City commission, planners consider loop road, other capital improvements

By HANK MELJER

PLYMOUTH—With construction of the loop road around the central business district looming as a major project, the city commission is expected to vote within the next three weeks on a five-year capital improvement program.

The city planning commission is responsible for making a report to the city commission recommending a list of projects, but the commission must make the final decision on a spending program.

Both the planning commission and the city manager's staff have submitted suggested capital improvement studies, with the planning commission's revised version expected to be out in the next few days.

THE PROPOSED \$540,000 loop road figures prominently in both reports and will be the subject of a public hearing set for 7:30 p.m. tonight (Monday) in the city commission chambers.

According to the city manager's staff, "it appears the city will have approximately \$485,000 of anticipated revenue upon which to develop a five-year capital improvements program. This amount includes the current capital improvements fund balance of \$168,540, anticipated federal revenue sharing and interest earnings."

The planning commission's report, the first such which that body has developed, suggests capital improvements totaling more than \$2.6 million over the next five years, with much of

the money coming from the sale of bonds.

THE ADMINISTRATION study suggests five specific areas which should receive top priority in a capital improvement program: expansion of city hall, purchase of a new pumper fire truck, construction of the loop road, construction of an underpass at the railroad tracks on Main Street and general park and recreation improvements.

Topping the list on the planning commission's report are the loop road, bicycle paths, Old Village parking, improvements on the downtown parking lots and a parking deck.

The planning commission program also includes sidewalks along Ann Arbor and Sheldon Roads, a lunch

room addition to the DPW building, a Main Street underpass, and improvements on Kellogg Park and Tonquish Creek north of Ann Arbor Road.

"We are only planners who are suggesting what we think is fit," said Planning Commission Chairman Sharon Andrews. "The city commission makes the final determinations."

According to Mrs. Andrews, the revised planning commission report will reflect some changes over its preliminary plan.

"I'd like to make sure the commission establishes priorities within a month or two," said Mayor Beverly McAninch. "There's impetus now. There was some lack of communication between the administration and the planning commission, but we've all learned something."

The administration study suggests an expenditure of about \$170,000 for the addition of a second story above the fire department apparatus room. The new facility would create office space for both police and fire departments, and sleeping space for firemen and allow the detective bureau to move back to city hall from its church basement office.

WHILE BOTH STUDIES argue for the loop road, the administration stresses that it be wholly financed by the sale of bonds.

"It is the opinion of the staff that as near to 100 per cent of the loop project's cost as possible should be bonded, and that property acquisition should be accomplished without restraining the use of capital improvement funds and prohibiting the achievement of other community goals," the report said.

Among recreational improvements suggested by the administration study are a municipal swimming pool, shuffle board courts at Tonquish Creek Manor or at the Cultural Center, a lighted softball diamond at Riverside Cemetery and improvements to neighborhood parks.

OTHER POSSIBLE projects "not rated highly by the staff" because of their cost or the time it would take to complete them include a parking deck in the central business district, Old Village parking, Sheldon Road sidewalks, the DPW lunchroom, bike routes, Tonquish Creek improvements, sealcoating the Central and East Central parking lots and construction of a golf course.

"It is imperative in the creation of a capital improvement program that the projects selected be generally recognized as needed or desirable improvements," said the staff report.

"The underlying premise of a capital improvement program is the desire to reduce the expenditure of large sums of money into smaller more manageable blocks.

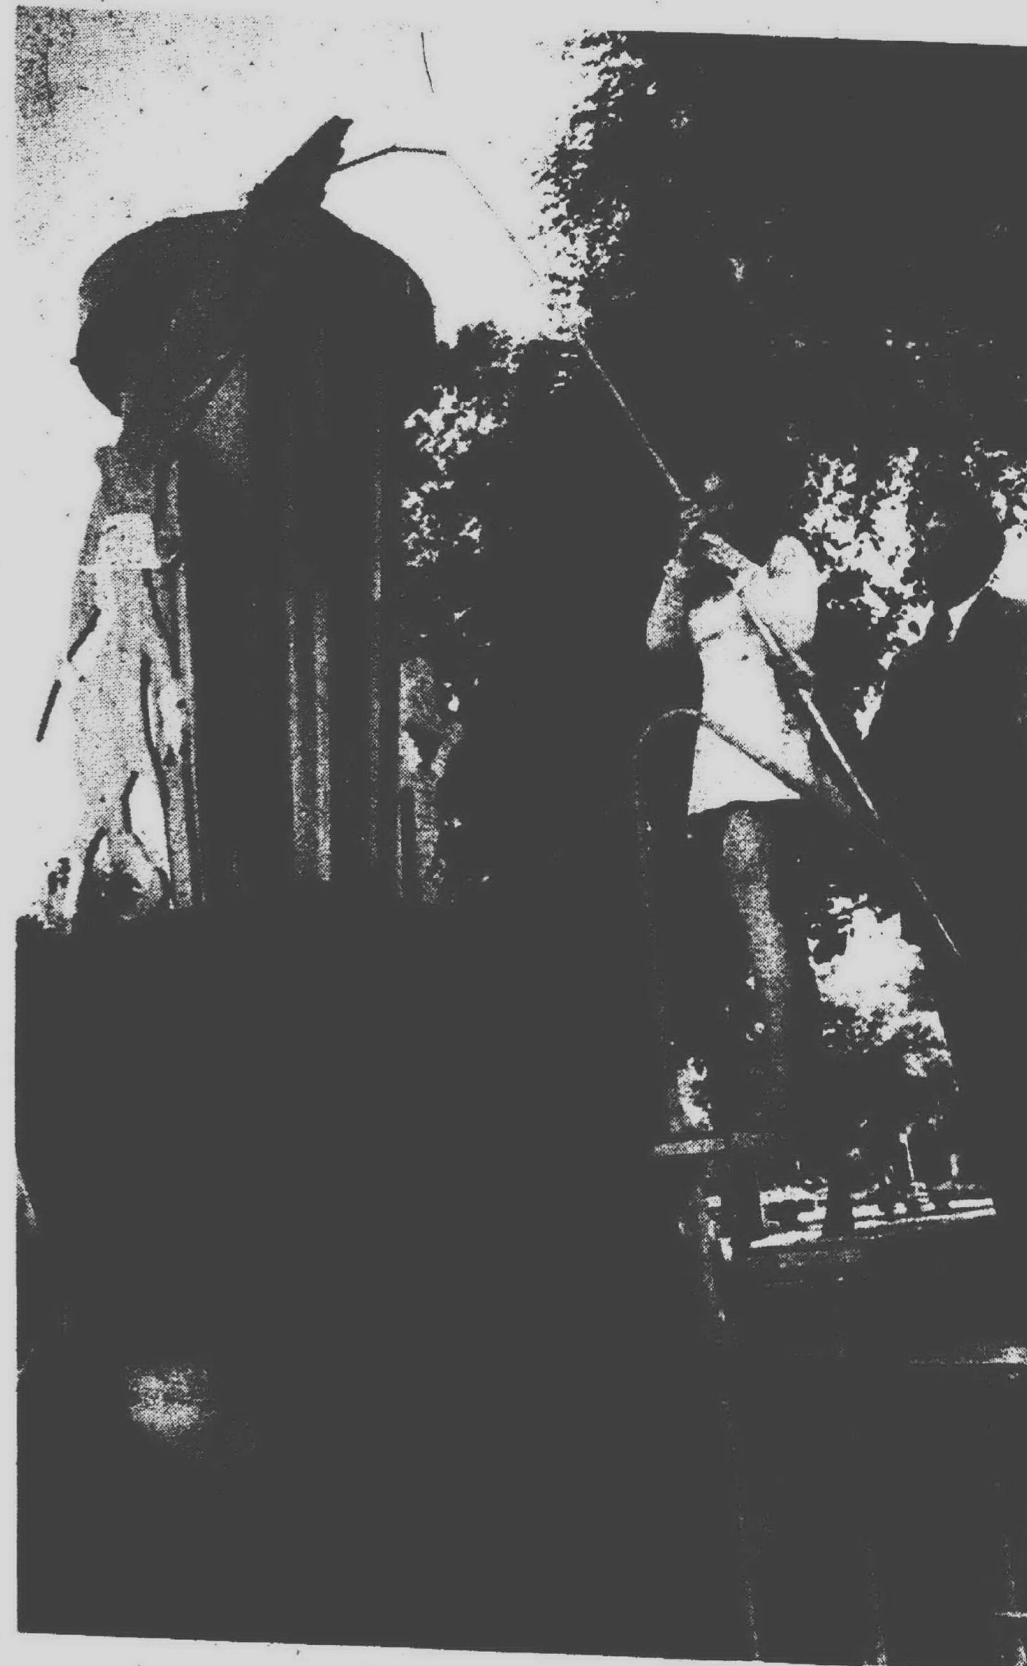

"If a capital improvement program is not developed, the prospect of hastily expending large sums of money to meet emergency needs greatly increases—frequently being required at a time when the community is least able to fund the project on an emergency basis.

"A CAPITAL IMPROVEMENTS program which is structured properly allows future generations to share the cost of facilities which they will be using as residents of the city."

"It was time we had this general input," City Manager Fred Yockey said. Although the planning commission and administration studies reflect some differences in priorities, Yockey said that the two groups were not in conflict.

Under federal law the city has two years after receiving revenue sharing money, which currently amounts to close to \$100,000 annually, to allocate it for specific uses.

Because the city commission passed a resolution to put revenue sharing money into a capital improvement fund, it must develop a project schedule for using the money.

Community Fund launched

THE SYMBOLIC torch lighting ceremonies in Kellogg Park Thursday launched the 1974 Plymouth Community Fund Drive. Mary Anne Peron, a recipient of help from Plymouth's Family Services, a Community Fund agency, lighted the torch with the help of Don Fleming, general chairman of this year's drive. Dispute may end at Royal Holiday

By BOB ERICKSON

CANTON—An agreement appears to be in the offing in the much-publicized dispute between residents of the Royal Holiday Mobile Home Park

on West Warren in Canton Township and the owner-developer of that park, Sheldon Futernick.

The mobile homeowners in Royal Holiday Park, most of them elderly, had banded together to force Futernick to abandon recently imposed rent increases which the residents considered unreasonable, correct alleged health hazards, and offer leases to provide residents with some security.

NOW, ACCORDING to John Robine, president of the newly formed Royal Holiday Park Association, Futernick has agreed to some of the major demands of park residents and an agreement in writing is expected shortly.

The expected agreement did not come easily. Robine and other residents of the park launched an attack on Futernick's methods which resulted last week in picketing at his sales offices.

They laid siege to Lansing offices of the State Attorney General and the new Consumer Protection Unit, met with state senators and representatives, and threatened a general rent strike. But until recent publicity in newspapers and on television made the controversy a matter of general interest, Futernick appeared to resist their demands.

Park residents complained that their dealings with Futernick constituted a trail of broken promises and coercive rent practices designed to keep tenants from leaving the park while raising rents to exorbitant levels.

Futernick had instituted a sliding rent scale which called for increasing rents. (Continued on Page 4A)

'Are Plymouth schools sexist? -- suit asks

By HANK MELJER

PLYMOUTH—The school district no longer calls its female custodians "matrons," but according to the U. S. Department of Labor, female custodians still earn more money for doing the same jobs females do.

Janitorial employees in the district are all classified as either "custodian I" or "custodian II," with men all in the first category and women in the second. But custodian I's receive higher pay and the labor department thinks wages should be equalized.

THE GOVERNMENT has filed a complaint in district court requesting an injunction that would eliminate the alleged imbalance and give 22 female custodians \$17,600 in back pay.

The complaint was filed last November, but the case is still in the discovery stage, with both sides clarifying their positions.

The equal pay violation results from the fact that the male and female janitorial workers each perform the everyday tasks common to the job, although being compensated at different rates of pay, wrote labor department solicitor Robert Kayes in a letter to school attorney Walter Guth.

"No two janitorial workers perform the exact same tasks," he said, "but substantial numbers in both sexes do sweeping, mopping, dusting, floor

care, garbage dumping, washing and scrubbing. Although the job descriptions for the two new classifications make it appear that the males and females have different duties, the descriptions don't comport with what the employees do. Our view of the workday is based on what the employees, both male and female, have told us."

ACCORDING TO the job descriptions both groups clean toilets and washrooms, keep dispensers supplied, sweep floors, dust furniture and fixtures, empty wastebaskets and wash low windows and walls.

The "custodian I" classification also calls for moving furniture, supplies and equipment around the building, unloading trucks, setting up chairs and portable equipment for school assemblies and meetings, changing lamps, cleaning ceiling fixtures, cleaning high walls and windows, painting walls and doors and operating cleaning machines.

The schools maintain that many of the women don't want and shouldn't be forced to tackle much of the heavy work, although the new classifications do allow females to bid for the jobs on an equal basis with their male counterparts.

"If approximately 70 per cent of the work is the same it's considered equal

work," said School Personnel Director Norman Kee. "Thirty per cent difference doesn't cut ice with the labor department. If they can prove that there's unequal pay for unequal work they can make us go back and pay these people."

"THAT 30 PER CENT is one hell of a lot of difference when there are differences in what is expected," he said. "We have trucks coming in and no way is a woman going to unload a truck."

Kee noted that there is "a potential for difficulties in labor relations" with the predominantly male local of the International Union of Operating Engineers, which represents school custodians.

According to Kee, some men will ask: "If what a male does is what a female does, why should I do this?" when asked to do heavy work.

"We've got women who can do it ('custodial I work') and are willing to do it and we don't mind," he said. "We don't see it as a sexist thing. Six matrons have said they'd go to custodian I."

"We're not sure what the outcome is going to be. The \$17,600 bugs me. It was computed by the labor department."

Political dropouts are deserters, should go to Canada -- Anderson

By EMORY DANIELS

Watergate's conclusion dramatized to the world that in America the people prevail and the president is accountable to the people.

"Yet, I have found most American voters have soured—been turned off from the political process," observed national columnist Jack Anderson while addressing an audience of the Schoolcraft Series on campus Thursday night.

Anderson, whose career in Washington, D.C. has been devoted to uncovering scandal and government wrongdoing, devoted part of his speech to defending the political process and to discount the claim that all politicians are tainted.

A key message he left the packed crowd in the Schoolcraft gymnasium was: "Those who don't vote in 1974 are deserters and might as well go to Canada."

THE NATION has just gone through an episode which could have been the end of democracy, Anderson said, referring to Watergate as a power grab.

"The greatest disservice that can be ascribed to Richard Nixon is the idea he promulgated from the White House that all presidents and politicians behaved like he did.

"I have never known a president who behaved like Nixon did. Past Republican and Democratic presidents never behaved that way — only Richard Nixon," said Anderson whose reporting career in the capitol started with FDR through Truman, Eisenhower, Kennedy, Johnson, Nixon and now Ford.

Making a comparison with Truman, Anderson declared: "Truman waded into a brawl with both fists flaying, but Nixon entered a brawl with a lead pipe."

"Harry Truman didn't retire to any San Clemente but to his old brick home in Independence, Mo. Truman never forgot what Jefferson taught — that the president is a servant, not the master."

Johnson was "tragically wrong" about Vietnam, Anderson continued, but did what he thought was right and when the people turned against LBJ he left office."

In a 90-minute extemporaneous talk, Anderson covered a number of other topics such as inflation, ITT-Chile, the oil shortage, Henry Kissinger, poverty, and "welfare for the rich."

ON GERALD FORD: The pardon of Nixon was a very foolish move — "Ford had healed the wounds by his actions upon assuming the presidency but the pardon pulled the scab off the wound."

He quoted Johnson's opinion of Ford that "Gerald Ford can't think and chew gum at the same time" but added that "Ford is an honorable and honest man."

ROLE OF PRESS: Government belongs to the people who are entitled to know what it is doing ... government has never been gagged or suppressed ... the people should get another version than what the government has to say, an independent report ... the press represents the governed, not the government.

Anderson reflected that the press has its moments of glory and moments of shame, that it is vigilant at times but is too often sleeping some newsmen become martars but others prostitutes. "But the press is free. On the day the press is controlled by government, on that day you have lost your freedom."

"The government's ability to cover up far exceeds my ability to uncover. I cannot match its bottomless treasury or its power to classify, which is really a power to censor news."

ON SLOGANS: "You can't fight crime by investing 50 cents on a bumper sticker 'Support Your Local Police.' You won't eliminate poverty with slogans or fight inflation with simplicity."

ON INFLATION: "For the first time in our 200-year history, we have inflation and recession at the same time."

"Generals fight each new war with the weapons of the last war and our economist are no different. They are fighting our inflation-recession with the weapons of the past and it's not working."

Incentives to industry isn't the best solution to the recession, Anderson added. "Auto manufacturers won't build new plants if they can't sell automobiles. Instead of subsidies to the auto maker, subsidize the auto buyer. He won't bank his subsidy in Swiss banks but will go out and spend it."

ON POVERTY: "Fifty per cent of persons in the ghettos are unemployed. Consider the consequence of that as food becomes more expensive. In the ghettos, the sale of pet food has tripled while the sale of meat has gone down proportionately. The poor are desperate enough to rebel."

"Washington is cutting down on program to help the poor. But these people will not die passively just because you want them to go away."

WELFARE TO RICH: The emphasis in Washington is on "welfare to the rich," Anderson claimed, but it is labeled "tax incentives."

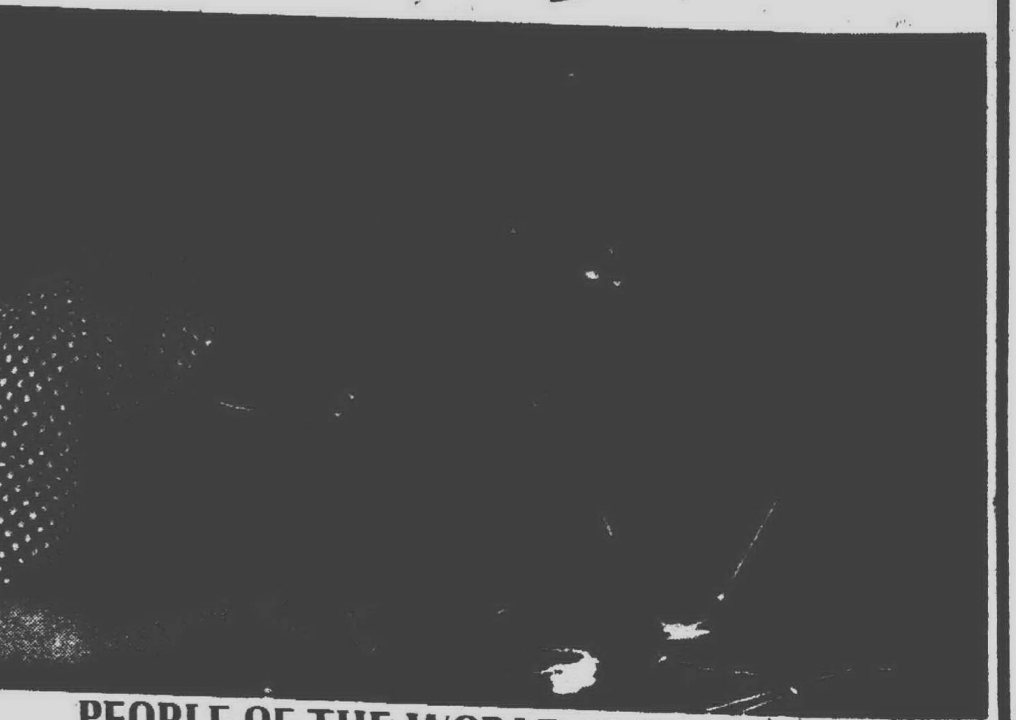

There is no difference in handing the millionaire a dollar, he declared, than in the dollar we permit him to avoid in taxes. "Tax incentive dollars come from other tax payers and is nothing but welfare for the rich."

OIL SHORTAGE: In 1973, while consumers lined up at gas pumps to pay exorbitant prices, Anderson said the oil companies made the following profits and paid these taxes: Exxon, \$6 billion profit and paid tax of 5.5 per cent; Gulf, \$2 billion profit and one per cent tax; Mobile, \$2 billion profit and 2.2 per cent tax; Texaco, \$2 billion profit and 1.5 per cent tax.

JACK ANDERSON urges his audience at Schoolcraft College to stay involved in the American political process. (Photo by Fred Hopkins).

WORLD ART SHOWS Presents

PEOPLE OF THE WORLD AND THEIR ART
40 painters, sculptors and artists from 12 states and 6 foreign nations create, demonstrate and sell their work on the mall.

WEDNESDAY - SUNDAY
OCTOBER 2 - 6
During Store Hours

WESTLAND CENTER

Wayne and Warren Rds.
Daily 9:30-9:00 Sunday 12-5:00

It's tough to ask a small businessman for money these days.

But it's a lot tougher to say no to a person who really needs help.

There's going to be a special volunteer calling on you in a few days. And that volunteer is going to ask you for money. Money to help us help people. Through the nearly 140 community services supported by the Torch Drive.

Those volunteers have a tough, thankless job. One of the rewards is the knowledge that they're helping people who really need help. Another is that they get to meet some of the most generous and understanding people anywhere: the businessmen of our community.

So keep your eye peeled. They'll be calling on you soon for a Torch Drive contribution. A contribution that we're sure will help make this a better place to live. A better place to do business. We never forget that it's people like you that keep us in business.

Be a miracle worker.
Give to the Torch Drive.

Local beer baron bustles to wet thirsty throats

By BOB ERICKSON

A MOUNTAIN OF BEER awaiting shipment to area stores and taverns in the Plymouth area is slightly dented by a hi-lo driver at the Diamond Beer Distributing Company ware-

house on Ford Road. All that beer will be gone in a week or two, only to be replaced by more of the same.

PLYMOUTH—With the coming of fall, a young German's fancy turns to beer—a beverage glorified by those people during the harvest celebration known as Oktoberfest.

Oktoberfest' celebrations aren't a big deal in this country, but beer is another story. Americans in general, and western Wayne County residents in particular, certainly sip their fair share of suds—one distributor estimates as much as 75,000 cases and 3,000 barrels of beer weekly. That's nearly 94 million bottles and cans and almost 39 million glasses a year.

A visit to a distributor's warehouse in Plymouth might seem like a less than exciting afternoon to some, but 140,000 cases of fresh beer piled floor to ceiling in a huge room is like a Teutonic dream. It's impressive.

THE MOUNTAIN OF BEER in the M. Powell & Son warehouse on Ann Arbor Road in Plymouth alone is enough to supply every man, woman and child in Munich, Germany with three beers apiece. The mind reels.

M. Powell & Sons is one of two beer distributors in the Plymouth area. It serves Plymouth, Plymouth Township, Canton Township, Livonia, Westland, Garden City, Redford Township and other portions of western Wayne County, delivering 10 to 14,000 cases

of beer each week to the 420 stores in their account books. It's a lucrative business, says manager Jack Piscopink—M. Powell & Son is a \$4 million a year enterprise.

Doing for Carling's what M. Powell & Son does for Stroh's, the only other Plymouth distributor, Diamond Beer Distributing Company on Ford Road, delivers 9,000 cases and 110 barrels weekly to its 490 accounts, 130 of which are bars and restaurants.

NEXT TO THE BREWERY itself, the distributorships the most important step in getting the beer to the consumer. Freshness is a crucial aspect of good beer. Stale beer is about as enticing as soggy potato chips.

According to Piscopink and Pat Zelek of Diamond Distributors, beer is not allowed to sit in the warehouse for much more than a week in the case of local beers. Stroh's, of course, is brewed in Detroit and Carling's in Frankenmuth, Mich. Chances are that the beer you drink from those breweries is only about two weeks old.

Imported beers and beers from more distant brewing locations may be slightly older, but distributors don't like to deal with beer more than a month old. By that time, despite the preservatives put into American beers, it may begin to lose its freshness.

At M. Powell & Son, a dozen bright red and yellow Stroh's delivery trucks keep the beer moving out of the warehouse. A huge trailer truck hauls the beer to the warehouse from the brewery, where Piscopink says, "it comes right off the line."

Piscopink's ten drivers are out on the road by 9 each morning loaded with Stroh's and other less popular beers, several California wines, and some non-alcoholic mixers.

The M. Powell & Son distributorship even handles a "near-beer" for diabetics and dieting beer-lovers who can't handle the caloric content of alcohol or sugar. The beer does have about .2 per cent alcohol. "They can't get it all out," says Piscopink. "You see, they start by making a regular beer, and then they take the alcohol out of it."

The breweries started making "near-beer" during prohibition. They'd take the alcohol out and sell the beer and the alcohol separately. If people could get hold of the alcohol," he explained, "they'd just mix the two and they were back where they started."

"Near-beer," however, is hardly the big seller for local distributors. In fact, most beer drinkers cast a jaundiced eye on such products. Real beer is the mainstay of the distributorship, and real beer drinkers claim they can see those mountains of beer in their sleep. Prost!

O & E sets PR seminar

Those public relations seminars sponsored by the editorial staff of Observer & Eccentric Newspapers in Wayne County got the sincerest form of flattery last week.

Several persons connected with a competing paper spent the evening learning how Michigan's foremost group of community newspapers operates.

Everyone rotates between three short courses of a half-hour each. One covers how local editors work. A second is handled by editors of our special sections—Suburban Life, Amusements and Spotlight. The third is devoted to photography—how to make picture arrangements, how to work with a photographer, what makes good or bad pictures.

Afterward, everyone is invited to the cafeteria for refreshments and informal talk with the editors.

The seminars in the Livonia office are for groups in northwestern Wayne County. O&E news staffers in Oakland County will announce similar seminars in their offices at a later date.

They enrolled along with representatives of churches, YWCAs, veterans groups, PTAs, Lions clubs, Newcomers clubs, Civitans, churches, swim clubs, trade groups, political organizations, theater groups and high schools.

ONE MORE seminar is scheduled in this year's series of three. It will be held next Thursday, Oct. 3, beginning at 8 p.m. in the Livonia main office, 36251 Schoolcraft at the corner of Levan.

Some openings are still available. Any secretary or publicity person from an organization in Livonia, Redford Township, Plymouth, Garden City and Westland may enroll by filling out the coupon on this page and returning it promptly.

Each participant gets a pamphlet of general information on how to prepare stories and pictures for any newspaper or broadcast medium.

THE ENTIRE program lasts about 90 minutes.

BREVITIES

"Brevities" appears in each issue of the Plymouth Observer & Eccentric for notices of upcoming non-commercial events. Send or deliver the necessary information for your event to: The Plymouth Observer & Eccentric, 36251 Schoolcraft Rd. (at Levan Road), Livonia, Mich. 48150. Items cannot be taken over the phone. Deadline for Thursday's "Brevities" is noon Tuesday; for Monday's "Brevities" it's noon Thursday. Allow at least three days for mail delivery.

COMMERCIAL REFUSE PICKUP CHANGE

Effective Oct. 1, all commercial refuse pickup in the City of Plymouth will be changed from a Tuesday, Thursday and Saturday schedule to Mondays, Wednesdays and Fridays.

MEN'S BASKETBALL

Oct. 1 will be the first day teams or individuals interested in playing basketball in the Plymouth Parks and Recreation Department's Men's Basketball League may sign up. Only eight teams will be accepted with returning teams getting first priority. Registration will take place at the Plymouth Cultural Center, 525 Farmer Street.

NEWCOMERS' FASHIONS

Thursday, Oct. 3 the Plymouth Newcomers Club will hold its annual fashion luncheon at Meadowbrook Country Club starting at 11:30 a.m. Tickets are \$4.50 and may be purchased from Mrs. Earl Olson of 14532 Oxford by noon Tuesday, Oct. 1. Babysitting reservations may be made by contacting Mrs. David Griffith of 44741 Eric Pass.

GIRL SCOUT MEETING

Wednesday, Oct. 2, the Plymouth-Northville Area Association of the Huron Valley Girl Scout Council will meet at 7:30 p.m. at United Presbyterian Church, 200 East Main Street, Northville. All registered girl scouts age 14 and older are invited.

THWINS' MOMS GARAGE SALE
Thursday, Oct. 3, from 9 a.m. to 4 p.m. the Plymouth-Northville Mothers of Twins Club will hold a garage sale at 12218 Appletree, off Ann Arbor Trail. There will be clothing for infants to adults, baby furniture, toys and other items.

HYPNOTISM DEMONSTRATION

Wednesday, Oct. 2, the Canton Township Newcomers Club will hold a meeting at Pioneer Middle School, 48081 Ann Arbor Road, beginning at 7:30 p.m. and will feature Roger Skully who will give a demonstration on hypnotism. New Canton residents are invited to attend.

WOMEN'S CLUB MEETING

Friday, Oct. 4 at noon the Women's Club of Plymouth will hold its first meeting of the year at St. John Episcopal Church on Sheldon Road. The luncheon meeting will feature Sue Grogan of American Airlines speaking on "To the Good Life," and Betty Olzewski, president of the Michigan State Federation of Women's Club.

TABLE TENNIS CLUB

Wednesday, Oct. 2, a table tennis club will meet at 7:30 p.m. at the Plymouth Cultural Center, 525 Farmer Street.

WELCOME WAGON CLUB

Thursday, Oct. 3 at 7:45 p.m. the Welcome Wagon Club will present a program at the Plymouth Community Credit Union, 500 S. Harvey.

GRANGE FALL RUMMAGE SALE

Saturday, Oct. 5 from 9:30 a.m. to 5 p.m. the Plymouth Grange will hold its annual fall rummage sale at the Grange Hall 273 Union Street, Plymouth. For donations of items, contact Mrs. Jesse Tritten of 41840 Ann Arbor Trail.

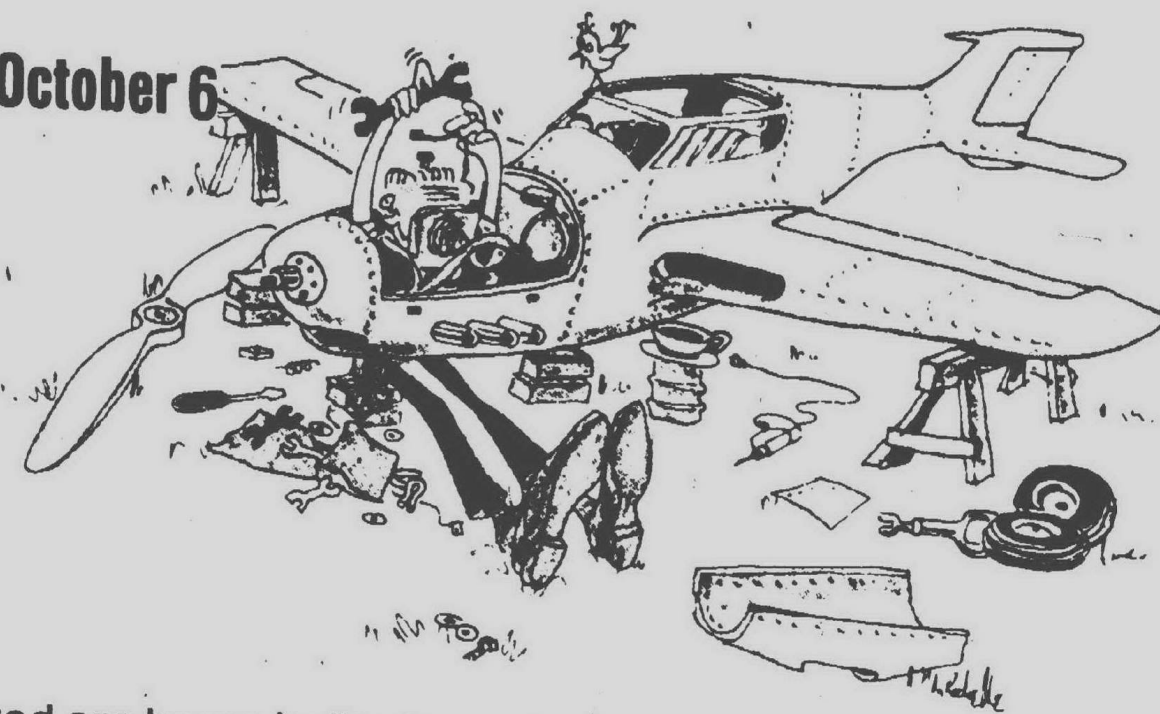

A TRUCKLOAD OF Detroit's finest is loaded and ready to leave the M. Powell & Son distributorship on a mission of mercy to beer lovers in the Plymouth area.

Pounds his point home

More or less, you could say that Canton Trustee Dick Wolfe "lowered the boom" at a recent board of trustees meeting.

Most obvious was the swing he took at poor communications between the trustees and the planning commission with the clerk's office taking it on the chin.

On the lighter side, it came with his unofficial presentation to Supervisor Philip Dingledey of a full-sized sledge hammer—made of balsa wood—to be the gavel Dingledey has never had in his three terms as supervisor.

Wolfe said he made the authentic-looking hammer himself to prove a point: politics doesn't always have to be so serious.

Help Santa

SANTA'S NEW HOUSE will be built with the proceeds from the sale of these Plymouth decals by the Plymouth Chamber of Commerce. The decals may be purchased at The Little Angels Shoppe, Bed 'n Stead, George Kernitz Candies, Muriel's Doll House, Norman's Shoes and Apparel, John Smith, Wayside, Pick o' the Wick and Del's Shoes as well as at the chamber offices through Oct. 7. If all goes well with the decal sale, Santa should be moving into his new house on Nov. 30.

Dispute

Continued from Page 1A

ingly larger rental fees as the age of the mobile home increased, making it difficult for elderly residents living on fixed incomes to sell their homes and leave the park. That practice prompted one park resident to refer to Royal Holiday Park as a "concentration camp."

In some cases, Robine said, rents had been increased as much as 38 per cent in a three month period and the elderly residents (80 per cent of park residents are over 60 years old) were becoming frantic.

Robine says now that the offensive

mounted by the homeowners against Futernick is "in a kind of twilight zone" until the membership of the Royal Holiday Park Association (which he says includes 90 per cent of the homeowners) receive and approve of a written agreement with Futernick.

"We were going to have a rent strike and picket all his parks (he owns four, plus one under development)—stop any movement of trucks or coaches of any type," Robine said.

"We are well organized and have been offered support by the UAW and the Teamsters Union, and are well prepared to go ahead" if the agreement does not materialize or is not ratified by the members, he added.

"The way he has operated in the past was to meet with representatives of some of the residents in the park and make promises. He didn't keep his word or even answer letters," Robine said. The written agreement he expects to get from Futernick will, he hopes, change all of that.

Futernick himself believes that things "have been worked out." He says problems with his tenants arose "primarily because of inflation hitting everybody. We had to bring the rents up to a reasonable rate, but... (residents) felt that rent at \$122 and \$132 were too high and we've rolled these rents back."

Futernick says under the new agreement being worked out with the park residents, one year leases with rents set at a maximum of \$108 will be offered to all homeowners.

Other than the economic adjustments being made, Futernick says there is no other unusual activity at the park. Robine, however, says since his trip to Lansing and the subsequent action of various committees and individuals there, workmen have appeared at the park and "are working like mad repairing dangerous sidewalks and cleaning streets." Futernick says that those are activities no different than what is normally done.

In any event, members of the Royal Holiday Park Association will meet today to decide if they will accept the agreement. If they do, the agreement is expected to be signed Tuesday. If that doesn't happen, says Robine, "we're still ready."

Are schools sexist?

Continued from Page 1A

ment wage and hour division to be due 22 employees.

"The only consolation is that we're far from alone," he concluded. "I know Livonia has matrons and they don't make the same as custodians. If they force us to pay the back pay I suspect we'll see a lot of complaints."

THE CASE SEEMS to rest on how much of the time custodians in the two classifications are performing the same tasks.

According to Kayes, the government need only prove "substantial equality" in the two jobs.

"It's a matter of interpretation in almost every case," he said. "It's done on a case by case basis, there's no other way of examining it. This is not the first one, but any case in the equal pay area is in some sense a test case."

"The job description says that the 'custodial I's' move furniture while the custodial II's are supposed to clean the bathrooms, but the employe statements indicate that almost all of the employes do both kinds of work. Moreover, other than a very occasional truck unloading or minor repair, the tasks all appear to be equal in skill, effort and responsibility," Kayes wrote.

The schools contend that there is no violation of equal pay for equal work statutes because the district does not discriminate according to sex in the custodian I and II assignments. School attorney Guth also noted that an injunction may be an unlawful invasion of state sovereignty by the federal government.

Custodians themselves, male or female are divided on the subject.

Currently, "custodian I's" start at \$3.67 per hour, with a raise after three months to \$4.10, while custodian II's get \$3.49 to start and \$3.90 after three months.

"They (women) can't get out here and line this salt on the field," said West Middle School Custodian Henry Lampton. "If a woman did the same job it would be a different story. They can't do hard work so they shouldn't get the same pay. I'd feel the same way for anybody."

"I do everything. They can't clean boilers or fans or dig post holes. Some women can, but most of them can't."

Teresa LaFleur, a custodian at Central Middle School, used to do heavy work in the years before job descriptions, but is now a "custodian II."

"I FEEL THAT if a woman does what a man does she should get paid like a man," she said. "My boss doesn't ask me to do things men should do, so I can't complain. If they ask me to be a 'custodian I' I'd like to be. But I don't even know if I'd like to be one. I'm older and that's the way the set-up is and I go along with it."

Virginia Migda works the second shift at Plymouth-Salem High School. "Climbing and running machines I could do," she said, "but when it comes to lifting I'd be out. If ever one

(a "custodian I" position) comes open, I'll apply for it."

"I don't see why it (the "custodian II" classification) isn't fair," said one of her male colleagues. "It allows her to stay where she is and doesn't force work on her. I think women are better off with the two choices. It's for their protection."

"Anybody who is strong enough and smart enough to handle the job ('custodian I') should be given a try."

One fear expressed by some of the women was that if a female became a "custodian I" and didn't get along with her supervisor he could assign her so many heavy jobs that she just wouldn't be able to handle it.

West Middle custodian Jim Powell is one male custodian who doesn't think the jobs are different enough to warrant separate pay scales.

P&R classes beginning

PLYMOUTH—The City Department of Parks and Recreation is sponsoring an eight-week course in belly dancing.

Classes will be held at 7, 8 and 9 p.m. Wednesdays at the Cultural Center beginning Oct. 16. Fee for the course is \$15.

Since the department instituted the belly dancing lessons, almost 200 students have taken them.

Other classes to begin in October include dance classes, for all ages and in a variety of forms, dog obedience

classes, crocheting and knitting classes, craft courses, a survey course on art and an adventures in art program for youth.

Besides classes, clubs and sports programs are also offered.

Registration for the belly dancing course and other classes may be made from 7 to 9 p.m. Monday, Oct. 7, at the Cultural Center or by mail or in person at the recreation office, 525 Farmer Street. A schedule of programs is also available at the office.

NEW From the Quality Water People

REYNOLDS SLIM CABINET

Automatic Water Conditioner

Designed to be beautiful and to fit almost any place—only 12 inches wide. Same extraordinary quality you expect from Reynolds with high capacities up to 35,000 grains.

...and, if you have really rusty water, the new exclusive Reynolds Rust-Purge System is for you. The Rust-Purge System eliminates the problems most water conditioners have with iron content in water.

Yes... you may rent them, too! Rental fees applied toward purchase.

REYNOLDS... Michigan's oldest water conditioning company. Since 1931. A name you can trust.

NATURAL RESOURCES COMMISSION ACTION

(Under Authority of Act 286, P.A. 1929, as amended, and Act 230, P.A. 1925, as amended)

PHEASANT SEASON FOR 1974

The Natural Resources Commission, at its meeting June 7, 1974, under authority of Act 286, P.A. 1929, as amended, and Act 230, P.A. 1925, as amended, established the following hunting regulations for the general pheasant season for 1974:

SEASON DATES

ZONE 1 - In that part of Menominee County lying south of Highway US-2 and Delta County, south and west of Escanaba River: October 10 through October 28, inclusive.

ZONES 2 and 3 - October 21 through November 10, inclusive. Except NO OPEN SEASON in the following four townships in Huron County:

- Sheridan Township-T15N, R12E
- Lincoln Township-T17N, R13E
- Meade Township-T17N, R42E
- Dwight Township-T18N, R13E

BAG LIMITS

ZONE 1: One male pheasant per day, two in possession, and four during the season.

ZONES 2 and 3: Two male pheasants per day, four in possession, and eight during the season. Birds taken in any of the prescribed pheasant put-take areas shall be included in the daily bag and possession limit of the small game hunter.

PLYMOUTH TOWNSHIP ORDINANCE NO. XLV PLYMOUTH TOWNSHIP PENSION PLAN ORDINANCE

ADOPTED: September 24, 1974 EFFECTIVE: September 30, 1974

An ordinance to create and establish an annuity or pension plan for the officers and employees of Plymouth Township and authorize the Township Supervisor and the Township Clerk to contract, in the name of the Township, for such plan; to define those classes of officers and employees who shall be covered by such annuity or pension plan; to set forth the respective per centum shares which Plymouth Township and the officers and employees shall contribute to the premium or charges arising under such annuity or pension contract and to further provide for the deduction of contributions from officers' and employees' compensation; to establish the time at which existing and future employees shall become eligible for such plan and to further establish the normal retirement date for all employees; to provide a method for non-coverage of an officer or employee of the annuity or pension plan; to set forth a date wherein each person covered under the annuity or pension plan shall have a vested right or interest in such plan; to ratify and conform the validity of any annuity or pension plan in existence on the effective date of this ordinance; and to repeal all ordinances or parts of ordinances in conflict herewith.

THE TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN ORDAINS:

SECTION I. This ordinance shall be known and cited as the "Township of Plymouth Pension Plan."

SECTION II. Pursuant to Act No. 27 of the Public Acts of 1960, as amended, the Township of Plymouth hereby creates and establishes an annuity or pension plan and program for the pensioning of its officers and employees, and, for such purposes, also hereby authorizes the Township Supervisor and the Township Clerk to contract, in the name of the Township Board, with any company authorized to transact such business within the State of Michigan for annuities or pensions.

SECTION III. The annuity or pension plans created, established and contracted for under this ordinance shall cover each person within the following classes of officers and employees:

All Township Employees who are employed on a Full Time Basis.

SECTION IV. A. The Township of Plymouth shall annually contribute five per cent (5%) per centum of that portion of the premium or charges arising under such annuity or pension contract for each person within the class of officers and employees enumerated in Section III hereof. Such contributions shall be secured from the general fund of the township. Each person within such class of officers and employees shall be responsible for the remainder of the premium or charges and the Township Treasurer is hereby authorized to deduct the same from each person's pay, salary or compensation and to apply the same to such person's responsibility.

B. Each employee who is employed on the effective date of the annuity or pension plan shall be eligible for coverage on that day provided he or she then meets the following requirements, otherwise to be eligible on the first policy anniversary on which he or she meets them:

1. He or she has completed at least 0 years of continuous employment.
2. His or her age (nearest birthday) is at least 21 years and not more than 75 years.

Every employee who becomes subsequently employed shall be eligible on the first policy anniversary on which he or she meets the following requirements:

1. He or she has completed at least 0 years of continuous employment.
2. His or her age (nearest birthday) is at least 21 years and not more than 75 years.

An employee's normal retirement date shall be the policy anniversary of the annuity or pension plan nearest his or her birthday.

C. Any person desiring not to be so covered shall give written notice to the Township Clerk that he desires not to be covered, and if the notice is received before the person has become covered under the contract, he shall not be covered thereunder. If the notice is received after the individual has become covered, his coverage under the contract shall cease as provided for in the contract.

SECTION V. Each person so covered under the annuity or pension plan shall have a vested right or interest in such plan (20) twenty months from the date the plan becomes effective for such person.

SECTION VI. The Township of Plymouth hereby ratifies and confirms the validity of any annuity or pension plan in existence on the effective date of this ordinance.

SECTION VII. This ordinance shall take effect on the date of its publication. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

SC faculty okays contract

The faculty at Schoolcraft College in Livonia voted 2-1 Friday afternoon to tentatively accept a two-year contract.

The faculty is expected to ratify the agreement sometime this week and board ratification is anticipated at its Oct. 9 session or shortly thereafter.

The vote forestalls any possibility of a strike which would have started Oct. 4 if the contract had been rejected. The Faculty Forum have been working without a contract since classes began.

A MAJOR provision in the contract is that the college will pay into a teachers retirement fund an amount equal to five per cent of his salary.

According to Richard Arlen, chief negotiator for the faculty, two-thirds of those instructors at the top step of the pay scale will receive an increase in their gross salary of three per cent. Thus, some 97 persons with master's degrees will earn \$17,708 annually.

There were some improvements in the health insurance and term life insurance benefits, he added.

ARLEN SAID the faculty negotiating team gave up having a dental plan for the first year of the contract in exchange for a higher salary increase.

In the second year, he added, a dental plan will be instituted effective July 1, 1976. Counting the dental plan, salary improvements and other fringes, the "pay advantage" to faculty members the second year will be slightly more than six per cent.

One faculty source expressed disappointment with provisions for the second year, feeling the salary-benefit package was too low. But the tentative agreement was accepted by a wide margin so official ratification by the forum is expected.

Local service organizations are invited to join the first annual Christmas Community Bazaar at Westland Center Friday through Saturday, Nov. 8-10.

Those eligible include area non-profit service organizations. Items sold must be handmade or merchandise which isn't sold at Westland Center.

The event is sponsored by the Westland Center Merchants Association. More than 200 organizations in Wayne County have been mailed invitations. Any group not receiving invitations should contact the center office before Sept. 30.

FREDERICK D. DORNBLASER—Services for Mr. Dornblaser, 86, of West Chicago, Ill., a former Plymouth resident were in the Woodward Funeral Home, West Chicago. Burial was at Glen Oak Cemetery, West Chicago. Mr. Dornblaser died Sept. 20 at Central DuPage Hospital, Winfield, Ill., after a short illness. He was a Plymouth resident for 30 years before moving to West Chicago a month ago. He was a retired mechanical engineer for the Anchor Coupling Co. in Plymouth and he was a school crossing guard for Plymouth school district. He was also a member of Masonic Lodge 468 AF&AM, Highland Park. Survivors are: wife, Oma; son, Fred D., Jr., and three grandchildren.

KATHERINE B. FLEAGLE—Services for Mrs. Fleagle, 78, of 20211 Deering Street, Livonia, were in the Thayer Funeral Home, Farmington, with Rev. V. Frederick Holboth, Jr., of Grace Lutheran Church, Redford Township, officiating. Burial was at Parkview Memorial Cemetery. Mrs. Fleagle died Sept. 22 at Botsford General Hospital, Farmington Hills, after a lengthy illness. She was a housewife and a Livonia resident for 26 years. Survivors are: husband, Atlee T. Fleagle; daughter, Mrs. Laura Holmes of Livonia; sister, Mrs. Ida Marks; three grandchildren, and four great-grandchildren.

ROSE M. DONOHUE—Services for Mrs. Donohue, 91, of 9821 Middle Belt, Livonia, were at the Harry J. Will Funeral Home with Rev. William W. Blount officiating. Burial was at Elmwood Cemetery, Yale. Mrs. Donohue died Sept. 20 at Henry Ford Hospital after a short illness. She was a housewife and retired cook with the Detroit Board of Education where she worked 15 years. She was born in Redford Township and was a member of Grace Methodist Church, Detroit, for 15 years. Survivors are: daughter, Mrs. Nellie Rhoads of Livonia; sons, Roy and Gordon; four grandchildren; nine great-grandchildren, and four great-great-grandchildren.

ALOUSIUS F. KELPINSKI will be installed as the new chairman for Tonquish District, Boy Scouts of America, during the district's annual meeting Thursday, Oct. 3, at 8 p.m. in Garden City East High School. He will replace Rodger Ketchman of Canton Township, who helped organize the district three years ago and has served as chairman since then. Also planned for the meeting will be announcement of Silver Beaver awards, the highest award for an adult volunteer. Wood badge awards also will be made. There will be reading of the district annual report, the district executive's

BSA installation and awards planned

report and district commissioner's report. A potluck dinner for some 300 scouts in the district will precede the meeting. The school is located at 6500 Middle Belt, north of Ford. The Tonquish district is one of 21 which make up the Detroit Area Boy Scout Council. It includes Canton Township, Garden City, Westland, Wayne and Inkster.

Punt-pass-kick registration time is now

A half-dozen area Ford auto dealers are accepting registrations until Oct. 4 for the annual punt, pass and kick program. National goal is 1.2 million youngsters between the ages of eight and 13. Any youngster in that age bracket, accompanied by a parent or guardian, may register at participating Ford dealers. There is no fee. Area dealers include Tom Holzer in Farmington, Stark Hickey West and Pat Milliken in Redford Township, Bill Brown in Livonia, Leo Calhoun in Plymouth and North Brothers in Westland. Each registrant will receive a free PP&K tips book, which includes a complete set of rules, helpful conditioning exercises, and important punting, passing and placekicking tips from professional football players. PP&K involves no body contact, no special equipment and no impairment to a youngster's amateur standing. Participants compete only against others in their age groups. First, second and third place winners in local competition will receive one of 18 local trophies.

If you want a good steak these days, at a guaranteed price, you have to raise your own steer!!!

Now you can own your own steer without having the worry of raising it. By purchasing a calf now, our experienced ranchers will feed your growing steer only the natural grains of hay and corn. After about ten months your fully-grown steer can be butchered and packaged to your specifications at the slaughterhouse of your choice in your area or ours and delivered frozen to you—Remember—you purchase your own tender beef at today's price and not tomorrow's inflated figure.

McGettigan is new head at Western Electric

PLYMOUTH—Western Electric, headquartered in Plymouth, underwent a managerial change recently that saw Robert A. Hanson, former manager of the Michigan area of Western Electric, move to the position of regional service manager based in Illinois.

Replacing Hanson is James J. McGettigan effective Oct. 1. McGettigan's new position involves the complete administration of all Western Electric functions in the state. These include statewide installation operations and the Plymouth Service Center shop repair and warehouse merchandising functions.

McGETTIGAN'S most recent as-

ignment was manager of the Illinois area installation organization. Previous to that, he worked as commercial relations manager in Newark, N.J.

Hanson, meanwhile, by assuming the position of service manager of the central region, will be centered in Rolling Meadows, Ill. His new responsibilities cover a four-state area consisting of Michigan, Illinois, Indiana and Wisconsin.

Hanson has held a number of administrative positions with Western including regional comptroller manager of the southwestern region based in Missouri before becoming Michigan area manager in 1971.

Western Electric employs about 1,850 people throughout the state.

ROBERT A. HANSON

Youth Symphony seeks members for new season

PLYMOUTH—The Plymouth Youth Symphony Orchestra will open its sixth season with its first rehearsal from 7 to 9 p.m. tomorrow (Tuesday) at the Plymouth-Salem High School music room 1603.

The orchestra is open to all school-aged musicians who play orchestral wind, percussion and string instruments in Plymouth and surrounding communities.

The first two rehearsals (tomorrow and Oct. 8) will be "open" rehearsals where interested students may sit in and perform with the orchestra. Individuals will be auditioned at the third rehearsal to determine membership and chair placements. Audition music will consist of the open rehearsal music and some sight reading and scales.

The symphony will be directed by H. Michael Endres, who is also orchestra director of the Plymouth-Salem and Westland Civic Orchestras.

"The purpose of the youth symphony," Endres says, "is to provide a full orchestra experience to all interested students which they may not have the opportunity to receive at their schools and to enrich their school experience."

"It also provides the opportunity for Plymouth students to meet fellow musicians from other local area schools."

The youth symphony provides three concerts each season and holds various activities including family potluck dinners, trips to Ann Arbor to hear major orchestras and trips to places like Bob-Lo Island Amusement Park.

The symphony also offers several \$50 scholarships to outstanding members each season.

Interested students should attend one or both of the open rehearsals and are under no obligation until the auditions are held. There is a \$15 annual membership fee.

City starting soccer league

PLYMOUTH—The Plymouth Parks and Recreation Department is looking for adults interested in coaching a boys' soccer league next spring.

Interested persons may contact Chuck Skene at the Recreation Office in the Plymouth Community Cultural Center, 525 Farmer Street.

Notre Dame honors Plymouth students

PLYMOUTH—John T. Balkwill of 15603 Northville-Forest Drive and Ricar Szczodrowski of 1409 Elm, both of Plymouth, were recently named to the dean's list for the spring semester at the University of Notre Dame.

Honorees must attain a grade point average of 3.25 or better out of a possible 4.0.

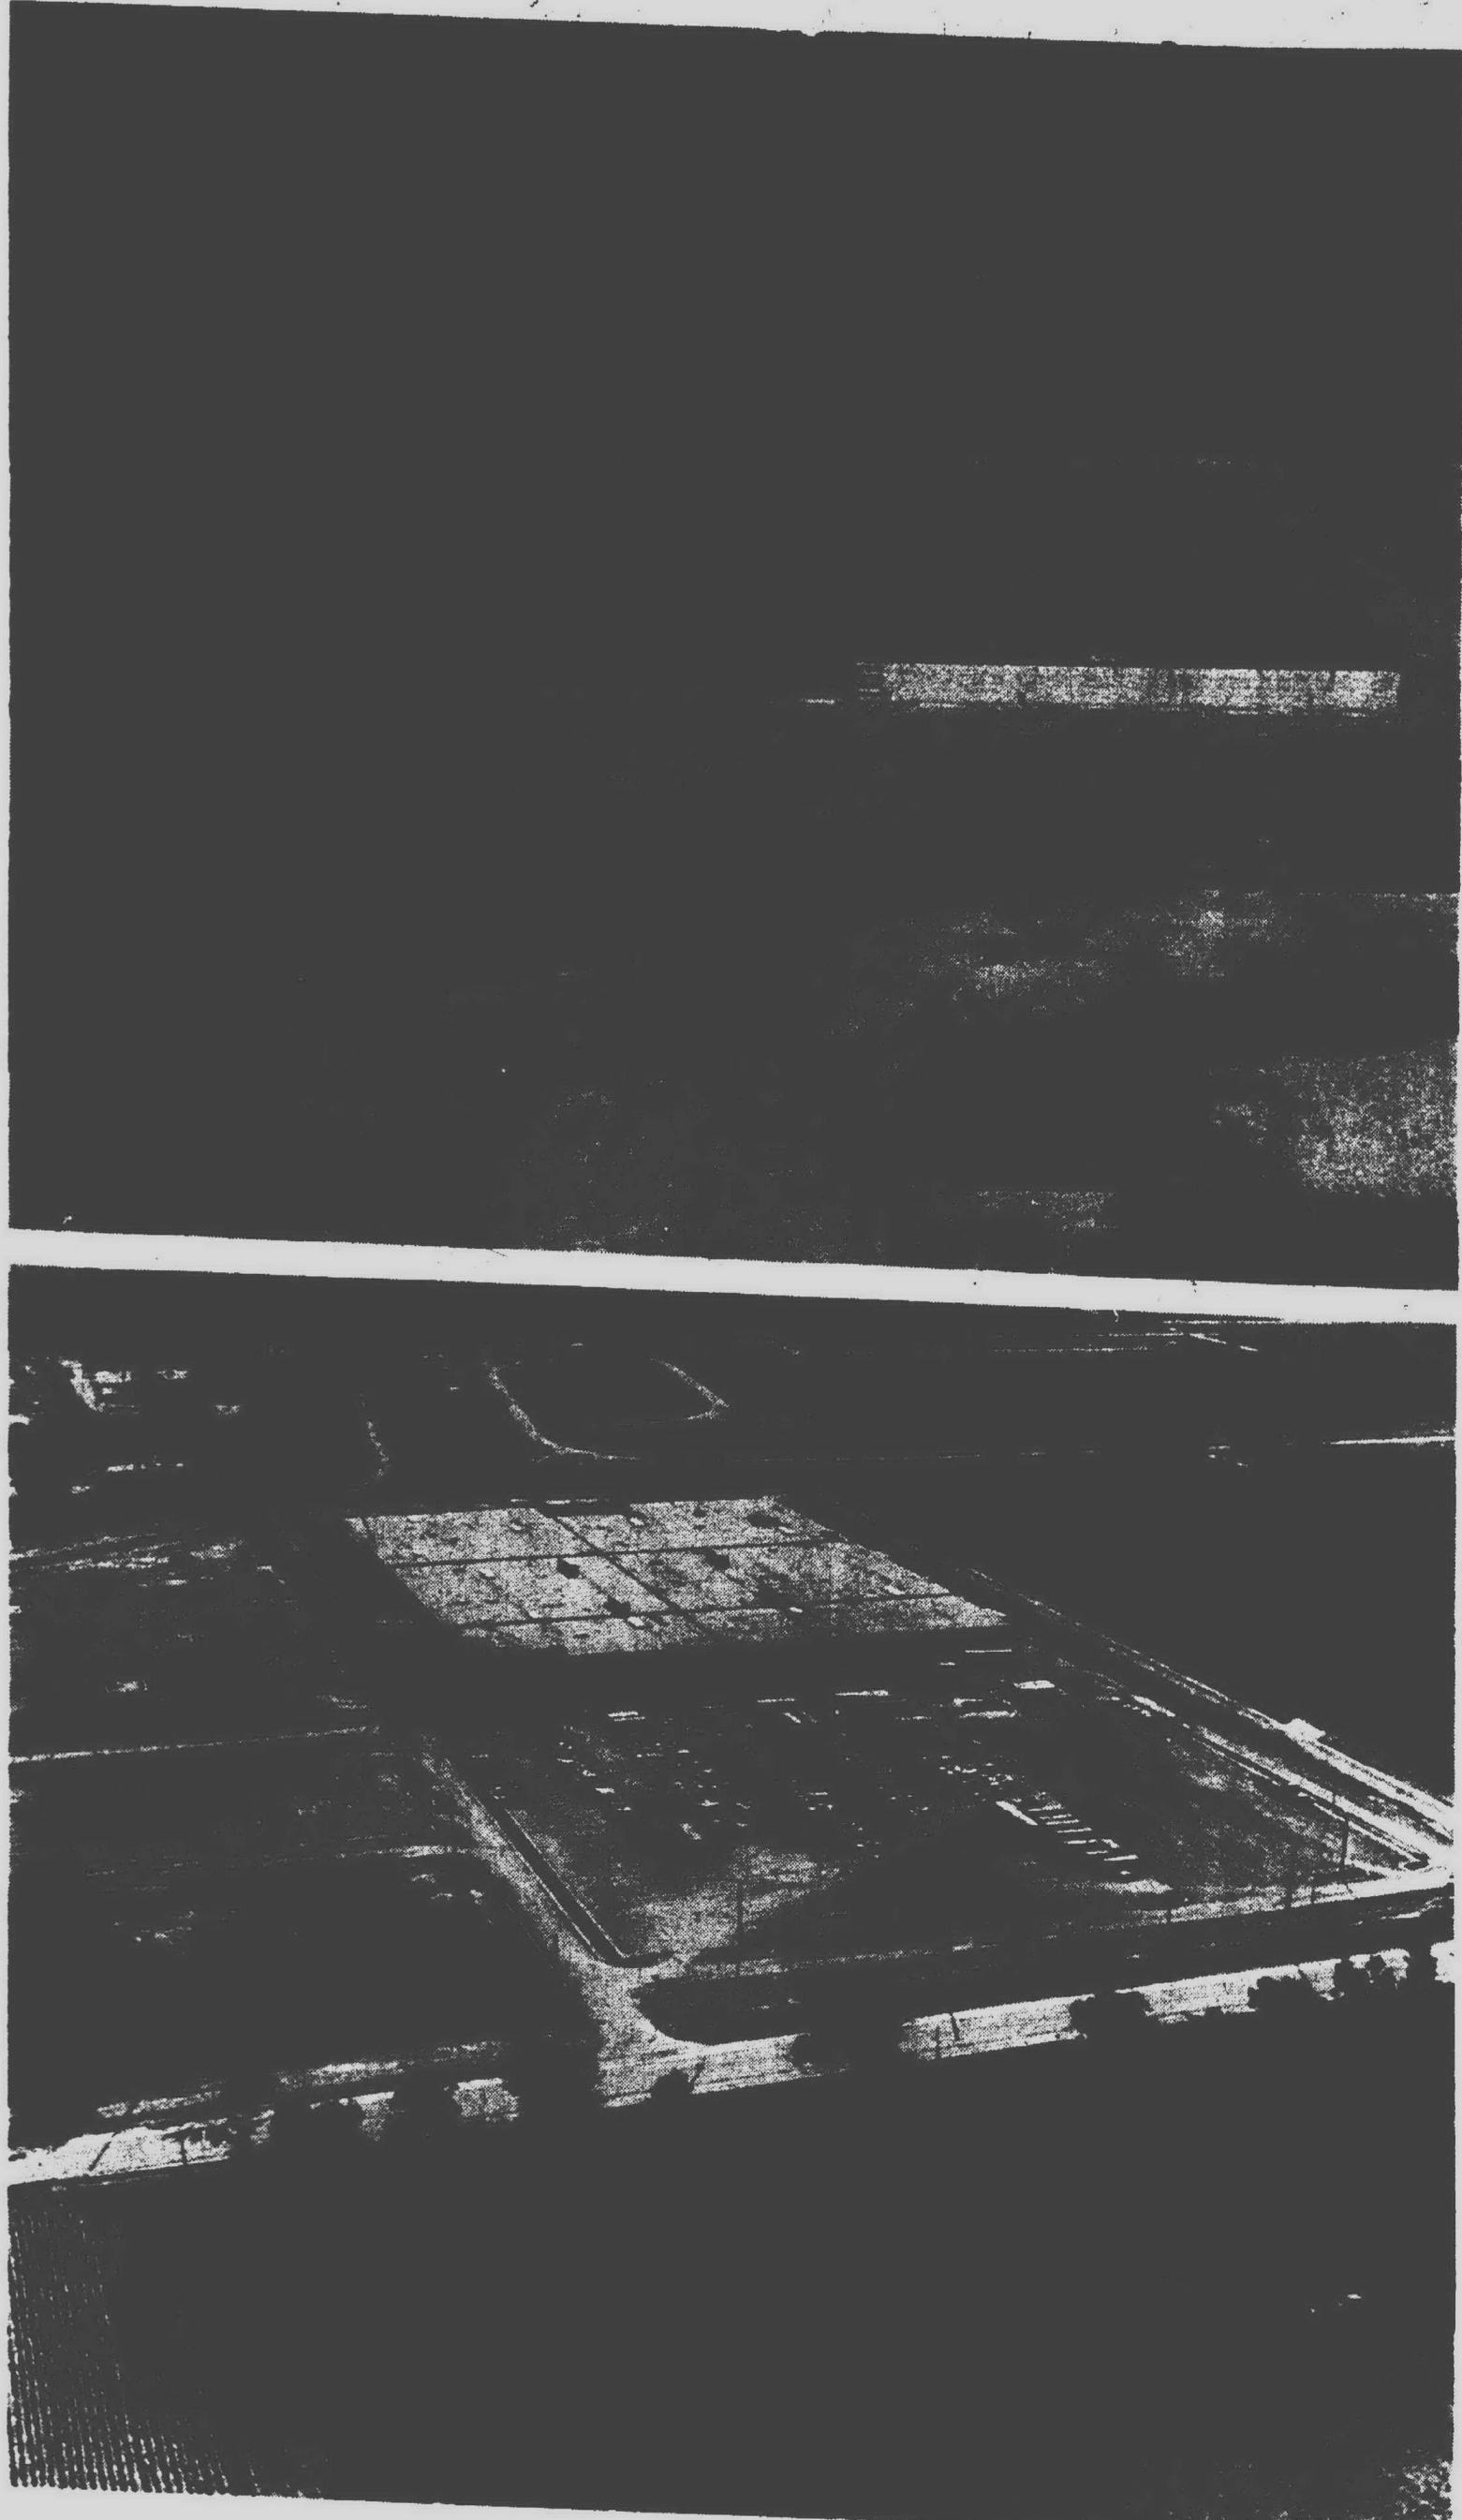

Dog obedience classes start

PLYMOUTH—The City Department of Parks and Recreation is sponsoring a 10-week series of classes in dog obedience training beginning Oct. 15.

Dogs should be at least six months old and have a health certificate. All breeds and mixtures are invited.

Beginners' classes will be held at 7:15 p.m. and 8:30 p.m. Tuesdays at 200 South Union Street. Instructors will be Joe Danna and Chuck Gregart. Persons interested in advanced classes may contact Darlene Danna.

Registration may be made at the parks and recreation office at 525 Farmer Street.

Canton building up

THE COMMERCIAL BASE of Canton Township is growing rapidly to serve the population boom. In photo at top, the Kresge regional warehouse is shown under construction facing west (Haggerty Road is in foreground). Kmart is also building a store on Ford Road at Shel-

don Road. In bottom photo, the Meijer Thrifty Acres "hyperacre" Store is shown nearing completion looking east across Canton Center Road. (Staff photos by Bob Woodring and Harry Mauthe)

PLYMOUTH TOWNSHIP ORDINANCE NO. XLIV
PLYMOUTH TOWNSHIP GROUP INSURANCE ORDINANCE
 adopted: September 24, 1974
 EFFECTIVE: September 30, 1974

An ordinance to create and establish a Township Group Insurance Plan covering life, health, hospitalization, medical and surgical service and expense and accident insurance for certain classes of Township officers and employees and their dependents and to authorize the Township Supervisor and the Township Clerk to contract, in the name of the Township, for such plan; to define those classes of officers and employees who shall be covered by such group insurance plan; to set forth the respective per centum shares which Plymouth Township and the officers and employees shall contribute to the premium or charges arising under such group insurance plan and to further provide for the deduction of contributions from officers' and employees' compensation; to provide a method for noncoverage of an officer or employee of the group insurance plan; to ratify and confirm the validity of any group insurance plan in existence on the effective date of this ordinance; and to repeal all ordinances or parts of ordinances in conflict herewith.

THE TOWNSHIP OF PLYMOUTH, WAYNE COUNTY, MICHIGAN ORDAINS

SECTION I. This ordinance shall be known and cited as the "Plymouth Township Group Insurance Plan Ordinance."

SECTION II. Pursuant to Act No. 27 of the Public Acts of 1960, as amended, the Township of Plymouth hereby creates and establishes a group insurance plan covering life, health, hospitalization, medical and surgical service and expense and accident insurance for its officers and employees enumerated herein, and their dependents, and for such purposes, also hereby authorizes the Township Supervisor and the Township Clerk to contract, in the name of the township, subject to approval of the Township Board, with any company authorized to transact such business within the State of Michigan for such group insurance policies.

SECTION III. The group insurance plan created, established and contracted for under this ordinance shall cover each person within the following classes of officers and employees and shall also cover the dependents of such person:

"All Township Employees who are employed on Full Time Basis."

SECTION IV. The Township of Plymouth shall annually contribute (100%) one hundred per cent of the portion of the premium or charges arising under such life insurance contract for each person within the class of persons enumerated in Section III hereof. Additionally, the Township of Plymouth shall annually contribute (100%) one hundred per cent of that portion of the premium or charges under such health, hospitalization, medical and surgical service and expense and accident insurance contract for each person within the class of persons from the general fund of the Township. Each person within such class shall be responsible for the remainder of the premium or charges not paid for by the Township and the Township Treasurer is hereby authorized to deduct the same from such person's pay, salary or compensation to apply to such person's responsibility. Any person desiring not to be so covered shall give written notice to the Township Clerk that he desires not to be insured or covered, and if the notice is received before the person has become insured or covered under the contract, he shall not be covered thereunder. If the notice is received after the individual has become insured or covered, his coverage under the contract shall cease as provided for in the contract.

SECTION V. The Township of Plymouth hereby ratifies and confirms the validity of any life, health, hospitalization, medical and surgical service and expense and accident insurance or any one or more of such forms of insurance in existence on the effective date of this ordinance.

SECTION VI. This ordinance shall take effect on the date of its publication. All ordinances or parts of ordinances in conflict herewith are hereby repealed.

WAYNE COUNTY 4-H members met recently with U.S. Senator Robert P. Griffin (R-Mich.) during their week-long visit to Wash-

ington, DC, for the 4-H citizenship short course. After meeting with Griffin on the capitol steps, the group visited other sites of interest.

AIP hopeful speaks to LEA

"Human rights are property rights. Property has no rights." Roy S. Jones told an audience attending a meeting of the Livonia Education Association (LEA), teachers' union, recently.

"Your property may be your handbag and its contents, your gun, your car, real estate, buildings and animals," continued Jones, who is the American Independent Party (AIP) candidate for congress in the 2nd District which includes Livonia and Plymouth.

"Property has no rights. Your God-given rights to own and manage your property within the scope of the Ten

Commandments was secured by the U.S. Constitution until laws began to be changed by very wealthy and cunning men in search of more power."

THE FEDERAL RESERVE Act was ram-rodged through both houses of congress in 1913, Jones points out.

"With this act, congress unconstitutionally vacated its authority and responsibility to coin and mint money and regulate the value thereof," in disregard of Sec. 8, Par 5, of the U.S. Constitution.

"Now control of your money is in the hands of a seven-man Federal Reserve Board of Governors instead of 534 representatives of the voters.

"Can you imagine seven political appointees running the Fed for your common benefit when they owe their allegiance and cushy jobs to the stockholders of the privately owned Federal Reserve Bank?"

JONES MENTIONED the income tax was supposed to tax the super rich, but the tax since 1942 is on the backs of working persons from common labor to executive managers.

"The super rich have tax free foundations under their control as they see fit."

"Our founding fathers weren't professional politicians. They were farmers, teachers, craftsmen and businessmen. The professional politicians were working for King George. We amateurs will have to do it again."

When asked about federal education aid, Jones replied: "The federal government controls what it subsidizes. This has been proven in education, welfare, housing and health programs.

"I deeply resent having some bureaucrat in Washington tell me how I may educate my children. So rather than accept a subsidy, and control from Washington on dollars I sent there in the first place I would go it alone with my neighbors and have neighborhood schools under local control.

"Then I would actively campaign to cut the amount of federal taxes through less government."

Marine lab relocates

U.S. Rep. Marvin L. Esch (R-Ann Arbor) announces that a small marine base to provide the National Oceanic and Atmospheric Administration (NOAA) with a central location for operation of its Great Lakes vessels will be established in Monroe.

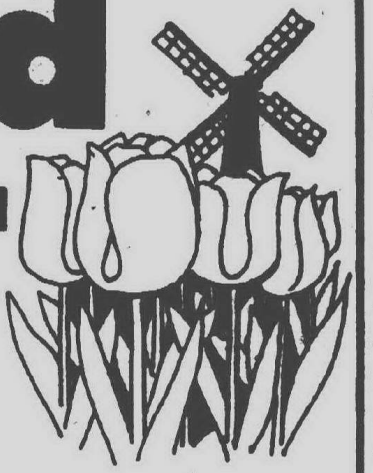

The new base will provide home port facilities for the three vessels operated by the Lake Survey Center and also house marine equipment, cars, trucks, office trailers and a smaller boat to supplement the work of the larger ships.

Esch, whose 2nd District includes Livonia and Plymouth, says the location is excellent because of its close proximity to NOAA's Great Lakes Environmental Research Laboratories in Ann Arbor.

The lab's work includes a wide range of projects including prediction of lake water levels, erosion and pollution control.

Plans to transfer its facilities division, including 10 staff members, to the new site from Detroit is scheduled to be completed by mid-October. The base is near I-75 and is about 45 minutes from Ann Arbor.

Joy Rd. overpass problems continue

By MARIE McGEE
CANTON—Canton trustees will take advantage of a meeting called by the Wayne County Road Commission on another matter to express dissatisfaction with hazardous traffic conditions growing out of maintenance project on the I-275-Joy Rd. overpass.

meeting that they'll have plenty to say on that topic, but they also hope to put some pressure on the road commission to relieve "potentially dangerous" conditions brought on by the repair work.

The overpass has been closed to traffic for several weeks because of a tunneling project to correct a drainage problem. Progress has been extremely slow, township officials noted.

"They're only 17 feet down in what will be a 45 foot tunnel," reported Township Clerk John Flodin.

Residents in nearby Holiday Park subdivision have complained about

the limited ingress and egress to their homes since the beginning of the project.

Homeowners are particularly worried in the event of a fire. A fire truck, they maintained, would lose valuable time in any round-about route.

Canton's Fire Chief Mel Paulum is equally concerned, Flodin reported. The chief reportedly met with county officials recently to discuss the possibility of opening at least one lane over the bridge.

Flodin and other township officials feel "there's room for two lanes."

IN THE MEANTIME, a resolution by Trustee Brian Schwall passed directing the township attorney to investigate legal procedures for the township to follow to get at least one lane open.

In the matter of the Sheldon Road special assessment district, trustees will have to decide whether to go along with the proposal that they admit could get them a traffic light for what has become one of the township's busiest—and most dangerous—intersections.

As proposed, paving would extend north of Ford Road for about 180 feet. Involved in the special assessment dis-

trict would be the Harvard Square shopping center, a residence, and some church property.

"The advantage is that the whole job gets done faster and we'll probably get a better intersection out of it," commented Supervisor Philip Dingledey.

"But the paving doesn't go far enough. I'd like it to go 600 feet (to Willow Creek) instead of just 180 feet," he added.

Trustees, however, were reluctant to force the church congregation and the nearby homeowner to take part in the project.

PAYMENTS WOULD be spread out

over a 10-year period, it was disclosed in the discussion, and the commercial businesses would pay for at least 75 per cent of the costs.

The special assessment district was suggested by the county, it was reported. That fact was viewed by some township officials as perhaps the means by which the county would begin taking action on what has become an extremely hazardous traffic situation that continues to worsen as development in the area continues.

Township officials expressed fear of "what will happen when K-mart and Meijer Thrifty Acres shopping center open."

TOWNSHIP OF PLYMOUTH WAYNE COUNTY, MICHIGAN

ORDINANCE NO. XLVI

AN ORDINANCE ADOPTING FOR THE TOWNSHIP OF PLYMOUTH THE BUILDING OFFICIALS AND CODE ADMINISTRATORS INTERNATIONAL, INC., BASIC BUILDING CODE, EDITION COPYRIGHTED 1969, AND KNOWN AS "THE BOCA BASIC BUILDING CODE/1970," AND THE 1973 ACCUMULATIVE SUPPLEMENT THERETO, KNOWN AS "THE BOCA BASIC BUILDING CODE, ACCUMULATIVE SUPPLEMENT 1973;" PRESCRIBING CONTROLS OF ALL MATTERS CONCERNING THE CONSTRUCTION, ALTERATION, ADDITION, REPAIR, REMOVAL, DEMOLITION, USE, LOCATION, OCCUPANCY AND MAINTENANCE OF ALL BUILDINGS AND STRUCTURES AND THEIR SERVICE EQUIPMENT, BY REFERENCE, AND TO PROVIDE FOR REGULATION OF THE TOWNSHIP BOARD OF MINIMUM CONSTRUCTION REQUIREMENTS OF DWELLINGS, BUILDINGS AND STRUCTURES WITHIN THE TOWNSHIP OF PLYMOUTH, TO PROVIDE FOR AMENDMENTS OR SUPPLEMENTS THERETO, TO AUTHORIZE PENALTIES, TO PROVIDE FOR THE ESTABLISHMENT AND ADMINISTRATION OF THE TOWNSHIP OF PLYMOUTH DEPARTMENT OF BUILDING AND CODE ENFORCEMENT, TO PROVIDE FOR CONFLICTS WITH OTHER ORDINANCES AND TO REPEAL OR SAVE ORDINANCES IN CONFLICT HEREWITH.

THE TOWNSHIP OF PLYMOUTH ORDAINS

PART I. Pursuant to the provisions of Act No. 230 of the Public Acts of 1972 as amended, being Sections 125.1561, et seq., C.L. '48, and known as the "State Construction Code Act of 1972," the Building Officials and Code Administrators International, Inc., Basic Building Code, edition copyrighted 1969, and known as "The BOCA Basic Building Code/1970," and the 1973 Accumulative Supplement thereto, known as "The BOCA Basic Building Code, Accumulative Supplement 1973," promulgated and recommended by the Building Officials and Code Administrators International, Inc., being a nationally recognized model building code, be, and the same hereby is, adopted by reference and all provisions thereof are deemed incorporated herein by reference, save and except such portions as are hereinafter deleted, modified, supplemented or amended by this Ordinance.

PART II. This Ordinance shall be known and may be cited, amended and supplemented as the "Building Code of the Township of Plymouth."

PART III. The purpose of this Ordinance and of The BOCA Basic Building Code/1970, and The BOCA Basic Building Code, Accumulative Supplement 1973, as adopted by reference in Part I, hereof, shall be to regulate and control all matters concerning the construction, alteration, addition, repair, removal, demolition, use, location, occupancy and maintenance of all buildings and structures, existing or proposed, and their service equipment in the Township of Plymouth, Wayne County, Michigan, except as such matters are otherwise provided, in other ordinances or statutes which contain stricter controls or regulations, to insure the public health, safety and welfare as they are affected by building construction, through structural strength, adequate ingress and egress facilities, sanitary equipment, light and ventilation and fire safety, and in general to secure safety to life and property from all hazards incident to the design, erection, repair, removal, demolition, use and occupancy of buildings, structures or premises within said Township of Plymouth, to provide for the administration and enforcement of said Building Code of the Township of Plymouth, and to provide penalties for the violation of the provisions of the Building Code of the Township of Plymouth.

PART IV. A complete printed copy of The BOCA Basic Building Code 1970, and of the BOCA Basic Building Code, Accumulative Supplement 1973, promulgated and recommended by the Building Officials and Code Administrators International, Inc., are and shall be kept in the office of the Clerk of the Township of Plymouth and the copy shall be available for public use and inspection at the office of said Clerk during the regular business hours of said office.

PART V. This Ordinance pursuant to Section 8(4) of Act No. 230 of the Public Acts of 1972, as amended, being Section 125.1568(4), C.L. '48, shall not apply to public or nonpublic schools within the Township of Plymouth without concurrence by the school authorities having jurisdiction.

PART VI. Whenever the word "Municipality" shall be used in the BOCA Basic Building Code/1970, said word shall be held to mean the Township of Plymouth.

PART VII. The BOCA Basic Building Code/1970 shall be, and hereby is, modified, amended or supplemented by the following deletions, modifications, amendments and supplements as denominated by the appropriate section and decimal codification set forth in The BOCA Basic Building Code/1970, and as so modified, amended or supplemented The BOCA Basic Building Code/1970 shall be, and hereby is, affirmed and adopted to read, inter alia, as follows:

A. Section 107.1 The provisions of the BOCA Basic Building Code 1970 and of the Building Code of the Township of Plymouth shall be administered and enforced by the Township of Plymouth Department of Building and Code Enforcement, the establishment of which department is hereby ratified and affirmed. The administrative official in charge of said department shall be known and titled as the "Building Official."

the work shall be determined by the building official on the basis of current costs or as otherwise provided in the local ordinances.

SCHEDULE OF PERMIT FEES

- (A) Building permit fee:
(1) New, additions and alterations of less than \$100.00 valuation, fee \$ 7.00
(2) New, additions and alterations of \$100.00 or more but less than \$1,000.00 valuation, fee \$10.00
(3) New, additions and alterations of \$1,000.00 or more but less than \$10,000.00 valuation, fee of \$10.00 for first \$1,000.00 valuation, plus fee of \$5.00 for each additional \$1,000.00 valuation or fraction thereof.
(4) New, additions and alterations of \$10,000.00 or more but less than \$20,000.00 valuation, fee of \$55.00 for first \$10,000.00 valuation, plus fee of \$3.00 for each additional \$1,000.00 valuation or fraction thereof.
(5) New, additions and alterations of \$20,000.00 or more valuation, fee of \$85.00 for first \$20,000.00 valuation, plus fee of \$2.00 for each additional \$1,000.00 valuation or fraction thereof.

- (B) Demolition permit fee:
(1) Under 20,000 cubic feet in volume, fee \$15.00
(2) 20,000 cubic feet in volume but less than 50,000 cubic feet in volume, fee \$30.00
(3) 50,000 cubic feet in volume or more, fee \$50.00
Before a demolition permit may be issued, the applicant shall file with the Township Treasurer a cash or surety bond, in form and with sufficient sureties acceptable to the Township Treasurer, in the penal sum of not less than Five Hundred Dollars, saving and protecting the Township of Plymouth and all persons harmless from all damages to private or public property that may arise from such demolition and further conditioned that the applicant shall accomplish such demolition in accordance with the requirements of all applicable ordinances, including without limitation the removal of all rubbish or waste from the site of the demolition at applicant's expense and the placement of the site in a safe condition with clean fill of all foundations or excavations in a manner preventing the accumulation, ponding or standing of water.

- (C) Moving of Building Permit Fee:
Preliminary inspection to determine whether the building or structure is suitable for movement over and upon public property and whether the proposed location of the building or structure within the Township of Plymouth would be lawful and not injurious to the contiguous property and surrounding neighborhood:
(1) From one location to another within the Township of Plymouth or from a location in the Township of Plymouth to another municipality, fee \$25.00
(2) From another municipality to a location within the Township of Plymouth, fee \$50.00

Moving of building permit requirements are that before a permit for the moving of any building or structure may be issued, the applicant shall file with the Township Treasurer a cash or surety bond, in form and with sufficient sureties acceptable to the Township Treasurer, in the penal sum of not less than Ten Thousand Dollars, saving and protecting the Township of Plymouth harmless from all damages to private property and to pay for all damages to public property that may arise from the use of any moving of said building or structure, and the applicant shall file with the Township Treasurer a public liability and property damage insurance policy, naming the applicant and the Township of Plymouth as the insured, and providing for the payment of any liability imposed by law upon such applicant or the Township of Plymouth to the extent of Ten Thousand Dollars for injury to or death of any one person and Twenty Thousand Dollars for injuries to or deaths of more than one person and for damage to property in the amount of Two Thousand Dollars, and the applicant shall file with the Township Treasurer a cash or surety bond, in form and with sufficient sureties acceptable to the Township Treasurer, in the penal sum of not less than One Thousand Dollars, the condition of which bond shall be that the applicant guarantees to the Township of Plymouth that the moving of the building or structure will not cause, or allow as the result of such moving, the collecting of stagnant water, or leaving of the land in a condition determined by the Department of Building and Code Enforcement to be unsuitable or to be unfit for the growing of turf or for other land uses permitted in the zoning district in which such moving occurs. In addition, the applicant shall file with the Department of Building and Code Enforcement a specification of the route over which the building or structure is to be moved and the time allowed for such moving as approved by the Fire Chief of the Township of Plymouth. The foregoing requirements shall not be applicable in the case of the moving of a building or structure within the limits of the property on which it is located. Further, the applicant shall provide such security personnel and public safety precautions as the Building Official and the Fire Chief may direct or require. In no event shall a permit to move a building or structure be issued by the Department of Building and Code Enforcement unless and until the Department of Building and Code Enforcement finds that under the facts the applicant has sufficient knowledge, experience, equipment and facilities, to properly conduct such moving, and that the structure and the use thereof at the proposed location thereof within the Township of Plymouth would be lawful and not injurious to the contiguous property and surrounding neighborhood; provided, that upon denial of said permit and within thirty (30) days of such denial, the applicant may appeal such denial to the Board of Trustees, whereupon that body may approve the issuance of a permit.

The moving of building permit fee shall be a sum computed upon the basis of the cost of moving of the building in accordance with the schedule contained in subsection (A), Building Permit Fee, hereinbefore.

In addition to the foregoing permits, requirements and fees, the owner of the premises in the Township of Plymouth to and upon which a building or structure is to be placed shall apply for a building permit for all on site foundation, completion, restoration and other work or material to be performed upon or supplied to the relocated building or structure in the same manner as for new construction.

- (D) Special Inspection Fees and Additional Fees:
(1) Inspection requested before work is ready fee \$10.00
(2) Owner or representative not keep appointment for inspection with the inspector, fee \$10.00
(3) When approved plans are not on the job during inspection, fee \$10.00
(4) Violation notices requiring reinspection, fee \$10.00
(5) Special inspections when requested, fee \$10.00
(6) Temporary permit for parking of trailer coach or camper, fee \$10.00
(7) Temporary Certificate of Occupancy, fee \$10.00
(8) Fee for permits not obtained before work is started shall be computed double that for new construction, based on the estimated cost of construction.

(E) All residential maintenance and alteration contractors or all residential builders or both who do work in the Township of Plymouth shall register with the Clerk of the Township of Plymouth and pay the following fee, or fees as the case may be, to the Treasurer of the Township of Plymouth:

- (1) Residential maintenance and alteration contractors registration, fee \$10.00
(2) Residential builders registration, fee \$15.00
(3) The expiration of such registration fee shall be the 31st day of December of each and every year.

(F) V.A., F.H.A., and conventional mortgage inspections of residential buildings, and inspections to determine compliance of existing buildings, structures and sites to Building Code and other applicable codes requirements, fee \$50.00

Building Official determines the holder of a temporary certificate of occupancy is not making reasonable and diligent efforts to complete the work, he may terminate said certificate at any time. A temporary certificate of occupancy shall automatically terminate if the premises for which the certificate is applicable are sold or assigned or if the owner thereof dies or is adjudged a bankrupt.

J. Section 122.3 (1) A person or corporation, including an officer, director or employee of a corporation, who commits any of the following acts shall be fined not more than Five Hundred Dollars (\$500.00) or imprisonment for not more than ninety (90) days or both:

- (A) Violates a provision of the Building Code of the Township of Plymouth or The BOCA Basic Building Code/1970 or the BOCA Basic Building Code, Accumulative Supplement 1973 or the rules for the enforcement thereof, or all or any of the same.
(B) Constructs a structure or building in violation of a condition of a building permit.
(C) Fails to comply with an order issued by the Department of Building and Code Enforcement of the Township of Plymouth or the construction board of appeals.

(D) Makes a false or misleading written statement, or omits required information or a statement in an inspection report, application, petition, request for approval or appeal to the Department of Building and Code Enforcement of the Township of Plymouth or the construction board of appeals.
(E) Refuses entry or access to an inspector lawfully authorized to inspect any premises, building or structure pursuant to this Ordinance.
(F) Unreasonably interferes with such an inspection.

(2) With respect to subdivision (c) of subsection (1), a person is guilty of a separate offense for each day that he fails to comply with a stop construction order validly issued by the Department of Building and Code Enforcement of the Township of Plymouth and for each week that he fails to comply with any other order validly issued by the Department of Building and Code Enforcement of the Township of Plymouth. With respect to subdivisions (a) and (d) of subsection (1), a person is guilty of a separate offense for each violation of any provision of this Ordinance of rules promulgated hereunder and for each false or misleading written statement or omission of required information or statement made in an application, petition, request for approval or appeal to the Department of Building and Code Enforcement of the Township of Plymouth or the construction board of appeals. With respect to subdivision (b) of subsection (1), a person is guilty of a separate offense for each violation of a condition of a building permit.

K. Section 123.2. Any person or corporation, including an officer, director or employee of a corporation, who fails to comply with the provisions of Section 123.0 and Section 123.1 shall be subject to the same penalties, upon conviction, as are provided in Section 122.3 (1)(c) and Section 122.3(2).

L. Section 126.3 The third member of the Board of survey shall receive for his services a fee of Fifty Dollars (\$50.00) for each hour of service and said fee shall be paid by the appellant. Prior to convoking the board of survey, the appellant shall pay the sum of One Hundred Dollars (100.00) to the Treasurer of the Township of Plymouth and the Treasurer shall utilize said sum to assure and make payment of the aforesaid fee of the third member of the board of survey, provided that any portion of said sum in excess of the fee actually incurred by the appellant to said third member of the board of survey shall be returned by the Treasurer of the Township of Plymouth to the appellant.

M. Section 127.21. The Board of Appeals shall consist of three (3) members appointed by the Supervisor of the Township of Plymouth with the approval of the Township Board of Trustees, one member thereof shall be appointed for three (3) years, one for two (2) years, and one to serve one (1) year; and thereafter each new member shall be appointed to serve for three (3) years or until his successor has been appointed.

N. Section 127.22. Each member of the Board of Appeals shall be a licensed professional engineer or architect, or a licensed builder or a superintendent of building construction with at least ten (10) years of experience, for five (5) years of which he shall have been in responsible charge of work; and at no time shall there be more than two (2) members of the board of appeals selected from the same profession or business; and at least one of the members of the board of appeals shall be a licensed professional engineer with structural or civil or architectural engineering experience.

O. Section 127.23. During the temporary absence of any member of the board of appeals by reason of disability, illness, travel or otherwise, the Supervisor of the Township of Plymouth shall designate a qualified substitute to serve in the place and stead of such absent member(s). A permanent vacancy in any member's term shall be filled within thirty (30) days following the occasion of such permanent vacancy.

P. Section 127.43. When the three (3) members of the board of appeals are not present to consider a specific appeal, either the appellant, the building official or their representatives may request a postponement of the hearing. Q. Section 127.51. The board of appeals shall affirm, modify or reverse the decision of the building official by a concurring vote of two (2) members; R. Section 127.53. Failure to secure two (2) concurring votes to modify or reverse the decision of the building official shall be deemed a confirmation of the decision of the building official, except that the appellant shall be entitled to further hearing before the full board of appeals if there were not three (3) members present when the vote was taken and provided said hearing is requested in writing by the appellant not later than the termination of the next business day following the decision of the board of appeals to which appellant takes exception.

S. Section 1500.4 For all purposes herein the term "National Electrical Code" shall mean the National Electrical Code, 1971 Edition sponsored and adopted by the National Fire Protection Association, being a nationally recognized code which is hereby adopted by reference and all provisions thereof are deemed incorporated herein by reference.

PART VIII. Pursuant to Section 8 of Act No. 230 of the Public Acts of 1972, as amended, being Section 124.1508, C.L. '48, the Township of Plymouth hereby elects not to be governed by said Act, known as the "State Construction Code Act of 1972," and the code for which provision is herein made.

PART IX. Ordinance No. III, Ordinance No. VI, Ordinance No. XII, and Ordinance No. XVII, and all parts thereof or amendments thereto, are hereby repealed as of the effective date of this Ordinance.

PART X. Any prosecution arising from a violation of Ordinances repealed herein, which prosecution may be pending at the time this Ordinance shall become effective, or any prosecution which may be commenced in the future for offenses committed before the effective date of this Ordinance may be instituted, tried and determined in accordance with such provisions of such ordinances in effect at the time of the commission of the offenses.

PART XI. If any clause, sentence, section, paragraph or part of this Ordinance, or the application thereof to any person, firm, corporation, legal entity or circumstance, shall be for any reason adjudged by a Court of competent jurisdiction to be unconstitutional or invalid, said judgment shall not affect, impair or invalidate the remainder of this Ordinance and the application of such provision to other persons, firms, corporation, legal entities or circumstances but said judgment shall be confined in its operation to the clause, sentence, section, paragraph or part of this Ordinance thereof directly involved in the case and controversy in which said judgment shall have been rendered and to the person, firm, corporation and circumstance then and there involved. It is hereby declared to be the legislative intent of this body that this Ordinance would have been adopted had such invalid or unconstitutional provision not been included in this Ordinance.

PART XII. Any and all ordinances of the Township of Plymouth heretofore adopted and not herein repealed are hereby ratified and affirmed and neither this Ordinance nor The BOCA Basic Building Code/1970 and the BOCA Basic Building Code, Accumulative Supplement 1973 adopted by reference shall be construed or interpreted to alter, affect, amend, repeal, supersede or abate the terms and provisions of such previously adopted ordinances except those ordinances herein repealed.

PART XIII. The provisions of this Ordinance shall be, and the same hereby are, declared to be immediately necessary for the preservation of the public health, safety and general welfare and this Ordinance shall be, and the same hereby is, declared immediately effective and in force from and after the earliest date allowed by law.

PART XIV. This Ordinance was adopted by the Township Board of the Township of Plymouth, Wayne County, Michigan, at its regular meeting duly called and held on the 24th day of September, 1974, and ordered to be given publication in the manner prescribed by law.

J. D. McLAREN, Supervisor

HELEN I. RICHARDSON, Clerk

This Week is Your Chance to Review a Proposed Regional Transportation Plan for Southeast Michigan.

A series of public hearings throughout Southeast Michigan continues this week in Wayne County.

They are an opportunity for citizens and elected officials to see, hear and inquire about a proposed plan for the development of our region's highway network and public transportation network.

The plan was developed by the Southeast Michigan Council of Governments (SEMCOG). It is the product of several years of thorough study and analysis by SEMCOG staff, local elected officials who represent their communities in SEMCOG, and county and local planners who work with SEMCOG.

At the hearings, SEMCOG officials will present the highway-transit plan with visuals, maps and related material. After you have seen the plan, you will have an opportunity to ask questions about it. You will be able to find out what benefits are in it for you and your community, as well as all of Wayne County.

Also on hand at the hearings will be officials of the Southeastern Michigan Transportation Authority (SEMATA), and the Michigan Department of State Highways and Transportation. They will be able to answer specific questions about public transportation and state highway development in SEMCOG's recommended plan.

A Chance to Influence

The hearings will give citizens a chance to influence the plan. Hearing transcripts will go back to SEMCOG and their contents will be considered for possible modifications of the plan.

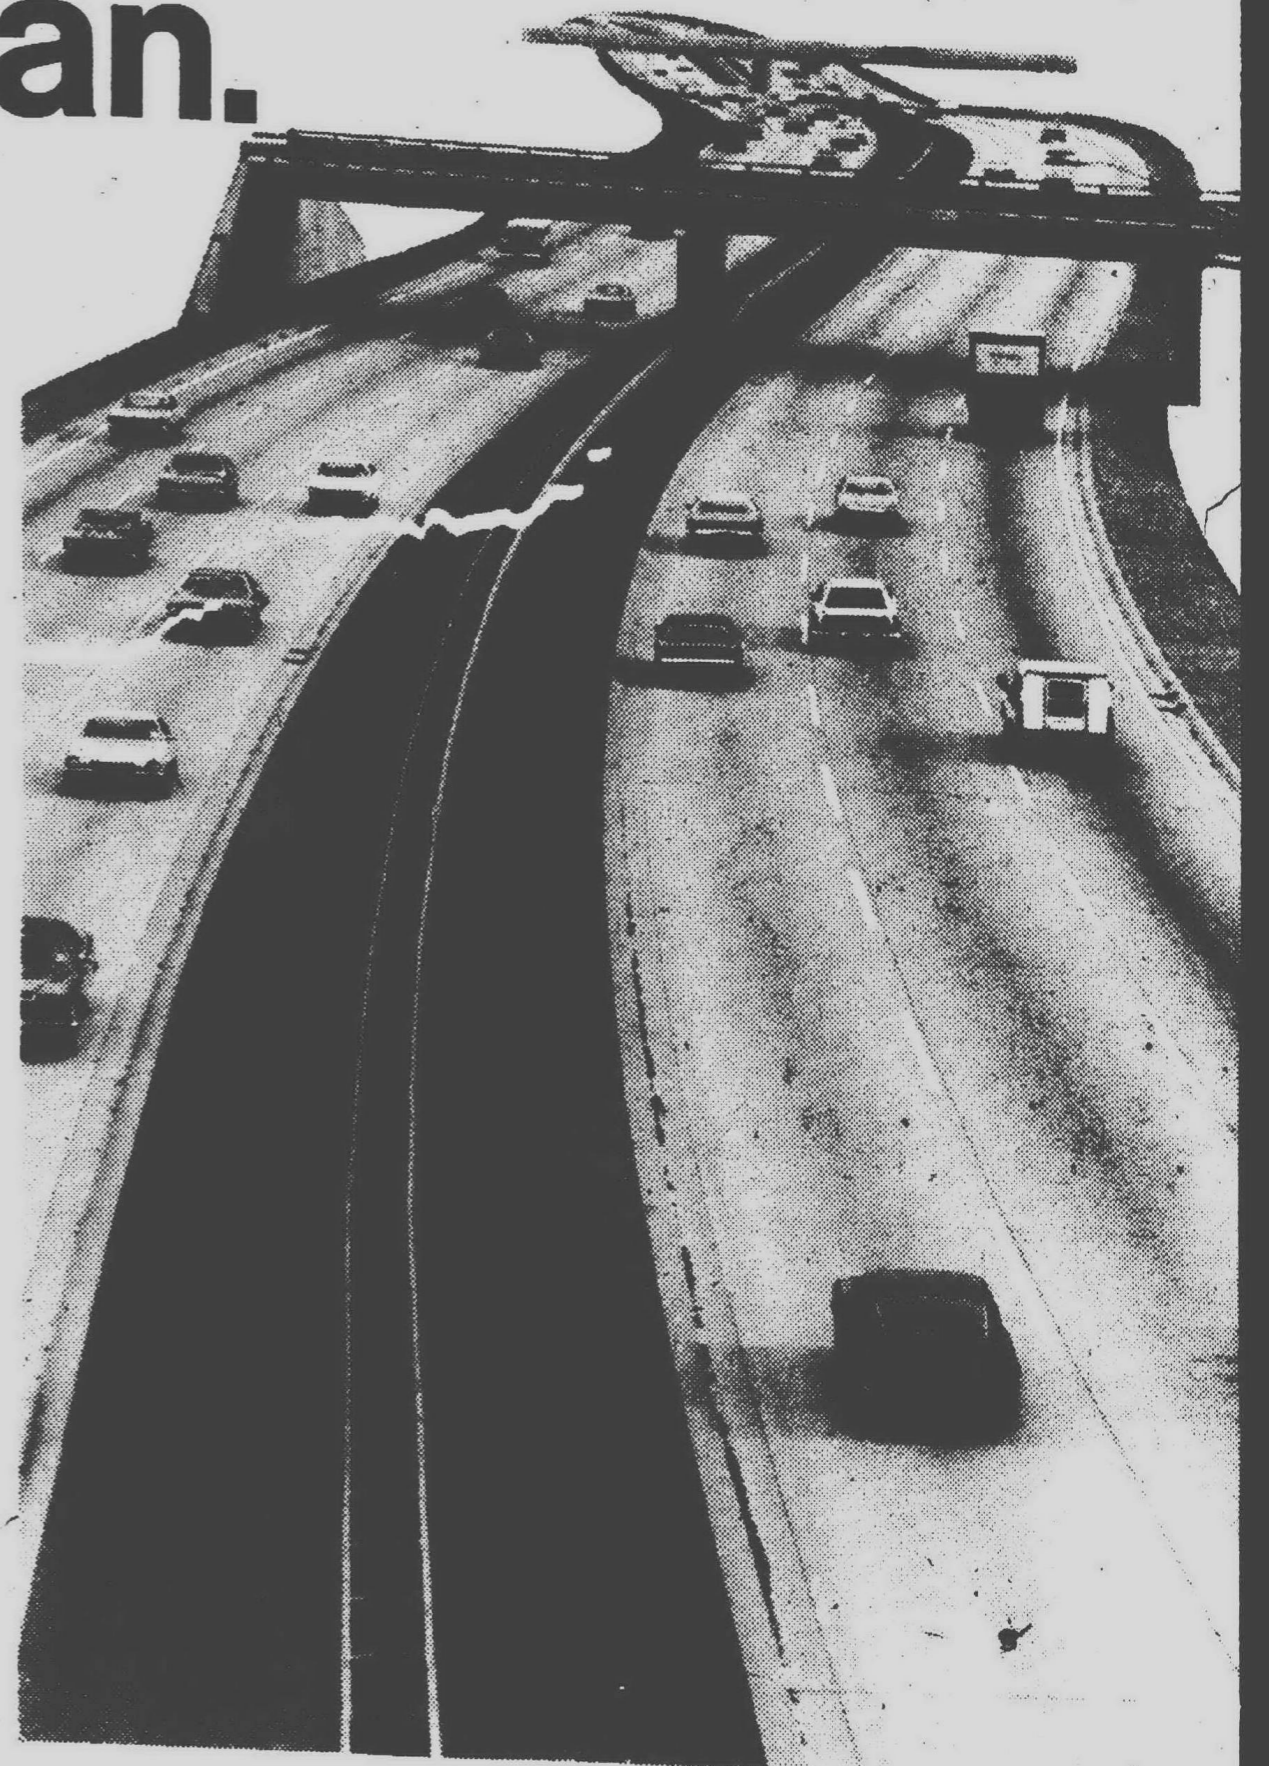

Importance of Hearings

The hearings are important because government agencies such as the U.S. Department of Transportation and the Michigan State Department of Highways and Transportation want to know what you think about the plan.

Equally important, the hearings are needed because they will explore a highway and public transportation system that could have long-range meaning to all of Southeast Michigan's 4.8 million people.

If adopted, SEMCOG's transportation plan would become a regional guideline for city, township, county and state government. As the governments involved develop highways, public transit and related services in Southeast Michigan, they would be encouraged to act within the framework of the adopted regionwide plan.

The plan is important. See for yourself at the public hearings.

WAYNE COUNTY PUBLIC HEARINGS on

Proposed 1990 Regional Transportation Plan

Tuesday, Oct. 1, 7:30 p.m.
Harry S. Truman High School
11211 Beech-Daly Road • Taylor

Thursday, Oct. 3, 7:30 p.m.
City-County Building
13th Floor Auditorium
2 Woodward Avenue • Detroit

HEARING GUIDELINES

To make sure that everyone who wishes has a chance to comment or ask questions on the plan, the following guidelines will be used at each hearing.

- All written statements will be accepted and entered into the record.
- Oral summaries of written statements should not exceed three minutes.
- Questions should be stated clearly and as briefly as possible.
- Questions should relate only to SEMCOG's 1990 Regional Transportation Plan.

MORE PUBLIC HEARINGS: WHERE AND WHEN

Macomb County	Thursday, Oct. 10, 7:30 p.m. Fraser High School 34270 Garfield • Fraser
Monroe County	Thursday, Oct. 17, 7:30 p.m. Circuit Court Room Monroe County Building 106 E. First Street • Monroe
Livingston County	Thursday, Oct. 24, 7:30 p.m. Circuit Court Room Court House Building 200 E. Grand River • Howell
St. Clair County	Wednesday, Oct. 30, 7:30 p.m. Commissioners' Meeting Room County Building 201 McMorran Blvd. • Port Huron
Washtenaw County	Early 1975. To be announced.

SEMCOG

The Southeast Michigan Council of Governments is a voluntary association of local governments in Southeast Michigan. Through long-range planning, its purpose is to offer and explore alternatives for sound development of the region in the years ahead. SEMCOG is supported by dues from member governments, as well as state and federal funds.

The Stroller

Little things in life

By W. W. EDGAR

It is interesting at times to look back and see that some inconsequential thing has changed the entire course of a person's life.

More amazing is the fact that, most often, the person does not realize that his very existence is moving into a new path of life.

For instance, if Joe Louis had been able to master the sliding of his fingers over the strings on a violin he wouldn't have become the heavy-weight boxing champion of the world and rated as one of the greatest fighters who ever lived. He would have satisfied his mother's wish that he be a great musician.

And, if it had been a dark, dull day when Dr. Brooker and his wife visited Livonia in 1939, he might not have settled here and become one of the city's leading citizens.

On a more personal basis, if they hadn't changed the time of a college football banquet The Stroller might still be back in Pennsylvania struggling on a small town newspaper.

The story of Joe Louis is most fascinating—because it is a part of Americana and should be an inspiration to all youth.

When Joe was a teen-ager his mother, Mrs. Lilly Barrow, dreamed of the day when he would become a great musician and tour the concert stages of the world. She knew, early in his life, that Joe couldn't sing. So, she did the next best thing. She got him a violin.

To get the instrument she sold soap orders (the fashion set by the Larkin

Soap Co.) to earn a sufficient number of stamps to trade in for a violin.

Long before the violin arrived she confided her wishes to Joe and arranged a schedule of lessons with a talented teacher in Paradise Valley, then the center of the black community.

The lessons hadn't gone very far before Joe's weakness showed up. Joe just couldn't slide his fingers along the strings. He insisted on plucking them like a banjo player. When told that this was wrong, Joe became irked at the teacher. Yet the weakness remained. He plucked the strings and that was it.

One afternoon, en route to the teacher for another lesson and what was another hour of frustration, Joe met Thurston McKinney, one of his buddies.

"If you don't like the teacher," Thurston told him, "Why don't you quit. Come with me to Brewster Center and take up boxing. It's lots of fun."

Still fumbling the two dollars he had in his hands for the violin teacher, Joe made a great decision. He accompanied his pal to Brewster Center, and entered the Golden Gloves, then promoted by the Detroit Free Press. The rest is history. He went on to win more fame than he might ever have known as a violinist.

Dr. Brooker's story is just as fascinating. A young doctor, out of Missouri, he was directed to Livonia to consider it as a good place to open an office and continue his career.

On the day he and Mrs. Brooker arrived it had been raining. But as they looked over a site on Plymouth Road, a big bright rainbow formed a colorful arch over the building.

Taking one look, Mrs. Brooker decided it was a good omen and they settled here. In the years that followed Dr. Brooker became one of the city's leading citizens, headed the Livonia Chamber of Commerce in its infancy, and later served as president of the House of Delegates of the Michigan College of Osteopathy.

It's interesting to note that if it had been a bright day—and no rainbow—he might not have settled here.

With The Stroller, it was an odd set of circumstances.

Always a lover of football, he was looking forward to the annual banquet at Muhlenberg College and a visit with Al Spiegel a Detroit real estate broker, who came East to coach the team each fall.

Then came word that Edgar A. Guest, the famed Free Press poet, was to speak at the high school on the same night as the banquet. Now, it was a toss-up where to go. But football won out and The Stroller decided to attend the banquet.

Here fate stepped in. So many folks wanted to hear Guest that Muhlenberg changed the time of the banquet. This opened the door to meet the famed poet, who invited him to join the Free Press staff.

And here I am. But for the changing of the time of the banquet, The Stroller wouldn't be enjoying these little visits with you.

CROWLEY'S

Little girls greet the sandman in patchwork nightwear

Kids will enjoy our bright and happy patchwork night things by Her Majesty. Then when eyes get sleepy and it's early-to-bed, they'll be warm and cozy in these cotton flannels that are flame retardant for safe keeping.

Also available: matching gown, 4 to 6x, \$8; 8 to 14, \$10.

Children's Nightwear (# 68) at Livonia, Birmingham, Farmington.

Marie McGee writes

Higher purpose served?

CANTON—Kindly folks are calling it a beginner's mistake. Fundists view it as "purely politicking" and in line with the pre-election one-upmanship that will dominate the township scene from now until Nov. 5.

Regardless of what camp you're in, Trustee Dick Wolfe's refusal to vote on three agenda items last week could be the catalyst needed to shore up Canton's badly sagging planning commission procedures.

Wolfe refused to vote on final plat approvals for three housing developments because "I haven't got enough information on them."

"Five minutes before the meeting is not enough time to review plans," Wolfe said, referring to the fact that information and maps concerning the developments were missing from the packets prepared by the township's clerk's office and delivered to the trustees Saturday prior to the trustees' Tuesday meeting.

Since the ordinance asks that the developer submit the original and five copies to the planning commission, someone along the line doesn't get a copy.

Wolfe has been that "someone" too many times and he finally rebelled.

He explained his resolution to table the items by stating that several months ago trustees had met with the planning commission and "hashed over" the problem of poor communications. It was agreed the commission would furnish complete background on all developments, he contended, including maps and documents signed by the appropriate officials.

Wolfe further charged the planning consultant had been directed to submit an amendment to the zoning ordinance changing the number of copies of plans the developers were to submit. This was to have been done immediately "by a short note to us advising what to do."

The unfortunate part of Tuesday night's outburst was that an understaffed and overburdened clerk's office caught the flack, and two developers who had met all the township's requirements—were caught in the crossfire.

Wolfe has since admitted that in no way was he "indicting" Township Clerk John Flodin.

"I'm a No. 1 John Flodin supporter," Wolfe said. "I've been in the township offices on Friday and seen how busy he was."

If he was to take anyone to task, Wolfe told the Plymouth Observer and Eccentric, it would be the planner, Mike Manore.

Contacted by the Plymouth Observer and Eccentric, Manore declined to comment on Wolfe's remarks "until I've had a chance to sit down and talk with him."

Manore indicated that much of the confusion could stem from the fact that as the newest member of the township board, Wolfe isn't as familiar with planning procedures as most of the others.

"Maybe it's time to sit down with the board again and review the planning steps one by one," Manore added.

Flodin admits taking Wolfe's remarks "personally" and said he spoke to the trustee about them, the next day.

"If after receiving his packet he wanted more information, all he had to do was call me and I would have gotten it to him," the usually affable clerk said.

Manore explained that final plat approval does not carry a planning commission recommendation. It is a legal formality whereby the developer registers with the community and the state his plat—or lot arrangement—in compliance with state law. By this time, all the planning is done and even the utilities are in, Manore added.

"The level of final plat approval is a little late to be objecting. There were several opportunities before that step to make changes," Manore commented.

Wolfe's contrariness, comes at a time when some will pass it off as "politics." But the recent disclosure that valuable planning documents involving Deer Creek apartments can not be located points out a fact that has been evident for a long time: planning commission procedures have been downright sloppy in the past.

Wolfe, who is a candidate for the treasurer's post, may have had politicking in mind when he blew up, but his motives may serve a higher purpose by bringing out into the open the need for better and expanded communications between these two vital units of township government.

No one can quarrel with that. Not even the two irate developers who stalked out of last week's meeting after learning they will be forced to wait another week until trustees get the information they felt they were entitled to have.

READERS' FORUM

EDITOR:

Your Plymouth edition of Sept. 19 gives notice of a public hearing before the Plymouth City Commission tonight (Monday) Sept. 30, at 7:30 p.m. in the Plymouth City Hall relative to a proposed city loop around the central business district at a cost to taxpayers of \$500,000.

Commission members advocating the said hearing are to be complimented. Every owner of business or residential property should be present or represented. I have heard no one who approves of the cutting through Kellogg Park, of Union Street and the closing of Penniman Avenue at Ann Arbor Trail.

Obviously the park is damaged, the value of property on Penniman from Main Street east to Ann Arbor Trail has been damaged and a traffic hazard has been created at the intersection of Deer, Union and Ann Arbor Trail. This error should be corrected by restoring the park and Penniman to their original condition.

As to the loop idea, it can only result in the destruction of the central business area, and decrease the value of all properties, business or residential, bordering upon the proposed loop.

All people owning property in the city of Plymouth and all churches in the Church Street area should vigorously oppose the loop scheme. The recent fall festival with its diversion of traffic was a wonderful demonstration of what the loop would do to this city.

It is hoped that the citizens of Plymouth will attend the meeting of Sept. 30 at 7:30 p.m. as mentioned above.

2 town halls set for season opener

BY MARGARET MILLER

The Livonia and Northville Town Hall lecture series, both opening for the new season in October, are very much in business despite the wave of town hall closings that has hit the metropolitan area.

Livonia reports it's doing fine in 1974-75 ticket sales; Northville is down in sales but definitely continuing plans for its series.

Both may draw more customers following the folding last week of the seven-year-old Farmington Town Hall series, the demise of the Royal Oak Town Hall and the decision to cut the Birmingham Town Hall program to one lecture by each celebrity guest instead of two.

"WE'RE RUNNING even with or just ahead of last year's ticket sales."

said Elaine Blair, treasurer of the Livonia Town Hall. That series will get under way Wednesday, Oct. 16 in a new location, the Mai Kai theater at Farmington and Plymouth Roads.

Humorist Erma Bombeck will be the speaker.

The Northville series, opening Thursday, Oct. 10 with Washington correspondent Nancy Dickerson, reports tickets sales considerably down from last year.

She added, however: "In last year's four-lecture series, after all expenses were paid, we were able to give more than \$7,000 to many service organizations in this area to be used for special projects.

"As things stand right now, we won't be able to do anything like that."

The Northville series also has a new home for 1974-75, the auditorium of

Madonna College at Schoolcraft and Levan in Livonia. Its celebrity luncheons also are moving, to the Farmington Holiday Inn on 10 Mile west of Grand River. Last year both were held in the Thunderbird-Hilton, Plymouth.

MRS. KELLY SAID brochures for the Northville series, bringing in musician William Albright, critic and actor Joe Callaway, and cartoonist Bill Keane after Mrs. Dickerson, have been sent to customers of the defunct Farmington series.

The Soroptimist Club of Farmington, sponsor of that series since its inception in 1967, approved the mailing of the Northville brochures along with the returned checks.

"We had a call from a woman in Farmington asking for information," Mrs. Kelly added, "so we asked for permission to send out our brochures."

She said last year's series had been a sellout for at least some of the lectures. The Thunderbird facilities hold 800, she added. Last year the Northville series included talks by Mrs. Bombeck, "Fat Bob" Taylor, transactional analysis expert J.A. Brown and

Women's Wear Daily editor June Wier, who replaced interior designer Donald Brooks.

MRS. KELLY WAS INCLINED to attribute the drop in sales to "the economic situation."

Other factors were suggested by leaders of the Oakland County series that felt the pinch more seriously.

More women at work or back to school, increased interest in do-it projects and increased television exposure of famous personalities were among the reasons suggested for slower ticket sales.

And one officer added "Women's interests are changing. They don't have big heroes to worship anymore. The day of the movie idol is pretty much over."

SUCH PROBLEMS do not seem to be plaguing the Livonia Town Hall, which for over a dozen years has been helping to support the American Field Service foreign student exchange program in Livonia's high schools.

Mrs. Blair said that last year, when actor David Niven led off the series and was followed by writer Marjorie Holmes, naturalist Jean-Pierre Hallet

and television personality Virginia Graham, the total season ticket sales were 950.

"As of Friday, Sept. 20," she said, "we had sold 680 for the current series."

She added that many reservations come in the final month before the lectures begin. This year's program also includes appearances by actress Betty Jo Hawkins, newsman Charles Osgood and food authority James Beard.

BOTH THE LIVONIA and Northville Town Hall series are priced at \$12 for the four-lecture series. Livonia also sells tickets for \$20 and patron tickets for \$35.

The celebrity luncheons that follow the Livonia programs will take place again this year in the Mayflower Meeting House, Plymouth.

For both series, celebrity luncheon tickets should be reserved the Friday preceding each lecture.

Town Halls at a glance

LIVONIA

Oct. 16, Erma Bombeck
Nov. 20, Charles Osgood
Jan. 15, Betty Jo Hawkins
March 19, James Beard

NORTHVILLE

Oct. 10, Nancy Dickerson
Nov. 14, William Albright
March 13, Joe Callaway
April 10, Bill Keane

All lectures at 10:30 a.m. in the Mai Kai Theater, Plymouth and Farmington Roads, Livonia.

Season tickets, \$12. Call Mrs. Richard Dahler, 32284 Allen, Livonia.

Celebrity luncheons in the Mayflower Meeting House, Plymouth. Luncheon tickets \$4 each. Call Mrs. Carl Quist, 16942 Yorkshire, Livonia.

All lectures 11 a.m. in Madonna College auditorium, 36600 Schoolcraft, Livonia.

Season tickets \$12. Order from Northville Town Hall Series, Box 93, Northville. Mrs. Donald DiComo, ticket chairman.

Celebrity luncheons in Farmington Holiday Inn, 10 Mile west of Grand River. Luncheon tickets \$5 each. Order from Northville Town Hall Series, Box 93, Northville. Mrs. Richard Booms, luncheon chairman.

Fall's crunchy apples set for family picking

BY SHERRY KAHAN

Fall brings colorful leaves and the chance to sink your teeth into a round, red, succulent apple.

Fall also brings the opportunity to load the family into the car and head into the country to orchards which encourage you to save money by picking your own apples.

One of these places is Foreman Orchards on Seven Mile, west of Northville.

BEGUN IN 1930 by Ralph Foreman Sr., the company opened its orchards to the public three years ago. While the senior Foreman still enjoys helping out around the place, the company is now under the direction of his son, Ralph Foreman Jr.

"I think apple picking is a good way to get out with nature and away from the turmoil of city living," said the junior Foreman. "Out here in the country it is quiet and serene. A family can have a nice enjoyable day."

It might be correctly said of Foreman that he learned his job from the ground up. His first recollection of working in the orchard was picking apples off the ground when he was seven or eight.

At 10, 11 and 12 he drove a team of horses which pulled the spraying rig.

This weekend Northern Spy and Rome Beauty apples will be the principal varieties of apples that can be picked at his orchard.

The cost will be \$5-\$6 a bushel.

THE ORCHARD offers pickers a taste of farm life by taking them to the apples. Over the fields and

through the woods to the apple trees they go—in a wagon pulled by a tractor.

Once there, they can prop up the three-legged ladder provided by the management, which allows them to pick up to what Foreman believes is a safe level. Signs request that no one climb the trees.

Foreman Orchards consists of 50 acres of trees with about 30 acres in apple trees. Ten acres hold pear trees, five hold sweet cherry trees and five are for sour cherries.

Pears can be picked around Labor Day. Sweet cherries are due around July 4 and sour cherries about a week later.

"We are trying to carry over our country image into our cider shop," said Foreman who added both cider and donut facilities three years ago. "Our best cider is a blend of various kinds of apples."

FOREMAN CAN'T SAY which is his favorite apple. "I eat them all as they come along," he said. "Each apple has its own particular taste and characteristic."

So evidently does each business. "It's a living," said Foreman about the orchard industry. "We have trouble with freezes in early spring and sometimes hail storms try to wipe us out. This year the drought is affecting the size of the apples."

The public is usually pretty good to work with, he noted. "We get comments from people that they enjoy both the wagon ride and picking the apples," he said.

ANOTHER APPLE GROWER in the area is Viola Holman whose 12-acre spread surprises people. Tucked away east of the HY-Grade plant on busy Plymouth Road in Livonia, the orchard is unnoticed by most.

Mrs. Holman, who has lived in this spot for 30 years and started some of the trees herself, went public with her orchard five years ago.

"My husband was sick and couldn't pick them and I couldn't either," she said. "Quite a few people come. We used to have a big peach orchard but the trees died out and we didn't put in any more."

Instead of picking apples, Mrs. Holman devotes her fall days to making applesauce, pies, baked apples and she sometimes cans apples for future pies.

Other pick-your-own apple orchards within an hour or so of driving include one in Plymouth Township on N. Territorial Road, west of Beck and east of Ridge, and Spicer's Heartland near Flint. This can be reached by driving north on US-23 to the Clyde Road exit.

Near Wixom is Oakland Orchard located one mile east of Milford on E. Commerce while Blake's Orchard-Cider Mill lies 4½ miles east of Romeo. Big Red Apple orchard lies three miles west of Romeo.

Rapp's Rose Haven orchard is about a mile north of Armada and G. E. Seeley's orchard is at 30455 Haggerty between 13 and 14 mile roads.

Since orchards sometimes specialize in only a few kinds of apples, it is wise to call in advance to ask whether apples are still available before embarking on a long drive.

THE FAMILY that picks together sticks together, believe Livonians Gene and Carol Skamera and their three children. Marc is standing beside his father and Steven and his sister Kim are on the ladder at the Foreman orchard. (Staff photos by Sherry Kahan)

Schoolcraft senior forums deal with nursing, law

Schoolcraft College will take its concern for the elderly into the community when it launches its senior forum in Livonia Tuesday, Oct. 1.

On that day it will begin a series of lectures on home nursing at the Livonia Senior Center, Five Mile and Farmington.

Also during October the college will offer a senior forum series on the legal affairs of the older adult in the Plymouth Cultural Center, 525 Farmer.

The talks on home nursing will be repeated during November in the Schoolcraft College Center, 29205 Florence, Garden City.

Both nursing courses will be taught by Maud Piggot, a registered nurse who is also a senior citizen.

THE FIRST LECTURE will concern maintaining health and recognizing illness. The second will concern body mechanics and the third will be on personal services for the bed patient. The final class is called medicines and simple treatments.

In the Livonia Senior Center the courses will be held on Tuesdays from Oct. 1 through Oct. 22 from 10 a.m. until 12 noon.

At the Schoolcraft Center in Garden City the lectures will be offered Tuesdays from Nov. 5 through Nov. 26 at the same hours.

THE FORUM in the Plymouth Cultural Center will open on Friday, Oct. 4 with a discussion between 10 and 11:30 a.m. on "Important Banking Facts for the Older Adult" led by Loretta McGee, assistant manager of

the Plymouth branch of the National Bank of Detroit.

On the following Friday at the same time "Housing Rights of the Older Adult" will be the subject of the day. Speakers will be Robert Reed of Michigan Legal Service, James Houk of the Plymouth-Canton Development Commission, and Fran Yocum, manager of Tonquish Creek Manor apartments for the elderly.

On Oct. 18, Win Schrader Jr. of Schrader Funeral Home will give a talk on "Facts Every Family Should Know About Funerals." It will be followed on Oct. 25 by a lecture on "Wills, Estates and Other Legal Concerns" by Richard Wernette, attorney.

There is no charge for senior forum lectures.

REACHING FOR A HIGH ONE is Gary Pacholek of Livonia.

Allen-Thibodeau

Mr. and Mrs. Robert Allen of Livonia announce the engagement of their daughter, Rosemary Joyce, to Allen Thibodeau, son of Mr. and Mrs. Harvey Thibodeau of Farmington Hills. The wedding will be Oct. 12.

Walker-Graham

Mr. and Mrs. David P. Walker of Laurel Avenue, Livonia, announce the engagement of their daughter, Susan, to Thomas A. Graham Jr., of Southfield, son of Mrs. Thomas A. Graham of Oreland, Pa. The bride-elect is a senior at Eastern Michigan University. Her fiancé graduated from EMU in 1974 and is a teacher and swimming coach in the Clarenceville School District. A December wedding is planned.

Babb-Colladay

The Rev. and Mrs. Raymond E. Babb of John Hawk Street, Garden City, announce the engagement of their daughter, Rhonda Ellen, to Patrick T. Colladay, son of Mr. and Mrs. Albert Sperry of Garden City. The bride-elect is a graduate of Garden City West High School and Schoolcraft College and is employed as a registered nurse at Annapolis Hospital. Her fiancé, a Garden City East High School graduate, attended Schoolcraft and now is studying at Detroit Bible College while serving as pastor of Canton Baptist Church in Canton Township. The wedding will be in November in the Merriman Road Baptist Church.

Hyatt-Chamoun

Mr. and Mrs. Fred Hyatt of Summers Avenue, Livonia, announce the engagement of their daughter, Denise Lynn, to Fady F. Chamoun of Bonnie Drive, Westland, son of Mr. and Mrs. Fares Chamoun of Falough, Lebanon. A Nov. 2 wedding is planned.

Salyer-Benson

Mr. and Mrs. Herbert T. Salyer of Morgan Avenue, Plymouth, announce the engagement of their daughter, Kimberly Ann, to Steven Scott Benson, son of Mr. and Mrs. Robert C. Benson. Both are 1973 graduates of Plymouth High School. The bride-elect is studying at Schoolcraft College and employed as a secretary by Guyall, Inc., and her fiancé is a sophomore at Eastern Michigan University. No wedding date has been set.

WE'RE DEDICATED to our chosen profession and devoted to one common purpose...helping people through one of life's most trying times.

Bike clinic scheduled at Northwest Y

Safety rules for bikers will be among the informational material offered to teens joining the bike clinic this fall at the Northwest Branch YWCA, 25940 Grand River, Redford Township.

Material on bike repairs, advanced riding skills, bike trails and trips also will be offered at the five-week clinic, which will take place on Thursdays from 4-5 p.m. beginning Oct. 3.

There will be an all-day trip at the completion of the course. Participants should bring their bike to each session and pre-registration is advised. The fee for the bike clinic is \$6 and YWCA membership, which is \$3 per year, is required for this and all YWCA youth programs.

Other programs for teens include cooking for fun, drivers education, art, guitar, piano, tutoring, gymnastics, swimming and a Saturday Sampler that includes everything from yoga to jam sessions.

Courses for girls include sewing, skin and hair care, Y teen clubs and an October college tour.

Sub-teens are offered a Saturday recreation program from 9 a.m. to 12:30 p.m. including a swim class, gym, games, crafts, gymnastics, tap dance, ballet, art and piano. Specialized courses for pre-schoolers are offered in ballet, art, gym and swimming.

Registration is now open for all YWCA programs. Swimming began the week of Sept. 16. Other programs begin the week of Sept. 23.

Livonians will aid Old World Market

Five Livonians will work as volunteers at the 42nd annual Old World Market, Detroit's original ethnic event, when it opens Thursday, Oct. 3 at noon in the International Institute.

Presiding at a gift booth and a food booth will be Mrs. Rigmor Cuolahan, who is sponsored by the Sons of Norway. Serving as general volunteers will be Mr. and Mrs. Tom Rybak, Mrs. Donna Burk and Mrs. Sharon Griesser.

Visitors to the market this year will be able to watch potters, weavers, dollmakers and other artisans at work. They will dine in ethnic cafes, purchase food specialties of 15 nationalities, buy gifts from around the world, have a cool drink in the giant beer tent, dance in the street and see a variety of staged entertainments.

Local theater opens season

The Theater Guild of Livonia-Redford will open its 1974-75 season with two one-act comedies on Friday, Oct. 11, at 8:30 p.m. in the playhouse, 15138 Beech Daly.

"The Real Inspector Hound" is a farce by Tom Stoppard. Two critics enter their seats in a theater; one is lustful and the other is a substitute for the regular critic.

The play-within-a-play opens with a featherdusting scene and continues with many double-enders and double identities. Eventually, the critics become involved in the on-stage action.

"Noon" is a farce by Terrence McNay, originally produced in the trilogy, "Morning, Noon and Night." A jokester who never appears has invited a group of people to a loft for a fun afternoon.

Each guest thinks he or she is there to meet someone of similarly kinky tastes. The Guild has given this production an "R" rating and it is recommended for adults only.

Many areas are represented in the two plays. Directors Dennis Broadhead ("Hound") and Marion Tournauud ("Noon") are from Farmington.

Cast members are Jona Godman, James King, Kevin McGee, and David Tucker of Livonia; Kati Beddow and Fred Bush of Franklin; Pat Dorrian, Plymouth; John Powers, Southfield; Mattie Wolf, Berkley; Angus Wrigley, Belleville; Warren Reinecker, Royal Oak; and Susan Taranowsky, Westland.

Performances are scheduled for Friday and Saturday, Oct. 11 and 12, and Friday, Saturday and Sunday, Oct. 18, 19 and 20. Curtain time is 8:30 p.m. and 7:30 p.m. on Sunday.

For tickets contact Mrs. David A. Tucker, 11414 Auburndale, Livonia or

Girl Scouts

The Plymouth-Northville Area Association of the Huron Valley Girl Scout Council will meet Wednesday, Oct. 2 from 7:30-9 p.m. in the United Presbyterian Church, 200 E. Main, Northville.

Chargers win, 7-6

Churchill upsets Mott

Make no mistake about it—Ken Kaestner's Churchill Chargers stuck it to the No. 3 team in the state and on that job couldn't have been sweeter.

It was Livonia Churchill 7, Waterford Mott 6, in the Western Six opener and, yes, this was the same Churchill squad that only seven days prior had been demolished by Westland John Glenn, 19-0.

"We simply beat up the No. 3 team in the state," commented Charger assistant coach Roger Frayer. "We made a few changes after that Glenn game—we had to and did they ever pay off."

AND PAY-BACK had to be a factor in this one-pointer as the Chargers hadn't forgotten that 40-7 defeat at the hands of loop champ Mott last year where it called time-out in the closing seconds for time to set up for a field goal.

And to really make the pain deeper, Mott beat itself on a penalty that an official or two built up his nerve to call at Mott where things have been known to usually go the "homers way," rallied back to score with 40 seconds left in the half. Tim McKay split the uprights in what appeared to be the tying score.

But Mott was penalized 15 yards for a personal foul—one of the 11 on the field did not have a mouth guard.

Back on the 18, the following extra point attempt just sailed under the cross-bar and it stood at 7-6 the rest of the way.

It was win No. 2 into '74 for Churchill which hosts Walled Lake Western this Friday afternoon.

THE CONTEST opened with Churchill's Paul Schultz returning the kickoff 90 yards for a score only to have it called back on a clip.

After a scoreless first quarter, Churchill got on the board with 7:24 remaining in the half. Starting from its own 40, after a punt, play No. 2, saw QB Mike Strejcher loft a pass 40 yards in the air. Jim Wright ran a down-out-out pattern, hauled in the aerial toss and spurred the remaining 20 yards.

Matt Foster then converted Churchill's first extra-point attempt of '74 to make it 7-0.

Mott came right back at Churchill with a personal foul moving the ball to the Charger 19. Waterford QB Matt Treas tossed to McKay on an option play and the back spurred the distance for six.

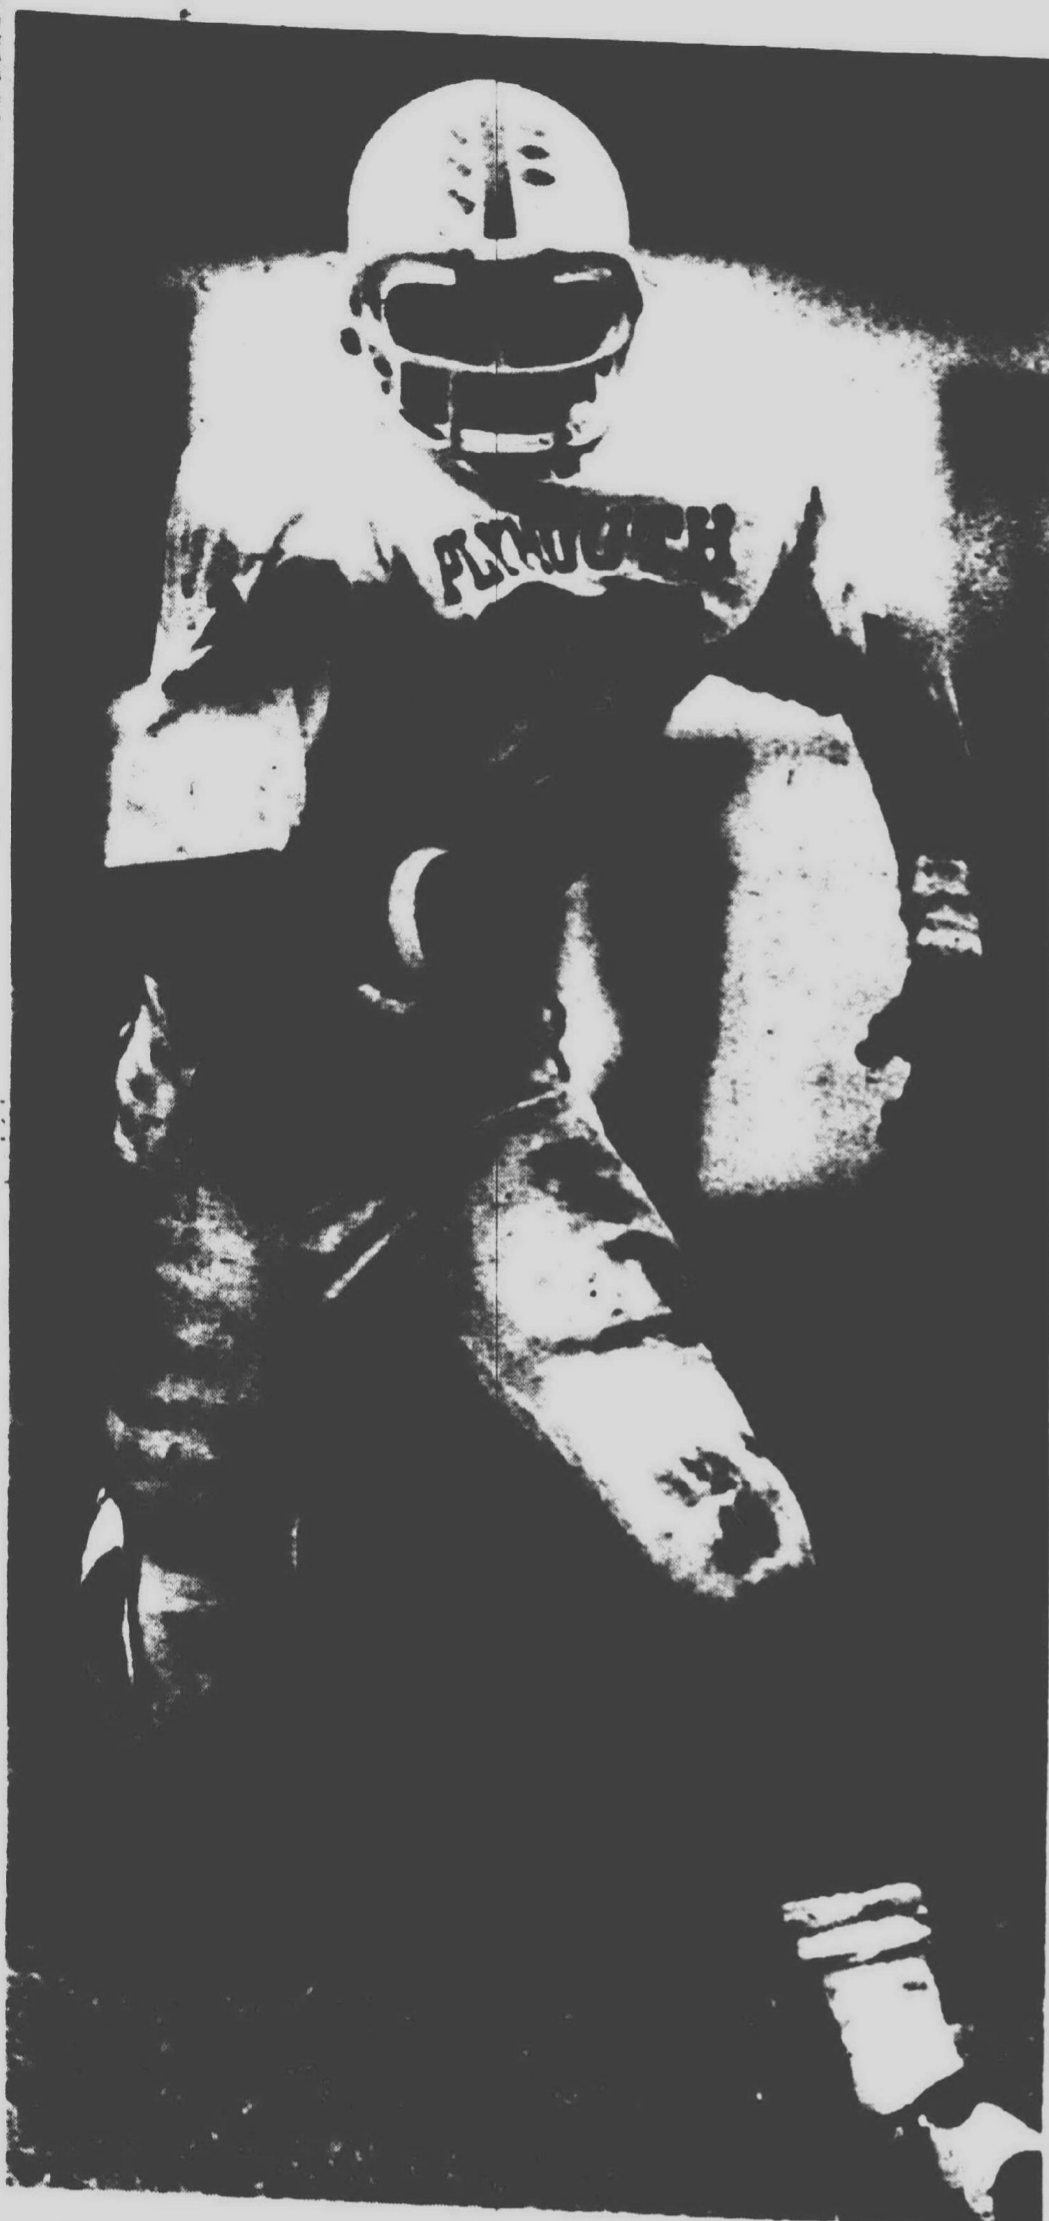

Then came the play that told the story on the extra point conversions, the first making it but the one that counted just falling short.

Churchill's defense held Mott to just 56 yards on the ground and 39 in the air, four firstdowns and two of those coming via penalty.

MEANWHILE the Chargers totaled 167 yards on the ground and it was sophomore Ron Wilks in his first varsity start that paced the Churchill attack.

The 5-foot-10, 165 pounder picked up 60 yards in 20 carries. Streicher added 41 in 10 carries. Foster pounded out 54 and Groth added 12.

Mott's game fell apart in the turnover department as it fumbled five times and lost three of those with Churchill's Jeff White, John Curran and Keith Yeager doing the recovering.

RU 3-milers nip Belleville, 29-30

Redford Union scored its first cross country win in the Suburban Eight this season in a narrow, 29, to 30, triumph over Belleville.

John Shannon, of RU, scored individual honors with a 16:42 first followed by teammates Doug Milne in 17:07

and Mike Hasty in 17:10. Belleville's Tom Kos ran fourth in 17:16 and was followed by six Tigers before Tom Sionkowski got RU back on the board with an 18:13 11th place and Scott Gardner wrapped up the one-point win with an 18:47 12th place slot.

Unbeaten Rocks ready for Bentley

Plymouth Salem shatters Edsel Ford

BY TOM DONOGHUE
Sports Editor

Tom Moshimer and his staff are on top of the area prep football world this week.

His Plymouth Salem Rocks simply stuck it to Dearborn Edsel Ford, 15-7, and that "stick" might prove to be enough to keep Salem on top for awhile, if not the rest of the season.

Salem is now 3-0 into '74 and 2-0 in the Suburban Eight with Bentley coming up Saturday night on the Rock gridiron.

If the Rocks can hang on to their "Bulldog charm", the title race could boil down to an Oct. 18 clash at Allen Park.

Salem has downed the Bulldogs the past four years, the last two both by three points, 18-15 last year and 24-21 in '72.

AFTER TRAILING 7-0 at the half against Edsel Ford, Salem put it together with a safety cutting it to 7-2. A 22 yard romp by Charlie Johnson and point after upped it to 9-7. A Tim Dillon to Pete Wiltsie pass finishing it off.

This is year No. 5 for Edsel Ford in the Suburban Eight and this marked the first grid victory for Plymouth over the Thunderbird crew.

Moshimer and his crew, which had

to overcome a misguided clock, relinquished every moment of that second half.

Salem slammed the door on Edsel Ford in the second half.

Ford was held to just 11 offensive plays during that 24 minute spar and could muster only one yard.

"This was a great one for us," commented an elated Moshimer. "The kids really came back the second half. We knew we had to shut-off their passing game and that's just what we did."

The first half was anything but smiles for Plymouth with two fumbles and two terrible punts all but spelling defeat for the Rock squad.

PLYMOUTH TOOK the opening kickoff and started on its 28. Two plays later, Johnston broke loose for 33 yards to the Edsel Ford 33. But Johnston fumbled on the next play and Ford took over.

After the Rock defense held, Salem also failed to move the ball and Ford took over on its 30, was halted and gave Salem control on its own 15 on a bad snap to its punter.

Doug Tripp moved the ball to the Thunderbird 10 but again a fumble turned things around with Ford recovering at the end of the first quarter.

Steve Betz started moving his Edsel Ford club that had topped Bentley, 14-6, a week prior. Betz was belted by the Rock front-line on a pass play and Doug McCowan recovered for Plymouth on the Rock 14, with 7:52 remaining in the half.

After three fruitless offensive plays came Johnston's bad punt No. 1 that carried only 16 yards and Edsel Ford had the ball and a first down on the Salem 30.

Betz made quick work this time around and hit Joe Corcoran for six points. Bob Dahmen converted to make it 7-0.

Four minutes later it looked like doomsday for Salem as another Johnston punt set up Edsel Ford. A 17 yarder off the foot of Johnston gave the Thunderbirds the ball on the Plymouth 37 and that's when the clock also gave Ford the score.

The clock was going through all sorts of contortions in that final minute of the half with Edsel Ford end sweeps taking up only four seconds and time backing up instead of progressing.

Coach Moshimer and his staff were up in arms and finally the officials realized that the last minute had taken already three.

"WE FINALLY got the officials to agree to keep time on the field the second half," said Moshimer. "That clock almost cost us a touchdown and maybe even the ball game."

A pass interception by Dillon with six seconds left and Ford on the Salem 11 halted things that first half.

Ford took the second half kickoff and wound up punting to the Salem 37. Johnston picked up one firstdown for Salem but was forced back into another punting situation.

Johnston quickly turned from "goat" to hero as he booted a 53 yarder that was ruled dead on the Ford one.

The kick set up Salem's first rally with Betz tripped in the end zone on the first play from scrimmage.

Trailing now by just five points, Salem took over on its 34 after a clip on the free-kick. Agnew broke to the Ford 43 for a firstdown. Dillon picked up another at the 22 and with 1:30 left in the third quarter, Johnston dashed around left end for a 22 yard score.

Tripp converted and it stood at 9-7 Salem and how quickly Johnston had turned things around.

The 5-foot-10, 169 pound Johnson was in only his second varsity clash ever as the junior is the replacement for running back and punter Doug Ward who broke his arm in the '74 opener.

Agnew set up the next Rock score, intercepting a Betz pass and Salem took over on the 50. Johnston sped to the 22, and Dillon connected with Wiltsie for six points in the air.

The point after was wide but Salem had itself a most impressive victory.

AN INTERCEPTION by Dan Ross in the closing seconds killed off Ford's final threat.

Salem finished with 239 yards on the ground, Johnson picking up 106 in 12 carries and Agnew 39 yards. Edsel Ford was held to 119 rushing and only 37 in the air, hitting on four of 17 passes. Betz was 0-6 in the second half.

Dillon's aerial assault featured one completed in two attempts, the one going for 22 yards and six points. Now comes Bentley and Moshimer knows he has a tough opponent in the Bulldogs which are bigger, in size than his Rock crew.

"We won't be able to zero in on any one phase on Bentley's game like we did on Edsel Ford," commented the Salem coach.

"We wanted the Edsel Ford game, we got it. Now we have to go after Bentley."

SALEM COACH TOM MOSHIMER Trailing At The Half, 7-0

THAT SAME TOM MOSHIMER Taking Edsel Ford At The End, 15-7

North Raiders jump on John Glenn fumbles

POUNCING ON A LOOSE BALL is North Farmington's Steve Kotecki (42) with John Glenn's Fred Shoemaker(21) caught wondering how the ball got away from him. North also

caught the Glenn Rockets in the Northwest loop opener, 10-6. (Staff photo by Tom Donoghue)

BY TOM DONOGHUE
Sports Editor

The Raiders of North Farmington just held back a spirited Westland John Glenn charge.

Twice, Glenn moved within the Raider five yard line only to be stopped each time, and North hung on for a 10-6 Northwest loop victory.

"We had our chances but just couldn't do it," commented Glenn Coach Lloyd Carr whose Chargers had ripped Churchill apart the week before, 19-0. "The kids played their hearts out but we made too many mistakes."

For North it was win No. 2 against one setback.

"We just didn't throw the ball well," said North coach Ron Holland. "We had our chances to break it open but didn't."

NORTH RECEIVED the opening kickoff and after picking up one first down, gave Glenn a scoring chance when John Jajich's punt was blocked by Glenn's Chuck Squires, and the Rockets took over on the North 26.

Glenn's Fred Shoemaker got it down to the 21 but a pitch from QB Terry Johnson to Terry Bixler bounced loose and the Rockets were back on their 27.

On a fourth and 11 play, Johnson connected with Bixler for a screen pass to the North 14 for a first down.

Bob Eisiminger carried it to the nine, Shoemaker to the six and on a quarterback keeper, which picked up another firstdown, Glenn was hit for a five yard penalty.

Glenn found itself pushed back even more with Shoemaker knocked back to the 13. A fourth down pass failed and North had survived one-turnover drive.

AFTER AN exchange of punts, North took over on its 46, with one minute remaining in the first quarter. On the first play, Steve Kotecki, broke four tackles and sped 56 yards for six points. Jeff Lenberg converted and it was 7-0.

Glenn fumbled on its next series down on the North 14 with Kotecki recovering to halt another Rocket drive. After an exchange of punts, North starting moving, with Glenn's defense called upon to stop the Raiders on the

Rocket six to end the first half.

Bob Scibiorski's pass interception with 5:56 remaining in the third quarter gave Glenn control on the North 32 but a penalty on the run-back pushed the Rockets back to their own 34.

That's when Shoemaker, at 5-foot-5 and 138 pounds, broke around right end and got as far as the Raider three yard line before being pushed out of bounds.

It was third down and one when North's Tom Moore met Glenn QB Johnson at the line. Johnson fumbled and Todd Byrne recovered for the Raiders—another Rocket drive was halted.

North punted out of that spot and Glenn wound up with good field position at the Raider 41. But Carr found he was without the services of his No. 1 quarterback Johnson who was shaken up on the last offensive set.

In went Todd DeLuca and after a clip call against Glenn, the new QB hit Bixler on a 59 yard touchdown play to end the third quarter.

With his "holder" Johnson out, Carr elected to go for two points and DeLuca was stopped on a QB option play to make it 7-6, 12 minutes remaining.

Jim Hawkins intercepted a North pass to get things going for Glenn in the fourth but the Rockets returned the favor when Moore picked off a DeLuca pass to give North control at its 47 with 9:05 left.

Then came a drive that saw Bill Lough pick up two firstdowns and Kotecki one down on the 11. Kotecki drove to the three and on the following play, Lough plunged into the endzone but no touchdown was called.

LOUGH FUMBLEd Glenn's Hawkins pounced on it and Glenn was given the ball on its 20 - no touchdown and a break for Glenn.

But the Rockets once again turned

the ball over with a DeLuca pass intercepted by Lough. Lenberg finished off the North attack with a 38 yard field goal with 33 seconds remaining to up it to a four-point win.

North wound up with 211 yards on the ground, Kotecki carrying for 118 and Lough for 61. The Raider passing game saw Moore zero for six.

The combined efforts of Johnson and DeLuca accounted for 114 yards in the air for Glenn on seven of 14 passes while its ground game netted only 80 yards.

"We are not out of this race yet," commented Carr whose Rockets play Franklin Friday night. "One loss is going to win this thing."

Racquet Club has new pro

Brian Murphy, 26-year-old Westland pro, has been added to the tennis teaching staff of the Northwest Racquet Club. He will have the responsibility for group and private lessons throughout the fall, winter and spring seasons.

Murphy has been an instructor in the area for the past nine years and is well-known to most tennis enthusiasts in the Livonia-Westland sector.

He is a product of the Garden City school system and played collegiate tennis under Dearborn's Sherman Collins at Henry Ford Community College.

His teaching experience includes: Dearborn Dept. of Parks and Recreation, Ford Motor Tennis Club, Dearborn YWCA; University of Michigan-Dearborn and the Westland Racquet Club.

East air-game dumps Thurston

By ANITA CRONE

Wet weather is good for flowers, grass, trees and ducks. Wet weather is not particularly appreciated by Panthers—and the Garden City East varsity football squad is no exception.

Wet weather makes the football slippery and wrecks havoc with a strong passing game—a forte of the Panthers.

A downpour which started with the opening kickoff held Coach Gary Humphrey's gridders to only 14 yards in

the air during the first quarter.

But the rain was not enough to keep East from coming on with an aerial attack, and up its record to 3-0. The Panthers handed a young Thurston team its third loss, 27-12.

After an exchange of punts, Thurston committed error No. 1.

Eagle co-captain Tom Szpond fumbled the ball on his own 26 yard line, and Panther defensive end John Sullivan scooped up the loose ball.

With 7:15 remaining on the clock, the Panthers found themselves on the Eagle 26-yard line.

Eight plays later, Panther quarterback Britt Ponte sneaked in from one yard out.

The extra point attempt by John Barnstable failed and the score stood at 6-0.

The second error by the Eagles was a heart breaker for the Thurston fans. A 67-yard touchdown run by Eagle halfback Gary Abundis was called back because of an offsides call. The first quarter ended with the Panthers holding on to a slippery six-point lead.

In the second half the Panthers put it together, with quarterback Ponte hitting his fullback Joe Beczselko who caught the first of his three touchdown passes for the Panthers—a 66 yarder.

Beczselko seemed to have no trouble hanging on to the passes and scored late in the third quarter on a 53 yard pass play and again on a 10 yard pass in the fourth quarter.

An East fumble put the Eagles in scoring position with less than two minutes left in the half.

Szpond, who had his troubles hanging onto the football, fumbled, and put the Eagles on the Panther 32.

Six plays later, senior quarterback Jerry Janssens bounded into the end zone from the one-yard line to put the Eagles on the board for the first time. An attempt for two points failed, and the half ended with the edge going to Garden City, 13-6.

Barely into the second half, Thurston came up with its final score of the game, using up eight plays to score.

Abundis was the offensive leader as he picked up three key yards rushing and passed for 20 yards to tight end Brian Garber for a score.

The two-point conversion failed, and with it any hope of stopping Garden City.

The second half of the game belonged to Beczselko and the Panthers. The football was dry enough to allow Garden City to open up its passing game, and Beczselko caught and ran in for two touchdowns.

"We were fortunate to win the game," said Coach Humphrey. "The rain really hurt us. We like to throw and run the option, and a slippery field cuts down on our maneuverability."

Despite the rain, the Panthers had the ball in the air for a total of 193

yards, and Ponte had seven completions in 15 attempts.

Using two quarterbacks, Thurston managed only 26 yards in the air, while picking up 139 yards on the ground.

"They killed us in the air," said Eagle coach Don Riehl. "You can't give up four touchdown passes and expect to win," the Coach added.

"But we didn't give up, and we are not going to give up. We played a much more solid game than the score indicated. As long as the boys don't give up, we're going to come through. We have quality ball players, and a quality team," Riehl concluded.

Thurston will meet Oak Park at Oak Park Friday afternoon, while East will travel to North Farmington Saturday afternoon.

Stevenson gridders jar Inter-Lakes foe, 20-3

By ARTEE

After a slow first half during which nothing seemed to work, Livonia Stevenson roared back to hand Waterford High its third straight defeat, 20-3. It was the second win in three starts for Stevenson and its first in the Inter-Lakes Conference. The Spartans face one of their stiffest league assignments next Friday night when they go to Pontiac to meet the highly touted Pontiac Northern team. It will be the first loop test for Northern which had to cancel its first two games while awaiting the outcome of a millage vote. The millage passed and sports were immediately reinstated to the school program.

Stevenson fumbled, tumbled, stumbled and did everything a good football team shouldn't in the first half and still wound up with a 6-0 lead.

Coach Jack Reardon had time during the rest period to go over some of the mistakes and whatever he said worked wonders for it was a different team on the field for the second half.

Senior Dave Norman put the Spartans on the scoreboard midway through the first quarter when he intercepted a Bill Foster aerial on the 25 yard line and darted in for the touchdown. John Lokar's placement was blocked but the Spartans held 6-0 edge.

Fumbles and other misplays kept the Spartans in trouble during most of the second period and the visiting Skippers didn't offer much either... the result was a scoreless quarter and the teams walked off the field at half-time with Stevenson still only one touchdown ahead.

The Livonians widened the margin to 13-0 midway through the third frame when Quarterback Bruce Nichols whipped a 25 yard pass into the arms of End Mike Gallagher for the second TD. This time John Lokar's placement was good and the Livonians had a 13-0 edge.

The Skippers, sparked by the passing of Foster, worked the ball deep into Stevenson territory before the Spartans tightened their defense and held three times on the 25 yard stripe. On fourth down Halfback Sam Simmons split the posts for a field goal to trim the lead to 13-3.

The Skippers had the ball of their own 35 to start the final period and decided to try the aerial route again to see if they could dent the Stevenson defense.

They didn't and on the first play John Lokar intercepted a pass on the Stevenson 45 and raced all the way to the Waterford 20 before he was forced out of bounds.

It appeared as if Stevenson would

have little trouble getting the touchdown and it didn't when Nichols tossed a lateral to John Lokar who squirmed away from three tacklers and made it into the end zone. But the officials declared it was a forward lateral and illegal and cost Stevenson the touchdown and a down.

John Lokar spun through tackle for three but was given a rude reception by an overzealous Waterford tackler and the ball was moved to the eight for roughness. It also was a first down.

It was a good thing for Stevenson it did have four more tries since John Lokar and Chuck Demarco only moved the ball to the one in three tries.

Then on fourth down, Nichols handed off to John Lokar on a sweep off left tackle and he was in standing up. This time Lokar converted and Stevenson had a 20-3 margin.

Coming back after the kickoff, the Skippers went to the air in a desperate effort to score but couldn't dent the Spartans defense. Kevin Bates dropped back to punt and booted the ball 63 yards into the end zone for the longest kick of the season at Les Anders field.

The Spartans were on the march again but the final gun sounded with the ball on the Waterford 48.

Bulldogs bounce back, 23-8

Bentley tops Belleville

Bentley head grid coach Glen Goode didn't know what to expect.

The second step into the '74 campaign saw his Bulldogs drop their Suburban Eight opener to Dearborn Edsel Ford and the tabbing of "Year of the Bulldog" was looking a little shaky.

But all it took was another trip out to its home field to jump into the loop victory column in 23-8 style over the Tigers of Belleville.

Bentley pumped in 10 points in the opening quarter, added 13 in the fourth while Belleville was held to eight in the closing minutes.

"We put so much into that Edsel Ford game that I just wasn't sure what to expect from this one," commented Goode whose gridders are now faced with a do-or-die situation Saturday night at Plymouth Salem.

The Bulldogs travel to Salem to meet a 3-0 club that has outscored its opponents, 55-27, and stand at 2-0 in the loop after handling Edsel Ford, 15-8.

"Here this is supposed to be our year and bingo, we lose one early," added Goode. "But I tell you what, we regained our confidence in the Belleville win."

"I was sort of surprised of how good Belleville actually was," he added. "This Suburban Eight keeps me up at night, not knowing what to expect week from week."

"Sure I was worried about a let-down after the loss but now I am worried about Plymouth Salem," commented Goode whose Bulldogs now stand at 2-1 into the season.

"I guess the pressure is more on us. The defenses will determine the outcome of this one and I will promise you one thing. It is sure going to be one hell-of-a ball game."

Bentley has to be looking for some sort of lucky piece as Goode's crew has lost to Plymouth the past four years and a defeat here could knock the Bulldogs out of loop contention and back to the doghouse named "the year of the Bulldog" that was supposed to have been.

Belleville had won its opener over Wayne Memorial but fell to powerhouse Allen Park, 20-0, on two blocked punts before the Bentley clash.

"This was some kind of scrappy ball club," noted the Bentley head mentor.

The Bulldogs kicked off to open the 48 minute contest and after two plays, Belleville fumbled with Dan Tabynski recovering for Bentley on the Tiger 38.

And with just two minutes elapsed, Goode's question marks were answered when Bruce Boudnek scored from three yards out.

Tim Oakley added the point after and Bentley had a 7-0 lead.

Belleville again fumbled and this time Dave Marconeri pounced on it for Bentley on the opponent's 40. The Bulldogs failed to carry it in this time but put three points on the board on a 15 yard three-pointer by Oakley and it stood at 10-0 at the half.

After a scoreless third quarter, Bentley got back on the board early in the fourth. Bill Deacon capped a 75 yard march with a 20 yard burst to paydirt. Oakley converted and the Bulldogs were in command, 17-0.

Belleville failed to put together any resemblance of an offense and after a short punt, the Bulldogs had control on the Tiger 38.

Backup quarterback Russ Hodges dashed in from 19 yards out, the point after failed but with five minutes remaining, Bentley's cushion was up to 23 points.

Belleville finally managed to put together an assault against the Bulldog second team defense, marching 70 yards in four minutes with Mark Verrot scoring on a six-yard dash.

Bob Lorraine ran the twopoint attempt.

Bentley piled up 12 first downs and rushed for 238 yards with Boudnek the real workhorse with 103 yards picked up in 20 carries. QB Deacon chalked up 35 yards in five carries and Mike Penny 17 yards in three tries.

Chiefs score 1st loop win ever

Plymouth Canton whips WL Western, 27-15

Plymouth Canton finally put it all together with the end result their first grid victory in the Western Six. With everyone back off a "junior team" that went 0-5 in the loop last year. Jim Muneio's crew went down to defeat in the first two of '74. A journey to Walled Lake Western took care of growing headache. After taking an 8-7 lead at the half, Canton scored twice in the third quarter and added one in the fourth to take home the "first" in 27-15 fashion. And with Livonia Churchill upsetting Waterford Mott, 7-0, and Northville suprising Farmington Harrison,

the Western Six reveals signs of anyone for the asking. "Our kids finally executed," commented Muneio whose Chiefs meet a 3-0 Northville club at home this Friday. "This had to be our best hitting game." Canton had dropped its opener to Grosse Ile, 14-0 and fell to Dearborn Heights Annapolis, 9-7, before the Western contest. "We just clicked that second half," added the Canton coach. "We stopped making critical errors that were killing our drives. I really believe that we can make a run at the Western Six now. I

wasn't that surprised of Churchill beating Mott." "Northville is our key now," finished Muneio whose Chiefs haven't forgotten that 7-0 defeat against Northville last year. The first offensive play of the game against the Walled Lake club had to give Muneio visions of No. 3 into the loss column. Mark Shurmur spurred 60 yards around end for six points and the senior fullback kicked the conversion to put the Chiefs down, 7-0. Canton woke up in the second quarter against the then 1-1 Western

squad. On a drive started on its own 22, play No. 12 saw Mike Ogden score his first of three touchdowns on a 12 yard dash. Ogden also made good a two-point run and Canton had an 8-7 margin at the half. The opening drive of the third stanza put Canton back on the board. A 13 yard screen pass from QB Tom Close to Ogden struck for six and Risti Mihailovich added the point after to up the Chief margin to 15-7. A 76 yard punt off the foot of Canton's Brian Stemberger set up the next Chief score. Western found itself

down on its one and forced to kick from its end zone after failing to move the ball. Canton took over on the Western 30 and Ogden made good the short drive with an 11 yard burst. The conversion was wide but the Canton margin wider at 21-7. A three TD sweep by Scott Dunagan capped Canton's next 50 yard march to complete the winning assault. With 2:15 remaining, Western eased the pain of defeat with Shurmur scoring from one-yard out to finish off a 60 yard drive. Shurmur did his thing

on the two-point play and the end saw Canton a 12 point-victor. Canton won the first down game, 13-10 but lost out in the rushing department, 258-256. Canton's 6-foot-1, 170 pound Ogden, paced the Chiefs with 138 yards in 21 carries while Shurmur headed the Western team with 162 yards. Dunagan was No.2 in Canton's rushing game with 87 yards in 12 carries and Close's passing game netted 61 yards with five of eight passes completed. Western was 0-1 in the passing department.

Allen Park just does get by spirited RU, 12-7

Six yards and a burst through the middle—that was all Redford Union needed to score perhaps what would have been the major upset of the '74 prep grid season. But those six yards were not to be and state-ranked Allen Park squeaked out a 12-7 win over Bob Atkins' Panthers of Redford Union. IT WAS setback No 3 for RU which had been blanked by both Livonia Stevenson and Dearborn prior to the Jaguar clash. "We gave Allen Park our best effort and just came up short," commented Atkins whose 0-3 Panthers meet Belleville Friday night. "Our kids did one heck-of-a-job. Our line stuck it to them and the statistics bear us out. Be put together a real team united effort this time. RU took a 7-6 lead with four minutes remaining in the third quarter but with seven minutes left, Allen

marched 70 yards to change things around at 12-7. But the Panthers didn't say die and with 47 seconds on the clock fought to the Allen Park six—It was fourth and one and Panther back Mike Cigna shipped on the soggy turf after getting the handoff and failed to pick-up the firstdown and Allen Park had survived a scare that could haught them rest of the season. COACH ATKINS who has been forced to make changes after changes in the Panther card because of injuries, was faced with a dilly this time around. On Thursday, the day before RU's toughest test of '74, No. 1 quarterback Craig Barrowcliff tore ligaments in his right leg while punting during a gym class. Atkins turned to 5-foot-8, 137 pound sophomore Mike Watson and his first

varsity start almost wound up the state's upset of the year. "This sort of injury the day before a game depicts what is happening to us this year," added Atkins. RU collected nine firstdowns to eight by Allen Park and the Panthers rushed for 212 yards while its defense held the Jaguars to 128 on the ground. Cigna sparkled in the RU ground game with 128 yards in 22 carries. Allen Park received the opening kickoff, was stopped by the Panther front-line and punted to the RU 11. On the first play, Cigna carried for 20 yards and, faced with a third and one situation, fumbled the ball. Allen Park recovered on the Panther 40 and punched it in with Larry Lind scoring from four yards out with 44 seconds left in the opening quarter. The kick missed and it stood at 6-0 after 12 minutes. RU FUMBLED early in the second quarter but this time around, its de-

fense held and the rest of the half saw the two Suburban Eight clubs exchange punts. The Panthers turned things around to open the second half. After its offense failed to click, Allen Park fumbled the ball with Dave White recovering for RU on the Jaguar 45. The Panthers moved to the 18 but an illegal procedure call backed the winless squad up which wound up giving the ball up on downs. Allen Park came right back and fumbled again when RU tackle Dave

Jann hit Lind with Bruce Stadler recovering for RU on the Jaguar 16. Cigna then went for two, Greg Johnson for three, Cigna dashed around end for 10 yards to the one and carried it in to tie it six-all. George Willard converted and the Panthers, after not scoring for 128 minutes into '74, had themselves a 7-6 lead over one of the top clubs in the state. BUT THE Parkers bounced right back with a 70-yard march that took 12 plays with Lind dashing in from

two yards out. With seven minutes left the conversion again missed to make it a five-point difference. RU gave up the ball on the next drive with five minute remaining, but once again its defense got the ball back. Starting at midfield, Cigna swept 17 yards, to open his quest of 32 yards on this drive and a passing interference call moved it down to the six. And with 47 seconds remaining, and an upset in the making, a slip to the turf on a fourth and one play saved the Jaguars and stuck the Panthers.

In The Pocket

By W.W. EDGAR

In greater numbers than ever before the juniors are taking over the bowling lanes in Observerland and it is more than possible that an all-time record will be set for actual participation in another month. Most every lane in the area is filled with juniors on Saturday mornings and in many cases they take over the establishment for the entire day. An example of this rush to the lanes came two weeks ago when the juniors

opened the season at Westland Bowl. Before the day was ended more than 950 youngsters registered for the four divisions. One of the features of this great influx is the predominance of the bantam divisions—those bowlers between eight and 12 years of age. In some cases the major divisions have fallen off because the youngsters are playing baseball. But to make up

for this the bantams are coming in greater numbers. Included in one of the unusual programs is the one game event for beginners being sponsored at Garden Lanes. In the gathering last week 825 competed in a single day. Other major establishments are reporting increased interest and Cloverlanes always a hotbed for juniors, this year boasts a program with close to 1,000 competitors. Another busy place is Farmington Lanes where Fred Hamlin plays host to 200 youngsters on Saturday morning and follows with 645 in five school leagues during the week. Most of these young bowlers are registered in the Michigan Youth Bowling Association that last year boasted a membership of more than 36,000. Judging from the early registrations, Ethel Heenan, director of the YBA, said this number will be surpassed and may hit as high as 40,000 before the season ends. Because of the vast interest in the junior bowling program, Michigan has been awarded the regional eliminations of the All America Youth championships to be held in Washington, D.C. Entry in this event is limited to graduating seniors and the trials will be held at the 300 Bowl in Alma on March 8-9.

People who buy and people who sell get together in the Observer & Eccentric Newspapers

Buyers and sellers are "strange" people. Strange to each other, that is. People with lots of different needs and wants, people who need to get together. They need to get together in the quickest, least expensive and most effective way possible—the Observer & Eccentric Want Ads.

Say you need a buyer for a bunch of baby basset hounds, or a really good home for a litter of antiques...How do you meet those unknown admirers with an eye for your special goods? How do you keep track of sellers with garage sales, and owners of autos and pets to trade? It's easy -- when you know where buyers and sellers get together best—the Observer & Eccentric Classifieds.

It's easy to get double buying and selling results, too. Double-Action Ads bring people together

from all over Wayne and Oakland Counties. These suburban communities include: Birmingham, Bloomfield, West Bloomfield, Farmington, Farmington Hills, Rochester, Avon Twp., Southfield and Troy in Oakland County; Livonia, Garden City, Plymouth, Plymouth Twp., Canton Twp., Redford Twp., and Westland in Wayne County. Smart buyers and sellers place a Double Action Family Want Ad (non business) of 15 words or less in two consecutive issues, with no changes in copy and no cancellations -- and they pay only \$6. That's a savings of \$2.00 off the regular cost of placing an ad in two issues.

When you have something to sell...when you have something to buy...you've got a lot in common in the Observer & Eccentric Classified Want Ads.

The Observer & Eccentric Classified Ads
