was not good.

(The township had also received a letter from the health department recommending that sewers be provided for the Plymouth Hills subdivision because of septic tank and drainage problems in that area.)

Hamill said the change in the sewer project meant that several legal questions would have to be resolved - particularly whether the original project could be amended or whether a new project had to be written up.

When asked how soon the specifications and legal questions for that project would be worked out, Hamill said, "I really don't know."

Ralph L. Draper, whose real estate company represents at least one Ridge Road developer, asked the board at its March 13 meeting to extend the water lines.

TOWNSHIP OF PLYMOUTH **BOARD OF TRUSTEES** REGULAR MEETING **MARCH 13, 1973**

Supervisor McLaren called the meeting to order at 8:00 P M All members were present

READING, CORRECTING AND APPROVAL OF MINUTES - Regular Meeting, February 27, 1973. Elizabeth Holmes moved that the minutes be approved as presented. Supported by Russell Ash and carried unanimously Executive Budget Meetings, Feb. 26, 1973, March 5, 1973 and March 7, 1973. Gerald Burke moved that the minutes of the Executive Budget Meetings be accepted as submitted Supported by Gene Overholt and carried

READING, CORRECTING AND APPROVAL OF BILLS - Russell Ash moved to approve payment of bills in the amount of \$30,715.59. Supported by Gerald Burke and carried unanimously

NEW BUSINESS Donald Morgan, Kerr, Wattles & Russell. Re. Modified consent judgment - Marathon Oil Co & Koch vs Township of Plymouth Helen Richardson moved approval of the modified consent judgment of Marathon Oil Company and Koch vs. Township of Plymouth. Supported by Gene Overholt and carried unanimously

International Association of Fire Fighters. Re Requesting names of the Township Representatives to the bargaining Committee Supervisor McLaren recommended Mr. Dennis DuBay of Keller, Thoma, McManus, Topping and Schwartz, as the Township negotiator on the firefighters contract and appointed Gene Overholt and Russell Ash as observers Elizabeth Holmes moved to approve the recommendation of the Supervisor Supported by Frank Millington and carried unanimously William G. Peterson, 6044 Steadman, Dearborn, 48126. Re. Requesting

their name to be added to the list for a liquor license in Plymouth Township Russell Ash moved that the name be added to the list of people requesting a liquor license, without preference Supported By Helen Richardson The following roll call vote was taken

Yes F Millington, G Burke, E Holmes, R Ash, H Richardson, J McLaren No G Overholt Mr. Overholf stated that he thought a more detailed request should be

applied in learning the reasons for the request for these licenses. Mr. & Mrs. John Leich, 9167 Redbud. Re Presentation of public survey taken by the Observer Newspaper Helen Richardson read the communication to the Board and audience which was presented by Mr & Mrs John Leich The survey contained 88 replies in Plymouth and Canton Townships and showed that public safety was of the most concern to the biggest share of the people who did respond to the survey. The other items under consideration were: environment protection, recreation, social services for aged, health, public transportation, libraries and financial administration. Mr. Leich stated that in the item of public safety, no emphasis had been placed on any one thing. Sidewalks as well as other safety aspects were considered

Mr. Leich stated that house bill No. 5707 included money for the non motorist fund and that it would go to Wayne County, and that it may be of value when they widen Ann Arbor Road. Helen Richardson stated that the survey is complete and that it was well done but mentioned that 6/10 of 1% of the registered voters in Plymouth Township responded to this survey, and only 3/10 of 1% of the total population. Elizabeth Holmes asked Mr & Mrs. Leich how many times the survey was published? Mr. Leich answered that it had been in the Plymouth Mail-Observer 3 times in succession Russell Ash moved to take the survey into consideration and under advisement when the Board makes the determination of how the Revenue Sharing Funds will be used Supported by Gene Overholt and carried unaniously

Ralph L. Draper Real Estate. Re: Proposed extension of water line system to Ridge Road north of Territorial Road. Helen Richardson moved to approve the extension of the water line along N. Territorial from Beck Road to Ridge Road and Ridge Road from N. Territorial to the Detroit House of Correction and authorize the engineer to advertise for bids to be opened on April 24. 1973 Supported by Frank Millington and carried unanimously. Donovan Associates, Inc. Re: Proposed extension of sewer system, west-

After lengthy discussion was held on the questions as presented by Mr. Donovan in regard to the sewer extension to Beck Road, Russell Ash moved that the Supervisor request from the Township Attorney and Engineer those things requested by Mr. Donovan and that Mr. Donovan be allowed to attend a meeting at a later date for future discussion Supported by Gerald Burke and carried unanimously. Grant B. Alberts, Finance Director - City of Highland Park & Chairman of Communities in Opposition to the Detroit Edison Rate Increase. Re:

Urging Plymouth Township to endorse the unified effort and approve a resolution and financial support. Elizabeth Holmes moved that the subject be tabled to the next meeting and a determination made as to what the 1% to 2% of the street lighting bill would be Supported by Russell Ash and carried Mrs. James A. Levitte, 42529 Five Mile Road. Re: Clarification of zoning

decision of non conforming business of Dr. Fitch on Bradner Court. Mr. Millington moved that the Township seek a more detailed opinion from the Township Attorney as the exact reason why he feels we would lose in court as well as an opinion from MTA legal counsel Supported by Gerald Burke

Fredrick Davids. Re Dumping refuse and waster material on the Joseph Harb property on Plymouth Rd Gene Overholt moved that the Township take the initiative and call a meeting of J D McLaren. Attorney Morgan, Engineer Hamill, Joe Bida, Fred Davids, Joseph Harb, and Jim Briggs to view the site in the light of Ordinance requirements, as well as the safety factor and the possible hindrance to the Rouge River Supported by Gerald Burke and

Helen Richardson. Re Transfer of funds to overexpended accounts Gene Overholt moved to approve the request for transfers Supported by Russell Ash and carried unanimously

James Gignac Re Fire Department Schooling Month of April Gerald Burke moved that the Board approve the requiest of Chief Gignac to attend the Fire Department Schooling April 2 thru April 6, 1973 Supported by

Russell Ash and carried unanimously Fire Rescue/Ambulance specifications. Helen Richardson asked why Mr Gignac had stated the specific make of vehicle in his specifications and further stated that she believed this was a poor policy. Mr. Gignac explained

that any vehicle would have to meet Federal specifications including partitions in the vehicle, width, etc. Following a brief discussion, Gerald Burke moved that Mr. Gignac resubmit the specifications for the two ambulances in a manner consistent with Township policy to provide opportunity in any and all areas concerned and still remain within the guide lines established by the State of Michigan and Federal Government and submit to the Board members prior to Friday, March 16, 1973 Supported by Gene Overholt and RESOLUTIONS. Resolution and Agreement between the City of Plym-

outh. Charter Township of Canton, Township of Plymouth and Plymouth Community School District Russell Ash moved that the Board adopt a resolution approving the memorandum of agreement on the Recreation Authority procedure and further that the memorandum of agreement spells out the staggering of terms of office, whereby one member from each municipality would be chosen for one year the first year, and one member for two years the first year and all terms being for two years thereafter, also that the memorandum of agreement contains a means of escape clause for termination of agreement Supported by Gene Overholt and carried unanimously Donald Morgan. Re: Tanger School Sewer Agreement. Helen Richardson

stated that this is a formality, that on November 22, 1966 the Township Board approved this agreement and the School Board failed to do so, therefore, we are just reaffirming our decision of that time. She moved to approve the agreement as submitted and would move to authorize the Supervisor to sign the agreement for the Township of Plymouth Supported by Elizabeth Holmes and carried unanimously. Elizabeth Holmes. Re: Resolution approving the tax-levied water and sewer

customer accounts be paid in full from the Tax Collection Account, to be regained by the General Fund when paid through the delinquent tax collections. Helen Richardson moved to approve the following resolution. WHEREAS Ordinance No 21 of the Township of Plymouth requires

overdue water and sewer accounts to be placed on the tax roll of the Township of Plymouth and overdue accounts for Water of \$864.29 and Sewer of \$57079 were placed on the 1972 tax roll and whereas \$128.78 of Water and \$254 15 of Sewer are still uncollected THEREFORE BE IT RESOLVED. That the tax levied water and sewer custom

or accounts be paid in full from the Tax Collection Account to be regained by the General Fund when this account is paid through the delinquent tax collections, and WHEREAS 92 mill has been spread for Water and Sewer Debt payments equaling \$145,008 56 and some of this millage is still uncollected be it resolved that the full amount be paid from the Tax Collection Account to be regained by the General Fund when these amounts are paid through the delinquent tax collections, and WHEREAS: Our Annual Chapter 20 Drain Act principal and interest payments are also due at this time in the amount of \$52,243-29, and as 33 of a mill equaling \$52,013.94 was spread for this purpose, be it resolved, that this amount be transferred in full to the Long Term Debt Retirement Fund at this time the difference to be regained by the General Fund through the collection of delinquent taxes, and the balance of the payment to be made from funds on hand. Supported by

Frank Millington and carried unanimously. Russell Ash moved that the meeting be adjourned, supported by Gene Supervisor McLaren adjourned the meeting at 11:21 P.M.

Approved. J. D. McLaren, Supervisor

Nativity Pastor Gives Farewell Sermon Sunday

The Rev. Edward H. Reinhardt will deliver his final sermons as pastor of Nativity United Church of Christ at 9:30 and 11 a.m. Sunday, March 25. The church is at 9435 Henry Ruff Road, Livonia.

On April 1, Rev. Reinhardt will become pastor of Zion United Church of Christ in Hubbard, Iowa.

The Rev. Kenneth L. Kuebler of Wayne will be the interim pastor until the Nativity pastorate is filled. Rev. Kuebler is an ordained pastor in the United Church of Christ and has served as interim pastor in several Detroit area churches while maintaining his regular honored the Reinhardts at a profession as a public school teacher.

Mr. and Mrs. Reinhardt month. and their two children, Ann The Rev. William H. and Mark, came to Nativity Daniels, minister of the early in 1967 from Iowa. A Detroit Metropolitan graduate of Eden Theological Association of the United Mo., he served as pastor of guest speaker. coming to Livonia. There is also a jazz ensemble, directed by Dr. Lee Burswold, associate professor of music.

Stuart Uggen is director of the ensemble. He joined the faculty of North Park College

The words are those of Dr. Reuel L. Howe, who has headed the institute in the Cranbrook complex, Bloomfield Hills, since its inception in 1957.

During a press conference Thursday, he announced that Dr. John E. Biersdorf is taking over as the institute's director.

Dr. Biersdorf in turn announced receipt of the grant from the Lilly Endowment. which, he said, "allows us to do planning and developmental work and set us on a DR. JOHN E. BIERSDORF whole new basis."

> The institute's program under Dr. Howe had been providing conferences and seminars for church leaders.

> both clergymen and laymen. Dr. Howe, an Episcopalian writer, began the work largely with dialogues oriented to pastoral ministry, and most of those attending were Episcopalians.

chaplains, pastors in special his entry into Jerusalem, ministry and lay leaders, and "Hey J.C.... Won't You Smile they come from the Catholic At Me.' faith and an assortment of protestant denominations. Institute leaders hope their programs soon will include Jewish leaders.

At the outset, the institute was one of two in the country and the first group of participants numbered seven. Since them, over 5,000 have come to the Cranbrook conferences and more than 100 to seminars, and there are more than 100 such institutes all

Dr. Biersdorf formerly was executive director of the National Council of Churches department of ministry. He also has been lecturer in practical theology at Union Theological Seminary.

Dr. Howe will continue with the institute as a conference

'Superstar' Former Editor Sermons To Begin

The Rev. Philip Rodgers Magee of Plymouth's First Presbyterian Church will preach a special series of five sermons based on incidents in the musical "Jesus Christ Superstar."

The series begins March 25 and concludes Easter morning in the church, 701 Church Street. Services are at 9:30 and 11 a.m.

Entitled "Sermons From Superstar," the series deals with aspects in the life and teachings of Christ as reflected by people intimately involved in the events of His

The first sermon will be on the Apostles' song at the Last Supper, "Always Hoped That I'd Be an Apostle." On April 1, the talk will be on Herod's jeering request, "Walk Across My Swimming Pool," and on April 8, it will be on Pilate's aloof question, "Who is This Broken Man Cluttering Up My Hallway?"

On Palm Sunday, April 15, More recently, the institute the sermon will be based on has included teachers, the crowd's cry to Jesus at

> "When He's Cold and Dead, Will He Let Me Be?" Mary Magdalene's reflection, will be the subject of the Easter Day sermon.

Bob McClellan Dies In Crash

Funeral services for Robert F. McClellan, 41, former assistant news editor for Observer Newspapers, were held Friday following his death in a highway crash.

Dearborn police are seeking the driver of a hit-run vehicle which witnesses said caused the three-car collision. McClellan, who became a

sports department copy reader for the Detroit News after leaving the Observer in March of 1971, was enroute to his Westland home after completing his work shift at 4:30 a.m. Tuesday. The accident happened at 5 a.m. on I-94 at Michigan.

McClellan was driving in the middle lane when his car was struck by a vehicle on his right and crashed into an Guide before joining the Obnesses as saying. The third 1970. car, on McClellan's left, He had attended Wayne

Rock Matmen, You're Great

EDITOR:

Last night our family and guests were spectators at the wrestling match of Plymouth vs. Dearborn. What a match!

I am an avid sports fan, but wrestling was not one that interested me. My favorite term for it was the grunt, moan, and groan sport, and my first awareness of the art of wrestling was during this year's

Olympics. Our son decided to participate in wrestling mainly as conditioning for football, and as the weeks passed he has received more than just conditioning. Thanks to the coaching of Ron Krueger, along with Dan Chrenko and Larry Phillips, this group of Rocks is

The team's discipline, loyalty, spirit and pride are the intangibles, all interwoven with their respect for one another and they are coming across on that score - board as a winner.

Plymouth sports enthusiasts, this team is only in its second year and some of the members are wrestling for their first year. As of now they're undefeated in the league and came in second at Catholic Central. And it's just the beginning.

The news media has only reported the bare facts and I, for one, know there is much more to the story.

You're fantastic, Plymouth Rock grapplers. MRS. T.J. FIDGE Plymouth

> INTEREST WITH A BONUS

An investment in John Wesley College will net you more than just 9% interest on your money, although that's a pretty good thing in itself!

But some people want more out of life than money. Our investors get an added bonus. They have the satisfaction of knowing their investment dollars help to

educate young people. This year at John Wesley College we enrolled the largest freshman class in the 63-year history of the Owosso Campus. Additional housing must be provided, present facilities must be renovated and expanded to accommodate the increase.

Would you like a 9% investment with a bonus? One that will make a difference in the lives of hundreds of young people?

Fill out the coupon below, or call us collect, and we'll provide you with information on how your money can earn 9% interest with a bonus.

Yes! Please provide me with information on your 9% annual interest program.

your home spring into welcome

By CAROL KATZ

Spring arrived last Wednesday and the world is busy blossoming and turning green.

And, as everyone knows, spring is the time when a homeowner's fancy turns to thoughts of home improve-

How to capture the spirit of freshness and vibrancy in the air and bring it into the world you know best your own home?

How to chase away the winter doldrums from your rooms so that you can greet the spring season on its own fresh, bright terms?

Look about you. Now is the time to liven up that drab bedroom. The time to finally do something about that

And now that spring is here, summer can't be far behind. Are you ready for the backyard barbecue scene? And how will your garden grow? inconvenient kitchen or bathroom that you're always complaining about has

We've talked to scores of Observer-landers, from do-it-yourselfers to professionals, who are glad to share their know-how and ideas with you. Explore with Focus the wonderful worlds of paints, wallpapers, land-scaping techniques, do-it-yourself projects extraordinaire, as well as the amazing new products available now for the greatest of ease in your own home improvement campaign. Spring has arrived. Are you ready?

Ten Projects To Create A Lot Cost Little, Add

If you're a klutz on a budget, don't

despair.

You can still bring spring into your house in a number of dramatic ways that require little money and practically no technical know-how.

If you are a dedicated home improver, you are probably in for a pleasant surprise when you come to sell your present home.

Perhaps you will want more space because your family is larger. Or maybe you and your wife would like a smaller house to take care of once the children are grown and off on their

Whatever reason you may have for putting your house on the market, the chances are when you do, you will find it is worth considerably more today than when you originally purchased it.

Power Saver air conditioning

Whirlpool

Just about anywhere in the country, a well maintained home in an attractive neighborhood should fetch an appreciably higher price today than when it was originally purchased.

This holds true even if you have made no improvements on either the house or the land since you purchased the property. However, as Robert W. Johnson, president of J.I. Kislak Mortgage Corporation, points out, most people have made changes in the house they bought in line with

SPECIAL PRE-SEASON OFFER 25,000 BTUH (ARI)

whole-house air conditioner gentle on your electric bill

\$49500

their family's own needs and, quite often, these improvements also add to the value of the house when it is placed on the market.

The Kislak executive's view is worth noting since the company he heads is one of the nation's largest mortgage bankers and a leader in arranging for FHA and VA home mortgage loans.

At the same time Johnson cautions the propsective home seller against expecting a dollar-for-dollar return on every improvement which has been made. For example, changes that you made to add to the convenience or confort of your family may not be so highly thought of by every prospective

SAVES UP TO YOUR ELECT

A recreation room, converted, from basement space, however, or a family room added on to the original house represents an important addition and the homeowner who has made this improvement should expect that 70 per cent to 80 per cent of his cost can be recovered in the selling price.

Regional difference will also affect the "return" value of the improve-

ment. A case in point is the outdoor patio, practically taken for granted in southern states where the climate makes it a useful addition to family living space nearly all year long. In contrast, a patio area in New England, Michigan or Minnesota, even though it may enhance the overall appearance of the plot and setting of the house, can only be put to full use from late spring to early fall. In this case, perhaps no more than half the cost can be added to the asking price

Additions which the Kislak executive points out as having a high percentage of recovery are: a second bathroom in a three or four bedroom house, a lavatory addition on the ground floor of a two-story house, the addition of a third bedroom to what was formerly a two bedroom house (if the third bedroom is of comparable size to the others) and a fully modernized kitchen.

wallpaper for which you paid \$17 a roll may strike another person as a terrible waste of money. Other prospects may not be impressed by wall-to-wall carpeting and the same may be true of expensive and unusual lighting fixtures. A new exterior paint job may make the house look more attractive to prospects but the cost should be considered a normal main-But don't expect to recapture very much of the cost of landscaping and other cosmetic changes, Johnson warns. Tastes differ, and the flock

should be contended this any reason to hold back on home improvements? "Certainly not!" says the Kislak Mortgage executive.

purpose of buying a house is not to sell it later on for a profit but to provide a good place to live based on your own individual life style.

"It is always possible, of course, to overimprove a property in terms of the value of neighboring homes," he added, "but generally the changes and additions you have made to make your house more satisfying have paid for themselves if they accomplish this. The dollar value when the time comes that you want to sell the house is a pleasant extra."

KAREN'S SUNKEN LIVING ROOM is decorated in rich tones of blue and gold. She envisions it as an elegant setting for parties.

Plans For Dream House Plymouth Teen Details

Karen Grimmer, a senior at Plymouth's Salem High School, is a girl with a dream.

Unlike most dreams, however, Karen's has been carefully planned, measured and coordinated on paper -- a project which took her an entire semester of work to complete.

English tudor mansion, came about as a result of a home economics course she took in "Housing," taught by Plymouth instructor Merle Atchinson. dream, a romantic Karen's

Working within a budget, each student was required to design a house for an imaginary family, specifying locations of furniture on a specially drawn-up plan. Styles and colors of the different pieces of furnicolors of the different pieces of furniture were represented by magazine pictures pasted in a special album. Swatches of drapery and upholstery fabrics were included as well.

edroom dream house, estimated a cost of \$103,000 is a bit high r the average budget. But the udget of her imaginary family is far that her budget of Karen

is an attorney, "Brian" who makes a tidy \$90,000 per year. The wife, "Karen" holds down a job as a home economics teacher. The two children, "Kimberly Anne" and "Christopher Alan," are outdoorsy types who enjoy The head of Karen's mythical family an attorney, "Brian" who makes a horseback riding and swimming in the country setting of their idyllic home.

eve family, Karen has library/study for Brian on briefcase. The wife can enjoy her own sewing room as well as a kitchen that was planned for elaborate cooking when he brings home his make-believe planned a librar the nights when

Recause they entertain a lot, Karen's family enjoys a 23'by 17' sunken living room complete with a grand piano, fireplace and bay window. To complement the grandeur of the room, Karen has chosen upholstery fabrics of royal blue and gold for

KAREN GRIMMER

the richly dark pieces of Jacobean furniture.

Karen carefully planned a color scheme of blue, yellow and green throughout the entire house, except in the sewing room for which she has selected yellow and orange.

Karen's course in "Housing" has given her some concrete ideas on home planning. "I think everyone should do this," she advised. "So many people start out with bare rooms and then begin accumulating things that they're sorry about later on. Good planning can eliminate many mistakes." Her scrapbook, "Our Home," is filled with samples of drapery fabric for every room. Furniture, selected to go with the exact dimensions of the house, is represented in her scrapbook by magazine pictures that she felt suited her needs.

What about you? Even if your budget falls short of a \$103,000 house, there's nothing to prevent you from dreaming of what you'd really like and then trying to achieve it with the available funds.

If you don't have a dream, after all, how are you going to make a dream

come true?

Painting Just Gets Easier And Easier

1

Once thought of as an exclusively male task, painting is now being done by more and more women.

tion, they are popular for such things as bicycles and garage doors.

Small pieces of furniture, once moved into the garage or basement, can be spray painted as well for push button decorating.

Many of the customers of Albert Margolin of Livonia Hardware are women whose husbands, often working two jobs, simply don't have the time for painting chores.

But today's paints, being what they are, make it possible for even the greenest novice to accomplish a paint job with ease, speed and a minimum of mess.

sive paint build-up, look to the various paint removers now on the market. Spread on surfaces with a spatula, these products reduce old paint to a gummy substance which can easily be removed with a rag.

LATEX PAINTS, which are becoming more widespread than ever before, have greatly helped to simplify the painter's life.

More easily applied than oil based paint, latex will dry in as short a time as 20 minutes. If often requires no thinning, and -- wonder of wonders -- can be cleaned up with soap and water.

Available in flat tones and semi-gloss, the newest latex paints also come in the currently fashionable deep toned colors.

Spray paints, which stop rust, can be used over metal, wood and wicker surfaces. While not for indoor applica-

CREATE YOUR OWN instant anglutes through use of the many antiquing kits now on the market. A glaze, applied after the paint, can give any piece of furniture a rich, mellowed look as though it had aged gracefully through many seasons. A coat of varnish will nicely preserve your antiquing work as well as lending to it a pleasing gloss and depth. Probably the most difficult thing about painting these days lies in the getting ready—the moving of furniture, the removal of pictures from walls, the laying of drop cloths.

"But when they find out what's available in today's market they usually become more enthusiastic," said Mrs. Stuebing, who sells countless rolls of wallpaper to Observerlanders on the home improvement kick.

The actual painting has never been

Wallpaper just isn't what it used to be! And that's good!

 Paper the inside of a closet for a cheery feeling when you select your daily wardrobe in the morning.
 Include closet doors in your decorating scheme by covering them with paper panels. There's no rule that closet doors have to be drab and dull!
 Save yourself some laundry chores by applying paper borders around your kitchen windows and

Once persuaded to get with it, however, even the most consgruative seem to live happily with the drama of today's wallpapers.

Stuebing's experience ever come running back in desperation, full of regrets at having chosen a pattern that is driving them mad.

"More people are using wallpaper today than ever before," commented Mrs. Stuebing, who attributes this trend to the increase in dry walls in If you're looking for ways to spruce up your house for spring, try some of the following tricks with wallpaper that are being done in other Observer area homes. They'll add warmth and character to your rooms as well as a unique mark of individuality. modern homes

around your kitchen windows and filling them in with shutters instead of

Observer Newspapers, March 24, 1973 Many Do-It-Yourseffers Wallpapering Attracts

The appearance of wallpaper has changed drastically, as well. Vinyls, which used to have a shiny look suitable only to certain rooms, are new made with a matt finish that can be put anywhere. The mod "wet" look is still popular for teen-agers' rooms.

METALLIC LOOKING FOILS are add widely in bathrooms. Although used widely in bathrooms, although they are popular in all rooms with a distinctly modern feeling.

WHEN IS A FOREST, not a forest? When it is this illusory black and white forest wallpaper which increases the room's floating, timeless look.

Textured grasscloth keeps getting handsomer all the time and remains a classic favorite for people willing to pay over \$20 per roll.

Eye feeling vinyls for people on a budget are now made to look like grasscloth, cork, burlap and wood. These papers are popular for office and commercial use.

Patterns and colors are currently going wild. "The rule used to be to use a small print for a small room."

Mrs. Steubing recalled. "And save the big prints for larger areas."

That's not true any more. Bold, vivid and brilliant patterns are being used everywhere. "The conservative person is having a hard time finding designs to suit his tastes," she explained. "Many people are afraid of color and afraid to be bold."

Paper your bedroom ceiling.
 You'll have something pretty to look at while you are lying in bed.

nenkelman div.

AN IMPRESSIVE GEORGIAN COLONIAL long odmired as a PLYMOUTH LANDMARK and designed by an internationally known Architect. Well proportioned and exceedingly detailed in design, this fine home offers nearly 8 of an ACRE, 5 or 6 bedrooms, 4½ baths, 2 fireplaces, and a wonderfully spacious entry hall with a dramatic circular stairway. Many exceptional features to be found in this stately home. Inquire for full particulars.

A COUNTRY ENGLISH HOME of impressive livability and design appeal. Nearly an ACRE of beautiful grounds and effective uses of plantings. Keep Yourself and Your Garden Healthy Watch Out When Using Pesticides

dusts and wear protective clothing and a mask when using. A handkerchief fitted to the face and long-sleeved shirts and gloves will help prevent excessive inhalation and 3. Don't inhale pesticide sprays or contact with the material. All pesticides are poisonous to some degree to warm-blooded mammals. They should be handled cautiously to prevent poisoning pets. livestock, children, or the user. When using any chemical observe the following safe-use procedures:

1 Always read the label before using any chemical. Note warnings and cautions each time before opening the container.

4. If you spill sprays or dust on the skin or clothing wash yourself immediately with soap and water and

launder your clothing before wearing

it again

2. Keep chemicals out of the reach of children, pets, and other irresponsible persons. Pesticides should be stored in their original containers outside the home and in a locked cabinet or shed.

applying hormone-type herbicides and separate equipment for applying pesticides. This avoids injury to susceptible plants. 5. Dispose of empty pesticide containers in trash or by burning or burying them. When burning them, avoid inhaling the smoke. vegetables, fruits, livestock, or garden soils unless the label specifically denotes it is safe to do so. If in doubt ask someone who knows. 7. Do not apply an insecticide to Use separate equipment for 8. Dispose of excess spray mixtures

correctly by dumping them into a sanitary land fill dump. If such a dump is not available dig a hole at least 18 inches deep, pour in the excess spray, and cover the hole with soil.

dispose of them in soil which will later be used for growing edible plants Be sure not to dump excess spray into sewers or drains material

be used for growing edible plants.

9. Do not apply an insecticide when there is danger of drift to other areas either by wind or water.

Then Try Growing Organic Foods Want To Be A Gardening Purist?

A GROWING HOBBY: ORGANIC GARDENING

pesticides, advocates of organic gardening have increased in number Shunning chemical fertilizers and

crop from persistent insects, use rotenone or pyrethrum. Both of these insecticides are plant products and have low toxicity.

 If you are forced to abandon your purist notions in order to save the

> They claim that organically-grown foods not only taste better than their artificially treated counterparts, but artificially treated counterparts, but also that the "natural" varieties are healthier, being uncontents.

Whatever the merits of the arguments, presently the commercial farmers cannot produce enough without the use of fertilizers and chemicals.

But as a hobby or growing a limited amount, organic gardening can be pleasant and rewarding.

 Avoid growing vegetables that are prone to attacks by insects.

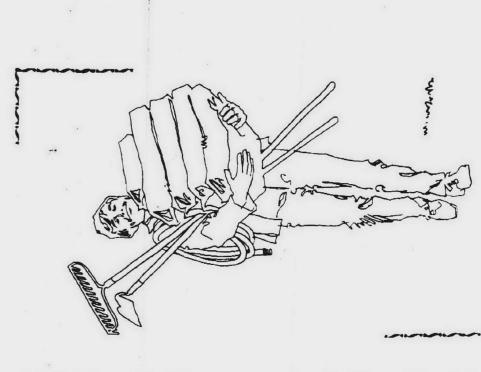

Cabbages, cauliflowers, broccoli, and potatoes are prime targets of insects.

• Grow special resistant varieties. Here are some tips for you organic gardeners.

They are classified as such in seed artificial manure catalogs.

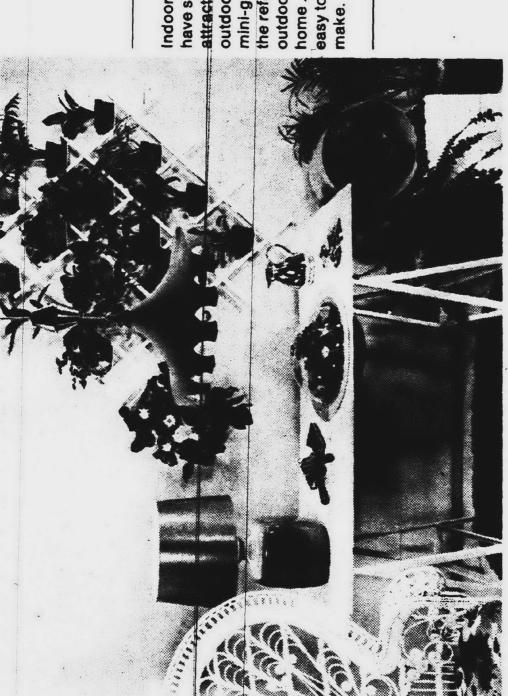

(compost) to give the soil adequate nitrogen, phosphorous, and potash.

• Great exercise, but hard on the back, you can handpick Colorado potato beetles, tomato hornworms, and other larger insects.

The Ground Up With A Well-Cared-For Lawn From Landscape

Your lawn is to your garden as your carpeting is to the interior of your home. Thought of in this way your lawn should affect your choice in the types of shrubbery, trees, flowers and other plant accessories best suited for your garden.

tolerant variety like creeping red fescue. Available varieties include Pennlawn. Wintergreen, Rainier, Illahee, Olds, and Trinity Red Fescue, which spread by underground creeping stems, and Chewings Red Fescue, which has a bunch type growth habit.

also have practical functions such as stabilizing mud and dust problems, muffling noise pollution, and providing a cool and comfortable recreation. Your lawn can be a showplace and

Pentlawn has been the preferred red fescue variety in Michigan owing to it superior drought recovery capability and better low temperature

It can, in short, offer escape from a concrete and black top world.

A quality lawn requires that we stick to three basic principles of lawn

widely used turfgrass in Michigan and is best adapted to well-drained, fine textured, fertile soils. It is a perennial, cool-season species which has good sod forming characteristics.

Kentucky Bluegrass is the most

to the condi-Be careful to follow the right 1. Select turfgrass adapted specific environment and soil

shaded, rough bluegrass is recommended. But this variety will not tolerate traffic or hot, dry conditions.

If your lawn area is moist and

soil conditions by mowing procedures.

3. Insure proper soil conditions by fertilizing to meet minimum nutritional requirements.

CORRECT MOWING

Permanent turfgrasses, such as Kentucky Bluegrass and Red Fescue, should compose a major portion of THE CORRECT TURFGRASS

Mowing height depends on the grass variety. Generally the popular grasses and their suggested mowing heights are: Frequency of mowing depends on the growth rate of the turf. You should not remove more than one-quarter to one-third of the total leaf area at any Kentucky Blue -- 1 ½" to 2"
Fescues -- 1 ½" to 2"
Bent grasses -- ¼" to ½"
Merion Blue -- 2" to 2 ¼" most lawn turfs in Michigan.

Low priced, rapid-growing seed mixtures are generally a poor buy since they may contain large quantities of temporary and weedy perennial grasses which may spoil a fawn. shade-In dry, shaded areas plant a

playground and recreation facility for the entire family.

An attractive lawn is not only pleasing to the eye, it is also a "natural"

A vigorous, attractive turf requires adequate fertilization. A reliable soil test for pH, phosphorus and potassium every five years can be helpful in planning a program for fertilizing a PROPER SOIL CONDITION

You can obtain a representative soil sample by collecting 15 to 20 small samples with a narrow garden tool or soil probe from widely scattered areas

These should be taken to a depth of about 3 inches with the grass and in the lawn.

one mowing. Also, vary the direction

of mowing.

airdried, and sent to a modern soil testing laboratory for analysis. Specify The soil should be mixed well, thatch discarded

whether it represents a new or an established lawn.

lizer high in nitrogen, but containing some phosphorus and potassium is suggested at least once a year. Subsequent fertilization may be with the same fertilizer or nitrogen If a soil test is not available for an established lawn, selection of a ferti-

the ground.

PERFECT H established. MICHIGAN CLIMATE

Michigan's climate is particularly well suited to ground cover plants. The thick, spreading growth of ground covers help delay the alternate freezing and thawing of the soil, helping the plants to grow.

Ground covers are slower than grass in covering bare ground. Consequently weeds might be a problem, Water your plants regularly and ow the water to penetrate deeply o the soil, but don't water so heavi-Fertilizing, mulching, weeding, and watering are the main requirements of Fertilize the plants in winter and again in the early spring. plants as it might break the roots and could promote germination of weed weather is dry and the temperature is A mulch of wood chips, straw, or other organic refuse will control most weeds, as well as retain moisture in Be careful not to dig around the that the soil becomes soggy. Even winter watering will help when the especially in the first year WATER REGULARLY ground cover care.

A winter with very little snow could be harmful to your plantings. With no snow covering, direct sunlight might cause permanent damage as a result above freezing.

Here's How To Enjoy Your Own Vegetable Garden... It's Easier Than You Think And Can Beautify Your Home

A classical vegetable garden with its borders of dwarf fruit trims paths of turf, adding to its beauty.

You can do something about the high cost of produce. and get plenty of pleasurable leisure time as well.

Start your own home vegetable garden.

And you don't need an estate-size lot in which to situate your garden. You'll most likely be surprised at the amount and variety of vegetables a small section of ground will yield. WHERE TO PLANT An increasingly popular creation, well-planned and cared for home vegetable gardens are also an attractive addition to the landscaping.

Success of your garden depends

factors:

ground should be selected. And when the rains come, be sure you are prepared by selecting an area that drains well.

high-quality vegetables plenty of sunlight is needed. Don't plant near buildings, shrubs or trees that may shade your garden. If planting near shade-producing objects is unavoidable, situate your garden on the south or southwest side of the object.

greatly on location, and although you may be limited in deciding where to plant, you should consider the follow-

that are new on the market. Catalogs of most companies are available from December through spring and include

information that cannot be printed on small packets. Most garden maga-zines list names and addresses of seed companies. NEIGHBORING PLANTS -- Avoid a location near trees and shrubs because they compete with the garden crops for soil moisture and

Take the time to prepare a seedbed, otherwise the first sight of green coming from your garden may be weeds instead of young vegetable water supply near your garden site.
Before the plant crops break ground and while they are young they will require frequent watering. WATER SUPPLY -- Try to have a

vegetable. Generally planting should be done in the months of April through June, with planting activity reaching a zenith in May. WHEN TO PLANT depends on the Choose a garden size to fit the type of vegetables you plan to grow. Don't become overly-enthusiastic and plant a garden that is too large and will demand too much of your attention. This mistake could turn your garden.

PLAN BEFORE YOU START

The actual planting should be done in straight rows, which makes for an

Also the size of the plot will to some degree dictate the type of crops it will support. Vegetables such as

If space is severely limited it's smart to grow particularly productive crops such as snap beans, tomatoes, summer squash, and peppers.

vine-type squash generally require a plot at least 25 feet by 25 feet cucumbers, melons, potatoes, and

season and growth characteristics.

Perennial crops such as asparagus and rhubarb should be segregated along one side of the garden so they will be out of the way during spading Remember to group early-planted crops at one end of the garden so that you can spade or plow as you plant. When possible plant tall-growing crops to the north or west of lower-THE WISE GARDENER will raise vegetables according to their growing their seed through seed catalogs which offer large varieties and seeds growing crops to avoid shading.
