to make an appeal for approval of laminated pins.

At that time there was a scarcity of solid hard maple on the market, and the ABC rules demanded bowling pins be made of a single block of hard maple.

"You'll find these laminated pins have strips of hard maple placed on top of each other in reverse order, and the adhesion is the highest type approved by specialists. You'll find them durable. They'll be tougher. They will be able to stand the wear and tear, etc., etc., it was claimed.

It must have been a good argument, for the ABC rule was changed for the first time in 55 years and the laminated pins are now used almost exclusively in our bowling establishments.

These thoughts came back with the sight of a laminated steak.

But, sure enough, that's what it was.

SEEMS THERE'S a fellow up in Williamston -- just a bit this side of Lansing -- who has conceived the idea of the laminated steak to beat the high market price and to eliminate the gristle and bone.

His process is quite simple. He takes the tenderloins from the steer and freezes the rest of the carcass when it's dressed after butchering.

He then removes the bones and gristle. That done, he "shaves" the remainder into nice slices of varied thicknesses. These slices he places on top of each other and presses -- or laminates -- them.

They are then cut to proper size and thickness and packaged for market.

No longer do you have round steak, club steak, porterhouse or other specialties.

It's just plain laminated steak. And The Stroller can vouch for its tastiness.

WHILE TASTING it, The Stroller couldn't help recalling that Dick Kimbrough, a former resident of Plymouth, once complained that sweet potatoes were difficult to handle because of their varied odd shapes. So, he took the ingredients out of the sweet potato skin, ground them and packed them in a special casing -- just like sausage.

Now, in our larger dining palaces, you'll notice that sweet potatoes are all the same size. Our former resident, now in Arkansas, recently had to enlarge his plant -- the demand was so great.

So, don't be too shocked by the announcement of laminated steak.

The only thing to do is ask -- "What next?"

NOTICE OF PUBLIC HEARING ON A PROPOSED AMENDMENT TO THE PLYMOUTH TOWNSHIP ZONING ORDINANCE WAYNE COUNTY, MICHIGAN

TO THE PLYMOUTH TOWNSHIP ZONING ORDINANCE

NOTICE IS HEREBY GIVEN that a Public Hearing on a Proposed Amendment to the Text of the Zoning Ordinance for the Township of Plymouth, will be held on April 5, 1972 at 8:00 P.M. Eastern Standard Time at the Plymouth Township Hall, located at 42350 Ann Arbor Road. The Planning Commission has received a petition to rezone the following described property from an AG Agricultural District, to a R-M Mobile Homes District:

A parcel of land described as the West 1/2 of the Southeast 1/4 of Section 19, Town 1 South, Range 8 East, Township of Plymouth, County of Wayne, Michigan containing 78 acres. Said parcel is located in Section 19, Northeast of the end of Gotschalk Road, West of Plymouth Hills and Oak Haven Trailer Court.

CURIOSITY OF PASSERSBY at the C&O crossing on Starkweather has been stirred by this work which is part of the preparation of the Ar-train site. The 20-ton sewer collar, yet to be painted, will be used as an entrance arch between telephone poles which have been placed in such a way to give the illusion of looking through trees. Plantings of shrubs and trees also will be made before the Artrain visit, which will run April 19 through May 6. The total plan of site design is the work of Jim Anulewicz of Norman Dietrich Associates, local landscape architecture, planning and engineering consultants. (Observer photo by Bob Woodring)

## Registration Opened To Seniors At PHS

PLYMOUTH Voter registration facilities will be provided for qualified students at Plymouth High School April 11 as one of the highlights of the first annual "Age of Majority Conference" for members of the senior class.

A student committee which had Ray Homer as faculty advisor has planned a day-long program for the nearly 700 seniors to discuss newly acquired rights and responsibilities given those 18 and older under the state's "age of majority" act.

Topics will include such matters as "You and the Law," "Legal Proceedings," "Courts and Procedures," "Contractual Agreements," "Medical Treatment," "Draft Counseling," "Economics Education," "Social Services," "College and Academic Information," and "Occupational Implications."

Discussion groups will be led by experts in their respective fields. Meanwhile, representatives of the League of Women Voters will work with representatives of the various governmental clerks' offices on voter registration.

GOV. WILLIAM MILLIKEN and Secretary of State Richard Austin have designated the week of April 10 through April 14 as "In-School Voter Registration Week" throughout Michigan.

Michigan State wrestlers topped Oklahoma State (20-15) and Oklahoma (24-12) in dual meets in 1972, first time a Big Ten team ever has beaten the two Big Eight powers in the same season.

## Safety Bussing Gets Board OK

PLYMOUTH Bussing of a different sort than is making national news was acted on by the Plymouth Board of Education.

The board last week reversed its previous stand and voted to bus those children to school who would have to cross hazardous routes if they walked.

The move affects 950 students in the third through 12th grades and will cost the district approximately \$32,250.

THE ACTION was based on an extensive study conducted by the school safety committee composed of both parents and school administrators. It was organized when the board passed a motion refusing to bus children in the 1972-73 school year who live within a 1½ mile radius of their school.

That action was prompted by the cost to the school district since it is not reimbursed by the state for transporting those children.

The board hoped to pressure parents into confronting township officials and requesting sidewalks for the children who live close to school.

Canton Township officials put in a gravel walkway for Gallimore school children, but Plymouth Township officials have said they can't put in sidewalks unless taxpayers vote additional millage or special assessments are made.

TRUSTEE George Lawton pointed out that, in effect, city dwellers who have paid for their sidewalks are being assessed to pay for transportation for township children when the township doesn't provide sidewalks in dangerous areas.

"My concern is whether the school district is willing to accept the responsibility of the township for providing safe transportation for children of Plymouth Township residents to school," he said.

"I hope Plymouth Township residents, come (millage) election time, remember our expense and why we had to do

this and think twice before they vote 'no'," he added.

In listing the areas where children are currently bussed from and will continue to be bussed from, Asst. Supt. Earl Gibson repeatedly mentioned the lack of sidewalks, high speed of cars on the roads, and the narrowness of shoulders along the roads.

IN SOME CASES, children being bussed can be picked up as the bus returns to the school, with no major changes in routes.

But Gibson said the transportation of all 950 students means the district needs four new busses at a total cost of \$36,000.

In addition, the school district needs five replacement busses and three vans.

During the meeting, the board approved immediate purchase of the five replacement busses, at a cost of \$45,000, and one van with a hydraulic platform for students in wheelchairs, at a cost of \$3,500.

### Fencing OK'd For Rec. Area

Reappointment for the 1972-73 fiscal year of its attorney, engineering firm, auditing service and planning consultant has been approved unanimously by the Plymouth Township Board.

Continuing in these capacities will be Donald Morgan as township attorney, Brender - Hamill and Associates as engineers, the firm of Post, Smythe, Lutz and Ziel as auditors and Norman Dietrich as planning consultant.

### Still Winning

Former Michigan State and professional boxing star Chuck Davey now excels in another sport. Davey, now 46 and a Detroit insurance company executive, won a special master's mile run in 5:02.8 at the 1972 Michigan State Relays.

CHECKS FROM \$100 to \$250 showered upon Youth Inc.'s director, Dale Yagiela, this week as the organization began a fund-raising drive to support the teen center at 271 S. Main. Surrounding Yagiela with donations are (from the left) Verne Steele, presenting Cadillac Drapery, \$100; Lorraine Hendrickson, of Gould's Cleaners, \$100; Florence Nelson, of Plymouth Insurance Agency, \$100, and Rev. Robert Shank, representing the vestry of St. John Episcopal Church, \$250. The fifth check, held by Yagiela, was for \$100 from Herman Halprin, owner of the Box Bar. (Observer photo by Bob Woodring)

## JC's Plan Programs On Safety

PLYMOUTH

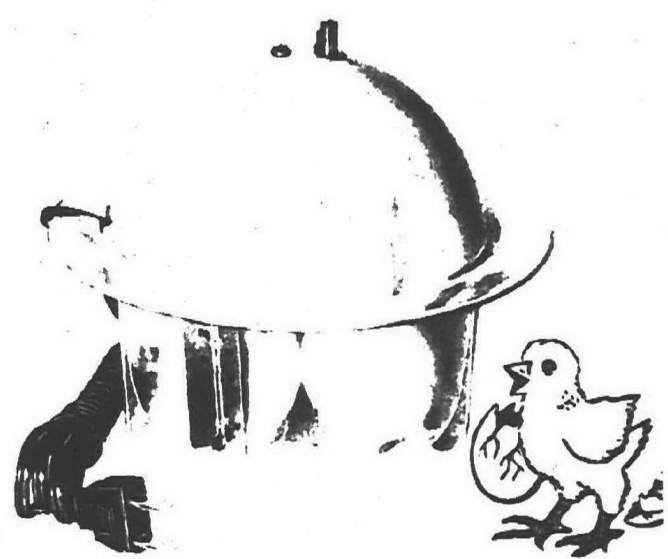

Mayor James B. McKeon has proclaimed the week opening Sunday, April 2 as "Plymouth Jaycee Health and Safety Week" during which a variety of programs will be offered to improve community understanding of these topics.

An accident information display will be maintained throughout the week at Church Main, in addition to which there will be these special events:

The Plymouth Fire Department will present a program on "general safety and first aid from 7:30 to 9:30 p.m. Tuesday, April 4 in the Central Junior High School auditorium.

On Wednesday, April 5, the Power Squadron will offer a boat and water safety program from 7 to 10 p.m., also in the Central auditorium.

SANTA CARUSO was retained as president in the runoff election by Burroughs UAW Local 1313, Caruso defeating Rolf Dietrich, 905-556. Caruso was the only incumbent officer reelected by the local.

THE KITE FLYING contest which the city parks and recreation department had hoped to hold for youngsters either Wednesday or Thursday now has been rescheduled for Monday, April 10. It will take place after school, weather permitting, at the Little League diamonds on Plymouth Rd.

Recreation Director Stanley Stenek said this weekend's Easter egg hunt is expected to go on as scheduled, although he said he had lost all confidence in the weatherman's cooperation.

ALSO SCHEDULED for today (Saturday) is the arrival in downtown Plymouth of the Easter bunny - by helicopter.

This is being sponsored by the Apostolic Church of Jesus Christ at approximately noon, and the bunny will have candy to be passed out among the children. This will be followed by a puppet show in Kellogg Park.

PLYMOUTH YMCA Indian Guides held their annual swimming meet recently, with the Shoshone tribe capturing the championship with 47 points. Members of six other tribes participated, and the Blackfeet were a distant second with 11 points.

Individual first places were taken by Eric, Jeff and Doug Kleinsmith, all of Shoshone, and Bill Fairfull of the Blackfeet. The Shoshones also won both the boys' and dads' relays.

TOPOGRAPHIC MAPS put

out by the U. S. Department of the Interior Geological Survey now may be obtained through Dunning-Hough Library for almost all of the state of Michigan.

An "Index to Topographic Maps of Michigan" is kept at the library to be used in locating the area desired. Requests then are forwarded to the Department of the Interior which makes the maps available.

VALDAR. McCLAIN, a 1971 Plymouth High School graduate and now an honor student at the University of Michigan, has been elected to the student government council at the university.

Miss McClain, who is majoring in advertising, was one of 16 candidates for five vacant seats on the council and received the second largest total of votes cast.

THOMAS G. LEE, media director at Plymouth High School, recently made a multimedia presentation on microforms at "Update '72," an annual workshop on continuing library education held at Washington, D.C.

Lee presented an examination of the use of microphotography during the Franco-Prussian War of 1870, followed by a discussion of the educational uses of microphotography in secondary and elementary schools.

### Twp. Retains 4 Appointees

The Plymouth Township Board has approved fencing the north, east and south sides of the 63 - acre township recreation park at Ann Arbor Trail and McClumpha Rd. The area adjoins the Hilltop golf course property on its west side which will be left open.

Purchase of 3,488 feet of galvanized steel fencing at a cost of \$12,605 from U.S. Steel Co. for this project has been authorized by the board. The work will be done this spring.

Highway safety will be the topic from 7 to 10 p.m. Thursday, April 6. This program also will be at Central and will be under the direction of Lawton Smith, safety director of the school system.

The program for Friday, April 7 will center on drug education, directed by James Doyle of the school system. This, too, will run from 7 to 10 p.m. in the Central auditorium.

Saturday, April 8 will be known as police and fire day, and both the city police and fire departments in City Hall will be open to visitors for tours and discussions from 9 a.m. to 5 p.m. Coffee and doughnuts will be served by the Jaycettes, and children under 12 will be given souvenir hats.

# Churches Greet Resurrection

Special services across Observerland will greet the Resurrection of Christ on Easter Sunday, April 2.

Nearly every church in the area will hold multiple services to accommodate the large number of worshippers who traditionally attend Easter rites.

**FIVE ARE SCHEDULED** in Ward United Presbyterian Church Livonia.

There will be an Easter Eve service at 8 p.m. Saturday, with Dr. Bartlett L. Hess preaching on "The Dawn of the World's Hope" and an anthem, "As It Began to Dawn," by the cathedral choir.

Easter morning at Ward will begin with a 7 a.m. sunrise service sponsored by the church's young people. The Rev. Franklin Williams will preach on the theme "The Woman who Almost Missed the Resurrection."

In services at 9, 10:15 and 11:30 a.m., Dr. Hess will preach and the cathedral choir, directed by Max Davey, will sing "Christ is Risen." There also will be a special

offertory number by Mark Huibregtse, "The Trumpet Will Sound," from "The Messiah," with accompaniment on the trumpet by Franseco DiBlasi.

**SUNRISE SERVICES** are planned in many churches.

Early-risers in the Newburg United Methodist congregation of Livonia will gather at Newburg Lake off Hines Drive at Sumac Drive 6:30 a.m. for the church's second annual Easter service in the park.

That church also will have Easter breakfast buffets at 7:15 and 8:45 a.m., designed to precede the 9:15 and 11 a.m. services.

The choir will sing Dubois' "Seven Last Words of Christ" and the Rev. William Ritter will preach on "Be Afraid of Nothing" at both hours.

Sunrise services, in many cases planned and conducted by youth groups, will be the rule in a large number of churches in the area. Easter breakfasts also will be held in some.

Among those planning to start Easter early with

sunrise services, breakfasts or both, are St. Paul Presbyterian of Livonia, Evangelical Covenant, Mt. Hope Congregational of Livonia, Nardin Park United Methodist of Farmington, Clarenceville United Methodist of Livonia and Aldersgate United Methodist of Redford Township.

Others are First United Methodist of Garden City and St. Matthew United Methodist of Livonia, First Baptist of Farmington, the Plymouth Church of the Nazarene, First United Methodist of Farmington, First Baptist of Plymouth, Peace Evangelical Lutheran of Livonia, Grand River Baptist of Livonia, Augsburg Lutheran of Redford Township, Lutheran Church of the Risen Christ of Plymouth and Nativity United Church of Christ of Livonia.

Still others are Timothy Lutheran of Livonia, Holy Cross Lutheran of Livonia, St. John Lutheran of Redford Township, Good Shepherd and Grace Lutheran of Redford Township and Peace Lutheran of Farmington. The Lutheran Church of the Incarnation in

Farmington will serve breakfast at 10 a.m.

**INSTEAD** of an early service, the youth of Garden City Presbyterian Church will hold a contemporary rock folk service with an Easter theme at 1 p.m.

Episcopal churches in the area, St. Andrew of Livonia, St. John of Plymouth and the Church of the Holy Spirit of Westland have Eucharist services scheduled on Easter. Communion will be

served in most Lutheran churches.

A tenebrae candlelight service is scheduled in Evangelical Covenant at 7 p.m., and First Baptist of Farmington will have an evening gospel hour at 7 p.m.

Several churches, including Ward United Presbyterian, the Plymouth Church of the Nazarene and First Baptist of Plymouth, will show films in the evening to round out Easter.

## Orthodox Easter Begins April 6

Orthodox Christians throughout the world will celebrate the Resurrection of Jesus Christ on Sunday, April 9, in adherence to a decision of the holy fathers at an ecumenical council held in Nicea in 325 A.D.

The Holy Resurrection Orthodox Church, which is the newest Orthodox Mission in the Detroit area, will hold three services during Holy Week which starts with Holy Thursday, April 6. The church presently holds services in the chapel of North Congregational Church, 26275 Northwestern Highway, Southfield.

The Holy Thursday service will begin at 7 p.m. when the reading of the 12 passion gospels take place.

On Good Friday, April 7, a matins service will begin at 7 p.m. The solemn service of the lamentations will include the procession of the winding sheet around the chapel in memory of Christ's descent into hades.

On Holy Saturday, April 8, the congregation will assemble at 11 p.m. for the resurrection matins, followed by the celebration of the resurrection divine liturgy.

After the liturgy, Easter baskets are blessed and the congregation joins for their early Easter breakfast which is set for 1 a.m. Sunday. Hundreds of boiled eggs are prepared by members of the Altar Guild for gift giving.

ALL OF THE services to be given during Holy Week have

## 'Stubborn Spirit' To Be U-U Workshop Theme

"Have You a Stubborn Spirit?" will be the question asked in the Greater Detroit Unitarian Universalist Organization's all-day workshop on Saturday, April 1. The event will be held in the First Unitarian Universalist Church, 4605 Cass at Forest, Detroit.

The day will get under way with an 11 a.m. brunch in McCollister Hall (connected to the church).

**THE REV. CHRISTOPHER** Raible of Boston will be the keynote speaker. Following his talk, entitled "The Stubborn Spirit," workshops will be held on "Communication." Rev. Raible will stress the need of learning to communicate, to understand and to work with one's fellow men.

This theme will also be discussed briefly by Joe Samples of Detroit, a

member of First Church and chairman of a national committee, and James Barnhart of Terre Haute, Ind., a national board member.

Rev. Raible is director of communications of the Unitarian Universalist Association.

Four workshops will be held at 1:45 p.m. and repeated at 3:15 p.m.

**WORKSHOP LEADERS** will be area ministers, the Rev. Dr. Harry Meserve, minister of Grosse Pointe Unitarian Universalist Church; the Rev. Robert Marshall, minister of Birmingham Unitarian Church; the Rev. Richard Neff, minister of the Farmington Unitarian Universalist Church; and the Rev. Al Ziegler of Kent, Ohio, interdistrict representative for Michigan and the Ohio Valley.

## League Plans Sale April 8

The Women's League of St. Paul's Lutheran Church, Eight Mile and Middle Belt, Farmington, will hold a rummage sale Saturday, April 8 from 9 a.m. until 3 p.m.

The youth group of the church is planning a newspaper drive Friday, Saturday and Sunday, April 14-16. A truck will be in the church parking lot from late Friday afternoon through Sunday evening.

Pick-up service may be arranged for large amounts by calling the church.

## 'Christianity And Culture' Course Set In Farmington

University Hills Church of Farmington, working in cooperation with John Wesley College, will offer a course in Christianity and Western Culture beginning April 6 and continuing through June 29.

The course will involve showing of the "Civilisation" film series, with discussion and coffee hour following each film. Dr. Harold Ellens, pastor of University Hills church, will lead the discussions.

Each Wednesday evening film will begin at 8 p.m. in the church located at Farmington Road and I-696. The public is invited and there is no charge.

The dates and films to be shown will be as follows:

April 6 - "The Frozen World."  
April 13 - "The Great Thaw."  
April 20 - "Romance and Reality."  
May 11 - "Man, the Measure of All."  
May 18 - "The Hero as Artist."  
May 25 - "Grandeur and Obedience."  
June 1 - "Protest and Communication."  
June 8 - "The Light of Experience."  
June 15 - "The Pursuit of Happiness."  
June 22 - "The Smile of Reason" and "The Worship of Nature."  
June 29 - "The Facilities of Hope" and "Heroic Materialism."

## 'Youth Culture' Is Topic April 6

"Youth Culture" will be the topic for discussion in the final program of St. Gerald Catholic Church's first Thursday series.

The meeting will be held from 8 to 10:30 p.m., April 6, in the church, 21300 Farmington Road. Cost is \$2 for adults and \$1 for students.

Esther Middlewood, a doctoral candidate who has been chief of the educational section of the Michigan department of mental health, will be the guest speaker. She is connected with many organizations having to do with child study and family relations.

She states that "in our discussion we shall take a look at the long-term growth experience of today's youth (15-30) and try to see how it reflects in their behavior. We will examine the positive and negative aspects of their 'today' living, as well as look to their future. Time allowing, we will try to arrive at a better understanding of their threat to adults."

After a discussion period, a panel consisting of the Rev. Ralph Rideout of the Farmington drug center, and Charles Stern of the Livonia drug center, will answer questions.

## Development Course Set

An "explanation meeting" will be sponsored by the Gabriel Richard Institute Thursday, April 6, at 7:30 p.m., in St. Robert Bellarmine Catholic Church Hall, 27101 W. Chicago, Redford Township.

At the meeting, representatives of the institute will give a description of its self-development course which will begin at the church Thursday, April 13.

THE STONE WILL BE ROLLED AWAY from the entrance to St. Kenneth Catholic Church in Plymouth on Easter Sunday morning to symbolize the Resurrection. Mrs. Mary Ann Hillmeyer, left, and Mrs. Edna Stephenson are members of the parish Liturgical Arts Committee which fashioned the "stone" and a grotto-like appearance for the doorway as a special Holy Week project. The stone was put in place to block the doorway at the close of the church's Good Friday service. (Observer photo by Bob Woodring)

## MSU Chaplain To Address MSU Fellowship

A talk by the Rev. Roger Palms will highlight a program being planned by the Oakland Christian Fellowship the week of April 3-7. All events will take place on the campus of Oakland University, Rochester.

Rev. Palms, chaplain at Michigan State University,

will speak at 1:15 p.m., Wednesday, April 5, in the Gold Room, Oakland Center.

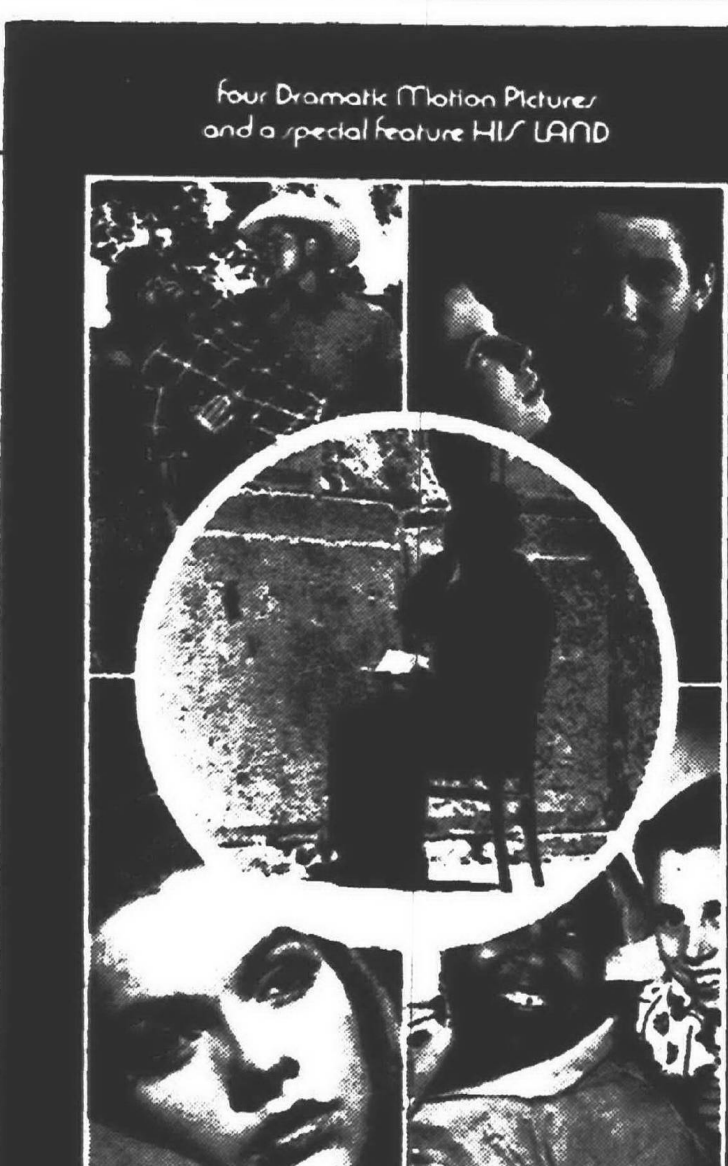

The Earthen Vessel, a Christian rock group, will give a concert Monday at 8 p.m. in Vandenberg Cafeteria, and Tuesday, at 8 p.m. in South Cafeteria, Oakland Center. Thursday night, Bob Holt,

folk singer, and Frank Majesky will speak at 7:30 in Oakland Center.

The week's program will conclude with a Friday afternoon talk by Owen Fraiser, a Chrysler Corp. employee.

All events are open to the public without charge.

## Calvary Concert Is On Easter

The 50-voice senior choir of Calvary Baptist Church of Plymouth, 43067 Joy Road, will be featured in the church's annual Easter concert at 7 p.m., Sunday, April 2.

The choir will present John W. Peterson's well-known cantata, "No Greater Love."

The choir is under the direction of Tom Hovermale, minister of music. Ken Evans, minister of youth, will read the narration.

The soloists will be Peggy Williams, Pat Williams and Gayle Kine, sopranos; and Edgar Cummins, Rick Williams and Kevin Renas, baritones.

York will sing folk music as "Go Tell It on the Mountain," "Were You There?" "Amazing Grace," and "He Was a Friend of Mine" in a program that follows the church year marked by the birth, life and death of Jesus.

The choir is visiting Holy Cross as part of its tour through New York, Canada, Indiana, Ohio and Pennsylvania.

Members of the church will have a chance to get acquainted with the visitors, since they are staying overnight in area homes and the Lutheran Church Women will serve a dinner for them when they arrive.

The Rev. Edward W. Voosen is director of the choir, which originated from the Pinecrest Lutheran Leadership School in New York. A music teacher and professional musician, he has written some of the music the group sings and made special arrangements of other numbers.

The public is invited to hear the concert, the Rev. William C. Lindholm, Holy Cross pastor, said. There is no admission charge, but a free will offering will be received.

FIVE MEMBERS of the North Farmington Baptist Church youth group are shown here in the costumes they wore to act out the rock opera "Jesus Christ-Superstar" to the recorded music. They had their first performance at Easter, 1971, took the show to churches all over the area and put it on for a final time in their church sanctuary on Palm Sunday. At the top, from left, are Curt Holmes, Rick Hearn and Ann Hundley. Below are Sue Kull (left) and Janine Russell.

## ECUMENICAL REFLECTIONS

BY THE REV. JAMES W. SCHAEFER  
Pilgrim United Church of Christ

Some years ago it was believed in some circles that the faith problem for people resulted from ministers stressing the humanity of Christ. The suggestion was that we ought to devote more time to stressing the divinity of Christ. A researcher decided to find the facts.

In talking with church members, he found that most people talked about the divinity of Christ but were fuzzy about Jesus' humanity. In fact, it proved opposite from what was supposed to be true.

Church members seemed more worried and concerned about divinity than about humanity in speaking of the Lord of the Church. Discussions about Jesus Christ tended to worry about his birth and/or about when he became divine.

THE BIBLE is not clear on this matter. The earliest gospel, Mark, seems to assert that Jesus became Christ through God's mighty act in the resurrection. It could also be said that Mark believed that Jesus became the Messiah of God at the time of his baptism by John.

Next Gospels to be written, Matthew and Luke, included birth stories and seem to assert that divinity or Messiahship began at birth. The last Gospel to be written, John, begins with a theological concept of pre-existence — "When all things began, the Word already was. The Word dwelt with God, and what God was, and the Word was. The Word, then, was with God at the beginning ... So the Word became flesh; he came to dwell among us."

This seems to indicate that the longer the time since Jesus, the earlier his divinity or Messiahship was believed to be true.

I TEND to believe that Jesus can be seen only through the insight of the resurrection experience. Easter Celebrates God's approval and certification of Jesus as Messiah. This also suggests that Jesus can be an example and model for our lives because he was man and not "God in disguise."

Many Christians will assert that Jesus was God. For me, this would mean that we should worship and honor Christ, but could not follow his earthly example because he was not human like you and me. I reject that argument. This theological debate has

continued in the church since earliest days. Each of us has to decide what he believes.

In Holy Week as we observe the final events in Jesus' life, I believe it is important to realize that we are remembering human events. Under intense pressure from friends and foes alike, Jesus remained steadfast, firm, unwavering in his obedience to God, accepting the consequences of his faithfulness.

He became the Christ because of his personal integrity and complete obedience. He sweat blood as he faced the final confrontation on Good Friday. He made a last, final plea to his followers at the Last Supper. He suffered the indignity of superficial public acclaim on Palm Sunday.

Finally, for his followers, on Easter morning came the realization of the full meaning, the total commitment, the ageless meaning of Jesus' life, teachings and death.

WE OBSERVE the events of Holy Week more deeply than as just a memorial to Jesus. We seek to comprehend to the core of our being the human capacity seen in his life that permitted the tragic ending of his earthly life.

Rev. Lester Kinsolving's

## Religion Update

### Kinsolving Addresses Conference

The Rev. Lester Kinsolving, the Observer Newspaper's weekly syndicated religion columnist, has been invited to address the annual conference of the Southern Baptist Public Relations Association on April 6, in San Antonio.

Rev. Kinsolving, whose weekly column is now published by more than 200 newspapers in 47 states and overseas, will speak on "The Morals of the Press," before an audience of 150 Southern Baptist public relations officials from 35 states.

The columnist has sometimes written critically of some of the actions of the Southern Baptist Conference, which with its membership of 11.8 million is America's largest Protestant denomination.

"I regard this invitation as an example of commendable cheek-turning," said Kinsolving. "In addition, the Southern Baptists have the best public relations director of all denominations — a delightful man whose name is equally delightful, the Rev. W. C. Fields."

The majority of the world's nearly one billion Christians observed on Friday of this week the most notable case of capital punishment in world history.

A few conservative denominations such as the Lutheran Church — Missouri Synod are still resolved in favor of the death penalty, because it is justified in the Old Testament (along with execution of witches and stoning of adulterers).

Yet a considerable number of the larger denominations have resolved against the death penalty — such as Pope Paul VI, whose abolition of the Vatican City's death penalty law in 1969 was explained by Archbishop Giovanni Benelli as: "The thought of His Holiness on the matter is clearly expressed in this action."

MOST OF THE leading Protestant denominations have also gone on record as opposing capital punishment. Several of them, such as Methodist, Presbyterian, Episcopal, United Church of Christ, Disciples of Christ, Unitarian — Universalist and Quakers, have filed briefs in the current hearings before the U.S. Supreme Court. Similar briefs have been filed by the Synagogue Council of

America, as well as the American Jewish Congress. In 1966, United Press asked: "Do moral pronouncements by churches have any real impact on public opinion?"

The UP column went on to note: "Solid evidence is at hand that religious teaching can help bring about a major change in the attitudes of the American people. About 15 years ago, Protestant denominations began a campaign for abolition of capital punishment, which the public opinion polls showed that more than two-thirds of the people approved."

IN THE EARLY 1950s however, few of these denominations had resolved the issue of the death penalty. The campaign mentioned by UP was waged by just a few dedicated clergy, many of them prison chaplains, who touched the consciences of the denominations, as well as those of a number of state legislatures.

One of these clergy is the Rev. William Gilbert of Ventura, Calif., who recently retired as rector of St. Paul's Episcopal Church.

For five years, while rector of St. Paul's Church in Walla Walla, Washington, he had ministered to condemned men in the nearby Washington State Penitentiary.

Father Gilbert was acutely aware of the ferocious manner in which Washington State demonstrated how much it opposed killing in cold blood (by killing in cold blood). He knew of the large white sheet which hung from the gallows to the floor in the prison's death house — because witnesses had been sprayed with the blood of men whose heads had nearly been torn off when hanged.

Father Gilbert was also aware of the existence of a sort of sled, with arm and leg straps, for use when the victim was either too paralyzed with fright — or was crippled — so that he was unable to stand up on the gallows trap door.

## Darrell Burton Is Bride

Mr. and Mrs. William R. Schmaus are making their home in Ypsilanti following their wedding in St. Mary's Catholic Chapel in Ann Arbor. Mrs. Schmaus is the former Darrell L. Burton, daughter of Mr. and Mrs. Daniel C.

Burton of Northville, formerly of Livonia. Mr. and Mrs. Eino Schmaus of Detroit are the bridegroom's parents. Their marriage vows were heard by the Rev. Charles Irvin, and the bride's father gave her in marriage.

Ronnie L. Burton of Farmington, the bride's sister, wore red velvet and carried red American Beauty roses for her role as maid of honor. The bridesmaids were Mary Anne Dietzel of Flint and Mrs. Carolyn Kliebert of Mt. Clemens.

LAWRENCE SCHMAUS of Detroit was his brother's best man and the guests were seated by Dale Sietoff of Belleville and Michael Winkoski of Detroit. John Spangenberg of Hartland was ring-bearer.

Mrs. Burton chose a mauve brocade gown and Mrs. Schmaus wore a dress of turquoise lutesong.

After a reception for 125 guests in the Crystal House Ann Arbor, the couple went skiing in Vermont for their honeymoon.

The new Mrs. Schmaus is a graduate of Franklin High School and the University of Michigan and teaches in Ann Arbor public schools. Her husband graduated from St. Agatha High School and will get his degree from U-M this spring. He plans to enter dental school in the fall.

NANCY MADDEN

Mr. and Mrs. E. T. Madden of Beverly Hills announce the engagement of their daughter Nancy Leil. to Brian John Maes, son of Mr. and Mrs. Cesar L. Maes of Schulte Street, Farmington. The bride-to-be is a 1969 graduate of Wylie Groves High School, Birmingham, and attended Eastern Michigan University. She is employed at Credit Counseling Centers, Southfield. Her fiancé is employed with the law firm of Miller, Canfield, Paddock and Stone in Detroit. A 1971 graduate of the University of Michigan in political science, he is attending Wayne State University Law School (evening school). A May 26 wedding is planned.

CARLA NELSON

Mr. and Mrs. Jerry Nelson of Whitby Avenue, Livonia, announce the engagement of their daughter, Carla J., to John J. Breitenbach, son of Mr. and Mrs. Ray Schmidt of West Seven Mile, Livonia. The bride-elect is a January, 1972, graduate of Bentley High School. Her fiancé graduated from Stevenson High School in 1969. A June 3 wedding is planned.

LINDA HOLDEN

Mr. and Mrs. William Richards of Centralia Avenue, Redford Township, announce the engagement of her daughter, Linda June Holden, to William Lee Mitchell, son of Mr. and Mrs. Bill Mitchell of Dearborn. The bride-to-be, also the daughter of the late Edward Holden, is a 1966 graduate of Redford Union High School. Her fiancé graduated from Edsel Ford High School in 1964. An April 29 wedding is planned.

## Law Wives Plan Show

The Wayne State University Law Wives will join with the University of Detroit Law Wives to present their annual fashion show on Wednesday, April 12.

The show will begin at 8 p.m., in the Warren Chateau, 6015 Ten Mile, (one-half block east of Mound).

Proceeds from the show, entitled "Anything Goes," will be used to provide scholarships at Wayne State and the U-D Law Schools. Tickets will be on sale at the door.

JOYCE SCHMITZ

Mr. and Mrs. Ernest A. Schmitz of Arcola Avenue, Livonia, announce the engagement of their daughter, Joyce Elaine, to Michael Vincent, son of Mr. and Mrs. Roger Vincent of Detroit. Both are graduates of Denby High School in Detroit. They plan to marry July 1.

## YMCA Is Offering 'Holiday' In Livonia

An eight-week session of "Homemakers' Holiday," sponsored by the YMCA of Western Wayne County, begins with registration Wednesday, April 5, from 10 a.m. to 3 p.m., in Rosedale Presbyterian Church.

The church is located in Livonia at W. Chicago and Hubbard.

Classes begin April 12, and include a variety of handicrafts, exercises and yoga.

Mrs. Marie Kudrieko will teach classes in painting and Gail Wood, a former ballet student, will teach the exercise classes.

Knitting, crocheting and other needlework will be taught by Mrs. Lillian Hickey. Pat Kelly will teach macrame.

Maurine Gianetti is to be the yoga teacher.

A five-week course, entitled "Fashion Begins with You"

will begin May 3. Under the direction of Violet McKenzie, former fashion coordinator, styles and colors for each individual, and coordination of clothes and accessories will be discussed and tried.

All classes not reaching minimum number April 5 will be canceled.

Inquiries may be directed to the YMCA of Western Wayne County, 1034 Monroe, Dearborn.

## Where Are Nearby Trout Streams?

With the ice too soft, local fishermen are looking forward to the trout opener, which is why the state Dept. of Natural Resources has issued a listing of area trout streams.

These streams may be fished only during the trout season, April 29 to Sept. 29. In Oakland County, there are 33 miles of such streams:

Duck Creek -- entire tributary of Kearsley Creek (six miles).

Huron River -- upstream from Pontiac Lake to origin (four miles).

Huron River -- Commerce Lake dam to Upper Proud Lake and Proud Lakes outlet (Moss Lake) to Milford Millpond (six miles).

Kearsley Creek -- Hemstead

Lake to county line (seven miles).

Paint Creek -- Lake Orion dam through Rochester (10 miles).

Macomb County has 38 miles of trout streams: East Pond Creek from East Mill Pond (Eldred Road) downstream (eight miles); and the north branch of the Clinton River upstream from 27 Mile Road (30 miles).

A FOUR-WEEK course in "Conservation of Lakes and Ponds" will begin April 26 at Wayne State University's Southfield extension center on 11 Mile west of Telegraph.

The class will meet Wednesday evenings in Southfield and on Saturday mornings at

various lakes in Oakland County.

Lakeside residents, public employees, teachers and concerned citizens will find the course valuable. Tuition is \$32, and you should call the University Center for Adult Education at 60 Farnsworth, Detroit, to register.

Open to all adults, the course will be taught by two members of the WSU biology department: Dr. Robert Ferguson, a fisheries biologist, and Dr. Doris Brown, an aquatic botanist.

The course will help the non-specialist evaluate the merits of different lake management policies and develop ways of improving our lakes.

I HAVE LONG admired the

maps of the Huron-Clinton Metropolitan Authority. Their Metropark Guide is far and away the best road map of southeastern Michigan, and their canoeing maps of the Huron and Clinton rivers tell you everything you need to know with perfect clarity.

In fact, I've been the DNR in Lansing that it ought to study HCMA's canoe maps, now that the state has slapped canoeing restrictions on the four most popular northern rivers. The state's last canoe guide is a dismal, cheap job and is now out of print. But I digress...

The man responsible for HCMA's maps is Edward Savich, a Dearborn Heights resident, and he is the first person to complete 30 years of service with HCMA. The

board of the five-county authority gave him a resolution for his devotion and expertise, which are certainly considerable.

Savich is in charge of all graphic and art work for the authority -- maps, biennial report, emblems, park signs, nature centers, brochures and the like.

He graduated from Cass Technical High School in Detroit and Neinzinger Art School.

To get the new Metropark Guide or the brochures, write to the HCMA, 600 Woodward, Detroit, 48226, and you'll see what I mean about this man's skill.

TO PROVIDE relative peace and quiet for spring's nesting wildlife and their

young, field dog training again draws a three-month recess, starting April 16, reports the Department of Natural Resources.

Under the protective closure, owners must wait until July 15 to run their dogs afield during daylight hours. They also must hold off until August 15 to put their animals through night-time workouts.

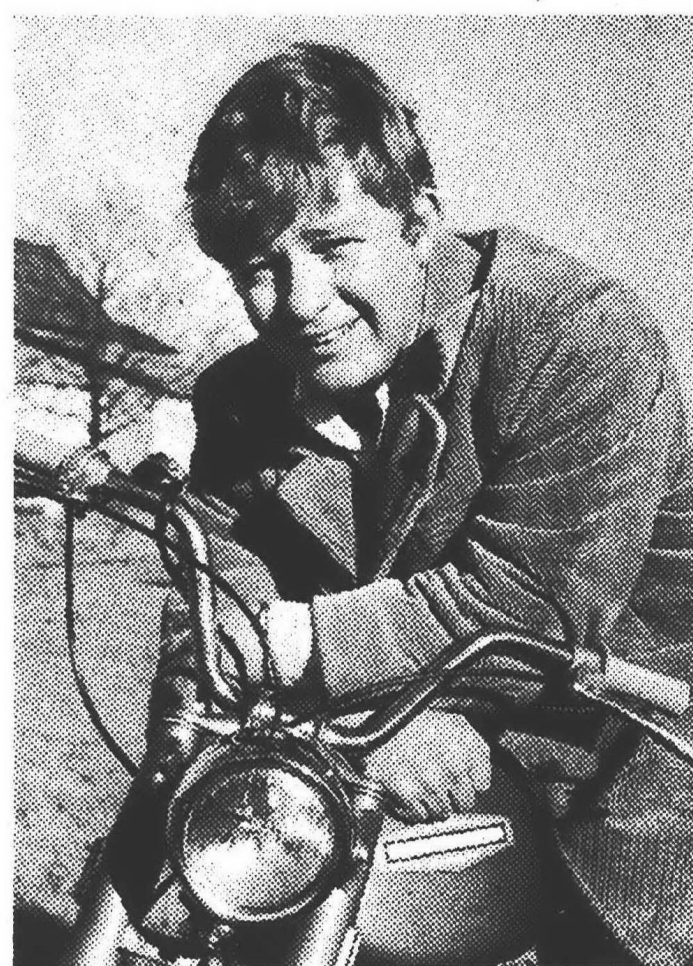

As an exception to the no-training rule, dogs may still be exercised on fox chases both day and night throughout the year.

"CALL AHEAD" is the Department of Natural Resources' advice to recreationists who have plans for outings at state parks and recreation areas in Michigan during the next few weeks.

## Turf Tips, Quips

By Doc Minard

Good Friday was a "dark" day for the runners and the trotters... that has been the order of the Racing Commission ever since the Easter weekend fit in with the racing dates... and the result is just about the finest card of the season at Wolverine Raceway on Saturday (tonight).

Racing Secretary Bill Connors took the best races of what normally would have been the Friday program, combined them with the best on Saturday and came up with a card that brings the finest trotters and pacers to the attention of fans.

In addition, it is the most expensive of the year in Michigan with two preferred handicaps, a pace and trot going for \$5,200 each. In addition there are three paces and one trot with purses of \$3,900 each.

Rounding out the 10 races are four paces with prices of \$2,600, \$2,500, \$1,800 and \$1,600.

THE PURSES are a reflection of the meeting's success thus far along with the additional one per cent granted the tracks by the state legislature in mid-January.

Wolverine Vice President and General Manager Richard Wilson promised then that the additional one per cent would be reflected in the purses and it has.

Saturday's preferred pace brings back Winter Dean, star of the C.M. Saunders stable, in quest of a second straight victory in the weekly feature.

The story is a bit different this time. Winter Dean may find the competition a bit rough to handle. Newcomers added to the field are: Gerry Bookmyer's Dixie Beau Patch, Terry Buter's Just Fritz and Jackie Cobb's Dashing Beauty. Each is capable of taking it all.

The remainder of the cast lists: Knight Desire, Redford Jet, D. Judge, Tricky Dale and Star John.

The field for the preferred handicap trot is just as impressive and is headed by Dearborn Star, winner last week, and Meadow Hempt, fresh from successes at the recent Windsor meeting.

The remainder includes: Roaming Guy, from Windsor; OK's Dock, who won three in a row at Northville Downs; Emily's Speedster, victor in two at Wolverine; Dynamite and C.R. Tag.

Post time is 8:30 p.m. for the first race Saturday and if the weatherman orders any kind of good weather... well the handle may go past \$800,000 for the first time of the year.

RAY FORSYTHE, genial Birmingham financier and sportsman who also is the owner of a powerful stable of

pacers and trotters, has returned from Pompano Park, Fla. and expects to have his horses on hand in another week.

It will be recalled that Ray spent almost \$200,000 at the Tattersalls sale last fall for four of the better yearlings on the auction block.

The white-haired Forsythe is determined to have the best harness racing stable in Michigan and one would have to say that he is well on the way.

Ted Taylor, the lean, tough Ohioan who was ranked among the top drivers in the Detroit area for several years, took over the Forsythe string two years ago and anticipates doing well at Wolverine and Hazel Park.

Star of the string is Local Time, a four-year-old son of Good Time who Taylor expects to get to the races shortly after the horses check into Wolverine. Local Time didn't start in the southland for the simple reason that there is a big year ahead and Taylor didn't want to rush things.

Also due in from the southland is the 15 horse string of industrialist Ed O'Hare with driver-trainer Tom Wantz. Ed has been a regular at Wolverine since opening night but generally flies down to Florida for the weekends to see his horses race.

He indicated earlier in the week that he'll be glad to have them up north again where they seem to perform better.

**RANDOM THOUGHTS:** Word has been received from Pompano Park, Fla. that Frank J. "Pat" Paterson, who retired as assistant paddock judge at Wolverine Raceway and paddock judge at Northville Downs last fall, is recovering from a seizure.

"Big Pat" was very ill for several days but son-in-law Bill Chapp, who assists in the paddock at Wolverine, reports he is well on the way to recovery.

Those who want to drop a note can write: Francis J. Paterson, 3550 N.W. 8th Ave., Apt. 307, Pompano Park, Fla. 33064. We're sure he'll be happy to hear from all of his longtime friends in harness racing.

Bobby Williams, son of the late Jack Williams, Sr. and one of the top drivers in California, flew in to Wolverine earlier in the week, checked over his stall allotments and then returned for driving assignments that same night.

Bobby plans to ship his large public stable in another week or so and will compete in Michigan and Chicago for the summer before going back to California in mid-September.

# Franklin Zips Past Churchill For Opening Track Win, 88-35

By TOM DONOGHUE  
Observer Sports Editor

Franklin held true to pre-season predictions and now has a firm believer in rival Churchill.

The Patriots slipped on their running shoes for the opening dual track meet in Observerland and zipped past Churchill, 88 to 35.

The meet didn't begin on a one-sided note, in fact with a little over half of the events finished, Franklin was boasting a narrow 31-29 lead. But the cold wind caught up with Churchill with the Chargers mustering only six points thereafter while Franklin blitzed for 57 points. "It was fairly close after the field events and up to the

mile," said Franklin Coach Bob Holmes. "But we knew our power would be in the running and it was there."

FRANKLIN captured firsts in all three relays with a 1:33 time in the 880, a 45.7 in the 440 relay, and a 3:34 in the mile.

The Patriot sprinters shut out Churchill in the low hurdles and two mile run, and also captured the first two positions in the 100 yard dash, the 440 and the 220.

"Franklin is going to be a tough team to beat," said Churchill Coach Fred Price. "I was surprised in the way they slammed us in the low hurdles."

"But what really hurt was the way Franklin placed one and two in almost all the running events. It has to be the strongest team in the area and I don't even think Farmington could stay with them," added Price.

"This one sided affair really woke us up," concluded Price.

Churchill's Mike Sapalk opened the meet with a first in the shotput with a distance of 41'1 1/2" for a Charger record. Thus fell the 39'2" mark set by John Cerrantini.

MARK NEWMAN scored a win in the long jump with a distance of 20'1 1/2" with Churchill's Jim Watson second at 19'8 1/2". Watson ran into some hard luck with a foul on a jump that measured 20'5".

But it was Newman's day to shine.

The Franklin all-around trackster was a four time winner. Besides a first in the

long jump, he scored a first in the low hurdles at :21.0 and was on the winning 880 relay and 440 relay.

The Patriots also boasted two triple winners in Joe Jinnett and Ken Yuhasz. Jinnett like Newman, was on the 880 and 440 relay squads and sprinted to a first in the 440 run. Yuhasz won the 100 yard dash in :12.3, the 220 in :23.9 and was anchorman in the 440 relay.

THE FIRST dual meet was quite an all around performance for Newman, Jinnett and Yuhasz. Churchill junior Jim Honke pulled a switch in the high jump. Honke placed fifth in the '71 Observerland standings with Franklin's Guy Burke the individual winner.

The opening '72 story was of a different nature with Honke soaring to a height of 6'0" for first with Burke second.

Franklin's Mike Feister took honors in pole vaulting with a height of 12'0".

Churchill's distance runner Denny Kurtis lost only one dual meet last year and that was in the opening matchup with Franklin's John Dawe.

The story was the same this season with Dawe taking first, with Kurtis a second off the pace.

"I was really surprised that Kurtis got beat," added Coach Price. "We dropped him from the two mile to the mile for more speed as did Franklin with Dawe."

FRANKLIN did lose one event but it was before the meet started ... a coin flip. Churchill and Franklin each

boast the color red and ran into difficulties last season by not being able to tell the runners apart.

This year was different, according to Patriot Coach Holmes.

"We flipped to see who would wear its own jersey and we lost," added Holmes. "So we ended up wearing whatever the kids brought."

"Franklin might not have been the most uniform," concluded Holmes. "But we did stick to our winning ways."

## 'Moment of Truth' Here For Martin

By W. W. EDGAR

When the Tigers usher in the new baseball season next Thursday in Boston, Billy Martin, their fiery leader, will be the man "on the spot."

During the winter he has spent many hours explaining the Tigers' inability to overtake the Baltimore Orioles in the pennant race, on the fact that he lacked pitchers in the early months and that he and the players still didn't quite understand each other.

"I know them better now," he has been saying, "and they know me better. They know what I want and how I go about getting it. And we now have a vast improvement in our pitching staff in comparison with last year."

While he didn't mention it, the Orioles are expected to miss Frank Robinson, whom they traded in the off season.

The "knowing each other better" phase of the prediction is based mostly on the fact that both Martin and Willie Horton, the unpredictable slugger, supposedly have found a way to get along.

IT WAS HORTON who was a thorn in the side of the team a year ago with his periodical "leaves" and finally his injury at the end of the season.

Otherwise the team Martin is sending into the campaign, will be composed for the most part of the same starters who opened 1971.

The outfield of Horton, Mickey Stanley, an older Al Kaline, and Jim Northrup will be intact.

THE INFIELD is much the same, although Norm Cash, who had a great season in '71, is a year older and may not be able to keep up the pace.

Dick McAuliffe, will have some help at second base, in the person of Tony Taylor, and both Ed Brinkman, at third base, and Aurelio Rodriguez at shortstop, have their "newness" worn off. This should aid in producing a solid infield.

As usual Bill Freehan will be behind the plate. But this year he will have one or two aids when the hot days of summer roll around. He won't have to do yeoman work.

And on the mound where most of the trouble was a year ago, there possibly will be a great improvement.

MICKEY LOLICH can't be expected to improve on his 25 victories of a year ago, but he will lead the mound corps. Behind him will be Les Cain and Joe Coleman, a 20-game winner. After that it is anybody's guess. But the young hurlers have shown promise and the fourth starter will come to the surface in the first month of the battle.

That leaves it all up to Martin who bases his optimism on the fact that "I

know them better and they know me better."

He's the man on the spot. And the fans are certain to let him know it as early as the home opener on Tuesday, April 11, should team get away poorly in the first series in Boston.

### Once-A-Week Bowler Hits '300' Mark

Richard Tudhope, a Pontiac insurance salesman who bowls only once a week, achieved the goal of all bowlers in the Senior House League at Merri - Bowl Lanes Wednesday night.

At the highpoint of a 690 series he inserted a perfect game on 12 solid hits.

It was the second perfect game bowled at Merri - Bowl in the past month.

## Rodeo Stars To Perform At State Fair Coliseum

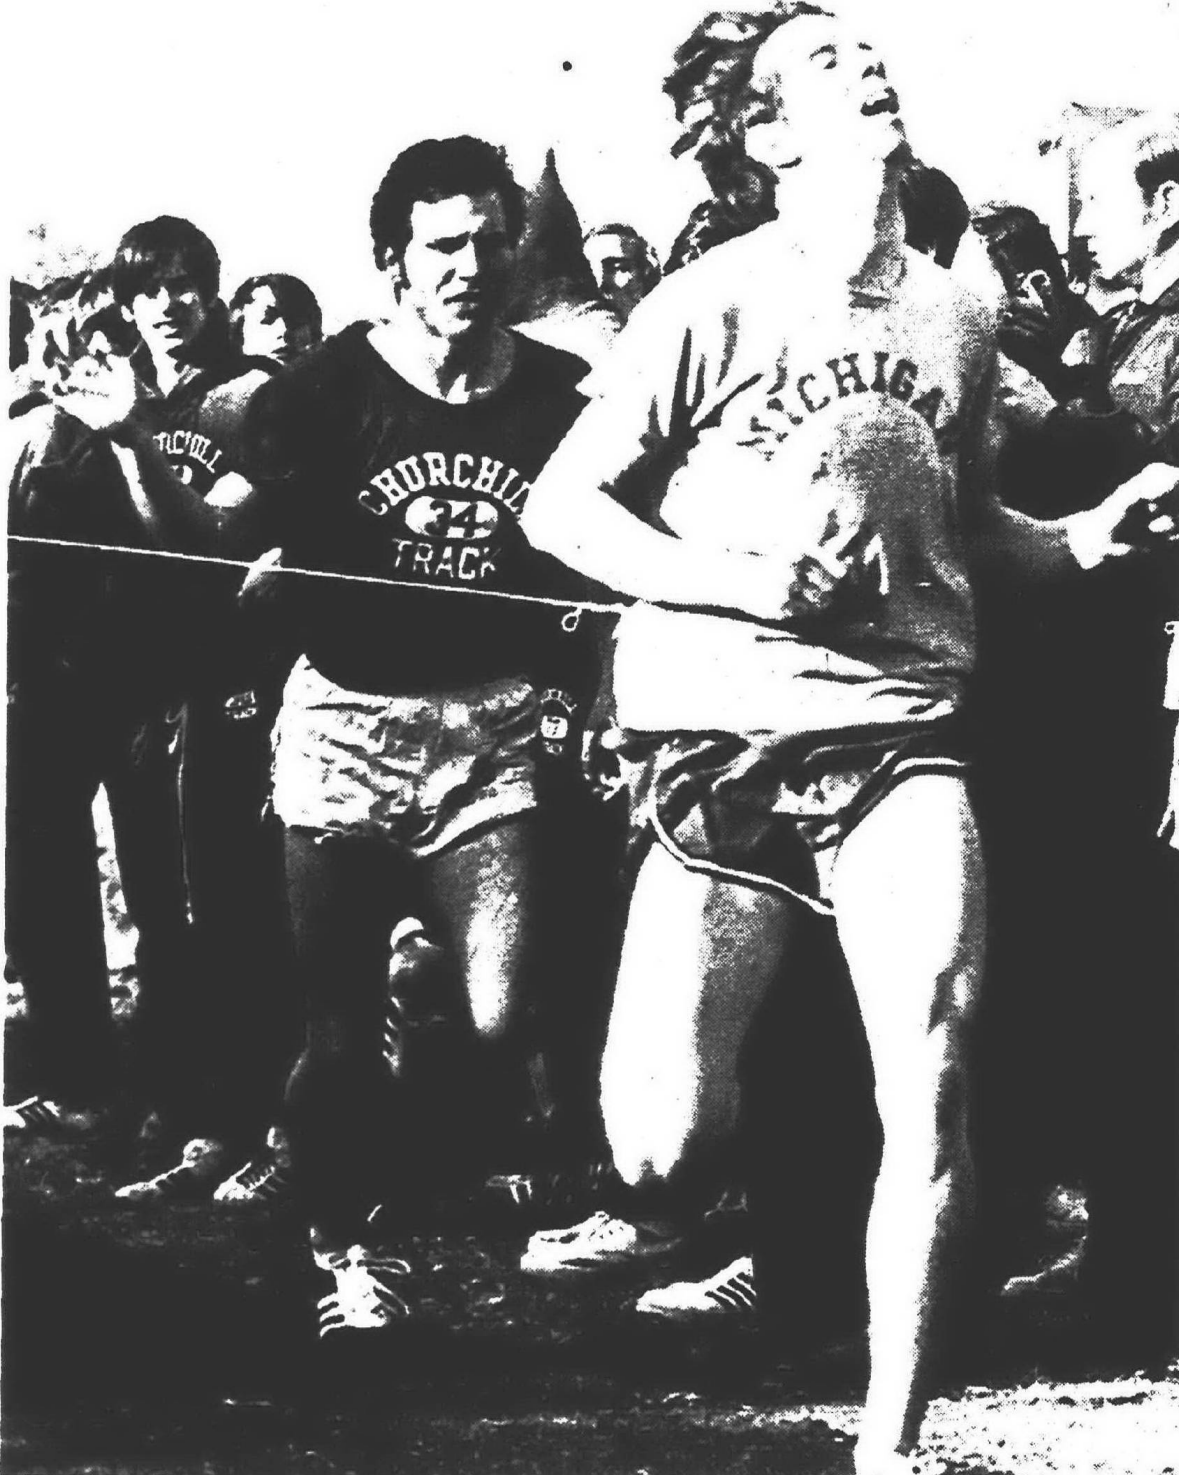

Big time professional rodeo returns to the State Fair Coliseum April 13-16 for its eighth annual longhorn championship rodeo contest. The six performance event has been sanctioned for world championship points by the International Rodeo Association of Pauls Valley,

Okla., and the entry list will read like the "Who's Who" in professional rodeo.

Of the seven currently reigning world champion cowboys and cowgirl, all are expected to be included in the Detroit lineup. More than 200 big league competitors from over 25 states will rope and

ride for over \$14,000 in prize money.

Returning is nationally famous Lecile Harris, rated as the No. 1 bullfighting clown in rodeo competition. Thursday, April 13, is bargain night with all seats priced at \$3.

### 14-Man 'Battle Tops Olympia Wrestling Card

The other main event will pit Billy Red Cloud against Pretty Boy Bobby Heenan in an Indian chain match. It will be a one fall to the finish with both wrestlers handcuffed to a ten foot chain.

The 14-man battle royal will feature 14 of the countries top wrestlers in the ring battling each other. It will be everything goes with the only survivor receiving \$5,000 from

A double main event and a

14-man battle royal will head the championship wrestling card at the Olympia Stadium on Saturday, April 8 at 8:30 p.m.

In the first of the double main event, the World Wrestling Association's heavyweight champion Dick the Bruiser will defend his title against Black Jack Mulligan.

promoter Lincoln Cavalieri and a shot at the WWA's heavyweight championship.

In other bouts: Killer Cortez vs. Prince Pullins; the Graduates vs. Billy Jack Mann and Paul Christie; Jim Alexi vs. Red Deupre; Tom Lynch vs. Gilbert Guerrero; and the team of Donna Lamenke and Princess Jasmine vs. Paula Steele and Mary Jane Mull.

### Ace Goalie

Michigan State swept a two-game hockey series from Minnesota - Duluth in 1972, highlighted by outstanding work of senior goalie Jim Watt who hails from Duluth. He allowed his hometown team just two goals in the two contests.

# IN THE POCKET

By W.W. EDGAR

When the doors to the Detroit Bowling Hall of Fame open this Saturday afternoon at the Detroit Historical Museum, Ann Setlock, star of the Thunderbird Inn team and the capable instructor at Garden Lanes, will achieve one of her life ambitions.

She will be one of four to be honored with places in the hallowed hall. Her likeness, in bronze, will be hung on the wall for posterity.

The other three to be honored will be James Tropea, veteran proprietor of Mt. Elliott Recreation; Bob Strampe, 10-year leader in ABC averages and the late Tom Haley, Detroit's first ABC champion will be honored posthumously.

For Miss Setlock, the induction ceremony will be the highlight of one of her best years in bowling. For years she has been forced to walk in the shadow of others, even though she held the state singles record.

OVER A STRETCH of four years she finished in the runner-up spot in the race for the honor of being named Detroit's bowling queen. She was looked upon as the "bridesmaid of women's bowling."

Then, two years ago the tide turned. First, she posted a 300 game, one of the few ever registered by a woman in metropolitan Detroit. Following that she broke the "jinx" and topped the averages a year ago to earn the right to the Queen's role. But she never was crowned officially.

It so happened the format for choosing the queen was changed. As a result she had all the credentials - but nothing to show for them.

That will end when she is officially placed in the Hall of Fame.

Following the induction the Hall of Fame Committee of the Bowling Proprietors Association the honorees will be feted at the annual banquet at the Statler Hilton.

MENTION OF TOM Haley brings to mind the fact that he won the singles and all events titles in the ABC when it was held in the old Wayne Gardens in downtown Detroit under the most peculiar circumstances. So interested did the spectators become that they flooded out on the approaches and Tom had to wait until they were cleared and order restored before throwing the final ball.

LYLE GIBBS, one of the real oldtimers of bowling who was an official in the Detroit Post Office League for years, is still at it.

He is setting the pace in the Senior Citizens League at Plymouth Bowl with a grand average of 172.

He had to stand by last week, however, to let Frank Schultz win a share of the honors. Frank produced a single game of 289 and a three game total of 637 - both of which are high marks for the league.

PAUL DESHAW, who does most of his bowling at the Ford Service League at Garden Lanes, set the pace for all of Observerland last week.

He linked games of 258, 278 and 225 for 761 and no one even came close to him for scoring honors.

IN THE GARDEN Classic Ted Kress was high man with 695. Others in double century figures included Lou Haydu

669, B. C. Nunnery 661, Hank Raskin 659, Bob Cassar 644 and Dick Preston 641.

ANOTHER WHO BROKE the 700 barrier was Denny Feloni who paced the Westland Classic with games of 217, 279 and 216 for 712.

Behind him, in second place, came Butch Lashbrook with 649 and John Wodarski landed third with 640.

Shirley Gray held up the women's end of high scoring at Westland with a 650 series that included games of 206, 198 and 246.

FOR THE SECOND week in a row Marge Bashor took top honors in the ladies singles at Livonia Lanes.

Aided by a "spot" of 57 pins she rolled a 637 series to set the pace, her big count included a high single of 193-19-212.

Other single game winners were Dot Fulton with 193-36-229 and Doris Mac Corkindale with 193-39-232.

SCOT HORTON was the lone bowler to break into the charmed circle in the Teen Classic at Farmington Lanes. He did it with a 209 in 516.

THE MOST consistent bowling of the week was the handiwork of Jack Eldred in the Bel-Aire Classic.

He opened with a 233, followed with 243 and closed with 222 for 698. At this figure he beat out Art Somerch by three pins. And one pin further back came Dick Brandenburg with another consistent performance in posting a 694.

Among the ladies at Bel-Aire, Mary Ruffenburg paced Our Lady of Sorrows with a 602 and Susan Antalich had a 214 for high single.

# This Could Be The Year For Aggie Baseball Title

This could be the year for baseball at St. Agatha.

Aggie Coach Lou Blackmore sports eight returning lettermen and is highly optimistic on improving his overall 14-5 mark from last season.

St. Agatha placed second in its league with a 9-3 record behind Mt. Carmel at 10-2 in the Second Division West.

Blackmore has coming back a key sparkplug in senior Mark Miron. This will be Miron's fourth year of varsity ball and he is returning with a 5-2 pitching mark. He is the team captain and also performs at shortstop.

Ralph Yackley is also back

for the fourth year at first base. Phil Hickey and Mike Borden round out the returning senior lineup with Hickey earning the title of handyman with experience at first base, outfield and catcher.

Borden is in his second year at second base position.

THE JUNIOR ATTACK is sparked by third year man John Ciako. He is called the "glove man" in the Aggie defense and is the top batter. Ciako hit .383 in his freshman year and blasted .372 last year as a junior.

"Ciako is the key to our producing runs," added Blackmore.

Pat Brown, Bob Kleinfeld, and Tom Nemes join Ciako in the junior countdown from last year with all having two years of varsity experience.

Brown moves from third to first base on defense and is expected to carry a heavy bat in the Aggie march to the title. Kleinfeld is the man behind the plate on defense and is the cleanup hitter. Nemes completes the returning roster with outstanding duties in the outfield.

Other juniors who are expected to hit their way into the St. Agatha lineup are Rich Kayfetz and Bob Parent. Both are infielders with fine speed. The sophomore breakdown

consists of Steve Williams (OF), Marty Thompson (SS), and Larry Thompson (1B). Making their way into the varsity role in the freshman way are hurler Ron Jess and infielder Paul Wlezniah.

THE AGGIES open league play at Mt. Carmel on April 18 and could fast become one of the powerhouses in the Catholic league.

## Fisher

THE FISHER 450-T  
180-Watt-Remote Control Receiver

A truly magnificent unit, with a vast array of features and a huge power reserve. Ideal for the dedicated audiophile, as well as all those to whom the life-like reproduction of a variety of entertainment and educational materials on records, tape and FM is an important part of daily living.

MAGNIFICENT 180 WATT MUSIC SYSTEM INCLUDES:

- The Fisher 450-T 180 watt AM-FM Stereo Receiver
- The Fisher 302X Turntable by PE
- 2 Fisher XP 65K Speaker Systems
- Deluxe Wood Base & Hinged Dust Cover for Turntable
- Picking Magnetic Cartridge

THE FISHER XP-65K  
Free-Piston 3-way Speaker System

The Fisher XP-65K reproduces the entire audio spectrum from an incredibly low 33Hz to beyond the limits of human hearing (20,000 Hz). The XP-65K is capable of such fantastic bass because it has high-efficiency bass driver with a heavy magnet structure and a highly compliant half-roll surround. Crossover takes place at 600 Hz, at which point the sealed, separately enclosed 5-inch mid-range driver smoothly takes over. Crossover from mid-range to treble occurs at 3,000 Hz. The treble speaker is an extremely wide-dispersion cone-type tweeter that provides transparent and brilliant reproduction of the high end of the audio spectrum. The low-mass tweeter cone accounts for the especially good transient response the speaker delivers. A special fibrous dampening material prevents annoying distortion caused by cone resonance.

TWO WHO CAN'T POSSIBLY miss as stars of the ice show are Amy Hillman and Kim Paterson. Amy is five and Kim will be four on June 23. Keep your eyes on them in "Omp-Pah-Pah." They're good candidates for the Winter Olympics some day.

### Severo Ballet Plans April 9 Performance

**DETROIT**  
The Detroit Severo Ballet Company will make its 27th appearance with members of the Detroit Symphony Orchestra at 3:30 p.m., Sunday, April 9.  
The company will appear in Ford Auditorium in the last of this season's Kresge concerts.  
The program will consist of a trio of ballets, including the Detroit premiere of George Balanchine's "Serenade," with music by Tchaikovsky. "Pas de Quatre" by Pugnani and "Huapango," choreographed by Enrique Martinez and composed by Pablo Moncayo, will complete the program.  
Tickets at \$1.50, \$2 and \$2.50 are available at the auditorium box office, Hudson's and Grinnell's.

## OCC To Stage 'Odd Couple'

Neil Simon's comedy, "The Odd Couple," will be presented in J-180 of the Orchard Ridge Campus of Oakland Community College April 6-8 and 13-15. The campus is located in Farmington at 27055 Orchard Lake Road.  
Admission is free for OCC students; \$1 for general public; and 50 cents for students with ID cards from other schools.  
Upon completion of the run of "The Odd Couple" at OCC, the production will be available to tour local schools. Interested persons should call the theater department.

STEVE SCHWARTZ of Southfield will play Oscar

Madison, and Bob Conaway o Troy has been cast as Felix Unger.  
Other roles are being taken by Michael Sochaeki of Southfield; Tom Motovsek and Jeff Spain of Farmington; Mark Segal of Detroit; and Lynn Tobel and Carolyn Hoffman of Novi.  
As a two-year college, OCC is establishing an unusual theater department which provides training in acting, scenic design, lighting, costumes, make-up and directing.

THE STUDENT Theater Guild and the theater courses also provide theatrical opportunities for local community talent under the guidance of the college staff. The department is presently holding open auditions for three one-acts to be presented in May.  
The guild operates in a studio theater in the Commons Building. The studio allows shows to be staged in the round, three-quarter round or proscenium style.

### Robinson Play Is A Winner

Michael Robinson of Farmington has been awarded second place in a play-writing contest sponsored by the University Theater at Western Michigan University, Kalamazoo.

Robinson, a senior, received his award for "The Ritual Room," a play about a rite of violence which brings about a rebirth of innocence and love between a young man and his wife.

The play will be performed at the university next fall along with two other award winners, "The Prometheus Riddle," by Steve Pekich, a graduate student from Grand Haven, and "Recess," by James Tracey, a sophomore from Port Huron.

Three members of the university theater staff were the judges of the 21 scripts entered in the contest.

### Tate To Give U-M Lecture

ANN ARBOR  
Poet Allen Tate will give the annual Hopwood lecture at 8 p.m., Wednesday, April 5, in Rackham Lecture Hall, University of Michigan.  
Creative writing awards in drama, essay, poetry and fiction in the Hopwood competition will also be announced.

Five figure skating instructors (with Livonia's parks and recreation department) will be on the ice almost 12 hours a day all this week as they go into final rehearsals for the show "Broadway on Ice."  
The show will be presented Friday, Saturday and Sunday (April 7, 8 and 9) in the Ford Ice Rink, 33841 Lyndon, Livonia. Tickets are on sale now at the rink as well as at the parks and recreation department offices. They are \$1.25 for adults and 50 cents for anyone under 18.

LAST YEAR'S SHOW, the first, was sold out. This year's promises to be even better. Additional seating has been arranged, but all proud parents, grandparents and so on should get their tickets now to avoid disappointment.

The show will be presented at 7:30 all three evenings and at 2 Saturday and Sunday afternoons.

This year's production boasts a cast of 500 (down 100 from last year). All persons who take figure skating lessons at Livonia's two rinks are eligible to be in it, but one condition this year was that everyone had to be in town over the Easter holidays for rehearsals.

The show has almost as many people working behind the stage, on lighting, scenery and so on.

Instructors Beverly Griffin,

Beverly Swan, Sondra Morrill, Audrey Battenfield and Dawn Lyle chose the theme "Broadway on Ice" early last summer.

MUSIC FROM almost every Broadway musical ever known will be featured, beginning of course with "Another Opening, Another Show," and concluding with "No Business Like Show Business." There will be 22

members in all. Merrill Bultman will be the announcer.

There will be solos by Fred Hartt and Pat Kerwin, Diane (De De) Daniels, Sandy, Debbie and Pam Griffin, Julie Jones, Sherry Johnson and Marie Mazur.

Most of the costumes for the show were ordered from a costume company, but Mrs. Pat Kent sewed the Swiss

outfits needed for the "Goathead" number from "The Sound of Music."

Bill Revell is in charge of lighting, with the help of Jerry Mazur, Larry Smith, John Strauch and Larry Zilch.

The scenery designers and painters are Carol Dufour, Rick Dufour and George Camillari. Props are being arranged by Bob Gamache, Larry Smith and Jim Pat-

erson; sound, by Charles Thauvetti Jr.; staging, Robert Stokes; and the zamboni (ice-making machine) operators, James Laude, Nelson Quелlette, Joe Rose and Paul Sawyer.

Many fathers have been helping put the show together, and the mothers will be assisting in the dressing rooms throughout the performances.

SOLOISTS IN the Livonia ice show, "Broadway on Ice," are (from left) Marie Mazur, Sherry Johnson, and Julie Jones. The blur is

Diane Daniels getting in some last-minute rehearsals with her spins.

### 15 Students Receive Awards

Fifteen music students have received scholarships ranging from \$10 to \$50 from the Farmington Musicale, a member of the National Federation of Music Clubs.

Winners in the 1972 competition, held in Harrison High School are:

Strings, Carolyn Mekjian, first; Mary Colburn, second; and Dirck Bondi, third;  
Piano, Kristy Nielsen, first; Jill Turdgeon, second; and Tim Doot, third; Winds, Ann Osterdale, first; Perry Suxzak, second; and Lee Friedrich, third;

Brass, Debbie Tomchak, first; Tom McKelvey, second; and Robert Gaines, third;  
Voice, Dave Anderson, first; Denise Shenkel, second; and Brenda Sayles, third.

All are from Farmington, except Miss Turdgeon who is from Livonia.

The awards were \$50 for first place, \$35 for second, and \$10 for third. First place winners will perform at the May 7 national music week concert sponsored by the club.

WEEKEND FEATURE SUPPLEMENT/OBSERVER NEWSPAPERS

# FOCUS: Suburbia

April will be a big month for readers of FOCUS: Suburbia! Wondering about that vegetable garden or looking for an interesting landscape idea? Wait until you see what happens when your hometown newspaper focuses on the subject of gardening.

Or have you wondered about all those want ads that appear in each issue of the Observer? We'll take a revealing look at this subject this month when we publish a salute to International Want Ad Week.

One of the most exciting things to hit the suburban cultural front in some time is "ART TRAIN," a four-car train art gallery filled with original works of many famous contemporary artists as well as such greats as Matisse, Renoir, Cezanne and VanGogh. We will focus on this exciting event in our April 15 issue -- just ahead of ART TRAIN'S scheduled arrival in Plymouth.

April is the month of awakening -- flowers, trees and people seem to blossom at once with a vibrance and beauty. We seem to find new energy for such projects as painting, cleaning and improving the environment. We have some interesting ideas

to contribute in our April Home Improvement FOCUS issue. And then, the following weekend, when the weather is even sunnier and the breezes even warmer, we'll let you know

what's new in outdoor furniture, patios and pools. The suburbs are alive, interesting and dynamic.

FOCUS: Suburbia reflects this -- *each weekend!*

## Want To Sew Your Own? Just Pick Your Class

Home sewing in this day of  
readily available ready-mades is a  
phenomenon that just keeps going  
up and up.

Grandmother sewed by ne-  
cessity, but women today do it  
because they want to. And sewing  
long ago passed the fad and  
hobby stage; for a big percentage  
of suburban women it's an impor-  
tant part of their day-to-day lives.

The reasons for I-made-it-  
myself used to be mainly eco-  
nomic. That still enters the picture,  
for fashions sewn at home are low  
in price when compared to com-  
parable quality in ready-mades.

But women who like to sew,  
an ever-growing number, point to  
other advantages. Like wider  
selection, better fit and, above all,  
the simple joy of creating.

Add the great increase in fab-  
ric stores, all complete with pat-  
terns and a constantly-increasing  
variety of sewing notions, and you  
see why women and teens -- and  
now some men -- are getting out  
the scissors and cutting boards  
and starting the machines whir-  
ring.

Observerland residents never  
had so many opportunities to  
learn to sew well.

Varied sewing classes in adult  
education programs throughout  
the area only begins the story of  
instruction available.

Expert seamstresses teach  
sewing in two area YWCA branch-  
es. The Northwest YW, 25940  
Grand River in Redford Township,  
and Western Wayne County  
YWCA, which has headquarters in  
Dearborn and conducts Home-  
maker Holiday classes in Rosedale  
Gardens Presbyterian Church in  
Livonia.

Both include both beginning  
and advanced sewing classes in  
their program.

Or women can go to the Li-  
vonia Family Y, the Farmington  
YMCA or the Farmington Com-  
munity Center for classes at hours  
that fit their schedules.

Classes are also in session  
year round in many of the places  
where sewing machines and  
materials are sold.

The J.L. Hudson Co., in both  
Northland and Westland stores,  
has a schedule beginning April 10  
to cover a great variety of sewing  
skills.

Women can check in Hud-  
son pattern departments for details on  
the small, informal classes with  
trained instructors.

There are six-week courses in  
basic sewing, designed for begin-  
ners, intermediate sewing, which  
stresses underlinings, sleeve and  
color techniques, and fashion  
knits, for experienced seamstress  
interest in learning techniques of

MACHINES WHIR as Observerland women sew a fine seam in  
one of the many classes where expert instruction is available.

## The Beautiful Revolutionaries

They're causing a revolution in the home sewing  
scene, those amazing new knit fabrics.

Introduced a few years ago in the convenient  
60-inch widths, seamstresses immediately took them  
to heart in their vibrant, solid hues with a variety of  
interesting textures.

As the seasons rolled on, more and more knits  
came out in stripes, plaids, all manner of prints. Now  
the women who want the easy-sew, easy-fit, easy-  
care delights of knits also can find just about any  
color, texture and print type she desires.

"Some of our customers," said Mrs. Sherry  
Thomet of Livonia's Stretch and Sew store, where  
every bolt on the shelves is a knit, "are having  
garage sales to get rid of their woven fabric  
clothes so they can convert entirely."

Knits used to present a problem -- the tend-  
ency to "pill" when given hard wear. That seems to  
be mainly overcome in the newer fabrics. And Mrs.  
Thomet said they have another virtue that makes  
them great for children's clothes -- long wearability.

We have a nylon for slacks that just won't  
wear out," she said.

Sewing the knits takes some getting used to  
and maybe even some unlearning. A new way of  
stretching the fabric to give flexibility to the seams  
and hems may be used, or sometimes a zig-zag  
stitch is favored.

Some of the newest machines have stitches  
with built-in stretch, designed just for knits. But  
the fabrics can be handled on all types of ma-  
chines.

Pattern companies have worked out special pat-  
terns to take advantage of the particular properties of  
knits. And women, even using older patterns, are  
finding that the set-in sleeve and collar that used to  
be a problem takes its place in the new fabrics with-  
out fuss.

No doubt about it, the knit revolution is here to  
stay.

SPRING FRESH and designed to make in  
a knit fabric is this princess dress that's Simplic-  
ity pattern 9774. It can be made with short  
puffed sleeves too.

CUT IS EVERYTHING in this  
shapely dress made from Simplicity  
Designer pattern 9912. The stretch  
knits help achieve a smooth fit.

## Two Terry Towels Turn Into A Barbecue Apron

The outdoor barbecue is taking women out of the kitchen faster than instant pudding.

And, while few women like to be chained to a stove even for an instant, most are delighted to spend long hours cooking in the backyard or out on the balcony.

If you're one who does, you'll want to be dressed for the occasion in a colorful barbecue apron that's not only attractive but easy to care for.

**THE SOLUTION:** stitch up an apron from two handsome cotton terry bath towels. In the original no-iron fabric, the towel apron can be popped in washer and dryer and it'll come out fresh and new looking again.

The apron's so easy to put together, you'll want to make several in different colors. Besides the towels, you'll need a yard of cotton bias tape and 5 1/2 yards of cotton ball fringe.

**HERE ARE** simple step-by-step instructions:

1. Cut off solid color borders of the towels and then measure to de-

sired length for the apron. Allow an extra inch for seams and cut.

2. Cut out a 12-inch scoop-neck opening for front and back, and bind neck edges with bias tape.

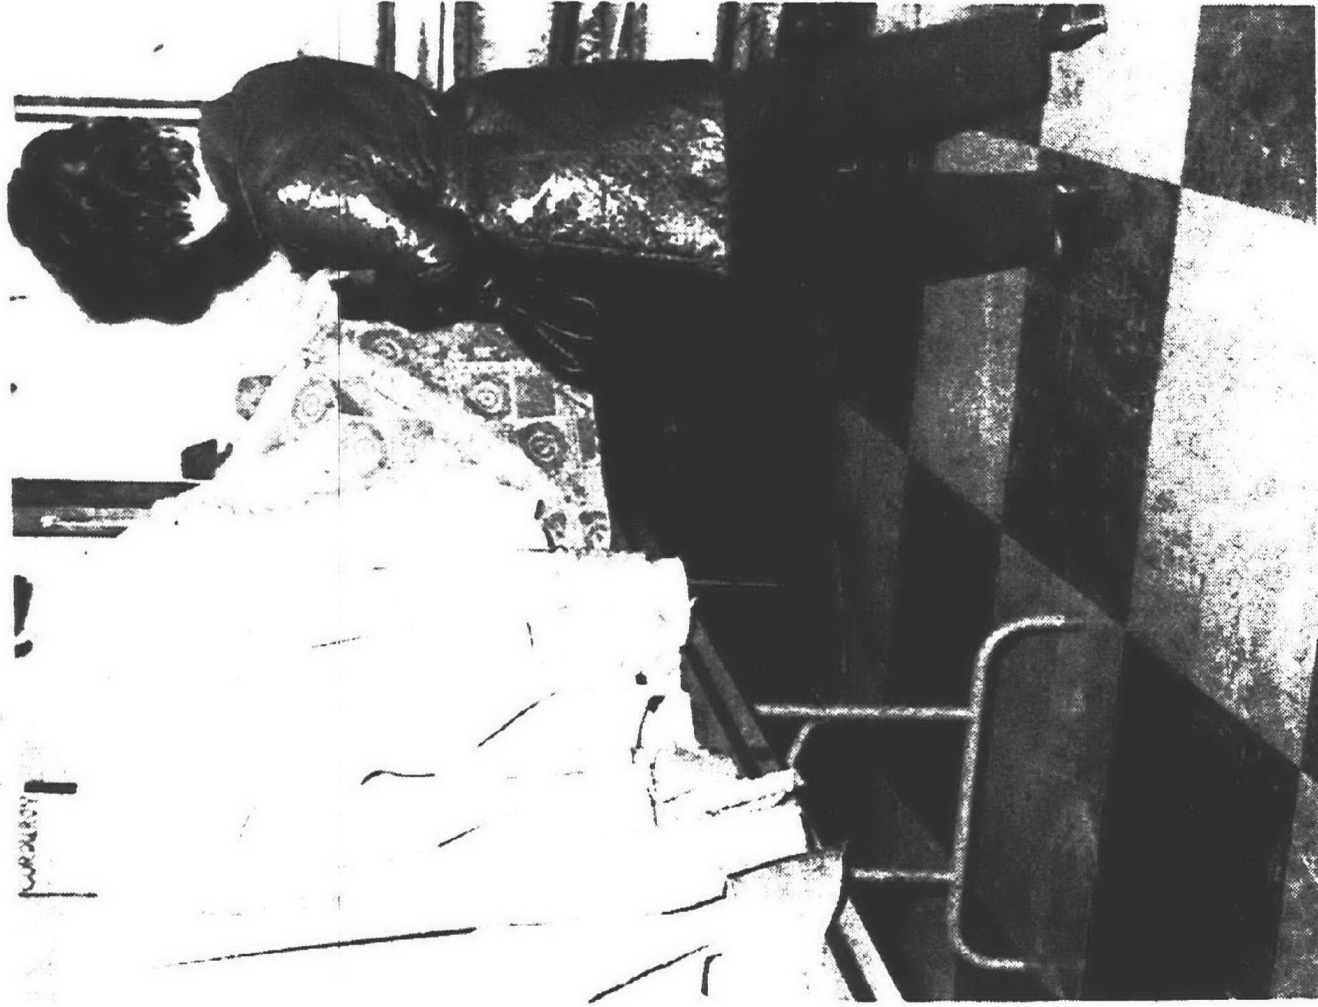

3. Stitch sides together at sel-vages up to the armholes, and then stitch across the shoulders.

4. Trim edges with ball fringe including neckline and hemline.

Fuzzy little balls or lint that may form on a garment is an indication that most likely a manmade fiber, such as nylon, polyester, or acrylic, has been used for the garment.

The balls form because the fibers are too strong to break off when wear causes abrasion.

Brushing garments with a stiff-bristled brush after drying or laundering will help to loosen and remove the pills. You may use an electric shaver to remove the pills, but you must be very cautious so you get only the fuzz and do not damage the fabric, she adds.

THE SEAMSTRESS looking for knits now can find all the variety she wants.

SEW A WARDROBE from a single pattern -- you can if you pick Simplicity's new Pattern 9868. You get a shirt-type blouse with a high, round neckline and convertible collar, a lined cardigan jacket that's low cut in front and double-breasted, a skirt with side front and back pleats and flare pants (not shown). Make them up in lightweight fabrics and you're all set for spring.

handling the knit materials that now dominate the fabric scene.

Hudson's also offers a tailoring course for those who want to add the couture touch to their wardrobes. Then there is Pants Perfection, which goes into all the hows and whys of making well-fitted pants, and a special class in which women can tailor a sport coat for the man in their life.

Men aren't forgotten by Hudson's, either. There's a special course to teach them the sewing basics. This one is available at Northland.

**Fabric-Go-Round, Inc.,** which came on the Observer-land scene a few years ago, and is operated by Irv Lichtman of Farmington, now has stores at 24077 Orchard Lake Road, in the Bel-Aire shopping center in Farmington, at 27448 Joy in Livonia and at Sheldon and Ann Arbor Road in Plymouth.

Regular sewing classes are held in the Farmington and Plymouth stores. This store also specializes in teaching women how to make custom draperies.

Singer Stores in both Wonder-land and the Livonia Mall also are learn-to-sew places. Besides offering a series of lessons with the purchase of each new machine, the Singer Sewing Centers have classes in Dressmaking 1 and 2 and Knits 1 and 2.

Singer also has an extensive program of teen classes during summer, with fashion shows and judging of completed garments in a nationwide Singer competition.

Sewing and designer courses also are underway in Crowley's Livonia Mall sewing workshop. Mrs. Barbara Tucker, sewing and fashion authority, is the teacher.

The basic course includes correct measurement, pattern size, seams, finishes, sleeves and collar settings, and the designer classes go into advanced techniques of marking, underlining, and use of hair canvas.

**At S-T-R-E-T-C-H & Sew Fabrics, 33441 Plymouth Road in Livonia's Sheldon Shopping Center, there are 28 different classes going each week with 20 students in each one.**

The store, representing a departure from conventional methods because it deals exclusively in knit fabrics and has its own pattern, offers an eight-week basic class.

Included in that series is introduction of the stretch method of sewing knits and the making of T-shirts, pants, skirts, sweaters, tab front and tank tops, suit jackets and bathing suits.

A special one-time, three-hour class teaches women to make men's pants, and there also are special classes for making lingerie, learning neckline variations, and making children's knits.

There also are classes for teens, taught by a teen and with a policy of no-adults-allowed.

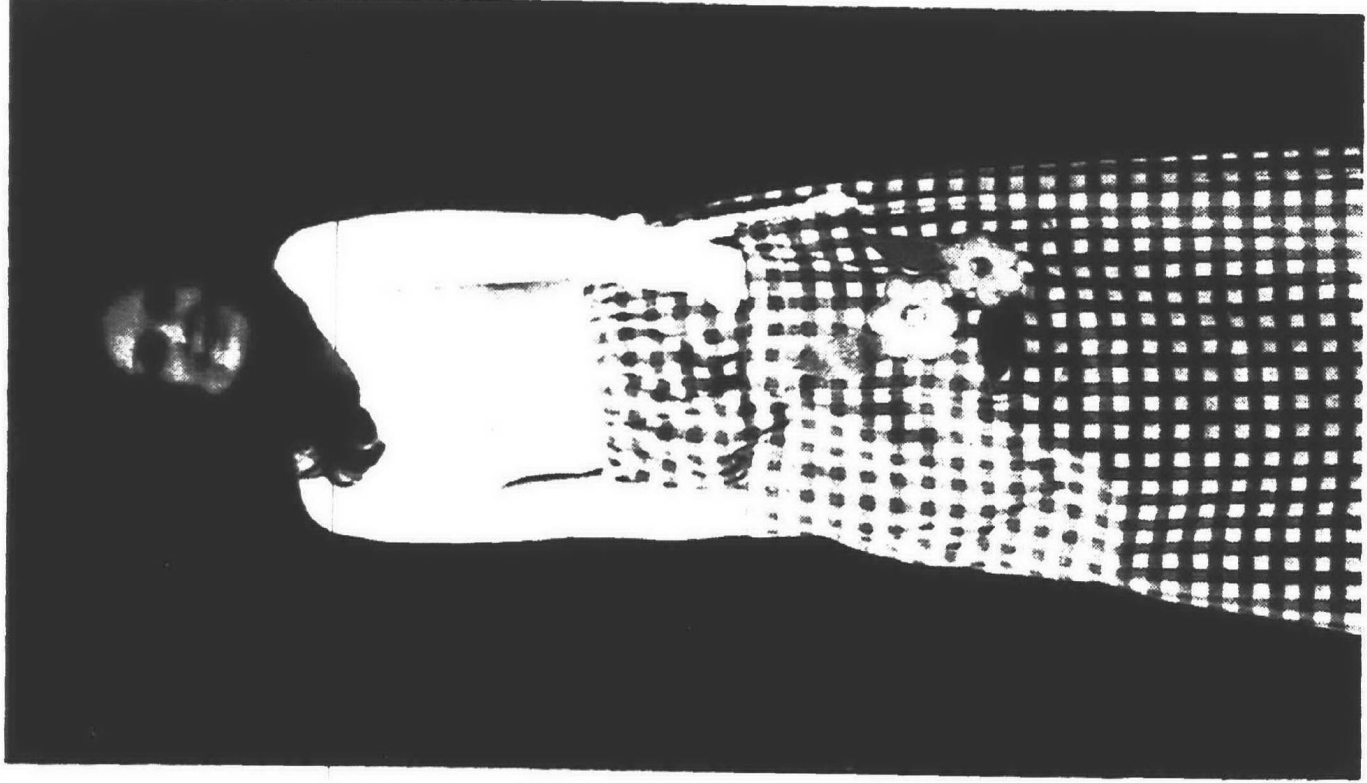

"We think sewing should be fun," says Sherry Thomet, manager of the store.

And women flocking to her store and other sewing centers all over Observerland leave little doubt that they agree.

## You Never Had It So Easy

Easy does it describes one important trend in home sewing today.

Pattern makers, while offering many couture fashions for the making, also include some styles that will go together with little time and effort.

Often easy to finish with just a few hours' work, these can turn into outstanding garments if a beautiful fabric is used.

The **Simplicity Pattern Co. long has featured Jiffy fashions, which are designed for fast, easy sewing and usually contain no more than four main pattern pieces.**

The novelty, drawstring skirt shown here is a case in point. Made with only two pieces, a skirt front and back and a pocket, it can be sewn either long or short, and the one-size pattern fits waist sizes 23 to 30.

It should be made of a fabric that is the same on front or back or has an interesting back, because the casing for the drawstring turns to the outside and is stitched with a machine zig-zag or embroidered.

From the **McCall Pattern Co. come two sets of patterns for the seamstress for whom time is a problem.**

The newest are the "Make It Tonight Knits."

Six completely new, super-simple patterns have been designed for the busy homemaker with a tight, demanding schedule, and for the home seamstress with basic know-how it's possible to make them in an evening and wear the new outfit the next day.

There are no zippers, buttons, darts, facings, interfacings or linings involved in these patterns for knits.

And they eliminate all the tedious hand-finishing of fashion sewing. All sewing on these knits is done by machine, with top stitching the gimmick that makes it all possible.

**Hems, sleeves, collars and pockets all have finished edges top-stitched, and the method is not only functional but decorative. Sometimes a contrasting thread is used. Knit fabrics make linings unnecessary, and skirt and pant waistbands are elasticized, eliminating time-consuming zippers and buttons.**

Steam-pressing is an important part of making these new patterns. An edge is stitched, then folded under and pressed, then top-stitched, then pressed again. This produces a flat, professional look to all finished edges.

A home sewer should choose an unbonded knit fabric for these patterns. Double knits are ideal, because they have body and a moderate amount of stretch. Striped, patterned or textured knits are all appropriate and can be used effectively in combination with a solid for these new fashion designs.

**Make It Tonight knits are designed with two stitching lines to reduce pattern adjustment to a minimum. One is five-eighths of an inch from the edge, the other a full inch. These two lines allow for the difference in knit stretch and make fitting easy.**

You sew the shoulder seam first, then put the sleeves in open and flat, pin the side seams and sleeve seams and try the garment on to decide which stitching line to use.

The pattern selection includes one and two-piece dresses, suits, coats, coat and dress costumes, pantsuits and a pant-vest combination. There's also a child's pattern that includes a dress, long shift and tunic-shorts outfit.

McCalls also has 17 "Quick and Easy" patterns that have four main pattern pieces, no waistline seams, elastic casings and ban linings, interfacings and button-holes.

THE SCHOOLGIRL'S FAVORITE look in jumpers is featured in this top-stitched knit. McCall Make It Tonight -- Knits pattern 3084.

## Your Individuality Shows In the Trims You Choose

If you sew, it's easy to create your own individual look -- with all the trimmings.

There may be nothing exclusive about the pattern you choose, but the way you use trims -- either sparingly or in great abundance -- can make an individual difference.

Whether in the form of rick rack, ball fringe, peasant bands, braid, eye-let ruffles, or dainty lace, cotton trims are the big fashion accessory for the '70s. And many of them now come with permanent press finishes that eliminate tedious ironing.

For your summer sewing projects, use trims in imaginative new ways. If you're making a peasant skirt, for instance, choose a colorful patchwork - printed cotton. Then use jumbo-size rick rack to border off each patch in the print.

Stitch vertical lines of rick rack onto the fabric first, and then sew on all the horizontals. Complete the look with a peasant blouse of cotton broadcloth or batiste, edged in matching rick rack.

A combination of rick rack and braid can give added charm to country-girl dresses of flower-sprigged cotton calico. Choose trimmings to pick up colors in the print.

For a distinctive hemline border, center a row of giant rick rack be-

tween two rows of flat braid. Reverse the arrangement of rick rack and braid for a border outlining the neck and waist of the dress.

Or for a more frilly treatment, try a combination of Venice lace and butterfly ruffling. If you use unbleached cotton muslin or natural-colored homespun for your country-girl dress, give it a folksy flair with embroidered peasant braid.

For best results in applying trims, be sure to use cotton mercerized thread in the same color as the trim. Always handle trims loosely and use a light thread tension on your machine to avoid puckering.

You'll also find it's easier to work from a full length of trim rather than from pre-cut pieces when sewing. For a professional look, mark the exact location for the trim on your dress.

If it's to be a border of trim, measure it off with a ruler and mark your fabric with dots or dashes where the trim is to go. Then cover the marks with trim and stitch.

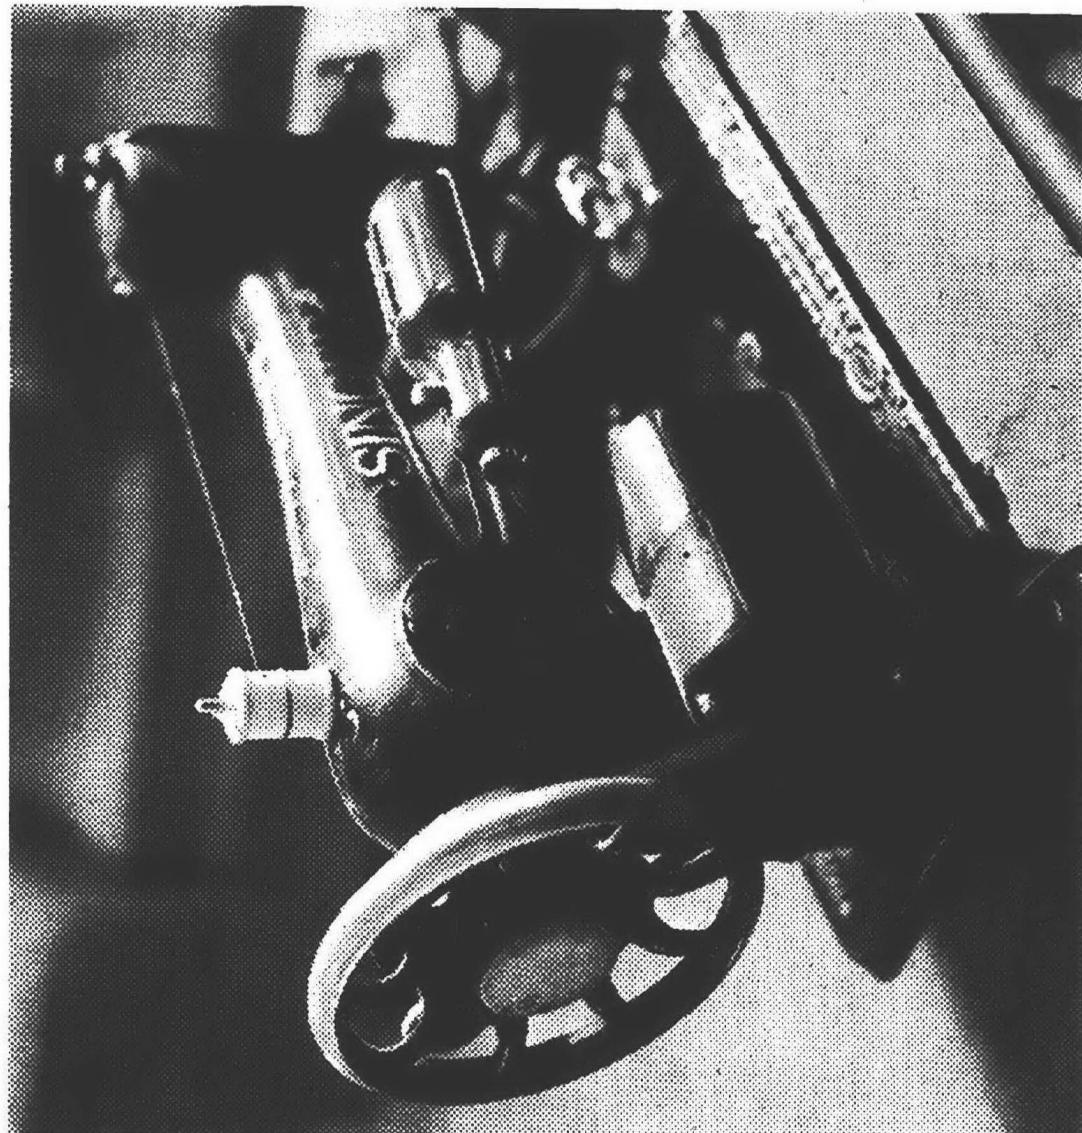

To figure trim yardage when it's not shown on a pattern, determine the location of the trim and then measure either the pattern or the garment. Add an extra half yard or more of trim to allow for joining, curves, or corners.

SEWING MACHINE have come a long way since this old-timer ruled the world of home dressmaking. This machine's modern-day descendants will straight stitch or do the versatile zig-zag and have easy-change fashion discs to make buttonholes or any of 69 decorator patterns. The most advanced models even thread their own bobbin, and feature the latest development in sewing machines -- a flexible stitch that is perfect for working on knit materials.
