# Fire Officials Sifting Ashes For Clues To Blaze's Origin

By W.W. EDGAR

Although the exact cause of the fire that razed the Packaging Corp. plant on Sheldon Road last weekend has not been determined, the origin of the damaging blaze has been traced to the vicinity of the first-aid room.

"We're still investigating the cause," Fire Chief George Schoenneman stated late Thursday afternoon, after visiting the ruins that still are smoldering. "And we'll continue the work until we learn what started it all."

Among the other points being investigated is the delay of the fire guard on duty in sounding the alarm for the fire that now is rated as the worst in the city's history.

The alarm was received at the city fire station at 3:23 a.m. Saturday morning, but flames already were flashing through three windows when the fire chief arrived a few minutes later.

ANOTHER MATTER that concerned the chief on his arrival was that the sprinkling system had been almost completely drained.

"It took us a couple minutes to get water on the flames," Chief Schoenneman explained, "and at a time when every second counted."

It was learned that the sprinkler system line into the plant had broken a few days before the fire and was in a state of repair when the blaze broke out.

This lowering of the pressure in the system brought about three false alarms received in the past six weeks, Schoenneman said.

"ALTHOUGH THE damage will amount to approximately \$5 million," the chief stated, "we were lucky that the fire was contained to the area of the plant."

"With a 40-mile an hour wind

blowing flaming pieces of cardboard and paper into the air, the entire city was in danger. We had to fight the fire with one eye on the exact scene and the other on the surrounding area. Fortunately none of the fragments caused damage."

The fire recalled when the P & A Theater went down in flames five years ago and continued the trend that the city's big blazes have come during the coldest months of the winter.

Chief Schoenneman was strong in his praise for the work of the entire fire department forces that included teams from both Plymouth and Canton Townships, along with teams from the City of Livonia and Northville.

"Without them we would have been in terrible shape," he said, "and this was another area in which we were lucky to get such a fine response."

THE CHIEF ALSO joined members of his department in thanking many individuals who offered help during the worst hours of the blaze.

"Capt. Yoder and the Salvation Army served hot coffee and doughnuts for almost 18 hours," Schoenneman said. "Along with this group, Mayor James McKeon did yeoman service in caring for the wants of the firemen. And Arch Vallier, former city commissioner, who is a fire 'buff' worked for hours in assisting the firemen."

Ron Phelps, chaplain of the department, also offered this thanks of the entire coterie of fire fighters:

"In behalf of every fireman who fought the blaze, we would like to thank the citizens and organizations that gave us food, drink and shelter."

"Very early on that cold, blustery morning, a number of people began distributing coffee, doughnuts and sandwiches. Several area businessmen

## Plymouth Man Wins \$50,000 In Lottery

By EDWARD WENDOVER

"I'm going to spend every damn cent of it!"

That was the reaction of James Rayfield -- Plymouth's first big winner in the Michigan lottery -- after his number was matched with the \$50,000 lottery prize in a "super-drawing" Thursday morning.

The prize means "a wonderful Christmas" for the Rayfields and their three children and will go toward "a trip to Jamaica, another car and a big sports fishing boat," Rayfield told The Mail & Observer.

A SIX-YEAR resident of Plymouth, Rayfield lives at 39601 Birchwood Drive and is co-owner of Triangle Book-binding Co. in Detroit.

"We're going to take this little windfall and enjoy it," he said. "We're not going to hoard our money."

Having held the winning number combination in last week's drawing, Rayfield was guaranteed at least a \$10,000 prize, but his number was picked to match the \$50,000 super-prize. He received his first \$10,000 check Thursday and will receive a similar one each year for four more years.

Rayfield said he'd spent about \$25 on lottery tickets thus far, buying them at several area markets. The winning ticket, he believes,

was purchased at a Livonia party store which will receive a \$200 bonus from the state for having sold a super-prize winning ticket.

THE BIG windfall isn't really going to change Rayfield's everyday life. "I didn't go to work today

(Thursday), but I'll be there tomorrow," he said. At 43, Rayfield has worked for 30 years but says he isn't going to take it easy just because he won a big one.

But will he keep buying lottery tickets? "You bet," he says.

## Planners Keep Dates For Hearings

By MARIE MCGEE  
CANTON TOWNSHIP

The date of back-to-back public hearings on two of Canton's hottest rezoning questions stays at Jan. 3.

That was the decision of the planning commission in denying the request of two Canton residents that the date be changed and the two issues be held separately.

Up for public discussion is the rezoning issue affecting lot sizes in the northwest section of the township and a proposal for a regional shopping center-residential development at Joy and Sheldon roads.

Both will be conducted in the new Canton Center High School with the one-acre lot rezoning hearing set for 8-9 p.m., followed by the shopping center rezoning.

IN REFUSING to grant the request to postpone or switch the dates of the public hearings, Commission Chairman George Lawton commented that "the

LEAF PICKUP in the city has been hampered by foul weather and mechanical breakdowns. Piles of leaves block water drainage into sewers and then freeze up themselves, making it difficult to use the "vacuum cleaner" type device to pick up the leaves. The city commission will discuss the problem on Jan. 15. One possible solution suggested is that leaves be bagged and set out for pickup with the trash. (Observer photo by W. Edward Wendover)

# Plymouth Schools Must 'Toss Out Gingerbread'

EDITOR:

I wish Plymouth school officials would view this latest defeat of the bond issue as a mandate from the people to restructure the school system and school policies.

We do not deny that the three elementary schools are needed in Canton, nor do we deny that our population is growing. What we do feel, however, is a very strong desire to make 100 per cent use of already existing facilities (including Plymouth Central) and tossing out unnecessary personnel and much of the "gingerbread" baked into the system.

Until certain conditions are changed, I feel strongly that bond issues and other millage proposals will be doomed to continuous defeat. Among these conditions are:

- Modernizing and reopening of Plymouth Central;
- Transporting children from crowded schools to other schools within the district where classrooms stand empty;
- Utilizing existing facilities 12 months out of the year — air conditioning where necessary; and
- A guarantee that teachers and administrators salaries will stabilize until the financial crisis is firmly under control.

(The latter suggestion, I am sure, would be unpopular among those affected.)

• The above listed third condition is already proving far less costly and highly successful in St. Louis, Mo. Our school board would do well to investigate their success.

We are not being unreasonable people in Plymouth. Rather, we wish to see full implementation of all programs and possibilities to insure fiscal responsibility within the system. Then, if we still need additional funds, I am sure the voters of this school district would support the desires and needs of the school board at the voting polls.

The Plymouth Police Officers Assn., in their desire to see activities such as these continue, made a sizable contribution to Plymouth Junior Football this year, as I understand they did to some of the other junior sports programs also.

The people of Plymouth are indeed fortunate to have men such as these responsible for enforcing the laws of the City of Plymouth.

## Schools Abdicated Authority

EDITOR:

Plymouth schools have abdicated and relinquished their authority. It started the day they eliminated the dress code. We had children in

school at that time and noticed a distinct change in attitude and achievement. We feel education has gone down hill ever since.

Many others feel as we do and have expressed their displeasure at the voting booth. Additional taxes are not the issue for us. We no longer care to support permissiveness, lack of achievement and learning, and the unacceptable attitude and disrespectfulness of so many students.

If and when our school authorities decide to get back in the driver's seat and the reins, and students start to learn some basic education and some worthwhile and

useful vocations, so they are not graduated to become unemployed and unemployable, then will we feel they deserve our support.

## TOWNSHIP OF PLYMOUTH BOARD OF TRUSTEES REGULAR MEETING DECEMBER 12, 1972

The meeting was called to order by the Supervisor, Mr. McLaren at 8:00 P.M. All members were present with the exception of Gene Overholt who was on vacation.

**READING, CORRECTING AND APPROVAL OF MINUTES.** Regular Meeting, November 28, 1972. Mr. Burke moved that the minutes of the regular meeting of November 28, 1972 be approved as submitted. Supported by Mr. Ash and carried unanimously.

**READING, CORRECTING AND APPROVAL OF BILLS.** Mr. Ash moved that the bills in the Grand Total amount of \$7,286.27 be paid. Supported by Mr. McLaren and carried unanimously.

**OLD BUSINESS.** Brender Hamill Associates - Re: Proposed sanitary sewer extension along Wilcox Road between Shadywood and Highland. Plans for Clemons Drive Sewer. Mrs. Holmes moved that the Board accept the Engineer's report and hold up any action for further developments. Supported by Mr. Ash and carried unanimously.

**NEW BUSINESS.** James Griffith, Secretary, Plymouth Township Planning Commission. Re: Application No. 204. James McCarthy, Rezoning from R-1 to C-1 of Outlot B, Arbor Village Sub No. 2, North side of Ann Arbor Road between Hagerty Road and Terry. Planning Commission gave recommended denial at their November 22, 1972 meeting. Mrs. Richardson read a letter from James E. McCarthy, Attorney for the Board and stated that this was actually a resubmittal of a petition submitted last year. He stated that they had taken into consideration and used all the suggestions that had been given last year. He stated that the parking area was more than required for better ingress and egress. He stated again that they had complied with all the recommendations of last year and that they were requesting the C-1 zoning. Mr. Robert Shadduck, Planning Consultant, explained chart showing the Existing Land Use, Existing Zoning and Proposed Zoning. Mr. Calvin Rock stated that the lot had a 300 foot frontage and 336 depth. He stated that the lot had been used for a year ago there had been no objections. He said that one person didn't want increased lighting in his rear yard. Mr. Rock said that the lighting would be less than 1' O due to height of buildings and fencing. Much discussion followed by the Board members and the applicant.

Mr. Ash stated that R-1 zoning for the future on this land was not proper. He said that there was substantial residential to the North and that this would remain as residential for many years. He also stated that there was increasing pressure on the South side of Ann Arbor Road for commercial. He said that T-1 on the North would be a buffer zone between the Commercial on the South and the residential to the North. He stated that the height of wall for T-1 was 5 feet and C-1 was 6 feet therefore this was an indication that there was more to be screened with C-1 zoning. Mr. Ash moved that the Board approve the recommendation of the Plymouth Township Planning Commission and the Wayne County Planning Commission to deny the request for rezoning to C-1 for the reasons given tonight and those given by the Planning Commission. 1. It is incompatible with the existing zoning. 2. It would increase traffic flow on Ann Arbor Road by introducing a high volume of daily customer contact in an area already troubled with traffic problems. 3. The petitioner would be trading residential T-1 and use of commercial services that are already being offered directly across the street. 4. It is detrimental to the orderly development east of this parcel and in conflict with Section 21.01 of Ordinance No. 27. 5. It would constitute a spot zone on the north side of Ann Arbor Road and thus encourage a spot zoning. 6. It would tend to adversely affect living conditions in adjacent residential neighborhoods. 7. It would tend to adversely affect property values in adjacent neighborhoods. Supported by Mr. Burke and carried unanimously.

**James Gignac, Fire Chief.** Re: Volunteer Firefighter's Rules and Regulations. Mr. McLaren moved that the Board accept the recommendation of the Fire Chief and adjust the Rules and Regulations for the Volunteer Firefighters. Supported by Mr. Burke and carried unanimously.

**J. D. McLaren, Supervisor.** Re: Appointment to the Plymouth Area Economic Expansion Committee. Mr. Holmes moved that the Board approve the recommendation of the Township Supervisor and appoint Mr. Arthur Gersh to the Plymouth Area Economic Expansion Committee. Supported by Mr. Ash and carried unanimously.

**(b) Appointment to the Board of Review beginning January 1, 1973.** Mr. Richardson moved that the Board approve the recommendation of the Supervisor and appoint Louis Shalinski, Joseph Paul Albright and Joseph Knochman to a two year term on the Board of Review. Supported by Mr. Ash and carried unanimously.

**Heleen Richardson, Clerk.** (a) Salary rate for Board of Review. Mr. Ash moved that the recommendation of the Township Clerk be adopted and that the per diem rate be increased to \$30.00 effective January 1, 1973. Supported by Mr. Holmes and carried unanimously.

**(b) Re Transfer of funds to overextended accounts.** Mr. Holmes moved that the Board approve the Clerk's request for transfer of funds to overextended accounts. Supported by Mr. Burke and carried unanimously.

**Brender Hamill.** Re: (a) Sanitary Sewer and Water Mains, Parklane Ravines Sub. Mrs. Richardson moved that the Board approve the Engineer's recommendation and approve the sanitary sewer and water mains in the Parklane Ravines Subdivision for tapping purposes. Supported by Mr. Ash and carried unanimously.

**(b) Township to assume jurisdiction of 36" diameter storm sewer along Ann Arbor Road West of Hagerty.** Proposed Bill Knapp, Restaurant. Mrs. Richardson moved to authorize the Township Engineer, for the Township of Plymouth, to petition the Wayne County Road Commission for permission to operate and maintain a 36" diameter storm sewer along Ann Arbor Road, 35 feet north of center line, beginning at Plymouth Township Drain No. 1, approximately 30 feet west of the west line of Section 36, and proceeding easterly approximately 1400 feet to the easterly side of Hagerty Road. Supported by Mr. McLaren and carried unanimously.

Mr. Burke asked if the Township would be held liable for any maintenance or repairs to these sewers regarding the Dept. of Natural Resources Mr. Hamill said: No, only the maintenance would be the responsibility of the Township. The question was called and carried unanimously.

**James Briggs, Chief Building Inspector.** Re: Proposed increase of Plumbing Fees and Adoption of 1971 N.E.C. Code and Supplement. Mr. Burke moved that the Board concur with the recommendation of the Building Inspector regarding the increases in the Plumbing rates. Supported by Mr. Ash and carried unanimously.

**Mr. Ash moved that the Board approve the 1971 National Electrical Code and Supplement, to become effective January 1, 1973.** Supported by Mrs. Richardson and carried unanimously. Mrs. Holmes moved that the meeting be adjourned. Supported by Mr. Burke. Supervisor McLaren adjourned the meeting at 9:44 P.M.

Respectfully submitted,  
J. D. McLaren, Supervisor HELEN RICHARDSON, Clerk

**CHRISTMAS WEEKEND** brings a welcome, albeit momentary, respite from the daily sifting of the truths, half-truths and non-truths that come a newspaper's way, and provides, too, time to measure Plymouth's woes and blessings.

Just being here among friends and neighbors and, yea, even the casual acquaintances of an involved society, is among the most cherished of the latter. Hopefully, you feel the same.

Search hard enough, however, and you will find that under the gloss of our serenity lie issues which must be challenged. Foremost is the one wrapped up in the word "education," and '73 will demand that our constituents again come to grips with the ballot questions of bonds and millage.

Unlike the urge to exercise, which one can simply ignore until the urge passes, educational needs hereabouts should not be approached with one's head in the sand. Santa Claus may bring us many goodies Monday, but it won't include the money to build the necessary additional schools and to pay for their operation. Face up to it; that must come from your pocket and mine.

electorate was rejected by a 3-2 margin, with only 19 per cent of the voters in the school district going to the polls.

As you are aware, the school board is going to submit that package to you folks again, though it may be in different form. Sometime in the next few months there also will be an election on the question of renewing a special 1.5 mill operating levy which expires in 1973.

As just one of a standing-room-only crowd which jammed the high school auditorium Monday night for a student concert, I got to wondering whether three of every five persons in that throng really were against the bonding proposal as Dec. 11 voting totals indicated.

Frankly, I don't think so. There's no instant way of proving my point, but I'll bet many in that crowd didn't even vote. I'll further speculate that had it been possible to have voting booths in the high school hallways Monday night, when the evidence of student accomplishment was positively radiant, that particular crowd would have approved such a thing as the bond proposal overwhelmingly.

In the weeks leading up to the Dec. 11 election, Our Leaders tried to sell their proposal by means of logic. The next time around they might be better advised to build a campaign on emotion. It will score better every time than sound reasoning.

**THE MOOD** of the populace is not encouraging for any new and self-imposed boost in taxation, and in the city it's not likely to get any better when property owners get notices of their revised assessments soon.

Certainly it is not an enviable time to be a member of our school board simply for the problems which must be faced — and solved. There's no way they can be dismissed with a mere, "Bah, humbug."

Yet, come June, there will be a few self-starters who will join the race for the two board seats which then will be up for grabs, and certain interest groups probably will coax others into running. John Ohno and Carl Berry, the two incumbents who must face the

electorate, can be expected to do battle also.

Christmas 1972 — hopefully a day of happiness for you and yours. Let the woes accrue until Tuesday; there's worse ahead.

# Memories Of Christmas Past

Along about this time of year, The Stroller suffers from severe pangs of nostalgia and he longs again for another Christmas Eve in the little white church on top

There always was something special about the night before Christmas in that little gathering place under the tallest steeple in town. And nothing brought the spirit of Christmas closer than the sounds of the church bells pealing out the call to service—especially during a light falling snow.

As The Stroller sits here at his typewriter in the midst of one of those nostalgic spells, the memory of several of these Christmas Eve services come tumbling through the years.

Do you know that: the shortest distance across the United States is 2,150 miles -- Charleston, South Carolina to San Diego, California. Agnus Benignus Sanrey, a French preacher and theologian, wrote a ponderous volume entitled PARACLETUS SEU DE RECTA PRONUNCIATIONE TRACTATUS -- for the sole purpose of one word. West Point cadets wear gray uniforms in honor of the homespun clothes worn by Scott's Buffalo Brigade in the War of 1812. No dye for coloring the cloth was available at the time.

those days to have the members of the Sunday school classes stage the program. We practiced for weeks the various versions of the Christmas carols and the recitations delivered by the older members of the group.

It was at one of these colorful services that The Stroller reached one of the first goals he ever has set for himself -- and the memory of it lingers on and on.

It was the night he received a solid gold medal (an open Bible with his name inscribed) for attending Sunday school 20 years without missing a single Sunday.

For years the Sunday school sponsored the attendance contest and those who completed a year with a perfect record would be given a book on Christmas Eve. The presentation always was preceded with the remark, "If anyone ever reaches 20 years without a miss, we'll present a gold medal."

Right there when The Stroller reached that goal, he'll never forget the feeling of pride that was his as he walked down the aisle toward the pulpit to get the reward. Neither will he forget the look on his mother's face as she watched the ceremony, and he could almost hear, her say, "That's my boy."

THEN THERE was the Yuletide season when The Stroller got his first taste of public speaking. On the afternoon of Christmas Eve, the Sunday school teacher called to ask if he could recite the favorite old poem "Twas the Night Before Christmas."

She explained that the boy originally assigned had been stricken with a sore throat and could barely speak. So, The Stroller took over. It was the first time he ever had attempted to speak before the public. Fortunately, he was able to complete the old poem without a stammer.

There hasn't been a time since that night years ago when The Stroller is called upon to speak anywhere that he doesn't hark back to that Christmas Eve back home.

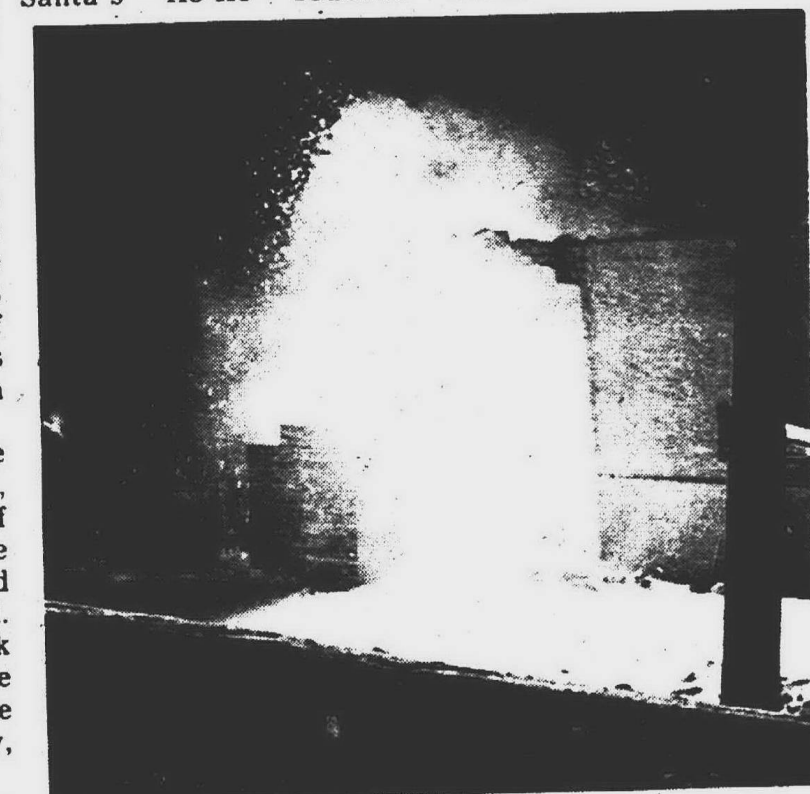

THROUGH THE years also comes the memory of the great catastrophe that not only marred the Christmas Eve services, but ended the myth of Santa Claus for many of the youngsters.

In an attempt to be different, some of us older Sunday School members decided to add some more color to the exercises and had a temporary fireplace built on

the platform in the front of the pulpit.

It was arranged that at a certain time when Santa Claus would make an appearance, there would be the ringing of sleigh bells in the vestibule to announce the old gent's arrival and then he would step through the opening in the fireplace to greet the youngsters with a great "Ho-Ho."

ALL WENT WELL -- for a time. At the appointed minute the sleigh bells rang and Santa's "Ho-Ho" sounded

commission has not refused to hear everyone" on both issues.

"If it turns out that there is not adequate time to hear everyone," Lawton explained, "the hearing can be recessed to a later date and then continued."

Lashing out at remarks made at the Dec. 12 township board that inferred "ulterior motives" had a part in setting the Jan. 3 date, Lawton said the basic reason for the hearing so close to the end of the holidays was "so that a majority of the planning commission could be here."

HE SAID several commissioners were leaving for the South soon after Jan. 3 and that one member would be gone several months.

The commission was criticized by some civic associations for setting the public hearings so close to the end of the holidays because many people were away. They also felt that too little time was allotted for the public to be heard.

PLENTY OF GIFTS for residents of the Wayne County Child Development Center were collected by a committee of women from Epiphany Lutheran Church in Plymouth. ## Yule Gifts Gathered For Teens At Center

A project that began with a group of churchwomen seeking community involvement over a year ago brought a Christmas party and a plentiful supply of presents to teens in the Wayne County Child Development Center.

The women - part of a task force at Epiphany Lutheran Church of Plymouth - began working with 20 girls in a vocational rehabilitation unit last January.

The Child Development Center residents, ranging in age from 15 to 20, were interested in learning to knit, so the Epiphany women began a collection of yarn and needles, offering their time as instructors.

FROM ITS knit - two - purrl -

two beginnings, the relationship grew to regular visits each one featuring a craft work session and a snack.

As this holiday season approached, the women decided they wanted to have a share in making Christmas merry for the girls in their ward, and their church and community pitched in to help them.

Groups of women in

Epiphany contributed purses, bleach bottle tote bags and ceramic medallions with the letters PTL (for Praise The Lord).

Fabric - Go - Round fabric stores donated polyester knits worth over \$100, and church women at a workshop one day turned them into T-shirts for the girls.

Knit provided 20 pairs of slippers, Cunningham Drugs gave candy canes, and two Detroit firms, Northwest Blue and Duty Drawback Service Co., sent school supplies for each of the girls.

Also there were full-sized bottles of shampoo from the Breck Co. and other cosmetics came from the Professional Park Pharmacy in Farmington. Dr. Nils Kornees of Plymouth sent 20 toothbrushes.

Many other gifts came from anonymous donors, so there was a big stack of presents to be passed out by Santa Claus, played by Milo Larson of Epiphany, at the Christmas potluck supper and party on Dec. 19.

Jan Stutzman and Karen Miller have served as chairman and co-chairman of the project over the year. Joining them in the visits and collections for the party have been Mrs. Don Bosker, Mrs. Gordon Eddy, Mrs. Ken Jones, Mrs. George Knight, Mrs. Milo Larson, Mrs. Judson Melius, Mrs. Mac Pierce, Mrs. Douglas Ross, Mrs. Katherine Wendt and Mrs. James Wilken.

Mr. Myers had worked in the personnel department of Evans Products and was a member of St. Martin Episcopal Church and of Park Community Center No. 401 OES.

The Rev. Walter Tolera will be guest speaker for services Sunday, Dec. 31, and on New Year's Day, at 11 a.m. and 7 p.m.

Episcopal churches in the area plan Holy Eucharist services for the New Year. St. Andrew, 16360 Hubbard, Livonia, will have services at 8 and 10 a.m. Dec. 31 and at 10 a.m. Jan. 1.

Several United Methodist congregations will have student recognition services with college youth participating on Dec. 31. These include Aldersgate in Redford Township and Orchard in Farmington, both with services at 9:30 and 11 a.m., and First United Methodist in Farmington, with a 10 a.m. service.

The entire adult congregation of Trinity Church of the Brethren, 937 West Chicago, Redford Township, will join in a New Year's eve party in the home of Mr. and Mrs. Dennis Butler.

FAITH LUTHERAN church of Livonia, 30000 Five Mile, plans a 7 p.m. communion service New Year's Eve, and communion will be served in Peace Lutheran Church, Merriman at West Chicago, Livonia, at 7:30 p.m.

### 4 Mormon Elders In Area

The Church of Jesus Christ of Latter-Day Saints has assigned four full-time missionaries to the Livonia and Plymouth areas to conduct a religious survey during the Christmas season.

The four are going door-to-door to share with local residents the message in the "Book of Mormon."

Those interested in having them call may contact the Church of Jesus Christ of Latter-Day Saints, 29933 Gladys, Westland.

Elders in the area at this season are Kirk W. Davis of St. Johns, Ariz., James R. Munger of San Diego, Brent G. Bateman of South Jordan, Utah, and Kim E. Anderson of Springville, Utah.

### Fairs Provide Opportunities

The American Bible Society staff knows from experience that local and state fairs offer valuable opportunities for the exhibition and distribution of the Scriptures.

Word has been received of the recent successful venture of the Bible Society in Peru at the International Pacific Fair.

## Beth El Men Will Work In Hospital

Members of Temple Beth El Men's Club once again have offered their services to Providence Hospital during the Christmas holiday season. The Jewish men will staff the admitting office, emergency room, gift shop and gift cart and the information desk so that regular volunteer workers may enjoy the holidays with their families.

These duties are regularly handled by members of Our Lady of Providence League and the American Red Cross. The temple group will work Dec. 23, 24 and 25.

The club members, first volunteered at Providence last Christmas, and they also

relieved the volunteers on Easter.

"We cannot adequately express our appreciation for the help of the Temple Beth El Men's Club," said Mrs. Dorothy Wood, the Southfield hospital's director of volunteers. "They demonstrate the true spirit of friendship and brotherhood by their assistance to our staff and our patients."

The project is under the chairmanship of the Ellis Rabb of Oak Park.

Younger members of the temple are also planning to help brighten the holidays for the patients. The youth group is scheduled to sing at the hospital on Dec. 24.

### Seniors Will Meet Dec. 29

The Grand River Baptist of Livonia Senior Citizens will meet at 12-noon, Friday, Dec. 29, in the church's Fellowship Hall.

Following luncheon, the group will be entertained by the Livonia Senior Citizens Pioneer Group Chorus. The chorus will include some

Christmas songs in its repertoire. Devotions will be conducted by Albert Brickner, director of Israel's Remnant.

Glen Libby will present a color slide show of Christmas outdoor and interior displays.

Reservations must be made before Dec. 27 by calling the church.

### Livonians Get UM Degrees

Three Livonia students were among degree candidates at Dec. 17 University of Michigan commencement ceremonies.

### Synagogue To Host 2 Dinners

Adas Shalom Synagogue will wind up the month with a college reunion dinner and a shabbat dinner for new members.

The former will be held at 6 p.m. Wednesday, Dec. 27, in the social hall of the synagogue, 29901 Middle Belt, Farmington. All college age young people may attend.

The synagogue is expecting to welcome more than 100 new members at the family dinner at 6:30 p.m., Dec. 29. At 7:45, the group will move to the sanctuary for a brief family service, and at 8:15, children 12 and under will participate in a variety of special Sabbath services under the direction of the youth department.

Their brothers and sisters 13 and over will join their parents as they participate in a discussion of "A New Synagogue for the '70s." Led by Rabbi Jacob E. Segal and Rabbi Seymour Rosenbloom, the discussion will consider synagogue life both in American and in Adas Shalom.

New members will receive special letters inviting them to be guests of the synagogue.

## Trip To Quebec Follows Rites

MRS. LARRY WASALASKI (Elizabeth Shinn)

Following a wedding trip to Montreal, Que., Mr. and Mrs. Larry Wasalaski are living in Wayne.

They were married at an evening ceremony in the Plymouth Church of the Nazarene, with the Rev. B. Edwin McDonald officiating.

The bride is the former Elizabeth Shinn, daughter of Mr. and Mrs. Jack L. Shinn of Cherry Lane, Plymouth, and the bridegroom is the son of Mr. and Mrs. Gilbert Wasalaski of Brookline Street, Plymouth.

Given in marriage by her father, the bride wore an ivory empire A-line style gown of dulcette silk, featuring bishop sleeves and a high neckline. Appliques of re-embroidered Alencon lace formed three vertical bands down the skirt and accented the bodice. A Camelot style headpiece of re-embroidered lace held her cathedral-length veil of illusion and she carried a cascade of crescent gardenias, white carnations and Stephanotis.

Peggy Bradburn of Clear College in Ypsilanti Plymouth, as her maid of honor, wore an empire style gown of hyacinth boucle knit

with ivory venice lace trimming the neckline, cuffs and pin-tucked panel on the bodice. She carried a cascade of dusty rose carnations, violet statice and baby's breath.

Linda Wasalaski, the bridegroom's sister, Laurie Brinkman of Southfield and Cheryl Kauffman of Plymouth were the bridesmaids. Tracy Mandle was the flower girl and Tony Scagnoli of Muncie, Ind., was the ring bearer.

Terry Wasalaski, the bridegroom's brother, was best man and Nick Valenti, David Schantz and Richard Shinn were the ushers.

A reception for 180 guests was held in the Sherwood Inn in Livonia. The bride's mother wore a pale turquoise gown styled with a princess silhouette and with beading at the high neckline and on the long sleeves. The bridegroom's mother wore a pink peau de soie gown with a lace panel accent.

The bride is attending Clear College in Ypsilanti and the bridegroom is employed by Western Electric Co.

## Allens Living In Ann Arbor

Mr. and Mrs. Norman Allen are making their home in Ann Arbor following their recent marriage in the Friends Meeting Place of Ann Arbor.

Mrs. Allen is the former Cynthia Abram, daughter of

Mr. and Mrs. Wilbert Abram of Thorny Brae Avenue, Farmington. Her husband's parents are Mr. and Mrs. Maurice Allen of West Bloomfield Hills.

The Rev. Robert Lindsey officiated, and the bride's father gave her in marriage.

### Lodge Plans Holiday Party

Einstein Lodge of B'nai B'rith Lodge will host a gala New Year's Eve dinner and dance in Adas Shalom Synagogue, 29001 Middle Belt, Farmington.

Cocktails and hot hors d'oeuvres will be served at 8:30, followed by dinner at 9:30. A continental breakfast will also be served.

Tickets are available from the lodge president, Sam Freedman, 25505 Good Concourse, Southfield.

### Livonians Mark 50th

Mr. and Mrs. Marion Lee, 15171 Alexander, Livonia, celebrated their golden wedding anniversary Dec. 3 with a reception in the Livonia home of their daughter, Mrs. Marilyn Capaldi.

About 60 friends and relatives attended. The couple were married Dec. 5, 1922, in Northville.

Mr. Lee grew up on a farm on Hubbard Road and after marriage he and Mrs. Lee moved to a farm near South Lyon. They have been Livonia residents since 1952, and he was employed by the Livonia Department of Public Works for 15 years.

The Lees have two daughters, Mrs. Capaldi and

Mrs. Dorothy Starkey of McBain, Mich., and son, Jim Lee of Houghton Lake, Mich. There also are eight grandchildren and three great-grandchildren.

Livonia Mayor Edward H. McNamara and Congressman Marvin L. Esch were among those who sent messages of congratulations.

The new Mrs. Allen will graduate from the University of Michigan in April with a degree in education. Her

husband has an engineering degree from U-M and is employed by the Ford Motor Co. in Dearborn.

## Franklin Nips GC West At Buzzer, 62-60

A basket by Kevin Kaseta with 18 seconds remaining was all the margin Franklin High needed to tip Garden City West, 62-60, for its fifth victory against one defeat. That's four in a row for the

defending Northwest Suburban champions. "This is the best record we have ever had going into the holiday break," said Patriot Coach Bob Visser. "I think we

are starting to convince some people that we are serious about defending our crown."

Franklin opened the '72-'73 campaign with a triumph over Wayne but fell into the loss

column against Plymouth. The next four clashes have seen Franklin win four by a total difference of just eight points.

A ONE-POINTER, two by

two points and one by three were included.

The Patriots could just have easily been 1-5 going into the break, but they are not, and all signs point to "go" for Franklin in '73.

Churchill hosts Franklin in the new year opener on Jan. 5, and then the Patriots travel to North Farmington and Stevenson.

The Patriots opened against West with a 19-13 first quarter but failed to execute their patterns in the second period.

Hitting only two of 14 from the field, they dropped behind at the half, 31-25.

"We had the idea that we could blow West off the court in the second but we ended up almost blowing ourselves off," added Visser.

THE WEST TIGERS held on to their lead during the third period but the Patriots were back in the game, trailing 46-44, going into the final eight minutes.

With four and a half minutes remaining, Jamie Knapp put Franklin up for the first time since early in the second quarter, 54-53. It was back and forth basketball the next

two minutes with the score deadlocked at 56-56 and two minutes showing on the clock.

Both clubs hit on their next two attempts and it was 60-60, 18 seconds remaining.

Kaseta hit from the base line and was fouled.

The Patriot junior missed

from the charity line but the Tigers failed to tie it up.

Franklin rebounded from its two for 14 second quarter to go 16 for 27 the second half and finished 27 for 53 from the field for 51 per cent.

WEST SHOT 25 of 54 for 46 per cent.

Rebounding was almost even, with Franklin a 29-28 victor, Kaseta hauling in 16 and pacing all scorers with 23 points.

## Raiders Crush WL Central

By CRAIG NEWMAN  
The varsity wrestlers of North Farmington added another notch to their win column by defeating Walled Lake Central, 30-24 for a 3-0 mark.

Ed Vickland of North Farmington pinned Walled Lake Central's John Boes in 5:37, to take first in the 98 pound category.

Walled Lake came back when Jeff Garner pinned North Farmington's J. Dee Brooks in 3:16 to capture the 105 pound title.

WLC's Todd Schneider captured the 112 pound division by pinning his NF rival, Tom Anschuetz, in 1:11.

CRAIG KILMER of North Farmington chalked up first place in the 119 pound class over Central's John Gardiner, 5-0.

The 126 pound slot went to Walled Lake's Nyle Johnson who upset NF's Bob Dompierre 6-2.

The 132 pound Berth was claimed by North Farmington's Steve Haller who beat Pat Lantz, 2-0.

John Eckster of North Farmington captured the 138 pound title when he defeated Central's Rich Russell, 2-0.

MIKE MOSER of Walled Lake pinned NF's Steve Benda in 5:24 to take the 145 pound division.

Carl Darrah defeated WLC's Mike Dennizjun, 4-2, to take first in the 155 pound division.

Walled Lake's Marty Pietras upset NF's Bob D'Agostino at 167 pounds, 10-2. North Farmington's Bill Lough came through for the Raiders when he pinned Walled Lake's Jeff Shier in 5:48 to win the 185 pound division.

BRIAN CHISHOLM of North Farmington took the heavyweight division by a forfeit over WLC's Bill Harmon.

### Collegiate Hockey At Olympia

College hockey will be stealing the limelight at Olympia Stadium over the holidays.

The annual Great Lakes Invitational College Hockey Tourney is being hosted by Olympia in conjunction with Michigan Tech on Dec. 27 and 28.

Four teams including defending NCAA champion Boston University, defending GLI champion Michigan Tech, Harvard University and the University of Michigan will be in the running for the eight year old crown.

The opening round pits Harvard against Michigan on Wednesday, Dec. 27, and Boston University against Michigan Tech. The championship and consolation rounds are the following night, Thursday, Dec. 28.

Three of the four teams have received national ranking in the most recent college hockey poll conducted by the Associated Press.

Harvard is ranked No. 2, Michigan Tech No. 4 and Boston No. 6.

LIVONIA WILL be sporting one puckster in the tourney. Gary Kardos, graduate of Churchill High, is on the Michigan team from the Detroit Junior Wings in his sophomore season.

## Clarenceville Hosts Holiday Cage Tourney

Clarenceville High is hosting a four-team basketball tournament over the holidays.

Cody, St. Agatha, Crestwood and Clarenceville will be at it on Dec. 27-28.

The opening round pits Crestwood against Cody at 7 p.m. on Dec. 27 and St. Agatha against Clarenceville at 8:30 p.m. The two losers play at 7 p.m. the following night with the championship finale at the 8:30 p.m.

# How to dream with your eyes wide open.

Everybody likes to dream. But the chances of seeing a dream become reality are pretty slim. Unless you're crafty enough to figure out a smart way to save. One that's practical and painless. One that won't eat up your paycheck but will still give you a chance to salt something away.

If you're smart, you'll decide on U.S. Savings Bonds. They're one of the easiest ways to save. Just sign up for the Payroll Savings Plan where you work. Then an amount you specify will be automatically set aside from your paycheck and used to buy Bonds.

So, if you're not satisfied with just

dreaming, buy U.S. Savings Bonds. Then you'll find out there's no such thing as an impossible dream.

Now U.S. Bonds pay 5 1/2% interest when held to maturity of 5 years, 10 months, 4 1/2% the first year. Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

**Take stock in America.**  
Now Bonds mature in less than six years.

# 'Limping' Plymouth Captures Holiday Cage Battle, 50-44

By TOM DONOGHUE  
Sports Editor

The Christmas season is always full of surprises, but for Plymouth basketball Coach Fred Thomann the surprise was almost as unwanted as a piece of coal in his Christmas stocking.

Thomann lost the services of three of his starters in Ron Egloff, Bruce Johnson and Tim VanWagoner—all the injury roster.

**BUT SURPRISE---** Thomann's Rock cagers still managed to sweep the Churchill Holiday Tournament, defeating host Churchill in the first round, 61-58, and Stevenson in the finale, 50-44.

"It was a complete make-shift situation," said Thomann, who lost Egloff before the tourney with a throat infection and slight case of mononucleosis, lost Johnson with a hip-point in the game with Churchill and VanWagoner in the early stages of the finale with Stevenson.

"Steve Robb also played on a sprained ankle," added Thomann. "He was only about

75 per cent physically but about 120 per cent emotionally."

"All the kids worked hard, they really wanted this," added Thomann who now sports an overall mark of 5-2. "The situation called for us to lie back and make the opposition make the mistakes."

"Stevenson went at it—attempting to just throw the ball up and go in after it," said Thomann.

PLYMOUTH'S inability to convert at the free throw line kept Stevenson in close range. The Rocks made good only 12 of 25.

Stevenson totaled 19 more shots from the floor than Plymouth but made one two-point less, hitting on 18 of 73 for 25 per cent while Plymouth canned 19 of 54 for 35 per cent.

The Rocks didn't waste anytime in jumping ahead with VanWagoner hitting twice, Kevin Moore and Jim Szilagyi once and Moore notching a free throw to put Plymouth up, 9-0, four minutes into the first period.

STEVENSON'S FIRST field goal came a minute later when Larry Fischer hit from

the top of the key. The first quarter ended with Plymouth in command, 17-8, and VanWagoner on the floor with a sprained ankle.

Plymouth went ahead by as much as 11 in the second quarter but settled for a 30-23 halftime margin.

VanWagoner's replacement, Rick Neu, and Szilagyi kept pace with Stevenson in the third quarter and Plymouth held to a 12-32 advantage going into the final eight minutes.

With three minutes remaining, the Rocks maintained their 10 point margin but the Spartans gave it a shot. With 20 seconds left on the clock, Spartan Mike Patrick was faced with a one-and-one situation, and his Stevenson squad trailing, 48-43.

Patrick made good the first and just threw the second shot

up in hopes of getting the rebound. Stevenson hauled in the rebound, trailing by four but couldn't make good its futile effort and Plymouth coasted home to victory.

Plymouth won its tourney opener over Churchill, 61-58, with VanWagoner popping in 21 points and Robb 12. Churchill was headed by Mark Reed's 24 and Phil Damaska's 12.

Stevenson's opening win came over Thurston, 63-52.

TOM CENTERS paced all scorers with 23 points, followed by Dale Haberman with 15 and Mark Falvo with 11.

Churchill rebounded in the consolation contest, defeating Thurston, 64-53.

Reed was again high for the Chargers, who now stand 4-2 overall, with 20 points. Damaska added 13 and Jim

Foster 10. Keenan headed Thurston with 20 and Falvo notched 13.

## Charger Puckmen Upend Franklin

All good things must come to an end sometime, but for first year Franklin High hockey Coach Paul Ferguson, it came too early.

His Patriot skaters lost their opener to powerful Stevenson but rang up consecutive victories over Southfield Lathrup and Bentley.

Next came the Christmas present Ferguson could have done without, a 4-1 loss to Churchill.

And to turn the tables around, it was Churchill's third straight triumph in Suburban hockey competition. Adam Mitchell and his Charger crew now find themselves in first place, two points above Stevenson at 2-0.

A total of 18 penalties was called with Mitchell getting the axe in the closing minutes of the game after a disputed bench penalty call.

CHURCHILL'S BOB Rion slapped home the opening score after two minutes past Franklin goalie Don Perrie, but the Patriots tied it up five minutes later on a Carl Noll score assisted by Mark Field.

The Chargers went ahead to stay with only 13 seconds remaining in the period when defenseman Doug Lloyd beat Perrie.

There was no scoring in the second period, with the Charger defense thwarting five Franklin power plays.

The Brian Veasey - Steve Ursitti combination tucked the victory away for Churchill in the final period.

Veasey slapped in two goals in the third, Ursitti assisting on both, with Churchill goalie Mike Parks picking up the win.

CHURCHILL OUTSHOT Franklin, 22 to 17.

Franklin goalie Perrie had an unusual and not so happy night in the net. Besides losing he picked up a two-minute fouling infraction.

By Doc Minard

### By DOC MINARD

Ol' Kris Kringle will arrive a bit early Saturday at the Jackson-at-Northville harness racing meeting. Matter of fact, the bewhiskered gent will lead the field to the post in each of the 10 races.

According to Leon Slavin, president and general manager of Jackson Raceway, Kris will be his happy self and will ride in an ancient sulky that goes back to the turn of the century.

It's just another way for Slavin to say thanks to patrons who have made the current meeting one of the most successful since the affable track boss began staging winter meetings at Northville Downs.

The plant will be dark Monday to give all employees and the barn area colony a chance to celebrate Christmas Day. Even Slavin will be gone for the weekend to spend the holiday with his wife and family in sunny Florida. But he'll be back on the scene Tuesday for the final five nights of the 1972 season and the last week of the current meeting.

Then on Jan. 1, Jackson will open the new year with the first harness racing action... a meeting that will continue until late January when Northville Downs will open its winter campaign.

For those who have been wondering about the success of early winter racing at the 'Downs, an announcement earlier in the week by Slavin should make all feel better... especially the horsemen.

Slavin announced the second purse increase of the meeting, boosting the minimum to \$1,000. All other divisions went up an average of 25 per cent.

The new schedule is effective for the remainder of the year. Slavin and his top aides haven't decided whether it will continue through the early weeks of the 1973 season or not. Probably they will wait until they see how the "action at Jackson" is during the early days.

Incidentally, Jackson-at-Northville will continue its free lottery ticket nights next week, with all paying adult admissions receiving a ticket on Tuesday and Thursday nights.

Normally, the giveaways would have been on Monday and Tuesday but Christmas rubs out Monday and Slavin decided to switch to Thursday.

That should be interesting to all Lottery tickets given away on Tuesday will be for the drawing on Thursday and those handed out on Thursday will be for the following week.

Inasmuch as Slavin has a license to sell lottery tickets during the meetings, the giveaways help promote the racing programs and also build up sales of the lottery.

Last figures showed the track was selling something like 4,000 tickets weekly. In addition, the giveaways have had a definite affect on attendance. Tuesday's traditionally are a weak day and night for racing, regardless of whether it's the runners in the afternoon or the trotters under the lights.

Jackson's experience is that giveaways have boosted attendance as much as 400 to 500 each night and added \$30,000 to \$35,000 to the wagering.

So one would have to say that free lottery tickets have had a definite positive affect on business. And one just can't shake off the sale of 4,000 tickets weekly... at two and a

half cents each to the track, it helps to pay from the promotion.

This is our final offering prior to the biggest holiday of the year... Christmas Day... and at this time we wish to thank all of our readers for their letters during our recent illness.

Thanks to all, and our best wishes for the Christmas season and the new year. May every standardbred owner come up with an Albatross or a Super Bowl and may we have an opportunity to write about them.

## RU Dumps Belleville

The first win for a new coach is always a big thrill.

Redford Union wrestling Coach George Borth had a double thrill out of his first because it also came in the opening Suburban Eight meet in which RU defeated Belleville, 45-12.

THE PANTHERS are now hoping for a turnaround after three consecutive defeats preceding the Belleville match.

RU's Dale Peterson dropped the 98 pound decision to Steve Wilson, 4-0, but Panther Randy Worley came back with a 3-15 pin at 105 pounds over Jim Hrabowski, as did Steve Belsey over Belleville's Tony Balestrieri at 112 pounds in 1-48.

Kerry Morgan scored the Panthers' third straight pin at

119 pounds over Brent Williams in 1:30 but RU's Dave Koutz was pinned in 5:10 in the 126 pound slot by Ray Wilson. Belleville's Jose Garcia outscored RU's Bob Praznik in the 132 pound berth, 8-4.

AT 138 POUNDS, RU's Mike Kalal defeated Hubert Russell, 6-3, and Mike Kenneth recorded a pin in the 145 pound bracket over Rick Bracken in 4:20.

RU followed with two decisions, Ken Birch 11-4 over Fred Flaueil at 155 pounds and Kevin Kellman at 167 pounds over Otis Bell, 6-4.

The Panthers closed with two pins. Paul Matthews pinned Randy Calhoun at 185 pounds in 3:40 and Mike Esslinger pinned Wayne Lucas in 3:00 in the heavyweight division.

# Redford Union Wins 1st Cage Tourney Crown

## Panthers Roar By WL Central, 71-60

By TOM DONOGHUE  
Sports Editor

"I couldn't think of a better way to start the Christmas vacation," said Redford Union Coach Carl Andrews after his Panther cagers roared past Walled Lake Central in the Northwest Holiday Tourney finale, 71-60.

"Our defense won it for us," explained Andrews.

RU crushed Walled Lake Western in the opening round in a record setting performance, 102-65, and zipped past North Farmington, 66-54. This brought up Walled Lake Central, which had upended Bentley in its first round and smothered Detroit Redford to work its way into the finals.

The Northwest Suburban Holiday crown—a first for Redford Union.

"After 16 long years, we finally won it," said Redford Union Athletic Director Howard Kraft.

THE SUBURBAN EIGHT Panthers now stand 6-1 for the season with the Allen Park contest the lone scar. RU opens the new year with two home games with Trenton and Plymouth and it's then on to Dearborn, Edsel Ford and Bentley.

"I knew we could win this tournament," said Andrews, whose Panthers were dumped by Walled Lake Central in the opening clash last year. "This

year Central dumped Bentley first and matched talents with us instead of the opposite." Central thumped Bentley in the championship last year, 63-55.

"We don't anticipate losing any more games," commented Andrews. "If anyone beat us from here on out, I'll consider it an upset!"

RU AND CENTRAL played to an 11-all tie in the opening quarter and it appeared that Walled Lake would take a 30-26 lead into the locker room at the half.

But with five seconds remaining and down by four, RU's Jerry Petsch hit a two-pointer and Central proceeded to throw the ball out of bounds, giving the ball back to RU with two seconds showing.

Rick Pomaville took the pass in-bounds and connected on a 30-footer at the buzzer making it 30-all at the half.

THE PANTHERS came out pressing in the second half and jumped to a 50-42 lead going into the final eight minutes.

A minute into the fourth period, RU pushed the margin to 56-44 and the closest Central could get was at the buzzer with the Panthers capturing their first holiday trophy.

It was a complete team effort for RU with the starting five all scoring in double figures, paced by Jerry Petsch with 19 and Pomaville

with 16. Bob Eland followed with 14, Gary Fulks with 12, and Scott Bjerke with 10. Central's Randy McLean led all scorers with 31 points.

RU SHOT 44 per cent from the floor on 28 of 64 with the real difference in the rebounding game.

"We really hurt Central on the boards," said Andrews. "Pomaville did great job on McLean with Petsch taking control on the strong side." RU outrebounded Walled Lake, 46-28, with 6-3 Petsch hauling in 18 and 6-4 Pomaville 11.

McLEAN AT 6-7 did all of Central's rebounding in the second half, five in the third quarter and seven in the fourth for a game total of 22, all but six of his team's rebounds.

### N. F'ton 76 Henry Ford 70

The Raiders from North Farmington were fresh from a Northwest Suburban win over Oak Park and Coach Den Kean and company had visions of taking all in the tourney. North just had a 22-16 first quarter on top at the half.

The Raider machine broke down in the third period but North managed to regain a slim 51-50 margin, and put it back together for a six point victory. Dave Ellsworth was high scorer with 24 points, Kim Parker next at 17 and Kim Gasior added 11.

Henry Ford was paced by Darrel Rooser with 14, Jesse William with 12, Mike Rogar with 11, and Dave Schrandt with 10.

### Redford 52 Farmington 49

After three opening losses, Farmington and new Coach Bruce Brown had finally struck gold over Waterford, but the strike was short-lived and the Falcons dropped their fourth and tourney opener to Detroit Redford, 52-49.

Redford jumped to a 23-18 halftime lead and never faltered.

Mark Bidigare was high for the winners with 26 points and Joe Montgomery tops for Farmington with 14.

### WL Central 66 Bentley 60

Bentley Coach John Farrar was sporting the best record of all eight teams in the Northwest tourney, at 3-0, and it appeared that this three-game series could be a stepping stone to the Suburban Eight title.

Apparently Walled Lake didn't hear of this and ripped the Bulldogs 66-60, with 6-7 center Randy McLean popping in 30 points.

The Bulldogs were caught in the ice-box in the first quarter, hitting only three of 14 from the floor with Central bursting to a 23-8 lead. The half had Central up, 42-27, but Bentley wasn't out of it yet.

Bentley outscored Walled Lake, 33-24, in the second half, and at one time closed the gap to three points before absorbing its first loss of the '72-'73 campaign.

High scorers for Bentley were Tim Bollin with 28, Paul Veach with 13, and Brent Boegler with 10.

### RU 102 WL Western 65

The first step for Coach Carl Andrews and his Panther cagers was a history making one -- a school record of 102 points, 64 of those scored in the second half.

RU was in front at the half, 38-36, and outscored Western in

the third period 34-10 and then 30-19 in the final eight minutes.

It was the rebound game that paid off for RU with four Panthers scoring in double figures. Rick Pomaville totaled 20, Scott Bjerke 17, Gary Fulks 16, and Bob Eland 11.

Don Spanger was high for Western with 18, Rick Stern added 13, and Tony Howell collected 10.

### Farmington 62 Bentley 61

A scrambling Farmington squad caught the disheartened Bulldogs flat-footed and squeaked out its second win in six outings.

Bentley led at the half, 36-31, but lost momentum and the game in the closing seconds.

Farmington's Jeff Herman popped in two free throws with four seconds remaining to give the Falcons a narrow one point upset. Dennis Hagen was tops for Farmington with 15 points.

High for Bentley was Brent Boegler with 20 points. Tim Bollin scored 13 and sat out more than half the game because of foul trouble.

### WL Central 60 Redford 50

Walled Lake Central took No. 2 step in tourney championship direction with an easy 10 pointer over Redford, leading at the half, 28-16.

Randy McLean was high for Central with 26 points followed by Mick Imhoff with 19.

Delphis Stokes and Mark Bidigare totaled 15 apiece for the losers.

### RU 66 N. F'ton 54

The Raider machine just ran out of gas and gave in to the oncoming Panther cagers.

North jumped ahead 14-4 but lost momentum and had to settle for a 14-10 first quarter lead and slipped behind at the half, 30-26. The rest was all down hill for North, trailing 46-35 going into the final eight minutes.

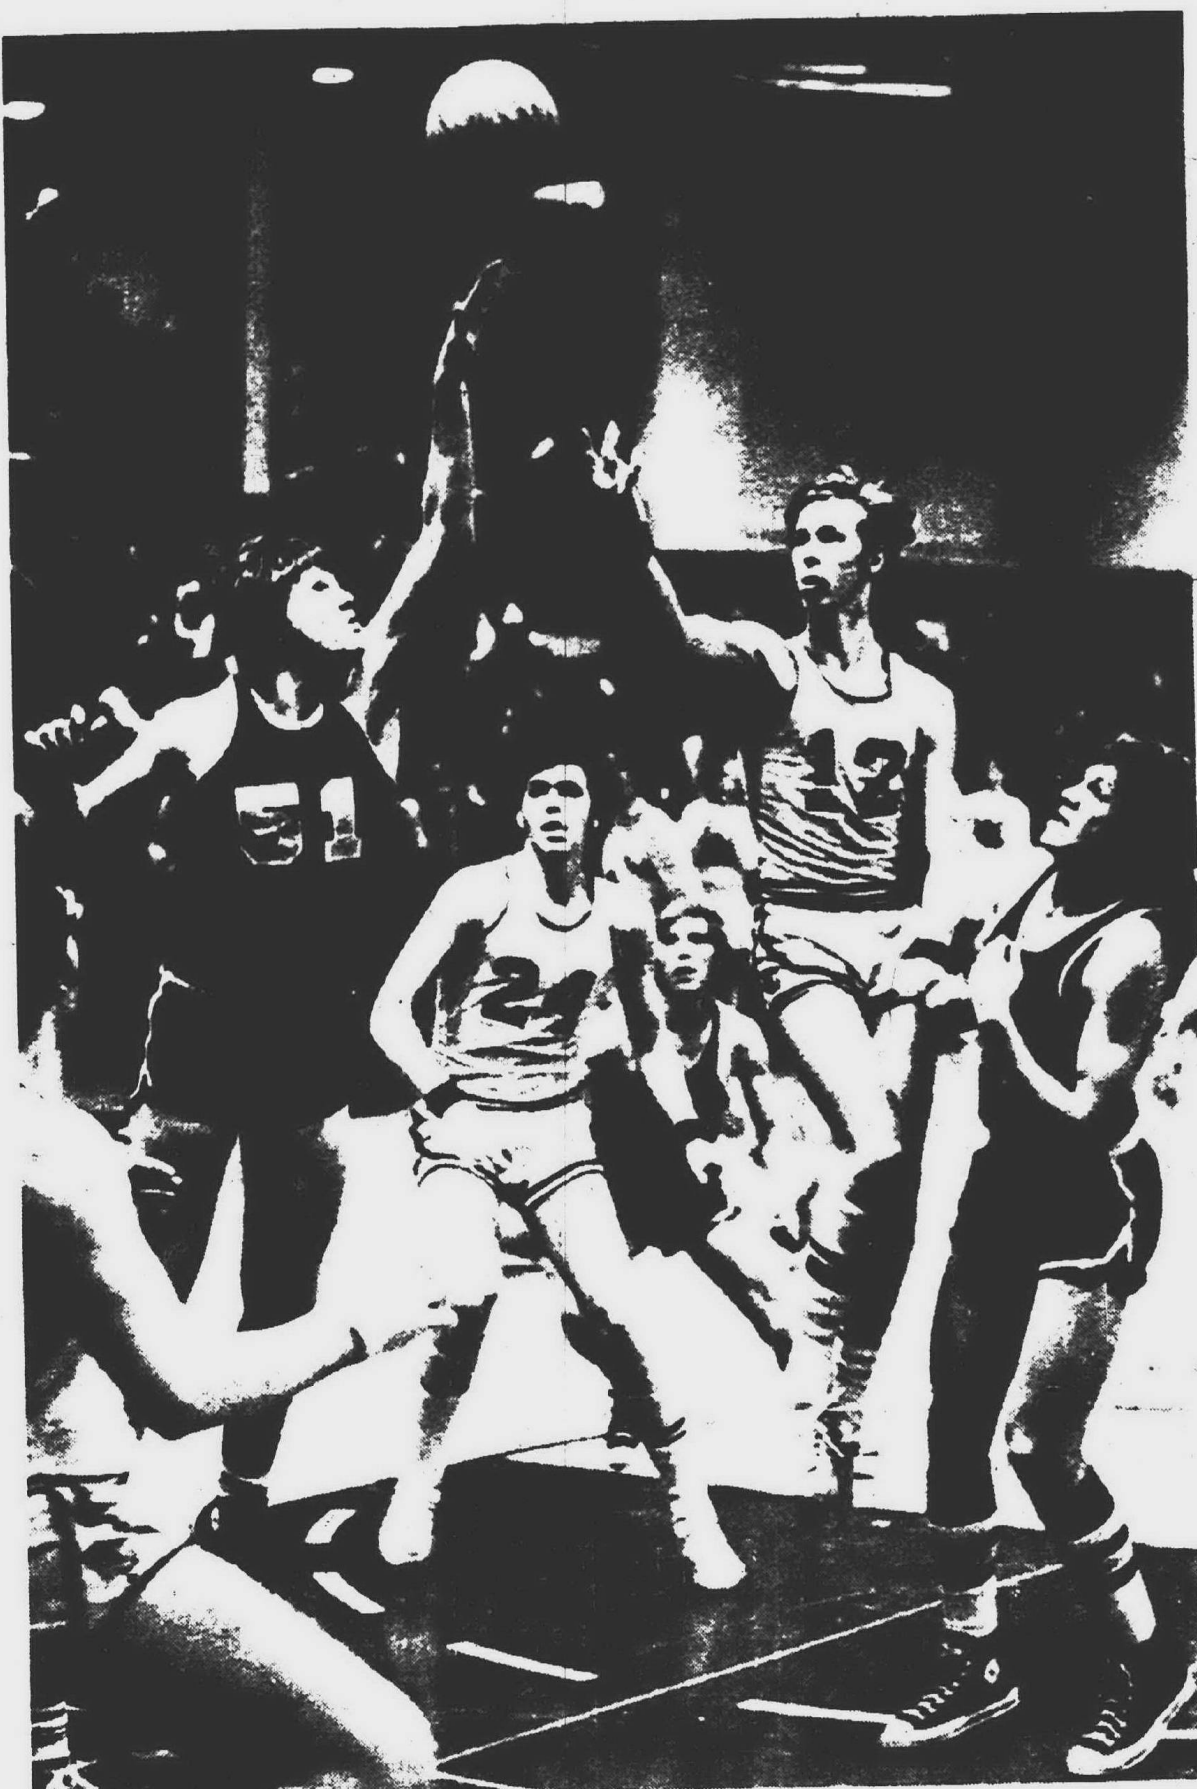

RU was headed by Gary Fulks with 21, Bob Eland with 20 and Scott Bjerke with 12.

The Raider scoring attack featured Kim Parker with 15, Kim Gasior with 12 and Chuck Foster and Dave Ellsworth with 10 apiece.

### Henry Ford 73 WL Western 49

A second round game between two losers saw one getting clobbered again.

Western had fallen the night before to Redford Union, 102-65, and this time it was by 24 points to Henry Ford.

LAYING IT UP for two points is Redford Union's Scott Bjerke (12) in the Northwest Tourney finale which RU won, 71-60. Attempting the block is WL Central's Bill Ashby (51) with RU's Rick Pomaville (24) looking on. (Observer photo by Tom Donoghue)

### N. F'ton 62 Redford 34

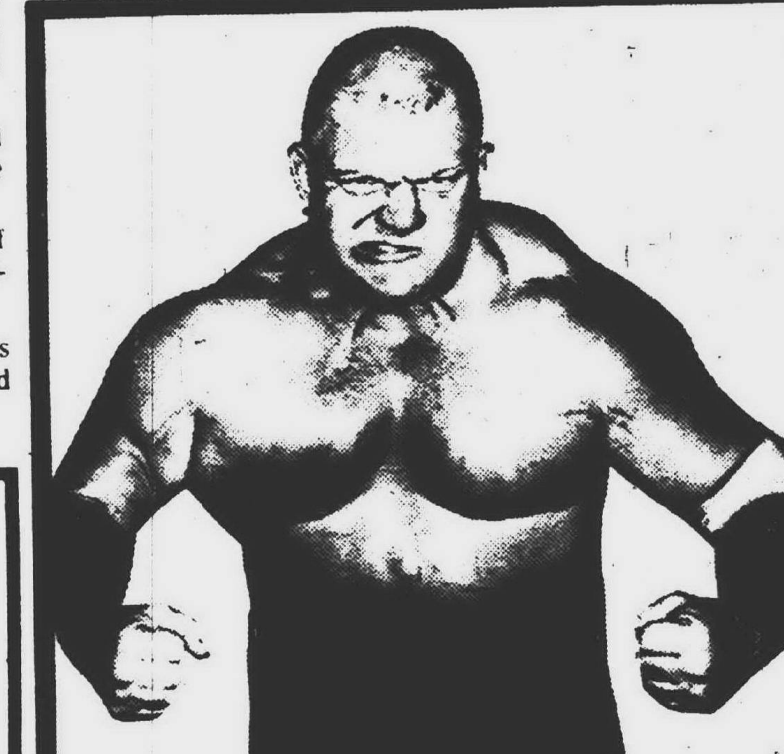

North Farmington regrouped its forces after the loss to Redford Union and led all the way against Detroit Redford. Jim Fredericks was high scorer with 22 points.

The Raiders were up, 13-10, after one quarter, 31-18 at the half, and 49-24 going into the fourth stanza.

Mark Bidigare was tops for Redford with 14 points in a game that saw the losers go zero for five from the charity line.

When honors for the year now drawing to a close are passed out, a nice leather medal should go to a lad named Johnny Wilcox of Williamsport, Pa.

He is entitled to the "hard luck" prize of the year, for only two 6-10 splits kept him from bettering the all time record of 886 now held by Allie Brandt, of Lockport, N.Y.

The story, received this week from the American Bowling Congress, tells that he cut the No. 6 off the No. 10 in his first game. Then, after 11 strikes, he left the 6-10 on his final delivery.

As a result he had to settle for an 885 and second place in the record books. He will have to be satisfied with the knowledge that he rolled the highest series ever credited to a left hander.

Speaking of Allie Brandt's 886, the little New Yorker has been most fortunate this year. The ABC ruled out an 890 rolled by Ray Orf several months ago and now Wilcox encountered two splits to save him again. Allie rolled his record series in 1939. It is one of the oldest records in the books.

JACK BROWN, one of the leading sharpshooters in Farmington, is off on another scoring spree.

After registering a 709 in the Classic at Bel-Aire Lanes, he came right back with a 701 in Our Lady of Sorrows circuit. In the Classic he linked games of 258, 235 and 216 and in the Sorrows circuit he had counts of 247, 228 and 226.

Despite his high scores, Jack had to trail Fred Bickle in the Classic who posted a count of 719 on games of 258, 257 and 204.

Other high scores included Ted Smith's 693 and Jerry Hay's 684. Lee Putti had high single with a 277.

FOR THE SECOND time in

two weeks Phil Horowitz broke the 700 barrier in the Garden Lanes Classic.

Last week he set the pace with a 704 and this week he came right back with a 706. In his wake he left Al Massacar with 691, Al Mann with 684 and Dick Preston with 668.

The Garden Lanes women also went on a scoring binge. Pat Pattison set the pace in the Senior House League with a finishing game of 236 for her first 600 series. Other high counts included Marge Van Ness with 596, Judy Anderson with 566 and Rose Ligner with 552.

THERE SEEMS to be no stopping the veteran Dick Preston.

After posting a 668 at Garden Lanes he moved over to Wonderland Tuesday night and put together games of 259, 224 and 257 for 740 to pace the Classic. Right on his heels came Danny Campbell with a 717 on games of 257, 228 and 232.

Meanwhile Ron Sharple's Palace team rolled a 3226 with one member falling below double century figures.

DAVE DIOMENDRIE showed the way to all Classic rivals at Westland with a 674 that included a middle game of 258. Pat Coshatt landed the runner-up spot with 669 and Bob Garrett followed with a 661.

The star of the women's league was Barbara Krzyzowski who fashioned a 214 in 600.

THE HIGHEST scoring of the season marked competition in the Ladies Classic at Livonia Lanes where Ellie Wilkins fired an actual 590 that included a 214. Gerry Wilson landed the runner-up honors with a 565 and Dolores Dowhan paced the handicap division with a 540-135-675. She had one game of 232 by actual count.

RAY SMITH showed the way in the Teen Classic at Farmington Lanes with a 572 on games of 202, 202 and 168. Al Currie was next with 497 and Randy Nance had a 211 in 191.

Pam Thery paced the girls section with a 199 in 451.

BOB ROWES was the man of the hour at Merri-Bowl. Carrying a 178 average he came through a 247 in 637. Denise Adams went 117 pins over his average with a 471 and John Paul, a 174 average man, fired a 265 in 645.

THE BIGGEST Elk of them all this week at Country Lanes was John D' Eorchak. Bowling in the Elks mixed league he put together games of 276, 200 and 191 for 667.

THE WOMEN at Mayflower continue to do the unexpected. This week Terry Kowal converted the "big four" -- the 4-6-7-10. It was the fourth time this year that the women have turned this trick.

Meanwhile Tina Gorosge had a 238 in 586 and Peg Davey had a 234 in 562.

## Students To Dance For Convalescents

Dance students are busy rehearsing in Westland for a capsule version of the "Nutcracker Suite," which they will perform at 7 p.m., Wednesday, Dec. 27, for residents of the Camelot Convalescent Center, 35100 Ann Arbor Trail, Livonia. The soloists and lead dancers are Lynn Carns, Debbie Davis, Joan Derry, Sharon Flaherty and Patti Smith.

Others on the program are Debbie Kerr, Linda Schubert, Ruth Bunnell, Beth Bunnell, Jayna Kogler, Joanne Tubinis, Cindy Vazquez, representing diverse periods of art, from ancient Egypt to 19th century England.

DISCUSSING PLANS for the Detroit visit of the Metropolitan Opera Company of New York are (from left) Mrs. Elliott M. Estes of Bloomfield Hills, general co-chairman, Mrs. Thelma Kiser of Livonia and Mrs. Charles L. Wilson Jr. of Bloomfield Hills. The visit is scheduled for May 28-June 2.

## Gallery Has Holiday Attractions

DETROIT Holiday attractions begin at the Woodward entrance of the Detroit Institute of Arts and continue throughout its 101 galleries.

A dramatically presented "One World Creche" at the entrance to the Great Hall, combines a striking contemporary showcase with a dozen Nativity figures

Two important exhibitions, "African Terra Cottas South of the Sahara" and the 59th Exhibition for Michigan Artists, will be on display for those who wish to visit the galleries during the holidays. The latter is a juried show of

70 paintings, photographs, graphics and sculpture. With it, there is a one-man show of paintings by Anthony DeBlasi. A special program of films for children will be screened at 1 p.m., Saturday, Dec. 30. Regular museum hours are 9:30 a.m. to 5:30 p.m. Tuesday through Sunday. However, on Dec. 24 and 31, the galleries will be open only to 1 p.m.

## Amusements

### College Offers Piano Course

A one-year certificate program for piano teachers has been developed by Schoolcraft College, 18600 Haggerty Road, Livonia, and will be open to students during the upcoming winter semester.

According to Donald Morelock, Schoolcraft piano instructor, the new program has been designed in response to many requests from persons wanting to improve their teaching skills and enhance their professional standing.

It consists of 28 credit hours of study in music literature, theory, history, private piano and piano teaching materials and techniques.

Entrance is by audition and permission of the music department. Registration for the winter semester will be held Jan. 3 and 4 on the campus, and persons interested in the new course should contact Morelock at the college.

Schoolcraft in the past has conducted a number of short courses and workshops for piano teachers, but Morelock believes the new course is the first such comprehensive program to be offered in the state. "Short of a four-year baccalaureate program," he said, "colleges and universities simply don't offer this kind of training for persons who teach piano on a private basis."

The curriculum has been developed in cooperation with the Michigan Music Teachers Assn. The program will provide a valuable assist to persons interested in completing state certification requirements.

### Teacher Gets Midwest Post

A Livonia rock collector, Leonard (Bud) Nicholls, has been appointed Michigan state director for the Midwest Federation of Mineralogical and Geological Societies.

Nicholls is an earth science teacher at Bentley High School and also teaches physical and historical geology at Schoolcraft College.

He first served as temporary organization chairman of Livonia's popular rock and mineral society, the Roamin Club, and was elected its charter president. Since then he has had many offices in the five-year-old club, as has his wife, Eleanor, who is also a rock collecting fan. She is presently co-chairman of social courtesy and protocol for the federation.

NICHOLLS CREDITS the federation, one of six in the country which make up the American Federation, with the current growth of interest in rock collecting.

The 14-state Midwest Federation, which had 20 clubs in 1948, now has at least 242. Michigan now has 15,872 paid-up adult members.

The Livonia club, which is sponsored by the department of parks and recreation and meets regularly in the Senior Citizens Building, has grown from 25-30 adults to more than 100 adults "and a lot of

BUD NICHOLLS

kids." Many of its activities, according to Nicholls, are designed for family participation.

"THE FEDERATION is a great drawing force, bringing together a lot of very friendly people," says Nicholls. It provides all kinds of practical help in the way of programs, films and judges. The American Federation provides a directory of good places for "rock-picking" for vacationers.

"Also, rock collecting is becoming more popular because a person can become active with a minimum cash outlay," reports Nicholls. "There are also many subdivisions, paleontology, lapidary, geology and so on."

It will be Nicholls' job to supervise 10 assistant directors in the Midwest.

In addition, he will continue to give talks and presentations to interested organizations. His specialties are "Mineral Collecting Sites in Michigan" and "The Ecology of the Tilden Pit."

He'll also be keeping an eye on reports of the moon rocks being brought from the current moon landing. He worked with NASA one summer editing education materials.

And he will continue to work with the Roamin Club, which is planning its annual banquet on Jan. 10, and an auction, March 17-18. Lapidary supplies and minerals will be sold at cost, so it will be a good time for new members to stock up.

## All-Bach Concerts Set

Music students from Livonia, Southfield and Farmington have begun rehearsals at Duns Scotus College in Southfield for the second annual "Bach for a Buck" concerts. Two concerts will be given, at 8:30, Friday and Saturday evenings, Dec. 29 and 30. Tickets will be sold at the door.

Sponsored by the college and the Chamber Music Society of Detroit, they will take place in the beautiful gothic chapel at the college, Nine Mile and Evergreen, Southfield.

DETROIT SYMPHONY bassist Raymond Benner, who is artistic director and founder of "Bach for a Buck," will

bring together the Detroit area's finest young talent, including high school students and students home for the holidays from various conservatories.

Livonia will be represented by Ray Yeager, Susan Charney, Debbie and Barbara Fayroian and Paul Randall; Southfield, by Nancy Daniel and Christopher Loy; and Farmington, by Larry Prince.

Benner's symphony colleagues, Shaul Ben-Meir and Linda Snedden Smith, will join with him and the John Dovaras Village Singers in this student-professional event.

THE FEATURED work for this year's program will be the

"Magnificat." Dovaras will conduct and the soloists will be Imogene Bird, soprano; Elsie Inselman, contralto; Robert Carpenter, tenor; and Carroll Strickland, bass.

Opening the program will be the Orchestral Suite No. 3 (which includes the famous "Air on the G String"), followed by the Cello Suite in D minor, with Jerome Jelinek as soloist. Jelinek is head of the cello department at the University of Michigan and a member of the Stanley Quartet.

Soprano Jan Albright of Overture to Opera fame will sing one excerpt from Cantata No. 147. This will be followed by the traditional chorale

from that work, "Jesu, meine Freude."

Johann Sebastian Bach was the obvious attraction last year in the festive event that played to capacity audiences. The "Bach for a Buck" holiday concept originated with a baroque concert given in this setting during the 1970 Christmas season. It was an experimental effort which pioneered the elimination of the traditional music hiatus which had existed between Christmas and New Year's Day.

It was a tremendous success and proved to be the pilot effort which encouraged other musical organizations to follow suit, according to Benner.

## Detroit Colleges Are In Festival

Two Detroit college theaters, the University of Detroit—Marygrove's Performing Arts Center and Wayne State University's Hilberry Repertory Company, have been invited to participate in the American College Theater Festival for the Great Lakes Region (Michigan—Indiana—Ohio) Jan. 4-6.

The festival will be held at Indianapolis.

The Performing Arts Center will present its production of Shakespeare's "Comedy of Errors" at 2:30 p.m., Friday, Jan. 5.

The Hilberry Company will perform Peter Raby's stage version of Dumas' "The Three Musketeers" at 2:30 p.m., Saturday, Jan. 6.

Both will be in Manual High School Auditorium.

ONE OTHER Michigan school, Kalamazoo College, will be represented by a 2:30 matinee performance of "Pantagloze," by Michel de Ghelderode on Jan. 4. This gives Michigan three of the six festival productions.

All the others are from Indiana. They include the University of Evansville, presenting "Lysistrata," Hanover College, with its production of Brecht's "A Man's A Man" and Purdue University at Fort Wayne, with the musical "Dames at Sea."

Selected as alternates are Northern Michigan University, with an adaptation of the "Song of Hiawatha" and Bowling Green State University and its production of "Conquest of My Brother" by Edward Emanuel.

The Performing Arts Center production of "The Comedy of

Errors," directed by Dominic Missimi, is staged as a play of clowns, utilizing a European circus motif and incorporating elements of commedia dell'arte and French mime. The production played at the Theater on the Marygrove College campus in late November and early December.

IN THE HILBERRY'S "The Three Musketeers," directed by Richard Spear, an extremely active company of 25 keeps busy playing more than 80 roles, frequently duelling, sometimes dancing and singing, and also manipulating props, lights and sound for the play's 40 scenes. The production is currently in the repertoire of the Hilberry, where it is scheduled to play through February.

The Indianapolis Festival is one of 13 being held throughout the country. Ten of the productions in the nationwide festivals will be invited to the Kennedy Center in Washington for a national festival at the end of April.

This marks the fifth year for the ACT festival, which had its start in 1969, when the Hilberry Theater participated with performances of "A Flea in Her Ear" in Ford's Theater in Washington. The festival now screens more than 250 productions nationally and 25 in the tri-state region. From these, productions are invited to the regional festivals and the Washington festival, now held in the Kennedy Center.

The festival is produced by the American Theater Association in cooperation with the American National Theater and Academy, and presented by the Kennedy

Center and the Smithsonian Institution, under the sponsorship of American Airlines and the American Oil Co.

Its purpose is to focus attention on the high quality of production in college and university theaters and to encourage students who are receiving training and experience there.

Tickets at \$2.75 (\$1.75 for

students) or \$10 for the complete series may be ordered by mail from the Theater Department, Indiana Central College, 4001 Otterbein, Indianapolis, 46227. Checks or money orders should be made payable to Indiana Central College. They should be accompanied by a stamped, self-addressed envelope.

DENNIS BROADHEAD, popular Observerland actor, is taking on a new role. He will direct the Farmington Players Production of "I Never Sang for My Father." This is his second venture at directing a full-scale production, and his first in directing a dramatic production.

## Group Sets Kids' Plays

Two children's plays, "The Pied Piper of Hamelin" and "Hansel and Gretel" will be presented by Russ Vogel's Production Players on Dec. 28-30 in St. Andrew's Episcopal Church, 16360 Hubbard (between Five and Six Mile), Livonia.

After the show, there will be refreshments and children are invited to come backstage and meet all of the performers in person.

Fresh fruit is an invaluable aid to the diet. It not only provides needed nutrients but fruit is also a refreshing way to begin or end a meal. Fresh fruits, which are to be eaten raw, should always be washed thoroughly to remove surface contamination. If you are a gardener, you can use this water to spray your trees and garden. Wash fruit shortly before serving in order to keep it from spoiling. Dry such fruits as pears and grapes on a paper towel before serving.

All of us at DANISH INN CORP. 32305 Grand River Ave., 476-5320 wish you and your families a Merry Christmas. To add to your Holiday fun plan to bring your family for lunch or dinner to Danish Inn. We hope to see many of you in the next few weeks to personally wish you a Happy Holiday Season! New Year's Eve Reservations are being taken.

To make self-service simpler, always provide scissors for snipping off bunches of grapes.

Gundella, a member of a traditional witch coven for nearly 26 years, is a former teacher and collector of folk lore. Here she reveals some of the superstitions surrounding New Year's Day and tells how you can attempt to gaze into your future.

# A COMPUTER PREDICTS

give you anything." Little did the computer know about the bread I baked for Aunt Miranda three years ago.

"You have a quirk--wherever you go, you make one enemy. Job, school, whatever the setting, there is bound to be one person you dread seeing, one who always gives you a hard time; you can pick out who it is going to be right away." An occasional underestimate makes one sigh with relief.

"You want to do it and you do not want to do it to an equal degree." Computers are like that.

"You are forever accomplishing great things and amazing your associates who never suspect you have it in you." Finally, they got something right.

## PLANETARY INFLUENCES AND HOUSES

The second phase from the computer began with this explanation: "It is the planets that determine the overall pattern of your horoscope. To each planet is attributed certain characteristics. Where each planet was positioned when you were born is thus an important factor."

Each of the 12 houses in any horoscope represents a different human activity. "By locating the position of the most influential planets within the houses of your horoscope,

further exploration of your life pattern is possible."

First House--The individual, personality, the outward impression. Vitality, general health.

Mars in the first house. "You are able to act effectively on the spur of the moment, for you do not wait to reason things out but depend more upon your instincts. Where patience and careful deliberation are required, you are less successful; but when dauntless energy and nerves of steel are called for--as, for instance, with a racing car driver--this is the best position for Mars." Living in Lvonia, with its present road construction program, this trait is necessary for anyone who tries to get through the city.

Second House--Possessions, money, income. Material fulfillment. Earning capabilities.

Saturn in the second house. "You are idealistic and are able to translate your ideals into actions that will further your interests. You need to realize that your destiny is a worthy one, that the final results of your efforts will be solid and lasting." It's enough to make one cry.

Third House--Family, neighbors, relationships with others.

Jupiter in the third house. "You are probably conservative in your opinions." Hal Blasphemy.

"Many popular novelists have this house location for Jupiter." I'll have to remember this when I've given up my race car driving career.

Sixth House--Physical well-being, hard work, service.

The Sun in the sixth house. "You may have a predisposition to contagious diseases and you may catch any epidemic that is going around." Notice how the computer horoscoper protects himself or herself with "may."

Seventh House--Marriage, partnerships, enemies.

Mercury in the seventh house. "You will probably marry someone you have known for some time, either through your intellectual enterprises or a member of your family." My husband wouldn't appreciate knowing this.

Eighth House--Frustration, secrets, inheritances.

Venus in the eighth house. "You might have guessed that the problem here is over-indulgence in pleasure." Himph. I guessed no such thing.

"You have an unusually strong attraction for members of the opposite sex. What's more, they find you equally appealing. You quickly attain a 'sexsymbol' status in any new group you join. You, however, generally set your sights on an all-encompassing love affair with just one person." With

# By GUNDELLA THE GREAT WITCH

ONE OF THE MOST fun ways to foretell the future is with wax drip-pings. All you need is a bowl of water and a candle. Holding the lighted candle over the bowl, you allow it to drip until the entire surface of the water is covered with floating bits of wax. Gazing into the bowl, it takes very little imagination to see initials, names, and even dates, that will prove to be important in the upcoming year.

It is believed that a mother can learn the sex of her unborn child by threading a new steel needle with red cotton thread and holding it over the veins in her left wrist. If the needle swings around and around in a circular motion, the child will be a girl. If the needle swings back and forth in a straight line, she will be blessed with a boy instead.

One custom still practiced is that of baking the New Year's cake of good fortune. Before the batter is poured into the pan, the cook adds a ring, a dime, a thimble, a key, and a shoe button (in recent times we have come to substitute a bus token.) All of these articles must be metal rather than plastic, so that they may be baked into the cake.

When the cake is cut and eaten, the diners can tell what the New Year holds for them by the prize they receive. The ring is symbolic of love, perhaps even marriage; the dime stands for riches, the thimble means poverty and hard times; the key stands for learning and wisdom; and the shoe button or bus token means that the lucky one who receives it will travel widely in the coming year.

ANOTHER MEANS of divination often employed on New Year's Day is that of domino drawing. Place all the dominos in a standard set ranging from double blank to double six, face down in a "bone pile" and mix them up thoroughly.

Each person should be allowed to draw and interpret no more than three dominos. Any domino drawn should be interpreted and replaced and thoroughly mixed with the others before the next one is drawn. If the same domino comes up more than once for the same person, it intensifies the significance of the interpretation.

To interpret the dominos drawn, use the following traditional meanings.

Double blank - bad luck in love and money, losses and grief

Double one - Happiness, love, and money

Double two - success in business, thrift leads to prosperity

One-blank - harmony and affection

Two-blank - beware of deception; someone close to you is hiding the truth.

Two-one - guard against an unbalanced budget

- Three-blank - quarrels and controversy.
  - Three-one - danger of becoming involved in a lawsuit or scandal.
  - Three-two - love, luck and adventure; if you have children, be sure you don't neglect them.
  - Double three - Great wealth.
  - Four - blank - disappointment in love; if the subject is a pregnant woman, this denotes twins, triplets, or more.
  - Four-one - good family relationships, a happy home.
  - Four-two - changes are in order; you may move, change jobs, change husbands, etc.
  - Four-three - an uneventful year of modest security and happiness.
  - Double four - growth in cultural, intellectual, or artistic matters.
  - Five-blank - avoid the attentions of one unworthy of your love; choose all companions carefully during this year.
  - Five-one - a new addition to the family.
  - Five-two - a very busy social calendar.
  - Five-three - a calm and well-adjusted way of life; a comfortable year.
  - Five-four - deep love of a romantic nature.
  - Five-five - success in financial and material matters.
  - Six-blank - news of a death.
  - Six-one - problems between parent and child.
  - Six-two - a lucky domino for those who are honest; but it foretells great danger for those who are not.
  - Six-three - lovers' vows spoken.
  - Six-four - you will find what you have lost.
  - Six-five - a new beginning, a new home, new business, new love, or a new hope.
  - Double six - this year you will do well in all you undertake.
- It is important to remember that no matter what means of divination you may choose to read your future, nothing that is predicted has to be. You have the power to change your future.
- The only value in having your fortune told is to find what is likely to happen in your life if you continue along the paths you now trod. Then, if you do not like what is predestined, you may take the proper steps to reverse it, and redirect your future along more favorable lines.
- No matter what the fates hold in store for you, may you all have a Happy New Year, and may the powers that be, be good to thee.

26555 TELEGRAPH at 11 MILE & I-696, SOUTHFIELD

It was just two years ago when an Observer Newspapers team sat down around a ouija board to foretell events of great consequence in Observerland.

The ouija board is a device for receiving psychical messages—either from the subconscious minds of the ouija board experimenters or from a discarnate personality, a spirit.

Typically, the surface of a ouija board has the alphabet printed on it in large-type capital letters, the numbers 0 to 9, "yes" and "no." A gliding "planchette," a tripod with a window, sits on the board. Three persons are required.

The board rests on the knees of two workers, their fingers touching either side of the planchette. The third person records the messages that show through the window as the tripod races around the board.

**WHEN THE OBSERVER** staff started this noble tradition, they had no idea of how accurate their predictions would be. Imagine their surprise when every single one turned out false. Now, 100 per cent results are hard to improve upon.

The reader is duly cautioned. Questions are printed in lower case letters, with the ouija board

answers following, in numbers, and capital letters.

(To the spirit on the ouija board.) Are you a man? YES

Are you familiar with this (geographic) area? NO

Can you help answer questions? NO

Is anyone there that can? YES

Can you put that person on the board? YES

Is the new person on the board? YES

Are you a man? NO

Are you a woman? YES

Have you ever been on a ouija board before? YES

From that side (meaning after death)? YES

Can you help answer questions about this geographical area? YES

Are you ready for the first question? YES

**Will Redford Township ever incorporate as a city? NO**

**Will Farmington Township ever incorporate as a city? NO**

**Will it ever consolidate with the City of Farmington? YES**

**When will it do that? List the last two digits of the year '74**

**Can we go on to the next question? YES**

## MYSTICAL ORICAL OUIJA

Geake as board chairman at Schoolcraft College? (Dr. Geake has been elected to the State Legislature and is prevented, by law, from retaining his seat as a trustee) EDWARD BDOC

Will Mary Dumas be forced to resign her position on the Schoolcraft board? (Mrs. Dumas was just elected a Wayne County Commissioner) YES

Who will replace her on the Schoolcraft board? CEQ (Q usually means question)

Is it Mark McQuestion? YES (McQuestion is a former Schoolcraft student, recent unsuccessful Democratic primary candidate for Wayne County board of commissioners)

Now that Farmington's Mayor Brotherton has been elected to the Oakland County board, who will replace him as mayor? Do you know the answer? YES

**Will it be Commissioners Richardson, Siebert, or Allen? NO**

**(Editor's note: The name of Mayor Pro-Tem Ralph Yoder was inadvertently omitted.)**

Who will replace Mayor Brotherton, then? TEXFATDTBEG

Will it be a man? YES

A local man? YES

Has he been in the administration? YES

Until what year will Ron Upton remain as Livonia school superintendent? 1973

Southfield's Mayor Norman Feder will leave that office January 1 to become a district judge. Who will replace him? ACOCBBP

Is it a man? YES

Initials, please. TAAAPDD

Several Observerland politicians have their eyes on high state office. Will any of them be successful? YES

**Will Livonia's Mayor Ed McNamara be elected to higher office? YES**

**When? 1984**

Will he be re-elected mayor of Livonia in 1973? YES

Will he be ill while in office? YES

Will one of his opponents in the 1973 race be Harvey Moelke, former Livonia Mayor? YES

Do you know anything about the Tonquish Creek Yacht Club (TCYC)? YES

Will the TCYC obtain federal funds to link Plymouth with the sea? NO

Will the swinging aqueduct be built? NO

**Will Plymouth schools capitalize on the nautical knowledge of the TCYC to institute vocational training in marine navigation, etc? NO**

Will the TCYC ever expand its membership? NO

Will Schoolcraft College become a four-year college? YES

When? 1983

What will that do to Madonna College? SWAP

Will Observer Newspapers go daily? YES

When? 1982
