Over Contract Delay

Firefighters Picket City Hall

PLYMOUTH FIREMEN began picketing City Hall Wednesday afternoon in a contract dispute with the city. Soon after the pickets appeared.

Mayor James McKeon (without a sign) arrived to discuss matters with the pickets. (Observer photo by Maurie Walker)

By EDWARD WENDOVER

Plymouth's firemen began pounding the pavement in front of City Hall Wednesday afternoon -- not striking -- just picketing in protest over the status of their 1971 contract with the city which has not yet been signed.

In reaction to the picketing, Mayor James McKeon and City Commissioner William Silvis, one of the commission representatives in bargaining with the Plymouth Firefighters Union Local 1811, said they did not think the picketing would help settle differences between the city and the union.

McKeon said Friday morning that they city commission would take up the matter Monday night and that signed contracts would be delivered over the weekend.

Dale Bowerman and Alan A. Matthews, president and secretary respectively of the AFL-CIO affiliated International Assn. of Fire Fighters, issued a statement on the picketing.

"We, the members of ... Local 1811 are not going on strike," the letter said. "We are protesting, by way of legal picketing, the shabby, slipshod manner in which the City of Plymouth conducts its affairs with us."

"We have been trying for seven months to get a contract signed that was ratified by us on April 18 and (by) the city on May 16."

"The span of time between the ratification dates, indicates to a degree, the enthusiasm with which the city conducts its affairs with us," the firefighters' letter said. "In all the time that has passed since the city ratified the contract, we have yet to

receive a copy of the contract in the final form so that we can sign it."

"We have suffered through all of the city's professional negotiator's (Tom Callen) illnesses and vacations. After 19 months, we feel that the city should authorize someone to write up the contract so that we can sign it."

"THE CITY finally paid us 5.5 per cent (out of the 12 per cent increase) of what we bargained for and we suppose they feel they have done enough. Well, we have some other benefits coming to us, along with a wage increase for the second year of the contract, if we ever get it signed."

"You may ask, 'What's the hold up?' " the letter said. "Well, we don't know either, because when you are dealing with the city, no one on their side ever seems to be wrong."

"The real clincher is the latest report from Silvis that the pay board forms that the city is required to fill out are misplaced. But he didn't do it."

No, sir. "Now that's good news. It only took us a month to get the forms and now nobody knows where they are. Mr. Silvis 'thinks' Tom Callen has them," the letter continued.

"Poor Tom Callen; the city hired him to negotiate a contract because he is a professional and then won't let him do anything without their approval. The more you think about it, the more ridiculous it becomes."

"The city no doubt has their own ideas as to who is to blame for the slowness of the procedure but we know one thing, we came to an agreement on April 18 after a

Will Canton Join?

Recreation Authority Gets Impetus

A Plymouth area recreational authority came two steps closer to existence this week.

The Plymouth Township Board of Trustees voted Tuesday night to pledge its support to a community-wide recreational authority that would manage one recreation program utilizing facilities of the City of Plymouth, the Plymouth Community School District, Plymouth Township and perhaps Canton Township.

A special study made by the Michigan State University Cooperative Extension Service and delivered on Thursday recommended the formation of a recreational authority to include the school district and the Wayne County communities predominantly served by it.

Discussions about an area recreational authority which began unofficially several months ago, have usually centered around an authority which would manage the

Plymouth area recreational program using facilities of the local governments and school district although the ownership of the facilities would not change.

The resolution of cooperation passed unanimously (Trustee Gene R. Overholt was absent) by the Plymouth Township board was the first move towards official status for a recreation authority.

THE PLYMOUTH CITY

Commission is expected to discuss adopting a similar resolution at its meeting Monday night.

In a letter written to the township board last week, outgoing Supervisor Maurice M. Breen said, "We have had a number of meetings for the past months with the representatives from the City of Plymouth, Township of Plymouth and the Plymouth Board of Education regarding the possibility and feasibility of all units of government getting together for the purpose of establishing a joint effort for recreation management."

"Although the mechanics have not yet been agreed upon by the units of government it would be beneficial if there were a statement of intent from this board as regarding the feasibility (of such a plan)," Breen said in his letter.

"It would give impetus to the idea if this board decides this is the way it should go," Breen said at the meeting.

Breen said he was not sure whether Canton Township was interested in joining such an authority or not.

The MSU Extension Service report on the feasibility of an area recreation authority was delivered to Plymouth City Manager Norman Gaffney on Thursday. It had been commissioned by Breen and Gaffney several months ago. The report urged the formation of a recreation authority that would include the school district, city, Plymouth and Canton townships.

FUNDING FOR the authority should be based on a per capita basis except for the school board, the report says. Contributions from the school

board should be to provide capital improvements on school properties which could be used for recreation, the report added.

Much of the local discussion of the recreation authority has included the retention of title and responsibility of all facilities by their original governmental agency. The authority would serve only as the managing authority in arranging programs and schedules.

The MSU report says, "Ideally the (recreation) commission should assume responsibility for financing and operating all public

recreation areas and facilities, most especially the new Plymouth ice arena. However, to assure the indebtedness of the city of Plymouth for its ice arena revenue bonds, the city should have veto power over its operation until the indebtedness is paid off."

The report recommends the hiring of a "chief executive officer" who would be an "experienced professional." A "professional" staff is also recommended.

The report was compiled by Extension Specialists Roger Murray, Pat Taylor and L.F. Twardzik.

P-1 Scouts Celebrate 50th Year Monday

By MARTHA MAHAN

They were driving Pierce Arrows and Stutz Bearcats back in the days when Plymouth's first Boy Scout Troop was formed.

Just the group's name shows its age -- Boy Scout Troop P-1. It's been years since a letter designation was used to identify a troop.

The P-1, of course, stands for "Plymouth" and the city's troop "No. 1."

This year P-1 marks its 50th anniversary of continuous chartered operation, making it the oldest troop in the Sunset District and one of the very few in the state to reach a golden anniversary.

To honor the occasion, Troop P-1 plans a big anniversary celebration at Plymouth Middle School West on Monday at 7 p.m.

Past members, leaders, committeemen and friends will join to reminisce, laugh over old times and congratulate current mem-

bers on keeping up the troop's traditions.

HIGHLIGHTING the evening will be an eagle court of honor during which four scouts will be elevated to the highest rank of Scouting, joining five others who achieved the same rank in a ceremony last spring.

The quartet includes: Len Morris, son of Mr. and Mrs. Leonard Morris, 14740 Dogwood; Greg Smith, son of Mr. and Mrs. George Smith, 4411 Beech; Jim Schnoes, son of Mr. and Mrs. Paul Schnoes, 44427 Beech; and Mike Hackney, son of Mr. and Mrs. Thomas Hackney. The Hackneys moved to Glen Arbor last summer, but Mike will return for the ceremony.

Morris, a senior at Plymouth High School, assisted in the reorganization of a Boy Scout troop for his eagle project. Smith, also a senior at Plymouth High, collected winter clothing for a Boy Scout Troop at Northville State Hospital. Schnoes, an

eight grader at Plymouth Middle School West, helped clear trash from Tonquish Creek.

Hackney helped develop an outdoor recreational area for Our Lady of Providence School.

In conjunction with the golden anniversary celebration, too, Explorer Post P-1 will observe the end of its first year of activity. The Explorer Post is an offshoot of Boy Scout Troop P-1, with a membership older than the Boy Scout limit. Howard Bradley serves as its advisor.

TROOP P-1 actually goes back farther than just 50 years. It first was organized in 1912 but went out of existence in 1919. It was reactivated in November 1922 and has been under active charter since that time.

The Rev. D.D. Nagle, who was scoutmaster in 1922, recorded the event this way in the troop's history book:

"The original troop of Boy

Community Fund Exceeds Its Goal

The Plymouth Community Fund has done it again.

With donations rolling in right up to the start of the 1972 drive's "victory dinner" Thursday night, this year's total exceeded the fund's quota by reaching a record \$182,070.86.

The dinner climaxed several weeks of campaigning for donations from Plymouth area industry, businesses, homes, governmental agencies, schools and professional centers and the money will be piped into the various agencies which receive support from the Plymouth fund.

"Each year when we look at this goal, we're staggered," Fred Beitner, president of the 1972 PCF board of directors, told the audience Thursday night. "But we take a deep breath and go at it harder than the year before."

Bill Carlson, chairman of this year's drive, praised the efforts of all those who had helped and said, "Raising money is not an easy chore."

The dinner included reports from committee chairmen whose responsibilities included the canvass of each area of the Plymouth community.

THROUGH BIFOCALS
By FRED DeLANO

MAYOR JIM McKEON was just a lad of 11 in his native Flint the warm June night in 1937 when, as a reporter fresh out of college and on my first day at work for a Flint newspaper, I covered my initial city commission meeting there.

It was a session distinguished in memory by only one detail, that being the fact that the city commissioners chose that evening to fire their city manager, a man named Bill Findlater.

The thing that got my mind going on this train of thought is the fact that Monday night Ed Wendover, the new editor of the Mail & Observer, will be covering the Plymouth City Commission for the first time. I can't help but wonder what tasty little treat Our Leaders will cook up as the No. 1 story for Eddie boy.

They certainly wouldn't go as far as the Flint commissioners did 35 years ago, would they? Yet, one does hear rumbles that the discord between City Manager Norm Gaffney and the mayor in particular, and all seven commissioners in general, is growing. McKeon was the last commissioner to fall in line when Gaffney was hired almost two years ago, and he'd probably be the first in line to help Norm pack his bags.

THAT COMMITTEE which spent several months reviewing our city charter, and then came up with its report several days ago, restricted itself to "general intent" rather than specific recommendations, thus leaving two big areas of possible debate right where they were.

It will be up to the commission to frame actual proposals to put before the electorate as the editing of the charter proceeds. Hopefully, there will be a full public discussion some night as to whether Plymouth should continue its present form of government, or go to the strong mayor-city council system.

Anyone at all close to City Hall realizes that to all

Firefighters

Continued from Page 1A

long period of negotiation and the city has been sitting on it ever since.

"We would like to point out that we are doing our picketing alone and have not asked for outside help. We feel this is our problem and only we can solve it," the firefighters' letter concluded. McKeon told The Mail & Observer Thursday afternoon, "I can't really comment on the firemen's picket because I don't really know what their problem is."

THE MAYOR SAID he had not received a copy of the letter given to the paper.

In a statement Friday morning, McKeon said the reason the contract has not yet been signed is "primarily because of the red tape involved with complying with the federal government wage guidelines."

"This is due to the fact that the agreement was in excess of the 5.5 per cent increase recommended by the pay board," the mayor said. "It has been the city's intent to pay the firemen the 5.5 per cent pay increase prior to the signing of the contract."

"On Sept. 18 the city passed a resolution to put into effect the 5.5 per cent. This resolution neglected to include an additional 5.5 per cent increase due on July 1. It was the city's intention to include the additional 5.5 per cent."

"I understand that this is one of the reasons the union is picketing. I understand that another reason is because there is not a signed contract."

"I have told the union president that the additional 5.5 per cent (pay increase) will be approved by the city (commission) on Monday and also told him copies of the contract will be delivered over the weekend," the mayor said.

"In spite of this information, the union has refused to withdraw its picket line."

"I'm very critical of the poor communications between the union and the city. This is due largely because neither side has retained a full-time negotiator."

"Typical of this poor communication are two phone calls I have made to the union's legal counsel and I

intent and purpose, under McKeon we have the "strong mayor" system with us already, even though the charter specifies that the office is more ceremonial than anything else. The "mayor" is simply a commissioner so designated by his colleagues, not the voters at large.

Livonia, for instance, seems to fare well under the mayor-council system, and the council has just voted to raise Mayor Ed McNamara's salary to \$25,000. Poor Jim McKeon gets only \$500 a year and a limited, very limited, expense account.

OUR NEXT city commission election will be in November, 1973 and the four whose terms will be expiring are McKeon, Bill Silvis, Harold Guenther and Norb Battermann (a fill-in appointee). The three holdovers will be Bob Sincok, Ernie Henry and Beverly McAninch.

There's a rumor that a resignation of one of the present commission is in the offing. If this comes to pass, another seat may be up for grabs.

Neither McKeon nor Silvis can run for reelection in November as each is serving his second successive term, which is the charter limit.

Personally, I would like to see a change in the charter that would set up geographic designations for commissioners. I don't suggest turning completely to the ward system, but I think it would make sense to elect one commissioner from each of the city's five precincts and the other two at large.

At the moment, for instance, six commissioners live on the fashionable west side in Precincts 4 and 5. Guenther represents all the rest of the town from his home in Precinct 2. I think it would make sense to put into the charter a guarantee of a better balanced

M Cagers Play Here Tuesday

PLYMOUTH The University of Michigan's intra-squad basketball game Tuesday at Plymouth High School also will bring an introduction to local fans of the new PHS cage coach, Fred Thomann.

Thomann will be introduced at halftime of the game between the Wolverine varsity and junior varsity squads by Athletic Director John Sandmann.

The six-foot-nine Thomann, a former star at Michigan State, in turn will present individual members of the 1972-73 Rocks who will open their schedule Dec. 1 in a home game against Walled Lake Central.

Thomann, who replaces Dick Bearup as PHS

basketball coach, turned out a state championship club at Willow Run High School. Returning as top contenders for his first Plymouth team will be such standouts as Ron Egloff, Tim Van Wagoner, Jim Szilagyi, Steve Robb and Jeff Jacobs.

Another halftime feature will be the presentation of special appreciation awards by the sponsoring Athletic Boosters Club. These presentations by President Bob Willette will go to Jerry Veteese, Al Stringham, Russ Maxwell, Roy Gaddey and Howie Schryer.

Coach John Orr's Michigan squad will put on an instructional clinic at 7 p.m. and game time will be 7:30. Tickets are \$2 for adults and \$1 for students.

School Bus Driver Praised

Thomas D. Kramer, the driver for the Plymouth Community School District whose bus was involved in an accident on Sheldon Road Monday afternoon, has been praised for his actions following the mishap.

Kramer, who is attending law school at night, was driving the school bus load of 20 students Monday when, according to police, a juvenile who was driving a car pulled out in front of him. None of the 20 students was injured seriously and the juvenile, who suffered minor injuries, was charged with failing to yield the right of way.

A LETTER writer, who asked to remain anonymous, told The Plymouth Mail &

Observer Kramer deserved praise for his concern for the children on the bus and his aid to the injured driver.

The letter prompted further praise from Bob Houghton, director of transportation for the school district, who said, "He did an excellent job for a new driver."

The hand-written letter read:

"I am a very busy man in the community with little time for letter writing, but find myself motivated to convey to the people of Plymouth a very enlightening experience."

"I feel very few parents know anything of the school transportation system and when you have loved ones traveling miles to and from school each day, one cannot help but worry."

"MY MIND was put to rest last Monday afternoon after observing an accident on Sheldon Road. A car pulled directly in front of a school bus traveling north on Sheldon, leaving the driver zero opportunity of avoiding the collision."

"What really boosted my confidence in the Plymouth transportation program was this bus driver's actions after the accident. I was an on-the-scene observer, and I must admit I was impressed."

"The driver was first of all concerned with the condition of the children aboard the bus (and) after getting the kids settled down he helped administer first aid to the injured party in the car."

"At all times he (Kramer) demonstrated confidence and ability and proved to be a quick thinker in a pressure situation."

"I must admit I was impressed with this Plymouth bus driver and say, 'Hats off to the driver of 12A and the entire transportation program' for demonstrating to us parents that our children have the best of care to and from school."

HOUGHTON, who said he arrived on the scene soon after the accident, also praised Kramer's coolness in handling the situation — particularly for a new driver.

"He's getting baptized real quick," the transportation director said.

P-1 Boy Scout Troop

Continued from Page 1A

Scouts of Plymouth was organized in the year 1922 in response to a demand which was felt by a group of boys in the community who were interested in having something to do to occupy their leisure time.

"A number of the boys connected with the Methodist Sunday School wanted leadership, so a call was given out to all boys in the community, regardless of their religion, who were interested in starting a troop to be present on a certain night."

"A fine response of fine American boys responded the first night, and, after outlining the program and ideals of Scouting, they decided to join up. From the first they entered in real spirit and more boys were joining."

"The troop continued to enlarge its activities until it became recognized as a distinct asset to the community, and the businessmen as well as the parents became interested in a promotion of Scouting."

On March 21, 1923, the boys chose cadet gray and gold as the colors for the troop neckerchief.

SIGNIFICANTLY, P-1 held investiture ceremonies on May 17, 1928, for troops P-2 and P-3.

In 1954, the Kiwanis Club of Plymouth took over the troop's sponsorship.

P-1 at present is an active outdoor troop, camping under canvas for one weekend each month for 10 months of the year. The boys participate in spring and fall canoe trips on the Manistee, Pine or Pigeon Rivers. One week each summer is spent in outpost camping under canvas. The last three summer camps were spent in the Huron National Forest and were attended by more than 40 boys.

The size of the troop has varied between 50 and 75 boys in recent years. They have attained a strong record of Scouting advancement and produced nine eagle scouts over the past few years.

Among recent committee chairmen is Fred Sincok, who resigned in 1969 to become chairman of the Sunset District. He was followed as Troop P-1 committee chairman by Chuck Hartel from 1969 to 1972. Harold Muenchow is current chairman.

SCOUTMASTER Ron Craddock has three assistants, Sterling Shepard, Karl McNulty and Tom Bearsley.

The troop committee serving under Muenchow includes: Joe Parrott, advancement chairman; Tom Carl, transportation; Ron Wood, quartermaster; Paul Schnoes, secretary; and Clare Parker, assistant secretary.

Past Scoutmasters are: Rev. D.F. Barber, 1912-16; Burton E. Giles, 1917-19; Rev.

Blanche to Farmer.

The meeting begins at 7:30 p.m. in the city commission room at city hall.

Other items on the meeting's agenda include: a proposal to make downtown parking free during December, a proposal of cooperation in a regional recreation authority, a discussion by State Sen. Carl Pursell about pending state legislation, a request by The Tonquish Creek Yacht Club to install a swinging viaduct over Main Street, a report on leaf pickup service, and a hearing on closing the alley between Arthur and Pacific from Blanche to Farmer.

The meeting begins at 7:30 p.m. in the city commission room at city hall.

It's Junior Basketball Time Again

The Plymouth Community Junior Basketball Assn., entering its eighth year, has announced two registration dates for "AA" basketball.

Young men from grades eight through 10 may sign up Nov. 18 from 12:30 to 2 p.m. in the lobby of Junior High West or Dec. 2 from 9 to 11 a.m. in the lobby of Central School.

Each boy should bring gym shoes and shorts, a parent and the \$7.50 required for registration. The fee covers operating costs of the association's games and a post-season banquet.

Tryouts and formation of an anticipated eight teams will be held Dec. 2 following completion of registration.

Any adult interested in coaching with the "AA" league is asked to contact Ron Mack of 41219 Greenbriar Lane, association president; Phil McDuff of 14900 Lakewood, vice president, or Don Fleming of 41688 Greenbriar Lane.

Ohioans Seek Canton Cable TV Franchise

CANTON TOWNSHIP Canton trustees have under advisement a proposal from an Ohio-based firm to furnish cable television to the township.

The offer was submitted to the township board at the Nov. 14 meeting by Leon Leggett, representing Canton Community Systems, Inc., the local subsidiary.

The Wayne County Road Commission, township engineers and attorney will be asked to report on the proposal before any board action is taken.

Thieves Rob

PLYMOUTH

The Downtown Recreation building, 757 W. Ann Arbor Trail, was broken into Wednesday night, the thieves escaping with approximately \$250.

Police said \$200 in quarters was taken from a pin ball machine which had been pried open. Fifty dollars was taken from the cash register.

Entry was gained by taking out a window in the door, police said.

Commission

To Discuss

Edison Building

At its meeting Monday night, the Plymouth City Commission is slated to discuss purchase of the Detroit Edison building across from City Hall. It is now vacant.

Other items on the meeting's agenda include: a proposal to make downtown parking free during December, a proposal of cooperation in a regional recreation authority, a discussion by State Sen. Carl Pursell about pending state legislation, a request by The Tonquish Creek Yacht Club to install a swinging viaduct over Main Street, a report on leaf pickup service, and a hearing on closing the alley between Arthur and Pacific from Blanche to Farmer.

The meeting begins at 7:30 p.m. in the city commission room at city hall.

Did you know that... the katydid has its ears on its front legs? That a seven pound fish can produce seven million eggs at one time? That one Maynard of Bordeaux, richest landowner in France, dined from a bureau drawer for sixty years in order that he might slam it shut quickly if a guest arrived? That in the pachai caste of India a husband may divorce his wife by breaking a straw into two pieces? That a gallon of vinegar weighs more in winter than in summer?

Ecumenical And Family Services Mark Thanksgiving

Ecumenical and family services will be spotlighted as Observer area communities prepare to celebrate Thanksgiving.

Community-wide services are planned in Plymouth and Farmington, and several area individual churches are marking the American holiday with traditional or contemporary services.

Folk music and interpretive dance will feature the Plymouth service, sponsored by the Plymouth Council of Churches and scheduled at 8 p.m. Wednesday, Nov. 22, in Epiphany Lutheran Church, 41390 Five Mile.

Sandra Bissey, a member of the First United Methodist Church of Plymouth, will do an interpretive dance to the

spiritual "Swing Low, Sweet Chariot" as part of the offering.

GUJARATI Nan Lareau of St. Kenneth Catholic Church and Peter Bedford of St. John Episcopal will provide accompaniment for the congregational singing, and special music will be provided by members of St. Luke Methodist Church.

To emphasize how each person gives an offering symbolic of his commitment to Christ, worshipers participating will be invited to come forward and place their offering on the altar.

The money received will be used by the Plymouth Council of Churches during the coming year to implement the ecumenical evangelism effort, "Key '73."

Following the service, pumpkin pie and coffee will be served in the Epiphany fellowship room.

People of all faiths are invited to participate in the service. Epiphany is located between Haggerty and Bradner roads.

NARDIN PARK United Methodist Church, 11 Mile between Orchard Lake Road and Middle Belt, will host the ecumenical service in Farmington at 7:30 p.m. Wednesday, Nov. 22.

Continuing a tradition begun several years ago, the music will be furnished by an ecumenical choir, directed by Don Zielinski of Our Lady of Sorrows Catholic Church. Its members will wear the robes of their own churches.

The Rev. John Howell, minister of the First United Methodist Church, will

preach, and the offering will be used for assistance in special services or crisis situations in the Farmington area.

FAMILY AND YOUTH services are scheduled in several area churches.

The First Presbyterian Church of Farmington, Farmington Road at 11 Mile, plans its family communion service on Thanksgiving morning from 10 to 10:45 a.m.

In Newburg United Methodist Church, 38500 Ann Arbor Trail, Livonia, a candlelight service is scheduled for 7:30 p.m. Wednesday, Nov. 22. Mrs. Clara Walker, organist, and the Rev. William Ritter will join in a presentation of Desiderata.

The youth choir of Timothy Lutheran Church, 8820 Wayne, Livonia, will present special music in the Thanksgiving service there. It will be held at 7:30 p.m. Wednesday.

Two Lutheran churches in Farmington have scheduled Thanksgiving Eve services. Prince of Peace Lutheran, 12 Mile east of Farmington Road, will have a youth service at 7:30 p.m., and members of St. John Lutheran, Gill Road between Freedom and Grand River, will gather at 8 p.m.

Dr. Bartlett L. Hess of Ward United Presbyterian Church, Six Mile and Farmington Road, Livonia, will preach on "Where Are the Nine?" in the Thanksgiving Day service there at 10 a.m.

The Chapel Choir, directed by Max Davey, will sing "The Battle Hymn of the Republic," accompanied by Benny, Glenn and Brian Moon, bass trio.

DR. WIETELMANN

Bishop To Speak In Livonia

The Rev. Dr. Robert L. Wietelmann, bishop of the Michigan District of the American Lutheran Church, will speak at 10 a.m., Sunday, Nov. 19, in Word of the Spirit Lutheran Church, 34563 Seven Mile, Livonia.

Sword of the Spirit is celebrating the fifth anniversary of its organization. The present pastor, the Rev. William D. Wolfe, was installed Nov. 19, 1967, by Bishop Wietelmann. The latter lived on West Chicago in Livonia from 1961 to 1966 while he was assistant to the then-president of the district, Dr. Norman Menter.

Following the worship service, there will be a congregational luncheon and program featuring a movie produced by the church's fellowship committee. Directed by Mrs. Barbara Wolfe of Livonia, it has many members of the congregation as the "stars."

Epiphany Plans Anniversary Celebrations

Two former pastors will return to Epiphany Lutheran Church, 41390 Five Mile, Plymouth, when it celebrates its 15th anniversary as a congregation on Nov. 19.

Highlight of the festivities will be the 10:30 a.m. morning worship service. Former pastors the Rev. John W. Miller and the Rev. David Strang will assist the present pastor, the Rev. Frederick Prezioso. Rev. Miller will be the speaker and Rev. Strang will assist at the communion.

GREETINGS WILL be read from the Rev. Charles Holland, the mission developer who began organizing the Lutherans of Plymouth in 1956. Rev. Prezioso is the church's fourth pastor.

New members will be received at the morning service and a coffee hour will follow it.

During the afternoon, from 4

Wesley College Group To Sing In Farmington

The Celebration, a musical ensemble from John Wesley College's Owasco campus will appear in Forest Park Baptist Church, 27500 Shiawassee, Farmington, on Saturday and Sunday, Nov. 18 and 19.

The versatile group will be featured in the church's Youth Crusade service at 7:30 p.m., Saturday, and again, at 11 a.m., Sunday.

The Celebration is a seven-member contemporary ensemble. Their appearance is part of a weekend crusade which began Friday evening, with a talk by the church's new associate pastor, the Rev. Jack Jinkerson.

Rev. Jinkerson also will speak Saturday evening and Sunday, and Sunday will be "youth day."

Sisterhood Plans Dinner

The Livonia Jewish Congregation Sisterhood will hold its paid-up membership dinner at 7 p.m. Monday, Nov. 20, in the United Hebrew School, Seven Mile and Osmus, Livonia. Reservations should be made with Mrs. Judy Poger, 33921 Fountain Blvd., Westland.

SAUNDRA BISSEY'S interpretive dance in Epiphany Lutheran Church of Plymouth will be a feature of the ecumenical Thanksgiving service to be sponsored by the Plymouth Council of Churches at 8 p.m. Wednesday, Nov. 22. She is a member of First United Methodist Church of Plymouth. (Observer photo by Bob Woodring)

Scientist Churches Plan Thanksgiving

Special services will be held in area Churches of Christ, Scientist, on Thanksgiving Day, Nov. 23.

The service in First Church Plymouth, 1100 W. Ann Arbor Trail, will start at 10:30 a.m.; in First Church, 33111 Ford Road, Garden City, at 10:30 a.m.; in First Church, 33825 Grand River, Farmington, at 11 a.m.; in Eighth Church, 20011 Grand River, Detroit, at 10:30 a.m.; and in Fourth Church, 24400 W. Seven Mile, Detroit, at 11 a.m.

KEYNOTING THE lesson- sermon on "Thanksgiving" will be the Bible passage, "Rejoice evermore. Pray without ceasing. In everything give thanks; for this is the will of God in Christ Jesus concerning you."

The nature of true gratitude is emphasized in commentary to be read from "Science and

Health with Key to the Scriptures" by Mary Baker Eddy, including this quotation: "We are really grateful for the good already received? Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more. Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech."

Hymns of gratitude will include "Glory Be to God on High" and "In Mercy, In Goodness, How Great Is Our King."

THE SERVICE will be conducted by A. Richard Krachenberg, first reader, and Mrs. Bernice J. Maurer, second reader, in Plymouth. Augustus Pearson will be the soloist and Mrs. Edris Neale, the organist.

In Garden City, the service

will be read by David Brandon, first reader, and Margaret Schnell, second reader; in Farmington, by Kenneth Ekstrom, first reader, and Mrs. Helen Middlewood, second reader; in Eighth Church, by Wilbur Schroeder, first reader, and Mrs. Virginia Benks, second reader; and in Fourth Church, by John Benkelman, first reader, and Mrs. Chlomara Austin, second reader.

Here is an excellent chance to get straight on the religion bit. I want to meet weekly with any sane persons of any age for some factual and commonsense learning experiences about this modern-day mess, or experience (suit yourself) called the Catholic Church. Starting with a clear understanding of words like "religion," "grace," "salvation," and others, we will go on to do a little back-tracking through time, a little slogging around in human psychology, and a lot of mature thinking about what is really "right on." Call me (Father Eckert) at 532-4394 for more specific information. We start Monday night, Nov. 20th.

Center Will Break Ground

Ground will be broken Sunday, Nov. 19, for the first building in a complex projected by the Farmington Hills Christian Center.

The total development, to be located at Freedom and Drake roads at I-96, is described by the Rev. E. Eugene Perrault as "a synergistic service to the Farmington community—not only a church but a total ministry to the whole man." Plans include a convalescent home, a recreation center, senior citizens' village and education plant as well as the chapel and activities building which soon will be under construction.

In addition to the ground-breaking, the church plans a weekend missionary convention to show its wide range of ministry.

MEMBERS of the Farmington Hills Christian Center, which is affiliated with Assemblies of God churches and moved from the Detroit area two years ago, have been holding Sunday services at 10 and 11 a.m. and 7 p.m. in Dunckel Junior High School, 12 Mile and Farmington Road.

Speaking for Nov. 19 services will be the Rev. David Kent Irwin, foreign missions editor for Assemblies of God, and Paul Palser, missionary to Guyana in South America. Rev. Irwin served in missions in Egypt and East Africa before being named to the post in which he reports a vast foreign missions program involving 1,056 missionaries in 83 countries.

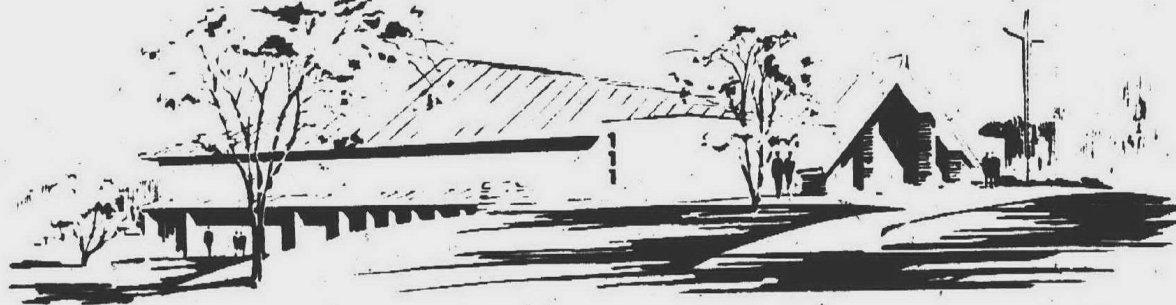

Palser and his wife worked on a radio ministry in the South American country. Both will speak at the 11

a.m. and 7 p.m. services at Dunckel. The ground-breaking scheduled at 1:30 p.m., and the public is invited to all the weekend activities.

PASTOR PERRAULT, explaining the church's projected building program, used the term synergism, which he said is "an equation in which two plus two equals five, or, simply stated, the whole can equal more than the sum of its parts."

"We hope to serve every age level of the community in every way possible," he added. "In our day, there is a cry to make the Gospel relevant and we plan to do this with not only a worship center, but a recreation center, senior citizens village, educational plant and ultimately and even larger sanctuary."

"We want an active Christian community every day of the week, filling up and flowing out to serve our entire area."

Witnesses' Assembly

REV. DAVID IRWIN

David Biegler, district overseer for Jehovah's Witnesses, will speak at a two-day circuit assembly Saturday and Sunday, Nov. 18 and 19, in the sect's Assembly Hall, 10709 W. Grand River, Detroit.

Many Jehovah's Witnesses from the Observer area are planning to attend.

Biegler's topic for the 2 p.m. Sunday meeting, highlight of the program, will be "Is This Life All There Is?"

Public sessions begin at 1:55 p.m. Saturday, and no collections will be taken.

HENRY AND FREDA TEICHROEB will speak on "Victorious Christian Living" at 7 p.m. Sunday, Nov. 19, in Ward United Presbyterian Church, Farmington Road and Six Mile, Livonia. Teichroeb is a former high school assistant principal from Regina, Sask., and he and his wife now are full-time evangelists.

'New Connection' To Visit

"The New Connection," a musical group that tours for Youth For Christ, will visit Grand River Baptist Church, 34500 Six Mile, Livonia, on Sunday, Nov. 19.

The six-member group will give a youth concert at 9:30

a.m. and then participate in the regular morning worship of Grand River Baptist at 10:45 a.m.

All teens in the area are invited to hear the group in the all-music youth presentation.

The morning service also is open to the public.

The visitors are college-age young people who sing Christian folk songs and rock style music to give their testimony. They use guitars, drums, electric organ and piano to accompany their songs, and they have appeared in dozens of schools and churches as well as making a tour of Barbados Island.

All members of the New Connection are from Michigan. Bob Nienhuis, group leader, was for three years executive director of Youth For Christ in Holland, Mich. Drummer Jim Morton III was in the back-up band for "Paul Revere and the Raiders," and Debi Turfus, who comes from Flint, attended the University of Michigan and has worked with a recording studio.

Area Deaths And Funerals

MILFORD JOHN ARMSTRONG

Services for Mr. Armstrong, 51 of 37420 Grand River, Farmington, were held Nov. 13 at the Greenwood Cemetery Chapel, Sandusky, with the Rev. 'Drug Scene' Program Set

CANTON TOWNSHIP
A special program on the "Drug Scene" in and around Plymouth will feature the next meeting of the Miller Elementary School Parent Teacher Organization (PTO). The meeting will be Tuesday, Nov. 21, at 8 p.m. in the school gymnasium.

Speakers will be Roy Couch, narcotics detective for the Washtenaw County Sheriff's Department, and Carl Berry,

member of the Plymouth Police Department and of the Plymouth Board of Education. The two men will discuss what the drug problem is and what Plymouth schools are doing in the way of drug education. There also will be a display of drug paraphernalia. Refreshments will be served and parents will have an opportunity to see the school, meet other parents and join the PTO.

Board Backs Millage Drive

CANTON TOWNSHIP
Canton trustees have agreed to support the forthcoming Plymouth School District millage campaign, but have some stipulations.

In a resolution passed at its Nov. 14 meeting, trustees said

they favored the campaign to raise money for new buildings, most of which will be built in Canton, but urged the board to do everything in its power to make full utilization of present facilities.

"Even if it means using school 12 months of the year," commented William Graham, Jr.

He recommended the board "study the 12-month plan." This was quickly amended to "negotiate — study takes too long," commented Trustee Don Korte.

"It'll all depend on the teachers, anyway," Korte said.

PLYMOUTH COMMUNITY SCHOOL DISTRICT Plymouth, Michigan BOARD OF EDUCATION MINUTES

A special meeting of the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held on Monday evening, October 30, 1972, in the Board Room of the Administration Building, 454 S. Harvey Street, Plymouth, Michigan, beginning at 8:05 p.m.

The meeting was called to order by Vice President Benson. Present: Members Benson, Berry, Graves, Ohno and Penar. Absent: Members Lawton and Mirto. Administrators present: Sup't Hogan, Deputy Sup't Hogan, Assistant Sup't Blunk and Gibson. Admin. Assistant: Personnel and Observer. Neil Savage. Others present: Kathy Moran, Plymouth Mail and Observer and Neil Savage. Member Berry was appointed acting secretary in the absence of the secretary.

Additions to the agenda were called. Discussion on the proposed budget followed.

Sup't Hogan distributed an updated copy of Receipts Section A and B, and also 2100 series budgeted accounts and discussed numbered accounts which are to be changed. He also presented figures on dollars in accounts which are available per capita.

Member Lawton arrived at 8:12 p.m. and resumed the chairmanship of the meeting.

Member Ohno raised a question on Account No. 1161.3, In-Service Education, Curriculum Coordinating Committee. It was explained this account was to continue program which has been started and should be continued. Bookkeeping procedures have been made easier for the matter of substitute teachers.

Assistant Sup't Blunk explained that changes in the budget accounts are made from one year to another at the request of the auditor or administration to present a better more effective budget.

Member Penar questioned Account No. 2786, Uncollectible Taxes, stating that already \$13,000 had been refunded from this budgeted account of \$20,000, and the difference should be adjusted in the estimated receipts as well. He felt that \$30,000 should be cut from the budget to offset these refunds and still present a balanced budget. He raised the question of carryover of contingency fund being used for this purpose.

Member Berry asked whether it would be feasible to pursue the matter of tax credit rather than cash refund for tax refund cases. Sup't Hogan was asked to seek an opinion from legal counsel as to whether it would be advantageous to appeal for tax credits in a court case, so that in the future the proper officials would make tax assessments more correctly.

Member Ohno raised a question on Account No. 1234.1, Modular Scheduling, as to the number of items included in this account.

President Lawton stated that it seemed wise to reexamine the budget in January, 1973 to make adjustments at that time. Assistant Sup't Blunk explained that 1971-72 actual figures are audited figures, and that proposed budget is considered to be a positive one now that salary schedules are known. He added a recommendation that a mid-year budget revision is necessary to find out errors made so that money can be spent to the best advantage, not changing totals, but putting money where it will do the most good for education.

Other questions were raised on the 10% tuition decrease and on Accounts No. 1261 and No. 1361, Travel Expenses. Member Berry inquired as to whether it might be cheaper to purchase two cars for use in travel within the district especially. President Lawton asked for a feasibility study within two months as to ownership of certain vehicles as well as in lieu of pay.

Members Berry, Benson, and Ohno were asked by Member Berry to submit the proposed budget for the 1972-73 school year to a public hearing on Thursday, November 2, 1972 at 4 p.m.

Ayes: Members Benson, Berry, Graves, Lawton, Ohno and Penar. Nays: None. The motion was carried.

Assistant Sup't Blunk reported on the results of his meeting in Lansing with the Department of Education on October 19, 1972, on the matter of bonds. He distributed a letter from that Department recommending that preliminary qualification of the bonds be in the amount of \$21,000,000 be granted, and that plans may be formulated for calling the special election for this bond issue. He presented Series I for bonds as follows:

Phase I High School No. 3	\$6,000,000
Phase III Canton High School	3,500,000
Elementary School No. 11	1,700,000
Elementary School No. 12	1,700,000
Total	\$12,900,000

The Department approved the amount listed with the stipulation that growth and projection would be worked and a second and possible third series of bonds would be approved when needed and for what is needed. However, the entire \$21,000,000 would be approved to the electorate. Mr. Blunk distributed a change in the bond resolution as previously adopted by the Board and Mr. Hogan read the resolution establishing the bond election and its procedures.

It was moved by Member Benson and seconded by Member Penar that the resolution regarding the Special Election on December 11, 1972, as prepared by Miller, Canfield, Paddock and Stone, be adopted (Complete resolution part of permanent records).

Ayes: Members Benson, Berry, Graves, Lawton, Ohno and Penar. Nays: None. The motion was carried.

A transcript of a tenure hearing was presented for review. It was requested that Attorney Schwaner meet with the Board to point out motions therein. Members Benson and Berry were asked to meet with Deputy Sup't Hogan on Tuesday, October 31 at 2 p.m. on the bonding campaign.

It was moved by Member Benson and seconded by Member Berry that the meeting be adjourned.

Ayes: Members Benson, Berry, Graves, Lawton, Ohno and Penar. Nays: None. The motion was carried.

The meeting was adjourned at 9:25 p.m.

Respectfully submitted,
CARL BERRY, Acting Secretary
Board of Education

Community Fund

Continued from Page 1A

Beitner and Carlson praised them "for a job well done."

THE COMMITTEE chairmen were: John Harper, special gifts and clubs; Charlene Zeese, residential; Tim Ford, governmental; Kent Buikema and Ron South, educational; Bob Petersen, professional; John Miller, business group; and Leonard Evans, industrial.

There had been some fears, triggered by the slow start of the donations, that this year's drive would fall below its \$182,000 quota. But as the committee chairmen reported their area totals, the drive's total met and exceeded the quota by \$70.

The guest speaker at the victory dinner was Philip H. Power, publisher of The Observer Newspapers, Inc.

Power praised the volunteers who worked for the drive for "coming together and meeting a need."

Characterizing the community fund workers as "doers," Power said that "action oriented" people are needed now to help the Plymouth area retain its identity "in an era marked by explosive population growth."

The publisher said that much of Plymouth's identity would be assailed in the next decade and that the community should act now to foment many of the development projects — particularly in the downtown area — which have been talked about for so long.

POWER URGED that the community divert some of its federal revenue sharing funds over the next five years to a person who would be made responsible for implementing plans to "configure Plymouth to meet the competition of the future."

"You've got to pin down the responsibility to maintain Plymouth's identity and economic viability," the publisher said.

PLYMOUTH COMMUNITY SCHOOL DISTRICT Plymouth, Michigan BOARD OF EDUCATION MINUTES

A special meeting of the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held on Monday evening, November 6, 1972, in the Board room of the Board of Education Building, 454 S. Harvey Street, Plymouth, Michigan, beginning at 8:07 p.m.

The meeting was called to order by Vice President Benson. Present: Members Benson, Berry, Mirto, Ohno and Penar. Member Lawton arrived at 9:04 p.m.

Absent: Member Graves. Administrators present: Sup't Hogan, Deputy Sup't Hogan, Assistant Sup't Blunk and Gibson. Admin. Assistant: Personnel and Observer. Neil Savage. Others present: Kathy Moran, Plymouth Mail and Observer, Attorney Schwarzwald, Robert Evans, W. S. Graham, J. Gray, T. A. Henning, Mrs. J. Jacobs, Mr./Mrs. E. Judd, Lorraine Konegger, Jack Marts, E. J. McClendon, Kenneth Merrill and R. A. Wiesner.

Member Ohno reported briefly on his attendance at the Michigan Association of School Board Convention at Grand Rapids, especially that discussion on Ballot Proposal "C" on Property Tax Reform, the vote of the convention being 73 in support, 159 not in favor and 14 abstaining. Major reasons for non-support of the proposal were total elimination of local property taxes, and concern that proposal C would make local school districts dependent on State for general operating funds. Member Ohno also reported that the MASA members felt that the Michigan Tenure Act should be revised to provide a more workable document with equitable protection for teachers and Boards of Education.

It was the consensus of the Board that it not issue a formal resolution on either proposal C or D at this time.

Mr. Judd introduced the Citizens' Study Committee Report on School Population, Growth, Facility Needs and Financing and reviewed its various sections. Mr. Robert Wiesner and Mr. Kenneth Merrill then explained both the facilities section and the finance section respectively. Recommendations from each committee were stated as follows:

Facilities: Another house census be taken in the Spring of 1973 to determine if the increase in enrollment will be largely in the elementary grades, and a new study be initiated in January, 1974.

Finance: Voters of the Plymouth Community School District be asked to approve a new bond issue in the amount of approximately \$21 million to cover the presently projected requirements through the 1975 school year.

State Loan Fund be utilized to reduce the effects upon future debt retirement millage during the next few years. Voters be advised of the plan to use the State Loan Fund and its implications upon our debt position and interest costs.

Assistant Sup't Blunk thanked the Committee for its excellent study and stated that it would be very helpful and very worthwhile for Administration and the Board in assisting to sell a bond issue which Administration knows is necessary to meet the growth that is coming. A Citizens' Committee can better help sell the bond issue than can Administration or the Board.

Member Penar thanked the Committee on behalf of the Board and Sup't Hogan also commended the Committee's work.

The matter of the Tenure Hearing decision in the case of Mr. Jack Marts was presented. President Lawton determined whether the Board had any questions for legal counsel in this case. Member Mirto called for an executive session to raise certain questions. President Lawton recessed to executive session at 9:30 p.m. and recalled the meeting to special session at 9:35 p.m.

It was moved by Member Ohno and seconded by Member Penar to approve the budget for the school year 1972-73 in the amount of \$11,202,110.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

It was moved by Member Penar and seconded by Member Ohno to approve adoption of the following resolution as read:

BE IT RESOLVED that the decision of the Board of Education in the Jack Marts' tenure matter be as follows:

Based upon the records in this case and considering all of the evidence, motions, and the objections of counsel for Mr. Marts, it is the decision of the majority of the Board of Education that Mr. Marts' charges constitute reasonable and just cause for the dismissal of Mr. Marts.

BE IT FURTHER RESOLVED by the Board of Education that Mr. Marts be dismissed from the employ of this school district, effective upon his receipt of the Board's written decision in this matter.

BE IT FURTHER RESOLVED by the Board of Education that a written decision in this matter be prepared and delivered to Mr. Marts within five (5) days of tonight's meeting.

DATED: November 6, 1972
President Lawton clarified that the Board as a whole would write the decision agreement on specific charges to Mr. Marts and legal counsel. Member Mirto asked that it be a matter of public record that he has this night filed a dissenting opinion on the merits and the procedure of the case and therefore, on the basis of that would not be taking part in the Board's decision.

Member Berry called for a roll call vote on the question: all members being in agreement, the roll call vote was as follows for the resolution.

Member Benson: Aye
Member Berry: Aye
Member Mirto: Nay
Member Ohno: Aye
Member Penar: Aye
For a matter of record, the Chair voted Aye.

The resolution was carried.

Respectfully submitted,
GARY A. MIRTO, Secretary
Board of Education

PLYMOUTH COMMUNITY SCHOOL DISTRICT Plymouth, Michigan BOARD OF EDUCATION MINUTES

A regular meeting of the Board of Education of the Plymouth Community School District, Wayne and Washtenaw Counties, Michigan, was held on Tuesday evening, October 24, 1972, in the multi-purpose room of Fiegel Elementary School, 39750 Joy Road, Plymouth, Michigan, beginning at 8:00 p.m.

The meeting was called to order by President Lawton. Present: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Absent: Member Graves.

Administrators present: Sup't Hogan, Deputy Sup't Hogan, Assistant Sup't Blunk, Admin. Assistant: Personnel and Observer. Neil Savage. Others present: John Ryder, PEA, Kathy Moran, Plymouth Mail and Observer, Dr. Davies, C. Hill, E. Kirchgatter, S. Mack, J. Pruder, J. Rossman, P. Sullivan, F. Tonda and a large group of parents from Fiegel School.

President Lawton expressed the pleasure of the Board for the opportunity to meet at Fiegel School.

Additions to the agenda were called. It was moved by Member Mirto and seconded by Member Penar to approve the minutes of the regular meeting of October 9, 1972, with the following changes:

Page 2, Delete paragraphs 6 and 7.
Page 4, Para 4, line 2, change "before" to "after".

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

Several Fiegel parents rose to ask for clarification from the Board and Administration on several points including: objections to 5th grade at East Middle School, leaving school grounds, lunchtime at 10:30 a.m. association with older children, showers for physical education program, inquiring as to use of hard drugs at middle school, cost and quality of lunch, curriculum and teaching practice at East. Other questions were raised on temperature at the high school, safety precautions for Fiegel, transfer of students from Allen to Fiegel, shuttle buses for area, modular system in 9th grade band instrument policy, plans to eliminate busing 5th grade to middle school in the future, if busing of 4th grade to middle school was being considered next year, drug problem at high school, why Fiegel cannot run over capacity if other schools are and team teaching at Fiegel School.

Sup't Hogan replied to several of the problems at the request of President Lawton. He explained the necessity for elementary space for growth during this school year, there is no intent to bus any 4th grade students. He explained the purpose of the air conditioning of high school and its relationship to year-round school and also explained the route of shuttle buses from the high school. He suggested parents survey needs in the Fiegel area for shuttle bus service at 4:30 p.m. He felt that the methods of teaching and different curriculums at a middle school is not as important as the results that many fine teachers accomplish by using techniques and methods best suited to their abilities. He asked the principal, Mr. Taylor, to reduce the cost of school lunches for 5th graders at East to 40 cents, equivalent of elementary cost. He explained that some students have been involved, that parents and police are involved and the K-12 drug curriculum is in use. Carl Berry added that numbers are always exploded in drug abuse cases and that a very small percentage, perhaps 60 out of 3,300 students, have been involved. He has been parents to get involved at all levels. At East Middle School there have been two cases confirmed out of 1,800 students during the past few years. Police have been called immediately upon any theft or loitering complaints and principals are on top of all instances. Mr. Hogan then explained parking lot security at high school which has reduced incidents of vandalism to a high degree.

Earl Gibson justified the number of students who must be bused to East from Fiegel School stating also that there are two students from Allen and three from Faber district attending who live outside a bus area for those schools. He also explained band instrument policy stating that plans would be finalized this January and the instrument policy is operating on a one-year basis at present.

The modular scheduling program was discussed stating acceptance by students at high school and describing independent study program on which tighter control has been placed. He suggested that parents get involved through visitation or voluntary aid programs by contacting building administrators. Bill Brown and Kent Buikema Mr. Hogan announced his coffee hours for Saturday mornings at all elementary schools to discuss problems and concerns.

Safety at Fiegel was considered including the study of sidewalks, overpasses and traffic lights now being conducted. President Lawton stated the Board is aware of traffic problems on Joy Road, as well as Sheldon Road, Haggerty Road and Five Mile Road. Safety Committee is presently meeting with Administration and with Wayne County Road Commission and is requesting an AAA survey of traffic at Fiegel area. Member Mirto explained that he feels it is the responsibility of voters to allow funds for safety functions and that the Board is powerless to do anything alone. He also felt that township government should be responsible for safety of school children.

In closing the discussion Mr. Hogan, since he knows this problem has been under discussion throughout the district, read the contract with the Rose Bowl parade committee which states that such persons as pom-pom girls shall not be included in the contract.

It was moved by Member Penar and seconded by Member Mirto to appoint John Graves and Edwain Page to the Northwest Catchment Area Special Education Advisory Council.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

An analysis of limited census was distributed for information. Mr. Lawton expressed thanks on behalf of Educational Park and District to Mr. Faber Mirto, Woodman Accident and Life Company, for the generous gift of two Elba Record-Filmstrip systems to be added to the inventory of media at the high-schools.

Deputy Sup't Hogan discussed plans for the bonding issue campaign and committee recommendations on timetable, etc. stating concerns of the committee with citizen involvement and distributing information to the District. A special meeting of the Board of Education was called for 8 p.m. on October 30, 1972 in the Central Administration Office to qualify bond issue election.

The Fourth Friday official membership report and class size report were distributed.

It was moved by Member Ohno and seconded by Member Mirto to establish tuition rates for 1972 and 1973 as follows: elementary — \$546.88 per year and secondary — \$588.56 per year.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

Sup't Hogan announced the first of his Saturday coffees at the Gallimore School from 9 a.m. to 11 a.m. on October 28 and the second to be set for Fiegel School on November 4. The main purpose of these is to gain better communications between parents and administration and to clear up problems as presented.

A public budget meeting was announced for 4 p.m. on Thursday, November 2, 1972, at the Central Administration Office, 454 S. Harvey, Plymouth, Michigan.

It was moved by Member Berry and seconded by Member Mirto to approve

payment of the following bills contingent upon approval by Members Berry and Benson on October 25			
Operating Fund	Unpd Vouchers	No. 19895-19906 incl	\$42,051.52

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None.

The motion was carried. It was moved by Member Ohno and seconded by Member Mirto to accept Administration recommendation to allow purchase of small portion of land behind Central School (approximately 25 x 41) by Stewart Oldford for use of a loop road around his building.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

It was moved by Member Berry and seconded by Member Ohno to table appointment of school district representation on the Plymouth Area Planning Commission until the November meeting.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

It was moved by Member Penar and seconded by Member Ohno to allow Administration to negotiate for a school site on the north side of Warren Road between Beck and Canton Center Roads.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

It was moved by Member Ohno and seconded by Member Mirto to approve the following resolution concerning preliminary qualification of bond issue: **RESOLVED** to apply for preliminary qualification of bonds by the Superintendent of Public Instruction for the purpose of financing the school construction described in this application.

That said application is presented to the Superintendent of Public Instruction for action prior to the official action of the Board of Education calling the election on said bond issue.

RESOLVED that this Board of Education will present a qualification form to the Superintendent of Public Instruction for qualification of their bonds after this bond issue has been approved by the electors of said district.

Read the application and approved all statements and representations contained herein as true to the best knowledge and belief of said Board.

Authorized the Secretary of the Board of Education to sign this Preliminary Application and submit same to the Superintendent of Public Instruction for his review and approval.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

A curriculum coordinating council update was presented by Mr. Gibson for information.

It was moved by Member Ohno and seconded by Member Penar to approve teacher contracts for the 1972-73 school year for Barbara Borkin, Elementary at Miller School, and for Lucy Morris, Elementary at Bird School (1/2 time).

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

It was moved by Member Benson and seconded by Member Benson to accept resignations as follows:

Barbara Allers	2nd 3rd	Isabter	Effective 10/21/72
Joseph Morabito	Elementary	Miller	Effective 10/8/72
Louise Spence	English	Plymouth-Salem	Effective 1/26/73

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

Mr. Kee explained the political program being conducted by the Allen School during the weeks of October 23 and 30 and commended them for the fine job they are doing with explanation of the political process to students.

It was moved by Member Ohno and seconded by Member Berry to approve Policy No. 3211.6, Administration of Medication by School Personnel.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

It was moved by Member Ohno and seconded by Member Mirto to approve purchase for Central Administration of office collator and microfilm center at cost of \$6,965.00 and \$6,842.30 respectively, cost to be taken from Building and Site Fund No. 1.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. Nays: None. The motion was carried.

Deputy Sup't Hogan presented a memorandum on status of business policies.

It was moved by Member Mirto and seconded by Member Ohno that this meeting be adjourned for a workshop session on budget and bond issue.

Ayes: Members Benson, Berry, Lawton, Mirto, Ohno and Penar. The meeting was adjourned at 10:00 p.m.

Spotlight on Women

Wesley Sisters Brides

Plymouth sisters Priscilla and Georgan Wesley, wearing gowns their mother designed and made, became brides in a recent high noon ceremony in Our Lady of Good Counsel Catholic Church in Plymouth.

They are the daughters of Mr. and Mrs. Edward Wesley of Terry Avenue.

Priscilla was married to Gerald Piowar, Son of Mr. and Mrs. Joseph Piowar of Detroit. Georgan exchanged vows with Harold R. Matthews Jr., son of Mr. and Mrs. Harold R. Matthews Sr. of Dover Avenue, Garden City.

Edward Wesley gave both his daughters in marriage, and the Rev. Francis C. Byrne officiated for both nuptials.

PRISCILLA'S wedding dress was antique satin with lace over the bodice and a cathedral train edged in lace. Matching lace trimmed her veil, and she carried a colonial bouquet of white spider mums, carnations and yellow roses.

Maid of honor Debra Klepper of Westland and flower girl Karen Kisabeth of Canton Township, niece of the

bride, wore dresses with violet velvet bodices and harmonizing plaid skirts.

Bridesmaids Amy Griffiths of Plymouth and Cindy Piowar of Detroit, sister of the bridegroom, had similar dresses with green velvet bodices.

Their flowers were violet star flowers and yellow mums and carnations.

Assisting Mr. Piowar were Michael Dearing of Garden City, best man, and Terry Wilamowski and Greg Zerber of Detroit, ushers.

GEORGAN wore an ivory organza bridal gown with empire waist and bishop sleeves. Lace fashioned the bodice and cuffs and edged the cathedral veil. Her flowers were white mums, roses and carnations in a cascade arrangement.

Her attendants wore pastel empire gowns with crocheted lace trim and carried bouquets of mixed flowers with ribbon streamers to match their dresses.

Ricarda Szczodrowski of Plymouth, maid of honor, wore beige. Kim Matthews of

Garden City, sister of the bridegroom, was in green. Penny Wesley of Plymouth, sister of the bride, in lavender, and Melanie Lloyd of Plymouth, in blue. Flower girls, Kristi Kelley of Plymouth were yellow.

Thomas Berthe of Garden City was best man for Mr. Matthews. His ushers were Brian Wesley and Ric Matthews, brothers of the bride, and Michael Mack of Garden City.

Sean Kelley of Plymouth was ring bearer in both wedding parties.

BOTH COUPLES were honored with a reception for 300 guests in the Daniel Lord Knights of Columbus Hall in Livonia. Mrs. Wesley chose a pink voile dress for the wedding and a pink print brocade oriental tunic over pink satin pants for the reception.

Mrs. Piowar's costume was beige and brown, and Mrs. Matthews wore aqua lace for the church ceremony and a long yellow gown for the reception.

The Piowars went to northern Michigan for their honeymoon and will live in Canton Township. Mrs. Piowar is a 1969 Plymouth High School graduate and employed by Smede and Son Steel and Supply in Redford Township. Her husband graduated from Schoolcraft College in 1971 and works for Detroit Diesel.

After a Pocono Mountains honeymoon, the Matthews will live in Plymouth. Mrs. Matthews graduated from Plymouth High in 1971, attended Schoolcraft and is employed by a Southfield law firm. Her husband, a 1971 graduate of Garden City West High School, works for the St. Regis hotel in Detroit.

His Livable City Has No Traffic

By STEVE BARNABY

SOUTHFIELD
Some evening when you're sitting in the middle of a rush hour traffic jam and questioning the sanity of politicians, road planners, automobile executives and the jerk in front of you who is causing the traffic congestion think of Paolo Soleri.

Soleri is a 53-year-old Italian architect who believes that cities are in an evolutionary process which will lead to formation of cities

built on a vertical scale with the pedestrian in mind.

Under the sponsorship of the Southfield Arts Council and the American Institute of Architecture, Soleri conducted a seminar in the Lawrence Institute of Technology and lectured in Southfield - Lathrup High School last week.

After the evening presentation, there was an after party for Soleri, hosted by Mr. and Mrs. George Gross of Southfield.

ABOLISHING ROADS and

automobiles, Soleri envisions cities with escalators, elevators and moving sidewalks with the only possibility of mobile transportation being the bicycle. Under Soleri's plan, cities would be built in a one building unit with families located so that they never have to go more than a mile or two for any reason.

To prove its feasibility, Soleri is building such a city in Arizona. Named "Arcosanti," it will house a self-sustaining community of 3,000 residents.

Soleri has said of transportation: "We must have logistical workings. The car has destroyed civilization systematically. It has become a punishing machine. It is totally segregating, expensive and with no human qualities." He maintains that speed isn't necessary when connecting people with their jobs, recreation and other locations now reached by automobile.

A STUDENT of American architect Frank Lloyd Wright for a number of years, Soleri

believes that cities are more than social structures.

In order to have a successful city, Soleri believes that culture, morals and aesthetic sense must be taken into consideration or the existence of the city becomes questionable.

He maintains that the horizontal layout of cities has segregated and taken away the city dwellers' individuality.

"If a city is part of the evolutionary process, it must become complex and individualized. It must not become a package to present and sell.

WITH A-BELIEF that life is

a phenomena of clustering, Soleri envisions his cities as centers which will destroy the bureaucracy and allow for a mental and spiritual explosion.

Because of the elimination of bureaucracy, he says, there will come an elimination of jobs. This will force man to turn to more intellectual pursuits.

He sees no problem in changing living habits from a horizontal to vertical mode because of the already much used apartment dwelling.

Manchester College Rep Visits Area

Tom Daniel, Admissions Counselor for Manchester College, Indiana, will visit Franklin, Bentley, and Plymouth High Schools Tuesday, November 21. He will talk to interested students about Manchester College.

Opportunities are provided for overseas study through its junior year abroad program in Germany, France, Spain and South America, and in class trips abroad during the one-month January term.

Going To Court? Wear Your Shoes

For their own safety, visitors henceforth will be required to wear footwear when visiting the City-County Building and the Murphy Hall of Justice in Detroit.

The regulation resulted from a Wayne County Commissioner's concern about various degrees of undress among people he saw in the City-County Building last summer.

Commissioner George Z. Hart (D-Dearborn), said he was taken aback one warm day when he saw two persons padding along in the lobby in bare feet with long hair

tumbling down their naked backs.

A closer look ascertained the two were males, but Hart felt such states of semi-nudity are offensive to many people. He also recalled that health laws prohibit bare feet in places where foodstuffs are sold or served. There is a cafeteria in the building.

SO HART CALLED the situation to the attention of the Detroit-Wayne Joint Building Authority, which was established jointly by city and county to build and operate the City-County Building and the Hall of Justice.

After weeks of investigation, the three-member authority board has adopted a regulation requiring that footwear "be properly worn by all persons inside the premises of the buildings owned and operated by the authority."

"Proper footwear should be required to be worn," the authority's resolution stated, "because of the hazards and dangers involved in walking

barefoot on or around escalators, revolving doors, public corridors, stairwells, washrooms and most other areas of the buildings.

The authority ordered that signs be placed throughout the two buildings reading as follows: "For your own health and protection, footwear is required to be properly worn in this building."

Hart said he was satisfied with the action taken by the authority.

"THE CITY and county lawyers advised the authority that it would be most difficult,

if not impossible, to set up specifications for other articles of clothing," Hart said.

"However, they pointed out there are existing ordinances which prohibit indecency and nudity. The building authority manager, Clifford Sullivan, said he will remind his personnel to enforce those ordinances."

The building authority board consists of Mayor Roman S. Gribbs and Councilman William G. Rogell, both of Detroit, and U.S. Attorney Ralph G. Guy Jr., of Dearborn.

SC Hosted Committee

Schoolcraft College recently hosted the bi-annual meeting of the data processing committee, a group of data processing instructors and staff members from seven community colleges and two universities.

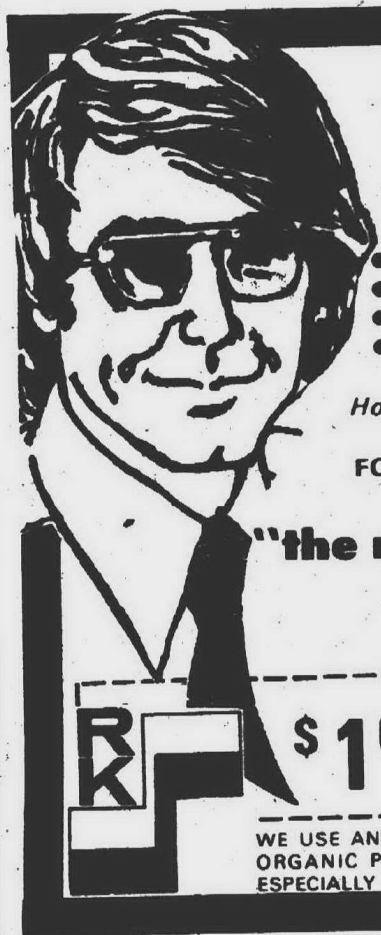

The primary purpose for the data processing committee is in the exchange of ideas to help member schools develop a comprehensive and stimulating curriculum in data processing.

In addition to Schoolcraft College, member community colleges are Macomb County, Oakland, Monroe County, Henry Ford and Delta. Eastern Michigan University and Wayne State University are four-year institution members.

OL Mercy Girls Capture State Swim Crown

Talk about swimming power, Our Lady of Mercy High School in Farmington is tops in the state and looks like it will remain there for a few years to come.

The Mercy Marlins captured the first girls' state swimming championship with 140 points, won by five sophomores, two freshmen and one junior.

Ann Arbor Pioneer splashed to second place in the 83 school meet with 116 points.

In fact, the Mercy girls never have lost a swim meet under the direction of Coach Dolores Yager the past eight years. Mrs. Yager also coaches the boy's swim squad at Catholic Central, the team which captured the Catholic title last year.

Junior Jodi Yambor of Farmington scored two individual firsts with a 25.171 time in the 50 yard freestyle and a 27.810 in the 50 yard butterfly.

KATHY KOLON, a sophomore from Southfield, took second in the 100 yard breaststroke and 200 individual medley with times of 1:11.472 and 2:20.8 respectively.

Detroit's Mary Ellen Bebin was state champion in the 400 freestyle at 4:29.88 and placed second in the 200 freestyle.

Mercy won the 200 yard medley relay with a time of 1:59.4, ahead of Battle Creek Lakeview at 2:01.2. The Marlins foursome included freshmen Tracey Piscopink of Northville, Farmington's Jane MacLaren, Miss Yambor and Miss Kolon.

Miss MacLaren also placed sixth in the 50 yard breaststroke at 35.392 and sophomore Mary Amelotte of Southfield scored 11th in the 400 freestyle.

The 400 freestyle relay team composed of Miss Piscopink, Miss Bebin, sophomore Kathy Louwers of Southfield and Sue Haggerty of Bloomfield Hills splashed to eighth in the state with a 4:07 clocking.

Orchard Ridge Wins 4 Golf Tourney Crowns

Orchard Ridge campus of Oakland Community College, defending U.S. Region 12 junior college golf champions, rolled to four tournament victories in preparation for the 1972-73 season.

The Raiders, one of 15 junior colleges to enter the tourney, managed victories in Utica, Port Huron, Cleveland and Rochester.

In New York, sophomores Mark Bortolotti of Southfield and Karl Daiek of Bloomfield Hills fired 74s in leading the Raiders to an 11 shot victory.

Country Club tournament.

The Raider golfers will rest on their laurels until late March when they head south to compete in the University of Miami Invitational at Coral Gables, Florida.

Final averages for the fall season saw Bortolotti leading the way with a 75.7 average. Blemly was second with a 76.0 and Daiek edged Pashenee for third spot, 77.9 to 78.4.

Blemly and Daiek were medalists in the three stroke win at Port Huron, while Bortolotti was medalist in the Cleveland tourney which the Raiders took by 10 strokes. Jim Pashenee of Redford Union teamed with Bortolotti, Blemly and Daiek to lead the Ridge squad to an eight shot victory at the Great Oaks

Chiefs Tip Oak Park

Southfield's Junior B hockey team finally struck a notch in the win column.

The Chiefs toppled Oak Park, 5-2, with Tom Spoutz and Tim Conway popping in two goals apiece.

The first period saw Southfield build up a four goal lead. Spoutz scored the first two, getting assists from Keith Demont and Ray Burnett, and Al Mykytiuk on the second. Conway's first goal was assisted by Bruce Mackenzi and Ray Burnett, and Mike Anton added the fourth, assisted by Jim Vallet.

Conway scored his second in the opening minute of the second period. Oak Park followed with two.

Chief goalie Glenn Moss shut the door in the third period, holding on to a three goal lead.

did some of the best scoring of the year when Kevin Hibbs showed the way with a 549 that included two games of 199. Behind him came Don Hunt with 555, Dick Dinan with 541, Dave Green with 521, and Vic West with 504.

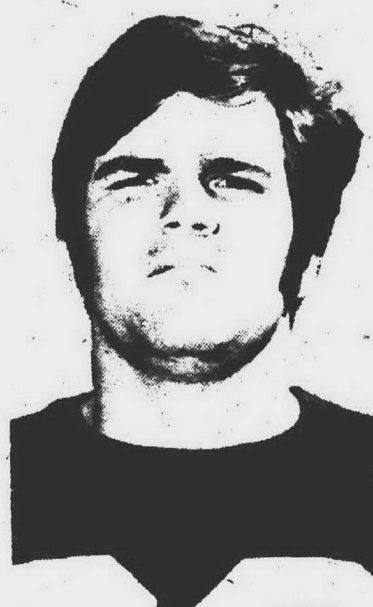

Martin Pop was high for the Junior High boys with a 544 and Doug Williams paced the prep division with 505.

WILMA CRUMLEY converted the "Big Four" - the 4-6-7-10 - at Mayflower Lanes and was the second woman to turn the trick in two weeks. Mary Kotchie took scoring honors, however with a 527 - in 205.

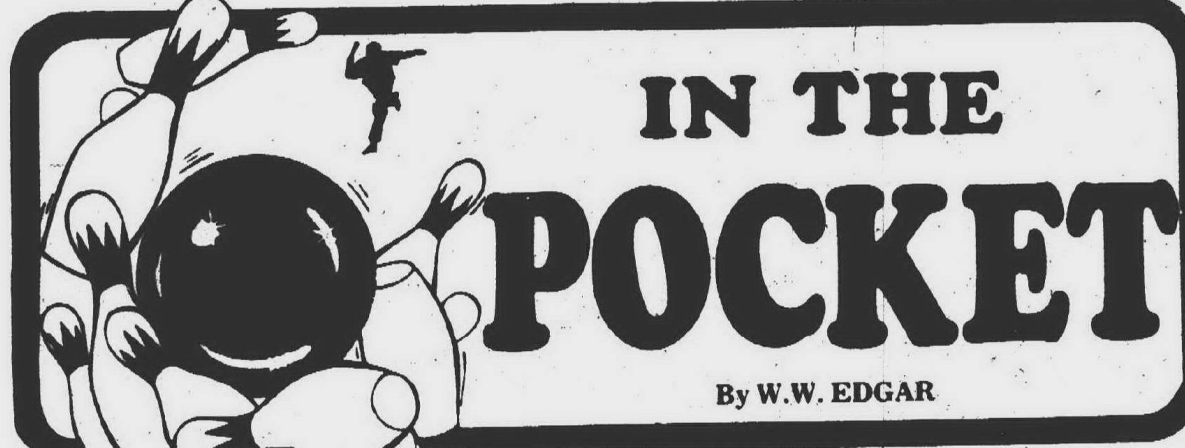

LORETTA REID won the major share of the honors in the Livonia Ladies Classic. She won high series with a 522 - 138 - 660, that included single games of 183 - 46 - 229 and 162 - 46 - 208. Carolyn Neiderkorn won the odd game with a 184 - 48 - 228.

WHEN THE final pin fell in the Tri - City Doubles at Westland Bowl, Ev and Don Hubble were at the head of the list with a 1305 count that gave them the title by a four pin margin over Edith Lask and Roy Morioka. Third place went to Denise Bgin and Mike Kane with 1271.

TEAM SCORING honors for the week went to the Wonderland Lanes team captained by George Bashara.

CHRIS LANG of Livonia is a 6-2, 185 pound starting defensive halfback for Augustana College in Sioux Falls, South Dakota.

Andy Di Camillo, the 59-year-old Farmington sharpshooter, cemented his claim to being the "hottest" bowler in the metropolitan area Tuesday night at Bel - Aire Lanes.

He posted his fourth 700 series in 10 days and climaxed the streak with a perfect game for a 772 count.

It was the fifth "300" registered with the Greater Detroit Bowling Association for the 1972 - 73 season and the 772 count is second only to an 814 rolled by Jerry Perma in Pontiac several weeks ago.

Andy paved the way for his big series with a 256 opening game, then "slumped" to 216, and finished with the 300. There was nothing fluky about the perfect game, according to his teammates. As one of them remarked after the celebration quieted down, "Every ball was in the pocket - right up to the shoulder."

De CAMILLO'S performance topped a high scoring week at Bel - Aire in which eight bowlers broke the 700 barrier.

Buzz Hanson ranked next to Andy's big count when he linked games of 267 - 267 and 228 for a 763 series in the Classic. Behind him came Stan Wilkins with a 733 that included a 287 game; Vitro Petru with a 268 in 720; Don McLeod with back to back 247s in 705; Dan Sour with 702 and Bill Moore with a 704. And Jack Brown, bowling in Our Lady of Sorrow, topped it with a 750 on games of 268 - 267 and 215.

THE HIGH scoring barrage swept through other sections of Observerland, too.

At Wonderland Lanes,

Kenny Cummins paced the Classic with a 706 that included a middle game of 278, while Dick Preston and Herb Longaway shared top honors in the Garden Lanes Classic with 701, and Jim Wrublewski closed with a 257 for an even 700 in the Classic at Westland Bowl.

NOW COMES a fellow named Jim Lilley to claim the honor of being the busiest bowler in the area.

A week ago it was reported that Mary Slater, a retired lady of 66, bowled in eight leagues each week and was the most active bowler in the area.

But Jim tops that -- he bowls in 11 leagues each week, four of them in rotation on Sundays at Merri - Bowl.

He starts with the Junior House League on Monday, switches to Indian Lanes in Wyandotte on Tuesday, comes back to Merri - Bowl to bowl in the Senior House League on Wednesdays. Following these appearances he's with the Telephone League on Thursday, takes his place with the Handicappers on Friday; then with the Kings and Queens and the Scotch doubles on Saturday.

Sunday is his best day, however. He starts at noon with the Father & Son league, follows with an appearance in the Meadowbrook Country Club league at 3:30 Sunday afternoon, and finishes the day with the Sunday Mixed league at 6:30 p.m. and the Kings and Queens at 9:30.

Try to beat that. DIANNE LAWSON was the "queen" of the Noon Classic at Farmington Lanes with a 205 count in a 574 series. At this figure she beat Mitzie Kott who had a 200 in 544.

Henry Schneidewind To Play 'Don Quixote'

SOUTHFIELD
Henry Schneidewind of Southfield and Cheryl Stewart of Livonia have lead roles in the Lathrup Players production of "Man of La Mancha."

The musical will be staged in the auditorium of Southfield-Lathrup High School, 19301 W. 12 Mile, on Nov. 30 and Dec. 1 and 2, at 8:30 p.m., and Dec. 3, at 6:30 p.m. Tickets will be on sale at the door.

SCHNEIDEWIND, who is speech and drama instructor at the University of Detroit, plays Don Quixote, while Miss Stewart plays Aldonza. She toured Europe this past summer with the Stevenson High School Alumni Choir, and most recently appeared in the Livonia-Redford Theater Guild's presentation of "The Drunkard."

Dan Price, who teaches for the Livonia Schools, has been

Amusements

cast as Quixote's servant, Sancho.

A Farmington resident, Chuck Foster, is playing the barber. He is assistant principal at Thomson Junior High School, Southfield.

A Redford Union High School drama teacher, Alex Mestas, is playing Dr. Carrasco.

Also appearing in the production will be Southfield residents Bob Dodge, Carla Deutsch, Allen Ronquillo, Phil Deutsch, Mike Quezada, Jeanne Dodge and Dana Quell. Dick Applin of Redford Township is also in the cast.

ORCHESTRA MEMBERS include Stephanie Simak of Southfield; Ken Grabowski of Redford Township and Leonard Remy of Livonia.

"Man of La Mancha" is the story of Miguel de Cervantes, who has been imprisoned during the Inquisition. The prisoners put him on trial. Since he is an actor, his defense is in the form of a charade with the other prisoners assuming different roles.

Cervantes becomes Alonso Quijana, a country squire who in his madness believes himself to be the knight Don Quixote, the Lord of La Mancha. Quixote travels with Sancho and wherever he goes, he sees beauty and goodness instead of reality.

To him the kitchen maid Aldonza is the beautiful Lady Dulcinea, the inn-keeper becomes the Lord of the Castle and the barber is a visiting knight.

Symphony Plans 3 Concerts

WESTLAND
The sounds of music from the one-year-old Westland civic symphony orchestra will be heard in a public program set for Dec. 10 in Wayne Memorial High School's auditorium.

The concert opens the orchestra's second season, which includes public performances on Feb. 25 and May 20, also in the Wayne High auditorium.

DIRECTOR Charles Heard, vocal music teacher at Wayne Memorial, said that there are still openings for musicians, particularly in the violin, viola, cello, and bass viola sections. There are two openings in the percussion section as well as one for a French horn musician.

In announcing the schedule, Mayor Eugene McKinney, who proposed the organization of a civic orchestra last year, said:

"We were all tremendously impressed with the public response last year. We are establishing orchestras to help with the many tasks in preparing a concert season.

and I urge Westlanders to volunteer their time."

McKinney pointed out that there are "few suburban communities who have their own orchestra" and I'm convinced ours will play an important role in developing cultural programs as well as helping community spirit and pride.

He said musicians or persons interested in the orchestra or its committees may contact the Westland parks and recreation department.

Heard, who is also the vocal musical director for the Wayne-Westland Community Schools, is director of the Rackham Choir of the Detroit Symphony Orchestra, choral director, opera-theater coach, and teacher at the National Music Camp in Interlochen, and has served as guest conductor at the Dearborn Choral Arts Society and holds a master's degree in music from the University of Michigan.

Working with him with the

CHARLES HEARD

Westland orchestra is Clifford Westby, assistant director.

THE ORCHESTRA also has a new group to "toot its horn" in the community.

A patronage committee was recently formed to organize a system of patronage and promotion to convince individuals and businessmen of the value of being a patron of the arts.

The committee is working under the Westland Parks and Recreation Dept. Its members are Mrs. Ina Martin, chairman; Rev. Loren Scribner; Mack Mayfield, Leo McGue, Mrs. Georgia Hanson and Mrs. Thelma Dittberner.

The group has set a goal of \$1,500 to be raised by the orchestra's first concert.

A \$100 donation will identify a "first chair" patron; \$50, a "second chair" patron; \$25, an orchestra patron; and \$10, a general patron.

The patrons' names will appear in the programs and they will receive series tickets.

Persons interested in supporting the orchestra may make their checks payable to "The City of Westland" and mail them to the recreation department, 32715 Dorsey Road, Att. Westland Civic Orchestra Patronage Committee.

Choir Sets 2 Concerts

The 94-voice concert choir of Olivet College is giving concerts in Farmington and Livonia this weekend.

It is being heard tonight (Saturday), at 8, in North Farmington High School, 32900 13 Mile Road.

The second concert will be at 1:15 p.m., Monday, Nov. 20, in Franklin High School, 31000 Joy Road, Livonia.

A diversified program,

including works by Mozart, Offenbach, Poulenc and Bach, plus spirituals and selections from Gershwin's "Porgy and Bess," will be featured.

Prof. Melvin Larimer, president of the Michigan Music Educators, is director of the choir. The Olivet Chamber Choir, whose members are also in the concert choir, will sing solos and quartet numbers.

Darrow Philosophy Has 'Uncanny Relevance'

By CORINNE ABATT

Meadow Brook Theater has opened the second play of the new season, "Inherit the Wind" by Jerome Lawrence and Robert E. Lee.

Although fictitious names are used, the story is based on the Scopes "monkey trial" held in Dayton, Tenn., in 1925. William Jennings Bryan, the silver-tongued orator and three-time presidential candidate, was the special prosecuting attorney. It was the great Clarence Darrow who defended the young school teacher who dared to bring Darwin's theory of evolution to his students.

FOR THOSE who have read Irving Stone's "Clarence Darrow for the Defense," the play is pretty pale stuff. For those who have not the snatches of Darrow philosophy have an uncanny relevancy.

Booth Colman playing Henry Drummond, Darrow's counterpart, had the opening night audience intent on every

word of his "price of progress" speech. Sure, he was talking about the telephone and the telegraph and their infringement on the look of the landscape and the privacy of the individual, but the association to this era was easy.

Darrow pleaded that the brain is to reason with - old, but still good stuff for this age. Colman's portrayal was both strong and gentle. At one point he was close to defeat because he was not allowed to call his witnesses for testimony on science. But the great mind clicked and he called the prosecuting attorney himself as an expert on the Bible.

This is the high point of the play as Drummond slowly and cleverly breaks through the Bible barrier of the fundamentalist.

James D. O'Reilly plays Brady, the fundamentalist. As a witness he gives his feelings on evolution versus the teachings of the Bible, "I am more interested in the rock of ages than the age of rocks."

He is a man who could not grow with the times.

THE CHINK in the testimony comes when he has to admit that the first day of creation could have lasted more than 24 hours since at that point there was no sun to go by.

Meadow Brook is good but not a great theater. There are uneven spots which should not be obvious in a professional repertory theater. It is a small theater, yet several in the cast were difficult to understand, especially when they turned away from the audience to speak. This is not television and good voice projection and enunciation are the live actor's prime tools.

Costumes and set created the small town atmosphere, but why not an old rocker on the store porch instead of a folding chair? Who cuddles a child in a folding chair? Not a Tennessee mother, certainly.

Performances are at 8:30 p.m., Thursday, Friday and Saturday, 6:30 p.m. on Sundays with a 2 p.m. Saturday matinee. The play runs through Dec. 3.

Elvis Movie Now Playing

A look at the real Elvis Presley is featured in the movie "Elvis on Tour," playing this week in the Wayne Drive-In, Michigan Avenue, Five Miles west of Middle Belt.

Billed as "family entertainment" and rated G, the movie is set against the sights and sounds of the star's recent record-breaking national concert tour.

In addition to showing Elvis singing many of his hits and current tunes, Elvis talks about himself publicly for the first time, and his voice punctuates the pictures with a series of personal reflections.

The Cinema Associates Film also includes a conversation with Vernon Presley, the Star's father, an inside look at the family home in Memphis and photos and films from Elvis' early days. Elvis rose to rock-and-roll fame in the mid-1950s.

PLYMOUTH ARTIST Mrs. William Touhey did this unusual work which she calls "32 Seeds and Pods." The materials were collected from five states and two foreign countries. Mrs. Touhey is participating this month in an invitational exhibit in the Midland Cultural Center and was coordinator of an exhibit of Plymouth students' work shown in Lansing at the Michigan Art Education Association convention.

Canadian Organist Will Give Recital

PLYMOUTH
Canadian organist and patron of the arts Gordon Jeffrey will present an organ recital in Saint John's Episcopal Church, 574 S. Sheldon, Plymouth, at 7 p.m., Sunday, Nov. 19.

A native of London, Ont., Jeffrey took a degree from the Royal Conservatory of Music at the same time he was taking his legal training at Osgood Hall in Toronto. Later, he did post-graduate work in music in New York City.

WHEN HE returned to London, he bought an abandoned church and made it into a concert hall. At the same time, he founded a school of church music, headed by Ernest White of New York City, in a famed London landmark, the Aeolian Hall,

which was renovated. An orchestra and chorus also were begun and White brought with him the much-discussed Aeolian-Skinner organ.

The hall burned down and Jeffrey renovated an old fire hall and had another organ built in it for concerts and for opera performances.

Jeffrey's musical career now revolves around conducting the London Chamber Orchestra and the Aeolian Choral Society, which he also trains and conducts, and his solo playing. He has been soloist four times for national conventions of the Canadian College of Organists, of which he is the registrar.

HE HAS given many recitals in Canada and Europe, including a program in Westminster Abbey, followed by a private audience with the Queen Mother and Princess Margaret. He also has played in a CBC concert series.

Admission to Sunday night's concert is \$1 for adults and 50 cents for students.

SOMETHING WONDERFUL is coming to MICHIGAN. GOURMET DINING.

The end of the dull meal is in sight: Sammy Lieberman and his Raleigh House staff are putting the finishing touches on three new, exciting public dining facilities soon to open in Southfield, Michigan.

- Namely, (1) The Picadilly -- A Miami-style delicatessen.
(2) The Lion's Head -- An English designed pub with a youthful flair, and steeped in a lusty tradition.
(3) The House of Lords -- An elegant Elizabethan dining room with a menu tailored to a gourmet's delight.

The three adjoining rooms, attached to the Raleigh House (America's largest and most creative private catering firm) will present menus with a wide variety of unusual dining experiences never before available in Michigan.

Watch the Raleigh House for the beginning of a new era in creative dining. Soon.

The Picadilly and Lion's Head will be open 11 to 2 A.M., the House of Lords from 5 P.M. to 2 A.M.

The Old World In A Suburban

Come along with Focus on an ethnic tour of Observerland!

You needn't speak a foreign language and, since the trip is local, you won't bother airline reservations or even have to about packing and luggage. All you'll need is a sense of adventure and a hearty appetite.

If "The way to a man's heart is through his stomach," that same route can also be taken for a better understanding of different backgrounds and cultures. You needn't be Mexican to be turned on by tortillas, and you don't have to be German to appreciate the rich, satisfying flavor of sauerbraten.

It's a fact that more and more Americans - formerly members of the meat-and-potatoes set - are reaching out and enjoying the cuisines of faraway places. One of the reasons is the increase in travel. As Americans tour the globe on vacations they discover the pleasures of new foods and don't wish to give them up once vacation time is over.

Many ex-servicemen, having been stationed in such exotic places as Japan and Hawaii in their footloose 20's, remain enthusiastic about the food after they're well into their forties and settled down to a mortgage-and-station-wagon life in the suburbs.

Sampling foods from other countries is an adventure that you can do right in your own home town. Are you ready? The tour is about to begin!

Corned beef and smiles - you'll find plenty of both at Ben and George's Delicatessen on 7 Mile and Middlebelt.

The secret success of this happy establishment is probably its hard working owner, Sammy Lieberman, whose concern for his customers is evident from the moment you walk in. He may be behind the counter slicing corned beef, or in the role of host as he sees that you are comfortably seated and that your cup of coffee never goes below the half full mark, but you sense that he cares very much about you and the kind of meal you eat.

"We have tried not to get too big and spread out; our seating capacity allows for about 75 people," explains Sammy. "Also it's important that the owner is around to keep things under control; I try to be here about 85 per cent of the time. And we try to see that we always have the very best kind of help."

That old-fashioned, homey style has been transplanted and is thriving very well in Livonia. As you enter "Ben and George's," your eye is met by a colorful display of delicacies - crusty, crunchy rye breads, chopped liver, potato salad, dangling salamis, knockwurst and generous, juicy pickles that make your heart want to sing.

Waitresses move swiftly about, balancing trays of pink, juicy corned beef sandwiched between fresh rye and pumpernickel. The customers

have a satisfied look as they munch away, and the general air of business along with the clatter of dishes and the warm, sweet smell of food gives you the feeling that all is alive and well at "Ben and George's."

The menu carries a number of good Jewish specialties. If you're tired of lunching on the eternal hamburger, why not try a dish of potato pancakes or cheese blintzes with sour cream? A variety of soups are served, among them chicken soup with matzo balls, potato barley and cabbage soup.

Dieting! Sammy hasn't forgotten you, either. You'll have several dietetic meals to choose from. One of the tastiest-even if you aren't counting calories-is the Meaty Treat, a tender grilled steak served with a vegetable and salad for \$2.25.

Open from 9 to 8 p.m. every day but Sunday, "Ben and George's" is located just two doors away from the "Brooklyn Bagel and Bialy Factory," where the bagels are almost heart-breaking fresh and fragrant.

Pick up a dozen of them after your delicatessen meal and you'll have experienced a double ethnic eating treat that will do your heart good.

It was an ancient battle fought between Persian invaders and a group of stalwart Spartans that has inspired the name and theme of "The Lion and the Sword" on Ford and Merriman in Garden City. Although the Spartans lost many men, their courage stopped the Persians and is remembered by those two symbols of warfare--the lion and the sword - which now play a part in the telling of Greek history.

Owned by Frank Patouhas, "The Lion and the Sword" has an atmosphere and a menu that is Continental rather than solely Greek. A wide variety of foods from Dover sole to Chateaubriand are featured. Veal with cheese and tomato sauce in the Italian style is also served as is Chicken Mediterranean, cooked in a special wine sauce.

On the Greek side are shish-kebab (made with lamb), Greek lemon soup, baklava -- a Greek pastry which is prepared right there, and moussaka, a Greek casserole made with lamb and egg plant.

Then there's crepes suzettes - which must be ordered slightly ahead of time - to add a little French to the atmosphere.

Greek wines can be enjoyed in a setting that is particularly relaxing and quietly decorated with objects of Greek mythology.

"The Lion and the Sword" seats about 200 people, and has a steady legion of customers who have been happy with the food and service for a period of 10 years.

Low ceilings, quaintly designed stained glass windows and the music of a strolling accordionist who invites you to sing along ... the atmosphere is old country European, although you needn't go beyond 5 Mile and Inkster to find it.

In Early Settings

Or come and watch a fashion show, sponsored by one of a group of local retailers, on Thursdays.

The red and white contemporary atmosphere is a favorite luncheon setting for groups of businessmen and professional people. Special facilities are used for the meetings of local service groups and other organizations.

Banquet accommodations are available for 200 people.

A good variety of steaks and seafood include the prime rib dinner for \$6.75 and the roast duck at \$4.95. Pretty parfaits layered with rainbow colors are a special dessert treat.

Owners Nick and Bob Masters will be glad to host your Thanksgiving Day dinner -- with all the trimmings -- for a kind-to-your-budget price of \$4.95.

That's just one of the people-pleasing touches that makes Master's the kind of place that offers something for just about everyone.

Mushroom Specialties

You won't find such items just anywhere.

There's a special sauteed mushroom dish flavored with a wine and

herb sauce and also mushroom caps stuffed with a special filling.

This devotion to mushrooms has given it its name -- the Golden Mushroom -- and it's been in business since only summer on 10 Mile near Southfield.

There's also a wonderful duck dinner in cherry brown sauce at \$6.75 as well as a salad bar, decorated with hand-painted French tiles, from which diners can create their own salads from such goodies as chopped bacon and eggs, red onions, homemade croutons, cheese and a variety of crisp vegetables and five dressings.

The setting is French Provincial in warm colors of gold, brown and rust, and the menu is Continental. Every night you'll find "Something Special" -- a changing selection of unusual meals such as stuffed lobster, crabs rolled in a blanket of crepes, or scallops.

The chef is French born Martha Catturza, who previously owned a pastry shop in France -- a good recommendation for the pastries she bakes now at "The Golden Mushroom" and which are passed about for dessert on a tray in the French manner.

Atmospheric Dining: Intimacy America And Elegant French Setting

It's been a frantic, hectic week. You've got to get yourself together for some of the civilized amenities of conversation and good food.

You needn't go far. The Observer area has a number of places that will soothe your nerves and delight your palate as well.

Hillside: A Walden

A visit to the Hillside Inn in Plymouth is an experience well worth having. Tucked into a scenic hilly setting, the restaurant, which has had many additions since its beginning as a roadside grill way back in 1934, is a collection of smallish, comfortable rooms, none of which exceeds a capacity of over 100 seats.

"We feel that people go out to eat for intimacy," explains co-manager Betty Stremich who runs the Hillside with her brother, Robert. "Although we have a total seating capacity of over 400, we have tried to stay away from the banquet hall kind of look."

One of the nicest rooms is the Walden, so named after Henry David Thoreau's search for restfulness and peace of mind. If you'll find such

relaxation anywhere in the busy world of '72 it will indeed be in this room, which is done in shades of blue and green and overlooks a tranquil country scene.

Another room -- the Beacon -- has just been refurbished with a whole collection of antique clocks, part of the Hillside's current attempt to add a genuine touch of history to a decor that is already traditional and appealing in feeling.

The menu further carries out that theme. Rather than being exotic or Continental, it features a good variety of standard American style dishes such as steaks and sea food, although out of the way things like dolphin are occasionally to be had.

Particularly well worth trying is the tender red snapper which sells for a moderate \$5.40.

Dinners are particularly ample, including not only the usual selection of soup or juice and salad, but a relish tray and dessert as well -- except for meals taken in the Walden Room or lounge. Such a bountiful spread is pleasantly old-fashioned in a world where many restaurants have come to charge separately for a number of courses.

The relish tray is a notable treat with such goodies as beef spread, ham and relish, corn and bean relish -- and a special favorite -- finnan haddock, a Scottish-paste of smoked fish, just one of the things that keeps satisfied customers coming back for more.

Master's Touches

The onion soup is baked French style in a crock and comes to your table all cheesy and crusty on top.

The Chateaubriand is served flaming and is carved at your table.

There's dancing as well on Fridays and Saturdays with the Arrangement and vocalist Ron Romps to entertain you.

You'll find all of this at Master's Restaurant and Lounge on 7 Mile and Middlebelt, one of the nicest places in the Observer area for that special night out.

Lunch, too, has some unique touches.

The menu -- in which dinners run a moderate price range up to \$6.75 -- is all authentically Mexican, although toned down in seasonings just a bit. "Many mid-westerners aren't used to food that is extremely spicy," explains Manager Chuck Baier, "although we do provide seasonings on each table that people can use as they like."

Only a year old, the bar provides customers with a homey coziness that, as Bartender Mike Ellis points out, reminds many of them of their own recreation room bars at home. Billed as the leading seller is the Marguerita, made from tequila, triple sec and fresh lime and served in a salt-rimmed glass. Then there's refreshing Sangria, a combination of wine, soda, fresh fruit and liquors, as well as Mexican beer.

Happy with their work and with each other, the staff provides a genuinely warm atmosphere where each and every customer is welcomed as a friend in the Mexican manner -- "Bien Vendidos, Amigos!"

She really wanted to run a school of Japanese flower arrangement. But, instead, she finds herself -- along with her sister, Yuki Kanomoto, as the head chef and proprietress of the Tokyo Inn on 6 Mile and Middlebelt.

"But I love my work," beams Japanese-American Mrs. C.R. Lendrum, whose ever present smile and glowing eyes support her words.

"I find that cooking is a lot like flower arranging. It is very important that food be beautiful and follow a certain design. I love to make Tempura because of this. I spend much time in arranging it just so. Sometimes, when the customers see it they say, 'But it looks too beautiful to eat!'"

Mrs. Lendrum laughs, as she does often. "But I tell them to please eat it anyway or it will get cold."

The menu at the Tokyo is a hand printed one with specially drawn Japanese lettering done by the careful hand of Mrs. Lendrum.

It includes such Japanese items as Sukiyaki, Tempura, Teriyaki and Donburi Mono. The highest priced meal is the Sukiyaki at \$4.75, very reasonable by any standards.

But Mrs. Lendrum can and will prepare any type of Japanese food. A call in advance to let her know of a special request will assure diners of the Japanese meal of their dreams.

The staff is not entirely Japanese; some of the waitresses are American girls who have received compliments even from Japanese customers. "American girls can be as gracious and as pleasing as Japanese girls," declares Mrs. Lendrum firmly.

As well as being a restaurant, the Tokyo has become a kind of center of Japanese culture, with Mrs. Lendrum in the role of chief guide. She gives Japanese cooking demonstrations, translates Japanese into English, talks to school children, and takes great pleasure in just generally sharing the beauties of Japanese life with all of her customers, many of whom become her friends.

The Tokyo is open on Tuesdays through Fridays for lunch from 11 to 3 p.m., and for dinners through 5 to 9 p.m. on Thursdays and from 5 to 10 on Fridays and Saturdays.

Shoppers Don't Have To Gulp

A shopping trip doesn't have to entail a quickie lunch at a counter.

Dining out can make it both a practical and pleasurable experience.

Westland Center, an enclosed mall on Wayne and Warren Roads, provides its customers with some notable dining choices.

Unique and creative are the words that can best describe Hudson's Restaurant, where customers can lunch from the upper level while overlooking the splashing of the giant fountain down below in the mall.

Fashioned like an outdoor cafe, the Terrace Room is decorated with tall black lamp poles that stand by each table as well as heavy lemon cloth banners that are draped from the ceiling... a little bit of Paris in the midst of suburbia.

If it's a more secluded, we-have-serious-matters-to-discuss mood you're in, visit The Purple Door, which adjoins the Terrace.

Entering by way of an imposing carved door which is painted in an unexpected shade of purple, you'll find that the lights are low and the decor is again interesting.

"Before we closed off this room... it used to be visible to shoppers in the store who were able to peer at what

the customers were eating -- it was a kind of second choice," explains Manager John O'Donnell. "We have remodeled it to make it more private and give it its own identity."

So far, so good. Still and all, you can't eat festive banners and cedar shingles. How's the food!

Surprise, again? The food goes right along with the decor in being a bit different and pleasingly fun.

"We try to offer foods you wouldn't ordinarily have at home," says O'Donnell. Along with the usual stroganoff or shrimp a la Newburg.

For dessert you might select the "Cool Aloysius," a fantasy of sponge cake, lemons and ice cream topped with hot fudge sauce, whipped cream and nuts for 60 cents. Then there's old fashioned apple strudel with warm branded sauce for 40 cents. When's the last time you had that at home?

Calorie counters are also considered. In fact, the restaurant provides a separate weight watcher's menu which has been approved by Weight Watchers' International. The menu itself is long and slender and colored in light pastels. "There's a psychology in doing it that way," explains

Your child gets a free meal on his birthday, with cupcake and candle.

O'Donnell, and it lists for lunch a selection of 6 entrees.

And because small tots are regulars at Westland Center, Hudson's has provided them with something special, too. There's a separate children's menu -- which can be worn later as a paper hat on little heads -- with choices to satisfy even the most finicky.

Kids are also given a box of crayons and a paper place mat to color while they wait for their food.

Is there a birthday on the horizon? Let Hudson's know and your child will be treated to a free meal complete with a cupcake and candle. When he's finished he'll be given a chance to unlock the pirate's chest which is crammed full of toys.

Each child must select the right key from a whole group of keys, and, as John O'Donnell points out with a smile, it's rather strange, but, so far, all the chosen keys have been able to unlock the treasure chest.

There is, perhaps, a little bit of magic at work.

Tucked away in a corner of Westland's lower level is Beauchamp's Restaurant, a quiet place where the music is always soft and low, a good

place to get away from the clamor and hub-bub of the shop-a-day world.

Beauchamp's features something for everyone -- special children's portions of hot dog and hamburger meals, a variety of crisp salads, including a large and tasty Greek salad, liberally sprinkled with those black and slippery Greek olives, Feta cheese and anchovies at \$1.75, and a tasty 10 ounce strip steak dinner for \$4.50.

Stan Hanson, the owner and manager whose mother's maiden name was "Beauchamp," mentions of the specialties of the house and sells for \$60, plus an extra \$20 if you hanker after a rosy topping of fat, firm strawberries.

The dining room or "Other Room" as it has come to be called, is a quietly elegant hideaway where the lights are low and candles flicker from each table at dinner time.

Do you have some Christmas shopping to do? Lovely Westland Center, an enclosed mall with a display of sculpture and foliage, is a mighty handy place in which to do it.

And when you're tired of battling those crowds, and that sea of merchandise, why not duck into Beauchamp's. Westland Center's haven for the weary, the harried and the hungry? You're guaranteed to be refreshed and you might even go home smiling!
