#### TO THE GAS CUSTOMERS OF CONSUMERS POWER COMPANY

# NOTICE OF HEARING ON GAS CURTAILMENT PROGRAM

On October 26, 1973, Consumers Power Company filed an application with the Michigan Public Service Commission in Case No. U-4453, which requests authority to adopt as part of its rate schedule a new Rule 15 relating to curtailments of gas service. Consumers Power Company states in its application that there exists in the State of Michigan and elsewhere throughout the United States a severe gas supply shortage, which shortage has made it necessary that many pipeline suppliers of natural gas, including Applicant's pipeline suppliers, substantially curtail deliveries of natural gas to their customers. Consumers Power Company also states in its application that greater curtailments of gas deliveries from its pipeline suppliers are expected in 1974 than those currently in effect, and that prudent operating practices make desirable the establishment of procedures whereby gas service to its customers may be curtailed in the event it is necessary to do so in order to maintain a balance between gas requirements and gas supply. Consumers Power Company further states in its application that it does not presently anticipate that it will be necessary to initiate curtailments under proposed Rule 15 in the near future, but that it cannot predict when a worsening in its gas supply situation and/or an unanticipated increase in demand may make necessary the initiation of such curtailments. As set forth in proposed Rule 15, Consumers Power Company proposes to establish six curtailment categories, as

- 1. All commercial and industrial gas requirements for boiler use in excess of 8.334 Mcf per monthly billing period of customers served under the provisions of Rate "E" other than those requirements falling within Curtailment Category 6. Twenty-four months from the date of the order approving this curtailment procedure, this curtailment category will be consolidated with Curtailment Category 2.
- 2. All commercial and industrial gas requirements for boiler use in excess of 8,334 Mcf per monthly billing period other than those requirements falling within Curtailment Categories 1 and 6.
- 3. All industrial gas requirements other than those requirements falling within Curtailment Categories 1, 2, 4, 5 and 6.
- 4. All commercial gas requirements other than those requirements falling within Curtailment Categories 1, 2, 5 and 6; and all industrial gas requirements for plant protection needs or process needs in excess of 1,250 Mcf per monthly billing
- 5. All commercial and industrial gas requirements of 1,250 Mcf or less per monthly billing period other than those requirements falling within Curtailment Category 6.
- 6. Residential gas requirements and requirements for services essential for public health and safety; provided, however, that requirements for boilers which have alternate fuel capability shall not qualify as requirements for services essential for public health and safety without the express authorization of the Michigan Public Service Commission.

Consumers Power Company proposes to implement curtailments within the foregoing curtailment categories when necessary in the Company's opinion to balance gas requirements with gas supply, after giving effect to interruptions permitted by the Company's rate schedules. Curtailments could be simultaneously instituted in more than one curtailment category, provided, that no curtailment would be made of gas usage falling within any curtailment category during any period in which the gas usage falling within all lower-numbered curtailment categories had not been completely curtailed. Curtailments of less than 100 percent of the gas usage falling within a curtailment

The second second second

category would be made pro rata, based upon the customer's historical gas usage falling within the category being curtailed. Any gas usage by a customer in excess of volumes authorized to be used would be subject to excess use charges of up to \$15.00 per Mcf and would constitute sufficient cause for Consumers Power Company to discontinue gas service to the customer. The application of Consumers Power Company in Case No. U-4453 sets forth in more complete detail the manner in which the proposed curtailment procedure is to operate. The application, together with proposed Rule 15, is available for public inspection at the offices of the Michigan Public Service Commission, Law Building, Lansing, Michigan 48913, and at each local office of Consumers Power Company

The Commission has scheduled public hearing on the application in Case No. U-4453 and has ordered that notice be given that

- A. A public hearing be held from 9:30 a.m. to 4:00 p.m. and from 6:30 p.m. to 10:00 p.m. on December 13, 1973 in the Auditorium of the Law Building, Lansing, Michigan 48913, for the purpose of taking statements from the interested public concerning Applicant's proposed gas curtailment
- B. Any interested parties may attend the hearing and participate, subject to the provisions of the Commission's Rules of Practice and Procedure. Any party seeking to intervene in this proceeding, notwithstanding Rule 11 of the Commission's Rules of Practice and Procedure, shall file with the Commission, on or before December 13, 1973, an original and 6 copies of the petition to intervene, together with proof of service upon Consumers Power Company.
- C. A prehearing conference will be held at 9:30 a.m. on December 14, 1973 in the offices of the Commission, Law Building, Lansing, Michigan 48913 for the purpose of exploring and, if possible, agreeing upon matters which will' expedite the proceedings in Case No. U-4453 and including the following:
- 1. Determining the parties to the proceeding, the nature of their appearance and the positions they are taking in the proceeding.
- Simplifying and defining the issues.

of the proceedings.

- Establishing procedures for the hearing.
- Specifying a further schedule of dates of hearing. Expediting any other matters that may aid in the orderly conduct of the hearing and the dispositio
- D. THE CURTAILMENT CATEGORIES AND PROCEDURES DESCRIBED IN THIS NOTICE ARE IN THE FORM REQUESTED BY CONSUMERS POWER COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY EITHER AUTHORIZE THEIR ADOPTION IN THE FORM REQUESTED, DENY THEIR ADOPTION OR MAY ORDER THE ADOPTION OF A CURTAILMENT PROCEDURE WHICH CONTAINS PRIORITIES OR PROCEDURES DIFFERING FROM THOSE DESCRIBED HEREIN.

Jurisdiction of the Commission in this matter is pursuant to Act 300, PA 1909, as amended, MCLA 462.2: Act 419, PA 1919, as amended, MCLA 460.51 Act. 3, PA 1939, as amended, MCLA 460.1; Act 9, PA 1929, as amended, MCLA 483.101; Act 306, PA 1969, as amended, MCLA 24,201; and the Commission's Rules of Practice and Procedure, 1954 Administrative Code, Supplement No. 54, R460.11.

5. The City Council shall hold a public hearing on December 17, 1973 at 8:00 o'clock p.m. at the City Hall in the City of Farmington, Michigan, at which hearing any person affected by the said proposed improvements may be heard. The City Clerk shall cause notice of said hearing to be published in the Farmington Enterprise, Farmington, Michigan, at least once not less than ten (10) full days before the date of said hearing and shall cause notice of said hearing to be mailed by first class mail not less than ten (10) full days prior to the date of hearing, to each owner of property subject to assessment. 7. Said notice so published and mailed shall be in substantially the following

TAKE NOTICE THAT the City Council of the City of Farmington, Michigan, proposes to acquire and construct street improvement to consist of 7" deep strength asphalt paving with curb and gutter on Power Road from Grand Riv The City Council further proposes to specially assess a part or all of the cost of

said improvements against the following described lots and parcels of land: Parcel Nos. 27-330-031 through 27-330-035 inclusive; Parcel Nos. 27-330-038 through 27-330-046 inclusive;

Parcel Nos. 27-330-050 through 27-330-054 inclusive; Parcel Nos. 27-377-012 through 27-377-020 inclusive; Parcel Nos. 27-377-024 through 27-377-025 inclusive. Parcel No. 27-451-001; 27-451-061; 27-451-059; 27-451-034;

Parcel Nos. 27-451-007 through 27-451-016 inclusive; Parcel Nos. 27-451-019 through 27-451-032 inclusive.

The Council has caused the City Manager to have prepared specifications and an estimate of cost of said improvement, and the same, together with the City Manager's recommendations and findings concerning said improvement, are on file with the City Clerk and are available for public examination. TAKE FURTHER NOTICE that the City Council will meet at the Council

Chambers in the City Hall on Monday, December 17, 1973 at 8:00 p.m. o'clock for the purpose of hearing all persons affected by said street improvement.

NEDRA VIANE, City Clerk AYES: Yoder, Allen, Hartsock, Richardson, Tupper.

RESOLUTION DECLARED ADOPTED NOVEMBER 19, 1973. DEPARTMENT OF PUBLIC SAFETY REPORT FOR OCTOBER, 1973 received and filed. FINANCIAL REPORT FOUR MONTHS ENDED OCTOBER 31, 1973 received

FARMINGTON DISTRICT LIBRARY FINANCIAL REPORT PERIOD EN-DED SEPTEMBER 30, 1973 received and filed.

MISCELLANEOUS COMMENTS Councilman Richardson questioned Capt. Byrnes regarding the growing problem of recreational vehicles parking in residential areas.

Councilman Richardson reported on his recent meeting with the Farmington Area Recreation Commission. Mr. Jim Beers of the Department of Natural Resources spoke to the Commission members regarding community recreational needs. The Commission is in the process of taking an inventory of all available recreational facilities in the area, both public and private, and will be in a ndations after the first of the year. Cour cilman Richardson stated he feels the commission is a progressive one and that progress will be made in the near future. RESOLUTIONS AND ORDINANCES

Motion by Tupper, supported by Allen, to adopt the following ordinance: ORDINANCE NO. C-346-73

AN ORDINANCE TO AMEND SECTION 117.1 OF CHAPTER 79 OF TITLE VIII OF THE CODE OF THE CITY OF FARMINGTON THE CITY OF FARMINGTON ORDAINS:

117.1 Standard of Accepted Engineering Practice. Delete Section and Insert Section to Read: 117.1 Adoption of Detroit Plumbing Code by Reference.

Pursuant to the provisions of section 3(k) of Act 279 of 1909, State of Michigan as amended, the Detroit Plumbing Code, prepared and promulgated by the Industry Committee and representatives of the Department of Buildings and Safety Engineering of the City of Detroit, an association organized and constitution of the City of Detroit of Code special by the City of Detroit ducted for the purpose of preparing said Code, adopted by the City of Detroit, effective August 21, 1966 and published by the Department of Building and Safety Engineering of the City of Detroit, is hereby adopted by reference by the City of Farmington for the purpose of governing the requirements for the design and installation of plumbing systems including sanitary and storm drainage, sanitary facilities, water supplies and storm water and sewage disposal in buildings in the City of Farmington.
Complete printed copies of the Detroit Plumbing Code, herein adopted, are

available for public use and inspection at the office of the City Clerk. This ordinance was introduced at a regular meeting of the Farmington City Council on November 5, 1973, was adopted and enacted at the next regular meeting on November 19, 1973 and will become effective ten days after publi-ROLL CALL

AYES: Allen, Hartsock, Tupper, Yoder, Allen. NAYS: None

CLAIMS AND ACCOUNTS Motion by Tupper, supported by Hartsock, to approve the bills submitted for November 19, 1973 in the amount of \$18,622.52 General Fund and \$1,368.68 Water & Sewer Fund. Motion carried, all ayes.

#### Beth Achim Sisterhood Meets Dec. 3

The sisterhood of Congregation Beth Achim, 21100 12 Mile, Southfield, will hold a board meeting Monday, Dec. 3, at 10 a.m. to make plans for the Human Rights Day

Refreshments will follow the meeting, and at 1 p.m. the sisterhood's adult education group will meet for discussion led by Rabbi Milton Arm on the Arthur Hertzberg book "The Zionist Idea."

Our dedicated staff members make your expectations their goals. And many Detroit families can vouch for our complete reliability.

Thompson-Brown and Nosan Building Corporation have joined forces to create what we believe is the perfect condominium community. And we've taken steps to keep it perfect for a long, long time. downstairs, you'll see a spacious basement From the moment you enter a Lexington Condo Home, you'll see things that make it different from any condominiums you've

You'll see niceties like a large entrance foyer,

spacious walk-in closets and attached garage

You'll see a family-sized living room with

fireplace, a breakfast nook, air conditioning,

with its own private entrance to the home.

ever seen before.

insulated windows and doorwall and metalinsulated front doors.

Outside, you'll see your own private patio with an optional balcony overhead. And

just waiting to become a family room or second living room.

What you won't see at Lexington Condo Homes is peeling paint, uncut lawns or trash in the street. Not this year, not next year... not any year. Because we take care of all the outside maintenance. (Maintenance covered by monthly fee.) And when we say we, we mean we, the Thompson-Brown Property

Management Division...not some outfit we just hire for the season.

Thompson-Brown has built its reputation by developing the kind of communities you'll be as proud to live in twenty years from now as you are the day you move in. And we take very good care of that reputation.

Come out and see us at Lexington Condo Homes this weekend. We're at Eight Mile and Taft Roads, in the City of Northville. Open daily and Sunday 1-8, Saturdays 12-5. (Closed Thursday.) Call 522-4920 or 349-6350. Two-bedroom prices start at \$41,400.

Come see the littlest Leica

The new Leica CL.

Only Leitz could have created the CL, a true take-it-anywhere camera with all the precision and performance of a Leica. And of all compact cameras, only the CL has Leica's 50 years of leadership in 35 mm

photography behind it.

The CL is the smallest and lightest Leica ever made. It weighs just 17% oz. with standard lens and measures only 3 inches high, 4% inches wide and 1% inches deep. Yet it is the first compact camera to offer fullframe 35mm format with viewfinder-coupled interchangeable lenses and through-the-lens metering.

It is the first compact camera with interchangeable rangefinder-coupled lenses. Two lenses have been specially designed for the CL: a 40mm Summicron-C f/2 and an exceptionally compact 90mm Elmar-C f/4. And it will also accept most recent Leica M-series lenses.

Like the fine Leica system cameras, the compact CL will take a great picture. Unlike any other compact camera, the CL can also be a great investment. And happily, it is the Leica that may be owned for the
