CHOIR SCORES: For the first time ever the Centennial Educational Park Concert Choir recently performed in State Choir Festival competition. Under the direction of Laura Wiener, the local high school singers performed at Jackson Community College's Potter Center for the Performing Arts.

Earlier this year the choir had received the highest rating of "I" in the primary classification at district festival for its performances of two selections and for sightreading. The "I" rating qualified the choir to perform in State Choir Festival, where there are no classifications.

The CEP Choir was given a Second Division (II) rating for outstanding performance for its capella renditions of "Now May Has Come With Gladness" by Arnold Schoenberg and "Innsbruck, I Now Must Leave Thee" by Heinrich Isaac. The choir also performed "Go Out With Joy" by Hank Beebe, accompanied by choir member Lisa Tilley, a junior at Plymouth Salem High.

NEWCOMERS FIRST: Marge Rourke, president, and Carol Sutherland, ways and means committee chairman, of the Plymouth Newcomers recently presented the Plymouth Community Fund-United Way with a check for \$2,100 designated to benefit the senior citizens agencies in the Plymouth community. The money was raised at the Newcomers Art Auction in April.

Duke Morrow, campaign chair, said the Newcomer's gift is the first contribution received for the 1987 campaign, which officially kicks off Sept. 18. "It is gratifying to see the newer members of our community pitch in and become involved. The support the Community Fund receives from all segments of society makes Plymouth a better place to live and work in for all of us."

The Plymouth Community Fund-United Way supports two local agencies helping senior citizens of the Plymouth area — the Plymouth Council on Aging and the Plymouth Senior Citizens Club.

HISTORICAL RENOVATION: The Plymouth Beautification Committee encourages residents and businesses of the city of Plymouth to nominate their home or business or that of a friend or neighbor for a Historical Renovation Award.

The qualifications are: The building must be at least 75 years old, the present owner must have made the renovation within the last five years, and the building is renovated to its historic architecture.

Send the name, address and phone number of the renovation to be considered to: Beautification Committee, Plymouth City Hall, Plymouth, Mich. 48170 by June 16.

CHILDREN'S THEATER: Magician Bill Heiney of Plymouth will entertain at the Children's Dessert Theatre beginning 6:30 p.m. Monday, June 16, at Geneva Presbyterian Church on Sheldon Road just north of Ford in Canton. The charge of \$3 per person includes dessert and magic. Advance registration is required and may be done by calling 981-5637.

CRIME PREVENTION: Local legislators and criminal justice personnel participated Monday in The Speaker's Conference on Crime Prevention held at Airport Hilton near Metropolitan Airport.

Dispute over rail crossing to get hearing

By Doug Funke
staff writer

The Chessie Railroad System will attempt to persuade an administrative law judge next month that flashing signals and mechanical roadway gates aren't necessary at the Holbrook crossing in Plymouth.

The state transportation department claims that the warning devices are essential for safety reasons.

The city and railroad, which would be jointly responsible for installing the equipment at a cost of about \$125,000, maintain otherwise.

The hearing has been scheduled for 10 a.m. July 1 in the Fourth Floor Hearing Room, Michigan Department of Transportation Building, 425 Ottawa, Lansing.

People who want to speak must notify in writing by June 26:

- Virginia Dean, administrative judge, Department of Transportation, Office of Administrative Law Hearings, 425 West Ottawa, Lansing 48909

- Patrick E. Hackett, a lawyer representing the C&O Railroad, at 505 N. Woodward, Suite 3800, Bloomfield Hills 48013.

- Margaret A. Nelson, assistant attorney general representing the state transportation department at the Transportation Building, 4th Floor, P.O. Box 30050, Lansing 48909.

PARTICIPANTS must elaborate in advance to all three parties their interest in, and positions on, the dispute. Proof of service, by registered mail or personal delivery, also must be demonstrated.

Persons who don't follow that procedure may still be allowed to speak at the discretion of Dean. The judge said she also would take under advisement written communications, especially those under oath subscribed by a notary. Again, copies should be sent to all the principals.

The best impact would be made by contacting either the railroad or transportation department and offering to personally testify, Dean said.

"That would hold more water than written statements or oral statements."

The transportation department determined last summer that mechanical warning devices were needed at the crossing after a study indicated an average of 700 vehicles and 20 trains passed through there daily.

Now, several stationary warning signs — including a stop sign at the dual tracks — can be found in each direction. Parking also is prohibited on each side of Holbrook near the tracks.

THE RAILROAD requested a formal hearing after the transportation department affirmed its recommendation during a subsequent conference.

City engineer Kenneth West said he doesn't believe signals at Holbrook merit the projected \$125,000 expense.

"Exposure at that intersection isn't as great. I would think, to warrant that kind of expenditure," he said.

"I'm not against safety. I question the cost-effectiveness of requiring gates when we haven't had a problem there."

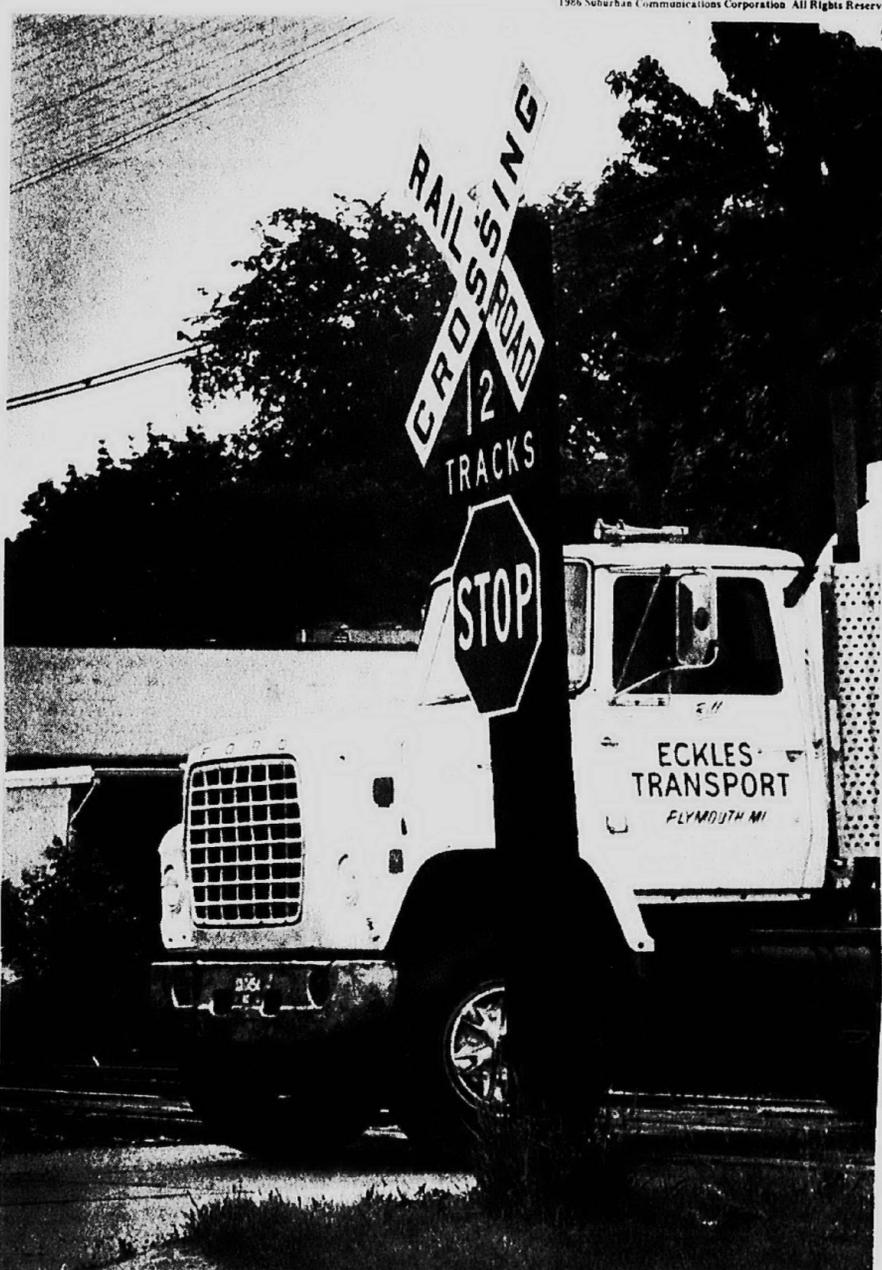

Five accidents have occurred at the Holbrook crossing since September of 1980, the state reported. None involved fatal injuries.

Traffic back-ups due to train movements have been a perennial problem in Plymouth. Mechanical gates can be found at seven crossings within the city limits.

The city has applied for a federal grant which would fund 90 percent of installation costs. If forthcoming, the city would have to make up the difference. If the grant isn't approved, the city and railroad would evenly split the entire cost.

West anticipates grant approval, but doesn't expect the money until next year or possibly in 1988.

Dean said that if everything proceeds smoothly, she would expect to offer a recommendation to the director of the state transportation department — who will make a final ruling — by early fall. Even then, unfavorable decisions can be appealed through the courts.

Non-mechanical signs like this in each direction — as well as other warning and no-parking signs — alert motorists to railroad tracks at the Holbrook Street crossing. The Chessie Railroad System maintains that flashing sig-

nals and mechanical roadway gates aren't necessary at the Plymouth crossing. Such equipment, if installed, would cost about \$125,000.

Crash kills Salem grad

Georgenna Nix, a Plymouth Salem senior, died in an automobile accident just four days before graduation ceremonies.

Georgenna C. Nix is remembered by educators at Centennial Educational Park as a quiet student who demonstrated particular aptitudes for photography and art.

Miss Nix, 18, was killed last Wednesday in an automobile accident near Dexter.

Funeral services were Friday at the Schrader Funeral Home. She was a Canton resident and a graduating senior at Plymouth Salem High School.

"She was rather withdrawn but very conscientious about her work," said Kris Darby, an art teacher at Salem. "She did some nice pieces. It's sad. They're hanging on the wall now for senior exhibit."

"She had briefly talked to me about going on in art," Darby added. "If she really worked at it, she could have (succeeded), but she really wasn't sure."

Diane Pomish was Miss Nix's counselor at Salem.

"She was a quiet, soft-spoken girl," Pomish said. "She was bright. She was talented. She didn't really have any long-range plans."

Salem principal Bill Brown described Miss Nix as "a good kid here, an above-average student."

SHE WAS recognized recently at an honors assembly for winning a second-place ribbon in a statewide photography contest.

She is survived by her parents, John and Christine; a sister, Michelle; grandparents, George and Bertha Glockner and Doris Nix; and grandmother, Minnie Lee Croly.

Miss Nix was a passenger in a car driven by Charles D. Triplett, 18, of

Tecumseh, as they left Silver Lake State Park near Dexter, said Sgt. Harley Rider of the Washtenaw County Sheriff's Department.

Triplett was passing three other vehicles, Rider said, when he lost control on a curve, over-corrected and hit a tree. The accident occurred at about 6:30 p.m.

Neither was wearing a seat belt, Rider said.

Both Triplett and Miss Nix were transported to the University of Michigan Hospital. Triplett, a former student at Salem, was in fair condition Friday, a hospital spokeswoman reported.

"She and Charlie were extremely close," said John Nix, Georgenna's father. "I talked to him . . . and he's deeply concerned, upset about this."

"I lost my dad 10 years ago. That was very hard, but it's nothing like losing a child."

ANOTHER accident last week involved three Salem High School students at Griffith Park in Canton.

About 3:45 p.m. Wednesday, a car driven by Jennifer Kloth, a 17-year-old junior, struck an Edison electrical tower. Salem seniors Lauri Ann Gliga, 17, and Laura Clifford, 18, were passengers.

Clifford and Gliga were taken by Canton rescue units to Westland Medical Center. Gliga was treated and released later that day. Clifford was listed in fair condition Friday.

Kloth was taken to Oakwood Canton Center and released. No seat belts were used, police said.

Last Wednesday was the last day of classes for seniors.

ROUGE RESCUE

Workers help unclog river

By Marie Chestney
staff writer

IT TOOK strong arms to shovel soggy debris into a dump truck. On Saturday, Livonia resident Rick Hernandez helped supply the strong arms.

It took patience and determination to carry armload after armload of brush and tree limbs to a truck. On Saturday, Plymouth residents Elvera Brown and Pat Carroll helped supply the patience.

And it took a lot of caring about a dirty old river for a mother and her son to work together, filling plastic bags with waterlogged, decaying wood. On Saturday, Garden City residents Chris Friend and her son, Michael, 6, helped supply the caring.

Strong arms and a determined, caring attitude were in abundance at 13 cleanup sites along the banks of the Rouge River. Hundreds of volunteers pitched in to help out in the cleanup and restoration of the clogged, contaminated river.

"ROUGE RESCUE '86" started at 9 a.m. at most of the 13 sites. By noon, more than a year's accumulation of logs, tree limbs, junk, trash and even a few waterlogged picnic tables had been hauled into trucks and carted away.

State officials estimate it will take 20 years and about \$1 billion to clean up the Rouge and make it suitable for fishing and swimming. The Friends of the Rouge, Wayne County Parks and Recreation Department workers and a host of volunteers got a head start Saturday on that monumental cleanup task.

So what did they accomplish?

WELL, THE HUGE, 40-foot logjam at the bridge at Merriman Hollow, along Edward Hines Parkway near Merriman and Warren roads, is now gone. A crane dredged the junk out of the water last week and piled it on the banks of the river.

The biggest pile was estimated at eight feet high, 30 feet long and 10 feet wide. At noon Saturday, most of it was gone. Five dump-truck loads were hauled away.

The volunteers who registered at this site and tackled the mucky pile with pick and shovel could not escape getting dirty — plenty dirty. The work also was backbreaking, as one of trucks had a closed back. The debris had to be shoveled over the top of the truck.

The sign-up folks said about 60 volunteers registered. So many reg-

istered, in fact, that some were sent farther down Hines to another site. The shovelers included Plymouth resident Sylvia Langh, Friend and son Michael, Hernandez, and Westland residents Linda Adamson, Mary Lawrence and John Graham.

AND THE riverwide logjam at Parr park, along Hines west of Telegraph, is also gone. Most of it, anyway. One toppled tree was so imbedded in sand that last week a crane couldn't move it. The debris captured by the tree still lines the south bank of the river. But eight truck loads of debris were hauled away Saturday morning from this site. At noon, there was an estimated eight truck loads still to go.

Volunteers here didn't get as dirty as they did at Merriman Hollow. Most of the workers simply carried stumps and limbs to an open-backed truck. Or they sawed through giant logs with chainsaws.

The workers included Garden City residents Keith Lamp and Daniel Bagnoche, Redford residents Marjorie Kluck and Dave Vrabel, Carroll and Brown of Plymouth and Livonia residents Sab Kunimatsu, Russ Leviska and Jim Moraksy.

A MASSIVE logjam in Dynamite Park in Wayne did not disappear — it was simply rearranged.

Bulldozers pulling steel cables inched the logs out of the water and piled them along the banks of the river. Unlike the other sites, the logs at this park were not hauled away but recycled. The rearranged logs will create a shoreline which won't erode and which will trap dirt. Eventually, the trapped dirt will cover the logs.

The theory was thought up by George Palmiter, an Ohio resident who's helped save rivers in Ohio with the reclamation method. The county demonstrated this method Saturday on what it calls the worst logjam on the river — in Dynamite Park.

By midday the bulldozers and cables had unjammed the river.

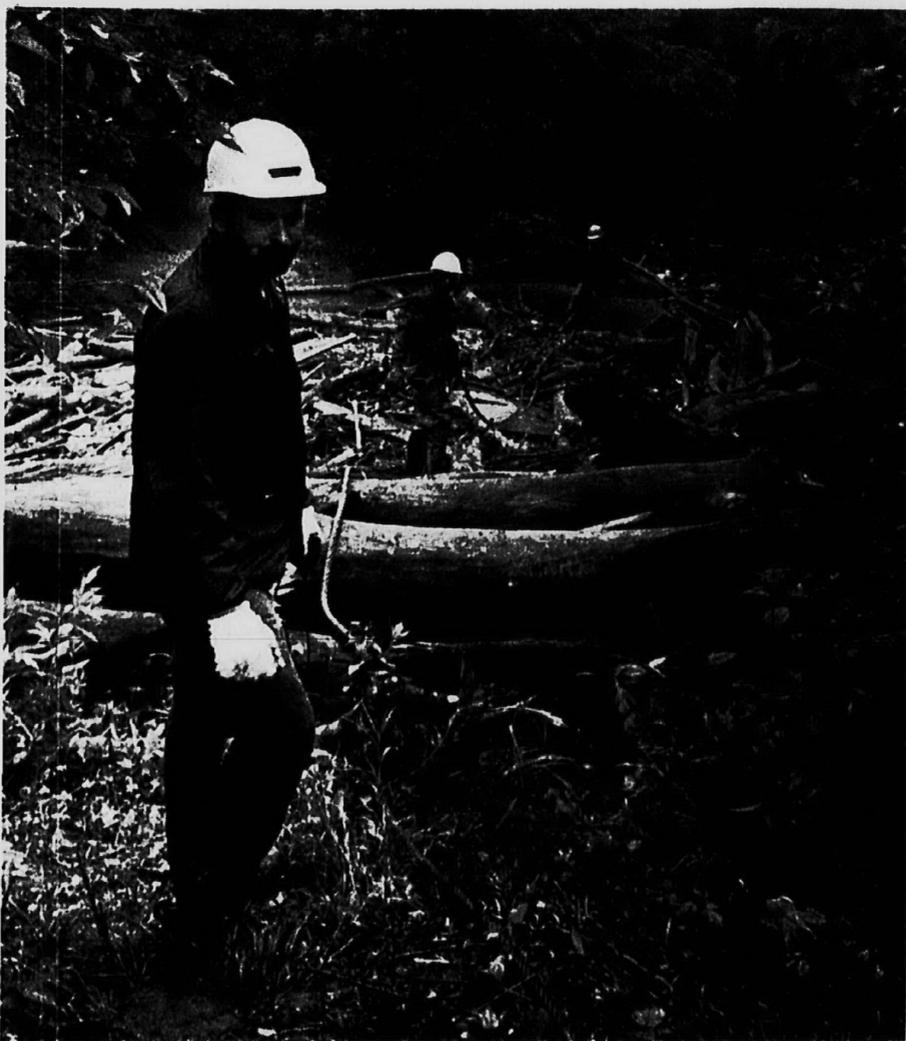

"We'll be doing this from now on, instead of hauling away logs," said James Murray, president of the Friends of the Rouge. "It will straighten out the bank so this won't happen again next year. It makes the water do the work. We manipulate the water. The river will follow its natural bend. It's definitely easier. There's no hauling, sawing, loading. And it's a lot cheaper than to haul and to dump."

Workers hauled wood at 13 cleanup sites along the River Rouge. When an empty truck pulled up at Parr Park (top right), workers started filling it with chunks of wood from the river. Garden City resident Keith Lamp and Westland resident

Dennis Lewis climbed into the truck to help stack it. Plymouth resident Sylvia Langh stuffed smaller pieces of wood into bags at Merriman Hollow

staff photos
by
Steve Fecht

At Wayne's Dynamite Park, Westland resident Larry Jacobs supervised a parks and recreation department crew cleaning up the biggest logjam on the Rouge River. The logs

were pulled to the side of the river, where dirt eventually will cover them to create a new riverbank.

Power, phones off after mishap

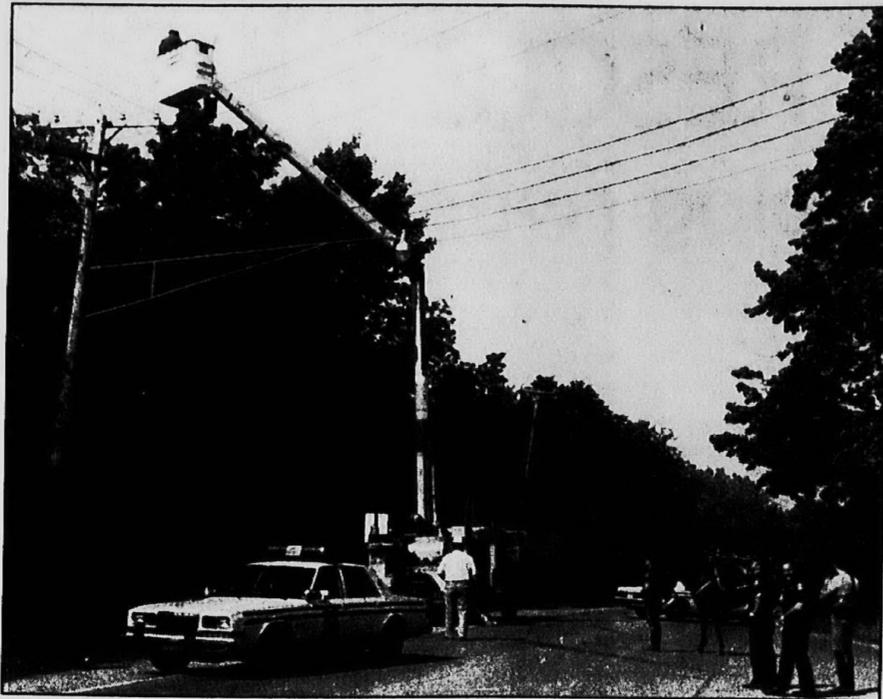

Power and telephone services were cut in sections of Plymouth and Plymouth Township Wednesday when a dump truck bed rose as the driver approached overhead lines along Wilcox in Plymouth. That forced the primary lines to the ground.

Line breaks sparked two small grass fires, and the Plymouth Fire Department sent one engine and a pickup to the scene of the mishap at 4:05 p.m., according to fire Capt. Tom Lenaghan.

The firefighters used about 100 gallons of water to douse the fires, with no property damage or injuries reported, Lenaghan said.

Power also was cut to the traffic light at Wilcox and Hines Drive. Police officers directed traffic at the intersection until as repairs were completed. Wayne County Sheriff's deputies also were called to the scene, Lenaghan said.

Repairs to all lines were expected to be completed Friday, he said.

RICK SMITH/staff photographer

Downed lines on Wilcox Road caused a power outage in parts of Plymouth and Plymouth Township last Wednesday.

Symphony to enhance fireworks

The Plymouth Symphony Orchestra plans to play at the annual Fourth of July fireworks display in Plymouth Township Park next month in lieu of presenting a concert next April.

That appearance will be the first of its kind in the 40-year history of the symphony. The 70 musicians will receive no extra fee for the Independence Day show.

An inability to find a suitable auditorium or date next April other than Easter weekend prompted the symphony to switch concert plans.

"Clara Camp, the incoming symphony president and myself, the outgoing president, have spent about three months getting a date for an April concert next year," said K.C. Mueller. "We couldn't find a loca-

tion, so we said, fine, we'll have April in July."

That's good news for the Plymouth Jaycees, primary organizer of local Fourth of July activities. The Jaycees had expected to pay a performance fee of about \$4,100.

Charles Lowe Jr., co-coordinator of the fireworks display, said he hopes to make final arrangements with a major sponsor sometime this week to pay for the fireworks, rental of a sound system and other amenities.

"A LOT OF pieces are falling together now," Lowe said. "This is going to be great for them and us. People don't realize how lucky we are to have a symphony of this quality in our hometown."

The symphony's new conductor, Leon Gregorian, is expected to make his local debut on the Fourth of July.

Gregorian is scheduled to meet tomorrow with Ted VanLoo of Pyrotechnic Displays Inc. and a sound expert to plan how best to present the show. Marches, semiclassical pieces and pops will be featured.

The Jaycees have also worked out a potential liability insurance problem relating to the show with Maurice Breen, township supervisor, Lowe said.

The Jaycees will provide the first \$1 million of coverage through the fireworks' company insurer and then will come under the township's \$5 million insurance policy, Lowe said.

The major sponsor would pick up the insurance tariff as part of the cost of funding the fireworks, Lowe said.

A crowd of about 40,000 is expected, he said.

"It's going to be a terrific show. We're looking forward to it."

Feeling Secure in an Emergency

Last year, more than 75,000 residents in Washtenaw and western Wayne counties chose Catherine McAuley Health Center when they had an emergency. The St. Joseph Mercy Hospital Emergency Department and McAuley Urgent Care clinics provided the excellent care people needed in life-threatening and minor emergencies.

Minor Emergency Care Close to Home

Catherine McAuley Health Center's excellent care is now more convenient because it's closer to home. McAuley Urgent Care handles non-life threatening emergencies at any of its three locations:
Arbor Health Building—
990 West Ann Arbor Trail in Plymouth
Maple Health Building—
501 North Maple Road,
on the west side of Ann Arbor
Catherine McAuley Health Center campus—5305 East Huron River Drive

McAuley Urgent Care—open from 8 a.m. to 10 p.m. every day of the year—is ready to treat minor emergencies and

illnesses when your physician can't be available. And all of the McAuley Urgent Care facilities can access the St. Joseph Mercy Hospital Emergency Department if necessary.

Highly Qualified Emergency Medicine

St. Joseph Mercy Hospital's Emergency staff is one of the most highly qualified in the United States. Although nationally only one in seven emergency physicians is board certified in this critical specialty, all nine of St. Joseph Mercy Hospital's full-time emergency physicians are board certified. These specialized physicians are able to treat life-threatening emergencies like strokes, heart attacks or serious auto accidents. Our Emergency staff handled more than 42,000 emergencies last year alone.

For more information on St. Joseph Mercy Hospital Emergency and Urgent Care services, please call 572-5351. For a physician referral, please call 572-5500.

Dumas withdraws from county race

By Marie Chestney
staff writer

County commissioner Mary Dumas' sudden withdrawal as a candidate for re-election Friday has set the stage for a political battle between Northville Township Supervisor Susan Heintz and Livonia city treasurer Elaine Tuttle.

Dumas, a 13-year county commissioner, filed for re-election two hours before the filing deadline last Tuesday saying then, "This is absolutely the last time."

She withdrew as a candidate Friday, the last day for withdrawal, saying she was suffering from political "burnout."

Political experts say the battle to succeed her in the 10th District — Livonia and the Plymouth and Northville areas — will be between Heintz and Tuttle, both Republicans.

LARRY SWEIGER, a Livonia resident who has run unsuccessfully for a number of local and county offices is also in the race as a Republican.

John Kopka of Livonia, a political unknown, has filed as a Democrat but the district is generally considered a Republican area.

Dumas said of her decision, "I am mentally, emotionally, physically exhausted from politics. I've been in politics 26 long years, and I've been here long enough."

Dumas said she was "torn" about whether she would seek re-election and was "persuaded to file" last week.

"I've been struggling with this for six months," she said.

SHE DECIDED to change her mind, she said, because she was "exhausted. It's not the campaign, but the job for two more years. I made the decision last night (Thursday)."

Dumas will serve as a commissioner until the end of the year. But she won't have to go through a tough re-election campaign against Heintz and Tuttle.

"I'm taking a vacation from politics. I need a change of pace, scenery, atmosphere, to revitalize," Dumas said. "Then I'll make plans for the future. I come from a long-living family, and I got a lot of years to go. I don't want them to just drag along."

Dumas said she has enjoyed her long stint as a county commissioner even though for much of the time she was the only Republican on the Democratic-controlled board.

"They've been rewarding years," she said.

VOTERS WILL choose between the Republican candidates in the August 6 primary election. The top vote-getter will then be on the November general election ballot against the Democratic candidate.

Dealers rave about local stamp show

(Part 3)

When awards were presented to exhibit winners at the 17th annual show of the West Suburban Stamp Club, held recently in Plymouth, I was fortunate to sit next to three people who know the stamp business from top to bottom.

My previous store of knowledge about stamps was that you licked them before affixing to envelopes. I know lots more after talking to members of the Rasdale Stamp Co. of Chicago — Kevin Kellerman, his brother Kim, and their grandmother, Mrs. Joseph Rasdale. Mrs. Rasdale's husband, the late Joseph R. Rasdale, started the firm, said to be one of the most reputable in the country.

This was the Rasdale firm's fourth year at the Plymouth show. They came originally because they heard it was good, and they say the report was no exaggeration. The firm sells more stamps here than it does at the Chicago show. "The people who attend the Plymouth show are very serious collectors," says Kevin.

Joseph Rasdale began selling stamps in Elsie, Mich., when he lost his general store during the depression of the 1930s. It took some nerve to go into stamps in Elsie. The little town, with a population of about 600, had as many as nine stamp dealers at the time. But Rasdale went into the business anyway, and soon began to auction his stamps in Detroit. Later, he moved the firm to Chicago where five of the Rasdale children and two grandchildren, Kevin and Kim, are now active in the business.

THE FIRM'S customers are mainly from the Midwest, but they ship all over the world, particularly to collectors in Japan, the Philippines, Portugal, England and Australia. Kevin says 99 percent of sales are through the mail by auction. Stamps are pictured in a catalog. Some dealers print their catalogs in color, but Rasdale prefers black and white. "If the color of a stamp is off you stand a good chance of getting it back."

Kevin Kellerman says the value of a stamp depends on (1) condition (2) rarity (3) demand — "and not necessarily in that order." He says a U.S. airmail stamp, of which 100 were printed with one wrong plate, is worth about \$125,000. A British Guiana stamp recently sold for millions of dollars.

A mint stamp, that is one that is

past and present
Sam Hudson

uncanceled, can be worth more than one that has been canceled. Stamps must be protected to remain in good condition. Kevin notes that chemicals are bad for them, that they should never be mounted on paper with a high sulphur content. Stamps in a hot climate must be protected against fungus growth. "Many Confederate stamps were affected because of the weather in the South."

Asked whether most people collect stamps in hope of capital gain, Kim Kellerman replies: "Most people collect stamps because of the hunt."

THE WEST Suburban Stamp Club's show this year attracted more than 3,000 visitors. The exhibit area included 2,200 pages of stamps grouped under United States, British North America, General Foreign,

Topical and Thematic, and Junior Exhibits. Stamp dealers with tables at the show totaled 47. They came to Plymouth from Ohio, Massachusetts, Pennsylvania, Minnesota, Indiana, New York, Illinois, Canada, and, of course, Michigan.

The stamp exhibits were judged by a panel of American Philatelic Society judges including John Foxworth, James Adams, Jeanette Adams, Russ Skaveril, Doug Kelsey, Patrick Walters and Robert Ziegler. Top prize at the show was won by Wilbert Dalum who used 10 frames to trace the succession of U.S. postmarks, rates and stamps used in China from the early 1880s to about 1922. As grand award winner,

Dalum became eligible to enter the Champion of Champions competition at the annual American Philatelic Society convention in Washington, D.C., in August. This is the fourth year in which the West Suburban Stamp Show has been recognized as a World Series of Philately event by the American Philatelic Society.

The club's newsletter, begun in 1971, is distributed monthly to members. From it one learns interesting bits of philately the editor picks up from books, giving the authors due credit. For example, a pigeon post was established in 1897 between New Zealand and Great Barrier Island, 65 miles away. Private stamps were provided. Messages attached to the pigeon's leg in a waterproof carrier were called "pigeongrams." Pigeon posts have also been used in Poland, India, Australia, the Channel Islands and the United States.

One also learns that stamps are valued according to a grading system. They are rated superb, excellent or extra fine, very fine, fine, very good, good, fair or poor. The

first U.S. government postage stamps were issued in 1847, making them the fifth oldest in the world. Before the advent of stamps, postmasters simply wrote "paid" on the envelope. The first airmail stamps made their appearance in 1918.

The West Suburban Stamp Club, started in Plymouth 17 years ago with 18 members, now has 200. Current club officers are president Ed Dubin, vice president Bill Brooks, secretary Ellen Howell, treasurer Ralph Mortonson, club historian Gil

Camp, and trustees Phil Czaka, Harry Winter, Richard Joan and Richard Chellevoid.

In one of his articles in Linn's Stamp News in 1979, John Apfelbaum attributed the success of the Plymouth based group to active membership, to the word "social," to spouses who are of great help, and to the fact that junior members are treated as equals. Apfelbaum said the Plymouth Show is one of the finest stamp shows he has ever attended.

You can help us raise the colorectal cancer cure rate.

"If everyone over 50 had checkups for colorectal cancer, the cure rate could be as high as 75%," says Dr. LaSalle D. Luffall, Jr., past president, American Cancer Society. "You can't cure it if you don't know you have it." But if it's detected early, the cure rate for colorectal cancer is very high. Your doctor can perform the digital and proctoscopic exams, and you take care of the simple stool blood test at home.

Since men and women are equally affected by this disease, we urge everyone over 50 to get regular checkups.

The warning signs for colorectal cancer are a change in bowel habits and blood in the stool.

People with a family history of colon or rectal cancer or ulcerative colitis are at higher risk and are urged to be doubly cautious.

- Checkup Guidelines for men and women over 50 without symptoms:
- digital exam annually
 - stool blood test annually
 - procto exam every 3 to 5 years after 2 negative tests 1 year apart.

No one faces cancer alone.

GALA GRILLING: ADD **SIZZLE** TO SUMMER BARBECUES

One of the summer's best-loved traditions is the backyard barbecue. Whatever the occasion — family reunion, Fourth of July party, or just a lazy Sunday afternoon — a barbecue is a fun, festive way to entertain family and friends.

This summer, bring some new sizzle to your backyard barbecues by trying some deliciously different recipe ideas.

First up on the grill, instead of the usual hot dogs or hamburgers, why not try barbecuing turkey? It's delicious and economical, and frozen turkey breast is readily available. Turkey Kabobs calls for cubed, uncooked turkey, marinated in a flavorful mixture, then grilled on skewers and served with a sweet, spicy sauce. The key to this unusual barbecue treat? Coconut rum, an exotic blend of rum and natural coconut that provides a tasty counterpoint to the spices in the marinade and sauce.

Baked beans go hand-in-hand with barbecued foods. By adding some chopped green chilies and chili powder to a scrumptious new version of this traditional dish.

After this hearty fare, you'll want to serve a dessert that's light and refreshing. Take advantage of summer's fresh fruits — strawberries, peaches, blueberries or other seasonal favorites — by whipping up a quick and colorful dessert recipe, Fruit Boats Arcicibo. The delicious marinade includes fruit juices, spices and coconut rum for a exotic flavor impact. Served in a hollowed-out pineapple or watermelon, this dessert is as pretty as it is delicious.

And to top off your festive barbecue menu, try whipping up some frothy, cooling drinks. One particularly appealing new drink is the Cocorita, a refreshing takeoff on the Margarita. Coconut rum is substituted for triple sec to lend a new dimension to this summertime favorite.

TURKEY KABOBS

- 1-1/4 cups coconut rum, divided
- 2 tablespoons brown sugar
- 1 tablespoon lime juice
- 1/2 teaspoon ground ginger
- 1/4 teaspoon salt
- 1/4 teaspoon pepper
- 1-1/2 pounds uncooked turkey breast, cut into 1-inch cubes
- 1 can (20 ounces) chunk pineapple in pineapple juice, drained, reserve juice
- 1/2 teaspoon ground coriander
- 1/2 teaspoon ground cumin
- 1 tablespoon cornstarch
- 1/2 cup water
- 1 large green pepper, cut in cubes
- 1 large red pepper, cut in cubes

Combine 1/4 cup coconut rum, brown sugar, ginger, salt and pepper in bowl. Arrange turkey marinating 1 1/2 hours at room temperature in a large Ziploc® freezer bag. Refrigerate 4 hours or overnight. Drain liquid. Meanwhile, combine remaining 1/4 cup coconut rum with reserved pineapple juice and add remaining ingredients. Combine cornstarch and water, stir to mix, add to remaining marinade. Cook slightly. Stir in remaining 1/2 cup coconut rum. Place turkey and marinade on skewers and grill over medium heat with the coconut rum marinade. Place on grill about 4 inches away from heat for 10 minutes or until grill marks appear. Turn and brush with remaining 1/2 cup coconut rum and brush 10 minutes more until tender. Serve with reserved pineapple sauce. Yield: 4 to 6 servings. *Note: One half of recipe will yield about 1 1/2 pounds of meat.

COCORITA

- 4 ounces frozen concentrated limeade, undiluted
- 2 tablespoons lime juice
- 2 cups ice cubes
- 6 ounces coconut rum
- 6 ounces tequila

Combine all ingredients in container of electric blender. Process about 1 minute, or until ice is crushed and drink is thick. Serve immediately. If desired, drink can be served in glass that has been rimmed with salt. Yield: 5 to 6 servings.

CHILI BAKED BEANS

- 2 tablespoons butter or margarine
- 2 tablespoons canned chopped green chilies
- 1 large onion, chopped (1 cup)
- 1-1/2 teaspoons chili powder
- 1 can (1 pound 2 ounces) baked beans

In medium saucepan melt butter, cook onion, chilies and chili powder 4 minutes. Add beans, heat thoroughly. Yield: 4 servings.

FRUIT BOATS ARECIBO

- 1-1/2 cups water
- 2 tablespoons sugar
- 2 lemon slices with skin
- 2 3-inch cinnamon sticks
- 1-1/4 cups coconut rum
- 1 large, fresh pineapple
- 8 cups assorted fresh fruits (strawberries, plums, peaches, oranges)

In medium saucepan combine water, lemon slices and cinnamon sticks. Boil about 5 minutes or until liquid is reduced to 2-3 cup. Remove from heat. Cool to room temperature. Stir in coconut rum. Meanwhile prepare pineapple. Cut pineapple in half lengthwise. Cut pineapple meat out of both halves to make two shells, remove core and cut remaining pineapple into cubes. Cut assorted fruits into bite size pieces. Combine all fruits in a large bowl. Remove lemon slices and cinnamon sticks from syrup and pour over fruit. Chill at least 4 hours, stir occasionally. When ready to serve, spoon fruit and syrup into prepared pineapple shells. Yield: About 8 servings.

Chicken breasts make Tex-Mex quick-fix

When it comes to after-work dinners, today's food-wise cooks are a demanding lot. They want meals fresh, light, full-flavored and nutritious, and they want to be in and out of the kitchen in the shortest possible time.

One speedy supper staple that rates high with convenience-oriented cooks is boneless, skinned chicken breast.

Versatile, low in calories and adaptable to an amazingly broad range of preparations, chicken breasts are an ideal starting point for quick main dishes and single-skillet meals. Whether you opt for convenience and buy chicken breasts boned or enjoy the economy of doing it yourself, you'll delight in the way they shortcut time spent fixing supper.

NEXT TIME you're in a rush after work, try one of these fix-it-fast Tex-Mex chicken recipes. Easily prepared in about 20 minutes each, both recipes rely on picante sauce to streamline the way to lively Mexican flavor and add just the desired amount of jalapeno pepper "heat."

Pollo Rapido is a calorie-conscious one-dish dinner made with chunks of tender chicken, onion and zucchini. Quickly prepared in a single skillet, its lively Tex-Mex taste appeal comes from garlic, cumin and the cook's choice of mild, medi-

um or hot picante sauce. Quick Chick 'n Peppers teams chicken with convenient stewed tomatoes, green pepper and picante sauce for a saucy, spicy entree that will bring the family flocking to the table. Serve it with rice or warm tortillas and pass additional picante sauce for those who just can't get enough of a good thing.

POLLO RAPIDO

- 1 can (8 oz.) tomato sauce
- 1/2 cup picante sauce
- 1 tsp. ground cumin
- 1/2 tsp. garlic salt
- 1/2 tsp. oregano, crushed
- 2 whole chicken breasts, boned, skinned and split
- Salt and pepper, as desired
- 2 medium onions, cut into 1/2-inch wedges
- 2 Tbsp. vegetable oil
- 2 cups zucchini, cut into 1/2-inch cubes (about 1 medium)

Combine tomato sauce, picante sauce, cumin, garlic salt and oregano, mix well. Cut chicken into 1-inch pieces, sprinkle with salt and pepper. Cook chicken and onions in oil in large skillet over medium heat, stirring frequently, until chicken is lightly browned and almost cooked through, about 5 to 7 minutes. Stir tomato sauce mixture into skillet, mix well. Stir in zucchini. Cover and simmer 5 minutes. Uncover, cook

and stir about 1 minute to thicken sauce, if necessary. Serve with additional picante sauce. Makes 4 servings.

QUICK CHICK 'N PEPPERS

- 3 whole chicken breasts, split, boned and skinned
- Salt and pepper
- 2 Tbsp. butter or margarine
- 1 can (14 1/2 oz.) stewed tomatoes
- 1 green bell pepper, coarsely chopped
- 1/2 cup picante sauce
- 1 garlic clove, minced
- 1/2 tsp. oregano, crushed
- 1/2 tsp. ground cumin
- 1 Tbsp. cornstarch
- 1 Tbsp. water

Pound chicken to 1/2-inch thickness. Sprinkle with salt and pepper. Brown in butter in 12-inch skillet about 2 to 3 minutes on each side or until almost cooked through. Drain. Combine tomatoes, green pepper, picante sauce, garlic, oregano and cumin, mix well. Pour over chicken. Bring to a boil, reduce heat. Simmer 5 minutes. Remove chicken to serving platter, keep warm. Dissolve cornstarch in water; stir into skillet. Cook and stir until sauce is thickened, about 1 minute. Serve sauce over chicken. Serve with rice, if desired, add additional picante sauce. Makes 6 servings.

When time is short but dinner must be special, serve spicy Pollo Rapido.

Class for canners set

A master canner program for all those interested in learning how to preserve fresh fruits and vegetables is being offered by Michigan State University and the Wayne County Extension Service.

The four classes, beginning July 8, will be conducted at the Wayne County Extension and Education Center, 5454 Venoy Road, Wayne.

Topics include pressure canning, waterbath, pickling, jams and jellies, and freezing and drying. The fee is \$30.

Cheese cookery is ideal for kitchen novices

When you want people to smile, tell them, "Say cheese!" To bring smiles of satisfaction to junior cooks, teach them to cook with this nutritious and versatile ingredient.

Explain to youngsters that cheese products range in flavor from mild to sharp and in texture from soft to hard, but all cheese falls into one of two main categories — natural and process. When preparing recipes such as sauces and dips, natural cheese is shredded while process cheese may be cubed or sliced.

Natural cheese is easier to shred taken right from the refrigerator, when it is cold and firm. Show first-timers how to hold a shredder over wax paper, which side of the shredder to use and how to shred slowly to avoid nicked fingers. Four ounces of chunk cheese makes 1 cup shredded cheese.

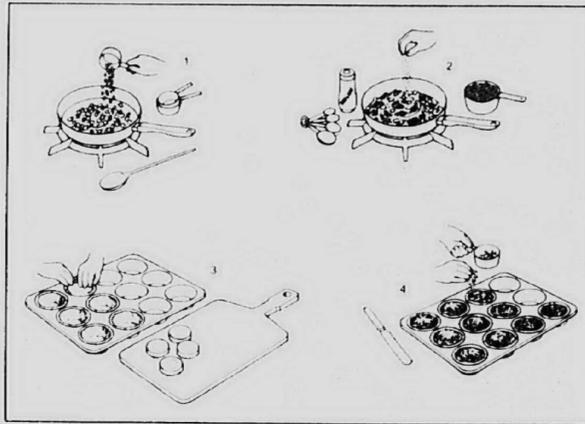

When using process cheese, demonstrate how to cut the cheese into 1/2-inch cubes using a wire cheese cutter or a small knife.

Cheese cookery is easy for beginners because there are just two rules to remember.

- Use low to medium heat
 - Cook cheese only until it melts.
- When making a sauce or topping a casserole with shredded cheese, explain to children that the cheese is added near the end of the cooking time to avoid overcooking. And when cheese is used as an ingredient in a baked dish, the dish is baked at low to moderate temperatures, 325 degrees to 375 degrees.

PIZZA CUPS provide a good opportunity for youngsters to master natural cheese cookery while making a tasty snack. The "cups" are made from refrigerated biscuit dough pressed into a muffin pan.

The pizza-flavored filling is a popular combination of chopped vegetables, tomato paste, oregano and shredded natural low-moisture part-skim mozzarella cheese. This favorite cheese is used most often for pizza because of its mild, buttery flavor and desirable stretchy texture. Children will enjoy this fun-to-know fact: Mozzarella cheese was originally made from buffalo's milk, but today

most mozzarella cheese is made from cow's milk.

When preparing the filling for Pizza Cups, show youngsters how to quickly wash and thoroughly dry mushrooms to prevent them from

absorbing water. Explain that oregano and all dried herbs should be crushed with the fingers before adding to release more flavor throughout a dish.

Assist novice cooks with greasing

the muffin cups. Explain that white shortening, which comes in a can, will prevent sticking and should be used for this job, not margarine, butter or oil. Remind youngsters to use oven mitts or pot holders to protect hands when removing pans from a hot oven.

- Measuring spoons
- Shredder and wax paper
- 8- to 10-inch skillet
- Wooden spoon
- Shortening and paper towel
- Medium-size muffin pan
- Oven mitts or pot holders
- Small metal spatula

PIZZA CUPS

10 snacks

You will need:

- 2 Tbsp. margarine
- 1/2 cup chopped mushrooms
- 1/2 cup chopped green pepper
- 1/2 cup chopped onion
- 1 6-oz. can tomato paste
- 1/2 cup water
- 1/2 tsp. dried oregano leaves
- 1 1/2 cups (6 oz.) shredded natural low-moisture part-skim mozzarella cheese
- 1 (7.5-ounce) can refrigerated buttermilk biscuits

Take out: Cutting board and small sharp knife
Metal and glass measuring cups

1. Melt margarine in skillet over medium heat until bubbly. Add mushrooms, green peppers and onions to skillet. Cook, stirring frequently, until vegetables are tender.

2. Add tomato paste, water and oregano to skillet, stirring to blend well. Cook over low heat 5 minutes, stirring occasionally. Add 1 cup of the shredded cheese, mixing well.

3. Grease 10 medium-size muffin cups. Separate biscuit dough into 10 biscuits. Press each biscuit onto bottom and sides of muffin cup. Fill with vegetable mixture.

4. Bake at 375 degrees, 20 to 25 minutes or until biscuits are lightly browned. Remove from oven. Sprinkle with remaining cheese. Remove Pizza Cups from muffin pan, using metal spatula, and serve warm.

Give summer meals a cool finale

Planning a summertime dinner party? A special dessert is in order but, with the weather likely to be on the hot and muggy side, a cool finale to your company meal is your best bet.

Here are two frosty and dramatic dessert suggestions guaranteed not to put a chill on the gathering. The key to both is the fresh, lively flavor of summertime Granny Smith apples, the green summer apples so delicious for eating out-of-hand or including in recipes.

The first, Green Apple Ice Cream Pie, is so easy to make that you'll want to give it star billing at every-day family dinners as well as special summer occasions.

Just stir brandy-soaked shredded apple and some cinnamon into softened vanilla ice cream, fill an unbaked crumb crust with the mixture and freeze for about four hours. Be-

fore serving, allow the pie to sit at room temperature for 15 minutes to "temper" the ice cream for easier slicing.

APPLE CHARLOTTE RUSSE is a variation on the classic dessert of 19th century Europe. The recipe involves several steps but the glorious result is well worth the culinary challenge of making the rich, chilled apple custard that overlays a bed of ladyfingers.

Actually, the only tricky step is adding the egg yolks to the mixture of apple puree, milk, unflavored gelatin and seasonings. Be sure their temperature rises slowly to prevent hard cooking by adding a bit of the hot apple mixture to the yolks before stirring them into the rest of the custard base. That accomplished, it should be smooth sailing to an elegant, airy party dessert.

GREEN APPLE ICE CREAM PIE

1 pkg. (3 oz.) ladyfingers, split

- 2 cups shredded Granny Smith apples
- 3 Tbsp. apple brandy or apple juice
- 3 pints vanilla ice cream
- 1/2 tsp. ground cinnamon
- 1 9-inch unbaked crumb crust

In medium saucepan, bring 1/2-inch water to boiling. Add sliced apples, cover, cook 3 minutes or until apples are soft. Drain. Place apples in container of electric blender, cover and process until smooth; or, puree apples with a food mill. (You should have 2 cups puree.)

Mix sugar, gelatin, milk, apple puree and cinnamon stick in top of double boiler; heat over simmering water until steaming hot. Mix a little hot apple mixture with egg yolks, return mixture to double boiler. Cook 10 minutes, stirring constantly, until mixture thickens and coats a metal spoon. Remove from heat, cool. Remove cinnamon stick. Stir in lemon juice. Chill, stirring occasionally, until mixture mounds slightly when dropped from a spoon. In small bowl, combine 1 1/2 cups heavy cream with confectioners' sugar; whip until soft peaks form; fold into custard mixture into pan. Chill until firm, about 4 hours. Whip remaining 1/2 cup cream and spoon over top. Garnish with additional apple slices, if desired. Makes 10 to 12 servings.

APPLE CHARLOTTE RUSSE

- 4 Granny Smith apples, cored and sliced
- 1 cup sugar
- 2 envelopes unflavored gelatin
- 1 cup milk
- 1 cinnamon stick, about 3 inches long
- 6 egg yolks, slightly beaten
- 1 Tbsp. lemon juice
- 2 cups heavy cream, divided
- 1/2 cup confectioners' sugar

Combine coleslaw, horseradish and black pepper in small bowl. Dividing evenly, stuff each pita pocket with coleslaw and turkey. Garnish with red pepper. Makes 4 servings.

Fast brown-bag favorites

Sandwiches are the lunchtime favorite for brown-baggers of all ages. Today, with the increased awareness of the quality of food consumed, totting a favorite sandwich from home makes good sense.

Quick to fix and easy to pack, sandwiches are satisfying and nutritious. They also can provide great lunchtime menu variety.

Sylvester Stallone is Marion Cobretti, the unbelievably tough city cop who takes on jobs nobody else can handle, in "Cobra." A gang of psychos is no match for him. Wayne Crawford plays the title role in "Jake Speed," as a fictional superhero who comes alive to help save a kidnapped woman. He isn't daunted by the real world's dangers.

the movies
Dan Greenberg

'Cobra,' 'Jake Speed' may be winners — but you will lose out

"Lead-in," "woo" and "unimaginative" are appropriate descriptions of Stallone's latest, "Cobra" (R), and of the less-heralded "Jake Speed" (R).

Having eliminated the Communist menace in Southeast Asia in the guise of Rambo, Stallone now is cleaning up the cities. "Crime is a disease and I'm the cure." So says the Cobra, nickname of Los Angeles Police Department Zombie Squad Lt. Marion Cobretti (Stallone), who does the dirty jobs that no other cop can.

When Swat Teams have failed, send the Cobra and his sidekick, Sgt. Gonzales (Reni Santoni). While Gonzales consumes junk food, Cobra storms psychos barricaded with terrified hostages.

The film is mainly devoted to Cobra and Gonzales protecting a witness, of course a fair young maiden, Ingrid (Brigitte Nielsen). She had witnessed a gang of maniacal, ax-wielders at work. They are creating a new order. How or why is never specified, but when they're not clanging their axes together in unison during ceremonies in an old warehouse, they're out slicing people. The Night Slasher (Brian Thompson) is most effective.

THE WHOLE AFFAIR is pretty typical of Stallone movies and the gag is wearing thin. Stallone seems to be getting stronger, more and more invincible, as each film rolls. He no longer gets captured and tortured by the evil opposition, nor temporarily on the ropes, like the "Rocky" films have led us to expect. Cobra certainly would not have had any trouble with terrorists at Cannes.

Stallone's obligatory big-battle scene pits Cobra against a continual stream of heavily armed motorcyclists but his grenades and machine pistol makes it look easy. If you enjoy stunt riders falling while Sly grunts, you'll like this scene, followed by the final brouhaha in a steel foundry where Cobra eliminates the Night Slasher and other upper-echelon psychopaths.

In addition to the dull and predictable course of events, the acting is vintage Stallone. Grunts, muscle-flexing and occasional monotone comments issue from Stallone's repertoire of one facial expression — blank. Cobra does venture into the realm of humor with the unoriginal, "You have the right to remain silent," just as Cobra flings a lighted match onto a gasoline-soaked body. The rest of the acting is equally unappealing with the exception of Brigitte Nielsen, a pretty girl with an engaging smile. She screams OK.

"JAKE SPEED" is much the same as "Cobra," with one exception. Although badly developed, it does have one clever idea, not something you can say about "Cobra." Both are adventure films with "casts of thousands," numerous stunts and uninspired, conven-

tional special effects. Both are quite dull. "Jake Speed's" clever idea is, unfortunately, poorly realized.

Wayne Crawford is leaden in the title role of Jake Speed, dashing hero of "Destroyer" paperback adventures who, with his writer and creator, Desmond Floyd (Dennis Christopher), moves in two worlds: the real world of the film and the fantasy world of paperback novels.

They are "summoned" into the real world by Margaret Winston (Karen Kopins) who needs help desperately to rescue her sister, Maureen (Rebecca Ashley), from white slavers. Maureen and her companion were kidnapped in Paris and Margaret feels guilty because she had encouraged Maureen to travel. The State Department has been absolutely no help and Grandpa Winston, who is only marginally batty, suggests they need a real hero, someone like Jake Speed, the man who does everything in the "Destroyer" novels.

A clever idea, summoning up the hero of an impossible paperback series, a hero for all seasons who makes Stallonian characters appear wimpy. The idea that Jake and his "writer" are looking for a new adventure for their next novel is very plausible as they enter the real world.

But the whole thing falls flat on its imaginative face as the plot proceeds in a murky manner with flawed continuity and an almost total lack of development of this basic story concept.

IT IS ALWAYS amazing that film production companies, with access to millions of dollars and numerous talented personnel, can produce movies with such obvious stupidities.

"Jake Speed" was filmed on location in Paris, Los Angeles and Zimbabwe, but none of that cures the fact that Maureen could have been kidnapped under more credible circumstances. It hardly seems likely that she could have been chased for some time through the daytime streets of Paris with no one interfering, or even noticing. At the other end, it seems just as unlikely that the incomparable hero, Jake Speed, would rescue her and leave her girlfriend behind.

In between those two improbabilities, there is never any clear delineation between reality and fantasy-adventure novel. That's the film's major flaw. It never explores or exploits the idea that paperback superheroes can bring their impossible strengths and their human foibles into the real world.

Add to that an unending series of stereotypes and poor acting, for example, the hero's dull bewilderment and the villain's vastly overdrawn, supposedly satirical presentation, and you have a film duller and more unimaginative than the novels it purports to satirize. "You have" because I've had it.

table talk

Dad's buffet

Sunday brunch at the Deer Lake Racquet and Country Club in Clarkston will be served from 10 a.m. to 3 p.m. June 15, Father's Day. Summer sagas

Adventure planned for young book enthusiasts

BILL BRESLER/staff photographer

Matthew Huber, a Bird Elementary School student, peruses the selection of books at Dunning-Hough Library in Plymouth.

By Julie Brown
staff writer

CHILDREN IN Plymouth-Canton who are looking for something to do during the summer vacation months don't have to look very far.

Both the Canton Public Library and the Dunning-Hough Public Library in Plymouth are offering summer reading programs for local children.

The programs are designed to get local youngsters reading — and to keep them reading.

"I hope that they'll have a good feeling about the library and about reading in general," said Pam Rawlinson, children's librarian at the Dunning-Hough Public Library in Plymouth. Children need to learn to enjoy reading, she said, and not to consider it a chore.

"A lot of kids, the only time they'll come into the library is when they have an assignment."

The Canton Public Library's program has similar goals.

"The Reading Club is just primarily to stimulate their enjoyment of reading and keep them reading over the summer," said Roberta Reeves, department head for children's services at the Canton facility. "It's not a contest. We just want to encourage them to keep reading for pleasure."

"We really want the experience of reading to be rewarding and not a frustrating experience," Reeves said.

THE THEME for both the Canton and the Plymouth programs this year is "Spotlight on Books." Both libraries belong to the Wayne-Oakland Library Federation.

The Dunning-Hough Public Library's program is open to children 6-14 who are residents of Plymouth, Plymouth Township or Canton Township. Registration for the Plymouth program began last week.

Reading will begin on Monday, June 23, with Thursday, July 31, the final day to report on books.

At one time, children participating in the Plymouth program were required to read 10 books.

"We changed it so that each child could set their own goal," Rawlinson said. "It was difficult for some kids to do that. If they didn't (meet the requirement), they felt they hadn't accomplished what they'd set out."

This year, children participating in the Plymouth program will be required to read at least three books, all at their own reading level. They will sign a contract indicating how many books they will read during the six weeks.

Library staffers can help out with suggestions for reading.

"We do have suggestions. Every week, we try to highlight something different," Rawlinson said. Bookmarks available at the library in Plymouth list books in different subject areas, such as fantasy, entertainment, games and nature.

Children participating in the Plymouth program will be required to give an oral report to a library staffer on at least one book. Youngsters will pick a question slip from a jar and answer the question as it relates to that book.

"Sometimes, kids get a little tongue-tied and they don't know what to say," Rawlinson said. "We hopefully will get them to think a little more about what they want to say."

OCCASIONALLY, AN extremely shy child will have difficulty giving an oral report and will be allowed to submit a written report, the librarian said.

If a child participating in the Plymouth program wishes to read a book that's not in the library's collection, he or she should have that book checked first by a library staffer.

Both the Plymouth and Canton programs will include a number of special activities for children. The Plymouth program will end with a Saturday, Aug. 2, Awards Party, which will be limited to those who have fulfilled their contracts.

The Canton program will end with a Thursday, July 24, Skating Party at the Skatin' Station in Canton Township. All children who participate in the Summer Reading Club may attend.

The Canton program will begin on Monday, June 16, and end on Thursday, July 24. Registration may be completed at the library on or after Monday, June 16. The deadline for registration will be 9 p.m. Wednesday, July 16.

Children in grades one through eight who have Canton Public Library cards may participate. As with the Plymouth program, books chosen must be at the child's reading level.

Only book titles in the Canton Public Library will be accepted. Children who read five books will receive a certificate.

The Canton program does not require children to give book reports.

"We don't want to make it a labored type of thing," said Reeves, the library's department head for children's services.

Both Reeves and Rawlinson agree that parents can help their children with the reading.

It's important for parents to be good role models — by reading themselves and by encouraging children to read, Reeves said.

"And talking about the books they read together." Such discussions are a big help to children in understanding what they've read.

"They often will tell us in great detail about it."

PARENTS SHOULD help children set realistic goals for reading, the Dunning-Hough Public Library's

Rawlinson said.

"Sometimes, they tend to say a higher number than is realistic for them."

It's also helpful to set aside some time each day — such as the time just before bedtime — for reading.

As with many adult readers, children tend to look for lighter material during the summer months.

"A lot more fiction gets read during the summer," Rawlinson said. The non-fiction shelves, however, also attract young readers.

Local children enjoy reading books about hobbies and interests, Rawlinson said, and also books about sports.

"Those are always real popular." Youngsters also seek out books in the areas of history, animals and others.

Fantasy books are popular among children at the Canton Public Library, Reeves said, as are the mysteries.

Both librarians encourage children and their parents to come in and register for the summer programs, which have been popular with young readers in previous years. Registration must be completed in person.

For more information on the reading programs, call the Canton Public Library at 397-0999 or the Dunning-Hough Public Library in Plymouth at 453-0750.

The Dunning-Hough Public Library is at 223 S. Main St. in Plymouth. The Canton Public Library is at 1150 S. Canton Center Road in Canton Township.

Doctors label little-known virus as health problem

By Janice Brunson
staff writer

HUMAN PAPILLOMA VIRUS (HPV) — also known as venereal or genital warts — is the most common form of venereal disease today.

That is the opinion of Dr. Richard Reid, associate director of obstetric-gynecology research for Sinai Hospital in Detroit.

"It poses a larger health threat to the heterosexual population than AIDS," Reid said of the highly contagious, sexually transmitted disease.

Reid's findings are based on an 18-month research project he conducted at Sinai. The project is financed by the federal Centers for Disease Control in Atlanta.

Dr. Kay Stone, with the Atlanta centers, does not entirely agree with Reid's findings. She agrees HPV is a serious health hazard, but, she said, the center takes the position that chlamydia, a vaginal infection, is the most prevalent sexually transmitted disease.

But in an April 11 article in the Wall Street Journal, medical writer Marilyn Chase wrote that HPV infections currently vie with herpes for the title of the most common sexually transmitted disease. She added that doctor visits for the virus have soared 730 percent in 20 years — triple the herpes growth.

HPV IS the virus that causes warts. Most warts, like those usually seen on hands and feet, can normally be successfully treated with traditional freezing, burning or blistering.

Others, called condylomas or venereal warts, appear as fleshy growths on the outer genitals or imbedded in the vagina's mucous membrane or the membrane of the mouth, nose and throat. The infection can also be present on genitalia or membrane, but not visible to the naked eye.

Diagnosis can sometimes be difficult and if not treated, venereal warts can progress into benign, pre-malignant or cancerous conditions. This is why, Reid said, he has concluded HPV is the most dangerous of

all sexually transmitted diseases. There are cases where the HPV virus has caused condylomas or venereal warts and the disease has become a chronic condition and progressed into a malignancy.

REID SAID his preliminary findings indicate 10 percent of the 1,400 randomly selected women who participated in the study have been exposed to HPV virus.

These findings parallel those of Dr. Nancy Kiviat who is heading up an identical study to Reid's at Harborview Medical Center in Seattle. Kiviat's study also is financed by the Atlanta Centers.

Kiviat found 15 percent of participants culled from an STD (sexually transmitted disease) clinic indicate exposure to HPV infection, leading her to comment, "STD clinics are becoming wart clinics."

However, only 6 percent of Kiviat's participants culled from a student health center were found to be exposed.

The women in Reid's study also represented a balanced group of high- and low-risk candidates. They were chosen from four regions in southwestern Michigan and metropolitan Detroit.

Based upon the findings of his research, Reid said an estimated 8-10,000 women will die this year of cervical and vulva cancers containing HPV traits. He estimates 90 to 95 percent of all cervical cancers and the majority of vulva and penis tumors start with HPV infections.

REID SAID venereal warts have increased 10 times in frequency since World War II.

"It causes 100 times more distress than herpes, chlamydia or gonorrhea combined, and it's much harder to get rid of."

Until recently, Reid said, it was not clear how widespread the disease was because information is "fractionated," or split into unrelated compartments. Venereal warts are commonly diagnosed by gynecologists, urologists, dermatologists, internists and others.

"No one group was seeing the en-

tire picture," he said. And venereal warts is not a "reportable" disease.

Reid said he is examining an increasing number of teen-age women in his Southfield medical office who have benign or pre-malignant conditions. He has also diagnosed three to four cervical cancers in women 21 years old. All, he said, are progressed cases of venereal wart conditions.

Fortunately, Reid said most people who are exposed to the HPV virus and develop venereal warts experience mild symptoms or none at all. Some are never aware they are infected. Most cases remain localized infections, probably, Reid said, a result of the body's immune system.

BUT REID cautions venereal warts should never be taken lightly. Some cases can progress rapidly. Whatever the stage of the disease, medical assessment is necessary.

Anyone diagnosed as having venereal warts should notify exposed sexual partners immediately because the infection is highly contagious.

Reid said, "The time has come when society must recognize the enormity of this problem and make it a health priority."

He said the medical community has placed a high priority on research of the HPV virus. "Anymore, it (HPV virus) dominates discussions at medical conventions."

This month, for example, the World Health Organization will host the Second World Congress on Sexually Transmitted Disease. One-fourth of the two-day event will be devoted to discussion of HPV. Physicians representing regions from throughout the world are listed as advisers to the congress and serve on the scientific committee.

Still, the infection remains relatively unknown among the general population.

The most effective method of diagnosis for a woman, particularly if she has cervical warts or an infection otherwise not visible, is an annual PAP smear.

Men can detect the infection through a home test by washing genitalia with a half-strength vinegar solution for three minutes. Warts will show up as white bumps.

Library reading activities slated for summer fun

A number of special activities for children will be featured during the reading programs for youngsters at the Canton Public Library and at the Dunning-Hough Public Library in Plymouth.

Canton Public Library activities will include:

- Music by Peter "Madcat" Ruth, 2:24 p.m. Thursday, June 26. The Ann Arbor musician will play a variety of musical instruments, including the harmonica, guitar, penny whistle and others. Registration begins 10 a.m. Monday, June 23, by telephone or in person.

- "Goliwhoppers' Tall Tales in the American Tradition," 2-2:45 p.m. Thursday, July 10. A cast of professional actors from Crossroads Productions will present this dramatic performance for children. The performance combines mime, song, dance and storytelling. Registration begins 10 a.m. Monday, July 7, by telephone or in person.

- "Appalachian Mountain Tales" with Mary Hamilton, 2-2:45 p.m. Thursday, July 17. This storyteller presents a number of Appalachian folk tales, including some ghostly tales. Registration begins 10 a.m. Monday, July 14, by telephone or in person.

"We've found that our children really enjoy storytelling a lot," said Roberta Reeves, department head for children's services at the Canton Public Library. Canton's activities

will be in the first floor meeting room of the township's Municipal Building.

- A Skating Party, 7-9 p.m. Thursday, July 24, at the Skatin' Station, 8611 Ronda, Canton Township. Permission slips are required, and are due on or before Tuesday, July 22. (Permission slips should be given to a children's librarian at the Canton Public Library.)

The program at the Dunning-Hough Public Library in Plymouth will also feature a number of different fun activities for children.

- Films for children will be shown 2-3 p.m. Thursday, June 26 and July 10.

Other activities at the Dunning-Hough Public Library will include:

- A Laser Show, 2-3 p.m. Thursday, July 3, presented by the Detroit Science Center.

- A Talent Show, 2-3 p.m. Thursday, July 17. Separate registration is required.

- "Mission: Possible," 2-3 p.m. Thursday, July 24. This program, which will be in downtown Plymouth's Kellogg Park, includes an obstacle course and other games.

- Awards Party, 2 p.m. Saturday, Aug. 2. The party will be limited to those youngsters who have fulfilled their contracts.

For more information, call the Canton Public Library at 397-0999 or the Dunning-Hough Public Library in Plymouth at 453-0750.

Bon Voyage Canton couple win trip

Canton residents August and Margaret Miller have won a trip to London in the British Airways "Go For It, America" campaign.

The Millers are two of 5,200 U.S. residents who will be traveling to London through the promotion.

They are among a number of Michiganders scheduled to leave Tuesday, June 10, from Metropolitan Airport. The Millers plan to return Saturday, June 14.

The British Airways campaign is aimed at attracting U.S. visitors to Britain this year.

Miller is a branch manager at the Comerica Bank in the Fisher Building.

"The farthest I've been outside the country is Montreal, so this is very exciting for us," August Miller said.

In launching the campaign, Jim Harris, British Airways Worldwide director of marketing, said, "The whole travel industry is suffering from the softness in the market this summer. Our plan is to lead the way to recovery — now."

"If our idea excites the imagination of others in this big industry — airlines, hotels, restaurants, stores, theme parks and the rest — the total effect could be stunning."

Sight seeing, theater productions and shopping are the main items on the Millers' agenda.

Safety tips offered

Children visiting the Canton Country Festival June 20-22 on Canton Center Road south of Proctor will have a chance to win an Isiah Thomas safety watch by playing safety games at a Detroit Edison booth.

To be eligible children ages 6-13 must complete a safety quiz at the Detroit Edison booth.

Each child who correctly answers all questions will be entered in an hourly drawing for the watches. Through games, young people are able to have fun while learning safety lessons, an Edison spokesperson said.

Detroit Pistons' basketball star Isiah Thomas is Detroit Edison spok-

esperson on safety and drug abuse.

His messages to young people are "Look Up Above" — for electrical lines when flying kites, "Electricity and Water Don't Mix" and "Say No to Drugs."

"The safety of young people in our community is of primary concern to Detroit Edison," said John M. Wisniewski, manager of Detroit Edison's Wayne-Monroe Division.

Edison chose a safety theme for this year's Canton Country Festival booth as part of an awareness program to help customers live safely with electricity and encourage them to stay away from drugs, he said.

Glenn wins 1st regional

By Chris McCosky
staff writer

Norm Hoenes had waited 20 years for this moment.

As the final Monroe batter strode to the plate, Hoenes perched himself on the top step of the dugout. He surveyed the field, shouted something to his sophomore pitcher, put his hands in his back pockets, adjusted his stance. Normally calm, Hoenes was antsy.

There was no suspense left in the game — his Westland John Glenn team had amassed a 17-1 lead by this time — but the wait was taking its toll on him.

The batter lofted a lazy fly ball to right field and it was over. Finally. For the first time in his 20 years of coaching Glenn baseball, Norm Hoenes had himself a regional championship.

"This has just been a great year," Hoenes said, struggling to verbalize his feelings. "We are a very thin ball club, we don't have a lot of depth. But the nine guys we put out there have done the job all year."

TECHNICALLY, GLENN'S 17-1 lambasting of Monroe was for the championship of the Class A regional hosted Saturday by the Plymouth-Canton School District. But ask any neutral observer, the championship was decided in the semifinal round.

In a splendid battle, Glenn survived Plymouth Canton 2-1.

The game belonged to the pitchers. Glenn's Steve Irwin and Canton's Adam Kocik. Irwin, though not at his overpowering best, struck out 11 Chiefs — eight of them with runners in scoring position and less than two outs.

"It was a situation where we didn't even need a hit to score, all we needed was to make contact," said Canton coach Fred Crissey. "The kid (Irwin) did a good job in those situations. He shut us down."

IN THE FIRST inning Canton put runners on first and second with one out. In the second the Chiefs had first and third with one out, in the third they had runners at second and third with one out. The score after three innings was 0-0.

Glenn scored an unearned run in the fourth. Mike Hammontree singled and went to second on a balk. He went to third on a ground out and scored on a passed ball.

Glenn loaded the bases in that inning with two out but a diving catch

by right fielder Mark Stevens saved at least two more runs.

Glenn picked up another unearned run in the sixth. Jim Kenyon, who was 3-for-3 on the day, rapped his second double to lead off. After two outs, he scored on an infield error.

IN THE bottom of the sixth, Canton put runners on second and third with two outs. Irwin fanned Art Dart to end the threat.

Tony Aiken led off the seventh with his second hit, a double to right center. Tom Kenyon followed with a single. A passed ball brought Aiken home and sent Kenyon to second.

Irwin then fanned a dangerous hitter in Chris Sisler, got Stevens on a ground out and fanned Mike Culver — that's Canton's three, four and five hitters.

"He was awfully good when he had to be," Hoenes said of Irwin. "We knew this would be a tough game. We've played them three times, all three were dogfights."

Canton finishes the year with an 15-15 mark.

THE CHAMPIONSHIP game, virtually anticlimactic after the thrilling semifinal, was owned by sophomore Clint Straub. The slightly-built right-hander allowed only one hit — a two-out RBI double in the sixth — and fanned eight.

He also rapped out two hits, a run-scoring double and a grand slam home run.

"He's done that for us all year," Hoenes said. "I thought we were going to be hurting for pitching at the start of the season. He came up and said he could pitch — I guess he was right."

The Rockets broke open a 1-0 game with a five-run fourth. Chuck Hammontree providing the big blow, a three-run double.

In the sixth, the Rockets sent 16 batters to the plate and scored 11 times. Straub's grand slam capped the inning.

Irwin had three hits in the ballgame, designated hitter Shawn Wilson knocked in four runs with a pair of hits and a sacrifice fly while Mike and Chuck Hammontree each had two hits.

Glenn will take its 26-2 record on to the state semifinals next Saturday at Western Michigan University. The Rockets will play the winner of the Grosse Pointe North regional.

But for now, let Hoenes savor the regional title. It's been a long time coming.

BILL BRESLER/staff photographer

Senior sadness. Plymouth Canton assistant coach Mark La-Pointe consoles seniors Chris Sisler, Jeff Lyle and Tony Aiken following a bitter 2-1 loss to Westland John Glenn in the Class A

regional semifinals Saturday. Glenn went on to win the regional title with a 17-1 lambasting of Monroe.

Monroe ousts RU

Losing in a regional semifinal is never fun, but the manner in which Redford Union went about defeat Saturday at the Class A regional at Plymouth Salem was, well, galling.

The Panthers lost to Monroe 3-2 in the seventh inning. RU put runners on second and third with one out. The tying run never crossed the plate.

Monroe's ace lefty Dan Hilliard struck out 13 to record the win. John Malik and Rod Posey each homered off RU hurler Pat Miller.

Dennis Bushart had a pair of doubles for RU. Mike Stefanski and Mike Kaczmarek each had RBI singles.

RU closes with a 15-11-1 record.

All-Area track: A dashing lot

By Chris McCosky
staff writer

BISHOP BORGESS did not win the Observerland Boys Track and Field Meet this year, but few will argue that the Spartans are the class of this area.

They won the Catholic League title, the Operation Friendship title, the regional title and placed sixth overall in the state meet.

Borgess also produced Observerland's lone state champion: senior Ivan Cotman — who, to no one's surprise, is this year's *Observerland Track Man of the Year*.

"Ivan is what I would call the cleanup man," said Borgess coach Gary Hicks. "Whatever he does, he has the potential to clean up in it. On a given day, he can run a super 220, run a super sprint relay split and run a great quarter mile. When you think he's dead for the day, he will come back with a sub-49.0 relay split in the mile relay. He is a great runner."

He proved all of that at the Ob-

server meet. In his fourth event of the day, he ran an incredible 48.2 400 split in the sprint medley relay, coming from way behind to win the event for Borgess.

Cotman headlines a large contingent of Spartan track men (four individuals and two relay teams) selected to the 1986 Observerland All-Area Track Team by area coaches.

Here is that team:

FIELD EVENTS

Dan Nash, Catholic Central, shot put: The senior posted the sixth best toss in the Class A state meet (52-1½). His best throw this year was 53-4. Nash, who will attend Stanford University next fall on a football scholarship, won the shot put title at the Observerland meet, the Catholic League meet and the regional.

Craig Petersmark, Farmington, discus: The Western Lakes champion in both the shot and discus, Petersmark placed eighth in the state in the disc with a toss of 151-10. His best throw of the year was a 161-6. Petersmark will attend Eastern

Michigan University next fall on a football scholarship.

Jim Rintala, Livonia Churchill, high jump: Churchill coach Fred Price seems to produce a stable full of good jumpers on an annual basis. This is one of his better ones. His best jump this year was a 6-4 which won him the Western Lakes title. He won the Observerland title and was unbeaten in dual meets this year.

Tyrone Reeves, Plymouth Canton, long jump: A rough day at the state finals can hardly ruin the fine season this junior put in. He won titles at the Observerland, Western Lakes and regional meets. His best leap was 22-3½. His regional winner was a 22-3. He also was a key member of Canton's sprint team.

Ray Lark, Bishop Borgess, pole vault: This senior posted firsts at the regional and Catholic League meets this year. His 12-9 vault earned him an eighth place finish at the state meet. His best vault was a 13-1.

TRACK EVENTS

Brian Kelly, Bishop Borgess, 110-

meter hurdles: A junior, Kelly posted the fastest time in the area by nearly a full second (14.4). He won the Catholic League in this event, took first at Operation Friendship, won at Observerland and at the regional. His 14.5 placed sixth best in the state.

Eddie Jordan, Wayne Memorial, 300 hurdles: Jordan decided to give track a try in this his senior year. Good move. His best time, 39.6, was second only to Kelly in this area. He placed third at the Wayne Invitational and second in the Wolverine A meet to state champ Millard Thomas of Belleville. He was fourth at the regional.

Marion Pittman, Bishop Borgess, 100 dash: This senior's performances this year have qualified him to compete in the prestigious Midwestern Meet of Champions. His 10.5 time leads the area. He ran a fifth best 11.0 at the state meet. He was runner up at the regional and first place at the Observer meet.

Ivan Cotman, Bishop Borgess, 200 dash: Cotman's state championship time in the 200 was 21.84. His per-

O&E kick classic June 18

The fourth annual Observer & Eccentric Girls High School Soccer Classic is scheduled for 6:30 p.m. Wednesday, June 18, at West Bloomfield High School.

The Classic pits the Observer All-Star soccer team against players from the Eccentric All-Star soccer squad. The all-star squads and the coaches of the year will be published within the next week by the Observer & Eccentric Newspapers.

The Observer all-stars dominated the series' first two games, winning by a combined 12-3 score.

However, the Eccentric-area all stars made a dramatic turn-around last year by gaining a 4-4 tie. The Eccentric led throughout most of the game until the Observer stars tied the game with a late goal.

soccer

The Oakland and Wayne county areas have consistently produced some of the state's top soccer players. Livonia Churchill, for instance, needed overtime to defeat Troy Athens in this year's Class A state soccer tournament championship game.

Many of the players from each of those teams are scheduled to participate in the game.

There will be a \$1 admission fee. West Bloomfield is on Orchard Lake Road, about one mile north of Maple.

The Observer papers serve the communities of Canton, Plymouth, Redford, Westland, Garden City, Livonia and Farmington. The Eccentric papers include the communities of Birmingham-Bloomfield, Rochester, Southfield, Troy and West Bloomfield.

Chiefs' Morgan steps down from girls soccer job

By Chris McCosky
staff writer

Plymouth Canton can begin the search for a new girls soccer coach.

Mike Morgan, who has guided the Chiefs to a 33-20-3 record the past three seasons, is stepping down.

He will remain the head coach of the boys program at Canton.

"I'm not a teacher, I don't work within the school district," he said. "I am a manufacturing representative in the construction business. The late winter and spring is my busy time. It's when I line things up for summer, and it requires me to do a lot of traveling."

"I've been spending 20 to 30 hours a week with the team, from mid-February to June. That's a lot of time at the expense of my livelihood."

It was not an easy decision for Morgan to make.

"I've thoroughly enjoyed coaching the girls," Morgan said. "Plymouth-Canton is a great school district. They have supported me 100 percent all the way through. Whoever takes over will inherit a really good team."

'The girls are talented and enthusiastic. I'm really going to miss it. I'll probably wish I was back when next spring rolls around.'

— Mike Morgan
Canton coach

MORGAN TOOK over a struggling program three years ago and built a consistent winner in a short period of time. The backbone of this year's team was a talented group of sophomores and freshmen — an indication that the future of the program is bright.

"The girls are talented and enthusiastic," he said. "I'm really going to miss it. I'll probably wish I was back when next spring rolls around."

The girls coaching vacancy will be posted within the school district for three weeks. If no one is interested, the district will search outside the district.

Meanwhile, Morgan will be back on the field next fall for the boys season. He is anticipating a turnout of 40 to 50 athletes.

 sonal best of 21.8, ironically, is second in the area to Pittman's 21.7. He won the regional title with a 21.9. He was runner-up in the regional in the 400 with a 48.1 — the best time in the area.
 Brian Neuhardt, Plymouth Salem, 400 dash: Another junior, Neuhardt was the Western Lakes champ with a 49.6. He won the regional with a 49.9, and ran a ninth best 49.4 at the state meet. He won every race in the

400 with the exception of the state meet.
 Bret Thirjung, Wayne Memorial, 800 run: This senior was a very valuable man in the Zebras' Wolverine A title run. He was a standout in four events. He placed first at the regional with a 1:57.4, second only to Farmington's Al Stebbins in the area.
 Al Stebbins, Farmington, 1,600 run: One half of the Falcons' dynamic duo of junior distance men.

Stebbins placed third at the state meet with a 4:17.71. He won at regionals with a 4:19.97. He was also a regional champ in the 800.
 Chris Inch, Farmington, 3,200 run: Inch placed second to Monroe's Todd Williams at the state meet, running a fine 9:12.61. Inch won the regionals with a 9:25.22. He was champion in the Western Lakes in both the 1,600 and 3,200. Both Inch and Stebbins will be in line for all-American honors next season.

Cotman, 1,600 meter: Elks Relay's champ, Observerland champ, Operation Friendship champ, Catholic League runners-up and third at the CMU Relays. Their best time was a 3:22.1, four seconds faster than the area's second best.
 Farmington (Bruce Kratt, Ron Smedley, John Pickens, Al Stebbins), 3,200 meter: Farmington coach Jerry Young specializes in coaching distance runners: this group, two sophomores and two seniors, demonstrates his effectiveness. It ran an 8:04.2 at the Western Lakes meet, shattering the old record by nine seconds.

RELAYS
 North Farmington (Marc Brown, Mark Weintraub, Chris Christian, Scott Selzer), 400 meter: It is very rare when a suburban prep school can put together a sprint team of this caliber. This quartet placed sixth in the state with a 43.51 and won at regionals with a 43.47. It also set a Western Lakes record (44.27).
 Bishop Borgess (Mark Pittman, Brian Kelly, Ivan Cotman, Marion Pittman), 800 meter: First place at the Observerland meet, first at the regionals and fourth at the state meet. Their top time of 1:28.6 is easily the area's best.

OFFICIAL NOTICE TO THE CITIZENS OF THE CHARTER TOWNSHIP OF CANTON OF PUBLIC HEARING TO CONSIDER APPROVAL OF A PROJECT PLAN AND THE ISSUANCE OF THE BONDS PROPOSED THEREIN AS SUBMITTED TO THE TOWNSHIP BOARD OF THE CHARTER TOWNSHIP OF CANTON BY THE ECONOMIC DEVELOPMENT CORPORATION OF THE CHARTER TOWNSHIP OF CANTON FOR THE CAP DEVELOPMENT II PROJECT

PLEASE TAKE NOTICE that pursuant to Act 338 of the Public Acts of Michigan of 1974, as amended, The Economic Development Corporation of the Charter Township of Canton has submitted a project plan to the Township Board for its approval.

Said project plan deals with the construction and equipping of two industrial warehousing and office buildings, each 32,800 square feet to be owned by CAP Development, a Michigan copartnership, to be leased to certain users, and to be located on a project area or site described as follows:

Lot 14 and Lot 15 Canton Industrial Park No. 2 located in the Charter Township of Canton, County of Wayne, Michigan, between Haggerty and Lilley Roads, South of Joy on Ronda Drive.

The street address of the facility is 8100 and 8200 Ronda Drive, Canton, Michigan.

Said project plan details all information required by law relative to said project and its impact on the community. No persons will be displaced from the project area as a result of this project. Said project plan also proposes the issuance of revenue bonds by said Economic Development Corporation in a maximum principal amount not to exceed \$1,500,000 to assist in the financing of said project.

The Township Board will meet at seven o'clock p.m., Eastern Daylight Time, the 24th day of June, 1986, at the offices of the Charter Township of Canton located at 1150 South Canton Center Road, Canton, Michigan, and will conduct a public hearing.

The public hearing shall consider the advisability of the Township Board approving, modifying or rejecting by resolution said project plan and the issuance of bonds as proposed therein.

THIS NOTICE is given pursuant to the requirements of Sections 10 and 17 of Act 338, Public Acts of Michigan, 1974, as amended. The project plan and relevant maps or plats are available for inspection at the Township Clerk's office. All interested citizens are encouraged and will be offered an opportunity at said hearing to address the Township Board concerning said project, said project plan, and the bonds proposed to be issued. All aspects of the proposed project plan will be open for discussion at the public hearing. Written comments may also be submitted to the Township Clerk prior to said hearing.

Wilkins hurls 4-hit gem

Livonia Adray edged Walter's Appliance, 2-1, in a pitchers duel Wednesday night at Ford Field in a Livonia Collegiate Baseball League (LCBL) encounter.

Right-hander Mike Wilkins, who just completed his sophomore season at the Lamar University in Texas, tossed a four-hitter to gain the victory. He struck out seven and walked only one.

Walter's Greg George was the hard-luck loser, allowing just four hits and two walks. He struck out five.

Brian Song's RBI single in the sixth was the difference. The Livonia Adray center fielder also took away an extra base hit bid by Kirk Boyd with a fine running catch at the 420-foot mark.

Walter's scored its only run in the fourth on a two-out triple by Ed Shepler followed by a Boyd single.

Both teams are 2-2 in LCBL.
