EXTRA MILER: John Kelley, a skilled maintenance employee with Plymouth-Canton Community Schools, was awarded the Extra Miler Award by the Plymouth-Canton Board of Education at its last meeting.

The board honored Kelley, a licensed boiler-refrigeration operator at Plymouth Canton High School, for his consistent performance, self-motivation and support to other employees.

The nomination cited Kelley for the pride he takes in preparing the school for the many events that occur there, for establishing a regular schedule of maintenance for all equipment, and for being instrumental in energy savings.

Kelley began working in the district in July 1970 as a custodian at Plymouth Salem High School. He worked his way through the ranks, becoming a licensed boiler-refrigeration operator in 1974. As a boy, he attended Gallimore Elementary and graduated from Plymouth High School.

FOR THE RECORD: A staff member of U.S. Rep. Carl Pursell, R-Plymouth, called last week to clear the record concerning some statements made by Democratic challenger Dean Baker of Ann Arbor while challenging Pursell to a debate.

Pursell has not voted in favor of Social Security, Medicare or student loan cuts, and has made public appearances in Ann Arbor to which the general public was invited — the most recent being at a peace march. It was suggested opponent Baker was also misinformed about the alleged refusal of Pursell to meet in Ann Arbor with people interested in U.S. involvement in Central America. Pursell agreed to appear at a forum with the protesters but was turned down by the protesters, said press secretary Gary Cates.

Parking fees due to township

By Doug Funke
staff writer

Motorists who don't want to contest parking tickets they receive in Plymouth Township soon will be directed to the treasurer's office at township hall rather than the 35th District Court to settle accounts.

Township officials have established a municipal violations bureau so that all fines generated by parking tickets will flow to township coffers. Currently, those revenues are shared with the court.

State law allows communities to

collect fines on parking tickets if they establish a formal system to do so.

The new system will take effect as soon as tickets ordered by the township police department arrive, probably by the middle of October.

Once that happens, recipients should bring parking tickets to township hall — 42350 Ann Arbor Road just east of Lilley — with cash, a money order or a cashier's check. Personal checks probably won't be accepted, said Treasurer Mary Brooks.

Fines also may be paid by mail

THOSE WHO want to contest parking tickets should return them to township hall indicating their desire to fight the charge. They will be notified later of a court date.

Payment for parking tickets won't be accepted at the district court once the municipal violations bureau gets going, said George Wiland, court administrator.

However, tickets for all moving violations will continue to be referred to the court at 660 Plymouth Road west of Haggerty.

The fine for all parking tickets in the township, except handicapped

parking offenses, will be \$10 if paid within 10 days of the date of violation. It rises to \$15 after 10 days.

Handicapped parking tickets will carry a fine of \$25 if paid within 10 days, \$30 thereafter.

The district court assesses fines of \$20 for parking in prohibited areas where signs are posted, \$30 for parking in a handicapped space without a permit, \$25 for parking in a fire lane and \$50 for any parking violation in Hines Park.

A FINE of \$50 can be levied for parking a motor vehicle on private

property without permission but judges in the 35th district generally levy just \$25, Wiland said.

Many parking tickets in the township today are placed on vehicles with for-sale signs left in parking lots of businesses along major thoroughfares.

Brooks said she doesn't anticipate any problems collecting the fines.

"We're collecting money anyhow — what's a few more dollars to collect," she said. The treasurer's office collects property taxes and accepts payment for such other items as dog licenses, trash bags and various township maps.

Student services director named to replace Page

By Kevin Brown
staff writer

If you run a program geared to educating mentally, emotionally or learning-impaired kids, you're going to have to deal with a lot of paperwork.

While Pat O'Donnell said that dealing with the bureaucracy can be tedious, it shows that the U.S. educational system is doing much to help these young people — more, in fact, than any foreign educational system is doing.

O'Donnell, named Plymouth-Canton Community Schools director of special programs and student services earlier this month to succeed the retiring Edwin Page, said he became aware of this while studying in England last year. Special educators from around the world met to talk about how they provide services.

While some foreign educators ponder how they might offer service in this country, we spell it out by the number of days of service in each program area," O'Donnell said.

O'DONNELL SERVED as assistant to Page for six years, leaving to become West Middle School principal, his most recent post, for two years. As director of special programs and student services, he oversees special education for 1,500-1,600 students.

O'Donnell grew up in Indiana and Illinois, and attended several col-

leges before earning his undergraduate degree from St. Joseph College in Rensselaer, Ind.

He earned a specialist in administration degree at Butler University in Indianapolis and studied for a master's at Indiana University before completing it at Eastern Michigan University.

He's taught in special education programs geared to the high school level, and is finishing work on a doctorate degree in administration and public policy at the University of Michigan.

O'DONNELL SAID the switch from general to special education started when he was still an undergraduate.

"My wife was working as a speech and language therapist. She always talked about the unusual needs these students had. I just started gravitating toward that."

Later, a professor told him of a grant program offered through Indiana University, the Asset Program, "to encourage people to make that change because at that time they really didn't have enough people."

O'Donnell said the most striking change in special education programs since the early '70s involves an increased number of intricate requirements governing special instruction. But he said this was necessary, as parents pressured state government to provide a higher level of special instruction for their children who needed it.

It must be raindrops

It was raindrops, many of them, that fell on Plymouth Canton students Tracey and Jenny Power Friday night throughout the Canton-Livonia Churchill football game. The inclement weather delayed the start of the game for over an hour and forced the first

emergency stadium evacuation in the history of CEP. The stadium was completely cleared out, the people sent into the high school. The game was eventually played. Details on page 7B.

Developers plan apartment village

By Doug Funke
staff writer

Construction of 328 luxury apartment units and several commercial buildings has been proposed for a 41-acre site in Plymouth Township.

The development, tentatively named River's Edge, would be bounded by Plymouth Road, Haggerty Road, the C&O Railroad tracks and Hines Park. The Selective Group Inc., based in Birmingham, plans to build and manage it.

"We're probably looking at a value of the entire project in the area between \$15 and 20 million," said Michael Horowitz, Selective's president.

Construction likely will begin next spring with initial occupancy about a

year from now, he added.

Preliminary plans submitted to township officials call for erecting 21 apartment buildings within the heavily wooded site. Twenty of the buildings would contain 16 units each, the other eight units. Each building would be two stories high.

Selective proposes building 288 two-bedroom units, 40 one-bedroom. Each apartment would contain its own laundry and storage area. Other amenities include tennis courts, a pool and jogging trails.

Rents would approach \$1,000 per month.

THE COMMERCIAL portion of the project, 30,000 square feet, would anchor the development right at the Plymouth-Haggerty intersection.

Potential tenants include a bank, restaurant and convenience food store.

"We have done some fairly extensive market studies and basically we want to appeal to the upper (income) end," Horowitz said. "We've had positive feedback from the community, lenders and a market study."

"What we're hoping to do is create a unified concept. We're trying to respect the integrity of the site."

The Selective Group is no stranger to Plymouth Township. The company built the Riverbank Square shopping plaza on Ann Arbor Road and is now constructing Plymouth Executive Park, three office buildings totalling 80,000 square feet, on Sheldon Road north of M-14.

"We defined Plymouth Township

as an area we wanted to do business in a number of years ago," Horowitz said. "We think it's an excellent community, a fine residential area and it's well located."

He doesn't expect that prospective tenants will balk at paying top dollar to live close to railroad tracks.

BUILDINGS toward that part of the project would be oriented away from and set back from the tracks to minimize the impact. Also, landscaping may help that situation.

"Most people in the Plymouth area accept railroad tracks as facts of life," Horowitz said.

A well tap on the development site to a nearby underground natural gas storage area isn't expected to pose major problems, Horowitz said.

River's Edge apparently will be

the first Planned Unit Development in the township.

Designed for properties with unique characteristics, that land-use designation allows developers more flexibility "while protecting the community," said Planning Director James Anulewicz.

The township board still must approve Selective's final development plan.

Based on last year's tax rates, a development with a market value of \$15 million would generate \$416,250 annually in property tax revenue. Plymouth-Canton Community Schools would be the major beneficiary.

The township already has about 1,350 apartment units within its limits.

Morale booster grew out of strike

By Kevin Brown
staff writer

You put in your hours. You do a good job, and maybe a bit more. But what's the use — the boss doesn't appreciate it.

But if you work for Plymouth-Canton Community Schools, this isn't exactly the case.

A program born in the aftermath of a divisive 1983 teacher's strike is geared to honoring employees who go that extra mile.

Milers" have been honored at the beginning of biweekly school board meetings.

The award ceremony opens with a board member reading a proclamation citing the staffer's specific achievements. It concludes with board members and top administrators rising to applaud and shake the staffer's hand, as the honoree is given a plaque and an enamel pin, the Flag of Learning and Liberty.

Winners range from teachers to custodial employees to cafeteria workers. And all who accept the honor appear genuinely pleased, as do

top administrators and board members who vote to award it.

"These people really do go an awful long way to making what I would call a really successful school district," said Trustee Roland Thomas, chairman of the board's recognition committee. He terms the Extra Miler program a success.

Dick Egli, community relations director for the school system, said, "It grew out of the strike and the recognition of a need for recognition." The idea was discussed further during Staff Morale Committee

meetings in early 1984, then implemented that fall.

AT FIRST, Egli recalled, honorees were simply recognized before the board.

Then in 1985, the Mayflower Hotel began offering free meal passes to the Extra Miler and guest. And beginning earlier this year, the plaque and pin also were presented to winners.

Cindy Bastion, cafeteria manager at Field Elementary School, won the award two years ago.

"I think I was the third one to get

it. I was thrilled to death," she recalled.

"I think it's a terrific program. Everyone needs a pat on the back once in a while. It's been two years, and I'm still glowing inside."

Bastion said employees regard the award as a real honor, adding, "The entire school is proud when someone wins."

Murder verdict remains in limbo

The legal battles continue almost a year after Dr. Charles Ray Fisher was found guilty of first-degree murder and a judge ruled a new trial would be held.

An appeal has been filed to uphold the first-degree murder verdict.

Fisher was charged in the July 1984 suffocation death of his wife, Ella Maria Mercado-Fisher, whose face had been wrapped with duct tape in the couple's Canton home.

Fisher told police that he and his wife were robbed. The prosecutor maintained Fisher committed the crime because he was overwhelmed with jealousy about an affair he believed Mercado-Fisher was having with her cousin.

Fisher was found guilty of first-degree murder last February after a jury deliberated for 2½ days. However, Wayne Circuit Judge Claudia

House Morecom nullified the verdict citing improper conduct by the prosecuting attorney. She called for a new trial.

The Wayne County Prosecuting Attorney's office recently filed a 32-volume transcript in an appeal to the state Appellate Court to overturn Morecom's ruling.

Meanwhile Fisher is free on 10 percent of a \$250,000 bond. Shortly after the trial he was living with his parents in Missouri.

Fisher's attorney Daniel Burrell has since been named as a Livingston Circuit judge.

Fisher, who worked as a microbiologist at Veteran's Administration Hospital in Ann Arbor when he lived in Canton, said he's unable to pay for an attorney and has had an attorney appointed for him by the court.

The Plymouth business scene 45 years ago

(Part 1)

Before starting this week's topic, I have an addition to recent columns I wrote about Henry Ford's interest in the Plymouth area.

Earl West, retired local businessman, tells me he met Ford and his right-hand man, Harry Bennett, when West's father owned a general store at the corner of Ridge and Cherry Hill Roads in Canton Township.

When West was a young lad, Harry Bennett stopped at the West store on his way east from his "Castle" on Huron River near Ann Arbor. Every morning Bennett bought the same thing — four cigars.

"That would have been in the early 1920s. We knew he was a big wheel at Ford, so we stopped what we were doing and served him right away."

"There would usually be a number of farmers in the store. They delivered their milk to the nearby creamery, then came to the store for supplies or a talk. My father's building was a large one with the store in front. There was a big dining hall at the back."

"On the second floor there was a large room that became Cherry Hill's community center and dance hall. Those who attended meetings or dances there on cold winter nights would stable their horses in the basement where they would keep warm."

WEST SAYS Henry Ford wanted to buy the building from his father and move it to Greenfield Village as part of his early Americana exhibit. Ford said he would build a brick building on the site so West could continue in business.

The idea was attractive, but if West agreed to the proposition, the nearby Cherry Hill Methodist Church would have a problem. If the upstairs "community center" in the West building went out of existence where would the Ladies Aid Society and other church groups hold their meetings? That problem led West to reject Ford's offer.

Henry Ford had other interests in Cherry Hill in later years. In 1942, he made Cherry Hill School part of his Greenfield Village Edison School System. In 1944, he built one of his village industry plants at the corner of Ridge and Cherry Hill Roads, employing disabled war veterans there to build ignition components and door locks for Ford automobiles.

The West boys left Cherry Hill to begin business careers in Plymouth. The Ford village industry plant was closed shortly after World War II ended. But the old West general store building, the Cherry Hill Methodist Church and the Cherry Hill School House are still intact.

The school building, not used for classroom purposes since the late 1950s, is to be renovated for use as an historic community meeting hall.

NOW, ON TO another subject — the business scene in Plymouth in the late 1930s.

My source is "The Plymouth Red Book," an 88-page where-to-buy-it booklet issued by the Dayton Publishing Company in May 1939, the year after Burroughs opened its plant in Plymouth Township, and three years before the U.S. got into World War II. I am in possession of

the book through the generosity of Loren Gould, former owner of Gould's Dry Cleaners and well-known Plymouth builder and land-developer.

The Red Book was published by Caroline O. Dayton, wife of Municipal Judge John S. Dayton. Caroline also operated a collection agency called Michigan Bureau of Credit at 737 Maple Avenue. Ralph Lorenz re-

calls that in the days when being in debt was considered a disgrace, Caroline had her car painted silver. That was so those in debt would pay up rather than have the car drive up in front of their homes. "Now," Ralph observes, "everyone has a credit card, and being in debt is in style."

Of about 400 commercial businesses listed in the Red Book, only eight are still in business. They include the Hillside Inn, Beyer's Pharmacy, Bill's Market, C.L. Finlan and Son Insurance agency, the Penniman-Allen Theatre, the Mayflower Hotel, the Schrader Funeral Home, and the Plymouth Feed Store.

Of these eight, the only ones still being conducted by the same families are the Mayflower Hotel,

Schrader Funeral Home and the Plymouth Feed Store. The hotel, now owned by the Lorenz family, had a young manager named Ralph Lorenz in 1939.

Schrader's was owned by Fred Schrader who founded the firm in 1904. Fred's son, Edwin (better known as Bud) became owner in the 1940s, and his son, Win, is now at the helm.

The Plymouth Feed Store, now called Saxton's Garden Center, was opened in 1934 by Dean Saxton. It has been run since the 1960s by Dean's son, Bill.

French students to visit in spring

Plymouth-Canton Community Schools will again participate this year in a French exchange program.

For the second year Plymouth-Canton fifth graders will host 25-30 French pupils for three weeks from March 19 through April 9.

Last year some 25 French students, along with their teacher and bilingual counselor, were guests of 25 families here for three weeks in March. They met at Smith School four days a week and attended the school of their host family's child one day a week.

The program is organized by Campus International in Chicago. Similar programs take place throughout the

midwest including Dearborn, Walled Lake and Jackson school systems.

Correspondence between the French and American children begins early in the school year and host children receive French culture and language lessons weekly. The possibility of American children visiting France in June is being considered.

There will be a meeting about the program beginning 7:30 p.m. Thursday, Oct. 2, in the library of Allen School.

Participants in last year's program will be there to answer questions and help organize this year's class. Parents and children in the fifth grade may attend.

Tonquish ready for fall bazaar

The residents of Tonquish Manor will hold a craft bazaar from 10 a.m. to 5 p.m. Saturday, Oct. 4, in the community room of the senior citizen apartment building, 1160 Sheridan, just behind the Christian Science Church on Ann Arbor Trail west of Harvey. Items offered for sale will include handcrafted dolls, Christmas ornaments, flower arrangements, baby items and more. Residents also will sell the products of their treasured family recipes at a bake sale, items such as lemon cream pie,

homemade bread, Scottish shortbread and homemade fudge. There also will be a white elephant sale and a used-book sale. Prizes to be given away include a handmade quilt or a snuggly. Proceeds will be used to fund the many social and educational activities held for senior citizens. Showing some of the items are (from left) Marcella Rufus, Ruth Armstrong, Tena Christenson, Mary Mitchie, Elizabeth Kyser, Hattie Martin, Ruth Dillinger, Sue Mecklenburg and Dorothy Kirchoff.

Beautifying Cannon Park

This spring members of the Lake Pointe Garden Club helped plant more than 100 containers and barrels in Old Village — along Starkweather and Mill streets and in Cannon Park — in cooperation with Diana Licht and Joyce Costanza of the Old Village Beautification Committee. In commemoration of the 25th anniversary of the branch of the Woman's National Farm and Garden Association, a bench was donated to be located near the gazebo at Cannon Park. Mickey Pennybacker is civic improvement chairman of the club; Carole Zang, past president; and Jan Elston, first president of the branch. Sitting on the bench are Zang (left) and Elston. Walking near the planters in the picture at right are (from left) Licht, Costanza, Zang, Elston and Pennybacker. Not shown is current president Jean Peno.

"We've had as many as a whole staff saying something on the forms to one or two making the nomination," said Egli. Trustees study the forms, and usually recommend one Extra Miler per board meeting.

Norman Kee, assistant superintendent for employee relations, calls the nominee chosen to receive the award. "Generally they're kind of surprised. They say they're very

pleased," Key explained. "Some say, 'Are you kidding?' I ask if they can be at the board meeting."

Key also asks the employee's supervisor to attend, and fellow staff members often show. In recent months, elementary pupils have twice jammed the board room to show support for honorees from their schools.

Egli said he doesn't see a time when the district will run out of staffers deserving the award, citing both the size of district staff and rate of turnover.

State squares off with locals over sewer plan

By Teri Banas
staff writer

In a get-tough action, the state Department of Natural Resources last week sent letters of "non-compliance" to 11 communities, including Livonia, Westland and the city of Plymouth, to force submission of reviews of their individual sewer systems.

The communities have been asked to join the North Huron/Rouge Valley Wastewater Control System, commonly known as Son of Super Sewer.

Dave Vago, deputy director of Wayne County public works, in an effort to rally support for the project on Friday addressed a gathering of elected and administrative officials from communities affected by the plan.

"Time is of the essence," said Vago. "It's a project that's necessary if this area of the county is going to grow because we're over capacity."

AT VAGO'S suggestion, proponents refashioned the project to exclude Canton Township which recently voted to opt out of the plan because of the cost.

Canton's withdrawal will increase costs to other communities by 17 percent, scaling the originally proposed \$110 million project to \$84.5 million.

Redford Township Thursday agreed to the higher rate, amounting to \$200,000 more for its share. Wixom, Novi and Northville also have committed.

A tentative roll call vote, taken to canvass sentiment from the other communities, revealed that a major-

ity thought their local governing boards would adopt the proposal.

NORTHVILLE TOWNSHIP Supervisor Susan Heintz, though, said they are concerned that the plan doesn't adequately ensure cost overruns will be contained.

Canton's pocketbook threatened

By Teri Banas
staff writer

Canton Township's economic development could be impaired if the state follows through on its threatened "sewer ban."

The ban would block the issuance of new construction sewer tap-ins, a key in community development planning.

The township also risks paying a fine of \$10,000 a day for violating the Water Resources Commission Act. Violation of another state act governing construction and operation of sewage treatment facilities could cost taxpayers an additional \$10,000 a day.

THE DEPARTMENT of Natural Resources is bearing down on the

Plymouth Township Supervisor Maurie Breen noted longstanding objections, suggesting that he would be willing to agree only if "the county is willing to negotiate" changes.

Plymouth and Canton townships last July filed a lawsuit against county and state DNR officials al-

leging a "conspiracy" in the sewer project, complaining also that they would pay an inordinate amount of the total cost. Combined, the two communities would have paid 32 percent of it.

The project, a measure to clean up the Rouge River, has been in the dis-

cussion stage for over a dozen years, undergoing several revisions.

In all, 16 western Wayne and Oakland county communities are included in the project. It calls for a sewer line to be built throughout those communities and into the Detroit Waste Water Treatment Plant.

by nearly 29 percent next year. Another 17 percent hike is expected from the operators of the Detroit Wastewater Treatment Plant.

Canton will study other alternatives for improving its sewer service including building "wet weather" storage basins, developing a sewage processing plant and linking up to the west, and Ypsilanti's sewer line.

Canton's dissent on the proposed sewer project in the final months before the federal funding deadline may very well signal the project's demise.

In recent months Wayne County officials along with the DNR have pressed for action on the plan to meet a Dec. 1 deadline for applying for federal EPA (Environmental Protection Agency) funds covering 55 percent of some project costs.

SUPPORT HOSE

Most instances of ankle and foot swelling are the result of poor veins: blood vessels that have lost their capacity to channel blood from the ankles and feet back to the heart. As a result, the fluid elements of blood leak out of the veins and cause the swelling around the ankle and feet known as edema.

The best treatment is to use elastic hose. This type of stocking compresses the tissues surrounding the incompetent vein, and forces the fluid back into the blood vessel.

Support hose comes in a variety of lengths, from just above the ankle to just below the groin. A wide range of pressures is available, ranging from 8mm to 35mm of pressure exerted by the stocking against the veins in the leg. Each increase in length or average pressure increases the cost of the stockings.

For most people's requirements, the elastic stocking length needs to be no higher than to below the knee, and the pressure exerted by the stocking should be in the range of 18-25mm.

Elastic stockings should be tried whenever your doctor determines that leg edema is the result of poor veins.

Resents view of supervisor

To the editor:
 I should like to take exception with Canton Township Supervisor James Poole's statement regarding junk apartments.
 As a previous homeowner in both Canton and Plymouth I feel relatively qualified to make a statement regarding the quality of my new home in the Saratoga North Apartments.
 My building is as well-constructed, soundproof and airtight as either of my homes in Sunflower Village and Ridgewood Hills. The grounds are well-maintained. The management is both concerned and cooperative.
 Not everyone chooses to live in a house. To have my township supervisor judge my home as a "junk apartment," without so much as visiting the complex, is, at the very least, an ignorant judgment.

Parishioner nips electrical trouble in bud

An alert parishioner who noticed an unusual light coming from the basement of Our Lady of Good Counsel Catholic Church in Plymouth Wednesday night may have prevented a major fire from breaking out there.
 Plymouth firefighters called to the church on Penniman Avenue discovered a smoldering electrical panel and smoke when they investigated, said Chief Al Matthews. Detroit Edison and an electrician were called to the scene to make emergency repairs.
 No injuries and only very minor damage was reported.
 Choir practice apparently was in process at about 9:20 p.m. when the arcing light was discovered, the chief said.
 Detroit Edison and Consumers Power crews were called to deal with an emergency at about 6:30 p.m. last Monday.
 A Plymouth man driving north on Main struck and broke an Edison light pole, then careened into a gas meter attached to a nearby office building, police reports indicated.
 The man was ticketed for careless driving. He said he fell asleep at the wheel but wasn't seriously injured by the impact, police reported.

companies were listed in the 1939 Red Book.
 Of these only three are still here — Plymouth Plating Works, Plymouth Stamping Company and what was then called "Burroughs Adding Maching Company."
 Plymouth Plating works was started in 1923 by the late Frank Henderson and Henry Hondorp. Plymouth Stamping Company was started by Clarence Moore and Albert Curry in 1932. It has been owned and operated for many years by the Elvin Taylor family.
 The Burroughs plant, which

opened here in 1938 and was once the area's largest employer, is still in business here but no longer operates at its one-time capacity.
 Among firms listed in the Red Book that are no longer here are Daisy Manufacturing Company and Dunn Steel Products. The book lists four factories for the Ford Motor Co. but those were Henry Ford's village industry plants that the company closed shortly after his death in 1947. In later years, the Ford Heater Plant on Sheldon Road became part of the local scene.

Speaking of Mental Health

At Catherine McAuley Health Center we are moving to a position of leadership in the treatment of mental and emotional problems. Our vision of mental health is becoming a reality with the opening of the new Mercywood Health Building.
 Our new facility will house inpatient and outpatient programs for adolescents, adults, and older adults. Our team approach at the new Mercywood focuses on early intervention while problems are still manageable.
 Our philosophy of care uses the shortest term, least disruptive form of treatment allowing individuals to return to their homes, jobs, and families as soon as possible.

Most mental health problems are temporary in nature. One way we can create a climate that encourages mental health is to understand all we can about it.
 Come share our new vision of mental health treatment by attending any of a series of free public tours and lectures which will be offered at Mercywood Health Building during these weeks before its formal opening.
 For more information, please call the Department of Community Relations of Catherine McAuley Health Center at 572-4000.

SC board to interview trustee candidates

By Teri Banas
staff writer

Schoolcraft College trustees have set aside five days in October for public interviews of the 29 applicants for positions on the board.

Board president Michael Burley suggested last week that the individual interviews be limited to 15 minutes because of the number of applicants, while leaving open the possibility of further, in-depth questioning, after a final cut.

Interviews will be conducted at 7 p.m. Oct. 1, 6, 7, 8 and 21 in the board room of the administration building on the Livonia campus.

Ford exec says truck sales are up

Designating 1987 as "the year of the truck," a Ford Motor Co. executive predicts that growth in the compact segment will "continue to be phenomenal."

"Just five years ago, there was no such thing as a mini van or a compact truck," said Robert L. Rewey, a Ford vice president and general manager of Ford Division, in previewing the 1987 model product line-up.

"The truck market is big — and getting bigger every day — with compact models accounting for more than 55 percent of all truck sales."

As evidence of this growth, Rewey cited Ford's compact Ranger model. Introduced in 1982, it already has passed the 1 million mark in sales.

"THIS 'EXPLOSION' in truck popularity is taking place because buyers now are substituting trucks for cars in their new-vehicle purchases. More than half of the compact trucks sold today are bought for 'fun' reasons.

"For example, it now is fashionable for women to be seen in dressed-up trucks . . .

"In June, July and August, Aerostar achieved combined bus and van sales leadership over Chevrolet, Dodge, Plymouth and Toyota.

"Our new Ranger SuperCab has become the fastest-selling extended-cab version in the industry, while our F-Series is retaining its familiar title as world's best-selling vehicle, car or truck, import or domestic."

On Oct. 22, the board will appoint replacements to two board vacancies. Last month, trustees Sharon Sarris and Paul Kadish announced they were moving out of the college district.

The board plans to select at least five finalists before making the two appointments.

By law, the remaining five trustees have 30 days to make their selections after receiving formal notices from Sarris and Kadish.

According to their timetable, that puts the board decision on Oct. 22, during their next scheduled board meeting.

SEVERAL TRUSTEES expressed

Interviews will be conducted at 7 p.m. Oct. 1, 6, 7, 8 and 21 in the board room of the administration building on the Livonia campus.

mild astonishment at the size of the field at a board meeting Thursday night. It caused at least one college administrator, Sandra Florek, who acts as chief college fund-raiser, to quip that in the least it should substantially boost her enrollment in the Schoolcraft College Foundation.

"In fact, I thought I'd get the letters out tomorrow," she said.

In all, there are 16 candidates from Livonia, five from Northville, two from Northville Township, four from Plymouth and one candidate

each from Garden City and Canton Township.

The college district is comprised of all of those communities, though Livonia has dominated the board as the largest community in population.

According to trustee Rosina Raymond, who researched the board's governing rules in the college charter, only three votes will be needed to make a selection because that number represents a simple majority of the board.

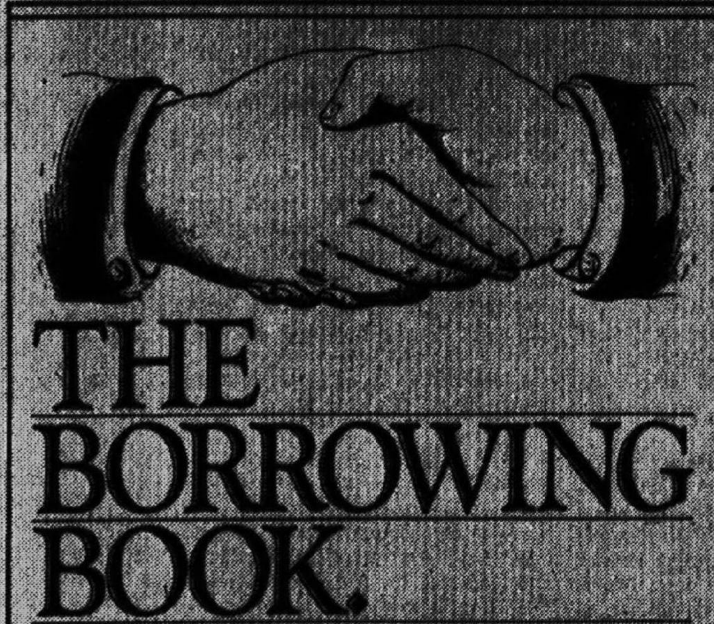

Burley said the applicants would be asked not to attend any of the

public interviews until their own is completed so as not to "flavor" their responses.

The applications, including resumes, were submitted Sept. 22 and were given to trustees last week.

Last Thursday night, three of the applicants attended the college board meeting, including William Warren of Livonia, Jeanne Stemple of Northville and Nancy Kitzman of Garden City.

The two trustees appointed will serve until the next election in June 1987.

The Ultimate Truth In Lending.

To anyone who's never done it before, applying for a loan can be a bewildering experience.

All those questions, calculations and telephone calls make borrowing seem so confusing.

Actually, it's quite simple. Even logical. And to prove that point, First of America Bank is offering The Borrowing Book, a straightforward explanation

of how loan officers make up their minds.

In it you'll find the questions bankers ask when you apply for a loan. You'll read about the importance of debt-to-income ratios and credit reports.

And you'll learn about the wealth of loans available from First of America Bank. Everything from car and boat loans to private lines of credit and bank credit cards.

For personal loans and the whole story behind them, come to your nearby First of America Bank office and get The Borrowing Book free.

The plot isn't much, but it could have a very happy ending.

● AMATEUR PERFORMERS

The Plymouth Community Arts Council is updating its list of amateur performers who are willing to share their time and talent with students. The resource list is provided by the PCAC to all elementary teachers in Plymouth-Canton Community Schools. Particularly needed this year are dancers, singers and musicians. If you or someone you know has a special skill they are willing to share, call Pat MacIsaac at 453-8051.

● VOLUNTEERS SOUGHT

Canton Care Council, an affiliate

of the Ann Arbor-based Community Councils Association, is seeking volunteers interested in enhancing the quality of life for nursing home residents.

Volunteers serve on the council, which meets once a month to plan social, service or educational activities for residents at Canton Care Center. The time commitment is three to six hours per month. For more information, contact Kathy Belisle at 981-2382.

● EMERGENCY VOLUNTEERS NEEDED

The Plymouth Township Office of

Emergency Preparedness needs volunteers to be trained in skills that will be used during an emergency or disaster. Training includes damage assessment, shelter management, first aid, emergency operating center support and service weather spotting.

Training meetings are held from 9 a.m. to noon on the fourth Saturday of each month in Plymouth Township Hall at Ann Arbor Road and Mill. Township residency is not required. All training is free.

● HELPING SKILLED TRADES

Focus: HOPE needs active retired

toolmakers, pipefitters, millwrights, machine repair, electricians and auto mechanics for full-time, part-time and temporary positions at Focus: HOPE Industry Mall — a 25-acre industrial center for high skill training, new employment and creation of minority ownership in machining and manufacturing.

Retired master craftsmen, who want to remain active, make use of years of knowledge and pass their skills on to another generation, can become involved in passing on their skills and work habits to others. Those interested can contact Focus: HOPE, 1200 Oakman Blvd., Detroit 48238 or call 883-7440 from 8:30 a.m. to 5 p.m. Monday-Friday.

program is made up of volunteers from Plymouth and surrounding communities who patrol the Plymouth area. The organization is looking for volunteers to devote one night (four-five hours) per month to be the "eyes and ears" for the community. Those interested in going on an observation ride with a PACT member should call 459-2075.

● MEDICAL HELP

Henry Ford Hospital is looking for men and women 18 and older as volunteers at the Plymouth Center on Main Street east of Penniman. Needed are people with all types of skills to help with patients or to perform clerical and other tasks. Nurses also are needed for blood pressure screening. For information, call the volunteer services department at 876-1876 from 8:30 a.m. to 4:30 p.m. Monday through Friday.

● MCAULEY VOLUNTEER

Volunteers are needed at the Arbor Health Building in Plymouth and other Catherine McAuley health facilities. Volunteers can work directly with patients or in non-patient-contact positions. Weekday, evening and weekend hours are available. Complete orientation and training are provided for all volunteer programs. To sign up to attend an information meeting or for more information,

call the volunteer services department at 572-4159.

● HISTORICAL MUSEUM

Volunteers are needed at the Plymouth Historical Museum. Are you interested in antiques and Plymouth history? Come in and visit your museum and see what's there. The museum needs volunteers for changing displays, helping in the gift shop, typing, printing, sewing and helping in the educational program for school children. Call 455-8940 or stop in from 9 a.m. to 4 p.m. Wednesday or Thursday to ask what you can do to help.

● DELIVERING MEALS

Residents are encouraged to volunteer their time to deliver meals one day per week to the homebound elderly in the city of Plymouth and in Plymouth Township. Delivery takes about one hour, 11:45 a.m. to 12:45 p.m. Drivers are needed daily except Thursday. Mileage reimbursement of 23 cents per mile is available. For information, call Margaret Foster, 453-9703, 10-11 a.m. Monday-Friday.

● MEALS ON WHEELS

The Senior Nutrition Program, "Meals on Wheels," needs clerical volunteers for its main office at Five Mile and Sheldon roads in Northville. To volunteer, call 453-2525.

Retailer joins campaign for child protection laws

The K mart store on Ann Arbor Road in Plymouth Township is helping to support John Walsh's grass-roots campaign to make the nation a safer place for children.

K mart is providing a convenient location for the public to show its support of stronger state laws by signing forms expressing their concern.

The announcement is tied into tonight's airing of the NBC Monday Night Movie "Adam: His Song Continues" — the sequel to the movie "Adam," which tells what took place following Adam Walsh's abduction and John Walsh's legislative activity

to date in providing stiffer laws to protect children.

THE PLYMOUTH K mart will have available at its service desk forms for the public to sign and drop off in the Adam Walsh Resource Center box, also at the service desk, for three weeks.

The signed pass-out also will have information about obtaining a guide for effective state laws to protect children, called "Selected State Legislation."

"K mart has been very supportive of the missing-children issue in our country," said manager Dennis Pel-

ty. "We are simply providing a convenient way for the public to voice its concern about safer communities in which their children grow up."

"John Walsh's grass-roots campaign will help to ensure that our state governor also is aware of the public's concern."

The Plymouth K mart is one of 2,100 K mart stores nationwide participating.

The K mart corporation is the second largest retailer in the world with 1985 sales of \$22.4 billion. The Plymouth store employs 160 people and is one of some 130 K marts in Michigan.

Ballot proposal wins court fight

Wayne County Drain Commissioner Charles Youngblood suffered a setback Friday in his bid to stop a charter proposal, which would eliminate that elective office, from being placed on the November ballot.

The Michigan Court of Appeals upheld a Wayne County Circuit Court decision that said the Wayne County Board of Commissioners acted properly in voting to place the issue on the November ballot.

In his decision, Circuit Judge Charles Farmer said: "I am persuaded by the fact that the law seems to be on the county's side."

Youngblood's suit had alleged that the Wayne County Board of Commissioners acted improperly in placing the issue on the ballot last May.

Farmer ruled that dismissing a proposal before voters had an opportunity to act on it was "premature" and harmful to the election process.

HE WROTE: "... since there is no guarantee that the voters will approve the proposal, any alleged invalidity of the substance or content is only hypothetical, ... at best, premature."

"To delay elections because a question has been raised with regard to the constitutionality of a statute, particularly if the question must

await adjudication in the courts with the possibility of appeal to one or more appellate courts, could end in complete frustration of established political processes," Farmer wrote.

Michael Duggan, attorney for Wayne County, said the absentee ballots carrying the proposal will be distributed within a week to local clerks.

"At this point, you can't stop it," said Duggan.

Youngblood's attorney, Jeffrey Supowit, had argued that state law did not provide for dismantling the office and distributing its functions to other departments.

SUPOWIT COULD not be reached for comment Friday.

Supowit also had argued that the commissioner's resolution was improper because it was approved by a simple majority and not a two-thirds majority of the 15-member body. But Farmer ruled that was a proper action.

"The way they (commissioners) proceeded was constitutional," said Farmer. "I feel they had complied with the statute and the constitution. A (simple) majority was sufficient to place it on the ballot according to the charter."

Kid games planned

Youngsters from area nursery schools will spend Tuesday, Oct. 14, competing in the "Nursery School Olympics," a fun day, more than competition, in the Middle Rouge Parkway.

Games like Velcro dart throw, checkerboard penny toss and "miniature miniature golf" will be organized through the morning by members of the Wayne County parks staff.

The games will take place at the Warrendale Picnic area, located on Ann Arbor Trail near Warren, starting at 10:30 a.m. A parade for decorated bikes, tricycles and big wheels will be held at 11:30 a.m.

A picnic lunch is planned for noon.

The event is co-sponsored by the Greater Detroit Cooperative Nursery Council.

In case of rain, the event will be scheduled for Wednesday, Oct. 15.

Pets of the Week

The Humane Society's Westland Kindness Center is offering these two animals for adoption to good homes. Queenie, a nine-week-old female, is a black and gray-colored husky. She is good with children and other animals. Chrissy, a two-year-old female cat, was brought to the shelter as a stray. She is declawed and has been given her shots. More information about these and other animals is available by calling the shelter at 721-7300.

Deadline set for writers' conference

An Oct. 3 manuscript deadline has been set by Oakland University's Division of Continuing Education and Detroit Women Writers for individuals wishing to have their writing critiqued by professionals at the 25th annual Writer's Conference to be held Oct. 17-18 on campus near Rochester.

Manuscripts to be discussed at the Friday, Oct. 17, lab sessions will include categories in fiction, nonfiction, religion, juvenile, mystery, poetry, short stories and articles.

Manuscripts submitted for evaluation must adhere to stringent requirements and be received by OU's Continuing Education office by Oct. 3.

To submit a manuscript, one must be registered for the conference. For a brochure detailing manuscript requirements, fees and conference, call 370-3120.

This is the time of year when we're hoping to hear from some very special people. The kind of people who hate our enemies as much as we do. People like you.

When you give to the United Foundation, you're actually giving to 143 Torch Drive-supported agencies in the tri-county area. That's 16 more agencies than last year. And they're all committed to easing pain, eliminating suffering and improving life.

But right now, those agencies need extra help. The kind of help that comes from you. So please give a little more to the Torch Drive this year. Because when it comes to fighting our enemies, we can never have too many friends.

GIVE... FOR ALL THE GOOD YOU CAN DO.

Contract finalized SC instructors win salary increase

By Teri Banas staff writer

Schoolcraft College trustees ratified a new labor agreement with college faculty members this week that offers full-time employees an 11-percent wage hike over two years.

The two-year agreement, approved by union members earlier this month, expires in July 1988. The new wage effects 142 full-time instructors by increasing salaries 5.1 percent in the first year and 5.9 percent in the agreement's second year, said union president Lowell Cook.

It means that a beginning instructor with a master's degree will earn \$19,500 this year and \$20,700 next year. At the top of the seniority scale, with 13 years experience, the

same degreed instructor will earn \$36,529 this year and \$38,684 next year.

BUT COOK said that salaries were increased at a bigger percentage for part-time staff, who are becoming more important to the college operation.

For part-timers with seniority, salaries will increase by 5.3 percent this year and 6.2 percent next year, he said. According to Cook, roughly 80 percent of the college's 220-member part-time teaching force falls within this high-seniority ranking.

"Many of these people have been with the college since it opened 22 years ago," said Cook. "Their contribution is being recognized by everyone. We want to retain them, and we want to recognize them."

In addition to the salary increase, the new contract also includes a recently-drafted provision awarding part-time instructors with the status of assistant professors, associate professors and full professors.

Cook said the new recognition has become important for professional reasons.

Overall, he termed this year's bargaining sessions as "smooth." For the second year in a row, a tentative agreement was reached before the start of classes.

Both sides credited "mutual gains" bargaining for eliminating the traditional adversarial stances associated with contract talks.

The faculty had approved the agreement on Sept. 2 and Sept. 3 by a 3-1 votes, Cook said.

FOLK ART MINIATURE

An exhibit of hand-carved three-dimensional ceramic folk art miniature sculptures and buildings by Barbara Kingsbury is at the Plymouth Historical Museum, 155 S. Main, 1-4 p.m. Thursday, Saturday and Sunday.

These miniatures represent the simplicity of the New York mountain people and have been exhibited at Norwich Museum, the Robeson Center for Arts and Science, and at fairs throughout New York state. Also on exhibit is a display of the 75 years of Girl Scouting.

LITERACY CLASSES FREE

Plymouth-Canton Community Education has free classes that teach adults how to read, write and perform basic math skills. These classes are held both day and night in the new learning lab at Starkweather Community Education Center in Plymouth. Low-cost child care is available on-site during day classes.

In addition to these classes, students who need or want extra help to improve their reading skills may be eligible for placement with a volunteer reading tutor, also free. For information, call 451-6555 or 451-6660.

FREE JOB TRAINING

Free job training is available for Plymouth and Canton residents at the Employment and Training Center, Wayne-Westland Community Schools, 36105 Marquette, just east of Newburgh in Westland.

There are openings in clerical/office practices, accounting/computing, electronics, restaurant occupations, auto repair, health occupations, printing occupations and building maintenance. People are eligible if they live in Wayne County (but not Detroit or downriver), are low income (including long-term unemployment) and are committed to seeking a full-time training-related job.

The educational funding for the program is provided by Wayne County Private Industry Council. For information, call 595-2314.

CANTON BEAUTIFIERS

The Canton Beautification Committee meets at 7 p.m. the second Thursday of each month at Canton Township Hall, Canton Center Road south of Proctor.

SENIOR CHORE SERVICE

The Conference of Western Wayne Chore Program has been funded for 1986.

The program provides assistance with light household maintenance tasks including lawn mowing, snow removal and window/wall washing. Individuals must be 60 or older and own their own home. The program is for senior citizens living in Plymouth, Plymouth Township and Canton and replaces the home chore program previously conducted by Plymouth Recreation Department. There is no charge for the service.

For information, call 525-8690.

FIFE & DRUM CORPS

The Plymouth Fife and Drum Corps is celebrating its 15th anniversary with a reunion and is trying to get in touch with past members. Past members may write: Alumni, P.O. Box 176, Plymouth 48170.

JOB HELP

The Community Employment Service offered through Growth Works Inc. provides job search assistance to western Wayne County residents. Using a computer data base, job seekers are matched with local employment opportunities.

Those who wish to register with the Community Employment Service, and those employers with job openings, should call 455-0299. Growth Works is a non-profit, community-based organization.

TURNING POINT

If you need help solving a problem, need someone to listen, a referral or information about drugs and alcohol, counselors at Turning Point can help.

Counselors are available 6:30-10:30 p.m. Monday through Friday by calling 455-4900. Turning Point also provides short-term, low-cost counseling by appointment. Turning Point is a component program of Growth Works Inc. of Plymouth.

THE VERTEBRAL SUBLUXATION

WHAT IS IT?

The human spine has 24 movable bones called vertebrae. They are stacked on top of one another and collectively are called the spinal column. A vertebral subluxation is one or more of those vertebrae out of their normal position. Bumps, falls, lifting, pushing, slipping and auto accidents are just a few of the ways they get out of their normal positions.

WHAT DOES IT DO?

Through the center of each vertebra runs the spinal cord. It is made of literally millions of nerve fibers running from the brain down to the spine and then exiting between the vertebrae. From there the nerves disperse into all tissues, organs and cells of the body. When a vertebra is subluxated it distorts the opening where the nerves leave the cord. That distortion causes pressure on the nerves. This blocks and alters brain impulses into the tissue, organs and cells.

WHAT DOES IT CAUSE?

When tissues, organs or cells are deprived of brain impulses, they slowly begin to function abnormally. This leads to disfunction and disfunction is always the forerunner of disease, sickness, weakness and hundreds of symptoms. Symptoms such as: Allergies, Bronchitis, Gall Bladder Disorders, High Blood Pressure, Kidney Disorders, Liver Disorders, Menstrual Disorders, Sinusitis, Stomach Disorders.

WHAT CAN BE DONE ABOUT IT?

Actually there are three choices, one - do nothing, letting the condition get worse until you succumb; two - take drugs which alleviate the pain, stimulate or depress the symptoms, but bring no real healing or three - remove the original cause in this process of disease & sickness, that being the vertebral subluxation. They are removed in many ways, sometimes by bed rest, sometimes by changing work habits but mostly by chiropractic spinal adjustment. If you're still sick and full of symptoms, you need a spinal examination to see if you're subluxated and if you are, maybe you should have it corrected. Spinal adjustments aren't traumatic. We give them to children. There are many ways to adjust spines. See the pictures below.

THERE IS NO ESCAPING THE EFFECT OF A VERTEBRAL SUBLUXATION. THERE IS HOWEVER, THE OPPORTUNITY TO HAVE THE SUBLUXATION REMOVED. THE OPPORTUNITY IS NOW YOURS. YOU MAY WANT TO CALL 459-0200.

Motivating your team

Area women lead workshop at S'craft

ART EMANUELE/staff photographer

Mary Sanders (left) collaborated with her friend and partner, Elizabeth Field, to write "R.M.P. Realize Your Power to Motivate," the text for an upcoming workshop at Schoolcraft College.

Mary Sanders, Farmington Hills resident and professional motivator and trainer, will conduct a three-day workshop "Motivating, Communicating, and Leading Your Team," in Schoolcraft Community College Oct. 1, 2 and 3.

"It's fun to be motivated, it's thrilling, it's exciting," said Sanders, who teaches her students to use their own motivation to infect others.

The main text for the workshop will be the book "R.M.P. Realize Your Power to Motivate," which Sanders and her friend and colleague Elizabeth Field, also of Farmington Hills, recently completed.

Sanders and Field, travel the United States and Canada doing workshops and management and training seminars.

They teach part time in local community colleges and universities, are consultants for clients including General Motors, Sears & Roebuck, Michigan Bell and the state government.

Sanders explained the book was the result of questions she and Fields often asked themselves and each other as well as other motivators.

"Who motivates the individual who is out there, motivating, influencing, giving out energy, inspiring people, getting them enthusiastic, whether a manager, doctor, nurse, social worker or a therapist?"

When they are giving out all this energy who motivates them?

The book helps motivators recognize and avoid some of the negative aspects of work that can lead to physical and mental exhaustion, illness and arguments. It stresses the importance of keeping a sense of perspective and beating the fear of failure.

It is illustrated by Ken Ver Planck with pen and ink line drawings of saucy little unicorns that reflect the ups and downs familiar to all motivators.

They fit into the R.P.M. theme, racing down roads overcoming hurdles effortlessly, playing high with parachutes, spinning their wheels, joyfully coasting, or tied with lock and chain.

The workshop will explore ways in which to create a productive, motivated team, by evaluating communication strengths and weaknesses. Motivational styles will be identified and traditional motivational tools will be reassessed.

Participants will learn how to select appropriate leadership styles for the current situation and find how to keep their own enthusiasm and motivation high.

Key elements for productive meetings and ways to manage difficult employees will also be discussed.

According to Sanders everyone

has the special power to motivate themselves and others, but it often lies dormant because they never discover how to tap into it.

"As a manager, as a volunteer leader, or as an informal leader, how do you get people excited or motivated?" she asks.

Sanders believes that real motivators have certain characteristics including a good sense of humor, a zest for life and love of work.

"They are typically learners," she said. "They learn from life they learn from a golf course, they learn from nature."

"They'll see some principal that relates back to their work and have a flash of creativity."

The workshop will run from 9 a.m. to 3:30 p.m. The cost, \$85, includes lunch and materials. Call Schoolcraft College 591-6400, Ext. 410 for registration information.

MNC moves executive offices

Michigan National Corp. last week moved its executive offices from 1700 Woodward in Bloomfield Hills to interim headquarters located in the Wellington Complex on Northwestern Highway, Farmington Hills.

A staff of approximately 500 will occupy space in the Wellington buildings at 30665 and 30445 Northwestern Highway.

Joining the executive offices are several corporate divisions including: investment banking, corporate banking, legal, international, credit policy and audit.

Robert J. Mylod, chairman and chief executive officer of Michigan National Corp., said, "It represents phase one of the consolidation of various corporate divisions that will, for the first time, physically unite large segments of our people for a team environment."

As announced this summer, construction of Michigan National Corp.'s new corporate headquarters at Inkster Road and I-696, in Farmington Hills, is expected to begin this fall and to be finished by the first half of 1988. When completed, the permanent headquarters will accommodate a staff of 1,100 people.

CARAMELS & APPLES... Into New Possibilities

Tucked away in the minds of many Americans are the fond memories of family apple-picking outings each autumn. Thinking back, it's easy to call to mind the ritual looked forward to by family members of all ages.

Who could forget the tempting scent of a warm apple-cinnamon pie or the tangy blend of a tart apple wrapped in sweet caramel?

These new variations of favorite desserts—a Layered Caramel Apple Biscuit, Louisiana Style Bread Pudding and the Caramel Apple Puff Pancake—in addition to the homemade Caramel Apple recipe itself, will convince you that caramels are a sweet addition to apple recipes regardless of the season.

When you cook with caramels, follow these helpful hints to make the most of their rich and creamy flavor:

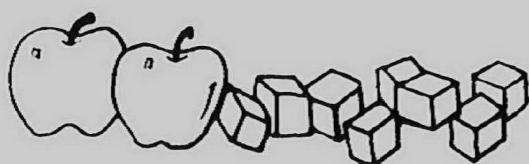

- To avoid scorching when melting caramels, use a heavy saucepan over low heat.
- Once the caramels begin to melt, stir them gently with a wooden spoon.
- For caramel apples, allow about 20 minutes to melt caramels in a heavy 1-1/2 quart saucepan on a conventional rangetop.

Whether you choose to pick your apples at the local orchard or at the produce section of your favorite supermarket, you may become confused by the numerous varieties available. McIntosh and Jonathon apples are favorites for dipping as well as cooking. Other popular apples for cooking are the Granny Smith and the Golden Delicious varieties.

When selecting your apples, pick up the fruit and feel it—an apple should be smooth and have unblemished skin. Soft or mealy apples are not good for cooking.

Finally, before you begin peeling, slicing or chopping, wash the apples in a mild soap solution to remove their natural waxy coating.

When you finish the preparations, you'll be ready to dip right into those sweet n' tart sensations that will leave your taste buds clamoring for another bite!

CARAMEL APPLES

Tempt your taste buds with a tart, juicy apple tucked inside sweet, chewy caramel. Here's a recipe for the classic taste that has delighted generations of caramel lovers.

- 1 14-oz. bag caramels
- 2 tablespoons water
- 4 or 5 medium size apples
- Wooden sticks

Melt caramels with water in 1-1/2 quart heavy saucepan over low heat, stirring frequently until smooth. Wash and dry apples; insert stick into stem end of each apple. Dip into hot caramel sauce; turn until coated. Scrape off excess sauce from bottom of apples. Place on greased wax paper. Store in refrigerator. Let stand at room temperature 15 minutes before serving to allow caramel to soften. 4 to 5 servings.

Variations: Substitute pears for apples.

Substitute 14-oz. bag chocolate fudges for caramels and 1 tablespoon milk for water.

Add 2 tablespoons creamy peanut butter with caramels and water. Roll apple in chopped peanuts.

Dip caramel-coated apples in chopped nuts, flaked coconut, chocolate pieces or miniature marshmallows, cut in half.

Microwave: Microwave caramels and water in small deep glass bowl on High 2-1/2 to 3-1/2 minutes, stirring after each minute until sauce is smooth. Continue as directed if caramel sauce is too thin; let stand about 2 minutes before dipping apples).

These tasty variations on traditional desserts features the tart-sweet combination of crisp apples and creamy caramels. Clockwise from the top: Caramel Apples; Layered Caramel Apple Biscuit; Caramel Apple Puff Pancake; Louisiana Style Bread Pudding.

LAYERED CARAMEL APPLE BISCUIT

Take shortcake away from summer strawberries with this combo of fresh apples and a sweet biscuit...it's a sure winner any time of year!

- 2 cups flour
- 2 tablespoons sugar
- 1 tablespoon baking powder
- 1/4 teaspoon salt
- 2/3 cup milk
- 1/2 cup margarine, melted
- 1 egg, beaten
- 28 caramels
- 1/4 cup water
- 4 cups apple slices
- 2 cups thawed whipped topping with real cream

Combine dry ingredients. Add combined milk, margarine and egg, mixing just until moistened. Spread into greased and floured 8 inch layer pan. Bake at 450°, 12 to 15 minutes or until golden brown. Cool 10 minutes; remove from pan. Cool; split in half horizontally.

Melt caramels with water in heavy saucepan over low heat, stirring frequently until smooth. Add apples; heat. Fill and top biscuit with apple mixture and whipped topping. Serve immediately. 8 servings

LOUISIANA STYLE BREAD PUDDING

Sweet caramels add a touch of enchantment and tangy apples add zest to this traditionally hearty homestyle dessert.

- 28 caramels
- 2 tablespoons bourbon
- 2 tablespoons water
- 2 cups coarsely chopped peeled apples
- 5 dry bread slices, cubed (4 cups)
- 2 eggs, beaten
- 1-3/4 cups milk
- 1/4 cup sugar
- 1 teaspoon vanilla
- 1/4 teaspoon salt
- 1/4 teaspoon cinnamon

Melt caramels with bourbon and water in heavy saucepan over low heat, stirring frequently until smooth.

Place apples and bread in greased 1-1/2 quart casserole. Combine remaining ingredients; pour over bread and apples. Top with caramel sauce. Bake at 350°, 1 hour or until knife inserted near center comes out clean. Serve warm or chilled. 6 to 8 servings

Variations: Substitute brandy for bourbon.

Omit bourbon; increase water to 1/4 cup.

CARAMEL APPLE PUFF PANCAKE

Topped with a delicate sweet sauce and a dollop of whipped cream, this variation of the German "apfelpannkuchen" is best served as a dessert after a light meal. Great for the brunch bunch!

- 28 caramels
- 1/4 cup water
- 4 cups apple slices
- 1/4 teaspoon cinnamon
- 1/2 cup flour
- 1/2 cup milk
- 2 eggs
- 1/4 teaspoon salt
- 1 tablespoon margarine
- Sour cream

Melt caramels with water in heavy saucepan over low heat, stirring frequently until smooth. Add apples and cinnamon; heat.

Combine flour, milk, eggs and salt; beat until smooth. Heat heavy 9-inch ovenproof skillet in 450° oven until very hot. Add margarine to coat skillet; pour in batter immediately. Bake on lowest oven rack at 450°, 10 minutes. Reduce oven temperature to 350°; continue baking 10 minutes or until golden brown. Fill with apple mixture; top with sour cream. Serve immediately. 6 to 8 servings

Chicken and Rice L'Orange is easy to prepare and elegant to serve when you're short on time in the kitchen.

Chicken suits your style

Inspired by international classics, today's cooks are creating quick and easy recipe variations to suit busy lifestyles.

Try colorful Chicken and Rice L'Orange, a vegetable rice medley with chicken flavor with orange juice and plump golden raisins. Sautéed boneless chicken breasts prepared with a buttery orange marmalade glaze are served with the delicately seasoned rice. Thanks to Vegetable Rice Medley, a unique rice dish featuring garden vegetables, herbs and crunchy almonds, this winning recipe captures flavors reminiscent of fine inn dining in just 30 minutes preparation time.

CHICKEN AND RICE L'ORANGE
1 cup water

2 1/2 cup orange juice
4 tbsp. butter or margarine, divided
1 pkg. (5.2 oz.) commercial brand vegetable rice
medley with chicken flavor
4 chicken breast halves, bones and skinned
1 1/4 cup sliced almonds
1 1/4 cup orange marmalade
1 1/2 cup golden raisins
1 tbsp. grated orange rind
1 1/4 cup thinly sliced green onion

Combine water, orange juice, 1 tablespoon of the butter and contents of all three packets in medium saucepan. Bring to a boil. Cover tightly and simmer 20 to 25 minutes or until all liquid is absorbed. While rice is cooking, pound chicken to 1/4-

inch thickness; set aside. Cook almonds in 1 tablespoon of the butter in medium skillet over medium-low heat just until golden and toasted, about 1-2 minutes; stir constantly. Remove almonds from skillet and reserve.

Add remaining 2 tablespoons butter to skillet. Add chicken and cook over medium heat 5 minutes. Turn and continue cooking 4 to 5 minutes or until chicken is cooked through. Add marmalade. Stir to melt and coat chicken. Stir raisins and orange rind into cooked rice. Arrange rice on serving platter, top with chicken. Sprinkle with reserved almonds and green onion. Makes 4 servings.

Take heart Healthy eating means less fat

Taking your diet to heart could improve your life.

The typical American diet is still high in fat, say studies from the American Heart Association. At least 50 percent of adult Americans have serum cholesterol levels over 200 milligrams per deciliter of blood, a level at which the risk of coronary heart disease begins to rise sharply.

Although studies conducted since the AHA first issued dietary recommendations in 1961 show positive trends toward more healthy eating habits, almost half of the total calories in the American diet are still derived from fat.

The association has created its own cookbook to help people cut down the amount of fat they eat. The new diet is not so much a change from the old, but rather a more specific guideline. Salt, too, is included in the AHA guidelines for the first time.

THE RECOMMENDATIONS suggest limiting sodium intake to one gram per 1,000 calories, not to exceed three grams per day. The cholesterol intake should be roughly 100 milligrams per 1,000 calories, not to exceed 300 milligrams per day. Saturated fats, according to the new guidelines, should not exceed 10 percent of total calories. Polyunsaturated, saturated and monounsaturated fats together should not exceed 30 percent of the total daily calories consumed.

To determine how your diet stacks up against the new recommendations, pamphlets on analyzing food content will be available in stores participating in AHA's Food Festival. Other information on salt, fats and cholesterol will also be available. Cooking demonstrations and blood pressure screenings will be available in some stores, and all those partici-

pating will have free literature available.

Participating stores in Southeast Michigan includes A & P stores, Great Scotts, Kroger's, Foodland Stores, Hollywood Markets, Shopping Center Markets, Oakridge Markets and independent grocers.

For more information on how to incorporate the new AHA dietary guidelines into your menu, call the American Heart Association of Michigan at 557-9500, 8:30 a.m. to 4:30 p.m., Monday through Friday or write them at: 16310 W. 12 Mile Road, P.O. Box 160, Lathrup Village, MI 48076.

Below are some sample recipes from the AHA cookbook.

WHEAT GERM PANCAKES

1 cup white flour
2 1/2 tsp. baking powder
1 tsp. sugar
1 1/4 cups skim milk
2 tbsp. oil
1/2 cup wheat germ, toasted with 1 teaspoon of honey

Sift together flour, baking powder and sugar. Add wheat germ.

Combine milk and oil and stir into the dry ingredients until just moistened. Stir in cottage cheese only until mixture is slightly lumpy. (If smoother batter is desired, whip cottage cheese with liquid ingredients in blender). Drop batter by spoonfuls onto a greased pan. Cook until bubbles appear on upper surface, then turn and brown on the other side. Turn only once. Continue until all batter is used. Serve with maple syrup.

SPINACH QUICHE IN A RICE CRUST

3/4 cup dry rice
1 1/2 cups water
3 eggs (6 egg whites or egg substitute equivalent to 3 eggs)
3 tbsp. grated Parmesan cheese
1 10-oz. pkg. frozen chopped spinach
1/2 tsp. nutmeg
freshly ground black pepper
1 tsp. lemon juice
1 medium onion, chopped
1 tbsp. margarine
1 cup skim milk

Cook rice in water until tender (approximately 30 minutes), drain and mix with 1 beaten egg and 1 tablespoon grated cheese. Press firmly into pie pan, forming a crust.

Bake the crust for 3 minutes at 425 degrees. Remove from the oven.

Cook spinach until defrosted in a little bit of water. Add nutmeg, pepper, lemon juice. Continue cooking until all water has evaporated. Sauté onion in margarine, until slightly brown. Add to spinach.

To the crust add the spinach mixture, sprinkle with remaining 2 tablespoons cheese. Mix 2 eggs with milk, pour into quiche. Bake for 10 minutes at 425 degrees. Lower temperature to 350 degrees, bake 30 minutes longer. Quiche is done when center is firm. Yield: 6 servings.

Freezing your meals

Making your own frozen dinners can bring savings to your pocketbook and you don't need much in the way of special equipment. All you need to have are some freezer bags and/or freezer paper, small aluminum tins, strong tape, and a marking pencil for labeling. With these few items you can put together many frozen dinners in just a few hours.

The following suggestions will help you in successfully preparing your own frozen dinners.

To retain crispness and prevent overcooking upon reheating, undercook dishes slightly before freezing.

Try to get rid of as much air as possible from plastic freezer bags before sealing, it helps the food stay fresh.

Don't place aluminum foil directly over foods containing items such as tomatoes or fruit juices. The acidity can eat through the foil resulting in freezer burn.

Use arrowroot or cornstarch for thickening. That will make sauces less likely to separate.

Since certain spices, such as oregano, thyme, and parsley may intensify in flavor during freezing, its better to err on the side of underseasoning before freezing. You can season to taste before serving.

Stock your freezer with a few frozen dinner staples: chicken or beef stock frozen in ice cube trays. Bread crumbs and grated cheeses can also be frozen and sprinkled onto dishes as they finish cooking.

Be creative in your use of freezer containers. Aluminum tart shells can hold entire dinners of mini meatballs and vegetable purees.

For more information on freezing contact your county cooperative extension service.

WDTX's Jim Harper (left) and Steve Courtney share some laughs with Muffy Figure during the broadcast from her home.

Serving breakfast was also a part of the Thursday morning activities for Plymouth's Muffy Figure.

Kitchen broadcast gets the day going

By Julie Brown
staff writer

THE HEART of rock and roll was beating full-force in Muffy Figure's kitchen Thursday morning.

Figure, a Plymouth resident, requested three of her favorite songs by Huey Lewis and the News during "The Morning Express" on WDTX-FM radio. She didn't have to use the phone to make her request, however, WDTX's Jim Harper came to her house.

Figure was one of several Detroit-area residents who won a WDTX contest. Listeners sent in letters to the radio station, asking those at WDTX to broadcast the show from their homes. The other winners were from Ypsilanti, Mount Clemens, Rochester Hills and Ann Arbor.

Thursday morning, WDTX's Harper, Steve Courtney, Cynthia Canty and producer Mike Bradley could be found gathered in Figure's kitchen. The Plymouth resident went on the air periodically, and also found time to serve breakfast to the

crowd gathered in her kitchen.

"Hectic," she said of Thursday morning's activities. "It's harder getting the kids to bed at night."

FIGURE'S TWO children, J.J., 11, and Lynn, 9, were enjoying themselves during the 6-10 a.m. broadcast.

J.J. got to say "hello" to his friends Jason and Paul during the radio program. J.J. is a sixth grader at Our Lady of Good Counsel School in Plymouth, where his sister is a fifth grader.

"It's neat," was J.J.'s description of Thursday morning's fun. He planned on going to school a bit later in the day, around 10:30 or 11 a.m.

His school friends were listening to the show on WDTX, J.J. said.

"Some of the kids will be listening on Walkmans until they get into school and have to take them off."

Muffy Figure was excited when she found out several weeks ago that she had won the contest.

"We always like a party, so this was a good excuse to have a party."

HER KITCHEN was filled with friends, neighbors and co-workers Thursday morning. Some came from as far away as Grosse Ile and Royal Oak.

Figure was planning on going to work later in the day Thursday. She works at Product and Consumer Evaluation in Farmington Hills.

The Plymouth resident regularly gets up at 5:30 a.m., so it wasn't too difficult getting up early for the arrival of the WDTX staffers.

"Really, the hard part was going to bed last night," she said with a laugh.

Cynthia Canty from WDTX autographs Muffy Figure's T-shirt. Figure's son, J.J., was among those enjoying the morning's fun.

Steve Courtney from WDTX and Muffy Figure get great reviews from the onlookers in Figure's kitchen. Many of her friends and neighbors were on hand for the Thursday morning broadcast.

Producer Mike Bradley from WDTX keeps things moving along smoothly during the broadcast from Muffy Figure's kitchen.

clubs in action

DESIGNS IN FLIGHT

The Hill and Dale Garden Club of Farmington Hills will hold its fall fund-raising event, "Designs in Flight," Tuesday, Sept. 30, at the Sheraton Oaks in Novi. The day will include a boutique of handcrafted items and a fashion show highlighting "The Best of Northland Center." WCZY's Colleen Burcar will be the commentator. The boutique will be open from 10 a.m. to noon and from 1:45-3 p.m. Tickets for the luncheon and fashion show are \$17.50 and must be bought in advance by calling 553-8670 or 553-8057. Proceeds from the event will support the club's program in garden therapy for Farmington Public Schools special education students.

Holiday cards to be featured

Ho, ho, ho — so soon?

Yes, it's that time of year again, when the Observer & Eccentric Newspapers puts out its special page of holiday greeting cards from non-profit and non-political organizations.

The annual special promotion will appear in all 12 O&E Suburban Life sections on Thursday, Oct. 16.

Non-profit and non-political organizations are invited to submit to the Observer & Eccentric Newspapers by Thursday, Oct. 9, five copies of each card they will be selling. The newspaper reserves the right to select one sample for publication if more than one style of card is submitted.

Cards not published Oct. 16 will be published in later issues as space permits.

Information on ordering the cards will appear with photographs of the cards to aid readers in making a selection.

As in the past, organizations are requested to include such information as:

- Price per box and number of cards per box.
- Price for larger quantities.
- Price for imprinting and deadline for imprinting.
- Where the cards can be bought.
- Telephone number, if more information is needed.

In addition to printing the cards, the O&E will continue another tradition, that of having display books of charity cards for public viewing at five of our offices: Birmingham, 1225 Bowers; Rochester, 410 N. Main; Farmington, 33202 Grand River; Livonia, 36251 Schoolcraft; and Plymouth, 489 S. Main.

The display books will be available beginning Monday, Oct. 20.

The holiday greeting card feature was begun by the Observer & Eccentric several years ago as a public service on behalf of the many area charitable organizations that use the sale of holiday cards as a means of fund raising and for residents who want to help them by buying the cards.

Salem, Chiefs cruise

Plymouth Salem basketball coach Fred Thomann had every right to worry about his team's intensity level coming into Thursday's game against winless Farmington.

The Rocks could have easily looked past the Falcons with a Farmington Hills Mercy clash on the horizon Saturday. But they didn't.

The Rocks blasted Farmington 99-24.

Dena Head scored 24 points and grabbed 13 rebounds. Kristen Hostynski added a cool 22. Jessica Handley and Jill Estey each scored 14 points and dished out 13 assists between them. Barb King came off the bench to contribute eight points and 15 rebounds.

Becky Philp led the Falcons (0-5 in the Western Lakes, 0-7 overall) with 11 points.

Salem is 5-0 in the league.

CANTON 59, FRANKLIN 32: Penny Piggott scored 19 points and Heather Miller 14 to lead the Chiefs Thursday.

Rose Obey scored 14 for Franklin (3-3).

Canton (4-4) outscored Franklin 13-4 from the free throw line.

W.L. CENTRAL 54, N. FARMINGTON 46: Walled Lake Central ran off a 17-3 lead after one quarter Thursday, then withstood a furious North Farmington rally to win this Western Lakes game.

Jenny Basford, a freshman, led North with 11 points. Mo O'Brien and Jean Anzlovar scored 10 apiece. Sandy Spahn chipped in seven points and 11 rebounds.

Kristen Hostynski (No. 42) scored eight firstquarter points to ignite Salem's 51-31 victory at Farmington Hills Mercy Saturday night.

Salem drills the Marlins

By Chris McCosky
staff writer

A bad night for the home team. More than 700 people crammed Farmington Hills Mercy's claustrophobic gymnasium Saturday night to see Observerland's top two girls basketball teams do battle.

The visitors, No. 1-ranked Plymouth Salem, stole the show. Final score, Salem 51, Mercy 31.

Things began to trickle away from Mercy in the first half.

The Marlins decided to place extra defensive emphasis on Salem's top scorers Dena Head and Jessica Handley. Fine, said Salem. The Rocks gave the ball to senior Kristen Hostynski, who responded with an eight-point first quarter. Salem led 16-12.

Mercy, led by Yvette Maison and Adrienne Clark, made a run at Salem in the second quarter. The Marlins pulled within three before the half and had a chance to get within a point with less than 30 seconds left.

Critical point in the game. Mercy turnover. Salem basket. Four point swing in Salem's favor. Now instead of a trickle, the damn breaks open. Before Mercy can plug the hole — it never does plug the hole — Salem has outscored Mercy 26-8 in the final 12 minutes of the game.

"I THINK WHAT happens is, in a game of this importance, the rivalry and the tradition that goes with it, you had just a fantastic effort from both teams in the first two to three quarters," said Salem coach Fred Thomann. "Mercy fell behind and it is very difficult to play from behind in a game like this. Everything seems to compound itself."

That's exactly what happened. Salem compounded its lead while Mercy compounded the deficit.

"Salem is a tough team to play against when they are ahead," said

Mercy coach Larry Baker. "But if you look at the first half, Maison and Clark were are only two scorers. That was our basic struggle throughout this game. I thought we did a credible job with our press. If we could have established any kind of confidence or consistency offensively, things would have been different in the fourth quarter."

SALEM'S DEFENSE forced Mercy to work extremely hard for every shot it took. Mercy shot just 26 percent from the floor and netted just five of 33 shots in the second half.

Maison, the all-state, All-Area point guard was pestered throughout the game by sophomore Jill Estey and made just four of 18 shots. Maison finished with 11 points, Clark had 10.

Salem, on the other hand, shot well from the floor making 22 of 45 shots.

"The thing we were able to do this year was score at the basket under pressure," Thomann said. "We got some easy baskets off their press and that made them a little bit afraid to come at us real hard."

And then there was Dena Head. Sometimes this extraordinary player simply takes over a game. She did so in the fourth quarter. She scored eight points. She made three steals. She grabbed four rebounds. In one sequence, she tipped the ball away from a Mercy player, bolted down court to receive a long pass for a layup. It was like Salem ran a give-and-go play. On the next sequence, she made a block, grabbed the loose ball and zoomed coast-to-coast for another layup. Whew!

On the night, Head scored 17 points and pulled down 16 rebounds. Hostynski finished with 13 points.

The win leaves Salem with a 7-1 record and Mercy will enter its Catholic League season Tuesday with a 4-2 mark.

Soggy, soggy night Chiefs bog down in mud bowl

Friday nights in the fall belong to high school football — usually.

Only the most serious of catastrophes could change that, like maybe a nuclear attack or a millage failure. Football has always prided itself as a game for all weather: steamy heat, pouring rain, or raging blizzard.

At least until last Friday. Severe thunderstorms and tornado funnel clouds were spotted throughout the metro Detroit area, forcing the postponement of several games.

The Livonia Franklin-Walled Lake Western, Dearborn Edsel Ford-Garden City, Plymouth Salem-Livonia Stevenson and Redford Thurston-Dearborn Heights Crestwood games, all slated for Friday night, were called off. Others were delayed for more than an hour.

The postponements were rescheduled for Saturday. Results of those contests will appear in Thursday's sports sections.

CHURCHILL 16, CANTON 6: After four games, only Livonia Churchill remains unbeaten in Observerland. The Chargers reached that summit by limiting Plymouth Canton to 26 yards rushing Friday at CEP.

Churchill led 10-0 at the half. The Chargers scored their first points on a safety, when the snap to Canton punter Dave Mroccka sailed over his head and into the end zone. Mroccka fell on the ball, and five Chargers fell on him, to make it 2-0 in the second quarter.

Churchill struck again when John Tracy streaked 29 yards for the score. Jim Naif fired a two-point conversion pass on a halfback option to Kyle Percin to make it 10-0.

The Chargers increased their lead to 16-0 on Tracy's 10-yard pass to Eric Wolf in the second half.

Canton's only points were scored by Joel Riggs on an 11-yard run. A two-point conversion attempt failed.

Churchill gained 137 yards rushing, with Naif getting 71 on 15 attempts, and 30 passing while limiting the Chiefs to 128 total. Canton quarterbacks Steve Genyk and Neil Hubert combined to complete seven of 13 passes for 102 yards.

The loss was the second-straight for the Chiefs, who started the season with promise, winning their first two.

C'VILLE 25, HAMTRAMCK 0: About the only thing not working well for Livonia Clarenceville these days is its extra-point kicking.

Not that the Trojans aren't getting

enough practice. On Friday at Hamtramck, they rolled to 19 first-half points en route to their second-consecutive shut-out victory.

Quarterback Gregg Buell ignited Clarenceville by tossing three touchdown passes. Buell completed six of 11 for 124 yards, with one interception.

His 22-yard toss to Joe Jentzer opened the scoring in the first quarter. Devin Derock booted the extra point, the only good conversion by the Trojans in the game. In their 18-0 victory over Bloomfield Hills Cranbrook the previous week, they did not score an extra point.

But as in the win over the Cranes, Clarenceville didn't miss the botched conversions. Matt Kraft bolted 10 yards for one TD and Buell hooked up with Scott Pyle on a 24-yard pass for another in the second quarter.

Buell's 34-yard scoring strike to Louie DeBellis in the third quarter made it 25-0.

Clarenceville gained 320 yards in offense, with Billy Bertera rushing for 77 on six carries. The Trojan defense, led by Bob Lynn and Joe Whitefoot with 10 tackles each, limited its opponent to less than 100 yards for the second-straight week.

Clarenceville is now 3-1. Hamtramck dipped to 2-2.

FORDSON 20, WAYNE 7: Wayne Memorial's offense fizzled in the second half in a 20-7 loss to visiting Dearborn Fordson Friday.

The Zebras (2-2) scored first on a 3-yard touchdown run by Darren Tatum in the opening quarter. Doug Quartuccio's placement made it 7-0.

Fordson got on the board in the second quarter on Zaban Fouad's 6-yard scamper. The extra point attempt failed, leaving Wayne ahead at the half 7-6.

The second half, though, belonged to the Tractors. Wayne was limited to nine offensive plays after the intermission and Tatum, who had 57 yards rushing in the first half, did not gain a yard in the second.

Fordson (3-1) went ahead on Fouad's second TD, a 1-yard plunge in the fourth quarter. Gamal Mosallam capped the scoring for the Tractors with a late 5-yard TD run.

The start of the game was delayed an hour and 15 minutes due to inclement weather.

You know how brothers are. Art Kramer wanted a 20%-off Cabin Crafts carpet sale. His brother, Mike, dared him to go up to 30% off. To prove he wasn't chicken, Art went one step further.

"I'll take up to 40% off," he replied. "But don't tell Mom!"

And, luckily for you, the battle still rages. Because now through October 4th, you can save 20%, 30%, even up to 40% on Cabin Crafts carpet featuring wear-dated Monsanto fiber. It resists soiling, abrasion and wear and comes with a lifetime static control warranty. And, because it's wear-dated, you can be sure the Cabin Crafts carpet you choose will last a long time.

Rocks put clamp on sinking Chiefs

By Chris McCosky
staff writer

Mike Morgan has won better than 70 percent of his games since becoming Plymouth Canton's soccer coach. He has put together one of the more respected programs in Oberverland.

So you know this season has to be killing him.

The Chiefs, following Wednesday's tough 2-0 loss to rival Plymouth Salem, are now 2-6-2 this season.

"I don't know what's wrong," Morgan said. "We talked about that today. It's been a bunch of things. Little things. Like not getting to the ball. Like trying to do too much. If there's one thing, I'd say that was it. Everyone is trying to do too much. They all feel responsible for what is happening and they all feel they have to do extra to make up for it."

"We are trying to dribble past one defender too many, trying to make the pass too fine. It's frustrating. These are all good soccer players. It bothers them to lose like this."

Even Salem coach Ken Johnson expressed some concern for Canton after the match. "Canton is a tough team. Their record doesn't really tell it. They've lost a lot of close games."

WEDNESDAY'S GAME was no different. Salem scored both of its goals in the first half. The first goal was actually kicked in by a Canton defender. Freshman Jeff Gold, the last Salem player to touch the ball, got credit for the goal.

The second Salem goal was no fluke. Andy Sharma sent a well-placed through-ball to Dennis Reynolds who buried it in the Canton

soccer

goal.

"This was the best game we played all season," Johnson said. "Especially on the defense. I put Mike Zaretti (formerly a midfielder) back at center fullback and he was outstanding. He gave the defense the confidence it had been lacking."

Canton, for the most part, controlled the ball in the second half. But Salem goalie Dave O'Malley kept the Chiefs off the board.

"We just aren't finishing the plays this year. We don't have any Steve Morells this year," Morgan said. Morell was Canton's leading scorer a year ago.

"Our striker, Dave Dahlberg, is out with a broken nose. Todd Nichols has a badly bruised thigh muscle and he's kicking with his opposite leg. Steve Rudelic is playing on an inflamed ankle. Scott Morgan won't play this week. It's been that kind of year."

CANTON WENT through a three-game spell earlier this season in which it had 66 shots on goal and only scored twice.

"When things like that start to happen, tempers get short and you begin to lose concentration," Morgan said. "If we could just slow down about 15 mph during the game and think, we'd be all right."

Wednesday's Canton-Salem was marred by five yellow cards — three to Salem and two to the Chiefs.

The Rocks' record is now 5-2-1.

Schoolcraft's John Gelmissi battles a pair of Macomb CC defenders for control of the ball during Wednesday's game. Gelmissi came out on top of enough of these encounters to score one goal and assist on three others.

Ocelot surge buries Macomb

By C.J. Risak
staff writer

What happened?

Certainly that's what Macomb Community College's men's soccer team is asking itself. And there were probably a few Schoolcraft College supporters who were stunned by the swiftness of the Ocelots' offensive explosion in their 6-1 rout Wednesday at SC.

This was by no means a runaway, at least not from the start. SC's John Gelmissi (from Livonia Stevenson) scored the only goal of the first half on an assist from Rick Hamers, but the Ocelots missed another golden opportunity when Hamers banged a penalty kick off the cross bar.

The score didn't stay that way for long. In the opening minute of the second half, MCC's Nick Janewski finished a two-on-one break and it was 1-1.

STOP FOR a moment at that point and figure who has the momentum. MCC had just scored. The Monarchs came in as heavy under-

dogs, despite challenging SC for the Eastern Conference title every year for the past six.

They had played an inspired first half. The weather was hot and humid, which should have kept play slow and tepid. It wasn't; the pace throughout the opening half was fast and furious, with neither team holding an advantage.

But the fuse MCC's second-half score lit ignited SC instead of the Monarchs.

A minute after Janewski's goal, Mike Murphy broke in alone on goal and blasted the ball past a helpless Tom Jones, the MCC keeper, to regain the lead for SC.

HAMERS and Gelmissi took over after that. They teamed for two goals in a one-minute span, each time with Gelmissi feeding perfect passes to the on-charging midfielder. And unlike his penalty-kick miss in the opening half, Hamers made no mistake with these chances.

Sixteen minutes into the second half the Ocelots were up 4-1. From that point, it wasn't a matter of who

Schoolcraft sports

would win, but what the final score would be.

"That looked very good," said SC coach Van Dimitriou in a massive understatement. "I'm very pleased. I think I've been expecting too much. I expected perfection from these kids. I've really been pressuring them."

"But this just proved these guys can do what I thought they could."

What the Ocelots did was attack in waves. For the first half, MCC withstood the assault, but cracks in its defense began to appear in the second half. SC kept pressuring until, in the game's late stages, the Monarch defense crumbled.

HOW ONE-SIDED did it become? The Ocelot goal total could easily have reached double-digits, had they cashed in on that first-half penalty

kick. A Hamers shot was deflected by the keeper and Gelmissi missed on the rebound; Murphy failed on a head shot after a superb centering pass from Gelmissi; and D.J. Ward rifled a shot from 30 yards out that the keeper just did get a hand on.

But the successes overshadowed the failures. The Ocelots kept swarming like sharks on the scent of a wounded prey. Bob Neuman poked in a header with five minutes left, converting a pretty centering pass from Bob Trombley, and Hamers completed his hat trick with 30 seconds remaining, looping the ball over the fast-charging MCC keeper.

That finished the 6-1 trouncing, which kept SC unbeaten in Eastern Conference play after three games and lifted them to 4-1-2 overall. It was a convincing win, but perhaps most importantly it showcased the Ocelots' powerful bench.

MCC, considered the second-best conference squad, could not match SC's depth. And as the season progresses, that quality will figure heavily in the Ocelots' favor.

Stevenson awarded win in 44-minute kick match

The Plymouth Salem soccer team left the field last Monday feeling pretty good about things. The Rocks had trailed Livonia Stevenson 2-1 with just four minutes gone in the second half of an evenly-played match when thunder and lightning forced officials to stop the game.

The officials had huddled with the coaches at halftime and told them if play was stopped after 15 minutes of the second half, the game would stand. If play was stopped prior to 15 minutes, the game would have to be replayed from the beginning.

The game was stopped after four minutes of the second half. Salem and Stevenson both figured the next step would be to reschedule the match.

Bad news for Salem, good news for Stevenson.

Tom Montroy, head of the area's referees, informed both teams that the game would stand as a victory for Stevenson. Two years ago, the

national soccer federation ruled that a match became official once play commenced in the second half.

"I MET with the athletic directors and told them what had happened," Plymouth-Canton athletic director Paul Cummings said. "The bottom line is, a rule is a rule. You just can't start changing rules. It's very hard to swallow. I'm mostly disappointed that the coaches and officials weren't aware of the rule. It was foolish to start the second half in the first place."

Stevenson's Lars Richters scored the game-winning goal in the early moments of the second half. He had tied the game on a penalty kick halfway through the first half.

Salem's Dennis Reynolds opened the scoring, taking a beautiful pass from freshman Jeff Gold.

So it's official. In a 44-minute match, Livonia Stevenson wins 2-1.

— Chris McCosky

Salem shares golf title

Plymouth Salem has won its first golf title in at least five years, but it will have to share it.

The Rocks, by virtue of their 210-217 win against Livonia Stevenson Wednesday, clinched a tie for the championship in the Western Lakes Division with both North Farmington and Farmington. All three teams are 4-1 — North beat Salem, Salem beat Farmington, Farmington beat North.

Farmington has one remaining division match, Friday against Walled Lake Central.

"We really hoped to start strong and finish strong this year," said Salem coach Rick Wilson. "Last year we finished strong but started poorly. We feel real good about things right now."

The Western Lakes will crown its overall champion at the league tournament Monday, Oct. 6.

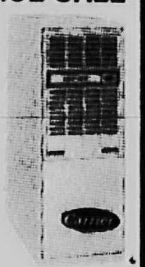

At Brae Burn Wednesday, Mike Granger led the Rocks past Stevenson with a 38. Chris Braidwood followed with a 41. Mike Pilley with a 43, Dan Hutko and Doug Soho each with 44.

Salem is 8-1 overall.

John Beaufait scored 40 for Stevenson.

Chiefs swim past Rocks

It would be but a slight overstatement to say that the Plymouth Canton girls swim team secured a successful season in just its second dual meet.

The Chiefs dunked rival Plymouth Salem Thursday night 99-73. What else matters?

"Our kids just swam out of their minds tonight," Canton coach Hooker Wellman said. "This is a very important meet for us. We really get excited. The kids put on the war paint and the whole works. And it was in our pool, too. That made it easier."

The Chiefs didn't leave much room for drama. They took first in

eight of the 11 events and placed 1-2 in four events.

Freshman Cassie Cummins was the meet's heroine. She won two events, anchored Canton's winning 400-yard freestyle relay and broke a 6-year-old Chief varsity record.

Cummins went 5:25.24 in the 500 freestyle to eclipse Tarja Tuominen's 1979 mark of 5:27.7. She won the 200 free in 2:03.5, then teamed with Sarah Schmitz, Amy Schmitz and Kelly Rische to win the thrilling 400 free relay in 4:04.58. Salem was second in 4:05.43 and had led the race until Cummins entered the water.

JULIE COX also won two events for the Chiefs. She took the 200 individual medley (2:20.0) and the 100 breaststroke (1:10.84). She teamed with Michelle Stackpoole, Amy Schmitz and Danielle Dickinson to win the 200 medley relay (2:00.41).

Other firsts for the Chiefs were recorded by Kellie Dally in diving (191.35 points) and Jean McLennaghan in the 100 backstroke (1:07.9).

Cindy Elliott won two of Salem's three firsts. She took the 50 free (27.3) and 100 free (59.05). Shannon Murphy won the 100 butterfly (1:06.59).

Canton is 2-0 on the season, Salem falls to 2-1.

Chief runners bop Western

The Plymouth Canton cross country teams withstood both heavy humidity and a good Walled Lake Western unit Thursday in a Western Lakes dual meet at Cass Benton.

The Canton boys team won 25-31 while the girls won 24-35. Each improved their record to 5-1.

Western's Brian Grosso won the boys race in 17:17. Canton took the next four places: Dean Juergens (18:01), Kirk Roessler (18:22), Jay Swiecki (18:30) and Al Byrnes (18:33). Ron Ziemba was 10th (19:14).

Western's Laurie Floto won the girls race in 22:14. Canton's Lori Penland (22:29), Sherry Figurski (22:33) and Cindy Spessard (22:53)

took second, third and fourth, respectively.

Angie Miller (24:26) and Michelle Young (24:34) placed seventh and eighth.

PLYMOUTH SALEM's boys team dropped a close 25-31 decision to Walled Lake Central Thursday at Cass Benton.

OPATRYN BOOSTS WMU

Two-time All-Area soccer star Rob Opatry is adjusting well to the college game.

The Plymouth Canton graduate scored his first collegiate goal Friday helping Western Michigan University to a 2-0 win against Holy Cross in the United Way Invitational. Western eventually lost in the finals to host Oneonta State.

Opatry has been starting at fullback for the Broncos.

MORTON SHINES

Craig Morton, 1985 Plymouth Salem graduate and former Plymouth-Canton Observer Athlete of the Year, was named the Ivy League's rookie of the week for his performance against Pennsylvania Sept. 20.

The 6-0 sophomore wide receiver caught three passes for 79 yards and a touchdown in Dartmouth's 14-7 loss. One of his catches was a diving 50-yarder.

PUNT, PASS, KICK

The Canton Parks and Recreation Department is sponsoring its fifth annual Punt, Pass and Kick contest for boys and girls aged 8-13 at 10 a.m. Saturday, Oct. 4, at Griffin Park (Sheldon Road site).

Signup will be at 9:30 a.m. that day. There is no fee.

Football cleats are prohibited.

Local winners will represent Canton at the metro Detroit finals Sunday, Oct. 5, in Oak Park.

MENS RECREATION NIGHT

The Canton Parks and Recreation Department will again sponsor a 10-week session of mens recreation night (basketball) on Wednesday's beginning Oct. 8.

The sessions are housed at Eriksen Elementary School on Haggerty Road and run 6:45-9:45 p.m.

CHARTER TOWNSHIP OF PLYMOUTH

ORDINANCE NO. 92 ORDINANCE PARKING VIOLATIONS BUREAU

AN ORDINANCE PROVIDING THE AUTHORITY, ESTABLISHMENT AND SUPERVISION OF A PARKING VIOLATIONS BUREAU; PROVIDING FOR THE LOCATION AND ADMINISTRATION OF A PARKING VIOLATIONS BUREAU; PROVIDING FOR DEFINITIONS THEREOF; PROVIDING FOR THE SERVICE OF VIOLATIONS TO THE REGISTERED OWNER; ESTABLISHING THE FORM OF THE NOTICE OF VIOLATIONS; PROVIDING FOR THE SETTLEMENT OF SAID VIOLATIONS; PROVIDING FOR THE PROCEDURE IN ALL CONTESTED OR UNRESOLVED VIOLATIONS; PROVIDING FOR THE SCHEDULE OF ALL FINES; PROVIDING FOR THE SEVERABILITY OF THIS ORDINANCE; PROVIDING FOR THE PRESERVATION OF ALL PENDING ACTIONS, AND THE REPEAL OF ALL CONFLICTING ORDINANCES; PROVIDING FOR THE EFFECTIVE DATE THEREOF.

THE CHARTER TOWNSHIP OF PLYMOUTH ORDAINS:

Section 1 Authority, Establishment and Supervision of the Parking Violations Bureau

Pursuant to Section 8395 of the Revised Judicature Act, State of Michigan, as amended by Public Act 67 of 1979, being MCLA 600.8395 and Public Act 74 of 1984, as amended, being MCLA 25.742, the parking violations bureau is hereby established for the Charter Township of Plymouth. The parking violations bureau shall be under the supervision and control of the Township Supervisor.

Section 2 Location and Administration of the Parking Violations Bureau
The Supervisor shall, subject to the approval of the Township Board, establish a convenient location for the parking violations bureau, appoint qualified Township employees to administer the bureau and adopt rules and regulations for the operation thereof.

Section 3 Definitions

As used in this ordinance:
a. "Parking violations notice" means a notice, other than a citation, directing a person to appear at the parking violations bureau and to pay the fines and cost, if any, prescribed by the ordinances of the Charter Township of Plymouth for the parking or standing of a motor vehicle in violation of said ordinances.

b. "Parking violations bureau" means the bureau established by this ordinance for the processing of all civil infractions involving the parking or standing of a motor vehicle within the Charter Township of Plymouth.

Section 4 Service of Parking Violations Notice

In a civil infraction involving the parking or standing of a motor vehicle, a copy of the parking violation notice need not be served personally upon the Defendant but may be served upon the registered owner of the motor vehicle by attaching the copy to the vehicle. Such parking violation notice may be served either a police officer of the Charter Township of Plymouth, or by any other Township employee duly authorized by the Township Board to issue such a notice.

Section 5 Form of the Parking Violation Notice

The issuance of the parking violation notice shall be deemed an allegation of a parking violation. Such parking violation notice shall set forth the nature of the offense, and the date, time and location of the offense. In addition, the parking violation notice shall also indicate the length of time in which the person to whom the same was issued must respond before the parking violations bureau. It shall also indicate the address of the bureau, the hours during which the bureau is opened, the amount of the penalty scheduled for the offense for which the parking violation notice was issued, and advise that a civil infraction citation will be sought if such a person fails to respond within the time limited.

Section 6 Settlement of Violations

No violation may be settled at the parking violations bureau except at the specific request of the alleged violator. No penalty for any violation shall be accepted from any person who denied having committed the offense, and in no case shall the person who is in charge of the bureau determine, or attempt to determine, the truth or falsity of any fact or matter relating to such alleged violation. No person shall be required to dispose of a parking violation at the parking violations bureau, and all persons shall be entitled to have such violation processed before a court having jurisdiction thereof if they so desire. The unwillingness of any person to dispose of any violation at the parking violations bureau shall not prejudice him/her or in any way diminish the rights, privileges, and protections accorded to him/her by law.

Section 7 Procedure for All Contested and/or Unresolved Violations

If a parking violation notice is attached to a motor vehicle, and if an admission of responsibility is not made and the civil fines and cost, if any, for the violation are not paid at the parking violations bureau, a citation may be filed with the court having competent jurisdiction thereof and a copy of the citation may be served by first class mail upon the registered owner of the vehicle at the owner's last known address. The citation shall consist of a sworn complaint containing the allegations stated in the parking violation notice and shall fairly inform the Defendant how to respond to the citation. Thereafter, the citation for the parking or standing violation shall be processed in the same manner as provided in Public Act 510 of 1978, as amended.

Section 8 Schedule of Fines

The amount of such fines for all parking and standing violations shall be established by resolution of the Township Board if such fine has not previously been established by ordinance.

Section 9 Severability

If any section, subsection, clause, phrase or portion of this ordinance is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed a separate, distinct and independent provision, and such holding shall not affect the validity of the remaining portion hereof.

Section 10 Repeal of Conflicting Ordinances

All ordinances or parts of ordinances in conflict herewith are hereby repealed only to the extent necessary to give this ordinance full force and effect.

Section 11 Savings Clause

The repeal provided for herein shall not abrogate or affect any offense or act committed or done, or any penalty or forfeiture incurred, or any pending litigation or prosecution of any right established or occurring prior to the effective date of this ordinance.

Section 12 Effective Date

This ordinance shall take full force and effect upon publication thereof.

Ordinance Adopted: September 23, 1986

Please see attached Resolution No. 86-9-23-64 and the Schedule of Fines

86-9-23-64 RESOLUTION

WHEREAS, the Board of Trustees of the Charter Township of Plymouth is authorized to establish a schedule of fines for parking violations pursuant to the Parking Violations Bureau Ordinance; and

WHEREAS, a review of the attached Parking Fine Schedule demonstrates that such fines are fair and equitable;

NOW THEREFORE BE IT RESOLVED that the Board of Trustees of the Charter Township of Plymouth hereby adopts the attached Parking Fine Schedule for all parking violations processed through the Township Parking Violations Bureau.

PLYMOUTH TOWNSHIP VIOLATIONS BUREAU Parking Fine Schedule

Parking violations if paid within 10 days of date of violation \$10.00
Parking violations if not paid within 10 days of date of violation \$15.00
Handicapped parking violations if paid within 10 days of violation \$25.00
Handicapped parking violations if not paid within 10 days of violation \$30.00

Play-into-film likely to garner Oscars

"Children of a Lesser God" (R) has many marvelous qualities and is, indeed, a major motion picture in the very best sense of the term.

Based on Mark Medoff's 1979-80 triple-Tony-Award-winning Broadway play (Best Play, Actor and Actress), "Children of a Lesser God" is the best film I've seen so far this year and ought to win six or more Oscars.

James Leeds (William Hurt) is an innovative teacher of the deaf who has just been employed by the Governor Kittredge School for the Deaf on the remote coast of northern Maine. The school's superintendent, Dr. Curtis Franklin (Philip Bosco), maintains a steady but conservative institution.

Friction develops as James reaches out to his hearing-impaired students and inspires them, to learn — among other things — to speak and, thereby, communicate in the most complete sense of the word. Leeds is not content with the conventional wisdom that sign language is sufficient communication for the hearing-impaired.

TENSION ALSO develops as James Leeds tries to communicate with a lovely, but angry, young deaf girl, Sarah Norman (Marlee Matlin), a Governor Kittredge graduate who has stayed on to work as a school

The film's complicated and difficult objectives are met by a superb cast and a very fine production team.

janitor. Much of Sarah's anger stems from her early home life and her family's reaction to her impairment. She and her mother (Piper Laurie) are estranged.

"Children of a Lesser God" is about the very tender, passionate and compassionate love affair that develops between James and Sarah. It is about the problems of the hearing-impaired and the profoundly deaf. But most significantly, it is about the problems of communication between and among human beings.

"Children of a Lesser God" is a great movie because it effectively deals with those issues and touches our sensibilities with the warmth and beauty of the very best of the human spirit, the ability to rise above the seemingly impossible barriers life presents.

The film's complicated and difficult objectives are met by a superb

cast and a very fine production team. The decision to employ only hearing-impaired artists as deaf characters reflects the film's central concept, barriers to human communication, at every level, may be overcome.

Marlee Matlin suffered a severe hearing loss from roseola when she was 18 months old. From 8 to 16

years she performed at the Children's Theatre of the Deaf. "Children of a Lesser God" is her film debut. Matlin is lovely to look at and inspiring to watch. Her ability to communicate emotion without reliance on words is profound.

SEVEN YOUNG performers, who range from hard-of-hearing to profoundly deaf, play the teenage stu-

the movies

Dan Greenberg

dents in William Hurt's class. Additionally, the production features the deaf actress Linda Bove and other hearing-impaired talent. To expedite communication on the set, signers were on duty during the production. Paramount is distributing more captioned prints of "Children of a Lesser God" than any previous film released by any studio.

But most significantly, the production integrates signing in the film's fabric, largely through William Hurt's magnificent performance as he "speaks" for the deaf, and for himself, by vocalizing his signing and theirs as well.

In his seventh motion picture, Hurt again demonstrates his great talent and easily equals his multiple award-winning performance in last year's "Kiss of the Spider Woman."

The film's photography by Australian John Seale ("Careful, He Might Hear You") has a dark, somber quality as if the damp and rocky coast of Maine were physically characteriz-

ing the inner turmoil impaired people suffer in communicating.

Actually, the film was shot in Saint John, New Brunswick, Canada, not far north of where the story is set.

THE SIGNIFICANCE of the film, and its tremendous impact, is that it deals with barriers to all human communication, not just those of the impaired. It takes just as much courage and understanding to rise above the barriers of noise as it does to surmount the walls of silence.

Together, James and Sarah learn to bridge those gaps. It is one thing to say but a far greater task to accomplish on film. Matlin and Hurt have done so in a fine script by playwright Mark Medoff working with Hesper Anderson. The crowning touch is the sensitive direction by Randa Haines ("Something About Amelia").

All told, "Children of a Lesser God" is the movie of the year, one which offers audiences great warmth and pleasure.

Wines to be auctioned at annual charitable event

It is time to again promote the great Detroit International Wine Auction, the fifth of its kind to be held for charity in the Detroit area.

Beneficiary of the event is the Center for Creative Studies-Institute of Music and Dance.

In addition to the activities of the auction itself, involving donated wines of incredible variety and parentage, there will be a champagne reception, followed by a gourmet dinner prepared by some of the finest local chefs. All this, of course, will be accompanied by a legion of California wines to complement each course.

Auctioneer will be Patrick Grubb, master of wine. London Honorary chair this year goes to Joe Heitz, winery owner of Napa that bears his name. The event will be held the evening of Saturday, Oct. 11, late enough to allow football fans to return from the game, change and go. It will be held again at the historic Lovett Hall in Greenfield Village, Dearborn.

SUMMER BROUGHT about the second Great Wine Shootout, fast becoming an institution in Southeastern Michigan. Fourteen wine distributors each selected four of their most recently procured wines from California and the Pacific Northwest in quest of the awards voted on by the event's 350 patrons. Each person was asked to select preferred wines for the evening, choosing both red and white favorites.

Most popular wine of the event was the Simi 1980 cabernet Reserve, a wine of huge depth and power from a vintage known for such attributes. Fairly close behind in the

voting, and nearly tied between second and third place, were the 1981 Silver Oak and 1982 Stags Leap Wine Cellars cabernets, the latter poured from magnums.

First place in the whites was earned by the Merry Vintners' 1984 chardonnay. This initial effort was

Merry Edwards from her own winery, after leaving Matanzas Creek a couple of years ago. It was an excellent wine, well balanced between oak and fruit with decent and commendable acidity.

Second place went to the 1985 Riesling from Hogue Cellars of Washington State, third to Sterling's Diamond Mountain chardonnay.

It should be mentioned that both of the first place finishers were again from Sonoma County, thus continuing a strong national trend over the last few years that has seen wines from there continue to win prizes everywhere.

Some new-to-Michigan wineries

were unveiled at the event. Adler Fels, another Sonoma property, showed well with a 1985 fume blanc. Meyers Winery from Napa is now to be more readily available locally with a cabernet and a chardonnay and the same flavors will be available from Jean Claude Boisset.

Ravenswood, a frequent award winner from southern Sonoma, introduced itself via a 1983 cabernet of

great muscle, little finesse and an evocation of the days when zinfandels were made to be monster wines.

IN ADDITION to these heretofore unavailable wines from California, some new items from Oregon were introduced. Prestigious Adelsheim from Yamhill County poured its 1984 chardonnay and did very well in the voting with it.

I'm part of their future

Being a Girl Scout leader gives me a great sense of personal satisfaction. Every time the girls accomplish something, so do I.

The activities are great — we've gone on camping trips, visited the local newspaper, and talked with area businesswomen about how they juggle their careers and a full family life.

See for yourself the difference being a Girl Scout leader can make — for you and for the girls. You'll want to be a Girl Scout leader, too!

Birds keep their 'personal space'

By Timothy Nowicki
special writer

Fall is the season when the behavior of birds changes from defending territories to gregariousness. Juveniles and adults form large flocks seen frequently around the metropolitan Detroit area.

Blackbirds, of 3-5 different species, constitute most of the conspicuous flocks seen at this time of year.

Passing the intersection of I-94 and I-275 on the way home from work the other day, I noticed a large flock. They were feeding in the fields and marshes of the cloverleaf, putting on a layer of fat to sustain them on their migration south.

WHEN BIRDS finish feeding, they roost on the towers and cables that dissect the intersection.

Passing by, I noted that all the birds on the wires were evenly spaced from their neighbors. From a distance, they looked like inch marks on a ruler.

A few days later at work, I watched a starling land on a telephone wire among a group of neatly spaced birds. When he landed, birds on either side of him moved away to establish the same distance they had between neighbors before his arrival.

Birds next to the two that moved adjusted their spacing, and so it went on down the line. It reminded me of a game of dominoes.

INDIVIDUAL spacing is readily observed in birds, but not restricted to them. Man too has a "personal space" that he maintains when conditions allow it.

Doctors Say:

New Grapefruit Super Pill 'II' Gives Faster Weight Loss

Diet Pills Sweeping U.S.
No Dieting — Eat Normally

BEVERLY HILLS, CA (Special) — Good news for people who want to lose weight. According to the results of a recent medical study, you can easily lose up to "14 pounds in 14 days" with an amazing, vastly improved "new version" of the world famous grapefruit "super pill" diet called Super Pill II.

Best of all, the pills allow you to "continue to eat all of your favorite foods without changing your normal eating or exercising habits and still lose weight, starting immediately, until you achieve the ideal weight and figure you desire. "It's guaranteed!"

The new diet pills have been successfully clinically tested on groups of overweight people by a panel of doctors in Beverly Hills.

All Lost up to 14 lbs. in 14 Days

"Remarkably, ALL people in the Super Pill II test group showed dramatic weight loss over 14 days," stated Dr. Steve Sachs, who compiled and analyzed the data in the study. It also proved conclusively that the powerful new ingredients combined with the placebo effect will enable you to lose weight "over 3 times faster" with this new version compared to the previously popular and successful original version.

"Pills Do All the Work"

According to the clinical study, "Super Pill II itself does all the work while you quickly lose weight with NO starvation "diet menus" to follow, NO calorie counting, NO special exercise, NO hunger pangs, and NO messy fresh half grapefruit to eat at every meal." You simply take the pills with a glass of water before meals.

Pills Contain ALL Daily Vitamins

No need to take any vitamins to maintain your good health and energy because Super Pill II is fortified with all (100%) of the U.S. Government USFDA recommended daily vitamin requirements.

Super Pill II is already sweeping the country with glowing reports of easy and fast weight loss from formerly overweight people in all walks of life who are now slim, trim, and attractive again.

Now Available to Public

You can order your supply of these new highly successful Grapefruit Super Pills (now available directly from the manufacturer by mail or phone order only) by sending \$14 for a 15-day supply (or \$20 for a 30-day supply, or \$35 for a 60-day supply) cash, check or money order to: Super Pill II, 279 S. Beverly Dr., Dept. W24, Beverly Hills, CA 90212. (Unconditional money-back guarantee (not 100% satisfied.) Visa, Mastercard, and Amer. Express OK. (Send card number, expiration date, and signature.) For fastest service for credit card orders ONLY call anytime 24 hours, toll free 1 (800) 872-8446, ext. W24. © Super Pill II 1986.

nature

People standing in line adjust the distance between themselves and the people in front of them, particularly strangers, when room permits.

Under crowded conditions, this invisible "bubble" disintegrates, but man then institutes other behavioral actions to compensate for his loss of personal space.

Though each person has his own individual distance, take note of the spacing of people in line at the bank next time.

All the birds on the wires were evenly spaced from their neighbors. From a distance, they looked like inch marks on a ruler.

Patients demand too much medic

Americans are placing too many demands on their doctors because they expect the physicians to "keep me alive and keep me happy," says Dr. Marshall Goldberg, professor of medicine at Michigan State University.

Thirty years ago, the unwritten patient-doctor contract merely said, "Here's my money, keep me alive," Goldberg said. But the introduction of anti-anxiety and anti-depressant drugs has altered this professional relationship.

"It's a tough contract to fulfill," Goldberg said in a TV Guide magazine article. The author of several medical novels, he is chief of endocrinology of Hurley Medical Center, Flint.

GOLDBERG SAID there have been major changes in health-care institutions, and many hospitals are aggressive in their advertising.

"If the best way to lower the cost of a product or service is through competition, let there be competition. But because of the pressures hospital administrators are under to keep beds filled, there are few Mother Teresa types among them," he wrote.

Most physicians will admit, Goldberg said, that they spend less time with patients than before. But doctors point out that because of medical advances, they can do so much more for patients, and they bear a heavier responsibility.

P PROMISING future beckoned, but Wasczenski decided not to stick around it. He left MSU following the opener against Arizona, transferring to University of T. They weren't throwing the W. Wasczenski said from his room. "I was under the impression, (U) coach (George) Perles, that he was going to throw the ball 30 seconds a game. I think in their first games they average about 15 passes. I felt I was in a bad place there. I didn't throw."

Wasczenski said he was surprised because he was told he was a star.

IS IS FAT? Wasczenski, who was 250 pounds, said he was not. "They were just saying he was fat," he said.
