

Rocks win, 65-40

With University of Michigan basketball coach John Orr scouting from a seat in the Plymouth Salem rooting section, the Rocks attacked Edsel Ford Tuesday as though every man had his heart set on a Wolverine scholarship.

In the process, Plymouth destroyed the Thunderbirds, 65-40, to take a two-game lead in its drive toward the Suburban Eight championship.

In winning their 10th straight and boosting the overall record to 14-2, the Rocks climbed to 9-1 in the league with four games remaining.

Edsel Ford and Dearborn are tied for second at 7-3, Livonia Bentley, and Allen Park share the next rung at 5-5. Redford Union follows at 4-6, while Belleville is 2-8 and Trenton 1-9.

Realizing that a loss meant dropping back into a first place tie with Edsel Ford,

the Rocks stormed to 14-8, 34-21 and 53-28 leads at the quarter, half and third period breaks before Coach Fred Thomann cleared his bench in the last stanza.

Eric Agardy, 6-9 junior center, put 10 points on the board in each of the first two periods, winding up with 24. He had substantial support from 6-6 sophomore Jim Ellinghausen, who netted 14 and set the rebounding pace with 13.

Plymouth got the lead for keeps at 64 when Agardy canned his second bucket on a feed from Ellinghausen three minutes into the opening quarter, and the romp was on.

The Rocks led in rebounds, 36-28, and hit 25 of 61 shots from the floor for 41 per

cent. Edsel Ford netted only 14 of 61 for 23 per cent. Guard Todd Bedenis was the only Thunderbird in double figures with 10 points.

The defensive play of the Rocks again was impressive and the team drew praise from Orr when he visited their locker room to extend congratulations before heading back to Ann Arbor.

In the preliminary, the Plymouth Jayvees went into overtime before notching a 62-56 victory and now are 13-2.

Tonight Plymouth will be at Allen Park for another league battle, one which carries special meaning to Agardy who was a member of the Jaguar squad last year before the family moved to Plymouth.

Southfield roars, 103-60

Area cagers up win mark

By TOM DONOGHUE
Sports Editor

Just when it appeared the quickly deflating basketball of Observerland was nearing its last breaths of air ... along came a fresh victory pump and a shot up to .428 winning percentage.

An 18 win - 11 loss week for the 19 schools in the area upped the season showing to 126 - 168. Area prepsters slipped to a season low of .401 win percentage last week.

It appears things will continue to improve before deflating again with an 11 win -

seven loss card slated for tonight. But that climb up to an overall .500 percentage has to be tougher and tougher with every week.

Tuesday's night action showed an eight win - five loss mark for Observerland cagers with St. Agatha, Bentley, Southfield, Franklin, Plymouth Canton, Plymouth Salem, Redford Union and Southfield Lathrup adding another notch in the victory column.

Clarenceville, Bishop Borgess, Farmington, Garden City East and North Farmington slipped into the loss column.

A 15 contest card is set for tonight with Churchill at Ann Arbor Huron the solo Saturday night clash.

Plymouth Canton's basketball story has to be one of coming of age.

Casey Cavell's Canton Chiefs, who had been winless in their first 13 outings, finally exploded into the win column Saturday in a 59-47 triumph over Farmington Harrison.

Not to rid itself of a good thing, the Chiefs toppled Woodhaven to make it two straight, 64-49. Ron Lack popped in 16 points as the Chiefs jumped to a 12-7 first

quarter lead and increased it to 32-9 at the half. Canton wound up 25 of 63 from the floor for 40 per cent.

Livonia Franklin and Garden City East were both hit hard by virus attacks of key players, Franklin managing to survive in a win over Northville but East finding too tough a competitor in Fordson.

Franklin was without the services of the area's No. 1

Miss Becker, who has now compiled 78 points in four games, popped in 13 buckets and hit four of five from the charity line.

Schoolcraft stands at two all in competition, losing the last to Delta College, 63-43. Elaine who played varsity basketball at St. Agatha for four years, was an All-City selection in her senior year and now returns to help coach the St. Agatha girls. She is assistant coach under

a former teammate in '71, Agatha grad Lynn Zuzga.

Miss Becker also finds time, to teach basketball at the Wayne County Child Development Center in Northville Township.

In the 50-32 conquest of Concordia, Miss Becker's 30 points was a Schoolcraft girls record and was complemented by teammates Cheryl Szczodrowski's 12 points.

Other members of the team are Nadeen Ouellette (Bentley), Mary Jimenez (John Glenn), Diane Becker (GC West), Peggy Boyce (GC East), Sherry Meyer (Bentley), Kathy O'Connell (Stevenson), and Janine Miner (Franklin).

Library wrestling with overcrowding

By JUDITH BERNE

PLYMOUTH -- Book rich, space poor -- that's the situation of the Dunning - Hough public library in Plymouth.

Administered by the Wayne County Library System and funded by the City of Plymouth and Plymouth and Canton townships on a use percentage basis, the library has no room to house any more additions to its collection.

Increasing demands for books and services by the burgeoning population of the Plymouth - Canton area has pushed the library to its capacity in terms of shelves and seating.

"It's almost a matter of discarding one book for every new purchase," reports Elizabeth Simescu, the head librarian. "What a horrible situation for a library -- not being able to add to its collection!"

To provide room for newly arrived book shelves, storage now partially blocks the fireplace, once a focal point of the browse and study lounge. Other shelves displaced study tables, reducing their number to five.

According to Mrs. Simescu, the new shelves "have merely taken up the overflow

of books which have been sitting on book trucks at the end of aisles.

"They will give us a chance to breathe, but have taken up the last of our open space. With no room for additional shelving, we'll be in the same spot by the end of the year."

The situation will ultimately lead to poor quality library service. Mrs. Simescu predicted:

- Maintaining a stationary amount of materials with an increased population means fewer books for more people.
- Crowded conditions make it difficult to research or even locate a book.
- Limited study areas make the library a place to do little more than run into and out of.

Because of lack of space, Mrs. Simescu has the difficult task of looking a gift horse in the mouth. Two years ago the library received a \$10,000 private donation from the Hough Foundation designated for audio-visual equipment. "It's a unique opportunity for a small library," she advanced. "But it does present the problem of housing."

Part of the money could be used for an in-library listening station for educational

cassettes -- but the luxury item is the space for it.

"You should see us -- we have lists and plans all over the place," the young librarian excitedly said. Right now there is nowhere to go with them.

"Plymouth seems to be a very library - oriented community," she added. "There is an excellent library program in the schools. In many areas circulation drops off during the summer months. We had our record high of 1,061 books taken out one day last July or August."

"We have reached a point where some decisions have to be made as to where we go from here," she declined. "It's really up to the three communities to determine the best ways and means to meet the need."

The library's problems will be laid before representatives of the governments involved at a meeting at 8 p.m. Monday, Feb. 25 at the library by Leo T. Dinnan, director of the Wayne County Federated Library System.

"We want to alert them to the need for expansion," Dinnan explained. "The Plymouth library has 8,000 square feet of space to serve

Canton asks probe of fire, department

By W. W. EDGAR

CANTON -- To ease the fears of a stunned community, the Canton Township trustees have requested the state fire marshal to investigate last weekend's fire that snuffed out the lives of James Burnham, his wife and their two children and recommend safeguards for the future.

The investigation is to go far beyond the cause of the fire. It is to study the entire fire department regarding the type of equipment now in

use and the manpower available.

In agreeing to ask for the investigation, the trustees made it clear that the action was not a criticism of the fire fighters whom they said, "Did the best they could with what they had."

"We've got to restore the people's confidence," Trustee Brian Schwall commented, "and this can only be done by giving them the kind of answers an investigation would provide."

Among the questions the residents and neighbors of the Burnham family want

answered include:

- Could the firemen have reached the scene any quicker?
- Does the township have the proper type of fire equipment?
- Does the fire department have a sufficient number of men -- paid and otherwise?
- Are the men properly trained?
- Should the township provide a training school?

In his official report, Fire Chief Melvin Paulus stated that his men were on the scene within three minutes of

receiving the alarm. He further stated that within five minutes the flames were rolling out of the front and rear of the house and that the heat was unbearable. In fact, he stated, it was so intense it exploded the glass door of the oven.

At first, inclined to await the state fire marshal's report before asking for an investigation and review of the department, the trustees heeded the request of Carl Parsell, president of the Windsor Park Homeowners' Assn., and Clarence Parlin, president of the Northwest Homeowners' Assn., for speedy action.

"Any delay now," Parsell said, "would give the appearance that you were just putting things off. That wouldn't be fair to the residents who are deeply concerned and live in fear."

Several of the housewives in the audience expressed

deep concern, saying that their homes are duplicates of the Burnham home and the very sight of the stairway causes sleepless nights.

To calm the emotions of the gathering, the trustees

stated that every effort would be made to have the investigation start as soon as possible and that the findings would be made public -- probably at a public meeting -- and through the press.

3 cities get federal aid for traffic

Livonia, Farmington Hills and Southfield are among several communities that will share in a \$459,395 federal grant for selective traffic enforcement and training programs.

The money is part of a \$2.1 million federal grant to state and local governments for various traffic safety related projects.

The program, announced recently by Gov. William Milliken, is administered by the governor's office of highway safety planning.

Milliken said that "in keeping with the state's annual highway safety plan, funds have been allotted on a priority basis to several state agencies as well as a number of cities and counties for program improvements in several important areas."

Part of the grant will go to the Michigan State Police, the governor said.

A total of \$10,000 will go for alcohol breath testing equipment for local communities; \$49,075 for traffic accident analysis by the State Police for cities and counties; and \$215,875 will go to the office of highway safety planning for planning and administration.

From Lansing come reports the dog racing bill has suddenly become a reality again and may be before the lawmakers within a reasonable time.

The bill suddenly emerged from committee in the Senate and you can bet your last dollar the pros and antis are getting busy already to get their licks in.

It will be recalled the bill, which provides for a total of 10 dog racing tracks across the state, came within an eyelash of passing a year ago.

Matter of fact, it probably would have made it but for the fact that several legislators made holiday trips to Florida, presumably for other things, but all at once they were showing up at the dog races accompanied by those lobbying for the dog bill.

These facts were brought to the attention of the reading public by metropolitan newspapers and apparently had an effect on the final vote in Lansing after the holidays. The bill failed, just barely, in the final voting.

Now it's up again for deliberation and chances are more than even that it will get approval this time. Despite the work of the lobbyists for the race tracks, harness and thoroughbred, which are definitely against any additional competition, there seems to be a feeling that the pro group will get the job done this time.

It will be interesting to see how the Senate votes when the bill finally reaches the floor for a vote. It was defeated by the Senate last time out but this is a different year, a slightly different bill and no heat on legislators from the metropolitan press. Don't be surprised if dog racing is approved.

A Legislature which has approved a state lottery, the return of bingo and is still looking for other painless ways of bolstering the state treasury, probably wouldn't have any compunctions about passing another type of gambling.

The dog racing lobby has become stronger and stronger through the years and this could well be the year in which all of the work in the past finally pays off.

NORTHVILLE DOWNS will present one of the best races of the early season Saturday when a field of six tackles in the \$4,000 Yale pace.

Action, which provided most of the action a week ago when it took the lead at the halfway point and held it, will be back in quest of its second straight triumph.

Star of the Jackson - at Northville meeting in December, Action was rested through the month of January and then came back when Northville opened its 39-night season.

Since then Driver Mark Grismore has guided his speedy veteran to two triumphs in three starts.

The fact that there are only six entries Saturday could make the going even rougher for Action since

there's very little chance of any getting boxed in.

As it is Action faces five of the top speed merchants in the top class. Heading the list is Chief Nugget, a wire-to-wire winner in the secondary feature a week ago; Daddy O Ranger, Spanish Mac, Knox Abbe and Ritzie Range.

Ritzie Range, which roared to victory in the \$9,400 finale of the Jackson winter pacing series, will have the services of Charley Smith, sensational young driver from Parma, and that could make a difference.

Pistons having shirt night

Ski Heil

By

BILL CAMERON

Dear readers -- I wish I could tell you about the fantastic snow conditions up North, but, the fickle flu laid me low for a few days and I missed out on my sojourn to Boyne Country. It is probably just as well; several people told me it was cold, icy and windy -- typical mid-west conditions.

At this point, the best bet for an interesting trip North is the weekend of Feb. 15.

Even if you don't ski you can watch the pros perform racing down "Hemlock" at Boyne Mt. This type of race is interesting because the racers compete on side by side courses against each other and of course the clock. It's a grueling two days of competition for the racer, physically and mentally exhausting, with tenths of seconds separating the winners from the losers.

The average layman doesn't realize the difference in whether a ski racer comes in first or fifth, or even 10th. If you look at the results and

note the times you'll find that tenths and hundredths of a second separate the first several finishers.

Tennis is very similar only it's a game of inches. A ball hitting a line is good. If it's a half inch outside someone loses the point. When your top professionals are playing for a \$10,000 first prize, inches can mean thousands of dollars.

With the new tie-breaker rule, two equal players can end up with the same number of games won or lost and have match point at 4-all and have a ball drift half an inch over the line which may mean a difference of \$10,000 in prize money.

You may end up seeing this at the Virginia Slims tournament at Cobo Hall on Sunday, Feb. 24. My guess would be Billie Jean King against Rosie Casals in the finals. Rosie recently signed a contract to play for the Detroit Loves in the soon to be inaugurated World Team Tennis league. If not Casals it could be any one of a number of gals -- Nancy Richey Gunter, Virginia Wade, Betty Stove or Wendy Overton.

Ladies, if you're not satisfied with your game and you think your strokes leave something to be desired, I'd recommend you visit Cobo Hall the day that Francoise

Durr plays a match. This lovely French gal has the most unorthodox strokes in tennis but she keeps the ball in play and is capable of beating anyone. The experience should buoy your spirits!

107 lbs - Ken Robin (W) pinned Tim Crumley (BB), 5:55.

Ocelot grapplers dumped 3 times

Disaster struck the Schoolcraft College wrestling team when the Ocelots attempted to take on four different opponents within a 24-hour span.

After dropping a 23-22 decision to the University of Michigan reserves, Coach Larry Meyer took his Schoolcraft team to Illinois for a triple-dual meet.

The schedule proved to be too much as the Ocelot grapplers dropped a 20-19 decision to Harper Junior College and were bombed 30-8 by Forest Park Community College of St. Louis. The lone Schoolcraft victory was a 20-19 verdict over the University of Illinois reserves.

Particularly upsetting to Meyer was the 30-8 setback handed his wrestlers by Forest Park. Prior to the

encounter, Schoolcraft had been rated seventh in the nation among junior college teams and Forest Park was a notch behind in eighth place.

"I guess we can just about kiss the top 10 goodbye for this year," commented Meyer. "Our only claim to fame now is that we beat the 10th rated team (State University of New York at Farmingdale) in the Grand Rapids invitational two weeks ago."

Howard Strick, Schoolcraft's fine sophomore grappler who is a contender for national honors in the 134-pound weight division, was the lone Ocelot to win all his matches over the week-end.

Schoolcraft now has a 14-5 dual meet record.

Trenton bombards Panther swimmers

Redford Union fell to Trenton in a Suburban Eight swim contest, 107-57. Trenton won the 200 medley relay and took first in six of nine individual events.

RU's solo bright spot came in the performance of Randy Hurn who won both the 200 freestyle and 500 freestyle with an RU varsity record in the 500 with a clocking of 5:24.7. Results:

200 medley relay: 1-Trenton (Bennett, Judd, Stoffer, Byrd); 2-RU (O'Meara, Martin, Anthony, Scholtz). Time 1:41.5.

Harrison matmen subdue Churchill

Farmington Harrison came up with three pins and four decisions in knocking down

the grapplers of Churchill, 33-23.

It was Churchill's second loss in the Western Six in four matches and its fifth defeat overall in 11 outings.

"I was really disgusted with this one," commented Churchill Coach Jim Barr. "It's one thing when you actually compete and get beat. It's another when you don't give it all and get beat."

Churchill hosts Waterford Mott tomorrow (Thursday) in another Western Six clash. Results:

IN THE POCKET

By W.W. EDGAR

Observerland is fast becoming the real hot bed of bowling in the state.

Week after week there are more 700 series registered in the area than in any other section, with the result it no longer is an event when one of the sharpshooters breaks the barrier.

Another great example was furnished this week at Bel-Aire Lanes when five members of the Classic surpassed the magic figure.

Morrie Sloan survived the high scoring battle to take top honors with a 738 on games of 256, 235 and 247.

Behind him came Terry Smith who closed with a 279 for 726. Others in the top circle were Bob Boss with 714, Jerry Bingham with 708 that included a 268 middle game, and Jim Maiberger with a 704.

This heavy pin spilling established a record for the area as it surpassed the four 700 series rolled only a week ago in the Wonderland Classic.

Lou Ivancik joined the ranks of the 700 shooters when he blasted a 708 series in the Westland Classic with games of 258, 226 and 224. Ray Williams was well on his way, too, with a 268 opener only to fall back with games of 202 and 206 for a 676. Bob Shonce also started well with a 247, but couldn't continue the pace as he dropped back to games of 223 and 190 for a 660.

It was a case of being so near and yet so far for Ed Malm in the Ford League at Westland. After counts of 247

back to back he dropped to 232 in the final and had to be content with a 696. He far outdistanced his nearest rivals as Tom Chiesa posted a 626 and John Prater an even 600. Sally Dye topped the women's activities with a 553 that included a 201.

For the second week in a row Lillian Beattie stole the show in the Livonia Ladies Classic. She won the first game, 167-43-210, then added the second 179-43-222 and took the series, 484-129-613. Dee Briggs, a substitute, won the odd single game with a 194-36-230.

The Greater Detroit Bowling Association, of which most of the Observerland bowlers are members, is planning an all-out effort for entries in the city tournament scheduled to open at Satellite Bowl on April 20, with the minor events at Bel-Aire starting on the same day. The senior section for bowlers, 55 years or older, will open at Thunderbowl in Allen Park on April 27.

Reservations close on March 2, with the closing date for entries two weeks later.

Mary Mohacsi, the former Detroit bowling queen who will be one of the U.S. representatives in the world event next February, had another big night at Merri-Bowl Lanes. Bowling in the ladies doubles she posted a 255 game in a 652 series.

In the junior division at Merri-Bowl, Paul Ellerholz paced the Teen Classic with a 247 in 588 and Bryan Gerovac beat out Scott Taylor in the junior section by one pin with 534.

Bob Crawford and Mike Combs shared a disheartening experience at Country Lanes. Each started well only to fal-

ter. Bob opened with a 243, but faltered in the middle game for 163 and a 617 series while Mike started with a 257 and slumped to 159 in the final for a 622 series.

Clarenceville grad takes 1st

Livonia Clarenceville graduate Bill Waddell copped parallel bar honors as Western Michigan's gymnastic team split a pair of decisions with University of Illinois (Chicago Circle) and the University of Chicago.

His mark of 9.25 against Circle was just 1/10th of a point off the existing school record. His score of 9.15 ranked as the sixth highest total to date.

The Broncos put up the second and third highest team scores in school history with marks of 145.25 against Chicago and 144.55 against Circle.

RU '68 grad is winning

Ray Woods, 1968 graduate of Redford Union High School, is rounding out his collegiate swimming career at Western Michigan University with the victory sign.

As a senior, Woods has come up with four individual and four relay wins. His most recent victory was against Ball State when he clocked in at :50.5 in the 100 yard freestyle. Wood's top times this season are :22.7 in the 50 and :49.6 in the century.

GALLIMORE ELEMENTARY school's program which has the students host their parents for lunch has proven a hit with parents, students and teachers alike. While students and parents are eating, the school's fifth grade girls babysit for the younger pre-schoolers in the family. Beth Geisler (left), eight months, and Terry Kersten (right) three years, appear to be content with the program and the company of their babysitter, Karen Fisk. (Observer photo)

Serpico is cream of crop

By JUDITH BERNE

Whether or not you are a cops and robbers flick fan, go see "Serpico."

The robbers are the cops; and this film qualifies as one of the best police dramas for quite some time.

Al Pacino, winner of the Golden Globe award for best actor, is magnificent in the title role of Serpico - an honest policeman. As he moves from precinct to precinct in his quest for gold star detective, he is horrified to find each one as corrupt or more so than the last.

When he tries to tell his story to higher-ups in the New York City police department, he meets disbelief, unwillingness to take action or finds that the very people he is talking to are in on the take.

He is finally forced to do the unthinkable - go outside

leisure

the department in order to get his information acted upon. When his fellow officers turn upon him as informer, his fight is also for his life.

The transformation from young idealistic rookie cop to knowledgeable veteran is skillfully mirrored by the change in Serpico's physical appearance. Once a clean shaven, uniformed patrolman, as the film progresses he grows a mustache, then a beard, wears an earring and finally carries a purse as a

plainclothesman "of the streets." The story itself is rather routine, but is tautly written and well directed. Pacino makes the character of Serpico come alive by his ability to portray emotion with his face and body as well as through the dramatic lines.

The evening I saw this movie, there probably weren't more than 30 persons in the theater. If you don't feel up to combatting the queues at "The Exorcist", this would make an admirable substitute.

Symphony plans 2nd concert

Sounds ranging from the courtly Elizabethan music of Henry Purcell to the "now" sound of Michel Legrand will characterize the second concert of the season to be presented by the junior and string orchestra of the Livonia Youth Symphony Society.

The concert is set for Sunday, Feb. 17, at 4 p.m. in Farmington High School, 32000 Shiwasssee.

The junior orchestra, con-

ducted by Robert Randall, and the string orchestra, conducted by Albert Larson, represent the junior high school age and the younger string players of the society.

Members are from 14 communities in the metropolitan area.

Admission to the concert is by season pass, or single tickets may be purchased at the door. Senior citizens are admitted free to all LYSS concerts.

Rosedale sets 'Music Man'

"The Music Man" will be presented in Rosedale Gardens United Presbyterian Church of Livonia from Friday to Sunday, Feb. 22 to 24.

Curtain time is 8 p.m. on Friday and Saturday and 7 p.m. Sunday.

Tickets are \$2 for adults and \$1 for children under 12. They may be reserved by calling the church, located at Hubbard and West Chicago.

The entire production is being put together by members of the Rosedale congregation, with Martha Kuykendall, a teacher at Holmes Junior High School in Livonia, as director.

Mahlon Kiscaden, well-

known in this area as a character actor, will be Professor Harold Hill, and Marilyn Hirtzel will be Marion, the librarian.

In supporting roles will be John Hirtzel as Mayor Shinn, Helen Thomas as Mrs. Shinn, Mark Friday as Tommy, Judylynn Turner as Zanesta, Bettie Runyan as Mrs. Paroo, George Valrance as Marcellus, Kevon Culler as Winthrop and Marijo Branstad as Amariyllis.

The quartet consists of Dave Culler, Bill Dumphy,

Hank Fuchs and Merrill Thomas, and the ladies of the community are Joyce Beumler, Vicki Haas, Sue Trisch, Colleen Vincent and Kathleen Wagner.

Also in the cast are Jean Hopp, Dave Leslie, Dick Pierce and Guy Runyan.

Shirley Harden will direct the orchestra, with Barbara Burgess serving as piano accompanist. Costume coordinator is Dorothy Hopp, and the sets were designed and painted by Caroline Dunphy and Fred Browning.

MAHLON KISCADEN and Marilyn Hirtzel, playing Professor Harold Hill and Marion the librarian in the Rosedale Gardens Presbyterian Church production of "Music Man", rehearse a scene for Feb. 22 opening night.

Womanhood AAUW topic

An exchange of ideas on the matter of being a woman is the program planned by the Livonia branch of the American Association of Uni-

versity Women Tuesday, Feb. 19, at 8 p.m.

The meeting will be held in St. Paul Presbyterian Church, 27475 Five Mile, Livonia, and its theme is "Woman: She Is A Person." Sister Margaret Basso, AAUW program chairman, will moderate.

There will be a film strip, "Portraits," which deals with four women and their

growing consciousness of personal worth, and it will be preceded and followed by discussion.

"In this way," said an AAUW spokesman, "members will be able to experience anew, and reflecting on that experience discover some answers, directions and alternatives that are personal to their own lives."

Plymouth BPW to hear mayor

Plymouth Mayor Beverly McAninch will be guest speaker for the meeting of the Plymouth Business and Professional Women's Club Monday, Feb. 18, at 6:30 p.m. in the Hillside Inn.

She will talk about women's role in local politics and will answer questions from BPW members. Mrs. Helen Moyer, civic participation chairman, is chairman for the meeting.

Reservations should be made by Saturday, Feb. 16, by calling Mrs. Margery Brillhart, 208 Ann, Plymouth.

Home repairs Y class topic

A new class in home repairs for women will begin Wednesday, Feb. 20, in the Oakland YWCA, 839 S. Crooks, Clawson, with Pete Peterson as teacher.

The five-week course, to run from 7 to 9 p.m., will cover simple repairs and general household maintenance as well as proper use and care of tools. Call the Y for registration information.

Rollins of Westland wed 60 years

By MARGARET MILLER

Sixty years of a happy marriage began for Robert Rollins and Ethel Hammons on Valentine's Day, 1914, beside the toll gate in the Tennessee town of Readyville.

The anniversary of that marriage, still going strong, will be celebrated in the Garden City home of their daughter, Mrs. Myrtle Dickinson, 29537 Dawson, on Saturday, Feb. 16, from 2 to 5 p.m.

The Rollins have spent nearly half of their married life in a home on Norris Street, now part of the city of Westland. Farmers in Tennessee before that, they've continued to grow a large

garden here while Mr. Rollins worked three jobs in this area before retiring only four years ago at the age of 75.

He's hoping for another golden this year, but a stroke he suffered a few months ago may curtail his digging and planting.

"Things sure used to be different in the food business, though," he said. "I remember when we got chickens for a nickel and sold eggs for three cents a dozen. We'd

just give away the milk we couldn't use."

The Rollins were married beside the toll gate on the rural road because Ethel and her mother operated the gate. They reared their four children on a Tennessee farm. During the years they lived there, Mr. Rollins frequently took extra jobs in addition to farming, and it wasn't unusual to walk 12 miles to get to one of them.

Son Grady moved to Michigan in the years before World War II.

"He was going into service," his father remembers, "and he wanted me to come up before that. I came, and got a job working at Eloise Hospital, and I just stayed."

Mrs. Rollins and the other children and their families soon followed.

Their daughter Maggie Good now lives in Westland, and Grady and Myrtle are in Garden City. Another son, Ernest, died seven years ago. His home was in Wayne.

MRS. ETHEL ROLLINS serves her husband, Robert, a cup of coffee, as she's been doing for 60 years now. (Observer photo by Bob Woodring)

Club luncheon helps charities

The annual charities luncheon and card party of the philanthropic committee of the Catholic Study Club of Detroit will be Tuesday, Feb. 19, at 12:30 p.m. in the Grosse Pointe Memorial, 32 Lake Shore Drive.

Reservations should be made before Feb. 15, to Mrs. James Meeker, 29640 Mingwood, Farmington.

CAROL PAPICH

Mr. and Mrs. K.C. Papich of Ross Drive, Redford Township, announce the engagement of their daughter, Carol Maryann, to James Robert Stearns, son of Mrs. Laura Stearns of Weyher Avenue, Livonia, and the late Robert K. Stearns. The bride-elect graduated from Eastern Michigan University in December and her fiancé is an EMU senior. They plan to marry in May.

DEBRA MIERS

Mr. and Mrs. Walter Miers of Garden City announce the engagement of their daughter, Debra Ann, to Lynn Neal Perry, son of Mrs. Mitchell Perry of Lansing and the late Mr. Perry. The bride-to-be is a 1972 graduate of Garden City West High School and employed by Kay Pediatric Clinic of Westland. Her fiancé is employed by the Ford Motor Co. in Dearborn. The wedding is set for March 16.

The Rollins now have 19 grandchildren and 33 great-grandchildren, some scattered around the area but many living in this area and planning to attend the open house Saturday.

"We've had bad times but good times too," says Mrs. Rollins as she looks back.

"Sometimes food was a problem," adds her husband, "but there was always plenty of turnips and beans."

BUSINESS OPPORTUNITY
For 6,900 days I tried to please the boss, then no job. Little time, then I got up off the floor and vowed never again. From now on, I claimed my birth right as a real American, and be- holden to no man. Money, prestige, and honor have followed. A life rich with good friends and freedom from society. If you really want the same, phone me, it's that simple.
