

THE FAMED BELL which served as the trophy of the Plymouth-Northville football rivalry for 17 years before it was cast aside in 1969 when the new football schedules excluded the game, was resurrected Friday night. The bell was found by Lori McAllister, a Plymouth-Canton cheerleader, who got it from the garage of a former Plymouth High School cheerleader to which it had been

banished. The Canton Chiefs lost the game to the Northville Mustangs (details on today's sports pages) but the tradition has been renewed. Posing with the bell are (from left): Sue Petrits, co-captain of the Canton cheerleaders, Lori McAllister, and Jodi Overholt, co-captain of the cheerleaders. (Observer photo by Bob Woodring)

BINGO: Sponsors Aren't Among Winners

By MAURIE WALKER

Maybe you've thought of bingo as a key to get from rags to riches, but the groups sponsoring the game in the Plymouth area are finding that's not true.

At least not for them anyway.

This is revealed in a Plymouth Mail and Observer survey of three Plymouth groups who are presenting weekly bingo games.

The Plymouth Civitans Club, the Elks lodge at 41700 Plymouth Rd., and the Plymouth Hockey Assn., all report their first few games have cost them money.

"We expected this. It takes awhile for word to get around that we are holding weekly games," said Gene Kafila of the Civitans.

The Civitans Club, which started the games Sept. 10, has had an average attendance of 150 for the three weeks.

"We are very happy with the turnout. We've nothing to be ashamed of. Our prize list is good, and we feel certain attendance will increase as time goes on," Kafila said.

He added that his club's game night, Mondays from 7 to 10 p.m., is the same night and time the Elks hold their games.

Kafila expects that when work spreads his club is holding weekly bingo games, the "died-in-the-wool" bingo fan, the one who follows the games in the area, will start coming to theirs.

"We were worried the second week, Sept. 17. We knew we were competing with two big television shows, a football game and the widely publicized movie, 'Play Mis-

ty for Me.' Surprisingly enough, our attendance increased considerably over the first week."

He said he believes pay days have a lot to do with attendance.

"Some persons get paid twice a month. I think this helped our attendance on the 17th."

No Charges Filed In Hayride Crash

There will probably be no criminal charges lodged against the drivers involved in the Sept. 22 hayride crash at North Territorial and Napier roads in which two persons died.

A spokesman for the Washtenaw County Sheriff Dept. which investigated the accident revealed that Monday but added there is still a possibility that traffic citations may be issued.

The crash occurred when a car driven by Gary E. Wood, 25, of 33010 Akron, Westland, struck a hay trailer which was being pulled by a car driven by Thomas H. Anderson, 43, of 4953 Venoy, Westland. Several persons were on the hay wagon.

Witnesses said the hay trailer had no lights on the back and that the car which struck it was travelling at a high rate of speed.

The two men who died in the accident were: Johnny Lee Bell, 29, of 315 Roe, Plymouth; and Charles W. Leasure, 34, of 408 N. Linville, Westland.

The Elks Lodge reports a "fair turnout" in the two games it has held since Sept. 17.

Linda Nicolls, assistant manager, said the lodge hasn't made any money in the two games, but "we expect attendance to pick up in the weeks to come."

She said the first night

someone won a \$300 jackpot, that \$1,200 was paid out for the evening.

Attendance, limited to Elks and their guests, has averaged 180 persons for the two nights.

She said competing with the Civitans on Monday nights was unavoidable, since "this was the only night we could schedule the games."

The Plymouth Hockey Assn., which holds its games on Sunday night, is "just about breaking even," except for rental of the cultural center's auditorium.

Mrs. Geraldine Dugan, in charge of the games, said the first week it offered games, there were 105 persons playing. The second week, attendance rose to 120 persons.

"We really wanted to have a week night for our games but had to take Sundays since the center is busy all week," Mrs. Dugan said.

"We were afraid we might get objections to the Sunday games from some church groups, but so far no one has objected."

Hours for the games the first two weeks ran from 7 to 11 p.m., but "we are cutting the number of individual games from 15 to 12 and expect to finish about 10:30 p.m.," Mrs. Dugan said.

She explained that there had been some complaints about the game lasting too long.

"We haven't made any money yet, and we can't afford to hang on too long, but are hopeful as word gets around, our attendance will increase."

The three groups have been awarded bingo licenses by the State Lottery Commission.

Commission Hopefuls Split On Consolidation, Municipal Income Tax

By EDWARD WENDOVER

Plymouth voters can soon expect to see the eight city commission candidates off and running for the four seats up for election.

And the race promises to be one where the voters will have a choice because the candidates are of different minds on the issues.

Responding to questions posed by the Plymouth Mail & Observer, candidates were divided on their feelings toward consolidation, a municipal income tax and the 15-mill tax limitation.

They were allowed an equal amount of space although they did not all use it. Their complete statements appear inside today's paper.

They were asked to respond to these questions:

•Do you favor consolidation of Plymouth and Plymouth Township? Why or why not?

•Would you consider a municipal income tax to provide revenue for the city? Why or why not?

•Should the existing 15-mill tax limitation in the city charter be inclusive of all city services? Why or why not?

The eight candidates are: Norbert Battermann of 1440 Palmer; Joseph Bida of 585 Hamilton; John Charles Cummings of 766 S. Mill St., Apt. E-5; Mahlon D. Green of 236 E. Ann Arbor Trail, Box 211; John W. Moehle of 1279 W. Ann Arbor Trail; Paul W. Muller of 1480 Hartough; Bernard D. Schmitz of 1386 Beech; and Donald B. Watkins of 660 Burroughs.

Battermann is the only incumbent seeking reelection. Commissioner Harold Guenther chose not to run again.

Mayor James McKeon and Commissioner William Silvis are barred from seeking reelection by the city charter which prohibits more than two consecutive terms on the commission.

On the consolidation question, Battermann, Bida, Cummings, Green, Moehle, and Schmitz favor consolidation while Watkins said he felt "partial unification,

Candidates' Statements Appear On Pages 5-7A

choosing areas that want to be annexed" may be better. Muller said he would support a study on consolidation to point out its "positive and negative aspects."

Battermann, Bida, Green and Schmitz cited duplication of effort as one reason for consolidation.

Municipal income tax — (only if accompanied by a reduction in property tax — was said to be a possibility by Battermann, Bida, Muller and Watkins.

Cummings said an income tax "may have the potential to lessen growth of the city," while Green said he favored a municipal income tax "with proper jurisdictions so as to eliminate the aged and other certain persons."

Moehle said he favored economizing in the city government rather than more

taxes and Schmitz said that the new state laws providing for property tax relief would benefit "the majority of citizens" more than a municipal income tax.

The question on the 15-mill tax limitation drew a varied response from the candidates.

Battermann cited the state act which permits cities under 150,000 in population to levy up to two mills in tax for refuse collection in addition to a charter limitation of millage.

Thus he said, the 1.5 mills levied now for refuse removal would not be counted in computing the total levied millage. (The total amount now levied by the city is 14.85 mills including the refuse removal portion.)

Bida, Cummings and Watkins disagreed with that

idea, saying that the 15-mill limitation should be all-inclusive.

"Let's not hide something with an extra levy for garbage or any specific service which already is part of the system," Bida said.

Schmitz said the "15-mill limitation restricts any long range planning or capital improvement program. I believe a progressive city must have a funded capital improvement program."

Moehle recommended that the city request a State Attorney General's opinion on the matter.

Green said he would have to study the issue more before commenting and Muller did not discuss it at all.

Cummings and Muller also discussed downtown revitalization in their statements and Moehle said one important goal for the city was "goal setting and planning."

Green also discussed trains blocking crossings, pollution, and said he favored a strong mayor form of government and elimination of the city manager post.

Circuit Court Gets Lee-Peer Trial

By MAURIE WALKER

Terry W. Lee, 18, and Henry E. Peer, 25, both of Plymouth, have been bound over to circuit court on the second degree murder charge in the Aug. 19 death of Karl Godina, 19, of Livonia.

A similar charge against Phyllis Williams, 26, of Livonia, was dismissed by District Judge Dunbar Davis. Lee and Peer face arraignment Oct. 16 in Wayne County Circuit Court. Both remain free on \$10,000 bond.

In dismissing the case against Miss Williams, Davis said testimony of eye witnesses to the fight, which allegedly caused Godina's

death, stated Miss Williams swung at Godina with a cat-paw bottle, but had not actually hit him.

Witnesses said the fight in a restaurant started between Lee and Godina. Peer later joined in. They also said Godina had been knocked down, stood up, and then fell dead.

The hearing Monday before Davis had been twice postponed while defense prepared a motion requesting dismissal.

The motion resulted from conflicting evidence by prosecution witnesses at the pretrial examination.

The prosecution had charged the trio beat Godina in a Plymouth Township restaurant. It also said he had been kicked and stomped upon, resulting in his death.

Dr. George Russanow, an assistant county medical examiner, told the court at that time that Godina died of "manual strangulation" and not from a beating, as charged. He said there were no serious bruises on Go-

dina's body that would cause death.

Judge Davis said no other medical opinion had been given or requested.

"Based on the medical examiner's report, we must assume death was caused by strangulation," he said.

None of the witnesses at the pretrial examination in August had testified to seeing Godina grabbed by the neck in a way that would cause strangulation.

Wayne County Sheriff detectives however, said that at initial questioning of witnesses there was a great deal of conflicting statements as to how the fight started and what took place.

A second assault charge against Lee, resulting from a fight Sept. 7 in which Robert E. Wallace was stabbed, was dropped by District Judge Robert Fink last month.

He had been charged with "assault with intent to commit murder" but had "passed" five polygraph tests.

Friday Edition Has New Size

The home town newspaper delivered to your doorstep this weekend will not only be a day earlier, but will appear in a new, compact format.

The Friday publication date, announced several weeks ago, will begin Oct. 5. The product will be a streamlined offering — the suburban equivalent of a Sunday feature magazine.

The six-column tabloid format will highlight photos, human interest stories and things to do on the weekend, said Philip H. Power, publisher of Observer Newspapers.

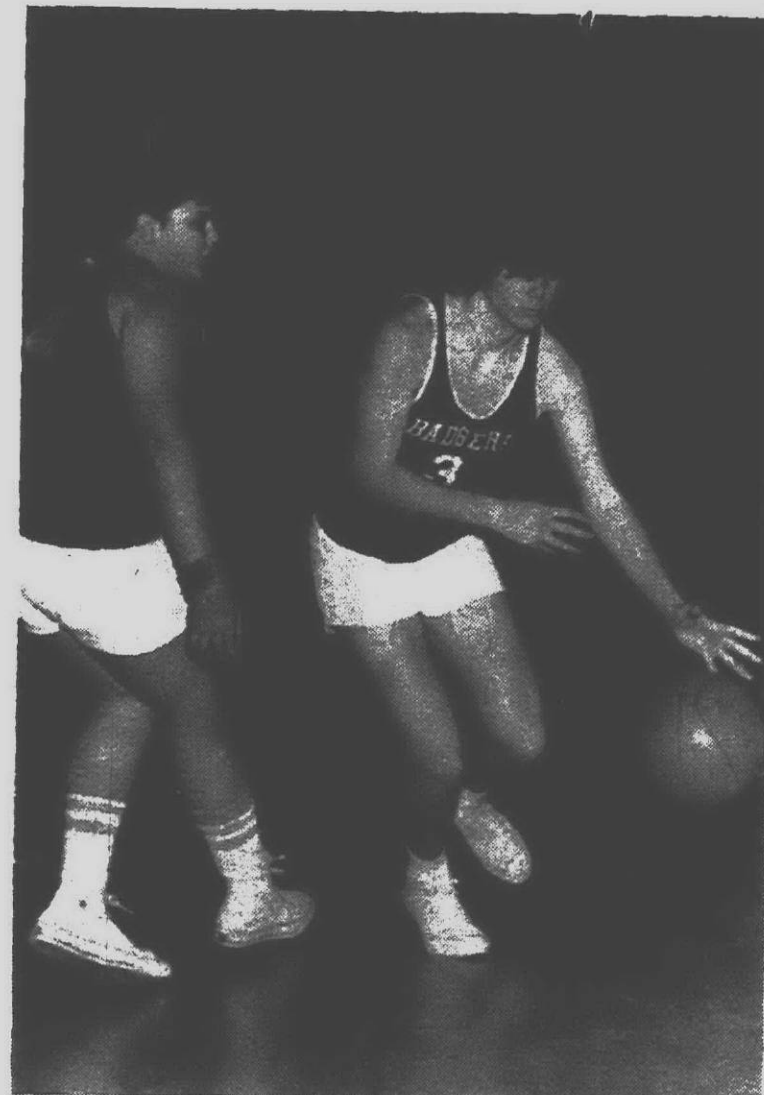

"Our coverage of Sports, Life and Religion will continue," said Power, "but we will place a new emphasis on leisure and human interest columns. The Friday deliv-

ery will be a better break for the shopper, the advertiser and the delivery boy."

News deadlines will be on Wednesday instead of Thursday. Classified advertising deadline is 5 p.m. Thursday instead of Friday.

Weekend editions will also appear in Garden City and Westland, where the Observer was previously published once a week.

The compact format will conserve scarce newsprint during the current shortage, but the idea had been considered for some time. "The newsprint shortage brought the idea off the drawing board," said Power, "and our entire staff is anxiously awaiting the challenge of a new product. We are sure the readers will like it, too."

JUNIOR BASKETBALL REGISTRATION will be held the first three Saturdays in October, on the 6th, the 12th and the 20th, from 9 a.m. to 2 p.m. at West Middle School. Sixty teams will be forming this year to include boys in grades three through 10 and girls in grades five through eight. The registration fee is \$7.50 and adults must accompany their children to registration. The program runs from Oct. 29 to March 23.

Body Found In Hines Park

The badly beaten body found Monday morning in the Cass Benton Woods area at Seven Mile and Northville roads, Northville Township, has been identified as Robert Harden, 18, of Northville.

A Wayne County Sheriff spokesman said the body was identified Tuesday morning at the county morgue by the victim's parents who had reported him missing.

Cause of death was not immediately determined.

Enrollment Rises At Orchard Ridge

Enrollment on the Orchard Ridge campus of Oakland Community College in Farmington Hills has increased by six per cent to 6,019 this fall compared to 1972.

The college, located at 1-696 and Orchard Lake Rd.,

P.O. BOX Drugs

You Can Have Drug Analyzed

Q. Where can I have a drug analyzed: D. E., Livonia

A. The Community Commission on Drug Abuse offers an Anonymous Analysis program. The procedure is completely anonymous.

There are seven participating drugstores in the Livonia and Westland area:

Drugland, 29493 Seven Mile, Livonia; Arnold's, 36642 Five Mile, Livonia; Burton Hollow, 17176 Farmington, Livonia; Dunn, 32139 Plymouth Rd., Livonia; B&B, 28287 Plymouth Rd., Livonia;

Sentry, 1659 Merriman, Westland; Cunningham's, Westland Shopping Center, Westland; Shepard Drugs, 31505 Joy, Westland.

Q. I heard some people talking about something called dextro or dex or something like that. What is it? P. L., Westland

A. If it's what we think you are referring to, it could be a number of things: First, it could be "decks," referring to a quantity of drugs. Second, it could be "dex," referring to dextro - amphetamine.

These are both slang terms, and obviously when slang is used, there are many definitions for one phrase or word.

Dextro - amphetamine is a powerful central nervous system (CNS) stimulant and produces accelerated breathing, increased heart rate and possibly very rapid speech.

The speed (amphetamine) high is euphoric, characterized by feelings of being able to "get things done." This can progress to restlessness, nervousness and agitation, often combined with irritability and paranoia.

A high degree of tolerance rapidly develops to amphetamines, demanding a higher and higher dose to gain the original effect.

For any questions you might have, the 261-DRUG line is open Monday through Thursday from 5 to 11:30 p.m., Friday and Saturday from 5 p.m. to 1 a.m., and on Sunday from 7 to 11 p.m. We are here to serve the community and would be very glad to be of help if you need any information.

Williams Quits Rec Committee

LANSING William T. Williams of Farmington has resigned from the State Recreation Advisory Committee.

Gov. William G. Milliken has appointed Paul I. Phillips, executive director of the Grand Rapids Urban League, to fill the term which expires in 1977.

Library Adds Books For Senior Adults

A dozen new books dealing with middle age and aging have been added to the Schoolcraft College library.

The books were recommended by Betty Andrews who directs the college's senior adult affairs. "They have been selected for their value to instructors and students," she said, "and senior adults will find many of them interesting and helpful, too."

Persons who have registered as senior students at the college may borrow books from the library. Registration is free and may be completed by contacting the community services office.

Harris FUNERAL HOMES

GARDEN CITY: Ford Road West of Merriman LIVONIA Farmington Road N. of 5 Mile DETROIT: West McNichols at Lauder

"Apparently many people in the community are becoming interested in life-long education and expansion of individual skills and knowledge, without involving themselves in a regular academic program," Dr. Manilla said.

"Our analysis of the current semester's enrollment figures shows more and more students taking fewer and fewer courses per term."

Dr. Manilla commended the "fine effort our staff and faculty have made during the past year to highlight our campus in the community," adding that their efforts are partially responsible for the growth.

How Schools Promote Vocational Education

PLYMOUTH
Career education is getting special emphasis at Plymouth's Centennial Education Park.

More than 20,000 careers are possible in America, diverse enough to encompass everyone's interest and abilities. Yet some young people still graduate from high school or drop out of high school or college with no planned career and few marketable skills.

In the last 20 years, our once agricultural-based economy has become a technological one.

This past year the new addition to Plymouth-Canton High School opened 12 vocational and technical laboratories with the potential of offering course work in more than 20 occupational areas. This new facility, along with those already existing at Plymouth - Salem High School, has added dramatically to the number of selections of career programs Plymouth high school students have open to them.

Among the new programs are dental assistance, heating and air conditioning, building construction and auto body repair.

There are approximately 15 recognized occupational education programs offering career experience as part of the regular high school program, with an additional 37 pre-vocational courses providing a wide variety of opportunities for career exploration using technical equip-

ment under classroom conditions associated with each occupational area.

Vocational programs are open to both girls and boys in the 11th and 12th grades, who demonstrate an interest and ability to pursue an occupational competency and are designed to prepare the student to enter and advance in a career field chosen from among the many available. Vocational programs in the high school are basically the skill preparation phase of the total program of career education.

Career education is a systematic way to acquaint students with the "world of work." Such choices do not wait until the 11th grade, but begin in the elementary years, where teachers are trained to relate a science lesson to perhaps a career in x-ray technology or oceanography.

A curriculum specialist may organize course work in social studies to include future job possibilities as a historian, artist or printer. The guidance counselors in elementary as well as middle and secondary schools can develop field trips to business, industries and salesrooms to make students aware of the world of work.

In the middle school, career education encourages the student to try several occupational areas through the introduction of the shop laboratory, classroom projects or field trips. It also develops within each student a feeling of confidence or success in a job well done, along with the ability to organize a task for successful completion.

The curriculum is organized to allow the student to individually explore his interests and discover his abilities in relation to realistic career opportunities.

When Plymouth students reach senior high school, they should have made a tentative career selection and begin the appropriate training so they can leave high school with a skill that has market value immediately or that can be applied to advanced education for a professional degree.

Lunch Menu To Appear Wednesday

PLYMOUTH

The Plymouth schools' lunch menu will appear in the Wednesday editions of The Plymouth Mail & Observer beginning next week.

They will run from Wednesday to Wednesday in order to assist families in planning their meals around the menu offered at the schools.

In the past, menus have appeared in the weekend editions but are being changed due to the change in publication date and the change in size of the weekend edition.

The menu will continue to be sponsored by the Fisher-Wingard-Fortney insurance agency.

'Public Platform' Starts Thursday At High Schools

PLYMOUTH
An effort to stimulate student thought during independent study time has been initiated by the Independent Study Committee of Plymouth's Canton and Salem High Schools.

One of the programs which has originated from the committee is "Public Platform," a program designed to bring outside speakers into the schools.

Speaking at "Public Platform" on various dates during the next five weeks at Canton Little Theatre from 7:45 a.m. to 8:40 a.m. and in the Salem Upstairs Balcony from 9 a.m. to 10 a.m. are the following:

John Beach of Campbell-Ewald Advertising Agency will discuss ways advertisers persuade the consumer, on Thursday.

Jay Nolan from the Wayne County Prosecutors office will speak on "fraudulent advertising" on Oct. 12.

Sergeant Harms from the State Police will discuss his role as a trooper. He will bring his police dog and give a slide presentation about training police dogs on Oct. 22.

On Oct. 30, Dr. Arthur Weaver, noted anti-smoking doctor, will present information about the harmful effects of smoking.

Trooper Balash from the Plymouth Crime Lab will discuss the seriousness of firearms (including the "Saturday night specials") relationship to murder on Nov. 7.

Our House Needs Help

PLYMOUTH
The Crisis intervention center, Our House, in Plymouth, needs volunteers for its training sessions which are scheduled to begin in mid-October.

The training sessions include drug abuse counseling, pharmacology, suicide pre-

vention, Red Cross first aid and other problem topics.

The training sessions will run from six to eight weeks, two nights a week and interviews begin Oct. 1. If you are interested and concerned with people, please call Buzz Line or come in and see Jim or Wanda at 185 South Harvey.

OBSERVATION POINT

Observer Newspapers Adds Editions, Changes Format To Aid Readers

Come Friday, you'll notice some changes in your familiar Observer Newspaper weekend edition.

First, it will be delivered to your door on Friday afternoon instead of Saturday.

Friday delivery helps you, our reader, because it gets your hometown newspaper into your home before the weekend has started and in plenty of time for you to use the paper as a valuable tool in planning your weekend activities.

In addition to detailed coverage of all the breaking news in your hometown, the weekend paper will carry special features on leisure opportunities for the whole family over the weekend. It will include articles on gardening and home improvement, so you can take advantage of them right away. It will carry a thorough roundup of the local sports calendar, together with interpretative articles explaining the significance of the weekend's games.

The weekend edition will also continue the outstandingly successful "FOCUS: Suburbia" feature, containing a detailed essay on a given subject coupled with special ads relating to it.

The weekend edition will have ads from local merchants who have special sales for your shopping convenience over the weekend, together with the area's best and biggest weekend want ad section, so you can find a new home or a used car and bring the whole family along.

ALL THESE SPECIAL weekend features have been put together in a specially designed new format which converts the weekend paper into a weekend news magazine.

The format is called "tabloid" in newspaper parlance; but what it is is an easier to read, easier to handle, typographically more pleasing layout. We're

enthused about it, and we hope you like it as much as we do.

In addition to all this, we are this Friday also adding Garden City and Westland weekend editions to those already going to Livonia, Plymouth, Farmington, Southfield and Redford Township.

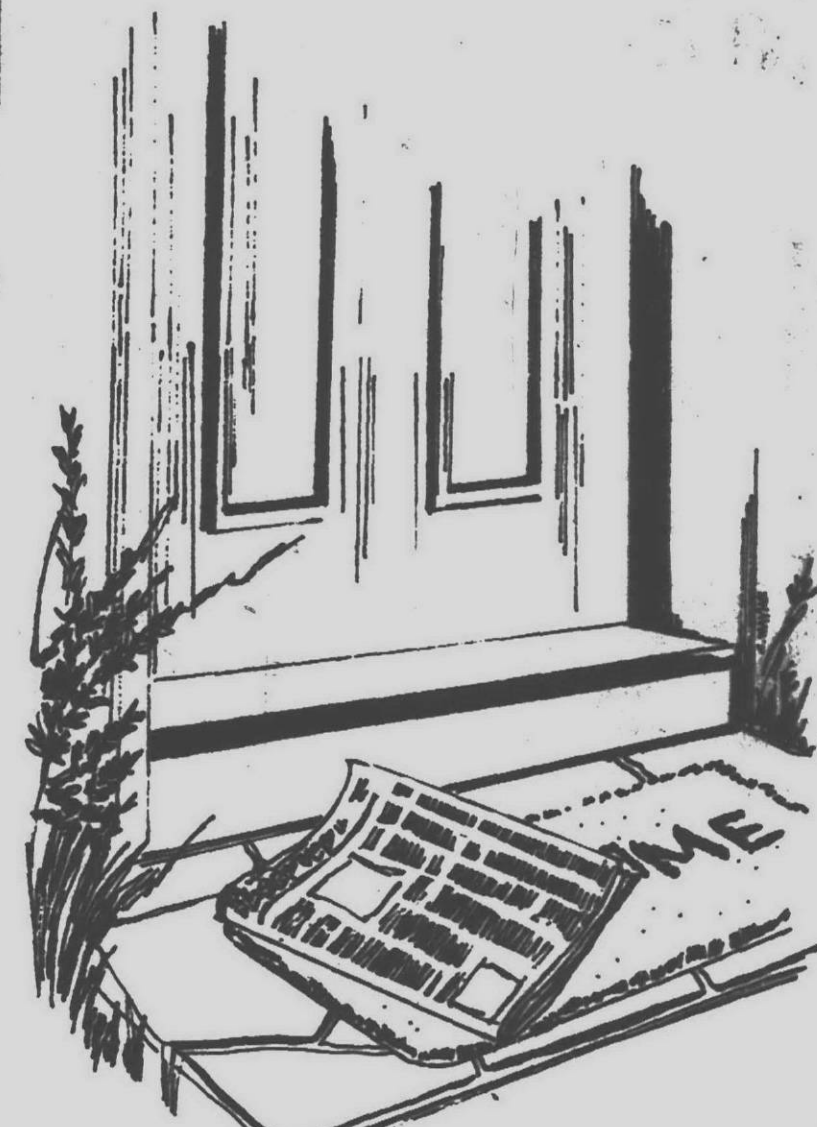

We did so in response to requests from Garden City and Westland readers and merchants, who wanted twice-weekly news and advertising coverage for their cities and who were pleased already with what the Wednesday Observer had done for them.

ALL IN ALL, this will be a big week for us at Observer Newspapers.

A new delivery date for our weekend product. Two new cities - Westland and Garden City - for our weekend edition. And an entirely new news format.

Looking back on the six-year history of Observer Newspapers, what seems to be constant is the quick pace of change and development. Originally, there were five newspapers; now there are seven. Originally, there was only one edition; now there are two. Originally, we had no typesetting equipment or press; now we have both, in one of the most modern buildings in the newspaper industry.

This progress has come because this company is committed to producing newspapers of relevance and quality for our local readers. Our steps forward this week are just the most recent developments in this overall plan.

Tim Richard writes

Police Officials Aim Attack On New Young Group Of Adults

The most dishonest political attack against any underdog group in Michigan is not aimed at blacks, women, Chicanos or newsmen.

The attack is aimed at our new adults - the 18-20-year-olds - and it is being conducted by some of our state and local police officials. It comes in the form of statistics rigged to show the young persons are involved in a growing number of arrests and accidents.

Here are some of the dirty statistical tricks some people are playing:

- They compare figures for 1971, when the age of majority was 21, to 1972, when it was lowered to 18. What they conveniently forget to tell you is that the state changed the legal definition of a drunk driver on March 3, 1972, just two months after the age of majority was lowered.

- Under the old standard, you were DUIL (driving under the influence of liquor) if the alcohol level in your blood was 0.15 per cent. The new standard was lowered to 0.10 per cent. As of today, it's much easier to convict a person of DUIL.

Police issue statistics comparing drinking-driving records of 1972 or 1973 to 1971, but the truth is that you can't compare anything after February of 1972 to 1971. In this regard, Capt. John C. Amthor, commanding officer of the state police safety and traffic division, deserves a severe reprimand for his thoroughly misleading statistics.

- Police statistics emphasize "drivers who had been drinking." Note the sly innuendo: They don't say the driver was drunk, they don't even say alco-

hol was a factor, they only say the driver had been "drinking" without specifying the amount.

The police are trying to trick us into equating all drinking with DUIL. The statistics about "drinking" are so vague they're absolutely worthless. Yet our police keep issuing them.

- Police reports often start, "Since the teen has been allowed to drink..." The unstated assumption is teens began drinking on Jan. 1, 1972. That's ignorant nonsense, and the police know it. The Age of Majority Commission report pointed out that 18-20 year olds were already drinking - it just wasn't legal until 1972.

- If you read police reports carefully, you'll catch them admitting they have programs aimed at teen drivers. Now, that's not illegal - it's good management. If you have a problem such as burglaries, narcotics or street crime, you devote extra training, resources and men to it.

Since Jan. 1, 1972, the police have devoted much attention to teen DUILs. Inaccurately, they fail to point out that this is a factor in the greater number of teen DUIL arrests.

Interestingly, some reports say the problem of teen DUILs has "leveled off" in 1973. Hogwash! The truth is that the rules and enforcement programs had done as much as they could in 1972 to inflate the statistics, and so they couldn't be increased in 1973.

Those of us with short haircuts and conservative sedans rarely have problems with the police. But I for one am beginning to understand why so many of our young people snarl, from time to time "Off the pigs!"

Teacher Complains Of Manner In Which Pact Was Handled

EDITOR:

A reaction to R.T. Thompson's recent comment on teacher strikers. Teachers are growing accustomed to the annual "open season on teachers." After all, it's the communities' right... they pay our salaries and they have a knack of letting us know it.

It's always easy to write off teacher wage demands as excessive. Yet, we, too, must compete for goods and services.

Isn't it enough that we are handicapped? We offer no material product, consequently we can't raise prices at will. We can be forced back to the classroom by court order, forced to endure another Trenton, and people view children out of

READERS' FORUM

Please type (or write clearly) and limit letters to 300 words.

classrooms as a moral question.

All we ask are the rights accorded the majority of society.

What happened to all the editorials about the UAW settlement? What a rip off. Who besides you and me will pay for this welfare package? What capital investment does the production worker have in his occupation - a \$5 lunch box compared to today's graduate teacher's \$35,000 investment.

How long does it take the average production worker to reach his maximum wage - a few years. It takes a teacher upwards of 11 years and another degree to reach maximum.

Consider the recent inflationary period during which time teachers lost an average of \$3 pay while a UAW worker gained \$15 pay.

You state taxpayers who pay high taxes will stand for no more. Haven't you bought a car lately? Automobile prices have skyrocketed, with little or no public outcry. Average the cost of a car over three years and it's less than most people pay for the education of their children. Where are our priorities?

All we ask is for you to look at the entire picture before condemning us. It's difficult to keep the public's interest in mind when the guy in front and behind you at the checkout are members of the UAW.

THOMAS YACK
Plymouth

Teachers Set Sad Example

EDITOR:

Teachers, the molders of young minds, break the law by striking, then defy a lower and higher court ordering

them to work and get away with it.

Should we then be surprised that our youth have little respect for policemen, the law and our courts?

MRS. PHYLLIS PATERSON
Livonia

Aid Was There When Needed

EDITOR:

We recently requested a shipment of school clothes from Mr. and Mrs. Hank Chruschal of Livonia for the Indian children in our area. We were taken care of immediately with a shipment of clothing, shoes, notebooks and outdoor playground toys.

We would appreciate it very much if you would print something in the Observer to thank all those involved, including Mr. and Mrs. Hank Chruschal, the Western Wayne County Conservation Association and others who wish to remain anonymous. Please let them know that it was very much needed and gratefully appreciated.

DOUGLAS PIERSON

Rothbury, Mich.

Thanks For All The Help

EDITOR:

On behalf of the South Redford Board of Education I wish to thank you for your objective coverage of our recent millage campaign, and especially for your editorial endorsement.

As you know, the South Redford community voted by a 2 to 1 margin to support locally its community schools.

It was a very significant step for our community to take and it could not have been accomplished without your help.

Thank you again for your help when it was truly needed.

J.J. RZEPKA
Supt. of Schools
South Redford

2 Resolutions Gain Support

EDITOR:

Many Americans are greatly concerned with abuse of the presidential authority, to sign executive agreements. Others are concerned about the destruction of American sovereignty resulting from various treaty commitments which run contrary to the spirit of our constitution.

Still others are angered over our involvement in "treaty wars" (such as Vietnam) which, instead of being authorized by Congress as provided in the constitution, are fought under the authority of treaties.

Reps. John Ashbrook (R-Ohio) and Steve Symms (R-Idaho) have introduced identical joint resolutions (H.J. Res. 584 and H.J. Res. 704) calling for a constitutional amendment which would reaffirm the supremacy of the constitution over treaties and executive agreements.

We, as concerned citizens, should support their efforts.

GEORGE MEARS
Livonia

School Board Secrecy Hit

EDITOR:

Tim Richard's article concerning secret school board meetings was commendable. However, Mr. Richard failed to include the main reason why some school boards do hold secret meetings. It's very simple. Politics.

The boards of education of several communities refuse to separate educational issues from political considerations.

I am not questioning their intentions or their sincerity, for I do believe they are doing what they feel is right. But for the wrong reason.

I often wonder what they have in mind when they make a decision: Is it the welfare of the student or the upcoming election? I tend to think the latter.

RONALD HOEKSTRA
Livonia

Leonard Poger writes

Now Board Plans To Defy Court

People and institutions on opposite sides of an issue can sometimes find themselves fighting for the same causes.

This was true in the past week with the Wayne-Westland school board and striking Detroit teachers promising to defy a court order (in the board's case) and actually defying a court order (in the Detroit situation).

The conflict raises the question first made by civil rights activists and anti-war marchers in the 1960s when they deliberately disobeyed

specific laws to prove their point.

In the Wayne-Westland school board case, the board is fighting a court-ordered rehiring of a fired teacher and the payment of \$102,000 in seven years of back pay.

The board felt it had just cause for the firing, which was first supported by the State Tenure Commission and a circuit judge and later opposed by the State Court of Appeals.

At the same time the board was announcing its intended

defiance of the court order concerning the rehiring, the Detroit teachers made it clear that they would do the same thing in the name of justice.

They stressed that they gave up pay raises for two years to help the financially-distressed Detroit school board continue to keep schools open.

But this year, the teachers' union wants its due - in teachers' pay checks.

It should be noted that teachers' strikes are techni-

cally illegal in Michigan but the law doesn't contain any penalty for striking teachers.

But a Wayne-Westland board member commented in private last week that if teachers can break the law without punishment, then why should the board mem-

Faster Service Would Ease Buyers' Pains

By ELINOR GRAHAM

Shopping for groceries has become a worrisome chore. Spiraling food prices cause rising tempers and blood pressure in almost a direct ratio.

The shopper keeps telling himself the store manager and the clerks are not responsible, but he is always in a low mood when he finally arrives at the checkout aisle.

Now here is where the supermarket management could lessen the blow. Here is where a little psychology could brighten one's day.

Fast, courteous service at the cash register area would speed you on your way. A long lineup, with only two checkout girls on desultory duty gives the customer more time to smolder.

It's like a long, slow tooth extraction, without anesthetic. This time it's your money

being jailed for disobeying a court order?

The question is easy to put but the answers are harder to come by.

At the same time, the Detroit-suburban legal issue proves the axiom that politics makes strange bedfellows.

that is being extracted, and a good quick yank is less painful.

The stores do not absorb the rise in the grocery bill. The consumer bears the full brunt.

And he bears the brunt of lackadaisical service.

If you are the victim of this type of treatment, make the store manager aware of your resentment and/or go to another store.

It will help your disposition even if it doesn't do much for your pocketbook.

Sense And Nonsense

Our office was besieged with press releases recently for a thing known as the "Exploring Grand National Safe - Driving Road Rally" held in our area recently by

the Boy Scouts and a major auto company.

The releases explained how a rally isn't a race and how it stresses safe driving. But we noticed one of the rally cars being pulled over

in a speed trap by the Livonia police on Plymouth Road.

Maybe the "safe - driving" rallyist had missed a turn and was trying to make up a few lost seconds?

Serving the communities of:

Livonia, Plymouth, Plymouth Township, Canton Township, Farmington, Farmington Hills, Redford Township, Garden City, Westland, Southfield, Lathrup Village, Bingham Farms

Candidates Differ...

NORBERT BATTERMANN

Norbert Battermann of 1449 Palmer.

One governmental unit can better serve both communities of Plymouth (city) and Plymouth Township more efficiently and economically than can the two separate units of government operating independently. With one governmental unit, the residents in the township would receive improved service in police protection, traffic control, fire protection, sewage removal, refuse collection and disposal, street maintenance, and recreation.

The residents in the city would receive a reduction in taxes. I favor unification because I feel it benefits ALL the people in the Plymouth Community.

As a city commissioner I would insure that the facts on services and millage - good and bad - be totally and clearly presented to the people so that one can minimize the political baloney that this proposal has often reflected in the past.

I am not in favor of a city income tax without a comparable reduction in property tax. In fact, last year I proposed this qualification as a charter revision to the Charter Study Commission. I favor a city income tax only if the purpose is to establish a more just and fair means of paying for municipal services rather than merely another means for increasing revenues.

Taxes should be based on the ability to pay, not only on what one possesses. I am very concerned that some of our retired citizens are forced to sell their homes because of continuously increased taxes. City services are provided to all residents, property owners and renters alike; a combined income tax with comparable lower property taxes should be more just and equitable.

The present city charter limits taxes to 15 mills for "municipal purposes" exclusive of bond retirement - this is also a state law. State law (Act 298) permits cities under 150,000 to levy up to two mills in addition to charter millage limitation, for the maintenance of garbage systems.

Our present millage is 14.85 mills. Of this, 2.1 mills is for bond retirement and 1.5 mills is for rubbish removal. Thus, 3.6 mills is not subject to the 15-mill limitation as defined by state law, which supercedes anything we might include in the city charter. In other words, only 11.25 mills is now used for "municipal purposes."

If we were to use the term "city services" rather than "municipal purposes" then it would exclude anything that is not a service such as building furniture and maintenance. It would be very confusing to separate services from other city expenses.

I have twice been appointed to the city commission; first to fill a six-month unexpired term of Jim Jabara. One month after this term expired I was reappointed, this time to fill Don Bidwell's two year unexpired term. Prior to this period I served four years on the city planning commission. I've been in Kiwanis, Int. for 16 years and am presently on the board of the Plymouth Kiwanis Foundation. Until recent years, I was active in scouting in various forms.

My wife, Marie, and I have three children. We adopted Plymouth 11 years ago and ever since have lived at 1449 Palmer.

Formerly an aerospace systems engineer, I am now

project manager on a computerized industrial process controller for TECH-S, Inc. located in Livonia.

BERNARD D. SCHMITZ

Bernard D. Schmitz of 1386 Beech.

In response to your letter requesting information regarding my views and background, I submit the following: Age, 47; Occupation, District Plant Engineer, Michigan Bell Telephone Co.; married; Plymouth resident, 23 years; member Plymouth City Planning Commission for the past two years.

Question 1: Yes, I do favor consolidation of the city and township to eliminate duplication of facilities, administration, etc. This would also bring the community together to work toward common goals.

Question 2: No. With the new State Tax Law, the majority of citizens would benefit more through property tax than municipal tax. Unless there were guidelines to protect elderly citizens, etc., I would vote against a municipal tax.

Question 3: No. The present 15-mill limitation restricts any long range planning or capital improvement program. I believe a progressive city must have a funded capital improvement program.

City Commission Candidates Split On Issues...

John W. Moehle of 1279 W. Ann Arbor Trail.

Consolidation of city and township of Plymouth: The results of several studies conducted by citizens of the

community over the past 10 years have indicated many strong advantages and few disadvantages of consolidation. I would favor a plan that would place the city in a leadership role in updating information, and encouraging

full public discussion of consolidation before citizens are asked to make a decision.

Plymouth has been a united community in so many ways, and has benefited very much from this spirit, that to forego unified local government seems to be an unnecessary waste.

Taxes: I see no reason to increase the property tax to provide new services to the residents and businesses of the city at present. The effects of inflation, however, are more difficult to predict. Although property tax is a heavy burden to citizens on fixed incomes, I believe that an income tax to replace part of the present property tax would be even less welcome to most residents.

I prefer to solve city financial problems by controlling expenditures, and by expecting maximum value, efficiency and accountability in city operations. Much of this can be achieved by staffing with very competent people who understand what is expected of them.

15-mill tax limitation: From time to time the meaning of the city charter's limitation of its tax rate to 15 mills has been discussed. Our charter sets the limit well below the 20 mill limit established by the state for cities that do not have a lower limit. I understand that the state very specifically excluded from these limitations those taxes necessary to pay for debt retirement and trash collection. Should I learn there is real doubt about this interpretation from a legal point of view, I would recommend that the city request an opinion from the state attorney general. It is more important to focus, not on the maximum rate that can be set, but rather on more effective control of city expenditures.

Goal-setting and planning: A significant portion of my responsibility as a city commissioner should be in helping to set goals and measure results in reaching them. Goal-setting requires adequate long-range planning. My training and experience are particularly strong in these areas. The city is at an important cross-roads at this time; change is certain in our future, but it must not be left to mere chance or luck. As citizens we should determine in which direction we want to move. For example, do we want to maintain Plymouth as a "community of homes" or to develop more high-rise commercial property?

The unique combination of education and experience in finance, engineering and organizational management that I can bring to Plymouth government as a city commissioner is significant and needed at this critical period of the city's history. I clearly understand the differences between the roles of those who establish policy and goals and the roles of those charged with the daily operational problem-solving.

During the 14 years that I have lived in the city of Plymouth, I have learned much about its people and its organizations. To serve as a commissioner requires a great deal of time to do it well, and I am prepared to devote that time.

(Moehle is director of facilities and planning for Booth Newspapers in Ann Arbor. He holds a BS degree in mechanical engineering and an MBA in international economics. He served on the Plymouth school board from 1966-70 and on the city's Municipal Building Authority from 1965-70.)

JOHN W. MOEHLE

PAUL W. MULLER

Paul W. Muller of 1480 Hartsough.

I am repeating much of the statement submitted during my candidacy in 1971 since it continues to represent my feelings and position on pertinent issues. Surprisingly those issues are still valid issues in this year's campaign.

My family and myself have been privileged to make Plymouth our home on two occasions, 1960-63, and 1967 to present. We were saddened to leave and delighted to come back to Plymouth. Feeling this way, there is a strong desire to contribute toward the betterment of Plymouth, thus my candidacy.

Some issues on which my neighbors should know my position are as follows:

Consolidation of city and township: I would support a study to evaluate the positive and negative aspects of consolidation. I do not know the various ramifications of what consolidation would do to or for the Plymouth Community or the city. Until this is established I support the status quo. Consolidation has to be a willing marriage between the majority of residents of

the city and township. At such time as this condition prevails I then would favor consolidation.

Downtown revitalization: I will actively support the use of the city's influence to accelerate the continued improvement of the area so that it remains a desirable place to shop and conduct business.

As an immediate aid, I would like to see a reevaluation of policies pertaining to meter and fee parking in city parking lots. I feel the fees charged are a deterrent to shopping in Plymouth.

Secondly, efforts must continue to finalize the business loop planning so that this plan can be sold to and implemented by the private business sector interested in Plymouth.

Street improvement assessments: I will work toward a broader base assessment policy rather than the current 75 per cent owner, 25 per cent city. I consider this an unfair "tax assessment" to the specific property owner when the use more generally benefits the whole community.

City income tax: It is not equitable that city revenues are largely supported by taxes levied against property owners. I am for a broad base tax, such as an income tax, if substantial city millage reductions are established at the time such a tax becomes effective.

Recreation: I will support a strong city involvement in the (area-wide) recreation authority to see that the authority is a success. In real terms this is a piece of com-

munity consolidation with valued benefits to all the citizens of the Plymouth Community.

I do not consider myself expert on city government. However, having served in another community, on the board of education, I learned

that in reality one does not comprehend the real issues, problems and administration of a governmental body until one is a part of it. I will, to the best of my ability, apply open minded, intelligent thought to the decisions that are required.

(Muller is a chief engineer with Anchor Coupling Co. of Plymouth and holds a BS degree in mechanical engineering. He ran unsuccessfully for the Plymouth City Commission in 1971.)

OPEN DAILY 8 A.M. to 5 P.M. INCLUDING SATURDAYS

...Like Consolidation, Income Tax, 15 Mill Limit

John Charles Cummings of 766 S. Mill St., Apt. E-8.

About five years ago I walked in the city commission chambers to see and hear Plymouth's lawmakers at work. At that time I felt that I some day would have the chance to be in the running for a seat on the Plymouth City Commission. This year, some 22 years after the city charter was written, I have that chance.

I am a Plymouth High school graduate. I hold a Proficiency degree in radio and television broadcasting. Since the time that I left school in Columbus, Ohio, I have been in a few managerial positions, such as sales manager of WAAM, WNRZ, and WNRS radio stations. I have served as national sales manager for North American Cable (a TV program syndication company) and presently am president of Cummings Advertising Agency in Plymouth.

I feel that there is great potential for our city of Plymouth. I also feel very strongly that Plymouth and Plymouth Township should join hands and become one growing community. If we become one city, the township can share in the many activities of our growing city, and we can share in the many growing developments of the township.

Our tax structures can become more appealing, and our city will have a needed chance to expand. If we have the chance to consolidate we can invite more new businesses into our area, and thus eliminate any further tax hikes.

The consideration of a municipal income tax to provide revenue for the city, at this time is out of the picture. I feel that the city does not need to look into a municipal tax because of its present assessments of property. It would be more of a burden to the taxpayers, and it may have the potential to lessen the growth of the city.

The present 15-mill tax

JOHN C. CUMMINGS

MAHLON D. GREEN

limitation in the city charter should be inclusive of all city services, in this way the city can set aside X amount of funds for the purpose of appropriating money to the different services, and in turn keep a control on these funds.

There are many other small but important issues for the city of Plymouth. I am in strong favor of a downtown business revamping. If we were to remodel the business district, to add more appeal to the public, and take away the pay parking in the central lots, this would, I am certain, add more interest to our city, and bring in new businesses.

As I also look around the city, I find a problem with our traffic control, near some of our schools, but these are only a few problems, and all problems can be solved, if we can work together.

Mahlon D. Green of 236 E. Ann Arbor Trail, Box 211.

In answer to your letter I would like to state that I favor a consolidation of Plymouth and Plymouth Township because it would eliminate the duplication of services as is occurring now.

I also favor a city income tax with proper jurisdictions so as to eliminate the aged and other certain persons. As for the 15 mill tax limitation, I would have to study that issue more thoroughly.

I would like to see some action taken with the railroads to keep them from blocking crossings longer than five minutes. I also would like them to use their whistles only for legitimate crossings; not to play tunes on at 3:00 in the morning. I would like to see further police protection. I would like to see the drug problem cleaned up.

I would like our business factories and others to cut their weeds and generally clean up the whole city; there is a lot of litter that could be eliminated. I would like our factories to be investigated for safety hazards, fire and etc. as we were second in the state to have fires last year. This is uncalled for.

I would like to see pollution of air and water stopped as far as possible. I would like to see a different way of obtaining our mayor; he should be elected by the people and eliminate the city manager post as he's never in his office anyway.

I am 47 years old, married and employed at Hydramatic Division of General Motors Corp. I am an ex-serviceman who served 23 months in the United States Army during World War II, graduated from high school in 1973 after returning to school.

Joseph Bida of 585 Hamilton St.

I do favor consolidation of Plymouth and Plymouth Township. My reasons are as

follows: In the event the city and township both become one, we should be able to economize on equipment which would be a big savings. Also, we could combine some departments and at the same time, eliminate some department heads. (For example, one fire chief, one police chief, one DPW director, one water and sewer dept., one building inspector, one clerk, one treasurer, one assessor and one manager or mayor.)

As far as services are concerned, I am positive that tree planting, tree trimming, refuse pick-up, leaf pick-up and many more services that are now offered by the city are not available in the township at the present time. This could be done at a great savings to the taxpayer. At this time the township cannot provide much service because dust control, street repair, etc. are all under jurisdiction of the Wayne County Road Commission.

I am for one government for the entire Plymouth area. However, as strongly as I support total consolidation to create "one Plymouth," as we have businesswise and sociologically - I am just as strongly opposed to any piecemeal annexation of the township by the city. This would destroy the "One Plymouth" concept instead of strengthening it.

In answer to your second question, I feel the overall program of municipal financing must be reviewed. In this review would be consideration of a municipal income tax. However, I never would vote for this tax unless the city guaranteed to reduce the property tax levy proportionately.

Any tax limitation (now 15 mills) no matter what the figure, should be all inclusive. Let's not hide something with an extra levy for garbage collection or any specific service which already is part of the system.

(Bida recently resigned as head of the Plymouth Township water and sewer departments and is now employed

JOSEPH BIDA

DONALD B. WATKINS

by Calhoun Ford. He was the city's superintendent of public works from 1955 to 1966 and prior to that was head of Garden City's public works department. He is a member of several organizations related to the public works field.)

Donald B. Watkins of 660 Burroughs.

I was asked to comment on three questions.

The first was my feeling on making one unit of government out of Plymouth (city) and Plymouth Township. I feel at this time that this

type of consolidation lacks one very important ingredient, namely overall acceptance by our township friends. And I'm not too sure the majority of the "city folk" are all for it. Perhaps if consolidation must be forthcoming it should be patterned after partial unification, choosing areas that want to be annexed, areas where the additional police and fire protection and other city services can be appreciated.

The city of Plymouth has great identity, a tremendous history, a very bright future. I'm sure with diligent planning and reviewing the city can support itself in a commendable manner. Maybe the net result could be a vibrant and solid base city, one that would be sought after for future joining, by any township.

The second question was the matter of supporting a city income tax. The proposition is often put that the property tax is unfair. I believe there are inequities in the property tax such as differences in assessed valuations which I cannot understand. There probably should be some provision for a reduced tax for those people living on a very limited income.

However, it is my opinion that under the guise of "equity" the end result is that more money is paid to the governmental unit. It is quite likely that I could be convinced of the equity of an income tax if the charter limitation on property taxes were reduced to compensate for the income tax.

The final question dealt

with the 15-mill tax limitation in the city charter and the area of coverage that the tax should be applied to. It appears here that there could be a revision of ideas that could remove some minor costs of city expenses, so as to give more concentration of existing funds towards more valued expenses. I would direct my efforts on this subject towards improving the existing contract, not destroying the good intentions that the original charter has provided.

In conclusion, I would like to say that when my wife Suzanne and I and our four children moved to Plymouth

over seven years ago, we were attracted to the area because it offered so much more here than we could find in any other place. From this it is obvious we found no great fault with the way the city was run.

My wife and I are employed locally, as are some of my children, and this gives our family access to current trends of local opinions. I believe I am qualified to continue to make the proper decisions that are relative to the operation of the city. I believe I can make a significant contribution towards Plymouth being the excellent place it is to live.

Plymouth Ice Rink Schedule

The 1973-74 indoor open ice skating schedule, at the Plymouth Cultural Center Ice Arena, 525 Farmer Street, is as follows:

Mon., Tues., Wed., Fri., - 9-11 a.m., 1-3 p.m., 3-6 p.m.

Thurs. - 9-11 a.m., 1-3 p.m.

Sat. - 2-4 p.m., 4-6 p.m., 6-8 p.m.

Sun. - 2-4 p.m., 4-6 p.m.

Adult Night - Wed. - 9-11 p.m.

Teen Night - Sun. - 6-8 p.m.

Skate for lunch: Adult men, women - 11 a.m.-1 p.m. pay one price - 50 cents.

Ice dance class - Wed. - 8-9 p.m.

Patch and freestyle - Tues. and Thurs. - 6-8 a.m.

General skating fees will be as follows: Residents: Adults - 75 cents; children - 35 cents.

Non-residents: Adults - \$1; children - 75 cents. Services at the arena include lunch and beverages, lease and rental skates, and skate sharpening.

Some questions you've asked us about your future at The Lutheran Retirement Center

During the last two years, a lot of people from all over Michigan have asked us a lot of good questions about the Lutheran Retirement Center in Ann Arbor. Here are the ten most frequently asked, along with the answers:

- What will be some of the important features at The Lutheran Retirement Center?**
Among the most important features of life at The Center will be freedom from homeowner responsibilities, well balanced meals, special dietary services, constant attention to health needs, a balance between privacy and companionship, and an independent form of living with assured security. Residents will be free to come and go as they choose, to entertain guests and relatives, to participate in the varied activities available and to help plan those activities. In fact, residents will be expected to live there as they would in the homes from which they come with complete freedom and privacy.
- Who will be eligible?**
Persons who are 65 years of age or older are eligible. They must be in reasonably good health for their age, with the qualities of personality conducive to congenial group living, and with the income and resources to meet the financial requirements. Persons who are motivated by ethical principles, without regard to religious denominations will be sought. An Admissions Committee, with the Executive Director, will decide all matters of eligibility.
- What happens if a person is accepted as a resident but is not ambulatory when The Center is ready for occupancy?**
He or she will be admitted without qualification and will receive all benefits to which residents are entitled.
- May residents bring their own furniture?**
Yes, residents will be welcome to bring their own valued familiar possessions and furnishings. Wall to wall carpeting and drapery linings will be provided. Each unit will have a private bath, and adequate closet space. There will be storage lockers elsewhere in the building.
- Will residents be able to control heating and air conditioning in their apartments?**
Yes, for complete comfort, apartment heating and air conditioning will be individually controlled.
- What will be the extent of nursing care?**
Residents who become ill will be cared for in The Center's own nursing care facility where members of the nursing staff will be on duty at all times. In the event a resident is provided with nursing care in the nursing care facility beyond 10 days per year or an accumulated 30 days in three years, an additional modest per diem charge will be made. This nursing care facility will be accredited by all state and local agencies, and qualified by the Medicare program.
- What about facilities for regular exercise, especially during colder months?**
The Center's sponsors believe that residents can benefit greatly from regular exercise, and have planned to provide indoor exercise equipment. Apparatus such as stationary bicycles and other equipment will be available at no charge. And because exercise is a vital part of many therapeutic programs, it will be encouraged. In addition, outdoor exercise facilities - a perimeter walk and bike path - are planned.
- Will special diets be served in the regular dining room?**
Yes, special diets will be served if prescribed and required by your physician, and supervised by The Center's dietician.
- Would a resident ever be evicted because of health problems?**
No. The Life Lease Contract provides continued and uninterrupted care as long as it is medically feasible in The Center.
- What happens to a resident if he becomes unable to meet financial obligations after living at The Center for some years?**
Residents are assured they will not be requested to leave The Center because of financial reverses after having established residency. While assuming the responsibility of self support as a resident of The Center there is equal responsibility upon each resident to properly care for the financial resources upon which he depends.

Your questions about The Lutheran Retirement Center are always welcome. Just call our information office at 663-1330 weekdays from 9 til 5, or visit The Center any Saturday or Sunday from 1 til 5. Or use the coupon below for complete information, without obligation.

County Budget: 'Hold The Line'

A "hold-the-line" budget, which recommends no major increases in public services has been submitted to the Wayne County Board of Commissioners by the Board of Auditors.

The \$272 million budget proposed by the auditors shows a \$22.7 million increase in expenditures over this year's outlays of \$249.3 million.

However, Leonard D. Proctor, secretary of the Board of Auditors, said only \$9.5 million of the apparent hike is an actual increase in spending, while the balance reflects bookkeeping changes.

The Board of Commissioners was scheduled to begin a month of budget hearings Oct. 2 with a verbal presentation of the budget recommendations by the Board of Auditors.

After that, commissioners will review the recommendations of individual county departments and hear from department heads who want increases beyond what was recommended by the auditors.

The auditors turned down \$26.5 million worth of requests by departments, stating this was necessary to balance expenditures with anticipated revenues.

The auditors predicted the county will finish this fiscal year on Nov. 30 with \$4.3 million surplus as a result of measures taken by the Board of Commissioners to avoid a deficit.

Board of Commissioners Chairman Robert E. FitzPatrick said the modest surplus might be needed for new programs for retarded children and the aged, and to continue law enforcement programs for which federal grants are expiring.

The \$9.5 million actual budget increase reflects the increased cost of wages and items purchased by the county, Proctor said.

Police Lab Commander Promoted

State Police Det. Lt. K. Christensen, 46, commander of the Plymouth laboratory, has been promoted to captain and command of the scientific laboratories section at East Lansing headquarters, according to Col. John R. Plants, department director.

He succeeds Capt. Charles R. Meyers, who retired recently after 25 years of service.

A Lansing native, Christensen joined the State Police in April 1949.

Cavanagh, Levin May Talk Here

Democratic gubernatorial candidates Sander M. Levin and Jerome P. Cavanagh have been invited to talk at the general membership meeting of the Wayne 2nd Congressional District on Thursday, Oct. 25, at 8:30 p.m.

The meeting will be in Room F of the senior citizens building, 15218 Farmington Rd., Livonia.

The Wayne 2nd District includes Plymouth City and Township and Livonia. Levin was unsuccessful Democratic contender for governor in 1970 and Cavanagh is former Detroit mayor.

Clown Caper Coming Oct. 6

A "Clown Caper" featuring 20 circus clowns and a special "Kid's Clown Contest" will be held at Wonderland Center, Plymouth and Middle Belt Rds. in Livonia, on Saturday, Oct. 6.

The festivities will begin at 12 noon featuring authentic circus callopie music and 20 clowns wandering through the mall until 4 p.m. Wobbly noses, balloon animals, humming flowers and a variety of clown props will be part of the colorful program.

The kids' contest will begin at 2 p.m. when youngsters to the age of 15 dressed as clowns will be judged on their costuming and make-up. Trophies will be awarded during the contest on stage in the center of the mall. Any youth can enter.

"EVERYTHING FOR THE GARDEN BUT THE RAIN"

Nature Project Will Overlook Huron River

One of the most modern nature center buildings in southeastern Michigan will soon be under construction at the new 1,700-acre Oakwoods Metropark under development near Flat Rock.

"The \$240,277 structure is expected to be a major attraction at Oakwoods, with public use planned for the fall of 1974," said William E. Kreger, Wayne County's representative on the seven-member board of commissioners of the Huron-Clinton Metropolitan (Park) Authority.

Funds for the project were received from the state recreational bond monies approved by the voters of Michigan in 1968 and administered by the Department of Natural Resources in Lansing.

The site selected for the nature study area covers 350 acres bordering the Huron River and backwaters of the Flat Rock impoundment which has several bays, wooded islands and marshlands. This water feature combined with an adjacent fine stand of hardwood trees provides an outstanding site for a nature interpretive area.

How Montessori Method Works

By CORINNE ABATT

PLYMOUTH

A four-year-old boy stands looking at the painting on the easel in front of him.

He dips his brush into the red and adds another splash of color. He repeats the process with yellow, filling in a previously white square. Again he stands back peering at his creation. The whole finishing touch process takes a good 10 minutes.

In another area of the room, a pint-sized blond two-year-old is whipping up a bowl of soap suds with an egg beater - her first success with the handy kitchen gadget she has watched her mother use.

A little boy takes a rectangular box with removable wooden plugs of graduated sizes from the shelf, settles himself on his own rug

square and begins to plop the plugs into the proper size openings.

There is hardly a sound in the room of the First United Methodist Church in Plymouth where the new Montessori school meets daily mornings and afternoons.

"The Montessori method is different from others in its philosophy and goals," says Kay Neff, administrator who opened a Montessori school in Dearborn Heights about a year ago and the one in Plymouth two weeks ago.

Kay and her husband, Doug, wanted something more for their sons, Todd, 4, and Chris, 3, than they could find available. They wanted more than a social experience for their children.

"The goal here is not social," she explains. "Socialization comes with happy children. These children socialize because they feel they're worthwhile. They learn to read, to do all kinds of math, art, science, music and a lot about plants and animals."

The learning situations and materials used employ the sense of touch as well as eye and often ear.

Are fractions difficult for a pre-schooler? "Not at all," says Mrs. Neff as she picks

up a polished wooden box. In side are eight skittles all the same size. One is solid. Its neighbor opens to two equal parts, another is in four parts, another six.

"The child can draw a circle around the base," Mrs. Neff says, holding the one which is whole. "Then he can draw around the base of the two halves. He will see that two halves make a whole."

She picks up a single, opalescent bead. "This is one. Put it in your hand, feel one." In her other hand she holds a strand of 10 of the same beads. "This is 10, feel 10."

She reaches over for a block studded with opalescent beads. "Here hold a thousand, see how heavy a thousand is."

This is the Montessori method, touching, looking, comparing, using all of the senses to experience and discriminate and in the process seeing an order to things.

The method, brainchild of French physician and surgeon turned educator, Maria Montessori, aims to give a child freedom, "freedom through order and discipline," to acquaint him with success rather than failure.

Success may come in unexpected ways, polishing shoes, for instance, learning to work a zipper, button a button, chop carrots.

Mrs. Neff holds up a plastic bag containing carrot pieces, each a different size. "Some of these youngsters learn to do this so well that they can quarter their neat even slices."

She walks to the reading corner and picks up a box of shiny blue cards. Each has an alphabet letter on it.

"Feel the letters," she says. They are sandpaper. "We don't learn to recognize just this A. We look at all different styles of print because 'A' doesn't always look the same."

The Plymouth school is held each weekday. The morning session from 9-11:45 and the afternoon from 12:45 to 3:30. It is registered with the state as a non-profit corporation, affiliated with the Montessori schools of Michigan.

The cost for five half days a week for the total school year is around \$600.

THE WOODEN cylinder with the small handle must fit perfectly or young Charles Mutch will try again. Kay Neff watches as Charles chooses the correct match.

Dam Spurs A Lawsuit

A Southfield corporation is seeking an Oakland County Circuit Court injunction restraining the city and a landowner from maintaining a dam that plaintiffs claim causes flooding on their office property.

The lawsuit, filed by Roseall Kopman and Kopman Management Co., requests a court order to remove the obstruction claimed to affect the water flow on the Nine Mile Sargent property. Monetary damages aren't being sought.

An Oct. 17 hearing has been set before Oakland County Circuit Judge Robert B. Webster.

The lawsuit claims J. Alfred LeBlanc of Plymouth,

owner of the property across the street, erected a dam which blocks the natural flow of drainage and storm water between his land and the Kopman's.

The suit further claims it is unlawful to change drainage patterns until the city issues a building permit in compliance with ordinances and codes.

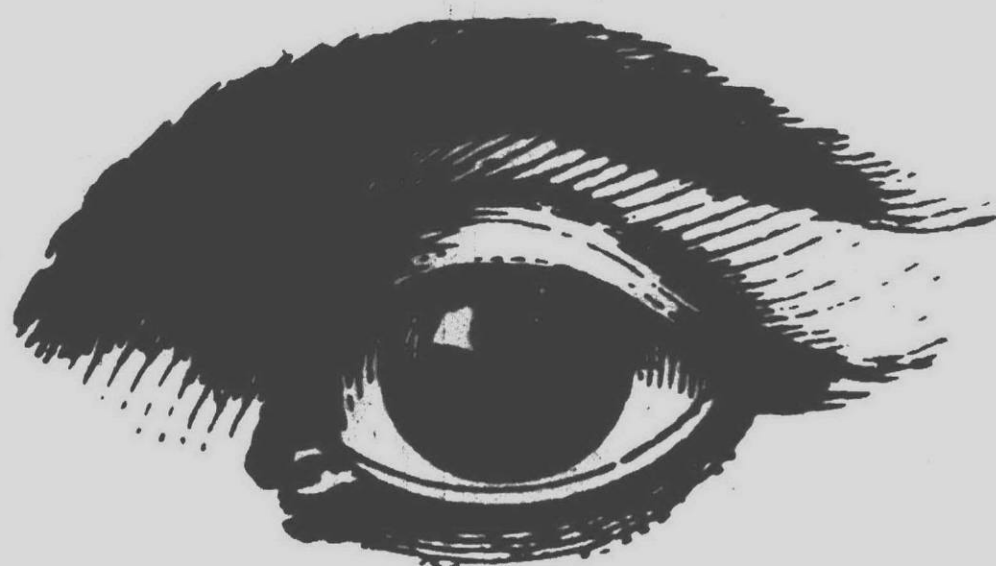

The Kopman attorney, Earl Gilman, says office tenants are inconvenienced by as much as two feet of water flooding the parking lot in heavy rains.

How To Exist In Megaworld

By KATHY MORAN

What's in store for us in the future?

In just a few years, will the world be controlled by 200 "megacorporations" as some famous economists contend?

Will people wake up in the morning and take a pill which controls their intellect and raises it to a certain level?

Will modern medicine become so advanced that people won't die - immortality will result because science has all the answers on illness?

Will the map of the world be reshaped into two or three supra-empires with geographical divisions based only on homogeneous societies?

Will the world become so overpopulated that children will become a rare and precious sight?

Will man be controlled by the technology he has created?

The answers to these questions lie in the future - but if man wants a voice in his own destiny, he'd better begin looking more toward the future rather than just coping with the accelerated rate of change in the present.

This is the premise offered by a group of scientists who have applied their knowledge

in their respective fields and are theorizing on the future based on current trends.

Their study - futurology - is a relatively new field based on the assumption that man should take a breather in his hectic pace and look toward where he is moving.

Recognizing that most people are too caught up in today's rapid pace to look ahead, two staff members at Schoolcraft College Newman House put together a three-day program of films and discussions designed to help people recognize the consequences of today's rapid changes.

Judy Kaltz and Sister Margaret Basso planned program offering views of the future by such notables as economist Kenneth Galbraith, economist Robert Heilbroner, historian Arnold Toynbee, anthropologist Margaret Mead, and futurist Alvin Toffler.

Toffler's popular book "Future Shock" has popularized the subject, so they included a film based on the book and narrated by Orson Welles.

"Anyone who believes tomorrow is simply more of the same is in for a real shock," Toffler said in a filmed interview.

He points out that by the year 2000, electricity may cost more than food, water

may be scarce and panic may become a norm.

Sister Margaret told students and local residents who viewed the films that people must "become aware so we can make the decisions to shape or invent our tomorrow."

She and others interested in the study of the future note that technology is advancing at such a mind-boggling rate that man is inadvertently letting it control him.

A suburban mother is controlled by the land developer who planned her suburban community and located recreation and shopping areas away from residential sections, Sister Margaret said.

"It is said a mother first delivers biologically and then forever after by car," she said.

These and other factors that shape an individual's life style can be changed if people become aware of city planning and zoning as well as other areas, she said.

Heilbroner says the future hinges on "how successfully

we use these next 10 years - whether these years will be the lift of a downward decline which could be very sharp for the next generation or whether these are years of learning to come to grips with the problems."

Among the problems facing our society is the problem of the environment, Heilbroner says, "of whether the combination of people and technology is creating a by-product, a congestion, pollution, poisoning that in the end could very seriously endanger our very life itself, not to speak of our way of life."

Galbraith believes that society is moving toward one which is controlled economically by 200 megacorporations and other scientists agree that this is highly likely.

In fact, Heilbroner argues that big business, not the United Nations, will do more to eliminate the threat of nuclear annihilation simply because countries will be forced to cooperate if their economies hinge on multinational corporations.

The Schoolcraft program pointed out several warning signs of trends in our "pre-cooked, plastic wrapped, instant society" and generally urged the students and local residents who participated to examine their personal values and priorities and become aware of trends.

Miss Kaltz said that just "coping" with today's rampant changes is "just playing catch up ball" because people don't get active in factors which change their life styles until it is late to be effective.

She said the Newman staff will offer other programs on futurology through the year. In November, the series will cover the subject of biomedical and related areas such as euthanasia.

A non-credit course on futurology is offered this fall through the community services program and may lead to offering a credit course next year. Registrations can be made by contacting the community services office or instructor William Burke.

Medical Services Veto Opposed

An Observer Roundup

Observerland's congressional representatives joined together in an unsuccessful attempt to override President Nixon's veto of the Emergency Services Systems Act of 1973.

U.S. Reps. Marvin Esch (R-Ann Arbor), Martha Griffiths (D-Detroit) and William Ford (D-Taylor) voted together in a bi-partisan effort to override which failed by five votes.

The medical service systems act was designed to provide funding, train personnel and insure ambulance service for people at a reasonable cost.

President Nixon indicated he vetoed the bill because of inclusion of a public health service system which he maintains has outlived its usefulness. The bill may be reconsidered.

"I chose to vote to override because it is my firm conviction that a strong emergency medical service system can save the lives of between 60,000 and 100,000 Americans across the country, and that such a service is vitally needed in many areas of the country," Esch said.

"The American Heart Association has predicted that a full 10 per cent of the lives that are lost each year through heart disease could be saved if there were fast service and trained persons available to take care of the situation.

"An estimated 15,000 to 20,000 lives of the more than 55,000 lost annually in traffic deaths could be saved by a

complete emergency medical service system," he said.

Drug Users Can Come Back Through New Day Program

By MARGARET MILLER

A "coming of age" for the Community Commission on Drug Abuse means new hope for many in this area who want to shake addiction.

The commission, with an expanded staff and program, is beginning an every-day, long-term program to help addicts find a new way of life.

In addition, CCODA is trying out new methods of preventing drug problems in the area.

The rehabilitation program takes the form of "day care" already under way in the commission side centers at 3310 Five Mile in Livonia and at 3888 N. Wayne, Westland.

Funded through a grant from the National Institute of Mental Health, this rehabilitation is offered to any resident of northwest Wayne County who will commit himself to the daily program.

It is being started with a small group and will add more clients, up to 25 in each center.

Hopes for success, said Mike Bogolea, CCODA director, lie largely in the gearing of the program to the needs of people in this area and in the fact that it will bring community involvement into rehabilitation.

Bogolea said the day care program, to be supervised by Pauline Siebodnick of the CCODA staff, and the new moves toward drug use prevention, headed by staffer Marion Rousseau, are parts of a plan to increase the commission's community impact.

"There are four areas of the drug problem in which our organization has been involved from the beginning," he explained.

"First, there's awareness—identifying the reality of drug addiction in our community. Then there is education, providing facts and honest information as opposed to myths and fears.

"We also must deal with prevention, not necessarily setting a goal of total absten-

sion, which might be utopian, but pointing out other alternatives to keep the individual from an involvement that prevents his functioning.

"And finally there is rehabilitation, getting to the person who has been harmed by drugs to the situation where he no longer can function, physically or psychologically."

Bogolea said the four aspects all are important "but at first we found we had to concentrate mostly on awareness and education.

"Now," he added, "we can get more into the other areas, and we're expanding our staff and program to do so."

In the matter of drug abuse prevention, several new programs are being initiated by Mrs. Rousseau, Livonia mother of four who joined the CCODA staff two months ago after serving as a volunteer.

She is making plans to get into elementary schools with factual drug information — "those kids really get scared about things being pushed at them when they get to junior high" — and she has started a question and answer newspaper column and a "Analysis Anonymous" program.

In the latter, several area drug stores have agreed to analyze substances brought to them and let the finder know the content—all completely and carefully anonymously.

Mrs. Siebodnick, Plymouth resident and mother of an eight-year-old son, started to develop the day care program when she came to CCODA on a full-time basis last May.

That program she calls a therapeutic community and it's aimed at clients 17 to 25 years old, although there may be some outside that age range.

It's an eight-hour-a-day, five-day-a-week program and it can run as long as five months," she said, "so it involves genuine commitment on the part of the clients."

The program will include individual, group, and vocational counseling along with developing job skills, recreation and trips to places of interest in the community.

"What we're trying to do is help these people get really high on things other than drugs," Bogolea added, "so

our aim is to help them find other interests in the community and jobs when they are ready for them."

Involvement of the total community—parents, friends, schools, businesses—in relation to the clients also is planned. Evening sessions probably will be set up.

Close study of two programs has gone into the plans for the CCODA-day care set-up. One was worked out for hard-drug addicts under the Narcotics Addiction Rehabilitation Act II and the other has been instituted in Florida and is known as The Seed.

"We've tried to adapt these ideas to our specific community," Bogolea said.

"In this area, addiction is more likely to be to such drugs as barbiturates rather than heroin or opium, and that calls for a different sort of rehabilitation.

"And most people involved will be from a suburban area, with a more or less defined life style."

The method of adding clients also should help the program achieve its goals, Bogolea added.

"The small number now starting the program forms a nucleus group," he explained. "We'll gradually fill the other spots, but always we'll have a nucleus of people who have been in therapy longer than others."

Bogolea said the Community Commission on Drug Addiction hopes soon to give more attention to another drug problem — alcoholism.

"We're finding more and more young alcoholics," he said "and more multiple drug use. Alcohol and barbiturates seem to be becoming more popular, and that's a lethal combination."

AN OLD-FASHIONED Day at the Races will raise funds for a modern new X-ray machine for St. Mary Hospital on Wednesday, Oct. 10. Friends of St. Mary are sponsoring the gala from 1:30 to 6:30 p.m. at the Detroit Race Course, Middle Belt at Schoolcraft. Tickets for \$25 will cover a steak dinner, cocktails, a program and a reserved seat for the race program, and a musical afterglow also is planned. Tickets may be obtained by calling the hospital. Getting into the spirit of bygone days are seated, from left, Mrs. Dieter Rohl and Dr. and Mrs. Phillip LaFata, all of Livonia, and standing, from left, Dr. Robert Lilly of Farmington, Mrs. Jacob Sobieraj of Dearborn and Mrs. Robert Lilly. (Observer photo by Maurie Walker)

What's In Future?

Living Better For Retarded

EDITOR'S NOTE: This is the second of two articles on Community Living Centers, Inc.

By MARGARET MILLER

When Mary Wagner of Farmington first learned

years ago that her son Tony was retarded, she went out and drove around for hours wondering "Why did this have to happen to me?"

But because this mother faced her problem with honesty and energy and originality, her son and scores of other adult retardates are living useful, contented lives at minimum cost to society. In the cases of Tony and some others, at no cost at all.

Mary Wagner's only real worry now is that the Community Living Centers, Inc., which she and her husband, Robert, helped found, can't find room for all who want to come to the homes where retardates live and hold jobs under supervision.

"I get such tearful stories," said Mrs. Wagner, who now serves as executive director of four homes currently operated by CLC. "The retarded just don't fit into a normal home and they aren't happy there."

"With their own homes and supervision all the way they lead useful lives — some pay taxes instead of being supported by state aid."

Community Living Centers, Inc., currently housing 50 persons in four homes has a waiting list of more than 200.

Thirty-two more retardates will be accepted when a pair of new homes open in Farmington early next year.

These are the first in the country of their type being built on federal funds under

the Department of Housing and Urban Development.

The retardates who move in will pay, like those in two Farmington homes and one each in Hazel Park and Pontiac, a monthly room and board tab of \$240. Some earn this money on jobs they hold; some receive part of it from the Michigan Department of Social Services aid to the handicapped.

Mrs. Wagner figures it costs Community Living Centers, Inc., \$12 a day per person to operate the homes and provide, in addition to living costs, supervision, counseling and transportation to and from jobs.

That's far below the \$20 to \$40 cost that has been estimated for keeping a retarded person in a state institution.

Since 1969, when Wagner House opened in Farmington as the first CLC home, the program has been funded through a federal Developmental Disabilities grant.

"This is a research and demonstration grant," Mrs. Wagner said, "and with it we've shown that we can do this job well on \$12 a day. Of this, \$8 is room and board — often paid in full by our clients — and the other \$4 is for supervision, counseling and transportation."

With the federal grant coming to an end, Mrs. Wagner said the organization is seeking State Mental Health funds that have been set

Erma Bombeck At Northville Town Hall

Columnist Erma Bombeck will lead off the Northville Town Hall series, relocated for its 1973-74 season, on Thursday, Oct. 11.

Lecture and celebrity luncheons both will be held in the Thunderbird-Hilton, 14704 Northville Road, with the talk beginning at 11 a.m. and the luncheon served when it is completed.

Some season tickets for the series, which also includes "Fat Bob" Taylor, the singing plumber, transactional analysis expert J.A. Brown, and interior decorator Donald Brooks, still are available for \$12.

Future lectures are scheduled Nov. 8, March 14 and April 25. Write to Northville Town Hall, Box 93, Northville, 48167, to order season tickets, or call Mrs. Donald DiComo, 18257 Edenberry, Northville.

No single tickets are being sold for the Bombeck lecture.

Some season luncheon tickets also are available at \$16 for the four luncheons. They may be ordered by Friday,

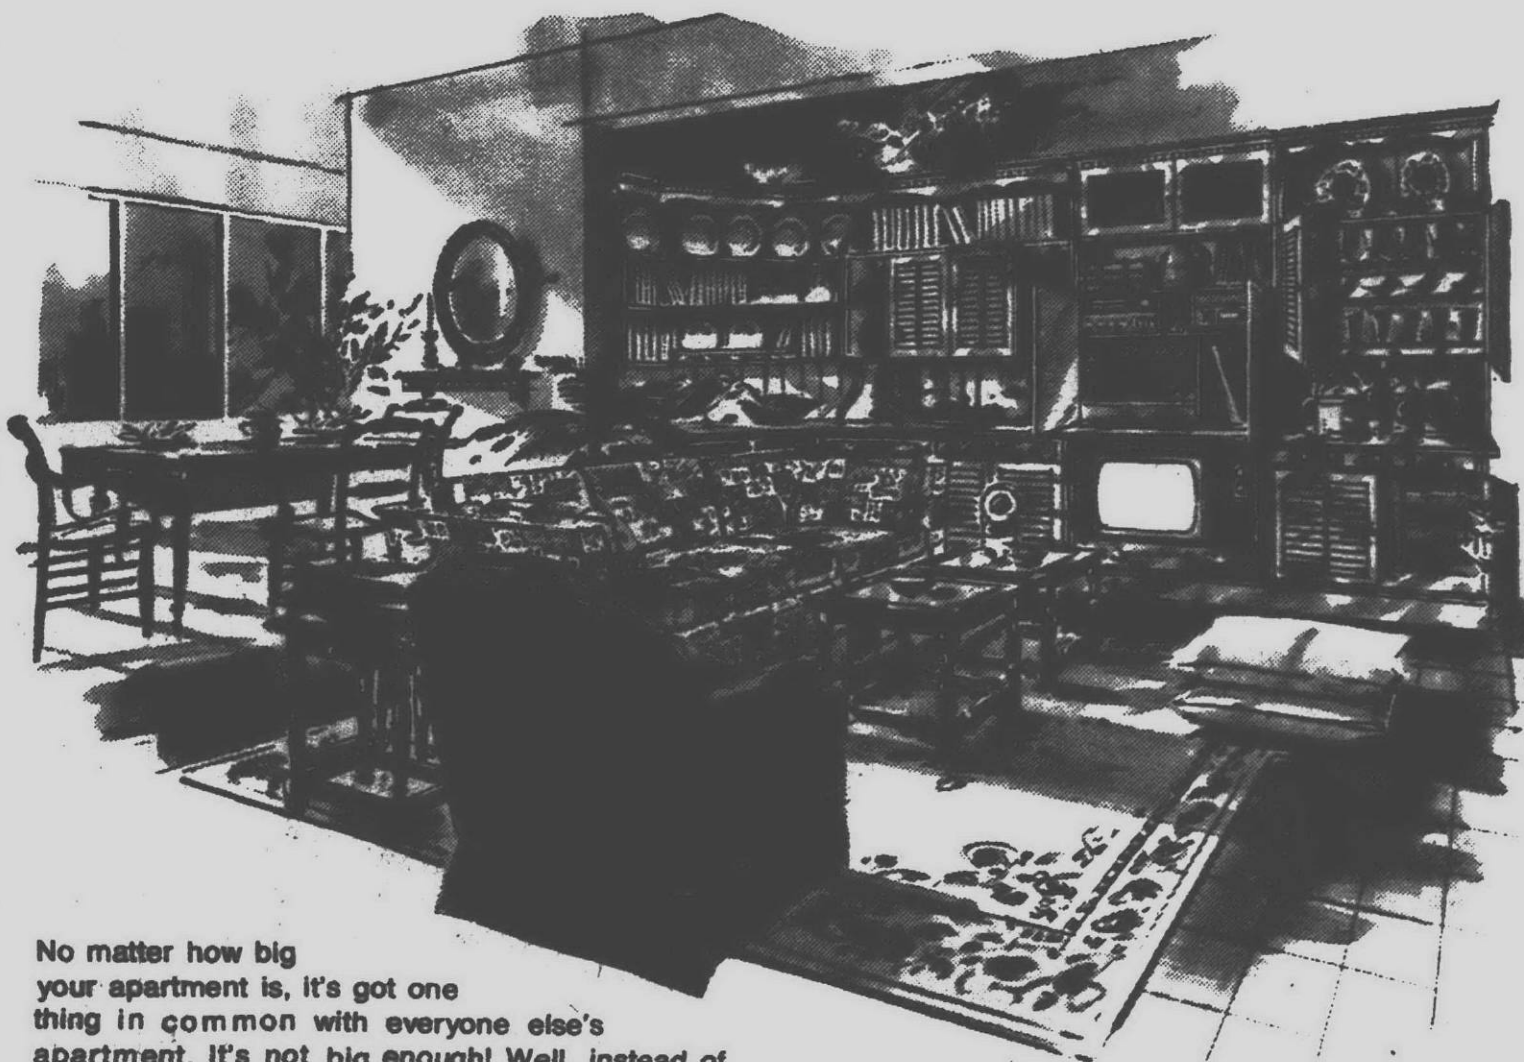

ERMA BOMBECK

Oct. 5, from Mrs. Richard Booms, 18338 Laraugh, Northville. No single tickets are left for the luncheon next week.

Lectures and luncheons all are being held in the Thunderbird-Hilton's Essex room.

How to get a bigger apartment without moving.

No matter how big your apartment is, it's got one thing in common with everyone else's apartment. It's not big enough! Well, instead of resigning yourself to cramped quarters, come to the Hearthside and let us show you how to make the most of the space you have. In addition to showing you how to use color, patterns, fabrics, and even accessories to make any room look a lot more roomy, we'll show you Ethan Allen's ingenious Cus-

tom Room Plan modular furniture. With it you can turn a few feet of empty wall space into an office, a library, a home entertainment center, or a much-needed storage area that's as beautiful as it is functional! Come see!

Engaged

Mr. and Mrs. Douglas I. Parsons of Coventry Drive, Livonia, announce the engagement of their daughter, Renee Sue, to Randall Keith Thomas, son of Mr. and Mrs. Alex R. Thomas of Edwards Street, Southfield. The bride-elect graduated from Bentley High School in 1973 and is attending Schoolcraft College. Her fiancé graduated from Southfield Lathrup High School in 1972. A July, 1974 wedding is planned.

RENEE SHAILOR

3 Flags DAR Has A Birthday

The Three Flags Chapter of the DAR will celebrate its 34th birthday with a luncheon Monday, Oct. 8, at 12 noon in Northland Inn's Coach and Four.

Hostesses for the day will be past regents of the group and special guests will be regents from the Detroit area.

Present members of the chapter who helped organize

Three Flags in 1939 are Mrs. Conrad Bloom and Mrs. Robert Vint, both of Lathrup Village; Mrs. Orman Davison of Pontiac; Mrs. Richard Larges of Royal Oak; and Mrs. Glenn Levey of Riverside, Cal.

The program will center around the DAR's national theme for the year.

Try Weaving Minus Loom

Weaving without a loom is a new addition to the crafts program in the Northwest branch YWCA, with a class beginning Thursday, Oct. 4, at 7:30 p.m. in the Y building at 25940 Grand River, Redford Township.

The course will run nine weeks and will deal with decorative as well as functional projects such as place mats, belts, wall hangings and purses.

To register, call the Northwest branch YW.

By MARGARET MILLER
Women's Editor

By MARGARET MILLER
"I've tried to think what my life would be without exchange students - pretty bleak, I guess."

The speaker is Mrs. Wesley Orr of Farmington, head of the Youth For Under-

Women on the Go

Life's Never Dull With Exchange Students

standing program in Farmington, Plymouth, Livonia, Northville, Novi and Redford Township.

And there's no question that Youth For Understanding has changed her life.

Nina Orr was a kindergarten teacher when, in 1962, son Wesley met an exchange student at Farmington High School and wanted his family to host a visitor.

"I can't - I'm a teacher," said his mother, thinking that teen visitors from other countries could be placed only in homes with stay-at-home mothers.

But a bit of research showed it wasn't necessarily so in the YFU program, and by the next school year Kaj Alberts of Sweden was a guest in the Orr household.

It was a new beginning for everyone concerned.

Since that year, the Orrs have hosted at least eight foreign visitors for periods of more than a month and so many for shorter stays that Mrs. Orr admits "I really can't remember how many."

The Orrs' son, Bill, who was host to Kaj's brother, Mats, two years after the first visit, became so interested in the program that he went to France for a year after graduating from high school. Now he's living in Paris, directing another student exchange program.

And his mother three years ago resigned her teaching job to head the growing YFU program in this area.

"It's a full time job," she says, pointing out the arrangements of homes for visitors, the interviews and the regular meetings of exchange students, the talks for clubs and the work with school administrators, and, always, the exchange students staying in the family home.

Right now the Orrs are hosting two Oakland Community College students, Per Thorstenson of Sweden, half-brother to the Alberts boys, and Pratrice Raynot of Poitiers, France. Nina Orr is seeking another home for Pratrice, and she also needs

MRS. NINA ORR watches Pratrice Raynot, her current Youth For Understanding visitor, execute a pool shot in the Orr home. (Ever photo)

a family to host another OCC student currently living in Brighton.

In fact, she's constantly on the lookout for families that would like a visitor for varying periods of time, and it's a rare day that she doesn't do a bit of recruiting. "We went to dinner at the Elks Lodge one evening and I found some people who will take one of the Mexican students soon," Mrs. Orr said, "and when I went to church a couple of days later I came up with another family."

In recruiting families, Nina Orr could get enthusiastic testimonials from several in this area besides her own. "Several families - like Glen and Vera Mingo and their six children - have had exchange students year after year," she said. "It's a different kind of experience for them, and they enjoy it so much they can't give it up."

"And without people like them, I couldn't possibly do my job."

That job has involved contact with literally hundreds of exchange students. Mrs. Orr was instrumental in forming the first Farmington YFU chapter in the mid 60s, and she took over the chairmanship when Mrs. Leona Stidwell, the first chairman, died in 1969.

That fall Nina and Wesley Orr boarded a ship to cross the Atlantic with 900 students who had been visiting in the United States. It was the last such ocean trip - now YFU students fly both ways.

Youth for Understanding had its beginnings in 1951 because the U.S. Minister in war-torn Germany realized German youth had no contact with young people from the United States other than the military.

He took his ideas to the State Department, and soon Rotary International in Detroit was looking for homes for 75 young German visitors.

Mrs. Rachel Andresen of Ann Arbor was at that time secretary to the Washtenaw County Council of Churches and she heard about the project and joined it. From those origins grew the organization that has spread all over the United States, involving thousands of young people. Mrs. Andresen only last summer retired as executive director.

Mass Marks Rochons' 50th Anniversary

A mass of thanksgiving in St. Valentine Catholic Church in Redford Township Sept. 7 marked the 50th wedding anniversary of Mr. and Mrs. Lloyd M. Rochon of Southfield. They were married in Lansing and moved to the Detroit area in 1937. They have five children. Mrs. Wilfred Teubert (Nan) of Detroit, Richard Rochon of Livonia, Robert Rochon of Redford Township, Mrs. Michael J. Doyle (Colleen) of Redford Township and James Rochon of Westland. There are 25 grandchildren.

10-Year FHS Reunion Set

The Farmington High School class of 1963 will hold its 10-year reunion in Vladimir's Restaurant, Grand River at Middle Belt, on Nov. 3.

Those interested in attending may call Mr. and Mrs. Frank Patterson, 22737 Cortes, Novi, or Mr. and Mrs. Charles Brenner, 6048 Willow Creek, Plymouth.

MR. AND MRS. WILLIAM MANCHESTER

Manchesters Mark 50 Years

Mr. and Mrs. William Manchester, former Redford Township residents now living in Hollywood, Fla., will celebrate their 50th wedding anniversary Sunday, Oct. 7, with an open house.

The party will be held in the house of their son and daughter - in - law, Mr. and Mrs. William Manchester Jr., 35499 Richland, Livonia, from 2 to 6 p.m.

Also helping honor their parents are five other children, Ruth Barlow of Livonia, Ronald Manchester of

Brooklyn, Mich., Janet Gibbons of Hollywood, Dennis Manchester of Wixom and Karen Jacobs of Chubbuck, Ind.

There are 23 grandchildren. William and Clara Manchester were married Oct. 6, 1923, in Stephanus Lutheran Church in Detroit.

They moved to Redford Township in 1933 and lived there 36 years before going to Florida. Mr. Manchester worked for Davis Tool and Engineering before his retirement.

SALES & SERVICE

TO SERVICE WHAT YOU SELL IS TO CARE WHAT YOU SELL

Bonnie Breese Weds John Hyde

Bonnie Lynn Breese, daughter of Mr. and Mrs. Robert H. Breese of Farmington Hills, became the bride of John Martin Hyde in a Sept. 29 ceremony in the First Presbyterian Church of Farmington.

The bridegroom is the son of Mrs. Joseph Hyde of Dearborn and the late Mr. Hyde. The Rev. George Ramsey officiated.

The bride wore a cameo ivory empire gown by Priscilla of Boston, styled with alencon lace bodice and chapel train. A lace cap held her veil, and she carried white roses and carnations with ivy, heather and stephanotis. Her attendants wore mocha crepe gowns and carried colonial bouquets of pink roses and carnations.

Mrs. Melinda Biersbach of Waukegan, N.Y., was matron of honor. The bridesmaids were Mrs. Kay Breese, the bride's sister-in-law, Sue Buckley of Ann Arbor, Sandra Hatala of Southfield and Mrs. Susan Dobson of Denver.

MRS. JOHN HYDE (Bonnie Breese)

Kinder of San Jose, Calif., as ushers.

A wedding dinner in Raleigh House, Southfield, followed the ceremony, and the couple went to Hawaii for their honeymoon. They will live in Southfield.

Ellen Kuhfeldt Is Recent Bride

Ellen M. Kuhfeldt became the bride of Gary L. Schroeder in a recent early evening ceremony in St. Peter Evangelical Lutheran Church in Plymouth.

Mr. and Mrs. Harold Kuhfeldt of Sheridan Avenue, Plymouth, are the bride's parents. The bridegroom is the son of Mr. and Mrs. Donald Schroeder of Marlowe Avenue, Plymouth.

The Rev. Jack DeRuiter was officiating minister, and Vicar David Priebe gave a sermonette.

The bride's gown, made by her mother, was antique white embroidered Swiss voile over polyester worsted. It featured an empire waist, long buttoned sleeves and full train. Her two-tier veil was sheer tulle edged in narrow lace, and her bouquet was sweetheart roses, mums and baby's breath.

Her attendants wore dresses of white embroidered cotton over cream polyester with blue gloves and blue ribbons in their hair. Their bouquets also were blue.

and Mrs. Schroeder's in embroidered cotton.

After a reception in the Hawthorn Valley Country Club, the couple left for a Mackinac Island honeymoon.

The bride is a 1972 graduate of Michigan Lutheran Seminary in Saginaw and employed by American Community Mutual Insurance Co. The bridegroom, who graduated from Plymouth High School in 1969, works in the Ford Motor Co. Sheldon Road plant.

Living Centers

Continued from Page 1B

aside for services to the retarded.

"However, to get them we must first get a commitment from Oakland County," she added. "The state money is available - \$3 will be paid for each \$1 of county funds and CLC is asking the County Department of Mental Health to match funds through act 54."

No decision has been made at a county level, she said, "and if this allocation is not affirmed by the county board, CLC will have to raise this money from private donations in order to make use of state allotted money and continue this necessary program."

Donations are not new to the Community Living Centers program.

The Village Women's Club has donated \$1,000 each of the last two years and St. Clare Catholic Parish has provided \$500 for two years. There also have been two \$125 donations from the Northville Town Hall and \$100 from the secretarial class at North Farmington High School.

"We also receive memorial donations and other individual donations and there are membership dues for the association," Mrs. Wagner said.

Money donated has up to now been used largely for furnishings of the various homes.

With the new HUD-funded residences around the corner from the Farmington Nursing Home, CLC hopes to end its Farmington area expansion.

"Each community should have this sort of home available for its retardates," Mrs. Wagner said, and to this purpose she does a lot of speaking around the state.

In the Observer area, another such home is on the way.

Community Opportunity Center, a non-profit corporation organized through the Northwest Communities for Retarded Children, hopes to have one open in Plymouth by the end of next year.

Honeymoon Is In Europe

MRS. WILLI HANS SCHWOEBEL
(Gail Suzanne Seelye)

Mr. and Mrs. Willi Hans Schwoebel traveled to Europe for a month-long honeymoon following their recent marriage in the Church of Jesus Christ of Latter Day Saints in East Lansing.

Mrs. Schwoebel is the former Gail Suzanne Seelye, daughter of Mr. and Mrs. Robert E. Seelye of Whitmore Lake, formerly of Livonia.

Mr. and Mrs. Hans Schwoebel of Heidelberg, Germany, are the bridegroom's parents.

Upon their return from the honeymoon trip, the newlyweds are making their home in East Lansing, where the bridegroom is completing work on a doctorate at Michigan State University. He is a graduate of Brigham Young University.

Mrs. Schwoebel is a graduate of MSU and taught school in Australia last year.

For her marriage, she wore a floor-length gown of linen weave with lace trim on the bodice and sleeves.

Her veil fell from a lace headpiece and she carried white roses and carnations.

The bride and her grandmother, Mrs. Marguerite Seelye, worked together to sew the dress and veil.

The bride's sister, Mrs. Gerald Walker of Houston, was matron of honor and the bridesmaids were another sister, Lori Seelye, and Mrs. David Sanford of Okemos. Heide Atkinson of Midland, Texas, niece of the bridegroom, was flower girl.

All wore multi-hued floor-length dresses with coral predominating and carried mixed flowers with coral predominating.

Dale Giddings of Wolverine, Mich., was best man. Jerry Atkinson of Midland, Texas, and Peter Stewart of Houghton Lake were groomsmen and the ushers were Gerald Walker of Houston and Roger Barrus of Seattle.

A reception in the church cultural hall followed the ceremony.

MRS. ALLAN S. REIDER
(Candice Slagle)

Couple Is Wed By Candlelight

Candice K. Slagle, daughter of Mrs. John Slagle of Farmington and the late John Slagle, became the bride of Allan S. Reider, son of Mr. and Mrs. Charles Reider of Grand Rapids, during a candlelight ceremony in Temple Emanuel.

The bride was given in marriage by her mother and brother-in-law, Jon Kennedy of Farmington. Rabbi Albert Lewis officiated.

The bride's gown was of ivory silk organza with venice lace trimming the bodice, skirt and bishop sleeves. Ivory satin ribbon trimmed the gown and picture hat which held her floor length veil. She carried a cascade of roses, stephanotis, baby breath and a white orchid.

Mrs. Jon Kennedy, sister of the bride, was matron of honor. Bridesmaids were Mrs. Robert H. Porter of Rockford, Ill., and Rhonda Reider, sister of the bridegroom.

Robert Reider, brother of the bridegroom, was best man and Kennedy and Douglas Sehler were ushers.

Mrs. Slagle chose a gown of apricot and Mrs. Reider's gown was of peach.

A reception and dinner followed the ceremony in the social room of the temple.

The couple will make their home in Grand Rapids where the bride is a teacher and the bridegroom is in business with his father. Both are graduates of Grand Valley State College and the bride is a graduate of Farmington High School.

Rites Held In Plymouth

Nancy Lundin, daughter of Mr. and Mrs. Earl Lundin of Ridgewood Avenue, Plymouth, became the bride of Kenneth Koch in a recent ceremony in the First Presbyterian Church of Plymouth.

The bridegroom is the son of Mr. and Mrs. Art Koch of East Detroit.

Dr. Henry Walch officiated for the double-ring rites.

The bride made her white dotted swiss wedding gown. She wore a waist-length veil and carried pink carnations and white daisies and mums.

Debi Lundin, the bride's sister and maid of honor, and bridesmaids Carol Stevens and Kathy Koch, wore blue pink and yellow dotted swiss

dresses and matching picture hats.

Eric Spendak was best man and the ushers were Charles Heady and Frank Angelo.

After a luncheon reception at Hillside Inn, the newlyweds went to northern Michigan for their honeymoon. Both are University of Michigan students, the bride majoring in art and the bridegroom in business.

MRS. KENNETH KOCH
(Nancy Lundin)

School Still Has Openings

Shedds Married In St. Aiden

Mr. and Mrs. Ernest Shedd are making their home in Plymouth following their recent marriage in St. Aiden Catholic Church in Livonia.

Mrs. Shedd is the former Charlene Cady, daughter of Mr. and Mrs. Howard N. Cady of Bell Creek Lane, Livonia. Her husband's parents are Mr. and Mrs. Russell Shedd of Meadowbrook Road, Redford Township.

Given in marriage by her father, the bride wore an

A-line gown of organza with applied lace inserts. Her fingertip veil was held in place by a seed pearl crown.

Jackie Corwin, the bride's sister, was matron of honor. She wore a blue dotted swiss gown with scooped neckline and carried a nosegay of blue and white carnations.

The bridesmaids were Barb Hayward of Livonia and Marie Bellamere of Taylor. Their gowns were yellow and green dotted swiss and they carried matching nosegays.

Allen Shedd, the bridegroom's brother, was best man. The ushers were Nelson Cady, brother of the bride, and Tom Ouellette of Livonia.

Mrs. Cady wore a mint green chiffon gown and Mrs. Shedd's dress was blue and white pleated chiffon.

Grandparents of the bridal pair, Mr. and Mrs. Samuel J. Carruthers of Walnut Creek, Calif., and Mr. and Mrs. Laverne Shedd of Kalamazoo, were present for the occasion.

After a reception for 300 guests in Roma Hall, the couple left for a northern Michigan honeymoon.

Both are graduates of Schoolcraft College. The new Mrs. Shedd is a second-year student at Providence School

of Nursing and her husband is employed by the Ford Motor Co. transmission division in Livonia.

MR. AND MRS. ERNEST SHEDD
(Charlene Cady)

St. Michael Scene Of Rites

St. Michael Catholic Church in Livonia was the setting when Christine Pelchat and Ramon Cruz exchanged nuptial vows recently.

The bride is the daughter of Mr. and Mrs. Louis Pelchat of Montana Avenue, Livonia. Mr. and Mrs. Santos Cruz of Brentwood, Calif., are the bridegroom's parents.

Officiating for the evening ceremony were the Rev. Leonard Partensky and Deacon Robert Delbeke. The bride's father gave her in marriage.

She wore a floor-length gown of white summer satin with alencon lace trim. Matching lace fashioned the headpiece that held her cathedral length veil. Her flowers were pink sweetheart roses and white daisies in a colonial bouquet.

Patricia Pelchat was maid of honor for her sister, Karrell Hultquist of Grant, Mich., and Judy Wickman of Livonia were bridesmaids and Amy Pelchat, a younger sister, was junior bridesmaid.

Their dresses were white with a tiny yellow and orange flower print and they carried yellow daisies.

The bridegroom's attendants were William Krause of Detroit, best man, and Patrick Walker of East Lansing and Raymond Karras of Livonia, ushers.

A reception for 150 guests in the Park Place, Dearborn, followed the ceremony, and the couple went to southern California for their wedding trip.

They are living in Westland.

The bridegroom attended Michigan State University and is employed by the Hearstside.

MR. AND MRS. RAMON CRUZ
(Christine Pelchat)

Kyle Micol Wed To Dale Gary

Kyle Ann Micol, daughter of Mr. and Mrs. Russell E. Micol of Dism Court, Plymouth, made the wedding gown she wore when she was married to Dale E. Gary recently.

The early evening ceremony took place in the First United Methodist Church of Plymouth with the Rev. Paul M. Cargo officiating.

Parents of the bridegroom are Mr. and Mrs. O. D. Gary of Flint.

The bride was given in marriage by her father. Her gown was nylon georgette over satin with a front panel of galloon lace and long, full sleeves.

Her full-length illusion veil fell from a lace headpiece and she carried a colonial nosegay of daisies.

Sue Lolli of Redford Town-

ship, maid of honor, wore a floor-length polyester gown with a square neckline and short puffed sleeves. She carried a blue basket of pink daisies and baby's breath.

Gale Thelen of Lansing, sister of the bride, was bridesmaid. Her dress was pink and her flowers blue.

Rick Krause of Sparta was best man and the ushers were Dallas and David Gary, brothers of the bridegroom, and Gene Wicks of Flint.

Mrs. Micol selected a green paisley print jersey dress and Mrs. Gary wore multi-colored floral jersey.

A reception in the church's fellowship hall followed the ceremony.

The newlyweds will live in Flint. Both have attended Central Michigan University.

MR. AND MRS. DALE E. GARY
(Kyle Ann Micol)

Nurses' Dilemma Aired In Workshop

An all-day session on "Today's Dilemma in Nursing Practice" will be sponsored by the Council of Catholic Nurses of Detroit Saturday, Oct. 6, at the conference center at Mercy College. Workshops, discussions and lectures will run continuously from 8:30 a.m.-4 p.m.

Workshop chairman Mary Anita McHugh said, "Drugs, abortion, euthanasia, infanticide, these are all things every nurse is faced with every day that are challenges to every one of us we didn't have even 10 years ago."

Mrs. McHugh is an industrial nurse at General Motors and vice president of the U.S. and Canadian regions of the international council.

She said the workshop will be of interest to all persons in any phase of medicine today. "The medical technicians or the medical secretary, we're all facing these changes in society and

they're causing us to ask ourselves where we stand on life and death issues."

Speakers lined up for the day are Professor Leonard J. Weber, author of "Ethics and Euthanasia, Another View"; Joan Guy, executive director of the Michigan Nurses Assn.; Dr. Carlos Grossi, of the University of Detroit; Judge James Ryan; and representatives of various health fields.

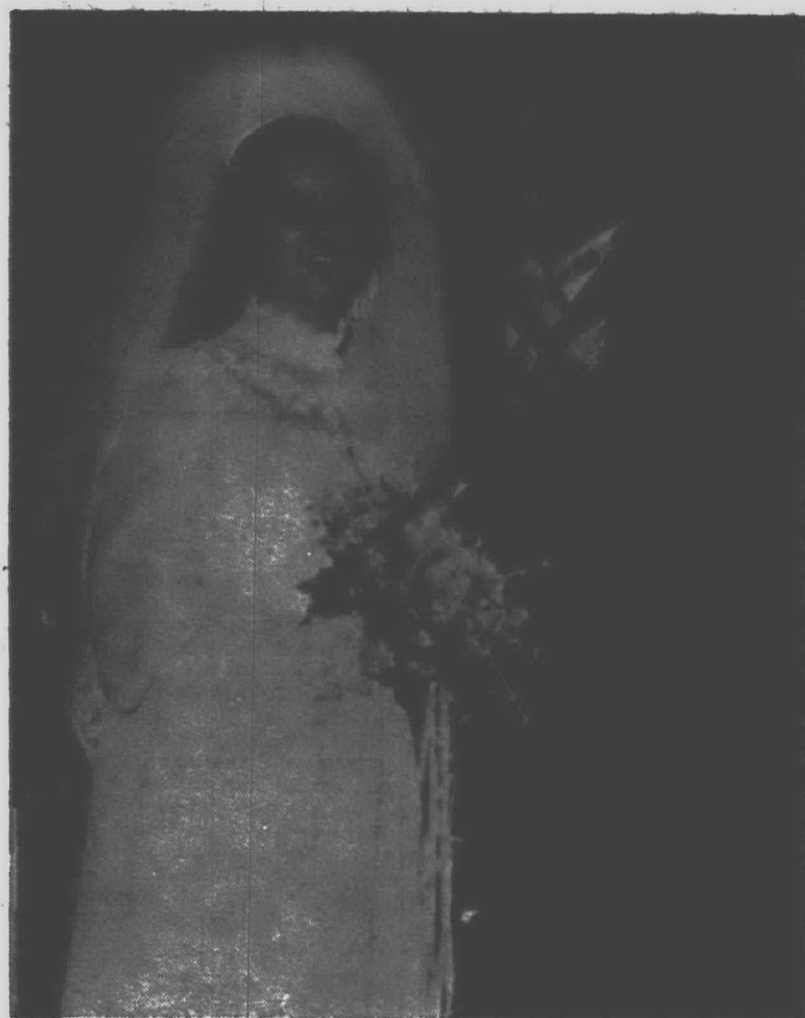

Topics to be covered are: the rights of conscience and medical ethics; status of life/death legislation; professional and conscience conflicts; becoming involved; and health disciplines.

Registration, which includes luncheon, is \$10, or \$8 for students. Checks are to be made payable to the Council of Catholic Nurses and sent to the organization at 17131 Quincy Ave., Detroit 48221.

MARY ELLEN GLEESON and Mary Anita McHugh team up for a workshop aimed to settle some of the questions in "Today's Dilemma in Nursing Practice." Mrs. Gleeson is a nurse at Providence Hospital who is luncheon chairman for the day. Mrs. McHugh is an industrial nurse and workshop chairman. (Observer photo)

Evangelistas Living In Redford

MR. AND MRS. DOUGLAS P. EVANGELISTA
(Vicki L. Blocher)

Mr. and Mrs. Douglas P. Evangelista have a home in Redford Township following their recent wedding in Precious Blood Catholic Church in Detroit.

Mrs. Evangelista is the former Vicki L. Blocher, daughter of Mr. and Mrs. Victor L. Blocher of Redford Township.

Mr. and Mrs. Paul Evangelista of Redford Township are the bridegroom's parents.

The morning rites were planned by the couple and the Rev. Franklin Mizzi, who officiated for the nuptial mass.

The bride wore a gown of silk organza and lace with bishop sleeves. A camelot headpiece held her full-length veil of illusion with lace trim. Her flowers were roses, stephanotis and baby's breath.

Mrs. Linda Evangelista was matron of honor and Gayle Blocher was maid of honor. The bridesmaids were Nancy Block, Mrs. Mary Pickard and Lori Evangelista, and Joyce DeGeorge was flower girl.

All wore aqua and ivory chiffon gowns and carried nosegays of daisies, carnations and statice.

Jon Evangelista assisted his brother as best man.

The ushers were Grant Pickard, Dan Longo, Jerry Evangelista and Mike Evangelista. Timmy Rogula carried the rings.

Mrs. Blocher wore a pink crepe gown with embroidery trim, and Mrs. Evangelista chose yellow chiffon.

After a dinner reception for 300 guests in the Warren Chateau, the couple left for a honeymoon in Hawaii.

Club Hears Of FISH

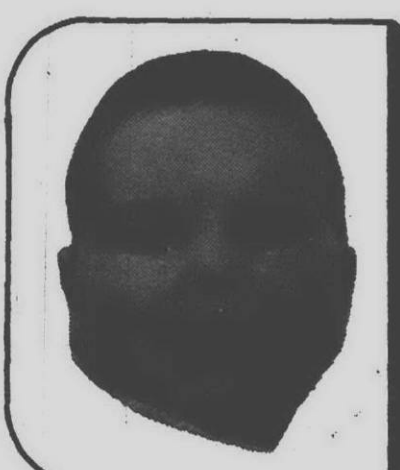

Capt. Frederick Yoder of the Salvation Army in Plymouth will tell about the FISH program at the meeting of the Western Suburban Junior Women's Club Monday, Oct. 8.

The meeting will be held at 8 p.m. in Sword of the Spirit Lutheran Church, 34563 Seven Mile, Livonia.

Members also will receive cartons of candy they will be selling in Farmington, Westland, Livonia, Northville and Plymouth to raise funds for the Kidney Foundation.

The candy, donated by the manufacturer so the entire proceeds can go to the foundation, is packaged in a container that can be used as a bank and will sell for \$1.

The meeting and club membership are open to any women living in Plymouth, Livonia, Northville, Westland and Farmington. Call Mrs. Richard Kirchhoff, 1517 Lexington, Plymouth for membership information.

New
Voices

Mr. and Mrs. Roland G. Bergeron of Houghton, Mich., announce the birth of a son, Jason Paul, on Sept. 16. His grandparents are Mr. and Mrs. Paul Roger Bergeron of Farmington and Mr. and Mrs. William Deckman of Denver.

Mr. and Mrs. James Wampler Jr. of Beatrice Street, Westland, announce the birth of a daughter, Michele Kristine, on Sept. 1 in St. Mary Hospital.

Michele has two sisters, Kimberly and Aimee. Her grandparents are Mr. and Mrs. Kenneth Pollard of Detroit and Mr. and Mrs. James Wampler Sr., also of Detroit.

Mr. and Mrs. Gerald Piowar of Plymouth announce the birth of their first child, a son, Todd Gerald, on Aug.

Hobo Party Set Oct. 13

A "Hobo Convention" Saturday, Oct. 13, from 8:30 p.m. to 1 a.m. in the Roseale Gardens Civic Assn. Clubhouse will open the new season for Livonia Welcome Wagon club.

A \$7.95 admission charge will include dancing, prizes, beer, soft drinks and a late chili supper. Guests are asked to dress like hobos or in casual outfits.

For reservations, call Mrs. William Graczyk, 14387 Doris. The clubhouse is located at 9611 Hubbard.

Bazaar Set

The Suburban Junior Chapter of the Dearborn Woman's Club, a member of the general federation of woman's clubs, will hold its first annual bazaar Saturday, Oct. 6, at Westland Shopping Center. Sale hours are from 9 a.m. to 5 p.m.

Proceeds from the bazaar will go to the National Association for Retarded Children and the National Kidney Foundation.

PWP Sets

The Wayne-Westland chapter of Parents Without Partners will meet Wednesday, Oct. 3, at 8:30 p.m. in Lerights, 626 S. Wayne. The topic for the evening is "Communicating With Others."

Everyone is Invited...

WSU Women Plan Festival

Women of Wayne Alumni will honor 28 women during the "Festival On The Mall" beginning at 5 p.m. on Sunday, Oct. 7, in Ferry Mall and Alumni House on the Wayne State University campus.

The honorees are recipients of Women of Wayne incentive scholarships, given annually to women 25-55 years of age who are working toward degrees at Wayne on a part-time basis.

Proceeds from the event will be given to the scholarship fund and to the Women of Wayne Child Care Center which cares for children of students while their parents attend university classes. Both projects were initiated as pioneering efforts to help women continue their education.

Festival reservations may be made by calling Alumni House.

Madonna Delays Dance

The dinner dance that had been scheduled by Madonna College Oct. 13 has been postponed until May 4, 1974, due to the tragic auto crash that cost the life of a Madonna faculty member recently.

Sister M. Catherine, dean of students, was killed in the crash. Seriously injured were Sister M. Janice, director of college relations, Sister M. Rachel of the English department and Louise Bego, sophomore student.

Women's Club Opens Season

The University of Minnesota Women's Club will open its 1973-74 season Friday, Oct. 5, at 12:15 p.m. with a luncheon in the home of Mrs. T. E. Olson, 32240 Robinwood Drive, Birmingham.

Guest speaker will be Mrs. David S. Cooper of the East

Michigan Environmental Action Council.

Singles Dance Opens Season

The Swinging Singles open the season with a cocktail dance party Sunday, Oct. 7 at 8 p.m. in Glen Oaks Country Club, 30500 W. 13 Mile Rd., between Middle Belt and Orchard Lake, in Farmington Hills. The club is open to all singles over the age of 25.

Pianist Will Perform Solo

The Plymouth Symphony will have a familiar soloist but a new starting time for the 1973-74 season.

Pianist Richard Syracuse will be guest artist when Conductor Wayne Dunlap raises the baton on Thursday, Oct. 11 at 8 p.m. in Plymouth's Canton High School auditorium, Joy west of Canton Center Road. (Other season programs will be on the traditional Sunday afternoons at 4.)

A virtuoso in the Romantic tradition, Syracuse will perform Beethoven's fourth piano concerto, written in 1805, shortly after the "Appassionata" sonata and "Eroica" symphony, when Beethoven was at his peak.

Syracuse earned two degrees at Juilliard school of music in his native New York and has won the Concert Artists Guild debut award (1964), one of five prizes in the Brussels' Queen Elizabeth international piano competition ('64), a Fulbright scholarship ('61, '62), and competitions sponsored by the Music Education League and New York State Federation of Music Clubs.

Other works on the program will be "Four Scottish Dances" by Arnold, "The White Peacock" by Griffes and "Hary Janos Suite" by Kodaly.

Tickets will be available at the door. K-12 students will be admitted free, but those below sixth grade must be accompanied by an adult. Literature on symphony society membership will be available the night of the concert.

RICHARD SYRACUSE
Pianist

Amusements Casting Call

The Wayne-Westland Civic Theater will hold open tryouts for its production of "Cyrano de Bergerac," Oct. 12 and 13, at 7:30 p.m. in St. John Episcopal Church, 555 S. Wayne Rd., Westland.

There are seven male leads, two female leads and many extras. Performance dates are set for Nov. 30, Dec. 1, 7 and 8.

GC Band Sets Concert

The 60-piece Garden City Concert Band will perform a free outdoor concert Sunday, Oct. 7 at 3 p.m. in the Garden City park pavilion, Merriam at Cherry Hill.

Featured among the numbers to be played are Michigan's "Block 'M' March," Goldwyn's "Cheerio March," "Barnum and Bailey's Favorite," highlights from Mary Poppins and Hello Dolly, and special arrangement of music by George M. Cohen.

Music will also be furnished by the 17-piece Metro-West Big Band. The dance band will feature past favorites by Glenn Miller, Count Basie and Duke Ellington.

The concert band, comprised of residents of 11 metro west communities, is in its fourth year. Director Dale Werner says there are openings for clarinets, saxophones, French horns, percussionists and baritone horns.

Anyone interested in joining should be at Radcliff Junior High School, 1751 Radcliff, Tuesday, Oct. 2 at 7:30 p.m.

Rehearsals are held every Tuesday in Radcliff from 8 to 10 p.m.

The band has scheduled concerts in O'Leary Center for Performing Arts, 6500 Middlebelt, Garden City, on Tuesday, Nov. 27 at 8 p.m., Sunday, Feb. 24 at 3 p.m. and Tuesday, April 23 at 8 p.m.

SC Features Film Festival

The first of three children's film festivals will be held in Schoolcraft College Saturday, Oct. 6.

The festivals, for children eight years old and under, will consist of films selected for this age group. Shows are at 11 a.m. and 1 p.m. Admission is free.

"Fall and Halloween" is the theme for school age children the first Saturday. The films include "Autumn on the Farm" and "Trick or Treat." There is also a show for preschoolers including

"Curious George Rides a Bike" and "How the Elephant Got Its Trunk."

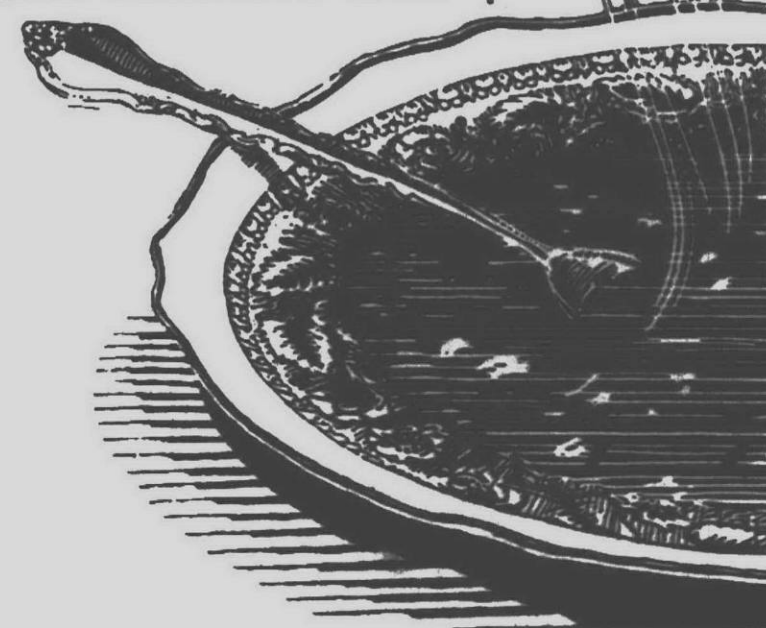

The films are shown in the Liberal Arts Theater on the Schoolcraft campus, 18000 Haggerty, Livonia. Free coffee will be available to parents.

Coordinating the festival this year is Mary Toomey, an English instructor at Schoolcraft. On Nov. 3 the festival will feature "Story Book Pictures" with attractions such as "Mother Goose Stories" for the preschoolers.

If the soup's not steaming, Chef LeVeque is.

Our chef is fussy. Take soup, for instance. He begins with a rich, meaty stock simmered to a peak of goodness. He blends in natural herbs and spices, then adds garden-fresh vegetables, and lets all bubble away until heat has worked its magic. Now enjoy, enjoy—with the happy thought the main course is yet to come!

'No Sex' For Plymouth

The Plymouth Community Arts Council will open its season Sunday, Nov. 11 with "No Sex Please, We're British," starring Noel Harrison. The original opening attraction, "Untamed Land," starring Jimmy Rodger, was postponed to Feb. 9.

All plays scheduled by the PCAC will be presented in the Plymouth Salem High School auditorium. Season tickets are \$18, \$15 and \$12, available in the Detroit Edison office, Plymouth.

Individual tickets are \$4.50, \$5.50 and \$6.50. Box office hours are Wednesday and Friday, 9 a.m. to 5 p.m. Tickets will also be available at the door.

"No Sex Please, We're British" is about a newlywed couple living over the bank of which Noel Harrison is assistant manager. The young wife decides to supplement the family budget and answers a newspaper "business opportunities" ad.

However, the "Swedish Glassware" she sends for turns out to be pornographic postcards. When by mistake, she sends the firm a check, masses of films, books, pictures and more start to arrive at the apartment. The complications increase

and a couple of important bank officials.

Noel Harrison, son of Rex Harrison, is one of the most versatile and talented young men in the entertainment industry. He is a composer, stage, screen and television actor, director and recording artist.

Have Coffee At A Concert

The Detroit Symphony will present the first in a series of five Friday morning concerts Oct. 12 in Ford Auditorium.

Each concert is preceded by a continental breakfast and a fashion show. The Farmington Community Center will provide bus transportation to each concert.

Tickets at \$4.50 are available in the center. The price includes concert and transportation.

USA Trainer

Veteran Wayne State University trainer Bob White served as a USA trainer during the 1973 World University Games in Moscow.

**We're spreading
the wealth so more
people can win.**

**Now on sale.
Lottery tickets with a
"second chance" to win.
New weekly
\$5,000 prizes.**

We've changed our Lottery prize lineup to help spread the wealth. Every week, our additional "Second Chance" drawing gives you an opportunity to win one of many \$5,000 prizes. **The weekly Super Drawing:** As always, if your ticket has both sets of regular weekly numbers, you're in the Super Drawing of the following week. Based on current Lottery sales of five million tickets per week, you could win one of the following prizes:
\$200,000 (one prize)
50,000 (two prizes)
25,000 (four prizes)
10,000 (three prizes)
(Any surplus will be

returned in extra Bonus prizes.) And remember, having one set of Regular numbers still wins you \$25 and maybe a crack at your share of \$1,295,000 in a Million Dollar Drawing. **A new "Second Chance" Drawing every week for \$5,000 prizes!** Every Thursday, immediately after the regular numbers are drawn, an extra set of numbers will be drawn. These extra numbers are "Second Chance" numbers. If your ticket has both sets of "Second Chance" numbers, such as 123-456 (or 456-123), you win \$5,000 immediately! Based on current Lottery ticket sales,

there will be ten \$5,000 prizes each week. But remember, your ticket must have both sets of "Second Chance" numbers. Having one set does not qualify you for a \$25 prize. **Starting October 2, double your chances to win big!** Tickets on sale October 2 for the drawing of October 11, 1973, are "Second Chance" tickets. They're on sale at the same old places at the same old price, 50¢. They even look the same. The only difference is, they give you twice as many chances to win big prizes each week! And doesn't that give you twice as many reasons for buying Lottery tickets each week?

The chance of a lifetime.
New ticket sales start every Tuesday... new drawing every Thursday

DANA CLARK (left) rehearses with Steven Antis for the Wayne-Westland Civic Theater's production of "The Hobbit," Friday and Saturday, Oct. 5 and 6.

amusements

What's A 'Hobbitt'?

The Wayne-Westland Civic Theater will present "The Hobbit," by J.R.R. Tolkien, Friday and Saturday, Oct. 5 and 6, in Wayne Memorial High School auditorium, 3001 Fourth, Wayne.

Curtain time for the Friday performance is 7:30 p.m. and Saturday performances will be at 10:30 a.m., 12:30 and 2:30 p.m.

Tickets are 50 cents for children and adults. For ticket information contact Anne Button, 35042 Hees, Livonia.

The story is about the adventures of a group of dwarfs, a hobbitt and a wizard. A hobbitt is a less than man size creature from middle earth.

To end up with more money, start out with more interest.

And the best way to start out with more interest is with one of our high-interest savings plans.

And we have a lot of those for you to choose from. There's our Regular Savings Passbook Account that pays a full 5% (\$1 minimum deposit, deposits and withdrawals any time).

Our Special Time Passbook Account with 90-day maturity that pays 5½% (\$500 minimum deposit, interest compounded continuously, payable quarterly, \$50 minimum deposits).

And our 6% and 6½% Certificates of Deposit with longer maturity periods (\$500 minimum deposits, interest compounded quarterly, quarterly interest checks available, 1-2½ year maturity on 6% Certificate, 2½ - 4 year maturity on 6½% Certificate).

So pick the savings plan that fits your needs best.

That way you'll start out with more interest. And end up with more money.

we'd be just another good bank.**

A Gardener's Dream: His Own Greenhouse

Almost every gardener reaches a point where he wants a greenhouse of his own. Before building one, decide how much money you want to spend and how much work you want to do, says J. Lee Taylor, Michigan State University horticulturist.

A hobby greenhouse can range from a simple polyethylene-covered frame-work that you can put together in an afternoon for less than \$50 to a \$6,000 fully automated conservatory. Basically, there are two types of greenhouses: at-

tached and freestanding. An attached greenhouse may be even-span, lean-to, or window-mounted. A freestanding greenhouse is usually even-spanned (symmetrical roof).

The best location for a greenhouse is the south or southeast side of the house in a sunny spot. Second choice is the east side where it will capture the most November to February sunlight. The north side is the least desirable location.

An ideal site is well-drained, nearly level, and has full exposure to the sunlight. It should slope slightly to the south and have a windbreak on the side of the prevailing wind.

The width of your greenhouse is the most important dimension. It will not be changed during the life of the

greenhouse. Length can be increased if more space is desired. The height of the greenhouse depends on the desired height to the eave. An eave height of five feet is satisfactory for side benches with low-growing plants. If you want to grow taller plants, an eave height of six or seven feet is needed.

The supporting framework of greenhouses can be made of wood, aluminum, iron, or galvanized pipe. Some have curved sides and others have flat eaves. Some are glass or plastic from the ground up. All types have advantages and disadvantages.

If you build your own greenhouse, have the plumbing and electrical work done by professionals in accordance with local codes. Most local governments require a building permit to erect a greenhouse.

Glass is the traditional

greenhouse covering; however, fiber glass, plastic, and polyethylene are becoming popular. Each has advantages and disadvantages which would be checked before deciding which best suits your purposes.

You can heat the greenhouse efficiently with gas, oil or electricity. Heating equipment can be a space heater, a forced-air heater, a hot-water or steam system, or electric heaters. Radiant heat lamps over plants and a soil heating cable under plants can also be used. Consider the initial cost, economy of operation, and available fuel when deciding which method of heating you want.

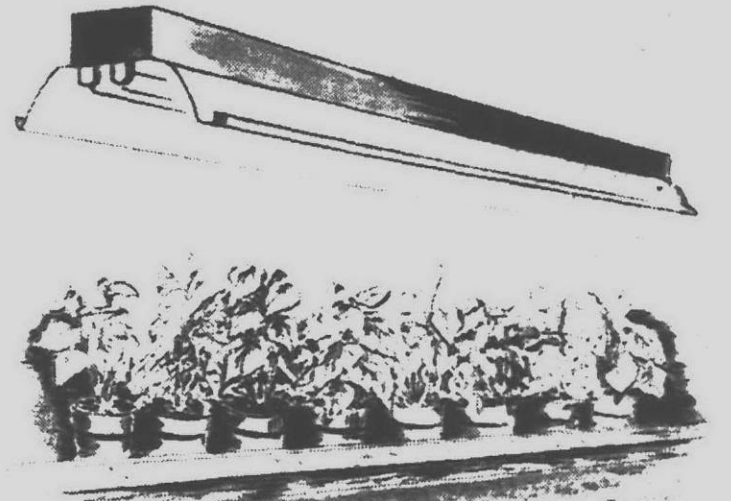

Ventilation equipment should be built into your greenhouse to control temperatures in all seasons. Even during cold weather a greenhouse can get too warm

on bright, sunny days. When protection from the sun is needed, use roll-up screens of wood or aluminum, vinyl plastic shading, or paint-on materials. An evaporative cooler eliminates excessive heat and adds humidity to the greenhouse atmosphere.

Closed greenhouses often have too little carbon dioxide (CO₂) during the day to effectively utilize available light. By increasing the amount of CO₂ plant growth can be accelerated.

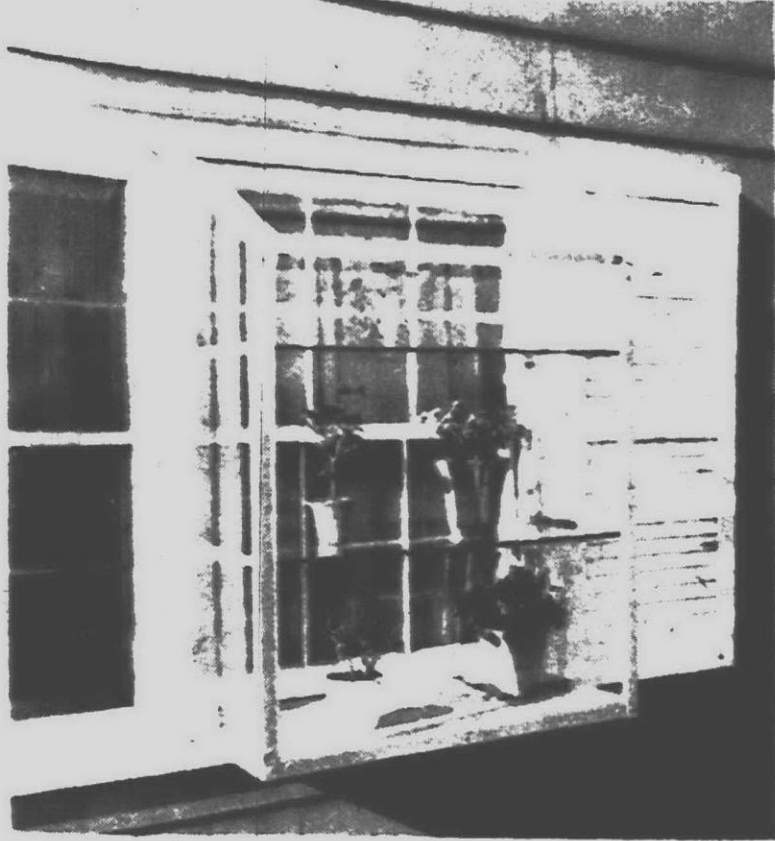

Inexpensive colorimetric kits are available for determining the CO₂ levels in your greenhouse. Bottled CO₂ dry ice or burned sulfur-free gaseous fuels, such as natural gas, can be used to increase the amount of CO₂ in your greenhouse.

Most plants will grow in either natural or artificial light. Three basic types of lamps are used: fluorescent lamps,

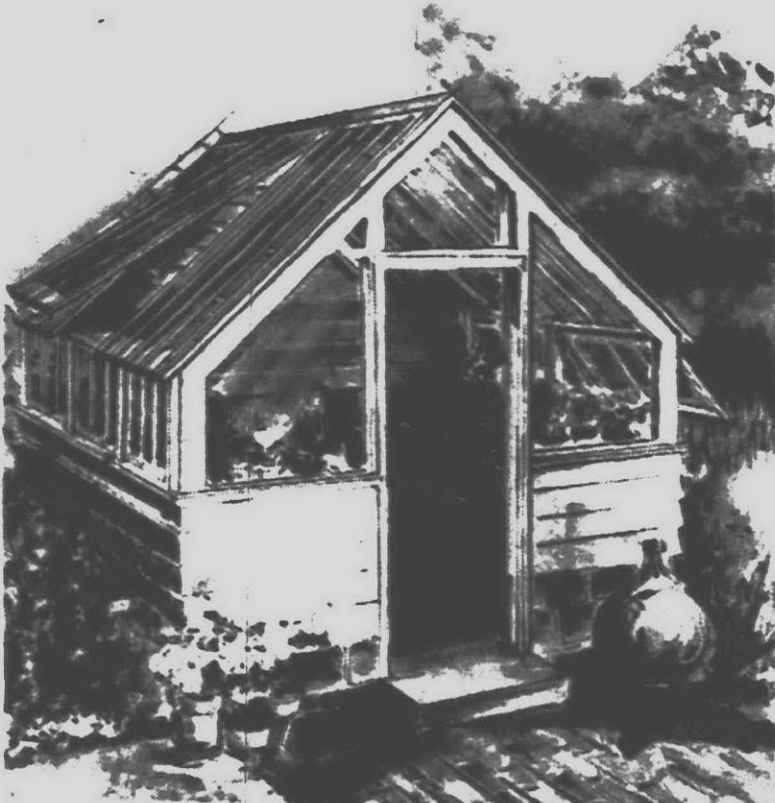

FLUORESCENT lamp is one of the three types of artificial lighting used for growing plants indoors.

incandescent lamps, and high-intensity discharge lamps. For precise information on building a hobby greenhouse, contact the MSU Bulletin Office, P.O. Box 231, East Lansing, Mich. 48824, and ask for Bulletin AIB 357, "Building Hobby Greenhouses."

WINDOW-MOUNTED greenhouse adds extra growing room at little expense.

BEST LOCATION for a greenhouse is the south or southeast side of the house in a sunny spot.

Fylking Grass Rated High

Most experts feel that Fylking, the Kentucky bluegrass discovered in Sweden a few years ago and licensed for production in the United States, is the best bluegrass available today for well-kept turf.

This is not to say that Fylking is perfect; no grass is, nor ever will be, for all locations, soils and tastes. But in testing all around the country Fylking has proved able to withstand the worst that the local environment can dish out.

Service Calls Minimized By Simple Check List

Service calls on most appliances can be minimized by following these two simple rules.

First, learn all you can about your appliance. The owner's manual is your textbook; read it carefully and keep it handy; the salesman and service technician are your teachers. Ask questions.

Second, check a few simple items before you call a technician.

1. Electric cord. Is it plugged in?
2. Pilot light. Is it lit? Check your owner's manual before trying to light it.
3. Power source. Has a fuse blown or a circuit breaker moved to the off position?

4. Controls. Are they set correctly? Be positive by checking your owner's manual. Give pushbuttons an extra firm push and turn dials in the proper direction.
5. Lights. If not on, check the power source. If the bulb's burned out, your owner's manual will tell you the type of bulb needed for replacement.

6. Dust, lint and dirt buildup. This reduces efficiency. Washer filters (if not self-cleaning) and dryer lint screens need to be cleaned after each use.

Dust and dirt can block your air conditioner filter. Check your owner's manual for instructions on changing or cleaning the filter. Dust and dirt will also build up on the coils, back and beneath refrigerators and freezers. They should be cleaned periodically with a brush or vacuum cleaner attachment.

If you've made the basic checks and read your owner's manual and the appliance still doesn't operate correctly ... it's time to call for help.

The Green Thumb
By GEORGE ABRAHAM

Did you try the new Lady Godiva "naked seeded" pumpkin this year? We grew it and had wonderful success with this new pumpkin.

People who like to eat pumpkin seeds know that "shelling" the seeds is a tedious tiresome job. However, this remarkable introduction produces "naked" or hull-less seeds, wonderful to eat either plain or roasted.

The pumpkins we grew weighed over six pounds and while the fruit is not of high table quality, it can be eaten

as other pumpkins are. It produces large numbers of delicious, dark green seeds. Can you save seed and plant them next spring for more Lady Godiva or naked seeds? Yes.

To cure the seed, place them on a flat cookie sheet and put them in an oven on low heat. If you have a gas stove, just the heat from the pilot light will be enough to dry off the moisture. Salt and eat them just as you do peanuts. They're sweet and tasty!

FLOUR FOR FLOWERS? Did you know that you can preserve the colors of many of your favorite garden flowers by treating them with ordinary all-purpose flour? We've preserved gladiolus blooms, callas, roses, lilies and many others by covering the blossoms with the flour for two to four weeks, depending on the size of the blooms. After that period the blooms are carefully removed and the flour is dusted off them.

If you want to try your hand on preserving foliage, try the glycerine treatment. Remove dust from the

leaves, pound lower ends of stems with a hammer to split the bark and loosen the wood. Stand the material in a jar containing solution of 2/3 water, 1/3 glycerine, so it reaches three or four inches up the stems.

Allow a week or so for the solution to be absorbed. Leaves and lower growing plants may be laid in the solution so they are covered. Try ivy, lily of the valley, rhododendron, etc. as good subjects for the glycerine treatment.

GREEN THUMB CLINIC: "We grew some herbs and heard they can be cured by heating them in an oven. Please tell us how."

Answer: Avoid too much heat. The tender-leaf herbs such as basil, costmary, tarragon, lemon balm, and the mints all have a high moisture content, and must be dried rapidly—away from light if you want to retain their green color. If dried too slowly, they may turn dark or get moldy. Hang them in a well-ventilated attic or other dry airy room. We dry ours in an oven—with very low heat.

Fuel-Saving Ideas Combat Shortage

Energy costs are going up—power for summer air conditioning, fuel for winter heating.

What to do about it? A 68-point checklist of cost-cutting suggestions for homeowners or planners has been published by the Small Homes Council - Building Research Council of the University of Illinois at Urbana - Champaign.

The list covers both summer cooling and winter heating. Many points apply to both seasons.

Some winter fuel-saving ideas are:

- Shut off spare rooms not in use.
- Each one degree Fahrenheit lower room thermostat setting can save two to three per cent in fuel.
- Single circulars are 25 cents each, the full series of 32 is \$4.50 from: Small Homes Council - Building Research Council, University of Illinois at Urbana - Champaign, 1 East St. Mary's Road, Champaign, Ill. 61820.
- Install a storm door, and weatherstrip both storm door and inside door.
- Caulk around window and door frames.
- Have heating system checked, adjusted and cleaned.
- Close the fireplace damper when fireplace is not in use.

Mobile Home Open House At Wonderland

The first showing in the area of new, 1974 mobile homes is in progress at Wonderland Center, Middle Belt at Plymouth Rds.

The open house, which opened Sept. 30, will run through Sunday, Oct. 7. Models will be open during normal center hours from 10 a.m. to 9 p.m. Monday through Saturday and on Sunday from noon to 5 p.m.

Special attention will be focused on new interior features of the living rooms, kitchens and dens in the 1974 models.

Annuals Winter Indoors

Hard frosts will soon be here.

Instead of letting your annual plants die, why not dig them up before the frost and bring them indoors, says J. Lee Taylor, Michigan State University horticulturist.

Plant outdoor plants in a clay pot and place a saucer under the pot to catch excess water. Clay pots can be placed in an attractive container if desired.

Plants should be dug up carefully and placed in the appropriate sized pot. A six-inch pot should be large enough for most plants such as geraniums, wax begonias, etc., says Taylor.

Prune plants back one-half to three-fourths of their original size. Cut stems off just above a node or bud. Fertilize plants with a common fertilizer following the directions on the label. When plants need watering, water thoroughly. Pinch the tops back occasionally to keep the plant well shaped.

Most of the following plants will do well in a well-lighted area such as a windowsill: geraniums, coleus, impatiens, chives, lead plant, rosemary, wax begonias, English ivy, vinca.

Geraniums would do poorly in weak light. Sweet Alyssum and petunias should not be tried. Thunbergia zinnias and lemon drop marigolds can be grown from seeds indoors in a well-lighted area.

CMP INDUSTRIES' new \$500,000 building will look like this when completed in January. In the Farmington Freeway Industrial Park, the year-old firm designs and manufactures seat belt testing and other testing and diagnostic equipment for the automotive industry.

Realtors Institutes Offered

ROCHESTER Graduate realtors institute I and II are offered in accelerated daytime sessions by Oakland University's division of continuing education just prior to the November state realty examinations.

The institutes help to prepare new sales and broker personnel and provide established personnel the opportunity to fulfill educational requirements.

GRI I, course number 5314, aids in preparation for the salesman's license examination is Oct. 22-25. GRI II, course number 5324, aids in preparation for the broker's examination is Oct. 29-November 1. All sessions are held in the Oakland Center Building on campus in Rochester.

Designed for those preparing for the examinations,

ROBERT HATCH is the new production manager for Adistra Corp.'s Plymouth plant. Adistra is a marketing communication service organization. A Plymouth resident, Hatch joined the company while completing engineering studies at the University of Michigan.

STANLEY E. MALLEN, 32250 Baintree, Farmington Hills, has been appointed metrication planning associate in the metrication planning office of Ford Motor Co. Mallen, formerly fastener engineering manager, will help coordinate metric system conversion activities. He is chairman of the optimum metric fastener study committee of American National Standards Institute. Mallen was a chief engineer for Elgin Watch Co. before joining Ford in 1951 as product planning analyst. He holds a bachelor of science degree from Carnegie Institute of Technology and a master's in business administration from Harvard Graduate School.

Thurston Bombards Oak Park, 67-0

STEPPING INTO SCORING GEAR is North Farmington's Brad Pease (43) with Garden City East's Lou Willoughby (29) failing in his bid to down the Raider back who scored twice in leading North past East, 33-6. (Observer photo by Tom Donoghue)

A season opening overtime football loss may not have been what first year Thurston High Coach Don Reel ordered, but it certainly has put a spark into the Eagle crew that two opponents since haven't been able to put out.

Thurston saw a 7-0 lead change into a 13-7 overtime defeat in its opener with Churchill but the next 96 minutes of Eagle football have been a different story.

The Eagles crushed Rasmus, 31-0, and then annihilated Oak Park in school scoring record fashion, 67-0.

"It was just a Thurston High physical type of football game," commented Reel whose 2-1 crew is readying for its second Northwest encounter Saturday afternoon at North Farmington. "North is going to be tough but we will show up."

Thurston didn't much doubt in showing up against the Oak Park Redskins who must have left their war-paint at home.

The Eagles piled up 26 points in the first 12 minutes, led 32-0 at the half, 46-0 after

make it 26-0 after 12 minutes of action.

Three minutes into the second quarter, Wandy broke loose for 25 yards and his third score, the kick missed and it stood 32-0 at the half.

Thurston's starting offensive unit was in for just two plays in the second half and upped the score to 46-0 before Reel called on his reserves.

Dowdy opened the second half with a 54 yard burst and after Ray Ivey had blocked a Redskin punt, Wandy exploded for his fourth score and 22 yards.

Thurston's three scores in the final stanza were produced by third string fullback Mitch Dronowski on a 19 yard off tackle play, Sprond 10 yards around end and Jerry Janssen four yards at the middle.

The Eagles collected 12 first downs to two by Oak Park, with the Thurston defense holding the Redskins to 61 yards total offense. Thurston rushed for 323 yards and hit on four of 12 passes for 68 yards.

Churchill Tips Western For 12th Straight Win

By TOM DONOGHUE
Sports Editor

Churchill High's defensive magic did it again!

Ken Kaestner's gridiron Chargers chalked up their 12th consecutive victory which now includes eight shutouts in a 15-0 blanking of Walled Lake Western.

"We knew it had to be our defense to do it against Western," said the Churchill coach. "It was the best defensive effort we have come up with since last year's Mott and Franklin games."

Churchill which only a week prior held John Glenn to 20 yards total offense, allowed Western three yards rushing and 20 in the air. Those two defensive efforts combined with the 102 yards given up against Thurston in the opener show the Chargers defense with 145 yards against thus far in the '73 campaign.

The now 3-0 Chargers also have the distinction of being the lone Class A school in

Michigan still unbeaten in the combined '72-'73 prep football seasons.

Of the five undefeated Class A clubs in the state last year — Warren Casino, Fordson, Garden City East, Ferndale and Churchill — the Chargers remain the lone unbeaten squad this season.

The most outstanding feature in the 12 game span is the allowing of just 27 points, 13 to Thurston in the past two openers.

Churchill's defense drew first blood in the Western clash.

A Walled Lake pass from center on a fourth down play sailed over the punter's head and into the end zone. Kurt Shermer fell on it for Western with Churchill's Marty Bay right on top of him — two points for the Chargers, four minutes into the game.

Churchill kept the scoreboard busy on the free punt from the 20 with Bill Reardon grounding out yardage and quarterback Mark Roncoli going over from the one. Al Leirstein's point was

good and it was 9-0 going into the second stanza.

Churchill's offense went to work in the second with a 65 yard drive in five plays paying off in a six point dividend. Roncoli hit Don Forest on a 25 yard pass play, Matt Foster picked up 13 yards, and Bill Reardon finished it off with gains of 17, 13 and one yard to a score. A bad snap foiled the extra point and it stood 15-0 at the half.

The Chargers did everything but buy the football in the third quarter but just couldn't push it in. Churchill had control for nine of the 12 minutes but at the same time picked up a better portion of their 165 yards in penalties.

Western on the other hand was held fruitless in its offensive measures. The Walled Lake club didn't cross the midfield stripe until the final play of the contest when it got to the Charger 40.

Churchill collected 13 first downs and rushed for 148 yards. Mott was held to one first down rushing and picked up seven by way of penalties. The aerial attack saw

Churchill hit for one of seven for 27 yards and Western four of 16 for 20 yards.

Three interceptions cut short Western's air game with Mike Gottshall, Leirstein and Dan Lamarand picking off stray Walled Lake passes.

Round two of the Western Six has Churchill pitted against Plymouth Canton Friday at 8 p.m. on the Chief's gridiron.

Farmington Runs Over Waterford

Farmington blanked Waterford in an Inter-Lakes Conference cross country meet, 15-45.

The first six finishers wore the Falcons "blue and white" and were headed by All-Stater Mike McGuire who clocked in at 15:40.6, a course record for Cass Benton.

McGuire topped Grosse Pointe North Tom Hammer's time of 15:52 set in last year's state meet where Mike recorded a 16:01 time.

Behind McGuire for Farmington was Bruce Taylor in second at 17:08, Al Vannmeter in third at 17:46, Craig Bloomer fourth at 17:51, Larry Otto fifth in 17:55 and Pete Sittnick sixth in 18:11.

Tom Stiger was the first Waterford harrier to cross the finish with a seventh place time of 18:52. It was Farmington's second victory in as many outings.

Churchill Shuts Out Western

Livonia Churchill scored its second Western Six cross country win and pushed its overall record to 3-2 with a perfect 15-47 triumph over Walled Lake Western.

Glen Parkinson, of Churchill, captured individual honors with a 16:53 clocking followed by teammate Don Shaw at 17:08. Third place featured a Charger tie with Ray Reilly and Craig Gully hitting the wire together. Todd Wint placed fifth and Ron Adkins sixth to round out the Churchill card. Western's first finisher was Tom King in seventh.

BREAKING UP A PASS is Franklin's Greg Chipman (dark uniform) with John Glenn's Jeff Brittain (white uniform) taking the futile spill. Franklin beat Glenn, 13-7. (Observer photo by Tom Donoghue)

North Conquers GC East, 33-6

Garden City East was the "rookie team" last football season in the Northwest Suburban Conference and North Farmington took the rookies on, lost 7-0, and gave up its league crown which it had won the two seasons prior.

That was the first meeting ever between the two clubs.

The second was a battle Coach Holland wanted.

North clobbered the East Panthers, 33-6, to stand at 2-0, and now 1-0 in the Northwest climb.

"I knew the kids would be enthusiastic for this one," commented Holland. "We weren't really out for revenge. We are just out to win the Northwest."

The first quarter saw North spurt to a 7-0 lead on a one yard quarterback sneak by Mike Daley after Brad Pease exploded loose from the 18 to the one. Jeff Lemberg converted and the Raiders were about to explode.

With three minutes remaining in the first half, Steve Chase recovered an East fumble on the Panther 18 and on the first play, Pease broke for the distance around end, the point after

Bloomfield Tips Clarenceville

West Bloomfield scored on its first offensive play, added another six-pointer in the third period and it was home free with a 12-0 victory over Clarenceville High.

It was the Wayne-Oakland League opener for both with Clarenceville slipping to an overall 1-2 mark.

A 43 yard run by Bob Dresig on an off-tackle burst gave Bloomfield a 6-0 lead in the opening minute.

Bloomfield pushed across an insurance tally in the third with Tom Keckonen capping a 40 yard march with a three yard spurt.

"Our offense just couldn't click," said Trojan head Coach Ralph Weddle. "We got to their 30 twice and that was all."

West Bloomfield notched 11 first downs to six for the Trojans and ground out 138 yards rushing compared to 69 by Clarenceville.

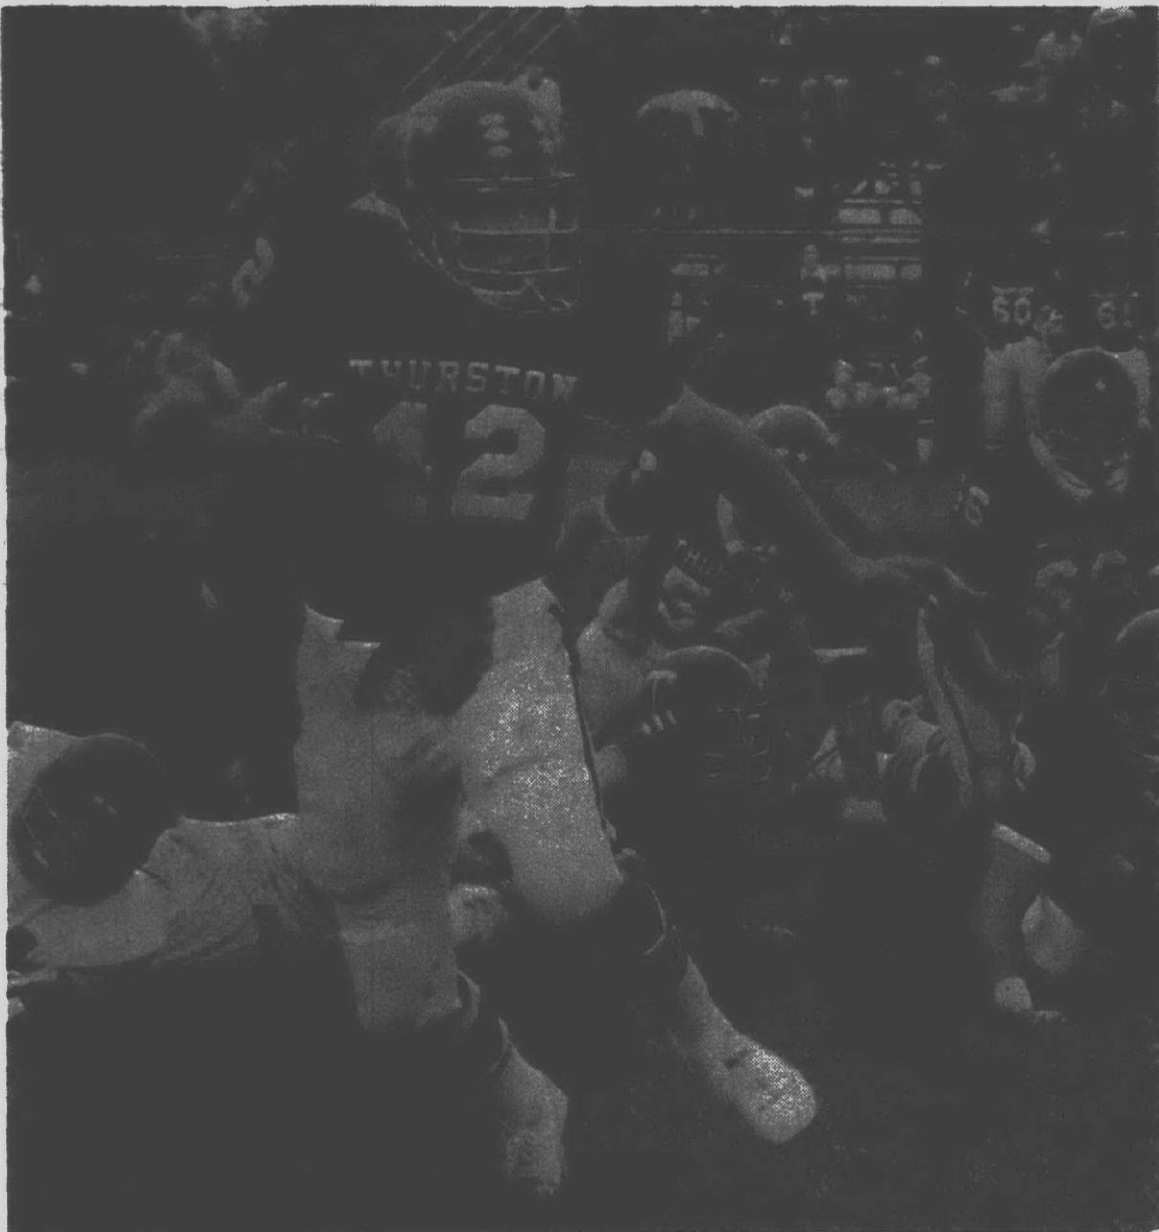

North's John Daubenmeyer set up the third Raider score when he blocked an East punt with 30 seconds left in the half. Bill Lough scooped in up and sped 15 yards to paydirt. Lemberg's conversion was good and the Raiders were up, 20-0.

A 40 yard kickoff return by Tom Moore set up the fourth North score to start the third stanza with Pease following up on a 14 yard burst. Lemberg made good his point after and with nine minutes left in the third, the Raider margin was up to 27.

A 27 yard touchdown pass play from Moore to Jim Fredericks climaxed the North attack late in the third.

East got on the board to ruin a North shutout bid with three minutes left in the final quarter. A bad snap from center on a punt sailed to the North two where it was recovered by East. Panther QB Britt Ponti took it in from there and a whitewashing was nullified.

North collected 13 first downs to eight by East and rushed for 188 yards with Pease grounding out 95 in 16 carries. East was held to a minus 10 yards rushing but picked up 62 on seven of 19 passes.

DANCING THROUGH the middle of the Oak Park defense is Thurston High's Tom Dowdy (42). Thurston danced past Oak Park, 67-0. (Observer photo by Bob Woodring)

Belleville Nips RU Panthers In Overtime

Sputtering Redford Union headed for its poorest gridiron showing since 1968, received a "new" flavor of defeat in its Suburban Eight battle with Belleville.

It was the first experience for Bob Atkins' RU Panthers in overtime and the experience wound up with setback No. 3, by a 13-7 score.

RU had jumped in front, 7-0, in the second quarter with Belleville tying it up in the third. That's the way it was after 48 minutes.

Belleville won the overtime coin toss, went on the defense, and RU fumbled on the second play from scrimmage. Belleville's first offensive play netted the 10 yards to score and Atkins had the taste of overtime.

A Belleville fumble set up the solo Panther score with Glenn Sander pouncing on a loose ball on the RU 20. Then on the first play of the second quarter, Tom Bognodas went over left guard for 80 yards and six points. George Willard converted and it was 7-0.

Belleville responded with an 80 yard drive of its own in the third quarter. Dave Dapsi scored on a five yard spurt around end and Joe Stillwagon converted to notch it at seven all.

With less than five minutes in regulation play, it appeared that RU was going to take it in for another score. But a pass interception by Belleville's Bruce Ford on the two yard line halted Panther hopes.

RU fumbled away its overtime chance and Dapsi notched touchdown No. 2 on Belleville's first offensive play to wrap up the defensive struggle.

Belleville mustered 13 first downs to RU's seven but the Panthers outtrashed their opponents, 237 to 228 yards. Belleville's passing game hit on three of seven for 31 yards and RU was held to a minus one on one of nine.

Tom Bognodas was the game's leading rusher for RU with 173 yards in 18 carries to up his three game output to 450 yards in 52 attempts.

The newly formed Livonia Vikings of the Wolverine Junior B Hockey League for four goals in the final period to upend the Plymouth Pilgrims in a pre-season clash at Ford Ice Rink.

The Pilgrims are a member of the Michigan Junior B League.

Kris Kostolansky slapped in two goals to give Livonia a 2-0 lead in the first and added another in the second to tie up a Plymouth comeback at three all.

Bill Stusick scored twice and Mark DeRoche and Ron Eendlinski one each in the third period to give Livonia the win.

Livonia opens league play on Saturday, Oct. 13 against Flint at Ford Rink at 8:45 p.m. Plymouth begins its league schedule Saturday, Oct. 6, against St. Clair Shores at the Plymouth Community Cultural Center at 8 p.m.

U-M Boasting 4 Brother Acts

Michigan's football team this year will definitely be a brotherhood as the Wolverines will field four brother combinations. They include junior linebacker Steve and soph defensive end Greg Strinko of Middletown, Ohio; senior defensive end Larry and soph split end Keith Johnson of Munster, Ind.; senior offensive guard Mike and junior defensive tackle Bill Hoban of Chicago, and senior tailback Harry and senior defensive end Larry Banks, twins from Cleveland, Ohio.

Ex Is Coach

Ex-Michigan State quarterback star Mike Rasmussen now is a graduate assistant with the Spartan staff and is coaching the varsity reserves through their five-game 1973 schedule.

Franklin Sputters By Glenn For 3rd Win, 13-7

Franklin head football Coach George Lovich knew that his Northwest Suburban League opener with winless John Glenn would be a lot tougher than what it was shaping up to be on "paper." Glenn had been shutout twice, 35-0 and 26-0 in pre-league clashes and Franklin rolled by Garden City West and Stevenson.

Glenn, which thus far failed to get off the launching pad for first year Coach Lloyd Carr, gave Franklin a

battle, but failed to jump on countless turnovers and fell to the tune of 13-7.

"There were two things on my mind against Glenn," commented Lovich. "I expected its four-four defense to come alive and I knew the rain would really hurt our running game."

"We need dry ground to play our type of football," he added.

The wet grounds didn't seem to hurt Franklin's defense which held Glenn to a minus two yards rushing.

The early moments gave an indication that it would be Franklin's game all the way.

The Patriots scored the

second time they touched the ball. Greg Chipman picked off a stray Rocket pass on the Glenn 34 and Greg Battistone did the rest. He spurred 22 yards off tackle to paydirt. Dan Quinn made good the point after and it was 7-0.

But the Patriots hit a hull and came up with fumble after fumble. It seemed just a matter of time before Glenn could put it together for its first score of the season.

A Franklin fumble on its own 32 was recovered by Glenn with four minutes gone in the third quarter. Five plays later, Glenn QB Tom Johnson hit Jeff Brittain on a 15 yard scoring toss, Terry

Deluca converted and it was tied 7-7.

Franklin quarterback Larry Casey fumbled on the next series and Glenn took over on the Patriot 28. But was thwarted, punted to the Patriot five and after another exchange of punts, the Rockets had control on the Franklin 21.

It was Glenn's turn to fumble and Franklin's Bruce Gress pounced on the ball on the 43 and returned it to the Glenn 34.

Franklin started to move with 8:50 remaining. A seven play turnover drive was capped by a four yard spurt by Greg Battistone, the con-

version failed but the Patriots were on top to stay.

Chipman intercepted a last-ditch Glenn attempt to get back in the contest in the closing minutes to tuck victory away.

Franklin had nine first downs to six by Glenn and outrushed the Rockets, 122 yards to a minus two. Glenn's passing game netted 96 yards on nine of 25 passes with Franklin hitting on one of five for five yards.

Battistone was the key to Franklin ground assault with 121 yards in 23 carries. It boosted his three game output to 316 yards in 49 carries which includes four touchdowns.

TOUCHDOWN BOUND is Franklin High's Greg Battistone (23) who scored both touchdowns and picked up 121 yards in leading the Patriots past John Glenn, 13-7. (Observer photo by Tom Donoghue)

Plymouth Salem Halts Bentley Attack, 18-15

Plymouth Salem overcame a 15-6 halftime deficit with touchdowns in the third and fourth quarters to nip Bentley in a Suburban Eight gridiron clash, 18-15.

This marked the fourth straight Rock victory over Bentley, and upped Salem's overall record for '73 to 2-1 and dropped Bentley to 1-2.

Bentley Coach Glen Goode was as surprised as anyone at the results in which his Bulldogs won almost every department except the scoreboard.

"I have never dominated a

game so much and lost," stated Goode. "The score is not even close as to what happened in the contest."

"The game films showed us a 28-6 victor," the Bentley coach added.

Bentley collected 15 first downs to 14 by Plymouth and hit on 11 of 23 passes for 151 yards compared to Salem's two of six for 24 yards. Salem did hold the upper hand in rushing with 216 yards in 47 attempts and Bentley was held to 156 yards in 41 attempts.

The most contrasting sta-

tistic was in penalties where Bentley had 110 yards to 15.

Bentley drew first blood in the opening stanza on a 23 yard pass from Bob Wasilewski to Bruce Boudnek. A two-point conversion pass from Wasilewski to Kevin McGee gave the Bulldogs an 8-0 lead.

A 45 yard march in five plays capped by a three yard spurt by Jeff Horton got Salem back in the contest. Horton failed on a two-point play and it stood 8-6 for Bentley after one period.

The Bulldogs pushed it to

15-6 at the half when Boudnek went over from the two and Wasilewski split the up-rights.

Salem moved to within three points late in the third quarter on a 53 yard drive with Horton carrying it in from two yards out. Again the conversion failed.

The Rock comeback reached its goal in the closing stanza with Mark Kraay scoring from 10 yards out to make good a 12 play 72 yard march. The conversion again was foiled but the Rocks had enough for victory.

Spartans Shine, 30-12

Borgess Topples Shrine

Bishop Borgess gave a homecoming crowd three touchdowns and three field goals to cheer about en route.

to an opening Catholic Double A victory over Shrine, 30-12.

It was a bounce victory for

Borgess which won its opener over Brother Rice, 16-14, and bowed in game No. 2 to U-D High, 28-21.

Tom Birney again came to the rescue with three of three conversions and three of four field goals. The Spartan senior made good three point plays from 25, 41 and 47 yards out. An attempt from 49 yards was blocked.

Three and a half minutes into the contest saw Borgess jump to a 7-0 margin on a Greg Drypen to Devon McCarthy 36-yard touchdown pass play. Birney made good on the point.

Shrine fumbled on the following series, Rick Zwarun recovered for Borgess. On the first play from scrimmage, Dan Kelly spurted 29 yards around end to paydirt. Birney's kick was good and it was 14-0 Borgess.

Birney split the uprights with 3:45 remaining in the first half for three more points from 25 yards out and it stood at 17-0.

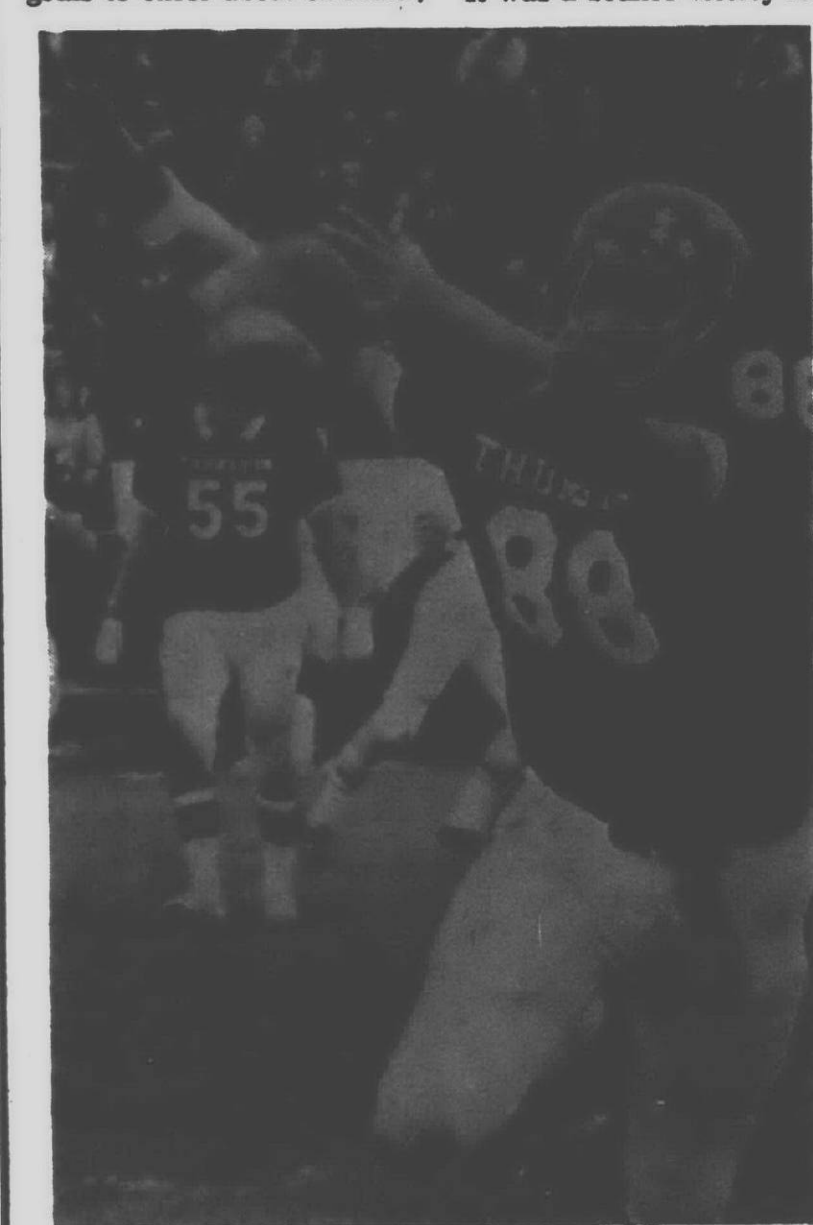

Shrine bounced back with the solo score of the third stanza on a one-yard plunge by Dave Bower to cap a 37-yard march.

Twenty seconds into the final period saw Borgess push its lead to 20-6 on a 47-yard field goal by Birney, his longest ever in a game.

Steve Jaremski increased it to 27-6 in the fourth on a five-yard run with Shrine getting one back with two

minutes left on a 10-yard spurt by Dave Bower.

Birney's 41-yarder in the final minutes climaxed the

TOM BIRNEY Boots 3 Field Goals

homecoming show which saw both clubs chalk up 11 first downs. Borgess was outrushed, 169 yards to 136, but clicked in its aerial assault with Drypen hitting on six of 14 passes for 173 yards.

Shrine made good three of nine passes for only six yards.

Kelly was Borgess' leading ground gainer with 105 yards in 12 attempts. This was the third straight over 100 yard effort for Kelly who also picked off an interception.

HAULING IN a pass is Thurston end Ray Ivey in the Eagle's 67-0 mauling of Oak Park in Northwest Suburban action. (Observer photo by Bob Woodring)

Bo Schembechler - 'Stubborn Coach'

By W.W. EDGAR

"Bo" Schembechler, football coach at the University of Michigan, is setting a record that never will appear in the record books.

He is becoming known as the "most stubborn coach" who ever guided the Maize and Blue through the gridiron wars.

From the day he set foot in the Michigan athletic plant, he has emphasized the philosophy that the best way to

win football games was with a set of running backs and a good line plunger. That—and a stubborn defense.

Through it all, he disdained use of the forward pass—even in the tightest places where a short pass or a fake could have turned the tide.

It was this stubbornness that possibly cost the Wolverines the Big Ten title outright a year ago at Ohio State where four straight plunges failed from the one-yard line.

This stubbornness was noticeable again last Saturday when the Wolverines were hard pressed to beat Navy, 14 to 0, when they were favored by at least 25 points.

"I never saw such a stubborn guy," said Wally Weber, the former star of the Yost era. "Navy is playing an eight man line and Bo is doing nothing to make them open up."

Most coaches would have ordered a few passes if for no other reason than to

spread the defense and give the runners a chance to get going.

But not Bo. He stuck to the ground game and Michigan threw only three passes all afternoon.

Meanwhile the eight-man Navy line was playing havoc and forced the Wolverines to punt six times... against a foe they were expected to handle with ease.

As a result, the Big Ten

picture has changed. Rivals who had feared Michigan are now breathing a bit easier.

A way has been found to make the Michigan offense sputter and miss and don't be surprised if Michigan faces eight man lines over the rest of the way.

And it is a safe bet that the Michigan State scouts went to back to East Lansing feeling a whole lot better than when they came.

Turf Tips, Quips

By Doc Minard

After several months of indecision, Hazel Park's new owners have decided to take advantage of the 29-day end-of-the-season dates granted by Racing Commissioner Leo Shirley when he allotted days last November.

Shirley made the allotment after the Detroit Race Course decided it wanted only 90 days instead of the 120 to which it was entitled. The commissioner immediately gave Hazel Park the option of picking up the days if desired, with a Sept. 30 deadline for making the decision.

There was a time only a few weeks ago when Herb Tyner and Bernie Hartman, the new Hazel Park owners, were on the fence about what to do. They realized the track would have to be changed from the hard clay base used by the pacers and trotters to the soft surface for the thoroughbreds.

Then, at the end of the winter meeting on Saturday, Dec. 22, the surface would have to be switched back again since the Hazel Park trots open next March.

The final decision was made last Thursday when Tyner and Hartman notified the commissioner of their plans to take up the option. Thus, the runners will return to Hazel Park on Nov. 14 and close on Dec. 22.

The track will be dark on Thanksgiving Day, Nov. 22, and on four Tuesdays, Nov. 27, Dec. 4, 11 and 18.

Tyner said the east side track would operate on the same time schedule as it used in the spring and early summer session earlier in the year. Post for weekdays will be 3:30 p.m. and on Saturdays, 2:20 p.m.

There will be nine races on weekdays and 10 on Saturdays. The daily operation will include the usual pari-mutuel pools with two trifectas and three perfectas.

ON THE OTHER SIDE of town, the Detroit Race Course will continue its earlier starting times for the remainder of the meeting. The schedule calls for 1:30 p.m. post on Saturdays with 10 races and 2:30 p.m. on weekdays with nine races.

Vice president and general manager Dick Wilson has expressed satisfaction with the earlier post and the progress of the meeting to date.

"We're not exactly setting the world on fire but we do see signs of acceptance on the part of fans," Wilson said. "We feel the experiment is working and that acceptance will be even greater come next season."

After a world's record daily double payoff of \$19,909.60 on Sept. 12, the DRC came up with another record making payoff last Friday when Cedar's Crown paid \$514.20 to win. That figure topped the previous high of \$356.60 set by Yorgos S on Oct. 5, 1966.

The largest straight payoff ever came in 1912 at old Latonia (Ky.) when Wishing Ring paid \$1,885.50.

The boxcar payoff came in the second race where the combination of Jean's Magic (\$9) and Cedar's Crown was worth \$2,944.20. There were 12 lucky holders of tickets.

DAN WILSON, 18, son of Mr. and Mrs. Dave Wilson of Livonia, has been named one of four national winners of the first Harness Tracks of America - Harry Stevens memorial scholarship.

It was inaugurated this year for children of active harness drivers, trainers and caretakers.

Dan is a freshman in pre-veterinary medicine at Michigan State University. He was an honor student for three years at Livonia Franklin High.

He worked part-time at Wolverine Raceway and as a groom for the large public stable of Driver - Trainer Bob Williams.

Dan will receive a \$750 grant from HTA that has introduced the scholarship in conjunction with the Harry M. Stevens sports catering firm of New York City.

JACKSON RACEWAY enters the final month of its outstate meeting this week, with the finale slated for Oct. 27. Then action moves to Northville Downs where Jackson will conduct an early winter meeting until the end of the year.

Thus, Jackson has the distinction of ending the 1973 racing campaign on the final night of the year and then opening the 1974 campaign on New Year's night.

It will be Jackson - at Northville Downs for the first month of the new year. After that, the situation is a

bit diffused since no one knows now what Racing Commissioner Leo Shirley will order up for dates in 1974.

IT TOOK a while to get started but Bea Farber, champion of the Northville Downs summer meeting, is up to her old tricks.

Bea stole the show in the \$10,000 Invitational pace at Hazel Park Saturday when she guided Easy Irv to a handy victory in 2:00.4.

It was the second straight for Easy Irv, who won the invitational at Jackson a week earlier. It was a big win for Mrs. Farber, who saw the speedy four-year-old reach a peak in late spring at Wolverine and then come down with a virus that kept it idle until midway through the Hazel Park dates.

Now it's back at its peak again as the weekend winner over Blu Fireball, Shady Mile, Hasty Ed, Silas Time and Shilaway Lad demonstrated.

Bea will keep her star at the east side track until the end of that meeting and then plans to ship all of the Farber stable to winter training quarters in Georgia.

Chargers Dump Franklin

It was the first meeting every between the Churchill and Franklin in cross country and the Chargers dashed to the first six of seven places to crush the Patriots, 17-43.

It was Churchill's fourth victory in six outings and Franklin's third loss against two wins.

Churchill's Glen Parkinson took individual honors with a first place time of 16:54, followed by teammates Don Shaw at 17:00 and Craig Gully at 17:01.

Russ Gentner of Franklin ran fourth in 17:03.

Fifth, sixth and seventh places were won by Churchill with George Wright (17:18), Ray Reilly (17:28) and Todd Wint (17:33) rounding out the winning card.

Franklin's Doug Shaffer, Glen Cutright, Bob Smith and Jim Cyrul produced the bottom end of the Patriot score.

Spartans Turn Over Second

Northern Rout Stevenson

It was one of those games Stevenson gridiron Coach Jack Reardon would just as soon forget.

His Spartans went through the complete turnover list with Pontiac Northern, a fumble, poor snap from center on a punt, pass interception and blocked punt to lose their Inter-Lakes Conference opener, 25-7.

It was Stevenson's second straight setback after capturing the Redford Union opener, 14-12.

A Spartan fumble early in the second stanza paved the way for the first Pontiac Huskie score. On the second play from scrimmage after the recovery, Northern's Dave Chism bounced 46 yards on a quarterback sneak and it was 6-0 Pontiac with a two-point play failing to click.

It appeared the Spartans had picked themselves right back up on the next series. Stevenson gained control on Northern's 47 and with 3:40

remaining in the half, moved to the one where QB Mark Temby pushed it in.

Bob Hope converted and Stevenson led 7-6 at the half.

After an exchange of punts in the third quarter, a fumbled pass from center resulted in a 13 yard punt for Stevenson and Northern had possession on the Spartan 28.

Three plays later, Chism rifled a pass to Mitch Green for a five yard score. Another two-pointer failed and it was 12-7 Northern.

Stevenson got caught deep in its zone with 34 seconds remaining in the third and a stray pass was picked off by Northern on the 17. Chism made good the turnover drive with a screen pass to Green. The point after was good and the margin was 19-7.

The fourth quarter saw a Stevenson blocked punt give Northern the ball on the Spartan five where Chism took it on a third down play. Stevenson blocked the ex-

tra point but the die was cast.

"We just fell apart after the first turnover of the second half," said Reardon. "We were never in the game after that short punt."

First downs were even at eight apiece with Northern holding a dominate edge in rushing, 179 yards to 63. The air game saw Stevenson hit on five of 12 for 49 yards and Northern three of five for 35 yards.

Mott Downs Harrison, 20-6

Waterford Mott came up with three touchdowns in the

final 12 minutes to hand Farmington Harrison a West-

ern Six opening defeat, 20-6.

The Hawks opening kickoff drive was stymied on the one yard line with an illegal procedure call pushing them back.

The third quarter saw Harrison break the scoreless battle when Dave Thorne scampered 65 yards with one minute remaining in the stanza. The kick by Jim Harlin was wide and it stood 6-0.

Harrison fumbled to open the fourth and Mott took over on the Hawk 20 and made short work of the short turnover drive with QB Mike Grace carrying it in from one yard out. An extra point running play was halted and with nine minutes left on the clock it was notched at six all.

Mott kicked off and on the first play from scrimmage, Harrison quarterback Mike Crudele fumbled. Grace con-

ducted with Dave Bauer on a five yarder to cap the scoring drive and with Blaise Saffron on a two-pointer to make it 14-6, six minutes remaining.

With 24 seconds left, Harrison went for a fourth down play on its own 11, failed and

Mott was ready to score another before the final gun.

On the next play, Mike Brenner tossed an 11 yarder to Swindell.

Mott collected 12 first downs to seven by Harrison but Harrison did outrush the victors, 144 to 120 yards.

Chiefs Blanked By Northville

By ED WENDOVER

A rivalry was reawakened Friday night when Plymouth-Canton and Northville football teams met on the gridiron. Northville won 7-0 on a blocked punt, recovered in the end zone.

After a scoreless first half, Northville's attack got off to a marching start with runs of 18 yards by Jim O'Brien, 11 and 16 yards by Doug Crisan, and 20 yards by Tom Dooley.

That placed Northville on the one-yard line where the Chiefs were able to recover a fumble -- and as it looked at the moment -- block the Northville threat.

But the Chiefs failed to make any real gain and were forced to punt from the end zone.

Jeff Young's kick was blocked by Northville's Steve Serkaian and recovered in the end zone by Bill Lusk -- producing, with a successful extra point, the game's only score.

Longest Stints

The late Joe Gembis (14 seasons) and the late Dave Holmes (11) lead Wayne State University's list of 10 head football coaches in length of service in the position.

Soph Shines

Michigan State soph split end Dane Fortney of Ypsilanti was a starter against Northwestern in his first college game and was named the Spartans' offensive player of the week.

In the final seconds Northville nearly scored again when the Chiefs' offense was thrown for three losses totaling 51 yards.

With 11 seconds remaining Canton had the ball going into the fourth down with 62 yards needed for a first down.

Thrown down again, the Mustangs took over the ball at the one-yard line but a drive into the end zone was called back for illegal procedure and the clock expired.

The bell, which for many years was the quest of the Plymouth and Northville teams in their annual gridiron classic, was won by Northville after having laid dormant for three years.

Harrison Golfers Topple Western

Harrison High remained undefeated in the Western Six golf race, beating Walled Lake Western for its third victory, 191 to 203.

Gary Hawthorne took individual honors for the Harrison Hawks and the meet with a par 36 on the Glenhurst course.

Hawthorne was followed by teammates John VanVleck (37), Mike Majeski (38), Jim Smith (40), Tom Brady (40) and Dan Decriene (41).

Western's scores were: Mark Booth (38), Pete Fletcher (39), Sam Taulbee (40), Randy Neill (43), Ken Spencer (43) and Tom Mussen (49).

The triumph pushed Harrison's overall showing to 3-1.

S'craft Students Are Changing

Enrollment for the fall term at Schoolcraft Community College this year shows dramatic shifts in the educational needs of the community.

2 Parks Host Nature Walks Oct. 7, Oct. 28

Huron-Clinton Metropolitan (Park). Authority naturalists will conduct guided nature walks for the general public at the nature study areas of Stony Creek Metropark near Utica and Kensington Metropark near Milford on Sunday, Oct. 7 and Sunday Oct. 28 starting at 7 a.m.

Thomas H. Smith, chief naturalist, stated that the walks will take about two hours and will highlight information about the fall season, including the changing colors, flowers, migrating birds and how preparations are made for the coming of winter.

Persons planning to take the walks should meet at the nature center, dress warmly and wear shoes to keep the feet dry. The walks are for individuals and families.

David Heinzman, public relations director at Schoolcraft, sees increases in enrollments and decreases in the number of credit hours per students as evidence the college is reflecting the community.

"Our philosophy of education is based in society. Our philosophy isn't changing, but the programs and courses are. Our philosophy is the same, but we have changed our perception of the needs of the community," he explained.

Enrollment in community service credit courses, a new program instituted last year, showed an increase of more than 91 per cent. "No diplomas are issued for these courses, and they are not transferable. They can help toward job advancement and personal enrichment," said Heinzman.

A review of regular credit courses also showed an increase in enrollment of nearly nine per cent. Total increases for all credit courses were more than 20 per cent over last year.

These enrollment increases include a six-plus per cent decline in the number of students in the transfer curriculum and an increase of

nearly 21 per cent in the technical or career curriculum.

Thus in Schoolcraft, three general curricula areas, enrollment increases are shown in the community service and technical curricula while transfer curriculum enrollment is decreasing.

Increasing enrollments demonstrate, according to Heinzman, that "we are continuing to serve the needs of the people." He outlined four other reasons for increases besides changing programs.

"Cost of going to other uni-

versities is increasing, so more students are going to Schoolcraft instead of elsewhere," he reasoned.

"The year-out syndrome is dissipating. Some draft free students are now back in school," he continued. "Increasing numbers of women and residents are attending SCC."

Enrollment of women is up about 1.5 per cent over last fall, and enrollment of residents is up nine per cent.

Heinzman also views decreases in the number of credit hours per student as

an indication of meeting community needs.

The average number of credit hours per student is down more than two per cent while the total number of credit hours has increased by 8.5 per cent.

"This means we are serving one of our basic functions because it shows students are attending school part-time while doing other things," he explained. Full time enrollment, is up less than one per cent, but part-time enrollment is up more than 12 per cent.

Area Deaths And Funerals

WILLIAM ATKINS -- Services for Mr. Atkins, 75, 31000 Pershing in Farmington Hills, were held in Thayer Funeral Home with Rev. Eric S. Hammer officiating. Burial followed in North Farmington Cemetery. Mr. Atkins died Sept. 12. He was a retired painter and decorator.

ROBERT WEINSHIMER -- Services for Mr. Weinshimer, 57, 27851 Terrence Drive in Livonia, were held in Manns-Ferguson Funeral Home with Dr. William F. Whitedge officiating. Burial was in Oakland Hills Cemetery. Mr. Weinshimer died Sept. 11. He was a tool grinder for Goddard and Goddard Co.

DAVID F. BELL -- Services for Mr. Bell, 63, of 9011 Oakview, Plymouth, were held in Schrader Funeral Home with Rev. Headley Theobald officiating. Burial followed in Knottwood Memorial Park. Mr. Bell died Sept. 17. He was a member of VFW Mayflower Post of Plymouth.

ORTON B. SPANGLER -- Services for Mr. Spangler, 42, of 22800 Middle Belt, Farmington, were held in Knoxville, Tenn., after lying in state at Manns-Ferguson Funeral Home. Burial followed in Woodlawn Cemetery in Knoxville. Mr. Spangler died suddenly Sept. 25 in St. Mary Hospital. He was a builder with Ager Builders.

IGNACY KAROLSKI -- Services for Mr. Karolski, 81, of 30352 Fairfax in Livonia, were held in St. Priscilla Catholic Church with Rev. John Smith officiating. Burial followed in Glen Eden Cemetery. Mr. Karolski died Sept. 24 in St. Mary Hospital. He was a retired production worker at the Fisher Body plant.

MARVIN INGRAM -- Services were held for Mr. Ingram, 77, of 11700 Hazelton, Redford Township, in the Harry J. Will Funeral Home with Rev. William C. Lindholm of Livonia Holy Cross Church officiating. Burial was in Parkview Memorial Cemetery. Mr. Ingram died Sept. 23 at Mt. Carmel Mercy Hospital.

CHARLES LEE SR. -- Services for Mr. Lee, 81, of Dearborn Heights were held in the Harry J. Will Funeral Home with Dr. Rich-

ard Dunkleburger officiating. Burial followed in Rosedale Park Cemetery in Berkeley. Mr. Lee was a retired supervisor for Wall-Colmon Corp. He died Sept. 21.

JAMES SCHELL -- Services for Mr. Schell, 60, of Plymouth, were held in the Schrader Funeral Home, with the Rev. Dean Klump officiating. Burial was in Riverside Cemetery. Mr. Schell died Sept. 26 at University Hospital. He was the manager of a sporting goods store and a long-time member of First United Methodist Church of Plymouth.

CLINTON W. GATES -- Services for Mr. Gates, 80, of Cheboygan were held in the Schrader Funeral Home in Plymouth. Burial was in Riverside Cemetery. Mr. Gates died at Community Memorial Hospital in Cheboygan after a short illness.

AGNES R. STEMPkowski -- Services for Mrs. Stempkowski, 84, 18951 Sunset, Livonia, were held in R.G. & G.R. Harris Funeral Home and St. Priscilla Catholic Church with Father John E. Smith officiating. Burial was in St. Hedwig Cemetery. Mrs. Stempkowski died Sept. 26 in Botolph Hospital.

CATHERINE H. HUNT -- Services for Mrs. Hunt, 81, of 9820 Auburndale Avenue, Livonia, were held in Schrader Funeral Home with Rev. Arthur K. Baumer officiating. Burial followed in Riverside Cemetery. Mrs. Hunt died Sept. 22 in Ardmore Convalescent Home. She had been a resident of the area since 1959.

END A. STAMNITZ -- Services for Mrs. Stamnitz, 61, of 36241 Ann Arbor Trail, Livonia, were held in St. Theodore Catholic Church, Westland with burial in Holy Sepulchre Cemetery. Mrs. Stamnitz died Sept. 25 in Wayne County General Hospital. She taught ballet at the Plymouth School of Dance for 15 years, and was a member of the Third Order of St. Francis at Duns Scotus.

SADIE B. FERGUSON -- Services for Mrs. Ferguson, 82, of 641 Wing Street in Plymouth, were held in Schrader Funeral Home with Rev. Dean A. Klump officiating. Burial followed in Riverside Cemetery. Mrs. Ferguson died Sept. 25 after a year long illness. She was a member of the Plymouth Pioneer Extension Group for 40 years, the Sixty Plus Club, Plymouth Grange, Plymouth Historical Society and the Log Cabin Button Club.

EDWARD P. FEENEY -- Services for Mr. Feeny, 82, of 715 were held in Our Lady of Sorrows Catholic Church with Rev. John Quinn officiating. Burial was in Holy Sepulchre Cemetery. Mr. Feeny died Sept. 19 after an extended illness. He was a retired machinist-welder for Burroughs Corp. and a member of the American Legion Larned Post.

WALTER R. SCOTT -- Services for Mr. Scott, 74, of 23050 Springbrook Drive, Farmington Hills, were held in Thayer Funeral Home with Pastor Ervin Thomsen officiating. Burial was in Parkview Cemetery. Mr. Scott died Sept. 26. A retired painter and decorator, he was a resident of the community for 28 years.

THOMAS W. MILLER -- Services for Mr. Miller, 80, of 26808 Novi, were held in Thayer Funeral Home with Rev. George A. Fleischer officiating. Cremation followed in the Evergreen Crematory in Detroit. Mr. Miller died Sept. 25. He was a retired owner of Pine Tree Cartage Co. of Detroit and a life member of Friendship Lodge F&AM 417.

DAVID HARMON -- Services for Mrs. Harmon, 75, of 16476 Fairway, Livonia, were held in the R.G. & G.R. Harris Funeral Home with Rev. George Fleischer officiating. Services were also held by the Order of the Eastern Star. Burial was in Acacia Park Cemetery. Mrs. Harmon was a member of Timothy Lutheran Church and the Order of the Eastern Star No. 527. She died Sept. 19.

DANIEL J. McDONELL -- Services for Mr. McDonnell, 87, of 32288 Craftsburg Rd., Farmington Hills, were held in St. Fabian Catholic Church with Magr. Charles J. Malloy officiating. Prayers were said in the Heene-Sundquist Funeral Home. Burial was in Holy Sepulchre Cemetery in Southfield. Mr. McDonnell died Sept. 15 in Brent General Hospital after an extended illness. He was a retired supervisor of the New York Central Railroad (previously Penn Central) and a member of St. Fabian Episcopate Church.

HAROLD STRATFOLD SR. -- Services for Mr. Stratfold, 78, of Farmington Hills were held in the Heene-Sundquist Funeral Home with Rev. Kenneth G. Davis of St. Andrew Episcopal Church officiating. Burial followed in Roseland Park Cemetery, Berkley. Mr. Stratfold died Sept. 19 at the Edgewater Convalescent Home after a long illness. Survivors are his wife, Lillian; son, Harold Jr.; nieces, Mrs. Mildred Beckadic and Mrs. Geraldine Ludington of Royal Oak; and three grandchildren.

TONY THOMAS -- Services for Mr. Thomas, 85, of Detroit, were held in St. Fabian Catholic Church with Magr. Charles J. Malloy officiating. Burial was in Holy Sepulchre Cemetery in Southfield. Mr. Thomas died Sept. 20 at Hendry Convalescent Home in Plymouth after an extended illness. He was a retired tool and die maker for Ford Motor Co.

STEFAN JEDLINSKI -- Services for Mr. Jedlinski, 75, of Detroit, were held in St. Sabina Catholic Church following prayers at the Harry J. Will Funeral Home. Rev. Father Jerome A. Scholz officiated and burial was in Holy Sepulchre Cemetery. Mr. Jedlinski died Sept. 21 in Veterans Administration Hospital. He was employed at O'Connor Market and was a member of the Broadhead VFW Post 2269.

EDWARD P. FEENEY -- Services for Mr. Feeny, 82, of 715 were held in Our Lady of Sorrows Catholic Church with Rev. John Quinn officiating. Burial was in Holy Sepulchre Cemetery. Mr. Feeny died Sept. 19 after an extended illness. He was a retired machinist-welder for Burroughs Corp. and a member of the American Legion Larned Post.

WALTER R. SCOTT -- Services for Mr. Scott, 74, of 23050 Springbrook Drive, Farmington Hills, were held in Thayer Funeral Home with Pastor Ervin Thomsen officiating. Burial was in Parkview Cemetery. Mr. Scott died Sept. 26. A retired painter and decorator, he was a resident of the community for 28 years.

THOMAS W. MILLER -- Services for Mr. Miller, 80, of 26808 Novi, were held in Thayer Funeral Home with Rev. George A. Fleischer officiating. Cremation followed in the Evergreen Crematory in Detroit. Mr. Miller died Sept. 25. He was a retired owner of Pine Tree Cartage Co. of Detroit and a life member of Friendship Lodge F&AM 417.

MULTI-LIST SERVICE

453-4800

199 N. MAIN ST. PLYMOUTH

427-7797

ANNOUNCING A VERY BEAUTIFUL HERITAGE.

It takes a special kind of home to warrant a Grand Opening of a single new model.

But then our Heritage is a very special kind of home. It gives you 4 bedrooms, 2 1/2 baths, first floor laundry, den, full basement, 2 car attached garage, built-in appliances, insulated windows with screens, sliding glass door onto the patio and a family room complete with beamed ceiling and fireplace.

In fact, it gives you everything you'd expect in a \$65,000 home. But our Heritage price is \$57,500.

And that includes a unique Commons with play areas, tennis courts and acres of undisturbed nature set aside for your own private pleasure.

Come see a very special new home in a very special community this weekend, nestled among the rolling hills and scenic millponds in the historic City of Northville.

And look into our other models, priced from \$51,450. Some are under construction for early occupancy. And with our Guaranteed Sales Plan you can, in effect, trade your present home in on one of these new models.

Visit Lexington Commons. Just take Eight Mile to Taft Rd. Open daily and Sunday 1 to 8, Saturday 12-5 (closed Thursday). Or call 477-4220 or 349-4340.

LEXINGTON COMMONS & THOMPSON-BROWN

BRIDGE

We live in a world of bridges, not all of which are constructed of steel and cement. One of the most important bridges in today's world is still under construction, the bridge of understanding...between peoples and nations...spanning racial, economic, political and language barriers. Another important bridge is the bridge of print...bringing people together in a buying and selling situation. The bridge is a newspaper ad. An advertisement in your newspaper is unparalleled in bringing people together quickly, economically and effectively. When you need to communicate with a customer or if you have something to sell through a want ad...use the most convenient bridge available...the pages of your hometown newspaper.
