Murder Accusation 'Shock' In Face Of Record At PHS

By MAURIE WALKER

"He is courteous, neat and has always been a good citizen. I'm shocked."

So said Bill Brown, principal of Plymouth High School, where David Leroy Bennett, charged with the murder of Vivian Carol Berry last Tuesday is a member of the senior class.

Bennett, 17, is being held by the Wayne County Sheriff's Department following arraignment on a charge of first degree murder Thursday morning in 21st District Court, Garden City, before Judge Richard L. Hammer. Pre-trial examination is scheduled for Monday, May 22, in Plymouth District Court.

"David has an excellent attendance record at school," Brown stated. "He was an above average student."

Brown said the youth has a keen interest in automotive and vocational education classes.

"He has been an all 'A' student in machine shop, advanced automotive and art classes," the principal added.

Brown said that "everyone at the high school held David in high esteem," and that "the youth was quiet and unassuming at all times."

LAST TUESDAY, the day Mrs. Berry, wife of the Wayne County Road Commission Chairman Michael Berry was brutally slain in their Plymouth Township home, Bennett attended all his classes, beginning with the first one at 11:20 a.m. and ending at 2 p.m.

Brown said that each of Bennett's teachers verified that he had attended classes that day.

Bennett was arrested Tuesday evening while attending a night typing class in Central school.

According to Brown, the youth had elected to go to night school since his regular schedule didn't allow him time for the class during the day.

AT DAVID'S ARRAIGNMENT, his attorneys, Jerry Raymond and Dan Burrell, made a motion before Hammer to have the warrant dismissed and quashed. This was based, they said, on the fact that the law states after an arrest a person is to be arraigned as soon as a judge is available.

The lawyers pointed out that Hammer had been ready for the arraignment all Wednesday afternoon.

While the judge denied the motion "for the

time being," he told Burrell and Raymond that the motion is a matter of record and "still before the court."

Hammer said no action was taken since there was no prosecuting attorney at the arraignment.

Loren Pittman, under sheriff, suggested the youth be kept in the out-county jail until pre-trial examination. Hammer approved and said Bennett would be kept in a private cell.

BENNETT HAD ORIGINALLY been scheduled for arraignment Wednesday afternoon, but the prosecutor's office withheld signing the warrant pending further investigation.

The youth's parents, Mr. and Mrs. Leroy Bennett, 14387 Northville Rd., sat alone for 2½

hours in the court room waiting for the arraignment.

It wasn't until their attorney telephoned the prosecutor's office that they learned the warrant had not yet been signed. The father is a member of the Schoolcraft College Board of Trustees.

The body of Mrs. Berry was found in the garage of their home Tuesday afternoon. Earlier that day, about 10 a.m., sheriff's deputies received a report from a family living on Joy Rd. that a suspicious person had been in the area. They gave the license number to the sheriff.

According to sheriff reports, a switchblade knife was found in Bennett's locker in school. Deputies also claim they have his fingerprints from the scene.

MANACLED AND WITH HEAD BOWED, David Bennett, 17, is led into court by sheriff's officers to face arraignment on a first degree murder charge. He is accused of slaying Mrs.

Vivian Berry. He stood mute before Judge Richard Hammer and a plea of innocent was entered in his behalf. (Observer Photo by Maurie Walker)

East To Get Fiegel Fifth Graders

By KATHY MORAN

Students who would normally attend the fifth grade at Fiegel Elementary School will be taking classes in an isolated wing of East Middle School next year.

The final decision on how to cope with the shortage of space at Fiegel was made by the Plymouth Board of Education Monday on a 4-2 vote.

Fred Penar and John Hanksat voted against the motion after Hanksat's suggestion to reopen Central School next year was objected to by the rest of the board.

Board President Esther Hulsing, George Lawton, Wilson Sick Jr. and Dr. John Ohno voted to move the fifth graders to East. John Graves was absent.

The school district is opening Miller Elementary School in the fall but still is pressured by lack of space for the elementary population.

AFTER investigating the possibilities of putting portable classrooms on the Fiegel site and finding additional classroom space in the other elementary schools, the school administration recommended utilizing space in East to accommodate the overflow.

Asst. Supt. Earl Gibson recommended that the fifth graders be isolated in a single wing of East with a team of teachers who have taught upper elementary grades.

He also recommended that the students start school at 8:45 a.m. after the middle school students begin, and have lunch at a time when they won't be with seventh and eighth graders. They also will leave school after the middle school students leave.

Gibson also said the possible

inclusion of shop and home economics in the fifth grade curriculum is being studied.

Though the Fiegel PTA reportedly was concerned over assigning the students to East, no parents spoke out

against the recommendation during the meeting.

HANSKAT'S suggestion was to reopen Central next year and break the schools into kindergarten through fourth grade in elementary and fifth

through eighth grade in the middle schools. Plans for next year are to close Central because of the cost of maintaining a fourth middle school when three are only needed for that year.

Sick objected to the

suggestion because the school district would lose "total credibility" with the community if it opened the school after previously saying it couldn't afford to keep the school open.

Gibson reported that it

would cost the district \$8,000 to move portables to the Fiegel site but that the Wayne County Health Dept. would not allow use of the portables because of the lack of toilet facilities.

The toilet facilities would cost an additional \$3,500.

GROUND BREAKING for the Dunning Memorial Building that will be the home of the new Plymouth Historical Museum saw these three civic leaders share a three-handled shovel Wednesday in setting the stage for construction. Museum Given A Unique Birth

By W.W. EDGAR

All sorts of precedents were shattered Wednesday afternoon on the lot across from City Hall when a three-handled shovel was used to break ground for the Dunning Memorial Building that will house the Historical Museum.

In contrast to other ground breaking ceremonies that are marked by bombast and bluster, this one was done in almost cathedral like silence. There was no set program. There were no speeches or announcements or any official spokesman to tell that a long cherished dream was moving another step toward reality.

At the given time, Miss Margaret Dunning, donor of the building, walked to the center of the lot in company with George Burr, president of the Historical Society and Clarence Moore, one of the most active workers in the campaign for a museum.

Then, with a bright spring sun shining on the glittering three-handled shovel, the blade was pushed into the ground, the earth lifted, and the long looked for moment was now history.

THE THREE - handled shovel, unique in ground breaking ceremonies, was the work of Moore, who figured that it would be a symbol of the cooperation among many persons that is making the museum possible.

"We can't count on any specified number," Miss Dunning pointed out, "because we may run into bad weather, trouble in getting shipments of supplies or even strikes among the workers. We are just hoping that the building will be ready by fall."

When completed, the structure will be known, officially, as the Dunning Memorial Building, built in honor of Miss Dunning's mother and father.

AS THE gathering of more than 50 city officials, members of the society and friends gathered for the tabloid, they were given some idea of what the building may house when Miss Dunning had one of her vintage Cadillac motor cars parked at the curb.

The structure will have a basement in which it is hoped there can be a fine display of antique cars and that the building will really be an asset to the entire community.

It Was A Bad Year For Water Heaters

By EDWARD WENDOVER

As soon as darkness sets in, the middle-aged man stepped out the side door of his \$70,000 home and scanned the street to make sure no one was watching.

He ducked back into the house and emerged dragging a suspicious looking body-size bundle.

A sinister murder maybe? No, just the annual garbage night in Hough Subdivision, when Plymouth's elite dispose of their no-longer-wanted items.

For us trashpickers it's a big affair.

It's a good chance to pick up a slightly used barbecue grill, a sofa with only one spring askew or a television set that needs only a couple of new tubes and a horizontal hold knob to be as good as new.

BUT THE Hough spring clean-up collection is more than a giant variety store. It serves as a barometer of the economic climate and as a testing ground for consumer information.

Times being what they are, even the Hough folks are more inclined to make do with what they've got, so the piles were smaller and there were fewer finds this year. The economy was also reflected in the larger-than-usual turnout of scavengers who rummage through the curb-side boxes and piles to find discarded treasures.

This year was particularly bad for water heaters.

There were no fewer than seven along the length of Palmer Street.

When I remarked on the high mortality rate for the water heaters, the little woman said it was probably

attributed to Plymouth's change to Detroit water. I gently reminded her that Detroit water is not piped in hot and asked whether she wasn't referring to water softeners.

True, there was a water softener in front of one Palmer house.

THERE WERE TWO complete toilets - one on Jener Place and one on Park Place (Plymouth's answer to that famous high-priced section on the Monopoly board).

Those robin-egg blue plastic children's swim pools apparently aren't very durable. There were two of them across the street from each other on Sutherland Street.

There was a built-in dishwasher carcass sitting along Harvey Street and just up the block two groups of trash pickers were arguing over an old-style washing machine with wringer.

This year's tire selection was below average. What with inflation (money, not tires) being so bad, I guess even the Hough residents are leaving their snow tires on instead of buying new tires.

Of course, the hard-core elitists don't put out anything except nicely-wrapped trash-compacted bundles even on the annual "everything-goes" day.

But most get in the fun by tantalizing the pickers.

It's a status symbol if you can say, "Oh, darling, you just wouldn't believe all the scavengers we had going through our rubbish this year!" at the next bridge party.

ONE HOUSE on Hartsough, where the residents realized

that scavengers remove as many (if not more) discarded items than the garbage men, had set out a complete living room arrangement on the front lawn. The couch, chair, end tables and rug looked just as though they'd been moved from the living room right out into the yard.

Awfully decent of them since it saves you having to move boxes off the couch to check the springs or unrolling the rug to make sure there aren't any glaring holes.

As we rummaged through a particularly tantalizing pile in front of one house, we noticed the curtain pulled back just a hair in one corner as the residents watched with glee.

I went up to one house on Ross Street and asked the man if the stove he had sitting at the curb still worked.

The annual outing promotes camaraderie among us pickers.

As I rubbed elbows with another scavenger searching through the same pile, he asked, "Have you seen any good wicker furniture?"

"There was a chair down on Hartsough," I replied. "Have you found any good stuffed chairs?"

"There's one with the cushion missing on Palmer and one with a rip in the back over on Ann Arbor Trail," he said.

We didn't get much - the quality this year was bad.

I did find one fairly good couch, but the little woman vetoed it because "it doesn't match our drapes."

If I'd known she was going to say that, I'd have left those drapes in that box I found them in on garbage night two years ago over by Smith School.

THROUGH BIFOCALS
By FRED DeLANO / Editor Mail & Observer

FAST-BREAKING news developments Tuesday afternoon, like murder in Plymouth Township for instance, prevented the Mail & Observer from using the full statement of Wilson W. Sick Jr. anent his decision not to run for reelection to the school board.

Not only do we owe Bill our apologies for that journalistic happenstance, but let it be said here and now that he and his objective wisdom will be missed. We need more of that objectivity on the board in the future.

The field of June 12 candidates will be completed Monday afternoon and I want to call voter attention to the following opinion as voiced in Sick's statement:

"I would urge voters to select individuals with broad qualifications, persons who will represent the best interests of the total community, not just the interests of a specific group or faction. I would avoid candidates with 'an axe to grind.'"

That is putting it succinctly and emphatically. Bill is right. We must separate the wheat from the chaff and determine which candidates have the ability to evaluate all school issues. We do not need board members with narrow, limited and prejudiced views. This was Sick's full statement, and it is worth your attention:

"I HAVE ARRIVED at this decision reluctantly, and with personal disappointment, after a great deal of deliberation and urging by my supporters to run again.

"My service on the board has been interesting and challenging - an experience I have enjoyed and found stimulating. Being a school board member is demanding in that it requires considerable time, not only for the regular meetings, but also for numerous special meetings, work sessions and other events requiring attendance.

"Unfortunately, I find it impossible, due to the requirements of my job and other demands, to continue with the necessary commitment of time for the next four years.

"THE PLYMOUTH community schools are top notch! Just think for a minute - where else would you rather have your children attend? Our schools have achieved this position due to hard work by previous administrators and boards, and the support of the total community.

"Sure, there have been problems, but the most serious of these - construction delays and teacher union relations - are drastically improved at present and, I believe, permanently so.

"Similarly, the process of building the top administrative staff into a true team capable of running a growing district of our size is now well under way.

"If you will indulge me the time, I would like to comment on a couple of other matters before bowing out - the upcoming millage and board elections.

"REGARDING THE MILLAGE, I would urge citizens to vote 'yes' for all three proposals on the June ballot. In my judgment, the 1972-73 budget is a fiscally responsible one for the district. Efficiencies and savings of over \$300,000 compared with this year's budget are included.

"Many of these, including the limited use of Central, are based on recommendations of the recent citizens study group. Average class size is up, even if all three proposals are enacted. Nonetheless, the high quality of education in Plymouth will continue if the millage is approved.

"Regarding the board election, I would urge voters to select individuals with broad qualifications, persons who will represent the best interests of the total community, not just the interests of a specific group or faction. I would avoid candidates with 'an axe to grind.'

"Specifically, I would urge the selection of persons who will take fiscally responsible positions in the years of rapid growth that lie ahead. Most viewpoints are now well represented on the board. However, the voice for fiscal responsibility and economy needs strengthening.

"Again, it is with reluctance and personal disappointment that I make this decision not to run again, but I pledge my continuing support as a private citizen to our schools."

Bridge Loop Asks Scores

Plymouth Symphony League bridge players, it's that time of year again! Co-chairmen Betsy Delaney and Ellie Kieme are sending out the plea to all players in the round robin that scores be in by June 1.

Winners will be notified as soon as scores are tallied and prizes will be awarded at the Symphony League's annual luncheon. The spring luncheon will be at St. John's Episcopal Church, June 5.

Plymouth Couple Helps Send Kidney Machine To Jungle

By MARGARET MILLER
Church Editor

"It's not our doing, but the work of the Lord," insists L.W. (Bud) Ottenhoff of Plymouth. "We just happened to stand in the right place at the right time."

But because Ottenhoff and his wife, Dorothy, have made the most of service opportunities, a mission hospital in Quito, Ecuador, has a new kidney machine that soon will be operating to aid the Indians and other nationals of that Andes region.

Mr. and Mrs. Ottenhoff are active members of the World Radio Missionary Fellowship, an independent, interdenominational organization that broadcasts and televises in 15 languages from Quito and also operates a hospital there and another, six hours into the jungle nearby.

DOROTHY AND BUD OTTENHOFF of Plymouth look over some craft work from Ecuador they brought back from a recent mission visit. The painting shows the Andes region where the mission is located. (Observer photo by Bob Woodring)

THAT'S ALSO a matter of providence, explains Ottenhoff in prefacing his story about two trips to the mission spot.

Bud, who is local representative for Culligan Water Conditioner, and Dorothy Ottenhoff had moved to Plymouth from the Chicago area where both were much involved in evangelical work.

Here they hadn't found any such outlets until some Plymouth friends, George and Mary Adams, invited them to attend a conference of the mission fellowship in Kalamazoo a few years ago.

"The Lord led them to ask us and led us to attend the conference," Ottenhoff said. "And we've become so interested in the work that if I could find someone to take my place here we could be persuaded to give ourselves fully to the work in Quito."

It was a year ago in February when the Ottenhoffs made their first visit to Quito to see home of station HCJB, known as Voice of the Andes, and the Hospital Vozandes.

AND THAT'S where the story of the kidney machine really begins.

The local couple were touring the hospital in Quito

when a family of Quechua Indians came in.

"The father was carrying the oldest child in his arms and the boy was unconscious," Ottenhoff said. "The wife and four other children walked behind them. They'd never been in the city before, let alone the hospital, but their need was desperate."

The Ottenhoffs learned from the hospital staff that the boy had a serious kidney infection and it was practically impossible to treat him.

Teenhoff asked if the hospital could use a kidney machine and of course the doctors said they could.

BACK IN THE DETROIT area, Ottenhoff went to the Wayne County General Hospital where he knew there were two obsolete machines. He said the doctor in charge there agreed he could give them to the mission, but worried about what would happen if they failed.

"I told them they couldn't fail, because they'd be used in the Lord's work," Ottenhoff said, adding that he then related the story of how the mission's generator had been repaired in an emergency by a visitor who just happened to

be passing through and was an expert in the field.

"When he heard that," Ottenhoff added, "he said he would give us a new machine and train someone from the mission to run it. And a young woman from the staff there—she's one of the best technicians around—offered to go to Ecuador to teach the people there the operating procedures."

The machine was procured and shipped to Miami, and the Ottenhoffs made a return trip recently with plans to deliver it.

DELAYS IN TRANSIT—the "manna" outlook of the South Americans, Ottenhoff said—made that impossible. But since their return here they have learned that the machine has arrived in Quito and will be operational as soon as the

training of personnel has been completed.

From their trip, the Ottenhoffs brought back pictures of the mission, the hospital, the station that keeps evangelical messages going into South America and some of the back missions operated by the fellowship.

They've put them together, with a running commentary, into a picture program that they are showing now to service clubs in this area. Dorothy Ottenhoff will be taking the set soon to a retreat of Winning Women, a group in which she is an active participant.

"We're glad to tell the story of the mission and those beautiful people to anyone who wants to hear it," Ottenhoff said. "When we speak, it's the Lord's work being done."

Plymouth Minister Accepts New Call

The Rev. Lewis S. Brown, associate minister of First United Presbyterian Church of Plymouth, will preach his last sermon at the church Sunday, May 21, and will be honored at a farewell reception following the service at 12:15 p.m.

Rev. Brown, 43, has accepted a new call as pastor of University Presbyterian Church in Buffalo, N.Y., effective the first week of June. He currently resides at 650 Simpson in Plymouth.

THE RECEPTION will begin at 12:15 p.m. in the Fellowship Hall of the church. Since coming to Plymouth six years ago, Rev. Brown has been active in the presbytery and in local community services. He served as president of the Plymouth Community Council of Churches and chairman of the Plymouth Community Human Relations Committee.

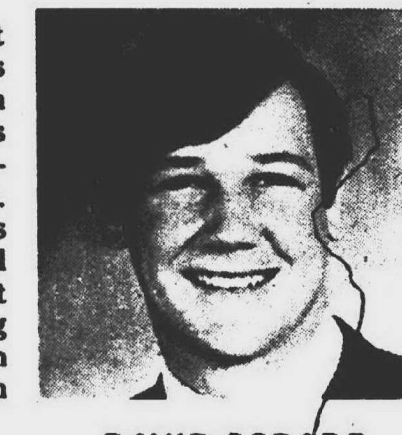

Previously he was minister of the Wakefield Presbyterian Church of Germantown, Philadelphia, Pa., for six years and before that as pastor of Avella Presbyterian Church in Avella, Penn.

REV. BROWN graduated from Houghton College in New York and worked in business and personnel positions for four years before entering Pittsburgh Theological Seminary from which he received his degree in 1957. He also has done graduate work at Temple University and Conwell Divinity School.

A native of the Philadelphia area, Rev. Brown is married to the former Louise Duncan who recently received an elementary education degree from Michigan State University. They have two children, David, 15 and Nancy, 11.

2 Mormon Elders To Hold Receptions

The Church of Jesus Christ of Latter Day Saints is planning receptions in Plymouth and Livonia this month to welcome a recently arrived elder, David Cobabe. Elder Cobabe, who comes from Los Angeles, Cal., will join Elder Gerald Burt of Salt Lake City, Utah, in making home visits for the Mormon church in Livonia, Garden City and Plymouth.

DAVID COBABE

The first reception will be held in the church's new Plymouth headquarters at Ann Arbor Trail and Elizabeth Street. It will be from 7 to 10 p.m., Friday, May 19. The following week, on Saturday, May 26, a reception will be held from 7:30 to 10 p.m. in the church at Meridian and Six Mile.

At both receptions, there will be informal discussions, movies and displays from Salt Lake City, showing the work of Joseph Smith, 19th century leader of the Mormon Church. Both Cobabe and Burt are deacons in the church. This is the name given young men who go out and spend several years working for the church, mainly in door-to-door calls.

Methodist Men Plan Barbecue

The Methodist Men of Lola Valley United Methodist Church will serve barbecued chicken from 3:30 to 6:30 p.m., Sunday, May 21.

The men, who have held two chicken barbecues a year since 1963, cook on a huge pit built on the edge of the church woods. The church is located at Delaware and Puritan, Redford Township.

Carry-out dinners are available. Dinner is \$1.75 for adults and 75 cents for children.

The Women's Society of Christian Service is holding a rummage sale from 9 a.m. to 7 p.m., Friday, May 19, in the church.

Mrs. Jeanne Wilford and Mrs. Betty Stout are among the committee chairmen for the sale, which will include clothing, used furniture, small appliances, garden tools, books, records, toys and even some antiques.

Anyone who wishes to donate to the sale should call the church office.

Choir To Sing 3 Cantatas

A musical service featuring three cantatas will be performed in Christ Church Cranbrook, Church and Cranbrook Roads, Bloomfield Hills, at the 9:15 and 11 a.m. services on Sunday, May 14.

An adult choir, string ensemble and soloists will present Buxtehude's "Rejoice, Earth and Heaven," Roman's "God Is Our Refuge" and Vaughan Williams' "Five Mystical Songs."

HATS, HATS AND more hats! Mrs. Thad Whiting made hats for her and her two daughters to enter in a contest at the Mothers Day banquet Friday night at South Redford Church of Christ. Nine-year-old Danita Gay (left) was fitted for a green Bavarian hat while Melody Ann, 7, has a blue turban-style decorated with beads and flowers. For herself, Mrs. Whiting created a "hats on hats" version featuring different styles on a white satin base. Prizes were given for the unusual hats. Participants also submitted themes on "What Your Daughter/Mother Means to You." The fathers and sons waited on their mothers and sisters for the banquet. (Observer photo by Craig Gaffield)

Dr. Gerhardt Is Hosting TV Series

Dr. Louis Gerhardt, senior minister of North Congregational Church, Southfield, is host for a new series of "Let's See" television programs to be seen at 10 a.m. Sunday on Channel 2. The new series begins May 14. "Let's See" has been sponsored by the Metropolitan Detroit Council of Churches,

but this Sunday it will have a change in format, in an effort to acquaint Detroiters with the religious and personal values of noted public figures. Dr. Gerhardt's guest Sunday will be Police Commissioner John Nichols. He discusses his work, his attitude toward the community, his feeling about human

legislation, his family and what he thinks about the basic moral attitude of the community today.

Future guests will include author Irving Wallace, hockey great Gordie Howe, Wayne County Sheriff William Lucas, Recorder's Court Judge George Crockett, and many others.

Memorial Church Gets New Minister

The Rev. Mark McGilvrey of Cincinnati, Ohio, will begin his new duties as associate minister of the Memorial Church of Christ, 35745 Five Mile, Livonia, on Sunday, May 14.

Rev. McGilvrey has been added to the staff to supervise the congregation's youth program and lead the junior worship service. He will also share in various phases of evangelistic and pastoral work with the senior minister, The Rev. Max Copeland.

A graduate of the Cincinnati Bible Seminary, McGilvrey recently completed his residence requirements for the master of arts degree in Old Testament studies at the Ohio Seminary.

He was ordained to the ministry at the First Christian Church, Joliet, Ill., in 1971. He has held youth ministries

6 Missionaries To Give Talks

The 24th annual missionary conference of the Southfield Community Church, 21122 Indian, will be held the week of May 14-21. Six missionaries and their wives will be speakers during the week, and there will be missionary displays.

Week-day services will be held at 7:30 p.m.

THE SPEAKER at the 11 a.m. and 7 p.m. services Sunday, May 14, will be the Rev. and Mrs. Ronald Matlack. They are on furlough with their children after spending their first term in Trieste, Italy, under the Worldwide European Fellowship.

The Rev. John Harder, a missionary in Argentina, Colombia, Bolivia and Brazil, will be the guest speaker on May 15. His work in Argentina has involved construction, development of a literature and radio ministry, work with children and evangelistic campaigns.

Farmington Church Hosts Conference

Mr. and Mrs. Fred C. Renich of Farmington are hosting a family life conference this weekend in Forest Hills Missionary Church, 30623 W. 12 Mile, Farmington.

General sessions are being held Saturday and Sunday evenings, May 13 and 14, at 7.

The Sunday school services, at 9:45, and the worship service, at 10:55, will also feature Mr. and Mrs. Renich. Saturday afternoon a mother-

Mr. and Mrs. Larry Fehl, who have spent two four-year terms in Nigeria, will show slides of their work on Tuesday evening.

May 17 will be youth night, and the speakers will be Mr. and Mrs. Dwight Gradin. He spent several years in Vietnam, translating the Bible into the Jelu language and is now with Missionary Internship in Farmington.

THURSDAY EVENING, an all-nations dinner will be featured. Mr. and Mrs. Roscoe Lee will show slides of their work in the Democratic Republic of Zaire (Congo).

No meetings are scheduled for Friday and Saturday.

At the two services May 21, the speakers will be the Rev. and Mrs. Enos Zimmerman. They served 10 years in Finland and Sweden.

In 1968, he was appointed northeast representative in the U.S. for the Greater Europe Mission.

daughter tea is being held at the church in conjunction with the conference.

Renich has served for several years as director of Missionary Internship, Inc., an inter-mission organization engaged in counseling, evaluating and screening missionary candidates.

Mrs. Renich is founder of the Winning Women organization.

After 35 Years They Enjoy Teaching

The same church they grew up in is where Mrs. Jean Hutchins and her brother William McInnes have taught Sunday school for 35 and 33 years respectively.

Mrs. Hutchins, who lives on Graydale in Detroit, was honored for her work recently at the Christian education banquet of the Redford Baptist Church, 25295 Grand River, Detroit.

Her brother is equally enthused about teaching but is two years behind his sister's record after spending two years in Mexico for Ford Motor Co.

"THE CHURCH has been quite a way of life for our family," McInnes said. "We've had good times and bad times and we've always had strength from our church."

Neither can remember just what prompted them to start teaching Sunday School but two influences were Mr. and Mrs. Clay Young who taught them as children and who are still members of the church.

The 61-year-old Mrs. Hutchins works in the nursery with the three-year-olds "teaching them to share" and singing and reading with them.

After 35 years of teaching, Mrs. Hutchins has taught the children of her former students - and even one grandchild.

Are the children any different now than when she first started?

Mrs. Hutchins says she hasn't noticed a difference, but McInnes has in the senior high students.

DEDICATED SUNDAY school teachers are William McInnes and his sister Mrs. Jean Hutchins who have taught for 33 and 35 years respectively at Redford Baptist Church. Neither has plans for retiring from teaching at the church which has been a "way of life" to them. (Observer photo by Bob Woodring)

"THE YOUNG people today are more free and honest in expressing their true beliefs," the 57-year-old McInnes said. "It used to be that young people came to church because their parents brought them. Now the young people are interested and come because they want to. They seem to be more aware."

McInnes, who lives on Riverside in Livonia, said his 12th grade class gets into good discussions because the young people are so open.

The McInnes family first began attending Redford Baptist Church when their neighbors began to take them along. The family moved here from Scotland in 1916.

Their mother, Jeanie, is 88 years old and still keeps in touch with the early church members.

Mrs. Hutchins married a man she had known through the church when she was growing up. She and her husband, Cecil, have two sons who were baptized in the church. One of them was also married at the church.

McInnes and his wife, Martha, have two sons and a daughter who were baptized in the church. One son and daughter also were married there.

Religion Update

Rev. Lester Kinsolving's

ATLANTA America's third largest denomination, the 10 million-member United Methodist Church, holds one general conference (its highest legislative governing body) every four years.

And despite the fact that the membership and giant national staff (1,100) of this denomination has a normal quota of intelligence, the general conference which met here recently was a communications catastrophe.

FOR THE AGENDA was so designed that the opening days of the two-week meeting were virtually devoid of any action, other than the presentation of lengthy reports and legislative committee deliberations upon same. The nearly 1,000 delegates had either received copies of, or press releases concerning the content of most of these reports, in advance of the conference.

Hence, by the end of the first week, most of the working press had gone home, having had little to report by way of real action - other than details of a bizarre sideshow named Cecil Williams.

Rev. Williams, "minister of celebration" at San Francisco's way-out Glide Memorial Methodist Church, was catapulted into the national limelight, where he positively basked, by a set of circumstances which would make a press agent drool.

Though Rev. Williams' fellow clergy in northern California and Nevada had declined to re-elect him a delegate to the general conference, the flamboyant "Black Barnum" had an ally

in the Rev. Jack Tuell of Vancouver, Wash.

Rev. Tuell, a member of the conference's commission on entertainment (sic) and program, was able to have Rev. Williams picked as one of the conference's eight official guest preachers at the afternoon worship services scheduled for Atlanta's First Methodist Church.

The Rev. Robert Ozment, First Methodist's pastor, exercised his right under Methodist Church law ("Discipline") to refuse his pulpit to anyone. With the unanimous backing of his 150-member church board, Dr. Ozment stressed that his opposition to Williams was in no way due to his race, but to the antics which characterize the church services - with wild and egomaniacal rantings as sermons (such as spending the first 10 minutes of sermon time on April 16 reading and making comments upon a news story about himself.)

But the church's objections were overruled by Atlanta's Methodist bishop, John Owen Smith, who ordered the pulpit made available to Williams. And Dr. Ozment's fervent disclaimer of any racial consideration was described by Williams as "a blatant lie!"

THIS SERIOUS CHARGE may be evaluated in light of the black district superintendent who has preached at First Methodist Church and who was as warmly welcomed as the blacks whom this writer saw in attendance at the church on the Sunday prior to the opening of general conference.

And just how phony is Rev. Williams in raising the charge of racism was amply illustrated during his Atlanta airport press conference. When asked if he really believed that First Methodist would have objected to either Bishop Charles Golden of San Francisco or Bishop Roy Nichols of Pittsburgh (both of whom are black) as guests in their pulpits, the usually outspoken "Guru of Glide" adamantly refused to answer the question.

He also refused to answer a question as to whether he would dare to disagree with Bishop Golden's statement that race was not the underlying cause of the rejection, "because I understand that some who opposed Cecil didn't know he was black."

IT WOULD BE interesting indeed if at the next general conference (Portland, Oregon, in 1976) the complete freedom of the Methodist pulpit is further demonstrated by inviting, as Rev. Williams' fellow conference preacher, that distinguished Alabama Methodist layman, the Hon. George Wallace.

The Rev. Cornish Rogers, an affable black writer for Christian Century magazine, was asked about such an intriguing possibility - and how he would react if it were his own predominantly black congregation in Portland and Wallace were imposed as a guest by order of the bishop.

"I would have him!" replied Rev. Rogers. Then with a great grin he added:

"Of course the lights might go out and there might be fire alarms!"

TASTE AND SEE will be the theme for a luncheon scheduled from 11:30 a.m. to 1 p.m. Wednesday, May 17, in the First United Methodist Church of Farmington. Tickets are \$1.50 and available from members of the Women's Society. Getting a pre-taste here are Ermina Holt, left, and Diane Runyan. (Evert photo)

St. Luke Sale To Be May 20

Old nursery school chairs will be among the items up for sale at the annual rummage sale Saturday, May 20, of St. Luke United Methodist Church, 39851 Five Mile at Haggerty, Plymouth.

The sale will run from 9 a.m. until 2 p.m. and will feature a bake sale sponsored by the MYF youth of the church.

Furniture and articles of clothing will also be on sale. The chairs will be sold for \$1.50 each.

Co-chairmen of the sale are Jollie Coleman and Donna Anagnostou.

'Tourist Police' Help In Greece

EDITOR'S NOTE: Jay Kendall, son of Mr. and Mrs. Harold Kendall, of Plymouth, is making an extensive tour of Europe and his letters are so interesting we thought our readers would like to read the thoughts of a former newspaperman. This is the second of a series telling of Jay's adventures.)

CRETE, Greece
I've heard that tourism is Greece's biggest industry. Perhaps that's not true, but authorities do go out of their way to help and protect tourists.

The prices of food are controlled by law. Most towns of

any size have something called "tourist police" from whom you can get advice and information, although they have a rather officious, forbidding manner.

I have heard that tourist police will sometimes stop a tourist who has made a purchase of fruit or vegetables, ask him where he bought them and what he paid, and then accompany him back to the merchant to weigh them in case he was short-changed.

THERE ARE an uncommon number of policemen milling around, even in tiny villages.

In most towns there is a large sign conspicuously displayed, proclaiming the 21st of April and showing a phoenix bird rising from a flame behind the silhouette of a soldier with helmet, rifle and fixed bayonet.

On all of the matchboxes is the same image, evidently a reminder of the day the military took over. How the people feel about it, I have no idea.

I want to see some of the other Greek islands but haven't yet worked out plans. The main group is called Cyclades, but one can't reach them from Crete without going back to the port near Athens. One can take a roundabout route to the mainland that passes Rhodes and some other islands off the coast of Turkey.

THAT BOAT is supposed to leave five days from now, according to rumors, and there is a possibility I will be aboard.

(Earlier Jay tells of his experiences, traveling on the south side of Crete.)

I am now in a small, smelly village on the south side of Crete where the weather has

been quite pleasant, some would say warm enough to swim.

I mentioned swimming to an acquaintance and said I would go in if I had a suit. He scoffed at me since the beaches are almost deserted, and rimmed by steep cliffs. They seem to be a conglomerate of gravel, in places fairly loose and elsewhere hard like a single mass of rock.

There are a number of caves here and elsewhere in Crete, which people inhabit unless the police kick them out . . . mainly tourists, I assume. I hitchhiked here, walking at least half of the 60 odd kilometers to Wires, a small town not far from here where I was lucky enough to meet some Americans I knew from Iraklion, who were renting two small rooms.

They allowed me to spend a miserable but inexpensive night there, stretched out on the cement floor fully clothed with 12 other people.

I ADMIT it wouldn't have been bad if I had had a sleeping bag, but I'm willing to suffer that much rather than

drag a sleeping bag all over Europe for the few times it comes in handy.

There was a celebration going on in Wires. The Greeks seem to be celebrating everywhere I go. This time they were celebrating the first day of Lent.

We went to a restaurant-bar crowded with people drinking and dancing to the music of mandolin-type instruments and typical Greek singing.

We never had a chance to buy our drinks: someone would always order them for us or invite us to their tables to share theirs. The Greeks are by far the friendliest people I've come across; they go out of their way to greet a stranger and share what they have.

Even while I was hitchhiking to Wires and not getting any rides, some farmers invited me to join them in a picnic. Although they are not rich, they are far less mercenary than you would expect, traveling through Europe, where the people who speak to you are usually hustlers or beggars. Here they are simply making friends.

BROADWAY'S HILARIOUS "The Man Who Came To Dinner" will be presented by the Drama Club of Plymouth High School May 18-20. In this scene from the Moss Hart - George Kaufman comedy are (from left) Tom Sullivan, who plays reporter Burt Jefferson; Ron Berry, as Banjo, the movie producer; Rita Siewart in the role of Miss Preen, the nurse; Jane Mills, the "crazy" sister, and Debbie Sims as Lorraine, the actress. Tickets for the production in PHS auditorium are \$1.50. (Observer photo by Bob Woodring)

Humphrey Committee Is Formed

PLYMOUTH
Formation of a Plymouth area citizens committee in behalf of Sen. Hubert Humphrey's candidacy for the Democratic presidential nomination has been announced by Mrs. Billie Bidwell and Irving Rozian, who will co-chair the activity.

Headquarters temporarily are at Mrs. Bidwell's home, 1465 Ross.

"The massive Republican crossover for George Wallace and George McGovern is not reflective of the true Democratic Party sentiment," said Mrs. Bidwell. "It only indicates the futile attempt to stop the surging candidacy of Sen. Humphrey."

"The smoke screen will lift, and in the general election Sen. Humphrey will be the Democratic standard bearer and will rally the entire Democratic Party, along with the independents and Republicans disaffected with Richard Nixon."

A distribution of campaign materials "explaining the fine record of Humphrey" will be made throughout the community, she said.

MEANWHILE, Democratic Chairman Marshal Manning issued a statement Thursday in which he expressed criticism of the Democratic candidacy of George Wallace. Said Manning:

"Two generally recognized leading Democratic candidates—Sens. Humphrey and McGovern—we believe have the qualifications to lead the Democratic Party and the nation to reduce inflation, restore full employment, end the war in Vietnam now and reduce crime in the United States."

"Wallace, also on the ballot as a Democratic candidate, has a record as governor of Alabama and as American Independent Party candidate for president in 1968 which neither reflects the philosophy of the Democratic Party nor shows any evidence of the ability to solve these problems."

A Message to the Voters in Michigan

McGOVERN THE MAN

- Born in Avon, South Dakota, 1922. Studied at Dakota Wesleyan Univ. and Northwestern. Ph.D. in history.
- Awarded the Distinguished Flying Cross in World War II. Flew 35 combat missions as a pilot against the Nazis.
- Elected to the House of Representatives first in 1956 and again 1958. Elected to the Senate in 1962; re-elected 1968.
- Appointed by Pres. Kennedy in 1960 as the first director of the Food for Peace Program. Brought relief from hunger to millions home and abroad.

REMEMBER TO VOTE THE TOTAL BALLOT ON MAY 16

- ☒ George McGovern in the presidential primary
- ☒ Precinct Delegates committed to George McGovern

Throughout his career, George McGovern has been a leader. Consistently, he has been first to see the issues clearly and forthright in taking stands on matters of conscience. Events have upheld his early judgement time after time. On May 16 Michigan voters have the chance to choose such leadership.

In September 1963 McGovern was the first Senator to speak out against the war in Indo-China. He said then our involvement would lead to "military defeat and moral debacle." Today three out of four Americans agree with that view. **McGOVERN HAS PLEDGED TO END OUR MILITARY INVOLVEMENT IN ALL OF SOUTHEAST ASIA** within 90 days of his inauguration. His plan is the only one that will guarantee the return of our POW's.

In January 1972, after extensive national consultation, McGovern introduced his alternative defense budget for the nation. \$30 billion can be cut from the exorbitant, wasteful Pentagon budget (**WITHOUT ENDANGERING OUR NATIONAL SECURITY**). He has shown where that \$30 billion can be better used: to relieve excessive property taxes for education, for example.

In 1963, McGovern introduced the first bill to lead to a full-employment peacetime economy. This bill, re-introduced in 1970, protects workers as we move to peaceful production here at home. He is also the first Senator to call for a (**GUARANTEED**) JOB for every American who wants to work. McGovern knows that people need and want jobs; unemployment breeds only tension and despair.

"With the Nixonomics of Phase II, McGovern again stood alone. He called the New Economic Police of 1971 "non-sense" and "Robin Hood in reverse . . . robbing the poor to fatten the rich." Wages are frozen while prices continue to rise and profits continue unrestricted. McGovern wants middle-income working people relieved of their (**MORE-THAN-FAIR-SHARE**) economic burden.

In January 1972 McGovern called for a better America with his dramatic program of income redistribution and major tax reform. These two proposals dignify people by ending extreme poverty and closing the tax loopholes which protect those large-income individuals and corporations **WHO PRESENTLY PAY NO TAXES AT ALL**. McGovern's reform program will release \$29 billion in additional revenue.

George McGovern knows how to solve our pressing domestic problems. Urban decay, environmental pollution, the deteriorating quality of our schools, inadequate medical care, lack of housing can all be ended. **THE CRISIS OF CONFIDENCE IN OUR GOVERNMENT IS ALARMING**, but not irreversible if we are led by a man of action. Leadership will make the difference; McGovern can provide that leadership.

Robert Kennedy said, "George McGovern is the most decent man in the United States Senate." He had combined leadership with foresight, integrity and courage on the issues. With your support, he can win; George McGovern will be the next president of the United States.

Harrison Edges Churchill, 2-1; Captures Western Six Title

By TOM DONOGHUE
Sports Editor

It hasn't taken Farmington long to make waves in the Western Six baseball conference. The Hawk baseballers have captured the league crown in only their second year and first with a senior class, and Coach Dick Tyler has to be beaming with the "older" Farmington schools struggling in their respective leagues.

Harrison edged Walled Lake Western in a nine inning affair, 5-4, and topped Livonia Churchill, 2-1, to seal the first position.

The Hawks stand 6-1 in league action and 9-3 overall. "The kids have really put it together," said Coach Tyler. "They played nine innings against Western and came

right back the next day to beat Churchill and wrap up the championship."

Churchill was still in contention with a Harrison victory a must but the Chargers ran out of pitching and out of contention.

"I believe we have a better team than Harrison," said Churchill Coach Roger Frayer. "But we lost twice to them, both by one runs, so they deserve the championship."

It was a winning combination of Gary Morrison and Tom Young that set down the Charger bats with only four hits. The same duo worked the day before against Western with Morrison getting the win in relief.

This time it was Young who came in to relieve Morrison

and it was Young who picked up the victory, his fourth against one loss.

GORDY MILLER and Mike Keller went the distance for Churchill with Miller taking the loss. Harrison collected only six hits but 10 walks might as well have made it 16 hits.

The ball just wasn't going over for Miller and Keller and hopes of a Churchill crown vanished with the flash of a "ball signal."

Harrison scored its first run in the bottom of the second. Gary Morrison singled and Brian Collins followed suit. Morrison was thrown out, and with two outs, second baseman Steve Morrison lined a single to right to score Collins and the Hawks were up, 1-0.

Churchill came back in the top of the fourth with a scoring opportunity but could only muster one run with seven Chargers stepping up to the plate.

RICK DREHER singled and stole second and with two outs, Al Leirstein singled. A passed ball allowed Dreher to score with Leirstein moving to second. Bruce Van Wagoner was safe on an error and Jim Foster walked to load the bases.

Coach Tyler replaced Morrison with Young and Miller grounded out, pitcher to first to retire the side with the score notched at one all.

Harrison came right back in the bottom of the inning to score what proved to be the winning run.

With two outs, Steve Morrison walked and moved to second on a wild pitch. Tim Golich walked and by that time, Coach Frayer had enough.

He sent in Keller and Jeff Kallgren drew a base on balls to fill the bases. Dave Manos then came up with his biggest run batted in of the season. He walked and Steve Morrison trotted in with the tie breaking run.

KELLER struck out Young to end the inning but the damage was done, and all after two were out.

Churchill rallied in the top of the sixth with Mick Cron singling and Leirstein getting a walk with only one out. But Young got tough and got VanWagoner to pop out and Foster to ground out to end the threat.

Churchill did have one bright note in the week's action with a 5-4 triumph over Waterford Mott, but at the expense of hurler Ken Wood.

Falcons Shut Out Waterford, 4-0; Stand At .500

Farmington scored its fourth Inter-Lakes baseball win over Waterford with Jim Harte hurling a five hitter and the Falcon bats providing the necessary margin in a 4-0 shutout.

FARMINGTON picked up one run in the top of the second. Bob Holten walked and Bill Platko singled. Dennis Dorsch sacrificed the runners to second and third and Holten scampered home on a Dennis Hagen infield.

Mike Flynn singled and Tony Wenson walked. Harte singled driving in Flynn and Rick Pauline walked to load the bases. Bob Holten singled in Wenson and Dorsch drew a base on balls to force in Harte.

It was Harte's second victory against one defeat. He fanned five and walked one.

The Falcons rounded out their scoring with three runs in the fifth inning.

Bob Kennedy took the Waterford loss and Farmington improved its overall mark to 4-4.

Stevenson Falls Victim To Lathrup Charge, 3-0

Southfield Lathrup continued its reign in the Inter-Lakes baseball race with a 3-0 victory over Stevenson.

Lathrup scored once in the first inning on a walk to Bruce Ruhl, a single by Dave Kay and another one base hit by Milt Thackaberry to score Ruhl.

sacrifice and a run producing single by Kay. Back to back doubles by Ruhl and Thackaberry scored the third and final run for Lathrup in the fifth.

It was Jeff Kessner's day to shine for the Chargers with a two hit pitching performance. Stevenson hurler Bob Bialy was the lone Spartan to break into the hit column with singles in the first and fourth innings.

The Chargers made it 2-0 in the third on a single by Barry Brodsky, a Mark Flynn

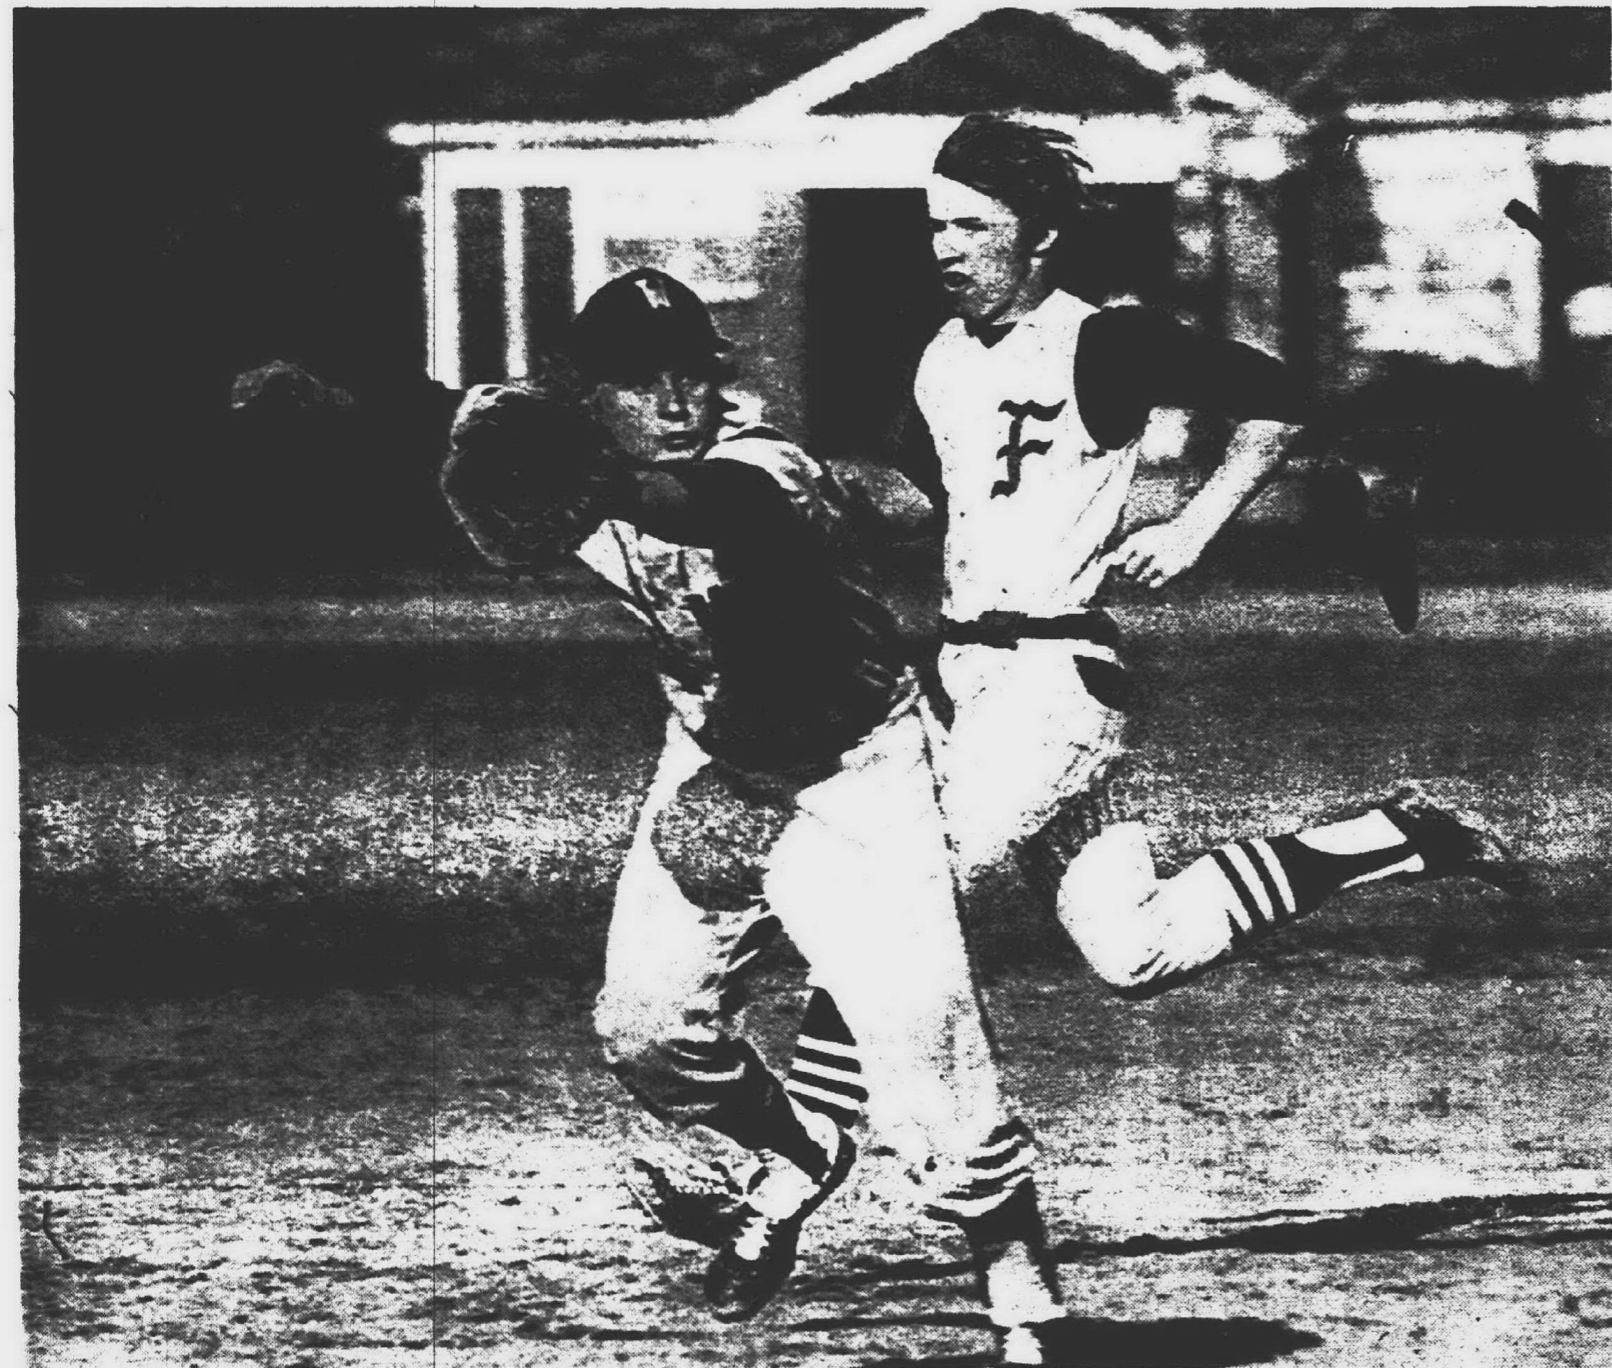

LATHRUP plays at Pontiac Northern Monday with Stevenson entertaining Waterford.

Netters Fall To Kettering

Kessner struck out seven and walked none in the seven inning contest.

Waterford Kettering handed Clarenceville a Wayne-Oakland tennis loss, 3-2, and the Trojan netters fell to a 4-4 mark.

unbeaten streak to eight with a first singles triumph over Jim Cetlinski, 6-1 and 6-2. Nubar Ornekian captured the other Clarenceville win, 6-4 and 7-5.

WIDE THROW - FLYING HELMET — Farmington's Dennis Dorsch legs it into second with the Waterford second baseman reaching in vain for a wide throw. Farmington topped Waterford, 4-0. (Observer photo by Tom Donoghue)

BANK AMERICAN MASTER CHARGE DINERS CLUB

IN THE POCKET

By W.W. EDGAR

You won't find her name listed among the champions, but Sue Lynch, the 16-year-old who bowls in the Traveling Classic at Garden Lanes, stamped her name indelibly into the records of the Women's International Bowling Congress last week in Kansas City.

A graduate of the American Junior Bowling Congress, she posted games of 212, 234 and 236 for a 682 series to take second place in the singles—a feat almost unheard of for a girl bowling in her first major tournament.

Teamed with Bev Patterson, a 19-year-old from Troy, they were the youngest doubles combination ever to bowl in the national tournament and she had a 542 and a 578 in the team event for a nine-game total of 1802 and third place in the all-events.

ASIDE FROM HER bowling Sue's name was on everyone's tongue for another reason.

Just as she was about to start bowling she suddenly discovered that her slacks were split. That would have upset most any bowler. But not Sue.

The little 5'6" lass just borrowed a pair from her six-foot partner, rolled them over at the waist line and went about setting the bowling world a glow.

It was a great climax, to a great year for little Sue.

As a member of the Eddie Coy 3-6-9 team she bowled in three leagues and posted averages of 186, 186 and 182.

So, paste her name in your hat. You'll be hearing more about her.

METROPOLITAN Detroit's strongest bowling team—Stroh's—is breaking up again.

As the season closed, Mike Smardjda, who has starred on the combination for several years, and the veteran Bob

Kwolk, one of the top average bowlers in the all star classic, submitted their resignations.

Smardjda cited the extensive travel that gave him very little home life and in sufficient time to tend to his business as his reason for leaving the team. Kwolk, in leaving for the second time, is taking a new position in Ohio.

It is understood that the survivors—Capt. Bob Crawford, Mike Totsky, the city's top average bowler, Dale Seavoy, and Harry Campbell will be back on the firing line.

No announcements have been made regarding the successors to Smardjda and Kwolk.

WITH THE closing of the Detroit Woman's Bowling Association tournament over the weekend, the Motown Record team walked off with most of the actual scoring honors.

While Lily Marcaccio's "Smiling Wonders" won the handicap section with 3110, Motown took the actual pin crown with a 2804. And Livolia Brown, of Motown, took the actual all-events with 1778.

In the handicap division Jo Ann Bern and Jolly Jolleycardo teamed for a 1302 to win the doubles and Charlene Coppea paced the handicap singles with 1962.

THERE WAS GOOD reason for the broad smile on Doc Reinsh's face at Westland Bowl last week.

The good doctor, one of the most enthusiastic of all bowlers, came through with a 610 series in the all-star league. After a rather fair 177 he followed with 229 and closed with 204 which was real tonic—even for him.

Tony Monastiere paced the league with a 694 on games of

237, 202 and 255. Right behind came Fred Vitali with a closing 276 for 685 and Bert Newby, with a 289 opener, landed third on 684. Other high scores included Marc Milosevich with a 247 in 673.

MARLENE PINK'S Masters' Lounge team won a three way rolloff to take the Forest Park Lanes League title at Country Lanes. The other teams involved were the Shenk Construction combination and Blackner Equipment.

WITH A SCORE 66 pins over her average Yvonne Dainty won the Nite Owls title at Mayflower Lanes.

BOB WALKER, with a 689, showed the way in the Garden Lanes Classic. At this figure he had a 17 pin margin over John Grenrod Tom Ranes landed third with 666.

Others with double century figures included Bob Rose, Richard Brennan and Henry Baskin, all tied at 652.

KERL CIPTONERRI waited until the last night to set a high in the Lady of Sorrows League at Bel-Aire Lanes. She liked 234, 226 and 123 for a 623.

Ralph Sanek topped the men with a 279 in 620. In the doubles George Howes had a 269 and Jack Brown a 648.

In the Senior House League Ron Watson was high with 696 and Steve Kielian a 667.

MRS. MARGE KROPACEK, a member of the Saunders Mix-Ups in the Suburban Travelling League, had the bowling thrill of her life last week in Kansas City.

Bowling in the WIBC tournament she rolled a 575 in the team event, 552 in the doubles and 556 in the singles and saw her name in sixth place in the all-events on the big board as she left the building.

Bill was taken to his home two weeks back and had a slight setback shortly after arriving. However, a couple of days in the Lexington hospital and he was himself again.

Whether Bill will be back for any of the Wolverine meeting remains to be seen. He is making plans to return for the Hazel Park campaign beginning in August.

THERE ISN'T any question in the minds of anyone close to harness racing but that Wolverine is in the midst of its best season.

The first ones to attest to that are the horsemen who received a fourth hike in purses a few nights ago, effective with Monday's races.

The new increase boosts the minimum to an all-time high of \$1,300. Just imagine the horses went for a \$1,300 minimum two months ago and now are competing for purses unheard of a few years back.

The latest hike boosts purses for the lower class races by \$100, the middle class events by \$200 and the top races by \$300.

Thus, the \$7,200 invitational will go for no less than \$7,500 for the remainder of the meeting and for \$10,000 when stand-out horses are shipped in.

THE LIST includes: Raye Forsyth's Local Time, who sped to a 1:58.1 mile a year ago in a losing effort and is just now regaining that form; Knox Patch, who held the track record for the better part of two years; Tricky Dale, from the Bob Kalish stable, who has won three invitational; Shiaway Lad, handled by Chris Boring, who has been flirting with 2:00 in most of his races this spring; and Gene Riegle's Baby Tears, a six year old with winnings of \$62,000 and a time of 1:59.2 a year ago.

That should be enough speed and experience to keep the crowd on edge from the start to the finish of the mile.

The seventh race, a preferred with a \$5,000 purse, has seven starters including such fast ones as: Chief

FINNISH BOWLING CHAMPIONS TOUR — After competing in America's national women's bowling tournament in Kansas City a week ago, the two top bowlers in Helsinki -- and Finland -- visited Helen Weston, one of Detroit's All-Stars and a former world champion. While here, they paid a visit to the Observer Newspapers plant to see how a modern American newspaper is produced, and to visit W.W. Edgar, conductor of the "In The Pocket" bowling column. RU Baseballers 'Enjoy' Week Of Firsts

By TOM DONOGHUE
Sports Editor

Redford Union baseball Coach Bob Atkins is still looking for an ace to take over mound duties but is meanwhile enjoying a pretty exciting season.

The word exciting should be clarified with the meaning of excitement from both sides of the fence.

It was a week of firsts for the Panther nine. In the 9-4

loss to Belleville, Kevin Bava did something against Atkin's crew that nobody has done in his 12 years of coaching over 600 ball games.

Bava blasted a 320 foot grand slam off RU hurler Pat Burgess, marking the first time in Atkins' 12 year reign at RU that an opponent has hit a bases loaded round tripper.

"That blast was the ball game," said Atkins. "I guess it was bound to happen after 12 years."

The other first came later in the week with Northville's Jeff Moon throwing a no-hitter against RU but RU still managing to win, 2-1.

"First time we have ever had a no-hitter thrown against us and won," exclaimed Atkins.

So after a week Coach Atkins will long remember, his Panthers stand 3-4 in Suburban Eight play and 12-4 overall.

BELLEVILLE jumped off to a 2-0 lead in the second inning. Bava singled and Mike Danserd was safe on a fielder's choice. Ed Branam was safe on an error and a double error followed with Danserd scoring. Tim Vance singled to bring in Branam.

RU came back with one in the third on a single by Burgess and a double by Ron Campbell. A missed squeeze play halted the rally.

Then came the third inning

where Atkins finally saw it. After walks to Larry Farr and Bill McCoy and a single by Mike Kotke and walk to Vern Gowen, Bava uncorked his four bagger over the right field fence, some 320 feet away and RU found itself down 7-1.

A walk to McCoy, an error and single by Gowen scored another in the fourth to increase it to 8-2.

THE PANTHERS hadn't packed their bags yet. Mike

Kalil walked and was forced at second. Rob Campbell singled and was forced at second. Mike Johnston singled and an error resulted in two Panthers scoring to make it 8-3.

Belleville added a run in the bottom of the fifth with Danserd singling, stealing second and scampering home on a one base hit by Vance.

RU tallied in the seventh to conclude the scoring with Burgess and Mark Durance collecting singles and an outfield error allowing Burgess to score.

Gowan held RU to seven hits, struck our five and walked two in scoring the win.

Burgess went all the way for the Panthers, allowing 10 hits, striking out two and walking four.

THE RU BATS were silent in the non-league Northville battle but the Panthers didn't need any hits to win.

Moon handcuffed RU with not one Panther collecting a hit, striking out eight and walking two. Sophomore Tom Miller didn't do all so bad on the RU mound with a three hitter to his credit.

Northville struck in the second inning to take a 1-0 lead. Steve Serkaina singled and Doug Griffith followed suit. Todd Marzonic walked and

Moon sacrificed in Serkaina.

MOON HAD RETIRED the first 11 RU batsmen before facing Mike Johnston in the fourth. Johnston drew a base on balls and Glenn Richmond was safe on an error by the first baseman with runners advancing to second and third.

Kurt Fritz broke his streak of five consecutive strikeouts with a grounder to third. The third baseman threw the ball away and Johnston and Richmond scored with the help of a double steal and the 2-1 lead was all Miller needed to set down Northville and score his fourth win against two defeats.

Bulldogs Nabbed, 8-4

Edsel Ford Crushes Bentley

Bentley fell below the .500 mark in Suburban Eight baseball action with an 8-4 defeat at the hands of Dearborn Edsel Ford. The Bulldogs stand at 3-4 in league play and 5-6 overall.

Edsel Ford didn't waste any time picking on Bentley starter Bob Couch. The Dearborn team pounded out four hits to score four runs, in the opening stanza.

Gary Dorosh singled and Greg Gomolak walked. Randy Owens moved the runners up on a sacrifice with James Cameron singling the two home. Robert Berce and Dave Ruta followed with back to back doubles and Edsel Ford

jumped to a commanding 4-0 lead.

Bentley got two back in the top of the third on a walk to Jeff Monson, a double by Bob Wasilewski and a one base hit by Bob Deacon.

Edsel Ford came back in the bottom of the inning to score

three times and lead, 7-2. Berce bounced one off home plate for a single and Ruta and Mike Fiester followed with walks.

Two sacrifices resulted in three runs scoring with the Bulldogs taking a nap on defense.

THE BULLDOGS tallied twice in the fifth to slice the difference to three runs. Deacon singled, Brent Boegler walked and John Gentz doubled to score both.

Edsel Ford scored its final run in the bottom of the fifth with Ted Chase drawing a

walk and scoring on a double by Derosh.

Roger Wiedemann went the distance for Edsel Ford in capturing the win.

Couch and sophomore Dan Beza worked for Bentley with Couch taking his second loss against four wins.

Franklin Sprints To Honors In Western Wayne Relays

That makes it two straight for Franklin High.

The Patriot trackmen sprinted to top honors in the ninth Western Wayne relays for the second consecutive year.

Churchill Cindermen Blitz WL Western To Finish 6-2 Overall

Livonia Churchill closed out its dual meet season with an impressive Western Six conference win over Walled Lake Western, 103-20.

The Charger trackmen finished 4-0 in the league and 6-2 overall.

CHURCHILL SMALLLED Western in six events and won all three relays in capturing 12 of the 15 firsts.

"Walled Lake is young,"

said Charger Coach Fred Price. "In a year or two they will be on the other end of the stick."

The two losses Churchill suffered in dual competition were two city rivals Franklin and Stevenson. Franklin blasted Churchill in the season opener, 88 to 35, and Stevenson sprinted past the Chargers, 70 to 35.

Churchill's Jim Watson was a double winner in the finale with firsts in the long jump and high hurdles. Kevin Arnold bettered his own mark in the pole vault for a school record of 11-9 1/4". He had earlier vaulted 11'6".

LONG JUMP: 1 - Watson (C); 2 - Ducker (C); 3 - Mendoza (C). Distance 19' 3/4".

A Vacation At Home

America — love it or leave it. By now, we should all know that is a complex statement. An expatriate often becomes more obsessed with his homeland than the home-bound natives, like a vet who never saw combat becomes obsessed with war. Do you have to leave it or love it? If you love it, is it because it allows you to leave it? Part of the American dream is the dream of escape, escape at least partly from America itself.

WHAT STARTED this round of non sequiturs is news that a friend who left for the south seas two years ago is now planning to return this summer.

Would you leave for the South Pacific? No? What if you were given transportation, a steady job, guarantee of a return trip (not required), Blue Cross, a government bureaucracy to deal with, a town on a coral atoll polluted by industry, with a population of rigid-thinking, civic-minded natives?

If you would only go under those conditions, why do you want to leave? All of this was the reality of my friend's trip to the land of the coconuts (on real palm trees, on real beaches).

It was confirmed by cassettes, mailed to be played on a tape recorder that was a duplicate of the one he held while lying on the bow of a catamaran. We could hear the sound of the waves curling by the boat while he dictated a description of the scenic wonders of the islands.

After work, of course. But the escape; did he escape? Yeah.

HE FOUND freedoms he never dreamed of. And as many crazy taboos as exist in the mind of the most ignorant redneck in Detroit.

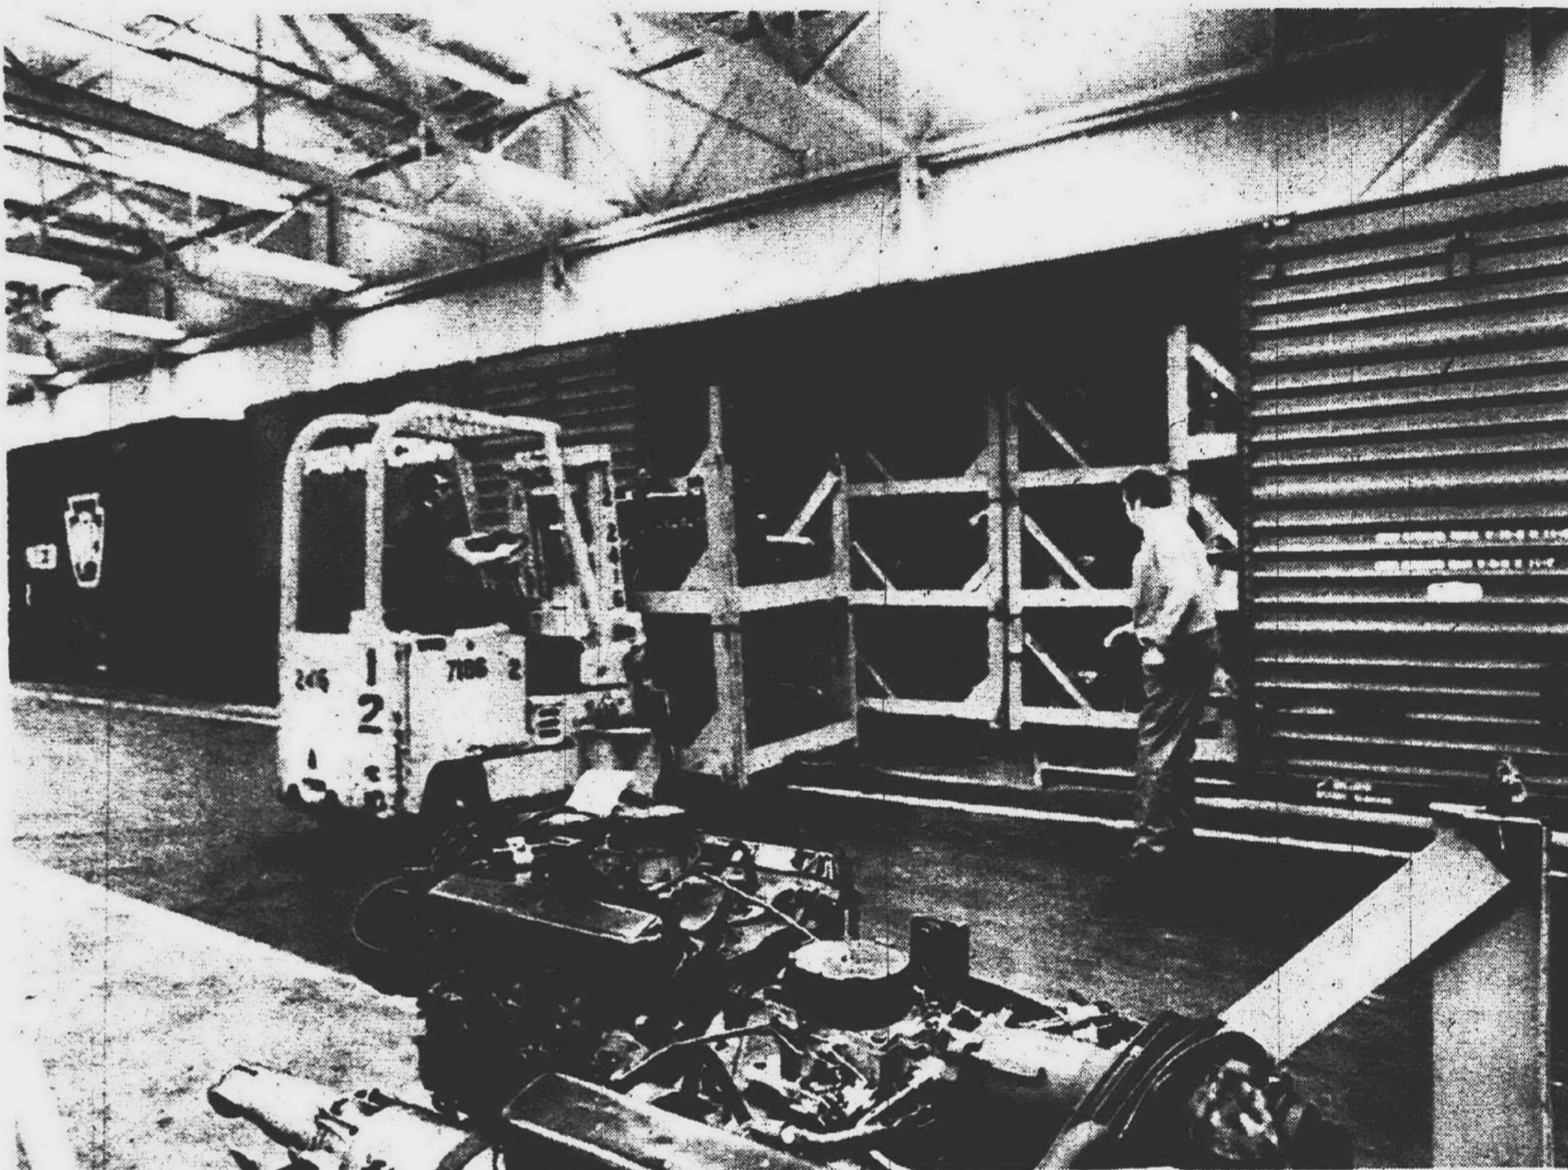

He taught the operation of business machines to teenagers when there weren't any such machines on the islands. But the teenagers wanted mainly to get out of there to the United States.

So now he is coming back. Home? He says it's a "vacation" — you don't "vacation" to home, right?

A complex world of family, friends and situations he left is still here.

Just possibly the point is to relate the adventure to an audience that can only be hungry to hear the story when it lives day to day in an industrial city in the north portion of the North American continent.

Maybe it's just the American way.

SHIPPING OF ENGINES AND components is a big part of the operation in the new Cadillac component fabrication plant on Middle Belt Rd. in Livonia. Over 90,000 square feet of floor

space is allotted for that part of the operation while over 1,000 different parts are moved into boxcars for a daily output of six to seven carloads.

MICHIGANIANS IN FLORIDA — Sen. Robert Griffin and his wife Marge (left) met Mr. and Mrs. Louis Schmidt of Livonia while Griffin made reports in several Florida cities to winter residents and visitors from Michigan. Schmidt is a retired Clarenceville superintendent of schools, state representative and aide in the State Treasury Dept. Their meeting was in St. Petersburg on the Gulf Coast.

"No Fault" Favored In Ford Poll

An overwhelming majority of persons who responded to a recent Ford Motor Co. campaign support the company's position in favor of the no-fault automobile insurance.

John J. Morrissey, director of advertising and research for the marketing staff, said 90 per cent of the 9,100 respon-

dents nationwide preferred some form of no-fault insurance, while four per cent were against it and six per cent had no opinion.

Morrissey said the advertising poll showed that 95 per cent of the respondents were dissatisfied with present car insurance systems and that the cost of insurance has

an effect on automobile purchases.

He said regional returns showed that no-fault insurance has a particularly high degree of acceptance in states (Delaware, Florida, Illinois, Massachusetts, Oregon, and South Dakota) which already have some form of no-fault.

EMU '22 Class To Be Feted

YPSILANTI Eastern Michigan University will play host to members of the class of 1922 at its annual Alumni Day on Saturday, May 20, in McKenny Union on the EMU campus.

Celebrating their 50th anniversary, they will be inducted into the emeritus club. Registration will begin at 9:30 a.m., followed by a brunch and presentation of awards to outstanding alumni.

The University Choir, directed by Emily Lowe of the music faculty, will provide entertainment during the morning meeting. Open houses in the new facilities of the chemistry and biology departments in the Mark Jefferson Science Building have been scheduled for the afternoon.

Earlier in the week, on Wednesday, May 17, alumni from EMU's College of Business will return to campus for a program of discussions with current students about trends in business.

The program begins at 9 a.m. with a coffee hour in the faculty lounge, 501 Pray-Harold. Four panel discussions are planned during the day, each led by prominent businessmen and EMU faculty members. Topics include truth in advertising, job hunting, the impact of computers on business and the relevance of business administration education in the real business world.

Executives from several major companies, including Xerox, Ford and Michigan Bell, will take part in the meetings.

'Wednesday Bride' In Floral Show

A "Wednesday bride," a bridesmaid and two behind-the-scenes flower arrangers were Observerland participants in the eighth annual Flower and Bridal Show held recently on the Michigan State University campus.

The show, put on by the MSU Floriculture Forum, a student organization, included three mock weddings and a couple of whimsical interludes, all complete with floral arrangements to give the students practical experience in planning, budgeting, organizing and executing such displays.

Jane McKelvey, daughter of Mr. and Mrs. Robert V.

McKelvey of Farmington, did one of the interludes, stuffing pillows in the appropriate place to show that "Wednesday's bride is full of woe."

Miss McKelvey, a 1971 graduate of Farmington High School, is a freshman majoring in journalism.

AMONG THE horticulture students working on the show were Karen Ann Shafer, daughter of Mr. and Mrs. Kenneth L. Shafer of Farmington and Alanna W. Reynolds, daughter of Mr. and Mrs. William T. Reynolds, formerly of Plymouth.

Miss Shafer is a junior majoring in horticulture science teaching. She graduated from North Farmington High School in 1969. Miss Reynolds, a 1970 graduate of Plymouth High School, is a sophomore majoring in horticulture.

VICKI S. KUHN, a 1970 graduate of North Farmington, was a bridesmaid in one of the three weddings, a candlelight ceremony in a Christian church setting that featured orchid arrangements and included 31 participants.

She is a sophomore at MSU and the daughter of Mr. and Mrs. G.T. Kuhn of Birmingham.

The two other weddings involved a spring floral setting with a five-member bridal party and 75 dozen roses and 16 participants in a Jewish ceremony.

In all, more than \$20,000 worth of flowers and gowns were used.

FOUR WOMEN EDUCATORS are the newest members of Beta Eta Chapter of Delta Kappa Gamma. Shown at their initiation ceremony are (from left) Barbara Geil, Mrs. Sylvia Baralucci, Carol Hornung, Mrs. Claire Albertson and Mrs. Kathryn Briggs. Mrs. Briggs is the group's new president.

4 Women Join Honor Society

Four new members of the Beta Eta Chapter of Delta Kappa Gamma, an international honor society for key women educators, were installed at a meeting last Sunday.

They are Barbara Geil, admissions director at Schoolcraft College; Carol Hornung, director of vocal

music at Clarenceville Junior and Senior High Schools; Mrs. Claire Albertson, teacher-counselor of the physically-

handicapped at Harrison High School, Farmington; and Mrs. Sylvia Baralucci, assistant professor of science at Macomb Community College.

New officers for the 1972-74 term were also installed at the meeting, held in the home of Mrs. Esther Bell Greenfield in Farmington.

Mrs. Kathryn Briggs will replace Mrs. Beverly Ellis as president. Also installed were Mrs. Bernadene Blosser, first vice-president; Evelyn Cohen, second vice-president; Mrs. Dorothy Bennett, recording secretary;

Sister Loretta Francis, treasurer; and Mrs. Betty Moore, parliamentarian.

Beta Eta has just completed a major project of designing and distributing new Michigan emblems for use by the 2,000 members of Michigan's 66 chapters. Proceeds from the sale of these emblems will be added to the state scholarship fund.

Lake Michigan Perch Guide

My engagement almost broke up one fine May afternoon when I took my woman perch fishing off a pier on Lake Michigan.

We used those old telescopic poles, no bobber, two No. 6 or 8 hooks just off bottom, with wigglers and minnows for bait. Even though we had identical rigs, my woman commenced to catch six or eight fish for every one I caught, for she was a native of those parts and practically raised on Lake Michigan perch. I told her I wasn't jealous, but she didn't believe it.

She got embarrassed at her good luck and my lack of it, so she quit and packed up her pole. As soon as her line was out of the water, I began to get bites, and pretty soon the scores were nearly equal.

THAT WAS 11 years ago, and between us we got two dozen of the striped beauties with the yellow-orange fins. It wasn't as good a catch as in the old days, but it was better than in the years that followed.

Perch fishing in Lake Michigan deteriorated badly later in the 1960s, and in the tasty perch's place came the useless alewife, which was no good to catch, no good to eat, died by the millions and stunk up the beaches.

So it was good to read in the May edition of Auto Club's Motor News that the perch is making a comeback in Lake Michigan, with not a single one artificially planted by the state.

The signs of a comeback appeared in 1969 when there were good catches of small fish. Sizes improved in 1970 and '71 with increasing numbers of "jumbos" — some up to 14 inches and a pound. This year, it may be like old times.

PERCH FISHING collapsed as part of a chain reaction that started in the 1950s.

The sea lamprey got into the Great Lakes from the Atlantic Ocean and nearly wiped out the lake trout. Lake trout fed on alewives, whose population

then exploded. Alewives compete with perch for food, space and spawning territory, and alewives love to snack on perch eggs. The perch population took a nosedive, and only the "pros" like my fiancée could nail 'em.

The Dept. of Natural Resources did two things about it. First there was the lamprey control program, and second there was the stocking of salmon, lake trout and steelheads (lake-running rainbow trout). They brought the alewife population under control, and now the perch are back too.

DNR biologists say 1969 was the best spawning year for Lake Michigan perch in a long time, and perch reach good, catchable size in three years.

PERCH BITE most of the year but best in spring. Sometimes you have to get out in a boat up to a mile, but often you can fish off a pier or breakwater. They're usually not great fighters, but some will put up a scrap.

The perch bite is quick. Set your hook just as soon as you see that pole tip wiggle. There's no closed season or minimum size, and in Lake Michigan no creel limit.

A perch meal consists of a schooner of beer, slices of tomatoes, pumpernickel bread and fish rolled in flour and cornmeal and fried to a golden brown. The flavor is clean and fresh, better'n coho any day.

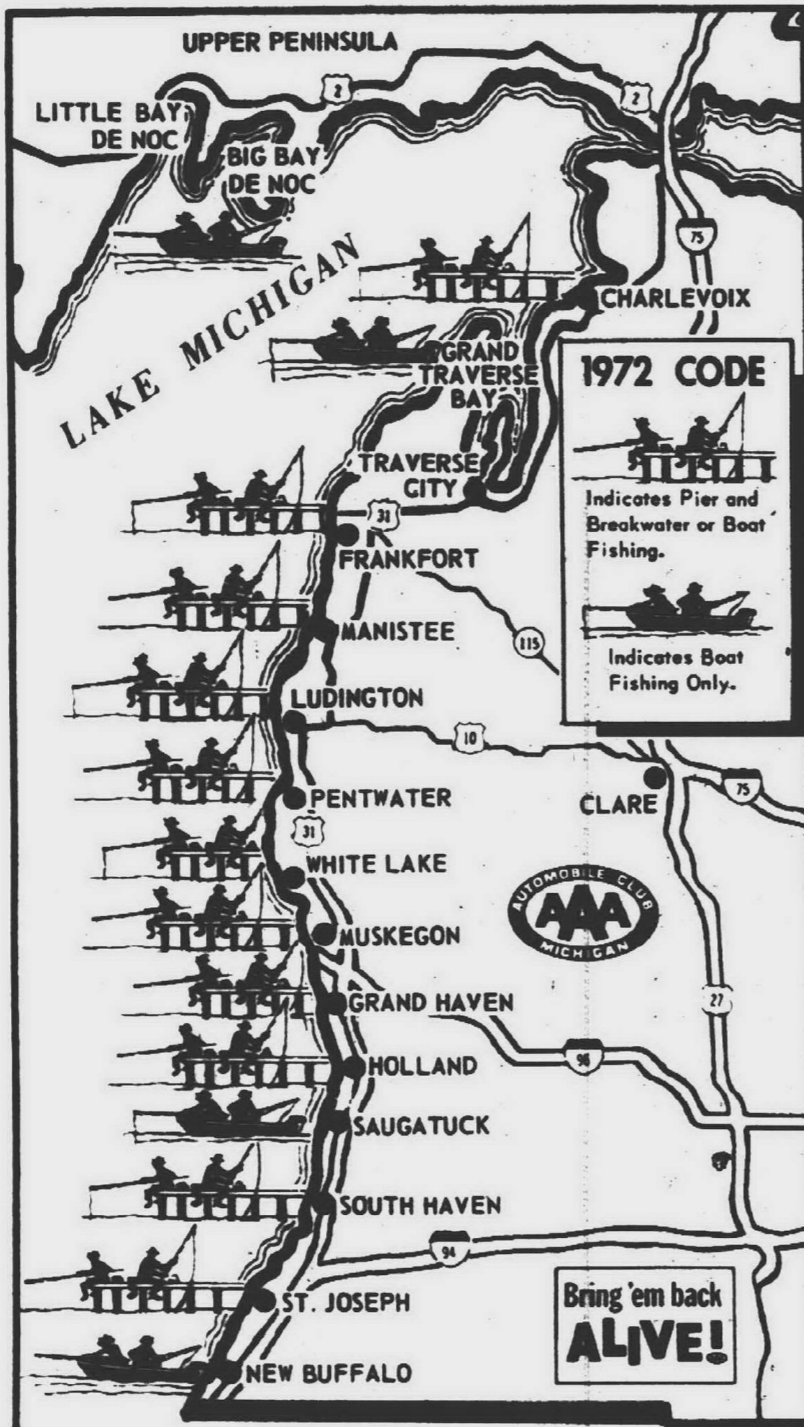

HERE'S THE latest southeastern Michigan fishing rundown:

Union Lake producing some 14-inch splake (hybrid brookie and lake trout), and crappies hitting good.

Sucker run still at its peak on the Huron River below Milford Dam. Light spearing activity at Sashabaw Creek.

Wayne County riverbank fishing popular but not too productive. Perch and crappies hitting good at the Flat Rock dam of the Huron; use small minnows.

DNR survey in the Huron at Pte. Mouillee showed thousands of carp.

HELPFUL HINTS-

- ★ Fish close to shore—usually not over a mile out.
- ★ During spring and fall, fish in four to eight feet of water.
- ★ Fish in 20 to 50 feet of water for jumbo perch during warm-weather months.
- ★ Use a pair of number 6 or 8 hooks, tied 18 inches apart, with a sinker at end of line.
- ★ Best fishing is in morning and afternoon, before noon and after 3:00 p.m.
- ★ No closed season or minimum size, and catches are unlimited in Lake Michigan.

Spring perch fishing action begins at the south end of Lake Michigan in mid-May and moves north through June. Bursts of good fishing occur during July and August. During September, excellent perch catches again are taken along the shoreline.

Almost any type tackle—from drop line to costly rod and reel—with wigglers, worms and preferably shiner minnows for bait guarantee success. Keep the baited hook close to bottom and don't move it much.

In Coming Week

2 Chances To Give Blood

Observerland resident will have two opportunities in the next week to donate blood.

One will come Monday, May 15, when a Red Cross Bloodmobile will be located at the Plymouth Elks club at 41700 Ann Arbor Rd., Plymouth, from 2 p.m. to 8 p.m.

Appointments can be made

by contacting the Detroit office of the Red Cross.

A special Healthorama Week program at the Livonia Mall will offer another opportunity to shoppers and area residents who want to insure their families' blood requirements for a full year.

The voluntary blood drive from May 15 through 20 will

bring a mobile unit from the Michigan Community Blood Center (MCBC) to the mall to accept volunteers from 12 noon to 8 p.m. daily.

Unmarried donors may designate three persons for coverage during the year. Donors must be in good health and between ages 18 and 65.

Kendallarks Set 5 Shows In May

The Kendallarks, a woman's chorus from Farmington, have scheduled five shows this month.

The choir entertained at St. Fabian's Church on May 8, and at Grace Lutheran Church, May 10. It will sing for the Palette and Brush Club, May 16; the Walled Lake Rotary Club, May 22; and the Church of Our Saviour, May 23.

Music of Bacharach and Simon and Garfunkel is being heard at all the shows, along with excerpts from "Jesus Christ, Superstar," "Walking in the Sun," and "Oliver." These are performed by a duet, a trio

and several soloists. The Kendallarks are also working on "Cabaret." Their director is William Feucht.

Accompanist, Stafford Preston, will play a piano medley entitled "Autumn in New York."

Rehearsals for the group will close this month, but will resume early in August to prepare for an October concert.

Anyone interested in joining the Kendallarks or having them sing should call the president, Mrs. Lawrence Gignac, 3939 Terrybrook Orchard Lake, or Joan Hollowell, 32354 Old Forge Lane, Farmington.

ALLEN STREET AND PAULA MILLER are capturing sounds of the big band era Tuesday through Saturday, in the Viking Lounge of the Holiday Inn of Farmington, 10 Mile Road near the Freeway Center. They're on stage between 8 p.m. and 1 a.m. Street, a former sax man with name bands plays organ, saxophone and clarinet. His wife accompanies on a full set of drums. They've appeared at many well-known clubs throughout the country.

Westland Group To Play For Choir

The Westland Civic Symphony Orchestra, established just this year, will participate in a "Save Orchestra Hall" benefit concert in Detroit at 4 p.m., Sunday, May 14.

The concert will be performed in the hall at Woodward and Parsons, Detroit. The orchestra will accompany the 150-voice Rackham Symphony Choir, directed by Charles S. Heard of Westland. Heard is also the orchestra's conductor.

The program will include

works by Copland, Hanson, Thompson, Hovhanness, Brubeck and Stravinsky.

Tickets are \$2 for general admission, \$1 for students and \$5 for patrons.

The concert is being sponsored by the University Center for Adult Education and the "Save Orchestra Hall" Foundation, as a further effort to save the 53-year-old hall.

The choir is the official choral group of the Detroit Symphony Orchestra.

Redford To Host MYI

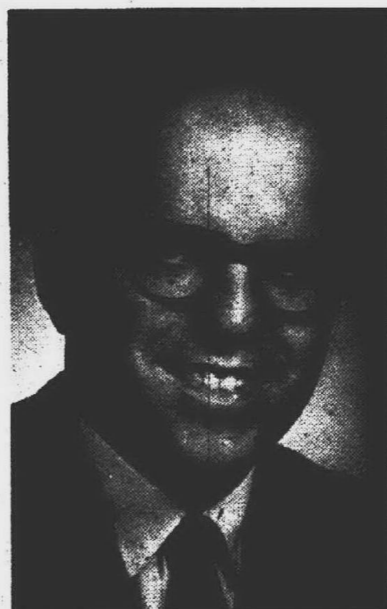

A concert group composed of 100 high school musicians will present a concert at 4 p.m., Sunday, May 21, in Thurston High School, 26255 Schoolcraft, Redford Township.

The concert, by Musical Youth International, is being sponsored by the Redford Township Music Society, which also sponsors the Redford Civic Symphony. Tickets, at \$1 each, will be on sale at the door.

PROCEEDS WILL go to the MYI scholarship fund and to the society's scholarship fund which assists talented Redford Township music students.

The MYI chorus and band, which has toured Europe, Japan, Mexico, Canada and all parts of the U.S., will tour the Mediterranean for a month this summer giving concerts in Greece, Yugoslavia, Tunis and several Greek Islands.

Edwin Tower, director of instrumental music in Farmington High School, is MYI band

RAYMOND VOOHEES (Chorus conductor)

EDWIN TOWER (Band conductor)

conductor. He is currently president of the Michigan School Band and Orchestra Association, and was on the MYI staff in 1969 when the group toured Japan and the U.S.

Raymond Voorhees, head of vocal music education in the Fenton Public Schools, has

been on the MYI staff since 1965.

FOR SUNDAY'S concert, the chorus will present a variety of songs on a religious theme, including "Jubilate Deo," an eight-part motet by Gabrieli; "Jesus, Jesus, Rest your Head," a spiritual;

Psalm 130, arranged by Bender, and songs by Hovhanness, Bach-Trusler, Kennedy and Fast.

The band will play "Procession of Nobles," by Rimsky-Korsakov; "Third Suite," by Jager; "Marche Militaire Francaise," by Saint-Saens; highlights from "Promises, Promises," by Bacharach; and "American Variations" by Bilik.

For a grand finale, the band and chorus will present the "Battle Hymn of the Republic."

MYI members come from throughout Michigan and Ohio. They practice regularly during the winter, and before going overseas present a series of concerts in Michigan.

At a recent concert in Monroe, the group received a standing ovation.

MYI is an organized People-to-People Youth Club, using music to carry the message of international friendship.

Mrs. Lester McCoy of Saline is the executive director.

Amy Wins \$475 Art Scholarship

Sixteen-year-old Amy Vorech of Plymouth will spend eight weeks studying art at Interlochen Camp of the Arts this summer after winning a \$475 scholarship from the Michigan State Federation of Women's Club.

Miss Vorech, daughter of Mr. and Mrs. R.H. Vorech of 1421 Hartsough, was an entrant from the Plymouth chapter and was the winner in the Southeastern Michigan district. There were five winners in the state.

The scholarship covers half tuition for the eight week program beginning at the end of June.

A 10th grader at Plymouth High School, Miss Vorech entered two oil paintings in the contest but will study drawing and sculpturing while at Interlochen.

Her interest in art has developed through art classes taken in school.

Artists Plan Trip

The Palette Guild is planning a "spring fling" for members and guests to the Toledo Art Museum on Tuesday, May 16. Transportation will be by chartered bus, and the outing will take the place of the regular May meeting.

Interested persons may contact Mrs. D.B. Swanson, 3589 Middleboro, Livonia.

Membership in the club includes women from northwest Detroit and all the surrounding suburbs.

The officers are Mrs. Edward Tiedeman of Redford Township, president; Mrs. John Cosgrove of Farmington, vice president; Mrs. Harold Leman of Livonia, recording secretary; and Mrs. George H. Armstrong of Redford Township, corresponding secretary.

The club is planning to hold an art exhibit in Livonia's Wonderland Shopping Center in June.

Met Tickets Still Available

DETROIT Metropolitan Opera performances in Detroit are now on sale in several price categories at the Ford Auditorium box office.

Operas for which tickets are available include "Otello," "Le Nozze di Figaro," "Faust," "Fidelio" and "La Boheme." A few singles, standing room and post seats are available for "La Traviata" and "The Daughter of the Regiment."

The Metropolitan will offer evening performances from May 30 through June 3 and a Saturday matinee on the latter date. All performances will be in the Masonic Temple Auditorium.

Symphony Says 'Si' To Ceccato

Aldo Ceccato, 38-year-old internationally-acclaimed conductor from Italy who has enjoyed extraordinary musical successes in the past few years, has been named principal conductor of the Detroit Symphony Orchestra effective with the 1973-74 musical season.

The signing of a two-year contract by the handsome maestro was announced Wednesday by symphony president Robert B. Semple.

CECCATO HAS enjoyed a stunning series of guest conducting triumphs with such illustrious orchestras as those in New York, Boston, Cleveland, Chicago, among others in this country and abroad, and he has been acclaimed in such prestigious opera houses as La Scala, Convent Garden, at the Glyndebourne Festival and with Chicago's Lyric Opera.

Sixteen Ehrling's tenure as music director and conductor of the Orchestra will continue through the 1972-73 season, ending May 1973. He will be rounding out 10 seasons of service in Detroit.

CECCATO'S DEBUT with the Detroit Symphony will be

made in Ford Auditorium on Dec. 7 and 8. He also will appear with the orchestra in a guest conductor role on Feb. 22 and 24, 1973.

Ceccato is married to the former Eliana de Sabata, daughter of the late distinguished conductor Victor de Sabata.

Collectors Will Hold Reception

A "meet-the-collectors" reception is being held from 2 to 5:30 p.m., Sunday, May 14, in the Detroit Institute of Arts, as part of the show "Detroit Collects Prints and Drawings."

WELL SPRING, a new cosmetic base from Bonnie Bell, allows you to mix your own cosmetics at home. You can use water, milk or a variety of fresh fruit juices.

Summer Styles Stress Easy Care

THE DUO CUT combines the look of length with a swing of curl. For the girl who isn't quite ready to part with that lovely long hair, the Duo cut offers a new look -- long in the back, short around the face. (Photo courtesy of National Hairdressers and Cosmetologists Association)

THE DUET CUT is a summery smoothie to tame the savagery of past seasons with a cooler look that is still long. The Duet is the "new look" for an outgrown shag. The Duet Cut is named for the two very different looks it can achieve -- the sleek duet reminiscent of the medieval page or a relaxed style with gentle curl for evening. (Photo courtesy of the National Hairdressers and Cosmetology Association)

THE SOLO CUT is for ready-to-wear hair. drip dry and summer free. The all-one-length cut, which requires a permanent, comes in "casual" or "curly" styles. (Photo courtesy of the National Hairdressers and Cosmetologists Association)

SOME LIKE IT LONG. Although the trend is toward shorter hair, many younger women prefer to keep their long hair said Southfield hair stylist Mr. James. This style, like most shown this year, is fairly short around the face. (Photo courtesy of Canned Ego Salon.)

FASHION COMES in small sizes, too. The short-in-front, long-in-back look of the Cuo Cut teamed with the smooth page of the Duet creates The Young American, a no-care fashion great for any youthful lass. (Photo courtesy of the National Hairdressers and Cosmetologists Association)

SHORTER AND SHORTER hair styles will show up on fashionable women this summer. Local hairstylist Mr. James, said new styles are precision cut with a blunt scissors, washed and blown dry and curled with a curling iron. No more teasing, brush rollers, wet sets or hairspray for the new styles.

"How can you run your hands through a head of stiff hair?" he said. (Photo courtesy of Canned Ego Salon.)

Mixing Fruity Cosmetics In Your Own Kitchen With a New Base

Ever wish, perhaps as you shelled out three bucks for a tiny jar of cream, that you could make your own cosmetics?

With the help of a new product, Bonnie Bell's "Well Spring" and the fresh fruit of your choice you can.

Well Spring is a 24 (unlisted) ingredient liquid base that can be combined with water, milk, fresh fruits or anything else you care to throw in, to make anything from skin conditioners to sun tan lotion.

The lotion comes with mixing jars and a recipe book listing 24 fresh cosmetics you can mix in only a few minutes. It sells for \$3.50 for 4 ounces or \$5.50 for 8 ounces.

Any cosmetic made with fresh lemons or strawberries sounds terribly organic but remember, Bonnie Bell doesn't say what the "over two dozen carefully selected ingredients" in the base are. And then some people are allergic to fresh lemons and strawberries.

So, as with any cosmetic, be sure to test it on a small portion of skin before smearing it all over your face.

Used alone Well Spring is "a gentle skin cleanser that leaves the skin pliable, moist and smooth." Mix it with an equal amount of water, shake, and it becomes a slightly oily white cream for hands or face. Mix it with equal parts milk or yogurt and you have a protein cream.

Now for the fun fruit part. Fruits should be ground and strained. Use only fresh fruits as canned fruits contain sugar and additives. Use equal parts (1 tsp.) fruit juice and Well Spring and shake for a cream.

Some acidic fruits juices like lemon, orange and grapefruit, will have to be neutralized by adding small amounts of baking soda before they will form a cream.

Other fruits such as apples and bananas, will tend to oxidize as they do when peeled. Add a crushed Vitamin C tablet and refrigerate.

APPLE, CANTALOUPE, CELERY AND PINEAPPLE creams are moisturizers.

CARROT (which contains Vitamin A) and STRAWBERRY creams are good for dry skin.

CUCUMBER AND LEMON creams are astringents.

Glycerine and Rosewater mixed with Well Spring makes a hand cream.

Mix egg and beer with the base and you have a pre-shampoo hair treatment lotion.

Mix the yellowish juice from the leaf of an ALOE plant (if you can find one) with Well Spring for a soothing cream. The aloe plant supposedly contains healing agents, especially for burns.

Try WHITE WINE or WITCH HAZEL for a stimulant and toner.

How about TEA? Mix three parts quadruple strength tea to one part Well Spring and rub it all over your body before going to the beach. Bonnie Bell says the T tannic acid will screen up to 50 percent of the burning rays of the sun.

Where do you go from here is up to you. Just remember to test each concoction before using extensively.

Most cosmetics have been found to be fairly germ free when first opened but provide good breeding grounds for germs from fingers, applicators and the air as they are used repeatedly. Since Well Springs recommends each cosmetic be mixed in a very small amount, this problem should be reduced (provided you don't contaminate the bottle of base.)

For that summer hairstyle, color or cut you want, call for an appointment soon.

Visit our new fashion shop where our exhilarating new fashions bring fresh sparkle to the season. You'll find colors that rival the rainbow, fabrics that make life easy.

"A blood analysis tells a physician many things; it usually tells you little that you could not learn by examining yourself carefully before the mirror. If your ears and if your forehead, neck, and skin not hidden by rouge have a glow of health, you can assume that you are not anemic. You have one of the fundamental attributes of genuine beauty and probably the vivacity which helps to make up the intangible qualities known as charm and personality." Adelle Davis, national nutritionist.

YEAST MASK
Add a small piece of Brewer's yeast and a little olive oil to the yolk of one egg. Mix well. Apply to the face and neck, leaving on for 20 minutes. Removed with softened water. This mask is excellent for a dry skin. It softens, cleans and closes the pores.

Make-up Makes You Pretty or Pretty Sick

Cosmetics can do a lot for a girl.

They can send her running to the doctors for one thing.

The Food and Drug Administration estimates cosmetics -- including bath oils, eye makeup, perfumes, hair conditioners and colorings, skin creams, face make-up, shave creams and sun tan oil -- injure 60,000 people annually.

Injuries range from allergic reactions to infections from bacteria.

Unlike food manufacturers cosmetic companies are not required to list the product ingredients on the label.

So if you are allergic to a certain face powder, you can only keep experimenting with other brands hoping you will find one that doesn't give a bad reaction. There is no way to compare the ingredients.

Last month the FDA announced a compromise plan for the voluntary filing of product ingredients. The plan disappointed consumer groups which hoped to see the ingredients listed on the label but has more teeth than secrecy-conscious manufacturers favor in requiring that a manufacturer justify any request that a formula be kept secret.

The proposal was originally submitted by the Cosmetic, Toilet and Fragrance Association, which represents 85 per cent of

the cosmetic industry, last year.

Under the FDA compromise the list of ingredients will be available only to doctors. However, Avon, the largest maker of cosmetics recently adopted a policy of furnishing ingredient information to customers on request.

Consumer complaints on cosmetics have included loss of hair from shampoo cream rinses and eye injury and possible blindness from eye make-up.

Dr. Louis Wilson has been growing bacteria in mascara bottles for the past year at the Medical College of Georgia in Augusta. He cultured 428 eye make-up samples from 235 women aged 18 to 52 and found that 12 per cent contained potentially dangerous fungi and 43 per cent were contaminated with bacteria.

If the contaminated make-up gets into an eye scratched by a contact lens or other cause infection is possible.

He found that no brand of eye make-up was any safer than any other brand and that most cosmetics were fairly pure when purchased but became contaminated through repeated use.

The doctor's prescription? Use of a stronger preservative, which must be sanctioned by the FDA, and packaging eye make-up in one shot containers which would be used once and thrown away.

Hair Styles In Two Lengths

The shag haircut and long flowing locks have fallen by the wayside as fashion "looks" in this season's trend toward a simple sleek appearance.

The shag has been replaced in leading salons by what looks like a long bowl cut and is referred to as 1) the Reverse Angle Cut 2) the serif cut 3) the femme fatale or 4) the Duet cut.

The hair is separated at the crown and combed toward the face. The ends are curled under. The cut was designed for women who want a "look" while her shag grows out.

Hair stylists say the next step will be even shorter hair.

Other styles show combination long-short cuts -- a transitional stage between last year's flowing locks and the short bobs to come.

Some haircuts featured for spring and summer by the National Hairdressers and Cosmetologists Association are short in front and long in the back and are aptly named the "Duo Cut and the Combo Cut."

A 24 page booklet describing different styles for each haircut, hair care hints and fashion news, is available at NCHA member beauty salons.

THE COMBO CUT combines several lengths into a tapered top layer with a soft length of curl in the back. The Combo accents feminine fashion with a bounce of gentle curl, sometimes pulled back at the nape. For a tailored sophistication the shorter layer is brushed behind the ear or pulled back in a sculptured curl. Hair pulled to the crown or accented with a hair piece creates evening elegance after five.
