Linking Yesterday With Today

Old Village Plans Changes

By W. W. EDGAR

Inspired by the success of their promotions during the past year and the manner in which they have been accepted by the residents, sponsors of Old Village are planning some revolutionary changes to stand that section of the city apart from anything in the state.

Under the new plan, submitted to the city commission Monday, the two block area bordering on Starkweather from Liberty to Farmer Streets, will undergo a change that challenges the imagination.

First, the plan calls for the closing of the alley next to Liberty Street and making it a mall with the present

buildings on Liberty reversed in such a manner that the fronts will face the mall, which will have a cobblestone base and be enhanced with several old fashioned street lamps.

It is figured that the changes will add at least 24 parking places and the manner in which the area is being designed will provide easy access for customers and plenty of unusual little twists and turns to make the entire area more attractive - not

only for tourists, but for townspeople, too.

When the plan is completed, there will be the park at Farmer and Starkweather with the old cannon as the centerpiece and a small park at Wilcox and Starkweather as the official entry into Old Village and the City of Plymouth.

UNLIKE OTHER sections of the city where the city had to join with the merchants to provide parking, the sponsors of the proposed Old Village changes have agreed to absorb the estimated \$2,500 cost of parking.

The enthusiasm of the group caught the fancy of the city commission to the point where the city has offered its help - first in instructing Tom Waffan, city engineer, to work on plans and drawings and help in any other way.

The Old Village backers, in their enthusiasm, also let it be known that they would like to gain possession of the old C&O freight house where the Old Village dance was held Saturday night. More than 200 persons were attracted to the dance with its gay cabaret setting and inspired the hope of making it a permanent place for such affairs.

The all-day affair on Saturday, known as "Remember When," was considered a huge success despite the heat. Big Bill, for instance, sold his allotment of 1,000 hot dogs and had to close up shop by 4 p.m.

ALL OTHER activities were well attended - even the sidewalk haircuts, more than 35 lads had their hair cut by late afternoon. Most merchants sold their entire stock set aside for the day.

Pat and Bill Hann were the prime movers for the "Remember When" affair. They were joined by such promoters as Doug Blunk, and Chris and Frank Kontos.

"And everyone was so cooperative - from city officials on down - that we were just overwhelmed," Pat explained at the council session Monday night.

One Word Stalls School Pact

By KATHY MORAN

Bargaining teams for the Plymouth Board of Education and the teachers are locking horns over the definition and significance of increments provided for teachers in past contracts.

As negotiations continue, prospects for settlement hinge on this crucial question.

The increments provided in past contracts for each teacher take the form of a 12-year salary schedule. According to Bill Heath, president of the Plymouth Education Association, teachers begin at the bottom of this schedule with the understanding that after 12 years they will reach the salary they should be earning for their profession.

In the past teachers have moved up a step each year toward their maximum salary and have also received a percentage increase, primarily to cover the cost of living increases.

THE RESULT can be seen from the 1971-72 contract where teachers actually earned a 10 to 11 per cent total increase after adding the increments plus a six per cent general increase.

The board's negotiating team wants to change this past procedure but chief negotiator, Norman Kee, takes issue with the teacher's claim that the board wants to "eliminate" increments.

"We are not trying to destroy the increments," Kee said.

"We have never made an offer that didn't include the increments," he said.

Kee defined the board's position as offering the teachers their increments plus whatever percentage would bring them up to total of 5.5 per cent. This is the way administrative contracts were settled and the way the transportation workers' contract is expected to be finalized this week.

Since the increment represents new money to the teachers no matter what is the philosophical view of increments, Kee argued that the teachers will in effect receive

5.5 per cent increase. Of that percentage, 4.5 to 5 per cent of it would be the increment while one-half to one per cent would be the percentage increase.

He attributed the change from past policies to the tighter budget and the leveling off of teacher's salaries across the state.

The board's offer has the effect of "ballooning" the 11th step. Those persons moving from the 11 to the 13th step would get an approximately 11

per cent increase to bring them up to the top salaries in most of the districts, Kee said.

HEATH countered that the large increase for teachers moving to the 12th step of the salary schedule is unfair to the

teachers with less seniority in the district who are further down the salary schedule.

Heath equated the inclusion of increments in the percentage increase as having teachers "supplement the economy."

He said they would in effect be dipping into their earned increment to pay for the rising cost of living. Thus, they would be earning less as the cost of living rises.

A teacher whose increment is five per cent of the 5.5 per cent increase would get a half per cent increase to cover the rising cost of living and thus would have to meet rising costs with his earned increment.

Though arguments on the increments are complex, both sides agree that the board's proposal represents a switch from past procedures. While the board hopes to save money with its offer, teachers are reluctant to give up a principle that has been maintained under past contracts.

It also will be the annual scholarship night in which the patrons will be given the opportunity to contribute to the fund. More than 70 scholarships have been provided in recent years.

As another feature the Plymouth Percussion Ensemble will perform during the intermission. This group has been together for more than a year and has become quite talented. The members include Debbi Phelps, Carol Stone, Heidi Foster, Jim Schmoes, David Messacar and Harry Secord.

Between them the Hulsings have given 25 years of service to the Plymouth schools. Only recently Mrs. Hulsing retired as board president after serving 17 years.

As the musical highlights of the evening, Conductor Griffith announces the band will play a series of Johann Strauss waltzes and a series from numbers from Rodgers and Hammerstein's Sound of Music.

Community Band Plans Tribute To Hulsings

Mr. and Mrs. Ken Hulsing, each of whom has served as president of the board of education for the Plymouth Community District, will be paid an unusual tribute Thursday night.

The weekly concert of the Community Band will be dedicated to them and a special program has been arranged in keeping with high regard in which the couple is held throughout the entire community.

Hot Spell Has Good Points, Too

The recent steaming hot spell that caused many complaints from wilting humans, did have its good points, at least in Plymouth and the Township.

Fire runs and police activity tapered off with only minor incidents reported on the police blotter and no major fires in either area.

Township firemen, who were busy with rescue runs up until the hot spell, report they have received fewer calls in the past few days.

Sgt. Fred Knupp of the Plymouth Township Fire Department said that usually they expect more rescue runs in hot weather but this wasn't the case recently.

"Maybe more persons have air conditioners and are staying inside instead of trying to work outside in the heat," he stated.

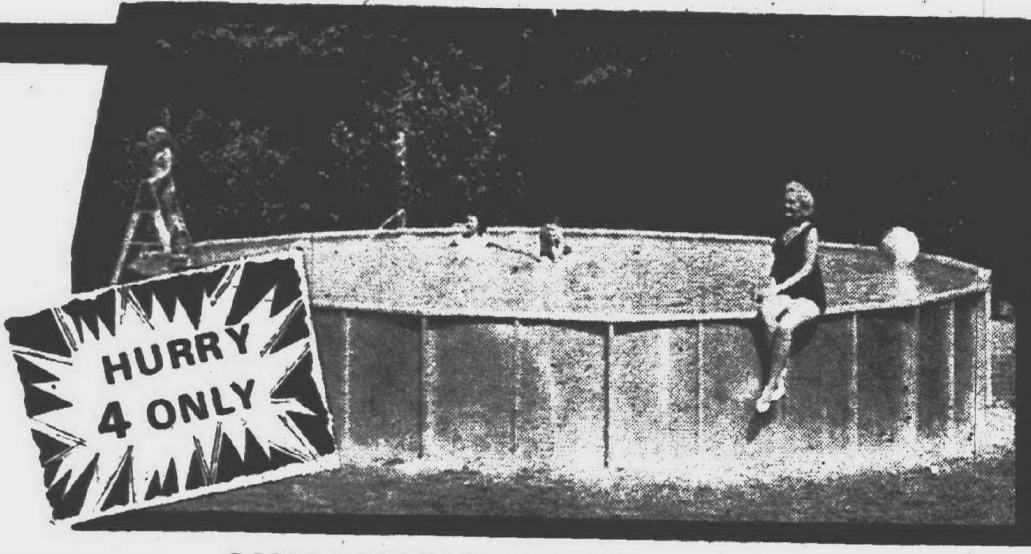

This apparently was the case in Plymouth too where no serious fires were reported and crime cooled off somewhat during the hot spell.

The Stroller... Humor At Large

Not all the humor and comedy is confined to your TV tube or your transistor radio, or even the miniature stages of the night clubs scattered through the area.

But if you are one of those caustic critics who claims that vaudeville is dead - and that we'll never see the like of it, you should attend a public hearing or city council meeting.

There you'll see comedy at its best on occasion and at other times there will be dramatic moments in which you could shed a tear for the taxpayer who is on his feet registering a complaint.

In the main, however, there are more smiles than tears. One of the most famous of all laughs on these occasions came years ago during the campaign to have Livonia Township incorporated into a city.

FOR WEEKS the "Minute Men" (four speakers) traveled up and down the area preaching the gospel of improved government. Then, one night, it was decided that we would switch tactics and confine our remarks to one subject.

On this particular night a goodly crowd had gathered at Newburgh Hall at Newburgh Road and Ann Arbor Trail.

For more than two hours the discussion was on all phases of the tax question. At the finish cards were distributed to list any questions that may be asked.

It so happened that The Stroller acted as the moderator and you can imagine the laughter when he read the first question--

"If we become a city what do you intend to do about stray dogs?"

Taxes? They were the farthest thing from the questioner's mind. But he did draw a laugh.

SEVERAL MONTHS ago another good laugh was provided at a meeting of the Garden City Council.

The discussion centered on a proposal to grant a tax "freeze" on a funeral home as in inducement for the construction of a large addition and a promise to keep the firm in the city.

At the height of the discussion, a woman arose and stunned the august members of the council with this --

"I am planning an addition to my home. Will you grant me a tax freeze as an inducement to remain a resident of the city?"

"But this funeral parlor will create added jobs," she was told.

"With the addition on my home, I'll need extra help, too," she came back. "And don't forget all the people connected with keeping up my home will be living."

No wonder the council quickly changed the subject. Then, just the other night, The Stroller was privileged to attend a meeting of the city commissioners in Plymouth and couldn't help smiling as the taxpayers vented their spleen on the hapless members who had survived an election campaign to earn the right to sit in the "sacred" chairs.

In the course of the meeting, a chap in the rear of the room arose and directed his remarks to Mayor James McKeon. And he did it in no uncertain terms.

"YOU ARE GUILTY of a conflict of interest," he began as the others in the audience

looked startled, waiting for the mayor's reply.

Before hizzoner could say a word the critic in the rear went on --

"You voted to approve a carnival for the Catholic church. Now, I know you are a member of that faith. So you were in a conflict of interest."

"Now, what I want to know," he went on, "I am a Protestant. Could I get a permit to run a carnival in my backyard?"

There was a snicker or two when the mayor stated that the entire commission voted approval of the carnival.

A few minutes later the commissioners were asked to approve the annual Kiwanis Club peanut sale.

"Looking directly at his critic in the rear of the room the mayor stated for all to hear --

"I belong to the Kiwanis and I hate peanut sales -- but I'm going to vote approval."

Humor and laughs smiles and tears -- they're plentiful if you look in the right places. And a city council meeting could be your best bet to find relief from the doldrums.

Eight Band Members Invited To Michigan

Eight members of the Plymouth High School band will perform with the University of Michigan Summer Session Symphony Band on its concert, Thursday, Aug. 3.

Held in conjunction with the 24th annual National Band Conductors' Conference and the first meeting of the "Double Reed International," the concert will begin at 7 p.m. near the School of Music lake on the University's North Campus.

Playing in the band will be Louise Cassidy, trombone; Sharon Foster, flute; Mark Kieme, tenor saxophone; Deborah Knipschild, oboe; Jean Moorehead, cornet; Mark Olson, French horn; Michael Savage, alto saxophone; and Valerie Scheppele, oboe.

Under the baton of George Cavender, conductor of university bands, the 80-piece ensemble will perform many new works, including "In Memoriam" by Alfred Reed, and "American Variations" by local composer Jerry Bilik. Also included on the program

JOHN STRACK **SOREN PEDERSEN**

Did you know that the number of older couples is increasing steadily year by year? And more and more often, these couples find a large house more than they are interested in caring for. What scarcely seemed adequate for a large family now seems monstrous and is completely unnecessary. More couples these days are selling large homes. Seven out of ten of these couples, according to a leading authority, are buying smaller dwellings. Are you among these?

No matter what size dwelling you are looking for, HART-FORD REALTY, 975 S. Main St., 453-7600 will give you the same personal service and attention. We have specialists on our staff for the various areas in and around Plymouth and make every effort to properly guide you in avoiding the many costly mistakes inherent in home buying. And be sure to call us first with your listing. Open 9-9, Mon-Fri, 9-5 Sat-Sun.

Letters To The Editor

EDITOR:

As it happens many times seemingly small troubles go unsaid, therefore unnoticed. Not so this time should I be fortunate enough to make an

impression on those who choose these letters.

My trouble is a little justice for all "wronged" softball players everywhere. Plymouth is my league and it

is with shame that I tell others that, because never in 20 some years that I have been aware of softball in Plymouth has there ever been such "bush" calling as is the case today in Plymouth.

Ah, you say, "a beef with the ump," but if you have ever played softball or baseball you will agree what a powerless thing you are when an umpire makes a decision, "RIGHT" or "WRONG." They are as human as we are but there is no appeal, at least none worth mentioning.

The sad thing is that there is only one umpire in this league and only a superman could honestly judge the third game with as much ambition and temperament as the first game on those hot, muggy summer nights.

It is bad enough that we play on a field that is a farmer's dream lit with candles, but to have to face six different umpires who interpret our rules six different ways taxes my love of the game.

Please, organize those men in black and give them some help out there. Make them umpires, and not just men with second jobs.

JACK KOPENSKI

EDITOR:

PLYMOUTH
Another strip of concrete is being laid and a few more trees have been cut down—trees that have cost the city thousands of dollars to maintain.

I personally protested on Saturday, July 15, the cutting of these trees at the expense of a few days in our local city hall, the barred section, not where our City Fathers sit.

Kellogg Park is now divided and it seems the City Fathers are dividing the city. They have divided Maple Street with the "Berlin Wall." They constantly harp on the improving the downtown area. What about the rest of the city?

I have been asked why I didn't go through channels to try to stop the cutting of the trees in Kellogg Park. I will answer that question.

I have been trying since my election defeat for the City Commission to bring before the City Fathers some improvements I felt should be done. I addressed them at the city commission meetings and was told to present a letter to have things put on the agenda. I did so and then was told to work through the city manager.

I tried this three different times. I did not find him in his office when I tried to see him. When I did see him the results were negative.

I realize this is an excuse to take the so-called law into your own hands, but our elected officials are ignoring the wishes of the people, saying we must have progress.

What sort of progress? Shopping centers in place of trees?

Remember the motto of the City of Plymouth—"A City of Homes." Should that be changed to read a "City of Concrete?"

What about speed limits in our city? Does everyone observe the posted limits? Where is the so-called truck route in our city?

What other plans are hidden away that the people know nothing about until they are implemented.

Wake up citizens. Attend your commission meetings—become involved in what's

going on. It is your money being spent.

Remember the stately maple that stood in Kellogg Park for upwards of 40 years. It fell in less time than it takes to tell. So may the rest of this great nation of ours if we sit back and not know or care what's happening in our government.

'Heiress' Produced At EMU

YPSILANTI
The summer production of the Eastern Michigan University players will be "The Heiress," a moving play by Ruth and Augustus Goetz. Performances are set for 8 p.m. July 27 to 29 in Quirk Auditorium.

Reserved tickets are \$2 each and will go on sale July 20 in the auditorium box office from 12:45 to 4:30 p.m. weekdays. Reservations can also be made by telephone.

"The Heiress" is the tragic story of a shy, plain girl who falls in love with a young fortune hunter. Set in New York in the 1850s, the play is based on Henry James' novel "Washington Square."

The play will be directed by Dr. Parker Zellers, professor of speech and dramatic arts.

Pre-Trial Exam Set For Thams

PLYMOUTH
Pre-trial examination of Paul E. Thams, 21, Apt. 2, 887 Starkweather, has been scheduled for Aug. 7 in Plymouth District Court.

Thams, free on \$5,000 bond, is charged with aggravated assault against a police officer.

He was arrested about 2

a.m. after police received a complaint about the suspect beating on the side of a house at 392 Farmer.

According to police reports, the suspect hit officer William Fletcher, cutting his lip, after he and another patrolman tried to stop and question him.

Police chased Thams

around the block near Starkweather and Spring St., finally subduing him in front of 620 Starkweather, according to the police report.

He was arrested by Fletcher, Lt. William Guldner and Ptl. Larry Ray. Witnesses claim Thams was clad only in his underwear during the chase and arrest.

Cemetery Thefts Stump Police

By DOUG JOHNSON
LIVONIA
Livonia police, along with law enforcement officials from Detroit and many other suburban communities, are puzzled by a chain of bizarre robberies from area cemeteries.

According to the facts as pieced together from various sources, it works like this:

A GROUP of thieves, operating with cars or trucks, raid the cemetery at night, carrying away valuable bronze urns. The urns are valued at anywhere from \$20 to \$100.

Apparently the urns are then taken to a smelter and melted down for the copper. Bronze is about 87 per cent copper.

Police theorize that the smelter is a regular smelter

doing an illegal business, and or a very professional homemade smelter. Temperatures of 1,700 to 1,800 degrees Fahrenheit are needed to melt the metal.

The urns set in a slot in or near the grave marker, but can easily be removed. Sometimes they are chained to the base, but the chain can be easily snapped, cemetery official say. The urns are decorative, and often hold flowers.

The toll in Livonia is unbelievable, police say. Rita Gaffney, director at Parkview Memorial Cemetery, on Five Mile Rd. said it has lost 400 of the urns. Glen Eden Cemetery on Eight Mile Rd. in Livonia reports 200 stolen.

About 110 have been taken from the Oakland Hills cemetery in Novi. Police detectives there have a 75-

page report on the theft of the urns, and have become a sort

of clearing house for police intelligence on the entire problem.

as far away as Pennsylvania and New Jersey.

The state police has been involved in the investigation. No arrests have been made, nor do any of the agencies have suspects as of yet.

Schoolcraft Aid Cut Avoided

Sen. Carl Pursell (R-Plymouth) was instrumental in amending the community college appropriations bill to include a \$100,000 grant for Schoolcraft College, college officials said.

Pursell said the significance of the amendment is that the increase represents more than 25 per cent of the \$382,000 total increase the college received.

Last year the college received \$2.3 million in state aid and this year it will get \$2.6 million including the grant.

Pursell tacked the amendment onto the bill after a revision of the appropriations formula caused the college to get \$211,000 less than it would have gotten under the original formula.

NOTICE OF QUALIFIED ELECTORS GENERAL PRIMARY ELECTION CITY OF PLYMOUTH, MICHIGAN

You are hereby notified that a General Primary Election will be held in the City of Plymouth, County of Wayne, State of Michigan on Tuesday, August 8, 1972 at which time the candidates for the following offices are to be voted for in Wayne County:

U.S. Senator
Representative in Congress
Representative in State Legislature
Prosecuting Attorney
Sheriff
County Clerk
County Treasurer
Register of Deeds
Drain Commissioner
County Auditor
County Commissioner
Charter Commissioner
One (1) Judge of the Circuit Court for a 6-year term

The following state and county proposals will appear on the ballot:

PROPOSAL A

PROPOSED CONSTITUTIONAL AMENDMENT TO ALLOW TRIAL BY A JURY OF LESS THAN 12 JURORS IN ALL PROSECUTIONS IN ALL COURTS FOR MISDEMEANORS PUNISHABLE BY IMPRISONMENT FOR NOT MORE THAN 1 YEAR.

This proposed amendment alters the provisions of the present constitution relative to the guarantee of a trial by jury in criminal prosecutions. The constitution now permits juries of less than 12 members in criminal proceedings in courts not of record. The proposed amendment permits a trial by a jury of less than 12 members in any court if the offense is a misdemeanor punishable by imprisonment for not more than 1 year.

SHALL THIS AMENDMENT BE ADOPTED?

Can Policeman Make It As City Generalist?

By TIM RICHARD

In Philadelphia the people turned to a policeman named Rizzo for mayor, and in Cleveland they elected a policeman named Perk. Detroit elected a former assistant prosecutor, Sheriff Roman Gribbs, as its mayor. In Milford the council promoted its police chief to city manager. In Farmington Township the voters threw out

a veteran supervisor and picked Sgt. Earl Teeple from the police force as chief administrator.

Detroit has a former policeman named Van Antwerp on the council, and in Westland Sgt. Tom Taylor of the police force is making a bid for Wayne County commissioner.

"LOOKS LIKE we're heading toward a police state," chuckles Robert F. Deadman, 37, a man who has been Farmington's acting city manager since Feb. 1 and prior to that was director of public safety, a job in which he headed both police and fire programs.

To some extent, the Philadelphia and Cleveland elections represent a "law and order" kick on the part of voters. Yet it's undeniable that the public is looking to its specialists on the police force

when it's seeking generalist leadership.

Earl Teeple, who had been around Farmington Township for years, who was a kind of father figure to many kids with problems and who has a reputation for listening to the problems of the average Joe, has one explanation:

"A policeman gets to know everyone in town, and to know the problems. And he also learns to spot phonies -- something that politicians can't always do."

BOB DEADMAN has an analytical answer. Today's policeman is a new breed from the policeman -- and chief -- of 10 or 15 years ago. He needs a lot of the generalist's education and managerial tools; hence, the transition from police chief to city manager or mayor isn't as pronounced as it was a generation back.

Although he looks like a gentle accountant, Deadman himself is a third generation policeman (his grandfather a rural sheriff, his father a Detroit officer), and he out-shot all the competition from the Oakland County Police Chief's Association in two different phases of a pistol contest.

A graduate of Detroit's Cooley High, Deadman joined the Farmington department

as soon as he could, at age 21 in 1957; rose through the ranks (including a stint as juvenile officer) to director of public safety at the age of 31; and was asked to take a tryout as city manager when veteran professional John Dinan left to enter private business. Along the way, he studied at Oakland Community College.

BUT ABOUT the new breed of policeman ...

"In the past, the chief came up through the ranks. He had a high school education, maybe some specialized training -- a limited academic background. I don't think this is true today," said Deadman.

Not only are more police professionals getting associates, bachelors and masters degrees, Deadman points out, but the student of police administration takes many courses similar to the student of political science and public administration.

The police chief of the past often didn't work on his own budget. Today's chief has to "dollarize" things; he has to think in terms of programs -- what they will cost (input) and what they will produce (output) -- for example, the number of arrests or reduction in offenses.

"He is a budget administrator and has to think in terms of programs to be sold, and then justify them," Deadman goes on. "He no longer flies by the seat of his pants."

The police chief becomes a modern administrator in terms of equipment. "In the last 10 years, there has been a bigger influx of hardware in law enforcement than in the previous 50 years," says Deadman, citing computer technology, records processes, breathalyzers, and so on down a long list.

It adds up to a big operation

in municipal government. In the City of Farmington, public safety has something like 40 per cent of the budget and 43 per cent of the staff.

BUT THE BIGGEST change of all, as Deadman sees it, has been in the way the policeman sees the public and the way the public sees him.

"Whenever there's trouble, the first man in front of the TV camera is the policeman," says Deadman. "We're coming out of our shell. We're being called on to handle problems that weren't like those of 15 years ago. And we're starting to tell the public we can't handle all the social ills, that you can't solve everything by passing a law."

He cited the movement to pass ordinance restrictions on cats. There's more to the cat problem than putting a law on

paper; it has to be enforced. The police chief must ask -- and then answer -- the questions: Can it be enforced? What will it cost? Is that worth it?

ONCE THE police chief, like the commander of a ship, was a figure of unquestioned authority. "Whoever thought of an officer questioning an order, or of an officer not answering a question from his supervisor?"

Yet today the policeman organizes something resembling trade unions and bargains.

The policeman himself finds his work under often critical review -- from the city fathers, from the courts, from pressure groups ranging from the NAACP to subdivision associations.

Authority today is questioned. Social thinkers call it "the revolution of rising expectations." Problems are more complex, the public more sophisticated in judging how officials respond to those problems. The old-fashioned, law-and-order cop won't do in an increasing number of communities where people know their legal rights.

Deadman also points out that the police chief of today has more contact with politicians. Deadman himself, for example, as a department director was required to attend all Farmington City Council meetings. Out of that grew council's decision to give him a chance at city management.

The deal is that he can decide at any time he doesn't want the job and go back to being director of public safety, or the council can similarly decide it, and there will be no hard feelings.

CITY MANAGEMENT has its benefits and drawbacks, Deadman finds.

Take the matter of mistakes. A city manager makes a mistake and it costs the city money. A policeman makes a mistake and it not only costs money, but (as in the Detroit STRESS case) reputations are damaged, lives snuffed out, jobs lost.

On the other hand, he finds, a police chief can solve a problem within his department at no great expense and

by his own authority. The city manager, however, finds the solutions to generalized city problems cost money and require the hiring of personnel. He must go to the council for approval. Meanwhile, the public raises all sorts of objections that the skilled professional never thought of, and these must be resolved.

"I haven't had a meeting yet that the council chamber isn't full and we're in the hot seat," says Deadman.

And so the trend seems to be, not so much that the public is looking to police professionals for civic leadership, but that policemen themselves are expanding their problem-solving and intellectual horizons.

Whether Bob Deadman becomes permanent city manager of Farmington is a personal and local matter. Whatever the mutual decision of himself and the council, he has found management a broadening experience.

Canton Sets Tighter Guidelines On Parks

By MARIE MCGEE

CANTON TOWNSHIP Sweeping changes in future planning unit development guidelines may ease Canton Township's perplexing park problems.

At least that's what township trustees are hoping as they await recommendations from their planner, Michael Manore, of the Detroit firm of Parkins, Rogers and Associates.

Canton's park problems came to a head recently at a summit meeting of trustees, planning commissioners and the recreation advisory group.

PURPOSE OF THE meeting, called by the fledgling recreation group, was to acquaint the trustees with problems that are arising and to seek solutions before the situation gets too far out of hand.

It has become embarrassingly apparent to both the trustees and the recreation group that the weakest link in the early PUDs are the provisions for parks.

Upshot of the lengthy "rap" session was a decision to strengthen the guidelines "to take care of the shortcomings of previous PUDs."

One of the expected changes will require developers to follow a timetable, guaranteeing the completion of a park area to coincide with the completion of each phase of the development.

Another change will more clearly define the developer's role in the park development.

Both could go along way, trustees feel, to eliminate what has happened in Republic Development Corporation's 450-acre planned unit development in the Warren - Sheldon Rds. area.

Residents there -- who moved in a year ago -- have to wait until all six phases of the development are completed before Republic actually has to do anything about grading or clearing the park sites required by PUD guidelines.

IT IS understandable, trustees point out, why the 113 residents of Olde Plymouth -- the first phase of Republic's PUD -- are "uptight" over the lack of promised recreational area for the hundreds of youngsters of the new, young families who moved into the township.

Brown Wants Insurance On Pension Funds

William H. Brown, candidate for the 2nd Congressional District Democratic nomination, told a group of Monroe County residents that workers need the protection of federal insurance on pension funds as much as depositors need federal insurance on savings accounts.

"Business failures, plant closings and similar economic shutdowns cost the employee not only his job but also his sometimes substantial pension rights," Brown told members of the UAW Community Action Program.

He advocated a national plan to back up pension promises to assure workers they will receive pension benefits they have earned in the event of business failures.

Brown also advocated establishment of a federal plant relocation board to rule on closings, relocations and new buildings taking into consideration the economic and social impact on the local community.

"It is conceivable that the last park will be developed first and that some homeowners who moved in first will have an undeveloped and unusable park for years. This could result in an eyesore and dump area."

JAMES POOLE,
Canton Township
Recreation Commission

Their park area looks more like a city dump, the homeowners say. And they're not happy with being forced to wait so long for parks. (Republic is now in the final phase of development, constructing several hundred condominiums and townhouses. This will be followed next year by a shopping center at Warren and Canton Center Rds.)

In somewhat better shape are nearby Windsor Park subdivision residents because their park area has at least been cleared and graded by the developer.

But even Windsor Park families are beginning to grumble over the lack of progress in providing parks and the red tape in organizing a homeowners' association.

"WE WERE LUCKY that last winter the developer put in two hockey rinks," commented Fred Zech, a Windsor Park resident who tried un-

successfully with several neighbors to organize a homeowners' association that will eventually assume the responsibility of equipping and maintaining the two parks earmarked for their subdivision.

"They can't really do anything until all the homes are sold -- which could happen a lot sooner for them than for their Republic neighbors because their PUD is considerably smaller."

In the meantime, the annual special assessments for parks being paid by residents of both developments are being put in escrow until such time as the homeowner associations become a reality.

Even getting neighbors to agree on what equipment should go into the park will be a Herculean task, say residents of both subdivisions.

Others believe that the amount being collected is not nearly enough to landscape, equip and also maintain the parks. The developer should be required to do more than

grade and clear the park site, some residents feel.

These and other problems were touched on in a report aired at the joint meeting of township officials.

ONE OF THE discrepancies noted in the report, prepared by recreation committee member James Poole, was "although all money for improvements comes from lot owners (home buyers and developers) and the amount of dues varies, the main difference appears to be the variance in developer participation and responsibility."

"Ill will is created," the report stated, among homeowners when they compare notes on their various parks and their stage of improvement."

Another point in the report was that "it appears that the more done initially by the developer (using the association money and at no expense to him) the sooner the parks are improved."

"The sooner the people can use them, the less aggravation and debate for the homeowners. Perhaps the parks should be phased and developed in conjunction with the progress of the subdivision and both completed concurrently."

within their subdivision -- or one association per development.

"This means," the report stated, "that all homeowners vote on all parks within the entire subdivision. For example four parks in Olde Plymouth, the park in the first increment of 116 homes is not only theirs, it also belongs to all the other homeowners who have yet to buy and move in."

AGREEMENT -- OR the ability to gather a 60 per cent or 2/3 thirds vote to determine which parks should be developed first "should be interesting," the report commented.

"It is conceivable that the last park will be developed first and that some homeowners who moved in first will have an undeveloped and unusable park for years. This could result in an eyesore and dump area," continued the report.

The advisory group also called for "better communication" between sales people and home buyers.

Some homeowners are unaware of dues or other amounts for the homeowners' associations, the requirements or the possible liens that could result for non-payment, the report points out.

And worse yet -- some homeowners don't even know where the park locations are.

THIS IS WINDSOR PARK'S recreational site. At least it's graded and partially cleared, the residents say. Last winter the developer put in two ice rinks, but there's been nothing for the youngsters to do during the summer. (Photo by Marie McGee)

IT'S MORE OF A CITY DUMP than a park, say Olde Plymouth residents of the park area that won't even be graded or cleared until

Republic Development Corporation six-phased PUD is completed. (Photo by Marie McGee)

Summer Hours Help Tots Prepare For School

What can mothers do with their pre-schoolers on long, hot summer days?

"Have fun with your child," says Mrs. Diane K. Bert, director of Redford Union's Parent Readiness Education Project (PREP). "and develop the skills that will help him be successful in kindergarten and later in school."

Summer is a great time for trips, and nearby neighborhood excursions can have as much meaning for a three or four year - as a trip to the Grand Canyon.

YOU MIGHT take your youngster to the post office, walking if it is close enough. Let him buy a stamp to past on a letter addressed to himself, which he will mail in the proper slot. Explain what will happen to the letter before it comes back to his house, pointing out the mail bags, sorting shelves and mail trucks that will be used to handle his mail.

Go to the library together, Mrs. Bert suggests, and be sure to tell your child in advance about bringing books home, reading them, and then returning them for other children to use.

Give him time to look at lots of books before he decides upon the two he will take home.

"Have fun with your child... make ordinary daily living a learning experience for him... help your child feel his importance as a person."

There are many other neighborhood trips you can plan, using your own ingenuity. There's the ever-popular fire station. Or you might walk to the school your youngster will attend. You would probably discuss the route and crossing streets, let him try out the playground equipment, and show him the doors and windows of the kindergarten section.

YOU COULD go to the dime store together, where you would look at the toys, name them, and buy a small one, letting the child pay the cashier for the purchase.

Join with a neighbor, and plan together to take your children on more distant jaunts. Think of the zoo, a day at the beach, a picnic, a shopping trip, or a visit to the Art Institute, Children's

Museum or Historical Museum.

Be sure to talk with your youngster about what he is seeing, and if it's shopping or a museum, remember that he may not want to stay as long as you do.

"Make ordinary daily living a learning experience for your child," Mrs. Bert recommends. Don't just take him along to the supermarket. When you're in produce, talk about fruits and vegetables, and let him help you find the carrots or apples. Ask him to count four cans of soup. Talk about why some foods are frozen."

YOU CAN help your child develop his language skills and make every day eventful by talking about it together. In the morning discuss plans for the day. At lunch, dinner and

bedtime, talk about what he did and saw that morning, that afternoon, that day.

Help your child feel his importance as a person. Teach him his first and last name. Find out what he already knows by asking, "What is your name?" Then ask him to "Tell me your first name."

Explain that he has two names, a first name and a last name. You might tell him that all the members of the family have the same last name with different first names, and give examples. Then ask, "Tell me your last name." Repetition may be necessary.

PLAY "Do What I Do" to help your pre-schooler learn parts of his body by naming and touching them. Stand in front of him, touch your head, and tell him to "Touch your head." When he knows all the

large parts of his body, emphasize the less familiar parts, such as eyebrows, fingernails, toes and heels. Reverse the game and let him tell you what to touch.

Have him draw a person (himself), discussing the parts of the body, two arms, two legs, and one head with two eyes, a nose and mouth, and two ears.

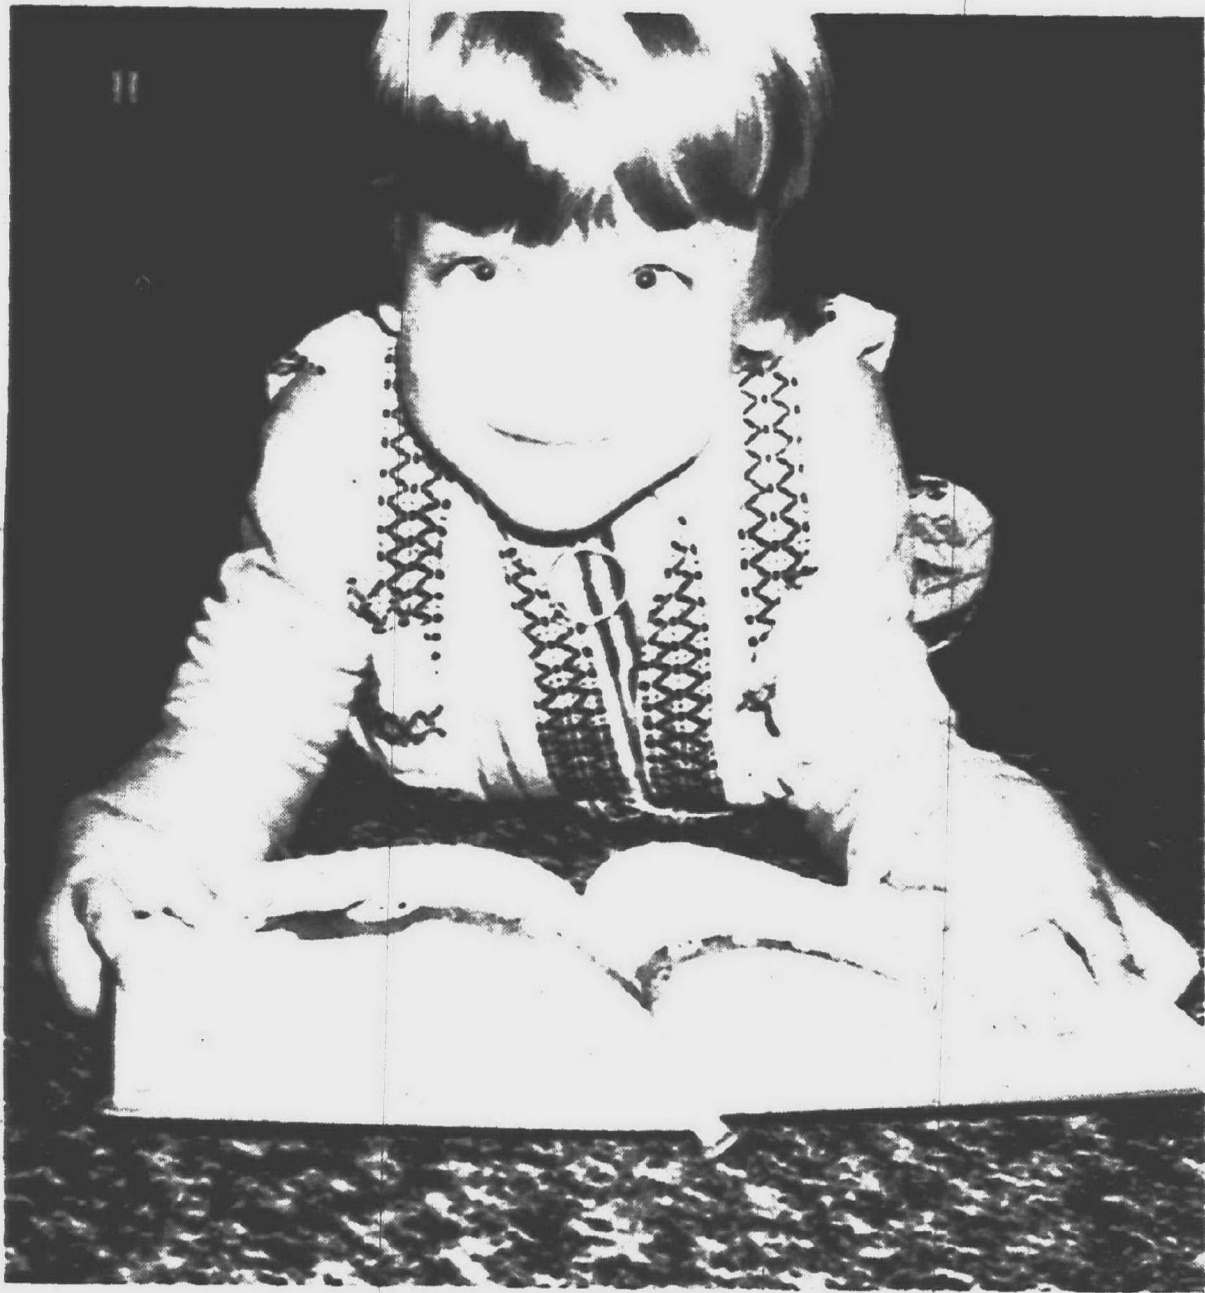

Let him count his five fingers and finally his 10 fingers. He can have fun learning about numbers as he "helps" you. He can count knives, forks and spoons for dinner, or bring you three potatoes. There are six doughnuts on the plate, and there were two hats left after the birthday.

(More suggestions on helping pre-schoolers prepare for kindergarten will be printed in next Wednesday's edition)

RNs To Study At St. Mary

A refresher course for inactive registered nurses interested in returning to work will again be offered at St. Mary Hospital, 36475 Five Mile, Livonia.

New classes will begin Oct. 24 and end Dec. 7. Nurses interested in the course should make an appointment for an interview by calling Mrs. Linda Kline at the hospital for an appointment any day Monday through Friday.

Cousins 11 Hours Apart

According to the doctors' schedules, two Observerland sisters were to have babies about 11 days apart.

Instead, two girl cousins arrived within 11 hours of each other, and their mothers were able to share a room at Botsford Hospital, Farmington.

MRS. CAROL ARNDT of Garden City, whose "due date" was July 11, checked into the hospital Friday, July 14, and her daughter Leanne was born nine minutes after 10 p.m.

Then, at 9:15 a.m. Saturday, July 15, Jennifer Marie was born to Mrs. Connie Jumisko of Redford Township, who had expected her baby July 1.

"When the hospital workers realized we were sisters they put us in the same room," Mrs. Arndt said.

Both babies weighed just over eight pounds, and look more alike than most newborns.

AND EACH little girl has a big brother named for his father. Carol and Robert Arndt have a five-year-old son, Bobby, and Connie and Leonard Jumisko have three-year-old Lenny.

The girls might even have had the same name.

"I mentioned a long time ago I liked the name Jennifer," Mrs. Arndt said, "but Connie said that was the name she'd picked. So we decided we liked Leanne."

'Make-Over' Team Due

A complete "making over" by a team of experts from Mademoiselle Magazine will happen to several young women from Observerland Thursday, Aug. 3.

Volunteers from the audience for a fashion and beauty show in the J.L. Hudson Co. Westland store will be chosen for a live demonstration of new beauty techniques. The show will run from 2 to 6 p.m. in the second level fashion department.

"Mademoiselle on Location" is the title of the fashion event that stars a five-member team of experts on style, hair and make-up. Also on hand will be a photographer to record the make-overs, some of which

will appear in the December issue of Mademoiselle.

THE TEAM is making a three-day visit to the Detroit area and plans stops in Hudson's Downtown and Eastland stores as well as Westland.

Mademoiselle staff members visiting include fashion editors Kelli Questrom and Sandy Head, hair stylist Guillaume Gignac, make-up artist Vincent Nasso and photographer Bruce Bacon. Jamee Gregory, assistant college competitions editor, also is on the team.

Using techniques and trade secrets of models and editorial beauty professionals, the team will demonstrate latest trends in clothes, hair and make-up on volunteers.

Before an audience for the "event - in - the - round" they

will cut and curl hair, apply make-up, demonstrate exercises, create wardrobes for individual figures and life-styles and answer personal questions.

KELLI QUESTROM, heading the Mademoiselle team, joined the magazine in 1970 as men's wear editor and now also serves as public affairs director. A native of Denver, she graduated from Russell Sage College with an honors degree in marketing and economics, and worked as director of sales promotion and public relations with Abraham & Straus in Brooklyn.

Sandy Head also has a dual role with Mademoiselle, serving as crafts editor and assisting the shoe and lingerie editor. Quebec-born Guillaume Gignac learned to

style hair in Paris and now travels to colleges and cities around the country, lecturing and making television talk show appearances.

Vincent Nasso, a leading New York make-up expert at the age of 23, is taking a leave from a world tour with singer Roberta Flack to make the "On Location" visit. He is a graduate of the New York School of Art and Design and was a photographer's assistant before turning to the field of beauty work.

Bruce Bacon, who will photograph the events at Westland, has had wide experience in the photographic field, including producing and directing films and doing television commercial problem-solving and special effects as well as fashion work.

Secretaries Attend Convention

Seven members of the Livonia Town and Country Chapter, National Secretaries Association (International) are in Chicago this week for the 27th annual convention of the NSA.

The four-day event is being held in the Palmer House Hotel, with final sessions slated for Saturday, July 29. Charlotte Hay, president of the club, is the official

delegate. The alternate delegate is Esther Vots, the vice president. Accompanying them are Inge O'Hearon, treasurer; Jenelda Sowers, a member of the international nominations committee; Mary Aird, Mae Andrews and Eve Moulso.

Commemorating the association's founding in 1942, the theme is "30 Years of Progress Through Per-

formance." Mrs. Angeline Krout, administrative assistant to the Commanding Officer, U.S. Coast Guard Yard, Baltimore, Md., is the international president.

Dr. Nicholas Nyaradi, director of the School of International Studies, Bradley University, Peoria, Ill., and consultant to the U.S. State Department, gave the keynote address.

Jane Emerson Is Bride

Jane Reeve Emerson became the bride of Dennis Patrick Shelley in an afternoon ceremony June 17 in the First United Methodist Church of Plymouth.

Mr. and Mrs. Robert J. Emerson Jr. of Plymouth are the bride's parents, and the bridegroom is the son of H. W. Shelley of Westland and Mrs. Russel Walker of Livonia.

The bride's gown was ivory organza and satin with alencon lace trim. Matching lace accented her bouquet of summer flowers, and a lace headpiece held her illusion veil.

GAYLE MYERS of Plymouth was maid of honor and the bridesmaids were Leigh Stickler of Springfield, Ill., Judy Yurian of Bowling Green, Ohio, and Nancy Koval of New York City.

All wore maize organza gowns trimmed in gold and moss green and carried crocheted baskets filled with daisies and mums. The bridesmaids wore yellow picture hats with moss green ribbons.

John Larson of Plymouth was best man, and the guests were seated by Robert J. Emerson III, brother of the bride, Tracy Shelley, brother of the bridegroom, and David Sibbold, all of Plymouth.

Mrs. Emerson wore a floor-length pink shirtwaist dress and a pink picture hat, and Mrs. Walker chose turquoise silk.

THE COUPLE greeted guests at a garden reception at the bride's home before leaving for an upper peninsula honeymoon.

They are making their home in Sterling Heights. Mrs. Shelley is a graduate of Bowling Green State University in Ohio and a member of Alpha Xi Delta, and her husband is a student at Wayne State University.

MRS. DENNIS PATRICK SHELLEY
(Jane Reeve Emerson)

KAREN KELJO

The Rev. and Mrs. Karlo Keljo of Redford Township announce the engagement of their daughter, Karen, to Ronald L. Tracy, son of Mr. and Mrs. Peter P. Tracy of Redford Township. The bride-elect is a 1971 graduate of the University of Michigan and employed by Riverside Park Nursery and Day Care Center in Livonia. Her fiancé is a doctoral candidate in economics at Michigan State University and as an undergraduate was a member of the Evans' Scholars fraternity there.

GAIL SILLS

Mr. and Mrs. George F. Sills of Lyndon Avenue, Livonia, announce the engagement of their daughter, Gail, to Dean Geoffrey Jones, son of Mr. and Mrs. Geoffrey B. Jones of Garrett Avenue, Livonia. The prospective bridegroom is employed by Lewis Portrait Co. The couple plans to marry Sept. 2.

GAIL GATES

Mr. and Mrs. Thomas Gates, of Conway Drive, Westland, announce the engagement of their daughter, Gail Louise, to Arthur William Herman, son of Mr. and Mrs. Arthur Herman of Fairfield Avenue, Livonia. An August wedding is planned.

Mr. and Mrs. George J. Dawson of Blunk Street, Plymouth, announce the engagement of their daughter, Amy, to Stephan Michael Ridge, son of Mr. and Mrs. Robert Ridge of Ivywood Lane, Plymouth. The bride-elect is a 1972 graduate of Plymouth High School and employed by Draugelis and Ashton, attorneys. Her fiancé graduated from Plymouth High in 1970 and works for A. & E. Auto Trim & Glass. A Sept. 16 wedding is planned.

AMY DAWSON

Mr. and Mrs. Ethelbert Dilks of Philadelphia announce the engagement of their daughter, Patricia, to James Cielinski, son of Mr. and Mrs. Benedict Cielinski of Orangelawn Avenue, Livonia. The bride-elect is a 1968 graduate of George Washington High School in Philadelphia and is employed by Home Agency, Inc., there. Her fiancé graduated from Franklin High School in 1967 and is serving in the U.S. Navy. They plan to be married in May, 1973.

Pictures for wedding and engagement announcements must be mailed or brought to the office of The Observer Newspapers, 36251 Schoolcraft, Livonia, 48150. Forms to supply the necessary information also may be obtained there. Pictures should be black and white and clear, and wedding pictures must be of the bride alone.

Our picture-printing charge is \$2.50 for engagement and one-column wedding pictures, and \$5 for two-column wedding pictures. Checks should be made out to The Observer Newspapers.

MRS. DOUGLAS SINK
(Connie Gray)

St. Kenneth Is Setting For Rites

Mr. and Mrs. Douglas Sink are making their home in Dearborn Heights following their recent wedding in St. Kenneth Catholic Church, Plymouth.

Mrs. Sink is the former Connie Gray, daughter of Mr. and Mrs. Donald Gray of Plymouth. The bridegroom is the son of Mrs. Winifred Sink of Detroit.

The Rev. James Machak officiated for the evening ceremony.

THE BRIDE, given in marriage by her father, wore a white dotted swiss gown with a mantilla veil that formed a train. Her bouquet, arranged by her mother who did all the floral arrangements for the wedding, was of white roses, stephanotis and baby's breath.

Cathy Gray was maid of honor for her sister and the bridesmaids were another sister, Cindy Gray, and Jacquelyn Koontz and Linda Hoffman. They wore pastel gowns of chiffon over satin.

Jack Chidester, the bridegroom's cousin, was best man. Guests were seated by Terry Wagenschutz, Mike Oulette and Terry Hoffman.

TWO YOUNG cousins of the bridal pair, Lisa Kisabeth of Plymouth and Bobby Wilson of Farmington, were flower girl and ring-bearer.

Mrs. Gray wore an apricot lace gown and Mrs. Sink chose pink chiffon.

The newlyweds honeymooned in Pennsylvania. Both are employed by the Michigan Bell Telephone Co.

Born June 28

Mr. and Mrs. Robert P. Grayson of Royal Grand, Redford Township, announce the birth of their third child, Jaime Jean. She was born June 28 in Sinai Hospital, and was christened Sunday, July 9, in St. John Bosco Catholic Church. Her godparents are Kathleen Sanok and Anthony Landoski, both of Carleton. Jaime has a brother Bobby, who is four, and a sister, Hayley, two.

Two Grand Valley State College students, Stephanie Clair Laundry and Roger Lewis Hager, were married July 22 in a double ring candlelight ceremony in St. Michael the Archangel Catholic Church, Muskegon. The bride, formerly of Garden City, is the daughter of Mr. and Mrs. Thomas Laundry of North Muskegon.

Valerie Hager, sister of the bridegroom, was maid of honor. Patricia Holstrom and Wendy Chrystal, both of Muskegon, were the bridesmaids.

Their long-sleeved floor-length gowns were of light blue jersey covered with coral flowers and green leaves.

CHUCK LENDRUM of Garden City was best man. Chris Laundry, the bride's brother, and Dave Moore were the groomsmen. Kim McDonald and Herschel Shipp of Garden City were the ushers.

Mrs. Laundry wore a gown of turquoise chiffon, while Mrs. Hager wore a blue on blue floral print.

A reception for 150 guests was held at the Muskegon Women's Club.

After a brief honeymoon, the newlyweds will make their home in Muskegon.

Hager-Laundra Vows Spoken

MRS. ROGER HAGER
(Stephanie Laundry)

THE BRIDEGROOM is the son of Mr. and Mrs. L.H. Hager of Schoolcraft Road, Livonia. A 1967 graduate of Garden City West High School, he attended Tulane University, New Orleans, La., and spent two years in the U.S. Army.

The bride wore a gown of antique ivory satin featuring an empire waist applied with imported lace on the bodice, sleeves and standup collar. The floor-length veil was also outlined with imported lace.

Frazier-Grunn Vows Are Spoken

Mr. and Mrs. John Richard Frazier left for a wedding trip to California and Nevada following their marriage Saturday, July 22, in St. Genevieve Catholic Church, Livonia. They plan to visit San Francisco, Monterey, Reno and Lake Tahoe, before returning to live in South Lyon.

The bride is the former Susan Grunn, daughter of Mr.

and Mrs. Howard Grunn of Six Mile Road, Livonia, and the bridegroom is the son of Ann Gifford of Owosso and Jack Frazier of South Lyon.

The Rev. Ferdinand Wolber officiated at the 1 p.m. ceremony.

GIVEN IN marriage by her father, the bride wore a gown she made herself. Of dacron polyester with French weave,

it featured lace with butterfly inserts running from the shoulders to the hemline. Daisies trimmed the collar and cuffs as well as the tiered veil. She carried a cascade of yellow daisies and baby's breath.

Bonnie Gerda of Strongsville, Ohio, was the maid of honor. She wore a gown of orange chiffon with long sleeves and carried a bouquet of tinted daisies.

The bridesmaids were Theresa Grunn, the bride's sister, Beth Drensky and Jill Drensky of Middleburg Heights, Ohio, and Mary Jo Frazier, the bridegroom's sister. They wore Victorian style dresses of aqua and lavender print, with white wide-brimmed hats. They also carried daisy bouquets.

THE BRIDE'S brother, Larry Grunn, was best man. James Frazier of Lincoln Park and Mike Frazier of Brighton, the bridegroom's brothers, were the ushers, along with Chris Grunn, another brother of the bride, and Keith Stieber of Detroit.

Mrs. Grunn chose a pastel pink ensemble and the bridegroom's mother wore a long ivory-colored gown.

A reception was held for 175 guests in the VFW Hall on

Nine Mile Road in Southfield.

The bride is a graduate of Eastern Michigan University and is seeking employment as a secondary school English teacher. The bridegroom was a sergeant in the USMC and served in Vietnam. He is currently employed by Automatic Sprinkler Co.

MRS. JOHN FRAZIER
(Susan Grunn)

Mr. and Mrs. Albert J. Gardner of Lancaster, Pa., announce the engagement of their daughter, Carol Louise, to Robert Wood Joyner, son of Mr. and Mrs. Richard A. Joyner of Indiana Avenue, Livonia. The bride-elect is a sophomore in Lyman Briggs College of Michigan State University. Her fiancé graduated from Franklin High School in 1969 and from the MSU Lyman Briggs College this year. He is doing graduate work in mathematics at MSU. A December wedding is planned in Lancaster.

SUZANNE HALL

Mr. and Mrs. Arthur W. Hall of Winona Avenue, Westland, announce the engagement of their daughter, Suzanne M., to Richard F. Pientak, son of Mr. and Mrs. John Pientak of Joy Road, Plymouth. The bride-to-be graduated from Bentley High School in 1967 and Madonna College in 1971 and is a teacher in St. Michael school in Monroe. Her fiancé is a senior at Wayne State University and employed by Hutzel Hospital in Detroit. They plan to marry early in August.

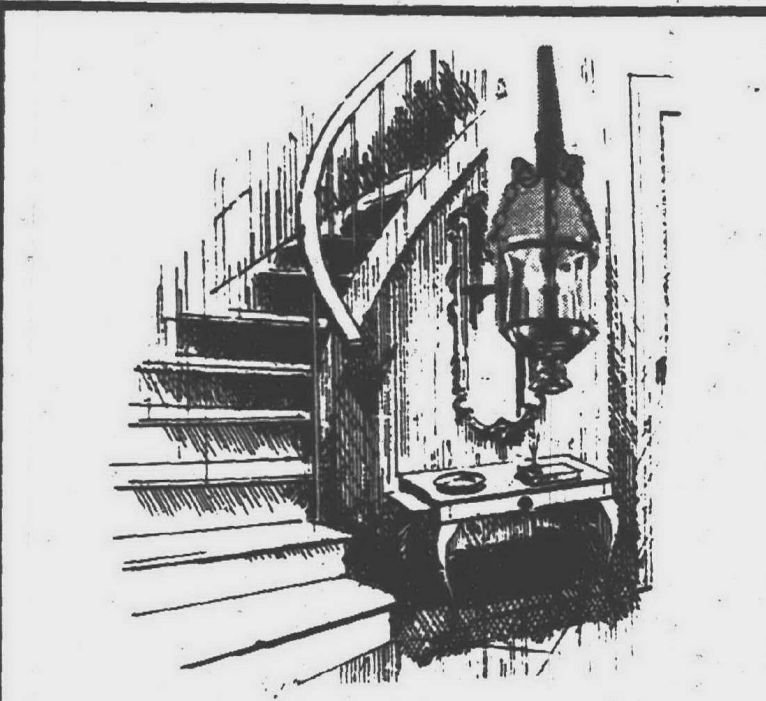

SUE UPTON

Mr. and Mrs. Ron Upton of Livonia announce the engagement of their daughter, Sue, to Kimball Rattray Logan, son of Mr. and Mrs. Bryce Logan of Condon, Ore. The bride-elect is a 1972 graduate of Willamette University in Salem, Ore., and will be teaching in Vancouver in September. Her fiancé graduated from Willamette in 1970 and is employed by Equitable of Iowa Life Insurance in Portland, Ore. They plan to be married in Portland in December.

DEBRA HUMPHREYS

Mr. and Mrs. William Humphreys of Farmington announce the engagement of their daughter, Debra Ann, to Arthur C. Devine, son of Mr. and Mrs. Leo Devine of Farmington. Both are graduates of Farmington High School and they plan to marry Aug. 12.

Plymouth Locks Up Mack Title

Plymouth all but assured itself of a Connie Mack National League championship and a trip to the Ann Arbor playoffs with three victories pushing the season mark to 11-1.

John Owens got the call from Plymouth Coach Wayne Sparkman in the John Glenn game and the ace righthander responded with a four hitter, seven strikeouts and two walks.

It was the sixth win for Owens who boasts a 0.32 earned run average in 43 innings worked.

Jeff Hodgkins worked for Glenn and suffered the loss, allowing four hits, striking out seven and walking one.

PLYMOUTH SCORED once in the first when Steve Robb

was hit by a pitch, stole second, was wild pitched to third and stole home on a double steal after Dan Hees had drawn a base on balls.

The Elks added an insurance run in the third when after one out, Dave Hees tripled and scored on a bunt single by Robb.

Plymouth got two for the play of one against Farmington Harrison.

Harrison was forced to forfeit the morning contest with only eight players in uniform. Plymouth chalked up that win and came back later in the day to topple Harrison, 9-4.

Steve Robb and Lary Graves worked the Plymouth mound with Robb picking up the win and Graves the save. Robb allowed three hits in five

innings and Graves gave up one hit in two innings.

DAVE MANOS, Gary Hickey and Tom Young hurled for Harrison with Plymouth pinning the loss on starter Manos with six runs on only two hits with six walks causing the damage.

Harrison struck first with two outs in the first inning. Manos struck out for the

third out but the ball hit home plate and skipped away with Manos safe at first. Manos stole second and scored when Gary Hickey was safe on an error.

Plymouth tied it in the second when Jim Grimmer walked, Jeff Waller sacrificed him to second, Ron Egloff walked, and Rob Willette bounced one over the second baseman's head to score Grimmer.

PLYMOUTH broke loose in the bottom of the third for five runs on one hit. Robb was safe on an error and stole second. Dan Hees singled to put runners on first and third and Coach Sparkman called for a double steal. Robb scored and Hees took second.

Lary Graves and Grimmer drew bases on balls to fill the

sacks. Waller walked to force in Hees and Egloff greeted Harrison hurler Hickey with a double suicide squeeze. Willette sacrificed in Waller and the Elks were up by five.

A walk to Chris Weber, a stolen base, and single by Manos scored Harrison's second run in the top of the

fifth to make it a 6-2 contest.

The top of the sixth saw Harrison score two more runs. Young was hit by a pitch and Brian Collins walked. Weber singled in Young and Collins scored when the throw from the outfield got by both the catcher and pitcher.

Plymouth concluded its assault in the sixth with three runs on only two hits.

Dave Bidwell, Dave Hees and Robb walked to load the bases. Dan Hees singled, Grimmer singled and Egloff walked to put the Elks on top by five.

Griffin Sport-Redford In Friday Showdown

By TOM DONOGHUE
Sports Editor

Didn't Redford and Livonia Griffin already have their showdown Adray battle?

The answer would be yes but in the eyes of Livonia Coach Ron Hellier and Redford Coach Pat Sheridan, the showdown was nothing more than a warmup for Friday's league finale... position night in the second round climax.

Redford and Livonia battled to a 2-2 tie in the quest of the No. 1 berth and each club is expected to carry a 7-1 mark into Friday's game at Ford Field at 8:30 p.m.

It's a must for Ron Hellier's squad with a win assuring Livonia a shot at Redford in the playoffs. If Redford wins, the race is all over.

Redford captured the first round title with nine wins and one tie.

The Livonia - Redford games have been far from dull baseball. Livonia lost to Redford in the first round on a final pitch grand slam off the bat of Gordie Eszes and the two battled to a 2-2 deadlock in the second round.

LIVONIA MENTOR Hellier will be going with his ace righthander Jerry Jarvela with Redford sticking with Tommy Ford.

Griffin scored three wins to match the percentage of Redford with a 13-3 romp over Birmingham Varsity Shop; a 5-4 squeaker over Garden

City; and a 7-2 triumph against Plymouth Bidwell.

The Livonia crew picked up 10 hits off Rick Wolfe in the Varsity Shop encounter while Tomy Kastea and Mike Keller worked the Livonia mound chores. Keller picked up the win in relief in his first Adray outing.

BIRMINGHAM spurred to an early lead with two runs in the first and one in the second to stand 3-0.

Bart Bates and Ted Kazanski singled. Quint Johnson grounded out and Kevin Keyes was safe on an error for the first inning score. Bob Neff walked, Wolfe sacrificed and Terry Shields singled to make it 3-0 with Coach Hellier calling on help from his bullpen.

Livonia woke up with five runs in the third when Keller, Jeff Waterstone and Pat Perino all drew bases on balls. Gar Frantz singled in two, Dave Rice was hit by a pitch, Howard Schryer walked to force in Perino and John Sichta laced a single to score two and Griffin was up, 5-3, and the Livonians never looked back.

A SINGLE by Bill Turkington, fielder's choice and sacrifice by Frantz made it 6-3 in the fourth.

Schryer walked to open the fifth, moved to second on a wild pitch and scored on Sichta's single. Roy Henriksson was safe on a

fielder's choice. Steve Chlenko blasted a triple and Turkington lofted a sacrifice fly to push the margin to 9-3.

Livonia reached its pinnacle in four tallies in the sixth on four singles and a home run by Rice.

PERINO and Frantz opened with singles, Rice uncorked his four - bagger, Sichta singled, moved to second on a passed ball and scampered in on Henriksson's hit.

The Garden City game was a different story for Griffin with the Livonians pushing across a run in the seventh to remain in title contention.

Rice started for Livonia with Jerry Jarvela picking up the win in relief. Greg Pushes worked for Garden City and gave up 11 hits in a losing effort.

GRIFFIN OPENED with one in the second on consecutive singles by Frantz, Schryer, and Sichta but Garden City bounced back with three in the third.

Jim Wisniewski tripled, Steve Orr singled, Dan McHugh drew a walk and Kirk Gugel was safe on an error with Livonia falling behind, 3-1.

A double by Perino and a ground out made it a 3-2 contest in the fourth with Garden City pushing the margin to 4-2 in the fifth. Wisniewski singled, stole second and scored on Terry Dobbs' hit.

LIVONIA SCORED twice in the sixth and once in the seventh.

Frantz singled with one out in the sixth and scampered around on a three - bagger by Schryer. Sichta drew a walk and with runners on first and third, Coach Hellier called for the double steal.

Puishes balked for Garden City with Schryer scoring and with bedlam breaking loose at home plate on the balk call, Sichta kept right on running and was called out in a disputed play at home.

Calm was restored with Livonia adding the winning tally in the seventh when Henriksson tripled and pinch-hitter Steve Crowe laced a hit up the middle.

JARVELA SCORED his fourth win in a one - hit show against Plymouth with Livonia banging out 11 hits to win, 7-2. The Livonia righthander struck out nine but ran into trouble with seven walks.

Mike Kolb worked for Plymouth, gave up 11 hits, struck out six and walked one.

Plymouth scored its two runs in the sixth with the help of its lone hit. Lary Graves was safe on an error, Ron Egloff delivered a two - bagger with a two - base throwing error scoring both runners.

Livonia opened with one in the first when Waterstone and Perino singled, Frantz

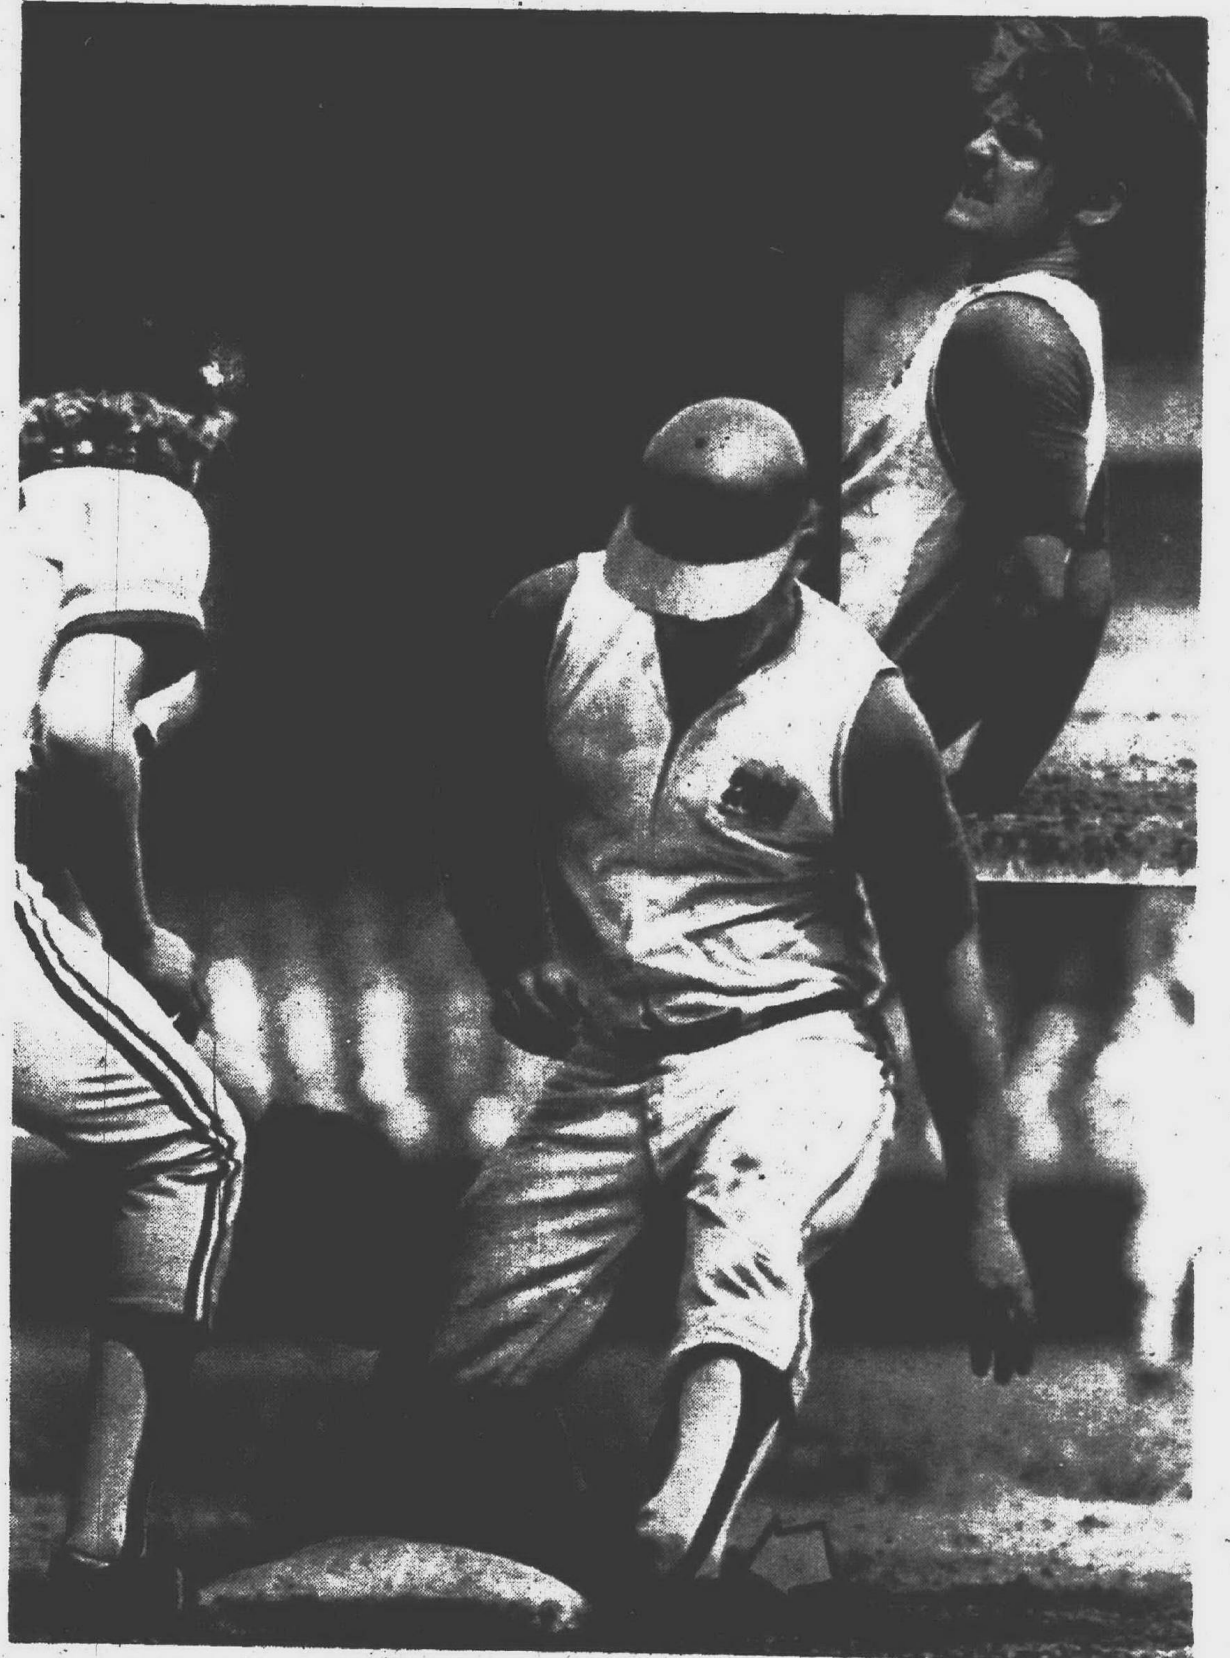

grounded out with Waterstone scoring on a balk.

SINGLES, by Schryer, Sichta, Jarvela and Waterstone made it 4-0 in the third.

The fourth saw Henriksson single and Turkington double to make it 5-0 with a walk to Chlenko, stolen base and single by Schryer making it 6-0 in the fifth.

A solo tally in the sixth made it 7-0 in favor of Livonia when Turkington walked, Crowe singled and Chlenko singled.

Plymouth came up with two runs in the last of the inning but Livonia was already thinking ahead to Friday's clash with Redford.

OH THAT HURTS! Westland Burger King's Bob McSpadden goes back into first on an attempted pickoff play in the Adray All-Star game in Tiger Stadium. The ankle turned (arrow) when it hit the bag with the upper facial expression telling the story. (Observer photos by Tom Donoghue)

MIXUP AT SECOND BASE - Redford's Gordie Eszes goes into second with a stolen base while North Farmington Koobel Diamond shorts-

top goes high and over Eszes in a futile attempt to grab the toss from his catcher. Redford won, 6-1. (Observer photos by Tom Donoghue)

National Pride Pitching A Real Mack Gem

National pride baseball Coach Roger Frayer knows he has a good thing in his pitching staff.

The Churchill varsity squad scored three consecutive shutout wins to match the 13-1 record by Redford Warholak in the battle for the top berth in the Connie Mack American League race.

"We have to have the top earned run average in the league," said Coach Frayer. Pride nipped Holman Pontiac, 5-0, and scored a

double victory over Phillippi, 1-0, and 12-0.

It would appear that a National Pride no-hitter is fast becoming impossible. For the fourth time a Pride hurler went into the late stages of every pitcher's dream only to have it shattered by an opponent's bat.

MIKE KELLER hurled six innings of no-hit ball against Holman and was working with a 5-0 lead going into the bottom of the seventh.

Holman catcher Mark Stevens drilled the first pitch off the right field fence to break up the no-hit bid but was thrown out at third attempting to stretch it into a triple.

Keller struck out seven and walked two. Thompson took the loss for the Plymouth JV Holman crew.

NATIONAL PRIDE scored one in the third and two each in the fifth and seventh innings.

Bob Blaes was hit by a pitch to open the third, moved to second on a ground out and

scored the first run on a single by Brian Kelly.

The fifth stanza saw Keller safe on an error, and Blaes, Phil Skender and Kelly followed with singles to push the margin to 3-0.

Pride jumped to a five run margin in the seventh when Blaes was safe on an error. Kelly walked, a double steal put runners on second and third, Ron Hawraney walked and Roy Henriksson lashed a single to right to score two.

Ken Wood scored his fourth sin against one loss with a two-hitter over Phillippi, 1-0. The Churchill righthander

struck out nine and walked none.

COACH FRAYER was up against his younger brother in Rick Frayer. Young Frayer was on the mound for Phillippi and hurled a four-hitter, striking out 10 and walking two.

Pride scored the deciding run in the second when Steve Chilenko singled, stole second, moved to third on a wild pitch and it looked like Frayer was out of the jam when he struck out the next two batsmen.

But Al Leirstein had different ideas with a single to right to score Chilenko with the winning run.

PHILLIPPI wasn't without its scoring chances.

The Franklin High Junior varsity club collected its two hits in the fourth when Steve Longway and Dave Fallow singled. Wood bore down and struck out the next two hitters and Pride catcher Bruce VanWagoner found Fallow napping and picked him off to halt the rally.

Phillippi almost put it together again in the fifth. An error put a runner on second and a passed ball moved him around to third. Phillippi Coach Lucky Birkett called for the suicide squeeze but VanWagoner called for the

pitch out and Tom Heller was cut down at the plate.

The second Phillippi victory wasn't as tight with the Pride bats going to work on Terry Birkett and Dennis Storm, with starter Birkett taking the loss.

Gary Sobkoniak and Dave Panzoff worked for Pride with starter Sobkoniak picking up the win in a combined three-hitter.

Blaes and Chilenko stood out in the Pride hitting department with three hits apiece including an inside the park round tripper by Chilenko in the third stanza.

Blind Bogey Highlights Women's Golf

Blind bogey -- or the lowest total on three holes -- made competition more fun on a recent Friday for the Livonia Women's Golf League.

In A flight, there was a three-way tie for low gross honors between Clare Caprillan, Alice Game and Justine Bondie, all carding 47. But it was Alice who lived up her name and took the game with a BB score of 14.

Helen Davies was B flight's low gross champ, but she was one of three to share the blind bogey honors. Others were Irma Bolling and Jean Lee. All had 17.

In C flight, Mary Gilbertson had to share low gross honors with Ann Kalmbach, both with 58, but it was Sue McCarthy's 17 that took the BB prize.

Ann Lawrence was D flight low gross winner with 59 and she also went on to split the BB competition with Jane Shaw and Lee Fournier, all with 20.

Joann List's 64 was tops in low gross in E flight and she shared the blind bogey honors with Lynn Hall with 19.

A 69 gave Suzy German the F flight honors but Nel Statzer tied with her for the BB prize. Both had 20.

G flight's low gross winner was Lil Schau with 74. Lil shared the blind bogey winnings with Edith Boyer, with twin scores of 25.

It was Carol Cronkrite all the way in H flight. Her 79 was the best low gross score and she won the blind bogey race with 24.

Stevenson Grad Sets Sights On Golf Title

Livonia's Paul Kruzel has set his goal high with the prize a U.S. Junior golf championship.

The 17-year-old Stevenson High grad scored a 75 in the Michigan playoffs at Meadowbrook Country Club with the next step being the finals at Brookhaven Country Club in Dallas, Aug. 1-5.

Paul had an extra thrill in the qualifying round with a hold-in-one at Meadowbrook's 177-yard eighth hole. The three year Stevenson High letterman aced it with an eight iron shot.

"The ball hit about two inches to the right of the pin on the fly," said Kruzel. "It bounced about a foot past the cup and went into a backspin into the hole."

Kruzel was all-conference his junior and senior years at Stevenson and won the state caddy tournament last year at Edgewood with a 73.

The Meadowbrook caddy is being sponsored by the Country Club on his trip to Dallas for the five day U.S. Junior golf championships.

South Farmington Slowly Advancing To Williamsport

In District 4 Little League Tournament play, the South Farmington American Fargos defeated NFWB's Federal team and turned back Linden, (Mich.).

In the opener, South Farmington laced 10 hits, while their opponents collected only three from Jim Brennan, who struck out 10. The NFWB led 2-1, when the Fargos came to bat in the bottom of the third. Don Diehr and Steve Bolling led off with walks and Brian Kelly singled to load the bases. Bill Blackmer looped a single up the middle. A series of errors followed and when the dust had cleared, all four had scored.

South Farmington collected

three more runs in the fourth on four hits and two bases on balls. Tim Pink and Brian Kelly each collected three hits in three trips to the plate as South won, 8-2.

Saturday it was the Fargos all the way, topping Linden 13-1. Marty Bona provided a two run blast over the fence in the top of the fourth.

The Fargos play the third leg on the long road to Williamsport and the "World Series" tonight (Wednesday) at Bosco field in Novi at 5:30 p.m. against Holly.

The field is on Beck Road, between Ten and Eleven Mile Roads and there will be a \$1 parking donation to the host Novi Little League program.

Founders Softball Tourney Scheduled

The largest number of teams ever will be in competition this weekend in quest of the Farmington Founders' Day Festival softball championship.

Tournament Director and Observer Sports Editor Tom Donoghue reports that 14 teams have entered the three-day tourney which kicks off Friday (July 28) in Farmington City Park.

The 27 games will be played in the City Park, the Drake Road diamond and the Knights of Columbus Field on Nine Mile and Middlebelt.

The tourney is a two-game elimination with entries vying for first and second place trophies, batting title and home run awards and a 10-man All Star team trophy.

Eight teams open play Friday in City Park with Arrow-smith going against last year's champion Steinhuis at 6:30 p.m. The Jaycees play Metro Bank at 7:45 p.m.; A. J. Assomony Cement goes against May's Mowers at 9 p.m. with Honda House drawing a first round bye.

Evening play will wrap up with Automatic Parking pitted against Timberlane at 10:15 p.m.

First round play will continue Saturday morning at the Drake diamond with Farmington Lins in action against Three-Way at 8 a.m., and Meiningers against K of C at 9:15 a.m., with Carissimi Electric drawing a first round bye.

The winners bracket will resume action at the K of C Field

Farmington Legion Finishes 5th In 18th District

Farmington's American Legion baseball club concluded its '72 season on a winning note for a fifth place finish in the 18th District standings with a 12-14 record. The Farmington squad didn't qualify for any post season tournaments but Coach Wally Christenson had to smile after the Walled Lake doubleheader wrap-up. His baseballers ran into the

twin-bill jinx, dropping four and managing only one sweep, but it was a different story Sunday. Walled Lake took the first end of the doubleheader, 3-0, but Farmington bounced back to take the second end, 3-2. Farmington hovered around the .500 mark earlier in the week with a 7-0 victory over seventh place Auburn Heights.

It was the first start for Randy Stringer and the Farmington hurler chucked a three hitter, struck out 11 and walked one. Marvin Park took the loss for Auburn. ROB HOLTON started Farmington off in the first with a two bagger and scampered home on a sacrifice by Rich Stringer

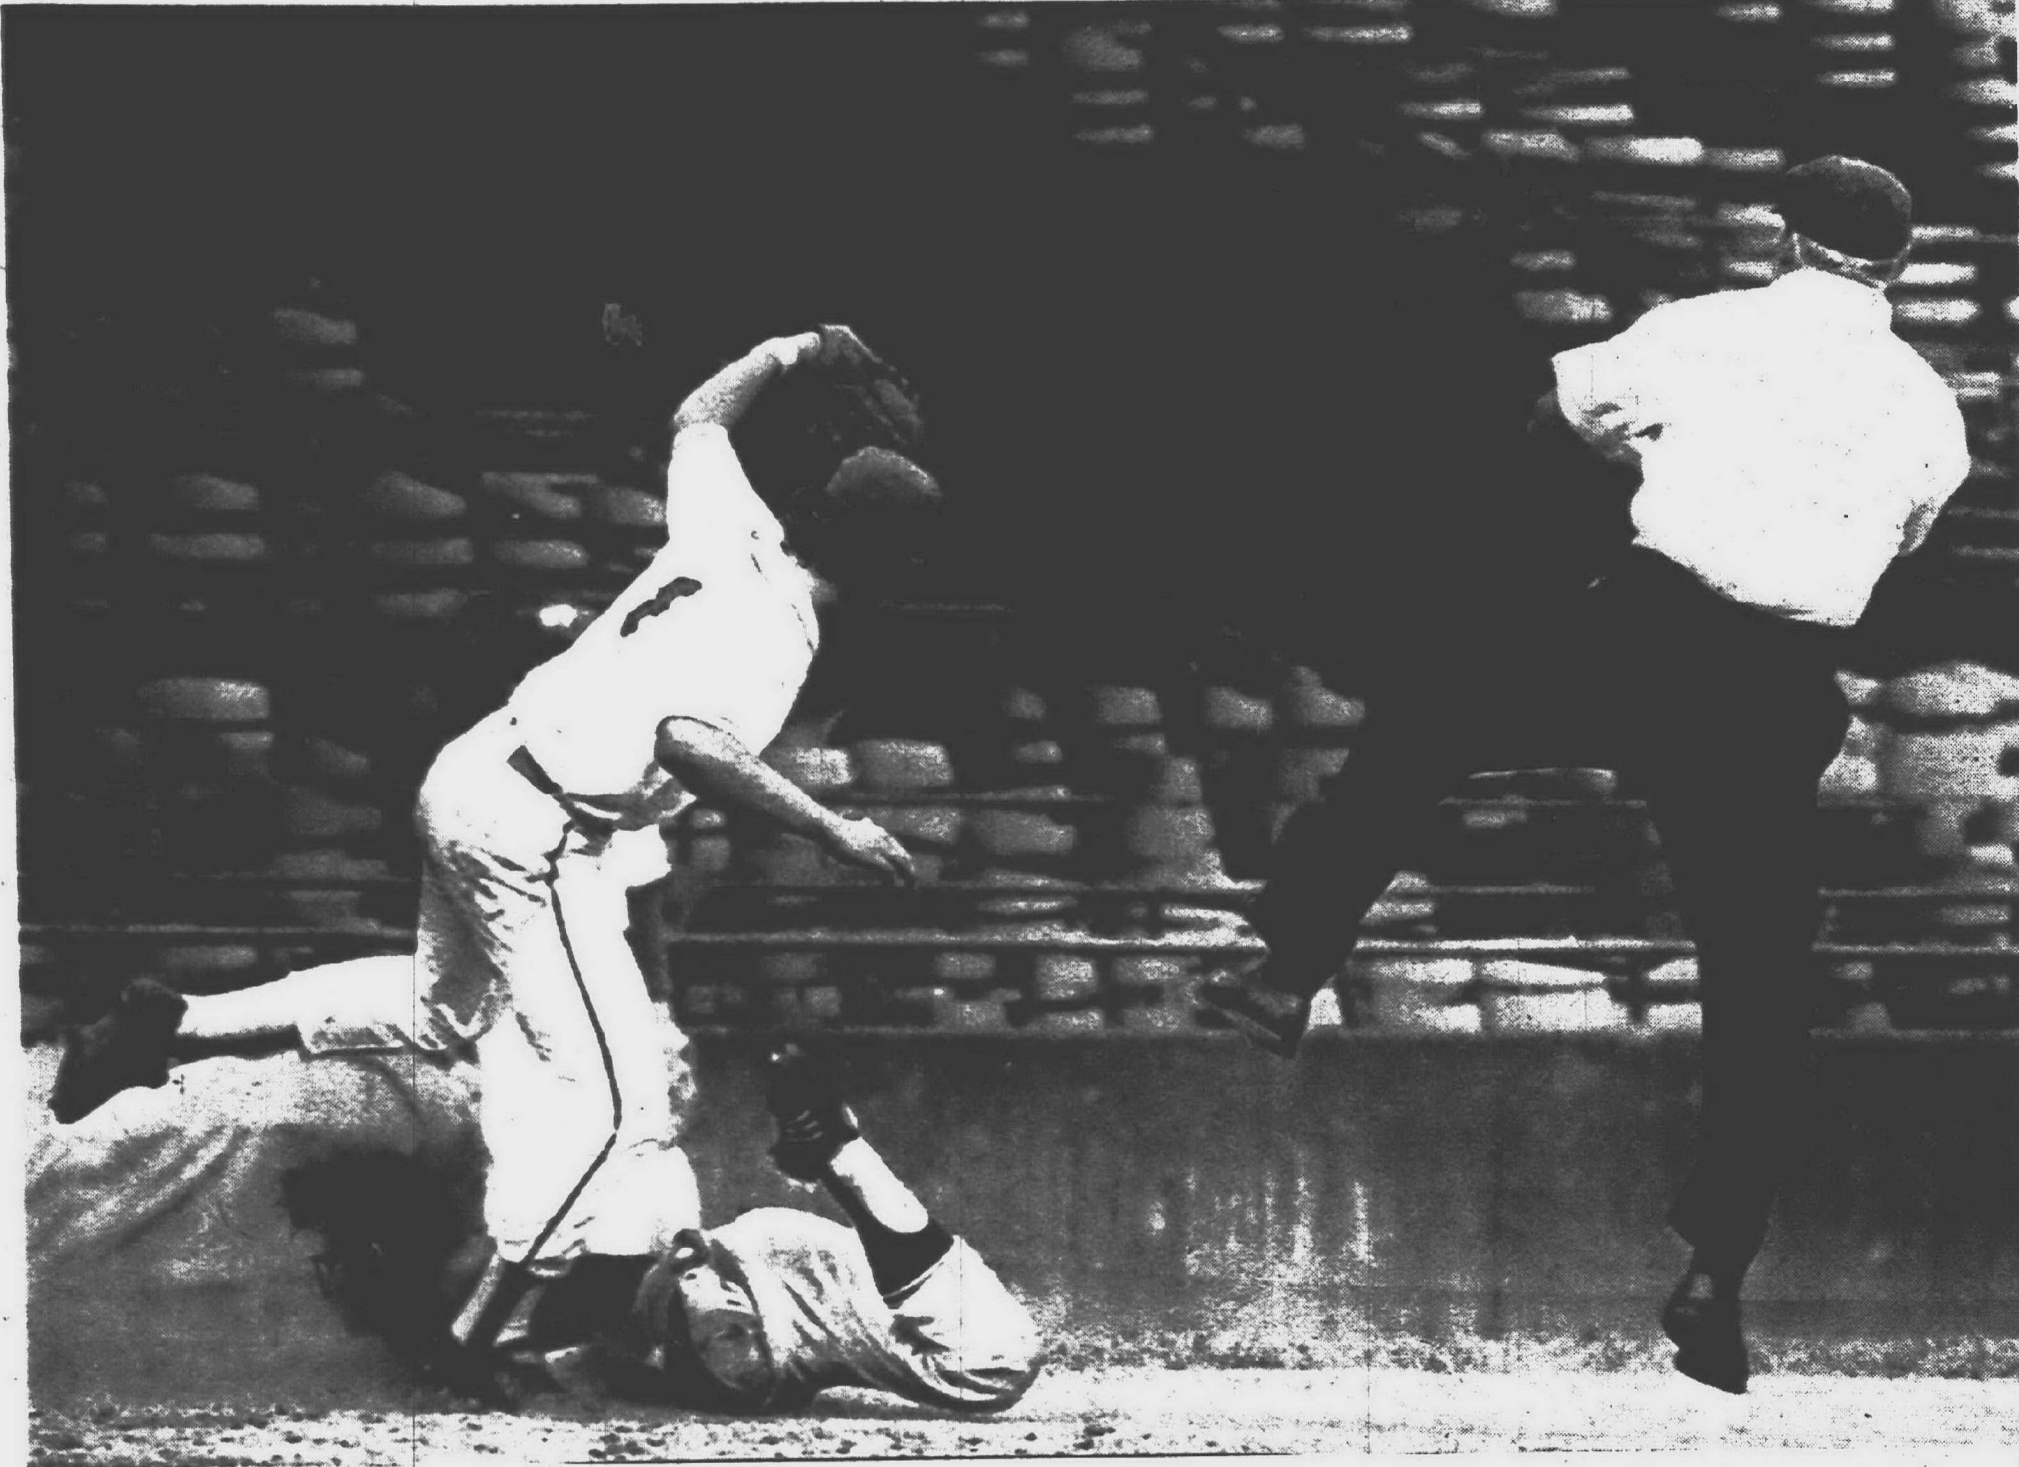

after Holton had moved to third on a ground out. It was another Holton double that got Farmington going in the third with the Farmington batsman scoring on a single by Rich Stringer. A double by Ken DiRocco and single by Mike Flynn made it 3-0 in the fourth with Farmington scoring four times in the top of the seventh to tuck away the victory.

Holton drew a walk, Flynn and Rich Stringer singled, Mitch Thomas doubled and Dennis Hagen singled. The final doubleheader caught Farmington with an opportunity to finish at the .500 mark. But Larry Sines hurled a five hitter and the Farmington bats remained silent to the tune of a 3-0 defeat. JEFF HERMAN went the

distance for Farmington, allowed seven hits and suffered the loss. Walled Lake scored one in the first on a walk and two singles, and added two in the third on two singles and two walks. Dennis Hagen went to work for Farmington in the second contest and the doubleheader jinx went by the wayside.

HAGEN MASTERED a three-hitter, struck out five and walked one, and picked up his fifth win. Walled Lake jumped to a 1-0 lead in the first when Bob Reszko walked and scored on a ground out and single. Farmington broke out of its scoreless shell in the top of the second when Bill Platko singled and Hagen blasted a four-bagger down the right field line to put Farmington up, 2-1.

Starting at first base will be Farmington's Dennis Hagen with a .369 batting mark. Rob Holton is the starting second baseman, at .343 with the Stringer brothers capturing two outfield berths. place in the 18th District with a 23-3 mark over Troy at 19-6. Four Farmington players were named to represent the 18th District in the All-Star game Saturday night (July 29) at 8 p.m. at the Pontiac Knights of Columbus Field. Coach Christenson will be right out there with his four as he was selected as one of the coaches. The 18th District will be going up against the best of the 7th District.

The Court Jester
by BILL CAMERON

Let's see if I can take your mind off this hot weather. Sit back in your chair, close your eyes, and think of mountains. Great jagged mountains, covered with snow. Sparkling white crystals that crunch with every step. The imposing Matterhorn sitting proudly in the sky overlooking the picturesque village of Zermatt, which to me, is the paradise of Switzerland.

Pollution - they never heard of it! The only way to get to Zermatt is by train. You can drive within 10 miles and leave your car. Just think, no exhaust fumes, just horse and sleigh. There is even a special crew that follows the horses, picking up the droppings.

You have your choice of three major areas, all with runs ranging from beginner level to expert, ranging from 4 mile to seven miles in length. The great experience is the 12 mile run from Zermatt to Cervinia, Italy.

It's an all-day trip but one which any intermediate skier can make. The scenery is magnificent. I'm leaving Feb. 10 for eight days. You're welcome to come along. If that date doesn't suit you

how about March 9 for 10 days at the new French area, LaPlagne? (the last night in Paris). My most vivid recollection of the area was an opening day pool part that I attended. Someone forgot to open the valve that heats the water! But the skiing is excellent and again, the scenery is unforgettable.

Now that I've got you cooled off, don't stop thinking snow. Skiers condone summer, it's winter that's worth waiting for. Join us this year.

Redford Hoping For Sweep In Adray Title Conquest

First round Adray champions Redford are making a run at the second round title. Redford swept by Birmingham Varsity Shop, Garden City and North Farmington Koebel to stand at 6-1 with the round championship on Friday (July 28) against Livonia Griffin which stands identical at 6-1.

Dan O'Brien went the distance against Varsity Shop and scored a two-hit, 6-2 victory for win No. 3 against no losses. The stocky righthander struck out eight and walked two and was never in any serious trouble.

Redford gave O'Brien a five run lead to work with in the third inning. Gordie Eszes tripled and scored on an error by the Birmingham shortstop. Jeff Washington connected for another three-bagger and O'Brien singled him in. Bill Herbert delivered the third triple of the inning and

scampered in on a sacrifice by Doug Burke. Denny Poppenger followed with a double and scored on a hit by Tom Ford.

Varsity Shop got on the board in the last of the inning. Fremuth doubled, Dunkel walked and Kazanski singled both in.

A single by Washington, a stolen base and single by O'Brien made it a 6-2 game in the sixth.

LACONIA GRAHAM hurled a two-hitter against Garden City for victory No. 3 and Redford scored a 4-1 triumph, with Graham striking out 13 and walking two.

Jerry Volas slipped to defeat for Garden City, allowing five hits, striking out two and walking three.

A double by Graham, a stolen base and single by Bob Ganzak put Redford up by one in the third. O'Brien walked in

the fourth, stole second and scored on a hit by Herbert. Garden City broke into the scoring column with one in the top of the fifth when Fisher walked and Darren McHugh doubled him in.

REDFORD ADDED two in the last inning when Ford walked, R. J. LeRoux singled, both runners moved up on a steal, and Ganzak drove in both with a single.

Sheridan called on Doug Burke in the North Farmington Koebel game and the righthander came through with three innings of one hit ball, struck out one and walked none.

Tommy Ford worked in relief and picked up his seventh win behind no defeats. The lefthander worked the final four innings, struck out seven, allowed no hits, and walked five.

JOHN COMBES pitched well for Koebel but didn't have

much support from his team. The North righthander gave up only five hits, struck out nine and walked six.

Combes walked Gordie Eszes to open the first and the Redford outfielder turned on his white running shoes to steal second. Eszes moved to third when the ball skipped into center field and O'Brien walked to put runners on first and third. Then with two out, O'Brien broke for second and the Koebel catcher rifled a throw into center field to allow Eszes to score with O'Brien scoring on a passed ball.

Redford made it 6-0 in the fourth with four runs on three hits.

O'BRIEN WALKED. Herbert singled and a wild pitch advanced runners to second and third. Burke drew a walk to fill the bases and O'Brien dashed home on a passed ball. Dan Malone was hit by a pitch to load the bases

Pitching Fails

Livonia All-Stars Fall

The Livonia Adray pitching staff wasn't up to par and the Detroit Adray All-Stars clobbered Livonia at Tiger Stadium, 7-2.

Livonia All-Star Coach Pat Sheridan utilized five hurlers in an unsuccessful attempt to stop Detroit with his ace Tommy Ford getting opening game honors.

It just wasn't Ford's day and Detroit jumped on the erratic lefthander for two runs in the first and two in the second.

"Tommy was very tight and had no speed," said Coach Sheridan. "Take away the first two innings and it is a 3-2 game."

ART MACH, Tony Kaseta, Steve Kreager and Jerry Jarvela joined Ford on the mound with starter Ford taking the loss. Ford lasted only an inning and third, giving up four runs on three hits, striking out one and walking two.

Westland's Mach and Redford's Kreager were most impressive.

Detroit went with Bob Perkins, of Adray Appliance, Craig Schalk and Tom Jones with Livonia pounding out only five hits.

A walk to Dean Mitton and singles by Bill Schmidt and Bob Szmanco gave Detroit a 2-0 first inning lead. Detroit knocked Ford out of the box in the second. Paul Janas walked and Bill Reichel was safe on an error by Ford.

Perkins singled to score Janas and Mitton sacrificed Reichel to third where he scored on a single by Schmidt to make it a 4-0 game.

LIVONIA WOKE up in the top of the fourth. Jeff Washington came up with the first hit on a two-bagger and scored on a single by Dan O'Brien. Pat Perino hit one up the alley with O'Brien scoring. Perino was thrown out at third and that was the extent of Livonia's rally.

Livonia picked up only two other hits by Redford's Bill Herbert and Dearborn's Joe Antonazzo.

Detroit rallied for another score in the last of the fourth when Kaseta walked Schmidt and Mitton and gave up a single to Szmanco to make it a 5-2 contest.

Jervela allowed three singles in the sixth to put Detroit up by five and Livonia gain failed in its bid to topple Detroit in an All-Star clash.

Fancher's Claims Possession Of 3rd

Fancher's claimed sole possession of third place in the Connie Mack American standings with a doubleheader sweep over West Bloomfield pushing the Stevenson High varsity mark to 9-5.

The summer Spartans toppled Bloomfield, 4-0, behind the two hit pitching of Tom Centers and zipped past Bloomfield in the second game, 7-5 with runs in the fifth inning.

Centers went the route in the first game with seven strikeouts and no walks. Greg Babiak worked for Bloomfield and suffered the loss.

Fancher's scored once in the second inning when Tom Zaliagiris singled, stole second, moved to third on a fly out and scampered in on an error.

MARK TRESSLER opened

the Fancher's fourth on a base on balls followed by a single by Scott Price. Zaliagiris grounded into a force play and Terry McElroy sacrificed in Fancher's second tally. Fancher's concluded the scoring in the sixth with two runs on two hits. Zaliagiris singled, McElroy walked and Mark Temby hit into a fielder's choice with Zaliagiris out at third.

Centers laced a hit up the middle with McElroy, and Temby both scoring to put the game on ice.

The second contest saw Fancher's come from behind, 5-2, to score five times in the last of the fifth to win, 7-5.

NELSON CADY and the Centers handled the pitching chores with starter Cady taking the win. Rick Edelen

went the distance for Bloomfield and suffered the defeat.

Bloomfield went up by three in the second without the benefit of a hit. The sixth place American League crew scored on three walks and three errors.

Fancher's rebounded with two in the fourth on four hits. Bob Ganzak doubled, Tressler singled, Zaliagiris singled

with Ganzak scoring and Tressler out at third. Don Finn followed with another single and the Stevenson squad was down by one.

BLOOMFIELD moved ahead in the top of the fifth on two runs, two hits and one error to push the margin to 5-2.

The best was still to come for Fancher's with the

Spartan bats booming for five hits and Centers turning in a brilliant performance in relief.

Cady opened with a triple, Temby singled, Mark Keifer singled, Ganzak singled and Tressler walked. Finn finished with a single and a two run victory with Centers setting down five of the last six batters he faced on strikeouts.

ALMOST A REDFORD WIN -- Livonia Griffin baseball Coach Ron Hellier was within reach again of Redford but ended up in a 2-2 deadlock with the season finale position night shaping up to be another rematch. (Observer photo)

Crowe Remains In Contention

Bentley High's Crowe Connie Mack baseball squad remained in the thick of the National League title race with a twin sweep over Thurston, 5-2, and 8-6.

Crowe is tied for second with Hines Park with 9-3 records. Plymouth is on top with a 11-1 mark and Crowe must hope for a Hines victory over Plymouth and then topple

Plymouth for a shot at a tie and a playoff.

Brent Boegler captured his third win in the 5-2 game with 17 strikeouts. The Bulldog lefthander allowed only six hits and walked two with his fielders recording only four putouts.

Mark Miller and McClain hurried for Thurston with

righthander Miller suffering the loss.

THURSTON OPENED with two in the fourth when Miller singled and Don Murdoch drilled one to deep left center for a round-tripper.

Crowe notched it at two all in the last of the fifth. Pat Perino was safe on an error and Al Hernandez singled. Bob Wasilewski was safe on a fielder's choice and Paul Sevonty singled but Perino

was thrown out at the plate. Greg Neale delivered a two-bagger and Wasilewski and Sevonty scored to make it, 2-2. Hernandez put the game in Boegler's hands with a three run homer in the sixth and the rest was all strikeouts for the Crowe hurler.

TOM WORNIAK had walked and Perino singled before Hernandez uncorked his four-bagger.

Joe Kearney and Boegler worked the second game with starter Kearney taking the win.

Thurston scored five times in the third inning to capture a 6-5 lead but Crowe bounced back when Hernandez blasted another home run to put the Bentley crew up to stay, 7-6.

Crowe added a run in the top of the seventh on a single by Worniak, a fielder's choice and single by Hernandez.

New Tennis-Squash Facility Opens In Farmington

Detroit's oldest non-profit private tennis club has officially opened its new million dollar sports complex on Drake Road, south of 14 Mile Road, in Farmington Township. The Detroit Tennis & Squash Club (DTSC) headquarters were previously located at 13200 Grove in Detroit.

The new club features 13 terraced and wind-screened outdoor Har-tru surface courts. The clubhouse contains four additional glare-free indoor courts as well as two air-conditioned squash courts to provide members year-around play.

An observation gallery overlooks the indoor courts. There are carpeted, private dressing rooms with lockers and showers for men and women. The men's section also contains a steam room and whirlpool bath. In addition, there is a dining room and lounge, a teen room for junior members, and a complete pro shop.

A limited number of family and individual memberships are still available. Applications may be obtained through Chuck Karabell at the club headquarters.

Garden City Places 2nd In Junior Swim Championships

Ann Arbor continued its victory splashing in the Water Wonderland swimming championships with a junior meet triumph at the Southfield Civic Center with 500 points.

Garden City placed second with 406 1/2 points with the Livonia Bulldog Aquatic Club third with 401.

CINDY BROWN, 12, of Garden City Parks and Recreation, set two records in the 100 meter breaststroke (1:25.6) and the 100 meter butterfly (1:13.2). Tommy Smith of the Clarenceville Swim Club, age 10, set a record of 2:35.1 in the 200 meter freestyle.

Tennis Open A Westland First

Westland Rotary has scored a first in the world of tennis. It is sponsoring an International Lawn Tennis Association open tournament, Aug. 23-27 ... the first ever

MSU Baseball

Seven Michigan State baseball players performed for the Grand Rapids Sullivan's team in the 1972 International Honkbal Tournament in The Netherlands. They were pitchers Larry Ike, Brad VanPelt and Steve VanderLaan, catcher Bailey Oliver, infielders Ron DeLonge and John Rohde and outfielder John Dace.

Faculty Rep

Dr. James Tintera, Professor of Speech and Director of the Center for Instructional Technology at Wayne State University, is WSU's new NCAA Faculty Representative.

sponsored by a Rotary Club in the United States.

Tournament Director Ed Kane is expecting the top players in the Midwest to be in competition with brackets broken down into three categories.

All play is in singles with an 18 and over bracket for men and women and a junior men's division, 35 and over.

PRIZE MONEY will total \$800 with the overall champion receiving \$300.

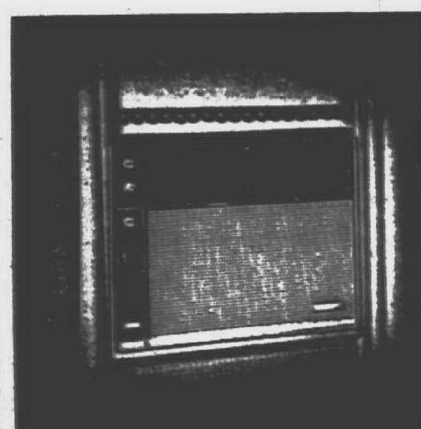

Entry forms can be obtained by mailing a request to: P.O. Box 2034, Livonia, in care of the Westland Open.

The Open will be played at the Westland Jaycees Park on the concrete courts where Parks and Rec workers are now relining the surfaces.

Wes Richards, Southeastern Michigan Tennis Association vice president, is working with Kane in getting the Open together with netters from Ohio, Indiana, Illinois and Michigan expected.

Westland Riding Pogo Stick In Ruth Tourney

Westland is taking to the likes of a pogo stick in state Babe Ruth baseball tournament action in the Westland Jaycee Park.

Niles fell to the Westland crew in the opening round, 17-0, but Detroit West bounced Westland into the losers bracket, 7-0.

Westland remained alive in the double game elimination with an impressive 13-3 rout over Alpena.

The tourney wraps up Friday (July 28) with the finale at 5 p.m. at the Westland Park.

Westland opened with four

consecutive bunts in the first Niles contest and the rest was easy sailing with Ron Taylor hurling a three-hitter and striking out 11.

DETROIT WEST SEVEN put a sour note in Westland's plans to stay in the winner's bracket but it was a complete turnabout against Alpena.

Ron Taylor, Steve Tresik and Matt DeMare worked for Westland with Taylor picking up his second win. Alpena went through five pitchers in a futile attempt to find a stopper.

Westland only needed two

innings to produce its winning margin. A two-run first and an 11-run third put it all together with Alpena scoring twice in the fifth and once in the sixth.

BOB GERRITY opened the Westland first with a bunt single. Cliff Davidson followed with a single up the middle with a ground out and fielder's choice making it a 2-0 game.

With one out in the third, Westland put it all together for an 11 run explosion on only six hits with three walks and two errors helping the cause.

Gerrity opened with a single Davidson walked and Joe Scarpace drew a walk to fill the bases. Tom Tresik singled in two runs and Mark Cheadle walked to fill the bases again.

MICK FISHER bunted to score Scarpace and Steve Tresik drew a walk to force in brother Tom. Joe Pollard delivered a two run single and Taylor sacrificed in Steve Tresik. Gerrity connected with a run scoring double, Scarpace singled to score two and Tom Tresik was safe on an error to finish out the Westland attack.

READY AND WAITING - Westland Babe Ruth catcher Joe Pollard is waiting with ball in glove to nail Alpena's Bill Skiba in the firstinning

of a 13-3 Westland rout in state tourney action at the Westland Jaycee Park. (Observer photo by Harry Mauthe)

Livonia Nips Coldwater, In State 'A' Semifinals

Livonia is making a name for itself in Class A baseball competition.

The Livonia squad conquered another hurdle in its quest for a state class A Championship in the National Baseball Congress Tourney in Grand Rapids.

Livonia defeated Coldwater, 1-0, behind the three hit pitching of Kirk Taylor and is

now into the semifinal round this weekend, July 29-30.

The 30-3 overall record of Livonia is sure to get a strong test in the semifinals against such team as the Grand Rapids Sullivan and Detroit ITM, and Livonia Coach Chip Rose will have his work cut out facing such pitchers as Paul Foytack and Phil Regan.

THE COLDWATER WIN

saw the winning score when Stu Rose reached base on an error, moved around to third on a single by Chip Rose, and scoring on a sacrifice by Frank Corej.

The road to the NBC tourney has not been an easy one for the Livonia club.

First came an undefeated 12-0 mark in the Garden City Class A Invitational, and then

a playoff with the Detroit Class A champion.

LIVONIA LOST the opening game, 7-4, but bounced back with 8-6, and 4-1 victories to win the playoffs.

Jay Schwalm came up with six scoreless innings of relief work with Dave Carroll, Jim Crom, Bob Ficano and Joe Saunders carrying the hitting load.

Warholak Wins No. 13

Redford Warholak swept to victory No. 13 in Connie Mack American action with a 10-2 triumph over Livonia Optimist.

Coach Bob Atkins spread out his pitching talent with Tom Nippa, Steve Friedman, and Gary Fuiks all getting in time on the mound with starter Nippa taking the win. Nippa stands at 7-0.

Taking the loss for Livonia was Dan Vezina.

Redford opened with four in the first stanza when Mike Johnston singled and R.J. LeRoux was safe on an error. Lupe Bravo followed with a bunt and both runners and Lacy himself scored when Livonia threw the ball away.

Kurt Fritz was hit by a pitch, Friedman was safe on

an error and Glenn Richmond sacrificed in Fritz.

A SINGLE BY LeRoux, a stolen base, a hit by Bravo and a double steal made it 5-0 in the second.

Warholak continued its assault in the third with four runs on three hits. Friedman and Richmond singled, Mark Yourcheck was safe on an error, Nippa walked and LeRoux cleared the bases with a triple.

Livonia tallied for two off Friedman in the top of the fifth. Craig Newell singled, Lacy and Klopp drew walks, and Boudnek singled. Lacy himself scored when Livonia threw the ball away.

REDFORD ADDED a run in

the last of the sixth when Bravo singled and Friedman LeRoux was safe on an error, sacrificed him home.

Southfield Firm 'Plays Football' 12 Months A Year

Quick now, before you read any further, pick the five most exciting football games ever played by a University of Michigan football team -- pretty tough assignment, right? Well, the Michigan Athletic Department has selected their top five, and they are in an LP record album produced by a Southfield firm called "The Sounds of Football."

The games selected are: 1902 Michigan vs. Stanford, Rose Bowl

1942 Michigan vs Notre Dame
1948 Michigan vs USC, Rose Bowl
1950 Michigan vs Ohio State, Snow Bowl
1969 Michigan vs Ohio State
The album sells for \$5.95 and can be ordered through the undergraduate "M" Club, 1000 State Street, Ann Arbor, 48104. The play by play was recorded by long time U of M football announcer, Bob Ufer. Proceeds go to the University of Michigan scholarship fund.

Hosts Colt Tournament

Farmington will be the site of the District No. 2 Colt baseball tournament starting on July 26.

Teams from Garden City, Redford Township and Southgate will be in competition with Farmington with the winner moving on to the Colt Sectional B Tournament at Hamtramck on Aug. 2.

The games have been set for the Drake Diamond with the tourney a two-game elimination.

The opening contest will feature Redford Township

against Southgate on Wednesday, July 26 at 4:30 p.m. with Farmington and Garden City going at it on Thursday, July 27, at 4:30 p.m.

LOSERS will play on Friday at 4:30 p.m.

A doubleheader will be on tap Saturday with games at 1 p.m. and 4:30 p.m. and the championship game on Sunday at 1 p.m.

Bob Heath is behind the reins of Farmington's best in the tourney with Jack Marion assistant.

Free Skating Highlighting Rink Opening

A ribbon cutting, free skating, and a chance to get into a cool atmosphere during the current heat wave -- all will be offered when a new \$1 million enclosed ice rink opens its doors at noon Saturday, July 29, in Westland.

The ceremony will mark the first public use of Sportsland, owned by the Westland Arena, Inc., a private organization.

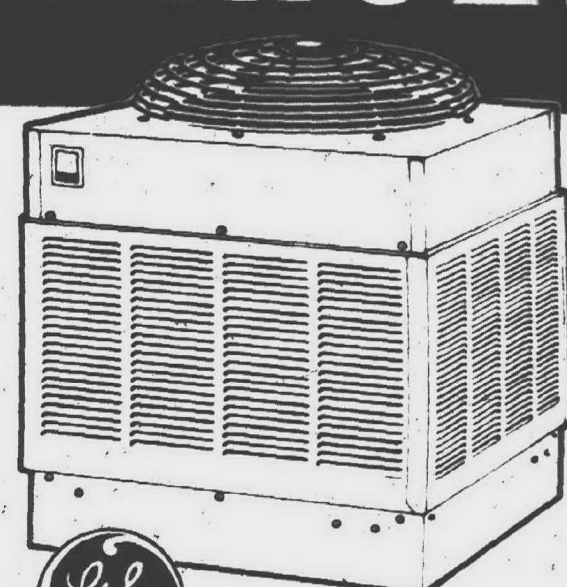

The opening will have city officials to handle a ribbon-cutting ceremony at the facility on Cherry Hill Rd., just west of Newburgh.

Free skating will be offered to persons from noon to 9 p.m. Saturday and from noon to 8 p.m. Sunday. There will also be tours of the building during the Saturday opening.

Sabre Title

Wayne State University freshman fencer Steve Danosi won the 1972 Great Lakes Championships sabre title to add to his 1971 Illinois Invitational championship last December.

THE AMBASSADOR - This heirloom piece has burnished brass columns and brass inlays in the base. The natural beauty of the cherry case has rare Carpathian Elm Burl veneer overlays. It is finished in the Savannah finish. The middle case door is glazed with beveled and polished glass. It features a moving moon phase dial with raised Arabic numerals and a triple chime movement that plays Westminster, Whittington and St. Michael's chimes.

THE ORLEANS - from the graceful curve of the pediment to the hand carved detail this clock bespeaks its French origins. It is accented with antiqued brass hardware and brass wire mesh. The case is Cherry finished in Sheridan.

Grandfather Clocks Tomorrow's Heirlooms

Why are grandfather clocks suddenly so popular again?

No one knows for sure. Perhaps because, like the Cadillac, they are a status symbol. There is also a "family thing" about grandfather clocks. In some families they have been handed down from one generation to the next.

People buy them today with the intent of making them a family heirloom. The fact that the Howard Miller Clock Co. of Zeeland, Mich. puts a

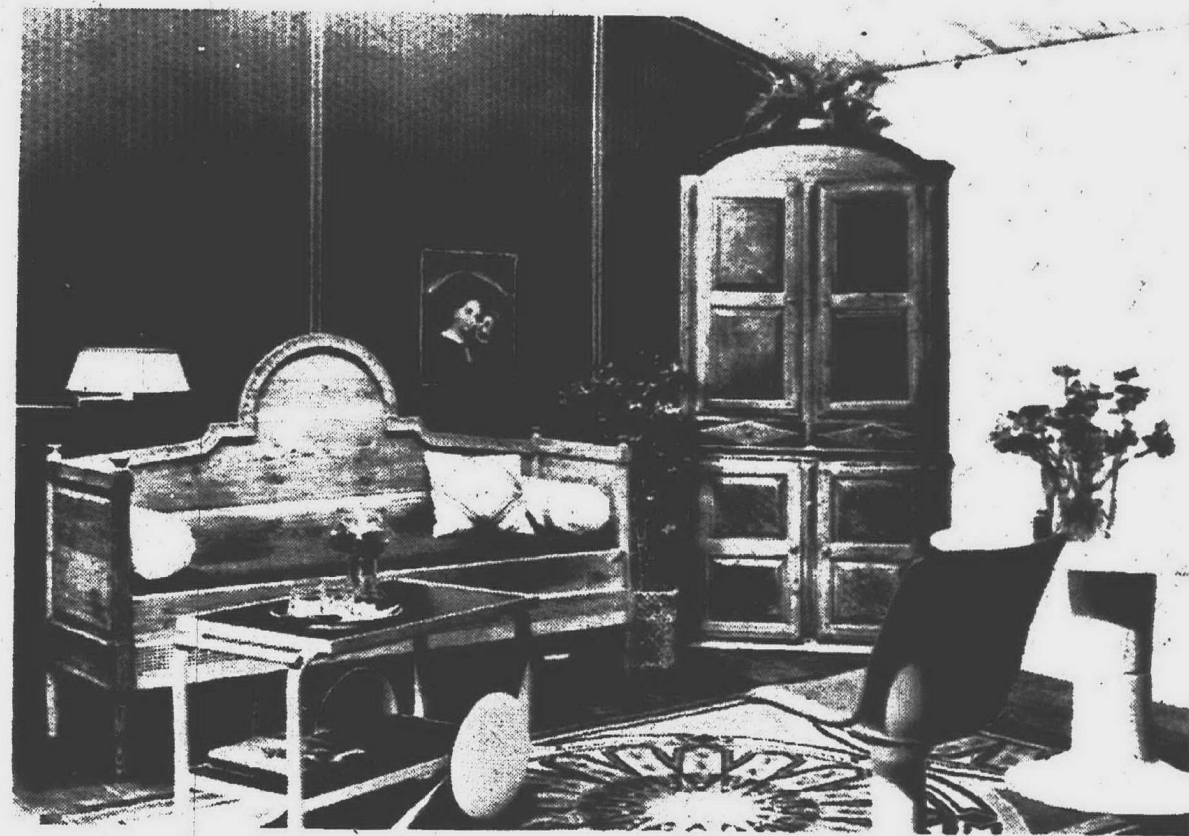

registration number and the name of the purchaser and date on each grandfather clock from its Barwick division only enhances the mystique.

To keep up with this new demand the company has introduced five new grandfather clocks. They capture the spirit of the past albeit with a certain sophistication.

There's a feeling of early American, of Italian, of French provincial but none

are hidebound reproductions. Rather they capture a mood and feeling of different periods enabling them to blend with particular periods.

One executed in pine would blend with early American because of its handsome Federal pediment; another has the soft curves of French provincial in cherry. The pediment and classic columns of the base of one crafted in oak and pecan hints strongly of Italian origins.

CORDUROY CLIMBS THE WALLS - Cotton corduroy in a neat geometric print adorns the wall behind an antique Finnish daybed in this unusual room setting. Seams of the fabric are covered by embroidered tape edged with balsa wood. The motif is carried out in a printed corduroy cover for the daybed and velvety no-wale corduroy pillows decorated with embroidered tape. An 18th century painted corner cupboard and contemporary Finnish chair and tables complete the decor.

Suburban Gardener

Grasses As Attractive Indoors As Outdoors

By BETTY FRANKEL
Special Writer

Grass can be a beautiful addition to the flower bed or shrub border. No, not lawn grasses that creep in, but ornamental grasses that are planted for their decorative effects.

There are kinds of ornamental grass that form large fountains of ribbon-like foliage with tall feathery plumes that rise high above the leaves. These make perfect accents or focal points in the garden.

There are others that form stiff bristly little mounds, suitable for the edge of the border or for a rock garden. In addition to their decorative use in the garden many of these ornamental grasses can be cut for use in fresh summer bouquets, or can be dried for use in winter arrangements. They are as attractive indoors as out.

One of the most striking of the ornamental grasses that grow in this area is plume grass (Erianthus Ravennae). It is a perennial which forms a mound of foliage three or four feet high. In late summer many flower spikes are produced. These majestic silvery plumes rise to a height of 10 to 12 feet for a dramatic and long-lasting display.

FOUNTAIN grass, known botanically as Miscanthus or Eulalia, is equally decorative. The slender, rather stiff leaves which reach up to six feet in height are topped in late summer by a great profusion of feathery fan-shaped flower heads. These are a rich mahogany red tipped with white.

There is a variegated form of Miscanthus known as ribbon grass. It has handsome leaves striped green and gold. The foliage is 4 feet high. The feathery pink-beige plumes are five feet high. This makes a striking focal point, but allows ample room for the clump to develop. It loses its beauty if crowded.

There is an ornamental form of bent grass - quite unlike the bent that covers golf greens. The ornamental bent is known as cloud grass (Agrostis nebulosa) and forms an ethereal mound somewhat over a foot high.

Another bent is known as silk grass (Agrostis humilis). Both are hardy annuals that are readily grown from seed. They are good for cutting and drying, too.

Hair grass (Aira pulchella) is a hardy perennial that forms tufts about nine inches tall. It makes an unusual edging for a flower border.

ANOTHER attractive edging plant is Festuca ovina glauca which forms low bristly mounds of a vivid silvery blue-green. This striking plant is also good in the rock garden or used as a ground cover.

One of the most interesting grasses for dried arrangements is quaking grass (Briza). There are several kinds that vary in size from a dainty six inches high to about 18 inches tall. The latter, Briza maxima, forms bushy plants with a profusion of dangling flattened cone-shaped heads in June and July.

For use in bouquets pick the stems just before the spikelets open. They can be used in fresh bouquets, or they can be placed in a vase and left to dry for winter use.

Quaking grass and many other ornamental grasses have escaped from cultivation and have established themselves in fields and meadows and along roadsides where their beauty is generally overlooked. Native wild grasses are beautiful, too.

Next time you ride along a country highway or pass an uncultivated field look for the delicately tinted pink or gold or beige flower spikes that form feathery plumes and ethereal puffs and clouds that are easily stirred by a passing breeze.

Pest Of The Week

COTTONY MAPLE SCALE

These white cottony masses along the twigs and branches of maple are severe this year. It attacks primarily maples. It may kill large branches or severely weaken trees. The young crawlers hatch from eggs laid under the white masses.

Within the next few days most of the eggs should be hatching here.

CONTROL: Sprays should be applied now with two tablespoons per gallon of 50 per cent wettable Sevin (two pounds per 100 gallons) or two tablespoons per gallon of 4-Flowable Sevin (one quart per 100 gallons).

"We throw out many newspapers. I was wondering if we couldn't use them for a mulch. Would the print harm the plants?"

No. Many people dig a trench 18 inches deep and then place papers in it. Then soil is placed over the papers. The ink has no effect on plants or the soil.

'Enlightened' Kitchen For Beauty

When you turn on your kitchen lights, do they "turn on" or off? Or off? The properly lighted kitchen should be a pleasure to the eye and for the eye. It should contribute to both beauty and function. The typical kitchen,

however, falls short of potentials on both counts.

To help you tell whether your kitchen is suitably "enlightened," "Light for Living Centers," showroom associates of the American Home Lighting Institute, suggest the following quiz:

1. Does your kitchen have a bright and cheerful look, instead of drab and dark?
2. Do the lighting fixtures add to the decor with their own interest of design, materials and colors?
3. Can you read the markings on a measuring cup or spoon at range or work counter, without moving to a

window or light?

4. Do you often have to wash dishes or tableware a second time?

5. In reading a recipe, do you have trouble judging the color of food to tell whether it's done?

IF YOUR answers to the first two are "no," you should look into the decorative possibilities of up-to-date lighting for your kitchen.

If your answers to the others are "yes," you probably need more and better illumination.

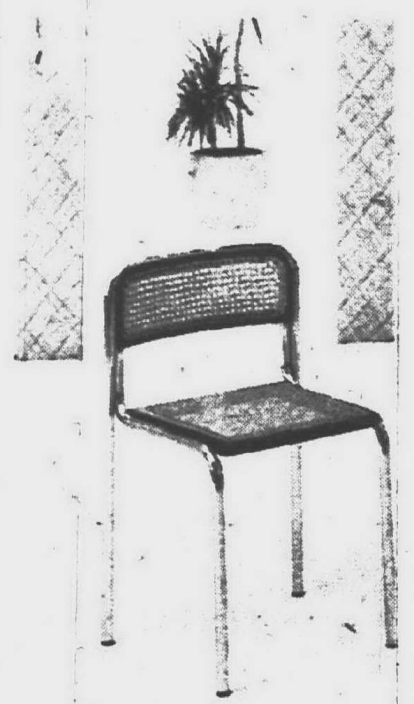

Trained lighting consultants at AHLI "Light for Living Centers" showrooms offer help in diagnosing a kitchen's lighting ills and prescribing remedies that give it vitality in both decor and function.

Current styles of lighting fixtures are available in variety to suit every decorative theme, color plan and budget. Designs range from burnished brass ships' lanterns to graceful wrought iron shapes to French provincial chandeliers to American colonial and rustic.

For contemporary tastes, there are clean-lined ceiling rectangles or hanging opal globes. Smoked glass, stained glass, and chrome are among the many decorative options.

For efficiency of illumination, a kitchen should have suitable general lighting, plus task lighting directed to the work counters, sink and range. Light for Living Standards of American Home Lighting Institute provide guidelines for proper number, location, types and wattages of fixtures, on ceiling or wall or under cabinets.

When a kitchen is lighted right for both good looks and good vision, it lightens the work and brightens dispositions.

LIGHT-WEIGHT stacking chairs by Selig add up in pairs, trios, quartets or more to help create a casual modern scene. The trend in seating is to mobility, and the sleek chrome-framed cane chairs are orderly and pretty in the bargain.

THE VOCATIONAL-technical addition to Schoolcraft College's Applied Science Building is in the beginning stages as this view from atop a neighboring building shows. The college was recently notified that it will get some help from the state in constructing the \$1.1 million 23,000 square foot addition.

Engineering Degree Comes After 31 Years

Among the General Motors Institute graduates receiving degrees at ceremonies in IMA auditorium in Flint this Friday will be a group of GM "oldtimers."

Included in this group, whose members probably could write the textbooks now being used at the institute, is George Hudson, 706 Burroughs in Plymouth.

Hudson received a certificate when he graduated from GMI in 1941. In those days it was a four-year school and was not accredited.

The years after graduation followed the pattern of many young men of that era: married in '42, joined Navy in '44, back with GM after the war. Now, 31 years later, with four children (a daughter four hours away from a masters degree), and three grandchildren, Hudson will receive his bachelors degree in industrial engineering.

He is one of seven from the Hydramatic Plant in Ypsilanti who will be donning caps and gowns for the July 28 ceremonies. He is a general foreman at the plant, presently on a special assignment at the GM Tech Center.

"It gives me a tremendous amount of personal satisfaction," Hudson said when asked how he felt about his degree. Then he went on to explain how it all came about.

"After World War II GMI became accredited and a fifth

"I haven't got it here or I'd let you see it," Hudson said. He had sent it to his father in Massachusetts because he knew he'd be interested in reading it.

A belated invitation was on its way to his parents - purposely belated so that they would have to fly - not drive - if they decide to come to their son's graduation.

Both George and his wife, Betty, were grinning over this deliberate procrastination. "You know what they did?" Betty said. "They drove 2,000 miles to view the eclipse a couple of weeks ago. All the way to Prince Edward Island. He's 85 years old now and we worry about him driving."

With parents like those senior Hudsons, it must be difficult to realize 31 years have passed since he left General Motors Institute.

The directions on the timetable for the ceremonies take one back too. "Time to pick up cap and gown... time to get name tag... time to register etc. etc. etc. time to turn in cap and gown."

And - "GMI has paid for the tassel so you may remove and keep it."

Popular Flea Market Back

The popular Blum & Kirsch Flea Market will be held at Wonderland Center on Saturday, July 29.

This flea market offers browsers and shoppers a fine selection of both rare and unusual antique and distinctive hand-crafted items. It will be located throughout Wonderland Center's mall.

GEORGE HUDSON

year was added to the curriculum. During this year the students worked on a thesis.

"For a time they granted degrees to graduates of the old four-year term on completion of a thesis. But four or five years ago this program was closed. A thesis could be written on a subject of your choice."

The subject of Hudson's thesis was "Inspection Procedures for Die-casting." He started it early in the year, then a bout with heart trouble landed him in the hospital for a time. When he returned home for a period of convalescence, he was able to continue and completed it May 1.

2 Colleges Cut Rates For Tuition

Though two Michigan community colleges are lowering their tuition rates, both Schoolcraft College and Oakland Community College in Observerland are keeping their rates at the same level.

Jackson Community College and Northwestern Michigan College in Traverse City announced lowering of their tuition rates last week - complete with refunds to summer school students who had paid the previous rate.

Both college's had rates higher than Schoolcraft and OCC and have the advantage of being located away from large metropolitan areas where costs tend to be higher.

JACKSON LOWERED in - district tuition \$2 per credit to \$14 for residents and \$22 for non-residents.

Northwestern lowered tuition from \$11.75 to \$8 for in - district students and to \$11 for students from seven neighboring counties and \$17 for all other students.

Tuition rates at Schoolcraft were raised 10 per cent this year from \$10 to \$11 per credit for in - district students, \$20 to \$22 for out - of - district and \$30 to \$33 for out - of - state.

Hard-Rock Tunneling Records Set LCC Fines Show Hike

Six probable world records in hard-rock tunneling are credited to a Livonia-based contracting joint venture by an internationally-circulated British trade journal. The record-breaking tunneling was performed by Greenfield & Associates in construction of the Port Huron water tunnel of the Detroit Metropolitan Water Department.

Greenfield & Associates, headed by Greenfield Construction Company, Inc., of Livonia, was recognized in a recent issue of The Mining Journal Limited for what is believed to be record-breaking performance in: removing the largest volume of hard rock in

a given time; the highest boring rate ever achieved with the 175-ton tunneling machine manufactured by Lawrence Division of Ingersoll-Rand; and - in terms of tunneling progress - the best 10-hour shift, best 20-hour day, best five-day week and best month.

"Boring of the six-mile Port Huron tunnel, it is estimated, would have taken at least 50 per cent more time to complete with conventional techniques," the British mining publication said.

The tunneling machine used by Greenfield & Associates at Port Huron is now being used by another Greenfield-

managed joint venture to tunnel for the 5.6-mile Cross-Irondequoit Interceptor of the Irondequoit Bay Pure Waters District at Rochester, N.Y.

Associated with Greenfield Construction Company in tunnel constructors, the joint venture constructing the Rochester project, are two of the same underground contractors that participated with Greenfield in the Port Huron project - Rocco Ferrara & Company, Inc., of Livonia, and S.A. Healy Company, McCook, Illinois.

A fourth member of the Port Huron joint venture, J.F. Shea Company, of California, is not involved in the Rochester project.

LCC Fines Show Hike

LANSING Fines for violations of state liquor laws were up 26 per cent during the first six months of 1972 compared to the same period last year, the Michigan Commerce Department Liquor Control Commission reported today.

The commission said it fined establishments licensed to sell liquor a total of \$93,476 between Jan. 1 and June 30 compared to \$67,907 during the first six months of 1971.

License revocations and suspensions were down, however.

Local Man Is Promoted

Emilio A. Garza, 27601 Garden City, was promoted to assistant manager of manufacturing engineering for the National Can Corp. in Livonia.

A Garden City resident since 1968, Garza was plant manager of the corporation before joining the engineering department in 1970. The corporation has 50 plants throughout the country.

Garza will maintain his Garden City residence while commuting to the executive offices in Chicago, Ill.

*9 DAYS OF FIESTA PHOTO FUN!
Sat. NOV. 11 THRU SUN. NOV. 19

By American Airlines

1st Day - Jet to Mexico City - Our exciting holiday begins as we check in to spend the night in the heart of Mexico City. We reach MEXICO CITY - called the "PARIS OF THE AMERICAS" - and drive to our first hotel, the REFORMA, and a FIESTA COCKTAIL PARTY.

2nd Day - Bullfight - This is the BIG DAY in Mexico! We begin with the world famous BULLFIGHT. Then we visit the FLORENTINE GARDENS, the ATZECAS, and the PALACE OF THE ARTS. We then visit the PLAZA DE LA REFORMA and the PLAZA DE LOS TOROS as we attend the BULLFIGHT.

3rd Day - University Tour - Tomorrow we drive to the beautiful UNIVERSITY of MEXICO. We visit many fine buildings and colorful markets. Crossing the mighty SIERRA MADRE MOUNTAINS to the CITY OF ETERNAL SPRING, CUEBAMACA, we visit through the ZOOLOGICAL GARDENS and the MUSEUMS. We then visit the PALACE OF THE ARTS and the PLAZA DE LA REFORMA.

4th Day - High Divers - In the morning we visit the wonderful beaches, swimming and surfing. In the evening we go to LA GUERRA to witness the spectacle of the HIGH DIVERS AS THEY PLUNGE 140 FEET FROM THE CLIFFTOP INTO A NARROW CHASM OF RAGING WATER.

5th Day Acapulco - From TACCO we travel westward and this morning we shall see it from the back of the plane. TACCO is our first clear blue water.

6th Day - Scenic Drive to TACCO - Signposting a newly departure from Acapulco, Acapulco brings us to the SILVER CITY. TACCO Shop for the beautiful side viewing showers and jewelry during the afternoon. Our hotel will be the beautiful RANCHO TACCO, perched on a hill above the city.

7th Day - Drive to Ixtapalan - From TACCO we follow the footprints of the great MONTENEGRO to IXTAPALAN, a health resort of ancient MEXICO. In the afternoon we drive through the DESERT OF THE LIONS on our way to MEXICO CITY and the REFORMA HOTEL.

8th Day - Mexico City - We visit the magnificent ZOCALO City Square bordered by the great CATHEDRAL and NATIONAL PALACE with murals by the immortal Diego Rivera. The PALACE OF FINE ARTS, SAN JUAN MARKET, then drive down the elegant PASAD DE LA REFORMA, passing the MONUMENT OF INDEPENDENCE, arriving at CHARLESWORTH PARK, where we visit the CASTLE, then to the famous SHIRAZ OF GUADALUPE, returning along the AVENIDA JUAREZ to our hotel.

9th Day - Return Home - We bid our friends in Old Mexico a fond farewell and transfer to the Airport for the morning flight home. As we bid a last - adieu, we promise one day to come back to Old Mexico.

*9 DAYS OF PICTURE FUN IN THE SUN!

SATURDAY - 1st DAY
Before you know it, you are arriving in HONOLULU and are met and warmly greeted with a beautiful flower lei and gentle kiss by "Your Man in HAWAII". He is a native born islander who will be your escort for your entire tour. After introductions and getting acquainted "Your Man" transfers you to his private limousine or motor coach to your first class PEARL SHORE HOTEL. Only steps away from Waikiki Beach. Also each room is furnished with COME COCKTAIL PARTY to honor your arrival and to get acquainted with the other members of the tour.

SUNDAY 2nd DAY
ALoha MALANINIS (Newcomer) gives your Hawaiian escort as he introduces you to all of you. Various activities will be introduced at this time to help make your stay most exciting. This afternoon your escort will suggest a "Pearl Harbor Cruise" - a historical ground for many Hawaiians and to many of you. As you cruise on the world's largest Catamaran (Aloha Kai 51) a repertoire of Pearl Harbor will be given - Most interesting.

MONDAY 3rd DAY
This morning your Hawaiian Escort will take you on a CITY TOUR. After touring the City of Honolulu, a stop will be made to the only Royal Palace on American soil today. The Royal Palace - Iolani Palace, a small but regal building. Here you will have a spectacular view of the entire City of Honolulu. This afternoon your escort will suggest the POLYNESIAN CULTURE CENTER. A fantastic show of all different Polynesian cultures featuring their own songs and dances. A MUST!

TUESDAY 4th DAY
This morning your escort will take you to the Muu Muu Factory where you will have the opportunity to see the actual making of Hawaii's famous Muu Muu. Then on to the Woodworking Factory to see the many beautiful Muu Muu and the unique lamps and figurines. You will have ample time to browse and do your souvenir shopping if you so desire. This evening your escort will suggest Hawaii's fabulous NIGHT CLUB TOUR. The tour will take you to one of Waikiki's beautiful hotels for a delicious dinner and an exciting native Polynesian show. Then on to the DELUXE KAHALA HILTON HOTEL, where you will relax with an exotic Hawaiian cocktail.

WEDNESDAY 5th DAY
Today you may wish to explore the fine shops along Kalia Avenue or just relax by the pool or on the white sands of Waikiki and enjoy a dip in the cool surf. However, if you wish to explore more of the island, your escort will suggest the "LITTLE ISLAND TOUR" and SEA LIFE PARK. Think and entertainment with Hawaii's Hula Performers. Learning Waikiki and a vast array of tropical fish. Enroute you will visit our beautiful Hanalei Bay, rugged coastline and the southeastern shore of the island.

THURSDAY 6th DAY
Another day to spend yourself by lying in the sun or exploring the beautiful island on your own. Among the many activities on Oahu your escort may suggest the BIG ISLAND TOUR, visiting the pineapple fields, Papaya Gardens, Banana Groves and Hawaii's popular sugar cane. You will also visit the famous Nuuanu Pali, Nuuanu Valley, Kaneohe Bay, Chinaman's Hat, The Mormon Temple and the Buddhist Temple. A Most Exciting Day!

FRIDAY 7th DAY
Today you may wish to finish up your shopping by visiting the World's Largest Shopping Center, Ala Moana, or if it's excitement you are looking for, your escort will suggest an "OUTRIGGER CANOE RIDE". Let your hair down and ride the wild surf of Waikiki. You will enjoy every minute of it! This evening your escort may suggest that you take the CATAMARAN DINNER SAIL. The sunset sail will include a shrimp and chicken dinner, rum punch and entertainment by the crew. Fun for all. You will remember always the day of Waikiki at night!

SATURDAY 8th DAY
You will still have ample leisure time before your departing flight to the Mainland. As you bid farewell to Hawaii, let the mainland remain in your heart of the Palm Trees. Hula Dancers your escort and the many beautiful sights that you have seen. But most of all, Hawaii's lovely Aloha Spirit. As you bid your home and you will begin to relax your vacation with your family and friends and soon you will find yourself making plans for your return to the Paradise of the Pacific. And Hawaii will always wait for you back.

OBSERVATION POINT

Failure Of Post-Riot Programs Led To Pressure For Busing

Late last week, the Sixth Circuit Court issued a stay of Judge Stephen Roth's order to buy buses for a metropolitan cross district busing plan. Most informed observers now believe that the late date for hearing appeals to Judge Roth's rulings means that there will be no busing this year.

Sighs of relief could be heard throughout the suburbs, especially in high-priority districts Livonia and Southfield, since most people here are violently opposed to busing and believe strongly that when court-ordered busing is appealed to the U.S. Supreme Court it will be thrown out.

Prospect for the rest of the summer is for complicated legal arguments, punctuated by rulings of lower and higher courts, resulting in an appeal to the Supreme Court. Almost surely the Court will agree to hear arguments concerning this issue, but when the Court will eventually rule is anyone's guess.

Meanwhile, last Sunday marked the fifth anniversary of the 1967 Detroit riots.

THE TIMING of the Circuit Court's ruling holding up busing and the anniversary of the riot was ironic, noteworthy, and sad.

The days of hope that followed the riot raised the possibility that all forces in the metropolitan area, working together under the aegis of the New Detroit Committee, could actually do something about the forces which spawned the disorders. Brave words were uttered; bold plans were unveiled; promises for financial support were strewn about.

Today, five long and expensive years later, the only regretful verdict that can be given on all the effort that started so hopefully is that it accomplished very, very little.

As Joseph L. Hudson, Jr., the first chairman of New Detroit and probably the most thoughtful, knowledgeable and caring community leader involved in the post-riot reconstruction said over the weekend: "I have become really impressed with the inability to do anything on a local basis...At the start, the thought of the powerlessness was that business and labor could do things, and do them fast. We've been shown that business and labor could not do it..."

"The next five years are probably going to be equally frustrating...I see at least the rest of the decade being spent in wasteful, inefficient expenditure of human resources."

WHAT MAKES the coincidental timing of the stay of busing and the anniversary of the riots so

ironic is that in at least one area — housing — the failure of the post-riot effort led directly to the pressure for busing which is now being so fiercely resisted.

It's no mystery that the pressure to destroy the neighborhood school concept by busing has come in response to the simple fact that housing patterns in the Detroit metropolitan area are segregated. I do not believe that this segregation came about by willful legal intent, but I also believe that the failure of post-riot housing programs increased the pattern of segregated housing rather than lessened it.

The recent HUD housing scandal is fresh in everybody's mind, and it comes on top of the almost total failure of the Metropolitan Detroit Citizens Development Authority, which got \$3 million from New Detroit and constructed only a few hundred housing units.

This occurred while 2,484 building permits were issued for new houses in the period between 1968 and 1971, but over twice as many demolition permits were issued over the same time span. The Detroit building department has indicated that about the same ratio applies for apartment houses.

All of this has happened in a city in which there are an estimated 75,000 substandard housing units, mostly occupied by black people. Not only did new housing not materialize, but also escape to the suburbs was cut off. The Detroit Commission on Community Relations has reported that while 200,000 new housing units have been built in the suburbs during the past 10 years, only around 6,000 were made available to black families.

THE MASSIVE failure of post-riot housing programs left the metropolitan area with deteriorating and increasingly segregated housing in the core city.

It offered no escape for black families to better housing either in the core city or the suburbs.

It concentrated inner city children in schools that had neither the financial backing nor the plant and equipment adequately to educate them.

And it certainly produced a situation in which Judge Roth could find that schooling available in the core city was inherently inferior to schooling in the suburbs. Hence his busing rulings that have so infuriated parents who are worried about the safety of their children.

Against this background, it is not mere coincidence that the chance of events produced a halt in busing orders and the fifth

anniversary of the Detroit riots in the same week. The whirlwind of

the riot and the failure of reconstruction spawned the pressure

for busing in the most direct possible way.

EVERYONE GETS A PIECE OF 'ANNIVERSARY CAKE'...

Small Cities Can Successfully Fight 'Canned' Shopping Center

(During the summer vacation period, the Observer Newspapers have asked governmental officials to discuss problems of the suburbs in guest editorials. Today's editorial is written by Harold Guenther, Plymouth city commissioner, former mayor and chairman of the city building authority.)

By Harold Guenther
Plymouth

It is entirely possible for the small city to fight successfully the competition of the "canned" shopping center. However, it is doubtful a significant percentage of small cities will do so.

Successful competition does not necessarily mean copying or even relating to the customary shopping center format. There are many other economic avenues that provide satisfactory activity and tax base. The typical shopping center by its very composition and reason for being is physically cold and impersonal. The small city invariably by virtue of its age and years of personality influence has physical amenities that are expressive of life styles and values that are appealing and non-changing to many people.

THE SMALL CITY usually has a number of handicaps readily discernible to the developer and investor but not to local government and citizenry even when pointed out to them.

The developer's attraction to large tracts of land, properly zoned and adjacent to heavy traffic road patterns, is readily understandable. The developer's avoidance where possible of small minded, inhibited small city politicians is also understandable. The small city must diagnose

HAROLD GUENTHER

itself thoroughly and in depth, related to its personality power factors, its geographical setting, its physical amenities and disadvantages, its true educational-religious-cultural level. These findings must be pragmatically reviewed, accepted and transposed into usable language available for promotion of that which is helpful and for correction if possible of that which is disadvantageous.

The small city must "give" in every possible way it can to equalize itself with the outlying areas not burdened with the city's complications of land acquisition, land cost, antiquated restrictions, deficient streets and numerous accumulations of obsolescence.

ENLIGHTENED LOCAL government, in all of its offices, must lead the way. It is the single most powerful and unique force available. It must not be fearful of considering the unorthodox. It must not stand aloof on its traditional custom of complete separation and refuse to trust and work with business and lay people.

Local government has many powerful and applicable tools, none of which involve serious risk or equity involvement. Local

government lay policy personnel must develop intelligent attitudes and learn some of the language and basics of the business world.

Mr. Local Citizen's loyalty and close association with his own local business community must be developed and nurtured by that local business community on the basis of competitive prices, imaginative merchandising and sincere personal service. Mr. Local Citizen is here and ready to purchase his needs, but he has an automobile and will go elsewhere if not treated properly at home.

Local government, business and lay leaders must learn that which "universally fulfills and satisfies people." Does it involve the beauty of trees, shrubbery and flowers downtown, parades and band concerts, festivals, nurturing and perpetuation of local character and tradition?

Whatever it may in total be provides the setting, the atmosphere for unique economic activity. The combination of that which fulfills the soul and provides creature services and wants cannot be provided by the "canned" shopping center. Here lies the small city's opportunity.

Do not look to the outside developer to provide our answers. Do not look to the outside planner to plan our course except along the cold and severe guide lines of the customary shopping center. These we must have, but remember we are a small city. Our advantages must be enhanced and used to offset our disadvantages.

If we do not believe enough in our own city to contribute our time and talent, invest our money, all in an effort to equalize with our outside competition we can hardly expect outside involvement.

Support County Millage

On Aug. 8, voters of Wayne County will be asked to approve County Proposition B which would continue for five years (from 1974-79) a one-mill property tax renewal to pay for the general operations of the county.

The one mill (\$1 per \$1,000 equalized valuation) is not a tax increase but a continuation of the levy approved by voters in 1964 and 1968.

The one mill represents about 75 cents a month for the average homeowner, but will produce \$13 million revenue for Wayne County because it will be collected from 2.6 million county residents.

IT'S NOT as if the county were wasting money.

Some 650 county jobs are vacant today, and hiring has been frozen because of a lack of funds. There is a danger of space being closed at Wayne County General Hospital. The prosecuting attorney has warned he may stop prosecuting certain crimes because he is understaffed.

Because Eloise Hospital is closing, minimal house cleaning chores once performed by patients are now being done by county employees who must neglect some of the work they were hired for. Many of the 850 workers laid off need to be re-employed because county services have already been curtailed.

County services provided are used by an benefit residents in all local communities in Wayne County. The one mill is a modest levy and it would be foolish to deny the tax and lose all the services it pays for.

APPROVAL OF County Proposition B is essential to maintain public services in the fields of law enforcement, control of drug abuse, juvenile delinquency, the courts, hospital care, public health, child care, mental health, libraries and parks.

Defeat could force closing of one or more wards at Wayne County General Hospital which presently handles about 140,000 emergency and out-patient cases annually.

The health department now has but one public health nurse per 75,000 residents compared to the one nurse per 5,000 persons recommended by the American Public Health Assn. Preventable deaths are occurring in Wayne County right now and more will occur if County Proposition B fails.

The Wayne County Board of Commissioners established in 1970 the Detroit-Wayne County Metropolitan Squad to combat crime and narcotics. The loss of one mill could force its curtailment. That service helps protect suburbanites.

PRESENTLY, the average jury case in Wayne County takes three years to come to trial in circuit court. An operating millage defeat would delay justice further.

Failure of County Proposition B could also close the Wayne County Child Development Center, which serves retarded children, and curtail operations of the Foster Home Program for neglected children and orphans.

The county's 4,400 acres of parks could become unpatrolled, unsafe, and overgrown trash dumps if already-short park funds are cut more. The county's library services for the blind and book services for hospital patients would also be cutback.

OBSERVER NEWSPAPERS believes the funds from the one-mill are clearly needed and without this income the county and all its residents (us) would be in dire states.

We strongly urge a "YES" vote on County Proposition B on the Aug. 8 primary ballot. To do otherwise would not be a tax revolt — it would be revolting.

Did Dems Miss Big Point?

EDITOR,

The LWV hens are clucking again. Submit meekly to Judge Roth they say. The League considers Livonia citizens sheep following a bell, a school bell in this case. When will the Sleeping Giant awake?

Citizens of Livonia, you're being had. Now is the time for you to fight. Are you going to allow a few, but vocal, pseudointellectuals control your lives, tell teachers where they will or will not teach, send your children out of your influence to inferior schools, perhaps even tell you where you must live?

As an American, I demand the right to live where I choose, to work where I please, and to send my children to whatever school I think best for them. Isn't that what Democracy means?

And where are the, so-called, Democrats by the way? I went to the meeting sponsored by the Livonia Interested Democrats. Matthew Kehoe was the only candidate who sounded like the voice of the people, the majority of people.

I asked Marvin Stempien if he would support a Constitutional amendment to prevent cross-district busing, because the majority of the people of Livonia were against this un-democratic insult to our person. He said he didn't believe that the majority of the people were against cross-district busing.

Why don't you write him a letter citizens? Perhaps he, and other Democrats, are not getting the message. Too many Democrats are joining with or are becoming more and more associated with groups that would murder babies before they are born, smoke pot, give national acceptance and recognition to the gay, handouts to everybody, beg forgiveness of our enemies because we fight for the oppressed, condone the actions of students destroying the campuses, and in general give solace to every rattle-brain idea conjured up the equally rattle-brained.

Because I belong to a labor union, I am desperately trying to find a Democrat I can vote for. I find that the Democratic Party no longer speaks for the working people however. Mr. Nixon may be unfriendly to labor at times, but my country comes first. I refuse to allow the Democratic Party to destroy our pride and my personal freedom.

Can't Locate Home For Aged

EDITOR:

According to the laws of the State of Michigan I understood it was against the law to discriminate.

I have a license to take care of elderly people and I am divorced. I have answered several ads in the papers and am turned down flatly, either because I have no husband or because I have elderly people.

I am a respectable middle-aged woman with a family and a number of grandchildren. I'm not trying to get rich, just make a living for myself and help someone else in the meantime.

Because of the lack of space I'm limited to two people, although my license allows me three.

I don't accept very ill people. I have two men now who more or less do everything for themselves, but their families are just unable to take care of them, and they aren't so bad they need to be in a nursing home.

Isn't there someone in Plymouth or nearby who would be willing to rent me a three or four bedroom house?

Raps Views Of Editorial

EDITOR:

In your July 19, edition of the Observer Newspapers, I

cannot help but comment on the editorial by Philip H. Power, publisher of your newspaper.

Mr. Power comments concerning the appeal of Sen. George McGovern to the suburbs were totally inaccurate and an effort to display his personal preference for Sen. McGovern by saying he is tailor made for the suburbs.

How can this be when the suburbs voted overwhelmingly for George Wallace who represents the complete opposite of McGovern on many issues besides busing, such as welfare, Vietnam and the economy.

Mr. Power then went on to say this year's Democratic convention was a big jump up in suburban influence because the young, the black and the intellectual were represented at the convention.

Well, Mr. Power, I don't see how the young, black and intellectual represent me, a suburbanite. As a matter of fact this group of people want to take away what little influence the suburbanites have in the Democratic Party.

They have put the Democrats as a party representing minority views with no platform for the suburbanite, middle American, or silent majority.

I'm not about to agree with someone who infers that the hippie, city black, and Harvard professor represents the readers of this newspaper. I think this year the well-in-

formed suburbanite will vote for Richard Nixon.

Kinsolving Is Criticized

EDITOR:

I hope you print my reply to one of your writers, a Lester Kinsolving. He signs "Rev." Lester Kinsolving, but I can't believe a man of God would slam another who is bringing the gospel into homes over TV all over the United States, Canada and overseas.

I'm speaking of the Rev. Rex Humbard of the Cathedral of Tomorrow, Akron, O. I've attended several of the Humbard rallies and I listen to his sermons each Sunday.

His sermons are pure gospel messages, not watered down like most sermons one hears today.

I DON'T KNOW what religion Mr. Kinsolving approves of, if any. But it seems he must be jealous about Rex Humbard's success. So what of it? If the cathedral has invested in a number of businesses and owns a plane to fly him and his singers all over the states five nights a week telling of the saving Grace of Christ.

Think of the money that leaves the United States and goes to Rome yet the priests in large numbers left the priesthood because they are told that to marry is a sin.

My Bible reads, "God saw it was not good for man to live alone so he created woman to be man's companion."

Lester Kinsolving states Rex Humbard has smiles that look like they were painted on. I'd say he has something to smile about.

He has the love of Christ in his heart and tells others how to find it and they do just that. He finds masses of people hungry for the oldtime religion. Not folk or rock and

roll music as part of a religious service. They also love the old-fashioned hymns.

Does Kinsolving ever stop condemning long enough to figure what it cost for one hour of prime time each Sunday from the Cathedral. The cost of supporting a number of missionaries such as the cathedral does?

Now Rex Humbard has seen the need of a good religious college on Mackinac Island. There I'm sure mothers won't have to worry for fear their sons and daughters are smoking pot or boys and girls are sharing their rooms together.

Lester Kinsolving referred to Humbard as a razorback from Arkansas. I recall we had several presidents who came from the south and had very little education yet they went a long ways.

WHY CRITICIZE the cathedral for having a \$7 million dollar empire. What is the Catholic empire in Rome worth?

Think of the millions that congressmen get for not growing crops on land which, if the truth were known, the land would not grow black eyed peas.

At least Rev. Humbard is not sitting still - he is on the go-giving the people what they from them as Mr. Kinsolving says, amounts of \$80,000 per week.

Mr. Kinsolving, may I ask how much your church receives a week. How many souls have been saved at your church altars?

I feel sure that folks who attend the services at the Cathedral of Tomorrow leave with the thought "It was good to have been there," a thought for Mr. Kinsolving to practice. Don't knock what one is doing if one can't do it as good.

Land Sales Aid Wayne, Oakland

LANSING

The Department of Natural Resources' May sales of tax-reverted state lands in southern Michigan has earned nearly \$352,000 for 31 of the region's counties.

The money represents the DNR's total revenues from a series of seven public auctions which were held in Paw Paw, Grand Rapids, Saginaw, Flint, Jackson, Pontiac, and Detroit.

With paperwork from those sales now nearing completion by DNR lands specialists, payments covering all of the auction receipts are scheduled to be sent to treasurers of the 31 southern counties in July.

Oakland County is in line for the largest sale payment, \$81,110. Also high on the payment list are Ingham County, with \$41,115; Wayne County, with \$35,215; Saginaw County, with \$29,530; and Genesee County, with \$29,440.

Stempien Bill Sould Let Dad Watch Birth

State Representative Marvin R. Stempien (D-Livonia Northville), House majority floor leader, has introduced legislation (House Bill 6352) to require hospitals to admit fathers to delivery rooms if the mother wishes him present.

Stempien said that he introduced the bill at the request of women's groups, physicians and others who feel that it is beneficial for both parents to be present at the birth of their child.

"I KNOW THAT this is permitted in some progressive hospitals," Stempien said, "but in many other cases the mother is denied the right to have her husband present at childbirth. I personally feel that the father's presence is a great factor in easing the pain of childbirth and at the same time allowing both parents to share the ultimate joy of birth."

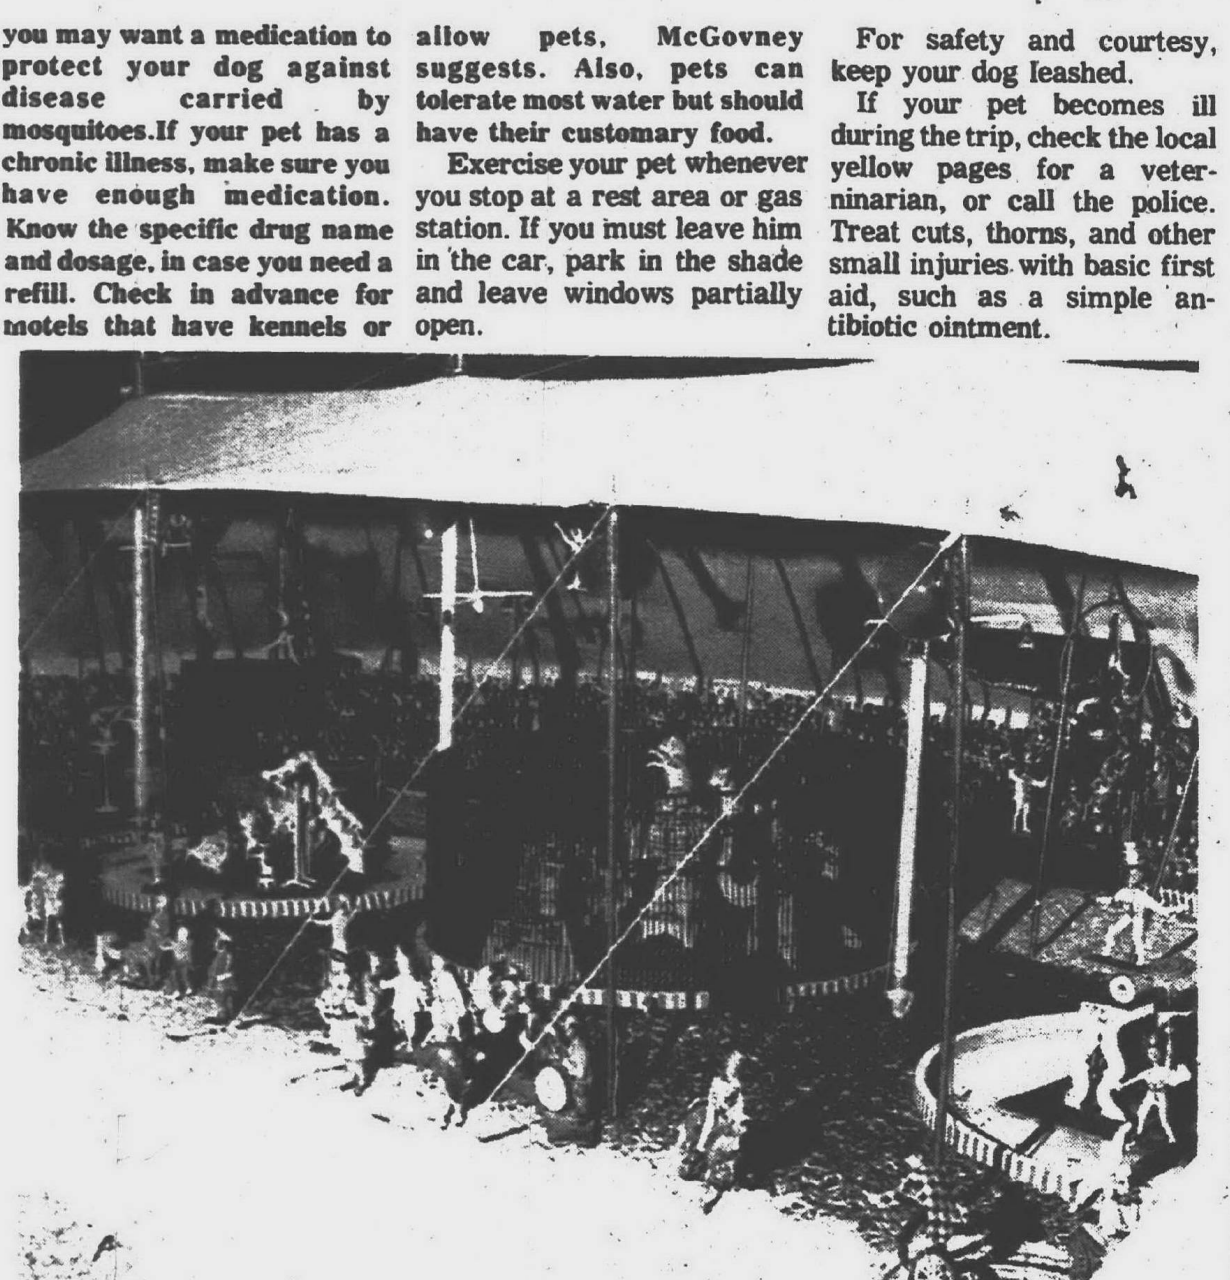

He points out that many leading medical authorities also feel that a husband's place with his wife at childbirth is in the delivery room, and not a waiting room.

Stempien adds that there has been a precedent established by a ruling of the State of California which held that a father could not be interpreted as a visitor in a delivery room and thus has a right to be there.

Turf Tips, Quips

By Doc Minard

With the opening program only a few days away (next Monday), the Detroit Race Course has all the signs of a plant that will be in spick and span order for the first call of "They're Off."

Wolverine Raceway ended its campaign in mid-June and ever since crews of workmen have been busy. Track Supt. Clayton Smith and his gang found plenty to do in the barn area, making needed repairs at most of the old wooden barns, fixing the roads and doing the many things that have to be done between a harness racing and a thoroughbred meeting.

Meantime, Vice President and General Manager Paul Ryder ordered all of the parking lots resurfaced with blacktop and recovered the roads leading in from the entrances. The one from Middle Belt Road to the clubhouse was full of chuckholes that couldn't be fixed during the Wolverine meeting because of the weather conditions.

That was the No. 1 priority for Ryder and he had road repair contractors on the scene within a few days after all horses had been moved from the barn area after the Wolverine season.

INASMUCH as there was quite a bit of virus during the final two weeks of the trotters and pacers, it took almost two weeks to clear the barn area. That's when Smith and his gang began "fogging" all of the stalls, clearing out all debris left by the harness horsemen and getting things ready for the arrival of the runners.

It didn't take long for those receiving stalls from the Hazel Park operation to start shifting horses and equipment to the west side for the 100-day meeting which conditions through the first week in December.

Earlier, DRC officials let it be known that only 500 horses would be accepted from Hazel Park and that after careful screening of all applications. The remaining 750 stalls will be allotted to new stables coming from Liberty Bell and Monmouth Park in the east, Chicago, Ak-Sar-Ben and California in the west as well as several from Calder Park in Florida.

New faces for new races is the announced policy and Ryder plans to follow it to the letter. It will be interesting to see how fans react to different horses from those they have been following since the opening of the Michigan season in mid-February at Hazel Park.

NORTHVILLE Downs is in the final week of its 36-night summer meeting and it probably will go down in the record books as the second best in the track's 29 years. Executive Manager John Carlo can mark one thing on the plus side of the ledger...Northville has won

the head-on battle with Windsor Raceway for the larger share of the betting dollar but because of the competition the final figures will be below those of a year ago.

Both tracks learned that a heat wave definitely affects the attendance and handle despite the fact that each has a completely air conditioned plant.

For instance, Saturday's turnstile count at both was the smallest of the season with less than 5,000 at Northville and slightly more at Windsor. Northville's wagering barely passed \$400,000 and Windsor handled \$332,000 with one of the best pacing stakes of the meeting as the feature.

The 'Downs ran into one of those unfortunate incidents with a scratch in the five horse invitational, reducing the field to four, and then two late scratches in the ninth race that cut the starters to five. Naturally wagering took a big dip on both and the end result was that the total betting for the evening was almost \$90,000 less than a week earlier.

Scram, the four year old Meadow Skipper pacer from the Tom Wilburn stable, advanced a step closer to the track championship for the summer session with a length victory in 2:02.3.

Scram recorded its third in a row and this was the easiest of all, taking the lead at the halfway point and holding it. Local Time, from the Ray Forsythe stable of Birmingham, was second but only by a whisker over equally fast closing Johnny G, owned by Angus McIntyre of Port Huron.

Those who follow the trotters and pacers closely were more interested in the performance of Kookaburra, a two year old from the Bert James stable of Pittsburgh, Pa. The youngster, competing against older campaigners, twice came from behind to win by more than a length in 2:06.1.

Mr. Shadow, a three-year old making its second start, pressed Kookaburra most of the mile but didn't have enough in the stretch, finishing second as the even money favorite.

INCIDENTALLY Forsythe was proud as a peacock over the performances of his stable Thursday at Vernon Downs where Driver-Trainer Ted Taylor recorded three victories in Grand Circuit events. Good Time Loves, one of the last horses named by the late Frances Dodge Van Lennep, won the two year old filly pace in a quick 2:02.1.

Bret Over Again, who made a brilliant debut at the recent Wolverine meeting, captured the two year old colt pace in 2:04.1.

Worthy Dean, one of the few trotters in Forsythe's stable, was the victor in the three year old trot in 2:03.2. Small wonder Ray had his chest out.

IT STARTED as a hobby of collecting red dishes to beautify her home but now Mrs. Nancy Carlson, 14284 Stonehouse, Livonia, has joined the Kirsch and Blum's flea market which opens at Wonderland Center Saturday. Mrs. Carlson found her collection was getting too large for space in her home... that's when she joined the flea market. A student now of depression glass, Mrs. Carlson will have a large display at the Wonderland showing.

Brochure Tells 25 Year Story

LIVONIA One of Livonia's earliest industries, Light Weight Aggregate Corporation, under the direction of its president, Mel Cruzen, has been a leader in the construction industry for over a quarter of a century.

To mark the occasion, Light Weight Aggregate has published a brochure which traces the growth of Beslite, Duo-Wire and the Cellular Concrete Accoustical Floor subsidiary, Light Weight Systems, Inc. Each of these products has passed from pioneering stages into wide usage within the building industry.

MEL CRUZEN

THE ORIGINAL CONCEPT for the sinterized clay aggregate, which came to be known as Beslite, is presented as an example of Light Weight Aggregate's creative leadership. Under Cruzen's direction, Beslite has gained wide recognition in the building industry from architects, skilled masons and building owners.

A list of Beslite applications reads like a modern history of American construction including such major building projects as the Mackinac Bridge, Ford Motor Company's central office building, the National Bank of Detroit's main office building and the Kresge Medical Research building in Ann Arbor's University of Michigan Medical Center.

Another example of Light Weight's inventiveness is its step forward in opening the

first and only Michigan-based masonry wall reinforcement and manufacturing facility to meet the sophisticated needs of today's construction industry.

THE RECENT FORMATION of Light Weight Systems, Inc. under the direction of Herbert L. Hohl, president and general manager, was a direct result of the pioneering success of Light Weight Cellular Concrete in the Eastern half of the United States.

Hohl plans to expand the service sphere in both the sound-conditioning and lightweight field. "New Light Weight Systems for roof decks, flatwork, grouting, leveling and other special applications will benefit from our extensive concrete experience," Hohl explains.

75 And Under May Get Draft Notices

All available registrants with lottery numbers 75 and below will be called by Michigan local boards for induction in August, it has been announced by Arthur A. Holmes, state director of Selective Service.

The August induction call will affect 1,447 registrants reported as available by local boards. Approximately 800 registrants were ordered for

induction under the national call for July with Random Sequence numbers 50 and below.

The August call will be filled primarily with Class 1-A and 1-A-0 registrants born in 1952 plus older registrants who have lost their deferments or whose postponements of induction expire in August. Induction orders must be issued by July 31.

Jazz Concert Set

Jack Brokensha and his jazz group, with singer Ursula Walker, will stage a concert on Sunday, July 30, in the outdoor amphitheater of the Orchard Ridge Campus of Oakland Community College, 27055 Orchard Lake Road, Farmington.

The concert will begin at 8 p.m. Tickets will be on sale at the gate at \$2 per person or \$4 per family. OCC students are admitted free with ID cards.

Brokensha, presently playing regularly at the Steering Wheel in Detroit, has played along with such greats as Dave Brubeck, Jerry Mulligan and the Modern Jazz Quartet. He is noted for his ability to create an unusual jazz sound.

Miss Walker has been singing regularly with Brokensha and has made appearances with many other groups including the Brookside Jazz Ensemble.

Cash To Play At Pine Knob

The Johnny Cash Show, starring Johnny Cash with June Carter, the Statler Brothers, Carl Perkins, the Carter Family and the Tennessee Three plus Larry Butler, has been booked at the Pine Knob Music Theater for Monday, Aug. 28, at 8:30 p.m.

Mail orders are now being accepted for tickets priced at \$7 and \$5 for reserved seats and \$3 for the lawn. Mail orders should be sent with a stamped self-addressed envelope to: Johnny Cash Show, Fisher Theater, Fisher Building, Detroit, 48202.

Meadow Brook Stars Pianists

Mary Travers, pianist Alfred Brendel, Peter Nero and Skitch Henderson are the featured artists during the fifth week of the Meadow Brook Music Festival.

MARY TRAVERS will open the week with a concert on Wednesday evening, July 26, at 8:30 p.m. Calling herself a documentary singer rather than simply a folk singer, Mary selects songs from such contemporary writers as Bob Dylan, Nina Simone, Ewan McColl and John Denver.

Brilliant Austrian pianist Alfred Brendel will appear in two different concerts Thursday and Saturday evening at 8:30, with the Detroit Symphony Orchestra conducted by Sixten Ehrling. On the Thursday program he will play Beethoven's Piano Concerto No. 3 in C minor, Opus 37. On Saturday night the program will include Prokofiev and Mozart works.

Skitch Henderson, a popular television personality as well as a gifted musician, will conduct the symphony orchestra in a Sunday pops concert at 6:30 p.m. Selections will include Grofe's Mississippi Suite and a collection of Henderson's own arrangements, such as "Summer of '42," in which he will also play the piano solo part.

Curtain time for every performance this week is 8:30 p.m. except the Sunday Pops concert which will begin at 6:30. Tickets for all concerts are available at Hudson's Grinnell's, Wayne State University, Macomb County Community College, and the festival box office. Children under 12 are admitted for \$1 on the lawn for all concerts.

Arts Appointee

Willis F. Woods, director of the Detroit Institute of Arts, has been appointed to the Michigan Council for the Arts by Gov. William G. Milliken. Subject to Senate confirmation, Woods will serve a four-year term. He had been advisor of the council's visual arts committee.

GEAUGA DOG, a shaggy, purple-eared, king-sized version of Snoopy, is shown with a young admirer. Geauga roams through the park at Geauga Lake, Aurora, Ohio (outside Cleveland), dispensing candy. The park now has 46 exciting rides and nearby is Sea World, a 70-acre oceanarium offering water shows featuring Shamu, a 4,000-pound killer whale.

Overture To Opera Joins National Unit

DETROIT Detroit's Overture to Opera Company has been elected a member of Opera America, the national association and voice of professional opera companies.

As the 36th member of this organization, Overture to Opera is now associated with such prestigious companies as the Metropolitan Opera, the New York City Opera, the San Francisco Opera Association and the Chicago Lyric, among others.

AS A MEMBER Overture will enjoy many benefits. Opera America holds annual auditions and has grants-in-aid for young singers. This year alone, in cooperation with the National Opera Institute, there is \$5,000 apiece for 30 aspiring young singers.

Opera America also has regional cooperatives for physical scenery. In other words members loan their sets to other members rent-free.

Also, Opera America, again in cooperation with the National Opera Institute, has initiated an internship program for the operatic arts. This program provides instruction and experience for young professionals in non-

singing fields such as stage direction, management, lighting and costuming.

THE 1972 Overture to Opera fall season opens Sept. 28. All operas will be performed in English and will include such guest stars as Phyllis Curtin, Muriel Greenspoon and Ronald Holgate.

Productions planned are Mozart's "Così fan tutte," and Puccini's "Tosca." Season tickets are now on sale at 383 Performing Arts Building, Oakland University, Rochester, 48063. Dr. David DiChiera is the general director.

Barn Theater Plans Mystery

MT. CLEMENS The mystery "Write Me a Murder" will be presented July 27-30 and Aug. 3-6 in the Barn Theater, Hall Road (M-59) at Garfield (five minutes west of the Utica exit off I-94). Curtain time is 8 p.m.

Reservations should be made by calling the Macomb Theatre at the Barn Tuesday through Sunday between 12 noon and 5 p.m.

WAR BETWEEN MEN AND WOMEN -- Loosely based on James Thurber's work, this is the story of a man who is going blind, who hates children and dogs and who marries a widow with children and dog. (PG, A-3)

FRENZY -- Alfred Hitchcock is back again in excellent form with a thriller set in England. Alec McCowen plays the Scotland Yard inspector. (R, A-4)

PORTNOY'S COMPLAINT -- Based on Philip Roth's book, this details the troubles of a Jewish son. Stars Richard Benjamin, Karen Black and Lee Grant. (R, none)

THE LAST OF THE RED HOT LOVERS -- Alan Arkin tries to romance Sally Kellerman, Paula Prentiss and Rene Taylor as his own marriage grows stale. A Neil Simon comedy. (PG, A-3)

THE GODFATHER -- Marlon Brando plays a bungler the Corleone family in a film which explores the public and private lives of members of the Mafia. (R, A-3)

PLAY IT AGAIN SAM -- Woody Allen plays a bungler whose friends try to fix him up with a series of blind dates when his wife walks out on him. (PG, A-3)

FIDDLER ON THE ROOF -- The movie, based on Broadway's longest running musical, lives up to expectations with excellent photography and singing. (G, A-1)

SKYJACKED -- Charlton Heston plays the pilot of a 707 that is "diverted" from Minneapolis to Moscow. (PG, none)

THE FRENCH CONNECTION -- The fight against heroin smuggling on a large scale makes an exciting, realistic detective movie. With Gene Hackman. (R, A-4)

DUCK, YOU SUCKER -- The scene is the Mexican Revolution (around 1900) and Rod Steiger plays a bandito and James Coburn, an Irish motorcyclist. (PG, none)

CONQUEST OF THE PLANET OF THE APES -- This is the fourth in the series. Roddy McDowell plays an intelligent chimp who leads a rebellion against his human oppressors. (PG, none)

JUNIOR BONNER -- Steve McQueen plays a rodeo bronc-buster who helps straighten out the rest of the family, including his father (Robert Preston) who wants to go to Australia. (PG, A-2)

NOW YOU SEE HIM, NOW YOU DON'T -- A college boy invents a chemical that makes people invisible and saves the campus from gangster Cesar Romero. Features Jim Backus. (G, A-1)

MARY, QUEEN OF SCOTS -- Vanessa Redgrave plays Queen Mary and Glenda Jackson portrays her cousin Elizabeth in this historical spectacular. (G, A-2)

WHAT'S UP DOC? -- Ryan O'Neal and Barbra Streisand star in this comedy about four mixed-up valises and an absent-minded archeologist. (G, A-1)

JOE KIDD -- Clint Eastwood plays a shiftless gunslinger who becomes involved in a fight by a group of Mexican Americans to save their land from being taken over by a big company. (PG, A-3)

"THE GRADUATE" (PG)

STUDENTS AT Schoolcraft College's summer music school are rehearsing for two programs this week. The first is this evening (July 26). Winning student chamber ensembles will perform in the Liberal Arts Building theater on the Schoolcraft Campus on Haggerty Road between Six and Seven Mile. Friday evening, July 28, the full student orchestra, directed by Richard Saunders, will give a concert in the Northville State Hospital Theater on Seven Mile Road, west of Haggerty. Both concerts begin at 8:30 and both are free.

Band Conference Runs Aug. 1-3 In Ann Arbor

ANN ARBOR Double reed performance and teaching along with marching band techniques will be focal points of the 24th annual Band Conductors and Wind-Perussion Teachers Conference to be held at the University of Michigan School of Music Aug. 1-3.

Double Reeds International, a prospective organization of artist performers, teachers, and students of double reed instruments, will hold its first annual meeting in conjunction with this year's band conference.

THE JOINT conference is offered by the school of music free of charge as a public service.

Six "international" clinic sessions will take place Aug. 1 and 2. They are "Performance and Teaching Problems of the English Horn," Robert Cowart, Detroit Symphony Orchestra; "Recent Developments in the Mechanization of Bassoon and Oboe Reed Making Techniques," Don Christlieb, 20th Century Fox Studio Orchestra; "Applied Techniques of Breath and Embouchure in the Performance of Oboe," Ray Still, Chicago Symphony; "Comparative Analysis of Bassoon Making Past and Present," Lawrence Intravala, Southern Illinois University, Carbondale, Ill.; "Bassoon from 4 to 4 and 20 Keys," William Waterhouse, BBC Symphony, London, England, and "How Is Your Bassoon?" Prof. Lewis Cooper, U-M.

Cooper said the purpose of the "international" is to foster world-wide communication and artistic performance standards among persons interested in double reed woodwind instruments. He stressed that all artist performers, teachers, and students of any level are invited to attend the double reed clinic sessions.

Other highlights of the three-day conference stress the teaching and improvement of school bands.

Theater Classes To Begin

BLOOMFIELD HILLS A second summer accelerated theater program begins Aug. 1 at Will-O-Way Theater, 775 W. Long Lake Road. Classes are limited to 12 students and enrollments are now being taken at the theater.

For teens and under-teens, the sessions are held from 1:30 to 5:30 p.m. five days a week. Basic acting techniques are taught with an emphasis on improvisation and theater games. Electives are offered for specific crafts such as basic make-up and stagecraft. Evening courses are offered Monday through Friday for adults, who are interested in acting techniques, improving their voices, diction and poise. Closed circuit TV is used to help the student see himself. Students who are enrolled in the accelerated summer program will have an additional opportunity to audition for Will-O-Way's musical "Guys and Dolls" which will open Aug. 18.

At the end of the four-week program, there will be laboratory theater performances for parents and friends using scenes from great plays and the original work of students.

Casting Call

Father Peyton's Family Theater of Detroit, an organization of professional and amateur talent affiliated with Father Peyton's Family Theater of Hollywood, Calif., will hold auditions for a three-act production of the story of Lourdes, entitled "The Smallest of All."

Tryouts will begin this month. Interested persons should write or call Mrs. Syd Reynolds, 1250 Grayton, Grosse Pointe Park, for an appointment.

Actors and actresses of all ages are needed along with those interested in other phases of production such as lighting, costumes, scenery and make-up.

The play will be presented in conjunction with Father Peyton's Family Prayer Week in November as a tribute to the 30th anniversary of the founding of the Family Rosary Crusade. Other productions are also being planned for the future.

Ballet Seminar

Diane LaFlair of Basset seminar held this month at Court, Livonia, was one of four Michigan State University. Forty-four teachers from 12 states studied under artists from three nations.

ment of school bands. Prof. George Cavender will hold two readings of contemporary band repertoire for concert and marching bands. Matt Betton of national stage band fame and Charles Peters, conductor of the well-known Joliet grade school band, will demonstrate "Take One," a new band method co-authored by them.

"SO YOU WANT TO Make Your Marching Band Sound Better" is the theme of a session by Jerry Bilik, U-M visiting lecturer in music and well-known composer and arranger of band music.

Michael Leckone, director of the University of Wisconsin Marching Band, will conduct a clinic, "New Sights and Sounds for the Marching Band." The final session, "Vox Pop," will be conducted by Prof. Cavender.

In addition, three concerts will be offered during the conference. The Baroque Trio, composed of Gustave Rosseels, violin; Lawrence Hurst, double bass; Charles Fisher, harpsichord; and Nelson Hauenstein, flute, will perform at 8 p.m. Tuesday, Aug. 1, at Rackham Lecture Hall.

On Aug. 3 the Summer Session Symphony Band, conducted by Prof. Cavender, will give an outdoor concert by the school of music pool at 7 p.m. In the event of rain, the concert will be held at 8 p.m. in Hill Auditorium.

Conference headquarters will be in the main foyer of the school of music, North Campus.

'Three Musketeers' Will Open Hilberry Season

DETROIT Alexandre Dumas' "The Three Musketeers" and Kurt Vonnegut's "Happy Birthday, Wanda June" will open the 1972-73 seasons at the Hilberry and Bonstelle Theaters at Wayne State University this fall.

"The Three Musketeers" marks the opening of the Hilberry's 10th anniversary season, with a black-tie president's preview for sponsors on Friday, Nov. 10, and the public opening the following Thursday, Nov. 16.

OTHER NEW productions and official opening dates are as follows: Arthur Miller's "The Crucible," Jan. 4; Richard Brinsley Sheridan's "The School for Scandal," Jan. 25; Ben Jonson's "Volpone," March 1; and Georges Feydeau's "Cat Among the Pigeons," April 15.

"Happy Birthday, Wanda June" will get the Bonstelle Theater started on Friday, Oct. 13. This production introduces a season that is primarily modern. The line-up includes Son-

heim's prize-winning musical "Company," opening Nov. 24; David Rabe's "The Basic Training of Pavlo Hummel," Feb. 16; Shakespeare's "Merchant of Venice," March 16; Kaufman and Connelly's "Merton of the Movies," April 27; and two Black Theater productions in January and May. These will be selected and announced later.

The Hilberry's fall schedule will be filled out with revivals of "Midsummer Night's Dream" and "Romeo and Juliet." Both will be presented for school matinees.

THE HILBERRY opened in January 1964 with a repertory of four Shakespeare plays in observance of the bard's 400th anniversary year. It has since expanded its repertory to include plays from all periods of the theater from ancient Greek to modern.

Over the past nine years, the Hilberry company has included about 200 graduate fellowship students, who have received more than a million dollars in stipends and have presented a total of 70

productions to an audience of almost 600,000.

This is the 22nd year in which WSU has presented a series of plays in the Bonstelle Theater at 3424 Woodward. The university reopened the Jessie Bonstelle Playhouse in 1951.

Season tickets and brochures will be available at the Hilberry box office, Cass and Hancock.

Catholic Band Will Play

Many Observerland students will travel to Lansing Aug. 3 to play at a national conference of the American School Band Directors Association.

All are members of the Catholic Central High School Band directed by William B. Watts of Lathrup Village. They are Charles Rasko, band president, George Rasko, Richard Hayward, Tom Moreau, Larry Cronin, Bill Hogue, Joel Waskiewicz and Tom DiPonio, all of Livonia; Mark Tetreault of Farmington; and Mike Nido, Paul Schrier, Joe Turner, Ken Rice, Brian Watson and Ernie Zarb of Southfield.

The concert will be at 10 a.m. in the Olds Plaza Ballroom. The program will feature selections from the classics.

The band directors are meeting in Lansing, Aug. 3-7.

5 Plymouth Students Are At KU Camp

Five Plymouth music students have completed a five-week course at the Midwestern Music and Art Camp at the University of Kansas, Lawrence, this weekend.

They are Paul Albert, Libby Glover, Dan Kabel, Gerald Moyer and Gail Ann Murphy. The program offered specialized training in bands, orchestras and choirs, private study and music theory for 481 students. Campers were also selected for positions in three bands, two orchestras and two choirs by auditions.

Stempien Opposes Dem School Busing Stand

House Majority Leader Marvin R. Stempien (D-Livonia/Northville) told a meeting of Livonia supporters that, although he can agree with most of the National Democratic Platform, he does not support the national platform position regarding forced busing of school children.

"The busing plank of the national party platform is contrary to my personal views and to my voting record against forced cross-district busing for the past three years. I have been voting

against forced busing every time the issue has come before the Michigan Legislature since back in 1969," Stempien said.

Stempien also said he will vigorously oppose in Lansing Judge Roth's order to spend \$3 million to purchase 295 school buses, because it makes no sense when that money is sorely needed to improve the quality of education in our classrooms.

"I think the judge will be putting several of us on the Appropriations committee in jail for contempt of court before we would vote to buy 295 buses on his order," he said.

message that Michigan voters sent to the national convention through the strong Wallace vote on May 16. I had expected that the national party would pass some form of anti-busing platform plank," he continued.

"But unfortunately the convention even turned down the 'Michigan Compromise' on forced busing; therefore, I cannot support that part of the national party platform."

Stempien further explained that school officials do not want forced busing; parents are violently opposed; the Michigan Legislature has repeatedly voted against forced busing for three years; and that even the Congress finally this year passed a weak anti-busing amendment to the Higher Education Act.

"If the national party did not get the message of the overwhelming opposition to forced busing in the community, they can't expect those of us who oppose forced busing to support that plank of the platform," Stempien concluded.

Geake Hits Rising Costs For Welfare

"With 10,000 state employees dispensing \$642 million in taxpayers' money in just one fiscal year to nearly 700,000 Michigan residents, we must find a way to control welfare costs or they will control us."

This warning was sounded Sunday by Bob Geake, Republican candidate for state representative from the 35th district, which includes Livonia and Northville.

Speaking to campaign supporters at the home of E.O. "Bud" Weber, Geake said, "Society in its humanitarian efforts created the welfare problem; it's up to society to find a workable solution."

Weber is vice chairman of the 2nd Congressional District Republican organization.

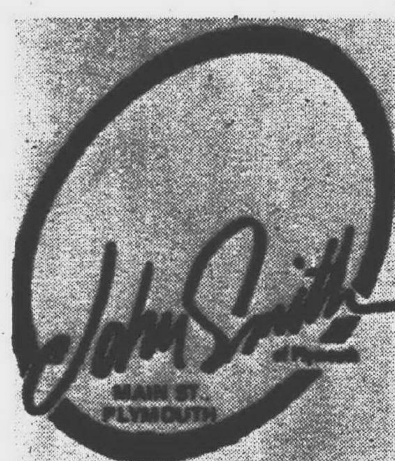

overall total given to Michigan residents on welfare is approximately \$1.25 billion for the present fiscal year. The end is not in sight."

Geake said he believed welfare rolls could be reduced if recipients who are able were required to participate in work programs and if Michigan's social services department instituted more strict policing of claims.

Currently, he noted, the Citizens Research Council of Michigan has reported that about 24 per cent of ADC cases are either overpaid or underpaid due to faulty information supplied by recipients or mistakes made by state personnel.

"It's a very unhealthy situation. Welfare now constitutes more than a fourth of the state's total budget, welfare expenditures have nearly quadrupled in the last nine years and since just last year the increase in welfare benefits is more than \$100 million."

Geake declared that state legislators must exercise a firm hand on the state's budget expenditures, quit making excuses and doubletalking to constituents and implement workable solutions.

IRS Plans Special Tax Exams

A Special Enrollment Examination will be held on Sept. 25 and 26, in the Federal Building, Detroit for accountants and others who wish to qualify to represent taxpayers at all levels of the Internal Revenue Service.

Tax practitioners who are not certified public accountants or attorneys must demonstrate their technical competence before they can be enrolled to represent clients before IRS.

A sample of the Special Enrollment Examination, Publication 693, information about the examination and application forms may be obtained by writing to the Internal Revenue Service, Taxpayer Service Section, P.O. Box 2258, Detroit, 48231.

Lab Kept Busy With ID Cases

State Police laboratory specialists at East Lansing, Plymouth, Warren and Holland made 3,025 identifications in 1,424 cases handled in May.

Of the cases, 542 were for State Police, 688 for cities and townships, 130 for sheriffs, and 64 for other agencies.

Examinations of evidence of all types totaled 108,421, including 55,159 for MSP, 40,674 for local police, 7,091 for sheriff, and 5,507 for other jurisdictions.

Processing of 103,820 latent fingerprints led to identification of 82 suspects in criminal cases.

MOBILE LAB technicians made 40 scene investigations, with 13 involving murder or

questionable death. Bomb squad officers worked 19 cases and recovered seven explosive incendiary devices.

Lab officers logged 839 hours on court appearances. Polygraph examinations of 241 persons resulted in 119 admissions. In 68 voice examinations 23 suspects were identified.

Of 225 fraud checks processed, 148 were identified by name or previous specimen. Face value of the checks totaled \$19,268.91, an average of \$85.61.

The fire marshal division reported investigations of eight explosions, 74 incendiary fires, 40 cases of law violations, and 116 other cases.

Field inspections included 15 schools, 52 hospitals, 53 nursing homes, eight state properties, 10 bulk gas plants, 12 theaters, 43 dry cleaning plants, and 38 miscellaneous.

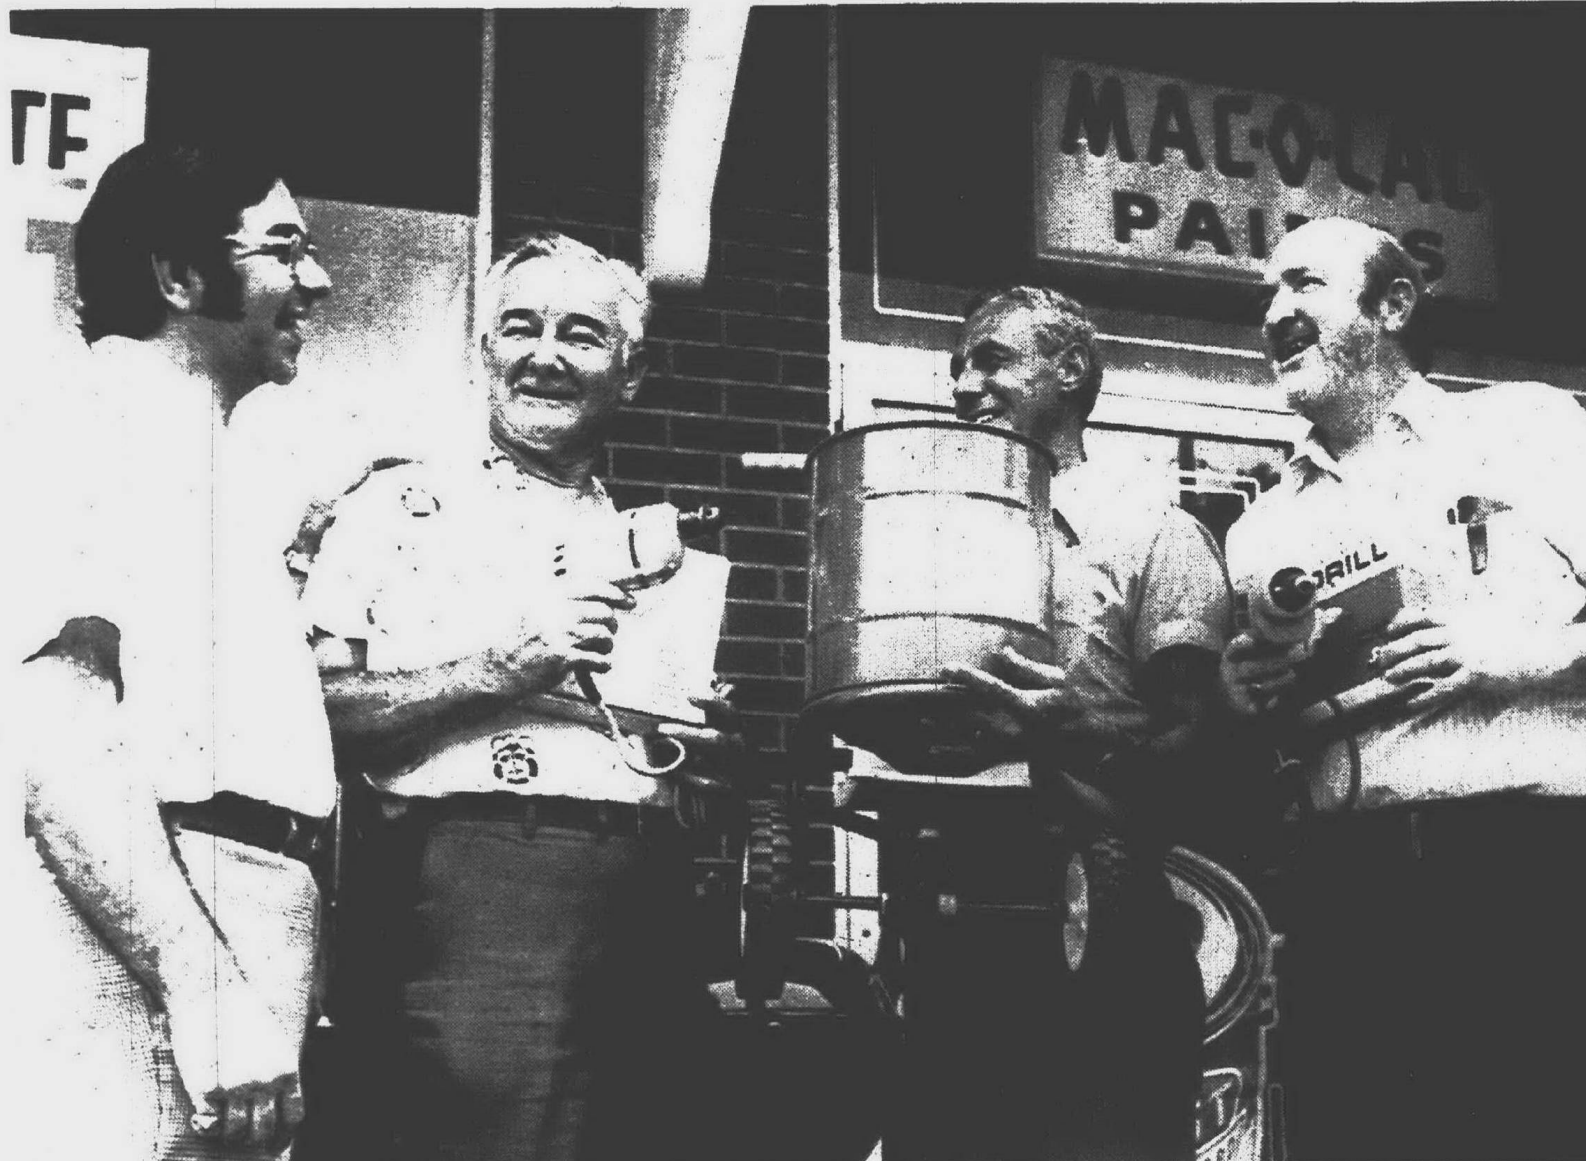

Certified to the state health department for licensing were 50 nursing homes and 21 hospitals.

Final building plans were processed for 49 schools, nine hospitals, eight nursing homes, and 14 state properties.

Brown Talks On Security For Elderly

Economic security for the country's senior citizens is a major issue in his campaign according to William Brown, candidate for the Democratic nomination for the 2nd Congressional district seat.

Speaking to the Harmony unit of the Livonia senior citizens, Brown said, "Our present social security system does not let our senior citizens live in dignity and economic security."

Northville Fair Has Fun For All

There'll be lots of action and variety at the annual Northville Fair, sponsored by the Northville Community Chamber of Commerce and slated for August 4, 5 and 6 at Northville Downs.

In addition to commercial displays, art exhibits, games of chance and all kinds of rides, this year's fair will feature a unique wild animal show and a demolition derby.

Another touch of variety will be added by the Northville Jaycees who will provide food and frolic in the form of a Bavarian-style Summerfest with dancing and food.

On Sunday morning, area 4-H club horsemen will stage a horse show throughout the day.

All special shows will be viewed from air conditioned grandstands for added comfort.

GENE HOLTER'S nationally-known "Movieland Animals" show will be staged Saturday, Aug. 5 at 2 and 8 p.m. Highlight of the animal show may be the ostrich race driven by well-known Northville citizens. Holter is owner of Movieland Animal Park in Bloomington, Calif. and reputedly owns and trains more animals than any other individual in the country.

In addition to racing ostriches, the show includes elephants, zonies (half zebra, half pony) and zonkies (half zebra, half donkey), Appaloosa stallion, llamas, motion picture wonder dogs and stunt men, performing bears, Rocky the elephant featured in "Swiss Family Robinson" and the animal race from the same motion picture.

Sunday, Aug. 6 at 2 and 8 p.m. the action features the thrills, spills and smashes of "demolition derby" competition.

General chairman for this year's fair is N.C. Schrader, Jr. His committee is composed of Jerry Stone, Glenn

Long, Les Bowden and Arthur Jahn. The Northville Fair is staged to raise funds for local non-profit organizations.

Northville Downs is located at Sheldon and Seven Mile roads. Plenty of convenient parking is available.

Homeowners Bill Adopted

Michigan homeowners won't be penalized through taxes for improving their property if legislation approved by the Senate is adopted by the House.

Sen. William Faust (D-Westland), who was a strong supporter of the measure, which passed unanimously, said the bill will prohibit an increase in the cash value of property because of improvement expenditures up to \$2,000.

The cash value of property determines property taxes. "Such relief has long been needed in Michigan," Faust said. "Inevitably those who try to take care of their property and make improvements are penalized for it through higher assessments and higher taxes."

"Ironically, the homeowner who lets his property deteriorate is the one who gets the tax break," he added.

Teachers, Democrats, Barns Back DeHart

Ben DeHart, candidate for the Democratic nomination in the 36th state house district, has won three political endorsements during the past week in his bid to win the nomination in the Aug. 8 primary.

DeHart, one of four Democratic candidates in the primary, was supported by the executive board of the 15th Congressional District and by Westland City Councilman Justine Barns and the Wayne-Westland Education Association's public affairs council.

MRS. BARN'S endorsement, announced Monday, was seen as a double-edged action for DeHart's campaign since one of his opponents is Westland City Council President John Markes.

The 36th house district includes the north half of Westland and the southwest corner of Livonia.

In announcing her support of DeHart, Councilwoman Barns said:

"I've taken the time to study the candidates and their positions on today's important issues and I'm more than ever convinced that DeHart is clearly the best choice to represent us in Lansing."

Mrs. Barns said that "we have arrived at a critical stage in our state's development and we must have representing us in Lansing those who are sensitive and responsive to the needs and expectation of the people."

She said DeHart "has worked his way to his current candidacy through many years of grassroots activity, and he has always shown a sensitive response to his people. I've worked with DeHart and know that his approach to solving problems parallels mine."

MRS. BARN'S noted that she was seriously considering

running for the state house nomination but declined to run because of personal reasons.

She also pointed out that the endorsement of DeHart is the first individual backing of a political candidate in her 20 years in government.

"I've always followed a political philosophy which says that government is the servant and not the master of the people," Mrs. Barns continued, "and I know that DeHart shares that philosophy with me."

IN SUPPORTING DeHart, the Wayne-Westland Education Association said it is giving the candidate "its unconditional endorsement and support" in the campaign. The endorsement was by the association's Public Affairs Council, which interviewed the four Democratic hopefuls.

Council spokesman, George Smith, said that the group "is convinced that DeHart is the most outstanding of the candidates in this race. We believe a new face for a new district is appropriate and in this case desirable."

DEHART'S positions on tax reform and employee retirement are the positions that reflect the needs and concerns of the majority, Smith said. "We believe DeHart has an uncommon feeling for the wishes of the people in all areas."

The PAC noted that DeHart is a union representative for Council No. 23 of the American Federation of State, County, and Municipal Employees and a former Westland city employee and immediate past chairman of the Westland League of Democratic Voters.

Markes Pledges Welfare Reform

John Markes, Democratic candidate for the 36th State House nomination, pledged to improve the administrative rules to help those who need welfare aid and help those recipients who should be working get a job.

Markes, Westland city council president, is one of four Democratic candidates seeking the party's nomination in the Aug. 8 primary. The 36th House District includes the north half of Westland and the southwest corner of Livonia.

HIS COMMENTS on welfare reform were delivered last week before supporters at a Livonia restaurant.

Markes said: "Welfare rolls are up because Michigan has expanded eligibility and benefit rules so far, that tens of thousands now fit a new poverty definition cast in Lansing."

"A quality control audit of the State Social Services Department for six months ending last December found error rates as high as 24 per cent in ADC cases and 18 per cent in adult categories such as aid to the disabled, blind and aged."

"Significant numbers of welfare recipients were paid too much or not enough."

"Why are welfare rolls increasing in Michigan, when a federal study indicates that the number of people actually in poverty dropped about 39 per cent during the 1960s?"

"IT'S HARD to say whether welfare fraud is widespread or the bureaucracy is hopelessly bogged down."

"I pledge my efforts toward reversing the administrative apparatus, match benefits with needs and do for more experimenting with efforts to help those who should work, find work, instead of a welfare check in their mailbox."

Drowning Mishap Claims Youth, 19

Tragedy struck a Garden City family for the second time in a year Saturday when a 19-year-old youth died in a swimming accident in a Northville Township gravel pit.

Victim of the mishap was Stephan Reed Van Steenis, son of Mrs. Ila Van Steenis, of 31110 Elmwood, Garden City, who moved from Plymouth about six months ago.

MRS. VAN STEENIS was widowed a year ago when her husband, Kendon, died in a fall from a building under construction.

The drowning victim, who had his 19th birthday, just 12 days ago, had funeral services held for him Tuesday morning in the Harry J. Will Funeral Home in Redford Township.

Officiating was Rev. Herbert Noe of the Galilean Baptist Church. Burial was in Oakland Hills Memorial Gardens in Novi.

BEFORE HIS death, the youth lived in Plymouth for five years before the move to Garden City and worked for various construction companies.

He is survived by his mother; grandparents, Mr. and Mrs. William Van Steenis of Redford Township; and Mrs. and Mrs. Herbert Strobe, of Redford Township; two sisters, Mrs. John (Pamela) Hamblin of Plymouth, and Cheryl; and a brother, Dennis, both of Garden City.

Try Some Homemade Ice Cream

By ELLY

"I scream, you scream, we all scream for ice cream! Rah! Rah! Rah!"

Of course it is no novelty now, but ice cream had very prestigious beginnings in its rise to popularity in America.

Mrs. Alexander Hamilton introduced ice cream to George Washington. He kept two pewter ice cream pots at Mt. Vernon. Thomas Jefferson enthusiastically imported ice cream recipes from France. Dolly Madison served strawberry ice cream at the second Inaugural Ball in 1812.

THE OLD STANDBY, the ice cream cone, wasn't even invented until the St. Louis Fair of 1904 when a vendor ran out of dishes and had to resort to rolling thin waffles into cones to hold a scoop of ice cream.

With so many commercial varieties available, ice cream is no longer a delicacy reserved for state dinners but homemade ice cream is still a very special treat and a taste sensation.

Homemade ice cream is made either with a crank freezer (stirred method) or with special care, can be made in the freezer compartment (still frozen method).

If you don't have a mechanical freezer, turn the refrigerator setting to its coldest point. Rapid freezing is essential. Remove the mixture from the freezer occasionally and stir to remove crystals forming at the side. Incorporate air into the mixture by beating it before the freezing is completed. The result is usually more coarse than the stirred method product and should be served as soon after freezing as possible.

STIRRED FRENCH VANILLA ICE CREAM

6 egg yolks
2 c. milk
1 c. sugar
1/4 t. salt
2 c. heavy cream
1 T. vanilla extract

In top part of double boiler beat egg yolks and milk with rotary beater. Add sugar and salt; cook, stirring constantly, over hot, not boiling, water until thick enough to coat a metal spoon. Let cook, then add cream and vanilla. Freeze in a crank-type freezer, using eight parts cracked ice to one part rock salt. Makes about 1 1/2 quarts.

STILL-FROZEN VANILLA ICE CREAM

4 c. milk
1 box (3 ounces) vanilla pudding mix
1 c. light corn syrup
1 t. vanilla extract
1 t. almond extract
1 c. heavy cream or chilled evaporated milk

Add milk gradually to pudding powder; add corn syrup; mix until smooth. Cook over low heat until thickened, stirring constantly. When cool, freeze in refrigerator trays. When frozen around the edges, remove to chilled bowl and beat well with rotary beater. Add vanilla and almond extracts. Whip cream; fold into partially frozen pudding mixture. Freeze until firm. If desired, serve with fruit sweetened with honey. Makes about 1 1/2 quarts.

STILL-FROZEN CHOCOLATE ICE CREAM

4 c. milk
3 ounces (3 squares) unsweetened chocolate
1 c. sugar
1 T. flour
1/4 t. salt
2 eggs
1 envelope unflavored gelatin
1 t. vanilla extract
1 c. heavy cream

Pour half of milk into top part of a double boiler; add chocolate; heat until melted. Combine half of sugar with flour and salt; add hot milk slowly, stirring well. Return to double boiler; cook for 10 minutes, stirring frequently. Combine remaining one-half cup sugar and two cups milk with beaten eggs; add gelatin soaked in water. Cook until custard coats a silver spoon. When cool, freeze in refrigerator trays. When partially frozen, beat well; add vanilla. Whip cream or chilled evaporated milk until stiff; fold into mixture; freeze. Makes about 1 1/2 quarts.

Panel Leaves Flaws In Livonia Integration Plans

By KATHY MORAN

The recently published plan for integrating Livonia schools has a number of unexplainable flaws. The detailed plans include the exact number of students to be bused from Livonia schools to Detroit's Cooley and Redford high school areas. They were released last weekend by the 11-member desegregation panel named by Federal Judge Stephen Roth.

THE PLANS provide for busing Detroit junior high school students into Livonia elementary schools in some cases.

For example, Marshall Elementary School is to bus 195 white first and second graders to Detroit's Cerveney elementary and receive 202 black and 24 white third to eighth graders from Cerveney.

Marshall, like all Livonia elementary schools, only has grades kindergarten to sixth. All junior high schools are seventh to ninth grades and all senior high schools are 10th through 12th grades.

Livonia Supt. Ron Upton was at a loss to explain the plans and said that neither he nor any of the

district's administrators were consulted on the plans. "We were never asked a single thing," Upton said. "The first time I saw them was in the paper." Though he said he has "hundreds of reactions," Upton said he will "hold my fire" until the plans have been identified to him by the committee.

THE PANEL released figures on the number of students to be exchanged with other schools in the first three top priority clusters.

Livonia is in the second priority cluster. Southfield is in the fifth cluster so figures are not complete.

Another flaw with the plans is that they are based on last year's enrollment figures. Since the U.S. 6th Circuit Court of Appeals in Cincinnati, O., placed a stay on the purchase of 295 buses needed to implement the plans, it is unlikely that any busing plans will be implemented this fall.

Thus, the enrollment figures will be two years old by the time the plans might feasibly be implemented.

The published plan which includes Livonia follows:

Livonia and Detroit's Cooley and Redford high school areas (L stands for Livonia and D for Detroit)

Roosevelt (L) sends 273 white fifth and sixth graders to Winship on Curtis near Marlowe (D), and receives 139 black and 22 white first to fourth graders from Winship (D).

Madison (L) sends 130 white fifth and sixth graders to Winship (D) and receives 65 black and 10 white first to fourth graders from Winship.

Harrison (L) sends 89 white fifth and sixth graders to Winship (D) and receives 52 black and eight white first to fourth graders from Winship.

Buchanan (L) sends 234 white fifth and sixth graders to Winship (D) and receives 109 black and 17 white first to fourth graders from Winship.

Adams (L) sends 146 white fifth and sixth graders to Winship (D) and receives 70 black and 11 white first to fourth graders from Winship.

Riley (L) would not send any students to Winship (D) but would receive 334 black and 19 white seventh to ninth graders from Winship.

Taylor (L) sends 230 white first and second

graders to Cerveney-Stratford, on Hubbell near Pilgrim (D), and receives 202 black and 24 white third to eighth graders from Cerveney.

Marshall (L) sends 195 white first and second graders to Cerveney (D) and gets 202 black and 24 white third to eighth graders from Cerveney.

Clay (L) sends 213 white first and second graders to Cerveney (D) and gets 202 black and 24 white third to eighth graders from Cerveney.

Cass (L) sends 187 white first and second graders to Cerveney (D) and gets 202 black and 24 white third and fourth graders from Cerveney.

Nankin Mills (L) sends 143 white fifth and sixth graders to Burns, on Terry near Intervale (D), and gets 121 black and 36 white first to fourth graders from Burns (D) and Cadillac, on Schoolcraft near Sussex (D).

Perrinville (L) sends 160 white and one black fifth and sixth graders to Burns (D) and gets 101 black and 30 white first to fourth graders from Burns (D) and Cadillac (D).

Eisenhower (L) sends 135 white fifth and sixth graders to Burns and gets 120 black and 37 white first to fourth graders from Burns (D) and Cadillac (D).

Johnson (L) sends 169 white fifth and sixth graders to Burns (D) and gets 121 black and 36 white first to fourth graders from Burns (D) and Cadillac (D).

Garfield (L) sends 138 white fifth and sixth graders to Burns (D) and gets 100 black and 31 white first to fourth graders from Burns (D) and Cadillac (D).

Washington (L) sends 118 white fifth and sixth graders to Burns (D) and gets 100 black and 31 white first to fourth graders from Burns (D) and Cadillac (D).

Grant (L) sends 117 white fifth and sixth graders to Cadillac (D) and gets 161 black and 48 white first to fourth graders from Burns (D) and Cadillac (D).

Stark (L) sends 61 white fifth and sixth graders to Cadillac (D) and gets 61 black and 18 white first to fourth graders from Burns (D) and Cadillac (D).

Rosedale (L) sends 139 white fifth and sixth graders to Cadillac and gets 121 black and 36 white first to fourth graders from Burns (D) and Cadillac (D).

Hoover (L) sends 325 white first and second graders to Guest, on Fenkell near Meyers (D), and Guest Primary on Fenkell near Cheyenne (D), and gets 197 black and five white third to eighth graders from Guest and Guest Primary.

Webster (L) sends 325 white first and second graders to Guest (D) and Guest Primary (D) and gets 198 black and five white third to eighth graders from Guest and Guest Primary.

Tyler (L) sends 181 white first and second graders to Guest (D) and Guest Primary (D) and gets 197 black and five white third to eighth graders from Guest and Guest Primary.

Randolph (L) sends 367 white first and second graders to Guest (D) and Guest Primary (D) and gets 198 black and five white third to eighth graders from Guest and Guest Primary.

Coolidge (L) sends 273 white first and second graders to Guest (D) and Guest Primary (D) and gets 198 black and five white third to eighth graders from Guest and Guest Primary.

Hull (L) sends 269 white fifth and sixth graders to King, on Grove near Ward (D) and gets 195 black and 10 white first to fourth graders from King.

Jackson (L) sends 194 white fifth and sixth graders to King (D) and gets 164 black and seven white first to fourth graders from King.

Kennedy (L) sends 214 white fifth and sixth graders to King (D) and gets 164 black and seven white first to fourth graders from King.

Lincoln (L) sends 135 white fifth and sixth graders to King (D) and gets 129 black and six white first to fourth graders from King.

Wilson (L) sends 133 white sixth and seventh graders to Clinton, on Chalfonte near Roselawn, and gets 132 black and two white first to fifth graders from Clinton.

McKinley (L) sends 166 white sixth and seventh graders to Clinton (D) and gets 158 black and four white first to fifth graders from Clinton.

Jefferson (L) sends 146 white sixth and seventh graders to Clinton (D) and gets 158 black and three white first to fifth graders from Clinton.

Cleveland (L) sends 180 white sixth and seventh graders to Clinton (D) and gets 158 black and four white first graders from Clinton.

Cooper (L) sends 253 white sixth and seventh graders to Clinton (D) and gets 290 black and six white first to fifth graders from Clinton.

Monroe (L) sends 248 white sixth and seventh graders to Clinton (D) and gets 263 black and six white first to fifth graders from Clinton.

Hayes (L) sends 167 white sixth and seventh graders to Clinton (D) and gets 158 black and four white first to fifth graders from Clinton.

New Report Card Flunks In C'ville

Clarenceville's school board gave a failing grade to a proposal to change the district's primary progress report card.

After reviewing the report card, board members felt the card was less than explicit in some areas. Terminology used failed to clearly tell parents what they want to know, several board members felt.

"As we continue to make changes in our elementary program, we find that our method for reporting pupil progress also needs to be changed," Leary said.

Last year, Clarenceville made the first report card changes in six years, Leary added.

The report card was developed by the staff, according to Asst. Supt. James Leary. Committee chairman was David Kamish.

2nd District Candidates Interviewed

The six candidates for the Democratic nomination for the 2nd Congressional District will be interviewed in an hour-long program on Channel 56 on Tuesday, Aug. 1, at 9 p.m.

The candidates will be interviewed by four reporters including a representative of the Observer Newspapers Inc.

Running for the seat now held by Republican Rep. Marvin Esch of Ann Arbor are: Bill Brown of Ann Arbor, Matthew J. Kehoe of Lambertville, Frederick J. Schwall of Ypsilanti, Walter Shapiro of Ann Arbor, State Rep. Marvin Stempien of Livonia, and Billy Turner of Ypsilanti.

The district includes Plymouth City and Township and Livonia.

Tax Loopholes Pose Inequities, Says Turner

Billy L. Turner, a Democratic candidate for the U.S. House of Representatives from the 2nd district, recently spoke against tax loopholes which pose inequities in the tax system.

Turner is one of six candidates for the nomination for the seat which is now held by U.S. Rep. Marvin Esch (R-Ann Arbor). He gave his opinions at a Livonia meeting.

"Rather than narrow the gap between rich and poor, these policies broaden the inequities," the Ypsilanti Township trustee said of the loopholes. "They place an undue tax burden on those who have little and benefit those who have much. In addition, they strip the federal treasury of at least \$20 billion a year in needed tax revenue."

For example, Turner said, a family of four with an income of \$10,000 will pay \$905 in 1972 income taxes while a taxpayer who earns a \$10,000 income as profit from sale of stock or land will pay \$98.

If the \$10,000 income was from the state or municipal bonds, the tax would be zero, he added.

Special Days

Special football days at Michigan State in 1972 are Band Day on Sept. 23 against Georgia Tech and Homecoming against Wisconsin on Oct. 21.

SHERIFF'S SCHOOL -- The county sheriff's police recruit school continues into its final weeks at Milton School in Inkster. Here, training officer Richard Koch (right) shows a sheriff's patrol candidate, John Richards, how to use the patrol car for cover. The school is run by Pete Wilson for the sheriff, and draws policemen from all over the state, who come for a seven week training course. (Observer photo by Doug Johnson)

Great Scott Names Weinberg To Board

Detroit's third largest food chain, Great Scott Supermarkets, has added Max

MAX WEINBERG

Weinberg, president of Frank's Nursery Sales Inc., to its board of directors.

"Mr. Weinberg's expertise in mass marketing and knowledge in consumer retail patterns, will be of great advantage to us at Great Scott," said Nathan Fink, Great Scott president and board chairman, in making the announcement.

Weinberg also serves as a director of American Savings Association and Faygo Beverages Inc.

Employing mass marketing methods, the chain reported an annual sales volume of \$32 million in 1971.

Medicare Insurance Fees Up

The basic premium rate for the medical insurance part of Medicare went up from \$5.60 to \$5.80 a month beginning July 1, according to Sam F. Test, social security manager of the Detroit-Northwest Office, 17500 Lahser Road.

The medical insurance part of Medicare helps pay for doctor bills and a variety of other medical expenses for people 65 and over. The program is funded by individual premiums matched by the Federal Government.

"The 20-cent increase in the premium in July compares to a 30-cent increase in 1971 and a \$1.30 increase in 1970," Test said.
